The Great War, begun in 1914, would commence the punishment of both Germany and Russia for thirty years. The populations of both countries, especially Protestant East Germany, would suffer terribly under the Jesuit Inquisition of Russian Communism during "the Cold War," heavily promoted by CIA Knights of Malta **Henry R. Luce** of *Time Magazine* and **William F. Buckley, Jr.** of *National Review*. **That Cold War**, properly understood to be Rome's old "Inquisition" killing *"heretics, liberals and infidels"* on both sides, while conducted by the Jesuit General's **International Intelligence Community**, supposedly ended in 1989 with the fall of the Berlin Wall, the reunification of Germany and "the fall" of the "**USSR**." Time will tell if the Company's Cold War truly ended or if Russia is still our undying foe despite the illusion that President **George W. Bush** and President **Vladimir Putin** are temporary allies (as were **Stalin** and **Hitler**) in fighting the ***Black Pope***'s *"War on Terrorism!"* Meanwhile, the shots that rang out at **Sarajevo** on June 28, 1914, *four days after* **Pope Pius X** *had entered into a Concordat with Serbia to the astonishment of the Orthodox Serbian people*, would begin the Jesuits' **Second Thirty Years' War**. And a deceived American and British populace, Protestant and Catholic alike, *would unite to fight* ". . . the war to end all wars . . . against the [*Lutheran*] Hun . . . making the world safe for [*Papal socialist-communist*] democracy . . . '*Over There*.' "

Freemason José P. Rizal, 1861 – 1896 #288

With the Order's expulsion from Spain in 1868, the ***Black Pope*** began to set in motion the breaking up of the Spanish Empire via his "Invisible Empire" of international Freemasonry. At about this time Rizal, 'the George Washington of the Philippines," began his education at the hands of the Jesuits and later the Dominicans. In 1882 he departed for Europe where he furthered his medical studies ultimately to become fluent in ten languages writing Latin, Hebrew and Greek. While in Jesuit-ruled Madrid, he became a Freemason imbibing the doctrines of Voltaire (the Order's Jesuit-trained, Masonic French revolutionist), Rizal having been fully intended by the Company to be its tool in breaking his nation away from Spanish rule, it only to be betrayed at the peace conference, denied its independence and annexed as a "territory" into the Order's 14th Amendment American Empire. But Rizal, now a Bible-believing Protestant, had attacked Romanism and was a true nationalist. He exposed the Franciscan, Augustinian and Dominican priests, proclaiming it was Rome that held his nation in spiritual thralldom as well as political and economic paralysis. Two fatal errors brought the secret wrath of the Order upon "the First Filipino:" Rizal demanded the replacement of Spanish priests with native Filipino priests and he demanded the Protestant rights of freedom of speech, press and conscience for his people.

Against the advice of his highly educated parents, Rizal returned to the Philippines in 1892. But our brave patriot was a condemned man! Arrested and exiled, he spent four years in research while founding a school and hospital. After Rizal had been deported to Spain in 1896, the Order ignited a revolution using its Katipunan (surnamed the "KKK"), a Masonic secret society. Rizal was returned to Manila and blamed for instigating the revolution—a physical impossibility! Condemned to be shot, he was attended by Jesuit priests Pastalls and Balaguer seeking a recantation of his "heretic" faith and "liberal" views. Refusing, José Rizal faced a firing squad with calm in the presence of Pope Leo XIII's attending Jesuits—our hero's Vatican assassins!

Jesuit Priest Thomas Ewing Sherman, 1856 – 1933 #289

General Sherman's Son

Jesuit Thomas Sherman was the son of that disgrace to the military art of arms, Federal General William Tecumseh Sherman, who, under the advisement of Jesuit Pierre De Smet and with the blessing of Thaddeus Stevens, embarked on his murderous Crusade through the American South destroying the White Protestant civilizations of Georgia, South Carolina, North Carolina and Virginia pursuant to the wicked Council of Trent. Jesuit Sherman was a close personal friend of the Order's Masonic American President Theodore "Rex" Roosevelt, serving as a Chaplain in the Spanish American War ignited by Masonic J. P. Morgan (1898) and, while at a dinner in honor of the Shermans (1906), was invited by Roosevelt to accompany a unit of U.S. cavalry to reenact General Sherman's raping and thieving march to the sea. An outraged Protestant Georgia forced the President to withdraw Jesuit Sherman's military escort, thus ending his near journey of infamy. Sherman became one of the Order's most influential Jesuits of the **Black Pope**'s "Holy Roman" Fourteenth Amendment American Empire, hating two of our heroes, Charles Chiniquy and Jeremiah Crowley, who dared to expose the designs of the Papal Caesar's Society of Jesus against the Calvinist Republic of our beloved George Washington. Sherman died in 1933 and was buried in the Old Jesuit Cemetery at St. Charles College in Grand Coteau, Louisiana, along with another brother Jesuit, John Salter (1877-1933). And Salter was the grandnephew of Freemason Alexander Stephens, the Vice President of the Southern Confederacy! The Masonic Craft leads to Rome!

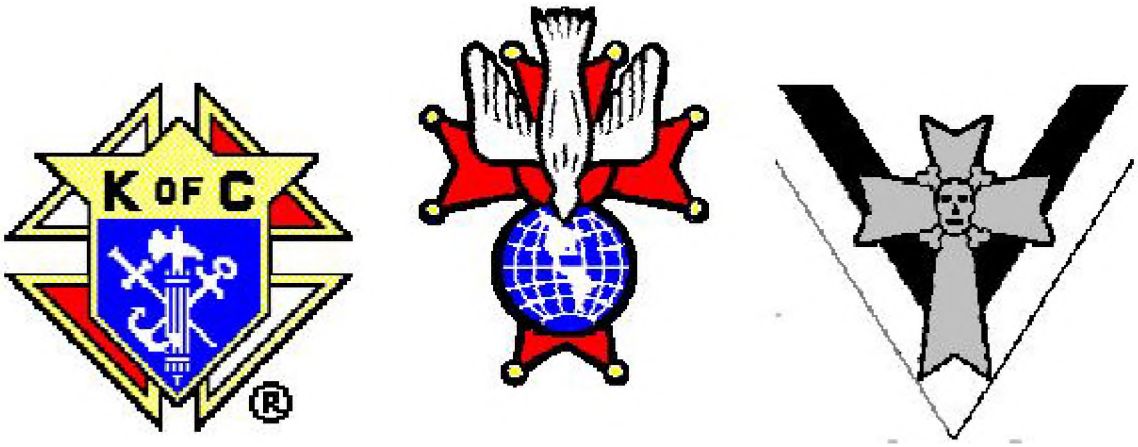
Jesuit Spiritual Coadjutor "Fr." Michael J. McGivney, 1852 – 1890 #290

Founder of the American Hierarchy's Right Wing and "Americanist," Order of the Knights of Columbus Organizing Foreign RC Immigrants; Subject to the First "American Pope," James Cardinal Gibbons



Seals of the Order of the Knights of Columbus #291

The meaning of the symbols employed by the Order in composing its seals are striking and are as follows (L-R): First is the general seal of the Order using a Roman "fasces" for a centerpiece: the Jesuits' favorite form of rule is fascism. Next, the seal for the Fourth Degree: its Oath is both Jesuitical and Masonic. Lastly, the seal for a third-ranking Council officer known as "Chancellor." His emblem is the Isabella Cross (as the Fourth Degree), the same Isabella who, in 1492, not only commissioned Columbus, but also expelled the Jews from Spain. The "Skull and Bones" is a Masonic symbol of death used by the Nazi SS; the Chancellor's Robe is black, with portions of white, trimmed in silver fringe—like the robes of the German Teutonic Knights and Himmler's Jesuit-styled SS!

Jesuit with Pistol that Shot Archduke Franz Ferdinand, 2004 #292

Franz Ferdinand, for opposing the **Black Pope**'s Pan-German movement, was "terminated" and given Last Rites by Jesuit Anton Puntigam who in turn was given the weapon by a friend of the Archduke. The Order had begun its WWI.

Count Leopold von Berchtold, 1914 #293

Jesuit Temporal Coadjutor Austrian Foreign Minister

Upon the successful assassination of the Archduke, the Company then used its Austrian Foreign Minister to ignite the crisis into WWI—the vengeance for its defeat in the Franco-Prussian War (1870-71)! Berchtold, not Kaiser Wilhelm II, is the villain in causing the Great War, along with the "Uncle of Europe," King Edward VII, and his participation in the 1892 Russian Imperial Conspiracy.

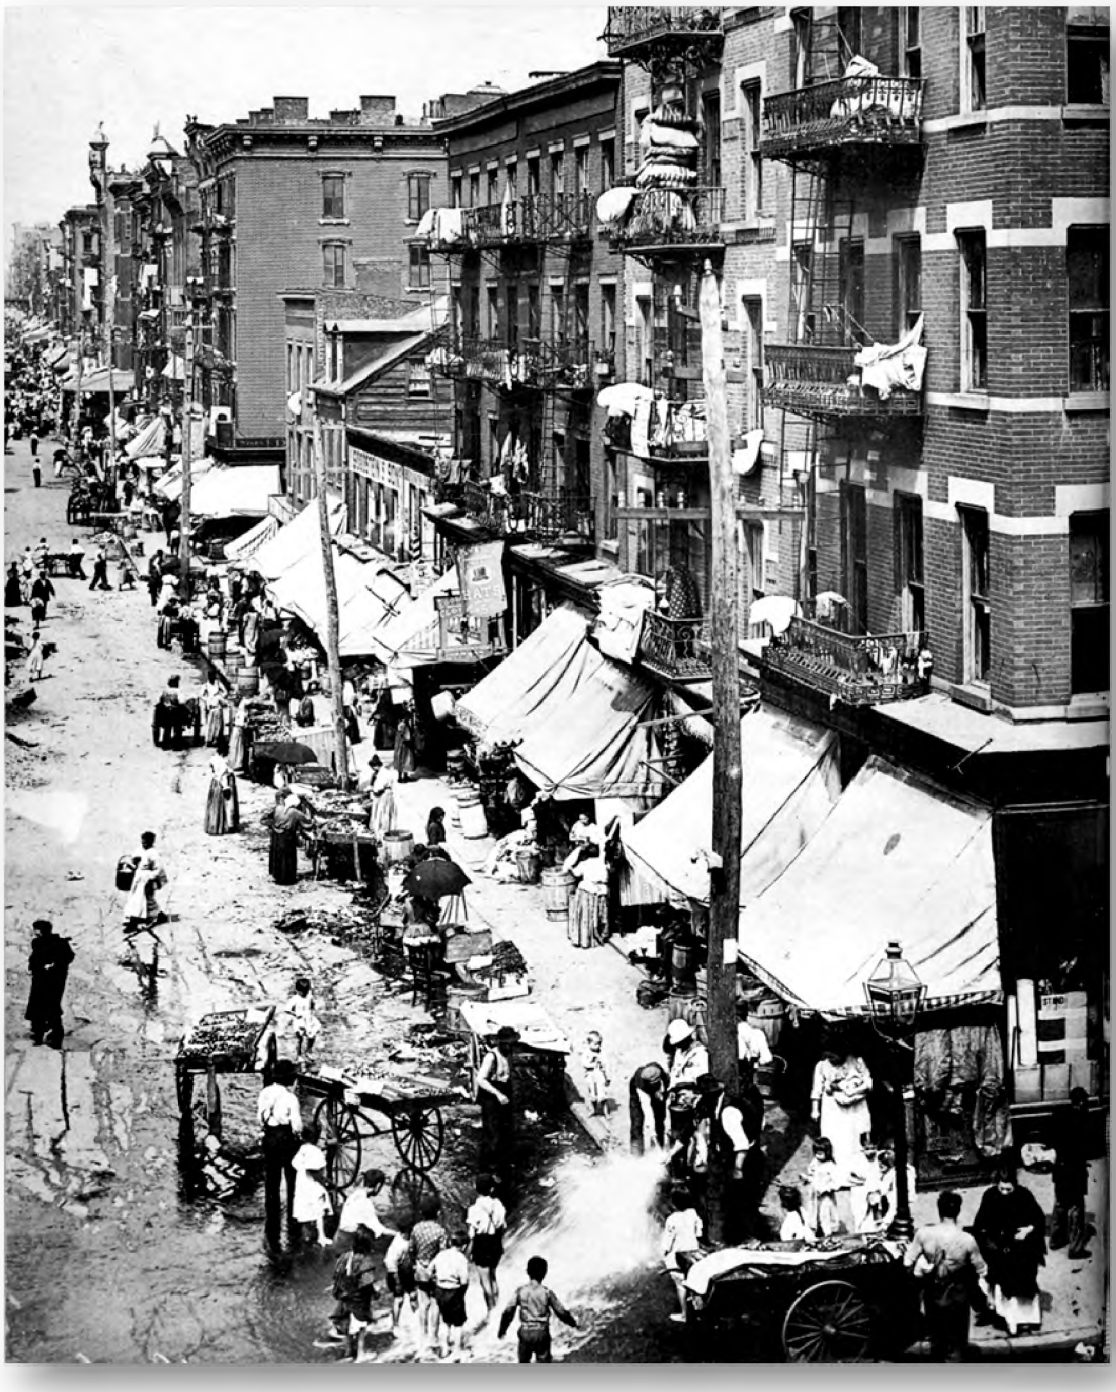
Catholic and Jewish Immigration, Ellis Island, New York City, 1900 #294

The Company, controlling US immigration policy, the steamship lines and the ports, Romanized our Northern cities destroying New England Protestantism. New York City would serve as Rome's political and financial power-base over the Empire, the Archbishop also ruling the Mafia and the Jews of B'nai B'rith.

A Nation of Immigrants: John F. Kennedy, (New York: Harper & Row, Pubs., 1964).



Tenement Slums, Lower East Side, New York City, 1900 #295

Caring nothing for poverty-stricken Catholic immigrants, the Order used them to control elections within Northern cities and to justify the implementation of socialist policies such as Masonic FDR's New Deal. Meanwhile, the Company's Masonic cartel-capitalists paid these people a pittance for their sweatshop labor. But the gospel of Christ reached His elect of these displaced peoples and races.

Freemasonic Southern White Ku Klux Klan Rally, 1920s #296

Betrayed and defeated during the Order's "Civil War," and now threatened with massive Roman Catholic immigration, Freemasonic Southern Whites created the new KKK at Stone Mountain, Georgia, uniting angered Protestants and Baptists against "Catholics, Niggers and Jews," ignorantly bringing fascism to America.

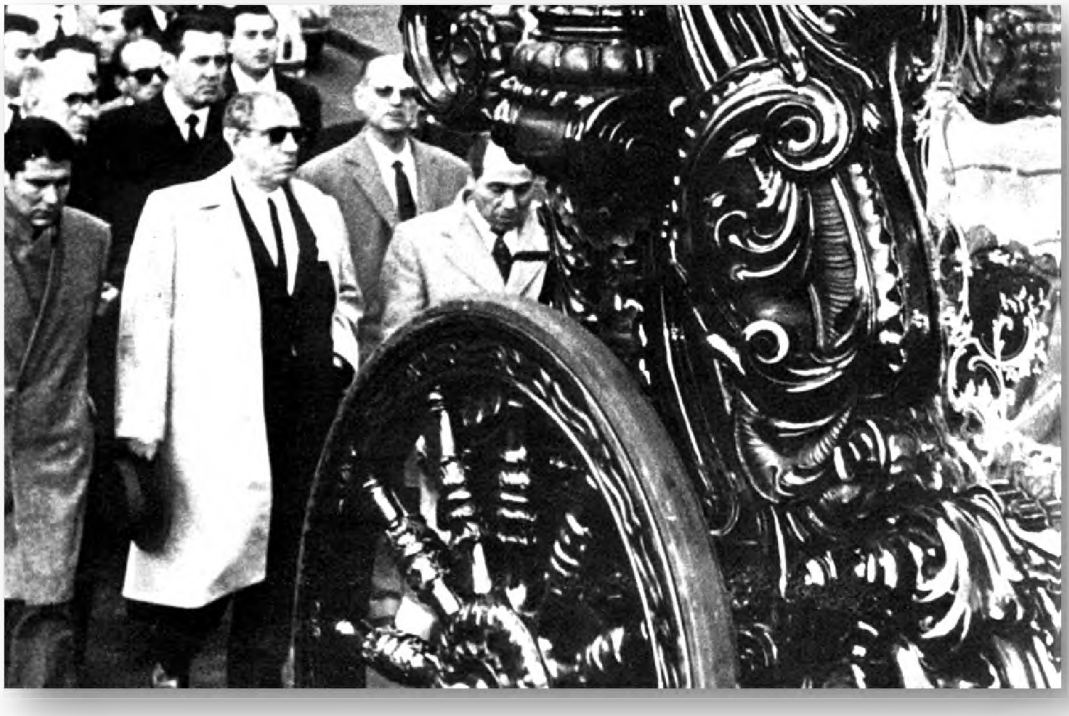
Mafioso and Italian Roman Catholic, Charles "Lucky" Luciano, 1936 #297

This brazen beast of a wicked man was convicted of compulsory prostitution and sentenced from 30 to 50 years in New York's Clinton State Prison, "the Siberia of all American penitentiaries." From Great Meadow Prison he was pardoned and deported in 1946 through the power of Archbishop Francis Cardinal Spellman.



The Funeral of Charles "Lucky" Luciano, 1962 #298

Luciano's elaborate funeral in Naples, Italy 1962, included a hearse, carved in silver and black (SS colors), and drawn by eight black horses. This Italian alien, aided by his financial "Jew Boy" and faithful subordinate—Meyer Lansky, and ruling America's waterfronts via the Teamsters, orchestrated his Mafia with FDR's Office of Naval Intelligence in securing a "safe landing" during the Allied invasion of Sicily. In truth, this "partnership" made billions for the Vatican through the Pope's iniquitous Black Market. The Mafia/ONI/CIA/FBI alliance would later assassinate President Kennedy as ordered by Francis Cardinal Spellman, who in turn always had the blessing of the Papal Caesar in Rome. ***The Luciano Project***, Rodney Campbell, (New York: McGraw-Hill Book Co., 1977). ***Mafia, U.S.A.***, Nicholas Gage, (Chicago: Playboy Press, 1972).

Naval Captain Roscoe C. MacFall, 1943 #299

Irish Papal Knight MacFall, Third Naval District Intelligence Officer, bore the overall responsibility for the Luciano Project dubbed "Operation Underworld."

Great Meadow Prison, New York, 1940s #300

Moved from Clinton Prison to Great Meadow Prison in 1942, FDR's Office of Naval Intelligence, as well as Army Intelligence and the Office of Strategic Services, worked with Luciano's Sicilian International Crime Syndicate during WWII. This same network would be perfected during the Pope's Cold War and thus assassinate JFK for attempting to break its power. Two naval officers complicit in Kennedy's murder were Rear Admiral Edward C. Kenney, Surgeon General of the Navy, and Rear Admiral George G. Burkley, JFK's physician, who in 1985 told author Henry Hurt that JFK's death was due to a conspiracy! ***The Luciano Project***, Rodney Campbell, (New York: McGraw-Hill Book Co., 1977).

"With regard to the infiltration of the Vatican by Freemasons, for example, the Vatican, through the current pope [**John Paul II**], has now not only taken on board various Masons from various lodges but it has also acquired its own in-house version. Its name is **Opus Dei** (God's Work). . . . In view of the fact that this Catholic sect shares many views and values with the corrupt **P2** and that [*Jesuit-ruled*] **Opus Dei** is now a force to be reckoned with inside **Vatican City**, a few basic details are in order.

Opus Dei is a Roman Catholic organization of international scope. Though its actual membership is relatively small (estimates vary between sixty thousand and eighty thousand), its influence is vast. It is a secret society, something that is strictly forbidden by the Church. Opus Dei denies that it is a secret organization but refuses to make its membership list available. It was founded by a Spanish priest, **Monsignor Josemaría Escrivá de Balaguer** [*a "Monsignor" having immediate access to the pope including the pope's Jesuit advisors*], in 1928. It is part of the extreme right wing of the Catholic Church [*controlled by "traditionalist" Jesuits, the champions of fascism*], a political fact that has ensured that the organization has attracted enemies as well as members. About 5 percent of its members are priests [**Jesuit Spiritual Coadjutors**]; the remainder are laypersons of both sexes [*unconscious* **Jesuit Temporal**

Coadjutors]. Although **Opus Dei** has members from many walks of life, it seeks especially to attract those from the upper classes [*as do the Jesuits*], including young professionals with potential to rise to positions of power. **Dr. John Roche,** an Oxford University lecturer and former member of **Opus Dei,** describes it as '**sinister, secretive, and Orwellian.**' It may be that its members' preoccupation with self-mortification [*as are the Jesuits via* **Ignatius Loyola's** *Spiritual Exercises*] is the cause for much of the news media hostility [*controlled by the Order's Council on Foreign Relations*] that has been directed toward the sect. Certainly the ideal of flogging yourself on your bare back and wearing strips of metal with inward-pointing prongs around the thigh for the greater glory of God [*the infamous Jesuit maxim "***ad majorem Dei gloriam***"*] might prove difficult for the majority of people in the latter part of the twentieth century. No one, however, should doubt that total sincerity of the Opus Dei membership [*including* **Opus Dei** *member and Hollywood actor* **Mel Gibson** *now creating anti-Jewish fury across the Empire*]. They are equally devoted to the Church. That should be a cause of the greatest concern not only to Roman Catholics but also to everybody else. Under **Pope John Paul II, Opus Dei** has flourished. If the present pope is not a member of **Opus Dei,** he is to its adherents everything they could wish a pope to be. One of his first acts after his election was to go to the tomb of the founder of **Opus Dei** and pray. Subsequently he has granted the sect the status of a personal prelature, a significant step on the journey to [*Chicago*] **Cardinal Cody** land, where one becomes answerable only to Rome [*the Hierarchy ruled by the Jesuits*] and God [the White Pope *directed by* the ***Black Pope***].

This organization has, according to its own claims, members working on over six hundred newspapers, journals, and scientific publications scattered around the world. It has members in over fifty radio and television stations [*including the American* **Fox News Network**]. In the 1960s three of its members were in the cabinet of Spanish dictator **Francisco Franco** [*the protector of Croatian mass-murderer* **Ante Pavelic**, *thus linking* **Opus Dei** *to the Jesuit-led Croatian Ustashi*], helping to create Spain's 'economic miracle.' The head of the huge Rumasa conglomerate in Spain, **Jose Mateos,** is a member of **Opus Dei;** he is also currently on the run [*arrested in West Germany, 1984*] after disclosures concerning the network of corruption he built, a network not unlike that of [**Roberto**] **Calvi**.

Opus Dei is massively wealthy. Jose Mateos alone has funneled millions into the organization. A considerable amount of the money from Mateos came from illegal deals with Calvi perpetrated in both Spain and Argentina. **P2** paymaster and **Opus Dei** paymaster: could this be what the Church means when it talks of God moving in mysterious ways [**Opus Dei** *being linked to the Vatican Bank scandal, receiving tens of millions from* **Roberto Calvi** *(along with other Jesuit-controlled trusted third parties such as Italy's Christian Democrats*

(i.e., Roman Catholic Socialists), the Vatican Bank (IOR), Masonic P2, right-wing neo-Nazi juntas in South America {3}*, including Bolivia's ex-Nazi, Gestapo/SD inquisitor,* **Klaus Barbie** {4}*, and yes, Masonic Jewish Labor-Zionist-led Israel* {5} *]?"* {6}[Emphasis added]

The Da Vinci Code

Before we begin to discover how the Militia of the ***Black Pope*** converted its Illuminati-governed, Masonically-led "**Holy Roman," Fourteenth Amendment, Socialist-Communist, Corporate-Fascist American Empire** into a police state with Masonic **J. Edgar Hoover's FBI**, we must first be reminded of its past commercial power with its ability to gather intelligence on virtually anyone. We read from the work of a great English Protestant, **William Howitt**, published in 1833:

"They entered into trade, and were scattered all over the world, wearing no outward appearance but that of merchants; yet keeping up a secret correspondence with one another, and with their General, and transmitting intelligence and wealth from all quarters of the globe . . . **They evidently had formed the bold design of acquiring the spiritual and political sovereignty of the world** . . . Let us imagine twenty thousand traders, dispersed over the world, from Japan to Brazil, from the Cape of Good Hope to the north, all correspondents of each other, all blindly subjected to one individual, and working for him alone; . . ." {8}[Emphasis added]

So here was the international Order of the Society of Jesus conducting worldwide trade while gathering intelligence at every port. All information was then sent to the General in Rome where massive files were kept on everyone and everything. **Eugene Sue**, the world-renowned author of *The Wandering Jew*, tells us in 1844 of the ***Black Pope***'s **International Intelligence Community** yet in its infancy in comparison to the monstrosity it would become in the bloody Twentieth Century. In quoting *Letters on the Clergy* written by **Libri**, a member of the French Institute, we read in bold type of this subtle serpent's most ghastly description:

"The principal houses correspond with that in Paris; they are also in direct communication with the General, who resides at Rome. The correspondence of the Jesuits, so active, various, and organized in so wonderful a manner, has for its object to supply the heads with all the information they can require. Every day, the General receives a host of reports, which serve to check one another. In the central house, at Rome, are immense registers, in which are inscribed the names of all the Jesuits, of their adherents, and of all the considerable persons, whether friends or enemies, with whom they have any connection. In these registers are reported, without alteration, hatred or passion, the facts relating to the life of each individual. It is the most gigantic biographical collection that has ever been formed. The frailties of a woman, the secret errors of the statesman, are chronicled in this book with the same cold impartiality. Drawn up for the purpose of being useful, these biographies are necessarily exact. When the Jesuits wish to influence an individual, they have but to turn to this book, and they know immediately his life, his character, his parts, his faults, his projects, his family, his friends, his most sacred ties. Conceive, what a superior facility of action this immense police-register, which includes the whole world, must give to any one society! It is not lightly that I speak of these registers; I have my facts from a person who has seen this collection, and who is perfectly well acquainted with the Jesuits.

Here, then is matter to reflect on for all those families, who admit freely into their houses the members of a community that carries its biographical researches to such a point." {9} [Emphasis added]

(Dear truth-seeker, we wonder how many Jesuits man the ***Black Pope***'s **Federal Bureau of Investigation**, how many work for the Attorney General's inquisitional **Justice Department**, and how many labor deep within the intricate apparatus of the **Central Intelligence Agency**, including its secret worldwide underground facilities, and its gigantic partner employing 25,000 people, the **National Security Agency**!

With the recent creation of the **National Intelligence Agency**, its first Director is a Yale graduate and CFR member, **John Negroponte**. Overseeing fifteen intelligence agencies, his master is not "Bonesman" **George W. Bush**, but the Society of Jesus!)

An article, nearly identical to the narration of **Eugene Sue**, appeared in *"Harper's Weekly"* of May 21, 1870. We read of the Jesuit command post in Rome:

"The operations of this powerful Society embrace every part of the world, and are carried on by means of the most intricate machinery ever contrived by man. The Society is divided in five classes:

1. **Professed** [Fathers] **Members** (Professi) [priests who have taken the three perpetual vows and the deadly **Jesuit Extreme Oath** of the perpetual **Fourth Vow** administered by the Jesuit General himself]
2. **Spiritual Coadjutors** [priests of the perpetual three vows]
3. **Lay** [Temporal] **Coadjutors** [lay brothers of three perpetual vows]
4. **Approved Pupils** [Juniors and Scholastics of three perpetual vows]
5. **The Novices** [training, concluded by taking three perpetual vows]

From his Residence in Rome the General directs the movements of the Society in every part of the world by means of a system in which the art of 'espionage' is brought to perfection. Every month or every quarter he receives reports from the heads of all the subordinate departments; and every third year the catalogues of every province, with detailed reports on the capacity and conduct of every member, are laid before him. Besides this, the most active correspondence is maintained with all parts of the world, in order to supply the Offices of the Society with the information they require. In the central house at Rome are kept voluminous registers, in which are inscribed the names of all Jesuits, of their adherents, and of all the considerable persons, whether friends or enemies, with whom they have any connection. In these registers, we are told, are reported without alteration, without hatred, without passion, the facts relating to the life of each individual. It is the most gigantic biographical collection that has ever been formed. The frailties of a woman, the secret errors of a statesman, are chronicled in these books with the same cold impartiality. Drawn up for the purpose of being useful, these biographies are necessarily exact. When the Jesuits wish to influence an individual, they have but to turn to these volumes to know immediately, his life, his character, his faults, his family, his friends, his most secret ties. **By the use of such machinery the Order has attained its high position and widespread influence.**" {10} [Emphasis added]

As we can see, by the beginning of the **Twentieth Century** the Jesuit Order had this all-pervading power of intelligence. To know everything about everyone was one of its chief goals. We must remember that the Jesuits had been in control of England *no later* than **1800** during the reign of **King George III**. Over the years, with the aid of the Knights of Malta and Shriner Freemasonry their power became supreme and was therefore in control of the **British Secret Service**. We must also remember that the Jesuits were in control of the Vatican with its Hierarchy since

their restoration by **Pope Pius VII** in **1814**. That means all correspondence of every priest, bishop, archbishop and cardinal from around the world was subject to Jesuit review. Even the Pope's confessor was and is today a Jesuit. **Nino Lo Bello** tells us:

> "The Pope's confessor, an ordinary priest, must be a Jesuit: he must visit the Vatican once a week at a fixed time, and he alone may absolve the Pope of his sins." [*How can an unsaved man commit daily acts of sin who at the same time is "infallible" when speaking "ex cathedra" for a brief moment of time while decreeing the Jesuit-authored doctrines of the Papal Institution?*] {11}

But how would the Jesuits expand their police registry, lists and indexes on individuals, into the United States? They would use the **Bonapartes** once again. For as Freemason **Napoleon I** was their tool during the Napoleonic Wars, and his nephew, **Napoleon III** was their tool in both the Crimean War and the Franco-Prussian War, even so was **Charles Joseph Bonaparte** their tool in creating the Bureau of Investigation. Bonaparte, a Masonic Papal Knight and grandnephew of the Emperor, created what became the **Federal Bureau of Investigation**—the Empire's "**Holy Office of the Inquisition**." It was made subject to the Empire's "Grand Inquisitor," the Attorney General and his Department of Justice (later to be manned in 1984 by Jesuits like U.S. Attorney **John MacCoon**) newly established in 1870. The Empire's "Grand Inquisitor" was set up in the middle of a national crises called "the Reconstruction" (1865-1876)—during martial law, including the rape, pillage and plunder of the Southern people by Northern soldiers and carpetbaggers—two years after the forced ratification of the **Fourteenth Amendment** in 1868. Dear truth-seeker, the Empire's "**Holy Office of the Inquisition**," the **FBI**, would experience massive growth during the Jesuits' **Second Thirty Years' War** under the all-seeing eye of its Shriner Freemason, **J. Edgar Hoover**. Hoover would recruit most of his Roman Catholic inquisitors from Jesuit Universities. We read:

> "So Catholics were ultimately preferred. Hoover reportedly favored Irish Catholic youths, finding them generally clean-cut and good-looking and earnest about their religion. He actively sought them out and later, after Notre Dame and [*Jesuit*] Marquette granted him honorary degrees, recruited heavily at those universities." {12}[Emphasis added]

Despite the **Constitution**, Bonaparte's Bureau would come to exercise truly inquisitional powers not only domestically but also around the world. The FBI would keep the Jesuit registry of police indexes on individuals within the American Empire and would be a vital link in the Jesuits' **International Intelligence Community** based in Rome within the Jesuit General's "**Curia**," or rather, his five-storied "War Room" surnamed —**Borgo di Santo Spirito**. Concerning the creation of the **FBI**, including its founder, **Charles Bonaparte**, we read from **Curt Gentry's** masterpiece:

> "It had, for starters, been born illegitimately, on July 1, 1908. It was, as one congressman had correctly labeled it at the time, a **'bureaucratic bastard,'** the issue of a union unsanctioned by the Congress of the United States. However, its father was known. He was **Charles Joseph Bonaparte,** American-born grandnephew of **Napoleon I,** and attorney general of the United States from 1906 to 1908." {13} [Emphasis added]

From *The Boss* we read:

> "From the time of Theodore Roosevelt's accession to the presidency, American presidents of the twentieth century had begun to assert unprecedented claims to centralize power in the executive office. As part of this new federalism, President Roosevelt's attorney general, **Charles Bonaparte,** by executive order had created the Bureau of Investigation in 1908 [*an all-male secret society*] as a full time investigative division of the Justice Department [*against the expressed wishes of Congress and while it had gone into recess!*]." {14} [Emphasis added]

(Dear truth-seeker, in reflecting upon the last two quotes, do you "smell a rat" in the creation of the FBI? Was not the FBI truly the creation of Roosevelt's immediate master, the Archbishop of Baltimore—**James Cardinal Gibbons**? Should we not demand that it be abolished immediately, it being an arm of "the Holy Office?")

The Bureau was established to "detect and prosecute crime against the United States." So the Jesuits—those masters of socialist-communism and authors of the Bolshevik Revolution financed in part by England's "**Round Table**" headed by high-level Freemason **Lord Alfred Milner**—created a "straw dog" called "the Red Scare" and then empowered their American "Cheka" to shoot it down. The Bureau, in one of their mass-roundups in 1918, arrested *fifty thousand* ordinary American citizens!

In 1921, **J. Edgar Hoover** was appointed assistant Chief of the Bureau; in 1924 he was appointed Acting Director and in 1935, the Bureau became "the FBI." Until his murder in 1972, Hoover was a virtual dictator for nearly fifty years as the Bureau had been patterned after the monarchial government of the Jesuit Order. For Hoover, like the Jesuit General, wielded the power of an absolute autocrat.

During the years of World War II, the **FBI** grew enormously in power and influence under the supervision of the Empire's most formidable Freemasons, **J. Edgar Hoover** and **Franklin D. Roosevelt**. Both were apostate Protestants as neither accepted the Bible as their final authority of faith and practice. This gave the appearance that American tyranny was *Protestant!* We must not forget that **Charles Bonaparte**—a Freemason (whose grandfather, **Jerome Napoleon**

Bonaparte (1784-1860), in addition to being a high-level French Freemason, had been an officer on the staff of the Jesuits' **Napoleon I**)—created the Bureau that would enthrone **Hoover** the Inquisitor; and **Joe Kennedy**—one of **Archbishop Hayes'** Knights of Malta—would be responsible for the election of **FDR**. As always, the **Freemasons** are in the *foreground* while the Jesuits and their **Knights of Malta** are in the *background*.

Like the Jesuit "police index" in Rome, Hoover established indexes and lists on thousands of individuals *illegally,* investigating their private lives without authorization from the Department of Justice. *That* is an Inquisition! Hoover also compiled other lists anticipating the erection of **Concentration Camps**. We read:

> "Hoover had also—on his own initiative and without any statutory authority—set up a Custodial Detention list [*now, the Red and Blue lists*], of persons to be rounded up and imprisoned in concentration camps, should the need arise. The list included . . . journalists critical of the administration, writers critical of the FBI, and certain members of Congress [*its ultimate fulfillment being the Federal Emergency Management Agency's "Operation Garden Plot," now to be implemented by the Order's "Holy Office" of Homeland Security*]." {15} [Emphasis added]

Hoover, like his Nazi counterpart **Himmler**, *hated the Jews*. He resisted Jewish immigration and blamed notorious crimes of the Jesuits on the Jews. For example, **Emma Goldman** was blamed and deported for inspiring **President William McKinley's** assassination in 1901, and **the Rosenbergs** were convicted and electrocuted for giving **Stalin** nuclear secrets. The truth is the Jesuits of Buffalo, New York orchestrated the murder of **McKinley** with one of their fanatical, Polish Roman Catholic assassins, **Leon Czolgosz**, and they used **FDR** to give **Stalin** "the nuclear device" in 1943. This technological high treason, committed through the Company's International Intelligence Community (the OSS and NKVD), *furthered the illusion* of "the Cold War" and "the Communist threat." Using the *Jews as scapegoats* is nothing new: we are familiar with **the Dreyfus Affair** and the *Protocols of Zion*.

Lastly, the **FBI** had a working relationship with the **MID** and the **ONI** that would be perfected over the years. Of this beginning in 1939 we read:

> "During Hoover's meeting with Roosevelt and [*CFR* **Cordell**] **Hull,** the president had ordered him to coordinate the FBI investigation with the Army's Military Intelligence Division (MID) and the Office of Naval Intelligence (ONI). Roosevelt's request simply formalized what was already an ongoing relationship . . . On June 26, 1939, Roosevelt sent a confidential presidential directive—drafted by the FBI and Justice Department officials—to the heads of the relevant departments stating, 'It is my desire that the investigation of all

> espionage, counterespionage and sabotage matters be controlled and handled' by the FBI, MID, and ONI, and that no investigation in these areas be conducted 'except by the three agencies mentioned above.' " {16} [Emphasis added]

After the end of World War II a host of FBI agents resigned resulting in their replacement with many Jesuit-trained Roman Catholics. (Two such agents and **Opus Dei** members were **Louis J. Freeh**, FBI Director and tied to the Order's British **MI5** through its Director-General **Stella Rimington**, and **Robert Philip Hanssen**, "Counterintelligence"—whose idol was the traitor **Kim Philby**—and America's most treasonous spy, tied to the Order's **KGB** via **Vladimir Kyruchkov**.) We read:

> "During the Bureau's early years, there had been few Catholics in the upper echelons of the FBI, although there was an abundance of Masons. Although Hoover denied being prejudiced, not until the mid-1940s did the FBI begin recruiting agent applicants at Catholic universities such as **Georgetown** [*Jesuit*], **Fordham** [*Jesuit*], and **Notre Dame.** Two things were responsible for the change; the FBI director's realization that the Catholic Church was strongly anti-Communist, and thus could be a valuable ally; and the need to replace the special agents who had defected en masse at the end of the war. [*Why the defection?*] In addition to soliciting Catholics as agents, informal liaison was developed with various church officials, such as **Francis Cardinal Spellman***, **Monsignor Fulton J. Sheen,** and **Father John F. Cronin**. *The FBI maintained close ties with Spellman, largely through Lou Nichols and, later, the New York SAC John Malone, even though Hoover's files contained numerous allegations that Spellman was a very active homosexual." {17} [Emphasis added]

When **Lou Nichols** retired in 1957, the man who took his place as the head of Crime Records Division and therefore became the liaison between the FBI and **Cardinal Spellman** was **Cartha DeLoach**—*a Knight of Malta!* We read:

> ". . . Cartha DeLoach . . . succeeded Louis Nichols as head of the Crime Records Division on the latter's retirement from the Bureau in 1957." {18}

The ties of the Jesuits with the **FBI,** and thus the **KGB,** are obvious. Through the Jesuit-trained "American Pope," **Cardinal Spellman**, and the graduates of Jesuit Universities, the Order had intimate ties with **Hoover**. The Director not only hired graduates from the Jesuits' **Georgetown** and **Fordham** Universities, he was given an *honorary degree* from the Jesuits' **Marquette** University and maintained close ties with that powerful Jesuit and Georgetown University Dean, **Edmund A. Walsh**! And it was Walsh, *"an expert"* on international politics and the Soviet Union, who led a team of Jesuits into Russia in 1922 on a supposed Papal *"mission of relief."* Soon after Walsh's arrival, the Jesuit-trained **Josef Stalin** was appointed Secretary of the Communist Party and thus the visible head of the Order's **KGB**,

remaining so until the day the risen Son of God sovereignly intervened *with a word from His lips* and brought about the tyrant's premature death. For Satan, in attempting to nullify the promises given to **Abraham**, **Isaac**, **Jacob** and **David**, inspired **Stalin** in 1953 with "**the Doctors' case**" to justify the attempted execution *of every Jew in Russia!*

And because of the Jesuit control of the FBI, Hoover denied the existence of the Roman Catholic Italian Mafia. In fact, he consorted with New York Mob boss **Frank Costello**, the personal friend of Knight of Malta, **Joe Kennedy**. We read:

> "There was no such thing as 'organized crime,' Hoover insisted, no such thing as a 'Mafia,' while the claim that there existed a 'national crime syndicate' was itself 'baloney' . . ." {19}

There were theories as to "Why?" Many suspected the reason was personal.

> "They concluded that J. Edgar Hoover himself was on the take, that he had reached an accommodation with the syndicate, and in particular with the New York crime boss **Frank Costello . . .**
>
> According to one tale, [*Mason*] Hoover and Costello met regularly on a bench in Central Park—hardly a secret meeting place—to discuss mutual interests . . . Other accounts had the pair socializing at the Waldorf, where both had complimentary suites, or, in most versions, at the Stork Club . . . Like Hoover, Costello was a Stork Club regular [*including Freemason* **Thomas J. Watson** *of IBM*], as were numerous other mob figures . . .
>
> Yet there is no question they met or that they reached an accommodation, of sorts . . . and, Hoover, for his own still mysterious reasons, refused to admit that a national criminal organization existed [*until Italian Roman Catholic mobster* **Joseph Valachi's** *Congressional testimony against the Gambino Crime Family in 1962*]." {20}[Emphasis added]

The Jesuits, in control of the Masonic **FBI** through brother **J. Edgar Hoover**, and the Masonic **Mafia** through its "**Commission**" (one of its members being **Frank Costello** who frequented New York's Stork Club as did the FBI Director), were virtually unchallenged in 1946. In control of both the American Government and Organized crime, the Jesuits would create the United Nations and the Cold War with their Masonic tools, **"Dirty Harry" Truman** and **"Smokin' Winston" Churchill**. Why? To carry out the **Jesuit Oath** in fulfilling the **Council of Trent**, restoring the **Temporal Power** of the Pope around the world, and to create *Labor Zionist Israel*, for the purpose of rebuilding **Solomon's Temple** in the midst of millions of Moslem fanatics, *and to ultimately attempt the final mass-murder of the Jewish Race*. For if "***the holy seed***" (*the physical descendants of the sons of Jacob,*

including the tribe of Manasseh, Ephraim being another name for the tribe of Joseph) can be destroyed

". . . of whom concerning the flesh Christ came . . . ,"
– Romans 9:4

its Messiah would have no descendants of Jacob over which to reign, as He is to sit ***". . . upon the throne of David . . . for ever*** [with the twelve apostles sitting]

". . . upon twelve thrones, judging the twelve tribes of Israel."
– Isaiah 9:7; Luke 1:32, 33
– Matthew 19:28

Israel's Messiah is to rule all nations in a worldwide earthly kingdom bringing safety, peace and honor to his repentant Jewish people of whom He said,

". . . we know what we worship: for salvation is of the Jews."
– John 4:22

Knowing this, the Devil, with his "*infallible*" **Pope** using Socialist-Communist **Labor Zionism**, is attempting to keep these unconditional promises of God, given to **Abraham**, **Isaac**, **Jacob** and **David**, from being fulfilled in the future.

In conclusion, the Jesuits have been the great intelligence gatherers of the past and by 1870 had the largest intelligence apparatus in the world. In 1908, the Jesuits *extended that apparatus* into the United States with the creation of the **BI** through one of their Masonic Papal Knights, **Charles Joseph Bonaparte**. In order to give the impression that the **BI**, which later became the **FBI**, was not a Roman Catholic secret police, **J. Edgar Hoover**, an apostate, *homosexual*, Presbyterian Protestant and 33rd Degree Freemason was appointed as Director for nearly fifty years. *The Bureau exercised inquisitional powers from the beginning*. Mass-roundups, lists, secret Divisions, secret indexes, plans for concentration camps, etc., all betrayed the true colors of "the bureaucratic bastard." It was the American secret police, with powers as sweeping as **Stalin's** NKVD, that would later prove to be as ruthless as **Hitler's** Gestapo. *Without mercy*, it would cunningly murder women and children of a Protestant religious sect in Waco, Texas, *that was anti-Pope*, as well as the wife and son of **Randy Weaver**, the Green Beret and Vietnam vet, while living peaceably in the backwoods of Idaho. (The FBI sharpshooter who murdered **Vicki Weaver** and repeatedly fired into the Branch Davidian Compound was a Japanese Roman Catholic and Papal Knight, **Lon Horiuchi**, whose subsequent superior was FBI Director, a Roman Catholic Papal Knight and member of **Opus Dei**, **Louis J. Freeh**. (Louis Freeh, working in conjunction with the **Black Pope**'s Israeli **Mossad** in planning for the demolition of the World Trade Center, further cemented the Bureau's relationship with the

Masonic Jewish Zionists' **Anti Defamation League** by declaring that the **FBI/ADL** partnership had *"reached new heights!")* The master of both Freeh and his

Opus Dei brother, **John Freeh**, was the American Empire's "Military Vicar" and the New York "Archbishop of the capital of the world," **John Cardinal O'Connor**.) With the authority of President **Franklin D. Roosevelt**, advised by **Archbishop Francis Spellman** and the (Jesuit-controlled) priest, **Charles E. Coughlin**, Hoover's FBI forged alliances with the Army's Military Intelligence Division as well as with the Office of Naval Intelligence. Openly the FBI denied the existence of the **Mafia**; secretly the Bureau and the Mob cooperated together pursuing their mutual interests. Later, the **FBI/ONI** would forge an alliance with **Roman Catholic Luciano's** Italian Mafia. **Irish Roman Catholic "Wild Bill" Donovan's** Office of Strategic Services would likewise collaborate with Luciano's Mafia. During the War, the **OSS** would aid and abet—without presidential authority—crypto **Roman Catholic Stalin's NKVD** as well as establish a working relationship with **Sir Stewart Menzies'** British Secret Service. After the War, the OSS would help in evacuating the **Jesuit General's** Nazi **SD**, **Waffen SS** and **Intelligence Group** out of Europe via the **Vatican Ratlines**, simultaneously used by the Pope's **Masonic Jewish Zionists** in leading Europe's surviving and unsuspecting Jews to the land of **Canaan**, merging Hitler's best with the **CIA** in the West and the **KGB** in the East.

By 1963, the **International Intelligence Community** was firmly in place. The CIA, FBI, ONI, MID, the Mafia, former Nazi SS within the CIA, the German BND, the British Secret Service, the Mossad and KGB *were all working together* just as they had throughout the Jesuits' Second Thirty Years' War (excluding the Mossad as there was no Israel at that time). And in the interest of continuing the American Crusade in Vietnam called "**Spelly's War**," Rome's International Intelligence Community assassinated the Emperor and Commander-in-Chief of the Jesuit General's "**Holy Roman**" **American Empire**. The assassination was executed by anti-Communist warriors of the Cold War—*certain and select* American Knights of Malta collaborating with *certain and select* Shriner Freemasons. These warriors were guided by the unseen hand of **Francis Cardinal Spellman**—*the American Pope*—as he had personal contact with every faction of the Intelligence Community including the KGB, and thus **Fidel Castro's** Cuban Intelligence, through one of his Knights in the CIA, **James Jesus Angleton**. The Jesuits then successfully covered up the murder, killing over one hundred witnesses within a thirty-five year period.

Evangelical Lutheran Pastor Giustiniani, a learned ex-Roman Catholic priest converted to the true Lord Jesus Christ of the Reformation Bible, summed up this nefarious Jesuit power and its threat to America way back in 1843. He wrote:

> "Is it a wonder, that men without any moral principle, with vigorous efforts, trained and disciplined men, the end always sanctifying the means, no barrier

hindering, no law which they would not evade, no artifice to which they would not resort, nothing too low or base, nothing so dangerous but they were bound by oath to attempt if ordered by their General,—is it any wonder that such men would not stop at anything? What have they not accomplished? How numerous have their colleges become? How great their wealth, and their [*international*] power! their licentiousness and corruption! Intrigue, usurpation and tyranny have followed wherever they have bent their course. . . .

[*White*] **American Protestants, you are the most favored nation upon this hemisphere, having the privilege to breathe the free air of republicanism and enjoy the blessings of a sound political Constitution; let the history of the past be the guide for the future, let the experience of the past not be lost, but a lesson for the future.**

Read the plots, intrigues, and assassinations, which occupy no small part of the history of Jesuits. They were implicated in the assassination of **Henry III** of France; they planned the [*attempted invasion of England with the*] Spanish armada; often attempted the life of **Elizabeth** [I] of England; devised the Gunpowder Plot; instigated the murder of **Henry IV** of France; effected the revocation of the Edict of Nantes, and the persecution of Protestants following on it (one of the most bloody and disgraceful pictures in the history of the world); ruined **James II**, and in short, were deeply engaged in all the atrocities and miseries, which desolated Europe during nearly two hundred years. So atrocious, extensive, and continual were their crimes, that they were expelled either partially or wholly from all the countries of Europe. . . . *Mr. De Prat*, a Roman Archbishop of Malines, says: 'Thirty-nine times they have been banished and expelled, prior to their abolition in the year 1773, by **Ganganelli** (Clement XIV).' . . .

Before I conclude I will give a short description of the essential evils of the society of Ignazius [Ignatius] Loyola. Their essential principles are, that their order is to be maintained at the expense of society at large, and that the *end* sanctifies the means. These principles are utterly incompatible with the welfare of any community of men. Their system of lax and pliant morality justifying every vice and authorizing every atrocity, has left deep and lasting ravages on the face of the moral world. Their zeal to extend the jurisdiction of the court of Rome over every civil government [*including America's*] gave currency to tenets respecting the duty of opposing princes who were hostile to the papal creed, which shook the basis of all political allegiance and loosened the obligations of every human law. Their indefatigable industry and countless artifices in resisting the progress of the Protestant religion, perpetuated the most pernicious errors of popery, and postponed the triumph of tolerant and [*New Testament*] Christian principles. . . .

The sentence of their abolition, as we saw, was passed by the senates and monarchs, statesmen and divines of the Church of Rome, by the pope and of almost every civilized country in the world. Almost every land has been stained and torn by their crimes; and almost every land bears on its public records the most solemn protest against their existence. The evils of Jesuitism arise not from the violation of the principles of the order; on the contrary they are natural and necessary fruits of the system; they are confined to no age, place or person; they follow, like the tail of the comet, the same disastrous course with the luminary itself; and in consequence, not this or that nation, but humanity, is startled at the reappearance [*restored by* **Pius VII** *in 1814*] of this common enemy of man." {21} [Emphasis added]

United States Attorney General, 1906 – 1908

This sinister man was put in power by President Theodore "Rex" Roosevelt, the Order's 33rd Degree Freemason and first real Emperor of the ***Black Pope***'s "Holy Roman" Fourteenth Amendment American Empire. An American-born Roman Catholic, the grandnephew of the great Jesuit-controlled avenger, Napoleon I, and grandson of Jerome Napoleon Bonaparte who served as Emperor Napoleon III's president of the Jesuit-ruled French Senate, this servant of James Cardinal Gibbons created the Bureau of Investigation in 1908 on his own accord and against the expressed will of Congress, it fearing that "the bureaucratic bastard" would become a "spy system of espionage conducted by the National Government to dig up the private scandals of men." The resultant FBI has become exactly that. Even worse, the "Order of the FBI" is nothing more than an extension of the Papal Caesar's Holy Office of the Inquisition with all the powers of Churchill's MI5, Hitler's Gestapo or Stalin's NKVD. The FBI would be perfected under the leadership of the Jesuit General's 33rd Degree and Shriner Freemason, J. Edgar Hoover, who constantly attacked the false enemy of "communism" in obedience to Francis Cardinal Spellman's Cold War policies throughout the 1960s. Later, the FBI was used in the assassination of Knight of Columbus President John F. Kennedy and murderous cover-up overseen by the Bureau's Assistant Director, Cardinal Spellman's Knight of Malta, Cartha D. DeLoach. The FBI is now subject to the Order's National Intelligence Agency.

Homosexual Spellman was in complete control of the American Inquisition through his homosexual, anti-Communist, Grand Inquisitor and 33rd Degree Freemason, J. Edgar Hoover. Recruiting from the Jesuit institutions of Georgetown, Fordham and Marquette Universities, many Irish and Italian Roman Catholics filled the ranks of Hoover's Federal Bureau of Investigation, including Ray Abbaticchio and his nephew, G. Gordon Liddy. As Hoover, Spellman, and CFR Press lord Henry R. Luce intrepidly mesmerized the mind of the duped American public in carrying out the ***Black Pope***'s anti-Communist agitation, secret CFR connections forged between the Mafia and the CIA (admitted to by CIA agent, Army Intelligence Colonel and Genovese family member, the deceased Knight of Malta Albert Vincent Carone), as well as the FBI, ONI and Secret Service became absolute. The cooperation among these agencies overseen by Georgetown Jesuits and Cardinal Spellman's Papal Knights would be necessary in carrying out the Kennedy Assassination. Further, each successive Archbishop of New York would continue to use the CFR's Attorney General, with his Justice Department and "Order of the FBI," in maintaining the Great Jesuit Cover-up through the years. Above, Knight of Columbus James Farley was an usher at St. Patrick's Cathedral, an associate with New York and Chicago Mob bosses and a member of FDR's cabinet. ***The American Pope***, John Cooney, (New York: Times Books, 1984).

Opus Dei/FBI Officer Robert Philip Hanssen, 1980s #304

KGB Officer Viktor Cherkashin, 1980s #305

Robert Philip Hanssen, alias "Dr. Death" and "the Mortician," was one of the FBI's most trusted Russian "counterintelligence" experts whose betrayal of US spies resulted in the KGB execution of Dimitri Polyakov, Valery Martynov and Sergei Motorin. As a critical member of the ***Black Pope***'s international popish brotherhood known as Opus Dei, Hanssen gave vital intelligence secrets to the Order's KGB for twenty-two years. Working with Viktor Cherkashin, the KGB's number two man in Washington, D.C., Hanssen was covertly overseen by his boss, FBI Director Louis Freeh, he too being a member of Opus Dei and attending St. Catherine of Siena Church in Great Falls, Virginia, led by Opus Dei priest, Franklyn Martin McAfee. Pleading guilty to thirteen counts of espionage and known to the Order's KGB as "Ramon Garcia," Hanssen was purportedly imprisoned for "life," while Opus Dei survived another infamous scandal.

As a result of Hanssen's conviction of espionage the virtually untouchable Opus Dei FBI Director was forced to resign. But the inquisitional effect of his tenure in office vastly expanded the powers of the ***Black Pope***'s FBI. Freeh increased the Bureau's budget by 58% to 3.4 billion; he pushed for the monitoring of emails and cell phones; he more than doubled the FBI's overseas presence with agents based in forty-four countries in preparation for the Pope's Crusade against Islamic "terrorism"—a war that would be ignited by CFR/Knight of Malta George J. Tenet whose CIA imploded the World Trade Center, including building No. 7, on orders from New York Archbishop Edward Cardinal Egan. ***The Bureau and the Mole***, David A. Chapter 35
The Jesuits **— 1912 – 1915**

Sinking the Deathship Titanic; Lusitania Sure to Follow

"By the command of God, it is lawful to murder the innocent, to rob, and to commit all lewdness, because he [*the Pope*] is Lord of life, and death, and all things; and thus to fulfill his mandate is our duty!" {1}

Pietro Alagona, 1624
Italian Jesuit

"There is no record in history of an association whose organization has stood for three hundred years unchanged and unaltered by all the assaults of men and time, and which has exercised such an immense influence over the destinies of mankind . . . 'The ends justify the means,' is his favorite maxim; and as his only end, as we have shewn, is the order, at its bidding the Jesuit is ready to commit any crime whatsoever." {2}

G. B. Nicolini of Rome, 1889
Protestant Italian Patriot
Exiled to England
History of the Jesuits

" 'Why was the true role of **J. Pierpont Morgan**, the banker and tycoon who was the real owner of the *Titanic*, covered up at the American inquiry? How did the Attorney-General [**Sir Rufus Isaacs**], who dominated the British inquiry, get away with insider-trading in shares of the Marconi Company at the very moment its value was boosted by the key role of wireless in the rescue?' . . . Were two of the surviving crewman who were on watch at or near the bridge of the *Titanic* when she struck her iceberg bribed by White Star to keep their mouths shut, both at the inquiries and long afterwards? What guilty secret did they share? Did the officer of the watch ignore three earlier warnings of ice from the crow's nest?' . . . Amid these and other puzzles large and small, we cannot forget that the central mystery of the *Titanic* remains what it has always been:

'**Why did Captain Smith accelerate into an exceptionally large and southerly ice field of which he had been warned repeatedly, both before and during his last voyage?**' . . .

We also reassess and throw new light upon many further points, among them: the disappearance of the lookouts' binoculars; the fire, covered up by **Captain Smith**, that raged below in a coal bunker from before the maiden voyage began to within hours of the disaster; the attested reluctance of **Chief Officer Henry Wilde** to take up his duties; the fifty-five passenger cancellations

(including **J. P. Morgan's**) shortly before departure; the massive alteration to the *Titanic's* superstructure days before she set sail; and the conundrum of the 'mystery ship(s)' which may—or may not—have passed from the scene of the tragedy as it was still being played out, raising the possibility that far more than one in three of those aboard could have been rescued. . . .

The perfunctory trials of the *Titanic*, a pale imitation of the *Olympic's*, were followed by an outbreak of fire in bunker number ten. It could have been dealt with at Southampton, with all a great port's fire-fighting facilities and without affecting sailing time; instead, an extra twelve firemen were specially signed on to deal with it at sea. The blaze, . . . was concealed from [**Captain Maurice Harvey**] **Clarke**, the Board of Trade inspector.

Why did Smith not have the fire put out as soon as possible? Why did he hide it? Come to that, why did his ship consistently show a slight list to port in a calm sea before the collision, as noted by several aboard? Was there some undeclared damage to account for this—a leak in the weakened stern, for example? Why after the collision did Smith run the engines slow ahead for some minutes, as attested by witnesses, a move which would have exacerbated the flooding the forward compartments? Why was counterflooding not attempted as a means of keeping the ship on an even keel for longer? Why did **Dr.** [**Robert D.**] **Ballard** find a bulkhead not on his plan of the *Titanic* when exploring the wreck? . . .

Neither Dr. Ballard nor anyone else who has visited the wreck for pictorial or plundering purposes has produced a single object or photograph of anything showing the name "Titanic"—except on the bow and on one luggage–tag. The name is shown on nothing else both built into the ship and recovered or recorded so far. We found this sufficiently remarkable to invite every likely source to settle the matter once and for all by furnishing proof that the wreck was the *Titanic*. Reactions ranged from amusement via irritation to ridicule and shock that anyone would raise such a question.

Our difficulty was that a substitution, far-fetched or no, looked like a promising explanation for so many puzzles [*the author inferring that White Star's severely damaged* **Olympic** *was marginally repaired and sent to sea as the "***Titanic***;" that the real* **Titanic**, *renamed "***Olympic**," *went on to be used in World War I; and that* **J. P. Morgan** *benefited from the wreck*] . . . .

But in terms of interest and importance, **J. P. Morgan**, the real owner of the ill-fated ship, is the outstanding absentee, topping the unusually lengthy list of fifty-five passengers known to have cancelled their bookings at the eleventh hour [*including Morgan's business partner and the outgoing Ambassador to Paris* **Robert Bacon**, *American steel baron* **Henry C. Frick**, *railroad and shipping tycoon* **George W. Vanderbilt**; *America's chocolate king* **Milton Hershey**, *New York*

finance magnate **Horace J. Harding** *and* **Rev. J. Stuart Holden**, *rector of St. Paul's Anglican Cathedral in London*]. He was too ill to sail on the world's most lavish liner, but well enough to reunite with his mistress in Aix-les-Bains, where he was found 'in excellent health' by a reporter 'just after the ship went down.' Asked about the disaster, he 'indicated extreme distress.' He had arrived at the French resort after a Nile cruise and visits to Rome and Florence [*having conferred with his masters in the Vatican and Borgo Santo Spirito*]; the news confirming the disaster broke on his seventy-fifth birthday, 17 April [*imparting to this murderous, financial tyrant a most enjoyable birthday!*]. Fortunately a large part of his art collection, kept in Europe to avoid American import duty (happily eased just as Britain introduced death duties), happened to miss the ship 'because of last-minute hold-ups in crating.' The ultimate owner of the lost ship was thus twice blessed: to him that hath shall be given." {3} [Emphasis added]

The Titanic Conspiracy

From previous chapters we know the purpose of the Jesuit Order. But before we begin to peer into the abyss of the tragedy called "**the Titanic**," involving the largest ocean liner of its time having been built to be treacherously sunk by the combined thunderbolts of the **Olympic Jesuit Order**, known to itself as "**The Company of the Perfect**," we must review how these mind-controlled, soldiering, international **Marine Corps of Loyola** carry out their deeds of blood while under orders from their "**Father General**."

" ' I should regard myself as a dead body, without will or intelligence, as a little crucifix which is turned about unresistingly at the will of him who holds it, as a staff in the hands of an old man, who uses it as he requires it, and as it suits him best.' " {4}

". . . when the General shall require the perpetration of any crime . . . or the performance of any act howsoever perfidious or shameless,—in all, or any of these cases, the Jesuit shall execute his commands without 'fear of offense.' "

(**G. B. Nicolini**, in quoting the wicked Jesuit *Constitutions*, writes of the General:)

" 'No constitution, declaration, or any order of living, can involve an obligation to commit sin, mortal or venial, unless the superior command it in the name of our Lord Jesus Christ, or in virtue of holy obedience, which shall be done in those cases or persons wherein it shall be judged that it will greatly conduce to the particular good of each, or to the general advantage [*of the Jesuit Order*]; and, instead of the fear of offense, let the love and desire of all perfection

proceed, that the greater glory and praise of Christ, our Creator and Lord, may follow.' " {6}[Emphasis added]

(The Honorable Pennsylvania Congressman **E. Joy Morris of Philadelphia**, in his *Remarks Against the Introduction of the Monastic System and the Secret Religious Orders of the Church of Rome into that Commonwealth, Delivered on the Final Passage of a Bill to Incorporate the Third Order of Franciscans, in Cambria County, Into a Body Politic*, declares in1856, just prior to America's War Between the States:)

"With what an iron yoke the monastic fraternities are ruled by their superior generals, and how completely individual independence is crushed under such a system, may be understood from the following extract from a work of the Reverend Father Jesuit [**Xavier] DeRavignan**, *De l' Existence et de l' Institut des Jesuits*, pp. 53, 54. We read at the article, *'Obedience to Superiors:'* 'You shall always see Jesus Christ in the General; you shall obey him in every thing; your obedience shall be boundless in the execution, in the will, and understanding; you shall persuade yourself [*against common conscience*] that God speaks with his mouth; that, when he orders, God himself orders. You should execute his command immediately, with joy and with steadiness. You shall penetrate yourselves with the thought that all which he will order shall be right; you shall sacrifice your own will with a blind obedience. You shall be bound at his request, to be ready to unveil your conscience to him. You shall be, in his hands, a dead body, which he will govern, move, displace, according to his will. You shall resemble the stick upon which rests an old man.' . . .

> 'They contributed,' says [**Henry**] **Hallam** in his *Constitutional History of England*, 'in a very material degree to check the tide of the Reformation. Subtle alike, and intrepid, pliant in their direction, unshaken in their aim, the sworn, implacable, unscrupulous enemies of Protestant governments, the Jesuits were the legitimate object of jealousy and restraint. As every member of that society enters into an engagement of absolute, unhesitating obedience to its superior, no one could justly complain that he was presumed capable at last of committing any crimes that the policy of his monarch [*Jesuit General*] might enjoin." {7}[Emphasis added]

> "The General possessed the secrets of every member . . . He knows the character, the inclinations of every member . . . He is made acquainted with the consciences of all who must obey him, particularly the Provincials and others to whom he has intrusted functions of great importance . . . Every year, a list of the houses and members of the Society, the names, talents, virtues, failings of all are there recorded . . . 'and [*in the words of the General*] we have men for martyrdom, if they be required.' " {8}

The year is 1909. The building of **Titanic** has begun at a shipyard in Belfast, the capital of Northern Ireland. Belfast is *the Protestant haven* of the Irish and is *hated* by the Jesuit Order. By 1912, nearly five hundred thousand Ulster Protestants would sign the Ulster Covenant pledging "to defeat the conspiracy to set up a Home Rule [*Rome Rule*] Parliament." Ireland is still part of the British Empire but most of the Island will be severed from the British Crown as a result of the Jesuits' World War I. The Panama Canal is in building and will be completed in time to begin its usefulness during "**The Great War**." The Company's planned destruction of the Protestant British Empire is at hand and will be completed by the end of the Jesuit General's "**Cold War**." The destruction of the Protestant German Empire, having courageously expelled **Loyola's Blackrobes**, has already been put in motion with a secret treaty between the Order's agents in France and Russia. The overthrow of the Orthodox Russian Empire has already begun, the Jesuits having provoked a war in 1904 using **Emperor Meiji** of Japan. The destruction of Imperial Japan is in the making as payback for the Emperor's shogun expelling the Jesuit "missionaries" for over two hundred and fifty years. The atrocities of the Jesuits' Bolshevik Revolution and subsequent Inquisition by Jesuit-trained Josef Stalin *will be blamed on the Jews*, converting the Europeans into unwitting tools of Rome's Third Reich. The Jewish Holocaust will be used to justify *Rome's creation of the Labor Zionist nation of Israel*, paving the way for an even greater "burnt offering" of Jews, as the majority of these descendants of Jacob, *due to worldwide anti-Jewish fury*, are to be driven from the nations to one geographical location. The land of **Canaan**, being necessary to that end, England's **General Allenby** will take Jerusalem from the Moslem Turks in 1917, enabling **Solomon's Temple** to ultimately be rebuilt for the "*infallible*" Pope,

". . . the prince that shall come . . ."

– Daniel 9:26

To finance this grand design, the Jesuits must put their privately owned "**Federal Reserve Bank**" in place *before* the Crusade begins. That bank must be established in the greatest wealth-producing nation on earth composed of mostly Middle Class White Anglo-Saxon Protestants and Baptists known for their honest and upright "Protestant work ethic." Remembering that the Order has been expelled from Europe, having taken refuge in the Protestant American and British Empires, its Masonic tools are in place and ready to obediently execute the plan.

But there are those in government and high finance within both Empires who are not willing to participate. Their power and fortunes will not be used to this end. *So, they must be ushered out of this world in a most terrifying way!* Death by drowning, amidst the screams, yells, shrieks, wailing and weeping of helpless men, women and children floundering in the North Atlantic, the innocents will plunge over ten thousand feet—two and a half miles—to their nightmarish doom!

Therefore, the **White Star Line** is created to bring the immigrant traffic—*Irish, French and Italian Roman Catholics*—into the United States pursuant to Rome's plan of "making America dominantly Catholic." But the Deathship **Titanic** *is built,* in hated Protestant Belfast, *to be sunk* and will be used to entice three hundred and twenty-five of the world's richest and finest to board "the unsinkable" man-made leviathan, loaded with an additional nineteen hundred Protestant and Catholic "animals." With the first-class fare being fifty thousand Federal Reserve Notes by today's standard, multi-millionaires board the ship, three of them Jewish—**Benjamin Guggenheim**, **Isidor Straus**, the head of "Macy's" department stores, and Freemason **John Jacob Astor—**a frequent passenger on the White Star line, a notable American patriot and soldier, *and the wealthiest man on board the Titanic.*

The Captain of the ship is **Edward J. Smith**, the world's greatest pilot and master of the North Atlantic waters, seasoned with twenty-six years on the high seas. Captain Smith is indeed one of the **Black Pope**'s unseen and unknown *Jesuit Temporal Coadjutors*. This means he was not a priest but a "Jesuit of the short robe," as the French would call him, serving the Order in his profession. He, "without will or intelligence," will commit this crime—*this shameless and heartless atrocity*—at the will of his master who holds him "as a little crucifix" and "who uses him as it suits him best." **Edward J. Smith** has been required for "martyrdom."

Departing southern England from the port of Southampton at 12:00 noon on April 10, 1912, the Captain's master had boarded. This handsome and unpretentious young man was the agent for *the most powerful Jesuit in Ireland* who in turn reported directly to the **Black Pope** in Rome, **Francis Xavier Wernz**. The Captain's master was a military operative, 'a stick in the hand," of his **Provincial-Superior** of the Irish Province (which Province then included Australia) of the Society of Jesus**.** That man was **Francis M. Browne**, now in his final years of Jesuit formation and internationally made known once again for our generation by *National Geographic* in the "*Acknowledgments*" of the video *Secrets of the Titanic*, released in 1986—the year after Irish Jesuit priest **Edward E. O'Donnell** discovered Browne's photographic collection in a large metal trunk, calling it to the attention of the editor of the *London Sunday Times*. Browne, for the purposes of deception and "deep cover," was *openly* and to all appearances merely a photographer for the Church: but *secretly* he was under orders serving as the **Abraham Zapruder** by photographing the seafaring limo and its targeted occupants unwittingly ensnared in this "**Executive Action**!"

(Born into a prominent Cork family in 1880, **Francis Browne** was an orphan by his mid-teens, then to be raised by his powerful uncle, **Robert Browne—the Bishop of Cloyne**! Entering the Jesuit Novitiate in 1897, Francis underwent his gruesome

philosophy instruction from 1903 to 1906 at the infamous Jesuit institution in Chieri, Italy, not far from Turin, at which **Abate Leone** recorded the secret 1825 meeting between **Jesuit Superior General Fortis** and his Assistants, including the future Jesuit General and "Rebuilder of the Jesuits" **Johannes Roothaan**. By 1912, Browne was nearly thirty-two years of age and in his second year of Jesuit "**Moral Theology**" at Milltown Park in Dublin. That Jesuit institution taught the very same regicide doctrines that had been publicly condemned and burned by the French Parliament in 1761! Browne would later graduate in 1915 and receive ordination as a Jesuit priest that same year at the hand of his uncle—the Provincial's Jesuit Spiritual Coadjutor—the Bishop of Cloyne. Because of the **Titanic secret** that he carried in his breast, Francis would later be deliberately sent into the heat of battle as a chaplain, serving with the Irish Guards at two of the most horrendous and yet deliberate sacrificial bloodbaths of World War I—the Somme and Passchendaele! Gassed, wounded five times and declared "the bravest man I ever met" by **Colonel** (later **Field Marshall**) **Montgomery**, Browne became a most trusted Jesuit of the Fourth Vow, teaching Ignatius Loyola's *Spiritual Exercises* at retreats and preaching all over Ireland. Jesuit Browne obediently served the ***Black Pope*** throughout the **Second Thirty Years' War** and **Cold War** until his death in 1960—three years before the murder of JFK!)

Dear truth-seeker, the plot is thick and the plan is well laid. "Lord Browne," one of Ireland's bishops for over seventeen years, an acting President of the bigoted National Ecclesiastical College in Maynooth referred to in a previous chapter, and personally known throughout Ireland, purchases a *first class ticket* for his nephew, Francis. That ticket (No. 84) covered the first two legs of Titanic's maiden voyage. The money used to purchase this ticket was supposedly derived from a civil suit whereby the Bishop and six priests, including his Jesuit nephew and brother of Francis, **William Francis Browne**, were awarded a total of *five hundred pounds* by a jury for libel. (The publishing defendant had claimed the "Most Reverend Lord Bishop," in pursuance of the Order's "**Home Rule**" doctrine and quest, had ordered the Catholics of his diocese to dismiss all Protestants in their employ, which of course is pursuant to maxims of Canon Law as taught at Maynooth College!) The Bishop also gave his nephew a new camera with which to photograph the entire ship and its passengers, especially the targeted businessmen of immense wealth resisting the temporal power of the "Infallible" Pope. To effect entry of the priest into every nook and cranny of the ocean liner, the Bishop gave a cherished "**Letter of Introduction**" to be presented to a staunch Irish Roman Catholic, the White Star Line's congenial "Chief purser" of the ship, longtime fellow officer of **Captain Edward Smith**, Jesuit Temporal Coadjutor **Hebert W. McElroy**. This man had studied for the priesthood, was a member of an Order titled," Canons Regular of the Lateran," his brother Richard was a priest and he had signed on the Deathship April 9th, the day before she departed Southampton: he would sacrifice his life for the Pope on the Titanic.

With the blessing of his Bishop-uncle, his brother priest **William Francis**, and his Jesuit Provincial master in accordance with the *Constitutions* of the Society of Jesus, the trusted Jesuit and theological student departs for Southampton, England.

He has been under Jesuit formation for fifteen years; he is well versed in Canon Law, familiar with the Order's immoral "Moral Theology" and of course its "accursing" Council of Trent. He most likely has been administered an oath in the Bishop's eerie cathedral overlooking Queenstown and its harbor anticipating Titanic's final departure for the North Atlantic; exiting the cathedral he will fulfill his mission and proceed in utmost silence following the plan of his Provincial master to the letter. He crosses the channel by ferry and boards a night train for London. Arriving in the morning at the Order's commercial capital of the world, there he abides for the day and another night with his brother and eye specialist, Jesuit Temporal Coadjutor **Dr. James Browne**.

After a delightful breakfast he departs at 9:45am on the "**Titanic Special**" from Waterloo station to Southampton arriving at 11:30am. As planned, **Tom Brownrigg**, another Jesuit Temporal Coadjutor under orders, is waiting for Browne at the railway station: they meet, exchange greetings and proceed to Titanic's first class stateroom, A-37. Both inspect the dwelling, as it is now the priest's "safe house." The Jesuit bids his assistant adieu before Titanic departs at twelve o'clock noon. Ah! it is High Noon, the ideal time for an assassination plot to begin—and it would be repeated with the arrival of President Kennedy's Air Force One at Love Field in Dallas, Texas, November 22, 1963.

Jesuit Browne begins the second phase of his assignment. He has the perfect cover: disguised as a man of God, he is harmless and unassuming. Proceeding to the Chief purser's office, there enjoys the genial friendship of **Herbert W. McElroy**.

Upon presenting the Bishop's "Letter of Introduction," Brother McElroy gives the Jesuit access to every inch of Titanic over the course of April 10th and 11th, 1912. Every room is photographed, every first class person is recorded and many in lower steerages were pictured, all for the benefit of the ***Black Pope*** in Rome. The Jesuit Father Provincial (of which there are only ten for the American Empire) knows his Jesuit theological student and nephew of the Bishop under his abject control will spend two days on the Deathship taking pictures of the passengers, *knowing full well their fate!* All Jesuit Coadjutors will be photographed, from Captain Smith, to First Officer Murdoch, to Chief Purser McElroy, all will be recorded for posterity. After stopping at the French port in **Cherbourg** from which Astor boarded, the video, narrated by Hollywood actor (a pro-**Bill Clinton** activist having aided **Janet Reno's** bid to be a Florida governor), **Martin Sheen** (who

renamed himself after **Bishop Fulton J. Sheen**), another darling of the Jesuits having visited their former **Novitiate of St. Isaac Jogues** in Wernersville, Pennsylvania, reveals:

> "A vacationing priest, **Father Francis Browne** caught these poignant snapshots of his fellow passengers, most of them on a voyage to eternity. The next day Titanic made her last stop, pausing off the coast of Queenstown, Ireland. Here tenders brought out the last passengers, mostly Irish immigrants headed for new homes in America. **And here, the lucky Father Browne disembarked . . .** Father Browne caught Captain Smith peering down from Titanic's bridge poised on the brink of destiny . . ." {9}[Emphasis added]

Ah, the final eye contact between Captain Smith and the Jesuit in the midst of doomed Irish Roman Catholics and scores of Scandinavian Lutheran Protestants boarding the steamer is indeed "a Kodak moment." Remembering that according to **Jesuit Pietro Alagona**, *"it is lawful to murder the innocent,"* and according to **Jesuit Luis de Molina**, *"Priests may kill the Laity to preserve their goods,"* both of these criminals were fully persuaded in their brainwashed minds that they were righteous in their mayhem. This scene portrayed with the brush of a **Rembrandt** or a **Thomas Kinkade**, would serve as a crushing rebuke to any nation that would give the religiously bombastic Sons of Loyola access to their shores.

For here is *Jesuit treachery* at its finest. **Jesuit Browne** boards **Titanic**, photographs the victims, most assuredly briefs **Captain Smith** concerning his Oath as a Jesuit, and the following morning bids him farewell. He takes a snapshot of the somber Captain peering down from the bridge along with two crewmembers probably involved in the plot, as "*the lucky*" **Ignatian** disembarks on the eleventh of April while the cheerful greetings of boarding Irishmen fall upon his ear *but never reach his heart*. Possibly, a little red-headed girl runs by and cries with eager optimism,

> "Good morning, Father!"

A young man approaches and quietly asks:

> "Will you hear my confession before I leave, Father?"

A man with his large family approaches and quietly asserts:

> "You have been a good priest to us. We wish you well, Father Browne."

And lastly comes Danny, a little orphan boy named after the great Irish ballad, *Londonderry Air,* who slowly limps forward, tightly holding his mother's hand.

With tears in his eyes for the love of this priest who had been a father to him while the Jesuit had taught at Belevdere College for five years, he whimpers:

"Thank you for helping me. Good-bye, Father."

Indeed it was Good-bye—*forever!* Little Danny would perish amidst the horrifying pandemonium of the locked-down, helpless innocents in Titanic's lower decks!

Dear truth-seeker, if **Francis Browne** had been a man, *his heart would be breaking!* But he, like **Rodin the Jesuit** of *The Wandering Jew,* is one of "the Borg" of *Star Trek*, named after a past Jesuit General, **Francis Borgia**, as well as the General's present headquarters being "*Borgo* di Santo Spirito" in Rome. He is a Jesuit of under Extreme Oath for this mission. He is a machine in a man's body, the perfect *Manchurian Candidate* to be one of the Commanders of *The Engineer Corps of Hell*. He would slay his own mother to further the worldwide political power of a tyrannical sinner who calls himself "the Vicar of Christ!!" But he is an orphan; he has no affectionate ties to mother and father. So he goes through his religious motions and so passes by. As the Titanic docks at Queenstown, a wealthy American passenger offers to pay for the Jesuit's first class ticket to New York; but he knows he is forbidden. Yet to placate the "heretic," he sends a message to his Jesuit superior requesting permission to depart. The answer returned is incriminating:

"**GET OFF THAT SHIP——PROVINCIAL.**" {10} [Emphasis added]

As "Father" Browne watches **Titanic** disappear over the horizon with a fire below in bunker number ten, he has no regrets. He knows the Provincial's soldiers will do their duty. He also knows "the law of the Church" and, having no *"fear of offense,"* is convinced this crime shall be *"for the greater glory of God"*—the god who sits in St. Peter's Chair! As the Deathship steams for the high seas, Bishop Browne and the Jesuit Provincial, perched on the highest point of Queenstown within the Bishop's Cathedral overlooking the Atlantic, eagerly watch the disappearing leviathan with glee knowing the death of key men thereon will enable the Pope's Federal Reserve Act to pass in time for the beginning of World War I: it is time for a universal Jesuit vengeance on a "heretic and liberal" Eurasia that dealt the Order its "Century of Disaster" while the gospel of the Lord Jesus Christ was taken by British and American Bible-believing missionaries to the ends of the earth! Praise God!

On board the ship, the **Jesuit Captain Smith** knows his duty. He is under Oath. There is no recanting. The ship has been built for the enemies of the Order. He, after three days at sea, with only *one pair of glasses for the bridge*, propels full steam ahead—*twenty-two knots*—on a moonless, dark night through a gigantic ice field, nearly eighty square miles in size, despite at least *eight telegrams* of

warning as well as many other cautions. He refuses to listen. Hell-bent on destruction, upon approaching the iceberg, First Officer **William M. Murdoch**—*another conspirator*—has been instructed by the Captain what to do. He orders the engines to be thrown in reverse while swinging the ship sharply to the left, its starboard side. Had the captain not reversed his engines the Titanic would have turned much more quickly the greater the forward motion. *This error was a violation of one of the cardinal rules of safety, which is to never turn a ship's broadside to danger!* (Are we to believe that **Captain Smith**, the master of his profession, would make such a basic blunder in addition to steaming full speed ahead through the up-and-coming icebergs he had been warned about? *Obviously, he wanted to break the ship in half!* This is nothing more than a repeat of **Napoleon's** performance at Waterloo and **Hitler's** stage play in Russia—*both dictators deliberately sacrificing their armies*—, and a preview of the violation of the most basic rules of security in Dallas, Texas, in 1963 resulting in President Kennedy's death.) **Titanic** grazes the iceberg at 11:40pm, April fourteenth. Knowing full well the ship's inadequate number of lifeboats and the crew having no boat assignments in case of an emergency evacuation, **Captain Smith** walks back to the radio room and instructs his officer to send a CQD; then later, an SOS. Smith, the Jesuit Coadjutor, has fulfilled his intended purpose in obedience to his Jesuit master, "**Father**" **Francis M. Browne's Jesuit Provincial**, pursuant to the **Jesuit Oath**.

Amid the innocence of its passengers the brutal crew begins to evacuate the ship. But the Jewish multi-millionaires **Astor**, **Guggenheim** and **Straus** are *forbidden to board a lifeboat*. A few hours later in the midst of horror and panic, with the musicians playing the inspirational Protestant hymn of the Welsh people, *Nearer My God To Thee*, the Titanic splits in half, plunging to the bottom of the ocean along with over fifteen hundred souls. **Astor's** young second wife survives and the Jesuits most likely acquire the use of her fortune through their "Money Trust" in obedience to their *Secret Instructions.* (*Did not the Jesuits benefit* when Harvard's Widener Library was built with a donation from Titanic survivor, **Eleanor Widener**? Did not both her husband George and son Harry perish in the disaster, leaving her in charge of the largest fortune in Roman Catholic Philadelphia? *Did not the Jesuits benefit* by eliminating **Astor**, **Guggenheim** and **Straus** as they were in agreement with the Jewish American Supreme Court Justice, **Louis Brandeis**, in opposing the passage of the Order's **Federal Reserve Act**? Of Brandeis' opposition we observe:

"In mid-November 1910, several members of the Aldrich Commission went down to the Millionaire's Club at Jekyll Island, probably courtesy of **Morgan**, to work out a specific plan. The expedition included **Aldrich**, **Davison**, **Vanderlip**, **Warburg**, **A. Platt Andrew**, and [*Irish Roman Catholic*] **Ben Strong**, now a vice president at Bankers Trust [*dubbed "the Morgan man" who, as president of the New York Fed,*

contributed to the Order's Stock Market Crash of 1929]. . . . Over the next two weeks, these men drew up plans for a national system of regional banks led by a central board of private bankers [*the Federal Reserve Banking System*]. . . . The Democratic Congress did not agree, and over the next two years [*bring us to 1912 and the sinking of Titanic*] it rejected the 'Aldrich plan' as giving too much power to private banks. When the Federal Reserve Act finally passed in December 1913, it provided for a governing board in Washington, appointed by the President, to represent the public interest.* . . .

> *Woodrow Wilson thought this mix of public and private interests would give government the upper hand and effectively turn banks into 'the instruments, not the masters, of business and of individual enterprise and initiative.' **Louis Brandeis disagreed, claiming that there could be no compromise with the devil—that 'Concessions to the big-business interests must in the end prove futile.'** " {11} [Emphasis added]

Was not **J. P. Morgan**—the "*infallible*" Pope's financial agent within the American Empire and the man who lured these Jews onto the Titanic—the true sponsor of the Federal Reserve Act with his "Aldrich Commission?" Was not "Bonesman" and 33rd Degree Freemason **President William Howard Taft**—*the servant of* **Archbishop James Cardinal Gibbons** and the former dictator over the Philippines, as well as the betrayer of his military aide, **Major Archibald Butt,** having sacrificed him on **Titanic**—*an avid supporter* of the Federal Reserve Act, urging the country to "take up seriously the problem of establishing a central bank," according to **Jean Strouse** in her masterpiece, *Morgan: American Financier* ?)

This leads the author to believe there were more than two Jesuits on board the Deathship. There were probably at least ten of the ship's officers and crew who were "Professed" and under "Extreme Oath." There were possibly several Knights of Columbus under the Oath of the Fourth Degree, as well as a few Freemasons loyal to the mark "**IHS**"—the seal of the ***Black Pope***! This explains why **Jesuit Browne**, the direct agent of his Jesuit Provincial and trusted nephew of the local Irish Bishop would personally board the vessel! He must have leisurely finalized the plan with his soldiers charging this select group of the ship's yeomen—*hired at the last minute as a result of a contrived strike in England*—that upon **Jesuit Captain Smith's** order to abandon ship, to quickly lower the inadequate number of lifeboats, *less than half full* with only women and children, into the water while forbidding the men—*selected moneyed targets*—from boarding. The poorer passengers within the lower levels were to be locked down so as to prevent the Order's wealthy victims from escaping its watchful eye and possibly boarding a lifeboat amidst the hysteria and confusion on deck. (**Jesuit Captain Smith's** deliberate sinking of **Titanic** was a preview to the sinking of the doomed **U.S.S. Indianapolis** overseen by the Order's CFR member and Commander of the Pacific Fleet, **Admiral Chester William Nimitz**, along with several devious subordinates

including **Captain Oliver Naquin**. The ship's captain and "patsy," **Captain Charles B. McVay III**, having been the Chairman of the Joint Intelligence Committee of the combined Chiefs of Staff in Washington, D.C., must have known too much and was to be "silenced." But Captain McVay survived one of the greatest disasters in the history of the American Navy. Predictably, in 1968, unable to cope any longer with his mental agony, the innocent and good Captain took his life, to the shame and disgrace of the High Command of the U.S. Navy controlled by the **Black Pope** via his Knights of Malta and high-level Freemasons!) To prevent nearby freighters from responding with help, the distress flares were seen to be *white* (party time!) when they should have normally been *red!* It was for this reason that *only one* of the lifeboats returned to retrieve those freezing in the darkness, as the temperature of those waters was only *twenty-eight degrees!* Like the "selections" at **Auschwitz**, those "selected" to board the lifeboats would live. The rest, on the ship or in the water, *must die the death* including several Jesuits, Masons and possibly Knights of Columbus or Catholic Action, including Jesuit Temporal Coadjutors **Smith**, **Murdoch** and **McElroy**.

This leads us to another question. *Who owned the White Star Line?* For, its management was ultimately responsible for choosing the men who would man the ship. And with the money involved in financing those luxury liners (**Titanic**, **Britannic** and **Olympic**), only *select* **Knights of Malta** and the modern day **Knights Templar**—*select* **Shriner Freemasons**—

". . . the great men . . . and the merchants of the earth . . ."
– Revelation 18:3, 23

could have been the movers and shakers of this attack on the private fortunes of wealthy Jews enjoying the blessings of Protestant-Calvinist liberty secured by **William I of Orange**, **Oliver Cromwell** and **George Washington**—as well as **Otto von Bismarck**! The Knights knew that the Hebrews of both the American and British Empires *had never suffered formal persecution for over two hundred years*, and as a result, invested their wealth in great industries bringing financial prosperity to both Protestant peoples. About the time of **Titanic** the renowned composer **Gustav Mahler**, directing the Vienna Court Opera and having composed his immortal and magnificent *Symphony No. 5 "Adagietto,"* abandoned Roman Catholic Austria and settled in New York City in 1909 to enjoy Protestant liberty while conducting the New York Philharmonic—*as a Jew*. Thirty years later, his symphonies were banned by Rome's Nazis as *"degenerate Jewish music."* Indeed the Bible is still true, the pre-incarnate Son of God declaring to the Nations His promised response to their treatment of His servant **Abraham**, later reaffirmed to **Isaac** and finally to **Jacob**, including his **twelve sons** and their **physical descendants—the House of Israel**:

"And I will bless them that bless thee,

and curse him that curseth thee . . ."

– Genesis 12:3

". . . for he that toucheth you toucheth the apple of his eye."

– Zechariah 2:8

"For I am the LORD, I change not;
therefore ye sons of Jacob are not consumed."

– Malachi 3:6

So the Jesuit General used his Papal Knights to essentially destroy this happy relationship between American Protestants, Baptists and Jews as he created his monstrous, international monopoly called "**the Federal Reserve Bank**." One of his **Masonic Knights Templars** was the multi-millionaire, **John Pierpont Morgan**!

This evil and sinister man, then operating one of the largest banks in the world, would be responsible for the suppression of **Nikola Tesla's** brilliant inventions including worldwide free energy. According to **Antony C. Sutton** in his *Wall Street and the Bolshevik Revolution*, after Morgan's death in 1913 a portion of his massive wealth invested with the American International Corporation (AIC) in New York (now the American International Group (AIG) headed by a CFR Honorary Vice Chairman and Director, **Maurice R. Greenberg**) would finance the **Bolshevik Revolution**—that Jesuit Inquisition in Orthodox Russia! According to an *Arts and Entertainment* documentary video, this **J. P. Morgan**, his International Mercantile Marine (IMM) having financed the White Star Line and thus the building of **Titanic**, *had designed a cabin specially furnished and reserved for himself (suite B52, previously assigned to steel baron* **Henry C. Frick***)*, his promised presence serving as bait for those marked for death. And at the last moment just prior to the Titanic's departure from Southampton, *this spiritual bastard* cancelled his reservation (citing ill health) *in addition to fifty-four other men of wealth or power, but with inside information* {12}, abandoned his friend and president of IMM, **J. Bruce Ismay** (the disgraced American scapegoat who later was fired from his job after managing to survive his intended death by jumping into a lifeboat), and returned to New York on another ship. We wonder if **Bishop Browne** and **Freemasonic Morgan** threw a party and toasted the **Temporal Power** of the "*infallible*" Pope as they viewed the Jesuit priest's pictures of the murdered men of wealth and power, the net worth of **Titanic's** passengers being over *five hundred million dollars in 1912!* In fact, of J. P. Morgan's obvious gaiety while "recuperating" after the world's worst maritime disaster, we read:

> "Morgan, it will be recalled, pleaded illness as his excuse for not joining the ship's first and last voyage. Two days after the *Titanic* sank, he was found by the American press at the Grand Hotel in the French spa of Aix-les-Bains, where he was taking the waters. He was in excellent health and the company of his French mistress." {13} [Emphasis added]

Another high-level Freemason who also "cancelled" his reservation on the Titanic was **Milton Hershey**, Pennsylvania's chocolate king! He had much to gain, as American soldiers would be issued "Hershey chocolate" on which they would fight the Jesuits' **Second Thirty Years' War**, bankrolled by their **Federal Reserve Bank**. Other White Masonic Gentiles who "cancelled" their reservations at the last minute were **Robert Bacon** (Morgan's former business associate), **Henry C. Frick** (America's steel baron), and **George W. Vanderbilt** (America's railroad and shipping tycoon whose family's 1895 "**Breakers**" mansion facing the Atlantic Ocean in Newport, Rhode Island is now controlled by the Order via the Knights of Malta).

As usual, the Sons of Loyola got away with mass-murder and grand theft once again, as their power in the American and British Empires was controlling. In spite of a most revealing Senate hearing at New York's **Waldorf Astoria Hotel**, the formal palace for all of the Archbishop's dinner parties; *not a soul was prosecuted!*

> "The Senate's investigation, and another by the British Board of Trade, found an appalling series of human and technical errors, but brought no charges against Ismay or the IMM. . . . private damage claims against White Star amounting to $16 million were eventually settled out of court in 1916 for $664,000." {14} [Emphasis added]

Further, concerning American Senator **William Alden Smith's** "investigation" we read and are reminded of the fictional Warren Commission:

> "In this most important case, given Smith's anti-trust posture and his claim to independence at the outset, his investigation was a cover-up, and the attack on the British in part a diversion. The masking of American involvement in the considerable person of **J. P. Morgan** and his almighty interests was a lie by omission." {15} [Emphasis added]

(Dear truth-seeker, those Jews had dared to block the creation of the Jesuits' Federal Reserve Bank by which the Order would finance **World War I** and **World War II**— Rome's Second Thirty Years' War, including Europe's **Jewish Holocaust**, made possible by the Chairman of the Papacy's **I.B.M.**, Freemason **Thomas J. Watson**, the friend and brother Freemason of Hitler's Economics Minister, **Hjalmar Schacht**!)

There is another victim of this plot usually overlooked and yet a most famous man who perished on the Deathship. He was an English Mason, **William T. Stead**, the journalist who exposed the Company's traffic in English prostitutes. Described as:

> "Scholar; dreamer; humanitarian; the greatest and most notable man on board the *Titanic*. . . . famous all over the world. . . . the personal friend of more living

and dead monarchs than any private citizen on earth," we marvel at his apparent courage:

> "London was rotten with the leprosy of white slavery. Nobles, members of parliament, dukes, lords, all were in a great traffic in young girls . . . [*Spiritualist*] **William T. Stead** saw and knew. . . . Stead had found indisputable evidence of what he wished to prove. He knew that power was against him, that money was against him, and that corruption was against him. . . . Bit by bit he gathered his testimony, name after name was secured, and then, one morning in 1885, the blow that changed England's morals . . . fell. London awoke to stare, to gasp. Stead had called his exposure, 'The Maiden Tribute to Babylon,' and there was truth to back every statement. Stead was arrested. He was thrown into prison on the charge that he had committed an infraction of the laws. But he only smiled. He knew that he had won, that parliament would be forced to pass a law that would wipe out the white slavery. And parliament did." {16} [Emphasis added]

The sinking of the Titanic was not only necessary in establishing the Order's Federal Reserve Bank, it was the beginning of the destruction of America's real economic wealth, so characteristic of Bible-reading, hard working, moral, inventive, courageous, ruggedly individualistic, White Middle Class, Protestant nations. If the Order was to succeed in its Counter-Reformation attack on the West, private wealth must be cleverly taken from Protestants and given to the Order's Papal Knights and occult Masons intending to rule corporate America. Of this coveted and yet detested Protestant economic prosperity, evident not only in America under **President McKinley**, but in England during the reign of **Queen Victoria**, we read in 1899:

> "It is Protestantism which, by God's help, has been the cause of England's prosperity, and of that of all other [*White*] Protestant countries. While Roman Catholic countries, which acknowledged **Papal Supremacy**, are everywhere going down in the scale of nations, Protestant countries are everywhere growing in prosperity, and extending their borders on every hand. The Protestant nations are at the head of the world, in everything which make nations truly great and glorious. We have therefore no reason to be ashamed of the word Protestantism . . ." {17} [Emphasis added]

This horrible tragedy, rivaling Shakespeare's *King Lear*, could have been prevented, had both the British and American governments been doing their biblical duty of *punishing evil!* Had the English Crown expelled the Jesuits and Knights of Malta even as **Queen Elizabeth I** had done in the Sixteenth Century, and had the Masonic Lodges been closed even as **Cromwell** had done in the Seventeenth Century, the heartbroken Irish Catholics and Protestants, whose sons and daughters were sacrificed by Ireland's Jesuit master—**Francis M. Browne**—

would have never shed their Titanic tears over lost loved ones, further staining the pages of Irish history. *Ah, beware of the ides of April!* **Titanic** was sunk on April fifteenth, the same day Lincoln had called out troops on the Protestant South, the same day Lincoln died at the hand of his Jesuit-controlled assassin, and the same day all Fourteenth Amendment citizen-serfs of the Jesuit General's "**Holy Roman**" **American Empire** make their annual "confessions" to the Pope's privately-owned Internal Revenue Service pursuant to the **Fourth Lateran Council** of 1215 ruled by demon-possessed **Pope Innocent III**. (Indeed, the code of law governing the **American Empire** has been modeled after the code of law governing the **Pope's Vatican Empire**!)

If the Jesuits would sink a ship full of people just to get to one man, would they not do the same with an airplane? Was it not a "coincidence" that **Congressman Larry P. McDonald** on board flight **KAL 007** ("the lucky" 33rd Degree Freemason **Senator Jesse Helms** having boarded the untargeted sister flight in Alaska and would later drop the investigation in 1992) was supposedly "shot down" by a *Russian Su-15 jet fighter* in 1983, as he was calling for a congressional investigation of the **Council on Foreign Relations** and **Trilateral Commission**? Is it not obvious as to why **President Ronald Reagan**, the mere slave to Knight of Malta and CIA Director **William J. Casey**, refused to retaliate against the Soviets, Casey knowing full well the aircraft had been fitted for destruction at **Andrews AFB** with a radio-activated bomb; that **KAL 007** was blown up by a nearby U.S. Intelligence station and sunk 400 miles south of the official wreckage area killing 269 innocents? Was it not a coincidence that **John F. Kennedy, Jr.** "lost control" of his aircraft (having had its tail internally blown off) and plunged into the Atlantic Ocean, killing his wife and sister-in-law (all three bodies being full of shrapnel according to Cincinnati radio host and Baptist Pastor **Ernie Sanders**), as he sought to find his father's real killer? As a possible U.S. Senator from New York, a multimillionaire, a successful publisher and loved by the people, he would have solved "**the crime of the century**." *These are no accidents!*

Through such tragedies, like the deliberate sinking of the **U.S.S. Indianapolis** during World War II, the Jesuit Order benefited and had the power to cover it up with their key men responsible for investigating the murders. We also must conclude that *somehow* "**the Borg**" Jesuit Order absorbed the fortunes of the wealthy for its use in destroying the Protestant Reformation while reducing the nations to serving dictators loyal to the Pope, *who in turn hate the Jews*. Years later, the Jesuits, controlling "**the Jesuit Theatre**" (or "**Hollywood**," the wood from which magic wands were made) through their Masonic Jewish Labor Zionists, would release the most expensive and profitable movie of all time, commemorating their great sacrifice in the North Atlantic to their "god" who sits in St. Peter's Chair. That movie was, *Titanic*. A previous movie had also been

released reenacting another one of their keystone human sacrifices in North America. That movie was *JFK, Director's Cut*.

Dear truth-seeker, if we do not learn our lessons from the past including the deliberate wrecking of the **Titanic**, we are doomed to repeat them with more national tragedies like the **Stock Market Crash** of 1929 (America's Titanic), the **Kennedy Assassination**, the **Watergate Scandal**, the **Iran-Contra Affair**, the **Whitewater Fiasco**, the **Chinagate Scandal** (Opus Dei's Justice Department having dropped fifty-eight counts against the guilty Chinese Intelligence operative, **Dr. Wen Ho Lee**, thereby concealing the high treason of the Order's CIA, which boldly gave America's most classified thermonuclear warhead secrets to the bloody Red Chinese) and now the attack on the **World Trade Center** and the **Pentagon**. For the ***Black Pope***,

> ". . . is the god of the society, and nothing but his electric touch can galvanize their dead corpses into life and action. Until he speaks, they are like serpents coiled up in their wintry graves, lifeless and inactive; but the moment he gives the word of command, each member springs instantaneously to his feet, leaving unfinished whatsoever may have engaged him, ready to assail whomsoever he may require to be assailed, and to strike wheresoever he shall direct a blow to be stricken." {18}

Hollywood Actor Martin Sheen's Summer Visit at Wernersville, PA
"St. Isaac Jogues Jesuit Center for Spiritual Growth," 1990s #309

During a hush-hush, no press visit, Martin Sheen (3rd from left), a pro-Jesuit Theater actor, socialist Democrat and Clinton activist, and now a prominent defender of Mexican aliens (most being Roman Catholics loyal to the Pope's American Hierarchy) illegally residing within the western United States, toured the former Novitiate with Jesuit Patrick Kelly (far left) and Jesuit actor Michael Kennedy (far right). We must remember that Knight of Malta Joseph P. Kennedy was one of the founding fathers of America's silver screen. Shipping tycoon and Knight of Malta Spyrous Skouros was once the head of Twentieth Century Fox. Hollywood is truly the Jesuit Theater cleverly revealing the Order's past for which reason Sheen was chosen to narrate *Secrets of the Titanic*.

House Party At the Harcourts' Nuneham Park, 1907 #310

Seated in the center is King Edward VII (1901-1910), the **Black Pope**'s most powerful Freemason over his British Empire. Standing on the stairs, fourth from the top, is John P. Morgan, the **Black Pope**'s most powerful Freemason in his "Holy Roman" Fourteenth Amendment American Empire. Both men were beholden to the dictation of the Company, English Jesuit Bernard Vaughan being one of several.

The King and Morgan were intimate friends and mutually ruthless; Edward (while the Prince of Wales), covering for the murders of artist Walter Sickert (alias "Jack the Ripper"); and Morgan, having caused the four major US financial crises from 1873 to 1893. In 1907 both men, in ruling their national banking empires, caused America's greatest financial panic leading to the secret drafting of the Federal Reserve Act at Georgia's Jekyll Island by Morgan agent Henry P. Davison.

Aware of the conspiracy to monopolize the nation's credit into the hand of James Cardinal Gibbons' Morgan-ruled empire, Jewish Freemason John Jacob Astor and others resisted the plot. The remedy was to send Astor to his grave on the *Titanic* (or possibly the damaged *Olympic*), the ensuing American and British investigations to serve as mere cover-ups. Neither Edward VII nor Morgan lived to see the creation of the Order's Federal Reserve Bank, which, with the Pope's Masonic Bank of England, financed WWI.

Colonel John Jacob Astor IV, 1912 #311

The TARGET of the ***Black Pope***, John Jacob Astor IV, 1912 #312

John Jacob Astor IV, with his second, pregnant young wife Madeleine, who later gave birth to a son, John Jacob Astor VI, was the TARGET of the Jesuit Order manning the Titanic. Astor, and later Supreme Court Justice Louis D. Brandeis, resisted the establishment of what became the American Empire's J. P. Morgan-backed, socialist-communist, cartel-capitalist central bank. Privately controlled by Papal Knights of Malta and Shriner Freemasons on behalf of the ***Black Pope***, it was the thieving "King's Bank"—the Federal Reserve System. Masonic son Vincent inherited $200 million; joined the CFR and served the Order's FDR!

English Journalist Freemason William T. Stead, 1849 – 1912 #313

Pictured above with his wife, William Stead was universally mourned upon his death, having perished at the command of the **Black Pope**. Born in poverty to an "accursed," Congregational, "heretic" minister in Northumberland, England, Stead developed an iron will, having to support the family at age fourteen upon his father's untimely death. Through years of toil, dauntless determination and Providential blessing, Stead rose from being an errand boy, earning twelve cents a week, to the virtual editor of the *Pall Mall Gazette*. With London "rotten with the leprosy of white slavery," Stead single-handedly exposed the corruption with his epic work, *The Maiden Tribute of Babylon*, forcing parliament to pass a law in 1885, wiping out underground, compulsory prostitution secretly beloved by the nobility and those in power, including Jesuit-controlled Prince of Wales and the Prime Ministers. Stead, a Theosophist and a spiritualist, was involved with 33rd Degree Freemasons Cecil J. Rhodes and Lord Alfred Milner in creating what Georgetown University's Jesuit-controlled historian and mentor of Bill Clinton, Carroll Quigley, called "the Round Table Group," later to become the Order's Royal Institute of International Affairs (1919). But Stead was expelled from the Group for opposing the Boer War (1899-1902), which destroyed the "heretic" Dutch Protestants and stole their gold mines of the Transvaal. Though Stead's later masterpiece, *If Christ Came to Chicago,* further enhanced his world fame, he did not escape the invisible, silent, avenging, hand of Satan's Blackrobes.

Doomed Irish Protestants and Catholics Boarding Titanic, 1912 #317

Taken by Browne himself, this most pitiful photograph shows condemned Irishmen, mostly Roman Catholic, boarding the doomed Titanic with the full knowledge of Browne's merciless Jesuit Provincial under Extreme Oath. Cleverly, "the lucky priest" got off the ship before the Titanic departed, knowing its final destination would be at the bottom of the freezing North Atlantic Ocean.

Francis M. Browne, nephew of Ireland's Bishop Browne and disciplined agent of the Jesuit Provincial of Ireland subject to the **Black Pope**, is most accurately described by the converted G. B. Nicolini of Rome in 1889 when he keenly wrote in *History of the Jesuits:* "Their evil genius is constantly present and active."

RMS Titanic Departs with the Cream of American Society, 1912 #319

As the Deathship set out to meet its predetermined destiny, the obedient Sons of Loyola on board had no regrets. For the sinking of Titanic was, in the motto of the Order, "ad majorem Dei gloriam" ("for the greater glory of God"); it was in fact, for the further extension of the temporal, earthly power of the **Black Pope**'s "infallible" god on earth who sits in the Vatican's St. Peter's Chair!

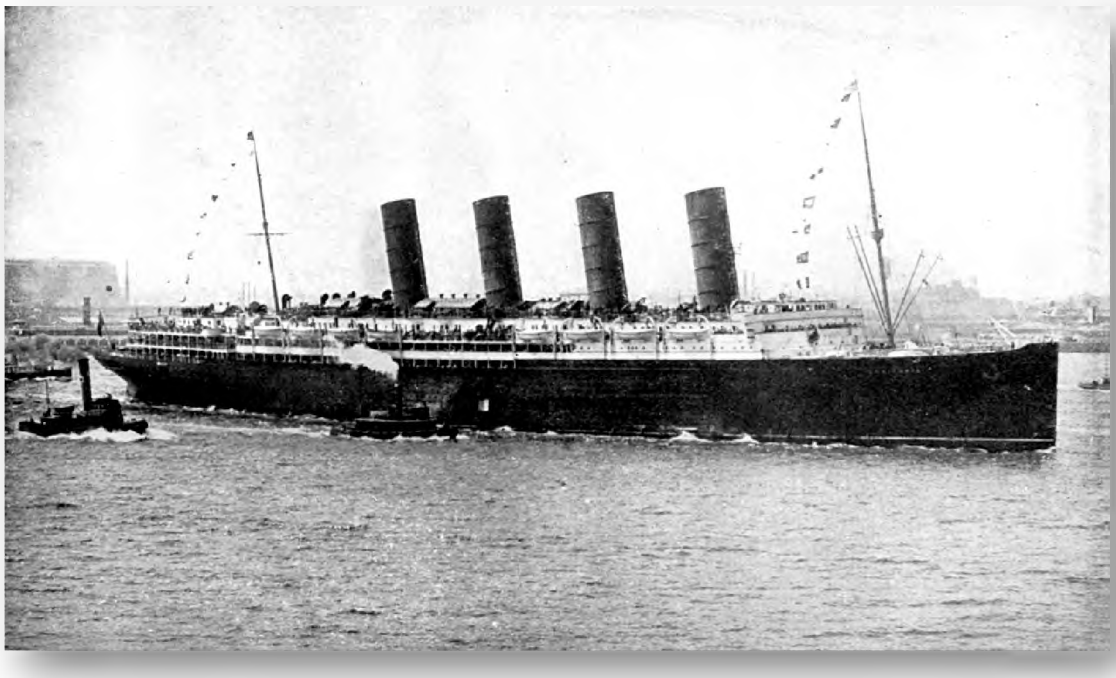
Francis Browne, Bishop Robert Browne, William Browne, 1920s #320

These are the savage killers, the merciless monsters fraught with deception and treachery, brainwashed with Ignatius Loyola's Satanic *Spiritual Exercises* so as, in the name of "holy obedience," to silence every twinge of conscience sparked by unspeakable crimes against the Most High God. Francis Patrick Mary Browne, the youngest of eight children, orphaned in his teens and raised by his uncle, the Bishop of Cloyne Robert Browne, entered the Jesuit novitiate in 1897 at the age of 17. By 1912 the Jesuit was in his first year of "Moral Theology," fully imbibed with the maxim of Aquinas, "It is no murder to kill a heretic."

Given a camera and a first class ticket by his uncle to photograph the entirety of Titanic, Browne spent a day and a night on the Deathship capturing last movements of targeted first class passengers as well as the Dublin Provincial's Jesuit Temporal Coadjutors required "for martyrdom," including Captain Edward Smith, First Officer Murdoch and Chief Purser McElroy. Befriended by a wealthy American first class passenger offering to pay his way to New York, Browne petitioned his Superior for permission to travel knowing full well the doom of the ship! The reply was "GET OFF THAT SHIP—PROVINCIAL." Jesuit Browne departed at Queenstown and returned to the Cathedral to the delight of his brother, Jesuit William (1876-1938), and his Bishop-Uncle plotting to realize Irish "Home Rule."



British Warship and Passenger Liner HMS Lusitania, 1915 #321

With the Jesuit General now in complete command of both the American and English governments through high-level Freemasonry, he sought to create an incident whereby his International Press could incite the American people to enter World War I. The Lusitania was not only a floating palace of comfort, but was also listed as an "Armed Merchant Cruiser," sporting twelve 6-inch guns!

Under way from New York on May 1, the German government had warned all passengers to board at their own risk, as German submarines would sink her if encountered. Cunard Lines' steamer, under the jurisdiction England's Lord of the Admiralty, Masonic Winston Churchill, had been loaded with 5,000 three-inch artillery shells, 6,000,000 .303 caliber rifle bullets, an additional 200 tons of ammunition from the docked Queen Margaret, and a massive amount of guncotton which explodes upon contact with water! The ship's Captain was the brave and seasoned William Turner; little did he know he would be Churchill's scapegoat. On May 7, the Lusitania arrived 14 miles off the coast of Ireland; its escort, the Cruiser HMS Juno, having withdrawn unbeknown to the Captain.

Receiving coded messages from the Admiralty, Turner promptly obeyed and thus moved his ship into perfect position for the awaiting German U-boat. One torpedo hit the steamer causing a monstrous secondary explosion. The Lusitania sinking in a mere 18 minutes, over 1200 people, including 128 Americans, lost their lives and Captain Turner was unfairly blamed. Although the Germans made reparations to America, the Jesuits used this propaganda to ultimately, in 1917, bring the American Empire into the Pope's Second Thirty Years' War.

"The houses of profession were for Jesuits of the first order who could hold no property, but were dependent on charity. The houses of residence or probation were for those of the second order, who could hold any amount. Many of these houses are said to have equaled in splendor the palaces of the kings and princes of France. A late writer says:

'**At the abolition of this order, their property was found to exceed ten times the papal treasury at its most flourishing and affluent period, and yet no money scarcely was found in their establishment, owing no doubt to their precaution to secret it for future purposes.**' " {5} [Emphasis added]

Papal Rome As It Is, By A Roman

" 'It is an established fact, . . . That, after the Dutch, the Jesuits carry on the most extensive and most valuable trade with East India, . . . on this account, in Surat, Agra, and Goa, or wherever else they may establish a domicile, they are taken for what they profess to be, namely, merchants. I know, however, that they are Jesuits, and deeply initiated, too, in the knowledge of even the closest secrets. It is, moreover, evident that they have been selected from different nations, and there are even Armenians and Turks [*now, the Saud and Bin Laden dynasties*], who devote themselves purely to the interest of the **Society of Jesus**. . . . they thus obtain by their trade, truly immeasurable advantages for their Society. And the credit they enjoy is still further marvelous, as to all appearance they are not at all inspected, and keep accounts with no one, as some Fathers do. . . . **those in disguise**, besides the ordinary vow of obedience, are required to take a still more strict oath that they never will betray anything to anyone who is not initiated, and, on the other hand, that they will strive with their utmost endeavor for the profit and gain of the Society. In order that there can never take place any interchange between the initiated and the uninitiated, a secret [*Masonic*] sign has to be given which must be recognized, and in this way everyone knows whether he has a brother before him or not. . . .

Meanwhile, however important and considerable this kind of trade was, the Jesuits knew how to keep it secret, and thereby brought it about that no one troubled himself about it.' " {6} [Emphasis added]

"In this book, is a culmination of my efforts against Jesuits and Jesuitism—for the **Roman Catholic Hierarchy** is today **Jesuitized**. . . .

'VATICAN LOOKS TO AMERICA

The Vatican is coming to look more and more toward America as the Catholic stronghold. The wonderful strides of the church in the United States has not only been a source of keen gratification to **Pope Pius** [**X**], but has led the curia

to believe that the New World offers more possibilities than the Old [*having expelled the Jesuits from nearly all of Europe and Tzarist Russia*].

Mr. Ryan is very much *persona grata* at the Vatican. He is in intimate touch with the financial affairs of the Roman Catholic Church, and it is predicted that it is only a matter of a short time until he, or rather his banking house, will have *carte blanche* with the vast funds of the church. . . .'

You doubtless remember who **Thomas F. [Fortune] Ryan** is: you can doubtless recall some of his unsavory record. His career as the looter of the traction lines of New York City, the looter of the Seaboard Air Line Railway, the corrupter of courts and legislature, the purchaser of political nominations, and the debaucher of Virginia politics, smells to Heaven. . . .

[*Dear truth-seeker,* **Thomas F. Ryan** *was a powerful Knight of Columbus who diligently served the Bishop of Richmond, Virginia,* **Augustine Van De Vyver** *having been "consecrated" to his bishopric by none other than Baltimore's "American Pope,"* **James Cardinal Gibbons**. *Residents of New York City, Mr. and Mrs. Thomas Ryan donated the new Sacred Heart Cathedral with furnishings at a cost of nearly half a million dollars in addition to subsequent churches, schools and convents in the Richmond area. Rome's quest of "Catholicizing" the very heart of the Old Protestant and Baptist-Calvinist South was in full swing.*]

Tammany Hall is a Catholic organization [*from which arose New York Governor* **Alfred E. Smith** *who later backed* **FDR** *for the presidency in 1932*], organized for political plunder, and dividing the loot with the priests. Ryan is the master of Tammany also, and this was what gave him immunity from punishment while he was robbing the people through his traction deals. If he becomes the Pope's financial agent [*secretly in collusion with the Masonic financial Houses of* **Morgan** *and* **Rockefeller**], with the almost unlimited financial resources of Rome at his disposal [*finally to be consolidated into the Federal Reserve System's branch bank of New York*], the campaign for the political control of America by the Italian Hierarchy will begin, in earnest [*which political control, at the time of this writing (1912), had already been achieved*].

For years and years, the American priesthood has been preparing the minds of the people to take orders from Rome on matters political. For years and years, they have been concentrating their energies on America. For years and years, they have been steadily advancing on **New York** [**City**] and **Washington City**, two strategic points of the greatest importance [*New York City hosting the Order's most important branch of the Federal Reserve Bank and Washington, D.C., hosting the "temple" of the Order's Federal Reserve Board*]. From the city of New York, the business world is controlled. From that great metropolis issue the magazines and the newspapers of the largest circulation. From that city

the transportation companies are controlled. He who rules in New York is the king of this nation [*at which time is the Archbishop of New York,* **Edward Cardinal Egan,** *whose keynote speaker at the 2006 annual* **Alfred E. Smith** *dinner at the Waldorf-Astoria Hotel was the crypto-Roman Catholic Episcopalian and CFR member, Republican* **John S. McCain, III**]. The financial interests of that city dominate those of all others. Wall Street expands and contracts the currency, precipitates panics and checks them [*as did the Masonic crypto-Roman Catholic Episcopalian* **J. P. Morgan** *in 1907 thus justifying the afore-planned Congressional promotion of a Marxist central bank with full credit monopoly*], dictates Governmental policies, overawes administrations, beats Congress into submission to its will, uses the National treasury as a branch bank of its own, compels the government to withdraw from circulation $150,000,000 of its own gold, gets another mortgage on the Republic whenever it needs one in its business [*then restoring the Pope's Temporal Power*]; and, upon occasion, can practically suspend the circulation of the nation's own money [*finally removing silver certificates and silver coin from circulation with crypto-Catholic* **LBJ**], send prices and fortunes crashing downward [*later to be experienced by the American people with the Stock Market Crash of 1929 caused by three Irish Catholic short-sellers*—**Tom Bragg**, **Ben Smith** *and* **Joe Kennedy**], while the President of the United States, the officers of the law, the army and the navy [*all controlled today by the Order's Council on Foreign Relations (CFR)*], and a nation of nearly a hundred million people look helplessly on.

With the colossal riches of the Roman Catholic Church at his command [*secretly wielded by Freemason* **J. P. Morgan**], **Thomas F. Ryan** could absolutely dominate New York and Wall Street; and, through the instrumentalities already indicated, control American commerce, American politics, American legislation, American politics at home and abroad, and— worst of all—poison the American mind, . . ." {7}[Emphasis added]

"The actual Ruler of this nation lives not in the White House at Washington, but in the palace of Baltimore [**James Cardinal Gibbons**]. No important editorial affecting the Romish Church is printed until it has been submitted to the Cardinal for his criticism. We wonder at the power exercised. No member of Congress enters Washington but he is weighed in the Romish balances. If he comes down with the shekels for the church and with votes for her policy, all is well. If not, there is a reckoning-time to come, and an [*invisible*] influence is exerted at once that touches the springs of power in his far away home [*via secret societies*]. As a political machine, Rome is a transcendent success: and the Jesuit was more than half right when he said, **'The** [*domestic*] **representative of the Pope in the Vatican** [*who, until 1921, was the Archbishop*

of Baltimore] **is the Ruler of the United States of America.' "** {8} [Emphasis added]

"We are in immediate danger in this country of becoming subservient to a **foreign potentate**, whose throne is on the banks of the far-off Tiber. The pope of Rome claims the right to hold and exercise **temporal power** wheresoever he can secure it. To the ends thereof his entire hierarchy are subject to his will and command. The most powerful organization at his disposal, is bound by oath, to subvert the constitution and laws of all countries to the word of the pope. . . . In this, the Roman Catholic hierarchy in the United States, may thank themselves for the most compact and determined organization, **ever founded**, to withstand the political machinery of that church." {9}[Emphasis added]

Errors of the Roman Catholic Church

"You know what happens when you are a servant of a corporation. You have in no instance access to the men who are really determining the policy of the corporation [*14th Amendment America via the Pope's CFR*]. . . .

It is true that, while most men are thus submerged in the corporation, a few, a very few, are exalted to a power which as individuals they could never have wielded. Through the great organizations of which they are the heads, a few are enabled to play a part unprecedented by anything in history in the control of the business operations of the country and in the determination of the happiness of great numbers of people. . . .

Since I entered politics, I have chiefly had men's views confided to me privately. Some of the biggest men in the United States, in the field of commerce and manufacture [**J. P. Morgan** *and* **John D. Rockefeller**], are afraid of somebody, are afraid of something [*as was* **Woodrow Wilson**]. They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they had better not speak above their breath when they speak in condemnation of it.

They know that [*14th Amendment, corporate-fascist*] America is not a place of which it can be said, as it used to be [*during the Old Union (1787-1868)*], that a man may choose his own calling and pursue it just as far as his abilities enable him to pursue it; because, to-day, if he enters certain fields, there are organizations which will use means against him that will prevent his building up a business which they do not want to have built up; organizations that will see to it that the ground is cut from under him and the markets shut against him. . .

. There has come over the land that un-American set of conditions which enables a small number of men who control the government to get favors from the government; by those favors to exclude their fellows from equal business opportunity; by those favors to extend a network of control that will presently dominate every industry in the country, . . . I speak, for the moment, of the control over the government exercised by **Big Business**. Behind the whole subject, of course, is the truth that, in the new [*world*] order, government and business must be associated closely [*i.e., Jesuit corporate fascism*]. . . . **An invisible empire has been set up above the forms of democracy**. . . . The masters of the government of the United States are the combined [*cartel*] capitalists and manufacturers of the United States. . . . the big bankers, the big manufacturers, the big masters of commerce, the heads of railroad corporations and of steamship corporations. . . . that by agreements handed around among themselves they control prices, and that that same group of men control the larger credits of the country. . . . There is hardly a part of the United States where men are not aware that secret private purposes and interests have been running the government. They have been running it through the agency of those interesting persons called political 'bosses.' . . . We may delude ourselves with the pleasing belief that we are electing our own officials, but of course the fact is we are merely making an indifferent and ineffectual choice between two sets of men . . . nominally opposing each other but actually working in perfect understanding and co-operation [*and*] . . . named by interests which are not ours." {10} [Emphasis added]

Woodrow Wilson, 1913

"The real menace of the republic is this invisible government which like a giant octopus sprawls its slimy length over city, state and nation. Like the octopus of real life, it operates under cover of a self-created screen. It seizes in its long and powerful tentacles our executive officers, our legislative bodies, our schools, our courts, our newspapers, and every agency created for the public protection. It squirms in the jaws of darkness and thus is the better able to clutch the reigns of government, secure enactment of the legislation favorable to corrupt business, violate the law of impunity, smother the press and reach into the courts.

To depart from mere generalizations, let me say at the head of this octopus are the **Rockefeller-Standard Oil** interests and a small group of powerful banking houses generally referred to as the international bankers. The little coterie of powerful international bankers virtually run the United States government [*via the CFR*] for their own selfish purposes. They practically control both political parties, write political platforms, make catspaws of party leaders, use the leading men in private organizations, and resort to every device to place in

nomination for high public office only such candidates as will be amenable to the dictates of corrupt big business. They connive at centralization of government on the theory that a small group of handpicked, privately controlled individuals in power can be more easily handled than a larger group among whom there will most likely be men sincerely interested in public welfare. These international bankers and **Rockefeller-Standard Oil** interests control the majority of newspapers and magazines in this country. They use the columns of these papers to club into submission or drive out of office public officials who refuse to do the bidding of the powerful corrupt cliques which compose the invisible government." {11} [Emphasis added]

"A central bank always imposes a tremendous burden on the nation for 'rearmament' and 'defense,' in order to create inextinguishable debt, simultaneously creating a military dictatorship and enslaving the people to pay the 'interest' on the debt [*via the fraudulent "income tax" on wages first put upon Americans as the WWII "Victory Tax" of 1942*] which the bankers have artificially created. . . . **H. W. Loucks** denounced the Federal Reserve Act in *The Great Conspiracy of the House of Morgan* [*1916*]:

'In the Federal Reserve Law, they have wrested from the people and secured for themselves the constitutional power to issue money and regulate the value

thereof. . . . **The House of Morgan** [*in submission to the Jesuits ruling New York City*] is now in supreme control of our industry, commerce and political affairs. They are in complete control of the policy-making of the Democratic, Republican and Progressive parties.' . . .

" 'JERUSALEM WILL BE GIVEN TO THE HOLY SEE:'

Said That Italy Will Take Holy Land and Present it to the Vatican for Properties Taken by the State [*in 1870 by* King Victor Emmanuel II]

CHICAGO: Oct. 12—That Italy will not make peace with Turkey until it has wrested Jerusalem and the Holy Land from Moslem sovereignty and presented it to the pope as a papal state, is the statement of *L'Italia,* an Italian newspaper of Chicago, edited by Oscar Durante. Several columns of the first page of the paper, which will be issued tomorrow, are devoted to editorials and news items, the burden of which is:

That Italy will demand the cessation of Jerusalem and the Holy Land as indemnification for the expenses incurred in the war with Turkey over Tripoli [*later to be accomplished by the British in 1917*]:

That the Holy Land will be presented to the pope, thus restoring to him temporal power [*evidencing the intent of the Pope to exercise his restored temporal power from* Jerusalem]:

That this will bring about a reconciliation between the Vatican and the Quirinal, bringing to an end the self-imposed retirement of the Holy Father since the Papal

States in Italy were [*rightly*] seized by the Italian government [*in 1870 by Freemason* King Victor Emmanuel II]:

That for the first time since the days of the Crusades the cross will replace the crescent in the land most sacred to those professing the Christian [*Roman Catholic*] religion. . . .

The news item on which the articles are based comes as a special cablegram from a correspondent, who for years is said to have had especially good sources of information in the Vatican. Under the heading: 'Italy is to redeem the Holy Land. It will make a gift of it to the head of Christendom [*the Pope*],' *L'Italia* will say: 'How a protectorate of Tripoli and an offer of indemnity no longer will satisfy Italy, but complete annexation and reimbursement of the war expenses incurred to the present will be demanded. Following this appears a telegram from **Auturo Ceti**, *L'Italia's* correspondent at Rome which reads as follows:— 'I am in a position to communicate a very important fact, learned through a personage high in Vatican diplomacy [*Cardinal Secretary of State*]. Besides conquering Tripoli, Italy is planning to take possession of the city of **Jerusalem** and the **Holy Land** and to present it to the Holy See to be held under the protectorate of the Italian government [*Masonic* **King Victor Emmanuel III** *being secretly subject to Rome*]." {14}[Emphasis added]

"The responsibility for the security of my country forces me to measures of defense. I have gone to the extreme limit of the possible in my efforts for the preservation of the peace of the world. It is not I who bear the responsibility for the misfortune which now threatens the entire civilized world. It rests in your [**Tzar Nicholas II's**] hand to avert it. . . .

If the [*Tzar's order for military*] mobilization [*of 14,000,000 Russian soldiers on the borders of Austria and Germany*] can no longer be retracted—*which is not true*—why, then, did the Czar [**Nicholas II**, *cousin of* **King George V**] appeal to my mediation three days afterward without mention of the issuance of the mobilization order? . . . Frivolity and weakness are to plunge the world into the most frightful war, which eventually aims at the destruction of [*Protestant*] Germany. For I have no doubt left about it: *England, Russia and France have agreed among themselves . . . to take the Austro-Serbian conflict for an excuse for waging a war of extermination against us. . . .* That is the real naked situation in nuce [*in embryo*] and cleverly set going, certainly by **Edward VII** [*who readmitted the Jesuits into Great Britain in 1902*], has been carried on, and systematically built up by the disowned conferences between England and

Paris and St. Petersburg; finally brought to a conclusion by **George V** [*advised by* **Jesuit Bernard Vaughan**], and set to work. . . .

So the famous 'circumscription' of Germany has finally become a complete fact, despite every effort of our politicians and diplomats to prevent it. *The net has been suddenly thrown over our head,* and England sneeringly reaps the most brilliant success of her persistently prosecuted purely anti-German world-policy, against which we have proved ourselves helpless, while she twists the noose of our political and economic destruction out of our fidelity to Austria, as we squirm isolated in the net. A great achievement which arouses the admiration even *of him who is to be destroyed as its result! . . .*

The whole war is plainly arranged between England, France and Russia for the annihilation of Germany [*to be completed with Hitler's WWII*], lastly through the conversations with [*Jesuit-controlled* **Raymond**] **Poincaré** in Paris and Petersburg, and the Austro-Serbian strife is only an excuse to fall upon us! God help us in this fight for our existence, brought about by falseness, lies and poisonous envy!" {15} [Emphasis added]

Telegrams Attempting to Avert WWI
The Russian Imperial Conspiracy:

"Sir George Buchanan was the English ambassador to Russia at the time of the Revolution. In his book, *My Mission to Moscow,* he spent sixteen pages defending himself against charges that he and the English government were responsible for the March revolution and the death of the Czar. After World War I, that accusation was made by a number of knowledgeable observers, but strangely it is never mentioned today. Why? Is it because there is a conscious effort [*via the Order's Rockefeller-financed Masonic John Birch Society*] to convince us that **Jacob Schiff** [*alone*] financed the Bolshevik Revolution? . . . Following the Bolshevik Revolution, [*Masonic*] **Lord** [**Alfred**] **Milner** sent **Bruce Lockhart** to Russia as his personal envoy. In his book, *British Agent,* **R. H. Bruce Lockhart** . . . [*writes*]:

'Another new acquaintance of these first days in Bolshevised St. Petersburg was **Raymond Robins,** the head of the American Red Cross Mission. . . . Although a rich man himself, he was an anticapitalist [*but, like Masons Rockefeller and Morgan, was a cartelcapitalist*].

. . . Hitherto, his two heroes had been [*Mason* **Theodore**] **Roosevelt** and [*Mason* **Cecil**] **Rhodes.** Now [*Mason*] **Lenin** had captured his imagination. . . . Robins was the only man whom Lenin was always willing to see, and who ever succeeded in imposing his own personality on the unemotional Bolshevik leader.'

Raymond Robins represented **William Boyce Thompson** of the Federal Reserve Bank, [*Mason*] **Colonel House** and [*Mason*] **J. P. Morgan** [**Jr.**]. Bruce Lockhart noted that he and Robins were invited to Bolshevik Executive Committee meetings, and consulted on important decisions. In his book, *The Creature From Jekyll Island*, **G. Edward Griffin** wrote:

> **'The Bolsheviks were well aware of the power these men represented, and there was no door closed to them.** They were allowed to attend meetings of the Central Executive Committee, and were consulted regarding important decisions.'
>
> **Isn't it strange that an Englishman and an American were invited to attend such important meetings**?

Raymond Robins worked for William Boyce Thompson who was a member of the **Federal Reserve Board**. When **Antony C. Sutton** researched the State Department intelligence files, he found several references to the fact that William Boyce Thompson gave Lenin **$1 million**. In addition, he found that Lenin nationalized every bank in Russia except the Rockefellercontrolled **National City Bank**, which remained open and continued to provide funds for the Bolsheviks [*even as Rockefeller's Chase branch bank in Paris, under the direction of vice-president for European Affairs, Knight of Malta* **Joseph J. Larkin**, *remained open during the Nazi occupation of France. With the 1940 Hitler-Pétain armistice eliminating legal French resistance to Hitler, and Rockefeller's Knight of Malta-directed Chase Bank financing the Nazis, Pétain's Vichy government could then work with* the **Black Pope**'s *Gestapo in fulfilling the Council of Trent. Hitler then excused the Jesuits from military service in 1941, while Pétain re-admitted* the Society *into France in 1942 removing all hindrances to the Order's intended consequences of Rockefeller and Morgan-financed Nazi fascism.*] Where did the Bolsheviks get the food and medical supplies they needed to consolidate their control over Russia? [*Subsequent 1921 CFR member*] **Herbert Hoover** headed the American Relief Mission following World War I. On May 28, 1919, he wrote to **President Wilson**:

> 'As a result of the Bolshevik economic conceptions, the people of Russia are dying of hunger and disease at the rate of some hundreds of thousands monthly in a country that formerly supplied food to a large part of the world [the risen Son of God *using Satan's Jesuits to starve the "accursed" and "heretic" Orthodox Russian peoples for participating in the Order's many pogroms against the Jews*]. . . . The Bolsheviki has resorted to terror, bloodshed and murder to a degree long since abandoned even amongst reactionary tyrannies [*as that organized "Cheka murder" was in fact a Jesuit Inquisition*].'

At that time Lenin and his followers held only a small area; the reminder of the country was under the control of those who wanted to restore freedom to the Russian people. Considering the brutality and inhumanity of the Bolsheviks, you would think that most of our relief supplies would have been sent to the anti-communists, but that was not the case. Herbert Hoover catalogued the destination of the food and medical supplies we sent to Russia [*in 1922*]:

> '**Food, clothing, and medical supplies:**
> **27,588 tons sent to the areas controlled by the anti-communists.**
> **740,571 tons sent to the areas controlled by the Bolsheviks.**
>
> **Charity from the United States:**
> **$332,508 sent to the areas controlled by the anti-communists.**
> **$55,994,588 sent to the areas controlled by the Bolsheviks.'**

Those figures dwarf the $20 million **Jacob Schiff** supposedly sent to the Bolsheviks, yet Herbert Hoover's statistics are never mentioned today [*lest that financing be traced back to Wall Street's Gentile Knights of Malta and high Freemasons administering* the Company's *Federal Reserve Bank*].

In order to facilitate trade, the Bolsheviks needed an international bank. They selected several former tsarist bankers and representatives from [*Masonic*] German, Swedish, and American banks to serve on their board of directors. Funds for the Soviet bank came from [**Montagu Norman's Bank of**] **England**, and the director of the Foreign Exchange division of the Bolshevik bank was **Max May**, a vice president of Guaranty Trust Company, a **J. P. Morgan** bank. Thus we find that British and American bankers largely controlled the Bolshevik's central bank. [*Knight of Malta and CFR member* **Martin F. Shea** *would later be the executive vice president the Morgan Bank. From the Morgan bank's New York City headquarters a telex links the US branch (or "tongue") of the Sovereign Military Order of Malta to the SMOM headquarters in Rome! Knight of Malta and CFR member* **Francis X. Stankard** *would direct Masonic* **David Rockefeller's** *Chase Manhattan Bank, also in New York City. Later, Notre Dame President* **Fr. Theodore M. Hesburgh** *would be a director of Chase and the Chairman of the Rockefeller Foundation! The city's Archbishop would rule over the American tongue of the Knights of Malta from the Order's headquarters at St. Patrick's Cathedral, adjacent to Rockefeller Center controlling the nation's Press via the CFR with its enforcer, the CIA, at the behests and decrees of the Archbishop. With total control of both Rockefeller and Morgan financial empires since the presidency of* **Theodore "Rex" Roosevelt**, *the Twentieth Century was indeed "the American Century,"* the **Black Pope** *directing both Soviet Communism and Nazi Fascism into the crucible of his greatest of all papal crusades to date*—The Second Thirty Years' War **(1914-1945)**.] General [**Peter**] **Wrangel** led the White Russian army in southern Russia. His forces were

defeating the Bolsheviks until British agents ordered him to withdraw his army to the Black Sea and leave Russia. He was told that if he refused, they would cut off his source of supplies, and his men would perish.

English agents destroyed the airplanes he had purchased, and eventually General Wrangel was forced to abandon his effort to free Russia. Admiral [**Aleksandr**] **Kolchak** led the anti-communist army on the Eastern front. He, too, was defeating the Bolsheviks until his supplies were cut off by the British and American financers who had been financing him. Once the banks had extracted the economic concessions they wanted from Lenin, they stopped supporting his enemies.

In his three-volume set, *Western Technology and Soviet Economic Development*, Antony Sutton documented the fact that Russian communism has been financed by Western banks and Western corporations since its inception. In his book, *Wall Street and the Bolshevik Revolution*, he documented the fact that Rockefeller and Morgan banks provided the Bolsheviks with loans, while American industry provided them with the plants and the technology they needed. Westinghouse, [*33rd Degree Freemason*] **Henry Ford**, [*Skull and Bonesman, CFR member, FDR's Ambassador to Stalin's Moscow*] **Averell Harriman**, [*CFR member, Masonic Jewish Zionist*] **Armand Hammer**, [*Rockefeller's*] Exxon, and other American firms built the infrastructure that allowed the Soviet Union to survive. The same thing is happening today. In 1983, **John Lehman**, Secretary of the Navy, told the graduating class of Annapolis:

> '**Within weeks, many of you will be looking across just hundreds of feet of water at some of the most modern technology ever invented in America. Unfortunately, it is on Soviet ships.**'

In 1982, Senator **William Armstrong** addressed the United States Senate, and said:

> '**America's budgetary woes would not be nearly so severe if our economy were not groaning under the strain of financing two military budgets: Our own, and a significant portion of the Soviet Union's. . . . It is difficult to overstate the extent to which the West has contributed to the military thereat that now endangers our very existence**.'

> As I noted earlier, most Jewish banks are controlled by those associated with either the Round Table [*now the "Royal Institute of International Affairs"—RIIA*] or its American counterpart, the Council on Foreign Relations. Did Jacob Schiff really give the Bolsheviks $20 million? I haven't been able to document he did, but I can document the fact that the major founding for the Bolsheviks came from non-Jewish sources [*i.e., the White Gentile Rockefeller and Morgan banks of New York City directing* the **Black Pope**'s *Federal Reserve Bank, and London's*

Gentile-ruled Bank of England—for it is ***"the times of the Gentiles" (Luke 21:24)***]. **There are those who would like us to believe that Zionism is the primary source behind the effort to establish a world government** [*i.e., the Order's The Communist Manifesto attributed to Masonic Jew and hater of the beloved Hebrew/Jewish/Israelitic people,* **Karl Marx**; *the French Jesuits' secretly authored The Protocols of the Learned Elders of Zion; "Father"* **Bernard Stampfle's** *Mein Kampf; Masonic* **Henry Ford's** *Jesuit ghost-written The International Jew; the Jesuit Order's periodical "Civilta Cattolica" of the late Nineteenth Century; etc.*]. **It is not."** {16} [Emphasis added]

"In the particular international situation at present confronting us, the leading international banking house is **J. P. Morgan & Co.**, the most dominant banking influence to-day in the world. . . . This control of the world business structure and of human happiness and progress by a small group is a matter of the most intense public interest. In analyzing it, we must begin with the international group, which centers itself around **J. P. Morgan & Co.** Never before in the history of the world has there been such a powerful centralized control over finance, industrial production, credit, and wages as is at this time vested in the Morgan group.

The Morgan interest is able to exercise a high degree of control in international exchange, loans, and commerce through the fact that the parent Morgan company acts as fiscal agent for Great Britain, France, Belgium, and Italy [*all ruled by* the Society of Jesus], is the dominating influence in the new Bank for International Settlements, and is the most potential influence in the **Federal Reserve System**, which last is virtually a pool of our national assets. The Morgan control of the Federal Reserve System is exercised through control of the management of the **Federal Reserve Bank of New York** and the mediocre representation and acquiescence of the Federal Reserve Board in Washington. This international association of financial organizations under a central control [*in Papal Rome*] marks a new epoch in world financial history and is the basis of the greatest danger free government has had to face in centuries [*since the dawn of the Reformation's Modern Era in 1648*]. . . .

The usurpation of authority has already gone far. **The Federal Reserve Bank of New York**, with the permission of the Federal Reserve Board at Washington, has placed billions of dollars of credit at the disposal of [*Morgan and Rockefeller-owned*] New York banks to be loaned abroad by discounting foreign acceptances and permitting foreign loans of all kinds to be made, without the authorizations of the United States Treasury. If the powers, which it is now exercising over credit in the United States, are permitted, or are to be

permitted by statute, then it is within the discretion of the Federal Reserve Board, if it so chooses, to shift the entire monetary wealth of the American people to the uses of the foreigner [*he being none other than* the **Black Pope**]." {17} [Emphasis added]

"When **Theodore Roosevelt** ascended the presidency in the same year that Morgan created U.S. Steel [*later to be headed by Knights of Malta* **Myron C. Taylor** *and* **John Farrell**], public outcry made the chief question facing him the issue of the trusts. It was a political dilemma. Antitrust legislation, the new President declared, was about as effective as a papal bull against a comet. . . . Morgan's steel trust, sprawled over the most basic of modern industries, would be overlooked by Roosevelt's regulators and trust busters, as would his New England railroad monopoly. . . . But the most obvious sacrifice for which the public clamored was [*Masonic Jesuit Temporal Coadjutor*] **John D. Rockefeller** [**Sr.**] and Standard Oil. . . .

By midsummer of 1907 there were seven federal suits pending against the Standard and its various subsidiaries, . . . The most spectacular legal fireworks of the year came in the celebrated [**Judge "Kenesaw Mountain"**] **Landis** case, . . . The Landis decision was indeed overturned on appeal. . . . But . . . the [*Jesuit-controlled*] U. S. Department of Justice began a suit in federal circuit court in Missouri, petitioning for the dissolution of the trust itself as a conspiracy in restraint of trade [*a much lesser charge than extortion or price fixing*]. . . . The government won the case, and kept winning on the long road to appeal. It was on a chilly March day in 1911 that [*Jesuit Temporal Coadjutor—according to ex-priest* **Jeremiah J. Crowley**] **Chief Justice White** of the Supreme Court [*who received his law degree from Jesuit Georgetown University*] rose to read the decision that finally dissolved the Standard trust: . . . After hearing the news, Rockefeller sent a humorous obituary to his old partners: 'Dearly beloved, we must obey the [*Jesuit Order's*] Supreme Court. Our splendid, happy family must scatter [*Rockefeller secretly working with Roosevelt's "trust busters" giving the illusion that his trust was in fact destroyed*].' . . .

The octopus was broken down into 39 different and theoretically competitive companies at the time of dissolution, but ownership remained in the hands of the same shareholders who had always been in control, and for years the new firms would continue to respect each other's territorial imperatives [*as does the Pope's Masonic Vatican Hierarchy, the Pope's Masonic Mafia families, the*

Pope's Masonic intelligence agencies and the Pope's Masonic banking families—both Jew and Gentile].

The trust's life after death proved an ironic epilogue to the suit. For within a week after stockholders received their shares, the Standard companies were traded on Wall Street for the first time. It exploded in the biggest bull market yet known for a single stock, dramatically increasing the value of the former trust. Standard of New Jersey rose in worth from $260 per share to $580; Standard of Indiana from $3,500 to $9, 500. Thus, while people were celebrating the breaking of the trust, another **$200 million** was added to the value of Standard stock in the space of five short months. . . . President Roosevelt himself saw the irony of it all. In a 1912 speech [the same year the Company sent the Titanic to the bottom of the North Atlantic Ocean], he pondered the results of trust-busting and remarked: 'No wonder that Wall Street's prayer now is: "Oh Merciful Providence, give us another dissolution." ' . . .

For **David** [**Rockefeller**] and his brothers, World War II was . . . a step over the past. Yet a scandal at its onset showed how far the family had come from the days when Standard Oil and Rockefeller were synonymous, and proved again the wisdom of Junior's decision to minimize public identification with the company [*a proven Jesuit military tactic of indirect control through a trusted third party*]. For as America was beginning to mobilize, Standard Oil was once again the subject of shocking revelations. In the 1920s the Jersey Company had entered into a cartel with the German petrochemical monopoly, **I. G. Farben** [*later managed by* **Pope Pius XII's** *Roman Catholic Papal Knights* **Otto Ambrose** *and* **Hermann Abs**]. The business relationship had continued even after Hitler's rise to power. In 1941, on the eve of Pearl Harbor [*the Order in full control of Masons* **Hirohito** *and* **FDR**, *thus the heads of both American and Japanese Military Intelligence*], during hearings of the U.S. Senate Committee to Investigate the National Defense, Assistant Attorney General **Thurman Arnold** read a letter from Standard Vice-President **Frank A. Howard** noting that the company had renewed the cartel agreement with the Nazis in Holland in 1939. The terms had seemed so distinctly lacking in patriotic concern . . . that the [openly] committed Chairman [who was in fact secretly loyal to Rome, Masonic Jesuit Temporal Coadjutor] Harry S. Truman had left the room snorting, 'I think this approaches treason.' . . .

With memories of the [**Ivy**] **Lee** scandal in mind, Junior grew greatly concerned as the Truman Committee probed the intricacies of the Standard-Farben cartel. (By 1942, Farben was known to be operating with slave labor from the Nazi concentration camps.) He privately requested a memorandum from Standard executives explaining their dealings with the Axis powers which he could use in his defense if it should come to that. But it never did; he had become a citizen

above suspicion [*just like* **Freemason Thomas J. Watson** *of IBM, and thus* **Shriner Harry Truman** *obediently carried out the cover-up*]." {18} [Emphasis added]

As soon as they had forced the British into submission and agreed to bring the U.S. into World War I to finance and fight it for the Allies, Warburg was ousted from their 'Federal' Reserve, never to return to it either directly or indirectly. He had served his role as 'fall guy.' . . .

In addition there was his knowledge of central banking and the value as a Jew that would serve them well in distracting attention from their own [*Gentile*] malign role and in affording a scapegoat with the inflammatory value of 'Shylock' and Jew [*which Jesuit rhetoric was championed by* **"Father" Bernard Stampfle's** *Mein Kampf; the continual diatribes of Masonic* **Adolf Hitler;** *and the eloquent speeches of Hitler's Jesuit-trained Roman Catholic Minister of Propaganda,* **Joseph Goebbels,** *in blaming both German and American Masonic Jews—secretly loyal to the Papacy—for bringing America into World War I and thus the destruction of Bismarck's Protestant Prussian Empire*]." {19} [Emphasis added]

"In 1906, [**Masonic J.**] **Pierpont** [**Morgan**] vouchsafed a private tour of his art collection at 13 Princess Gate, the townhouse he inherited from his father, to [**Masonic**] **King Edward VII** [*who re-admitted the Jesuits into Great Britain in 1902*]. He had given the king financial advice, and the two often met at European watering holes. . . . His son-in-law **Herbert Satterlee** noted a perfect equality between king and banker: 'They were just two friends together and seemed quite content to sit in silence sometimes and not try to entertain each other.' As a coronation gift [*in 1901*], Pierpont had given the king a $500,000 tapestry, which set off a long-lasting relationship between the House of Morgan and British royalty [*both Masonic Houses being subservient to* the **Black Pope**]. . . .

Even as [*apostate Episcopalian*] Pierpont aspired to heaven, he made religious men think in earthly terms. After a 1905 audience, **Pope Pius X** breathed with regret: **'What a pity I did not think of asking Mr. Morgan to give us some advice about our finances!'** The House of Morgan would later advise the papacy on its purchases of American stocks. . . . The House of Morgan was superbly positioned. Through its London and Paris houses, it had helped France finance the Franco-Prussian War and England [*with*] the Boer War [*both wars having been incited by the Jesuits intending to "extirpate" Lutheran Prussians and Dutch Reformed Boers*]. . . .

In December 1913, **President Wilson** signed the Federal Reserve Act, providing the government with a [*Marxian-Communist*] central bank and freeing it of reliance on the House of Morgan in emergencies; the new Federal Reserve System was a hybrid institution, with private regional reserve banks and a public Federal Reserve Board in Washington. Yet the House of Morgan moved so artfully to form an alliance with the [*Jesuit General's*] Federal Reserve Bank of New York that for the next twenty years it would actually gain power from the new financial system. . . .

By early 1920, **Jack Morgan** [**John P. Morgan, Jr. (1867-1943)**] had an almost inverted worldview: the rich struck him as impotent, the masses as all-powerful in the hands of demagogues. In this frightened state of mind, he hired a private detective, [*Irish Roman Catholic*] **William Donovan**, a [*New York City*] lawyer and a highly decorated officer in World War I. (Later known as [**Knight of Malta**] **"Wild Bill" Donovan**, he would head the Office of Strategic Services, the forerunner of the CIA.) . . . Jack asked Donovan to investigate the Communist International (Comintern), formed in 1919, which had singled out bankers as archenemies of the working class [*the Order promoting the lie that communism was an enemy of the Pope's cartel-capitalists who financed it*]. As a

former banker to **Czar Nicholas II**, Jack was watching the Bolsheviks with extra apprehension. . . .

On June 22, 1940, the new French Premier, **Marshal Henri Philippe Pétain** [*who, in 1942, re-admitted the Jesuit Order into France after over forty years of expulsion*], submitted to the Nazi blitzkrieg and signed an armistice with Hitler, leaving Britain to fight alone against the Axis powers. . . During the German occupation . . . [*three*] of the American banks with Paris branches—**J. P. Morgan**, **Guaranty Trust**, and [*Rockefeller's*] **Chase National**—stayed open [*indicating that both Morgan and Rockefeller banks were in collusion with the occupying Nazi SS*] . . . In late June 1940, **Leonard Rist** of Morgan et Compagnie was arrested and dispatched to a German prison camp in the Sudetenland. . . . The House of Morgan finally sprang Leonard through their old Vatican friend, **Bernardino Nogara**, the treasurer of the Special Administration of the Holy See [**Pope Pius XII's** *German confessor,* **Jesuit Robert Leiber**, *being* the ***Black Pope***'s *immediate master of Hitler's SS and Gestapo*]. . . .

The *New York Times* commented, 'The private banking house of J. P. Morgan & Co. . . . gained a position of world-wide importance and a place in international financial affairs that not even the house of Rothschild attained in the period of its greatest power.' . . . But until after the Second World War, no Jew would penetrate the House of Morgan [*even as it was with* the Society of Jesus; *Jews were forbidden entry until 1946*]. . . .

In February 1941, the Morgan office in Rome was closed [the Papacy having planned the Nazi SS occupation of Rome in 1943 for the purpose of deporting the centuries-old Jewish ghetto to Auschwitz]. Two weeks later, the irrepressible [**Giovanni**] **Fummi** popped up in London to supervise a secret transfer of Vatican gold bullion stored in a basement room at Morgan Grenfell [to protect Vatican gold from German bombers]. Throughout the 1930s, the Vatican had bought the gold at the fixed price of $35 an ounce, never selling any. Fummi would discreetly refer to it as the 'special commodity.' For security reasons, the Vatican now decided to ship the gold to New York [teaching the observer that when the Vatican moves its gold out of a nation and into another, there is an impending national crisis at hand in the vacating nation]. The wartime transfer was carried out under the official aegis of [Roman Catholic Papal Knight] **Lord Halifax**, until recently Britain's foreign secretary [the Jesuits being in complete control of the American State Dept. and British Foreign Office via the CFR and RIIA]. The gold ended up at the Federal Reserve Bank of New York. There it would dizzily appreciate in the postwar years." {22} [Emphasis added]

We do not mean to be entangled. . . . But America, our America, the America builded on the foundation laid by the inspired fathers, can be a party to no permanent military alliance. "America is gold poor . . . there is nothing left in Fort Knox except junk gold . . . In 1934 **President Franklin Delano Roosevelt** turned over the nation's gold supply to the Federal Reserve System as a gift . . ." {25}[Emphasis added]

The Fort Knox Gold Scandal

"By [*February*] 1929, the time of the **Lateran Treaty** [*by which Mussolini restored the Temporal Power of the Pope*], the Vatican's State treasure had become an official fund, so that when **Mussolini** in that same year turned over **1,750 million lire** (the equivalent, at that time, of **92 million dollars**) to the Vatican as a final settlement of the Roman question, **Pope Pius XI**, no less a good businessman than **Benedict** [**XV**], invested most of this vast sum in America immediately after the market collapse [*in October, 1929, caused by short-seller* **Joe Kennedy**]. The move was a profitable one, for, following the Great Depression of the thirties [*1929-1939*], the Church reaped colossal profits when the U.S. economy recovered [*via* **FDR's** *socialist-communist New Deal and newly created, Military Industrial Complex patronized by the U.S. Congress with the credit created by the Pope's privately owned, cartel-capitalist Federal Reserve Bank*]. . . .

Apart from the mutual communion of ideological and political interests between the Catholic Church and the U.S., . . . one of the main reasons why the Vatican chose the U.S. as her depository and banker was that the Church there was already a billionaire and that as such she commanded sufficient authority in the monetary field to ensure that her interests were properly safeguarded. . . . In 1952 . . . **Bishop McShea**, for the papal representative, admitted the purchase of gold by the Vatican . . . He added that a large number of papal ingots were held in the Federal Reserve vaults in New York. . . .

The celebrated house of **the Rothschilds**—who, incidentally, had been lending money to the Vatican since 1831—came once more to the fore with the buying, selling and amalgamating of millions of shares and other investments on behalf of the Vatican [*as did* **Nathan Rothschild** *when in 1815, as an agent for the suppressed Jesuit Order, he essentially bought London's Stock Exchange, it having crashed due to the false report (via roost) of Wellington's defeat at Waterloo*]. . . . It is interesting to remember that the President of the French Republic, **Mr.** [**Georges**] **Pompidou**, for many years worked for the private Bank [*de Paris*] of the Rothschilds." . . .

The Vatican, as we have already reiterated, has large investments with the **Rothschilds** of Britain, France and America, with the Hambros Bank, with the Credit Suisse in London and Zurich. In the United States, it has large investments with the Morgan Bank [*with a telex directly to the Vatican*], the [**Rockefeller-Kuhn, Loeb**] Chase Manhattan Bank, the First National Bank of New York, the Bankers Trust Company, and others. . . .

The Vatican's treasure of solid gold has been estimated by 'the United Nations World Magazine' to amount to several billion dollars. A large bulk of this is stored in gold ingots with the **U.S. Federal Reserve Bank**, while banks in **England** and **Switzerland** hold the rest. But this is just a small portion of the wealth of the Catholic Church, which in the U.S. alone, as we have already seen, is greater than that of the five wealthiest giant corporations of the country." {26} [Emphasis added]

The Vatican Billions

"Only one concrete piece of information came out of this [1975] meeting [*between* **Hyman Krieger**, *Washington regional manager for the General Accounting Office (GAO) and twenty-two-year Virginia Congressman* **J. Kenneth Robinson**]. Krieger admitted, for the first time, that **Fort Knox**—and indeed the entire U.S. Treasury—had been practically drained of pure gold. He confirmed this startling statement in a letter to [**Edward**] **Durell** [*a wealthy Ohio industrialist*] dated April 11, 1975, saying that only 24.4 million ounces of the gold reserves of the United States remained. . . . In other words, less than 10% of the 264 million ounces of so-called 'gold' remaining could be considered 'good delivery' gold—the only form acceptable in international trade. . . . That means that 480,000,000 ounces of pure gold has disappeared—95% of our original stock—between 1957 and 1972. . . . Wild speculations abound, but the truth probably is that the government didn't know how they would explain why the huge central core vault, measuring about 65-by-80 feet was completely empty. . . .

[*Assistant Secretary of the Treasury*] **Mr.** [**Gene E.**] **Godley** was no doubt telling the truth. After many years of investigation, it now appears that the gold was shipped out of **Fort Knox** legally, as part of something called the 'London Gold Pool.' But it was certainly done without the full knowledge of, or understanding by the general public, and the result—though technically legal [*as* **FDR** *had previously deeded the nation's gold to the Fed*]—was no less a crime against the people of the United States. . . .

The New York Assay Office scandal broke on December 21, 1978 when several newspapers published reports that more than 433 pounds of gold were missing from the assay office, and that employees had been implicated in the theft. The New York Assay office was an important transit point for America's gold stock. Of the 480,000,000 ounces of pure gold which was lost between 1957 and 1972, the government acknowledged that 233,723,565 ounces of it was shipped from **Fort Knox** to **New York**—90% to the U.S. Assay Office, and the rest to the **Federal Reserve Bank of New York**. Just where the other

246,276,435 ounces of pure gold went remain unexplained. . . . This gold belongs to the American people, not the Federal Reserve and their foreign friends and owners. Unfortunately, if one accepts the worst-case scenario that centralization of world gold reserves in **Fort Knox** was merely a plot to eventually transfer this gold into private hands in Europe, then shoddy accounting practices and government cover-ups would be a necessity." {27} [Emphasis added]

On the Horns of the Beast

"From the beginning the Federal Reserve was implicated in nativist conspiracy theories. Homespun tracts and polemical books described it as the secret nexus for sinister forces in the world. The Fed was agent for the 'Powers,' usually identified as the **'International Bankers'** and sometimes the **'Illuminati'** or the **'Zionist Conspiracy,'** echoing the febrile anti-Semitism associated with money since medieval [*Dark Age*] Christianity [*Romanism*]. The Fed, it was said, was the operating center for a mysterious network of unseen but awesomely powerful people who were manipulating the society for their own purposes—world dominion. In the 1970s, as inflation accelerated, the dark theories about the Fed thrived anew, disseminated in scores of homemade newsletters and privately published books. When **Paul Volcker** was confirmed by the Senate Banking Committee in August 1979, a citizens' group from Virginia had testified against him, noting his connections with the 'top secret' Bilderberg Conference, **David Rockefeller's** Chase Manhattan Bank, the Council on Foreign Relations and the Trilateral Commission—all of them staples in the popular theories of 'one world' conspiracy [*as indeed they are*]. . . .

In a twisted sense, belief in a grand conspiracy was an act of religious deference, an acknowledgement by people that someone or something held distant and unexplainable power over them. . . . Somewhere, in a hidden place, there were mortal men who conspired to rule over all—to usurp powers that belonged only to God [*as does the Pope*]. . . .

But the Federal Reserve did also function in the realm of religion. Its mysterious powers of money creation [*worthless pieces of paper taking on value*], inherited from priestly forebears [*Rome's "indulgences" to sin also being worthless pieces of paper taking on value by the word of a moneyed pope*], shielded a complex bundle of social and psychological meanings. With its own form of secret incantation, the Federal Reserve presided over awesome social ritual, transactions so powerful and frightening they seemed to lie beyond common understanding. . . .

[Roman Catholic Jesuit-trained Temporal Coadjutor, CFR Speaker, former Chairman and CEO of the American Stock Exchange] **Richard** [**F.**] **Syron, a vice president of the Boston Fed** [and Trustee of the Order's Boston College] who served for a time as special assistant to [**Paul**] **Volcker, suggested that the institutional temperament and structure of the Federal Reserve System most resembled the Catholic Church, in which he had been raised** [indicating that a Jesuit Temporal Coadjutor must have overseen the construction of the Federal Reserve Act, that man being the cool lieutenant of J. P. Morgan, **"Skull and Bones" Henry P. Davison**, who, according to Morgan's **Thomas W. Lamont**, another brother **Bonesman**, "served as the arbitrator of the Jekyll Island expedition"].

'The System is just like the Church. That's probably why I feel so comfortable with it. It's got a pope, the chairman; and a College of Cardinals, the governors and bank presidents; and a curia, the senior staff. The equivalent of the laity is the commercial banks. If you're a naughty parishioner in the Catholic Church, you come to confession. In this system, if you're naughty, you come to the discount window for a loan. We even have different orders of religious thought like **Jesuits** and **Franciscans** and **Dominicans** only we call them pragmatists and monetarists and neo-Keynesians.' " {28}[Emphasis added]

Secrets of the Temple: How the Federal Reserve Runs the Country

Indeed, 1913 was "a very good year" in the words of that Catholic Mafioso and Knight of Malta, **Frank Sinatra**, along with his sidekick, America's first Black Knight of Malta, **Sammy Davis, Jr.** The Jesuits, using the cronies of **J. P. Morgan** and **John D. Rockefeller, Jr.**, sneaked through Congress the **Federal Reserve Act** during Christmas (Baalmas) Break on December 23, 1913. That same year, the **Sixteenth** (Income Tax) **Amendment** was declared to be "ratified" and, with the passing of the **Internal Revenue Act**, the Order created "the Commercial Inquisition." And why were these planks of *The Communist Manifesto* put in place?

To finance the up-and-coming Crusade—**the Second Thirty Years' War**—to begin in 1914. This Crusade would be financed just like the Crusades of old. We read:

"In 1166 and again in 1188 the kings of England and France levied from their lay and clerical subjects for the support of a crusade a tax assessed on their incomes [*a crusade tax*] . . . The collectors . . . appointed assessors, who made the assessments themselves . . . or on the oaths of the taxpayers themselves." {29}[Emphasis added]

Dear truth-seeker, the Federal Reserve Bank is the American Empire's Vatican central bank requiring a Social Security (slave surveillance) Number for personal banking. The Income Tax is a **Peter's Pence**, a tax to finance the Vatican's Crusades —they being World War I, World War II and every conflict during and after the Cold War. That evil Income Tax was put upon American laborers in 1942 during World War II and was called "the Victory Tax." That wicked Internal Revenue Service was unleashed upon a trusting public, the Service, like the Inquisitors of the Dark Ages, demanding a full "voluntary" financial confession once a year at our own time and expense. For, in the words of **John D. Rockefeller, Jr.**, "*It is a sin to make a profit!*"

With the Jesuit General's American Empire in a continual state of war since Truman's executive order of 1950, **the Fourteenth Amendment citizen** must continue to pay his *"war tax*" or it will be collected by force in the "*war courts*" flying the "*war flag*" of the Empire's Commander-in-Chief. To have more productivity for the Vatican's relentless *"war effort,"* the American subject/serf was given more daylight hours to perform his tasks. Therefore, in 1918 during World War I, and again in 1942 during World War II, the Jesuits began *"daylight savings time,"* properly called *"war time!"* When the hour arrives for the "taxpayer" to pay his "*war tax*" on his most sacred labor, he is either assessed by the IRS assessor-priests or voluntarily assesses himself *under oath*, just as in the Dark Ages when Rome's Priest-King and Papal Caesar was the Theocratic Universal Monarch of the World!

With these three planks in place, all the nation's business could now be monitored and regulated by the Board of Governors of a private Corporation—"the King's Bank." This Corporation *would never* file a tax return nor would it ever be *audited*. Ultimately every *"person"* having *"income"* would have to *"file"* a *"return,"* making a confession of every Federal Reserve Note *earned* and every Federal Reserve Note *spent* in *"itemizing deductions."* (**Federal Reserve Notes** are not "dollars" or "lawful money" but rather compose a "private corporate currency," which is in fact a "fiat money," yet, by an act of Congress, a "legal tender," backed by nothing except the "confidence"—or rather the "*faith*"—of the people. This makes Federal Reserve Notes identical to the historic paper currency of the Roman Catholic Church—*another private Corporation*—called "indulgences.") All good confessions to the priests of the Internal Revenue Service must be made no later than the anniversary date commemorating Rome's destruction of **George Washington's** Calvinistic Confederate Republic of Sovereign States—**The Federal Republic of *these* United States of America**. That date on which the Jesuits instigated their criminal "War of Northern Aggression" with their Federalist "Radical Red/Black Republican Party"—*that date of infamy*—was April fifteenth!

Indeed, the Jesuit General's **Fourteenth Amendment "Holy Roman" American Empire** is **the Pope's warhorse**, extending **the Pope's Temporal Power** around the world while enforcing **the Pope's Council of Trent**. And Woe, Woe, Woe be to **the Pope's Fourteenth Amendment Roman citizen** who refuses to fight **the Pope's wars** (every war since Archbishop James Cardinal Gibbons' Spanish American War of 1898), who refuses to participate in **the Pope's war crimes** (massmurdering "heretics, liberals, Protestants, Jews, Moslems and pagans"), who refuses to pay **the Pope's war tax** (the income tax), in support of **the Pope's war debt** (the national debt which is now impossible to repay—and should never be paid do the fraudulent money creation of the Church of the Federal Reserve), who refuses to be identified with **the Pope's war number** (the socialist insecurity number), who refuses to be financed by **the Pope's war chest** (the national credit system as money put in circulation as a result of the creation of debt/credit rather than the honest creation of capital profit—the successful economic golden mean between land and labor), who refuses to live by **the Pope's war time** (daylight savings time, even as all the German Protestant Amish people refuse to "turn their clocks back"), who refuses to use **the Pope's war courts** (both federal and state courts, the Amish and Mennonites refusing to do so to this day), who refuses to use **the Pope's war name** (given to him by **the Pope's war courts**—a proper name spelled with all capital letters, which *nom de guerre* is used by the federal courts in all actions civil and criminal), and who refuses to submit to the personal jurisdiction of **the Pope's war courts** (using a statutory abatement or any other procedure challenging the court's *jurisdiction in personam*), evidenced by the presence of **the Pope's war flags** (both federal and state) trimmed with gold fringe—just as the Pope's flag is trimmed in gold fringe! Dear truth-seeker,

". . . the prince that shall come . . ."

– Daniel 9:26

"[*Being*] At first no more than a king of men [*the last Pope of Rome*], commanding the [*temporal and political*] allegiance of the Roman earth, he afterwards [*in recovering from his mortal wound*] claims to be divine [*as* ***"that man of sin"***], and demands the worship of [*apostate Protestant, apostate Orthodox and pagan Roman Catholic*] Christendom." **{30}**

Of that coming prince—the Papal Roman Caesar being "***the antichrist"***—we read:

". . . in his estate shall he honour the God of forces . . ."

– Daniel 11:38

The god of war!

And why? Because

". . . **the organizing principle of any society is for war. The** [*absolute*] **authority of the state over its people resides in its war powers.**" {31} [Emphasis added]

And for what purpose? To what "ends" are these "means" justified? Because absolutist war waged by the Roman Papal Caesar with his Society of Jesus destroys all religious and political liberties so accursed by the evil **Council of Trent**, as all "heretics and liberals" can be mass-murdered without the interference of due process of law. Presently in the warring Jesuit General's American Empire it is called "Emergency War Powers" which have created a monster called "the National Security Agency" with its hired assassins—select CIA agents, Green Berets and Navy Seals.

By the middle of the Twentieth Century, American Protestant and Baptist freemen would be reduced to the existence of a *"taxpayer."* Robbed of their status by the Jesuits' **Fourteenth Amendment**, every *"taxpayer"* would be subject to an inquisitional audit, arbitrary bank account seizure or a dictatorial wage levy, as every natural *"person"* would be presumed guilty of *"tax fraud"* or *"evasion"* until he proved his innocence to a hostile and prejudiced auditor. Thus, the controlling emotion between the citizen and his government would be **FEAR**! (The Dominicans, like the IRS, ran the Holy Office of the Inquisition during the Dark Ages in the same manner, controlling the people with **FEAR**.)

These sweeping new powers would begin to fulfill the Jesuit quest of submitting the United States to the **Temporal Power** of the Pope. The Jesuits' ancient enemies—*the White Celtic-Anglo-Saxon Protestant Middle Class*—would be reduced to credit card poverty; trillions of dollars would be driven to offshore banking havens; and the people would fearfully submit to the absolute powers of an inquisitional bureaucracy.

By 1914 the Jesuits were now ready to begin their vengeance—**the Second Thirty Years' War**—on a Europe, Russia, China and Japan having rightly banished the Company "forever" from their shores. The Order would use its **Federal Reserve Bank**, their financial "Frankenstein," to pay for it. The "Fed" was given the exclusive privilege to create credit *with no collateral*, that is, "out of thin air." Like the Bolshevik Revolution—also financed by the Fed and backed by President **Woodrow Wilson**—the Jesuits would use their Masonic Jewish Zionists such as **Paul Warburg** (yearning to rebuild **Solomon's Temple**) as the visible leaders of the Fed. This would enable the Order to justify American anti-Jewish fury at a later date in the person of **ex-Basilian** (secret Jesuit) radio-priest, **Charles E. Coughlin**, "the father of hate radio." Being the personal friend of **J. Edgar Hoover** and **FDR**, he would blame the Jews for the Order's Great Depression and the New Deal, calling it "the Jew Deal."

This Jesuit private credit was extended to the American Congress, controlled by the Jesuits' **Council on Foreign Relations**, to build a vast war machine with which to fight the ***Black Pope***'s Second Thirty Years' War. *This Jesuit War Machine* became **Fourteenth Amendment America's** "Military Industrial Complex." Thus, the American Empire's Military Industrial Complex, financed by the Federal Reserve Bank which enslaved the American people to repay the debt from credit created out of nothing, would be directed against the Russian and German Empires, the enemies of the Jesuit General and his "mouthpiece," the "*infallible*" Pope. (Remember, the Russian Empire was composed of Orthodox "heretics," accursed by the **Council of Trent**. That Empire had expelled the Order from its borders in 1820. The German Empire was composed of Lutheran "heretics," accursed by the **Council of Trent**.

Likewise, that Empire had expelled the Order in 1872. Both Empires were dead set against the Jesuits establishing the Pope's **Temporal Power** within their borders.) The Jesuits waited from 1913 to 1929 to make a virtual monopoly out of their "Frankenstein Fed." The Great Depression put all the smaller banks out of business and made the Federal Reserve Bank "lord of all." And who caused the Great Depression? According to FDR's son-in-law, **Curtis Dall**, it was the Knight of Malta, **Joseph P. Kennedy**. We read:

> "The feeling around the Street, in succeeding months, was that there were, in particular, three large short-sellers of stock, allegedly, **Tom Bragg, Ben Smith,** and **Joe Kennedy** . . . Of the three mentioned well-known shortsellers, Joe Kennedy was allegedly the most important, the most powerful and the most successful. This service . . . made him invaluable . . . Was Joe Kennedy carefully selected by world money leaders to sell short?" [*Indeed, for that moneylender was New York Archbishop* **Patrick Cardinal Hayes** *controlling the New York Federal Reserve Bank.*] {32} [Emphasis added]
>
> Rome, in creating the Great Depression with **Joe Kennedy,** enthroned its Federal Reserve System in **Fourteenth Amendment America** as its international keystone to restore the Pope's **Temporal Power** around the world. The Empire's privately owned central bank, created by the Jesuit General's **J. P. Morgan** at the Millionaire's Club off the coast of Georgia on Jekyll Island, became *the master* of both the Northern and Southern American people while they became *its slaves*. But the living Son of God, ***to*** Whom ***has been given all authority in earth,*** raised up a mighty voice heard by all true statesmen in Washington. The brave Pennsylvania Congressman **Louis T. McFadden,** Chairman of the House Committee on Banking and Currency, addressed the House of Representatives on June 10, 1932 as follows:
>
> "Mr. Chairman . . . We have been dealing with the effect of things rather than with the cause of things . . . we have in this country one of the most corrupt

institutions the world has ever known. I refer to the [*wicked*] **Federal Reserve Board** and the **Federal Reserve Banks . . .** the iniquities of the Federal Reserve Board and Federal Reserve Banks acting together have cost this country enough money to pay the national debt several times over . . . This evil institution has impoverished and ruined the people of the United States. It has done this through . . . the corrupt practices of the moneyed vultures who control it . . . The Federal Reserve Banks . . . are private credit monopolies which prey upon the people of the United States for the benefit of themselves . . .

The Wilson administration, under the tutelage of those sinister Wall Street figures who stood behind [*the "holy monk"*] **Colonel** [**Edward M.**] **House,** established here in our free country the worm-eaten monarchial institution of **the "king's bank"** to control us from the cradle to the grave . . . In other words, the imperial power of elasticity of the public currency is wielded exclusively by these central corporations owned by the banks . . .

Why should our national-bank depositors and our government be forced to finance the munitions factories of Germany and Soviet Russia? . . . The United States has been ransacked and pillaged. Our structures have been gutted and only the walls are left standing . . . This is the John Law swindle over again. The theft of Teapot Dome [*caused by the Knights of Malta*] was trifling compared to it. What king ever robbed his subjects to such an extent as the Federal Reserve Board and the Federal Reserve Banks have robbed us? . . . I have singled out the Federal reserve currency for a few remarks because there has lately been some talk of her 'fiat money' . . . Fiat money indeed! . . . Every effort has been made by the Federal Reserve Board to conceal its power but the truth is the Federal Reserve Board has usurped the Government of the United States. It controls everything here and it controls all our foreign relations [*via the Pope's Council on Foreign Relations*]. It makes and breaks governments at will . . . when the Federal Reserve Act was passed the people of the United States did not perceive that a world system was being set up here which would make the savings of an American schoolteacher available to a narcotic-drug vendor in Macao. They did not perceive that the United States was to be lowered to the position of a coolie country which has nothing but raw materials and heavy goods for export; that Russia was destined to supply man power and that this country was to supply financial power to an international super state—a super state controlled by international bankers and international industrialists acting together to enslave the world [*to the Pope*] . . ." {33} [Emphasis added]

Ah, dear truth-seeker, the warnings of this great American went unheeded and one terrible day, on the third attempt, Congressman McFadden was murdered—given "the poison cup" by the masters of the **Federal Reserve Bank**, those Sons of Loyola!

The Jesuits' "*infallible*" Pope ruling from **Solomon's** rebuilt **Temple** in **Labor Zionist** Jerusalem would govern that world super-state. *This is why* the Jesuits' Federal Reserve Bank, storing Vatican gold, financed the overthrow of Orthodox Russia in 1917. *This is why* the Jesuits' Federal Reserve Bank financed Adolf Hitler's Third Reich, thereby purging Europe and Western Russia of its "heretic" Jews. *This is why* the Jesuits' Federal Reserve Bank financed the building of Stalin's Red Army, thereby purging Russia, the Baltic States and East Germany of its "heretic" Protestants. *This is why* the Jesuits' Federal Reserve Bank financed the building of the American Empire's Military Industrial Complex resulting in the mass bombing, bastardizing and partitioning of Germany. *We repeat*, what the Jesuits did to the American Protestant State of Virginia they did also to White Protestant Germany.

Today, **William J. McDonough**, a member of the Jesuits' Council on Foreign Relations (along with his friend and President of the Jesuits' Fordham University, a Professed of the Fourth Vow, **Joseph O'Hare**, who influenced the election of **Michael Bloomberg**—*another Masonic Jewish Zionist*—in becoming the mayor of New York City), is an Irish Papal Knight, a member of the Order's CFR and Trilateral Commission, a Jesuit-trained economist and past President of the **Federal Reserve Bank of New York**, which, along with its member banks, is *the biggest bank in the world!* With the Jesuits' Federal Reserve Bank and the Sixteenth Amendment in place, two pillars of Marx and Engels' *The Communist Manifesto* were now active in **Fourteenth Amendment America**. With the passing of the Internal Revenue Act, the IRS "Business Inquisition" was beginning its ultimate destruction of the White Protestant Middle Class along with its private rights and wealth. Given another one hundred years the Company's unhindered quest would be crowned with success!

World War I could now begin. Eight months after the creation of the Federal Reserve Bank, "*The Guns of August*" began to roar. **The Great War**, aye, the beginning of the Jesuits' Second Thirty Years' War—the "*Crusade in Europe*" as pro-Masonic Eisenhower called it—was on. Payback time had arrived for the anti-Pope, anti-Jesuit, Russian and German Empires. To the eternal disgrace of both Protestant and Baptist peoples of the West, Satan's Company would use the strongly Protestant Empires of America and Great Britain to punish the homeland of the greatest and most liberal of the Tzars, **Alexander II**, as well as the homeland of Europe's bravest hero—the Reformation's champion of the Bible—**Martin Luther**.

Jesuit Control of the Vatican, 1902 #322

Indeed the **Black Pope**, Spaniard Louis Martin (1892-1906), was in total control of the Vatican Empire and its openly anti-Masonic sovereign Monarch, Pope Leo XIII—whose Cardinal Secretary of State Count Mariano Rampolla was secretly a leading member of the Masonic Order of Oriental Templars (OTO)! The Pope of the Order's making was now "Infallible," and thus the entire Roman College of Cardinals and Hierarchy could be ruled through the decrees of just one man.

With the Jesuits as "the Pope's penholders," any ultramontane dogma could be "promulgated," further whipping Roman Catholic peoples into blind obedience to the Jesuit Pontiff. Ruling the Papacy, the Company and both the British and American Empires, the Jesuit Superior General would punish all nations having expelled his Order during the Nineteenth Century—"the Century of Disaster!"

Jesuit Control of the Capitol and Executive Mansion, 1888 #323

The Serpent of the Jesuit Order begins its quest for total control of the Capital from the door of nearby Georgetown University. It passes by a fallen President Lincoln, assassinated by Washington's mastermind Jesuit priest and confessor to both John Wilkes Booth and John H. Surratt, Bernadine F. Wiget. The Papal Serpent winds up around the Capitol Building with the head of Pope Leo XIII desirously gazing at the Presidential Mansion, controlled today by the Order's "trusted third party," the infamous New York Council on Foreign Relations.

Jesuit-Headed Octopus Ruling 14th Amendment America, 1900 #324

Georgia's U.S. Senator Thomas E. Watson, "the Sage of Hickory Hill," wrote in 1912 of the all-encompassing power of Rome in Jesuit-ruled Washington, D.C.:

> "Today, the Roman priest is the most insolent and arrogant man in America. . . . The politicians do his bidding. The press is afraid of him. . . . His powerful hand controls Congress and the President. . . . He is forcing his church into a union with the State. . . . His greedy paws are raking public funds out of . . . national treasuries for the use of his church. . . . In the United States political Romanism is sweeping all before it. . . . A few months ago, American prelates assured Papa Pius [X] that our Republic would soon belong to Rome. Not many weeks since, an American Roman Catholic bishop declared that his church meant to capture the Presidency. It is already the power behind the throne. [James] Cardinal Gibbons was a potentate whom [*President* Grover] Cleveland dared not offend; and [*Masonic*] Presidents McKinley, Roosevelt and Taft have been notoriously controlled in various instances by the same insidious influence, irresistible influence. . . . [*New York City's*] Tammany Hall is a Catholic organization . . . [*Jesuit priest* Bernard] Vaughan says that Roman Catholics will soon rule this country, . . . Rome is conquering [*has completely conquered*] North America."*

The Jesuit General's American Vatican Banker, J. P. Morgan, 1912 #326

Morgan, the 33rd Degree and Shriner Freemason, is on the White Star pier in 1912, about the time of the sinking of Titanic. Canceling his reservation at the last minute due to a supposed illness, and his art treasure unable to be loaded due to pretended difficulties at the pier, Morgan skillfully avoided the intended fate of his Deathship. With the Order's Jewish American adversaries out of the way, not forgetting the calculated murder of hundreds of "heretic" Scandinavian Lutherans and "liberal" Irish Roman Catholics in accordance with the Order's Council of Trent, Morgan and his Illuminati-Masonic brethren, including King George V, John D. Rockefeller, Sr., and England's Rothschild agent Jacob H. Schiff, could now create the Bank of England's "American Cousin" to finance the Pope's Second Thirty Years' War and the creation of Labor Zionist Israel. Nine months before the Order's Federal Reserve Act became law, Morgan died in a $500-a-day suite of Rome's Grand Hotel. Delirious with fever and a racing pulse, "heretic" Morgan was another victim of the **Black Pope**'s "poison cup." Indeed, *"For the love of money is the root of all evil: . . ." (I Timothy 6:10).*

Knights of Malta Nicholas F. Brady (1878-1930) and Joseph P. Grace—father of SMOM J. Peter Grace, Jr.,—were potent New York industrialists. Joe Grace was also a director of Rockefeller's international, pro-Nazi National City Bank. Junior's cousin, Percy, was a member of the **Black Pope**'s "Skull and Bones."

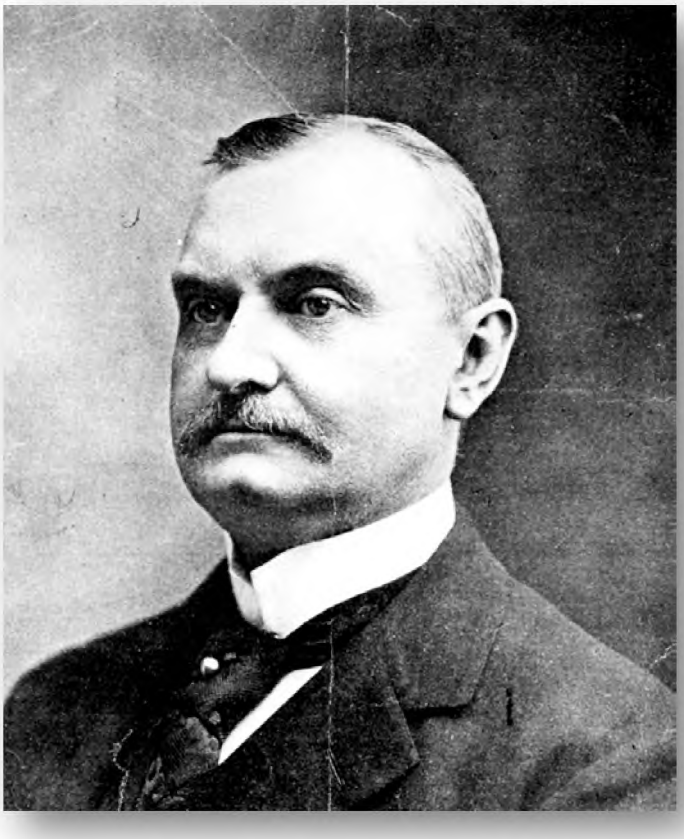
The **Black Pope**'s White Gentile, Corporate-Fascist, Socialist-Communist Key Masonic Jesuit Temporal Coadjutors of Jesuit-Ruled New York City Words cannot express the utter revulsion and disgust of every *AV1611* Biblebelieving, liberty-loving White Protestant and Baptist patriot at the mention of these nefarious, brutal, heartless and depraved reprobates. As *"wandering stars, to whom is reserved the blackness of darkness forever (Jude 13),"* both of these Masonic, Germanic, apostate Baptists were involved in creating the Order's Federal Reserve Bank centered in New York City. John D. Rockefeller, Jr., was in fact the son-in-law of Senator Nelson Aldrich who chaired the secret meetings at Jekyll Island. Working in conjunction with the Order's House of Morgan, the House of Rockefeller, via its evil Foundation, became the **Black Pope**'s ultimate financier of every Jesuit intrigue calculated to destroy the "accursed" Protestant Reformation's Bible-based, high White Western Civilization, while restoring the Pope's Temporal Power around the world one day to be centered in Jerusalem.

Benefiting from the Order's creation of Fourteenth Amendment America (1868), Senior formed The Standard Oil Company Trust in 1870. By 1880 he controlled the refining of 90% of America's oil and by 1900 had ruthlessly built his international monopoly in petroleum managing two thirds of the world's oil supply for the designs of the Company. After J. P. Morgan created U.S. Steel in 1901 he chose John D. Rockefeller, Sr., as one of its directors. When the socialist Sons of Loyola created the National Association for the Advancement of Colored People (NAACP) in 1909—for the short-term benefit of Blacks and the long-term destruction of both Whites and Blacks—, they used a socialist Harvard graduate and Masonic mulatto, Dr. W. E. B. Du Bois; the NAACP's financier was Senior.

When the Order created its ecumenical, Bible-rejecting, Federal Council of (Protestant and Baptist) Churches, again Rockefeller monies were employed. In conquering the Russian Orthodox Church, including its Romanov protectors, the Order used Freemasonic John D. Rockefeller, Jr., to finance the Bolshevik Revolution. Igniting the Second Thirty Years' War in 1914, the Order used its Rockefeller oil monopoly to fuel both sides. In 1924, the Order would use Morgan banker Charles Dawes to loan a total of $800 million in creating German chemical giant I. G. Farben—the backbone for Pope Pius XII's Nazi Third Reich; Rockefeller's National City Bank would handle three-quarters of the loans. Thus, an alliance was created with Rockefeller's Standard Oil of New Jersey (now Exxon); its president Walter Teagle had been the close associate of Farben president and convicted war criminal—Papal Knight Hermann Schmitz.

During the Cold War the Order's Morgan-Rockefeller-CFR-controlled Federal Reserve Bank would continue to build Rome's USSR and finance the Company's bloody Inquisition in China, the Order's Chairman Mao having expelled 8,000 Bible-preaching missionaries. Meanwhile, the Rockefellers supported the Vatican's Catholic University of America and its University of Notre Dame.



Knight of Malta Thomas Fortune Ryan, 1851 – 1928 #329

One of the **Black Pope**'s Irish Roman Catholic masters of Wall Street, Ryan was orphaned at 14, converted to Jesuit Catholicism after his marriage to Ida Ryan (made a "Countess of the Holy Roman Empire" by Pope Pius X) in Baltimore—America's East Coast Catholic City named after a fishing village in Ireland.

He then moved to New York City and became a partner with William C. Whitney and a friend of German Roman Catholic Charles M. Schwab, J. P. Morgan's first president of U.S. Steel. Ryan purchased his own seat on the New York Stock Exchange working elaborate deals with his chief lieutenant, Masonic Jewish Zionist Bernard Baruch.

A master of the Order's Tammany Hall, "looter of both the traction lines of NYC and Seaboard Air Line Railway, corruptor of courts and legislatures, purchaser of political nominations and debaucher of Virginia politics," Ryan owned a network of railroads, street railroads, lighting systems, coal companies, tobacco companies, life insurance companies and diamond mines. His international operations extended into coke, coal, oil, lead and typewriters while he reorganized the diamond mines of the Congo Free State owned by the Order's intimate associate of the Grand Master of Knights of Malta and murderer of 10-15 million Black Congolese, King Leopold II.

By 1910 Knight Ryan was worth $100 million: he built a huge mansion on Fifth Avenue hosting a private chapel for the Company from its nearby Church of St. Francis Xavier. With ties to Morgan, Rockefeller and Schiff interests, Knight Ryan aided his papal masters in financially ruining his Jesuit Georgetown-educated son, Allan A. Ryan, for warring with the Vatican's New York Stock Exchange.

Holding the status of a Roman Senator/Cardinal, Italian Prince Chigi was the master of 12,000 people composing the world's high nobility. Larkin serviced the Third Reich as a Vice President of Rockefeller's Chase Bank; Knight, Baron, Papal Chamberlain and industrialist Luigi Parrilli* aided Knight Donovan's OSS in saving SS General Karl Wolff from Allied justice; Knight J. Peter Grace, Jr., was the key behind Operation Paperclip which brought thousands of Nazis into the US after the War; Knight Friedrich Wilhelm Schultz-Wenk** employed former Nazis at his Volkswagen plant in Brazil; Knights Juan Peron and Baron de Zichy protected Martin Bormann in Buenos Aires***; and Knight George DeMohrenschildt, the future CIA/JFK assassin, was also given refuge in America, this Russian noble being a friend of Rome's Chigi family as that name appears in George's address book.

Further, Himmler's Circle of Friends included Knights of Malta Fritz Thyssen and Frederick Flick thus linking the Vatican directly to the Order of the SS.

Mao Zedong (1893 –1976); W. E. B. Du Bois (1868 – 1963), 1959

With the **Black Pope**'s American Council on Foreign Relations and British Royal Institute of International Affairs enthroning the murderous Chairman Mao in 1949 via the its Central Intelligence Agency and British Secret Intelligence Service, W. E. B. Du Bois, a mulatto Harvard graduate and founder of the Rockefeller-financed National Association for the Advancement of Colored People (NAACP), admires this Grand Inquisitor who purged China of its Bible-believing New Testament churches after expelling 8,000 Protestant and Baptist missionaries. Declaring, "I am a Bolshevik" on his 1926 trip to the Soviet Union and later beloved for "excusing Stalin's terror," this rabid spokesman for the forced integration of America's White and Black races declared, "the one hope of American Negroes is socialism." Hating Marcus Garvey's separatist "Back to Africa" movement, Du Bois refused to heed Garvey's sober warning of an impending race war within 50 to 100 years and rejoiced over his opponent's unjust deportation brought about by agents of the Company ruling President Harding's Justice Department. Residing in Harlem's Rockefeller-built Dunbar Apartments and backed by Knight of Columbus Historical Commission chair, Dr. Edward McSweeney (a former Deputy Immigration Commissioner at Ellis Island having aided the Order in "making America dominantly Catholic"), he wrote *The Gift of Black Folk (1924).* Promoting abortion rights, women's suffrage and Black social equality (i.e., supremacy via "Affirmative Action" and many other federal programs), Du Bois affiliated with the Order's ADL-backed American Jewish Congress having betrayed its own racial brethren into Hitler's death camps during World War II. Openly opposing Cardinal Spellman's Cold War including the North Atlantic Treaty Organization (NATO), Marshall Plan and Korean War, he joined the Communist Party in 1961. Renouncing his U.S. citizenship, he moved to the city of Accra in the communist-controlled, Black nation of Ghana, with the aid of its Bishop and secret Jesuit, Joseph O. Bowers—ordained by the Protector of the American Branch of the Knights of Malta (SMOM) Francis Cardinal Spellman himself! Meanwhile the Order proceeded with its Fabian Socialist, anti-White Middle Class, Civil Rights Movement enforced with Federal bayonets on the segregationist White peoples of the South with the blessing of Masonic socialist-communist and Kennedy assassin, Lyndon Baines Johnson. Several key meetings were hosted by Masonic lodges in the South with Roman priests visible in every major march led by the socialistcommunist Michael (alias "Martin Luther") King. The secret purpose of the Jesuits was to use the poverty of American Blacks, while persecuted by the Order's Masonic Ku Klux Klan, as a justification for CFR-controlled federal legislators to destroy the White Protestant Middle Class via Fabian Socialist policies. In order to survive, all Whites would later be driven into the Order's socialist, Nazi-fascist, New Republican Right controlled by the Knights of Malta.

Black Freemason Asa Philip Randolph (1889 – 1979) Shaking Hands With White Freemason President Lyndon B. Johnson, 1964 #336

In presenting Randolph with the Presidential Medal of Freedom, Johnson continued the quest of the Order in ruining the Lord's historic White Anglo Saxon Protestant and Baptist peoples composing the nation's food producing, religiously tolerant Middle Class. Via forced integration, massive socialism and thieving "redistribution of the wealth," the Order's Civil Rights Agitation would be an unending "struggle for universal equality" between Whites and Blacks. Known as "Mr. Black Labor," Randolph was the Company's foremost Civil Rights leader; was an associate of Du Bois; and served as communist Martin Luther King's chief strategist, advisor and tactician. Considering the Order's Bolshevik Revolution to be "the greatest achievement of the 20th Century," while acting in conjunction with his brother White Masonic socialists including Presidents Roosevelt, Truman and Johnson (as well as Masonic Supreme Court Justices Earl Warren and Thurgood Marshall), Randolph played a key role in completely integrating America's industrial base, armed forces, public schools, professional sports and entertainment industry. Always controlling both sides of every agitation, the Order has made its American Empire a pro-Black nation of color via its socialist, Freemasonic "Invisible Empire," all the while utilizing notorious Masonic Jewish Zionists, such as Randolph's co-agitator and chairman of the Order's American Jewish Congress, Rabbi Joachim Prinz, to the end that universal anti-Jewish fury may be later created "for the greater glory of God."

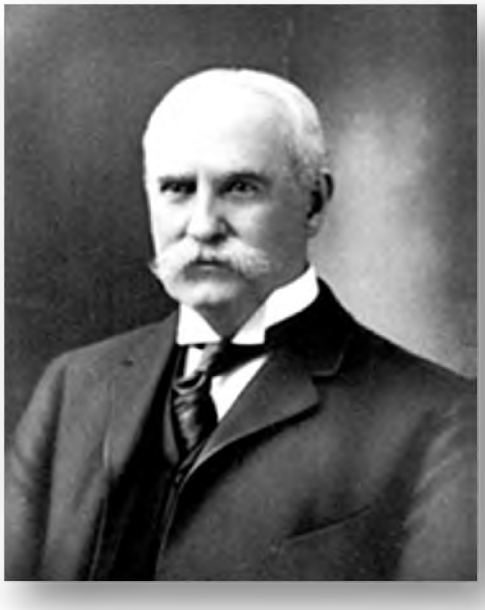
Morgan's Henry P. Davison #337



Rockefeller's Nelson Aldrich #338

Rockefeller Home on Jekyll Island, Georgia, 1913 #339

At this cottage America's most powerful bankers created the ***Black Pope***'s Federal Reserve Bank. Those present were Rockefeller's U. S. Senator Aldrich; J. P. Morgan's H. P. Davison; Jacob Schiff's Paul Warburg of Kuhn, Loeb Company; Frank Vanderlip of National City Bank; and Charles D. Norton of the First National Bank. Backed by President Wilson and his Masonic Treasury Secretary, William Jennings Bryan, the act became law on December 23, 1913. The Order's Masonic, White Gentile, cartel-capitalists created the bank credit to finance the mutual destruction of White Protestant and White Orthodox Nations with the Second Thirty Years War (1914-1945) and the Cold War (1945-1989).

Freemason John W. Davis (1873 – 1955), 1930s #340

A lawyer for J. P. Morgan; trustee for the Order's Rockefeller Foundation; West Virginia Congressman (1911-1913); U.S. Solicitor General (1913-1918); advisor to the Paris Peace Conference (1919); Ambassador to the United Kingdom under President Wilson (1918-1921); and a prominent founder of the **Black Pope**'s New York Council on Foreign Relations (1921); Davis was assigned to play the role of the Order's "controlled opponent" of its designs, always losing to his apparent opposition secretly ruled by the Company.

As the 1924 Democratic Presidential candidate, Davis deliberately split the party (as did the Order's Masonic Stephen Douglas in 1860): he denounced the lynching, pseudo-Protestant, anti-Jew, Ku Klux Klan (newly created in 1915 to be the Masonically-led, anti-Catholic, White-supremacist, INTENDED LOSING REACTION to the Order's Knight of Columbus/Rockefeller-financed, Masonically-led, pro-Catholic, pro-ecumenical, pseudo-Baptist and Protestant, integrationist, INTENDED WINNING ACTION of the NAACP previously created in 1909). Davis' attack was at the insistence of Tammany Hall's Knights of Columbus thus ensuring a landslide victory for Republican President Calvin Coolidge having ascended to the presidency through the Order's "poison cup" given to Shriner Warren G. Harding.

In 1932 the Company sought to make Shriner FDR a fascist dictator using Marine Corps General Smedley Butler: one of the three traitors who approached Butler was none other than Masonic John W. Davis. Returning to private practice where he, before the Supreme Court 140 times, lost several constitutional challenges relating to FDR's socialist New Deal, he grandly "lost" in the Order's *Brown v. Board of Education (1954)* agitation before a Masonically-ruled Court at the suit of NAACP attorney, Masonic Thurgood Marshall. One year before his death, Davis witnessed the 1954 completion of the Order's Wheeling Jesuit University in his native West Virginia—further destroying the White Protestant South!

Fascist Freemason Benito Mussolini in the Vatican, 1929 #341

Since 1870 the Papacy had been rightly denied its Temporal Power. The Pope was no longer the "Vicar of Christ" as the "King of kings and Lord of lords," the King of Italy having taken away the White Pope's pretended right to politically rule all nations in spite of Canon Law and the evil Council of Trent. Therefore, based upon the Jesuit-authored *Syllabus of Errors (1864),* the Company created its deceptively anti-communist, Jesuit fascism first in Italy, bringing Mussolini to power in 1922 one year before Hitler's failed Beer Hall Putsch. Il Duce immediately gave financial aid to Archbishop Eugenio Pacelli's Bavarian Nazis prior to Hitler's Putsch, which aid continued throughout the twenties. In 1929, the very year Papal Nuncio Pacelli consummated a Concordat with Prussia, Mussolini signed a Concordat with Pope Pius XI's Secretary of State, Pietro Cardinal Gasparri. With Jesuit Pietro Tacchi-Venturi (1861-1956) conducting negotiations, the **Black Pope**'s Lateran Accords were finalized which included the restoration of the Pope's Temporal Power; the creation of the Sovereign State of Vatican City; the oppression of Protestantism—prohibiting evangelical meetings in private homes and the circulation of Protestant Bibles; and decreeing that Roman Catholicism was to be Italy's official state religion. Pictured above is Mussolini in the Vatican after betraying his own Italian people by signing the Order's Concordat. In 1938 his Supreme Council of the Fascist Party removed every Jewish officer from the army. All of the above would have been impossible without the financial credit of the Order's New York Federal Reserve Bank.

33rd Degree Freemason Henry Ford and the Nazis, 1938 #342

Words cannot express the Machiavellian duplicity of America's most renowned automaker, apostate Protestant Episcopalian, anti-Jewish race, CFR-controlled, Masonic Jesuit Temporal Coadjutor, Henry Ford. Although he openly attacked the Jews on Wall Street, he never crossed swords with brother anti-Jew, Gentile Masons Morgan and Rockefeller, as he needed both U.S. Steel and Standard Oil to build and fuel his vehicles. Residing in Detroit near the Order's University of Detroit Mercy and openly associated with nearby anti-Jew, hate radio-priest Charles Coughlin, Ford published his *Dearborn Independent* which parroted the Order's incendiary, anti-Jewish-race rhetoric, further igniting the international "Jewish Question" within the US. In 1920 Ford published his four-volume set, *The International Jew* (ghost-written by Jesuit Coadjutors and also published in Germany), which quoted *The Protocols of the Learned Elders of Zion* (also written by Jesuits about the time of the Dreyfus Affair (1890s)). Published in 1925, the priest-written *Mein Kampf* cited both *The Protocols* and *The International Jew*, its anti-Jewish doctrines being identical to the Company's Roman monthly, *La Civilta Cattolica*. Ford not only converted German youth to Nazism, but financed Hitler through General Ludendorff—the idol of Germany. In 1928 Ford also merged his German assets with Rockefeller-backed I. G. Farben for which Hitler hung a picture of this "Ugly American" in his office at Munich's Brown House. In 1938 Hitler gave financiers Ford and Mussolini the Grand Cross of the Supreme Order of the German Eagle, both fascist, Masonic Coadjutors having created "the Fuhrer" with whom the Order would wage its Eurasian Crusade.

Jew-hating, White Gentile, apostate Protestant Morgan, whose banking interests were wedded to the Bank of England through partner Teddy Grenfell, speaks with King George VI at Washington's embassy garden. Masonic leaders of both England and Germany, financed by the House of Morgan, would continue the Pope's Second Thirty Years' War—further destroying White Protestant nations!

Jewish Freemason Edward Mandell House (1858 – 1938), 1920 #347

Advisor to President Woodrow Wilson, 1913 – 1921

A key individual of the New York Archbishop's control of the Democratic Party through Tammany Hall, Colonel House, known as "the holy monk," was directly involved in making Woodrow Wilson and Franklin Roosevelt presidents of the American Empire. As Wilson's advisor and "alter ego," he pressed for the passage of J. P. Morgan's Federal Reserve Act put forth by the Order's token Masonic Jewish Zionist, Paul Warburg. House, as the supposed author of *Philip Dru, Administrator,* sought to convert America into a socialist-communist state "as dreamed of by Karl Marx." Democrat and Knight of Columbus Al Smith, New York's four-term socialist Roman Catholic Governor, paved the way for FDR's evil, socialist New Deal of the early 1930s. The **Black Pope**'s New Deal—modeled after Pope Pius XI's 1931 encyclical *Quadragesimo Anno*—, advocated by the Jew-baiting, pro-Nazi, corporate-fascist, "father of hate radio," ex-Basilian (secret Jesuit) priest, Charles Coughlin, was the thieving legislative remedy which deceived the nation into believing FDR brought it through the Great Depression caused by the greatest short seller of stock, Patrick Cardinal Hayes' Knight of Malta, Joseph P. Kennedy. House was also responsible for bringing the pro-German, isolationist, White Protestant, American people into the Great War on the side of Rome's Triple Entente. Two of the Jesuits' many victories of World War I were the destruction of Prince Bismarck's Protestant German Empire and the lessoning of America's hard money supply by melting down over 270 million Morgan Silver Dollars (270,232,722) for the "war effort."

President Woodrow Wilson, Mrs. Wilson and Colonel House, 1917 #348

Speaking fluent German, egotistical Princeton Professor and former New Jersey Governor Thomas Woodrow Wilson, a native Virginian and first President to hold an earned doctorate, was the Order's chosen vessel for socialist revolution both domestically and internationally. A protector of Morgan's cartel capitalism and a Marxist-communist, "Comrade Wilson,"—the apostate Protestant son of a Presbyterian minister—was put into office by James Cardinal Gibbons using Theodore Roosevelt's third party candidacy. Once in office, he lowered the protective tariff, signed the Marxist Federal Reserve Act into law, defended Masonic President Taft's Marxist 16th (personal, non-apportioned, Income Tax) Amendment, enacted another Marxist income tax raising one half of America's 33 billion dollars spent on the **Black Pope**'s WWI and praised the Bolsheviks as they were murdering the anti-Jesuit, White Russian Orthodox Middle Class "for the greater glory of God." Further, Wilson instituted a wicked national draft turning the country into an armed camp; he enforced food rationing with "Meatless Mondays" and "Wheatless Wednesdays;" and began "daylight savings time"—the Pope's military-industrial wartime! With the Company's British, German and American military intelligence agencies working together, Wilson lead the US into "a Crusade to make the world safe for democracy," resulting in 117,000 American deaths with 2.8 million U.S. servicemen sent to Europe. After the war, Wilson visited Rome, was given an audience with Pope Benedict XV, promoted U.S. ratification of the Pope's Versailles Treaty—including the evil League of Nations—for which "world peace" bait he received the Order's Nobel Peace Prize. On October 2, 1919 the President suffered a second stroke leaving his second wife, Edith Galt Wilson, to play out her "stewardship" as acting President until March of 1921—the Order all the while in command! On February 3, 1924, with his wife and executioner at his bedside, "heretic" Wilson, having failed the Pope, died of "apoplexy," another victim of "the poison cup."

Marshall Foch At Old North, Jesuit Georgetown University, 1919 #351

Supreme Allied Commander of the Order's Triple Entente Forces, Masonic French Roman Catholic Marshall Ferdinand Foch was the **Black Pope**'s second Napoleon Bonaparte, commanding Masonic British General Sir Douglas Haig and privately directing his legally independent subordinate, Masonic American General John J. Pershing. With Temporal Coadjutor Foch secretly working in collusion with his German counterparts, Generals Hindenburg and Ludendorff, the Company would make the manhood of Germany, Russia, Italy, Britain and France pay dearly for its rulers' Nineteenth Century expulsions of the Order. As payback for Bismarck's defeat of the Order's Napoleon III in the Franco-Prussian War, undefeated Germany was tricked (via the 14 Points of President Wilson) into accepting Ludendorff's requested Armistice, but was then forced to submit to the rapacious new terms of the wicked Treaty of Versailles, including unconditional surrender and the forfeiture of all Reichsbank gold. Backed by Wilson's Masonic Temporal Coadjutors Thomas W. Lamont, John Foster Dulles and Bernard Baruch, the Order extorted German acceptance of the Versailles Treaty via a cruel military blockade of all food importation encircling the nation. England blockaded Germany's Baltic north coast and Foch enforced the Order's unsparing blockade by land. Above, Masonic "Crusader" Ferdinand Foch, the intimate friend of the Order's American Knights of Columbus, stands with his black-robed Masters at America's secret capitol, Jesuit Georgetown University!

Haig fought the battles of the Somme (1916) and Passchendaele (1917) sending hundreds of thousands of British soldiers to their deaths earning the nickname, "the Butcher of the Somme." The Order's Masonic Military Coadjutors on both sides cunningly conducted a war of attrition, slaughtering the finest of White British, French, German, Russian and Italian "heretic" and "liberal" manhood.

General of the U.S. Armies, John J. "Black Jack" Pershing, 1920 #353

Called "Nigger Jack" by West Point cadets due to his command of Black soldiers during the Order's "ethnic cleansing" of American Indians, apostate Protestant Pershing fought the Pope's wars from the Spanish-American to WWI. Promoted to Brigadier General via the Masonic influence of President Theodore Roosevelt, he created the Empire's "National Army." Promoted in 1920 to full generalship (held only by Washington, Grant, Sherman and Sheridan), his WWI command of America's two million troops had led to the Fed's defeat of "the Hun" in 1918.

Crown Prince Rupprecht and Kaiser Wilhelm II, 1916 #354

As Army Commander in the West, Crown Prince Rupprecht von Wittelsbach was a Knight of Malta whose first allegiance was to the Pope of Rome. With Knight of Malta Franz von Papen's Catholic Center Party repealing the anti-Jesuit laws of 1872, the Sons of Loyola legally re-entered the Prussian Empire in April of 1917 bringing with them the might of their Federal Reserve-backed American Military: the ***Black Pope*** was eager to finally defeat the Kaiser's otherwise invincible German Armies. Freemason and Grand Admiral von Tirpitz's unrestricted submarine warfare, secretly aided by Ireland's Jesuits and Britain's Lord of the Admiralty (Freemason Winston Churchill), effectually brought America into the War. Prince Rupprecht, advised by Jesuits in the field including wounded Munich Jesuit Chaplain Rupert Mayer, contributed to General Ludendorff's request for an Armistice and the abdication of Protestant Kaiser Wilhelm II. The Crown Prince would return to his Bavarian Court where he would conspire with Papal Nuncio Archbishop Eugenio Pacelli and Munich Archbishop Michael Cardinal von Faulhaber to bring Freemason Adolf Hitler to power and the final destruction of "heretic" White Protestant Prussia! ***The Guns of August***, Barbara W. Putschists are (L-R) Pernet, Weber, Frick, Kriebel, General Ludendorff, Hitler, Brueckner, Roehm and Wagner. Insubordinate to the Kaiser and contributing to Germany's defeat, Jesuit Temporal Coadjutor Erich Ludendorff blamed Masonic Jewish political leaders and bankers for the Bolshevik Revolution and Germany's horrible economic collapse as a result of the evil Versailles Treaty. He promoted Hitler's Nazi Party, financially backed by the **Black Pope**'s Federal Reserve Bank of New York and Masonic Montagu Norman's Bank of England, Norman working with Reichsbank President Masonic Gentile Hjalmar Schacht. ***The Burden of Guilt: A Short History of Germany, 1914-1945***, Hannah Yogt, (New York: Oxford University Press, 1964) pp. 22, 78.

Shriner Warren Gamaliel Harding, 1865 – 1923

Born to Abolitionist medical doctor George Harding in the fugitive-slave district of Blooming Grove, Ohio, Warren was the oldest of eight children. His mother Phoebe, a Seventh-Day Adventist, instilled in her son Protestant morality, daily reading the Lord's AV1611 Bible. Able to read at age four, Warren was not exceptionally bright and bore the stigma that he was "part nigger," his paternal great-grandmother Elizabeth Madison having been a "Negress." Graduating from Ohio Central College at sixteen, he became sole owner of the *Marion Star* and openly posted his journalistic "Star Office Creed" enjoined upon all of his employees.

Successful in business, the ruinous mistake of Warren's life was in marrying the wicked Florence Kling, an unwed mother who hated her abusive father and sought to dominate all men—thereby, according to Harding, giving him "a hell of a life," while driving him into the arms of many other women—including Nan Britton. Surnamed "the Duchess," Florence regularly invited astrologer Madame Marcia to the White House, the witch having previously foretold that Warren would be elected President but would suddenly die in office by "poison."

Brought to Washington via the successful election campaign of the Order's "Ohio Gang" led by criminal intriguer Harry M. Daugherty, Harding nonetheless accomplished much good for our country after the Order's sacrifice of 116,708 American soldiers and the forced indebtedness of billions of dollars to the **Black Pope**'s Federal Reserve bankers having financed socialist Woodrow Wilson's WWI de facto dictatorship.

Seeking a "Return to Normalcy," Harding reestablished political and economic isolation, limited the powers of the Chief Executive declaring that relief measures were a local responsibility, and sought to rebuild private "laissez-faire" free enterprise.

Aided by Senator Henry Cabot Lodge, he refused to join the Papacy's League of Nations; he refused to engage in any treaty that would require a military response in defense of the contractual parties thereby avoiding another World War; he sponsored the 1921 Washington Conference for the Limitation of Armament boldly declaring, "Our hundreds of millions want less of armaments and none of war;" he created the Bureau of the Budget binding the federal government to a fixed budget for the first time in its history; he called for "less government in business" (including farm subsidies) as did President Ronald Reagan, and signed the Fordney-McCumber Act in 1922 setting the highest tariffs in American history—protecting the products of both farm and factory; and he ended the depression of 1920 within eighteen months igniting the prosperity of "the Roaring Twenties." But Harding's immoral life emboldened his enemies against him!

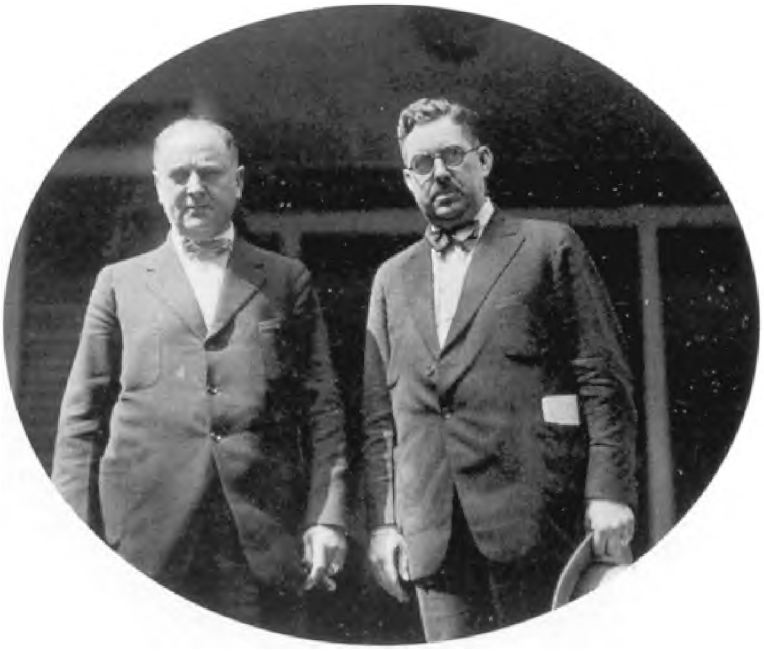
Betrayed by several cabinet members, wife, and closest friends, Harding was given the Order's "poison cup," after which "the Duchess" refused an autopsy, immediately embalmed the body, was without feeling at the most attended funeral since the Lincoln assassination, and subsequently burned nearly all the President's letters. For resisting the Order's policies Warren Harding's reputation was ruined—exactly as was done to JFK!

President Harding, "Doc" Sawyer, Christian, and Florence, 1923 #358

This last picture of Harding was taken as he disembarked the train at San Francisco ruled by the Jesuits in which they "swim in a golden sea" according to ex-priest Charles Chiniquy. The President died in the city's Palace Hotel under the eye of the Company fortressed at its University of San Francisco built in 1855.

The ***Black Pope***'s Assassins At President Harding's Funeral, 1923 #359

According to then FBI agent and former Harding Secret Service agent Walter Thayer's 350,000-word, 1930 report titled "The Harding Poison Murder Case," the President was poisoned four times during his "Voyage of Understanding," ending with his death in San Francisco. Harding's homeopathic physician, Brigadier General and "Rasputin to the Duchess," Charles "Doc" Sawyer, was the cunning murderer aided by Florence "the Duchess" Harding, and by the President's controlling White House Secretary, George B. Christian, Jr. Rightly called a "popish plot" by the KKK, the murder was indeed overseen by the Order's Edward B. "Ned" McLean through Attorney General Daugherty who was never convicted for any of his crimes. Masonic Jesuit Coadjutor J. Edgar Hoover destroyed Thayer's report calling him "mentally unbalanced:" Hoover would again destroy key evidence in the Kennedy Assassination forty years later. ***Florence Harding: The First Lady, The Jazz Age, and the Death of America's Most Scandalous President***, Carl S. Anthony, (New York: William Morrow & Co, 1998).



Harry M. Daugherty (1860 – 1941) and Jess Smith, 1922 #360

The **Black Pope**, controlling Coadjutor Daugherty's "Ohio Gang" and Chicago's 1920 Republican National Convention, put Masonic Harding in office, preparing for WWII in furthering his Counter-Reformation.

The President then appointed Daugherty as Attorney General secretly ruled by his "dollar-a-year" employee, multimillionaire and *Washington Post* owner Ned McLean, whose Irish Catholic wife, Evalyn, was the intimate friend of "the Duchess" and owner of the accursed Hope Diamond. Deporting Marcus Garvey for opposing the mongrelization of America, Daugherty built the Order's liquor empire, his sodomite companion Jess Smith selling "permits" to certain mafiosos and bootleggers including Papal Knight Joseph P. Kennedy.

The AG's Bureau of Investigation (BI) Director was the corrupt William J. "Billy" Burns, the boss of corrupt Gaston Means (who later diverted attention away from Harding's real assassins, claiming "the Duchess" acted alone): his second-in-command was Masonic J. Edgar Hoover who, until the 1963 congressional testimony of informer Joseph Valachi, denied the existence of "the Mafia."

In 1922 Congress charged Daugherty that he had failed to enforce the antitrust laws; had refused to prosecute war profiteers and bootleggers; had obtained pardons for favored criminals; had employed corrupt people in the Justice Department; had sent federal agents to harass congressional critics (which increased during Senator Thomas J. Walsh's 1923 investigation of the Teapot Dome Scandal); had diverted funds to illegal uses, and had failed to prosecute Rockefeller's Standard Oil for trespassing on government oil lands thus protecting the Order's CFR-led invisible business empire, legal and illegal.

Harding was then murdered, blamed for all of Daugherty's scandals, including Teapot Dome involving oil magnate and Knight of Malta Edward L. Doheny who both built and filled U.S. Naval oil tanks in Hawaii in preparation for WWII. Coadjutor Daugherty died unscathed, after twenty years of peaceful retirement.

Masonic British General Allenby Entering Jerusalem**, 1917** #361

Alas! Without firing a shot and after Moslem rule for 673 years, the Holy City is finally yielded by the Company's Masonically-ruled Islamic Ottoman Empire to the Company's Masonically-ruled, Vatican-controlled, Protestant British Empire. On December 11, Field Marshall Edmund Henry Hynman Allenby, Commander of the British and Allied Forces, entered the city through Jaffa Gate—following the custom of the Pope's Crusaders! Declaring he would not march into "the city of the Great King" as a conqueror but as a pilgrim, the Empire's finest cavalry commander dismounted, entering on foot. General Allenby enabled the Order's British Masonic Labor Zionists (financed by the Vatican's Jewish Rothschild bankers) to restore the Pope's Holy Roman Empire with its crucially historic "Kingdom of Jerusalem" to be created in 1948—the Nation of Israel. During the 21st century, the Third Hebrew Temple is to be built for Satan's Antichrist! Its financing will come from Rome's Federal Reserve Bank ruled by the SMOM!

The Honorable Louis T. McFadden (1876 – 1936), 1920s #362

As our Chairman of the Committee on Banking and Currency, Republican Pennsylvania Congressman Louis McFadden (1915-1935) righteously declared total war on the ***Black Pope***'s Federal Reserve Bank.

Decrying that the Federal Reserve Board had "usurped the Government of the United States," on January 13, 1932, he introduced a resolution indicting the Federal Reserve Board of Governors for "Criminal Conspiracy," alleging it had "conspired to destroy constitutional government in the United States."

With the act ignored for nearly a year, on December 13, 1932, he put forth a motion to impeach the Order's CFR and Bohemian Grove member President Herbert Hoover: it failing, McFadden was declared "legally dead" by the CFR-controlled Republican majority leader of the House—with the silent consent of the Democrats. Six months later, on May 23, 1933, he went for the bank's jugular, introducing House Resolution No. 158 seeking to impeach the Secretary of the Treasury; two Assistant Treasury Secretaries; and the Fed's Board of Governors along with the officers and directors of the Fed banks for Conspiracy, Fraud and Treason, including their collusion in causing the Great Depression via extending 80 billion dollars in bank credit in 1928 resulting in the 1929 collapse of the market—aided by the great short-seller of stock, Cardinal Hayes' Knight of Malta Joseph P. Kennedy!

McFadden knew that the Fed had financed WWI, the Bolshevik Revolution and now the rise of fascism in Germany. Fearing the ascent of an absolutist dictator beholden to a foreign-ruled bank that had stolen the nation's gold, our hero made one grave mistake: he followed the leadership of Henry Ford and Charles A. Lindbergh by blaming "the International Jews." Never a word was uttered against the Vatican or its American "trusted third party," the Company's CFR (ruling the Fed), then and now full of Jewish Labor Zionists betraying their own race while beholden to the Papacy.

In 1936, after two attempts on his life—the first by gunshot and the second by food poisoning—, McFadden died suddenly of "intestinal flu:" yes, an invisible hand slipped him "the poison cup."

Freemasons FDR and Marriner S. Eccles, Fed Chairman, 1935 #363

With the Company using short seller Joseph P. Kennedy and its Federal Reserve Bank to cause the Great Depression of 1929, the Order's calculated solution was its socialist New Deal. A key player was the son of a rich Utah banker, Mormon Freemason Marriner S. Eccles (far right). Following the socialist rhetoric of the Order's radio priest, Charles Coughlin, Eccles advocated deficit spending in the form of paternal relief measures, including a minimum wage law, unemployment insurance and old age pensions. Appointed Secretary of the Treasury in 1933, ten months later he became Chairman of the Federal Reserve Board (1934-1948).

He wrote the Banking Act of 1935 (signed into law above) thereby perfecting the Fed by centralizing all power in its Federal Reserve Board and establishing the independence of the Board from the Treasury. Eccles, giving the appearance of saving the Bank, in fact created the monster it is today: its New York Branch and Federal Reserve Board in Washington are now ruled by Georgetown Jesuits through key Bank officers who are notorious CFR members. Eccles went on to become the U.S. delegate to New Hampshire's 1944 Bretton Woods Conference, which created the **Black Pope**'s World Bank and International Monetary Fund thus paving the way for world commerce under *"that man of sin*—the beast." Like Romanism, the Mormon Empire under the guise of religion is a tentacle of the Order's "Invisible Empire," Jesuit Pierre De Smet directing Mason Brigham Young to the Great Salt Lake when they met at Council Bluffs, Iowa, in 1846.

Knights of Malta William E. Simon and Gerald R. Ford, 1975 #364

This White House meeting over the New York City fiscal crisis of 1975 illustrates the unified economic power of the Archbishop of New York's bankers guiding the policies of the American President. From left to right: L. William Seidman, President Ford's economic assistant; Ellmore C. Patterson, Chairman of J. P. Morgan & Co.; CFR member Walter B. Wriston, Chairman of Citicorp, the largest bank in the United States; Knight of Malta and CFR member William E. Simon, Secretary of the Treasury who, with Congressional approval, negotiated a government loan to Knight of Malta Lee Iacocca's Chrysler Corporation for the rebuilding of its manufacturing base including its M1 Tank production capabilities in preparation for the Order's Crusade against Islamic countries; Knight of Malta, 33rd Degree Freemason, CFR member, President Gerald R. Ford, a Warren Commission member and accomplice in the cover-up of the JFK assassination; 33rd Degree Freemason, Bilderberger, CFR Chairman of the Board (1970-1985) David Rockefeller, Chairman of Chase Manhattan Bank; and the Austrian-born Roman Catholic CFR member Arthur F. Burns, Chairman of the Federal Reserve Board, Washington, D.C. Papal Knights Simon and Ford, under the guidance of the CFR ruled by the Jesuits of Georgetown and Fordham Universities, were the Order's "trusted third parties," at that time administering the **Black Pope**'s cartel-capitalist, socialist-communist economic policies of the "Holy Roman" Fourteenth Amendment American Empire. Every subsequent administration, Republican or Democratic, has continued to be the Order's "trusted third party" implementing the decisions of the CFR. John F. Kennedy knowingly resisted his Jesuit masters for which he was publicly "terminated."

The Eccles Building, Fed Headquarters, Washington, D.C., 1989 #365

As Hawaii's Laie Mormon Temple was patterned after the ancient Temple of Solomon, even so the Eccles Building resembles the historic Jerusalem Temple. Distinct from the location and function of the Department of the Treasury, this impressive "pagan cathedral" built for the Federal Reserve Board illustrates the power of the ***Black Pope*** decreeing the Empire's economic policies. The Fed is controlled through the Council on Foreign Relations (CFR) with offices in both New York City and Washington, D.C. The CFR is overseen and guided by the Jesuits of Georgetown University; the Order's enforcers, keeping all politicians in line who may be a threat to its Fed, is the FBI/CIA—the co-assassins of JFK!

The ***Black Pope***'s Federal Reserve Bank, New York City, 2002 #366

Built upon the blood and treasure of all Americans, this most important bank of the twelve member banks financed the Pope's Second Thirty Years' War (1914-1945); both sides of the Pope's Cold War, including the military and financial buildup of fascist Roman Catholic post-war Europe, communist Russia, Red China, Islamic Iran, Iraq and Saudi Arabia (1945-1989)—and now the Papacy's Anglo-American-led Crusade against the Moslems. Holding the largest gold reserves in history, this Vatican monopoly has enslaved the United States via its exclusive privilege to create credit for the unlimited use of the Congress thus resulting in a massive national debt protected by the Fourteenth Amendment. ***Know Your Government: The Federal Reserve System***, Gary Taylor, (NY: Chelsea House Pubs., 1989) p. 93.

Federal Reserve Bank's Gold Vault, New York City, 2000 #367

Totaling over 600,000 bars of bullion, this is the **Black Pope**'s mountain of gold obtained by deceit, murder and war for the last 100 years. Ably explained by the brilliant Jew, Emanuel M. Josephson in his masterpiece *The "Federal" Reserve Conspiracy & Rockefellers: Their "Gold Corner," (New York: Chedney Press, 1968),* the Order succeeded in consolidating all of the nation's gold into the basement of its Federal Reserve Bank of New York City (its first Chairman having been Skull and Bonesman Pierre Jay) via its "trusted third party," the Council on Foreign Relations. Using their "Knights" of every stripe manning the Masonic banking Houses of Morgan and Rockefeller, the Company has given the world nothing but worthless paper currencies with which to transact business since the end of the global gold standard in 1971. After the Papacy's present World War against the peoples of Islam and the West, America will be defeated and partitioned, its Roman Catholic Northeast to be occupied by European forces. These gold bars will be moved to Israel via Switzerland to adorn the Third Hebrew Temple—*"the temple of God." (Revelation 11:1-2)* The Order's rich *"merchants of the earth . . . have heaped treasure together for the last days." (Rev. 18:11; James 5:3)*

Knight of Malta Geoffrey T. Boisi, 2005 #370

Pictured above is one of many powerful Roman Catholic American Knights of Malta serving the occult government of the **Black Pope**. Mr. Boisi's extensive resume illustrates the totality of control with which the Jesuit Order rules the American Empire's investment banking industry. That power extends—and has always extended—to prominent New York Jewish banking firms via the Order's New York-based Council on Foreign Relations. This cleverly hidden truth lays to rest the rhetoric of right-wing, neo-fascist propagandists of every stripe who deceptively blame the Jews in general for the Great Depression of 1929, our de facto national bankruptcy in 1933 and the resultant financial and monetary monopoly of the Company's wicked Federal Reserve System, its New York branch holding the nation's gold reserve to which FDR (whose 1924 political comeback he attributed to New York Governor, Knight of Columbus Al Smith) gave all right, title and interest.

Mr. Boisi is a trustee of the Carnegie Corporation of New York; the chairman and senior partner of Roundtable Investment Partners, LLC; a general partner in Rhone Group, LP; a special limited partner of The Tremont Group, LLC; a member of the board of directors of Freddie Mac; an overseer of the Wharton School (which New York Roman Catholic industrialist Donald Trump attended); a trustee of the Order's Boston College; a director of the CFR-controlled Brookings Institute; a trustee of (Knight of Malta) Joseph P. Kennedy Enterprises; a member of the Trilateral Commission; and a trustee of The Papal Foundation.

Mr. Boisi has been Vice Chairman of JPMorgan Chase serving as CEO of JPMorgan (evidencing the bond between both Morgan and Rockefeller Empires); a founding member of The Beacon Group later acquired by Chase; a senior member of Goldman, Sachs serving as partner-in-charge of global finance, head of investment banking services and partner-in-charge of mergers and acquisitions. Receiving the Cancer Research Institute's Oliver R. Grace Award and honored by John Paul II as a Steward of St. Peter, Mr. Boisi serves *"that great city which reigneth over the kings of the earth." Knight of Malta Edward L. Hennessy, Jr., 2006 #371

The Jesuits always keep their fascist Irish Roman Catholic cartel-capitalists out of sight while parading their socialist-communist CFR-controlled Masonic Court Jews in the limelight, thus "proving" the "international communist conspiracy" for a world government is "Jewish." Let us read the resume of this powerful Papal Knight given by Florida's Palm Beach Civic Association for 2006:

"Mr. Hennessy served as chairman of the board and CEO of Allied Signal, Inc. from 1979 to 1992. Prior to that, he was executive vice president, a director, and a member of the executive committee of the United Technologies Corporation. Mr. Hennessy was a financial consultant to the Vatican and a former director of six New York Stock Exchange companies. He served two terms on the board of the New York Federal Reserve Bank [*proving that the privately-owned Fed is ruled by the agents of its owner—the Pope of Rome!*].

He is a trustee of Stevens Institute of Technology and Palm Beach Community Chest/United Way, where he cochaired the Alexis de Tocqueville Society for three years, and is a director of the Palm Beach Fellowship of Christians and Jews [*Roman Catholic Papal Knights, Masonic Protestants and Masonic Court Jews serving the Pope*] and the Palm Beach Round Table.

He served on the Shore Protection Board for the Town of Palm Beach. Mr. Hennessy was vice-chairman of the national March of Dimes and is a former 14-year chairman and a trustee of his alma mater, Farleigh Dickinson University. He has several honorary degrees and is a Knight of Malta, Knight of St. Gregory [*as is the fascist New-Republican Right Ajax, CFR member and Fox News Media Mogul Rupert Murdoch*] and Knight of the Equestrian Order of the Holy Sepulchre."

Knight Hennessy and his brother crusaders rule the American Empire at its most crucial centers of religious, financial and political power.

Hennessy is the slave of his master at St. Patrick's Palace Cathedral in New York City, the "Archbishop of the Capital of the World," Edward Cardinal Egan!

Knight of Malta Lachlan Reed, 2006 #372; #373

Knowing that British SIS agent and Knight of Malta Sir John Philby was a most important player in making Ibn Saud the king of Saudi Arabia thereby giving Mecca and Medina into the hands of the Order's Nazi-fascist Wahhabi Islamists, we can understand how the Papacy rules its Saudi Arabian oil fields.

One of the Pope's agents is Knight Lachlan Reed whose fellow directors in Florida's Palm Beach Civic Association also include Knight of Malta Alexander M. Haig, Jr. "Dr. Reed's business, governmental and philanthropic work in the US and abroad stems from his birth in Turkey and experience in the Middle East. After Andover, Yale and the U.S. Navy in WWII, he taught at Andover, was a special assistant in the Eisenhower presidency [*which employed several Knights of Malta including Charles E. Bohlen and the Dulles Brothers*] and later an executive with Honeywell.

In the 1960s and 1970s he organized several start-up businesses in the Arab Gulf States: General Electric radars (Saudi Arabia), DuPont explosives (Dubai, Oman), Caterpillar (Abu Dhabi) and Dairy Queen (several states). In Stockholm and London, his Computer Systems International Companies became part of Bankers Trust and Tradax. Reed later headed volunteer pro bono medical missions to Egypt, Syria, Palestine, Turkey, Iraq and Yemen.

Currently, as a member of the Order of St. John [*Knights of Malta*], he helps the Order's Ophthalmological Hospital in East Jerusalem [*a photo of which is in VAIII*]. He is an active trustee of the American University in Cairo, International College in Beirut, AmidEast, ANERA and Americans for Middle East Understanding.

A Palm Beach resident since 1980, he serves on the boards of the Society of the Four Arts, the Preservation and Bio-Motion Foundations, and the Palm Beach Tennis Patrons. He is a member of the Society of the Four Arts and of the Bath & Tennis, Everglades and Seminole Golf clubs." This Knight is one of several Hospitallers presently ruling Arab Moslem nations for benefit of the Vatican!

Papal Caesar **JPII at the Capitol, Washington, D.C., 1995** **#374**

What was once the legitimate fear of American Protestants and Baptists is now a stark reality. The Devil's Pope of Rome rules the "Holy Roman" Fourteenth Amendment American Empire: indeed, Washington is in the Lap of Rome! The Order, with its twenty-eight colleges and universities, has gained plenary control over the Empire's religious, economic, military, academic and industrial affairs.

With the ascendancy of Masonic Theodore "Rex" Roosevelt to the Presidency, via the Order's assassination of William McKinley, the Executive Mansion was renamed "The White House," as the Pope is always dressed in "White." Thus, the Empire belongs to the Pope, its Fourteenth Amendment Citizens belong to the Pope, its White House belongs to the Pope and the Empire's domestic and foreign policies are the Pope's, financed by his Federal Reserve Bank overseen by his Knights of Malta within his NYC-based Council on Foreign Relations.

Jesuit Power — Ultramontane Universal Fascist Absolutism Justified by the Order's "International Communist Conspiracy" Ultimate Goal: World Government From Jerusalem

"In our country, there was a time when the proudest appellation a man could bear was that of American Citizen. 'I am an American citizen,' implied liberty and safety—protection and justice. Then, the national shield was, indeed, a shield with arms—a shield which defended the citizen against every act of tyranny and usurpation—a shield which guarded him on land and sea, at home and abroad. Then, personal liberty was a citizen's birthright. Then, free speech was unshackled. Then, Mr. Webster could exclaim: 'It' (free speech) 'is a homebred right—a fireside privilege. It has ever been enjoyed in every house, cottage, and cabin in the nation. It is not to be drowned in controversy. It is as undoubted as the right of breathing the air and walking on the earth. It is a right which cannot be invaded without destroying constitutional liberty. Hence, this right should be guarded and protected by **the freemen** of this country with a jealous care, unless they are prepared for chains and anarchy.' " {1}[Emphasis added]

". . . take the Jesuit for what he ought or appears to be, and you commit the greatest of blunders. Draw the character after what the Jesuit seems to be in London, you will not recognize your portrait in the Jesuit of Rome. The Jesuit is the man of circumstances. Despotic in Spain, constitutional in England, republican in Paraguay, bigot in Rome, idolater in India, he shall assume and act out in his own person, with admirable flexibility, all those different features by which men are usually to be distinguished from each other. He will accompany the gay women of the world to the theatre, and will share in the excesses of the debauchee. With solemn countenance, he will take his place by the side of the religious man at church, and he will revel in the tavern with the glutton and the sot. He dresses in all the garbs, speaks all languages, knows all customs, is present everywhere though nowhere recognized—and all this, it should seem (O monstrous blasphemy!), for the greater glory of God—*ad majorem Dei gloriam.*" {2}

Popery. An Enemy to Civil and Religious Liberty; and Dangerous to Our Republic

"With regard to the doctrine of Popery you need not seek for it in the books of those theologians who, like [*French priest and crypto-Jesuit* **Jacques-Benigne**] **Bossuet** [*1627-1704*] and [*Irish* **Nicholas Cardinal**] **Wiseman**, [*1802-1865; first Archbishop of Westminster*] have described a Catholicism quite different to that which it really is, and thus ensnare sincere Protestants to enter the Roman Church. You must go to Rome, and observing all things with a searching eye, you will see that real Roman Catholicism has three different doctrines—**the *official* doctrine**, which is very elastic, and as such, may be understood in not a bad sense. That doctrine serves as a weapon to the Jesuits and their adherents; and with the double meaning to that doctrine they show faithful Catholics that the Protestants calumniate Catholicism. They have a second doctrine, which they call the theological doctrine, which goes much further than the official doctrine, but still is restrained within certain limits. Finally, there is the real doctrine, that which is taught to the people, and which they practice; which is full of superstitions and often full of impiety. . . .

Popery Jesuitised can only be known in its reality in Rome. Only in the Secretariat of State, in the Secretariat of extraordinary ecclesiastical affairs, in the Congregation of the Propaganda, and in the Congregation of the Inquisition, can you learn the elucidation of all that mystery of iniquity; there alone can you learn the subterfuges and the evil arts that they adopt to draw all the kingdoms of the earth under the yoke of the Pope. It is an incredible thing to say, but it is, nevertheless true; Rome is glad of the progress of infidelity and rationalism [*French Jesuit* **Pierre Teilhard de Chardin** *having been a chief promoter of the infidel doctrine of evolution and the New Age Movement*], because it hopes, and not without reason, that a country which becomes infidel is more easily made subject to Popery [*as is the case among the majority infidel American peoples of 2007*]. . . .

The policy of Jesuitised Rome is contradictory and deceitful; it proclaims and condemns at the same time liberty of conscience; it proclaims it in the countries where it does not rule [*as did* **James Cardinal Gibbons**], to be able thus gradually to sow confusion, and one day to get dominion [*as in America today*]. It condemns it in the countries where it rules, for fear of losing this dominion. Such conduct shows evidently that it does not act on any higher principle than that of its own interest. I should never be able to finish were I to enumerate all the monstrosities which are included in the fusion of Popery with Jesuitism." {4} [Emphasis added]

Popery, Puseyism and Jesuitism

"**Cardinal James Gibbons . . .** who is now **The Prince of Baltimore . . .** is the American soap and soap gourd of the Italian church. He is the tabby cat that purrs, roaches his back for a caress, and pussy-foots noiselessly about the sitting-room, until the Mistress leaves it to doze on the rug before the fire, while she goes out to see after the kitchen. Upon her return, she is shocked to find that the cat has made a meal of the canary, and is looking as amiably innocent, as though it were calmly waiting to be fed. . . .

Less than forty Italian priests, calling themselves "*the Sacred College*," appoint another Italian priest, whom they call *the Pope, the Papa, the Pontifex Maximus* ["*the supreme builder of bridges*"]. . . .

Less than forty Italians, here in this Twentieth Century, . . . are censoring our public libraries, our public press, our corporate news-services, dictating to American Catholics what they shall read, shall believe, shall say and shall do. The arrogant Ring of less than forty Italians sends its lobby to State capitals and to the national capital to watch legislation, wire-work against laws favorable to freedom, and to plot and bulldoze in favor of legislation which augments the power and the wealth of the Italian Ring.

Thus an ecclesiastical **Tammany** [**Hall**], entrenched within a 'religion,' and speaking in the name of the Triune God and all the Saints, arrogates to itself, and over the whole earth, the despotic and corrupt control that the **Tweeds**, the **Crokers** and the **Murphys** have exerted over New York.

Nevertheless, **Cardinal Gibbons, a Jesuit**, has the infinite impudence to describe this **Italian Tammany** as The Light of the World, the author of all good things, the conservator of liberty and liberalism, the parent of just laws and honest government, the pillar of radiance that leads mankind to the Promised Land of universal Love, universal benevolence, universal brotherhood, universal toleration [*via his League of Nations*]!

What a dreadful mistake the Infallible Pope, **Clement XIV**, made when he condemned and suppressed the Jesuits. This Infallible Pope declared at the time he signed the decree, (1773) that he was signing his own death warrant. He never spoke a truer word. In a short while, (1774) he died. . . . Then the Jesuits came back. Another Pope, equally Infallible as the poor fellow the Jesuits poisoned, decided that the decree abolishing them was wrong. . . . They now rule the Pope and the Papacy. They are now the **Italian Ring** that claim the divine right to rule the world and to carry the keys of the Hereafter. **And Cardinal Gibbons is one of them.**" {5} [Emphasis added]

Popery: In Its Relation to
Civil and Religious Liberty

"IN THE softest way of the pussy-footer, **Cardinal Gibbons** has already established three Roman Catholic national functions. . . . Pan-American Thanksgiving [*commercially uniting Roman Catholic Central and South America with Protestant North America through one of the Order's maxims of world government—"British free trade"*] . . . "Cardinal's Day" [*attended in Washington City by the highest legislative, executive, and judicial officials administering the American government, and*] . . . Columbus Day. . . . The American prelates softly tell us that the Pope's power is only spiritual [*with never a mention of the doctrine of the Pope's universal, bloody temporal power*]. What business then, has our Government to be honoring the ambassador of a spiritual sovereignty? . . . *How does our Federal Government come to be in official touch with the Pope of Rome?* The whole status is unlawful, *and it is dangerous.* It was never known, until the time of **President** [**Grover**] **Cleveland** [*(1885-89), a creature of the Order's New York City political machine who served two terms*]. . . .

But in addition to having compelled our Government to connect itself officially with the Italian popes, the Catholic lobby at Washington has succeeded in establishing permanent relations with the national treasury. Never a Congress expires that does not lavish public money upon the pope's charitable institutions in Washington, and on his Indian schools, in which his teachers wear their religious garb and practically teach the pope's religion. Never a Congress can come and go, without the pope's lobby clamoring for more chaplains and more authority to compel non-Catholics to surrender their religious freedom.

In the Army and Navy, religious liberty has already been stamped out by the Catholic chaplains. **Cardinal Gibbons**, and his lobbyist, [*Knight of Columbus*] **O'Hearn**—backed by the ubiquitous and inevitable [*private secretary to* **President Woodrow Wilson**, *Roman Catholic* **Knight of Columbus Joseph P.**] **Tumulty** [*the intimate friend of Cardinal Gibbons's* **Supreme Knight** *of the*

Knights of Columbus, **James A. Flaherty**, *as well as an associate of another* **Knight of Columbus, Admiral William S. Benson**, *Chief of Naval Operations*]—compelled this Democratic administration [*of President Wilson*] to raise the chaplains to the rank of officers: therefore, as a matter of military discipline, the soldiers and sailors are forced to attend the monkey mummeries of papal worship. . . .

But the Vatican and its American satellites have been able to do another great work for the Roman system. The have been able to compel **two Presidents**, *of opposing politics,* to put a veto upon the law-making branch of our Government, in the matter of Immigration [*even as the Order is behind the present, illegal, alien invasion of Mexican Roman Catholics*]. They have been able, in each instance, to interpose the will of one man, to defeat the will of an overwhelming majority of the people's representatives. They have been able to control [*pro-Knights of Columbus*] **Wilson**, the Democrat [*who gave America the Marxian Federal Reserve Banking System*], with the same ease that they controlled [*Masonic Bonesman*] **Taft**, the Republican [*who instituted the wicked, Marxian Sixteenth (Income Tax) Amendment*]. They have been able to prevent the Congress of the United States from carrying out the wishes of the American people. . . .

It would seem that the Vatican might ease up awhile, and rest on its laurels. It has gained so immensely since Cleveland's era, that even a rapacious papacy might well afford to wait, be patient, and be conciliatory. It has the Chief Justiceship of the highest court in the Republic [*Roman Catholic* **Edward D. White** *(1910-1921), appointed to the Court by* **Grover Cleveland** *in 1894)*]: it has an acting President in the White House [*apostate Presbyterian* **Woodrow Wilson** *controlled by his Secretary, Knight of Columbus* **Joseph P. Tumulty**]. It has established three national functions: and it has entrapped the Federal Government into the unlawful Pan-American Union [*intending to ultimately destroy the Protestants of North America, while the Order was also promoting the Pan-Slav movement with the post WWI creation of Yugoslavia, and preaching the Pan-German movement as outlined in Hitler's Jesuit-authored Mein Kampf, both movements later resulting in the mass-murder of "heretic" Orthodox Serbs and "heretic" Lutheran Prussians during WWII*].

It has captured the Government Printing Office entirely, and the **Knight of Columbus**, who is in charge, has carried out the pledge contained in that alleged oath, by discharging Protestant employees. It has captured three-fourths of all patronage in the Departments at Washington: and the few Protestants who work there know that they are spied upon systematically by the Catholics.

They have compelled the railroads to haul their priests, and their nuns, and their chapel-cars free of charge. They have got control of nearly half of the

Army and Navy, through their unlawful chapel at West Point, and their successful demand for officer-chaplains in the service. They have so terrorized our daily papers that not one of them dares to print the truth about the causes of the Mexican revolution, or about such papal crimes as the cowardly assassination of **William Black** [*a Bible-believing ex-priest turned Congregational minister who publicly asserted he had taken the "alleged" Fourth Degree Oath of the Knights of Columbus as recorded in the Congressional Record of 1913*] by the **Knights of Columbus** [*in 1915*]. They have piously filched from doped Americans hundreds of millions of dollars, invested in the choicest realty, and exempt from taxation. They have legalized the process by which their sweat-shops are supplied with Protestant slave labor, furnished by the so-called Juvenile Courts. They have imprisoned for life 56,000 American women, under the pretense that those women are ravenously fond of confinement; and *they bitterly resent the proposition that the States shall open those prison doors, and ask those women whether they want their freedom.*

Wouldn't you think that even so avaricious a potentate as the Italian pope might be content with all this accumulation of wealth, privilege, and power—content for a little while?

But he isn't. The more he gets, the more he wants. While a papal object remains unattained, nothing has been done. Consequently, we have a papal campaign under way to establish a censorship of the press, in the interest of Roman Catholicism. They want to go back to the **Middle Ages**, as nearly as possible, and to enjoy the privilege of shielding from criticism the most hateful and ruinous system that ever cursed the human race. . . . **Good God!** Was ever a people so betrayed and mocked and crucified, as our people have been, by this Democratic administration [*of* **President Woodrow Wilson** *who, during his post war trip to Europe, was given an "audience" with the nefarious Pope of Rome*]?" {6}[Emphasis added]

"In the first discourse it was stated that Romanism is not a religion, but a world-wide political organization, and that it has designs on the United States. . . . In the preceding lecture I affirmed that the decrees of Romanism against the heretics have not only never been rescinded, but are still taught as doctrines divine, and that the old-time spirit of persecution—shorn of its legal power—is yet in existence, manifesting itself in numerous ways. . . .

Thomas Aquinas lived in the thirteenth century, but his "*De Regimine Principum*" and "*Summa*" are still taught in the Catholic seminaries. **Pope Leo**

XIII, in his Encyclical of 1879, commanded that all the doctrines of Aquinas should be taught [*Aeterni Patris, para. 31*]. And that command, like all other Papal commands, is still law in the Catholic Church. I can give you only a snatch of this present-day Catholic teaching, and here it is—*verbatim et literatim.*

'The Church of Rome is one monarchy over all the kingdoms of the earth, and is, among the temporal kingdoms, as the mind or soul in the body of a man, or as God in the world. The church of Rome was instituted by Christ to direct men into the ultimate end of man; and therefore must be unerring, and must also govern all secondary ends; must order everything which has the least relation to the ultimate end, whether it helps or obstructs men in reaching the end. Therefore the Church of Rome must not only have all spiritual power, but also the supreme temporal power.'

How does that sound over here in America in the year 1914? . . . From the first proclamation of **universal Papal supremacy** down to the last word spoken upon the subject by the present pontiff, the Catholic Church has taught, as she intends to always teach, that **the pope is the only logical ruler of the world. . . .**

Why is it that the Roman Church has a standing cabinet which, through her agents the world around, keeps the Vatican posted regarding all details of governmental affairs under the sun [*including the assassination of JFK*]? And if the Vatican is not in politics, why does it wish such information? . . .

Why did **President Taft** send **Major Butt**, an employee in the United States Government, over to Rome? I've seen the explanation that Major Butt simply carried the greetings from the President to the Pope. But why partiality? Why didn't the President send the Major with greetings to the head of the Episcopal Church in England, and the head of the Lutheran Church in Germany, and the head of the Greek Church in Russia? [Applause.] Are we to conclude that his supply of greetings was too limited to go around? [Laughter.] I do not wonder that the **'Titanic,'** on which the greeting-bearer was returning home, decided to hide her blushing face and plunged to the bottom of the ocean [*the rousing Southern speaker being completely unaware of* the ***Black Pope***'s *purposed murder of Major Archibald Butt, as the Major could have been warned not to board the Deathship by his Commander-in-Chief and accomplice in the calculated mass-murder, Republican Masonic Bonesman,* **William Howard Taft**]. . . . And why have our Presidents formed the habit of taking members of the Cabinet and going to St. Patrick's on Thanksgiving Day, thereby setting an obnoxious precedent, and, whether they acknowledge or deny it, officially recognizing the Roman Catholic Church? . . .

Many have inquired, since these meetings began, as to the complexion of my politics. I have nothing to conceal, and I'll admit that I've spent all my life voting for [**William Jennings**] **Bryan.** [Laughter.] And when Wilson was

inaugurated and Bryan became Secretary of State, I threw up my cap and shouted, 'Hurrah! The country's saved again!' [Laughter.] But when, on last Thanksgiving Day, **Wilson** and **Bryan**—each an elder in the Presbyterian Church—proceeded to St. Patrick's, against the united protest of the Washington clergy and the wishes of the entire American Protestantism which had put them in office, and participated in a ceremony from which their hearts were as far removed as the poles are apart, I was ashamed to look my dog in the face and tell him I was a Democrat. . . . Unless the sign-posts are all mismarked, the **Democratic** and **Republican** parties have each sold out to Rome, and are both in the same boat—sinking together. . . . The Catholic Church is neither Democratic nor Republican. But the Democratic and Republican parties are both Roman Catholic." {7} [Emphasis added]

CENTER-SHOTS AT ROME

"It is quite possible for members of **Royal families**, and members of the aristocracy, to be at the present moment real though **Crypto-Jesuits**, while publicly attending to their duties in the world, no one around them suspecting the real truth [*as in the cases of Crypto-Jesuit, British Monarchs* **Queen Victoria**, **Edward VII**, **George V** *and* **George VI**]. . . .

The few hundreds of Jesuit priests residing in Great Britain and Ireland do not constitute the whole of the Order's servants. They are only the officers of a very large army, all subject to the orders of a foreigner owning no allegiance to **Edward VII**—the General of the Jesuits in Rome. And this army, should the commands of the General ever conflict with the laws of our **King Edward VII**, will obey the General in preference, and let the King look after himself. A more unsatisfactory body of nominal subjects does not reside in His Majesty's dominions than **the Jesuit Army** described in these pages. Their officers have, again and again, been driven out of every Roman Catholic country. Ought they not, as a matter of strict justice, to be expelled also from the British dominions—not only from the mother country, but from all our Colonies and Dependencies also [*as did the Roman Catholic kings of France, Spain and Portugal as well as the* Papal Caesar *in the Eighteenth Century*]? . . .

In concluding this record of Jesuit deception, trickery, sedition, treason, and crime in Great Britain, it is important to point out that the Order has never repented of its past offences. What it has done in the past it would do today, were circumstances favorable. Knowing its past history, not only in the dominions over which **King Edward VII** reigns, but in every country in the world, we realize that, with its secret agencies spread abroad everywhere, with its multitude of unknown and pledged adherents in every class of society, it is a standing danger to the Empire. What it has done for **France** [*using the nation as*

its warhorse via the tyranny of **Napoleon III**] it will do for the **British Empire** if only time is allowed it [*using Britain as its warhorse via the tyranny of* **George V** *and its Fabian Socialist Labor Party*], and Protestants can be lulled to sleep in a delusive security. It would treat us as **Delilah** treated **Samson** of old, and with similar disastrous results. It is useless to expect the so-called '**Society of Jesus**' to reform. A well-known English Jesuit [*and advisor to* **King George V**], the **Rev. Bernard Vaughan,** is reported by the *Catholic Times* to have said in a lecture he recently delivered in Dublin, on '*The Jesuit in Fact and in Fiction*,' that:—'**One thing is certain, and that was the (Jesuit) Society never had been, and never would be, reformed. It was its one proud boast that if it failed in anything it was in its individual members, not in its organization, in its constitution, or in its corporate life.**' In other words, it is hopelessly incurable. . . .

The British Empire, at home and in its Colonies and Dependencies, is the chief centre of Jesuit operations at the present moment. Its leaders know very well that to destroy the power of Protestantism in the dominions of **King Edward VII** would be the greatest service they could render to the Church of Rome. The work of the French Jesuits in connection with the **Dreyfus Case,** and the abuse of England by Jesuit papers and magazines on the Continent, in connection with the recent **South African** [*Boer*] **War,** have given the Order a bad name once more amongst British Protestants. Expelled from France [*in 1880 and 1901*] they are flocking to England [*illegally*], but not for England's good. **Every lover of Protestantism should realize more clearly than ever that the Jesuit Order is the great foe of our civil and religious liberty.**" {8} [Emphasis added]

The Jesuits In Great Britain

"It is significant that such a triumph [*the 1870 decree of Papal Infallibility*] has no whit relaxed the energy of the Jesuits. They are in possession within their own communion of all that they have fought for; but they will preserve it just in so far as they keep an eye on every nucleus of possible discontent. And they have enemies without, from whom their watchful gaze is never for an instant diverted—Protestants, Jews and Freemasons. **The Tractarian Movement** and the ensuing convulsions of the Church of England, . . . the vast Anti-Semitic agitation on the Continent which has taken such hideous forms of internecine strife, the private misery and national disgrace in the *affaire Dreyfus* in France,—the furtive introduction, by newspapers under Jesuit influence, of an undertone of '**Down with the Protestants!**' into the mighty clamor of '**Down with the Jews!**'—probably all these things, and certainly many more, attest the unchanging energy, malice, and craft by which the Society is still animated. . . .

I will content myself with saying that if the Jesuits should effect another **St. Bartholomew** in France,—if they should bring back England to the bosom of

the Roman communion, and establish another **Inquisition** on the ruins of a **Protestant Constitution** [*now in the making for apostate America*],—if universal Protestantism should become another of the giant wrecks with which all their path is strewn,—it would be scarcely more wonderful than what they have already accomplished." {9} [Emphasis added]

The Programme of the Jesuits

"My intimate connection with the Catholic clergy, but especially with the hierarchy, both in America and Europe, has brought me into near touch with not only the secret and inner workings of the Roman Church but also with the doctrines by which it is governed. . . . I found myself at last an admitted member in Church politics, and at the source and heart of **Esoteric Catholicism**. God's glory and Christ's teachings were then but the armour and shield to hide the real pretensions of the Vatican; . . . In the name of **Christ**, whose pure image had been long blurred by the dross of **Popery**, in the name of **Righteousness** and **Duty**, I cast from me what was left of the garb of Romanism, and resolved to stand before my God as an upright, if an unclothed soul. . . . I wish, especially, that my renunciation of Rome should first be known here in America, as it was here, that I was first trained in the service of the Papacy; and here that I was first bathed in the waters of **Esoteric Catholicism**. . . .

The Church of Rome as an organization has never tolerated individualism amongst its members [*unlike Bible-based Protestantism*]. It at once affirms and denies the individual conscience, inasmuch as that conscience must ever be sought in the dogmas and direction of the Institution. Now what are the teachings of the Institution? There are two distinct sets and headings. **First:** Those for the uninitiated, or the sheep. **Second:** Those for the initiated, or the shepherds. In other words, there is **Exoteric** and **Esoteric Catholicism** [*as is the Order's Scottish-Rite Freemasonry*]. . . .

Jesuitical casuistry is to-day, and has been since **the Reformation**, the powerful intellectual bond which holds the organization from disruption. The disorders and excesses of **the Papacy**, in glaring contradiction to Christian doctrine, could not find justification under the teaching of the Church doctors; the Jesuits undertook to span the gulf, which was becoming wider, between **Christianity** and **Catholicism**; and elaborated through their Fathers, a new system of ethics, to meet every emergency, and which in its completeness and conciliatory spirit, justified the outrages committed against the accepted moral code, by the **Church of Rome**. . . .

All during the **Dark Ages** of medievalism, the **Church of Rome . . .** was the sole arbiter of its actions and principles, and juggled with the Christian doctrine as it suited its purpose. But as the religious mind emerged into the light of truth, the **Protestant Reformation** broke out as a vigorous protest against error. The Roman Church was tried to its limits. It was then, in answer, to Luther, Melanchthon, and Calvin, that **the Jesuits arose as the Church's champions**. It was not, as is popularly believed, to combat heresy that the Jesuits, as an order, came into being; **it was to save the Roman Church from the abyss and ruin which threatened it. . . .**

Jesuitism is but **Esoteric Catholicism** made tangible. It is the heart and spirit of the whole system; and whether or not, there have been, and still be Popes and prelates who are hostile to its necessary hegemony, they are aware that if **Catholicism** and **Papacy** are to last, Jesuitism is absolutely indispensable for their justification; . . .

The whole system of Rome, at present, and her plan of education, point directly to the advantage of power— . . . power in the hands of an individual in whom Rome has destroyed the moral sense. This can only lead to revolution and anarchy, to excesses and to crime. . . . Firm principles must be abandoned, moral convictions must be yielded, human sympathy with fellow men must be smothered and crushed under the foot of the mighty **Lion Power**. . . . The pursuit of money, therefore, is the chief method now used by Rome to regain her lost power; . . . in no country is it possible for Roman Catholicism to exert the full extent of its power where it cannot command wealth. . . . **Free expression of thought in this country has now become obsolete**; everywhere does Roman influence or pressure so coerce by bribery and threat the former liberty-loving citizen, that even the sentiment of freedom has been in a measure displaced to make room for the love of power and wealth; these are motives which Rome can use and manipulate. Liberty in any form she is impotent to handle. . . . To rout Protestantism, and to wipe this implacable enemy from the earth, Rome would welcome any means [*including controlled World Wars*]; . . . **Roman Catholicism** . . . can never free itself from the atmosphere it its essential environment. . . . Romanism with its unyielding iron-cast is the powerful brake within the State, holding men back from knowledge, and compressing their intellects . . . It no longer cooperates with the State or satisfies any of its needs. On the contrary, it has established within its limits a hostile camp, and opposes to it an unlawful supremacy. This is instanced in the torn and disrupted state of France at present, the result of her desperate effort to rescue the State and save her future; and, again, in the persistent resistance of the **'Centre Party'** in the German Reichstag to vote for any measure of a patriotic import, except in consideration of an adequate advantage for the **Church of Rome.** It refuses to fall into the line of modern thought and enterprise, and sullenly challenges any effort in that direction. It smarts under

the inferior position which it now occupies, and can never forget that *it once was the State.*" {10}[Emphasis added]

The Double Doctrine of
the Church of Rome

"**The 19th century** left us deplorably weak in true knowledge of the history of State-Church conflicts. The facts of human development since the **Reformation** have become so inextricably tangled, that we have ceased to try to unravel them. We content ourselves in America with a mere superficial knowledge of events, and the conclusions arrived at, far from helping us to get at the real truth, only drive us farther away from an understanding of the real meaning of these events. Too much emphasis has been placed upon the mere economic aspect of the world-situation. The ideological and theoretical origins of **Nazi-Fascism**, as a consequence, have been almost entirely overlooked. Research is necessary to show where social, political and religious conflicts cross one another.

There is abundance of incontestable proof that the forces of religion, as represented by the **Catholic Church**, have succeeded in dominating the political and social field, and that there exists a close bond between them and the origins, methods and objectives of the whole Nazi-Fascist movement in Europe. **Furthermore, this domination has already spread to America.** History proves that in every attempt made during the past half century against the liberal progress of mankind, **the Jesuit Order**, as the leader of **Catholic Action**, has played a decisive role. ***We can go even so far as to state that Nazi-Fascism had its origin in the Society of Jesus, and that, like other movements in the past analogous to Fascism today*** [*Internationalist, Marxist-Leninist, Socialist-Communism*], ***it was planned to serve the traditional aims of the disciples of Ignatius Loyola.***

As long as this reverse side of **the conspiracy against democratic liberalism** goes undetected, Fascism will survive [*as it has here in the US since the end of World War II thanks to the Order's CFR and its enforcer, the CIA, overseeing its Nazi-German counterpart, the BND*]. The defenders of democratic ideology will not be victorious until they come out openly against their real enemy—**the Knights of the Black Crusade.**

The Jesuits were once irrevocably expelled from the nations of Europe, and from the Catholic Church itself, by **Pope Clement XIV** in 1773, and the only refuge they could find during their **forty years of banishment** was with the impious **Catherine of Russia.** Sworn to obey and defend the pope in all matters, they were hard put to it (even as Jesuits) to find a way out of the

dilemma of being protégés of a monarch who thumbed her nose at the pope—in order to protect them from his wrath. Not to be outdone, the Jesuits politely and diplomatically protested to Catherine for thus disobeying the pope. And having thereby satisfied the requirements of their oath, they proceeded with a clear conscience to accept her hospitality [*as they would also be sheltered by kings* **Frederick II** *and* **George III**].

The truth of the matter is, that the Jesuits are not so much sworn to protect any individual pope as such, but rather the institution of the Papacy. By this jesuitical distinction they hold themselves free to resist any pope who fails to follow their dictates; nor would they lament if such a pope were 'providentially' speeded on his way to heaven. It is they in fact, who comprise the Papacy. Their unalterable aim is to restore the nations of the world to the control of the Catholic Church [*i.e., the Order's "infallible" Pope*]**.**

As recently as 1886, the public press spoke frankly and fearlessly about the menacing tactics of the Jesuits to secure this world-control by the Papacy. The *New York Tribune*, of September 19, of that year, in a dispatch from Rome reporting the serious illness of **Pope Leo XIII** and his subsequent rapid recovery, states that the *London Times* referred editorially to the report that Pope Leo's close approach to death 'was due to poison administered by the Jesuits.' It relates that, after his sudden recovery, the pope established a new policy in the Church towards the Jesuits, **'and that this new line of policy is the price at which he was able to procure the antidote which they alone could supply.'** The *Tribune* report goes on to say [*remembering that New York City's major dailies are now censored by the Jesuits through their Council on Foreign Relations as are London's major dailies through the Order's Royal Institute of International Affairs*]:

> **'Within three days of the recovery from his illness, the pope issued a Bull re-establishing all the privileges, immunities, exceptions and indulgences formerly accorded to the 'Society of Jesuits,' and declaring null and void all documents which his predecessors have ever written against the Order. The fact that Leo XIII restored the Order to what it was in the days of its supreme power is more than enough to paralyze all hopes of a peaceful determination of the conflict between the Vatican and the Quirinal; *for the Jesuits constitute the belligerent element of Catholicism, and are thoroughly 'intransigent' on the subject of the temporal power of the world escaping from the control of the church. . . .'***

In order to obtain their objective, they spend all their energies (as Nazi-Fascism does) against the two forces they consider inimical to their cause—**Judaism** and **Freemasonry** [*even as ex-Jesuit Alberto Rivera confessed he was taught to*

fight Freemasonry when he later discovered that the Jesuit General was himself a Freemason and member of the Communist Party]. From its first founding, the Jesuit Order has battled, by every means, against these two, because they [*the common, racial Jews and low-level Freemasons*] are the chief advocates of tolerance and freedom for all. By the ruthless elimination of [*racial*] **Jews** and [*"liberal"*] **Freemasons** in so many countries of Europe, **Nazi-Fascism has merely effected what the Jesuits have schemed and worked for during many centuries.**

In France, Germany, Hungary, Poland, Spain, Belgium and Italy, the Jesuits, for many years before Mussolini and Hitler, led the fight against the **Jews** and **Freemasons.** In each of these countries it was a Catholic priest (prototypes of Father Coughlin) who was the spearhead of Fascist attacks on both Judaism and Freemasonry. In France it was the **Jesuit Father Du Lac,** with his *Lique Nationale Anti-semitique de France;* in Germany the **Jesuit Fathers Overmanns, Muckermann, Loeffler** and **Pachtler;** in Hungary it was **Father Adalbert Bangha,** and **Father Bresciana** in Italy—all of these worked under the banner of *Positive Christianity and Christian Front* to fight Judaism and Freemasonry, in order to get the millions of unsuspecting non-Catholics to serve their ends. . . .

The **Jesuit Fathers Pachtler** and **Muckermann** proclaimed the Fascist doctrines of Nazism before Hitler was heard of. **Father Muckermann** wrote prolifically in favor of racial eugenics and sterilization, and continued to do so in spite of the condemnation of sterilization in the [*deliberately deceptive*] encyclical *Casti Connubii* of [*pro-Jesuit*] **Pope Pius XI** in 1929.

Jules Michelet, the great French historian [*who was removed from his university chair by the Order's* **Napoleon III**], in his *Histoire de France,* and the German historian **Wilhelm Herzog,** stress the fact that those who directed the anti-Semitism at the time of the **Dreyfus Affair** depended upon the instructions and, above all, upon the financial support of the Jesuits. The *Croix de Feu* and the *Parti Français* in France, and the Catholic Rexist Party in Belgium also had the support of the Jesuits. The *Libre Parole,* anti-Semitic daily newspaper, was founded by Jesuit money and its treasury was constantly replenished by them. The anti-Semitic leaders of the **Dreyfus Affair,** which was a plot against the [*anti-Jesuit*] French Republic, were products of Jesuit schools or had Jesuit confessors. In France, as elsewhere, **anti-Semitism** and **anti-Masonic** campaigns took the form of 'integrated Nationalism.' They called for expulsion of **Jews** and **Freemasons,** the overthrow of the French Republic, and the setting up of a 'Nationalist State' [*that would later culminate in the Vichy government of* **Henry Pétain**]. Henlein's Party in Czechoslovakia, likewise, preached the doctrines of **Othmar Spann,** the theoretician of the **Corporative** [*corporate-fascist*] **State** and a protégé of the Jesuits. . . .

In his *Mein Kampf* [*ghost-written by the Jesuits and repeating several of the doctrines found in the Order's The Protocols of the Learned Elders of Zion for which all Jews in general would be blamed for* the **Black Pope**'s *Bolshevik Revolution*] Hitler repeats these principles of the Jesuits against **Judaism** and **Freemasonry** like a well-trained parrot. All that he says against the **Jews** [*in general without distinction*] and the revolution in Germany after the war [*carried out in the Jesuit stronghold of Munich!*], about Zionism, Jewish exploitation of indecency and obscenity in literature, movies, theater and the press, their part in the organization of vice, prostitution and white slavery [*the powerful and influential Masonic Jews behind this purposed weakening of "liberal" Germany merely following orders from Rome as they do here in the US via their membership in the Order's CFR*], was borrowed almost word for word from the official writings of the Jesuits. Everything he says, likewise, against the [*low-level*] **Freemasons**—their fight for religious tolerance, their efforts to break down racial and religious barriers [*though at the top, calculated to destroy once White Protestant Prussia as is being accomplished here in the US*], as well as their alleged disloyalty to Germany during the war [*indeed, as the Grand Orient Lodge was responsible for the rapacious Treaty of Versailles and abdication of the covertly pro-Jesuit Protestant Kaiser*]—is in agreement with both the teaching of the Jesuits and of the popes in their encyclicals against Masonry [the Company *having used its high-level Jewish and Gentile Freemasons to destroy German culture via the arts and arms, thereby justifying the rise of Nazi-Fascism as it is also quite successfully doing here in the US*]. The **Jesuit Father Bea** [*later, the confessor of Pope Pius XII*], shortly after the revolution in Germany [*1919*], wrote:

> **'The part played by many** [*of the Vatican's Masonic Court*] **Jews at the time of the revolution . . . the** [*Pope's Sabbatian-Frankist, socialist-communist, Masonic Jewish Labor*] **Zionist movement . . . all this should be a lesson to those who take their religion and their country seriously to put themselves resolutely on the defensive** [*uniting Bavarian Catholics and Prussian Protestants against all racial and religious Jews in general, led by a Jesuit whose first allegiance is not to Germany but to the Pope!*]. **The increase of anti-Semitic literature and anti-Semitic organizations** [*financed and led by Bavarian Jesuits such as Augustin Bea*] is evidence that the people are ready for the fight against Judaism [*which the Jesuits have wanted throughout Europe since the Congress of Vienna, 1815*].'

As far back as 1911 **Father Overmanns**, writing in *Stimmen aus Maria Laach*, states:

> **'It is impossible to deny the harmful influence of the Jews** [all Jews in general and not the Pope's "Court Jews" in particular] **on the ideal which we desire in our literature** [a Jesuit speaking as a patriotic German seeking to preserve high, White German culture? How hypocritical!]. . . .
>
> **The Jews** [*again, all Jews in general without distinction*] **make use of the great scope of their influence** [*Masonic Jewish bankers controlled by Rome*] **to spread corrupt and obscene principles and thus cause immense damage to the spiritual life** [*as do many of the Pope's CFR-controlled Jews here in the US*]. . . . **Everyone can see that they create many literary works which are inspired by vile and worldly ideas . . . the books of these writers are filled with the base pleasures of life, a vile sensuality and pure naturalism. The commercial sense of the Jews is not offended by the worst obscenities, white slavery, prostitution and immorality of all kinds** [*blaming all Jews in general for the evil deeds of the Pope's Jesuit-controlled, international Sicilian Mafia using its atheistic, front Jews to direct Rome's, Africanizing entertainment industry*] . . .'

The story of Germany's collaboration with the Vatican [*in seeking to restore the Temporal Power of the Pope*] in the last war has been told, as so often before, by a devout **Roman Catholic** who had himself been on the inside of the intrigue and who, vain by nature and bitter from disappointment, spoke out when he felt that he had been abandoned by his former associates [*the Jesuits*]. Our witness is none other than **Matthias Erzberger**, leading member of the **Catholic Center Party**, militant German imperialist in 1914, Germany's foreign propaganda chief until 1917 when he promoted the Reichstag's famous peace resolution, Imperial Under-Secretary of State, leader of the German armistice delegation, Minister of Finance and one of the Fathers of the Weimar Republic [*backed by Roman Catholics and socialists, and not German Protestants*]. He was assassinated in 1921 by young German nationalists, a few months after the publication of his outspoken book, *My Experiences in the World War*.

One of Erzberger's chief objectives was to secure **diplomatic immunity and extra-territorial rights for the Holy See.** As early as October, 1914, a few weeks after his appointment as chief of foreign propaganda, **he suggested the establishment of a small neutral Papal State in that part of Rome which lies on the left bank of the Tiber, with a corridor to the sea and a port. His negotiations finally led to a draft treaty *'regarding the recognition of the temporal power of the Pope.'*** This treaty, he says, had the approval of 'competent personalities of the German Foreign Office [*the Jesuits then controlling the Foreign Office and State Department of every liberal Protestant Government in the West, including Great Britain, the United States and Canada*].'

The first version was submitted by Erzberger and his friends in Vatican circles in the beginning of **1915** [*under the cover of the Great War with the blessing of* **Kaiser Wilhelm II**]. It was formulated with characteristic thoroughness. The following extracts of this secret treaty are from Erzberger's book (pages 127ff):

> 'Article I
>
> **The Temporal Power of the Pope** is recognized by the High Contracting Powers as extending over a territory including **Vatican Hill** and a strip of land connecting it with the Tiber and with the railroad to Viterbo and to be designated as ***Church State***. . . .
>
> Article II
>
> **The Church State** is permanently independent and neutral. Its independence and neutrality are guaranteed by the High Contracting Powers [*this language being similar to the Secret Treaty of Verona, 1822*].
>
> Article III
>
> **Sovereign of the Church State is the Pope.** During the vacancy of the [*Pope's*] Chair the sovereignty is exercised by the College of Cardinals. . . .
>
> Article X
>
> **This Treaty shall be ratified as soon as possible.** Ratification documents will be deposited with the Holy See. The Treaty enters into force on the day on which ratification documents have been deposited.'

It is not astonishing that the liberal Government of Italy [*established by excommunicated Freemason* **King Victor Emmanuel II** *in 1870*] should have resented this planned infringement of their country's sovereignty by Germany and the Vatican. . . . Erzberger's propaganda mission ended shortly after Pacelli had taken up residence in Germany [*1917*]. With laudable frankness Erzberger tells us (page 7) that he had been assisted by **'a number of Jesuit priests who rendered us extremely valuable services in enlightening foreign countries** [*possibly the same Jesuits who oversaw the writing of Mein Kampf*]. . . . Erzberger's assassination in 1921 had been planned for some time. The young [*Nazi*] fanatics who killed him were only the instruments of others who wished to eliminate this man who knew too much, who already had said too much and who had been too closely connected with events in which the promoters of the present World War saw Germany's humiliation. . . .

'The anti-democratic character of both **Fascism** and **Nazism** reveals further that their sources could not have been of low origin. Their inspiration could not have been born in the slums from which Hitler and Mussolini came. Besides,

since in the first years after the first World War even the German government, like all others, was under the influence of liberalism, a sponsorship of these two movements [*Fascism and Nazism*] by the government of any European country itself was out of the question [*for which reason the Order used New York banks to finance the Third Reich*].

Under these circumstances it would have been impossible for obscure nobodies, as were **Hitler** and **Mussolini** at that time, to mobilize the masses for a bloody crusade against the masses of the people and their liberal governments unless they were backed by some **political force of extraordinary qualities—a force reaching up to the summits of society as well as down to its depths, one exercising a strong influence in the international arena and keeping itself cleverly out of sight. There is but one force qualified in this extraordinary way, namely *political Papacy, centered in the Vatican.* . . .**

It has been said that France was ruled by some two hundred aristocratic and rich families [*led by the French branch of the Knights of Malta*], **but behind these families has always stood the powerful organization of the Vatican, directing them according to its political strategy** [*as is done here in the US via the New York Archbishop's Council on Foreign Relations*]. **Those ruling families of France were only too willing to be guided in that way because they knew they had a common cause and that their rule over France could not be challenged effectively by the people as long as they followed the guidance of the Vatican.** Thus the reactionary parties of France were at the helm of the State, steering the vessel as they chose. **Hitler's** [*fascist*] **New** [*World*] **Order** found, in their souls [*the souls of the rich, landed, aristocratic families*], a very sympathetic echo, and, it is not surprising that the bishops of France enthusiastically greeted **Hitler's New Order** and promised the [*Nazifascist*] Vichy government full cooperation. To them the fall of the [*anti-Jesuit*] Third Republic was certainly a 'heavenly blessing.'. . .

Americans are acquainted with only one face of the pope, his spiritual authority over an ancient and beautiful church. But we Europeans [**Leopold Mannaberg, Ph.D.**] have become familiar, by history and experience, with another aspect of the pope, namely, **as the chief of an international political organization admittedly anti-democratic and anti-liberal** [*the Pope's absolutist Temporal Power*]. . . . We are therefore justified in taking the pope's "strict neutrality" in the Second World War not too seriously. It is nothing but a strategic smoke-screen intended to cover his relationship with our foes, which he did not even bother to conceal until the entrance of the United States into the war. . . .

On October 13, 1935, the late **Cardinal Hinsley**, Catholic Archbishop of Westminster [*London*], the pope's chief agent in England, made a speech in defense of the friendly attitude assumed by the Vatican towards Fascism in its

war against [*non-Roman Catholic, "accursed heretic," Black Coptic Christian*] Abyssinia [*Ethiopia*], and closed with the following words:

> "**While I do not in principle approve of Fascism, I do say that if Fascism goes under in Italy, then nothing can save the country from chaos. With it God's business** [*i.e., the Pope's business*] **too will go under**." '. . .

Whatever the Catholic church may now think about Hitler and the whole scheme of the Nazi-Fascist Axis, there is no doubt that the Vatican was Hitler's ally from the beginning. [**Knight of Malta**] **Fritz Thyssen** [*in business partnership with Jesuit-trained, American* **Knight of Malta Prescott Bush, Sr.**], rich Catholic steel magnate who financed Hitler [**Thyssen** *wrote I Paid Hitler (1941)*] testifies to this. After he went to Switzerland in 1940, Thyssen wrote an article in the Swiss *Arbeiterzeitung* entitled: **'PIUS XII, AS NUNCIO, BROUGHT HITLER TO POWER.' . . .**

SIXTY YEARS AGO, 'The New York Times' made a prophecy that 'the profound immorality of the temporal policy of the Church of Rome' would be the cause of wars in the years to come. . . . The editorial appeared in The New York Times of February 8, 1887, and is as follows:

> 'All is grist [*grain to be ground*] that comes to the mills of Rome. The collision between **the spirit of military absolutism** [*Nazi-Jesuit fascism and/or Soviet-Jesuit communism*] and **the spirit of Parliamentary liberty** in Germany, a contest watched with the deepest interest all over the world, and whose issue will be potent in molding the history of Europe for years to come, is viewed by the Pope merely as a welcome opportunity to improve the condition of the Roman Catholic Church in Germany [*via the military absolutism of a monarch (the Kaiser) or an elected official (Hitler)*].

The party of the Centre in the Reichstag is the Catholic party. Dr. Windthorst, who as been its leader throughout the long struggle against the May laws [*or "Falk laws," (applying only to Protestant Prussia) having proceeded from Bismarck's "Struggle" with Rome for the preservation of Protestant/liberal Prussian "Culture" by resisting the Pope's absolute temporal power championed by the Jesuits*] is its leader now. He led the successful opposition to Bismarck's bill increasing the army and providing for its support for a period of seven years, commonly called the Septennate bill [*Bismarck seeking to resist Rome's military designs against Protestant Prussia and its Second Reich*]. When the Reichstag had rejected the bill and Bismarck had dissolved that body and a new general election had been ordered, **Baron Frankenstein** sent to Rome, through the Papal Nuncio at Munich, an inquiry as to the views and wishes of the Pope

concerning the conduct of Catholics in the struggle. The Pope's reply is made in a letter written by **Cardinal Jacobini:**

"That the Septennate question embraces religious and moral considerations which justify him [**Pope Leo XIII**] in expressing the opinion that he may expect from the Centre party's conciliation towards the measure a beneficial effect in the final revision of the May laws." [*In other words, Rome will back the Septennate bill if the Reichstag repeals the May laws, which was accomplished by 1887, the Pope then declaring the conflict of the "Kulturkampf" to be over.*] The Pope desires, moreover, "to meet the views of Emperor William and Bismarck, and thereby induce the powerful German Empire to improve the position of the Papacy." . . .

One sentence of Dr. Windthorst's address reveals with pitiless and perhaps unintentional frankness **the profound immorality of the temporal policy of the Church of Rome.**

> "**The Pope's advocacy of the Septennate bill**," said Dr. Windthorst, "**was independent of the merits of the measure, and arose from reasons of expediency and from political considerations**."
>
> It would be difficult to frame a more accurate analysis of the Papal motives while at the same time indicating a more sweeping denunciation of the Papal policy. **Liberal principles, the right of popular government, the German constitution and its guarantee of Parliamentary institutions,** says the Pope, **may go to the dogs** if we can secure some further modification of the laws which relate to the Church, and so improve the condition of the Papacy in Germany.'

The New York Times' dire prophecy came true, as the First and Second World Wars sadly testify. **Pope Leo XIII's** command to the Catholic Center party in 1887 to aid militarism in Germany [*preparing for the reign of anti-Bismarck, pro-Vatican,* **Kaiser Wilhelm II**] was a contributing factor to the First World War. Again in 1933, when the Vatican removed the Catholic Center party as the only remaining obstacle to Hitler's rise to power, the Second World War began." {11} [Emphasis added]

"If it be not true, as is charged, that a private wire runs from the White House, in Washington, to the Cardinal's Palace, in Baltimore, and thate very important question touching the interests of Romanism in America is placed before his eye, before it becomes a public act, it is true that the Cardinal [**James Cardinal Gibbons**] is a factor in politics. Romanism is the dominant power in the Capitol of the United States. . . .

Romanism is the malaria of the spiritual world. It stupefies the brain, deadens the heart, and sears the conscience as with a hot iron. It comes, as did the tempter, with gifts in its hands; of rule, of power, and of wealth, to all who will fall down and worship it. They who yield have peace and praise [*as did* **President George W. Bush**]. They who refuse must fight a terrible foe [*as did* **President John F. Kennedy**]. . . . Politicians, in the grasp of this power, are unable or unwilling to move. They clank their chains with delight, and glory in being allied with an organism so potential and so astute. . . . The surrender to Rome of the Capital of the Great Republic means death to liberty. . . . **the Jesuitical foe,** . . . no longer creeps under cover or hides in the shadow of some wall, but stalks boldly forth on his errand of wickedness." {12} [Emphasis added]

Justin D. Fulton, 1888
American Theologian and Historian
Washington In the Lap of Rome

Dear truth-seeker, you have now finished your **Third Block** of Jesuit history. *Well done!* You have acquainted yourself with a greatly misunderstood epoch of days gone by. For in understanding the past, you are now able to comprehend the present. **The Nineteenth Century** (called by the Order, "**The Century of Disaster**") in which the peoples of Europe freed themselves from Jesuit tyranny, paved the way for the Order's sanguinary revenge of **the Twentieth Century**, that "payback" being largely unknown today. The Jesuits, expelled from Germany, Spain, France and Russia in the **Nineteenth**, would be re-admitted in the **Twentieth**. The Pope, losing his **Temporal Power** as well as all respect from the nations in the **Nineteenth**, would *amazingly* regain them both in the **Twentieth** after his worldwide **Crusade**, first named herein as "The Second Thirty Years' War**" (1914-1945)**. In carefully observing these events we can begin to comprehend the immense, the gigantic, the nearly incomprehensible, the mind boggling, ubiquitous presence of "**the Invisible Empire of the Jesuit Octopus**" composed of an intertwined, international and impressive Network of Brotherhoods directed by an invisible "**Black Hand**" through which **THE POWER** of the Devil's ***Black Pope*** continually flows over every nation on earth. But let us not lose heart, knowing the condemnation of these men is sure:

". . . for whatsoever a man soweth, that shall he also reap." (Galatians 6:7)

Indeed, from **President Theodore Roosevelt** to **President William Clinton**, "the American Century" would be wholly the Pope of Rome's and his black-robed Militia, the Company of Jesus. For we must agree with the words of Satan spoken by the Roman Catholic actor, **Al Pacino**, in the movie *The Devil's Advocate*:

> **"Who in their right mind could possibly deny the Twentieth Century was entirely mine? All of it!"** {13}

The Jesuits, in command of both the British and American Empires, would go on to far surpass their previous universal power exercised prior to their Suppression in 1773. They would crush the "heretics" and "liberals" of Europe during the **Second Thirty Years' War** from 1914 to 1945. The Jesuits would create two "superpowers" for their "**Cold War**" from 1945 to 1989 (the age of "Violent Peace"), during which they would continue to murder millions of "heretics" and "liberals," while perfecting their **International Intelligence Community—the Holy Office of the Inquisition!**

The Sons of Loyola would use every evil device known to man to restore the Pope's **Temporal Power** around the world, pursuant to their wicked **Council of Trent**. Indeed, during **the Cold War**, the foreign policy of the British, American and Soviet Empires would be the **Council of Trent**, installing dictators, overtly and covertly loyal to the "Vicar of Christ," throughout Central and South America, Africa, Asia and Europe. And at the pinnacle of Jesuit Power, the Order, with the Knights of Malta on the Island of Malta, would formally end the Cold War. This would give the Jesuit-ruled, CFR government of the American Empire the justification, in deceiving the people, to close many military installations while further disarming the nation with more gun control (confiscation) legislation, thereby inviting *a race war between Whites and Blacks, anarchy, a fascist dictatorship, death camps and finally, after the murder of America's Jews, a massive Sino-Soviet-Moslem foreign invasion.* Further, the Sons of Loyola would agitate the peoples of the world through American intervention in the private affairs of foreign nations. The assassination of leaders, mass-bombings, military invasion and economic destruction of civilian populations would be the means by which the Company would enslave every nation to its ends— worldwide Jesuit-controlled, Anti-Christian tyranny headed by "the King of kings" in Rome. This would cause all the foreign nations of the world *to hate* Americans and *to hate* the Jews of America, remembering there have always been prominent CFR Jews in every President's Administration. At the right time the Jesuit General will marshal his Militia bringing a coalition of hostile nations against his defeated American Empire, finally destroying the last stronghold of the Protestant Reformation, and with it, America's Protestants, Baptists, Jews and refugee Pagans, these foreign immigrants having sought to escape the merciless absolutisms of their own nations installed and financed by the Pope's "**Holy Roman**" **American Empire**. The

Jesuits will then concentrate on making their "*infallible*" Papal Caesar "the Universal Despot of the World" ruling from **Solomon's** rebuilt **Temple in** Jerusalem.

But in the pursuit of this quest, an American President interfered with the **Temporal Power** of the Jesuit Superior General's "*infallible*" "**White Pope**" to whom he has sworn obedience. He was murdered for it and the truth as to:

- **Why?**
- **Who benefited? And**
- **Who has the power to cover it up?**

was suppressed for nearly forty years. However, the answers to these questions have been finally published in this book (now in its third edition) with an enclosed CD, which is available to the world, via the "Internet" at **www.vaticanassassins.org**

The **Fourth** and **Fifth Blocks** of our Jesuit history, dear truth-seeker, gives you these answers with the hope that you will also do your duty in resisting the Jesuits, those servants of Satan. For the Sons of Loyola would deprive you of all that makes life sweet and worth living—the freedom to worship God in accordance with his Reformation Bible from which springs the our beloved freedom of conscience, the freedom of speech, the freedom of the press and the right to bear arms—while serving the Lord Jesus Christ with a good conscience, clean hands and a sincere heart.

And in serving Satan, the Militia of the ***Black Pope***, in attempting to deluge the American Empire with "bibles" translated from an evil, **pro-Greek Septuagint (LXX) Old Testament Hebrew text** and a wicked, **pro-Latin Vulgate Greek New Testament text** in accordance with the Fourth Session of the evil **Council of Trent**, has most assuredly endeavored to deprive us of our Standard by which we judge ourselves and all things whatsoever. That Final Rule of Faith and Practice is the *truly infallible* Word of God, the Bible of the Waldenses during Rome's Dark Ages and the Keystone of the Protestant Reformation, the Hebrew Masoretic Text and the Greek Textus Receptus as faithfully translated into the English language (in opposition to the Jesuits' evil Council of Trent) by "*the forty-seven learned and godly Englishmen*"—The Authorized King James Version of 1611 in its present edition of 1769.

Dear truth-seeker, will you permit the Jesuits to destroy America, the last stronghold of the Lord's grand and glorious Protestant Reformation? Will you allow them to use their CFR-ruled, political prostitutes to deprive you of your Sword of the Spirit—the Word of God—and your Sword of Just Defense—**the gun**?

The ending of these **Fourth** and **Fifth Blocks** will be written by you my brother in Christ. May you stand fast in resisting Anti-Christian tyranny, fighting this good fight of faith,

". . . that, when he shall appear, we may have confidence,
and not be ashamed before him at his coming."

Freemason King Edward VII and Kaiser Wilhelm II, 1907 #375

Brother to Queen Victoria (1837-1901), King Edward VII (1901-1910) hated his nephew, Kaiser Wilhelm II (1888-1918).

Edward was the perfect hedonist through which the Order was re-admitted into the Kingdom in 1902, the year after Victoria's passing. Known as the "Uncle of Europe," the ***Black Pope***'s most powerful English Freemason plotted war against Wilhelm's German Empire and especially against Protestant Prussia. Expelled from Germany since 1872, the Order had a score to settle with the grandson of the "accursed heretic," Emperor Wilhelm I. Dismissing Bismarck from his post in 1890, the pro-Catholic, non-Masonic Kaiser exposed himself to the subtle attacks of the Order from multiple quarters including: his wicked "Uncle Bertie," architect of the Triple Entente; Republican France seeking revenge for the nation's defeat in the Jesuit-incited Franco-Prussian War (1870-71); and cousin Nicholas II's Tzarist Russia, whose Minister Isvolski was an agent of the Company. As a result of WWI, the Order would legally re-enter Germany (1917) and Lenin's "USSR" (1922); but Wilhelm would be forced to abdicate (1918), remaining in exile until his death in 1941.

Kaiser Wilhelm II Hohenzollern (1859 – 1941), 1907 #376
Knight of Malta, Emperor of Germany, King of Prussia, 1888 – 1918

Displaying a cross of the Knights of Malta on his sash (lower left), this vain and absolutist Protestant prince and protector of the Lutheran Church ultimately destroyed the Protestant Second Reich due to the dialectic intrigue of the Jesuits.

Discarding Bible-believing Prince Bismarck's warnings about Rome, he, like King Henry IV of France, sought to placate the Papacy by: kissing the ring of Pope Leo XIII during a private audience in 1893; purchasing a palace for the Jesuits in Rome that same year, King Victor Emmanuel II having expelled the Order in 1872; re-admitting "the Redemptorists" and "the Fathers of the Holy Spirit" (what brazen blasphemy!) in 1894, both Orders being mere extensions of the Company of Jesus; building a monastery for the Benedictines in Jerusalem; siding with the Boers during Britain's Boer War—the Order controlling both sides; and re-admitting the Jesuits in 1917! Given to emotional extremes rather than calm and sober reflection befitting a monarch, Wilhelm was easily flattered by his secret court adversaries, including for a time Imperial Chancellor Bülow.

Betrayed by his cousin, Tzar Nicholas II, who broke his 1905 Björkö Treaty by siding with Britain and France in "the Great War" against Germany, Wilhelm deliberately lost WWI through General Ludendorff! The "Kaiser" and the "Tzar" had both abdicated by 1918, the Jesuit Militia securing solely to the Pope the title of "Caesar"—the final Pope to be Rome's "Seventh King" of *Rev. 17:10.*

King George V Saxe-Coburg-Gotha (1865 – 1936), 1910 #377

Knight of Malta, King of Great Britain and Ireland, 1910 – 1936

Defender of the Protestant Faith, Emperor of India

A Jesuit Temporal Coadjutor like his grandmother Queen Victoria, George V aided the ***Black Pope*** in his coordinated destruction of the apostate Protestant British Empire and the apostate Protestant Prussian/German Empire. Advised by Jesuit Bernard Vaughan, George aided the Company's pro-Irish Roman Catholic Fabian Socialists then controlling the British Labor Party in the persons of Henry Asquith and David Lloyd George. The King approved of the Order's quest of instituting Home Rule ("Rome Rule") in Ireland and aided Asquith in breaking the power of the Conservative anti-socialists in the House of Lords via the 1911 Parliament Act. During WWI, George aided the Order's calculated destruction of the flower of British manhood, murdering his troops at Gallipoli, Passchendaele and the Somme. His secret ally, Fabian Socialist Sidney Webb, aided Lenin and Trotsky ensuring a successful Bolshevik Revolution, with the understanding that the Tzar, a cousin and brother Knight of Malta, would be removed from Russia to finish out his days in Poland. Through Lloyd George at Versailles, the King was a party in placing the entire war-guilt upon Germany, guaranteeing WWII—thereby continuing Rome's Second Thirty Years' War.

Bavarian German Jesuit Robert Leiber, 1930s #379

Confessor to Pope Pius XII

Robert Leiber was one of the most powerful Jesuits of the Twentieth Century!

Serving his occult master—Jesuit General Ledochowski—with unquestioning obedience, Leiber was the confessor, personal assistant and private secretary of Eugenio Pacelli for forty years. Indeed, Leiber was Pacelli's immediate master and handler, under the direction of the **Black Pope**. From his youth, Pacelli had been groomed by the Order for the purpose of fulfilling the will of the Order— shadowed by a Jesuit directing his every word and pen! With the destruction of the Protestant Second Reich, the Jesuits could now direct the government of Germany through a series of evil treaties called "Concordats." With Leiber at his side, Cardinal Secretary of State Pacelli would consummate the infamous 1933 Reich Concordat—signed at the Vatican—, knowing that Hitler's priestwritten *Mein Kampf* was to be the political guideline in addressing the "Jewish Question" so agitated by the Order's *La Civilta Cattolica* since the early 1880s.

Jesuit Leiber would serve as the apex of all intelligence agencies, both Axis and Allied, including the oversight of a librarian in Rome's Jesuit Gregorian University acting as an informer for Himmler's RSHA. Leiber would be the master of Martin Bormann, Hitler's handler; Alexander N. Poskrebyshev, Stalin's handler; Harry Hopkins, FDR's handler; Sir Anthony Eden, Churchill's handler; and Jesuit priest Pietro Tacchi-Venturi, Mussolini's handler! Roman Catholic Bavarian German Jesuit Leiber would oversee the conferences of all ambassadors to Rome while in the presence of Pope Pius XII, including Britain's Francis d'Arcy Osborne; Nazi Germany's Ernst von Weizracker; America's Myron C. Taylor; the USSR's Prince Anton Turkul; and Japan's Baron Kumao Harada. Through these willing players the Order directed the battles and diplomacy of both sides during WW II, as it is now during the "War on Terror."

Archbishop Eugenio Pacelli (1876 – 1958), 1917 #380

Papal Nuncio to Germany, 1917 – 1929

Cardinal Secretary of State to Pope Pius XI, 1930 – 1939

Vatican Caesar and an Antichrist, Pope Pius XII, 1939 – 1958

Rivaling the demon-possessed Pope Innocent III whose armies hunted down and mass-murdered the Bible-believing Albigenses and Waldenses, as well as having sponsored the Fourth Crusade brutally sacking Orthodox Constantinople, this MONSTER, this occult murderer of helpless, "accursed" populations throughout Europe, Russia and Asia, was the Frankenstein of the Jesuit Order, the darling of the **Black Pope**. From his youth, under headmaster Signore Giuseppe Marchi, to being tutored in postgraduate Canon Law by the future German Jesuit General, Francis Xavier Wernz (1906-1914), Pacelli was imbibed with an acute and vicious hatred for the LORD's Jews. He was an avid reader of the Order's *La Civilta Cattolica*, which, in 1899, continued to proclaim the guilt of the Hebrew Alfred Dreyfus after that innocent Frenchman had been officially pardoned!

Proclaiming that the Jews "had bought all the newspapers in Europe," the Jesuit periodical hinted at the solution—the massacre of "the alien race." In furthering the Company's evil Counter-Reformation, millions of European Protestant and Russian Orthodox Christians along with anti-Nazi Roman Catholics, both priests and people, would also be consumed in the Father General's "burnt offering" of his highly coordinated, inquisitional and crusading Second Thirty Years' War.

Wladimir Ledochowski #381

Twenty-Sixth Superior General of the Society of Jesus**, 1915 – 1942**

This is the ***Black Pope***, the Rat, the dispassionate Mastermind and Military Commander of the Order's Twentieth Century International Vengeance, called herein the Second Thirty Years' War, waged from 1914 to 1945, including the Mexican Civil War; Wilson's World War I; the Bolshevik Revolution and resultant Civil War; the Spanish Civil War, Franco aided by Moslem invaders; Stalin's Purges, the "Great Terror" of the Thirties; Hirohito's Invasion of China, Mussolini's attack on Ethiopia; and World War II ending in the Horrific and Unprecedented Protestant Christian, Orthodox Christian, Chinese Buddhist, Japanese Buddhist, "Liberal" Romanist and Jewish Civilian Holocausts within Europe and Asia. The Jesuit General, through his International Intelligence Communities in complete control of his Allied and Axis Armies, would recapture the nations having boldly expelled the Company from their dominions during the Order's "Century of Disaster," the latter half of the Nineteenth Century.

Marching three abreast, the Military Order of the Society of Jesus prepares its Novices for "total obedience" to superiors for the ensuing crusade of WWII and its aftermath, the Pope's Cold War in accordance with the Council of Trent.

The Jesuit Militia's Nazi SS "Long Black Line," Germany, 1930s #383

An extremely rare picture clipped from a portion of an unnamed film on Hitler's rise to power, we see the Nazi SS following the rule of the Military Order of the Society of Jesus marching three abreast in black cassocks wearing distinct SS belt buckles. The film is ominous as the Order's "Long Black Line" is marching into an empty auditorium towards the viewer extending beyond top right of the photo. The SS was created in that mighty Jesuit stronghold of Bavaria under the aegis of Archbishops Von Faulhaber (Munich) and Von Hauck (Bamberg).

Roman Catholic Bavarian Reichsfuehrer-SS Heinrich Himmler, acting the Jesuit General of the Order, had a personal staff: one was his liaison to the Vatican's Mussolini in Rome as well as Hitler's Italian interpreter, Waffen-SS Colonel Dr. Eugen Dollmann. Holding a doctorate in history from the University of Munich, Roman Catholic Dollmann (1900-1980) had grown up among Munich's elite including Papal Nuncio Eugenio Pacelli (1917-1929). He became SS General Karl Wolff's head of the SS in Rome (1944) and a familiar face in the Vatican obediently serving his master, Pope Pius XII, including deporting Rome's Jewish Ghetto to Auschwitz. OSS officer SMOM Allen Dulles referred to homosexual Dollmann in his *The Secret Surrender* as "one of the good Nazis" and thus saved him from the dock at Nuremberg. The SS was part of "the Long Black Line" now extended into the US via the CIA, ONI, FBI and National Security Agency.

Adolf Josef Lanz, "Joerg Lanz von Liebenfels" (1874 – 1954), 1910s #384; #385

Born in the Jesuit haven of Vienna to middle class Roman Catholic parents, Lanz joined the famed Cistercian Order founded by the preacher of Pope Eugene III's Second Crusade, Bernard of Clairvaux; Lanz, via Hitler, would preach Pope Pius XII's Crusade in Europe. Given the name "Brother Jorge," the sodomite lived in Heiligenkreuz monestary from 1893 until 1899 (nearly corresponding to the years Stalin spent in Tiflis Seminary), while imbibed with Jesuit doctrines of anti-Jewish fury and "Aryan god-men supremacy." Lanz would preach a religious crusade under the pretext of race-hatred justifying genocide against the "lower," Slavic Orthodox peoples. Now a Jesuit Coadjutor under Extreme Oath of Induction, Lanz renounced Romanism; became a Lutheran and a Freemason; founded the Order of the New Templars in 1900; and began *Ostara* magazine in 1905, his readers being Eckart and Hitler.

Feigning to oppose the Company by writing *Catholicism versus Jesuitism, (1903), The Brief 'Dominius ac Redemptor nostor' (1905);* and *The Taxil Swindle: A World History Joke, (1905),* Lanz admired anti-Jesuit Bismarck yet promoted the very doctrines the Order had championed for the previous 50 years, including "the International Masonic Jewish Conspiracy" for a world government repeated in Hitler's *Mein Kampf*. Inspired by Blavatsky, Lanz brought the sauvastika (engraved on the four corners of upper Austria's Roman Catholic Lambach Abbey where he first met Hitler as a boy) into his hatefully racist, Masonic, New Templar Order's temple, it later becoming the symbol of Baron Sebottendorff's Masonic Thule Society; Bamberg, Bavaria's Freikorps; Hitler's Pan-German Nazi Party and Himmler's SS. Clearly, Hitler's first ties to the Jesuits were through Lanz who in turn was a Viennese Jesuit "for the greater glory of God!"

Symbol of Liebenfels' Sauvastika-Covered Nazi Crusader, 1930s #386

Roman Catholic Masonic Crusaders Hitler, Mussolini and Franco, united with Islam, were "Swords of the Church" and led the Axis powers in Europe serving Pope Pius XI and Pope Pius XII. Utilizing the left-handed swastika known as the "sauvastika" as his emblem, Freemason Joerg Lanz von Liebenfels founded the "Order of the New Templars" in 1900. In 1912 both Guido von List (1848-1919) and Liebenfels aided in creating the "Germanenorden," another Masonic secret society that would birth the Masonic White Supremacist, anti-Jew Thule Society in Jesuit-ruled Munich on August 17, 1918. Thule would bring forth Munich's Nazi Party via members Sebottendorff, Hitler, Himmler, Liebenfels, Hess, Goering, Karl Haushofer (released by Jesuit Edmund Walsh in 1945 after his interrogation in Bavaria), Theo Morell (Hitler's physician) and Dr. Bernard Stampfle (a priest of the Order of St. Jerome and primary author of *Mein Kampf* later murdered by the Order's SS). The Jesuits had now revived the ancient German Order of the Teutonic Knights; its Crusader would be Adolf Hitler.

"The Bamberg Rider"

Masonic Teutonic Knight & Austrian Crusader, Adolf Hitler, 1933 #387

The Jesuits had preached their Crusade for over fifty years. Their chosen vessel was now the master of the Third Reich. Imbibed with hatred for Jews, Prussian Lutherans, English Anglicans, Dutch Reformed and Slavic Orthodox peoples, the Papal Crusade would begin in 1939. Under the banner of the sauvastika (used by Freemasonic Kipling on title pages of his works, its right-handed "crampons" denoting the autumnal sun), "Operation Barbarossa" (named after the German Emperor leading the Pope's Third Crusade) would be unleashed against Rome's hated rival, the Slavic Orthodox Peoples. Like Frederick I, Hitler would in fact be the Holy Roman Emperor, King of Germany and King of Italy. That Crusade against the Orthodox would be commenced from two fronts: Hitler would be the "hammer," aided by Islam, and Stalin would be the "sickle," aided by the Jesuitruled, pro-communist US and UK. When finished the Crusader would turn on Germany fulfilling his purpose of destroying apostate Protestant Prussia!

Leader of Rome's Third Crusade, Emperor Barbarossa commanded his German Teutonic Knights. Fuehrer Hitler would be the second Barbarossa, commanding his Order of the SS, the revived Teutonic Knights, during his Crusade against the Orthodox Russian people under the guise of "fighting Jewish Communism."

"Was it likely the German Empire would submit, and blindly approve of all the demands of Rome? Would it proclaim the *Syllabus*, and regulate its code of laws according thereto? **Would it recognize the Infallibility of the Pope, and therewith also his right of sovereignty over all temporal governments**? . . . 'Still,' the Imperial Chancellor [*Prince Bismarck*] asked himself, 'who has influenced Rome to assume this position?' "The schoolmaster made the Thirty Years' War. It . . . [*was*] the Jesuit lessons at Ingolstadt . . . that trained Ferdinand [*Emperor Ferdinand II*] to the cool, conscientious, adroit, and unrelenting use of physical force for the greater glory of God [*ad majorem Dei gloriam*] . . . and at the end of thirty years the Protestantism of Austria, Bohemia, Styria, and other states was no more. . . . The fighting **Company of Jesus** now looks to a similar process for results similar in nature, but on a wider scale . . . [*The*] devout Jesuit calls upon all to regard the Papal government as the model for the whole world; and that if statesmen and jurists could be replaced by Jesuits at the various Courts [*Washington, D.C., London, Rome, Moscow, Berlin, Paris, Madrid, Tokyo*] **a combination of plan and**

an unity of action might be secured everywhere for a great movement to establish the dominion of [*the Vicar of*] Christ in a higher degree than the **Thirty Years' War** did in Austria and Bohemia . . ." {2}[Emphasis added]

"All through the Middle Ages and the Renaissance period the popes kept Italy in turmoil and bloodshed for their own family and territorial advantages, and they kept all Europe in turmoil, for two centuries after the Reformation,—in fact, just as long as they could,—in the [*Jesuit-inspired*] wars of religion . . . Their whole policy is based on stirring up hatred and promoting conflicts from which they hope to draw worldly advantage . . . Popes and their Jesuitical agents have been and are the instigators of wars, and while the world is having real *pain*, Rome is having *cham*pagne." {3}[Emphasis added]

"In his conflict with the Italian people for the re-possession of the **temporal power**, by overthrowing the Constitutional Government they have established, the pope could not find another ally so formidable as the Jesuits, nor one with such implacable hatred of liberalism and popular government. Their society is so united and compact that its ranks cannot be broken. They are everywhere the same, moved by a common impulse, under the dictation of their general in Rome. **They are the deadly enemies of civil and religious liberty. Nothing that stands in their way can escape their vengeance.** Protestantism has borne no fruits to which they have ever been reconciled. They consider the **Reformation** [*especially in Germany and England*], which gave birth to it, to have been criminal resistance to the only rightful authority upon earth—that which proceeds from Church and State combined. They believe that the condition of mankind during the **Middle Ages**, staggering under the weight of feudal oppression, was preferable to modern progress and enlightenment; that human happiness would be promoted by the return to that period; that the political right of self-government by the people can not be set up against the higher right of papal and monarchial power; that the progress of the advancing nations is delusive and unsubstantial, and that institutions which guarantee civil and religious freedom, if not arrested by some coercive power strong enough to put an end to them [*ultramontane fascism and communism*], will

lead, through heresy, to social ruin and desolation. . . . **Almost from the beginning it has been a disturber of the peace of nations, suffering only such as have bestowed patronage upon it to escape its maledictions and its plottings.** . . . They are, as they have always been, selfish and vindictive—restless under opposition, and **compromising in nothing**. . . . Having persistently refused to become reconciled to the forms and methods of Christian civilization which prevail among our Protestant population, they employ all the resources they can command in endeavoring to arrest them." {5} [Emphasis added]

Bernard Vaughan, 1915
English Jesuit; Advisor to King George V

". . . the statement of **Cardinal Manning** shows that Rome, as before, intended, if possible, to crush this country [*Britain*] by means of foreign powers, or, in other words, by '*the terrible scourge of a Continental War; a War which will exceed in horrors any of the wars of the first empire.*' . . .

Foremost among the [*apostate Protestant*] German writers who have inflamed the minds of their countrymen against Great Britain is [*Jew-hating, Jesuit Temporal Coadjutor*] **Professor Treitschke**, whose writings have exercised the most profound influence on German thought. He was called 'The supreme educator of the nation,' 'the fiery herald of the new empire.'. . . Treitschke's motto was, '**Britain must be destroyed**,' . . . and insisted that whenever the German Fleet had attained sufficient power to command, even for a short time, the North Sea, **a swift blow at the heart** would make an end of the British Empire.' . . . **Herr Schaffle**, and **Delbruck**, the friend and teacher of the Kaiser, and one of the most influential guides of German thought, have also told the world that 'the next great struggle of the Germans will be **a combat for the annihilation of England.**' . . . It is practically certain that these and other German writers and leading men have been the especial subjects of Jesuit influence. It was the avowed policy of the Jesuits to obtain their assistance. . . .

The effect of Jesuit influence on Roman Catholic writers, and Catholics in general, would be complete, and we accordingly find [*the Jesuit stronghold of*] **Roman Catholic Bavaria** foremost in expressions of hatred to England and desire for her downfall. . . . But Germany, in carrying out her own ambition, would be carrying out the ambition of Rome, and it seems perfectly clear that Rome hoped to effect her purpose of crushing Great Britain by the aid of Germany, and that she regarded Germany as her '*Spanish Armada*' of the present day. . . .

Finally, the Kaiser and the Government are in close alliance with the Papacy, and the ambition of Germany and that of Rome being identical, viz., to effect the overthrow of Britain, it may be concluded that the German war party welcomed the powerful aid which Rome and the Jesuits were able to give her by their secret influence in Great Britain. . . .

In this campaign of falsehood against Britain the Jesuits had, naturally, the support of the whole Roman Catholic party in Germany, who constituted over one-third of the entire population of the Empire, and were represented by the Centre Party in the German Reichstag [*which later brought* **Adolf Hitler** *to power in 1933*], upon whom the Kaiser mainly depended for the support of his ambition and the formation and increase of the German Fleet [*which U-boats, on command of the Order's* **General Erich Ludendorff**, *conducted unrestricted warfare, sinking hundreds of British ships crippling the commerce and martial protection of the British Empire*]. In fact, **Von Hoensbroech**, the German Jesuit who left the Society because he found the Jesuits to be the chief instigators of Socialism [*being anti-Communist, Ultramontane national socialism, i.e., Jesuit fascism*], said:

'The Roman Catholic Centre Party in the German Reichstag were wholly under the influence of the Jesuits, whom they constantly consulted.' . . . His [*the Kaiser's*] friendship with **Leo XIII** is well known.

'His picture is a prominent feature in the Pope's rooms. Here it is on a table, there it hangs on a wall, yonder it is in an album, while on the Pope's breast, suspended by a gold chain, sparkles a magnificent cross composed entirely of emeralds, the gift of the Kaiser to Leo XIII [*evidencing the Order's open but false policy, that it backed* **Kaiser Wilhelm II**, *when the secret but true policy was* the ***Black Pope***'s *total backing of Masonic* **King George V**. *This was the same Jesuit duplicity evidenced during America's War Between the States (1861-1856), the Pope openly but falsely backing Southern Confederate President* **Jefferson Davis** *while secretly but truly backing Northern Federal President* **Abraham Lincoln's** *Radical Red Republicans*].' In 1902, on the occasion of the Pope's Jubilee, the Kaiser made a speech at Aix-la-Chapelle, in which he said: '. . . the Papal See was indebted to the German Emperor.' . . . So highly did the late Pope value the alliance of the Kaiser that he ordered a special *Te Deum* to be sung in his honour, a thing inconceivable in the case of a really Protestant Prince. From the moment of his accession the Kaiser's sympathies with Rome became evident. The Catholic Professor of History, **James McCaffray**, writes:

'He was friendly to the Catholics, and made it clear that he was desirous of satisfying the reasonable demands of his Catholic subjects. In **1890** the Catholic clergy were freed from the obligation of military service [*as would Hitler declare the Jesuits unfit for military duty in 1941*], and in the same year the great enemy of the Catholic Church (Bismarck) lost his place as Imperial Chancellor. In 1893 he visited Rome, and was received with every mark of respect by the Pope. In 1894 the **Redemptorists** [*secret Jesuits*] and **Fathers of the Holy Ghost** [*secret Jesuits*] were allowed to return to the empire. In 1901 the Emperor appointed

the Roman Catholic **Doctor Spahn**, Professor of History, in what had hitherto been the exclusively Protestant University of Strasburg, and in the following year a convention was concluded with the Holy See for the establishment of a Catholic faculty of Theology in the same University [*the Jesuits then in complete control of that institution*]. . . .'

The Kaiser's alliance with the Jesuits was equally marked. **Bismarck** was not only opposed to the Catholics [*who promoted the Pope's Temporal Power*], but the determined enemy of the Jesuits, whom he had banished from the kingdom; for he regarded them as a danger to the State, and fully recognized their leadership of those Socialists whom he called black or clerical Socialists. Bismarck was, therefore, at once got rid of by the Kaiser, who not only allowed them gradually to return to Germany, but took them under his especial protection. **Dr. A Robertson** remarks:

'The Jesuits in Italy were wholly suppressed in 1859 and banished from Rome [*in 1872*]. But they were the strongest allies of the Kaiser, and it was all-important, therefore, that they should have a footing in Italy. When, therefore, the Kaiser came to the throne [*1893*], he bought for them a palace in Rome, and installed them there as his guests [*the very year the Order was permitted to re-enter Rome by* **King Umberto I**, *later assassinated in 1900 by a Jesuit-controlled Roman Catholc anarchist*].' . . .

When, therefore, we consider the Kaiser's intimate relation and alliance with Rome and the Jesuits, the influence of the latter on him from his youth, and that their avowed object in instigating the war [*truly caused by Russia, France and Great Britain via a secret treaty of 1892 to the complete surprise of the Kaiser betrayed by Tzar Nicholas II*] was the restoration of the Papal dominion, there can hardly be a doubt that it was they who persuaded him that he was the chosen instrument of God for carrying out that purpose. The weakness of his moral character, his vanity and susceptibility to flattery would make him as wax in their hands. . . .

Seeing, therefore, that it was the intention of Rome and the Jesuits that the **Great War** they were to bring about was to exceed in horrors all former wars, we must conclude that the horrors and atrocities perpetrated by the Germans were due to the instigation of the Jesuits through the influence exercised by them in the State, in the German press, and throughout Germany. It is, however, well known that the Kaiser himself was chiefly responsible for these atrocities; yet he was not naturally inhuman, and we can only conclude that his mind was perverted by his Jesuit advisers, and that, in view of the great purpose which they persuaded him he was called by God to accomplish, he adopted the Jesuit principle that the end justifies the means, and that he could do evil that good (as he regarded it) might come." {7} [Emphasis added]

Rome and the War: And
Coming Events In Britain

"The object of Rome is 'to subjugate and subdue, to conquer and rule the British [*White*] race and Empire.' 'The Vatican is working as it ever has worked and ever will, for the humiliation of England.' . . . By working upon the vanity, ambition, greed and selfishness of certain individuals, in whom infidelity or false religion has extinguished every patriotic and generous impulse, the Jesuits are able to obtain a number of adherents devoted to their cause, ready to become traitors to their own country and to sacrifice its interests, prosperity, and power to the ambition of Rome. . . . By means of these secret agents occupying positions of more or less importance in every order and rank of society and in every office in the State, the Jesuits are able, by combined action, to powerfully influence public opinion, and even direct the policy of the country. For these agents are to be found not only in the churches and religious bodies, but in the schools, in the Army and the Navy, in the working men's clubs [*unions*], in the Press, in Parliament, and perhaps even in the Cabinet [*via the RIIA*]. . . . Our most deadly enemies are those who exist secretly in our midst [*Jesuit Temporal Coadjutors* **Winston Churchill** *and* **Anthony Eden**]. . . .

The purpose of the Jesuits is to stir up revolution in the countries opposed to them by secretly working upon the discontent of the masses. . . . These seditions [*in Ireland, Egypt, India and South Africa*], in short, appear to be due to a widespread conspiracy to effect the downfall of the Empire. There is no portion of the Empire which is not the seat of unrest and rebellion since the present [*Socialist Labor*] Government and Parliament came into power. Even Great Britain itself is torn by strife, its constitution and institutions are threatened; racial distinctions [*Irish, English, etc.*], which really do not exist [*as they do in the US*], are being urged in order to create disunion; the religious belief and the moral character and virility of its people have been undermined, and the envy, hatred, and malice of the masses are being inflamed in order to set them against law and order and their own country. . . . The Jesuits [*via*] . . . their **Socialist Utopia** . . . will reap their vengeance upon the peoples who have rejected them and, by the aid of the proletariat, re-establish their dominion [*as in Stalin's USSR*]. . . .

Britain at the present moment is governed by Jesuits, her most bitter enemies . . . The principles of anarchy and revolution, of which the Jesuits are the avowed authors, would be just what they would use . . . to crush Protestant Britain by means of the Social Revolution and the sword of Germany [*as was done to Orthodox Russia*]." {8} [Emphasis added]

"Its [*the Jesuit Order's*] objective was, and is still, to destroy the effects of the Reformation and to re-establish the **Holy Roman Empire** of the German Nation . . . A **Greater Germany**, in other words, must be made again the center of a revived Holy Roman Empire." {10}[Emphasis added]

The Vatican Against Europe

"A clever masquerade has always been characteristic of the political activities of Jesuit Catholicism. **Jesuitry** is a word in all our dictionaries that is defined as synonymous with subtle duplicity . . . History is witness to the undeniable fact that the Jesuit Order, founded in 1540 for the express purpose of **counter-Reformation**, has excelled in the art of Machiavellian duplicity. It is an organization founded on military lines to fight for the **political restoration** of the **Roman Papacy**, and is the only order in the Catholic Church that binds its members by special oath for this purpose . . .

[*The*] counter-Reformation activities of Jesuit Catholicism . . . led to the rise and present successes of Nazi-Fascism against the liberalizing effects of the **Protestant Reformation**. . . . Hitler himself admits that he was helped by the methods of the Jesuit counter-Reformation to carry on his ideological war . . . [*We*] have witnessed Catholicism's open support of every step taken by Nazi-Fascism to impose authoritarian regimes upon all peoples . . . the Fascist regime in Italy . . . Hitler's National Socialism . . . Mussolini's conquest of Ethiopia . . . Japan's invasion of China . . . its [*the Vatican's*] alliance with Franco . . . After Pearl Harbor the Vatican accepted General **Ken Harada** as Ambassador from Tokyo to the Holy See . . .

We can go even so far as to state that Nazi-Fascism had its origin in the Society of Jesus, and that, like other movements in the past analogous to Fascism today, it was planned to serve the traditional aims [**the Council of Trent**] of the disciples of Ignatius Loyola." {15} [Emphasis added]

"The international German bankers [**Hjalmar Schacht** *and* **Baron Kurt von Schroeder**, *the close friend of* **Knight of Malta Franz von Papen**] have subsidized the present Government of Germany and they have also supplied every dollar of the money that **Adolf Hitler** has used in his lavish campaign to build up a threat to the government headed by [*Roman Catholic* **Heinrich**] **Bruening**. . . . They conceived the idea of robbing us by stealth, by fraud, and by trickery, and they have succeeded. Through the Federal Reserve Board and the Federal Reserve Banks over **thirty billions** of American money over and above the German bonds that have been sold here has been pumped into Germany. . . . You have heard of the spending that has taken place in Germany. You have heard of her new modernistic dwelling houses, her great planetariums, her gymnasiums, her swimming pools, her fine public highways, her perfect factories. All this was done on our money. All this was given to Germany through the Federal Reserve Board and the Federal Reserve Banks, and, what is worse, Federal Reserve Notes were issued for it [*for which debt notes we Americans are liable*].

A Federal Reserve Note is an obligation of the United States and here you have a banking system which has financed Germany from start to finish with the Federal Reserve Notes . . . [*it*] has unlawfully taken from the Government and

the people of the United States. The Federal Reserve Board and the Federal Reserve Banks have pumped so many billions of dollars into Germany that they dare not name the total. . . .

Do you know that **Germany** has been lending our money to **Soviet Russia** as fast as she could get it out of this country from the Federal Reserve Board and Banks? Do you know that she is the author of the 5-year plan; that she has armed and supplied Soviet Russia with our money? Do you know that **Germany** and **Soviet Russia** are one in military and industrial matters? Do you know that **Germany** is well-armed and that we paid for her rifles and [**SS**] uniforms, and her commercial trucks, which can be converted for military uses inside of 24 hours? She leads the world in aviation. Why not, when the Federal Reserve Board and the Federal Reserve Banks have been secretly financing her for years. . . . Do you know that the Federal Reserve Board and Federal Reserve Banks have also been financing **Soviet Russia** and that Russia owes an immense sum, of which $150,000,000 is due by January 1, 1932, and that Russia has no money wherewith to pay it and will presumably be unable to pay it?

There are **9,000** German officers in the Russian Army. The Krupps are manufacturing war munitions in Moscow, and that manufacture is going on day and night. Thousands of armored trucks and tractors, currently used in Germany for commercial purposes, are convertible into war tanks within 60 hours. But the most important activities are in the fields of aviation and chemistry. The **Germans** and **Russians** are working unremittingly on war gas and war flame in Soviet-owned laboratories.

In addition to their debt to us, **Soviet Russia** has borrowed 535,000,000 reichsmarks from Germany, and that was our money, too. For the first nine months of this year [*1931*] Russian orders to German manufacturers amounted to 851,000,000 reichsmarks—more than the entire amount Germany is legally bound to pay to France. These Russian orders, which, roughly speaking, amount to about $202,620,000, were for general machinery, tool machines, and electrical supplies. Do you not think that Germany is doing a handsome business on the free paper Federal Reserve Notes unlawfully given from this Government for her benefit? [*In 1933* **Freemason FDR** *would recognize the Order's Soviet Russia ruled by* **Freemason Stalin**. *The Pope's American cartel-capitalist, CFR-ruled corporations could then do business directly with Soviet Russia rather than through Germany, now under the rule of the Nazi party.*] You have been informed that there is an alternative before the United States—that Germany will pay her commercial obligations if we effect her release from the payment of reparations [*which WWI reparations she never paid with her own money—as secretly intended by the Order's Masonic Allied banking powers at Versailles*]. I say that Germany will not pay her commercial obligations. I say that the Federal Reserve Banks have purchased and re-discounted false, worthless, fictitious, and un-collectable acceptances drawn in Germany, and that those false papers are in the vaults of the Federal Reserve Banks, in the vaults of the designated depositaries as security for money taken from the

citizens of this country by taxation, and in other banks, and I say that they are worthless. . . .

Who gave the Federal Reserve Board and Banks the right to permit the German international bankers to loot this country and to take everything we had away from us? I say we will have an audit of these accounts [*which has never occurred*] and every Federal Reserve Bank and every director will be held liable for his acts in so far as he has been responsible for the exportation of American wealth to other countries and for the redistribution of wealth which has taken place in this country." {16} [Emphasis added]

Collective Speeches of Congressman Louis T. McFadden

"**Eugenio Pacelli** was described routinely, during his pontificate [*as* **Pope Pius XII**] and after his death, as a member of the Black Nobility. . . . [*From kindergarten, he*] graduated to a private Catholic elementary school . . . subject to the whims of its founder and headmaster, **Signore Giuseppe Marchi**, who was in the habit of making speeches from his high desk about the 'hard-heartedness of the Jews.' . . . On his way home from school he regularly visited the picture of the Virgin, known as **Madonna della Strada**, close to the tomb of **Ignatius Loyola** in the **Gesu Church**. Here, sometimes twice daily, he poured out his heart to the Madonna, 'telling her everything [*he later to become a true "Knight of the Virgin Mary"*].' . . .

In the summer of 1894, having completed his education at the *liceo* at the age of eighteen with a diploma or *licenza, 'ad honorem,'* Pacelli went into retreat for ten days at the church of St. Agnes in Via Nomentana. For the first time (but not the last) he was guided through the **Spiritual Exercises of St. Ignatius Loyola** [*as were the chiefs of Himmler's SS once a year at Wevelsburg Castle*], a manual of spiritual meditation. . . . Returning home, Pacelli informed his parents that he wanted to become a priest. . . .

[*In 1899*] Pacelli had completed his education in 'Sacred Theology' with a doctoral degree (by today's standards, the degree was more accurately a licentiate) awarded on the basis of a short dissertation, now lost to posterity, and an oral examination in Latin. In the autumn he registered again at the St. Apollinaris Institute to study canon law. This marked the beginning of serious postgraduate research, during which he probably came under the influence of the Jesuit canonist **Francis Xavier Wernz** [*later, the Jesuit General (1906-1914) who coordinated the sinking of the Titanic*], an expert on questions of ecclesiastical authority in canon law [*i.e., Council of Trent*].

But the influence of Rome's Jesuits, whom Pacelli regarded as his **special mentors** while he was a seminarian and throughout his life [*as did Kennedy assassin* **Francis Cardinal Spellman**], is notable for other reasons. In 1898, as Pacelli was completing his studies, for the priesthood, *Civilta Cattolica*, the

Rome-based Jesuit journal, was arguing the guilt of **Alfred Dreyfus**, the Jewish army officer arrested of treason in France. The journal continued to proclaim his guilt the following year, even after he had been pardoned [*as the Order would later blame the Jewish Rosenbergs, falsely accused and executed for passing nuclear secrets to Jesuit-controlled* **Josef Stalin**]. The editor, **Father Raffaele Ballerini,** charged that the Jews 'had bought all the newspapers and consciences in Europe' in order to acquit Dreyfus. In a chilling conclusion, he asserted that 'wherever Jews had been granted citizenship' the outcome had been the 'ruination' of Christians or the massacre of the 'alien race [*by Roman Catholics*].' . . .

In 1890 *Civilta Cattolica* again turned its attention to the Jews in a series of articles republished in pamphlet form as *Della questione ebraica in Europe* [*Concerning the "Jewish Question" in Europe*] (Rome 1891) . . . The author charged that 'by their cunning,' the Jews instigated the French Revolution [*which, in fact, was instigated by certain Freemasonic agents of* the Company *for its suppression by* **King Louis XV**] in order to gain civic equality, and thence they insinuated themselves into key positions in most state economies [*as in the Pope's American Empire via the Pope's CFR*] with the aim of controlling them [*for the benefit of the Papacy*] and establishing their 'virulent campaigns against [*Popish*] Christianity.' The Jews were 'the race that nauseates;' they were 'an idle people who neither work nor produce anything; who live on the sweat of others.' . . . It is plausible indeed that these Catholic prejudices actually bolstered aspects of Nazi anti-Semitism [*imbibed into the mind of Pacelli by his mentors*]. . . .

On May 18, 1917, **Archbishop Eugenio Pacelli** set off in remarkable style from Rome's Stazione Termini for Munich. . . . By May 25 Pacelli was installed at the nunciature in Munich, a neoclassical palace on the Brennerstrasse directly opposite what was later to become the Brown House, the cradle of Nazism [*as New York* **Archbishop Edward Cardinal Egan's St. Patrick's Cathedral** *sits across the street from the Order's Masonic/Knight of Malta/CFR-controlled* **Rockefeller Center**]. . . .

On May 28, three days after his arrival, Pacelli was taken by horse-drawn carriage to the royal palace, where he presented his credentials to **King Ludwig III of Bavaria** [*Bavaria's Roman Catholic court of political power at which* **Prince Heinrich of Wittelsbach** *had been tutored by* **Gebhard Himmler**, *the father of* the **Black Pope**'s *future Bavarian Roman Catholic master of the Masonic Teutonic Order of the SS,* **Heinrich Himmler**] . . .

Catholics accounted for about a third of the German population in the postwar era . . . the Catholic Center Party [*which Party* **Prince Bismarck** *rightfully hated, opposing it with his "struggle between cultures;" which Roman Catholic Party accepted the provisions of the lying and rapacious, Jesuit-authored* **Treaty of Versailles**, *destroying the Protestant Second Reich and guaranteeing war in twenty years; which Party, chaired by* **Monsignor Ludwig Kaas**, *would bring Hitler to absolute power*] . . . gained in influence during the war, pulling off a

significant coup [*Indeed it was a coup d'etat!*] on **April 19, 1917, by forcing the repeal of the anti-Jesuit laws of 1872** [*which laws had righteously expelled the Order from all of Germany, openly thwarting the Society's political quest for absolute power over the Protestant Iron Chancellor,* **Prince Otto von Bismarck**, *over the Protestant Kaiser,* **Wilhelm I**, *and thus over the Second German Reich (remembering that the Company attempted the assassination of both* **Bismarck** *and* **Wilhelm I**]. From that point on, the **Society of Jesus** was free to enter Germany and found communities, schools, and colleges, which it did with great energy [*in preparing for the extirpation of "heretic" Protestantism and "liberal," anti-centralist/anti-Jesuit Romanism from all of Germany with* the **Black Pope**'s *Order of the Death's Head*].

At about this time [*1920*], Pacelli began to enjoy the benefit of an ideal assistant in the **Jesuit Robert Leiber** [*who later became Pacelli's papal confessor, as only a Jesuit may confess the Pope*]. . . . To his aid and service at this time [*1921*] came an unusual individual: **Ludwig Kaas**, an expert in canon law, representative of the Catholic Center Party in the Reichstag, and (strange for a full-time politician) a Roman Catholic [*Jesuit*] priest [*and Monsignor*]. . . . Kaas, known as 'the prelate,' became an intimate collaborator of Pacelli's on every aspect of the concordat negotiations. . . . by 1931 he was, to all intents and purposes, Pacelli's private personal assistant, his friend, confidant, and beloved companion. He represented the interests of Pacelli and the papacy from first to last. . . .

[*Devout Roman Catholic* **Heinrich**] **Bruening**,. The 'Hunger Chancellor,' resigned the chancellorship on May 30, 1932. [*President* **Paul von Hindenburg** *appointed*] . . . **Franz von Papen** in Bruening's place. Aristocratic, charming, a right-wing Catholic Center Party deputy, [**Knight of Malta**] **Papen** was a socialite, [*as was his devout American Roman Catholic counterpart and supporter of Hitler,* **Knight of Malta Joseph P. Kennedy**, *the short-seller who caused the 1929 Stock Market Crash giving Hitler's Nazi Party a huge success in the 1930 elections*] . . . Papen's first act was to dissolve the Reichstag, scheduling new elections for July 31. His second act was to lift the ban that had been imposed on the SA, Hitler's brownshirts [*which personnel was later fledged into the Order's SS*]. . . .

On December 2 President Hindenburg accepted Papen's resignation. . . . In the new year, after talks with Hitler, Papen approached Hindenburg with a formula that was to grant Hitler the chancellorship while he, Papen, had it in mind to emerge as the real power behind the scenes in the office of vicechancellor [*even as CFR* **Masonic Richard "Dick" Cheney** *is the real power behind the right-wing, pro-Roman Catholic, Republican Bush White House*]. . . . Hitler was sworn in as chancellor on January 30, 1933 . . . Right up until March 1933, then, German Catholicism, with its 23 million faithful, still comprised an impressive, independent democratic constituency that, together with the [*anti-centralist, anti-Jesuit Order's 1917 Code of Canon Law*] Catholic hierarchy, remained steadfast in its condemnation of [*absolutist, Nazi-Jesuit*] National Socialism. . . . There could be no Reich Concordat, however, [*making the Order's centralizing 1917 Code of Canon Law supreme over the German Hierarchy*], without the

bishops reversing their denunciation of National Socialism [*or, via Pacelli's Reich Concordat*]. Nor could there be a Reich Concordat unless the [*right-wing Roman Catholic*] Center Party [*controlled by Pius XII's* **Ludwig Kaas** *and Hitler's Vice Chancellor, Knight of Malta* **Franz von Papen**], before its demise, gave legal force to the passing of **the Enabling Act** [*which parallel statutes in America are the Jesuit Georgetown University-authored Patriot Acts I and II*] that would grant Hitler powers of dictatorship. . . . Only by dictatorial fiat, with the Fuehrer [*through his Vice-chancellor* **Franz von Papen**] dealing directly with [*Jesuit-trained and advised*] **Secretary of State Pacelli** in the name of the Pope [*ex-Jesuit* **Pius XI**], could such a treaty become a reality [*again, which treaty would legally end the Center Party (its purpose having been served in making Hitler "the Fuehrer" in passing the Enabling Act), and to silence the Pope's German Hierarchy from all protest and organized resistance against* the ***Black Pope****'s Counter-Reformation Nazi fascism—admittedly, the Society's favorite form of absolutist government*]. . . .

[*Occult Jesuit* **Ludwig**] **Kaas's** 'role in making the [*right-wing Roman Catholic Center*] party vote for Hitler's Enabling bill of March 1933 is still one of the most controversial acts of German history.' . . . Five days later [*March 20, Jesuit-trained Roman Catholic and ultimate Machiavellian* **Joseph**] **Goebbels** noted in his diary that the Center Party will accept (the Enabling Act). In 1937 Goebbels stated in his newspaper . . . that [*priest*] Kaas had agreed to the Enabling Act [*making Hitler the inquisitional Fuehrer*] in exchange for the [*Jesuit-controlled Nazi*] government's agreement to negotiate a **Reich Concordat** with the Holy See [*effectively silencing and submitting* **Pope Pius XI's** *Roman Hierarchy to the policies of Hitler's Jesuit-controlled Nazi party and Himmler's Jesuit-controlled SS*]. . . . The act . . . gave Hitler a comfortable majority vote to pass laws without the consent of the Reichstag and to make treaties with foreign governments (the very first of which was to be his treaty with Pacelli). . . .

Pacelli's [*Jesuit-dictated*] concordat policy, as he well knew, thwarted potential Catholic protest in defense of Jews, . . .he was the ideal Pope . . . He was Hitler's Pope." [*Ah, Hitler was in fact* **Pacelli's Fuehrer!**]. {17} [Emphasis added]

Hitler's Pope

"The soldiers of Loyola are about to go forth. Before beginning the campaign we see **their chief** assembling them and pointing out the field on which their prowess is to be displayed. The nations of Christendom are in revolt: it will be theirs to subjugate them, and lay them once more, bound in chains, at the feet of the **Papal See.** They must not faint; the arms he has provided them with are amply sufficient for the arduous warfare on which he sends them. Clad in that armour, and wielding it as he has been at pains to instruct them, they will expel knowledge as night chases away the day; liberty will die where their foot treads; and in the ancient darkness they will be able to rear again the fallen throne of the great **Hierarch of Rome.**

But if the service is hard, the wages will be ample. As the saviours of that throne they will be greater than it. And though meanwhile their work is to be done in great show of humility and poverty, the sliver and the gold of Christendom will in the end be theirs; they will be the lords of its lands and palaces, the masters of the bodies and the souls of its inhabitants, and nothing of all that the heart can desire will be withholden from them if only the will obey him [the ***Black Pope***]. . . .

For if their General 'held the place of the Omnipotent God,' much more did he hold the place of 'his Vicar [the White Pope].' And so was it in fact; for soon the members of the **Society of Jesus** came to recognize no laws but their own, and though at their first formation they professed to have no end but the defense and glory of the **Papal See**, it came to pass when they grew to be strong that, instead of serving the tiara, they compelled the tiara to serve the Society, and made their own wealth, power, and dominion the one grand object of their existence. **They were a Papacy within the Papacy**—a Papacy whose organization was more perfect, whose instincts were more cruel, whose workings were more mysterious, and whose dominion was more destructive than that of the old Papacy.

So stood the **Society of Jesus**. A deep and wide gulf separated it from all other communities and interests. Set free from the love of family, from the ties of kindred, from the claims of country, and from the rule of law, careless of the happiness they might destroy, and the misery and pain and woe they might inflict, the members were at liberty, without control or challenge, **to pursue their terrible end, which was the dethronement of every other power, the extinction of every other interest but their own, and the reduction of mankind into abject slavery, that on the ruins of the liberty, the virtue, and the happiness of the world they might raise themselves to supreme, unlimited dominion. . . .** The key-note of their ethical code is the famous maxim that *the end sanctifies the means*. Before that maxim the eternal distinction of right and wrong vanishes. Not only does the stringency and sanctions of human law dissolve and disappear, but the authority and majesty of **the Decalogue** are overthrown. There is no conceivable crime, villainy, and atrocity which this maxim will not justify. Nay, such become dutiful and holy, provided they be done for 'the greater glory of God,' by which the Jesuit means the honour, interest, and advancement of his Society. In short, **the Jesuit may do whatever he has a mind to do, all human and Divine laws notwithstanding. . . .**

What more can the Jesuit need, or what more can he possibly have, seeing by a little effort of invention he can overleap every human and divine barrier, and commit the most horrible crimes, on the mightiest possible scale, and neither feel remorse of conscience nor fear of punishment? . . . But further, **these sons of Loyola are the kings of the world**, and the sole heirs of all its wealth, honours, and pleasures; and whatever law, custom, sacred and venerable office, august and kingly authority, may stand between them and their rightful lordship over mankind, they are at liberty to throw down and tread into dust as a vile and accursed thing." {18} [Emphasis added]

The History of Protestantism: The Jesuits

"The public is practically unaware of the overwhelming responsibility carried by the Vatican and its Jesuits in the start of the two world wars—a situation which may be explained in part by the gigantic finances [*the international banking houses of* **Morgan, Rockefeller** *and* **Rothschild**] at the disposition of the Vatican and its Jesuits, giving them power in so many spheres, especially since the last conflict. . . .

For their part, the best theological pens were busy demonstrating the similarity between the Catholic and Nazi doctrines. And, for that work, the sons of Loyola were the busiest. As an example, let us see how **Michaele Schmaus**, Jesuit theologian, presented to the public a series of studies on this subject: '*Empire and Church* is a series of writings which should help the building up of the Third Reich as it unites a national-socialist state to Catholic-Christianity.' . . . 'The **Jesuit Michaele Schmaus**,' was called by *La Croix* ten years after the war [*2 September 1954*], the '**great theologian of Munich**,' and nobody will be surprised to learn that he was made a 'Prince of the Church [*Cardinal*]' by **Pius XII**." {19} [Emphasis added]

"It was there in **Munich** in **1919** amid the war's [*Jesuit-incited WWI's*] resulting impoverishment and unrest, that Hitler's nationalism was born. From then on **Bavaria** was destined, in the years ahead, to become a nest and breeding ground for the Fuehrer and his growing legion of malcontents. And so, in this state of ferment and desperation, nowhere more erosive than in Munich [*the Order's most powerful European haven north of the Alps*], **Hitler** came one night to the holy residence of **Archbishop Eugenio Pacelli**. All others in the household were asleep by then, except **Pascalina** [*Pacelli's live-in German nun and concubine*]. The nun proceeded to let Hitler in and escorted him to the sitting room to await the archbishop. She had never seen Hitler before or even heard about him. Neither had Pacelli. [*Pacelli, being a favorite of* **Jesuit General Ledochowski**, *an Archbishop, the intimate friend of Bavarian* **Crown Prince Rupprecht** *and the Papal Nuncio to Bavaria, knew full well of Hitler and the Thule Society of which both were members.*] The caller bore a letter of introduction from [*Jesuit Temporal Coadjutor*] **General Ludendorff**, extolling him for acts of bravery while serving as a corporal under Ludendorff's command. . . .

Hitler told Pacelli that he was out to check the spread of atheistic communism in Munich and elsewhere. Through the door, which had been left ajar, Pascalina overheard the prelate say, 'Munich has been good to me, so has Germany. I pray Almighty God that this land remain a holy land, in the hands of Our Lord [*the Pope*], and free of communism.'

Pascalina knew that Pacelli lived in fear of atheistic communism [*secretly ruled by the Order via its Masonic Jewish Labor Zionists*]. For that reason . . . the prelate had made his goal the complete destruction of this 'insidious new threat to world freedom and brotherly love.'

It did not come as a surprise to her, therefore, in light of Pacelli's hatred of the [*Order's Masonic Jewish*] **Reds, to see the prelate present Hitler with a large cache of Church money to aid the rising revolutionary and his small, struggling band of anticommunists**.

'Go, quell the devil's works,' Pacelli told Hitler. 'Help spread the love of Almighty God!' 'For the love of Almighty God!' she heard the young man reply." {20}[Emphasis added]

"The third of the great chivalric bodies, taking its rise in the time of the Crusades was the [*exclusively White German*] **TEUTONIC KNIGHTS** or **KNIGHTS OF SAINT MARY OF JERUSALEM**. Like its two predecessors [*the* ***KNIGHTS HOSPITALLERS*** *and the* ***KNIGHTS TEMPLARS***] the new Order was based on a unison of monastic and military service. . . . Several distinguished Germans contributed their property to the support of the work begun by their countrymen. A service and ritual were established, and in the year 1119, only one year after the founding of the Templars, the new Order received sanction of **Pope Calixtus II**. Religious and martial vows were taken by the brothers.

In the choice of a dress and regalia, the Teutonic Knights distinguished themselves as much as possible from the Hospitallers and the Templars. The gown was black with a white mantle, and on this was a black cross with a silver edging [*very similar to the design of Himmler's SS uniform*]. The Order soon achieved an invincible fame [*as did Himmler's* **Waffen SS**], and its members became the recipients of the same favors and honors which were showered upon the other two brotherhoods. The second establishment of the Teutonic Knights was founded in 1189 by the burghers of Bremen and Lubeck . . . The two chapters were presently combined into one Order by **Duke Frederick of Suabia**, who in 1192 obtained for the union the sanction of **Pope Celestine III**. [*According to* **Walter Schellenberg**, *one of Himmler's most trusted SS/SD Generals was known as "the Duke of Suabia."*] The rule of the body was amplified and the discipline of the Augustinians adopted for its government. [*The discipline of the Jesuits was adopted for the government of Himmler's SS.*]

At the origin of the Teutonic Order none but Germans of noble birth were admitted to membership [*as only racially "Aryan" Germans were first admitted to Himmler's Order of the SS*]. . . . **priests** [*were later*] **added to the fraternity** [*as were certain Jesuits and other priests secretly admitted into the SS*]. The chief officer was called the Grand Master [*as Himmler was also called "the Grand Master"*]. A papal edict followed, putting the new brotherhood on the same level with the **Hospitallers** [*Knights of Malta*] and **Templars** [*Scottish Rite Freemasons*], under the sanction and encouragement of the Church [*as the SS was also under the sanction of the Papacy;* **Pope Pius XII**, *as "***Archbishop Pacelli***" serving as* **Pope Pius XI's** *Nuncio in both Munich and Berlin (1917-1929), oversaw its creation during his twelve-year reign as "the German Pope"*]. . . . The Order . . . after a precarious existence of three centuries, was finally abolished by Napoleon in 1809 [*on the order of his master,* the ***Black Pope***, *who had also*

commanded his Masonic Avenger to destroy **Pope Pius VII's** *Holy Roman Empire—the Roman Catholic First German Reich (962-1806AD)*].

[A] belligerent and angry Europe [was] preparing her armor and mustering her warriors for the **THIRD CRUSADE** [uniting Roman Catholic Europe to the task of liberating Jerusalem as a result of the anti-Moslem agitation preached by the Pope's priests for decades]. . . . First of all in the work was the aged but still fiery and warlike [Roman Catholic] **FREDERICK BARBAROSSA**, Emperor of Germany [who, as the national hero of Germany, would serve in being Roman Catholic **Adolf Hitler's** model as "the Fuehrer," in uniting the peoples of Europe into a massive Crusade called **"Operation Barbarossa,"** deceptively intended to liberate **Moscow** as a result of the anti-Jew/anti-Communist agitation preached by the Pope's Jesuits for decades]. . . . Of all who had preceded him, not one was Barbarossa's equal in genius and generalship [as Hitler would also appear to be a genius in generalship during the pre-war and early war years]. . . . His army in the aggregate, exclusive of unarmed pilgrims, numbered over a hundred thousand. Of these, sixty thousand were cavalry, and of these fifteen thousand were Knights, the flower of the Teutonic Order [corresponding to Hitler's three million-man Wehrmacht; 160,000 were Waffen SS, the flower of Himmler's Teutonic Order of the SS]. . . .

He overcame every obstacle, fought his way through every peril, and came without serious disaster to Iconium. . . . By this time the name of Frederick had become a terror, and the Moslems began to stand aloof from the invincible German army [*as Hitler's army for a time became a terror and was invincible to the Russian Orthodox Slavs*]. . . . Evil was the day when Frederick died. . . . The command devolved upon the son of Barbarossa [*the Duke of Suabia*] . . . In a short time the gallant Duke of Suabia died . . .

At this juncture a new figure rose on the horizon . . . a Crusader of the Crusaders, greatest of all the medieval heroes—young **Richard Plantagenet** the Lion Heart, King of England. . . . Here in the valley of Hebron, with the towers of Jerusalem in view, the *Lion Heart* called a council! . . . It was decided that the present prosecution of the enterprise was inexpedient and should be given up. Great was the chagrin of the army when this decision was promulgated . . . and Jerusalem was left to the perpetual profanation of the Turks." [*The failure of the* **Pope's Third Crusade** *rested on one decision not to take* Jerusalem *from the Moslems; the failure of the* **Pope's Operation Barbarossa** *rested on one decision not to take* **Moscow** *from the Communists—as decreed by* the ***Black Pope****, conveyed by* **Bormann** *and commanded by* **Hitler!**] {24}[Emphasis added]

John Clark Ridpath, 1901
American Historian
Ridpath's Universal History

"THEIR uniform was black and they were the terror of a nation [*as the Jesuits wear black and are the terror of the Papacy*]. Their badge was the death's head and they swore eternal allegiance to the Fuehrer [*as do the Jesuits swear*

eternal allegiance to their Superior General]. Their flash was the runic **double-S** and they murdered men in millions [*as the Jesuits have murdered men, women and children in the millions*]. . . . They called themselves the "**Schutzstaffel**" (guard echelon SS) of the National-Socialist Party and in the words of SS-Hauptsturmfuehrer (Captain) **Dieter Wisliceny** they constituted themselves a 'new form of religious sect with its own rites and customs [*a new Germanic Teutonic Order under the discipline of the Society of Jesus; it is most telling that J. P. Morgan's White Star Line also had a passenger liner named the "***S.S. Teutonic****!"*]*.'*

No layman was allowed a glimpse of the inner working of this secret society; the Fuehrer's SS was intended to be mysterious, sinister and incomprehensible to the ordinary citizen, like the **Order of Jesuits** which the SS **officially** abominated [*the Order's deceptive, open policy*] but actually imitated down to the smallest detail [*the Order's true, secret policy as discussed in a previous chapter*]. The lords of this black-uniformed secret Order deliberately cultivated the fear evoked by their mere existence [*in accordance with* **Ignatius Loyola's** *Secret Instructions*]. . . . **Heinrich Himmler,** the Reichsfuehrer-SS (Reich SS leader) and **Grand Master of the Order** said with some satisfaction: 'I know that there are many in Germany who feel uncomfortable when they see this black tunic; we understand that and do not expect to be beloved by overmany people.' . . . The SS was a monolithic organization directed by the demoniac will of one man [the ***Black Pope***]. . . . the real rulers of Adolf Hitler's Germany. . . .

But the outer world was never allowed to know anything of what went on inside the SS [*which maxim holds true for the secret inner workings of the Jesuit Order*]; nothing was allowed to emerge which might indicate the thinking within **Heinrich Himmler's** empire [*which SS-empire was an extension of the political and financial power of* the ***Black Pope***]. Himmler took care to ensure that no member of his Order came in too close contact with laymen; SS leaders were not allowed to go to law with ordinary people lest the courts gain an insight into SS internal affairs [*a lesson the Order learned in the 18th Century when its Constitution was first revealed to the world*]; . . . Even the most exalted dignitaries of the Third Reich did not know what went on in the SS; in 1945 **Goering** said: 'I had no insight into the SS. No outsider knew anything of Himmler's organization.' . . . Not until the collapse of the Third Reich was the curtain concealing the SS empire removed. . . . Nevertheless the [*RIIA/CFR-controlled*] Allied judgment suffered from a serious defect; it did not explain why **more than a million men** had turned, collectively and almost overnight, into massmurderers; it did not explain the source of **the power** which enabled the SS to turn the racial fantasies of the National-Socialist regime into dreadful fact [*implementing "the Final Solution" to the Order's "Jewish Question" agitation using the Pope's Bavarian Roman Catholic-led Teutonic* SS]. . . .

The Himmlers had always been [*Bavarian Roman*] Catholics; a cousin, [*Dominican priest*] **August Wilhelm Patin,** was even a Canon at the Munich Cathedral (based on verbal information given to the author on 29 January 1966 by a relative of Himmler who wished to remain anonymous [*Wow!!!*]. [**Patin,** *as*

a Canon, was not only thoroughly versed in the Pope's Canon Law, including Aquinas' Summa Theologica and the Order's Council of Trent, but was the personal friend of the Pope's Papal Nuncio in Munich, **Archbishop Pacelli**, *who resided in a palace opposite the future "Brown House"—the cradle of Nazism—having secretly directed the development of Hitler's Party and the founding of* the **Black Pope**'s **SS**. *Pacelli became* **Pope Pius XII** *in 1939, whose confessor was another German Jesuit,* **Robert Leiber**, *the personal friend of Hitler's "Secretary," SS General and Deputy Fuehrer* **Martin Bormann**.] . . . Himmler's grandfather, **Konrad Himmler**, had been Commissioner of the Munich Gendarmerie and his grandson now realized that his future lay with the police . . . On 1 April 1933 he was placed in charge of the entire Bavarian Political Police . . . and assumed the title Political Police Commander. . . .

What the constituted [*Nazi*] Party needed was: 'A National Socialist Order within the Party to hold the movement together in an iron grip [*exactly as the Jesuit Order constitutes "a jurisdiction within a jurisdiction," holding the Pope's Hierarchy and Vatican Empire together with its "iron hand in a velvet glove"*].' . . . In April 1929 he [**Himmler,** *Hitler's "Ignatius of Loyola"*] submitted to **Hitler** and **von Salomon** a draft of regulations [*possibly written by his father-uncle "who stood godfather to him," the Archbishop of Bavarian Bamberg, or his Dominican cousin, the Canon of the Archbishop of Munich*], which, in effect, constituted the Order of the SS [*patterned after the Jesuit Order*]; . . . in 1946 **Dr. Grober**, the Catholic Archbishop of [*Roman Catholic*] Freiburg, admitted that 'we in Freiburg considered the SS to be the most respectable of the Party.' . . .

Documentary evidence exists for a sort of warning order: on 3 March 1941 Hitler dictated to General **Alfred Jodl** a general directive for the forthcoming war against the Soviet Union [*Stalin having provided Hitler's three million-man army with hundreds of tons of grain and fuel over a period of two years*] and this contained the first intimation that the Reichsfuehrer-SS, **Heinrich Himmler**, would assume responsibility for the extermination of the Jewish Bolshevik ruling class in the East [*secretly placed in open, visible power by the Jesuit Order—re-admitted into Russia by Lenin in 1922—so as to justify international anti-Jewish fury further providing the impetus for the Order's "Operation Barbarossa" Crusade against the "subhuman" Orthodox Slavs and the "perfidious" Jewish race*] . . . and finally the circle spread to every individual Jew. . . . the Reichsfuehrer-SS [*Jesuit Himmler*] would use **Einsatzgruppen** of the **Sicherheitsdpolizei** [*SS Security Police*] and the **SD** [*SS Intelligence* and *Counterintelligence, secretly manned with Jesuit Temporal Coadjutors, including* **SS General Martin Bormann**, *amidst 100,000 SD informers, while the Einsatzgruppen (whose only volunteer was the Roman Catholic* **SS Lieut. General Arthur Nebe**, *the head of the* **Kripo**—*the Criminal Police—later condemned by the Order's "People's Court" and hung) would be openly accompanied by Jesuit priests "preaching the faith" to the Orthodox peoples having survived the onslaught of the Wehrmacht*]. . . .

Hearing of the approach of a murder commando, the Jews of one Russian village had gone into hiding; when the commando reached the village, the only

person whom the SS men saw in the street was a woman with a baby in her arms. She refused to tell them where the Jews were hidden. One of the men snatched the baby from her, gripped it by the legs and smashed its head against a door [*in obedience to the bloody Jesuit Oath*]. An SS man recalls: 'It went off with a bang like a bursting motor tyre [*car tire*]. I shall never forget that sound as long as I live.' . . .

The death factories in the East ground remorselessly on, every hour and every victim adding to the list of German [*in fact, Jesuit* SS] crime. Even today the figures of the murder factories stagger the imagination; in **Kulmhof** 152,000 Jews died, in **Belzec** 600,000, in **Sobibor** 250,000, in **Treblinka** 700,000, in **Maidanek** 200,000, and in **Auschwitz** over 1,000,000 [*the SS Commandant,* **Rudolf Hoess**, *being another one of Himmler's Roman Catholic Jesuit Coadjutors*]. Hundreds of thousands of Jews were overwhelmed by a murderous wave of unbridled sadism [*agreeing with the 450-year history of the* Satanic Society of Jesus]. **Gomerski**, the [*Roman Catholic*] Sobibor executioner, used an iron water pot to batter in the skulls of Jews who had fallen sick during the journey; children's heads were smashed against barracks walls; these savages in SS uniform were capable of every form of infamy in their 'extramural activities [*fulfilling the bloody Jesuit Oath*].' "I do further promise and declare that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics [*including Jews and Orthodox Christians*], Protestants and Liberals, as I am directed to do, to extirpate them from the face of the whole earth; and that I will spare neither age, sex or condition, and that I will hang, burn, waste, boil, flay, strangle, and bury alive these infamous heretics; rip up the stomachs and wombs of their women, and crush their infants' heads against the walls, in order to annihilate their execrable race. . . . as I at any time may be directed so to do, by any agent of the Pope, or Superior of the Brotherhood of the Holy Father of the Society of Jesus." {26}[Emphasis added]

Secret Jesuit Oath, 1900
The Devil In Robes; Or, The Sin of Priests

"[*SS General Heinrich*] **Himmler** owned an extremely large and excellent library on the Jesuit Order and for years would sit up late studying the extensive literature. Thus he built up the SS organization according to the principles of the Jesuits. The *Spiritual Exercises* of Ignatius of Loyola served as the foundation; the supreme law was **absolute obedience**, the execution of any order whatsoever without question. Himmler himself, as Reichsfuhrer of the SS, was the **general of the order**. The structure of leadership was borrowed from the hierarchical order of the Catholic Church. He took over a medieval castle, the so-called Wevelsburg at Paderborn in [*Roman Catholic*] Westphalia, and had it repaired so that it might serve as a kind of **'SS monastery'** [*as all monasteries are merely military fortresses*]. Here the general of the order would hold a secret consistory once a year attended by the top leadership of the

order. They would take part in spiritual exercises and practice sessions in concentration [*as does every professed Jesuit, while led by a guide, studies The Spiritual Exercises of St. Ignatius Loyola once a year for thirty days, much of the time spent in silence and "meditation"*]. In the large meeting hall each member had his particular chair with his name engraved on a silver plaque. No doubt these mystical leanings of [*Bavarian-born*] Himmler go back in part to his attitude toward the Catholic Church, which might be called 'love-hate;' and in part to his strict upbringing by his [*Jesuit Temporal Coadjutor*] father with its stern Catholic code of conduct, from which he fled into . . . [*Loyola's*] romanticism . . ." {27} [Emphasis added]

The Labyrinth: Memoirs of Walter Schellenberg

"The most influential Catholic periodical anywhere in the world founded at the request of [*Jesuit-controlled*] **Pope Pius IX** and supervised by the popes and their secretaries of state—was the Jesuit biweekly [*La*] *Civilta Cattolica*. . . . The priests who wrote for the journal—all Jesuits—formed a collective, under the leadership of their director, whose appointment was approved by the pope. . . . Although it never had a huge circulation—reaching just over 11,000 subscribers at the turn of the century—its influence was tremendous. . . .

The Jesuit journal kicked off its long campaign against the Jews in December 1880 with a series of thirty-six fiercely anti-Semitic articles which were published over the following forty months. . . . all of the first thirty-six articles on the Jews were drafted by [*Jesuit*] Father **Giuseppe Oreglia di Santo Stefano**, one of the journal's founders. . . . As history had shown, the Jesuit wrote, 'if this foreign **Jewish race** is left too free, it immediately becomes the persecutor, oppressor, tyrant, thief and devastator of the countries where it lives.' . . . 'The Jews—eternal insolent children, obstinate, dirty, thieves, liars, ignoramuses, pests and the scourge of those near and far [*this is the same language of the Jesuit-authored On The Jews and Their Lies falsely attributed to the Reformer,* **Martin Luther**]— . . . immediately abused (their newfound freedom) to interfere with that of others. They managed to lay their hands on . . . all public wealth . . . and virtually alone they took control not only of all the money . . . but of the law itself in those countries where they have been allowed to hold public offices.' . . . [*This was*] 'a barbarian invasion by an **enemy race**, hostile to Christianity [*Roman Catholicism and by extension Protestantism, the Order subtly plotting to unite Romanists with "accursed heretics" in not only mass-murdering the Jew but also destroying the* **Reformation** *in Europe, accomplished via World War II*] and to society in general.' . . . 'Oh how wrong and deluded are those who think that Judaism is just a religion like Catholicism, Paganism, Protestantism [*those whom the Order seeks to unite in its crusade against the racial Jew*], and not in fact **a race**, a people, and a nation! . . . For the Jews are not only Jews because of their religion . . . they are Jews also and especially because of their **race**.' . . . 'Because they are born Jews, they must remain Jews.' . . . [*They form*] 'the principle nucleus of the secret sects [*Jesuit-*

controlled Freemasonry and the Illuminati] that are now ascendant and which threaten the ruin and the extermination of all Christian society.' . . . Such sects 'express that anger, that vendetta and that satanic hate that the Jew harbors against those who—unjustly he believes—deprive him of that absolute domination over the entire universe [*this language being identical with the Jesuit-authored The Protocols of the Learned Elders of Zion*] that he Jewishly believes God gave him.'

In September 1882, the first international anti-Semitic congress was held in [*apostate Protestant, Masonic Lutheran, Jesuit-controlled, later-to-befirebombed*] Dresden, with representatives present from [*apostate Protestant*] Germany and the [*Roman Catholic*] Austro-Hungarian empire. In reporting on the event, *Civilta Cattolica* recounted that although many violent speeches had been made denouncing the Jews, the 'relatively moderate' resolutions proposed by Reverend **Adolf Stoecker** had been approved [*sealing the future fate of Dresden, as the Order's Nuremberg Laws of 1935 would also seal the fate of Bavaria's Nuremberg*]. Stoecker, a Protestant minister [*like America's Jesuit Temporal Coadjutor, anti-Jew, once anti-Pope, Christian minister* **Texe Marrs**], was one of the most influential pioneers in the development of German anti-Semitism. . . .

But let us return to *Civilta Cattolica*, where by 1890, the ailing [*Jesuit*] **Father Oreglia** had passed on his leadership in the Jesuits' crusade against the Jews to colleagues. One of these men, [*Jesuit*] **Father Raffaele Ballerini**, . . . wrote [*in ascribing to the Jews the secret goal of the Jesuit Order*] . . . 'The whole Jewish race [*in fact, the White Gentile-led Company of Jesus*] . . . is conspiring to achieve this reign over all the world's peoples [*as declared in the Jesuit-authored The Protocols of Learned Elders of Zion*].' . . . They [*in fact, the Jesuits*] began 'a remorseless, constant war against the Christian religion and especially against Catholicism [*the same war carried out from 1789 to 1815 by* **Jesuit Adam Weishaupt's** *Bavarian Illuminati directing high-level, Grand Orient Freemasonry via the French Revolution and Napoleonic Wars*] . . . and an unbridled campaign of usury, monopolies, and thievery of every sort [*via the ten planks of the Order's Masonic The Communist Manifesto*], to the detriment of those among whom they have enjoyed and continue to enjoy civil liberties [*which high crimes the Jesuits have committed in every host country since the inception of the Society, especially in* **Fourteenth Amendment America**].' . . .

'For the Jews', [*in fact, the Jesuits*] the Jesuit concluded, 'brotherhood of peace [*set forth in the Jesuit-edited The Documents of Vatican II*] were and are merely pretexts to enable them [*the Jesuits*] to prepare—with the destruction of [*both "heretic" Protestant and "liberal" Roman Catholic*] Christianity, if possible, and the undermining of Christian nations [*which conspiratorial undermining the Order has accomplished in both Protestant and Roman Catholic nations during* the Devil's *Twentieth Century*]—the messianic reign [*aspired to by the Pope of Jesuit making*] that they believe the **Talmud** promises them [*which Babylonian Talmud has been assembled by key rabbis secretly working with Roman priests for the purpose of revealing the true goals of the present Jesuit-controlled*

Papacy—covertly aided by certain rabbinical Masonic Jewish Zionists—while simultaneously attributing the Company's *secret, anti-Christ doctrines and goals to the Jews, creating international anti-Jewish fury resulting in the generational genocide of the risen* Son of God's *beloved Hebrew/Jewish/Israelitic people yet to inherit the promises given to Abraham, Isaac and Jacob*].'

In **1890** [*Jesuit*] **Ballerini** devoted three long articles in *Civilta Cattolica* to **'the Jewish Question in Europe.'** The following year these were bound together and published as a ninety-page book to reach a broader audience. The Jews [*in fact, the Jesuits*] 'formed a foreign nation in the nations where they resided [*as do the Jesuits*], a sworn enemy of the nation's well being [*as are the Jesuits, evidenced by the Order's scores of legal expulsions due to its quest to control the governments of all nations*]. . . . Although they may live in France, in Germany, in England, they never become French, or German, or English, but remain Jews and nothing but Jews [*as do the cosmopolitan Jesuits remain only Jesuits under their secret vows*]. In an **1893** article titled '*Jewish Morality*,' another Jesuit author, **Father Saverio Rondina**, listed all the recent changes aimed against the [*Masonic*] Jews [*fronting for the Jesuits*] in Europe, ranging from fraudulent banking practices [*evidenced today by the Order's Federal Reserve Bank*] to charges of murder [*constantly committed by the Order's CFR-controlled Central Intelligence Agency*]. . . . The Jewish nation [*in fact, the Jesuit Order*], **Father Rondina** wrote, 'does not work, but traffics in the property and the work of others [*like the Order's Chicago Board of Trade*]; it does not produce, but lives and grows fat with the products of the arts [*like the totally morally depraved "Hollywood" Jesuit Theater*] and industry of the nations [*like the Order's CFR-controlled New York Stock Exchange*] that give it refuge. It is the **giant octopus** that with its oversized tentacles envelops everything [*as does the Jesuit Order, marvelously described in 1844 by Eugene Sue in his The Wandering Jew*]. It has its stomach in the banks [*Bank of America, Chase Manhattan Bank, etc.*] . . . and its suction cups everywhere: in contracts and monopolies [*Halliburton and Bechtel Corporations*] . . . in postal services and telegraph companies [*A. T. & T.*], in shipping [*W. R. Grace and Co.*] and in the railroads, in the town treasuries and in state finance. . . . It represents the kingdom of capital [*controlled by the Order from Hong Kong, Zurich, London and New York*], . . . the aristocracy of gold. . . . It reigns supreme. . . . What governs is **Masonry**, and this too is governed by the Jews [*first declared by* **Masonic Jesuit Abbe Augusten de Barruel** *in his 1797 treatise on the French Revolution, repeated by Ludendorff and Hitler*].' "**PAPACY AND FREEMASONRY**, those are the two powers active throughout the world and each is seeking to dominate it [*remembering that "extremes meet"*]. The solution of the [*open and seeming*] struggle taking place between them is at the present moment of the utmost importance; for we are face to face not only with the crossroads of history but also with a radical transformation of humanity itself. **EITHER ROMAN CATHOLICISM WILL LIFT US**

UP AGAIN TO THE LEVEL OF CHRISTIAN CIVILIZATION [*restoring the Pope's Dark Ages*] **OR ELSE JUDEO-MASONRY WILL DRAG US DOWN THE PATH OF BARBARISM AND DECADENT PAGANISM** [*the coming risen Pope's Jesuit-led Masonic/Luciferian New World Order*]**.** The whole world oscillates between the two: **CHRISTIANISM** [*Jesuit-Romanism*] and **PAGANISM** [*Jesuit/Egyptian-Masonry*]. . . . It is this accursed Sect whose perversion was stigmatized by Pope Pius IX when he named it: **'THE SYNAGOGUE OF SATAN.'** Due to its enormous extension and its nowadays very visible collusion with **INTERNATIOAL JEWISH FINANCE**, Freemasonry has indeed become the **'SYNAGOGUE OF SATAN.'** As such it provided funds for the **RUSSIAN REVOLUTION**, installed in Moscow; it carried Communism from East to West, took up the leadership of States of their governments, their various administration and departments or ministries, and of their parliaments and, in consequence, it is such a **world power** that, for any discerning mind, it seems as though, today, there are on earth only two great powers, viz: **JUDEO-MASONRY** [*ruled at the top by* the ***Black Pope*** *through Freemasonry's occult Supreme Councils of the 33rd Degree*] in the service of **WORLD JEWRY**, and the **CHURCH** in the hands of **PETER'S SUCCESSOR** [*also ruled by* the ***Black Pope***]. . . .

EVER SINCE 1738 all the Sovereign Pontiffs denounced, stigmatized and condemned what has hitherto become the world evolution of **Judeo-Masonry** [*Jesuit-Masonry ruling Israel's Masonic Jewish Labor Zionists*] which, now, on earth, admits that **IT HAS BUT ONE ADVERSARY, NAMELY, THE CATHOLIC CHURCH**, whose [*open and seeming*] agony it is now witnessing. . . . Vada Satana! Get thee behind me Satan with thy legions of rebellious angels, with thy early workers of iniquity the **Judeo-Masons. . . . GOD IS WITH US** [**"Gott Mit Uns"** *being the slogan on the belt buckle of* **Pope Pius XII's** *Nazi-German Army*] in this fight which is our fight, the fight of the **PAPACY** against **JUDEO-MASONRY."** {29} [Emphasis added]

"To 'learn' history means to seek and find the forces [*however unlikely*] **which are the causes leading to those effects which we subsequently perceive as historical facts**. . . .

Finally, the Jewish influence on economic affairs grows with terrifying speed through the stock exchange [**Bernard Baruch** *at this time being the lieutenant of New York Stock Exchange magnate and Irish Roman Catholic Knight of Malta,* **Thomas F. Ryan**]. He becomes the owner, or at least the controller, of the national labor force. To strengthen his political position he tries to tear down the racial and civil barriers which for a time continue to restrain him at every step. To this end he fights with all the tenacity innate in him for religious

tolerance [*championed by the Jesuits in all Protestant nations until they obtain unhindered political supremacy*] and in **Freemasonry**, which has succumbed to him [*the Jesuit*] completely, he has an excellent instrument with which to fight for his aims and put them across [*the American Civil Rights Movement of the 1960s*]. The government circles and the higher strata of the political and economic bourgeoisie are brought into his nets by the strings of **Freemasonry**, and never need to suspect what is happening. . . . The glove-makers and linen weavers, however, cannot be caught in the fine net of Freemasonry; now for them coarser but no less drastic means must be employed. Thus, **Freemasonry** is joined by a second weapon in the service of the Jews: *the press*. . . .

The general pacifistic paralysis of the national instinct of self-preservation begun by **Freemasonry** in the circles of the so-called intelligentsia is transmitted to the broad masses and above all to the bourgeoisie by the activity of the big papers which today are always Jewish [*the Masonic Prussian press lord having financed Hitler being in fact a German Gentile,* **Alfred Hugenburg**]. Added to these two weapons of disintegration comes a third and by far the most terrible, the organization of brute force." {30} [Emphasis added]

" 'Forgive me if I've forgotten your name,' I said to him. 'But I must have it for my files.'

He hesitated a moment, then said:

'Put me down as '**Adolf Schicklgruber**'.'

That was how Hitler was brought to me, and how he became my patient [*for fifteen years, from 1919 to 1934*]. . . .

All womankind had been recast in his brain in the image of the Munich street-walker, that tainted daughter of Eve whose kiss spelled death and shame [*infecting Hitler with syphilis to which he attributed his impotence*], like the kisses of Lilith, the primal passion of man who, in the **Dark Ages**, assumed the form of a witch and the voluptuous body of a Jewess in the new **Dark Ages** that had descended upon Germany. . . . I began to suspect a murder-complex in my patient when he confessed to me that he had used an S.S. Guard bayonet-knife in an orgiastic ritual of a '*Blut und Ehre*' (Blood and honor) cult [*meeting in a "patriotic" Nazi brothel, "the Temple of Aryan Motherhood"*] born in the imagination of a Nazi sadist who combined Oriental eroticism with Aryan

mythology in a concoction of terror, lust and unspeakable cruelty [*via secret rites*] with credulous Hitler youth as the willing victims. He had made use of the bayonet-knife to cut a bleeding swastika between the breasts of a female cultist, and then, in a moment of erotic madness, he had made a homicidal attack upon the young blonde girl, whom he had rushed to me for treatment. . . .

There came upon the scene **Alfred Hugenburg** [Papal Knight, Germany's media magnate owning fifty-three newspapers; partner with Austrian-Hungarian noble and **Knight of Malta Count Sascha Kolowrat** in the movie industry; leader of the largest conservative party, the German National People's Party; and close friend of Hitler's Vice-Chancellor and **Knight of Malta Franz von Papen**], leader of the Nationalists, one of Germany's most influential newspaper owners. He had agreed with Hitler to furnish all the money needed to run a socialist nationalist movement, if Hitler turned over to him, Hugenburg, the support of the won-over masses to whatever measures he favored for passage in the Reichstag. The result was that money began to flow through Hugenburg into the National Socialist coffers in a veritable torrent, with the Fuehrer in full, undisputed charge [Reich Party Treasurer and Jesuit Temporal Coadjutor **Franz Xaver Schwartz** administering the funds from Hitler's Brown House]. Whatever the Party owned in real or moveable estate was registered in his name. The Volkischer Beobachter (then and now the Party's official organ) was turned over to him as the legal owner, as, also, all Nazi buildings and enterprises. Hitler maintained for himself the right to receive and dispose of every donation to the party funds as if it were something handed over to him for his own personal use. His home became like that of one of **the Rothschilds** whom he professed to despise. . . .

Hitler had earned the Chancellorship by the mere preponderance of the Nazi vote. Yet the law said distinctly that the Chancellor had to be appointed by the President. There was governmental intelligence behind that law, which foresaw the possibility of a rabble attempting to sweep into power a faction whose tendency might be a complete dissolution of the spirit of the laws. Because **Von Hindenburg** as a President of the Republic considered the Nazi leader such a danger, he considered him poor material for that high post, and rejected him.

When the President's slight of the Nazi Fuehrer became known, the storm broke loose in and about the suburbs of Berlin. More than fifty thousand brown-shirted storm troopers marched to the city in force, and began to form an iron ring about it. More troops were flowing toward the capital from all parts of the country, with the same end in view. When it appeared as if [*apostate Protestant*] Berlin might be isolated from the rest of the country, and, that way, starved into submission, the Nazi trick was sprung.

Oscar von Hindenburg, the President's son, who had been won over by Hitler, broke one midnight into his father's sleeping quarters, accompanied by the

minister [**Franz**] **von Papen** and **the Fuehrer**. . . . Von Papen now played his part.

'There is really only one way out for your Excellency,' he said. 'You must displace von Schleicher with a civilian chancellor, which will leave you in command of all national forces.'

'And you know what non-military man will be acceptable to the majority of the people,' added Oscar smoothly.

'I suppose it is you, Herr Hitler?' he said.

The Fuehrer bowed.

'What's to be done must be done,' sighed the old general. He sank down in front of the desk near his bed (where the papers had already been laid out for him [*by SMOM* **Franz von Papen** *under the command of Germany's* **Papal Nuncio, Archbishop Cesare Orsenigo**]) and signed. When he got up and faced the intruders, his voice was almost mechanical. 'I proclaim Adolf Hitler Chancellor of the German Republic,' he announced. 'You're no longer a corporal, but a minister of state,' he said to Hitler. **'God help us,'** and went back to bed." {32} [Emphasis added]

Bavarian Roman Catholic Physician
I Was Hitler's Doctor

"Your Grace [**Aloisius Stepinac, Archbishop of Zagreb**]:

I write to you as man to man, as a [*Pope-worshipping, Roman Catholic*] Christian to a [*Pope-worshipping, Roman Catholic*] Christian . . . For fully ten months now, however, the Serbs in Croatia are being exterminated in a most beastly manner, with billions of their property subjected to destruction, while the face of an honorable Croat blushes with shame and anger. Since the first day of the **Independent Croatian State** the Serbs have been massacred . . . and this massacring has continued to this day.

These atrocities do not amount to simple killings alone. They aim at the extermination of every [*heretic*] Serb—men, women and children—and with terribly wild tortures of the victims. These innocent Serbs were stuck on poles alive, and fires built on their bare chests. Literally they were roasted alive, being burned to death in their homes and in their churches.

In many cases boiling water was poured on living victims before their mutilation, their flesh was salted, and their eyes gouged out while they were still living, their ears and noses were lopped off [*as was done to* **John Pym** *and other anti-Popish Puritans in England by* **King Charles I**], and their tongues cut out [*as did the Order's Spanish and Roman Inquisitors for centuries*]. The beards and moustaches of clergy, together with their skin, were ripped off by knives, while the victims' sex organs were cut off and stuffed into their mouths. Some were tied to trucks and dragged, while other victims had their arms and legs

broken and their heads spiked [*being common to the merciless Roman savagery of both Caesar's Roman Empire and the Papal Caesar's "Holy Roman" Empire*].

Their heads were smashed by crowbars, many were thrown into the deep cisterns and caves, and then literally bombed to pieces. Their children were thrown into fire and scalding water, and then fed to the fired lime furnaces. Other children were torn apart by the legs, their heads were crushed against walls [*as did the Jesuit/SS/SD-led Einsatzgruppen pursuant to the Order's Extreme Oath of Induction*], and their spines were broken against rocks.

These and many other methods of torture were employed against the Serbs — tortures which normal people cannot conceive [*as only Jesuits under Extreme Oath can conceive of such devious tortures for all "accursed heretics and liberals"*]. Thousands upon thousands of Serbian bodies floated down the Sava, Drava and Danube rivers and their tributaries. Many of these bodies bore tags: 'Direction—Belgrade, to **King Peter**.' In one boat on the Save, there was a pile of children's heads with a woman's head (presumably that of the mother of the children), labeled: 'Meat for Jovan's Market, Belgrade' (meaning for the Serbian market).

The case of **Milenka Bozinich**, from Stapandza, is a particularly gruesome one, because they ripped her unborn child out of her with a knife [*in obedience to the Jesuit Extreme Oath of Induction. Yes, these brainwashed savages literally fulfill the provisions of their relentless Jesuit Oath universally denied by the Company and its occult agents (like* **Nat Hentoff**, *the Pope's CFR-controlled Jewish author of John Cardinal O'Connor), further proving its veracity*]. In Bosnia a huge pile of roasted heads was found. Utensils full of Serbian blood were also discovered—this was the hot blood of their murdered brothers that other Serbs were forced to drink.

Countless women and girls were raped, mothers in the presence of their daughters and daughters in the presence of their mothers; while many women, girls and small children were ushered off to Ustashi garrisons to be used as prostitutes [*further feeding the deviant sex-lust of the priests in command*]. Rape was committed even before the altars of the Orthodox Church [*as was done to the Protestants in fascist Spain by Moslem troopers during the Spanish Civil War waged by Opus Dei-backed* **Francisco Franco**]. In Petrinja County, for instance, a son was forced to attack his mother. About 3,000 Serbs were murdered in the Serbian Orthodox Church at Glina, and the massacre of Serbs before the altar at Kladusha, with sledgehammers, is something that may never be mentioned in history.

There are detailed and official minutes (reports) of these unheard-of crimes [*further suppressed by the Allied Powers at the Nuremberg trials involving* **Cardinal Spellman's** *Masonic CFR members* **Walter Cronkite, William L. Shirer** *and* **Justice Robert H. Jackson** *advised by Georgetown University* **Jesuit Edmund A. Walsh**]. They were so terrible as to have shocked even the Germans and the Italians. Many pictures were taken of these massacres and torture orgies. The Germans claim that the Croats did these same things during the **Thirty Years'**

War [*as previously cited in chapter Seven*], and that since then, there has been a proverb in German, 'God save us from cholera, hunger and the Croats.' Even the Germans from Srem hate us, and act more or less humanely towards the Serbs. The Italians have photographed a utensil holding 31 1/2 [*thirty-one and one half*] kilograms of Serbian eyes, and one Croat who came to Dubrovnik was decorated with a string of eyes and with two wreaths of Serbian tongues. The horror in the camps, where thousands of Serbs were murdered or left to die from hunger, cold and maltreatment, is indescribable. The Germans tell about one camp in Lika, in which the Croats confined thousands of Serbs. Yet, when they came there, the found the camp empty, flooded with blood, and clothing strewn everywhere. Today in the camp of **Jasenovac**, thousands of Serbs are being tortured and murdered. In this bitter winter they are kept in Gypsy barracks without enough straw or covers, and their food consists of but two potatoes a day. Nothing like this has ever happened in the history of Europe. We must go to Asia, to the times of **Tamerlane** [*the brutal Islamic conqueror of Central Asia and Eastern Europe leaving mounds of skulls in his wake*] and **Ghengis Khan**, or to Africa, to the States of beastly Negro rulers [*like the Order's Black Wahhabi Moslem* **Idi Amin** *of Uganda*], to find anything similar. The Croatian name has been blemished with dishonor and shame for centuries for these atrocities. Nothing can clear us now. We don't dare mention our 'thousand year-old culture,' even to the last Gypsy in the Balkans, any more, because even Gypsies were never so beastly.

Why do I write this to you, since you are not a political character and not responsible for this? [*To the contrary,* **Archbishop Stepanic** *was absolutely responsible for this Roman Crusade against the "heretic" Serbs, as he, according to* **Edmond Paris**, *backed the Croatian Ustashi State "with all the weight of his authority," the Jesuit and Franciscan-led Ustashi having been a creature of the Order's pre-war Italian Fascism.*] Here is why. In all these unprecedented crimes, worse than pagan, OUR CATHOLIC CHURCH HAS ALSO PARTICIPATED IN TWO WAYS:

First, a large number of priests, clerics, friars, and organized Catholic youth actively participated in all these crimes; but more terrible even, Catholic priests became camp and group commanders, and, as such ordered or tolerated the horrible tortures, murders and massacres of baptized people. ONE CATHOLIC PRIEST SLIT THE THROAT OF AN ORTHODOX SERBIAN MINISTER. None of this could have been done without the permission of their bishops, and, if it was done, they should have been brought to the Ecclesiastical Court and unfrocked [*for being most obedient to* the **Black Pope**'s *Council of Trent? Nonsense!*]. Since this did not happen, then ostensibly the bishops gave their consent by acquiescence at least. [*Secondly*], the Catholic Church has used all means to Catholicise forcefully the remaining Serbs. And, while the land streamed with the innocent blood of martyrs, and while the moans of the surviving unfortunates were still audible, the friars and nuns carried Ustashi knives in one hand and a cross and a prayer-book in the other. The province of Srem is covered with leaflets of **Bishop Akshamovich**, which were printed in his own print shop at Djakovo. He calls upon the Serbs, through these leaflets, to save

their lives and property, recommending the Catholic faith to them [*that is, conversion at the point of a bayonet!*]. It would seem that our Church wanted to prove it could murder souls like the Ustashi do bodies. And worse, suspicion falls here upon the Catholic Church because, at the same time, many Serbian churches were destroyed, while others were converted into Catholic [*as done during the First Thirty Years' War*].

Though we Croatians shall never be able to erase this shamefulness which we have brought upon ourselves with these crimes, we can at least lessen our responsibility before the world and in our conscience, if we raise our voices in protest against all this infamy. This is the last hour for us to do so. After all the great crimes in history, punishment follows [*as per the* Word of God—the AV1611]. What will happen to us Croats if the impression is formed that we participated in all these crimes to the finish?

Again, it is the duty of the Church to raise its voice: first, because it is a Church of [*the false*] Christ; second, because it is powerful [*indeed, the most financially and politically powerful brotherhood of men of record*]. The great Catholic Bishop in Germany had the courage to raise his voice on behalf of the haunted Jews [*in resisting the Order's Nazi Party, violating Jesuit-trained Cardinal Pacelli's 1933 Reich Concordat*]; yet in our country not one bishop has decried the fate of the innocent Christian Serbs, who have suffered more than the Jews of Germany. For this reason the great responsibility, and both divine and human punishment, shall fall upon the heads of the Catholic Church, and also upon the people, if they do not repent in time for these grave and terrible sins [*in accordance with the coming judgment on Satan's city of the Papacy—"Mystery, Babylon the Great"—as pronounced in* ***Revelation****, chapters* ***17*** *and* ***18***]. I write you this—about these terrible crimes—to save my soul, and I leave it to you to find a way to save your soul [*though commendable, these final words evidencing the writer's unbiblical, Romish belief of "salvation by works"—a Satanic doctrine characteristic of every Cainite/Babylonish cult throughout the dismal trek of fallen man*]." {33} [Emphasis added]

[**Dr. Aloisius Stepinac,** the Croat Roman Catholic Archbishop of Zagreb, was merely carrying out the Canon Law of the Papacy, its policies shaming the pages of human history for the last sixteen hundred years. Stepinac was the slave of his master in Rome, the Jesuit-trained and advised **Pope Pius XII,** whose master in turn was the ***Black Pope*****, Wladimir Ledochowski.** Decorated with the "Grand Cross and Star" of the Croatian SS Ustashi government, Stepinac blessed **Miroslav Filipovitch,** the Franciscan priest who was also the Ustashi chief of the **Jasenovac** concentration camp. After the war Stepinac was convicted of several charges, including inciting the Croatian people to collaborate with the Utstachis, but never executed. On 18 December 1952, **Pius XII** rewarded Stepinac with a Cardinal's hat!]

"Born Catholic in 1904 in the town of Bad Kissingen, amid the pastoral rolling hills and lush forests of Bavaria, [**Edmund**] **Veesenmayer** quickly took to political economics. He became a professor of economics and business administration at the Technical College in [*the Jesuit-dominion of*] Munich. [*Jesuit Temporal Coadjutor*] Veesenmayer joined the NSDAP early, in 1932, when he was only twenty-eight years old. When National Socialism came to power in 1933, he became the personal secretary and economic advisor to **Wilhelm Keppler**, Hitler's personal economic advisor. As such, Keppler functioned as [*Dr.*] Veesenmayer's direct connection to the Fuhrer and the most powerful officials in Germany. . . . Although Veesenmayer proudly wore the full uniform and regalia of his SS rank, he avoided noisy street riots and ghetto roundups in favor of boardrooms and embassies. Always lurking in the shadows as Eastern Europe's most heinous actions erupted, Veesenmayer [*a personal associate of* **Himmler**] was **Hitler's** most trenchant facilitator. . . . A technical expert on the eradication of Jewish communities, Veesenmayer was invaluable as a behind-the-scenes organizer in Hitler's war against the Jews. . . .

> Veesenmayer was a frequent liaison to foreign militant movements. In early 1940, he was assigned to coordinate with two members of the [*Jesuitruled*] Irish Republican Army visiting Berlin. Later, [*amidst the Jesuits*] **in Rome**, he met with the virulent anti-Semites [*Masonic*] **Amin Husseini**, the Grand Mufti of Jerusalem, and **Rashid Ali Gailani**, former Iraqi premier. He escorted both men to Berlin for meetings with Hitler. . . . It was Veesenmayer, who, in April 1941, brokered a written political agreement between Yugoslavian Fascists and a murderous Croatian militia known as the [*Jesuit and Franciscan-led*] **Ustashi**, helping the [*Roman Catholic*] Croats remain in power as Nazi surrogates with the support of the [*Jesuit controlled*] German Foreign Office. Indeed, the same day he brokered the Ustashi pact, Germany invaded Zagreb. Ustashi militias were allowed free reign under Veesenmayer's eye. It was Veesenmayer's job to liaison with [*Hitler's*] Ustashi leader, [*Roman Catholic Jesuit Temporal Coadjutor*] **Ante Pavelic**. . . . Veesenmayer was for the first time completely in charge of German operations in a puppet nation. In Budapest, he formed a close alliance with [**Adolf**] **Eichmann** and together they orchestrated the systematic destruction of Hungarian Jewry [*in conjunction with* **David Ben-Gurion's** *Masonic Jewish Zionist,* **Dr. Rudolf Kastner**]. . . .
>
> During all the genocidal years, 1942-1945, the Dehomag that [**IBM's Masonic Thomas**] **Watson** fought to protect did remain intact. Ultimately, it was governed by a special Reich advisory committee representing the highest echelons of the Nazi hierarchy. . . . Hitler's representative on Dehomag's advisory committee was **Dr. Edmund Veesenmayer**. . . . [*Jesuit Temporal Coadjutor, Tridentine traditionalist and most devoted Roman Catholic* **Dr. Richard**] **Korherr** was the most important statistics man in the Nazi hierarchy. Irritable, defensive, and almost possessive about his [*IBM*] Hollerith machines, Korherr had been developing race-oriented punch card programs for years. . . .

But Korherr did not become the undisputed syndic of all Nazi statistics until December 9, 1940. On that day, Himmler issued and personally signed two explicit orders. The first appointed Korherr Inspector of Statistics for the SS as well as for the Chief of the German Police [*the Gestapo under Jesuit Temporal Coadjutor* **SS General Heinrich Mueller**]. The second outlined Korherr's broad portfolio. By any reading, it was an extraordinary entitlement and cachet for one who might be viewed as a mere statistical technician. But Korherr was more than just a number cruncher. He would become the keeper of the state's most incriminating genocidal secrets [*that Himmler would forward to his master in Rome, the confessor of* **Pope Pius XII, Bavarian Jesuit Robert Leiber**].

'The Inspector reports directly to me and receives his instructions from me personally,' ordered [the ***Black Pope***'s] SS Chief Himmler in Korherr's bona fides. 'The Inspector is solely responsible for the totality of statistics of all units and offices in my area. The work of the Inspector is to be supported in every way possible in light of the necessity and significance [*of*] . . . practical statistics. . . . The Inspector is **the sole point of contact** between the Reich and provincial and Party statistics.' [*Wow!!!*] . . .

In January 1943, Korherr was required to provide Himmler with a status report on the Final Solution. To do so, Korherr worked frantically to determine exactly how many Jews had been killed, country-by-country. He demanded a stream of data from all the ghettos and other territories where Eichmann and been working. **Eichmann** remembered [*when on trial in Jerusalem*] that he provided Korherr **'all our top-secret stuff. That was the order. All the shipments [of Jews] insofar as they had been reported to us.'** Eichmann added, **'The statistician [Korherr] was with me, a week or maybe two, in my office, day after day, making his inquiries, he sent telegrams etc. all over the place.' . . .** By early 1944, Korherr was able to report to Eichmann a total of **5 million Jews** eliminated by **'natural decrease, concentration camp inmates, ghetto inmates and those who were [simply] put to death.' IBM and the Holocaust

"Every animal mates only with another of the same species. . . . Only extraordinary circumstances can alter this, primarily the compulsion of captivity, or some other reason that makes mating within the same species impossible. But then Nature begins to resist with all her resources; her plainest protest consists in denying further fertility to the bastards, or in restricting the fecundity of later descendants; but in most cases she deprives them of stamina to resist disease or the attacks of enemies.

This is but too natural: every cross-breeding between two creatures not of exactly the same level produces a result intermediate between the levels of the two parents. That is to say, the offspring will indeed be on a higher level than the racially lower one of its parents, but not so high as the higher one. Consequently in battle it will succumb to the latter. . . .

Historical experience offers us countless examples. It shows with alarming plainness that every mingling of **Aryan** [*White*] blood with inferior races results in the end of the sustainer of civilization. **North America,** whose population consists overwhelmingly of Germanic elements, which have mingled very little with inferior colored peoples, can show a very different sort of humanity and culture from **Central and South America,** in which the predominately Latin settlers mingled, sometimes on a large scale, with the aborigines. This one example alone clearly and distinctly shows us the effect of racial mixture. The racially pure and more unmixed **Teuton** on the **American Continent** has arisen to be its master; he will remain master so long as he too does not succumb to blood-defilement. The result of any crossing of races, then, is in brief always as follows:

- **The depression of the level of the superior race**,
- **Physical and intellectual retrogression, and thus the beginning of a slow but sure wasting disease** [*including mental disorders*].

To induce such a development [*via the Order's forced amalgamation in the US*], in other words, is nothing more nor less than to sin against the will of the **Eternal Creator**. And as a sin this action is rewarded. . . .

Everything we admire on this earth today—science and art, industry and invention—is the creative product of but a few peoples, and perhaps originally of one race. . . . The great civilizations of the past have all been destroyed simply because the originally creative race died out through blood-poisoning." {35}[Emphasis added]

Mein Kampf, Unexpurgated Edition

" 'Suppose you tell me,' I asked, 'whether this remarkable thing—which you feel that you must hide from the rest of the living world—is something you experienced inside or outside of your own home?' . . .

My patient leaped from his chair in a fuming rage, shook his fist in my face and bellowed:

'You have no right to do that. You should not impose on me that way!'

I had to pacify him.

'I thought you realized by this time,' I reminded him, 'that a secret is still a secret as far as I am concerned.'

'You really know?' he said with open mouth.

I nodded. . . .

'I must have sleep-walked into the garden. But at the sound of my mother's laughter I woke suddenly. . . . Beside her lay **the fat Jew** fondling her shimmering hair, and desecrating her naked breasts with his naked paws. If only I could have done something about it. But what was there to do? **My hatred for the Jew** was not greater than my fear of displeasing my mother. I rushed back into my room and vomited all over the floor.' . . .

'How old were you then?'

'About ten.'

'How long had this Jew known your parents?'

'A year or two before I was born.'

'Then you might be a non-Aryan yourself,' I murmured. 'That's the dreadful possibility that haunts you, my friend.'

He pounded his fist into the palm of his hand.

'I know what I am, Herr Doctor!' he cried. 'You needn't worry about that. And as for **that damned Jew,** I promise you I'll make every German and Austrian Jew pay for that piece of infamy. Heads will roll—and if that garden still exists when I get to it, it will know a red dew.' . . .

The suspicion of his mother's relationship with **the Jew Sachs,** and its dreadful implications involving the nature of his own origin, was undermining his reason. . . . I have since learned from [*German Knight of Malta*] **Fritz Thyssen** that **the Jew Sachs** was not the only source of **Hitler's** uneasiness with regard to his origin, that **Chancellor Dollfuss** actually had proof of the Fuehrer's Semitic origin—proof that led to his murder [*by Himmler's SS*], and has since disappeared [*the offspring of two races usually siding against the intellectually higher race held by one of the parents, in Hitler's case, the Jew*]." {36} [Emphasis added]

Kurt Krueger, 1943
Bavarian Roman Catholic Physician
I Was Hitler's Doctor

"Today **Himmler** is very depressed. He has just come from the Fuehrer's Chancery [*like Nuremberg and Dresden, Hitler's Chancery in apostate Protestant Berlin would also be totally destroyed by Allied bombing*]. I gave him treatment. After much pressure and questions as to what's the matter with him he told me that the destruction of the Jews is being planned. [*This calculated destruction of Europe's Jewish race was the bitter fruit of over fifty years of Jesuit propaganda via the Order's "Civilta Cattolica" and finalized at Reinhard Heydrich's Wannsee SS Conference in Berlin, 1942. There, Heydrich determined 11 million Jews would be "involved" in "this Final Solution to the European Jewish Question." In Posen, 1943, Himmler called this "our history . . . never to be written."*] **I know his opinions on that subject, and that they have not changed at all.** He wanted to expel the Jews, but that did not succeed; in spite of initial

success the scheme finally broke down owing to the refusal of other countries to accept them [*which countries included the Pope's Masonicallyled Empires: Churchill's British Empire; Stalin's Russian Empire; and FDR's 'Holy Roman' Fourteenth Amendment American Empire into which thousands of Nazis were admitted after the war via* **Francis Cardinal Spellman**]. Now the destruction of the Jews is imminent. I was horrified and replied that it was fearful cruelty to want to destroy men simply because they were Jews [*which destruction is pursuant to the Pope's Canon Law*]. They had a heart as he and I had; hadn't every man a right to live? After a long pause [*Jesuit Temporal Coadjutor*] **Himmler** said: 'These are the points to consider: the Jews are constantly overturning every system of government by means of wars and revolutions. Not only political, but economic and intellectual revolutions. It's only necessary to reflect on the destruction of commercial honour, the break-up of artistic codes, in short, of all those standards which lend stability to a state. This leads to nations being robbed of their material and intellectual heritage and to a general proletarization [*i.e., feudalistic communism of the Pope's Dark Ages having no Middle Class, which "proletariat" is primarily composed of industrial, corporate wage earners who possess neither capital nor property and must sell their labor to survive; the lowest class of citizens in ancient Rome*]. But as a proletariat cannot direct a state, leadership comes into the hands of the opposite kind of Jews [*the Pope's Sabbatian, anti-Torah, Masonic Jewish Zionists*] who are against the proletariat. The Jews cause rottenness on which they thrive. They dominate the entire world through the control of news, the press, the cinema, art and practically everything else. The damage which the Jews have been doing for centuries—and the future would only be worse—is of a kind so comprehensive that it can only be met by eliminating them entirely [*pursuant to the Order's La Civilta Cattolica*].

It's the destructive Jewish spirit which has caused the lack of unity in Europe [which European Union eagerly advocated by the Papacy can only be achieved with the destruction of the majority of European Jewry]; it's the same with all wars and all want. It's a blood-guilt of the Jews which has swallowed up countless millions of victims and will consume more. You can only meet the Jews with their own methods and their own words: an eye for an eye and a tooth for a tooth. The millions of dead for which the Jews have been responsible over the centuries must be held against them. These interrelated facts have already led to the partial extermination of the Jews by other peoples in the past. Only when the last Jew has disappeared from the world will there also be an end of the destruction of nations—and to war waged as a business concern worth millions [i.e., World Peace can only be attained with the elimination of World Jewry]; and countless future generations will be saved from mutual slaughter on behalf of the **invisible Jewish Empire**. . . . You have only to read history with your eyes open. In every crisis you'll trace the influence of two great world powers, the Catholic Church and the Jews. . . .

While **Himmler** talked, I remembered the servile way in which [SS *General Reinhard*] **Heydrich** had always approached him and my eyes were opened. Himmler went on: 'The Fuehrer could confidently impose anything on

Heydrich—even action against the Jews—which no one else would dare to do and rest assured that it would be carried out perfectly. . . . Such people could still be used as long as they were kept well in hand and for that purpose his non-Aryan origins were extremely useful; for he would be eternally grateful to us that we had kept him and not expelled him and would obey blindly [*as do all Jesuits obey under regular perpetual vows or under Extreme Oath of Induction*]. That was in fact the case.'

I could not keep myself from saying: 'Then you have made use of one of their own people, whom you had under your thumb, to exterminate the Jews. That's a really devilish trick!'

'What do you mean?' Himmler replied. Just you read [*Roman Catholic*] **Machiavelli** [*whose absolutist and deceitful maxims the Order faithfully follows*] and his teaching on *raison d'etat*; . . . Do you think that times have changed? Methods have only become more refined. Machiavelli wouldn't have behaved a jot differently if it was a question of saving the state and employing force which he could keep permanently under control.' " {37} [Emphasis added]

Felix Kersten to Heinrich Himmler, 1941-42
Dutch Physician to the SS Reichsfuehrer
The Kersten Memoirs

"Unlike Cracow, **Warsaw** is a magnificent city, or at least it was. . . . It was not till my second Sunday in Poland [*in 1927*] that I slipped away from my chaperones and set out to look around with my own eyes. . . . In the Stare Maisto lived 'Jews without money,' 300,000 of them, in conditions that can be only described as the lowest depth of human degradation. Squalid tenement houses, narrow allies with the fetid odor of open sewers, unpaved streets, mud everywhere, heaps of uncollected garbage, and narrowchested, pale-faced children in rags wandering about . . .

In the office I saw **Dr. Shmaryahu Levin**, the one-time member of the Russian Duma whom I had met in Jerusalem. 'Explain to me, please,' I said, 'what the meaning is of all this misery. How do all these Jews live? Nobody seems to have a job in this neighborhood.' . . .

'Now you've caught a glimpse,' said Dr. Levin, 'of the Jewish condition in Poland. But only a glimpse; conditions in half a dozen smaller cities are far worse. Of the 80,000 Jewish men in Lodz, 60,000 are unemployed. They are weavers by trade. But the Russian market of prayer shawls and *zizith* [*fringes which observing Jews wear around their waists* ***(Deut 22:12)***] which they formerly supplied is closed since the Bolsheviks took over Russia [*indicating that the Jesuits, using the Pope's leading Masonic Jewish Bolsheviks, deliberately wrecked the Jewish communities of Poland to further justify Heinrich Himmler's extermination of the Jews*].'

'Can't they move out, emigrate?'

'They would like nothing better, but the doors of [*Jesuit/CFRcontrolled*] America are only ajar now. Hardly a thousand a year can go to America on account of the new immigration laws [*FDR's CFR-controlled Congress sealing the calculated doom of European Jewry*]. . . . '

'What about Palestine?'

'The British administration in Palestine [*controlled by the Order's RIIA*] declares that the absorptive capacity of the country is too limited to permit more than a few thousand Jews to enter the Land of Israel. . . . The (British) Palestine administration is keeping the doors of the Jewish national home closed to Jews [*further sealing the doom of European Jewry, the Order controlling the administrations of both FDR and Churchill as well as anti-Torah, Labor Zionist leaders Weizmann and Ben-Gurion*]. . . .

'There is no hope for the 'Polish citizens of the Jewish faith.' No hope at all. They are all doomed [*within "The Pale of Settlement"*]. . . . '

'How many are there?'

'More than three million.'

'What will become of them?'

'The majority is going to perish.' . . .

And why was this? Why this ruination and squalor? . . .

So long as Poland was under the Czar, Jews constituted a class of traders, merchants, cattle dealers, shop and tavern keepers, teachers and foresters; in short, they were the middlemen. With the glorious resurrection of the Polish state [*liberated from Bolshevik Russia in 1918*], the Poles became the masters and started to build a middle class of their own, entirely composed of non-Jewish citizens. The new middle class was built; unavoidably—I was quite frankly told in official places and governmental circles—on the systematic and calculated ruination of the Jewish population [*evidencing the Polish Jesuit hand in destroying the wealth of the Polish Jews before their Jesuit-led, Nazi SS executioners arrived in 1939*]. **There was no alternative. It was a question of life and death for the new Poland to destroy the old** [*Jewish*] **middle class or get rid of it. There were three million Jews too many in the country. Ultimately, they would have to perish, or be evacuated, go elsewhere, anywhere.** The [*Order's*] Polish authorities did not care where they went. In Poland they were unwanted. . . . They were ruined, living in the worst slums in the world. Formerly—ten, twenty years before [*1927*]—they had been quite well to do. Nearly all those fine shops on the main street of Warsaw, the Marszalkowska and the Ujazdowska, were formerly Jewish owned. . . .

Getting not the least satisfaction in official Polish circles . . . I called as a last resort on His Grace, the **Archbishop of Warsaw**. The prelate poured me a glass

of wine and proceeded to tell me that 'after all, we should not be too surprised to see the Jews suffer.'

'Not surprised in the new Poland; a land bursting with prosperity and new wealth?'

'You forget the Bible, dear sir [the very Bible the Pope has done all to suppress and keep from the nations, printed in their native languages, while murdering millions who sought to peaceably live by its truth], you forget that they crucified Our Lord [the false Christ of Romanism]! The Jews killed God's only Son, our Saviour [as did the Gentile Romans even according to the Order's Latin Vulgate-based New Testament, the Order rejecting all Reformation Bibles]. . . . They cried out to **Pontius Pilate:**

'Crucify Him, let His blood be upon us and upon our children. . . . ' It has come down upon them, hasn't it? God took them at their word! You see how true the Bible is [*the Archbishop cunningly using the author's Reformation New Testament as the justification for the Order's plot to destroy* the risen Son of God's *beloved Hebrew/Jewish/Israelitic covenant people—in which plot the Archbishop was a willing participant*]. . . .'

As late as 1930 **Vladimir Jabotinsky** [*who, with his brave* **Irgun**, *was hated by the Pope and his Masonic Jewish Labor Zionist leaders*] started a movement in Poland to walk the Jews out in a great exodus. He actually got a few thousand young Jews to follow him on the long trek to the Holy Land when a few miles outside Warsaw the Polish government stopped the march and the military drove the Jews back into their ghettos [*the Order in control of the army would not allow their Jewish captives to escape, as also Masonic Stalin would not even admit their entrance into the USSR*]. At that time certain respectable Jewish individuals [**Rabbi Stephen S. Wise**] and organizations in the United States [*the American Jewish Congress*] amused themselves by deriding Jabotinsky's act of desperation as that of a Fascist Fuehrer without followers, a self styled saviour and publicity seeker [*which slanderous propaganda unfortunately worked in America*]. . . .

On February 16, 1962, in Temple Israel in Jamaica, Long Island, where I preached the Purim sermon, the chairman of the Cultural Activities Committee, **Dr. Rudolph Halley**, introduced me to the congregation. I transcribe here part of his introductory remarks:

> **'We will tonight hear the man who back in 1927, thirty-five years ago, wrote the following warning: 'The Jews should be evacuated from Poland and from all Eastern Europe at no matter what cost. . . . They should be directed to Palestine in their hundreds of thousands, in their millions if possible. . . . Just as there has been a total evacuation of Greeks from Anatolia** [*Turkey*] **and of Turks from Grecian Thrace under the supervision of the League of Nations** [*even as the Arab Moslem "Palestinians" should be*

evacuated from Israel and resettled in Jordan thereby ending the Pope's continual Arab-Israeli agitation], **so the Jews should be transferred from Poland to their Palestinian homeland by land and sea in the shortest possible time. . . . No matter whether Palestine can absorb them or not; let them be temporarily housed—for a whole decade of needs be—in camps and tents till they can be integrated in the growing economy of that country. . . . But save them! Save their lives! . . . There is no time to lose. . . . If left in Eastern Europe masses of Jews are doomed to die if not of hunger, then by persecution** [*as the* Society of Jesus *would use a host of nations, both Allied and Axis, to rid Europe of its Jews in paving the way for the reestablishment of the Pope's "Holy Roman Empire" and his historic* "Kingdom of Jerusalem"—*the Nation of Israel*].' "The official Vatican publications (*Osservatore Romano* and the *Civilta Cattolica*) were both busy conducting international campaigns against the Jews. To help **Allah** and **Islam** along, the *Osservatore Romano* published **Adolf Hitler's** favorite book—*The Protocols of the Learned Elders of Zion*, (App. 1)—and had thousands of copies distributed among the British troops occupying the 'British Mandate' in Palestine. . . . No sooner had *The Protocols* gotten into the hands of the British army of occupation . . . than [**Winston**] 'Winnie the Pooh' **Churchill** took off to Cairo, Egypt to meet with Moslems and Roman Catholics; *no Jews were allowed at the conference. . . .* So on **March 27, 1921,** he handed over (without the consent of the League of Nations) two-thirds of Israel's land area to a Moslem 'caliph' (**Abdullah**). He then bragged about having 'created Trans-Jordan with a stroke of a pen.' . . . **T. E. "During World War I he [**Winston Churchill**] was responsible for the British invasion of Gallipoli where 216,000 British soldiers and 150,000 Turks fell in battle [*weakening the historic Protestant British Empire by deliberately killing the flower of English manhood as would later be demonstrated in the battles of the Somme and Passchendaele*]. During World War II he insisted on the invasion of North Africa despite the opposition of our military planners. Then he did everything he could to delay the invasion of Europe; he opposed an invasion of southern France, insisted on invading Italy [*deliberately prolonging the war while killing more British and American "heretic" Protestants as well as "liberal*

Roman Catholics], brought [*the Roman Catholic Croat*] **Marshall Tito** to power in Yugoslavia despite the fact he was a communist, and intentionally prolonged the war for over a year [*as did Hitler and FDR*]. That delay resulted in millions of additional deaths. "Apparently there had been differences between him [**Heydrich**] and **Himmler**, who had become jealous. Heydrich's policy in the Protectorate [*refusing to brutalize the non-Papal Christian populace unlike Bormann's murderous anti-Orthodox policy on the Eastern Front*] had been a great success, and the Fuehrer was very satisfied with his plans and the measures he had taken. He had begun to confer with Heydrich alone, and although Heydrich was greatly honored by the favors showered on him, he was worried because of the jealousy and antagonism of [*Jesuit Temporal Coadjutors*] **Bormann** and **Himmler**. He was afraid that **Bormann** [*the personal friend of* **Pope Pius XII**] would react by stimulating intrigues; **Himmler** was more likely to be just mean and bloody-minded. . . .

It was . . . in June 1942 . . . that a teletype message reached me saying that an attempt had been made to assassinate Heydrich and that he was seriously injured. I was instructed to return to Berlin at once. I wondered who was behind the attempt, and I remembered **Heydrich's** difficulties with **Himmler** and **Bormann** [*two of the Order's most powerful Temporal Coadjutors directing the policies of* the ***Black Pope***'s *Nazi SS and Third Reich*]. . . . as head of the Reich Security Office, and also Acting Reich Protector, he had become too powerful for them. . . . It was interesting that in my last conversations with him, Heydrich, although convinced of his own powers, had shown that he was afraid. . . . Heydrich lay unconscious in the hospital, where the best doctors were attempting to save his life. . . . Toward the end he was under the care of Himmler's personal physician, **Professor Gebhardt**, whose treatment [*in refusing to remove the infected spleen*] provoked serious criticism by the other specialists [*murder!!!*]. . . . Later I received from [SS *"Gestapo" Heinrich*] **Mueller** an account of how the assassination occurred. **Heydrich** was on his way back from his country estate near Prague to the Hradcin. He was sitting beside the driver (who was not his usual chauffeur) in his big Mercedes. On the outskirts of the city there was a sharp bend and the car had to slow down [*as did the limousine used in the Kennedy Assassination*]. Three men were standing at intervals along the roadside [*shooters in three locations as in the Kennedy Assassination*], the first about twenty yards before the bend, the next one on the bend itself, and the third about twenty yards beyond it. As the driver slowed down the first man jumped into the road, shooting wildly with his revolver. The car came almost to a stop [*as did the JKF limousine*] and at this moment the second man rolled a spherical bomb toward the car which

exploded directly underneath it. . . . Had Heydrich's old and experienced chauffeur been at the wheel, he certainly would not have left himself be duped by the assassin who jumped out into the road. . . .

I went, acting on Himmler's orders, to see [**SS/NKVD**] **Mueller**. On the telephone **Himmler** said to me, 'It's rather difficult to keep track of this investigation.' That was all he had to say about his feelings in the matter [*which indicates that Jesuit Himmler worked with the Order's British SIS in executing Heydrich, further securing the aid of* **Sir Stewart Menzies** *when the time would arrive for Himmler to make his escape from Europe: Himmler would be aided by SIS* **Anthony Blunt** *and* **Kim Philby**; *his file would be sealed by British cohorts in crime for one hundred years*]. . . . The Reichsfuehrer was gradually driving him [*Mueller*] crazy, for **Himmler** had made up his mind that the whole affair was staged by the British Secret Service [*which theory was correct according to* **Sir William Stephenson** *in his autobiography, A Man Called Intrepid*]. . . . Our investigations had come to an impasse, and with it the inquiry into Heydrich's death was brought to a close [*the evidence having been suppressed and the shooters having never been caught as in the Kennedy Assassination*]. . . . About two months later [*after the funeral*] Himmler stood with us in front of a death mask of Heydrich. Suddenly he said, 'Yes, as the Fuehrer said at the funeral, he was indeed a man with an iron heart. And at the height of his power fate purposefully took him away.' His voice was deadly serious, and I shall not forget the nod of Buddha-like approval that accompanied these words, while the small, cold eyes behind the pince-nez were suddenly lit with sparkle like the eyes of a basilisk. . . . He replied cryptically, 'Death masks are tolerable only at certain times and on special occasions, either for the sake of **memory** or **example** [*fully indicating that Himmler had arranged the assassination of Reinhard Heydrich as an example to others, which haunting purpose was also served through the JFK assassination*].'

Meanwhile the threat of collapse was coming nearer. When **Himmler** took me with him to report to **Hitler** in the Fuehrer's headquarters, there was the usual atmosphere of intensive work and excitement. . . . But Hitler followed me, and said in the same voice, 'Remember this one thing **Schellenberg**: in this war there can be no compromise, there can be only victory or destruction. And if the [*Lutheran*] German people [*betrayed time and again by Hitler's so-called "blunders"*] cannot wrest victory from the enemy, then they shall be destroyed.' I shall never forget his concluding words: 'Yes, then they deserve to perish, for the best of Germany's manhood will have fallen in battle. Germany's end will be horrible, and the German people will have deserved it [*the secret purpose of Hitler*].' " {41} [Emphasis added]

"A few years ago details on the close collaboration between the clergy and heavy industry [*managed by the Pope's Sovereign Military Order of Malta*] reached the press. *Der Spiegel*, for example, said in August, 1958: 'During the Second World War the **Society of Jesus** made profits from both sides on this essential raw material (mercury) [*as the Society also profited from both sides of the Vietnam war delivering Rockefeller's Exxon oil, oftentimes with the same tanker, to the ports near Saigon and Hanoi*]. While the Spanish firm supplied chiefly the Allies and Russia, the Italian mines provided for the German armaments industry.' GERSTEIN: The right-hand man of Heydrich told me once He was recruited into the Gestapo by a Jesuit—yes, a Jesuit priest, when he was at the University of Bonn. Himmler is a great admirer of your organization; he fashioned the Order of the SS according to the rules of St. Loyola. Pedantically, as he does everything, he read his way through a whole Jesuit library.

SS Officer Salzer to SS Officer Gerstein:

SALZER: You weren't there in Posen, on October 4, [*1942*] when Himmler said our welfare work for Israel's children would be—how did the old man put it—would be a *never written* and *never to be written*, page of glory in the annals of Germany . . . There you are Gerstein, that's the thanks we get— inglorious and dreadful.

"[*Roman Catholic*] **Wilhelm Hottl** is one of the war's mystery men. . . . Immediately after hostilities ended, Hottl was interrogated closely about his experience in Germany's intelligence service. . . . His cooperation, however, did not prevent his arrest and imprisonment in [**Cardinal von Faulhaber's**] Dachau because of his prior service with the **SS**. The figure of 6,000,000 Jewish dead, so often repeated in literature published on the subject, originated with Wilhelm Hottl. How he obtained the information is an interesting story. His path crossed [*crypto-Roman Catholic apostate Protestant*] **Adolf Eichmann's** in Budapest in August 1944 when Eichmann dropped by Hottl's residence seeking information about the deteriorating situation on the Eastern Front. Hottl was in communication with front line agents because of his position via SS Intelligence [*SD*]. . . .

Hottl took the opportunity to ask him for reliable information about the extermination program—and particularly about the number of Jews that had been killed. To his surprise, Eichmann answered his inquiry. The number of murdered Jews, he explained, was a top Reich secret, but given the situation he was facing he could tell Hottl something about it—particularly since Hottl was a historian. According to sworn testimony, Hottl later submitted testimony at Eichmann's trial in Israel in 1961, that the SS officer told him that

'approximately **4,000,000** Jews had been killed in the various concentration camps, while an additional **2,000,000** met death in other ways, the major part of whom were shot by operational squads of the Security Police during the campaign against Russia.' When Hottl displayed shock at the number, Eichmann responded that [*Roman Catholic*] **Heinrich Himmler** thought the figure of **6,000,000** was '**not correct**,' and that the figure had to be *higher*." {46} [Emphasis added]

"According to **Rev. Robert A Graham**, an American Jesuit historian (*Civilta Cattolica*, March 1975), the Nazi extermination machine was invented by a Roman Catholic theologian, **Professor Josef Mayer**, a teacher of moral theology [*which subject is dominated by such notorious Jesuits as Escobar, Busenbaum, Bellarmine, Santarelli, Gobat, Molina, Suarez, Balder, Sanchez and Sa*] at the [*Jesuit-controlled*] Theological Academy in Paderhorn, Germany, who wrote a report prompting Hitler to eliminate about 100,000 German and Austrian mental patients, epileptics, feeble-minded and deformed persons in gas chambers and cremating them in 1940-1941 [*the Jesuits being the true authors of Hitler's original Nazi euthanasia policy*]. Afterwards, the equipment was shipped eastward. . . .

Inside the Nazi Party there was a powerful pro-Stalinist element headed by [*Jesuit Temporal Coadjutor and Bavarian Roman Catholic*] **SS General Heinrich Mueller** [*and Hitler's Secretary,* **SS General Martin Bormann**], who was in charge of the Gestapo and the concentration camps. Mueller reported clandestinely to **Lavrenty Beria**, [*Jesuit-trained Joseph*] Stalin's secret police head. In 1945, Mueller fled to Moscow [*for which reason* **General George Patton** *was forbidden to capture Berlin: the condemned city had been given to the Red Army by the Order's obedient RIIA/CFR-controlled, high-level Freemasons,* **Churchill** *and* **FDR**] and helped the Stalinists consolidate control over Eastern and Central Europe [*via the Order's NKGB/KGB and Gulag System during* **the Pope's Cold War** *waged for forty-five years against the "heretic" Protestants and "liberal," anti-Communist Roman Catholics of Eastern and Central Europe; against the anti-Communist Orthodox, Baptists, Protestants and Jews of Stalin's USSR; and against the anti-Roman Catholic/anti-Communist Buddhists of Red China and the Far East*] . . . **the Jesuits, as profiteers of the slave trade, . . . were the true handlers of Hitler.**" {47} [Emphasis added]

"At 01:45 on the morning of 22 June 1941, a Soviet train steamed up to the frontier post on the Russian-German border at **Brest-Litovsk**, loaded with 1,500 tons of grain. The trucks were part of the 200,000 tons of grain and 100,000 tons of petroleum products delivered to the west *every month* for the German

war economy by Stalin, keeping his word to **Adolf Hitler** under the [**1939 Ribbentrop-Molotov**] Nazi-Soviet non-aggression pact's 'co-operative economic ventures' [*said treaty having been conducted by the Order's Soviet NKVD, which treaty "stupefied the world"*]. The scene at the border was [*one*] of routine, calm and order. The Union of Soviet Socialist Republics and the Nazi Party's Greater German Reich were allies, by solemn treaty [*Stalin and Hitler maintaining a secret alliance until the end of the war*]. . . .

Yet just before dawn on 22 June 1941, over three million men and 3,350 tanks of the armies of the Greater German Reich invaded the Soviet Union and took its unprepared western border defenses almost completely by surprise. How on earth could such a failure of intelligence, which led to the most destructive war in human history, have happened apparently without warning? . . . Stalin is the root cause of the intelligence disaster that befell Soviet Russia in 1941. . . . [*Stalin ensured*] . . . that his country suffered a catastrophic defeat as Operation Barbarossa pushed the Russians back to the gates of Moscow itself. . . .

In the spring of 1937, as part of what became known as the '**Great Terror**,' Stalin had moved to purge the Red Army of 'internal enemies [*i.e., officers that would not betray their own Russian Orthodox and Jewish People into the hands of the Nazis yet to invade*].' During the next three years he executed most of his senior military commanders on trumped-up charges. The cull was horrific: 75 of the 80 members of the 'Military Soviet' were killed; every commander of every military district: two thirds of the divisional commanders, half the brigade commanders and over 400 of 456 staff colonels. Stalin [*with the Order's NKVD*] effectively sliced the head off the Red Army [*just as he would decapitate the anti-Soviet, anti-Nazi Polish army, the NKVD killing 14,700 Polish officers in the forests of Katyn, further ensuring a successful future mass-murder of Polish and Russian anti-communist "liberals"*] . . .

The problem of deciding what was reality in Moscow was further hindered by Stalin's decision to kill his intelligence analysts. Like the Red Army, the NIO (the Foreign Intelligence Service) and the NKVD/KGB (the State Security Intelligence Apparatus) had both been ruthlessly purged between 1937 and 1939. . . . Many diplomats and foreign service officers tainted by association with 'counter-revolutionary [*anti-communist and anti-Stalinist*] elements' disappeared overnight, 'liquidated' in the purges that reached into every aspect of Soviet life in the years immediately before the Second World War [*further guaranteeing a successful future Nazi attack into Orthodox Russia*]. . . .

[**General Fyodor Golikov**, *Stalin's*] chief intelligence officer [*and Jesuit Temporal Coadjutor*] . . . made sure that any intelligence reports reaching his master were carefully sorted into 'reliable' and 'not confirmed [*even as the Titanic's many warnings of dangerous icebergs lying in the path of the ship were ignored by Jesuit Coadjutor Captain Smith*].' . . . Golikov's promotion as head of the GRU (Soviet Military Intelligence) in 1940 must have wrung sad farewells and tears over the vodka from his colleagues rather than the congratulations that accompany the usual office party. The seven previous incumbents of the post

had all been shot on Stalin's orders [*receiving 'the leaden bullet" for ignorantly resisting the long range plans of* the Company].

Yet Golikov survived [*the reward for blind obedience to his Jesuit master*], even though his two immediate successors were also shot by Stalin . . . Quite why Golikov survived is a curiosity. After the German attack, he was even transferred to England in late 1941 in order to run the GRU's agent network from a safe overseas base—a fact that the British have been reluctant to advertise [*the GRU and MI6 working together, both then and now, in eliminating all anti-communists*]. We now know from GCHQ's Venona decrypts that **there were at least *thirty-three* British-based traitors working for Moscow**, including some very senior figures, in addition to the 'famous ["*magnificent*"] five' usual [*homosexual*] suspects — [**Kim**] **Philby**, [**Guy**] **Burgess**, [**Donald**] **MacLean**, [**Anthony**] **Blunt** and [**John**] **Cairncross**. The Soviets must have been very confident of their British spy network to have allowed the head of their Military Intelligence Service to run it from London [*which Jesuit-controlled International Intelligence Alliance between the* **Soviet NKVD**, *the* **Nazi SS/SD**, *and the* **British SIS**, *included the* **American OSS** *commanded by* **Francis Cardinal Spellman's** *Papal Knight of Malta,* **"Wild" Bill Donovan**, *said International Intelligence Community having now been financed and perfected during the Pope's Cold War (1945-1989)*]. . . .

Golikov died in his bed in 1980. Only then did the truth come out . . .[*He*] had won his party credentials by being a ruthless killer in the repression of the [*Orthodox and anti-communist*] peasants and kulaks after 1918. Stalin had chosen him to bear the poisoned chalice ["*the poison cup*"] of the GRU in July 1940 precisely because he trusted Golikov's slavish devotion to the party line and to his leader personally. He could rely on comrade Golikov to follow his orders **without question** [*in obedience to the bloody Jesuit Oath*]. . . . **Golikov conspired with Stalin** to ensure the total inaction of the Soviet intelligence apparatus until the Germans struck on 22 June 1941. . . . Golikov was not alone in this. His counterparts, [**Vsevolod**] **Merkulov**, the Georgian head of the NKGB, and [**Pavel N.**] **Fitin**, the head of the International Department, the INU [*and close friend of the OSS's* **Bill Donovan**] . . . also backed down from any confrontation over the intelligence flooding in about Barbarossa.

To add to this catalogue of ignored warnings, Stalin's intelligence service was feeding him with high-grade human intelligence from a number of trusted agents deep within the combatants' war machines. For example, **John Cairncross** (later revealed to have been the KGB's 'Fifth Man' in Britain) was private Secretary to **Lord** [**Maurice**] **Hankey**, the minister responsible for the British intelligence services [**Sir Stewart Menzies' SIS/MI6**] in Churchill's government [*obviously linking the* **NKVD** *with the* **SIS**, *which secret, unified, International Intelligence Community overseen by* the ***Black Pope***, *later faked the death of and provided the escape for* **Adolf Hitler, SS Generals Martin Bormann, Heinrich Himmler** and **Heinrich "Gestapo" Mueller**; *it also spared the life of* **SS/SD General Walter Schellenberg**]. We do not know exactly what Carincross passed to his maters in Moscow [*everything needed to successfully manage*

Soviet intelligence!], but **Oleg Gordievsky** has claimed that there were literally 'tons of documents' in the KGB archives sourced from Carincross after his recruitment in September 1940.

The intelligence from Britain was confirmed by other reports: the [*Jesuit Order's*] **Schulze-Boysen** spy network based in the German Air Ministry [*which bombed historic Protestant cities throughout Europe*]; the Trepper '**Red Orchestra**' and the German traitor **von Scheliha** in the German Embassy in Warsaw all contributed to the flow of alarming reports landing on Golikov's desk in Moscow. They confirmed one clear and constant trend: Hitler and his generals were planning an attack on the USSR in spring 1941. . . .

The facts speak for themselves: between late July 1940 and 22 June 1941, no less than ninety separate, unequivocal warnings of an impending attack on the Soviet Union were passed to Stalin. . . . none of them was disseminated further. As a direct consequence . . . the USSR lost 4 million soldiers – including over 2 million prisoners of war – 14,000 aircraft, 20,000 guns and 17,000 tanks in the battles from the frontiers to the outskirts of Moscow between June and December 1941 at the hands of the German invaders. . . . [*Ultimately Jesuit Stalin's treason cost*] the Soviet Union 20 million dead, 6 million houses, 6,000 hospitals, 70,000 cities, towns and villages laid waste and changed the map of the world for ever [*as intended by* the Company of Jesus *controlling the Military High Commands of all the Allied and Axis powers*]." {48} [Emphasis added]

Military Intelligence Blunders

"This book describes a conspiracy in search of a theory. It purports to show how the most precious military orders of **Adolf Hitler's Third Reich** made their way from the Fuhrer's headquarters to [*Jesuit-trained*] **Josef Stalin's** within days—sometimes hours—of being issued. . . . There is no doubt about the conspiracy or, in fact, about almost all of the conspirators. It is the theory that is missing. How did it all work so perfectly well? [*The Jesuit Connection is the key, dear author!*] . . .

After [*apostate Lutheran and Jesuit Coadjutor SS General Martin*] **Bormann** vanished his reputation grew. The person, earlier perceived in the West as the self-effacing secretary to the Fuhrer, soon became the most wanted man in Europe. Nazi chieftains, who were by nature reluctant to blame the Fuhrer for Germany's many crimes, freely blamed Bormann. . . . **Count Lutz von Krosigk**, the Nazi minister of finance, labeled Bormann the 'evil spirit' and—a term that soon became synonymous with Bormann—'the Brown Eminence [*a Roman Catholic Cardinal's title*].' . . .

His value to Stalin began early. In 1941, when Germany could have used millions of Ukrainian nationalists to defeat Soviet rule, Bormann decided that they deserved only "enslavement and depopulation." . . . Faced with the choice of genocide by the Germans or political domination by the Soviets, the Ukrainians chose to live, and by doing, so ruined German hopes for an easy conquest. The

Jews of Eastern Europe didn't have this choice. As they came under German domination, it was **Martin Bormann** who issued the orders that made him, in the words of the Nuremberg prosecutor, **'a prime mover** in the program of starvation, degradation, spoliation, and extermination of the Jews.' Bormann created a whole German industry of death, one that used precious resources and detracted from the war effort. 'It was the defendant Bormann,' said the prosecutors, 'who was charged by Hitler with the transmission and implementation of the Fuhrer's orders for the liquidation of the Jewish problem.' . . . 'He was, in truth, an evil archangel to the Lucifer of Hitler.' . . .

Martin Bormann . . . was the ultimate mole . . . **Gottlob Berger**, SS General and head of Himmler's Main Office [*who, according to* **Heinz Höhne's** *The Order of the Death's Head (1969), had accused certain SS Commanders of working for the Catholic Church*], noting that Bormann had 'done the greatest harm of anybody in all those [war] years,' insisted at Nuremberg that Bormann was a Soviet mole. . . . [*The Protestant Admiral*] **Canaris** . . . was given to label Bormann as the 'Brown Bolshevik.' . . . A high ranking Catholic priest reported to an American subagent 'that Martin Bormann had been working together with the Russians and the German Communists for a considerable time before the end of the war.' . . . Until 1945, [*Roman Catholic Nazi General Reinhard*] **Gehlen** had been head of German Foreign Armies East. After the war . . . **Martin Bormann**, Gehlen said, had been a Soviet spy [*in his The General Was a Spy (1972)*]. And Bormann had lived for a time after the war in the Soviet Union.

Who in the late 1940s—with American forces mostly returned home while the stain of the Red Army was soaking in throughout Eastern Europe—wanted to say that the man most responsible for the Holocaust after Hitler was really an agent of **Josef Stalin**? No one." [*Of course not. For the question would have arisen as to what central power could coordinate the sharing of Nazi and Soviet intelligence other than the Vatican.*] {49} [Emphasis added]

The decision he made, in concert with his advisors, was to provoke Japan through a series of actions into an overt act: the Pearl Harbor attack. . . . **Eight steps** were suggested to provoke a Japanese attack. Shortly after reviewing these, Roosevelt put them into effect. After the eighth provocation had been taken, Japan responded [*as planned by the Order through Masonic Jesuit Coadjutors* **Hirohito** *and* **FDR**]. On November 27 and 28, 1941, US military commanders were given this order: 'The United States desires that Japan commit the first overt act.' According to Secretary of War [*Skull and Bonesman, CFR member*] **Henry L. Stimson**, the order came directly from [*Masonic*] President Roosevelt. . . . Soon after **Yamamoto** began circulating his Pearl Harbor strategy among trusted Japanese naval officers, the general attack plan was leaked to the US embassy in Tokyo. **Max W. Bishop**, Third Secretary at the embassy, was standing in a teller line in the Tokyo branch of the National City Bank of New York [*a Rockefeller bank controlled by* the ***Black Pope***'s *Knights of Malta*] converting some yen to American dollars. A tap on the shoulder caused Bishop to look up; he recognized the face of the Peruvian minister to Japan, **Dr. Ricardo Rivera Schreiber**. Motioning Bishop to a side alcove, Schreiber revealed 'fantastic' information: 'Japanese military forces were planning, in the event of trouble with the United States, to attempt a surprise mass-attack on Pearl Harbor using all their military resources.' The Jesuit General with his **Second Thirty Years' War** achieved victory after victory for Rome, hastening the ultimate enthronement of the final Pope, murdered and risen from the dead via the power of Satan ***(Rev.13:3-10)*** to be the Universal Despot of the World in Jerusalem. His victories, in steadily returning the civilized world to the Dark Ages, were won as Professed Jesuits obeyed their bloody **Oath** pursuant to their **Council of Trent**. It will be attempted to enumerate but a few.

The Jesuits had decided that absolutist, Fabian-socialist, cartel-capitalist military dictatorships (communist and fascist) would replace absolutist divine right monarchies, as the dictators were easier to control and replace than the Monarchs. **The Holy Alliance** was to be replaced with an **International Intelligence Community** controlling the leaders of all nations. Any attempt at popular liberty or national sovereignty would be met with assassination, revolution or betrayal.

To begin with, the core of the **Holy Alliance** of 1815 consisted of the Monarchs of Russia, Prussia and Austria. But by 1914, all three dynasties had revolted from Rome, having departed from the purpose of the Alliance. We shall examine the policies of the **Romanovs**, the **Hohenzollerns** and the **Hapsburgs**. **The Romanovs**

were the first to revolt. In 1820, **Alexander I** had expelled the Jesuits from Russia for which he was poisoned five years later. By 1882, **Alexander II** had emancipated the serfs, abolished the secret police and had signed a Constitution creating popular liberty. He had also broken with the Vatican, nullifying the 1847 **Concordat** with Rome entered into by **Nicholas I**. After four attempts on his life he was finally blown to pieces. *Clearly the Orthodox Romanov Dynasty must go,* as it resisted the tyranny imposed by the **Council of Trent** and the **Holy Alliance**. So in 1917, the Jesuits, with their Federal Reserve Bank, financed the Bolshevik Revolution resulting in the abdication and secret escape of the Jew-hating Knight of Malta, **Tzar Nicholas II**, whose cousin was the Jew-hating **King George V** advised by Jew-hating **Jesuit Bernard Vaughan**. The Romanov Dynasty, begun in 1613, was history!

The second monarchy to revolt was the **Hohenzollern**. **Wilhelm I**, with his "Iron Chancellor" **Bismarck**, defeated the Jesuits' **Napoleon III** during the Franco-Prussian War of 1870-71. Further, he enabled **Victor Emmanuel II** to take the **Temporal Power** from the Pope, Italy's kings ruling Rome for nearly sixty years. Bismarck then expelled the Jesuits from the German Empire in 1872, *further enraging the Order!* For this, the Jesuits, ever true to their bloody Oath, attempted his assassination with their "nihilists" but failed. In 1907, **Wilhelm II** threatened to expel every Roman Catholic priest from his Empire for interfering with his civil power regulating marriage, having previously refused to be "the sword of the Church" at the insistence of **Pope Leo XIII**! *Clearly the Lutheran Hohenzollern Dynasty must go!*

So in 1914, the Jesuits, with their **Grand Orient Masonic Lodge**, criminally forced the World War on the Protestant German Empire and drove its Lutheran Kaiser into exile, resigning in 1918. We read from the pen of **Wilhelm II** himself:

> "The whole war is plainly arranged between England, France and Russia for the annihilation of Germany, lastly through the conversations with **Poincare** in Paris and Petersburg, and the Austro-Serbian strife is only an excuse to fall upon us! God help us in this fight for our existence, brought about by falseness, lies and poisonous envy!" {51} [Emphasis added]

Kaiser Wilhelm II continues his brave confrontation with and exposure of the Order's treasonous German Grand Orient Masonic Lodge, while having been betrayed by his deceased, Jesuit-controlled, Masonic uncle—**King Edward VII** of England:

> "I have been informed that an important role was played in the preparation of the World War directed against the monarchial Central Powers by the policy of the international 'Great [*Grand*] Orient Lodge' [*overseen by Britain's* **King Edward VII**]. The distinguished German Freemason . . . said that in 1917 an international meeting of the lodges of the 'Great Orient' was held, after which there was a subsequent conference in Switzerland; at this the following program was adopted . . . elimination of the House of Hapsburg, abdication of the German Emperor . . ." {52}

And so it came to pass. The Hohenzollern Dynasty, begun in 1415, was also history.

The last dynasty to revolt was the **Hapsburg**. The Jesuits had punished this family during the French Revolution with the beheading of **Queen Marie Antoinette** and later, in 1898, assassinated **Elisabeth**, the Empress of Austria. Why? **Franz Joseph**, her husband and Emperor brought to power during the Order's Second French Revolution in 1848, had enraged the Jesuits. He revoked the Austrian **Concordat** with Rome nullifying the Pope's **Temporal Power**. *Austria of all places!* The Hapsburgs of Austria—the tools of the Jesuits' **Thirty Years' War** killing over ten million people in the attempt to exterminate Protestantism—breaking with Rome! *Clearly the Catholic Hapsburg dynasty must go!* So, in 1908 Austria annexed Kosovo outraging the Orthodox Serbian people. In 1914, six years later at Sarajevo, **Archduke Franz Ferdinand** of Austria was murdered in his coach, shot point blank in the chest by **Oskar Potiorek**, the Governor General of Sarajevo. The Archduke was then given last rites by a Jesuit priest, **Anton Puntigam**; and **Gavrilo Princip's** (the patsy's) pistol was kept in an Austrian Jesuit community house until donated to the Vienna Museum of Military History in 2004! By 1918, the Hapsburg dynasty begun in 1278 was finally history along with the Holy Alliance of European Monarchs. Four years later in 1922, **Jesuit priest Ignaz Seipel** became Chancellor of Austria. (That same year, **Jesuit Edmund Walsh**, aided by the secret power of **Jesuit Archbishop Edward Ropp** (1851-1939), installed **Josef Stalin** as the Secretary of the Communist Party. By 1924 **Ropp**, the **Archbishop of Mohylew** (1917-1939), had been "exiled" to Warsaw, *cleverly ushered out of Russia!*). **Seipel**—nicknamed "**the Merciless Cardinal Chancellor**" (although not literally a Cardinal) according to **Edmond Paris** in his masterpiece, *The Vatican Against Europe*—during his two terms (1922-24; 1926-29) destroyed every vestige of Austrian resistance to Hitler's Nazism *paving the way* for the **Anschluss** (greatly increasing the Roman Catholic population of **Pius XII's** Third Reich). The Order's **Chancellor Engelbert Dollfuss**, although pro-Mussolini and a dictatorial fascist, ignorantly opposed the Jesuit General's Anschluss for which he was assassinated by the Company's Austrian Nazis.

But the suppression of popular liberty and national sovereignty, as well as the extermination of "heretics" while increasing the Pope's **Temporal Power** over the

nations, would continue. The Holy Alliance of **Monarchs** would be replaced with the Holy Alliance of the **International Intelligence Communities**, financed by the Knights on Wall Street ruling the ***Black Pope***'s Federal Reserve Bank. That unified Community would be born during the **Second Thirty Years' War** and finely tuned during the Pope's **Cold War** (1945-1989). This perfected **International Intelligence Community** would be nothing more than the Jesuit General's "**Holy Office of the Inquisition**" operating under different names while implementing the despotism of the **Council of Trent**. The various intelligence agencies would be controlled by the Pope's Knights of Malta in New York, London, Moscow, Washington, D.C., Paris, Cairo and Constantinople overseen by the ***Black Pope*** from his headquarters, **Borgo di Santo Spirito** ("Village of the Holy Spirit"—what blasphemy!), in Rome.

In addition to overthrowing the monarchies while protecting the apostate Protestant English throne, the Jesuits accomplished the following from 1914 to 1945:

In 1914

The Jesuits brought **Venustiano Carranza** to power in Mexico after the exile of the Order's US-backed **General Victoriano Huerta** (1913-1914), ending the first Mexican Civil War (1910-1914) started by the second **Benito Juarez—**Mexican patriot **Francisco I. Madero**. Coupled with *The Guns of August* in Belgium igniting World War I, this year began the Great Jesuit Vengeance of the Twentieth Century.

In recalling the past, the Mexican people with their great **Benito Juarez** had provoked the Jesuits to anger! They defended their "liberal" Constitution of 1857 with the "War of Reform" from 1858 to 1861. **President Juarez** then broke the **Temporal Power** of the Pope over Mexico and later executed the Austrian usurper, **Ferdinand Maximilian**, in 1867, *further enraging the Jesuits!* Although the Order poisoned our hero Juarez in 1872, the Mexican people expelled the Jesuits in 1873. Can you imagine the unbridled rage of Satan's Jesuit General—the ***Black Pope***?

Three years passed when, in 1876, the Company punished the freedom-loving Roman Catholic Mexican people seeking to imitate the Constitutional government of their Protestant northern neighbors. As the Jesuits had overthrown the Second French Republic with the dictatorship of **Napoleon III**, even so they overthrew the Mexican Republic with the dictatorship of 33rd Degree Freemason **General Porfirio Diaz**. He re-admitted the Sons of Loyola and for over thirty years (1876-1911) oppressed the people, robbing them of their land and liberty. Of this *darling* of the Jesuit General and his cartel-capitalist, pro-communist, anti-Middle Class, apostate Protestant and Baptist, Masonic American Houses of **Morgan** and **Rockefeller**, both ruled by "the American Pope"—Baltimore Archbishop **James**

Cardinal Gibbons—, we read once again from the pen of Georgia's renowned US Senator, **Thomas E. Watson**:

> "As to the **Dutchman** who denied the divinity of Christ, he could not have dwelt in Maryland under Lord Baltimore's charter, nor in Mexico under the rule of **Dictator Diaz** and the infamous **Archbishop of Mora**—of whom **Cardinal Gibbons** is so extremely fond. Under Diaz and Mora, eight Protestants were publicly burnt, on the Square, at Texacapa, in November, 1895, not because they denied the divinity of Christ, but *because they denied the divinity of the Italian Pope* [*as proclaimed by the Order's first Vatican Council in 1870*]. Do the Catholic Laymen of Georgia remember *this* case? Among those eight victims of papal fire in 1895, were *five men, two women,* **AND ONE LITTLE GIRL!**" {53} [Emphasis added]

But by 1910 the people had had enough of the bigoted dictator's "altar and throne." A revolution broke out as a result of **Diaz** rigging the election forcing him to flee the country. **Francisco I. Madero** was elected President the following year but was overthrown and assassinated in 1913 with the secret oversight of **President Woodrow Wilson's** ambassador to Mexico, **Henry Lane Wilson**. For the Ambassador was subject to the President; the President was subject to his private secretary, **Knight Of Columbus Joseph P. Tumulty**, then subject to Supreme Knight of the Knights of Columbus, **James A. Flaherty**; the Supreme Knight was subject to "the American Pope," **James Cardinal Gibbons**; and Gibbons aided the Archbishop of Mexico, **Jose Maria Mora y del Rio** (1908-1928) who in turn had arranged the assassination of President Madero. Archbishop Mora and his Jesuits then installed another tyrant, **General Victoriano Huerta** who was merely a surrogate for General Diaz. Huerta's harsh military dictatorship continued the resistance of **Pancho Villa** in the north and **Emiliano Zapata** in the south—the Revolution's greatest enemies of the Jesuit agenda (who would be pursued by the Order's American military including **General John J. Pershing** assisted by **Lieutenant George S. Patton**!) As a result, in 1914 **General Huerta**, abhorrently surnamed "**the Jackal**," was defeated and fled.

The Mexican people would now *begin to pay dearly* for their desire to be free from cruel dictators directed by Mexico's Jesuit priests. In 1914, the Order brought **Venustiano Carranza** to power (1914-1920) and used Cardinal Gibbons's "**Holy Roman**" **Fourteenth Amendment American Empire** to recognize his *de facto* rule! *What a disgrace to us Americans!* Our two Mexican heroes warred with **Carranza**—the pretended anti-Romish "liberal"—for six years until Carranza entrapped and then murdered **Zapata** outraging General Obregon; **Villa** later surrendered. From the years of 1910 to 1930 Mexico ran red with blood, the warfare claiming over one million lives—*thanks to the Jesuits!* From the years of 1920 to 1928 the wonderfully astounding, anti-Jesuit presidencies of **Alvaro Obregon** and **Plutarco Elias Calles** honestly attempted to maintain a liberal government fighting Popish temporal power. In 1926 **Calles** enacted what became

known as "the Calles Law," putting teeth into new 1917 Constitutional provisions. He fined those wearing church decorations or clerical robes; he forbade any public processions as practiced by all Romish countries; he prevented the ownership of Mexican land by the Papacy and at one time *deported two hundred Spanish Jesuit priests.* This led ex-Jesuit **Pope Pius XI**—the same Pope who entered into a secret concordat with **Stalin**—to denounce the Calles regime putting the nation under an *interdict:* the result was the Order's **Cristero Rebellion** (1926-1929). Intending to enforce his anti-Popish law so similar to Bismarck's **Falk Laws**, the President, in fighting the rebellion, put to death over five thousand Catholic "priests, religious and laity." In 1926 he executed Knight of Columbus **Luis Batiz Sainz**, a priest and "spiritual advisor" to the revolutionary Association of Catholic Youth—a Catholic "Hitler Youth" indoctrinated to fill the ranks of fallen comrades. The following year, Calles executed Jesuit priest **Michael Augustine Pro** for leading fanatic rebels and the attempted assassination of Obregon—*further enraging the Order!* Concerning this "**Christ the King**" rebellion, **Avro Manhattan** concludes:

> "The result was one of the most deadly civil wars ever experienced, which cost Mexico *nearly one million dead* [*from 1910-1920, in addition to 90,000 lost in the Cristero Rebellion*]. The civil war was conceived, provoked, and openly carried out by the [*hierarchical*] Catholic Church, encouraged and financed by North American Big Business [*just like the Bolshevik Revolution*]. Catholic armies sprang into the field and, shouting the name of Jesus, went to assault for the overthrow of the 'anti-Christian,' anti-Catholic Mexican Government." {54} [Emphasis added]

Though the great Mexican Revolution was valiantly fought by its patriots and provided inspiration for republican Spaniards waging their Civil War against **Franco** in the 1930s, by the end of 1945 Mexico was clearly in the hands of the Jesuit General. Dear truth-seeker, this terrible suffering of our southern neighbors was a part of the Jesuit General's Second Thirty Years' War brought into Mexico. And why? Because the people of **Benito Juarez** broke the **Temporal Power** of the Pope, expelled the Jesuits and asserted their national sovereignty—*three deadly sins!* And how did the Vatican's Jesuits punish Mexico? They used their "**Holy Roman" Fourteenth Amendment American Empire**—"*the Sword of the Church*"—to foment a bloody Civil War which ultimately cost the Mexican people rivers of blood, their earthly treasures and national life. Today poverty-stricken and demoralized Mexico is the great haven for the ***Black Pope***'s **International Drug Trade** overseen by his **International Intelligence Community** managed by the Knights of Malta.

In 1914 – 1923

The ***Black Pope***, using his Islamic "Sword of the Church," finished his mass-murder of Orthodox Armenian Christians, "cleansing" Turkey of these "heretics," as well as many Greek Orthodox and Jews. All was done in accordance with the Order's

bloody Jesuit Oath and its murderous Council of Trent. Having begun the genocide in 1894, by 1923 nearly **two million** Orthodox Armenians had been slaughtered.

Henry Morgenthau, President Woodrow Wilson's Ambassador to Turkey, writes in his *Ambassador Morgenthau's Story, "Murder of a Nation," (1919)*:

> "The destruction of the Armenian race in 1915 involved certain difficulties that had not impeded the operations of the Turks in the massacres of 1895 [*totaling nearly 300,000 Armenians*] and other years. . . . throughout the Turkish Empire a systematic attempt was made to kill all able-bodied men, not only for the purpose of removing all males who might propagate a new generation of Armenians, but for the purpose of rendering the weaker part of the population an easy prey. . . .
>
> One day I was discussing these proceedings with a responsible Turkish official who was describing the tortures inflicted. He made no secret of the fact that the Government had instigated them and—like all Turks of the official classes—he enthusiastically approved of this treatment. . . . Each new method of inflicting pain was hailed as a splendid discovery and the regular attendants were constantly ransacking their brains in the effort to devise some new torment. He told me that they even delved into the records of the **Spanish Inquisition** and other historic institutions of torture and adopted all the suggestions found there [*for wherever Jesuits rule there is always a torturous Inquisition*]. . . .
>
> When the signal was given for the caravans to move, therefore, they almost invariably consisted of women, children and old men. Any one who could possibly have protected them from the fate that awaited them had been destroyed. . . . for the better part of six months, from April to October 1915, practically all the highways in Asia Minor were crowded with these unearthly bands of exiles. . . . In these **six months**, as far as can be ascertained, about **1,200,000** people started on this journey to the Syrian desert. . . . The whole course of the journey became a perpetual struggle with Moslem inhabitants. . . . From American consuls and missionaries I was constantly receiving reports of such executions and many of the events which they described will never fade from my memory. . . .
>
> Whenever they reached a Turkish village, all the local vagabonds were permitted to prey upon the Armenian girls. . . . The Turkish peasants began to carry off the girls, the mountaineers fell upon them repeatedly, violating and killing the women and gendarmes themselves joined in the orgy. . . . Children wept themselves to death, men dashed themselves against the rocks, mothers threw their babes into the brooks, women with child flung themselves, singing, into the Euphrates. . . . I have seen maddened deportees eating their own clothes and shoes, women cooking the bodies of their new-born babes." {55} [Emphasis added]

Christopher Simpson, author of *The Splendid Blond Beast (1995),* adds:

> "Shortly before World War I, a secretive [*Masonic*] and disciplined cabal of young Turkish military officers known as the *Ittihad* took power in Turkey and brought the country into an alliance with Germany. These [*Moslem Jesuit Coadjutors*] were the original **"Young Turks,"** and the capacity for cruelty and violence still reverberates in that phrase today. . . . The *Ittihad* dictatorship crumbled as the war drew to a close, and a new, Westernbacked Turkish government signed an armistice with the Associated Powers in late October 1918. Two days later, most of the senior *Ittihad* leaders fled their country for Germany, which granted them asylum. . . . Led by [*Masonic*] **Mustapha Kemal** (later known as **Ataturk**), the new movement welcomed *Ittihadists* to its ranks and placed some party veterans in leading posts. . . . Kemal's embrace of the *Ittihadists* contributed to an escalating cycle of revenge killings and renewed massacres in Turkey. . . . The U. S. High Commissioner to Turkey was [*anti-Jew, anti-Armenian and anti-Greek (Orthodox)*] **Admiral Mark L. Bristol** [*connected with James Cardinal Gibbons' papal knight* **Admiral William S. Benson**, *Chief of Naval Operations*] . . . [**Bristol**] barred newspaper reporters from access to areas where renewed massacres of Armenians were taking place, . . . His correspondent at the State Department in Washington was [*JFK assassin*] **Allen Dulles**. . . . [*who*] supported Bristol's initiatives." {56}[Emphasis added]

In 1917

1. The Jesuit General, using the British Army, took "Palestine" (surnamed the "Kingdom of Jerusalem" during **the Dark Ages**) away from the Turkish Moslems (aided by the Masonic Islamic Turkish government having brutally murdered upwards of nearly two million Orthodox Armenians (1894-1923), paving the way for creating the Order's Masonic Labor Zionist Israel (backed by Masonic British Labor Party brought to power by the Order's British Fabian Socialists) and the rebuilding of **Solomon's Temple** for the last and final "*infallible*" Pope.
2. Following the October Revolution, the **Russian Branch of the Knights of Malta** *was expelled from Russia* by Jesuit Temporal Coadjutor and Masonic Jew, **Vladimir Lenin**. This, dear truth-seeker, is one of the most significant events of the Twentieth Century, Tzarist Russia having been **the Hospitallers'** first place of refuge after the Company, via Napoleon, drove the Knights from Malta in 1798.

   We must ask both *how and why* would the Russian Branch, composed of blue-blood nobility ruling the Empire's finances and secret police (**the Okhrana**), be *openly* driven from Russia by rag-tag, foreign Jewish Bolsheviks when the Pope's British and German Branches secretly aided Lenin's successful revolution, remembering that Masonic Jew **Leon Trotsky**—Lenin's creator of the Red Army—had been secretly advised by a brother Jewish Freemason, **Moses Pinkeles**, alias "**Ignace Trebitsch-Lincoln**." Of this Jew having helped finance **Masonic Sebottendorff's** *Volkischer Beobachter*, the Nazi Party and had saved the life of the Fuehrer, **Pierre van Paassen** wrote:

   > "One of the strangest figures to come to *The World's* office [*a news bureau in France*], where there was a daily flow of visitors, was **Ignace Trebitsch-Lincoln**. Said to be a son of Jewish parents, Trebitsch, when I knew him, had been a Catholic priest in Vienna [*thus tying him to Austria's Jesuits including the future Chancellor nicknamed "the Merciless Cardinal,"*

   Jesuit Monsignor Seipel, *and possibly to Austrian-trained American Jesuit* **Edmund A. Walsh**, *as well as to pro-Nazi* **Cardinal Innitzer** *advised by* **Jesuit Karl Rahner**], an Anglican clergyman in London [*riddled with Jesuits thanks to the Order's Oxford Movement*], a Member of Parliament of Westminster [*dominated by the Order's Fabian Socialist, pro-"Home Rule," British Labor Party*], and was said to have been a secret agent for Germany in the U.S.A. and Canada during the [*First*] World War [*as was Knight of Malta* **Franz von Papen**]. He had been secretary to **Leon Trotsky** [*who negotiated the Brest-Litovsk Treaty with Germany thereby saving the Order's Bolshevik subjugation of Russia*], political adviser to one of the Chinese governments [*after the Order overthrew the Manchu Dynasty in 1911*], and something or other at the court of Afghanistan. **He always knew—sometimes months in advance—what was going to happen, but he never revealed his sources. This gave him an air of**

mystery, although there was nothing fundamentally mysterious about him. . . . Personal success was the least of his concerns [*as are all Jesuits under Extreme Oath of Induction*] (he could have carved a brilliant career in half a dozen professions), and had more than once started out, only to break off suddenly, cut all his attachments and connections, and turn up on another road [*as do all Jesuits when blindly obeying orders from their superiors*]. He was a marvelous writer [*a benefit of intense Jesuit education*], but he seldom had the patience to sit down long enough to compose an article. He blew in, made some startling announcement that left everybody flabbergasted, and went out again. Once (coming from [*Rome?*] Italy, I think) he brought the news that the French government had decided to occupy the Rhur [*a Jesuit agitation calculated to create another legitimate grievance among the pillaged Germans, later to be exploited by Hitler further justifying the rise of* the **Black Pope**'s *Nazi party*]. The Rhur was occupied four months later. In 1929, he predicted Hitler's advent to power in the spring of 1933 [*Austrian and Bavarian Jesuits being the Father General's crucial players who created and thus enthroned the Fuehrer*]. Everybody smiled at the prophecy. **He disappeared for long periods, but whenever he came back, the story of his experiences sounded more incredible**. . . .

Thereafter, it was in 1930, Trebitsch disappeared. In the summer of 1935 he was back, but this time he was wearing the yellow robe of a Buddhist monk [*as the Jesuits had for centuries passed themselves off as Buddhist monks in the Far East "becoming all things to all men" pursuant to their bloody oath*]. . . . Trebitsch said he was on his way to see the Fuehrer and the leaders of the neo-pagan movement in the Reich [*thereby providing a key link between the Jesuits and Nazi neo-paganism further destroying the Protestant Reformation in Luther's Germany*]. 'Buddhism,' he explained, 'is a purely Aryan religion, and if the German people want to have done with that **Jewish cult** known as Christianity . . . ' **I wished him the best in his interview with Hitler, but never learned how he fared**." {57} [Emphasis added]

Furthermore, why would Wall Street's international industrialist and American Knight of Malta **Joseph P. Grace** finance the Bolsheviks (according to **Antony Sutton**) when Lenin would *allegedly murder* the Order's Protector, **Tzar Nicholas II**
(who in fact was spirited out of the country), and drive other Russian noble families (like the **DeMohrenschildts**) into Europe confiscating their oil and gas fortunes?

Why would Knight of Malta and British **King George V** as well as President **Woodrow Wilson** advised by his secretary, **Knight of Columbus Joseph P. Tumulty**, send troops (and $100,000,000 dollars) to aid in the Bolshevik

overthrow of Orthodox Russia? Of this little known fact, the brilliant **William R. Deagle, M.D.** recites an ominous personal experience in an email to the author titled, *"1918 US/Canadian/Bolshevik Takeover of Moscow and St. Petersburg:"*

> "In 1977, I took care of three gentlemen who were part of the Canadian Highlanders infantry sent to invade and take the cities of St. Petersburg and Moscow and hold them until armaments arrived for the Bolsheviks from JP Morgan [**John P. Morgan, Jr.**, *son of deceased Vatican-backed Wall Street banker, co-conspirator in the sinking of Titanic and true impetus behind* **James Cardinal Gibbons'** *Federal Reserve Act,* **J. Pierpont Morgan**], front man for European Rothschild geopolitical manipulation [*the Rothschilds being the "Guardians of the Vatican Treasury"*]. This story was repeated by all in precise details. These men also had suffered from phosgene gas in Europe and were in for care of chronic lung disease, some were dying and wanted this off their conscience. These men, desiring to clear their consciences, also detailed how a US division was also with them, I believe from an Eastern USA state, I believe Ft. Bragg. The USA and Canadian complicity of Masonic/Illuminati/Jesuit-directed, Russian-Jewishface-by-design, **Bolshevik revolution** is an important correction to the Globalist Banksters of the Jesuits running the Russian Revolution." {58} [Emphasis added]

The answer is to be found in the *secret policy* of the Jesuit Order intended to annihilate "heretic" Russian Orthodox peoples who refused to accept the primacy of the Pope of Rome. That *secret policy* also included the mass-murder of "perfidious" Russian Jewish people: the Orthodox would suffer at the hand of the General's most visible Masonic Jewish Communists and the little Jews would suffer at the hands of fascist Knights of Malta openly backing the White Russian Army. All the while both factions operated in *secret collusion* subject to occult orders from the ***Black Pope***.

The "Reds" killed tens of thousands of Orthodox and other non-Papal Christians; the "Whites" killed thousands of communist, religious and racial Jews, marvelously accomplished during Lenin's Civil War (1918-1920) with British and American financial and military aide, both empires under abject control of the Jesuits via the Knights of Malta and 33rd Degree Freemasonry. As usual, the Order controlled *both warring parties* so as to control the synthesis, **Jesuit Edmund A. Walsh** creating the "USSR" and naming Jesuit-trained **Josef Stalin** Secretary of the Communist Party.

3. Following the Bolshevik Revolution rendered victorious due to American and Canadian troops, the Jesuits, having finally subjugated the Russian Orthodox Church, began their Inquisition by creating the Soviet Secret Police, first named "the Cheka." On a sanguinary rampage and renamed the "GRU" in 1922 (the same year the Order brought Mussolini to power in Italy), "the Cheka" was commanded by a savage Polish Roman Catholic and great admirer of the Jesuit Order, **Felix E.**

Dzerzhinsky. Lenin's executioner was rendered infamous by the torture and murder of his lawless "**Cheka**:"

> " 'This organization is rotten to the core: the canker of criminality, violence, and totally arbitrary decisions abounds, and it is filled with common criminals and the dregs of society, men armed to the teeth who simply execute anyone they don't like. They steal, loot, rape, and throw anyone into prison, forge documents, practice extortion and blackmail, and will let anyone go in exchange for huge sums of money.' . . . 'Orgies and drunkenness are daily occurrences. Almost all the personnel of the Cheka are heavy cocaine users. They say that this helps them deal with the sight of so much blood on a daily basis.' . . . 'The women will do anything to escape death. The soldiers guarding the camp take advantage of this and treat them as prostitutes.' " {59} [Emphasis added]

This was Jesuit Dzerzhinsky's Cheka, "the iron fist of the proletariat," secretly backed by the Order's British Secret Intelligence Service (MI6) in the person of another Jewish Jesuit Temporal Coadjutor ("the Revolution must always to appear to be Jewish-led"), **MI6 Sidney Reilly**. Ex-MI6 agent **John Coleman** writes:

> **"Sydney Reilly** was the MI6 operative sent to watch over Dzerzinski's [*Dzerzhinsky's*] activities." {60} [Emphasis added]

In 1918

1. After continual "blunders" by the German High Command, the Armies of the Empire on the Western Front were forced to accept an Armistice, or "cease fire," at the urgent request of Jesuit Temporal Coadjutor **General Erich Ludendorff**. Chief of Staff to **Field Marshall Paul von Hindenburg**, this traitor had directed the campaign against Tzarist Russia from 1914 to 1916 and, from 1916 to 1918, had been the dominant power in the Kaiser's **Hindenburg-Ludendorff** military dictatorship, determining foremost decisions of the supreme command. In secret collusion with high-level, Grand Orient German Freemasonry having determined upon the **Kaiser's**

overthrow (as stated in *The Kaiser's Memoirs*) and the death of the Protestant Reich (so dreaded by **Prince Bismarck**) prior to "the Great War," **Ludendorff**:

A. As Hindenburg's Chief of Staff of the Eighth Army, weakened the German position on the Western Front in August, 1914, by refusing to quickly notify **General Helmuth von Moltke** (**the Younger**) that troops were not needed on the Eastern Front at the battle of **Tannenberg** in East Prussia. Hindenburg obtained a clear and celebrated victory, though secretly aided by Russian Chief of Staff **General Jilinsky** who, using co-conspirator **General Alexander Samsonov**, deliberately betrayed his own forces marching them into Hindenburg's "jaws of death," thereby extending the war in the East for over two years, these treasonous Russian Generals further discrediting **Tzar Nicholas II** in preparation for the Order's Bolshevik Revolution. Meanwhile thousands of Russians escaped capture or annihilation, Ludendorff refusing to order **Generals Otto von Below** and **August von Mackensen** to close the trap with the forces of victorious **General Hermann von Francios**. Hitler, with one order, would commit the same treason at Dunkirk enabling the British to evacuate.

B. Was responsible for Germany's defeat the following month (September 9, 1914) at the first **Battle of the Marne**; the German army was repulsed by the French on its drive to Paris. Ludendorff's revision and thus, *in fact,* his covert sabotage of **The Schieffen Plan**—which gigantic outflanking movement (planned by Bismarck's **Von Moltke** (**the Elder**) could have crushed France in one blow—*was foiled* leading the Kaiser to immediately replace Von Moltke who, in 1916, died a broken man.

C. Became the driving force behind the 1916 **Hindenburg-Ludendorff** supreme military command, the unsure Kaiser assuming a subordinate role. **General Erick von Falkenhayn's** calculated defeat and deliberate loss at **Verdun** moved Wilhelm to this most fatal decision. **550,000** anti-Jesuit, "liberal" Roman Catholic Frenchmen and over **400,000** "heretic" Protestant and "liberal" Roman Catholic Germans lost their lives thanks to the secret collusion between opposing generals, Jesuit Coadjutors **General Falkenhayn** and French **General Henri-Philippe Pétain**. Years later, Pétain, as Chief of State ruling the ***Black Pope***'s fascist Vichy Government, would readmit the Jesuits into France in 1942. Now the Company was in complete control of the German High Command, as Ludendorff's subsequent decisions would prove.

D. Approved unrestricted submarine warfare in 1917 against the British then blockading the continent. In command of the German submarine fleet was the obedient high-level Freemason **Admiral Alfred von Tirpitz**. This "blunder" led to the Order's American Empire entering the war in 1917, which military presence became the deciding factor for Germany's impending defeat and thus Jesuit Coadjutor Ludendorff's "urgent request" for an armistice in 1918 after his noted "tirade."

E. Was a foremost player in the founding of the Soviet Union. After the Tzar had been deposed in March, 1917, Ludendorff backed the return of **Lenin** and his Russian Bolsheviks via the infamous "sealed train." With the success of the Bolshevik Revolution in November and **Leon Trotsky's** agreement to demobilize but refusal to sign the Treaty of **Brest-Litovsk** in January, 1918 (due to Ludendorff's unnecessary and outrageous terms), Hindenburg's "General Quartermaster" drove German forces deep into Russia, *but never overthrew the Soviet regime,* exhausting German troops that could have been led to victory on the Western Front. Hitler would commit the same treason during **Operation Barbarossa**. In the words of a seventeen year-old American World War I soldier and later Brigadier General, **S. L. A. Marshall** writes:

> "It is now almost forgotten that what came of **Brest-Litovsk** was not peace in its real sense, but war in a new form between Germany and Russia [*paving the way for WWII and Operation Barbarossa*]. It is forgotten, also, that German armies in 1918 were launched in a new invasion of Russia that carried them through the Crimea and beyond the Don, so that they extended beyond the limits where the hedgehogs of Hitler's armies wintered in 1941-42 after the repulse at Moscow [*i.e., Hitler's order not to take Moscow*]. It is forgotten that nearly **one million** German soldiers wasted on the distant steppes while Ludendorff made his supreme bid for victory on the Western Front, finally to fail because he had exhausted his reserves." {61}[Emphasis added]

F. In the face of several German victories in March-April of 1918, made a series of tactical "mistakes," deliberately abandoning his role as *a strategist.* In the words of **Alan Clark,** in his *Barbarossa: The Russian-German Conflict, 1941-1945*:

> "Ludendorff's diminuendo sequence in April 1918 drew so heavily on his armies' blood and morale that they were incapable of offering prolonged resistance to the Allied counteroffensives which followed." {62}

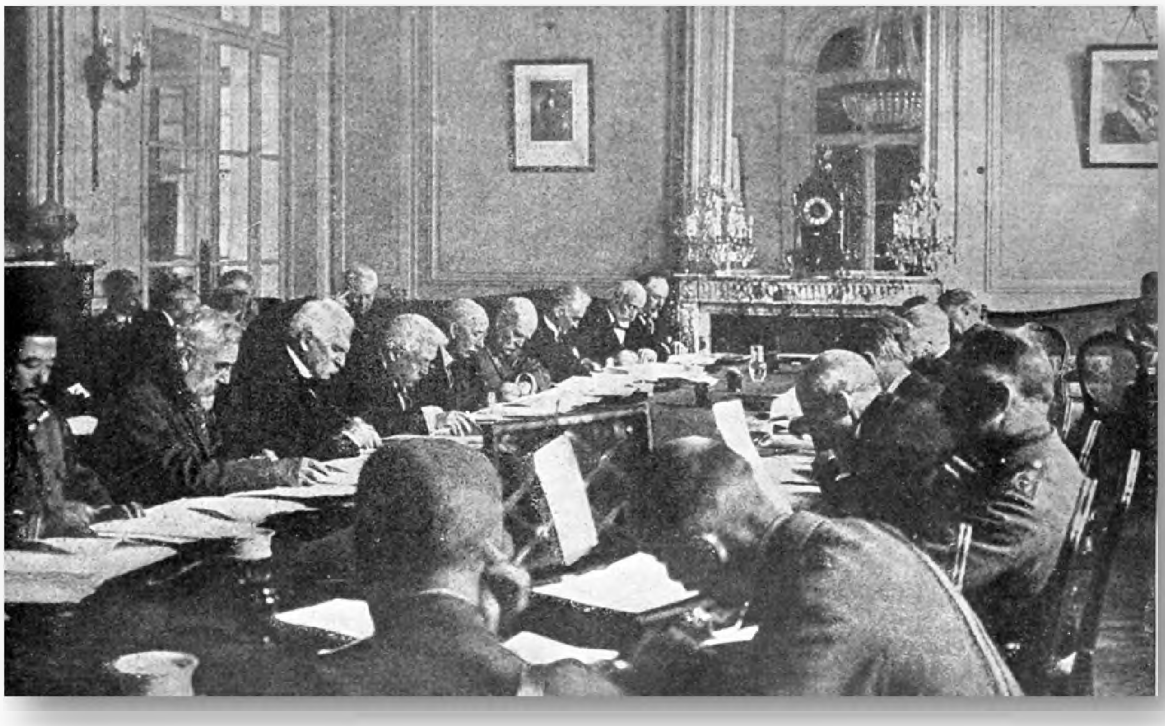
2. On September 28, **General Ludendorff**, upon successfully betraying his trust deliberately losing the Western Front, *with Jesuit mental reservation* went into a selfjustifying tirade, blaming his military assistants for disloyalty; flayed the Kaiser for indecision and weakness; denounced the navy for failing to aggressively conduct its U-boat campaign; and accused the German people of mass-cowardice as would Hitler at the end of WWII. After requesting an armistice *as planned,* Ludendorff resigned on October 26, went into exile under the protection of Sweden's pro-Nazi, Masonic **King Gustav V**, later returned and brought his successor to power—**Adolf Hitler**!

In 1919

1. The Protestant German-Prussian Empire was destroyed and the Lutheran Kaiser dethroned as first intended by the Order's Franco-Prussian War (1870-1871).

2. The evil **Treaty of Versailles** plundered Germany thereby guaranteeing war in twenty years. This time the German Army would be under complete Jesuit control via Jesuit Temporal Coadjutors **Adolf Hitler** and his Secretary, **Martin Bormann**.

> "The German people surrendered and agreed to the Armistice on the promises to them through the President of the United States acting as a spokesman of the Entente Allies. . . . These pledges made to the German people upon which they agreed to lay down their arms and upon which the Emperor of Germany resigned and left Germany, are commonly known as **the Fourteen Points**. . . . **The Treaty of Versailles** violated these pledges, and put the United States in the attitude of having betrayed the German people through the President of the United States [*controlled by the Pope's Archbishop of Baltimore* **James Cardinal Gibbons** *through his agents, President Wilson's Democratic kingmaker and Rothschild/Jewish advisor on foreign affairs,* **Colonel Edward M. House; Secretary of State Robert Lansing**—*the "Uncle Bert"* of **John Foster** *and* **Allen Dulles;** *and his private secretary who functioned as an American* **Martin Bormann,** *Knight of Columbus* **Joseph P. Tumulty**]. . . . The Allies, led by [*Jesuit Temporal Coadjutor* **Georges**] **Clemenceau** [*having previously resisted the Order through his vindication of* **Captain Alfred Dreyfus**], compelled them to sign the Treaty at the point of the bayonet [*just as the Fourteenth Amendment was forced on the American Protestant Southern States*] when the German people were disarmed [*and robbed of key portions of their land and colonies composing the Protestant German-Prussian Empire*]. . . . the ultimatum of Clemenceau giving five days for acceptance under penalty of a rupture of the Armistice and recommencement of the war. [*The Frenchman*] **Victor Margueritte,** in his forward to *The Appeal of Conscience, . . .* says:
>
> '*The White Book*, published by **M. Mennevée,** bears testimony in the most impressive fashion. . . . One cannot read what follows without sadness and without shame; the vehement supplication of the president of the Ministry of the Empire; the brutal refusal of delay by Clemenceau, the Allied troops ready to pass the Rhine, while the assembly of Weimar was deliberating; the final demand for delay [*of invasion*] while in place of the Minister of Resistance, a Minister of Capitulation succeeded; the incriminating summary cutting short everything up to the last cry thrown back by the head of the German delegation. It was a moving scene and worthy of the cry which burst forth from [**Franz von**] **Haniel** as an 'unheard of injustice' [*to*] which he submitted himself at the same time that he flayed the act of violence against the honor of his people [*Jesuit Coadjutor and Centre Party leader, Roman Catholic* **Matthias Erzberger** *signing the wicked treaty for Germany ensuring the rise of Nazi-fascism*].' " {63} [Emphasis added]



Drafting the Drastic Terms of Surrender, Treaty of Versailles, 1919 #393

With Masonic agents of the **Black Pope** controlling the proceedings, this most evil of treaties ensured the arrival of the Order's most "glorious" of wars to date—World War II. Masons Clemenceau and President Wilson's Edward M. House brazenly insisted on the dishonest and severe terms dealt to Germany, especially Article 231 attributing the origin of the war to "the aggression of Germany and her Allies." This treaty was called "The Brand of the Red Hot Iron" by Victor Margueritte in his postwar *Les Criminels,* he naming the scheming French Roman Catholic President (and Jesuit Temporal Coadjutor) Raymond Poincaré as one of "the real workers for war . . . responsible for the wholesale murder."

Masonic Hitler would use this calculated injustice to validate the policies and measures to be adopted by the Order's Nazi party as outlined in its priest-written, religious and political "roadmap"—*Mein Kampf*. On the left side of the table, fifth from the left is Jesuit Temporal Coadjutor Col. Edward M. House.

3. Roman Catholic Croatia and Orthodox Serbia—two ancient peoples, one Roman Catholic, the other Eastern Orthodox and thus implacable enemies since the Jesuits' **Thirty Years' War**—were forcibly united creating "Yugoslavia," named after the Order's "Pan-Slav movement." (Remember, all "Pan" movements—Pan-American, Pan-German, etc.—are imperial and must lead to war.) This enabled the Jesuits' Roman Catholic, Franciscan-led **Croatian Ustashi**, whose Roman

Catholic commander, **Ante Pavelic**, was put in power by Roman Catholic **Adolf Hitler**, to barbarically murder between 700,000 and 1,000,000 anti-papal, Orthodox Serbs during World War II. (The author regards *The Vatican's Holocaust* by **Avro Manhattan** and *Unholy Trinity* by **Mark Aarons** and **John Loftus** to be the definitive works on **Pius XII's** genocide.) Frenchman **Edmond Paris** declares:

> "In June 1941, within a few days, more than one hundred thousand men, women and children were either killed or tortured and massacred in their homes, on the roads, in the fields, the prisons and the schools and even in the Orthodox Churches. . . . we discovered babies who had been impaled on the pointed slats of an enclosure, their small limbs contorted by pain, like pinned insects. The most ferocious of cannibal rites have never equaled this. . . . the Ustashis gouged out their victims' eyes, which they wore as garlands or carried in bags, to be given away as mementos." {64}[Emphasis added]

4. Roman Catholic Slovaks and Protestant Bohemian Czechs were also united creating Czechoslovakia. This later enabled Adolf Hitler's **Monsignor Jozef Tiso** to murder thousands of Protestant Czechs and Jews, deporting them to Auschwitz. For it was priest Tiso—the first to deport "heretics and liberals" to Auschwitz—who said:

> "Catholicism and Nazism have much in common and they work handin-hand to reform the world." {65}[Emphasis added]

5. England was used to take "Palestine" away from the Turks. This resulted in the creation of a national homeland for the Jews via the Order's **Balfour Declaration**. (Freemason and former Prime Minister **Arthur Balfour** was a member of the Order's "**Round Table Group**" headed by high-level Freemasons **Cecil J. Rhodes** and **Lord Alfred Milner**—the murderer of "accursed heretic" Dutch Reformed Boers, the first peoples to experience mass-starvation in "concentration camps.") During World War II the Jesuits would not allow the trapped European Jews to emigrate to **Roosevelt's** American Empire, **Churchill's** Great Britain or **Stalin's** Russian Empire. Rather, the Order permitted a very few to enter the land of **Canaan** while the majority perished in Death Camps built by **Knight of Malta Herman Abs** ruling pharmaceutical giant **I. G. Farben** located deep in the woods of that Jew-hating, Jesuit haven—**Poland**.

6. Britain's **Royal Institute of International Affairs**, the private political elitist club that would rule the United Kingdom, was created from what had been known as the **Round Table Group**. Jesuit Temporal Coadjutor and 33rd Degree Freemason **Cecil Rhodes** had founded a secret brotherhood upon the same principles and maxims of the Jesuit Order: what Rhodes did with his English, hatefully White supremacist, anti-Jew, Masonic **Round Table** (renamed **The Pilgrims Society** in 1902 and set up in New York City in 1903) Himmler would do with his German, hatefully White supremacist, anti-Jew, Masonic **Order of the Death's Head—the SS**. In **1890** he wrote to his friend and well-known international journalist, **William T. Stead**:

> "The key of my idea discussed with you is a **Society,** copied from the Jesuits as to organization [*as was* **Weishaupt's** *Illuminati*] . . . an idea which ultimately (leads) to the cession of all wars and one language [*English*] throughout the world [*New World Order governed by the Pope of Rome*]. . . . The only thing feasible to carry this idea out is a secret one (society) [*i.e., a secret Masonic society patterned after the Jesuit Order!*] **gradually absorbing the wealth of the world** [*via the Order's Bank of England and Federal Reserve Bank*] to be devoted to such an object. . . . Fancy the charm to young America . . . **to share in a scheme to take the government of the whole world** [*for the Pope*]!" {66} [Emphasis added]

William T. Stead, one of the members of the **Round Table Group's** inner circle who was expelled because he opposed **Cecil Rhodes'** and **Alfred Milner's** crusading Boer War against the "heretic" White Dutch Protestants of South Africa—and was later murdered on Masonic **J. P. Morgan's** deathship *Titanic*—, confirms Rhodes' vision of himself as the **Ignatius Loyola** governing his "**Society of the Elect**:"

> "Mr. Rhodes was more than the founder of a dynasty. He aspired to be the creator of one of those vast semi-religious, quasi-political associations which, like the Society of Jesus, have played so large a part in the history of the world. To be more strictly accurate, he wished to found an Order as the instrument of the will of the [*Masonic British*] Dynasty, and while he lived he dreamed of being its **Caesar** and its **Loyola.**" {67} [Emphasis added]

The Company's British **Round Table Group** (or **Pilgrims**), headed by 33rd Degree Freemasons Cecil Rhodes and Alfred Milner, served as a secret nexus for other prominent high-level Masons creating the Pope's New World Order. Such infamous historical Freemasons are **Nathan Rothschild**, the ***Black Pope***'s Jewish banker, and **Arthur Balfour**, the author of **Jesuit Superior General Ledochowski's "**Balfour Declaration" creating Palestine as a national homeland for the Jews. This **Group** was the impetus behind the Treaty of Versailles guaranteeing War in twenty years. With the creation of the **RIIA** in 1919, its headquarters would be London's **Chatham House**; one of its most notorious members would be Druidic Freemason and British kingpin in the Order's Second Thirty Years' War, **Winston Churchill**.

In 1920

After the failed **Kapp Putsch** in Berlin, Hitler's life was saved by an internationalist Jew who enjoyed the company of statesmen, bankers, arms dealers, high-churchmen, war correspondents, revolutionaries, intelligence agencies, and fellow Jewish communists including Lenin's **Sidney Reilly** (**Sigmund G. Rosenblum**) and Mao's **Morris Abraham Cohen**—both British MI6 agents. **Ignace Trebitsch-Lincoln** was one of the ***Black Pope***'s secret Jesuit Temporal Coadjutors *par excellence!* Upon the Fuehrer's flight to Berlin, accompanied by **Dietrich Eckart**, Hitler's doctor writes:

"But at the entrance to the Reich Chancellory they encountered a furtive looking little man whose eyes seemed to have long hands that reached out for them as they approached. They made their way toward him almost against their will.

'What are you looking for, my babes-in-the-wood?' he greeted them.

Hitler and [*paternal Thule Society mentor*] Eckart eyed each other. . . .

'You're Hitler, aren't you?' he asked, pointing to the Fuehrer.

Hitler nodded; he did not trust himself to speak.

'I saw you in Munich last year. You look as good without your beard as I would without my troubles. Is the beer-keg at your side to be trusted [**Eckart**, *being the first to coin the term "Third Reich" and another Jesuit Temporal Coadjutor, studied under Jew-hating, right-wing Nazi German Freemasons* **Rudolf von Sebottendorff** *and* **Lanz von Liebenfels**]?'

'My friend here is **Dietrich Eckart**,' Hitler said stiffly.

'Ah, the poet! There are tubercular fires on the tips of your cheeks, my heart. It'll take half a wagon-full of dirt to wipe them off. Now will you tell me, either of you—I am not particular which—what you happen to be doing this minute at this plague-spot of the Reich? Do you want to be arrested, put up against a wall and shot?

'We're looking for General [**Wolfgang**] **Kapp**,' explained Eckart.

He let out a short, mirthless laugh.

'Haven't you heard, my starlings? [*The Rothschild Jesuit has no fear of Hitler; he is one of his superiors.*] The revolution is over. General Kapp has skipped. If you've any sense you'll be on your way, too, and quickly.'

They could hardly believe their ears.

'Who are you?' Hitler asked.

The little man bowed in a comic theatrical manner.

'I am the spirit of tragedy, mein Herr, I am your saviour, I am, in a word, **Ignace Trebitsch-Lincoln** [*brought into* **Aleister Crowley's OTO** *by London papal knight* **Harold Beckett**; *was the advisor of* **General Ludendorff**; *and associate of Jesuit Coadjutor* **Karl Haushofer**].' . . .

It was Hitler himself who had supplied me with the details of the flight to Berlin, the encounter at the entrance to the Chancellory, as well as the first description I had ever received of that remarkable individual, **Ignace Trebitsch-Lincoln**. As to what happened the following night in the Burgerbraukeller, I know first-hand, for I was on the scene in person, and drank with some of the prominent party leaders, including my patient. . . .

'Would you have been better off,' I interrupted, 'if they had caught you and stood you up against a wall?'

At this Hitler stirred uneasily and turned to Eckart.

'What did that fellow say his name was—I mean the one who warned us not to go into the Chancellory?'

Eckart scratched his forehead, and remembered.

'Trebitsch-Lincoln,' mused Hitler. 'Funny name, don't you think?'

At this moment [*notorious homosexual*] Roehm, who had been sitting morosely at the opposite side of the table, broke into sudden speech.

'Did I hear anyone utter the august name of **Ignace Trebitsch-Lincoln**?' he asked.

Hitler was startled.

'You know him?' he asked, turning to the Reichswehr captain.

Roehm grimed broadly.

'Know him? My dear, dear fellow. And did I understand you properly when you said that it was he who warned you at the gate of the Chancellory?'

'That's right,' put in Eckart. 'He was a queer one, but by God he did the trick.'

At this Roehm broke into one of his long horse-laughs.

'That's a good one,' he cried, pounding his half empty mug on the table.

'That's a good one,' he repeated. He turned to Hitler, shaking the mug at him. 'And the next time you're telling Munich what a terrible lot of people the Jews are, you might also regale them with the fact that one of them saved the life of their precious Fuehrer.'

This was stunning news to the two agents to Berlin. Eckart was the first to recover.

'That man a *Jew!*' he exclaimed.

'Not only a Jew, but a Hungarian to boot!' replied Roehm with heavy emphasis. 'Not only a Hungarian by birth but an English clergyman by practice, and not only a clergyman by practice, but an atheist by the profoundest conviction discoverable in the species of homo sapiens. But that's not the whole count, which nobody really knows. For the man **Trebitsch-Lincoln** is boy and girl, man and woman, satyr and nymph, all rolled into one [*another lecherous bisexual and pedophile whom Roehm must have "known"*].

'Wherever you dig in Germany,' moaned Eckart, 'up turns a Jew.'

'As for me,' Hiter announced solemnly, 'the next time my life is saved by a Jew I'm going to commit suicide.'

'I'll hold you to that one,' blustered Roehm.

On the way out of the beer haus that night, I let the conversation slip back to the Jews in general and **Trebitsch-Lincoln** in particular.

'Suppose this man came to Munich while Munich was in the midst of an attack on the Jews,' I asked him, 'what would you do about **Trebitsch-Lincoln**?'

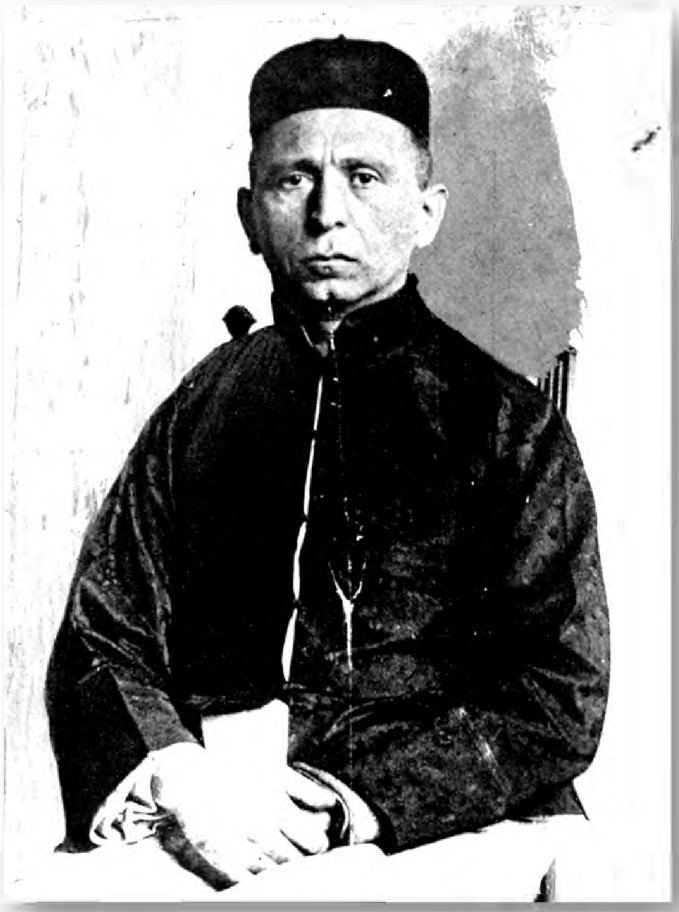
'For saving my life,' replied Hitler, 'I would offer him sanctuary, but no more than that.' . . .

In 1930, the story goes, **Trebitsch-Lincoln** disappeared from his familiar haunts in Paris [*for Tibet*], and when he showed up five years later [*1935*] at the wicket in the *Gare du Nord*, he was buying a ticket to Berlin. He was wearing the yellow robe of a Buddhist monk [*on his way to advise the Fuehrer against 'that Jewish cult known as Christianity'*], . . . Whether he obtained an interview with Hitler or not, it is certain that in 1933 **Trebitsch-Lincoln** was arrested in Berlin, and hurried off without trial to the concentration camp at Dachau [*controlled by Munich* **Archbishop Michael Cardinal von Faulhaber**] from which he later disappeared. When the German authorities are asked, they explain that whereas the Jew had not made an escape, there is no record of a transfer. From this, only one conclusion can be drawn: Hitler's sanctuary!" {68} [Emphasis added]

A further description is given of this astounding individual who was obviously one of the many Sons of Loyola who built the ***Black Pope***'s International Intelligence Community subordinating the world's statesmen, journalists, bankers and cartel-capitalists to the **Temporal Power** of the **Pope of Rome**. Reminding the author of **David Ferrie**, a homosexual ex-priest, CIA agent, Mafia soldier, and JFK assassin, we read from **Richard Deacon's** *A History of the Chinese Secret Service*:

"Trebitsch had left Hungary under a cloud as a young man, gone to South America where he had acted as an advisor on oil prospects [*thus connected directly to the Order's Rockefeller interests*], then on to Canada where he had been ordained as a deacon of the Church of England by the Archbishop of Montreal [*that city being the Order's first base of operations in North America*]. In 1903 he went to Britain and was appointed curate at Appledore in Kent [*feigning to be a Protestant in accordance with the Jesuit Oath*]. A few years later he insinuated himself into politics, striking up an acquaintanceship with David Lloyd George and joining the Liberal Party [*controlled by the Order's Masonic Fabian Socialists*]. Then Seebohm Rowntree, the cocoa manufacturer and philanthropist of the Society of Friends, engaged Lincoln, . . . he was able to travel freely and establish contacts for espionage. . . . but he also sought allies in right-wing circles, one of them being Sir Basil Zaharoff, the notorious arms salesman, for whom he appears to have acted as a kind of spy. Both Lloyd George and Zaharoff were at this time closely interested in the Galician oilfields

and Lincoln was their principal informant on the subject. . . . When war broke out . . . he did spy for Germany and British Naval Intelligence discovered this. . . . he was charged not with espionage, but with forging cheques. . . . All of which was very strange [*as he in fact worked for British Intelligence, German Intelligence, the Chinese Secret Service, Japanese Intelligence and would advise Bolshevik Leon Trotsky, the architect of Stalin's Red Army, while serving as an arms dealer for Zaharoff*]." {69}



Moses Pinkeles; "Ignace Trebitsch-Lincoln" (1879 – 1945), 1920s #394

This "Ignatius" Trebitsch-Lincoln was a Jewish Jesuit Coadjutor under Extreme Oath with allegiance only to the **Black Pope**. Born into a wealthy Jewish family connected to the Rothschilds and initiated into Aleister Crowley's English branch of the Order of Oriental Templars, he sought to completely destroy the Protestant British Empire, including the loss of India; helped to overthrow the Manchu dynasty and to build the Chinese Communist Party; participated in the success of the Bolshevik Revolution; served Germany's US Ambassador Count von Bernsdorff as a spy; acted as an arms dealer for Sir Basil Zaharoff; and saved Hitler from being shot for treason, preserving the Pope's chosen vessel.

In 1921

1. American agents of the Jesuits created the **Council on Foreign Relations**. Its locations would be in the two most powerful Roman Catholic Dioceses in the American Empire—*New York and Chicago*. The **CFR** would control the Empire's finance, government, industry, religion, education, and press. No one could be elected to the Presidency of the United States without the Council's consent, as the office would be a tool for the **Archbishop of New York** subject to "the Vicar of

Christ" in Rome. (One of the founders of the **CFR** also aided in the creation of the Federal Reserve Bank. He was **Edward M. House**—"the holy monk," a Shriner Freemason and agent of the Jesuit General.) Its purpose was to return the world to the Pope's Dark Ages with an economically socialist, dictatorial, world police state. We read:

> "I am convinced that the objective of this [*absolutist*] invisible government is to convert America into a socialist state and then make it a unit in a one-world socialist system. . . . Socializing the economies of all nations so that all can be merged into a one-world system was the objective of [*the Order's Masonic Jewish Labor Zionist*] **Colonel Edward M. House,** who founded the Council on Foreign Relations, and has been the objective of the Council, and of all its associated organizations, from the beginning." {70}

At the time of the Kennedy Assassination two of **Cardinal Spellman's** Knights of Malta were powerful members of the Council. They were,

> "J. Peter Grace . . . [*and*] Henry [R.] Luce." {71}

CFR kingpin **J. Peter Grace, Jr.**, an international shipping tycoon and industrialist, became the head of the American Branch of **Archbishop Francis Cardinal Spellman's** Knights of Malta, while "Skull and Bones" and CFR member **Henry R.** ("Lucifer") **Luce** controlled the American Press from Rockefeller Center in New York, across the street from the Cardinal's palace, **St. Patrick's Cathedral**. (Luce was a supreme example of Yale's Skull and Bones fraternity being a mere tool of the Roman Hierarchy in North America. **George W. Bush**, **John F. Kerry**, and Canadian Prime Minister **Paul Martin** are a few living examples of Bonesmen now serving the interests of the Pope's Roman Hierarchy beholden to the ***Black Pope***! The brilliant and honest **Antony C. Sutton** never made this connection in his masterpiece, *America's Secret Establishment: An Introduction to the Order of Skull and Bones*, (Billings, Montana: Liberty House Press, 1986); yet he rightly concluded that Yale's Bonesmen had *created the Soviet Union and financed the Nazis!*) Both **Luce** and **Grace** were multimillionaires; both promoted the gradual victory of inquisitional, international, Fabian socialist, British and American-backed Marxian communism led by **Freemason Stalin** and **Freemason Chairman Mao**; both backed the Order's Skull and Bones Nazi-fascism heartily defended by another brother Knight of Malta, another "Irish-American" Roman Catholic, **Joseph P. Kennedy**!

At the zenith of Luce's power CFR member **John Swinton**, Chief of Staff for the *New York Times* and considered "the Dean of His Profession," made a most brave and telling confession. In 1953 following a toast before the New York Press Club he boldly declared:

> "There is no such thing, at this date of the world's history, in America, as an independent press [confirming the words of **Burke McCarty** in her 1924

> unanswerable exposé, The Suppressed Truth About the Assassination of Abraham Lincoln, pp. 27, 238, 244 and 255, describing Rome's control of the press]. You know it and I know it. There is not one of you who dares to write your **honest opinions**, and if you did, you know beforehand that it would never appear in print. I am paid weekly for keeping my **honest opinion** out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write **honest opinions** would be out on the streets looking for another job. If I allowed my **honest opinions** to appear in one issue of my paper, before twenty-four hours my occupation would be gone. The business of the [White American] journalists is to destroy the truth; to lie outright; to pervert; to vilify; to fawn at the feet of mammon, and to sell his **country** and his **race** for his daily bread. You know it and I know it and what folly is this toasting an independent press? We are the tools and vassals of rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. **We are intellectual prostitutes.**" {72} [Emphasis added]

(Dear truth-seeker, in America **Pope Benedict XVI's** sinister **Council on Foreign Relations**, overseen by New York's "Archbishop of the [*political*] capital of the world," **Edward Cardinal Egan**, is in absolute dictatorial control of the Press. RCA Corporation (NBC), CBS, ABC, CNN, and Fox News Network as well as *Newsweek, Time, US News and World Report, Reader's Digest, Harpers, National Review, Insight, The New York Post, The New York Times, The Washington Times, The Los Angeles Times, The Wall Street Journal, The Christian Science Monitor,* ad infinitum, are dominated by the **Pope's Papal Knights** overseen by the ***Black Pope***'s Jesuits as they covertly manage the CFR and thus its membership. Such notables, past and present, solemnly poised before the American public are the likes of **Edward R. Murrow**, **Walter Cronkite**, **Walter Lippmann**, **Irving R. Levine**, **Tom Brokaw**, **John Chancellor**, **David Brinkley**, **Jim Lehrer**, **Brian Williams**, **Barbara Walters**, **Jean J. Kirkpatrick**, **Jon Meacham**, **Wolf Blitzer, Bernard Kalb**, **Mortimer B. Zuckerman**, **Garrick Utley**, **Diane Sawyer**, **Paula A. Zahn**, **Andrea Mitchell** (the wife of CFR member **Alan Greenspan**, the *"papalized Hebrew"* and former Governor of the Pope's Federal Reserve Board), Knight of Malta **William F. Buckley, Jr.**, and **Dan Rather** as well as opinion pollster **George Gallup**.

The most prominent of the Society's "Press Lords" however is Knight of St. Gregory **Rupert Murdoch** (belonging to the New York Archbishop's CFR as does his supposed adversary, Democratic Party financier—Masonic Jew **George Soros** and CFR associate **Ted Turner**), the contributor of ten million "dollars" (i.e., papal Federal Reserve Notes) to Archbishop **Roger Cardinal Mahoney's** newly built "Cathedral of Our Lady" in Los Angeles. Murdoch is better known as the nation's media mogul and papal owner of **Fox News Corporation**. It is most intriguing to observe that two of FNC's hosts are right-wing Irish Roman Catholics **Bill O'Reilly** (a Harvard graduate) and **Sean Hannity**, (having attended a seminary school

intending to become a priest). **Greta Van Susteren** received her law degree from the Order's **Georgetown University Law Center** at which she acts as an adjunct law professor, and **Colonel Oliver North**, hosting *"War Stories,"* is tied to the **Knights of Malta** via the Central Intelligence Agency and its disgraceful Iran-Contra Affair.

Other prominent national TV hosts covertly subservient to the Company evidenced by continued complicity with prominent CFR members are MSNBC's **Chris Matthews** (Jesuit-trained at **College of the Holy Cross** and assistant to the late House Speaker of the Reagan Era, Papal Knight **Thomas "Tip" O'Neill**—a former trustee of the Order's **Boston College** and a co-conspirator in the JFK assassination) and **Tim Russert** (Jesuit-trained at **John Carroll University** with strong ties to the CFR, although not a member). Roman Catholic Republican Knight of Malta **Patrick Buchanan** is another **Georgetown University** graduate commonly interviewed on nearly all the networks, and Roman Catholic Democrat **Lawrence O'Donnell, Jr.,** is the Senior Political Analyst for MSNBC and the executive producer of NBC's *The West Wing*, starring another socialist Roman Catholic actor and Jesuit Temporal Coadjutor, **Martin Sheen**, previously mentioned. O' Donnell also served as a Senior Advisor to the late Roman Catholic New York Senator **Patrick Moynihan**, once an assistant professor at the Order's **Fordham College** and Lincoln Center, as well as functioning in the capacity of another covert Jesuit Temporal Coadjutor aiding in the cover-up of the Company's assassination of President **John F. Kennedy** by ridiculing any assertion that the Jesuits were behind the murder. O'Donnell regularly appears on *The McLaughlin Group* hosted by "former" Jesuit priest, Nixon-speechwriter and business partner of Knight of Malta Patrick Buchanan, **John McLaughlin**. This is the multi-faceted array of the Vatican's CFR-controlled American "prostitutes" secretly in obedience to the **Black Pope**'s scheme for a socialist-communist, cartel-corporatefascist, one-world government to be realized under the final Pope, *risen from the dead (fulfilling Masonry's type of the murdered and risen* **Hiram Abiff** *derived from the myth of the risen Roman Phoenix), possessed by* the Devil *and ruling from* Jerusalem, ruling his revived **Holy Roman Empire**—the Germany-based **Fourth Reich** presently under construction. Indeed, the Society of Jesus has kept its word as promised in its priest-written, anti-Jew, *The Protocols of the Learned Elders of Zion* and *The Council of Trent*. Dear truth-seeker, The Company controls the Press!)

And it was **Henry R. Luce** who used his media empire to shape American culture and religion. Both Luce and the Masonic Jew, **Bernard Baruch**, recruited the young **Billy Graham** for ecumenical purposes, as Luce was an active participant in the Jesuits' World Council of Churches. (Now you know why Freemason Graham, having received an honorary doctorate from the Franciscan **Belmont Abbey** and thus approved by the Vatican's **Jesuit Charles Dullea**, receives such good press!)

The Jesuits, in creating the **Council on Foreign Relations** as their *"trusted third party,"* were following the instructions of their founder. **Loyola** commanded:

> " 'The chief aim'—thus runs the order—'of all our efforts ought to be to procure the confidence and favor of princes and men in places of distinction, to the end that no one might dare to offer opposition to us, but on the contrary, that all should be subject to us. . . . In short, the Jesuit order looks upon it as their highest aim and object to seize upon the place of Father Confessor at all the different Courts and among all persons of distinction, well knowing that enormous power lies hidden therein; at the same time the making publicly known of this earnest striving after power must be carefully avoided, especially as regards those princes who operate somewhat beneficially by their worldly might. Assurance must often and earnestly be given,' proceeds the same above document, 'that it is not sought in any way to interfere with the affairs of the State, and it is recommended to those who might be pleased to see themselves at the rudder [*Hitler, Stalin, Churchill, FDR and Franco*] not to make it evident that they are manifestly in that position. This ought rather to be effected through means of some **trusted third party**, that then the opinion of the rulers' Father Confessor might be asked; when by this means all appearance of direct interference is avoided, then will be the reality of the influence all the more effectually secured.' " {73} [Emphasis added]

Dear truth-seeker, the Jesuits at Georgetown are the "Father Confessors" to the President. Their *"trusted third party"* is the **Council on Foreign Relations** sending its advisor, usually the **Secretary of State**, who in 1963 was the traitor, **Dean Rusk**.

2. The Masonic British agents of the Order, having created London's Royal Institute of International Affairs (**RIIA**), were now working in conjunction with the Order's Masonic American agents ruling the **CFR** at 58 East 68th Street in New York. Backed by the wealth and power of America, the **Protestant British Empire** would be more effectively used than formerly during the Nineteenth Century—"the British Century." The Empire, usurped by the Jesuits during the reign of **King George III**, would be used by the ***Black Pope*** (ruling the **English Monarchy** and "**Smokin' Winston" Churchill**) as another one of the Order's "Swords of the Church" during the Jesuit General's **Second Thirty Years' War** and his ensuing **Cold War**.

In 1922

1. The Jesuits established their unholy and bloodthirsty Inquisition in Russia called the "**USSR**," appointing their Jew-hating, Freemasonic Grand Inquisitor—**Josef Stalin**—as the Secretary of the Communist Party. Indeed, it was common knowledge in Russia that "**Koba**" was a Roman Catholic according to several Russian immigrants to America known to the author. To the contrary, it was a well-kept secret that he, like **Hitler**, **Mussolini** and **Franco,** had a Jesuit-negotiated **Concordat** with the Pope. It was also known that the "man of steel"—like **President Bill Clinton**—*was educated by Jesuits*. That five-year training transpired in Tiflis, Georgia, via a Jesuit-ruled Orthodox seminary, as the Tzar's ukase of 1820 had banned the Order from all Russian dominions. Of **Stalin's** Jesuit training we read:

> "Then [*1894*], being nearly fifteen, he entered the **Tiflis Theological Seminary** on a free scholarship . . . [*Stalin then states*] 'In protest against the humiliating regime and **the jesuitical methods** that prevailed in the seminary, I was ready to become, and eventually did become, a believer in Marxism. . . . [**The Jesuits**] are methodical and persevering in their work. But the basis of all their methods is spying, prying, peering into people's soul, to subject them to petty torment.' " {74}[Emphasis added]

Further, regarding Stalin's connection with Rome from youth to revolutionary:

> "Stalin's childhood was spent in **Gori**, a charming and picturesque town on the railway to **Tiflis**, the capital of Georgia. Gori was already a cultured urban center, boasting a high school. . . . The town church was built by **Capuchin** missionaries [*Jesuit Coadjutors*] from Rome. . . . Stalin's mother was proud of him. He excelled in his studies, his deportment was good, and he was his teacher's favorite pupil. . . . He was sent to the [*Capuchin's*] local church school when he was nearly eight [*illustrating the Jesuit maxim, "as the twig is bent, so grows the tree"*]. . . . '**Soso** was a good boy,' his mother declared emphatically, in 1930. . . . He studied hard, was always reading or talking and trying to find out about everything. . . . I didn't want him to be anything but a priest.' . . . For Stalin won a scholarship to a college upon his graduation from the elementary school. . . . **Soso** was admitted to the [*openly Russian Orthodox*] theological seminary in **Tiflis** [*upon the recommendation of crypto-Jesuit Capuchins in Gori with their favorite student bringing a scholarship in hand*], where she and her son moved in 1893 from Gori. . . . The theological seminary was a stronghold of new and exciting theories, a battlefield for nationalist and internationalist propagandists. Tiflis already had [*Masonic*] Marxist circles. . . . Into this hotbed of resurrection and insurrection the young **Djugashvili** came to receive his baptism for priesthood. . . . He was fourteen. . . . Stalin imbibed the socialist doctrines [*perfected by the Jesuits on their fifty-seven South American "Reductions"*], studied [*Masonic*] **Karl Marx** [*who hated the Jews and sought to rid the world of the Hebrew race*], and became one of the leaders of the secret Marxist band in the seminary. Soon, at the age of seventeen, he established connections with the Tiflis Social Democratic groups. He attended

> 'underground' meetings, and engaged in such activities as distributing revolutionary proclamations and pamphlets [*all under the watchful eye of his masters, the Jesuits, appearing as Orthodox priests, having trained him as a youth and then freely educated him in their seminary for five years, grooming their "***Robespierre***" to boldly lead in the coming Russian revolution so carefully prepared by their hands*]. . . .

'I became a Marxist, [**Stalin**] declared, . . . 'because of Jesuitic repression and the martinet intolerance of the Orthodox Church seminary where I spent some years [*during which time the Order inflicted the 1894-1896 mass-murder of 100,000 "heretic" Armenian Christians in Turkey by the Masonic Moslem Turkish leaders aided and abetted by Jesuit-controlled* **Tzars Alexander III** *and* **Nicholas II**].' . . . The espionage system in the seminary was well established. The monastic inspectors kept a watchful eye on the 'reliability' of their wards. Stalin was under suspicion. . . . The wakeful school officers searched his room, and discovered a book by Karl Marx. He was promptly expelled from the seminary, at the age of eighteen [*which deliberately misleading story is only equaled by the fable that* **Adam Weishaupt** *ceased to be a Jesuit when he formed the Illuminati in 1776. Stalin was openly "expelled for not appearing for an examination," but secretly was blessed and dismissed by his occult Jesuit superior and seminary inspector, later becoming* **Schema-Archbishop Anthony** (1867-1943)—*who just so happened to survive the monstrous Bolshevik purge of the Orthodox Church, Stalin's "Great Terror" of the Thirties and temporary imprisonment, living to the ripe old age of 76! Stalin had been taught Marxism in the seminary for five years (1894-May, 1899), the seminary having been the center of all forbidden revolutionary activity in Georgia and the very heart of* the **Black Pope**'s *Bolshevik Revolution. This story of "disapproval and expulsion" is a "black operation," intended to deceive the reader into believing that Stalin had no connection with the Jesuit Order ruling the Orthodox Church while he was, in fact, the General Secretary of the Communist Party, thus openly the absolute dictator of Soviet Russia from 1922-1953 (the "vile"* **Alexander N. Poskrebyshev** *being the real dictator), after the Order's assassination of* **Vladimir Lenin** *and expulsion of* **Leon Trotsky**—*both having been Masonic Jews!*] . . .

It was but five years later [*1903*] that Lenin laid the foundations for that modern phenomenon, the class of professional revolutionists. . . . Somewhere in [*the Jesuit stronghold of*] Siberia a bald-headed exile by the name of **Ulyanov** [*Lenin*] was studying English and translating [*Masonic* **Cecil Rhodes'** *British Fabian Socialist*] **Sidney Webb** into Russian. Ulyanov was to become Lenin, and Sidney Webb—**Lord Passfield**. . . . Bolshevism was ushered into the world by Lenin in 1903. . . . Stalin's career was set. . . . Bolshevism is indigenous to Russia. . . . Bolshevism is a western idea [*springing from the Order's Counter-Reformation Fabian Socialists whose political policies, implemented by* **Winston Churchill's** *radical British Labor Party, furthered the post-WWII destruction of the Protestant*

British Empire] . . . Bolshevism is not an accident. It is not without reason that the Soviet historians open their accounts of communism with [**Sir**] **Thomas More** [*(1477-1535), having been a Roman Catholic English statesman and traitor who refused to recognize* **King Henry VIII** *as head of the Church of England for which he was beheaded; who authored the socialist Utopia; who attacked* **Martin Luther's** *Biblical doctrines which ignited* the Lord's *Protestant Reformation; and has been canonized by the Papacy*]. . . . One of the Soviet writers hails **Thomas More** as the first communist [*thus Rome being the font of communism*]. . . . More was the first to suggest a universal organization of communist economy in which all the means of production would be publicly owned [*as in "Holy Roman," Fourteenth Amendment, socialist-communist, corporatefascist America today via the Order's New York Stock Exchange*]. . . .

While the Bolshevist Party in its relation to the government greatly resembles the Calvinist pattern [*which it does not in any form or fashion, since all socialism is legalized theft in violation of* the risen Son of God's *Eighth Commandment,* ***"Thou shalt not steal," (Exodus 20:15)***], the internal structure of that party is a replica of **Loyola's Jesuit Society**. **Loyola** conceived the church to be in a state of war [*against the one true* God *of the Reformation Bible and thus the Reformation nations composing White Anglo-Saxon Protestant Western Civilization*], and Lenin considered society to be in a state of war [*against the political liberties born out of the Reformation including freedom of conscience, freedom of speech, freedom of the press, and the right to hold and enjoy private property, both real and personal*]. **Loyola** built his organization upon the principles of military discipline, of total abnegation on the part of those who joined his society, of an intricate system of espionage from which not even the supreme general was exempt [*as existed in Jesuit-ruled Nazi Germany, Jesuit-ruled Soviet Russia, Jesuit-ruled Fascist Spain, Jesuit-ruled Fascist Italy, Jesuit-ruled Fascist Portugal, Jesuit-ruled Fascist Argentina, Jesuit-ruled Fascist Japan, Jesuit-RIIA-ruled Britain, and as now exists in our Jesuit-CFRruled, corporate-fascist "Holy Roman" Fourteenth Amendment American Empire*]. His teachings of obedience and his hierarchical order are closely reproduced within the **Bolshevist Party**. The Jesuit ethics of the **end justifying the means** recur frequently in the catechism of **Leninism**." {75} [Emphasis added]

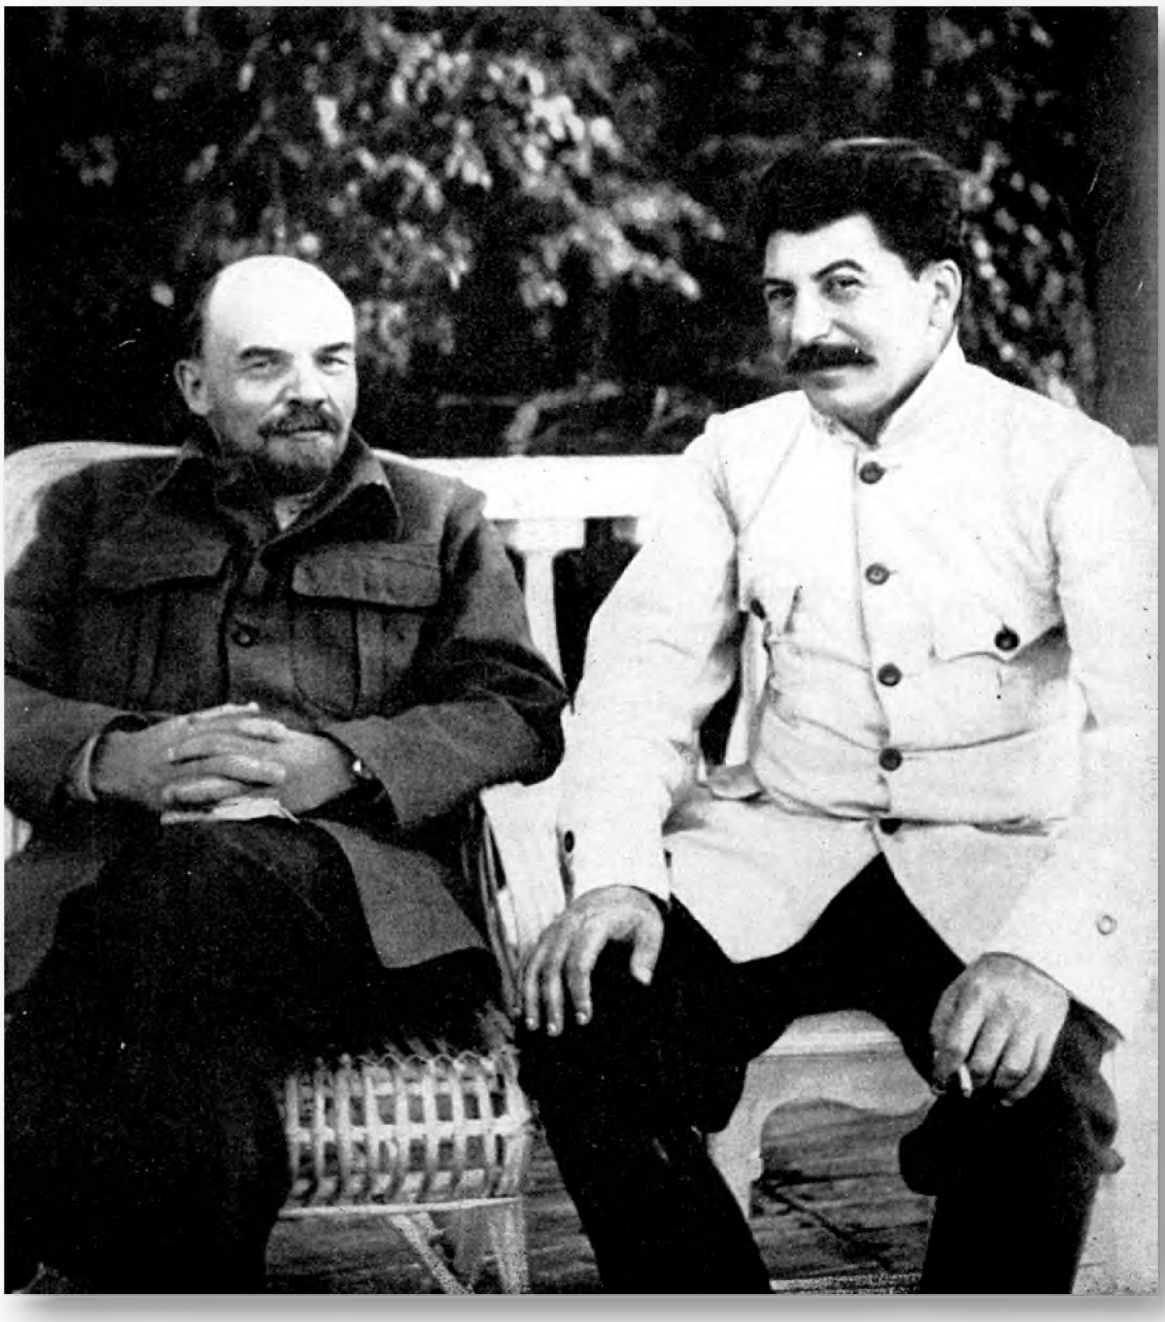
Thus, we are not surprised to see the Order's Atheistic and Radical-Socialist World Revolution—first revealed in **Abate Leone's** 1848 classic, *The Jesuit Conspiracy: The Secret Plan of the Order*, its maxims later developed in the works of **Masonic Karl Marx** who spent nearly thirty years in the reading room of the British Museum—continued into the Twentieth Century by the **British Fabian Socialists**. This connection between the British Fabian Socialists (who were intimately aligned with **Masonic Cecil Rhodes' Roundtable Group**), the Jesuit maxims of their leaders and the Bolshevik Revolution (rendered infamous by **Masonic Stalin's** Soviet Inquisitional Gulag System—the model for **Masonic Hitler's** European Nazi Concentration Camp System) is stunningly described by Heritage Foundation member **Rose L. Martin** in her 1966 masterpiece, *Fabian Freeway: High Road to Socialism in the U.S.A., 1884-1966*. Remembering that the Jesuits also control the Heritage Foundation through the Pope's erudite **Knights of Malta**, past Chairman of the Board (and Kennedy assassin) **Frank Shakespeare** being one of them, not to mention the additional presence within the Foundation of current **Opus Dei** members, we read:

> "The possibility has been raised . . . that **George Bernard Shaw** . . . who in his later writings equated **Jesus** and **Lenin** as spiritual leaders, was commissioned by the [*Jesuit*] fathers of Marxian Socialists to help found a select company for the propagation and defense of their Socialist views. Early in the game, Shaw confided to the German Socialist, **Eduard Bernstein**, that he wanted the Fabians to be **'the Jesuits of Socialism.'** . . . Like the Catholic **Society of Jesus** . . . the basis for future action was so firmly defined in its first years that its subsequent growth was assured. A contemporary once said of **Ignatius of Loyola**, 'When Ignatius drives a nail, no one can pull it out.' . . . In January, 1885, **Shaw** introduced a friend into the Society whose contribution as to be as fateful as his own. This was **Sidney Webb**, . . . As Fabians, they formed a two-man team pacing each other like a pair of wellgaited carriage horses. They collaborated smoothly in the production of pamphlets, essays, and reports, drafted plans for political activity, and formulated internal and external policies of the Society in advance of executive meetings. **Sidney Webb** supplied the direction, **George Bernard Shaw**, the literary style. . . . Even during the days when membership lists were published, the Society already operated to a large extent as an invisible and toxic force [*as does the Society of Jesus*]. As the **Machiavellian Webb** so often said, . . . 'the work of the Fabian Society is the sum of its members' activities' [*as is the work of the Machiavellian Society of Jesus*]. . . . **Arthur Henderson**, long a member of the Fabian Executive, **was the Foreign Minister, who in 1929 engineered British diplomatic recognition of Bolshevik Russia** [*What high treason!*] . . .
>
> It was no accident of old age that led them [**Shaw** *and* **Webb**] separately in 1931-1932 to the Union of Soviet Socialist Republics and to full-throated capitulation. After some earlier expressions of distaste for Communist violence and the iron hand of Communist Party discipline, they could no longer restrain themselves from making public professions of their allegiance [*to Stalin's USSR*

ruled by their masters, the Jesuits!!!]. . . . Weighted with years and honors, the **Webbs** [**Sidney** *and* **Beatrice**] and **George Bernard Shaw** traveled royally to Moscow [*accompanied by the wife of pro-Irish Catholic Liberal Party leader* **Lord Asquith**] to announce their full support for the Soviet system of rationalized barbarism. **Shaw,** by then the dean of English letters, told **Stalin** that the words 'the inevitability of gradualness' should be engraved on Lenin's tomb. **Webb,** now **Baron Passfield,** exchanged ideas on colonial policy with **Stalin,** who had launched his own public career with a study of subject nationalities. . . .

Among the poisoned fruits of the **Webbs'** sojourn in the Socialist Fatherland was a two-volume work entitled *Soviet Socialism—A New Civilization.* . . . portions of the manuscript placed in the right hands helped to spark the movement leading to United States recognition of the Soviet Union in 1933 [*performed by* **FDR** *in the presence of Georgetown* **Jesuit Edmund A. Walsh**]. The Webbs had known [*the Jewish*] **Maxim Litvinoff,** the Soviet Foreign Minister [*the Jesuits controlling all Foreign Offices*], and his British-born wife, the former **Ivy Low,** during that couple's years of 'exile' in London [*evidencing that the London Jesuits, in directing their Fabian Socialists and thus the British Labour Party, were the secret masters of* **Lenin**, *his Bolsheviks,* **Stalin** *and his Purges!*]. . . .

The actual sources of this book were revealed some years later, in testimony given to the Internal Security Subcommittee of the United States Senate Committee on the Judiciary. Appearing before that body on April 7, 1952, **Colonel I. M. Bogolepov,** a former Soviet Army officer who had been attached from 1930 to 1936 to the Soviet Foreign Office, recalled his dealings with the Webbs. He stated bluntly that *the entire text of the Webbs' book had been prepared in the Soviet Foreign Office.* Material for the chapter on Soviet prison camps, stressing the 'humane' methods employed in those factories of death and minimizing the vast scale of their operations, was specially compiled by the Secret Police [*the Jesuit-manned* **NKVD** *ruled by Jesuit Temporal Coadjutor* **Nicolai S. Vlasik**] and also delivered through the Foreign Office to the learned couple. The Colonel happened to know these things because, as he explained with some amusement, he had done most of the ghostwriting himself in the line of duty [*the Jesuits further entrenching their power in Soviet Russia via the academic influence of their Fabian Socialists*]." {76} [Emphasis added]



Jesuit Temporal Coadjutors Vladimir Lenin and Josef Stalin, 1922 #399

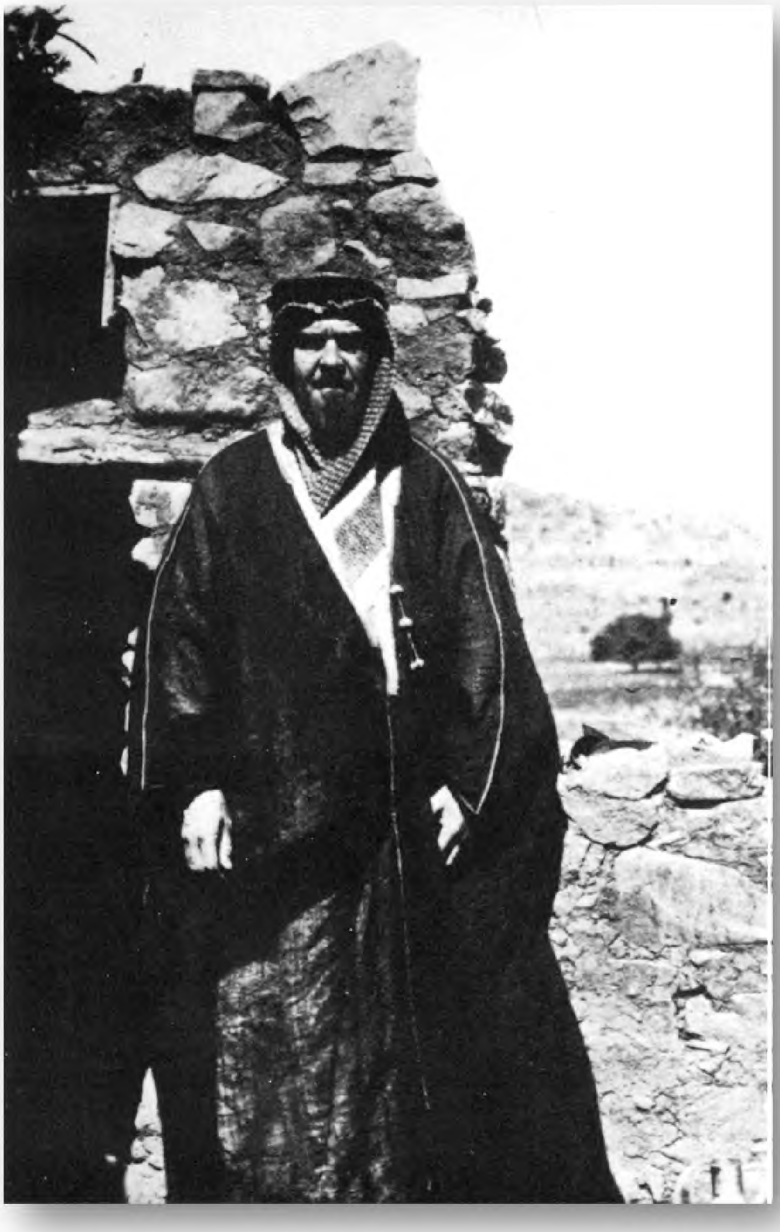
Backed by the Order's German General Ludendorff, Masonic Lenin expelled the Knights of Malta in 1917 to make the revolution appear to be anti-Tzarist/anti nobility and re-admitted the Jesuits back into Russia, after a 100-year expulsion, in 1922. Georgian Gentile Freemason Josef Stalin, Jesuit-trained from his youth: was aided by the Order's British RIIA and American CFR secretly led by Papal Knights; led the Order's Soviet Inquisition via Jesuit Vlasik's NKVD; murdered all patriotic officers of the Red Army benefiting Pope Pius XII's Nazi invaders who then annihilated "accursed" Orthodox Russians while "liquidating" many Russian Jews; and partnered with Hitler in the Eurasian Jewish Holocaust after he eliminated those duped, anti-Tzarist Jews used in the Bolshevik Revolution. ***The Russian Revolution***, Alan Moorhead, (New York: Harper and Brothers, 1958).

2. The Order, with the help of its **Sicilian Mafia** and its use of "terrorism" (as is being used in America today), brought Jew-hating, Jesuit fascism" to Italy in the person of **Benito Mussolini** with his march on Rome. He had been aided by the Order's banking "Fraternity" on Wall Street and would become a supporter of Hitler, Franco and Saudi Arabia's **King Ibn Saud**—all of them occult Freemasons. In 1929 their fascist dictator signed a **Concordat** with the Pope, restoring his abhorrent **Temporal Power** along with a monetary gift of *over $90 million.* Of this **Lateran Treaty**, Mussolini's greatest crime and betrayal of the Italian people that would lead to his collusion with the Pope's Nazis against Italy's patriots and Jews, we read:

> "The signing was to take place in the same room in which Charlemagne had been the guest of [**Pope**] **Leo III** over a thousand years earlier. . . . The 1929 treaty was actually a unity of three separate agreements: the Lateran Pact, which provided for the creation of the new **State of Vatican City;** the Financial Convention, which granted payments to the Church for the loss of its **Temporal Powers** [*in fact, a grand theft of nearly one billion dollars in today's fiat American currency*]; and **the Concordat . . .** According to the articles of the Lateran Pact, the **State of Vatican City** was set up as a sovereign entity. . . . And Italy agreed to accept the Church's canon law [*including the evil* **Council of Trent**] . . . Under the terms of the Financial Convention, Italy [*fascist Prime Minister Mussolini*] consented to make a large money settlement for the loss of Vatican properties [*rightly taken by* **King Victor Emmanuel II** *in 1870*]. A sum of $40 million was paid in one lump; in addition, 5 percent of government bonds worth about $50 million were transferred to the Holy See. Italy also agreed to pay the salaries of parish priests stationed on its soil [*!!!*]. . . .
>
> The Concordat also stipulated that **Protestant Bibles** could no longer be distributed in Italy [*like Stalin's Russia*], that evangelical meetings in private homes were forbidden [*like Stalin's Russia*], and that Catholicism was to be Italy's official religion." [*Could it be that Stalin (the "son of steel" as indicated by his Georgian name, "Djugashvili"), like Mussolini, also had a Concordat with the Pope—secretly restoring 'the Vicar of Christ's' Temporal Power in "heretic" Russia?*] {77} [Emphasis added]

In 1932 Mussolini gave military aid to the Order's Masonic, pro-Hitler, secretly pro-Churchill, **King Ibn Sa'ud** then ruling the ***Black Pope***'s newly created oil bonanza called **Saudi Arabia** (home to the late savage Black exile, military dictator, Wahhabi Muslim and "Butcher of Uganda," **Idi Amin**) and advised by an English nobleman and courtier, **Knight of Malta Sir John Philby**! This Italian Catholic Fuhrer, known as "**Il Duce**," was also declared the "**Defender of Islam**" and given the "**Sword of Islam**" by Libya in 1937, evidencing the ***Black Pope***'s Masonic rule of Islamic dictators and his secret control of **Mecca, Medina** and Jerusalem via Wahhabi Islam. (This connection of the Masonic Saud Dynasty to the Jesuit General ruling the Bush Dynasty via "Skull and Bones" will aid us in understanding 911!) We now understand Il Duce's invasion of Ethiopia demonstrating the Order's

hatred and murder for non-Romish, Black North African Christians while coordinating fascism with its Islamic "**Sword of the Church**" throughout the Middle East in conjunction with Himmler's SS. Remember, in war, Jesuit fascism always unites with Islam!



English Knight of Malta Harry St. John "Abdullah" Philby, 1930s #400

The foremost advisor to Saudi Arabia's King Ibn Sa'ud, Philby arranged the Saudi Oil lease would be given to the ***Black Pope***'s Rockefeller-owned Standard Oil of California and not to Britain: the Order's process of destroying the once Protestant British Empire had begun. Philby was a friend of Bolshevik Russia: much wealth of the Rockefeller oil profits would be used to build Stalin's USSR.

With Hamilton signing on behalf of the ***Black Pope***'s Rockefeller/CFR-controlled Standard Oil of California, the Saudi oil concession was the "richest commercial prize in the history of the planet." Further, Knight of Malta John A. McCone later became a director of Socal (Chevron). By giving this prize to the US, Rome began the destruction of the British Empire's power over the Middle East. ***The Kingdom: Arabia & the House of Saud***, Robert Lacy, (NY: Harcourt Brace Jovanovich, Publishers, 1981).

"In the Summer of 1937, Mussolini made his famous visit to Libya. There the Moslem notables acclaimed him '**Defender of Islam**;' and, native chiefs presented him with the '**sword of Islam**.' In thanking the givers for the sword, Mussolini said:

> '**Fascist Italy intends to assure the Moslem population in Libya peace, justice, prosperity, and respect for the laws of the Prophet**.' . . .
>
> 'Ibn Sa'ud,' says the *Encyclopedia Britannica*, 'has achieved a position perhaps unparalleled in the annals of Arabian history since the immediate successors of Mohammed himself.' Italians [*Jesuit-advised Mussolini*] are not only arming him, but buying his support with arms." {78}

Mussolini, Dennis Mack Smith, (New York: Alfred A. Knopf, 1982).

Mussolini, in attacking the non-papal "heretic" Christians of Ethiopia while blessing Islam, was simply carrying out the plans of his high-level *Jesuit confessor*, **Pietro Tacchi-Venturi**. Hitler would do the same under the guidance of his "Father-confessor," **Martin Bormann**, in his massacre of Orthodox Serbs utilizing Croatian Muslims in Himmler's

"**Handschar**" division of the SS. Known for their atrocities, these cutthroats served in the name of the pro-Nazi **Grand Mufti of Jerusalem**.

British Masonic Jewish Labor Zionist Herbert Samuel, 1921 #404

As the first British High Commissioner in Palestine, Samuel was subject to Jesuit rule through Masonic King George VI, the RIIA and the British Labor Party. Thus, he appointed a radical Islamic Freemason to be the Mufti of Jerusalem.

Islamic Freemason Hajj Amin al Husseini (1893 – 1974), 1920s #405

Grand Mufti of Jerusalem, 1921 – 1955

Founding the Arab secret society El Nadi-al Arabi (the Arab Club) and working for the British, Husseini was appointed Mufti by Samuel who pardoned him for inciting a riot killing five Jews. His open policy was to forbid the resettlement of Palestine with Jews. His secret policy was to help the Labor Zionists, which he did in 1948 during Israel's War for Independence, and to unite all Arabs to serve as a common enemy thus uniting Jewish immigrants returning from all nations. ***The Jews In the Twentieth Century***, Martin Gilbert, (New York: Schocken Books, 2001). ***O Jerusalem***, Larry Collins & Dominique Lapierre, (New York: Simon and Schuster, 1972).

The Pope's Freemasons Amin al-Husseini and Hitler, Berlin, 1941 #406

Amin al-Husseini and Hitler cooperated together during the Vatican's calculated destruction of Eurasian Jews. The Grand Mufti openly opposed resettlement of Palestine by the LORD's beloved sons of Jacob while secretly cooperating with Masonic Labor Zionists and their Masonic British masters ruled by the Order.

Regarded as a "hoodlum" by Jerusalem's Moslem High Council when appointed Grand Mufti in 1922, he consolidated power over Palestinian Arabs via the Arab Revolt (1936-1939) financed by the Nazi SS. Entertaining best friend Eichmann throughout the 1930s, Al-Husseini fled from Syria to Berlin in 1941 to aid Hitler in his anti-Orthodox, anti-Hebrew Crusade until the end of the war. The Mufti aggressively recruited Moslem "cutthroats" to fight with Himmler's Waffen-SS.

Hitler's ghost-written *Mein Kampf* was avidly read by the Islamic troops, fueling their intolerance for "infidels," while their priest-led Roman Catholic brethren were urged on to kill the "heretics." Jesuit Fascism and its daughter, Masonic Islam, worked hand-in glove during the Spanish Civil War (1936-1939); during Hitler's subjugation of Bosnia and Serbia (1941-1945); and against Jews seeking to escape Nazi Europe by returning to their ancient homeland, forbidden by the 1939 British White Paper authored by Jesuit Coadjutor Malcolm MacDonald!

Reichsfuehrer Himmler with the Mufti of Jerusalem, Berlin, 1943 #407

Upon Parliament's approval of the British White Paper in 1939 permitting only 75,000 Jews to immigrate into Palestine over a 5-year period, Jesuit Coadjutors Malcolm MacDonald and his boss, RIIA Prime Minister Neville Chamberlain, had sealed off any possible Jewish escape from Hitler's Crusading SS Teutonic Knights. Jesuit Coadjutor Al-Husseini's purpose was to unite Islamic leaders for the destruction of apostate Protestant British control over the Middle East, while forcibly preventing "illegal" Jewish immigration into Palestine during the war, after which only the strongest Holocaust survivors could be used to build the Pope's "Kingdom of Jerusalem"—ruled by co-conspirator Masonic Labor Zionist David Ben-Gurion. Implicitly obeying orders, the Mufti backed Hitler and Himmler's extermination of Jews (even visiting Auschwitz with Eichmann) while residing in Berlin for five years (1941-45)—overseen by Bishop Von Preysing! Protected by Rome after the war, Al-Husseini fled to Egypt, cleverly helped the Pope's Masonic Jewish Labor Zionists in Israel's War of Independence and birthed the Arab agitation against Jews living in their own land unconditionally given to their fathers Abraham, Isaac and Jacob. Escaping to Egypt with other protected Nazis, the Mufti aided in building the Pope's Neo-Nazi, Islamic-Masonic, International Terrorist Network financed by the Order's Wahhabi Al-Saud royal family of Saudi Arabia. In 1974, Al-Husseini died, went to hell andwas succeeded by his nephew, the late "Yasser Arafat" al-Husseini, yet another Masonic Jesuit Coadjutor given no less than nine audiences with the Pope!

Pius XI, in praise of **Il Duce** and his regime described Mussolini as,

> "**. . .** the man whom Providence allowed us to meet." {79}

The "ex-Jesuit," pro-Lenin, *sovereign* Pontiff, **Pope Pius XI**, further stated:

> "Mussolini **. . .** will conquer all in his path. Mussolini is a wonderful man—Do you hear me?—a wonderful man! **. . .** The future is his." {80}

Thus Fascism and Jesuitism go hand in hand. **Pierre van Paassen** declared in 1939:

> "For today Rome considers the Fascist regime the nearest to its dogmas and interest. We have not merely the Reverend [*Jesuit-led*] **Father Coughlin** praising Mussolini's Italy as 'a Christian democracy,' but *Civilta Cattolica*, house organ of the Jesuits [*and "the purest journalistic organ of Church doctrine" says Bavarian priest* **Von Dollinger**], says quite frankly **. . . Roman Catholic Benito Mussolini, Italian Fascist Dictator, 1922 – 1943

Benito Mussolini is by far the most important fascist to arise in Europe, being the first to be given power, who then aided all other fascist dictators in their bloody ascent to Jesuit absolutism. The creation of European fascism was in accordance with the maxims of Pope Pius IX's *Syllabus of Errors* issued in 1864 and was in direct "antithesis" to the Order's "thesis" of communism. Both Platonic systems were socialist (thus maintaining the supremacy of the state over the individual) and rested upon essentially religious doctrines enforced by a military dictator receiving abject hero-worship. Both "religions"—like medieval Romanism— employed inquisitional police against disarmed and defenseless populations, while espousing the creation of an internationalist "world order."

But "fascism" claimed to "believe in God"—to the exclusion of the true God of the Protestant Bible, while "communism" claimed to be atheistic, also to the exclusion of the true God of the Reformation Bible. Hence, both systems, though appearing to be antagonistic to one another, furthered the **Black Pope**'s Counter-Reformation when standing alone or when warring against each other. Both systems were cleverly designed to extirpate non-papal Christians, "liberal" Catholics and/or the racial Hebrew/Jewish/Israelitic people. So, we are not surprised to discover that Mussolini was at first an anti-clerical anarchist, then a Marxist-communist who met Lenin in Switzerland and, according to Marxist Leon Trotsky, was the Bolshevik's greatest student. A defiled, serial adulterer and proven agitator, the gifted orator became Prime Minister in 1922 through the power of Masonic King Victor Emmanuel III.

By 1928, secretly Masonic Mussolini was "Il Duce" who, in 1929, restored the Temporal Power to the Papacy via a Concordat. Advised by Jesuit Pietro Tacchi-Venturi, he, like Hitler, was openly anti-Masonic, anticommunist, anti-Jew and was greeted with a Roman salute. Likened in looks to "Ignatius Loyola" with his bronze bust displayed in Hitler's Brown House, the dictator persecuted Italian Protestants; admired Kemal Pasha, the Moslem killer of Turkey's Orthodox Armenians; forced Romanism on his Greek Orthodox community; financed Croat fascist Ante Pavelic, the assassin of his own King Alexander and leader of the Pope's Ustashi who would kill 700,000 Orthodox Serbs; forced Albania's Orthodox Church to renounce the Patriarch of Constantinople and submit to the Pope's headship; attacked Abyssinia killing tens of thousands of disarmed, Black, non-Roman Catholic Christians; aided Franco in killing 600,000 "heretic and liberal" Spanish republicans; was Libya's "Protector of Islam;" provided training grounds for the Nazis; encouraged Hitler to attack Stalin's Russia; sought to expel all Jews from Europe and held to the Jesuit doctrine claiming "the Jews were a disease to be cured by fire and sword."

But Benito disobeyed his masters by refusing to rid Rome of the Jewish ghetto. He fell from power in 1943; SS General Karl Wolff was sent to Rome and, aided by Pope Pius XII, sent the Jews to Auschwitz; and Wolff, with Milan's Cardinal Schuster, later betrayed Mussolini who was shot by Italy's partisans in 1945.

We must remember that the Italian "**Il Duce**" was the first of the Company's Twentieth Century fascists. Georgian "**Stalin**," who was also *in fact* a fascist operating under the guise of communist rhetoric, was the Company's crusader in the East, later to be in secret deadly partnership with the Company's Austrian Nazi fascist financially aided by Mussolini in his rise to power, "**Der Fuehrer**." Hitler and Mussolini would then aid fascist "**Generalissimo**" Franco during his civil war in Spain. **Emperor Hirohito** would bring his military dictator, **General Hideki Tojo**, to power in 1941, having previously established alliances with both Hitler and Rome, while conducting his fascist, anti-Communist, anti-Protestant, anti-Jew crusade in the Far East. The traits of these five fascists are striking and extremely relevant for all lovers of Protestant and Baptist Calvinist liberty, be they "heretic" Bible-believers, "liberal" Roman Catholics, or racial/religious "perfidious" Jews. They are:

1. **Every socialist-fascist military dictator was raised as a Roman Catholic or was educated and/or influenced by Roman Catholic priests, overtly or covertly.**
2. **Every socialist-fascist military dictator was secretly a Luciferian Freemason connected to a Jesuit priest or a Jesuit Temporal Coadjutor functioning as an intimate personal advisor.**
3. **Every socialist-fascist military dictator was noted for his wicked, immoral life, including his "ends justify the means," Machiavellian usurpations.**
4. **Every socialist-fascist military dictator was brought to power in a country where the Jesuit Order was then presently, or had been in the recent past, legally expelled, and/or the maxims of the constitutional government of the country then under attack clearly limited the absolute Temporal power of the Papacy.**
5. **Every socialist-fascist military dictator utilized controlled "terrorist" acts, real or imagined, by the people (at that time being "Communist terrorist acts" rather than "Moslem terrorist acts") to enable the passage of absolutist measures, overthrowing "heretic" or "liberal" forms of government.**
6. **Every socialist-fascist military dictator was politically backed by the Pope's Roman Hierarchy during his ascent to power, overtly or covertly.**
7. **Every socialist-fascist military dictator was financially backed by Masonic, Morgan-Rockefeller-Rothschild banks in London and/or New York.**
8. **Every socialist-fascist military dictator was in league with Islam ("the Sword of the Church"), overtly or covertly, in eliminating the accursed enemies of the Papacy and its Praetorian Guard,** the Society of Jesus.
9. **Every socialist-fascist military dictator destroyed Protestant, Baptist and/or Orthodox Christians, regardless of how many Romanists perished.**
10. **Every socialist-fascist military dictator persecuted both racial Jews and religious Jews, directly with legislation and/or indirectly under color of law.**

11. **Every socialist-fascist military dictator, in the end, shamed and coldly decimated his own people,** the risen Son of God, **at the right hand of** God His Father**, justly intervening in the affairs of state through the restraining power of His blessed** Holy Spirit**, enforcing His** Written Word **in protecting His true Reformation Bible-believing Church *(II Thessalonians 1:6; Romans 12:19)*, and preserving His presently wandering, "cast off" and nationally "blinded in part," racially beloved Hebrew/Jewish/Israelitic people *(Genesis 12:1-3; Malachi 3:6)*.**
12. **Every socialist-fascist military dictator has hated and abhorred the presence of White Celtic-Anglo-Saxon Protestant and Baptist Calvinist, covenant-bound, male-dominant men bearing arms within his Jesuit-targeted nation, as these beloved people alone, so anathematized by the Jesuits, are the only historic Christians ever to be politically blessed in successfully using "the Sword of Just Defense" in defending their nation (newly established via a Declaration of Independence or then existing nation), while steadfastly resisting, first spiritually, then ecclesiastically, then governmentally and then finally militarily, the absolutist dictatorships attempted by the wicked agents, both secular and religious, of that usurping, murderous, Papal Antichrist in Rome.**

Of Mussolini's little known persecution of the Jews we observe:

> "The system of racial repression that **Il Duce** has concocted to lacerate the bleeding flesh of Italian Jewry, is branded by *The London Times* as *'Medieval in the worst sense of the term.'* The new Italian census indicates that there are eighty-five thousand Jews in the land, of whom sixty per cent are foreigners. Of the entire number, twenty thousand entered Italy since January 1st, 1919. The new edict sets forth that these must all depart from Italy 'within six months,' by March 12, 1939, or they 'are to be expelled after punishment according to the laws for public security [*i.e., "national security"*].' Six thousand of the number are naturalized citizens; but, a little thing like that matters not to a Fascist overlord!
>
> This edict means brutality that is only surpassed today by the anti-Semitic cutthroat in Berlin. . . . on October 6th, 1938, the Fascist Grand Council in Rome ended it sessions, and announced that . . . Italian Jews were not to be allowed to enroll in the Fascist party. No Jew shall own or manage a business of any sort employing more than one hundred persons. A dispatch from Rome (November 19, 1938) announced that '15,000 Jews have been dismissed form government and private jobs in the last four days'— dismissed because they are Jews. No Jew shall own more than fifty hectares (123.5 acres) of land. Jews shall not be allowed to enter Italy's military service in time of peace or of war. . . . It declared that its decrees [*like the Order's anti-French Huguenot (anti-Calvinist) Revocation of the Edict of Nantes of 1685*] were to apply, not only to those with Jewish blood in their veins, but to those whose parents professed the Jewish religion, whatever their race." {82} [Emphasis added]

Of Masonic **Emperor Hirohito's** persecution of the Jew in the Far East we read:

> "Even in far off Manchuria, where Russian Jews [*having suffered under Jesuit Stalin's NKVD police state*] had sought an asylum and had eked out a living, they were not permitted long to rest. The Japanese conquest and conversion of Manchuria into Manchukuo, menaced their livelihood, and thousands fled for sake of economic survival into China. They went to Shanghai, where the Ashkenazi community grew tremendously. But once again, Japanese conquest makes existence precarious. Hitler's daggered hand reaches them through Japan." {83}

Of Masonic **Josef Stalin's** "communist" persecution of the Jew, in spite of the propaganda that the Soviet Union was the bastion of world Jewry, we know three things. First, **Koba** eliminated every Jew involved in the revolution except one—his token Jew until the day Stalin was poisoned: the monstrous **Lazar M. Kaganovitch** (1893-1991) whose niece, **Rosa**, was the Georgian's "last wife," or rather, paramour. Secondly, he killed thousands of Jewish officers in the Red Army enabling the Pope's anti-Orthodox Crusade—"**Operation Barbarossa**"—to be an initial success, enabling Himmler's SS to systematically exterminate 1.5 million Russian Jews in the wake of Hitler's advancing German Army. *Lastly, Stalin sought to kill every Jew in Russia.*

> "During the last years of Stalin's life, a wave of *Jews* [*shipped into the prison camps*] became noticeable. (From 1950 on they were hauled in little by little as *cosmopolites* [*indicating that Stalin was nationalist, i.e., a Jesuit fascist*]. And that was why the *doctors'* case was cooked up. It would appear that Stalin intended to arrange a great massacre of the Jews.) 48
>
> **48.** It has always been impossible to learn the truth about anything in our country . . . But according to Moscow rumors, Stalin's plan was this: At the beginning of March the 'doctor-murderers' were to be hanged on Red Square. The aroused patriots, spurred on, naturally, by **instructors**, were to rush into an anti-Jewish pogrom. At this point the government—and here Stalin's character can be divined, can it not?—would intervene generously to save the Jews from the wrath of the people, and that same night would remove them from Moscow to the Far East and [*Jesuit*] Siberia—where barracks had already been prepared for them." {84}[Emphasis added]

3. Lenin's famine (1921-22) had reached its zenith, resulting in the death of between five to ten men million women and children. The dictator's economic policies *deliberately* caused the genocide and, with the Order's Holy Office of the Inquisition—**the Cheka—**, Lenin continued the ***Black Pope***'s enforcement of the **Council of Trent** and bloody **Jesuit Oath**. In Russia this meant arbitrary theft, torture and murder of the "heretic" Orthodox Russian people of all classes, as well as the elimination other Protestant minority sects. Thousands of Jews also perished in accordance with the Vatican's historic, Jesuit-led persecution of Jehovah's beloved Hebrew/Jewish/Israelitic people. Having refused America's

economic aid in 1919 (the Order's Civil War was yet raging), Lenin accepted **Masonic Shriner President Warren G. Harding's** the offer in 1921, the Jesuit Bolsheviks now holding the reigns of power. Secretary of Commerce **Herbert Hoover** dispatched nearly *sixty million dollars* worth of grain to the starving rural Russian peasants—the lives of *twenty million* hanging in the balance! But by temporarily feeding the dying and destitute, the food—*and munitions for the Red Army*—were cleverly used to quell an impending overthrow of Jesuit Soviet tyranny while simultaneously nourishing, arming and building key cities of Lenin's consolidated rule, **Petrograd** (1914-24) and **Moscow**. Thus, under the guise of doing good aided by the two-year presence of American **Jesuit Edmund A. Walsh**, Jesuit Bolshevik rule was further secured around the neck of the "accursed" Slavic Russian Orthodox people via the economic might of the duped, Protestant American peoples financing their CFR-controlled government ruling **Pope Pius XI's** "Holy Roman" Fourteenth Amendment American Empire!

3. The headquarters for the Order's Holy Office of the Inquisition in the "USSR" was firmly established in Moscow. That chamber of horrors, that medieval bastion of torture, unconscionable iniquity and pitiless murder was the infamous "**Lubyanka**."

Jesuit General Ledochowski's Lubyanka Prison, Moscow, 1925 #412

Once the Rossiya Insurance Company controlled by the Russian branch of the Pope's Military Order of Malta, this stately building situated on Bolshaya Lubyanka Street, became the infamous "Lubyanka." Situated near the Kremlin, it became the headquarters for the Cheka, the Order's Soviet Inquisition led by a Polish Roman Catholic Jesuit Temporal Coadjutor, Felix Dzerzhinsky, one of the instigators of Masonic Lenin's horrific famine. From 1930 to 1952 the Lubyanka would be ruled by Stalin's "vile and loathsome" mysterious personal secretary, the ***Black Pope***'s Soviet Martin Bormann, Jesuit Temporal Coadjutor General Alexander N. Poskrebyshev. Known for the most barbaric of tortures, including "cooking the prisoner" as well as brutal murder, it was here that Jesuit Walter J. Ciszek received his five-year training in interrogation and torture (1941-1946) under the aegis of his brother Jesuit, Poskrebyshev. It was here that the famed Russian General, Andrei Vlasov, was tortured and hung in 1946 for boldly leading Russian troops against the Order's American-financed Red Army. The Lubyanka Prison remained the symbol of Soviet tyranny from 1918 until the alleged "fall of communism" thereby ending the Pope's Cold War Hoax in 1989.

American Jesuit Walter J. Ciszek (1904 – 1984), 1930; 1980

The official history of this American Jesuit who supposedly was arrested in the USSR by the NKVD in 1941 as a "Vatican spy" and then sent to the Lubyanka to be interrogated for five years, then to spend the next ten years in Siberian Gulags as a persecuted, overworked common priest must be completely rejected as a fabrication from start to finish. On the contrary, Walter Ciszek is the greatest American inquisitor to date, exceeding the infamous Jesuit Pierre De Smet. A self-described "street-tough" American of Polish descent, Ciszek was raised in the icy coal region of Shenandoah, Pennsylvania, the Devil physically preparing his chosen vessel for a "ministry of extirpation" in "heretic" Orthodox Russia.

He entered the Novitiate in 1928 and, upon completing his formation in 1934, entered the **Black Pope**'s Russian College in Rome. From 1934 to 1938 Ciszek not only imbibed the Pope's Canon Law that he would later enforce in the USSR, but he learned the language and customs of the Russian people fitting him to that use previously determined by Polish Jesuit Superior General Ledochowski's subordinate commanders. Ciszek was tough, a Pole by race, adapted to cold weather and was eager to wage the ancient Jesuit warfare against "heretics" so accursed by his Council of Trent. In 1937 Ciszek was ordained in the Latin Rite and Oriental/Byzantine Rite in Rome, performing his first magical "Mass" (converting the little Jesus cookie and a cup of wine into the literal body and blood of Rome's false Christ) with Jesuit Vincent McCormick, President of Rome's Gregorian University and later the powerful American Assistant to Jesuit General Janssens. Also present was that darling of the Order, Dame of Malta Genevieve Brady, an intimate friend of Eugenio Pacelli, later Pius XII. With the backing of the American Knights, the White Pope and the **Black Pope**, Ciszek was sent to eastern Poland's Albyrtyn Jesuit Mission in late 1938 to await Stalin's 1939 invasion. With that Soviet attack, his unique mission would begin.

Vincent McCormick, at the time he acted as family for Walter Ciszek at Ciszek's first Mass, was President of Gregorian University in Rome—the greatest of all Jesuit universities. In 1949, while Ciszek is supposedly laboring under a 15-year prison sentence in Stalin's USSR, McCormick is the most powerful American Jesuit in the world—the General's American Assistant in Rome having replaced Maher. Upon the nod of Superior General Janssens and one phone call from Assistant McCormick to Josef Stalin's personal secretary, Jesuit Poskrebyshev, Ciszek could have been on the first ship back to the Order's American Empire.

Jesuit Walter J. Ciszek at the Novitiate, Wernersville, PA, 1963 #417

In accordance with the Order's plan of converting "godless, communist" Russia to the spiritual and temporal powers of the Pope intended by the Fatima Hoax reported just prior to the Order's October Revolution of 1917, Jesuit Coadjutors Hitler and Stalin would secretly work together in "extirpating" the anticommunist Polish Roman Catholic and Russian Orthodox peoples from 1939 to 1945. With Stalin's invasion of eastern Poland in late 1939, Ciszek and a Russian Jesuit entered the **Black Pope**'s USSR in March of 1940 after which the Order's NKVD murdered nearly 15,000 Polish officers in Katyn Forest, then blaming the Germans until 1989. Working as a lumberjack in the Urals, he gained the confidence of his fellows when, in 1941, the NKVD arrested every dissident in the barracks—thanks to the betrayal of NKVD agent Walter Ciszek! To prevent suspicion, the Jesuit was also arrested and given a 15-year prison sentence, spending five years in the NKGB's Lubyanka prison to be trained in the Jesuit black arts of interrogation, torture and murder. From 1946 to 1955 Ciszek was assigned to the old Jesuit stronghold of Siberia, where he participated in the governance of the Order's gulag system of concentration camps, fighting the Pope's Cold War on the Soviet side—extirpating millions! From 1955 to 1963 he continued to work for Jesuit General Janssens' KGB until exchanged for two Soviet spies, returning to America in October, 1963, one month prior to Cardinal Spellman's CIA/FBI/Secret Service assassination of JFK. In 1964 Ciszek wrote his cover-up work, *With God In Russia*, and spent the next twenty years teaching at Fordham University specializing in Loyola's *Spiritual Exercises*. No doubt he knew the power of New York's Jesuits controlling Cardinal Spellman whose rule over the State Department had brought the Jesuit out of Khrushchev's USSR. Above, Ciszek views the crypt of his benefactors, Nicholas and Genevieve Brady.

The ***Black Pope*** Blesses Jesuit Walter J. Ciszek's Grave, 2000 #418

One of the maxims of the Order is complete uniformity in both life and death. The graves are positioned in equally spaced rows forming a vaginal outline around a centerpiece, being illustrative of these "Knights of the Virgin Mary." Every headstone records the name and status, and is identical in shape and size with essential details written in Latin: date of birth; date entered into the Society of Jesus; and date of death with a three-lettered abbreviation at the bottom— "RIP." No distinguishing amenities are permitted—except for Walter J. Ciszek! Buried here at the former Jesuit Novitiate of St. Isaac Jogues in Wernersville, Pennsylvania, is a Jesuit of such vast international importance that the Superior General of the Order, Peter-Hans Kolvenbach, would personally appear to bless the grave. In commemorating that occasion, a metal latticework remains on both sides of the headstone, adorned with meaningful trinkets and flowers. What could be the magnitude of the personal accomplishments of a man who spent 23 years in the USSR as a virtual unknown soldier for the Company? We shall know the truth of Jesuit Walter J. Ciszek at the Great White Throne Judgment!

The American Branch of the Knights of Malta was established in New York, one of the founding members being **John J. Raskob**, the head of General Motors and builder of the (Fourteenth Amendment) Empire State Building, also in New York. The thirteen founding members were: **New York Archbishop Patrick Cardinal Hayes**, **Edward L. Hearn**, **Nicholas F. Brady**, **Howard F. Carry**, **Patrick E. Crowley**, **James A. Farrell**, **James A. Fayne**, **Edward N. Hurley**, **James J. Phelan**, **Morgan J. O'Brien**, **John J. Raskob**, and **John D. Ryan**. By 1941 **New York Archbishop Francis Spellman** would be the "Grand Protector" and "Spiritual Advisor" of the Order, with many new members including shipping tycoon **Joseph P. Grace**, father of **J. Peter Grace, Jr.**, future head of the American branch of the Order and co-conspirator in the Kennedy Assassination; **John Farrell**, then President of J. P. Morgan's US Steel; and **Joseph J. Larkin**, Vice President of Rockefeller's Chase Manhattan Bank in charge of European Affairs, who in fact was a banker for the Order's Third Reich. Two of the original founders are uncompromisingly described by the fearless and articulate **Burke McCarty**:

> "After sixty years of activity by these foreign enemies within our borders what do we find? . . . We find that the Roman Catholics who comprise **less than one-sixth** [*in 2007 it is now nearly fifty percent*] of the population, have been the dominating power in our political affairs and of late years headed almost every national, state and municipal office from the President down to the dog catcher.

Tumulty**, *the servant of* **James Cardinal Gibbons**] the Army, the Navy, the Treasury, the Secret Service, the Post Office, the Emergency Fleet, Transports, Printing, Aircraft and dozens of others were presided over by Fourth Degree Knights of Columbus [*indicating that the Knights of Columbus had a hand in the 1913 creation of the Pope's Federal Reserve Bank*]! The PLUNDERS of Hog Island [*the largest shipyard in the world*] and the Emergency Fleet under [*later Knight of Malta*] **E.** [*Edward*] **N. Hurley** are matters of Congressional Record, which mounted up into the millions. Mr. Hurley is a Roman Catholic and Knight of Columbus. The 'Aircraft Scandal' under the supervision of [*later Knight of Malta*] **John M.** [*D.*] **Ryan,** ardent Roman Catholic and Fourth Degree Knight of Columbus, ran into the billions and was also subject of investigation. Admiral [**William S.**] **Benson** who was advanced in a most **unusual** and particular way by his sponsor **Woodrow Wilson**, is a Fourth Degree Knight of Columbus and violated the spirit and the letter of this Republican Government by accepting a foreign title from the Pope of Rome." {85} [Emphasis added]

On the left stands President Wilson's Masonic Secretary of the Navy, Josephus Daniels; on the right stands Rear Admiral William S. Benson, the Navy's first Chief of Naval Operations (1915-1919), having just been invested with the insignia of knighthood in the Order of St. Gregory the Great. From 1911 to 1913 Benson was the first commander of the largest warship in the world, the USS Utah, and from 1913 to 1915 was the Commandant of the Philadelphia Navy Yard. Promoted by Wilson to Admiral in 1916 under the advice of Colonel House, and politically subject to his admirer Secretary Daniels, America entered the Pope's Second Thirty Years' War in April, 1917. For the next eighteen months Benson oversaw the massive building of the Empire's new Navy and the transport of Fourteenth Amendment America's new imperial Army to France commanded by high Freemason John J. Pershing. Retiring from Naval service in 1919, for the next decade Benson was a leader on the US Shipping Board in preparation for the **Black Pope**'s coming war on Japan.

1. The Jesuits caused the Great Depression in the American Empire with their short-seller, Knight of Malta, **Joseph P. Kennedy**. This enabled the Jesuits' **FDR**, through **CFR** member and "Jesuit of the short robe" **Harry Hopkins**, to begin the building of the Empire's Military Industrial Complex with the socialist-communist New Deal patterned after the Pope's Canon Law, strongly promoted by priest **John Ryan** of Catholic University of America and the secret Jesuit, **Charles E. Coughlin**.

2. The Jesuits established their Russian College in Rome enabling scores of Jesuits to invade and rule the "**USSR.**" In 1941 the Jesuits were secretly advising Freemason **Josef Stalin** while simultaneously following in the wake of the Nazi SS Einsatzgruppen SS/SD execution squads. Rome's Fascist European Crusade, called "**Operation Barbarossa**," was supposedly waged, in the light of *Mein Kampf*, against "godless Jew Communism." In reality, the Crusade was secretly directed against the "accursed" Orthodox Russian people and the Jews so hated by Stalin. Freemason **Edward M. House**, President Wilson's advisor, foretold of this planed attack in 1919.

In 1933

1. The Jesuits, using Knight of Malta, **Joseph P. Kennedy**, brought **Franklin Roosevelt** to power in **Fourteenth Amendment America**. We read:

> "Following a night of wild celebration, **Kennedy** set to work raising money for the campaign. . . . Beyond the $50,000 he himself contributed, it is said that Kennedy raised over $150,000 for Roosevelt in the space of four months. . . . On election night Kennedy celebrated Roosevelt's victory over [**Herbert**] **Hoover** as though it were a personal triumph, staging a lavish party that spilled through two floors of New York's Waldorf Astoria . . . The merrymaking continued in Florida as FDR took a post-election cruise aboard **Vincent Astor's** yacht [*whose father had been murdered via the Order's sinking of Titanic*] with his top backers and associates, including Kennedy. Even Josie . . . exclaimed,' . . . my son-in-law Joe Kennedy has made FDR President.' " {86}[Emphasis added]

In obedience to his Ordinary, *the secret Jesuit* **Charles E. Coughlin** endorsed **FDR** who had recognized the USSR in the face of the Order's anti-Communist agitation:

> "[*In 1932*] I coined the phrase 'Roosevelt or Ruin' . . . Today [*1936*] it is 'Roosevelt and Recovery.' " {87}[Emphasis added]

For:

> "No [*secretly admitted*] Jesuit dare write or publish any book which he has not the full and free [*or secret*] imprimatur of his superiors." {88}

A friend of Fordham's **Robert I. Gannon**, occult Jesuit **Coughlin** (the political fascist and economic socialist) had direct access to the White House. We read:

> "In early September [*1935*] **Coughlin . . .** received a phone call from [*Knight of Malta*] **Joe Kennedy** [*subject to Cardinal Hayes*] . . . 'The Boss wants to talk to you.' . . . An instant later Coughlin heard the distinctive voice of the [*Shriner Freemason FDR*] President of the United States at the other end of the wire say **'Hiya Padre.'** " {89} [Emphasis added]

The Knights of Malta, led by **Patrick Cardinal Hayes**, put **FDR**, the *33rd degree Freemason,* in power creating an obligation to fulfill the desires of the Jesuits ruling New York City, Washington and Rome. The person who would have continual access to **FDR** and act as his international agent during World War II was the Jesuit-trained future "American Pope," **Archbishop Francis Spellman**. We read:

> "Thus . . . Spellman was offered an unprecedented opportunity by Roosevelt that would necessitate leaving his [*New York City*] archdiocese for months on end. . . . The astounding proposal Roosevelt put forth was that Spellman act as a clandestine agent for him in the four corners of the world. It would be the archbishop's job to contact chiefs of state in the Middle East, Europe, Asia, and Africa. He would carry messages for the President . . . and act as Roosevelt's eyes and ears. . . . the President offered him an opportunity to wield more power than any other American religious figure had ever had. Spellman would move as an equal among the greatest figures on the world political stage. . . . But few people were certain about what the archbishop did during his far-flung travels. His clandestine work raised questions at home about the role of a religious figure involved deeply in governmental affairs . . ." {90} [Emphasis added]

So this Jesuit at heart, **Archbishop Spellman**, as FDR's personal agent *owing his first allegiance* to the Jesuit General's **Pope Pius XII** (another high-level Freemason according to the courageous ex-Jesuit, **Alberto Rivera**) acquired the skills necessary to succeed in international intrigue. These skills and connections with people of power would come in handy when carrying out the **Kennedy Assassination**.

2. Enthroned by the Knights of Malta, Freemason FDR's first act of high treason was to recognize the communist "**USSR**," savagely ruled by the high Freemason and Jesuit-trained, bloody **Joe Stalin**. This high crime enabled American businessmen to *legally* build Stalin's Military Industrial Complex as they had *illegally* begun to do prior to FDR's so-called election! One of those men was the Order's designated author of *The International Jew;* a builder of Hitler's War Machine; the recipient of Hitler's highest medal given to a civilian; and a personal friend of the **ex-Basilian** (Jesuit-controlled) priest**, Charles Coughlin**,— "Episcopalian" Irish Roman Catholic and *33rd degree Freemason*, **Henry Ford**. Of Ford and **Gorki** we read:

> "In May 1929, the Soviets signed an agreement with the **Ford Motor Company** of Detroit. According to its terms the Soviets agreed to purchase $13 million worth of automobiles and parts before 1933 and Ford agreed to render technical assistance **until 1938** to construct an integrated automobile-manufacturing plant at **Nizhni-Novgorod.** Actual construction of this plant was completed in 1933 by the Austin Company for production of the Ford Model-A passenger car and light truck. . . . In brief, the Gorki plant, built by the **Ford Motor Company** and the Austin Company and equipped by numerous other US companies under the policy of "peaceful trade," **is today—and always has been—a major producer of Soviet army vehicles and weapons carriers.**" {91} [Emphasis added]

During World War II, these very plants produced the military vehicles utilized to invade and destroy apostate Protestant Prussia and what was once East Germany. **Horst Gerlach**, a Protestant Mennonite and Bible-believing East Prussian survivor, writes of the vehicles upon which Soviet invaders streamed into his country:

> "Russian troops continually passed our small group. Most of them were driving new jeeps and army trucks, and on the doors was the inscription, **'Made in USA.' At least 95 percent of all the Russian military vehicles, with the exception of horse trailers, trace their origin to North America** [*General Motors and Ford Motor Company being Vatican-controlled CFR member corporations*]. . . . Looking through the window, I saw an endless truck caravan parked outside, **made up of American army trucks with Russian drivers** [*thanks to FDR's Lend-Lease*]." {92} [Emphasis added]

3. Georgetown Jesuit University professor and subsequent internationally renowned Georgetown University Vice President, **Jesuit Edmund A. Walsh**, aided CFR member and 33rd Degree Freemason **President Franklin D. Roosevelt** in formally recognizing Jesuit-trained, Masonic **Josef Stalin's** Inquisitional, Jesuit-ruled, NKVD-dominated, bloody Soviet government. The Jesuit recalls:

> "The present writer was an eyewitness of the **Russian Revolution** [*of 1917*] . . . the most significant single political event in the history of Western civilization since the decline and disappearance of the Roman Empire. . . . and has been a constant observer of its progeny, **World Communism**, for upward of a quarter of a century in many regions of the earth. . . . It shifts gears and reduces speed but never loses direction or sight of its objectives [*just like the Jesuit Order*]. It gains or loses momentum but never changes its inner nature [*as declared of the Order by* **Jesuit General Lorenzo Ricci** *to* **King Louis XV**, *"Let them be as they are or else not be!"*] or renounces responsibility to itself. It substitutes new forms and places of attack but never relents in its conspiracy for world dominion [*just as the Jesuit Order never relents in its quest for world dominion*]. . . .
>
> The next formative circumstances in my education occurred during two conferences with President **Franklin D. Roosevelt** in October, 1933. The President had done me the courtesy of inviting me to the **White House** on the very day when he announced to an astonished press that he had just dispatched an invitation to the Soviet Government to send a representative to Washington for the purpose of negotiating an agreement involving diplomatic recognition of the **Soviet Union**. It was shortly after four o'clock. The President had ascended from the executive offices to the **Oval Room** on the second floor of the White House. He was in an exhilarated mood and reflected in his outer bearing the thrill he always experienced in letting fall some new bombshell. After some few preliminaries of courtesy and protocol, we discussed with complete frankness the nature of the announcement which, at that moment, was circling the world on the wires of the newspaper agencies. . . . In reply to certain observations I had made respecting the difficulty of negotiating with the Soviets, he answered with that disarming assurance so characteristic of his technique in dealing with visitors: 'Leave it to me, Father; I am a good horse trader.'. . . Does he not realize that he will not be dealing with a horse trader from Arkansas but with an experienced conspirator, . . . now known as **Josef Stalin**? . . . Convinced that Mr. Roosevelt had made up his mind to exercise his constitutional prerogative and re-establish diplomatic relations with the Kremlin [*ruled by Stalin's powerful secretary, Jesuit Temporal Coadjutor and Lubyanka General* **Alexander N. Poskrebyshev**], **I presented no argument against recognition** [*Wow!!!*]." {93}[Emphasis added]

4. The Jesuits with their Knights of Malta on Wall Street, along with the Federal Reserve Bank, financed **Adolf Hitler** bringing him to power. We read:

> "**Joseph J. Larkin** resembled [**Senator Nelson**] **Aldrich** in his immaculate tailoring, perfect manners, austere deportment, and in his dedication to **The Fraternity**. A distinguished member of a Roman Catholic family, he had

> received the Order of the Grand Cross of the Knights of Malta from **Pope Pius XI** in 1928. He was an ardent supporter of **General Franco** and, by natural extension, **Hitler.**" {94}[Emphasis added]

Again we read of the Knights of Malta financing **Adolf Hitler**:
"On May 3, 1941, **J. Edgar Hoover** sent a memorandum to Roosevelt's secretary, **Major General Watson**, which read as follows:

> 'Information has been received at this Bureau from a source that is socially prominent and known to be in touch with some of the people involved, but for whom we cannot vouch, to the effect that **Joseph P. Kennedy**, the former Ambassador to England, and **Ben Smith**, the Wall Street operator [*two of the short sellers having caused the Depression*] some time in the past had a meeting with [**Herman**] **Goering** in [*Jesuit-ruled*] Vichy, France and that thereafter Kennedy and Smith had donated a considerable amount of money to the German cause.' " {95}[Emphasis added]

Of the Jesuits' Federal Reserve Bank financing **Adolf Hitler** we read:

> "Immense sums belonging to our national-bank depositors have been given to Germany on no collateral security whatever. . . . Billions upon billions of our money has been pumped into Germany by the Federal Reserve Board and the Federal Reserve Banks. . . . On April 27, 1932, the Federal Reserve outfit sent $750,000, belonging to American bank depositors, **in gold** to Germany. A week later, another $300,000 **in gold** was shipped to Germany in the same way. About the middle of May $12,000,000 **in gold** was shipped to Germany by the Federal Reserve Banks. Almost every week there is a shipment **of gold** to Germany." {96}[Emphasis added]

5. The Jesuits, using Knight of Malta **Franz von Papen,** brought **Hitler** to power in Roman Catholic, Jesuit-ruled Bavaria's Third Reich. **Edmond Paris** tells us:

> "**Franz von Papen** thought of dictatorship. In order the better to prepare for it and to complete the break-up of the [*Weimar*] Republic, he forcibly suppressed the democratic [*Protestant*] government of Prussia. . . . Thanks to von Papen, member of the Zentrum [*Germany's Roman Catholic "Center" political party*] since 1920 and owner of the party's official paper, *Germania,* Hitler came into power on 30 January 1933." {97}

Masonic Pan-German Thule Society Brings Forth Third Reich #421

The author of this poster accurately portrays the origin of the Nazi Party being high-level Freemasonry, which in fact was controlled by Vatican Jesuits. From the top down (L-R) is the sauvastika and sword, emblem of the Thule Society; the hexagram signifying Rome's Sabbatian Frankists leading Hitler's Masonic Jewish Labor Zionists; the Masonic Skull and Bones placed on the caps of all SS members; Co-Mason Madame Blavatsky; German Freemason Guido von List; Bavarian Jesuit Coadjutor Heinrich Himmler who led Masonic worship in the crypt at the SS's Wewelsburg Castle; Hitler's mentor, Jesuit Coadjutor Dietrich Echart; sauvastikas linking British Freemasonry to the Third Reich, British Freemason Rudyard Kipling using sauvastikas on his book title-pages; and Munich University professor and friend of Jesuit Edmund A. Walsh, Jesuit Coadjutor Karl Haushofer, associate of Rothschild Masonic Jew/OTO-member Ignace Trebitsch-Lincoln. From this secret "covered" lodge of racial German Freemasonry Hitler would attack "Jewish Freemasonry" in accordance with the writings of the Jesuits set forth in their *La Civilta Cattolica* for fifty years.

Hitler's Study Inside Reich Chancellery, Berlin, Germany, 1939 #422

Completed in less than a year, the new Reich Chancellery bore Hitler's initials in a Masonic pattern, the Order's three-point symbol above the monogram.

The Jesuits' Knights of Malta not only financed **Hitler**, but **Franz von Papen**, the Knight of Malta who negotiated the **Concordat** between Cardinal Secretary of State **Eugenio Pacelli** (formerly known as "**the German Pope**" during his residence in Germany from 1917-1929) and **Hitler**, declared on January 14, 1934:

> "**The Third Reich is the first power which not only recognizes, but which puts into practice the high principles of the papacy**." {98}

6. The Jesuits, having put **FDR** into office with Knight of Malta **Joe Kennedy**, attempted to convert the presidency into a fascist military dictatorship—the capstone of the Company's "**Holy Roman**" **Fourteenth Amendment American Empire**! (Concerning the sly presence of the **Roman fasces** in American culture, President **Theodore Roosevelt**, the slave of Baltimore Archbishop **James Cardinal Gibbons**, displayed a **Roman fasces** in conjunction with his Presidency; the "Liberty Dime" (1916-1945) sported the **Roman fasces**; upon entering Washington's Department of Justice, its iron gates employ the **Roman fasces**; and the US House of Representatives displays a pair of **Roman fasces**, one on each side behind the Speaker of the House!) Although implementing communist maxims while in office (the **New Deal**, including the Securities and Exchange Commission (1933-37); the **Banking Act**, perfecting the centralization of power in the Pope's Federal Reserve Bank (1935); and the **Victory Tax**, "voluntarily" extending the damnable Sixteenth Amendment "income tax" to include "wages" of the laboring Middle Class (1942)), these were merely pretexts to ecumenically unite White Protestants, Baptists and Roman Catholics against a common enemy—the "communist American Jews" thus justifying Jesuit-fascism, the Pope's Archbishop of New York **Patrick Cardinal Hayes** being FDR's foremost backer via the CFR! To bring this to pass, the Jesuits used their Knights of Malta, **John J. Raskob** and **Edward J. Flynn**. Though Roman Catholic Flynn was trained in law by Fordham Jesuits, was a Democratic National Committeeman from New York for many years (1930-1953), and, with brother Knight of Malta **W. Averell Harriman**, accompanied Masonic FDR to Yalta thus backing the unforgivable **Operation Keelhaul** and the giving of Eastern Europe into the hands of Rome's Grand Soviet Inquisitor **Masonic Josef Stalin**, Raskob was *thee* mover and shaker behind the Order's 1934 *unsuccessful fascist conspiracy* just as Papal Knight and half-Jewish, Fox News media mogul **Rupert Murdoch** is *thee* mover and shaker behind the Order's *successful fascist conspiracy* now led by the **Black Pope**'s Republican "New Right" upheld by CFR-controlled Democrats in both the House and Senate, traitors like Masonic Jewish Senators **John Kerry** and **Charles Schumer**.

John Jakob Raskob is one of the Empire's unsung powerbrokers during the FDR Era. This Grand Knight had been apostate Protestant **Pierre S. du Pont's** private secretary from 1901 until retirement in 1946. Raskob, in addition to being a major supporter of the CFR-controlled Democratic Party, was the treasurer of DuPont

Company, *one of the Empire's foremost munitions manufacturers,* during its most prosperous WWI years: Rome "extirpated" millions of "heretics and liberals," and made untold billions to boot! In 1915 Raskob joined the General Motors Company, and by 1918 was vice-president of both **DuPont** and **GM**. During the 1920s this calculating monster, under orders from Papal masters, encouraged "heretic and liberal" Protestant Americans to heavily invest in **Cardinal Hayes'** New York Stock Exchange, only to lose their wealth in 1929 when Irish Catholics **Joe Kennedy**, **Ben Smith** and **Tom Bragg** sold short, crashing the market. The Great Depression was now upon us, thanks to Knight of Malta **John J. Raskob**! Resigning from GM in 1928, Raskob remained with DuPont throughout the entire duration of Rome's **Second Thirty Years' War** secretly supporting **Hitler** and legally backing **Stalin** via FDR's Lend Lease. Indeed, DuPont owned six percent of I. G. Farben's common stock throughout WWII and, along with GM and Standard Oil [*also controlled by the Knights of Malta*] holding exclusive rights to *tetraethyl*, eagerly sold to Germany and Japan fueling both war machines in service of the **Temporal Power** of the Pope of Rome! Of DuPont, over which Raskob was the secret and true head, we read:

> "**General Motors,** under the control of the **Du Pont** family of Delaware, played a part in [*Nazi*] collaboration comparable with **Ford's. . . .** Du Pont was fully aware it was financing the Nazi party through one half percent of its **Opel** wages and salaries as well as through its deals with **I. G.** [**Farben**] and its building of armored cars and trucks.
>
> Simultaneously with the rise of Hitler, the Du Ponts in 1933 began financing native fascist groups in America, including the anti-Semitic and anti-black **American Liberty League** and the organization known as **Clark's Crusaders** [*wherever there is a "Crusade," the Jesuits are always in the background*], which had 1,250,000 members in 1933. Pierre, Irénée and Lammot du Pont and **John Jakob Raskob** funded the Liberty League, along with **Alfred P. Sloan** of General Motors. The League smeared Roosevelt as a communist [*of which he most assuredly was, entertaining Bolsheviks in the White House according to his son-in-law,* **Curtis Dall**], claimed the President was surrounded by [*CFR*] Jews, and despite the fact that they were Jewish, the Du Ponts smeared Semitic organizations [*as do all of the Pope's Masonic Jewish Labor Zionists, ultimately creating anti-Jewish fury wherever their wicked influence may be felt*]." {99} [Emphasis added]

At this time the Jesuits apparently believed they could execute a successful military coup d'etat in Washington. The Knights carefully chose their man. A Quaker and the bravest man of his day having authored *War Is A Racket*, it was our American hero and two-time winner of the Medal of Honor, **Brigadier General Smedley D. Butler**. However, what the Devil intended for evil, the Son of God meant it for good, as the iniquity of the American people was not yet full! We read:

"Early in **1934, . . .** with friends of the **Morgan Bank** and **General Motors,** certain **Du Pont** backers financed a coup d'etat that would overthrow the President with the aid of a $3 million-funded army of terrorists, modeled on the fascist movement in Paris known as the Croix de Feu [*being an attempt to overthrow the anti-Jesuit Third Republic*]. . . . **Du Pont** men allegedly held an urgent series of meetings with the **Morgans.** They finally settled on one of the most popular soldiers of America, **General Smedley Butler** of Pennsylvania. . . . He would, the conspiratorial group felt, make an ideal replacement for Roosevelt if the latter proved difficult. The business chiefs found great support for their plan in [*SMOM*] **Hermann Schmitz,** [*Hitler's Banker and SMOM*] **Baron von Schroeder,** and the other German members of **The Fraternity.** The backers of the bizarre conspiracy selected a smooth attorney, Gerald MacGuire, to bring word of the plan to General Butler. . . . MacGuire met with Butler at the latter's house in Newton Square, Pennsylvania, and in a hotel suite nearby. With great intensity the fascist attorney delivered the scheme to the general. Butler was horrified. Although there were many things about Roosevelt he disliked, a coup d'etat amounted to treason, and Butler was nothing if not loyal to the Constitution. However, he disclosed nothing of his feelings. With masterful composure he pretended interest and waited to hear more [*as did* **William the Silent** *when asked to participate in the massacre of all Protestants in the Netherlands*]. When MacGuire returned, it was with news of more millions and more extravagant plans, which included turning America into a dictatorship with Butler as a kind of Hitler. Once more Butler was infuriated but kept quiet. After MacGuire left on the second occasion the general got in touch with the White House. He told Roosevelt of the entire plan. . . . Under pressure from liberal Democrats he set up a special House committee to investigate. Butler begged the committee to summon the du Ponts but the committee declined. Nor would it consent to call anyone from the House of Morgan. Then Butler dropped a bombshell. He gave interviews to the press announcing that none other than **General Douglas MacArthur** was a party to the plot." {100} [Emphasis added]

"Raskob was one of the 13 founding SMOM [*Sovereign Military Order of Malta*] members in the U.S. and was also the treasurer of the SMOM's U.S. component when he was implicated in a military plot to seize the White House in the early 1930's. (The goal was to turn President Franklin Roosevelt [*or rather Major General Butler*] into either a Mussolini-type strongman or a figurehead. But the scheme was exposed when **General Smedley Butler,** U.S. Marine Corps commander, blew the whistle on Raskob and coup plotters.)" [*In Jesuit Temporal Coadjutor* **Oliver Stone's** *home movie JFK, Director's Cut, it is intriguing to see Knight of Malta* **Clay L. Shaw** *referring to his Black 'butler' as 'Smedley'.*] {101}

The full story is given by **Jules Archer** in his massive and irrefutable, long out-of-print 1973 tome, *The Plot to Seize the White House.* Having failed to install a fascist military dictatorship in 1934, the Order has succeeded via the Papal Knights ruling the Bush-led, Republican Party. We now need another General Butler!

In 1934

1. As the Russian Jesuits had eliminated the Mensheviks, the White Russian Army and all other rivals to the Jesuit General's Bolshevik absolutism, even so the Bavarian Jesuits directing Himmler's SS eliminated all rivals to Hitler's leadership of the Nazi Party. One of those rivals was homosexual commander of the SA, **Ernst Roehm**. Called "The Night of the Long Knives" and dubbed "**Saint Bartholomew's Massacre**"—*as in the Jesuit Order's St. Bartholomew Massacre of French Calvinists in 1572*—, Hitler's massive "Blood Purge" was rightly blamed on **Pope Pius XI**:

> "When **Mr. R. H. Crossman,** the Oxford Don, on July 2nd, 1934, broadcasted from Berlin his impressions of the conditions in Germany and Austria, following the great **Hitler Blood Purge** [*by which one thousand of Hitler's enemies were eliminated*], and the cause of the unsettled state in those unhappy countries, he stated that wherever he went he was met with the indignant declaration that *'the Pope was behind all the trouble.'* **Immediately** [*when*] **he mentioned the Pope, there was dead silence on the wireless.** The talk of Mr. Crossman was omitted from the B.B.C. journal, *The Listener* [*further proving past and present-day Jesuit control of the BBC*]. Several people wrote to the B.B.C. requesting copies of the complete talk but were refused any further information.
>
> On June 19th, 1935, **Sir John Reith,** in a letter to **Sir E. T. Campbell,** M.P., denied that Mr. Crossman's talk from Berlin had been cut off when he mentioned the Pope on this occasion. Sir John's explanation of what did happen looks suspiciously like **the concoction of some Jesuit subordinate official who was trying to screen the Pope.**" {102}[Emphasis added]

2. Anticipating the Order's RIIA-controlled British Government recognizing the Sovereign State of Vatican City (including the Pope's Temporal Power) in March of **1934**, British Foreign Minister **Anthony Eden**—the secret advisor of pro-IRA, Masonic **Winston Churchill**—visited the Pope contrary to established protocol.

> "How many years will the Empire have to wait before it learns the secret lying behind the action of **Mr. Anthony Eden,** M.P., who violated diplomatic practice in February, 1934, by first visiting the Pope in the Vatican before calling upon the Duce, the real ruler of Italy? The Empire should know . . . whether he did so on the instructions of **the Roman Catholic Officials at the Foreign Office.**" {103} [Emphasis added]

Jesuit Temporal Coadjutor Sir Anthony Eden (1897 – 1977), 1940s #423

Advisor to Churchill and key Jesuit agent within the British Foreign Office, Eden hated the Jews and covertly worked with Nazis via Vatican diplomacy. He was a Knight of the Garter like Churchill, a member of England's elite SMOMs.

Knight of Malta John Jakob Raskob (1879 – 1950), 1930s #424

Raskob, builder of Rome's Empire State Building in New York City symbolizing Jesuit control over the city's politics and commerce, was one of the founding members of the American branch of SMOM. He was the president of finance at both DuPont and GM, a fascist and backer of the attempted 1934 coup d'etat.

Major General Smedley D. Butler (1881 – 1940) 1930s #425

Pennsylvania's Foremost Patriot and Military Commander— Ever!

Throughout the 20th Century, there has been no equal with our most beloved Pennsylvania son and patriot than General Butler. Fearless in the face of all enemies and two-time Medal of Honor recipient, he authored his anti-foreign war treatise, *War Is a Racket (1935),* detailing the US military's secret purpose:

> "I spent 33 years in active military service and during that period I spent most of my time as a high class muscle man for Big Business. I helped make Mexico, especially Tampico, safe for American oil interests in 1914. I helped make Haiti and Cuba a decent place for the National City Bank boys to collect revenues in. I helped in the raping of half a dozen Central American republics for the benefit of Wall Street. The record of racketeering is long. I helped purify Nicaragua for the international banking house of Brown Brothers in 1909-1912. I brought light to the Dominican Republic for American sugar interests in 1916. In China I helped to see to it that Standard Oil went its way unmolested." An anti-fascist and anti-communist, Butler, the Protestant Quaker, was most of all anti-cartel-capitalist as he opposed the **Black Pope**'s quest to make America Jesuit-fascist!

In 1939

1. The Bavarian Sons of Loyola, commanding **Adolf Hitler's** War Machine, brought fascist **Generalissimo Francisco Franco** to dictatorial power after he destroyed the Spanish republic having expelled the Order in 1932. Rome called Spain's quest for popular liberty a "communist revolution" when it was nothing of the sort. The bold, King James Bible-believing ex-Jesuit priest, **Alberto Rivera** tells us:

> "In the last half of the 1800's Spain was going through political convulsions. Her Roman Catholic monarchy was tottering and the queen was dethroned in 1868 [*and the Jesuits were expelled*]. Spain became a republic, which only lasted for two years. Then the monarchy was restored until 1923. As political conditions grew worse, Spain again became chaotic. The Vatican was outraged when Spain chose once more to become a republic, and immediately the [*hierarchical*] Catholic Church moved to sabotage it. During this time, from 1931 until 1936, about five presidents came and went. Spanish Roman Catholics were showing their contempt for the Vatican's power (never dreaming what was in store for them). They taxed church property and removed priests and nuns from teaching in public schools. . . . [*The Order was dissolved in 1932 driving the future Jesuit General* **Pedro Arrupe** *to the United States.*] Three presidents . . . (all Jesuit-trained) had demanded five laws passed in Spain to block the Vatican's interference in the Spanish republic. [*They were:*]
>
> **A.** All Roman Catholic Church property to be nationalized.
>
> **B.** All Roman Catholic churches to be taxed.
>
> **C.** No more schools in the hands of the priests.
>
> **D.** All schools, convents, and monasteries to be under the control of Spain.
>
> **E.** To recognize the Protestant religion. [Emphasis added—*this is not Lenin's Jesuit-modeled Communism!*]

[*And why these laws*?]

> This was a result of discovering bodies of babies under the convents. [*Because*] the governments of President [**Admiral Juan Bautista**] **Aznar** and **President Manuel Azana** [**y Diaz**] demanded a national investigation be made of all monasteries, convents, Roman Catholic schools and church buildings. Many gravesites containing baby skeletons from nuns who had become pregnant were found in Spain and in Rome. By 1936, the Catholics of Spain were outraged and they attacked and destroyed many church buildings where these tunnels existed. Government doctors checked the bodies and reported that in most cases death was by suffocation . . . It triggered a bloody Catholic war against the Vatican. The Pope hired several divisions of Moslem mercenaries to fight under Franco (a good Freemason) to kill all Roman Catholics, Jews and Protestants who opposed them . . . The Islamic leaders were contacted. They owed a debt to the Vatican for double-crossing Rome over Jerusalem. [*The*

Seventh Century agreement was that the Pope through his agents would help Mohammed in exchange for Jerusalem *after his armies had taken it. The Islamic leaders reneged on their promise, refused to give* Jerusalem *to the Pope, built the Dome of the Rock on the Temple site and called the Pope "an infidel."*] When they had signed a concordat, they promised to help the Pope in a time of need, even to raise an army if he so desired. Now was the time. The Jesuits had done their work. The poor Spaniards would now suffer. Through secret negotiations, a huge Arab army was raised up under the command of General Franco. The Vatican financed this war machine [*from Wall Street in New York City*] to teach the Spaniards a lesson.

In 1936 the new Spanish inquisition exploded. It was called **'The Spanish Civil War**,' secretly orchestrated in the Vatican. To keep the world from knowing the truth, it was made to look in the news as if the Vatican was fighting the Communists in a holy war [*Jesuit Stalin openly aiding the republic*]. In actuality, there were only a handful of Communists in Spain. The Roman Catholic Institution had ordered a blood bath on her own followers. . . . The Pope excommunicated the heads of the Spanish republic and declared spiritual war between the Holy See and Madrid. . . .

Under the banner of the Vatican [*flying the Vatican's flag*] the Muslim forces invaded the Canary Islands and then attacked southern Spain [*led by Papal Crusader* **Generalissimo Francisco Franco** *"prepared to shoot half the population of Spain"*]. . . . The Spaniards watched in shock as **Cardinal Pedro Segura** led the Islamic army in slaughtering unfaithful Roman Catholic men, women and children without mercy. The Muslim troops were getting their revenge at last, under the blessings of the Pope. When I was three years of age, I can remember seeing Muslim troops invade our home. My family survived that terror, and we were fortunate. . . . When the inquisition accomplished its goals, Spain was in ruins, bleeding and beaten, but safely back in the hands of the Vatican. . . . General Franco eventually became the Roman Catholic dictator of Spain. Franco's government was recognized Aug. 3, 1937, by the Vatican, just 20 months before the civil war ended. . . . About four million Muslim troops [*rather 40,000*] occupied Spain as the protectors of the Roman Catholic faith. **Islam had paid her debt to the Antichrist sitting in the Vatican.**" {104} [Emphasis added]

Francisco Franco Bahamonde (1892 – 1975), 1930s #426

Generalissimo Francisco Franco was known as "The Chieftain of the Last Crusade" during the Company's **Spanish Civil War (1936-1939).**

Prepared "to shoot half of Spain" and aided by Italian, German and Moroccan troops, "El Caudillo" (in secret concert with Masonic Josef Stalin's "antifascist," Jesuit-ruled NKVD having infiltrated and divided the Basque Republicans) waged a holy war against "heretics and liberals," killing 500,000 of his own countrymen.

After the war he murdered another 350,000 (buried in 600 mass-graves) and readmitted the Sons of Loyola—righteously expelled by the Second Republic in 1932. The Order's Hegelian Dialectic of using "Masonic Jewish Communism" (infiltrating and dividing Azana's Republicans) to justify Jesuit "Anti-Masonic Fascism" (Franco's Nationalists) divided the unsuspecting masses while both factions secretly worked together destroying the best patriots of Spain in addition to nearly 8,000 "liberal," anti-Jesuit/fascist Roman Catholic religious!

Meanwhile, Generalissimo Franco and his ultra right-wing fascist Nationalists were financed by the Texas Oil Company, Standard Oil of New Jersey, General Motors, Dupont of Nemours, and Chase Manhattan Bank, all of them ruled by American Knights of Malta and high-level, Scottish-Rite Freemasons. Two of those Knights of Malta were John J. Raskob of General Motors and Dupont, and Joseph J. Larkin of Chase Manhattan Bank! In 1957 Franco would provide asylum to another mass-murderer backed by Hitler, Ante Pavelic, Pope Pius XII's fascist dictator of Croatia who murdered over 700,000 Orthodox Serbs!

Crusaders "Der Fuehrer" Hitler and "El Caudillo" Franco, 1939 #427

Hitler and Franco are giving the Roman Nazi/Fascist salute after crushing Spain. On April 27, 1945, Hitler would arrive in Barcelona having fled Berlin. Franco would protect the Pope's Fuehrer until Hitler's port departure for Argentina.

(Dear truth-seeker, would the Vatican's Jesuits use a huge Moslem Army to invade the southern border of the American Empire as they invaded Spain? Would the Pope use **Cuba** as a stopping point before the attack as he used the **Canary Islands**? What great Jesuit agitation could be used to fire the Moslem heart to invade "**the Great Satan**"? Would Masonic **Osama bin Laden** (being one of *fifty* children to his Masonic, Islamic, multimillionaire, cartel-constructionist, Saudi Arabian father, **Mohammed bin Laden**) the visible head of the ***Black Pope***'s **Masonic Islamic Terrorist Network** (originally created by the CIA's *Operation Cyclone* during the Carter Administration, which Network includes the pro-Jesuit Georgetown University, high-level Islamic Freemason and dictator of Libya, **Muammar al-Qaddafi**, as revealed by one of his former intelligence chiefs during the trial involving the sabotage and downing of Pan Am Flight 103 over Lockerbie, Scotland) deliberately blame America for the future implosion of Jerusalem's Temple-Mount Muslim mosques and the destruction of Mecca and Medina—brought about by his own CIAruled, Moslem terrorists? Could it be that the ***Black Pope***'s Masonic **House of Bush** and Masonic **House of Saud** are planning on destroying certain of their own cities using their own operatives overseen by Rome's CIA/MI6/SVR/Mossad? Would this not ignite a war of annihilation between both peoples? Is this not what the Jesuit Order desires, the consummate destruction of both the Protestant West and the Moslem East, as both peoples are "accursed" by the Council of Trent?) The learned ex-Protestant, Hebrew-fluent **Pierre Van Paassen** adds further light to **Franco's** Vatican alliance and the Fascist/Islamic persecution of Spanish Protestants. We read:

> "The Vatican and the Catholic hierarchy took the side of **Franco, Hitler** and **Mussolini** [*all defenders of Islam*] against the Spanish democratic regime, invoking the pretext that Madrid was Bolshevistic and stood under the direct influence, if not under the control, of Moscow [*Jesuit Stalin under orders to further that illusion, the Order always using Communism to justify Fascism*]. . . . What Franco was doing in Spain, the **Duke of Alva** and the **Cardinal de Granvelle** had tried to do in the seventeenth [*sixteenth*] century in Holland and Flanders and **Catherine de'Medici** and the **Duc de Guise** in the savage night of St. Bartholomew's in France: . . . This was the oppression against which **Calvin** and **William** [I] **of Orange** and the Beggars of Holland and Zeeland had revolted, and to escape which **the Puritan Fathers** had founded a new Republic in America: . . . The struggle that Franco unleashed had nothing to do with Marx or Lenin. It was by virtue of our own Protestant logic and principles, which gave birth to modern democracy, and which demand a radical independence of conscience, that the Spanish people decided spontaneously on a defense to the death against the Fascist usurper. . . . Rumors that Franco, who gloried in the expulsion of the Jews by **Ferdinand** and **Isabella** . . . was singling out the Protestants in Spain for special torture and the most ignominious death came not as a surprise to me. . . . At Saragossa, [*Jesuit-led*] Fascist troops pillaged the Protestant chapel, befouling **the Bible** and the pulpit with their own ordure [*urine and feces*] . . . There the pastor and the local [*accursed*] liberals . . . had their hands and feet tied and were left in the middle

> of the street to face two oncoming forty-ton tanks [*Made in U.S.A.*]. . . . At Granada, the two Protestant pastors . . . were seized by rebel soldiers and shot. The wife of Dr. Fernandez faced the firing squad with her husband and his colleague after she had been raped by a number of Moslem troopers . . . In Ibahernando, in the province of Coceres, the Protestants were executed en masse: pastors, men, women and children . . . In Badajoz . . . three thousand persons were machine-gunned in the bull ring . . . From the day general Franco attacked the democratic Republic . . . the Spanish hierarchy, with its Jesuitical and contra-Reformation traditions [*pursuant to the Council of Trent*] . . . shows that Rome has severed its last remaining link with [*Biblical*] Christianity." {105} [Emphasis added]

Indeed, the words of **John F. Kennedy** spoken in 1963 were true:

> "Their [*the Loyalists*] attitude towards the Church was just a reaction to the strength of the Jesuits who had become much too powerful—the affiliation between church and state being much too close." {106} [Emphasis added]

(Dear truth-seeker, would the Jesuits use millions of occupying Moslem troopers, having united with the **American Black Muslims**, to gang rape and murder the White Protestant and Baptist "heretics" of the American South? Would the Jesuits use these troopers, along with "**the Fruit of Islam**," to murder hundreds of thousands of "liberal" White Roman Catholics even as they did to the Basques in Spain? Could it be that the true intent of the Jesuit General's creation of the American Black Nation of Islam, along with the simultaneous and ceaseless **Negro/Slavery Agitation**, is to mold the nation's *majority hostile Negro population* into a savage Black, anti-Jewish crusade working in conjunction with their foreign invading Arab Moslem "brothers?")

Of Jesuit-ruled, Masonic Roman Catholic **Franco's** tyranny we conclude:

> "When Franco marched on Madrid nearing the close of the late civil war in Spain, when he was reinstating the Catholic government and over-throwing the people's government the [*Bible-reading*] Protestants had set up a few years before, he said, 'I have four columns of soldiers with me. I also have a fifth column in the city of Madrid who will betray the city into my hands when I get there.' At the fall of Madrid and the recapture of Spain the Pope put his blessings on Franco, and Franco with his blessings [*aided by* **Opus Dei**], immediately went forth and put to death 150,000 [*low-level and liberal*] Masons, Baptists, Methodists, and Presbyterians in the first 18 months and only God knows how many since." {107} [Emphasis added]

As the Jesuits' **Holy Alliance** had used France to invade and destroy the Spanish republic in the 1820s; so the Jesuits' used their Federal Reserve Bank to finance the Moslem and Fascist Spanish Civil War again destroying Spain's attempt at self-government in the 1930s, those patriots having driven **King Alfonso XIII** into exile along with his confessor, **Jesuit Lopez**! The Jesuits now had *Masonic, pro-Islamic*

fascist **Franco** in Spain; *Masonic, pro-Islamic fascist* **Mussolini** in Italy; *Masonic, pro-Islamic fascist* **Hitler** in Germany; *Masonic, pro-Islamic fascist* **Stalin** in Russia; *Masonic, pro-Islamic and Druidic* **Churchill** in England; and *Masonic, pro-Islamic fascist* **FDR** in America to carry out the grandest Crusade in Rome's history orchestrated by the Jesuit Superior General, **Wladimir Ledochowski**, from his headquarters in Rome, **Borgo di Santo Spirito**. Further, to make matters even more deadly, the Jesuit General's brother headed "the Holy Office of the Inquisition."

2. Roman Catholic **Adolf Hitler**, now in power, patterned his *pro-Islamic fascist* **SS** after the Jesuit Order. He used Bavarian Roman Catholic and Jesuit Temporal Coadjutor, **Heinrich Himmler**, to carry out the plan. **Hitler** declares:

> "I have learnt most of all from the Jesuit Order . . . So far, there has been nothing more imposing on earth than the hierarchical organization of the Catholic Church. A good part of that organization I have transported direct to my own party [*aided by Munich Archbishop* **Michael Cardinal von Faulhaber**]. . . . The Catholic Church must be held up as an example . . . I will tell you a secret. I am founding an Order [*the SS*] . . . In Himmler I see our **Ignatius de Loyola**!" {108} [Emphasis added]

Walter Schellenberg, Chief of the Nazi Sicherheitsdienst (**SD**), who, in 1951 was given an audience with **Pope Pius XII** and who, after the war, was protected by **Sir Stewart Menzies**, Chief of the British Secret Intelligence Service (Menzies having faked the death of **Heinrich Himmler** after his "escape and capture"), reveals:

> "The SS had been organized by Himmler according to the principles of the Jesuit Order. The rules of service and spiritual exercises prescribed by **Ignatius de Loyola** constituted a model which Himmler strove carefully to copy. Absolute obedience was the supreme rule; every order had to be executed without comment." {109} [Emphasis added]

Edmond Paris then asks this most penetrating question concerning **Himmler**:

> "Was it not his uncle, the Jesuit father, who had been promoted to a high-ranking officer of the SS? And was not the latter the very eye and arm of [*not Cardinal*] **Halke von** [*but* **Wladimir**] **Ledochowski,** General of the Order, in the so . . . famous police services: Gestapo [*America's FBI*], the Security Service SS [*America's CIA*], the Central Jewish Emigration Office (execution of the scheme for exterminating the Jews) [*Jesuit Coadjutor* **John C. Gannon's** *Department of Homeland Security—controlling twenty-two federal agencies and manned by the* **Jesuit Volunteer Corps**—*and America's NSA, its inner sanctum being called "the Jew Room" in which no Jew is allowed unless he is a high-level, CFR member and Masonic Jewish Labor Zionist having worked with the Nazis, like* **Henry Kissinger**, *the perennial foreign traitor*]? Who then, was sending so many million deportees to death? Was it Heinrich Himmler or his uncle, the former Bavarian canon? It would really seem that here lays the conducting wire linking [**Borgo**]

> **Santo Spirito No. 5,** office of the **Jesuit Fuehrer** [*headquarters of the Jesuit General*], and **Leipzigerstrasse No. 86,** office of the **SS Reichsfuhrer** [*Heinrich Himmler's command post*]? After the capitulation of the Third Reich, Heinrich Himmler's uncle was arrested and transferred to the prison of Nuremberg. But he never appeared before the international tribunal which tried war criminals. One morning he was found dead in his cell. One never knew whether this was a case of suicide or of opportune execution. The conspiracy of silence was such that nothing ever transpired of this strange death." {110} [Emphasis added]

(After three years during further study, it appears that **Edmond Paris** was wrong about "Jesuit Himmler." According to **Rolf Hochhuth**, author of *The Deputy*, **Heinrich Himmler** had an *"uncle who stood godfather to him."* He was the "**Suffragan Bishop"** of the Bavarian city of **Bamberg**. But there was no Suffragan Bishop of Bamberg. Rather, there was the **Archbishop of Bamberg** who indeed was Himmler's secret advisor, **Jacobus von Hauck**. According to SS Schellenberg, SS Himmler directed the annual meeting of *a secret Order of high-ranking SS officers* at the castle of **Wevelsburg**, Himmler's "**SS monastery**." There, the officers studied Ignatius Loyola's *Spiritual Exercises,* and quite possibly were led by a Jesuit priest.) Knowing that Roman Catholics **Hitler** and **Himmler** as well as Jesuit-trained **Goebbels** were mere tools of the Order, the German youth, hypnotized by fear of the "**Jewish Anti-Christian Communist Conspiracy**" promulgated by the **Black Pope**'s pernicious *Mein Kampf* and *The Protocols of the Elders of Zion*, were encouraged by the Company to join the **SS**. In 1942 **Jesuit Verschaeve** wrote in his *"Jong Europa:"*

> "**In this struggle, we have to be on Germany's side: That is why the young people must join the SS** [*a Jesuit openly backing the SS!*]." {111} [Emphasis added]

And it was the **SS**, overseen by the Order's **SD**, working with the Jesuit General that secured the protection of Jesuit "missionaries" in Russia during Operation Barbarossa. **Walter Hagen**, a high-ranking **SS** officer, reveals:

> "The General of the Jesuits, [*not*] Count Halke von [*but* **Wladimir**] **Ledochowski,** was ready to organize, on a common ground of anti-Communism, a certain degree of collaboration between the German 'Secret Service' and the Jesuit Order . . . Ledochowski considered the forthcoming bellicose settling of accounts between Russia and Germany as inevitable; for this reason, he did all he could to obtain German assurance that the [*Jesuit*] priests of the '**Collegium Russicum**' would not be impeded in their activity in territories that might be occupied by the Wehrmacht. [*This included the murderous SS-commanded, anti-Jew, Einsatzgruppen as all four groups were manned by selected Jesuits of Himmler's SD.*] For years, the 'Collegium Russicum' had been preparing [*Jesuit*] priests, with the special object of organizing Catholic missions among the Russian Orthodox population of the Soviet Union." {112} [Emphasis added]

3. The Jesuits, in control of Hitler's *cultic, occult* and *homosexual* Third Reich (ironically murdering thousands of homosexuals as documented in **Scott Lively** and **Kevin Abrams** in their masterpiece, *The Pink Swastika* (1997)), installed puppet Roman Catholic dictators throughout the Empire. They were:

1. Bavaria; the Third Reich	**Adolf Hitler**
2. Italy	**Benito Mussolini**
3. "Vichy" France	**Henri Pétain**
4. Spain	**Francisco Franco**
5. Austria	**Artur Seyss-Inquart** (Jesuit-trained)
6. Poland	**Hans Frank**
7. Slovakia	**Msgr.** (*Priest*) **Jozef Tiso**
8. Croatia	**Ante Pavelic**
9. Belgium	**Leon Degrelle** (Jesuit-trained)

All these Roman Catholic, Jesuit-controlled, Jew-hating dictators were loyal to the greatest war criminals of all, Papal Caesar **Pius XII** and his master, the infamous and diabolical **Jesuit General Wladimir Ledochowski**—the ***Black Pope***!

4. According to **Heinrich Himmler**, the *"Order of the Death's Head"*—**the SS**—was created to murder European and Russian Jews (pursuant to the Council of Trent)—*that atrocity totaling between six to seven million* as sustained by the late **Alberto Rivera** (an ex-Jesuit under Extreme Oath as validated by **Gerard Bouffard**, an **ex-Roman Catholic Bishop of Guatemala** and personal friend of Rivera) despite the Order's Nazi-fascist assertion that the **Jewish Holocaust**—though its remembrance has been used by the Order's Masonic Jewish Labor Zionists as *an industry* to economically oppress surviving German People while building its Labor Zionist Israel—is a *myth*, the true number of murdered Jews being only 600,000!

5. In **1939**, to the utter surprise of the world, Hitler and Stalin entered into an alliance (**Molotov-Ribbentrop Pact**), which led to the attack, defeat and partition of Roman Catholic Poland. Hitler's Wehrmacht invaded from the West and Stalin's Red Army moved in from the East, neutralizing Polish resistance for what was to come.

Although nearly entirely Roman Catholic and under Jesuit absolutism since **Frederick II** "the Great" and **Catherine II** "the Great" had partitioned the country thereby making **Pope Clement XIV's** *Bull of Suppression and Extinction (1773)* against the Order *of none effect,* the Polish people were extremely patriotic and rightfully nationalistic. Poland also had *the largest population of "perfidious Jews" in Europe—over three million!* Therefore, if the Society of Jesus was ever to unite Europe into a new **Holy Roman Empire** under a future Pope of its making, Poland's "liberal" people and priests along with her racial and religious Jews must be cruelly and systematically "extirpated from the face of the whole earth"

pursuant to the Jesuit Oath. To accomplish this superhuman feat in accordance with established Canon Law, the Company would use Temporal Coadjutors **Hitler** and **Stalin**: the Order's grand achievement against "liberal" Roman Catholic Spain would now be repeated in "liberal" Roman Catholic Poland. Once the leaders of Poland, military and civilian, were "dispatched" or exiled, the nation would host the ***Black Pope***'s six Death Camps purposed to murder millions of Jews, "subhuman Slavic" Orthodox Christians, "heretical" Protestant and Baptist Christians, "liberal" Roman Catholic "priests and laymen" and patriotic "partisans" of Hitler's Europe and Stalin's USSR. Europe and Russia were now in a stupendous Jesuit juggernaut. *Exoterically* (the Order's open but-false policy), "Anti-Pope, godless, Masonic Jewish Communism" led by Stalin gave rise to and was pitted against "Pro-Pope, 'God With Us,' Anti-Masonic Gentile Fascism" led by Hitler. The foundation for this open-but-false dialectic was the wicked "**Lady of Fatima Vision**" hoax of 1917. *Esoterically* (the Order's secret-but true policy), Masonic Jesuit Coadjutors **Hitler** and **Stalin**, ruling their armies and secret intelligence services financed by the Pope's Knights of Malta ruling the banks of Wall Street and London, *would act in unison serving as a two-edged sword* in the hand of their occult master, **Wladimir Ledochowski**, the Jesuit Superior General!

With **Franco's** Spanish Civil War ending on April 1, 1939 and the **Molotov-Ribbentrop Pact** signed in Moscow on August 23rd , **Hitler** invaded Poland from the West on September 1st, and **Stalin** from the East on September 17th, formally beginning **World War II** in Europe. Yes, Hitler and Stalin began WWII as they both would work together, via their SS/SD and NKVD/NKGB secretly linked to Vatican Intelligence, throughout the duration of the war including **Operation Barbarossa**!
We must not forget that Stalin, ruled by his "vile" Jesuit Secretary **Alexander N. Poskrebyshev** living with "**Koba**" in the Kremlin, had just finished his inquisitional Purges of the 1930s whereby he had starved millions of Orthodox Ukrainians and killed tens of thousands of his most patriotic officers—in preparation for **Pope Pius XII's** fulfillment of his bogus "**Lady of Fatima Vision**." That intended fulfillment would be the successful Nazi invasion of the USSR in 1941 for the annihilation of the "accursed" Orthodox and conversion of Russia at the point of a Nazi sword directed by accompanying Jesuits! If the Fatima Vision was to be fulfilled, Poland had to fall.We now can understand the NKVD's Polish massacre deep in the Katyn Forest.

NKVD Polish Massacre, Katyn Forest, Smolensk, Russia, 1943 #428

Stalin's invasion of Poland in 1939 against "the Polish fascist occupation," was a watershed event in the ***Black Pope***'s plan for Europe's Jews and anti-communist, anti-fascist, patriotic nationalists. Poland's 250,000-man army had to be decapitated, the loss of its leadership intended to neutralize organized resistance against the occupying Red Army. After a series of 1939-1940 meetings between Mueller's Gestapo-SS and Beria's NKVD intended to suppress Polish agitation in both "occupied territories," Stalin, in March of 1940, ordered the massacres at three separate sites: Katyn, Mednoye and Pyatikhatki.

From 3 April to 13 May, a total of 14,587 Polish officers and policemen were "liquidated" in addition to over 8,000 "suspect" civilians—shot in the back of the head and buried in three mass-graves. In addition to the genocide—this Jesuit "extirpation"—the NKVD then deported 80,000 Poles to Russia, 67,000 of them Jews who were either murdered by Hitler's Einsatzgruppen or died in Stalin's gulags. Katyn's mass graves were discovered in 1943 by occupying German soldiers causing a rupture between Stalin and London's Polish government-in-exile. Polish General and Prime Minister Wladyslaw Sikorski sternly demanded the Soviets be brought to account for genocide, rightly causing a rupture between the Allies. Therefore, General Sikorski was murdered by MI6 via a plane crash upon takeoff. In 1990 Gorbachev admitted to NKVD guilt, but the Order got away with murder again!

The Black Book of Communism: Crimes, Terror, Repression, Courtois, Werth, Panné, Paczkowski, Bartosek, Margolin, (Cambridge, Mass.: Harvard University Press, 1999) p. 369.

6. As previously referenced, the Jesuit and Franciscan-led **Croatian Ustashi** murdered the Orthodox Serbs and Jews of Monsignor Stepinac's Roman Catholic Croatia. For it was the Archbishop of Zagreb, **Aloyius Cardinal Stepinac**, who was **Pope Pius XII's** master of the new **Independent State of Croatia** backed by Hitler and Mussolini, and thus the real power behind the ***Black Pope***'s bloodthirsty Ustashi. The savagery of the priests excelled the Order's **First Thirty Years' War,** and was renewed again in the 1990s by a newly revived Croatian state enjoying the blessing of the Pope's **CFR**! Of the Ustashi, Roman Catholic journalist **Nino Lo Bello** writes:

> "After Yugoslavia's capitulation, the new **State of Croatia** was formed, and this gave rise to a band of Catholic fanatics, **the Ustashi,** who decided to eliminate all non-Catholics in Croatia. Thus all men, women and children who were Jews, gypsies or Orthodox Serbs were slaughtered by the thousands. In one morning alone, inside an Orthodox church in the village of Glina, the Ustashi brutally murdered more than **700 Serbs.** The killings not only had the backing of the local Roman Catholic priests, but were carried out by a large number of priests and friars leading the killer gangs. Even more terrible were the **Catholic priests** who became **concentration camp directors** and carried out the torture and murder of thousands of people. To mention a few by name, they were a **Jesuit priest** by the name of **Rev. Dragutin Kamber,** Father Braanimir Zupanic, Father Zvonko Brekalo, Father Zvonko Lipovac, Father Sreko Peric and the friar, **Miroslav Filipovac,** a Franciscan who was made Commandant of the Jasenovac concentration camp which equaled Dachau in horror and who was responsible for the deaths of 40,000 people." {113} [Emphasis added]

Of this calculating Franciscan butcher ruling Jasenovac, **Edmond Paris** writes:

> "On February 7, 1942, Gutitch, Bilogrivitch *and another priest,* **Miroslav Filipovitch,** organized horrible massacres in several Serbian villages on the outskirts of **Banja Luka.** 'After the massacre of the village of Drakulitch,' said Dr. Gutitch, 'I arrived at Banja Luka. The following day, the curate **Miroslav Filipovitch** came to me and asked me for some spirits. While he was drinking, he said, **'Yesterday at Drakulitch, we exterminated every living soul—about 1,300 men, women and children.'** . . . But the curate Filipovitch had nothing to fear. *No one in Zagreb made the slightest reproach to him for his crime, no more than they were to do for those he was still going to commit."* {114} [Emphasis added]

Backed by Zagreb's **Archbishop Stepinac** and leading the Ustashi killers was the demonic Croatian dictator, **Ante Pavelic**. He viciously declared in 1941:

> "**He who could not cut away a child from his (Serbian) mother's womb is not a good Ustashi.**" {115} [Emphasis added]

7. As previously stated, the Roman Catholic Slovaks, led by their dictator, **Pope Pius XII's** priest **Monsignor Jozef Tiso**, murdered Protestant Czechs and Jews.

> " 'The period of the Tiso regime, in Slovakia, was particularly distressing for the country's Protestant Church, which comprises only one-fifth of the population. Monsignor Tiso was seeking to . . . eliminate it . . . influential members of the Protestant Church were sent to concentration camps . . . '
>
> The prelate-dictator attacked not only Protestants. He earned another glorious title: that of being the first to deport the Jews." {116}

Monsignor Jozef Tiso as Hitler's Guest in Berlin, 1939 #433

Austrian Roman Catholic crypto-Mason Adolf Hitler appointed priest Jozef Tiso as head of the Roman Catholic Slovak State in 1939. Tiso was the first to deport Jews and Protestant Czechs to Auschwitz and was later hung in Prague, 1946. ***The Vatican Against Europe***, Edmond Paris, (London: The Wickliffe Press, 1964).

8. Between Roman Catholic **Hitler** and crypto-Roman Catholic **Stalin**, the Jesuits not only eliminated Catholic Poland's resistance to Nazi and Soviet occupation, they massacred the masonically infected, apostate Protestants of Prussia and East Germany. The Order then used Allied bombers to destroy Germany's historically Protestant cities including the non-military target of **Dresden** which hosted the first international "anti-Semitic" Congress in September of 1882 with attendees from Germany and the Austro-Hungarian Empire. The Order had plotted the destruction of "heretic" Protestant Prussia since the Franco-Prussian War of 1870-

71. Indeed, the "extirpation" of the Protestant Reformation in Germany would be complete by 1946. Protestant East Germany would be put under Rome's Soviet boot for forty-five years!

9. The Order, in control of the **Japanese Emperor Hirohito** and his warlord, **Hideki Tojo**, used the Imperial Army to persecute Protestants but bless the Catholic missionaries. The Jesuits declared in their review *America* in January of 1944:

> ". . . the American and English citizens arrested in the Pacific Islands, and in particular all the Protestant missionaries, were interned there in concentration camps which were in no way inferior to those of Germany.
>
> **But . . . the 7,500 Catholic missionaries remained free, they received help and were officially protected by the Japanese military authorities**." {117} [Emphasis added]

10. *Payback time had now come for Japan*. The American Army Air Force firebombed the island and totally destroyed **Nagasaki** and **Hiroshima**. The future Jesuit General, **Pedro Arrupe** was near Hiroshima at the time of its destruction. Could he and his Jesuits have been involved in a nuclear detonation on the ground, as no tested atomic device had ever been detonated in the air while in motion?

> "At 8:15½ that August morning, every window in Arrupe's residence at **Nagatsuka** was shattered by a roaring shockwave, and the sky was filled with a light he later described as [*"a gigantic flare, like a magnesium flash"* {118} *being*] 'overwhelming and baleful'! By the time he and his community of Jesuits ventured out some thirty minutes later, a firestorm driven by a scorching 40 mph wind had enveloped Hiroshima . . . That evening, one of the first survivors to reach his house in Nagatsuka was a theological student sent by a fellow priest, **Father Wilhelm Kleinsorge**, who had somehow survived the blast in the middle of Hiroshima [???]. From him, Arrupe got his first eyewitness accounts." {119} [Emphasis added]

(Whether the atomic bomb detonated in mid-air—*a technical feat unknown to human history as of August 1945*—or secretly on the ground *(the device having been carefully constructed inside a closed building)*, the future Jesuit General knew all about it. For **Pedro Arrupe** greatly contributed in creating the "**Nuclear War Hoax**"—it being the foundation for that greatest of Jesuit Inquisitions called "**the Cold War**"—*for which genocidal reason he became the Jesuit General in 1965!*)

11. Like the **First Thirty Years' War** (**1618-1648**) when the Jesuits murdered Roman Catholic occultist General **Albert Wallenstein**, any General who refused to "play ball," that is, follow orders from his superiors *no matter how treasonous,* was murdered by the Vatican's Allied or Axis intelligence agencies. Protestant German Admiral **Wilhelm Canaris** sought to end the reign of Roman Catholic

Fuehrer **Adolf Hitler**, and Protestant German General **Erwin Rommel** sought to bring his panzers to Normandy preventing a successful Allied invasion; thus both were murdered by the **SS/SD**. Pro-Protestant American General **George Patton** sought to attack the Jesuits' "USSR" ruled by their most obedient and beloved Grand Inquisitor, crypto-Roman Catholic Generalissimo **Josef Stalin**, and was murdered by SMOM Donovan's **OSS**.

Orthodox Russian General **Andrei Vlasov**, having united with the German Army on the Eastern Front, led his Russian patriots to fight the Red Army. Mass-defections for the Red Army would have occurred and Vlasov's Russian patriots hating Stalin would have carried the day! Prevented from timely fulfilling his plan by Hitler, Vlasov was betrayed by the **OSS**, handed over to the Red Army by General Eisenhower to the shock and disbelief of **General Patton**, and murdered by the **NKGB** in 1946. Dear truth-seeker, mathematics, *the mother of all sciences*, indicates that a central power *controlled every intelligence agency during the war!* In light of history and the maxims of the **Council of Trent** that power could only be the ***Black Pope***.

1939 – 1945

The Grand Finale of the Jesuits: The Second Thirty Years' War

The stage is now set. The players are in position. The Jesuit General, **Wladimir Ledochowski**, gives the order and war begins. By this time all Allied and Axis intelligence agencies are working together, overseen by the Vatican's Jesuits. **Roosevelt's** FBI and OSS, **Hitler's** SS/SD, **Churchill's** MI5 and MI6, and **Stalin's** NKVD are *all working together* to ensure a successful "extirpation of heretics and liberals" pursuant to the Order's **Council of Trent**. Spain had been a great trial run!

It is to be a "**Crusade in Europe**" as **Eisenhower** called it (*Crusade In Europe*, Dwight D. Eisenhower, (Garden City, New York: Doubleday & Co., 1948). If any generals do not cooperate they will be relieved of command or murdered. To guarantee a prolonged European war the Jesuits will order **Hitler** not to destroy the British at Dunkirk. To give the Nazis ball-bearing plants the Jesuits will order pro-Sinn Fein **Churchill**, given charge of the Admiralty, not to intervene timely when Norway is invaded. Having purged the Red army of its best Generals, officers and intelligence analysts from 1937 to 1940, including seventy-five of the eighty members of the "Military Soviet," forty thousand officers, including *nearly all the Jewish officers* (indicating that the Jews did not rule Russia), half of the brigade commanders and over 400 of 456 staff colonels, Jesuit-trained **Josef Stalin** ruled by his "Cardinal in the Kremlin," **Alexander N. Poskrebyshev**, will ensure *before the war begins* that the "heretic" Orthodox Russians will retreat with twenty million being slaughtered during the largest continuous land war in the history of the world—the Nazi/SS Crusade of "**Operation Barbarossa**" (named after the famous German Emperor of Rome's Third Crusade). In addition to providing

thousands of tons of grain and petroleum to Hitler's three million invaders, *Stalin's betrayal of the Russian Orthodox people*—thereby disabling them to fight—will also guarantee the extermination of hundreds of thousands of Russian Jews by the Jesuits' four **SS Einsatzgruppen**. *Indeed,* **Stalin** *and* **Hitler** *worked together both having* **Concordats** *with the Pope!* To keep the Order's Communist Russia from falling, the Jesuits will not allow Hitler's Generals to easily capture Moscow, "snatching defeat from the jaws of victory." Rather, Hitler would order his armies south to be sacrificed at Stalingrad, the Fuehrer refusing to allow his Generals to retreat avoiding Soviet encirclement. To ensure a successful western advance by **Stalin's** Red Army, the German High Command will limit the shipment of arms to the retreating German Army. In "retaliation" for the Jesuits' assassination of **Heydrich** ("the Blond Homosexual Beast" and "Butcher of Prague") using **William Stephenson** of MI6, the Jesuits' SS will murder the entire male population of the Protestant city of **Lidice**. (The Order controlled both sides, **Stephenson** and **Himmler** cooperating in Heydrich's assassination.) The Jesuits' Croatian Ustashi will carry out an open inquisition in Yugoslavia led by **Ante Pavelic**, murdering from 700,000 to 1,000,000 "heretic" Orthodox Serbians. To keep the Jews from escaping Europe, the Jesuits will not allow Jewish immigration into **Churchill's** Protestant England or **FDR's** Protestant America as well as **Stalin's** Orthodox Russia. To keep the mass-murder of Jews as secret as possible, the forests of Roman Catholic Poland will be chosen to be the locations for Hitler's Death Camps organizationally exceeding the Order's work-death camps throughout the Soviet Union. To eliminate organized resistance to Hitler's plans for Poland, the Jesuits will use **Stalin's** NKVD to murder fifteen thousand Roman Catholic Polish officers in the Katyn Forest near Smolensk. (Again, **Stalin's NKVD** *and* **Hitler's Gestapo/SS** *worked together* in the mass-murder, remembering the Jesuitical artifice of tyrants—*"extremes meet."*)

> "On the opposing sides there are allegations that the massacre was part of a wider action coordinated by Nazi Germany and the Soviet Union or that the Germans at least knew of the Katyn [*massacre*] beforehand. The reason for these allegations is that the Soviet Union and Nazi Germany added a secret supplementary protocol to **The German-Soviet Boundary and Friendship Treaty** [*on 28th of September, 1939*], in which they stated that:
>
> '**Both parties will tolerate in their territories no Polish agitation which affects the territories of the other party. They will suppress in their territories all beginnings of such agitation and inform each other concerning suitable measures for this purpose**,' . . .
>
> after which in 1939-1940 a series of conferences by [*the*] NKVD and [*the*] Gestapo were organized in the town of Zakopane. The aim of these conferences was to coordinate the killing and the deportation policy and exchange experience. A University of Cambridge professor of history, George Watson, believes that the fate of Polish prisoners was discussed at the

conference. This theory surfaces in Polish media, where it also points out that [*a*] similar massacre of Polish elites was taking place [*at*] the exact time and with similar methods in German occupied Poland [Stalin *and* Hitler *working together extirpating "liberal" Polish leaders in preparation for 45 years of Soviet occupation!*]." {120} [Emphasis added]

To keep the Lutheran Protestant **General Rommel** from successfully opposing the crucial-to-be-won Allied invasion at Normandy, he will be ordered back to Berlin and murdered by the Jesuits' **SD/SS**. To keep the Lutheran Protestant **Admiral Canaris** from successfully ending the disastrous reign of **Hitler** by prematurely surrendering Germany, he will be betrayed by the American OSS to the Vatican's Jesuits, to the Nazi SD/SS, only to be cruelly tortured to death. We read:

"**Admiral Canaris**, as a result of his patriotic and brave humanitarian efforts, was captured and hanged by Hitler, with an iron collar around his neck. It took thirty minutes for him to die!" {121} [Emphasis added]

To ensure the **Battle of Herken Forest** and the **Battle of the Bulge** would be fought, **General Patton** will not be allowed to capture the surrounded German Army by closing the **Falaise Pocket** in France. Thus two hundred thousand Germans would be allowed to escape, as the war must continue and more Jews must be killed in the East. To keep **General Patton** from returning home and talking about the high treason of General Eisenhower and the CFR's wicked Morgenthau Plan, he will be murdered by an agent of the Jesuits' OSS. FDR's son-in-law, **Curtis Dall**, wrote:

"General Patton knew the score but he died 'early.' " {122}

"In 1979, a former undercover agent for the Office of Strategic Services, the OSS [*now the CIA*], gave an interview in which he claimed that he had been asked to kill **Patton**. This agent was '**. . . Douglas Bazata**, a veteran intelligence agent, who said he received a contract on Patton's life in 1944. According to Bazata, the order for the "hit" came down to him from none other than the legendary Office of Strategic Services direct from [*its administrator, Archbishop Spellman's "most devoted" Irish Roman Catholic Knight of Malta*] **'Wild Bill' Donovan** [*who would also give the order to murder US Army Captain and Baptist missionary* **John Birch** *in post-war China in secret collusion with* **Mao Zedong**].' It was Bazata's contention that, although he collected more than **$10,000** for the death of Patton, he was not responsible for Patton's actual death. He claimed that he knows, however, who did kill him, and that Patton was killed by a dose of cyanide in the hospital where he was taken after the automobile accident, and that it was the cyanide rather than the accident that took his life." {123} [Emphasis added]

Further, we read from a greater insight:

"**General Patton**, perhaps the most popular of the American generals, immediately opposed the total or partial application of the **Morgenthau Plan**

[*the Jesuits using their CFR-controlled, Masonic Jewish Labor Zionists to create anti-Jewish fury by blaming a Jew for the Allied plunder of post-war Germany*] in his sector of occupation [*Bavaria*]. Soon, he had a run-in with another general of higher rank: **General Eisenhower.** It's well known what extremely violent debates they had about how the civilian population of Germany was to be treated. Patton was **SENTENCED TO DEATH** by the directors of the scenario [*the Jesuits ruling Knight of Malta Donovan and CFR Eisenhower*].

One day Patton's car was run-into by a military truck in what seemed like a very strange accident. The General was taken by ambulance to a hospital, where he was observed to have serious, but not life-threatening injuries. But some days later he died of a heart attack.

Patton's death, in any event, was extremely opportune. The General had announced that he was thinking of moving to the United States, where he was going to denounce publicly what was taking place in Germany. But he didn't have time. He had fought with too many important people. **General Eisenhower** had had to pick up the telephone and order that he be halted before he reached [*apostate White Protestant*] **Berlin**. At **Yalta** the new [*Freemasonic*] '**masters of the world**' had agreed that the Soviets would be the first to enter the German capital. Patton wanted to prevent the Vandal-like entrance of the Red Army into the capital of the Reich, and made an enemy of Eisenhower. A month before, he could have entered [*apostate White Protestant*] **Prague**, but was also detained by Eisenhower, leaving him nailed to the ground by an order.

Patton's difficulties with [*the Vatican's CFR-ruled*] **WAR POWERS** over the occupation of Germany were so great that Eisenhower stripped him of his position as Commander of the Third Army, and stuck him with the command of a secondary unit. Patton knew he was in danger of death, and confided as much to his family and close friends. He was feared because of his prestige: he was the most renowned American General, while Eisenhower was nothing more than a political soldier and his words could alert the public to the reality of what was happening in Germany.

Thus the accident was set up, which was not by any means the first. On the 21st of April 1945, his airplane on which he was being transported to General Headquarters of the Third Army in Feldfield (England) was attacked by what was assumed to be a German fighter-bomber, but it turned out to be a [*British*] 'Spitfire' piloted by an inexpert Polish pilot [*sent by MI6 to kill anti-Soviet* **General Patton** *even as MI6 had killed anti-Soviet Polish* **General Sikorski** *for nearly dividing the Allies over the NKVD's Katyn Massacre*]. Patton's plane was shot up, but was miraculously able to land. On the 3rd of May, some days before the end of the war, the General's jeep was charged by an ox-drawn cart, leaving Patton with light injuries.

October 13, 1945 was when the collision with the truck occurred. When Patton appeared to be getting better from the accident, the 'heart attack' occurred. The fact is that after October 13 only the doctors saw Patton, forbidding any other visitors [**Patton** *succumbing to the Order's medical murder as did Confederate General* **"Stonewall" Jackson** *and Presidents* **Garfield** *and* **McKinley** *as well as anti-Jesuit, SS General* **Reinhard Heydrich**, *laid to rest by the "malpractice" of Himmler's doctor*].

Until recently, it was only speculation that Patton had been assassinated. Now it is known for a fact. And it is known for a very simple reason. Because an agent of the well-known **OSS** (Office of Strategic Services) or [*an*] American military spy, a certain **Douglas Bazata**, a Jew of Lebanese origin [*again, the Order can now blame "the Jews" for the death of Patton*], announced it in front of **450 guests**; high-ranking, ex-members of the OSS, in the [*Knight of Malta-controlled*] **Hilton Hotel** in Washington, the **25th of September, 1979**. Bazata said, word-for-word:

> **'For divers political reasons, many extremely high-ranking persons hated Patton** [*Generals Marshall, Eisenhower and Bradley*]**. I know who killed him because I am the one who was hired to do it. Ten thousand dollars.** [*Irish Roman Catholic Knight of Malta*] **General William Donovan himself, Director of the O.S.S., entrusted me with the mission** [*Archbishop Spellman's OSS Knights of Malta setting up the Jews to take the blame if the story should ever go public, as it did*]**. I set up the accident. Since he didn't die in the accident, he was kept in isolation in the hospital, where he was killed with an injection.'**
>
> The tragic fate of Patton convinced other colleagues and their honorable compatriots of the uselessness of fighting against the [**Black Pope**'s *ubiquitous and invisible*] **WAR POWERS."** {124}[Emphasis added]

To keep the valiant Russian **General Andrei Vlasov** and his Russian patriots from fighting against the Jesuits' Red Army, the Order's most obedient tool of FDR's Masonic Army Chief of Staff (**General George C. Marshall**) and future American President, **General Dwight Eisenhower**, *will betray these disarmed men* into the hands of **Pope Pius XII's** Soviet Grand Inquisitor—**Josef Stalin**. We read:

> ". . . Roosevelt and Eisenhower approved of the forced repatriation of some **six million** [*Orthodox*] people back to Russia, many of whom were tortured or killed after they reached their destination. Two Russians who have written about this abominable decision of these American leaders are **Nikolai Tolstoy** and **Alexander Solzhenitsyn.** The Americans called this repatriation **'Operation Keelhaul,'** after the naval form of punishment or torture where the prisoner is hauled under the keel of a ship by a rope tied to the prisoner's body. These **six million individuals** were not only soldiers who had fought on the side of the Germans against the Russians, but they were women and children as well. **700,000** of this total were soldiers under the command of the **Lt. Gen. Andrei**

> **Vlasov,** a brilliant Soviet officer and one of the heroes of the battle of Moscow in 1942 [*which battle, like the Battle of Britain, Hitler never intended to win*]. In April of 1945 [*four months before the end of World War II and the beginning of the Cold War*], General Vlasov led his troops to the American lines so that they could surrender and then volunteer to return to communist Russia and attempt to oust the Bolshevik government. They laid down their arms and considered themselves to be American Prisoners of War. Vlasov was informed that permission to pass through the American lines had been refused, so he had to order his unarmed men to save themselves as best they could. Most of them were forcibly repatriated back to Russia and executed. General Vlasov himself was taken from an American escort by Soviet troops and spirited to Moscow where he was later executed [*tortured and hanged in the Jesuits' Lubyanka*] . . . Even though it was [*33rd Degree Freemasons*] Churchill and Roosevelt who made these incredible decisions to repatriate millions of anti-Communist Russians back to certain death, it was General Dwight Eisenhower who enforced 'Operation Keelhaul,' **with no apparent pangs of conscience.**" {125}[Emphasis added]

Further, **General Eisenhower**, Rome's Supreme Allied Crusader in Europe, would murder nearly two million unarmed, anti-Communist "heretic" Lutheran and 'liberal" Roman Catholic Germans. We read:

> "As this Second World War came to an end . . . Eisenhower, in his capacity as the supreme commander, expressed his life-long hatred of the German people by ordering war prisoners to be reclassified as **"unarmed combatants"** to evade the humane obligations of the Geneva Convention, and so committed one of the crimes of the century holding German prisoners behind barbed-wire stockades exposed to the elements without food or water, sanitation or medical supplies, in an ocean of mud and excrement. Over **1,700,000** soldiers died of deliberate exposure and starvation in this merciless act of savage barbarity." {126}[Emphasis added]

(Yes, dear truth-seeker, Jesuit-controlled **Churchill**—*who betrayed the Jewish People by creating the Arab/Moslem nation of Jordan*—and **FDR** eliminated millions of anti-Communist, *Orthodox* Russians along with millions of anti-Communist, *Lutheran* Germans. If these condemned soldiers had been led by murdered Generals **Sikorski**, **Patton**, **Rommel** and **Vlasov**, they would have successfully overthrown Jesuit-trained, bloody **Joe Stalin** and his NKVD Inquisitors overseen by the Jesuit General. Because **Dwight Eisenhower** was **Pope Pius XII's** willing tool through the Vatican's **Council on Foreign Relations**, the Jesuits made him a two-term President of the United States with the blessing of their puppet, **Francis Cardinal Spellman**!)

To further destroy Europe's Protestant heritage, the Jesuits will order **Hitler** to steal all of the gold from Copenhagen's central bank in Protestant Lutheran Denmark. The ever-warring militia of the Sons of Loyola will also order the mass-bombings of the Protestant cities of **Coventry**, **Hull**, **Rotterdam**, **London**, **Berlin**,

and **Dresden**. Every vestige of the risen Savior's **Protestant Reformation** must be blown to bits!

Protestant Anglican Cathedral, Coventry, England, 1940 **#434**

During the Battle of Britain, which Hitler never intended to win, the Protestant city of Coventry was devastated on November 14, 1940 by Luftwaffe bombers.

The Burden of Guilt: A Short History of Germany, 1914-1945, Hannah Yogt, (New York: Oxford University Press, 1964) p. 269.

To further the **Council of Trent**, having decreed "**Accursed be all heretics**," all the military dictators, Allied and Axis, with their untouchable intelligence agencies *will act in concert to destroy the majority of European Jewry*. After the war, Rome's financial colossus, using its international traders in London and New York City, will rebuild and reunite Europe against a common enemy—"the invincible Soviet Red Russia"—its surviving populations being predominantly Roman Catholic.

In the Far East the Jesuits had a score to settle with Japan. Remembering that the shogun **Iyeyasu** had formally expelled the Jesuits in 1614, the Order had been barred from reentry for over two hundred and fifty years. So the Jesuits forced the shogun to resign, obtained control over **Emperor Meiji**, were formally re-admitted in 1865 and ultimately orchestrated a war with the United States. We read in 1924:

> "The next step in the Vatican's Great scheme is to make war between this country and Japan after the latter country has been placed under full dominance of the Jesuits. The priests, monks and nuns of the Roman Church have been pouring into Japan from all over the world now for many years with that purpose in view. The writer was told by a Christian Japanese minister in charge of a Protestant mission in Los Angeles in reply to the question as to why the Jesuits, who had been barred for years from Japan had now been permitted to enter. He answered that the Roman Church had gotten into his country **under the guise of Mohammedanism** [**Islamic Jesuits!!!**], and that after it was well entrenched threw off its disguise, and his country learned to its astonishment that it was to the Roman Church and its monastic orders it had opened its doors. That the Roman-Catholic-controlled trade unions in California are at the bottom of most of the agitation against the Japanese in that State is a fact; that the Roman Catholic politician, [*Jesuit-trained*] **James Phelan,** was sent to the United States Senate in 1913 by the solid Roman vote, and has been the prime mover in the anti-Jap agitation, is also a fact." {127}[Emphasis added]

By 1941, the Japanese and American governments, controlled by the Jesuits via high-level Freemasonry including **Emperor Hirohito** and **President Roosevelt**, were ready for war. Twenty-five years of *anti-Jap agitation* was ready to yield its bitter fruit. On **December 7, 1941**, the Japanese attacked Pearl Harbor crippling the majority of the American Fleet—*except the aircraft carriers*. FDR's Office of Naval of Intelligence participated in the destruction by *secretly detonating the magazine of the USS Arizona* while making sure the carriers were out to sea. According to a Japanese Baptist Missionary, the late **Daniel Fuji**, he told the author the attack was provoked by a blockade of Japan called "the A, B, C, D line." The American, British, Canadian and Dutch fleets blocked Japanese shipping, *cutting off its oil*, which, in international law, *was an act of war!* Conveniently provided with the necessary provocation as planned by the ONI, Japan attacked. FDR *knew* the Imperial Fleet was coming and did nothing, giving Congress a legitimate reason to declare war. We read:

> "Roosevelt now knew that Japan planned on attacking the United States, but still he did nothing about warning the [*betrayed*] American forces at Pearl Harbor **. . . Admiral Husband Kimmel,** the commander of the naval forces at Pearl Harbor, clearly places the blame for Pearl Harbor's unpreparedness on President Roosevelt. He has written: **'We were unready at Pearl Harbor because President Roosevelt's plans required that no word be sent to alert the fleet in Hawaii.'** " {128} [Emphasis added]

The Jesuits were now ready to use their American Empire to destroy Imperial Japan and its Dynasty. Iwo Jima, Guadalcanal and Tarawa were some of the great bloody sacrifices "offered up" by the Jesuits. But the greatest burnt offering to the Jesuits' "Queen of Heaven"—**the Virgin Mary—**was the firebombing of Japan and the atomic destruction of the old Jesuit dominions of **Nagasaki** (where, in 1622, many Jesuit traitors and their followers were rightfully executed) and **Hiroshima**.

On the ruins created by Boeing's B-29 bombers, Japan was disarmed and rebuilt as a commercial colony to serve the interests of the Jesuits' "**Holy Roman**" **Fourteenth Amendment American Empire**—*until Japan's alliance with Red China comes to pass!* The Company's great tool in accomplishing the reorganization of Japan, as well as creating the hoax called "the Cold War," was their 33rd Degree Freemason, **General Douglas MacArthur**, slavishly beholden to one of America's most powerful Knights of Malta, Georgetown Jesuit Priest **Edmund A. Walsh**.

The one who doubts that World War II was "managed" by an unseen hand, must deal with the following facts that have baffled historians for years. The "*blunders*" or "*failures*" by those in power, *always benefiting* the purpose of the Vatican's Jesuits, are not by accident. A friend, and graduate from Princeton, has written the following for you, dear truth-seeker. May you continue to read and weep.

> "In books on Europe during World War II you can find many maps. But the one that would tell you the most about what happened, and in my judgment why it happened, exists in no book I have seen. That is a religious map of Europe before and after World Wars I & II. Now in viewing such a map, for all you hear about the holocaust of millions of Jews, you would immediately see a greater religious consequence of the wars: **the complete suppression of the Orthodox peoples under the Inquisition of the atheistic ideology of Communism along with that bulwark of Lutheran Protestantism—Prussia and East Germany.**
>
> Many decisions against peace and victory were made on both sides in critical moments of time. **The religious results indicated on such a map were predetermined, evidenced by the course of the war.** Therefore, it is worth briefly listing chronologically a few of the major 'blunders', so that one may, out of them, better evaluate the likelihood of a guiding hand directing the results of the war.

1919
The Treaty of Versailles imposed such an unfair burden of war repercussions on Germany, that when **Georges Clemenceau** of France was asked by the press what they had given the world through the treaty, he said, '**We have guaranteed another war in twenty years.**'

1919
The United States, whose presence in the League of Nations could alone have prevented the Second World War, stayed out of the League.

1934
After the Reich's Concordat with the Vatican in 1933, Hitler's military planners made a calculated 'mistake.' This 'blunder' occurred on the Russian front where two-thirds of the fighting took place and it proved to be fatal. Unlike the Brits, Hitler's military planners 'failed' to build a long range, thousand-mile bomber to knock out Russian factories in the Urals.

1938
[*Several German generals plotted to overthrow Hitler after he had started his intended war against Czechoslovakia. Hitler would never have dared to launch that attack as it would have necessitated an immediate two-front war with the French and Brits in the West, and the Russians and Czechs in the East.* **On the horns of this dilemma he was saved by Masonic King George VI via his Unitarian Prime Minister, Neville Chamberlain—a pseudo-Conservative, pro-Jesuit, Irish Home ("Rome") Ruler, thieving Fabian Socialist having consented to Hitler's recent theft of Austria (Von Papen's Anschluss) and who, upon his resignation in 1940, would recommend his greatest pseudo-critic and brother Fabian Socialist—Masonic Jesuit Temporal Coadjutor, pro-*Mein Kampf* "World Jewish Conspiracy" advocate, 'Smokin' Winston Churchill as his successor!**

He meets Hitler in Berchtesgaden and signs the Munich Agreement on September 29, 1938 between Germany, France (breaking its pact with the USSR signed in February, 1936), Great Britain and Italy. The primarily Roman Catholic German Sudetenland is now occupied by Germany (Hitler having completed his Pan-German power block as per the designs of the Jesuit Order) and Protestant Czechoslovakia is spit up, plundered and bankrupted overnight. France and Britain have betrayed their most faithful and powerful ally in the heart of Europe and have isolated Russia which leads to Stalin's Molotov-Ribbentrop Pact with Hitler in 1939. Without firing a shot Hitler captures massive quantities of munitions and machine guns at a value of two billion 1938 dollars. In the Spring of 1940 these weapons will be used during Hitler's speedy invasion of France. The German generals intending to overthrow Hitler drop their plans of a coup. They are unable

to arrest the hero who is winning bloodless victories while uniting the Germans of Europe plundered by the Versailles Treaty.]

1939

During the lull after the German invasion of Poland, and before the invasion of France known as '**the phony war**,' the negotiations conducted by **Admiral Canaris** of German Intelligence's 'Abwehr' with England, through the Vatican as intermediary using **Pope Pius XII's** confessor—the diabolical, Bavarian-born, German Jesuit confessor and future Labor Zionist, **Robert Leiber**—were disclosed through a Swiss newspaper, contributing to their 'failure'. [*Twenty years later a similar tactic would be used when, according to Col. L. Fletcher Prouty, in 1960 an American CIA U-2 spy plane, on its longest flight ever attempted, was deliberately shorted its auxiliary hydrogen fuel forcing a crash-landing in the heart of Russia. This ended negotiations between Soviet Premier Khrushchev and US President Eisenhower at the "ultimate summit conference" in Paris.*]

1939 – 40

Knowing Norway was the geographical key to maintaining Swedish neutrality, whose steel was critical to the continuing of the German War Machine, and although in possession of intelligence, **Winston Churchill**, as Lord of the Admiralty, 'failed' to attempt to defend Norway for over six weeks, doing too little, too late, and so Germany gained control of the Swedish steel needed for a long, protracted war.

1940

When **The British Expeditionary Force**, key to the defense of the British Isles, was cornered at Dunkirk on the French coast for three days it could have been wiped out, making Britain an easy prey for invasion. But Hitler 'failed' to do so, as he personally countermanded the requests of his Generals to attack and allowed three hundred and fifty thousand British to escape by boat changing the whole course of the war. [*As "Stonewall" Jackson was forbidden by Jefferson Davis to capture Washington after the First Manassas, so the German Generals were forbidden by Hitler to destroy the British at Dunkirk indicating that both wars were to be Crusades—Papal wars of mutual annihilation—against historically and predominantly White Celtic-Anglo-Saxon Protestant peoples.*]

1940

With Hitler permitting British evacuation and escape from Dunkirk coupled with the surrender of France in June of 1940, the bogus 'Battle of Britain' began on July 9. It would rage for four months ending in defeat; if Hitler would not destroy the British at Dunkirk, neither would he seriously attempt to bomb, invade and defeat England, as the Duke of Windsor, on behalf of King George, was one of his secret backers. At this time, Stalin and Hitler are allied via the 1939 Molotov-Ribbentrop

Pact, the Gestapo and NKVD cooperating together in the murder of Polish officers. Stalin is refusing to openly believe Hitler was preparing to attack the Soviet Union after the NKVD had murdered tens of thousands of Red Army officers and key Generals. Hitler has nothing to fear from his Communist ally upon commencing the Battle of Britain, but what does the Fuehrer do? He amasses three million men on the Soviet border with 3500 tanks preparing for the largest land invasion in world history. This is tantamount to General Ludendorff's garrisoning over one million men deep within Soviet Russia while attempting to defeat the French on the Western Front towards the end of the Great War. Upon closer inspection, Hitler never intended to invade Britain but merely to bomb primarily Protestant sections of England, including **Coventry** and **Hull**, while bombing **St. Paul's Anglican Church** in which vicinity was London's large Jewish population (according to a former Counter Intelligence Corps, Pentagon-based, American NCO). With England to serve as the staging base for America's future Normandy Invasion, the 'Battle Over Britain' served to destroy Hermann Goering's bombers which could have been used during **Operation Barbarossa**. Of Hitler's purposed plan never to defeat Britain we read from English/Jewish author and Knight, **B. H. Liddell Hart** in his *The German Generals Talk*:

> 'But although the British Army thus escaped from the trap in France, it was in no state to defend England. **It had left most of its weapons behind, and the stores at home were almost empty.** In the following months Britain's small and scantily-armed forces faced the magnificently-equipped army that had conquered France—with only a strip of water between them. **Yet the invasion never came.**
>
> At the time we believed that the repulse of the Luftwaffe in the Battle *Over* Britain' had saved her. That is only part of the explanation. The last part of it. **The original cause, which goes deeper, is that Hitler did not want to conquer England** [*yet "blunder" in declaring war on the US eighteen months later thereby creating a deadly alliance between the UK and US*]. **He took little interest in the invasion preparations, did nothing to spur them on, and cancelled them at the first plausible excuse. . . .**

[*German General* **Guenther Blumentritt** *remarked to author* **Hart** *regarding Hitler's refusal to defeat the British at Dunkirk giving further insight into the Fuehrer's disinterest in winning the "Battle Over Britain,"*]

> "He [**Hitler**, *having declared the Jesuits "unfit for duty" in 1941*] compared **the British Empire** with **the Catholic Church**—saying they were **both essential elements of stability in the world.** He said that all he wanted from Britain was that she should acknowledge Germany's position on the Continent. The return of Germany's lost colonies [*as a result of the wicked, Masonic Treaty of Versailles*] would be desirable but not essential, and he would even offer to support Britain with troops if she should be involved in any difficulties anywhere." ' {129} [Emphasis added]

1940

In North Africa the Brits were defeating the Italians and looked to rout them entirely, but 'failed' in that they paused long enough to let the Germans reinforce the Italian positions, ensuring a long North African Campaign and thereby preventing the invasion of Italy for years.

1941

Russia—We can hardly even try to do justice in a few lines to the colossal 'stage set' where most of World War II was fought, in the 'former Soviet Union;' we will only try to state three points. **First**, one military analyst has written that despite the six-week delay in the invasion of Russia caused by the uprising of the [*"heretic" Orthodox*] Serbian people, the Germans had in August-September of 1941 **a ninety-seven percent chance of conquering the Soviet Union** and would have done so had it not been for 'decisions' or 'blunders' made by Hitler from Berlin over the objections of his Generals. **Secondly**, the German invaders were at first welcomed as liberators in much of the Soviet Union, notably the Ukraine [*having been mass-murdered by Stalin's policy of deliberate starvation*]. And, if they had intelligently enlisted the support of the peoples, rather than brutalize them via the Jesuits' SS [*as ordered by* **Martin Bormann**], they would have defeated Stalin in spite of Hitler's wrong military decisions. **Thirdly**, Stalin had several intelligence sources telling him Hitler was about to invade and refused to act to prepare the defense [*including outright murder of the messengers*], allowing a quick, deep penetration by the Nazis and the death of millions of Orthodox Russians and Jews. With Hitler's subsequent 'failure' to follow up on this military position or bring the peoples enslaved to communism to his side, this combination of 'blunders' led to the maximum death and destruction to the mostly **Prussian-Lutheran German Army** and many millions of **Orthodox peoples**. The 'blunders' of Adolf Hitler under the guidance of his 'alter ego,' Martin Bormann, were made in obedience to and in accordance with the Jesuits' **Council of Trent** and **Extreme Oath** for the final destruction of the **German Reformation**.

December 7, 1941

Much has been written about FDR's foreknowledge of the attack plans of the Japanese and his 'failure' to warn the Admirals at Pearl Harbor to ensure that the United States could get into 'the war' on the side of England against Hitler. The significance of a very basic point is always neglected in these discussions. The United States declared war only on Japan after Pearl Harbor, not on Germany! If Hitler, whose forces had just been bogged down and iced-in by the Russian winter, had not proceeded to commit one of the rashest acts in the history of world diplomacy, by unilaterally declaring war on the United States, Roosevelt would have been hard put to drag America into the war in Europe, which was not seen as necessarily closely connected to the War in Asia. Hitler got nothing for Germany out of his 'foolish' declaration. He 'failed' to even attempt to get Japan to declare

war on Russia in the East, though that, by the USSR opening up a second front in the East, would have made much more likely a German victory in the West over Russia. It was a staggering mistake, strongly indicative that Hitler danced to someone else's tune—**the tune of the Jesuits' 'infallible' Pope with whom he had a Concordat.**

1943

Churchill talked about 'the soft underbelly' of Europe but instead directed the Allies up what amounts to 'a porcupine ridge' in Italy. A rapid invasion could have been made through Montenegro and Serbia, which, being the only active guerilla war in Europe, was already holding down fifteen to twenty German Divisions, and was without the general uprising, which would have occurred immediately upon an Allied assault. This, however, would have brought the war to a close in early 1944, and would have put Eastern Europe in the hands of the West, **neither of which was intended**. Instead, Italy was invaded in about the hardest and most ignorant way. If victory had been the object, the Generals would have gone for the capital, Rome, landing amphibiously on any number of close shore points and driving straight to the city, taking the enemies' natural base and mopping him up from there. Circling Sicily to take its capital, then letting the German army escape by boat unimpeded to the main peninsula [*as Meade allowed Lee to escape from Gettysburg unimpeded*] was only the beginning of the follies—'the blunders'—tragic to so many allied soldiers and their families (including 33rd Degree Freemason, **Senator Bob Dole**). For much of the next year, the Allies fought against stiff resistance up the spine of the mountains, an excuse being made that they lacked boats to make the strategically obvious landing near Rome. But that such was just an excuse is made plain by the way in which the one major amphibious landing in Italy at Anzio was conducted. They landed, and waited on the beach for forty-eight hours [*two days*] for the Germans, caught by surprise, to arrive. Reconnaissance jeeps went out, reaching the outskirts of Rome and the invasion force could have followed; but instead, the force stayed put so they could have several months of World War I-style trench warfare which resulted in the deliberate sacrifice of all but six of Darby's seven-hundred U.S. Rangers, betrayed by their High Command [*which included Knight of Malta* **General Mark Clark** *who was given command of the invasion over* **General George Patton***, as Patton would never have played the game*].

The policies of **Roosevelt** and **Churchill** [*Churchill, like Hitler and Stalin, also advocated the 19th Century, Protocols of the Learned Elders of Zion Jesuit doctrine of an "International Jewish Conspiracy"*]—who throughout the war maintained an active personal correspondence with Mussolini (the man who restored the **Temporal Power** to the Jesuit General's "*infallible*" **Pope Pius XI**)—were carried out to perfection, and the taking of Rome with its Vatican, the second capital of the Axis, was delayed until **June 5, 1944**, one day before 'D-Day'. So rather than

the Roman Catholic hierarchy being embarrassed for its open and notorious support of the Axis, its shame was quickly driven off the front pages of the **Black Pope**'s CFR/RIIA-controlled, international world press by the **Normandy Invasion**, the Allies having 'failed' to timely capture Rome.

July 1944 to April 1945
The Division of Europe, placing Lutheran Protestant Prussia and East Germany under the Inquisition of Atheistic Communism.

At least three major 'blunders' had to occur to keep the American-English Allies from taking Berlin and Eastern Germany. **First**, there was the failure to destroy the critical core of the [*primarily Roman Catholic*] German army in the West by the basic maneuver of an encircling action, the closing of '**the Falaise Pocket**' in France allowing two hundred thousand Germans to escape while ensuring two bloodbaths called '**The Battle of Herken Forest**' and '**The Battle of the Bulge**.' **Secondly**, there was the complete intelligence 'breakdown' on the side of the Allies that 'failed' to recognize that the beefed-up and returned German Army was about to attempt the breakthrough to begin '**The Battle of the Bulge**.' **Thirdly**, there was the prevention of General Patton's Army from blitzkrieging into Berlin and East Germany (where the German people were ready to welcome Americans and surrender to them, as this was the hope of the German Army in the East, fighting fiercely against Stalin's Red Army [*as personally attested to the author by "Freddy," a former Waffen-SS soldier in 1974*].) This deliberate forbidding of Patton to take Berlin (which would have resulted in surrender) combined with the all-out suicide assault by the Soviet Armies to take the Nazi capital (raping, pillaging and plundering all along the way), resulted in the slaughter of 600,000 more [*Orthodox*] Russian soldiers than a sensibly conducted campaign would have killed, according to recent estimates by Russian intelligence sources [*Coadjutor Stalin killing as many Orthodox peoples as possible with every unfolding opportunity on the front*]." {130} [Emphasis added]

All these *"failures"* and *"blunders,"* causing universal heartbreak and unnecessary death, *were deliberately committed* in fulfilling the Jesuits' **Council of Trent**—the heart of the Counter-Reformation—in mass-murdering "accursed and condemned heretics" of East Germany, Prussia and Russia—the Lutheran and Orthodox peoples. The remainder were subjugated or exiled to the concentration camps of Siberia (overseen by Jesuits like the **American Walter Ciszek)**, being under the iron heel of the **Black Pope**'s Jesuit-trained, Jesuit-advised, crypto-Roman Catholic, Communist Bolshevik and Grand Inquisitor—*the savage*—**Josef Stalin**. Indeed, from 1914 to 1945, the Jesuits, pursuant to their Oath, killed nearly 100 million people through war, starvation and disease. Using their overt and covert Masonic dictators, they waged relentless war on the Jews of Europe, Spanish Protestants, Catholic liberals, German Lutherans, Serbian and Russian Orthodox, Baltic

Lutherans—in short—on all Protestant, Jewish and Orthodox "heretics and liberals" regardless of how many Roman Catholic priests and people perished!

(Dear truth-seeker, this exact same scenario has been planned for the people of the American Empire and is presently in the making right here in our midst, within the last and greatest stronghold of the White Anglo-Saxon Protestant Reformation. For the US has been *the heart* of the Lord Jesus Christ's mission work in spreading the grand and glorious gospel to the uttermost parts of the earth for the last one hundred and fifty years. America is *the last bulwark* of Protestant liberties including the rights of privacy, freedom of conscience, freedom of speech, freedom of the press, freedom of movement and gun ownership secured by our Calvinist Bill of Rights. Thus, with the passing of every week, the Order's Bush Administration pushes us into right-wing fascism and a papal world Crusade against the Islamic peoples of the earth.)

Upon **Hitler's** *"death,"* faked by the **SS**, and *"funeral,"* the Fuhrer being honored with "**A Solemn High Requiem Mass**" approved of by **Pius XII** (according to **Eric Zuesse's** *WHY the Holocaust Happened: Its Religious Cause and Scholarly Cover-Up*) for a job well done, he subsequently escaped to **Franco's Spain**, then on to South America. Meanwhile, Franco's Jesuit-controlled press declared:

> "**Adolf Hitler,** son of the Catholic Church, has died defending Christianity [*Romanism*]. It is understandable that our pen cannot find words with which to deplore his death, when it was able to find so many to extol his life. Above his mortal remains rises his victorious moral figure. With the crown of martyrdom, God [*the "infallible" Pope*] gives to Hitler the laurels of Victory." {131} [Emphasis added]

This brings us to our final point. The Jesuits, in attempting to totally destroy the risen Son of God's Protestant Reformation on the Continent, blamed the Nazi Holocaust of European and Russian Jewry on the **German Lutheran Church**! Over the years the Sons of Loyola, while secretly teaching at the German Lutheran **Tubingen University** during their suppression by the Pope, authored one of the writings attributed to Bible-believing **Martin Luther**. They sought to and succeeded in portraying the great Reformer to be a rabid, Jew-hating religious bigot, as though he was **Ignatius Loyola** himself! The Masonic Jewish Labor Zionists, being "the altar boys of the Pope," promote this lie throughout their Memorial to the Jewish Holocaust in Washington, D.C., *while never* revealing the Jesuit hand shaping and directing **Pope Pius XII** (through his Bavarian German Jesuit confessor and intimate friend for forty years, **Robert Leiber**), his SS and SD, Europe's concentration camps, and Roman Catholic Poland's death camps hidden deep within her forests.

This is one of the greatest and boldest effronteries with which historic Protestantism—wrought by the Spirit of God through the Word of God—has ever

been attacked, outraged or assaulted. For we Bible-believing Protestants and Baptists know that White Protestant nations *have never persecuted the Jews racially or religiously* unless our governments, secretly or openly, have been usurped by the Militia of the Papal Caesar. Did not the Calvinist, **William I of Orange**, give refuge to the persecuted European Jews in his Dutch Republic, as those homeless and tempest-tossed outcasts from Roman Catholic nations flocked to Amsterdam calling it "the New Jerusalem"? Did not **Oliver Cromwell**, England's Protector of the Protestant Commonwealth and Defender of the Protestant Faith, readmit the Sons of Jacob into England? Was not White Protestant South Africa the safest haven on that savage, barbaric and filthy Black Islamic Continent for the physical descendants of Abraham? Has not our beloved **George Washington's** Calvinistic United States, (founded upon the English Reformation's Geneva Bible and Authorized King James Version of the Bible of 1611) with its written, power-limiting, Protestant Presbyterian **United States Constitution** securing Protestant and Baptist-Calvinist liberties, become *the greatest haven in the history of the world* for the wandering Jews during their worldwide Diaspora, foretold by ***Moses the Prophet*** during which the racial nation of Israel is "***the tail of all nations***" (***Deuteronomy 28:13, 44***) until their final regathering and restoration in **Messiah's Kingdom**? Of that **Diaspora**, during which we Bible-believers should bless and not curse the Jews, ***Hosea the Prophet*** wrote:

> ***"For the children of Israel shall abide many days without a king, and without a prince, and without a sacrifice, and without an image, and without an ephod, and without teraphim [no Nation and no Temple]:***
>
> ***Afterward shall the children of Israel return, and seek the LORD their God, and David their king; and shall fear the LORD and his goodness in the latter days . . . for he hath torn, and he will heal us; he hath smitten, and he will bind us up.***
>
> ***After two days [possibly two thousand years] he will revive us: in the third day [possibly one thousand years in Messiah's Kingdom] he will raise us up, and we shall live in his sight."***
>
> *– Hosea 3:4, 5; 6:1, 2*

Further, did not **Lutheran** Denmark deliver all of her Jews from Rome's Nazis by secretly ferrying them across the waters to neutral **Lutheran** Sweden? Did not Denmark's **Lutheran King Christian X** don *"the yellow star"* in boldly resisting the Nazis as told by **Leon Uris** in *Exodus*? Did not **Reformed** Holland do all she could to save her Jews from being deported to Auschwitz? Did not **Martin Luther** himself read and believe the Apostle's ***Letter to the Romans*** teaching love, appreciation and forbearance to the unbelieving racial Jews, while God the Father has temporarily set aside His elect and beloved Nation, declaring:

> ***"Brethren, my heart's desire and prayer to God for Israel is, that they might be saved . . .***
> ***I say then, Hath God cast away his people? God forbid. For I also am***

an Israelite, of the seed of Abraham, of the tribe of Benjamin . . .
["Mordecai the Jew" was also of the tribe of Benjamin. (Esther 2:5)***]***

Now if the fall of them be the riches of the world, and the diminishing of them the riches of the Gentiles [prosperous Bible-believing Gentile nations], how much more their fullness [in Messiah's Kingdom called "the dispensation of the fullness of times" (Ephesians 1:10)***]?***

For if the firstfruit [Abraham] be holy, the lump [the Jewish Race] is also holy: and if the root be holy, so are the branches . . .
Boast not against the branches [the Jewish Race] . . .
For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fullness of the Gentiles be come in . . .

As concerning the gospel, they are enemies for your sakes:
but as touching the election, they are beloved for the fathers'
[Abraham, Isaac and Jacob's] sakes . . .
For as ye [Gentiles] in times past have not believed God,
yet have now obtained mercy through their unbelief . . .
Now I say that Jesus Christ was a minister of the circumcision
[the Jewish Race] for the truth of God, to confirm the promises
made unto the fathers [Abraham, Isaac and Jacob]:
And that the Gentiles might glorify God for his mercy; as it is written,
For this cause I will confess to thee among the Gentiles,
and sing unto thy name."

– Romans 10:1
– Romans 11:1, 12, 16, 18, 25, 28, 30
– Romans 15:8, 9

Are we to believe **Martin Luther**—this fearless man of God, the great champion of the doctrine of **Justification by Faith** alone, the center of attention at the **Diet of Worms** where he courageously made his immortal confession before the Papal Legate, the Emperor and hundreds of nobles ruling the Pope's Holy Roman Empire—would hatefully malign the Jewish Race of the Lord Jesus Christ revealed in both the Old and New Testaments as opposed to the false, crucifix-Christ of Rome? Would this man, knowingly enjoying the protection of the risen Son of God from the hands of a multitude of Papal assassins, *advocate murder and theft* clearly condemned by the very Bible he had so diligently worked to translate into the language of his beloved German people? We read the following **supposed words of Luther** from a purported 1543 essay; which, in fact, *was published sometime after his death in 1546* titled *On the Jews and Their Lies*—a sort of *Donation of Constantine* intended to benefit the Papacy by uniting Catholics and Bible-reading Protestants against the Jews—and feel our blood begin to boil as we reach for our **Swords of Just Defense**:

"What shall we Christians do with this rejected and condemned people, the Jews? . . . I shall give you my sincere advice [Without a Biblical citation?]:

First, to set fire to their synagogues or schools and to bury and cover with dirt whatever will not burn, so that no man will ever again see a stone or cinder of them [No such language is found in any of his works!] . . .

Second, I advise that their houses also be razed and destroyed. For they pursue in them the same aims as in their synagogues. Instead they might be lodged under a roof or in a barn, like the gypsies [More Romanism!] . . .

Third, I advise that all their prayer books and Talmudic writings . . . be taken from them [yet Luther's Commentary on Romans (Chapters 9-11) is void of this language] . . .

Fourth, I advise that their rabbis be forbidden to teach henceforth on pain of loss of life and limb [Luther never even said this of the Pope!] . . .

Fifth, I advise that safe-conduct on the highways be abolished completely for the Jews [the very safe-conduct which saved Luther's life from the kidnappers of the Papal Legate who would have brought him to Rome for his trial and execution, he now would forbid to the persecuted Jews?] . . .

Sixth, I advise that all cash and treasure of silver and gold be taken from them and put aside for safekeeping . . . [Luther advocating grand theft? This is the language of the Jesuits and the works of their Holy Office of the Inquisition, including Hitler's Third Reich whose National Reich Church forbade the publishing and dissemination of Luther's Bible in Germany] . . .

Seventh, I recommend putting a flail, an ax, a hoe, a spade, a distaff, or spindle into the hands of young Jews and Jewesses and letting them earn their bread in the sweat of their brow, as was imposed on the children of Adam [i.e., forced labor in the Pope's Nazi **SS** concentration camps as preached by Masonic Lutheran Jesuit Temporal Coadjutor and mentor of Hitler, ex-priest **Joerg Lanz von Liebenfels**] . . .

Accordingly, it must and dare not be considered a trifling matter, but a most serious one, to seek counsel against this and **to save our souls from the Jews, that is, from the devil and from eternal death** [*Rome's Jesuit doctrine of salvation by works so hated by Luther? How crazy!*] . . . Burn down their synagogues, forbid all that I enumerated earlier, force them to work, and deal harshly with them, as Moses did in the wilderness, **slaying three thousand lest the whole people perish** [*Moses never slew them!*] . . . There it would be wrong to be merciful and confirm them in their conduct. If this does not help we must drive them out like mad dogs [*as did the Nazis*] so that we do not become partakers of their other vices and thus merit God's wrath **and be damned with them** [*again, the Jesuits' heresy of "salvation by works" whereby they can advise a man to commit the most horrid of crimes for which his soul will be saved from eternal death*]." {132}

Did not **Jesuit Generals Ledochowski** (1915-1942) and **Janssens** (1946-1964), using their Society of Jesus in control of Roman Catholic Hitler's Nazis and the Jewish Labor Zionists, do all these things to the pitiful Jews of Europe only sixty-five years ago? Dear truth-seeker, **Martin Luther never wrote these words**, as they do not comprise his style nor convey his Biblical, doctrinal convictions. Written after his death in 1546 and then deceitfully attributed to the Great Reformer as having been penned by him in 1543, **these are the cruel words of the Jesuits** betraying their *doctrines* championed by their evil **Council of Trent**! These doctrines were further advocated in Hitler's *Mein Kampf*, the volume having been secretly authored by a priest and member of Munich's Masonic Thule Society working for the Company, **Bernhardt Stempfle**. These Jesuit lies and slanders were further calculated to unite Masonic, Bible-rejecting Lutheran Prussians (corrupted by the *rationalism* of the Jesuits having penetrated their seminaries) and Bible-rejecting Roman Catholics of Germany *against the Jewish Race*—even as the Jesuits are doing in **Fourteenth Amendment America** at this very moment via the Pope's international pornography king, Knight of St. Gregory and Fox Network mogul, **Rupert Murdoch**, *whose mother was an Orthodox Jew!* Indeed, the Society of Jesus is presently doing the exact same thing right here within our post-Reformation, apostate, Bible-rejecting, atheistic, hedonistic, and Jesuitized American Empire. From the beginning of World War I to the end of World War II, the Jesuit Order turned these Jew-hating *doctrines* into bloody *deeds* while taking vengeance on a Europe and an Asia having expelled the Devil's Company during the Nineteenth Century—its "**Century of Disaster**."

Yes, dear truth-seeker, this was the Jesuit General's Second Thirty Years' War, fought by his "Holy Roman" Fourteenth Amendment American Empire and paid for by his Federal Reserve Bank! Yes, the two greatest mass-murderers of the Twentieth Century, **Josef Stalin** and **Adolf Hitler**, were financed by us, the American People, through our American banks in New York! *What in the name of* Jesus Christ *will be our horrendous coming retribution?* A great English Bible-believer, through his farsightedness, gave us the answer in 1899 when he wrote:

> "We should tremble for the safety of that nation whose leading men banished Christ from their councils, and denied . . . the providential interference of God. We should shortly expect to see Him visiting that land with His four sore judgments, laying bare His arm in anger, **and casting it down from the high place which it may now occupy among the nations of the earth.**" {133} [Emphasis added]

We must conclude with the words of the Protestant 33rd Degree Freemason **Richard W. Thompson**, an ex-Secretary of the American Navy and the only American to write an extensive history of the Jesuit Order, proclaimed in 1894:

> "[*The Jesuit General*] **occupies the place of God, and must be obeyed, howsoever the peace and welfare of the multitude may be imperiled, or the**

nations be convulsed from center to circumference. The society of Jesuits must obtain the mastery, even if general anarchy shall prevail, or all the world besides be covered with the fragments of a universal wreck!" {134} [Emphasis added]

Oh my Father! We deceived Americans, Protestant and Baptist blind patriots, fighting the Pope's wars; paying the Pope's income tax on wages neither defined as **income** by the Supreme Court nor intended to be taxed by the 16th Amendment that was never legally ratified; trading in the Pope's fiat Federal Reserve Notes; financing the Pope's Spanish Fascism, Italian Fascism, Bavarian Nazism, Bolshevik and Chinese Communism, Saudi Arabian Wahhabi Islam, and Masonic Jewish Labor Zionism; flying the Pope's gold-fringed flags and believing the Pope's press lords for the last one hundred years, have provoked to wrath the risen Son of God once again! **Oh when shall it end?** Or has the Son of God determined upon our great nation's just annihilation—*at the hand of* the ***Black Pope*** *whom we have served*—in order that "the gates of hell," *manned by the* Devil's *Jesuits*, might not prevail against His beloved, eternally elect, Bible-reading Church within other foreign countries? Will our destruction come by the gold-backed, **Sino-Soviet-Moslem** triumvirate, financed by Wall Street Papal Knights and now in the making? May we repent of our sins, may we return to the old paths of our righteous, White Celtic-Anglo-Saxon Protestant and Baptist-Calvinist forefathers, and may we resist Satan's evil

"mystery of iniquity," – II Thessalonians 2:7

...while contending for the Truth in THE POWER of the Holy Spirit of God! Holy Heavenly Father, we ask these things in Jesus' name. Amen!

Knowing "IHS" stands for the pagan Egyptian trinity Isis, Horus, Seb, the fact that the ***Black Pope***'s Militia controlled King George VI, Hitler and Stalin, is more than a coincidence when Satan murdered Eurasia's "accursed heretics and liberals" as well as "those Christ-killing, perfidious Jews." The Papacy openly backed Hitler with a Concordat evidenced by the Roman Cross over the H, but did not openly back George VI or Stalin. Yet all three were secretly controlled by the Order indicated by the triple-pointed symbol below "IHS." This same symbol is seen over Hitler's monogram on the New Reich Chancellery of 1939. ***A House of Bread: The Jesuits Celebrate 70 Years in Wernersville, Pennsylvania***, Kathy M. Seven Catholic feast days were now legal Nazi holidays. Nuremberg's pagan Romish Temple had been built on the site of a destroyed synagogue of the old Jewish quarter obliterated by a pogrom in 1349. Rome's message is clear: Protestantism must be destroyed and the Jews must die if Europe is to be reunited and the Pope's "Kingdom of Jerusalem" is to be restored.

Nazi Welcome for Berlin's New Roman Bishop, Sportpalast, 1935 #446

Upon the death of Berlin Bishop Nikolaus Bares (1932-1935), Pope Pius XI made an unexpected choice for his replacement, selecting Konrad Graf von Preysing Lichtenegg-Moos. With the ***Black Pope***'s Nazi/SS party moving from Roman Catholic Munich to Protestant Berlin, the Bavarian Archbishops of Munich and Bamberg could maintain control through a trusted subordinate. Von Preysing had been a priest of Munich and Freising since 1912, thus a subordinate of the powerful Munich Archbishop, Michael Cardinal von Faulhaber. He had also been the Bishop of Eichstätt, thus one of three Suffragan Bishops of the Bavarian Archbishop of Bamberg, Jacobus von Hauck—Himmler's cool father-confessor.

Therefore Pius XI's choice of Von Preysing made sense: Archbishop Pacelli's Bavarian Nazi Party and SS would continue to be controlled by his Bavarian Roman Hierarchy transplanted in Berlin, the heart of Nazi power centered in the soon-to-be-built, new Reich Chancellery. Bishop Von Preysing worked with the Fuehrer, while obeying his masters in Bavaria, Von Hauck and Von Faulhaber.

Notice Rome's Pax Romana flag with Emperor Constantine's warrior Chi-Rho Cross next to the Nazi Sauvastika flag. Indeed, the Jesuits, using their Nazis and SS, further extended the Pope's political world empire by fire and sword. For a job well done, Pius XII gave Von Preysing a Cardinal's hat 1946: he remained Bishop of Berlin until his death in 1950 while working Rome's Vatican Ratlines.

Nazi-Protestant "German Christian (DC)" Church, 1933 #451

Next of kin to America's Masonic, anti-Jew Ku Klux Klan, the fanatically pro-Nazi "German Christian Church" met at Berlin's Sportpalast on November 13, the day after Hitler received a national vote of confidence. It's Masonic leaders controlled by Lanz von Liebenfels' German Order of the New Templars called for the abandonment of the Old Testament "with its tales of cattle merchants and pimps," and the revision of the New Testament making the Lord Jesus Christ a supporter of Jesuit Nazi-Fascism. Displaying an evil "Sauvastika" in the center of a Babylonian-Roman cross, these unsaved, hell-bound "German Christians" demanded "One People, One Reich, One Faith." Thus, they sought to require all Protestant pastors to swear an oath of allegiance to Hitler and to institute an Aryan paragraph in their statements of faith so as to exclude Protestant racial Jews from attending their churches. Both demands were in diametric opposition to the New Testament, but then German Protestantism had rejected the Bible as its final authority for faith and practice for over 100 years. "The German Christian Faith Movement" was led by Ludwig Mueller, an abject creature of Hitler who supported the Nazi doctrines of race-hatred towards non-Germans—secretly calculated by Rome to create anti-German fury for generations after the Crusade. Mueller sought to unite all Protestants into the National Reich Church of which he had already been appointed "Reich Bishop" by the Fuehrer in July.

"German Christians:" Backbone of the Reich Church, Berlin, 1933 #452

Lutheran Protestant Germany had been a haven for Jews for over two hundred years. Jews had excelled in the arts and sciences bringing blessing to Germany and the Protestant Second Reich (1871-1919). Born-again, Bible-believing Prince Bismarck had boldly expelled the Jesuits (1872) and enfranchised 550,000 Jews (1873). But the Jesuits never forsake their great game! They attacked Germany with Masonic rationalism and disbelief of the Bible as foretold by our beloved Martin Luther. Knowing the curse of *Genesis 12:1-3* upon those nations who persecute racial Hebrews, they began to spread anti-Jewish fury seeking to unite Protestants and Catholics against the Jews via that base and outlandish forgery attributed to Luther, *On the Jews and Their Lies*. Corrupted with Freemasonry and unbelief, the Protestant Lutheran Church of Prussia was now ready to be absorbed into the fold of the Mother of Harlots and Abominations of the Earth.

The Pope's Masonically-led "German Christians" brought forth the "National Reich Church" seeking to unite Protestantism with Romanism backing Hitler. Except for the few "Confessional Churches" (also apostate and riddled with Neo-Orthodoxy thus ultimately destroyed by the Gestapo), the plan was a success. Hitler's Reich Church would also serve to fulfill his papal mandate of destroying Protestant Christianity—but never Roman "Christianity!" One of the 30-point articles of the neo-pagan Reich Church was "the cessation of the publishing and dissemination of the Bible in Germany," removing "all Bibles" from the Church. This fearing compromise on the part of German Protestants led to the murder of its pastors, national destruction of once Protestant Germany and the end of the Reformation in the land of Luther. The same is in store for apostate America.

Hitler with Nazi Elite Overseen by Papal Nuncio Orsenigo, 1930s
#453

Above we have one of the most telling pictures ever taken of the real movers of the ***Black Pope***'s Roman Catholic Third Reich, the Nazi Party having originated from Roman Catholic Bavaria's Masonic Thule Society. The Jesuit Order, via its *Civilta Cattolica*, had agitated all of Europe with "the Jewish Question" for nearly fifty years. Upon the destruction of the Protestant Second Reich at the end of WWI—due to the treason of General Erich Ludendorff—and the readmittance of the Society of Jesus into Germany in 1917 after its formal expulsion in 1872, it was time to implement the "Final Solution to the Jewish Question." Second from the left stands Vice Chancellor and SMOM Franz von Papen (white handkerchief in coat pocket and personal friend of Bishop Luigi "Alois" Hudal); Minister of Defense General Werner von Bloomberg; Jesuit Temporal Coadjutor, Chancellor Adolf Hitler; Minister of Propaganda Joseph Goebbels, having been educated by Jesuits at the Albertus Magnus Association in Roman Catholic Cologne; and second from bottom right stands the Papal Nuncio, Cesare Orsenigo, in full papal vestments. With the help of the Pope's Masonic Jewish Labor Zionists—Chaim Weizmann, David Ben-Gurion and Rudolf Kastner—in subordination to the Order's SS "Jesuit General" Heinrich Himmler and SS Lt. Colonels Adolf Eichmann and Kurt Becher, the Holocaust came to pass providing the impetus for the creation of the Papal Caesar's Israel.

Croatian Dictator Ante Pavelic; Archbishop Stepinac, Zagreb, 1940s #456

After Cardinal Secretary of State Pacelli (later Pius XII) brought Hitler to power in 1933, Hitler invaded Yugoslavia bringing Pavelic to power in 1941. In April Pavelic was given an audience with Jesuit General Ledochowski's Pope Pius XII who blessed the dictator's anticipated, Nazi-backed, Ustashi-led, anti-Jew, anti-Orthodox, papal crusade in Croatia. Pius XII's immediate agent overseeing the slaughter was Zagreb's Aloysius Stepinac, the world's youngest Archbishop. For a job well done Stepinac was made a Cardinal in 1953 and allowed to live under house arrest by "the communists" secretly ruled by Jesuits in the Kremlin.

Roman Priests Covertly Within Himmler's SS/Gestapo/SD

One of the foremost successes of the **Black Pope**'s post war historians was to completely cover-up the presence of a host of Roman Catholic priests within Himmler's SS. Two of the most notorious Freemasonic White Anglo-Saxon Protestant distorters of history are CFR member William L. Shirer and RIIA–member, made "peer of the realm," Hugh Trevor-Roper. (The same cover-up holds true with regard to Stalin's murderous Soviet Secret Police having worked with the Gestapo SS/SD during Rome's Eurasian Crusade.) The presence of Franciscan and Jesuit priests within the Croatian Ustashi is obvious and duly recorded by historians Avro Manhattan (English Protestant) and Nino Lo Bello (Italian Roman Catholic). But identifying certain priests (not to mention Jesuit Temporal Coadjutors under Extreme Oath such as Bavarian Roman Catholic and Waffen-SS Generals Joseph "Sepp" Dietrich and Fritz Kraemer—the postwar mentor of Bavarian

Masonic Jewish Labor Zionist Henry A. Kissinger) within the SS has been made nearly impossible due to the OPEN but FALSE policies believed by the uninitiated and strictly pedestrian observers. For example, it was standard procedure that all priests upon entering the SS first OPENLY leave the priesthood. This calculated deception gave rise to the false conclusion that the SS was an entirely neo-pagan, "anti-Christian" (the term COVERTLY INTENDED to include both accursed "liberal" Roman Catholicism and "heretic" Protestantism in accordance with the Order's Council of Trent and Jesuit Oath of the Fourth Vow), "Death's Head" Order of Crusading German Teutonic Knights. However, the SECRET but TRUE policy was that priests having OPENLY renounced their vows of ordination in fact SECRETLY remained priests with full allegiance to the very Pope Pius XII who: brought Hitler to power; never annulled the Reich Concordat (which Hitler supposedly broke); and never OPENLY attacked Nazi-fascism until AFTER the war—while overseeing his "Vatican Ratlines" via Bishop Hudal. Remembering that "black is white and white is black" according to Ignatius Loyola's *Spiritual Exercises*, we must therefore regard every "ex-priest" having entered the SS to have been in Rome's undercover priesthood, having never TRULY repudiated his allegiance to the "infallible" Pope's Spiritual or, most importantly, Temporal Power. Since Bavaria was the most powerful Jesuit fortress north of the Alps; since Bamberg, Bavaria, was the center of the Pope's Holy Roman Empire for centuries; since Bavaria was the base of operations from which was launched the **Black Pope**'s First Thirty Years' War (1618-1648), and since Bavaria was the origin of the Nazi Party and SS, we must look to the Jesuits of Bavaria and their absolute control over: the Archbishops of Bamberg and Munich; the Wittelsbach dynasty; the Bavarian press; the OPEN but FALSE rule of Bavarian Jewish Communists intended to justify the rise of the Masonic Thule Society; the Nazi Party; and the Bamberg Freicorps which became the SS of Heinrich Himmler, Hitler's Ignatius Loyola who remained a loyal devotee of the Pope until his secret death in exile.

Father August Wilhelm Patin #457

This priest is the most important direct connection between the Papacy and Himmler's SS which the author has discovered. (Author Edmund Paris wrote that one of Himmler's brothers was an ex-Benedictine monk.) The COUSIN of Himmler, Patin was a Dominican priest, according to a source in Germany, and held a doctorate in Papal Theology—Canon Law! As a German Bavarian priest, he was fully aware of the Jesuit power centered in Munich's St. Michael's Church adjacent to the Cathedral, while he served as a Canon to the Archbishop of Munich, Michael Cardinal von Faulhaber. Under secret orders from his Cardinal master, Patin OPENLY left the priesthood and joined his cousin's SS to become an advisor of Himmler and his twelve SS Generals ("Jesuit Assistants") throughout the war. This fact is so dangerous to repeat in Germany that the source of Heinz Höhne (author of *The Order of the Death's Head: The Story of Hitler's SS (1969) pp.40, 665*), being a relative of Himmler, refused to permit the German author to reveal his name when questioned in 1966.

Father Albert Hartl, 1904 – 1982 #458

Albert Hartl is one of the key liaisons between the RSHA (Reich Central Security Department including the Gestapo and SD) and the Vatican. Ordained to the priesthood in 1929 by Munich Archbishop Cardinal von Faulhaber, in 1933 he joined the Nazi Party and in 1934 he "resigned" from the priesthood to join Himmler's SS secretly overseen by the Archbishop. Assigned to the RSHA in Berlin, Hartl covertly linked Jesuit priests in Vatican City with the Gestapo and SD. Two such priests worked at the Order's Gregorian University; one the librarian, and the other, Bavarian Jesuit Robert Leiber, Pius XII's confessor and advisor. Hartl, in accord with the Order's OPEN but FALSE policy, feigned to destroy all of "Christianity" while making speeches against the Roman Catholic Church and especially the Jesuits. (Himmler would do the same from time to time, openly denouncing the Jesuits, yet having fashioned the SS/SD after the Order!) SS Major Hartl, under the command of Heydrich later murdered by the Order, worked with SS officer Patin on a regular basis. In 1943 after the Nazis took Rome, Hartl established contacts with Bishop Hudal, making plans for the future European evacuation of SS henchmen via the Ratlines. Mystery-shrouded Benedictine monk Prior Hermann Keller, who visited the Vatican inadvertently to brief the Pope and his confessor, was Himmler's SD undercover agent throughout the war. {135} Thus Edmund Paris was right when he stated: "In fact, a certain special organ was taking shape at the heart of the Central Service of the Security Service SS, with Catholic priests occupying almost all the important posts—and these priests were wearing the black uniform of SS officers." {136}

SS/SD Nazi General Walter Schellenberg, 1940s #459

SS/SD Walter Schellenberg At the Nuremberg Trials, 1945 #460

Roman Catholic Nazi Generals Schellenberg (above) and Reinhard Gehlen—Hitler's most powerful intelligence officers at the time of Germany's surrender—were both absorbed into Allied Intelligence after the Vatican's Second Thirty Years' War (1914-1945). In 1951, one year before his death in Turin, Italy, Jesuit Coadjutor Schellenberg was given an audience with his master, Pius XII, the Pope responsible for the "Final Solution." During Rome's Cold War and "Space Race" (1945-1989), the Order's International Intelligence Community, financed by its International Drug Trade, was perfected and unified via the protected SD.

#461 #462

SS/SD Lt. General Reinhard Heydrich (1904 – 1942), 1930s; 1940s

The evil "General Wallenstein" of the ***Black Pope***'s Second Thirty Years' War, Heydrich was the only high Nazi official ever to be assassinated. Known as "the Butcher of Prague" and surnamed "the man with the iron heart" by Hitler, this half-Jew became a mass-murderer of his own racial Hebrew/Jewish people. In charge of Hitler's Reich Security Main Office (RSHA—which included Mueller's Gestapo/SD, Schellenberg's Foreign SD and the Kripo Nazi Police), Heydrich chaired the secret 1942 Wannsse Conference detailing "the Final Solution to the Jewish Question." The meeting was hosted at the Wannsse Institute headed by a Georgian Jesuit holding professorships in both German and Russian, and covertly serving as a liaison between the SD and NKVD! Heydrich was not aware of the collusion between Hitler and Stalin evidenced by his criticism of the treatment of the German Armies East, their lack of winter clothing and supplies.

Further, upon investigation, this cunning officer discovered Bormann's collusion with Germany's Communist spy ring called the "Red Chapel." Since Bormann was the real Fuehrer, and Himmler his secret supporter, Heydrich feared them both according to Schellenberg. It was now time for Heydrich to go! Working with British Intelligence via the Gestapo, Himmler arranged for the assassination of his subordinate in similar fashion as would be the JFK murder. Rounding a hairpin turn in Prague, when fired upon by Czech partisans the new driver nearly stopped, while a subsequent bomb critically wounded Heydrich. Taken to Himmler's personal physician, Prof. Gebhardt refused to remove the infected spleen thus ensuring death. After the funeral, Himmler declared that Heydrich's death mask served two purposes: "for the sake of memory or example."

Knight of Malta Sir William S. Stephenson (1897 – 1989), 1950s #463

Surnamed "Intrepid" and "the Quiet Canadian," Knight Stephenson was one of the fathers of the Order's CIA and thus the ***Black Pope***'s Masonic International Intelligence Community. A cartel-capitalist and multimillionaire industrialist, Intrepid was the senior British MI6 officer for the entire western hemisphere during WWII. Fully anticipating US entry into the war after Masonic FDR and Masonic Hirohito's 1941 attack on Pearl Harbor, his office of British Security Coordination (BSC) was set up in 1940 at the Order's Rockefeller Center, New York City, just across the street from Archbishop Spellman's "Powerhouse," St. Patrick's Cathedral. As Churchill's personal representative to FDR, Intrepid recommended brother Knight of Malta "Wild" Bill Donovan to head the newly formed OSS, vitally linked to Churchill's SIS. Secretly working with the Pope's Nazis via Vatican intelligence liaisons, Himmler arranged Heydrich's successful assassination with Stephenson: this same secret nexus between Himmler's SD and Menzies' SIS would fake the death of Himmler and facilitate his escape in 1945—British Intelligence having been a covert player in "the Final Solution!"

That same year the United Nations was created in Jesuit-ruled San Francisco. Its new Rockefeller-financed headquarters (in the background above) would be in New York City, the political capital of the world: its real purpose would be to unite all of Rome's intelligence agencies under one roof near the Order's CFR and Fordham University advising the Archbishop. In 1963 Stephenson was an associate of brother Knight of Malta and darling of the Montreal Jesuits, Louis M. Bloomfield. And both men would conspire to assassinate President Kennedy!

Ex-Basilian (Jesuit-controlled) Charles E. Coughlin (1891 – 1979)

#464

Calling at FDR's White House Early in 1936

A powerful speaker successfully agitating the desperate American people during the 1930s, Jesuit-controlled Coughlin was a past member of the communist "Community of St. Basil" having been formed by "ex-Jesuits" during their Suppression from 1773 to 1814. This Jew-hating, socialist-fascist was a close advisor of President Franklin Roosevelt. Although later openly critical of FDR during his second term, pro-Nazi Coughlin was a backer of FDR's socialist New Deal, as was his brother Jesuit and New Deal Democrat, Fr. Robert Hartnett.

Intended to further destroy the nation's White Anglo-Saxon Protestant Middle Class attributing the Great Depression to the failure of Protestant-based, laissez-faire economic policy, the New Deal included the numbering of every American with a "Social Security Number," the forerunner of the number of "the beast."

Like all good Jesuits under orders, he blamed the evils of the Federal Reserve Bank on the Jewish Race. But the bank's true master, managed by the New York Knights of Malta, was his secret "Father General," the **Black Pope**.

Archbishop Spellman, Cardinal Pacelli, Jesuit Gannon, 1936 #465

Upon Cardinal Secretary of State Eugenio Pacelli's diplomatic visit to the US in preparation for WWII, he addressed Fordham University—the ***Black Pope***'s military fortress in New York City. University President Robert I. Gannon (R), the overseer of Archbishop Spellman (L), escorts Cardinal Pacelli, the second most powerful man in the Vatican. After the war Spellman would orchestrate Pacelli's Vatican Ratlines into the US manned by Gannon's Fordham Jesuits. Many Nazis would be brought into the CIA/FBI overseen by Spellman himself.

The Cardinal Spellman Story, Robert I. Gannon, S.J., (Garden City, New York: Doubleday & Co., Inc., 1962).

Archbishop Francis Spellman in the Holy City, Jerusalem**, 1943** #466

Led by Arab Moslems of Jerusalem, Spellman has exited the Church of the Holy Sepulcher after leading an idolatrous Pontifical Mass on pagan Easter Sunday. Pius XII's Jesuit Spiritual Coadjutor knows Jerusalem's importance in Rome's plans for building a Third Hebrew Temple. In OPEN alliance with Islam, Spellman was promising the Arabs there would never be a nation of Israel thus solidifying the alliance between Mussolini, Hitler and Jerusalem's Grand Mufti, as they led the ***Black Pope***'s Crusade against the Jews of Europe. In SECRET alliance with England's Fabian Socialist/British Labor-backed/Jesuit controlled, Masonic Jewish Labor Zionists, Spellman was promising the Jews a new nation of Israel, secretly intended to be the Kingdom of Jerusalem of Rome's restored Dark Ages, Jerusalem covertly purposed to be an international city! It is for this reason Spellman rallied his South American dictators to vote for Israel's entrance into the United Nations, and assassinated President Kennedy for not providing atomic weapons development to Rome's Labor Zionists. Spellman would live to see the birth of Israel and the taking of Jerusalem from Jordan, not for the benefit of the Lord's beloved Hebrew people, but for its use by the Pope!

Clearly, all post war diplomacy deciding the course of Rome's "Cold War" was in the hands of the ***Black Pope*** via the Craft. ***Roosevelt's Secret War: FDR and World War II Espionage***, Joseph E. Papal Knight Harold Macmillan at the Vatican, 25 May 1945 #471

British Minister Resident in the Mediterranean

At Yalta, with the fate of all displaced Soviet citizens having been decided, the Western Allies (1945-1947) handed over two million anti-communist Soviet refugees who were then shot or shipped to the death camps of the **Black Pope**'s Gulag Archipelago. According to Nikolai Tolstoy in his masterpiece, *The Minister and the Massacres*, presently banned in England and for which he was sued over one million English pounds, Harold Macmillan was the villain who gave the betrayal order carried out by the Supreme Allied Commander, Field Marshal Alexander. Being identical to the Katyn Forest massacre during which the Order's Gestapo/NKVD shot and buried 14,700 anti-communist, patriotic, Roman Catholic Polish officers and policemen, this infamy resulted in nothing less than mass-murder, including 40,000 pro-Tsarist Cossacks and thousands of anti-communist, patriotic, Roman Catholic Slovaks. For his obedience in eliminating the political enemies of Jesuit-trained Josef Stalin, Macmillan went on to become the Prime Minister of England with the blessing of Pope Paul VI.

Above, this English "Jesuit of the short robe" has met with Pope Pius XII with whom he had "a long and moving talk." Most assuredly, Macmillan was well received and well rewarded for obeying the Order's wicked Council of Trent.

Papal Knights: Dulles, Eden and Churchill, London, 1954 #472

President Eisenhower's Secretary of State and speechwriter John Foster Dulles greets Prime Minister Winston Churchill and Foreign Secretary Anthony Eden at 10 Downing Street, recalling wonderful memories of their momentous roles during the ***Black Pope***'s Second Thirty Years' War (1914-1945). Together they had aided in: the sinking of the Lusitania; the Armenian Massacre; murdering the flower of Protestant English manhood during World Wars I and II; the cause and success of the Bolshevik Revolution; the rise of both Hitler and Stalin who executed the Jewish, Lutheran and Orthodox Holocausts; the destruction of the Protestant German and British Empires; the dismemberment of the Islamic Ottoman Empire and subsequent creation of the nation of Israel—the Pope's Kingdom of Jerusalem; the saving of Nazi SS war criminals via Rome's Vatican Ratlines and the Berlin Airlift under the guise of the Cold War Hoax. Dulles' brother Allen was now CIA Director and his son Avery is today a Jesuit priest and Cardinal residing at Fordham University, New York City. Dulles' master was New York Archbishop Francis Cardinal Spellman; Churchill and Egan's master was London's Archbishop of Westminster Bernard Cardinal Griffin!

He chose his emissary well. . . . Kennedy, an isolationist after Hearst's own heart, hurried to the publisher's castle at San Simeon and reassured him of Roosevelt's patriotism. . . .

As it happened, [*Jesuit-controlled, Roman Catholic*] Chicago was the site of both party conventions, and the contrast in party spirit was striking. . . . During the week before the [*Democratic*] convention opened, [**Knight of Columbus**] **Jim Farley** and [**Knight of Malta**] **Ed Flynn** labored in the Roosevelt headquarters at the Congress Hotel, occasionally calling on [**Knight of Malta**] **Kennedy** for help. He carried confidential messages, caught and spread high-level rumors, and buttonholed influential party figures. . . . Now the votes of Texas and California were indispensable, . . .

Kennedy called several times, warning Hearst to act . . . After talking with his representative in Chicago, **Hearst** decided . . . **Garne**r must deliver his delegates to **Roosevelt**. . . . Delegation after delegation, except for the Smith irreconcilables, swung aboard the Roosevelt bandwagon set rolling by California. . . .

Many men had a hand in the decisive switch of the Hearst-controlled votes, but Kennedy later claimed full credit. Yes, he boasted long afterward, his telephone call had brought Hearst around, 'but you don't find any mention of it in the history books [*fascists Kennedy and Hearst working together with key Knights of Malta to enthrone Protestant Roosevelt over Roman Catholic* **Al Smith**, *the Order successfully deceiving American Protestants into believing that Rome was not in control of Washington, when in fact the foreign policy of FDR would be secretly dictated from the Vatican*]. . . .

Just before leaving Casablanca, the President had made special arrangements to accommodate **Archbishop Francis J. Spellman**, the Catholic military vicar, who was anxious to tour the European front. He would be permitted to pass through belligerent territory and visit the neutral **Vatican City** in Rome. Early in **February, 1943**, the Archbishop left New York on the first leg of a twenty-four week, 46,000-mile journey. At the **Vatican**, the Archbishop talked for several hours with **Pope Pius XII**; the substance of their conversations never has been disclosed [*as* **Spellman's** *high treason against America would then be known*]. . . . **Archbishop Spellman** returned to America in early **August** [**1943**]; a month later, he was an overnight guest at the White House.

In their conversations, the President proclaimed himself a 'realist,' causing **Archbishop Spellman** to prepare a memorandum afterward setting forth Roosevelt's disturbing thoughts: 'He hoped [*in August of 1943*], 'although it might be wishful thinking,' that the Russian intervention in Europe would not be too harsh. . . . It is natural that the European countries will have to undergo tremendous changes in order to adapt to Russia, but he hopes that in ten or twenty years the European influences would bring the Russians to become less barbarian [*this, in 1943 dear truth-seeker!*]. . . .

The [Eastern] European people [the "accursed" and "heretic" Orthodox peoples of Romania and Serbia/Yugoslavia; the "liberal," truly patriotic Roman Catholic peoples of Hungary and Poland; the "accursed" and "heretic" Lutheran peoples of Lithuania, Latvia and Estonia; the "accursed" and "heretic" Protestant and Lutheran peoples of East Germany; etc., in fulfillment of **Genesis 12:1-3**, as none of the governments of these Gentile peoples sought to protect the risen Son of God's beloved Hebrew/Jewish/Israelitic racial brethren while the ***Black Pope***'s SS was deporting them to **Pope Pius XII's** death camps in Poland] will simply have to endure the Russian [communist] domination [led by **FDR's** Jesuit-trained Masonic brother, "Uncle" **Josef Stalin**]. . . .'

The Archbishop [**in 1943**] went on to sketch the plans being laid for postwar Germany [as undoubtedly decided at the Vatican about which plans **Spellman**

and **Pope Pius XII** (aided by the Pope's Bavarian German Jesuit confessor, **Robert Leiber**) must have discussed in minute detail].

The Reich would be dismembered and denied a central government [*which did occur*]. There would be no peace treaty; the Big Four would rule by decree [*which also occurred, the occupying "Big Four" being the US, the USSR, France and Great Britain, the Order controlling Freemasons FDR/Truman, Stalin, de Gaulle and Churchill via New York's Council on Foreign Relations and London's Royal Institute of International Affairs*]. The Germans would be disarmed for forty years [*also fulfilled, the Cold War lasting forty-five years ending in December, 1989*]. This, in rough outline, was **the Morgenthau Plan,** then being drawn up for the Treasury Secretary [**Henry Morgenthau, Jr.**] by his chief assistant, **Harry Dexter White** [**Weiss**, *a Soviet agent confirmed by the Venona project*], who was at the very least a Communist sympathizer [*the Order using two of its CFR-controlled Jews to continue the illusion that Masonic Jews were the high masters of* the **Black Pope**'s *International Communist Conspiracy for a world government to be centered in* Jerusalem *(so asserted by the Order's Protocols of the Learned Elders of Zion and Hitler's ghost-written Mein Kampf) spearheaded by Moscow, yet in fact financed by New York and London, and coordinated by the CIA and MI6 ruling and interfacing with the KGB, the Rockefeller-financed United Nations serving as one of the keystone international liaisons for all post-war intelligence agencies composing* the **Black Pope**'s *International Intelligence Community*]." {3}

The Founding Father:
The Story of Joseph P. Kennedy

"For the SS the important thing was to escape. In this its members were hampered by the vigilance of the occupying forces from the United States, Britain, and France and also by the existence, under one armpit, of a tattoo showing their blood group. Nonetheless they had friends abroad. As to who these friends were was a subject of controversy. There is, purportedly, a group called **ODESSA**: Organization der Ehemaligen SS-Angehoerigen (Organization of Former SS Members). It has been referred to extensively by **Simon Wiesenthal,** a Jewish émigré living in [*the Jesuit Order's*] Vienna who has been instrumental in continuing the vigilant pursuance of SS offenders. It was the subject of a best-selling novel by **Frederick Forsythe** [*The Odessa File (1972)*] and was subsequently filmed.

[*The recently deceased* **Simon Wiesenthal**, *according to Jewish researcher* **Sherman Skolnick**, was *one of the Pope's "Court Jews." His purpose was to give the illusion that there is a genuine pursuit of former SS men having escaped the bar of justice. One must notice that none of the Jesuit Order's top Nazis having escaped through* **Cardinal Montini's Vatican Ratlines**—*including Roman Catholics* **Adolf Hitler**, **Martin Bormann**, **Heinrich Himmler**, **Heinrich Mueller** and **Josef Mengele**—*were ever apprehended, though their residence in host countries had*

*been well known to certain Papal Knights (***Allen Dulles***) governing the American Intelligence Community.* **Adolf Eichmann**, *the "heretic" Protestant, was "sacrificed" in 1960 for the purpose of saving the Pope's Masonic, socialist-communist* **Ben-Gurion** *government of Israel from collapse as a result of the unforeseen* **Kastner Affair** *immortalized by Hollywood screen writer,* **Ben Hecht** *in his Perfidy*.]

> But its existence is denied by other researchers, such as **Werner Brockdorff**, who says that ODESSA is a fiction and the real escape route is the so-called Roman Route [the **Black Pope**'s **"Vatican Ratlines"**], by which former SS men were and probably still are handed by one member of the Jesuit Order to another across the Brenner [*Pass*] into Italy, where from dispersement centers in Milan, Genoa, and Rome they are transshipped to South America [*and* **Francis Cardinal Spellman's** *Fourteenth Amendment America*] or the Middle East [*to train Masonic Islamic Arab Jesuit Temporal Coadjutors*—**Yasser Arafat**—*in continuing The Secret War Against the Jews (Loftus and Aarons, 1994) pursuant to the Jesuit Oath*]. Why the Jesuit Order should be implicated we are not told; we are simply given the 'facts.' Shirer** *(The Rise and Fall of the Third Reich, 1960) and British SIS officer/RIIA member* **Hugh. R. > "On the other hand the **Romisher Weg** [*Roman Route*] wasn't a fantasy escape organization. One of the main initiators and organizers was [*Roman Catholic Jesuit Temporal Coadjutor, SS Lieutenant Colonel*] **Walter Rauff** [*(1916-1984); intimate friend of Hitler's Vice Chancellor and Knight of Malta* **Franz von Papen**; *head of Department II D of the Reich Security Main Office—RSHA—who developed mobile gas vans using engine exhaust and Zyklon B pellets; charged with killing 97,000 Jews, mostly women and children; escaped to Chile aided by German Bishop* **Alois Hudal** *(another intimate friend of Hitler's Papal Chamberlain,* **Franz von Papen**) *where he died under the protection of* **Pope John Paul II's** *Roman Catholic Knight of Malta, pro-Opus Dei, fascist dictator,* **Augusto Pinochet**]. . . . Basically, he [**Walter Rauff**] was in charge of Security over the rest of Mussolini's Italy [*Rauff having been appointed by Bormann as SD*

chief over northern Italy in 1943] . . . next to his official job he had, more or less, three secret schemes. First, he extended his Vatican contacts and particularly to **Dr. Hudal**. . . . finally he got the Italian clergy to help establish escape routes [*in 1943, knowing full well of Germany's planned defeat!*]. Primarily **the Jesuit Order** stepped in and secured the connection between Rauff and Rome [*including* **Pope Pius XII's** *Bavarian German Jesuit Confessor,* **Robert Leiber**] even beyond the borders. . . .

The Austrian friends were expecting this [*the escape*] and organized a guide to bring refugees over the glacier into Italy. . . . Then came the big surprise! In Plan, southeast of "Hochfirst" [*a mountain*] they were welcomed by two German friends from Milan. Even more: an **Italian Jesuit padre** joined them to take care of them. . . . **the Roman route** had begun, an organized escape route, which was just starting at that point, but soon was going to reach its perfection. . . . The most prominent of them [*Nazi SS officers*] . . . were brought to Rauff and talked to him for hours. None of them said one word about what was discussed with their buddies. After the talks the refugees had passports from the International Red Cross and were driven to Rome in groups of two or three. . . . On the same evening [*SS officer* **Felix**] **Kersten** sat in the hallway of **Castel Solaro** facing Walter Rauff. Another person sat at the table: **a young Jesuit priest** who, by the few sentences he spoke was identified as having been born in Austria. . . . As soon as the Nazis refugees had reached Italian soil there were safe. They were picked up by Rauff's assistants, most of the time taken very good care of by [*Nazi*] **Jesuits** . . . [*Handed black cassocks, they soon*] had all the national socialist refugees changed into **priests of the Jesuit Order**." {5} [Emphasis added]

Flight From Nuremberg

"One of the black marks the Vatican may never erase from its record is the help it gave to Nazis on the run, war criminals who wanted to reach a safe haven in South America after the end of the Second World War. These 'runaways' were helped through a connection between the Vatican and ODESSA, which had set up a so-called monastery route between Austria and Italy and several Fascist countries in South America. Hitler's deputy [*fuehrer*], **Martin Bormann**, escaped through that route . . . Operating with Masonic secrecy and the ruthless efficiency that made Himmler's SS the most dreaded force in Germany, this underground organization provided false papers, ready cash, hideouts and transportation. . . . Well camouflaged, as befitted Germany's sense for efficiency, ODESSA was masterminded by a [*Roman Catholic, Jew-hating, Jesuit Temporal Coadjutor*] **Dr. Johann von Leers**, who was known in his heyday as the Jewish Expert of [*Jesuit-trained, Jew-hating, Roman Catholic*] **Joseph Goebbels'** propaganda factory and was a wanted war criminal himself. The holder of six degrees from different universities, von Leers operated virtually as a one-man team, though he had some trusted [*Jesuit*] helpers in Buenos

Aires, Cairo and Rome. He was never caught, and the last report had him living somewhere in a friendly Middle East capital where his [*hateful*] racist views on the Jewish people find a hospitable climate. . . .

Bormann had become a fairly good friend of **Pope Pius XII** when Pius was the papal nuncio in Germany for 12 years, and this may have played a role in the way the Vatican treated his case after the war. In May 1948 Bormann, dressed in the garb of a Jesuit priest, sported Vatican papers to show that he was a stateless person (they carried the official number **073.909** with Pope Pius's signature.) Strangely enough as one dressed as a Jesuit, Bormann's papers showed him to have been born in Poland with the name of **Eliezer Goldstein**, a name usually thought of as Jewish. It got him to Brazil nonetheless. It also got five of his children away from Europe, later on, in 1950, after they were housed for several days in the Pallottine Order's monastery in Rome. Carrying American passports in false names that were arranged by the Catholic Church [*through the mighty political power of the Jesuit-trained Archbishop of New York,* **Francis Cardinal Spellman,** *in control of 33rd degree Freemason* **President Harry Truman's** *State Department, Justice Department and 33rd degree Freemason* **J. Edgar Hoover's** *FBI via the Archbishop's New York* **Council on Foreign Relations**], the Bormann children left for South America [*Bormann's eldest son,* **Adolf Martin Bormann,** *later becoming a Jesuit to the Congo*] . . . That Bormann was able to get into Argentina by some devious routing can be attributed to the Vatican's rapport with [*and total control of*] that country's former [*absolutist Roman Catholic dictator and*] president [*Knight of Malta*] **Juan Peron.**" {6} [Emphasis added]

The Vatican Papers

"As the head of the Gestapo, **Müller** [**Mueller**] was a mixture of competent criminologist, chief inquisitor and lord high executioner—a medieval character grafted onto the twentieth century. More than most—more than **Eichmann** (who, after all, was only his subordinate), certainly more than **Bormann**—**Heinrich Müller** had ample reason to vanish. The master of torture and death himself, he was certain to be executed when caught. He was wanted after the war on two vastly different counts, both by the victors and by the Nazi avengers. The Nazis had him on their own blacklist for treason [*and rightfully so*]. He was suspected of having been a Soviet agent since 1944, feeding intelligence to the Russians on a hidden radio [*on orders from* **Martin Bormann**]. . . .

[*This Roman Catholic author,* **Ladislas Farago**, *then proceeds to deny that Jesuit Coadjutors* **Heinrich Mueller** *and* **Martin Bormann** *(Hitler's papal master) were pro-Soviet, double-agents as proven by* **Louis Kilzer** *in his Hitler's Traitor (2000). Further,* **Farago** *has nothing but praise for* **Pope Pius XII's** *confessor and advisor,* **Bavarian German Jesuit Robert Leiber**, *repeating the lie that* **Leiber** *sought to*

save the lives of the "accursed" Jews of Rome. Obviously, **Farago** *is, in fact, another Jesuit Temporal Coadjutor espousing certain truths but denying others so as to lead the reader away from the obvious conclusion that* **the Papacy** *was the true power behind the Third Reich and the savior of tens of thousands of Nazis smuggled into the West, secretly converting Fourteenth Amendment America into the Fourth Reich, the SD becoming the CIA/BND and the Waffen-SS becoming "the Green Berets." Subject to the Pope's SD and CIA, both overtly "anti-communist" but covertly pro-communist military Orders (utilizing the same Death's Head symbol) in fact built communism as well as Islamic extremism and thus America's present Sino-Soviet-Moslem threat.*]

> **Müller** [**Mueller**] left Berlin on May 17 [*protected by the OSS/NKGB until his departure for Rome*], going west on the first leg of his escape. Clad in the uniform of an army private and carrying the dead Liedtke's papers, he walked most of the way with his two companions, **Heiden** and **Scholz**, in tow. They traveled lightly. Müller, in fact, carried only a small suitcase, but it was filled with American dollar bills [*courtesy of Donovan's OSS for which he worked*]. Their first mishap occurred on the third day. Heiden was arrested at a British checkpoint near Kassel. But Müller and Scholz were passed on. It took them two weeks to reach Munich [*receiving the protection of his old friend,* **Munich Archbishop Michael Cardinal von Faulhaber**], the first stop on their original itinerary. Three days later they crossed into Austria near Mittenwald, the last village on the Bavarian side of the border . . . [*and*] headed for the safe house on Fallmerayerstrasse in Innsbruck on the Austrian side of the border, where another officer of the defunct Security Service [*SD*], a man named **Walter Brunner**, was awaiting them. . . . Moving from Nauders, the village which also became Bormann's last stop in Austria, through **Resia Pass**, Müller reached Merano [*Italy*] without a further hitch. . . .
>
> From there on, Müller traveled in style, no longer left to his own resources. Wolf drove him to Rome in Schwend's Mercedes and deposited him at **Collegio Croatto** [*Croat College*] **on Piazza Colonna**, a seminary of Yugoslav [*Croat*] priests who were adherents of [*Croat Jesuit Temporal Coadjutor*] **Ante Pavelic**, the deposed Nazi dictator of Croatia. After a few days at the Collegio, **Father Mihailovic**, superior of the seminary, took the former Gestapo chief to Grottaferrata to see the **Titular Bishop of Aela**, rector of the **German Istituto Santa Maria dell'Anima**, and one of the closest friends of **Pope Pius XII**, whose Adjutant at the throne he was. Contact was thus made with the Vatican rescue mission [*rescuing the Pope's Nazis*], which, in the person of [*SMOM*] **Bishop Alois Hudal**, assumed responsibility for Heinrich Müller's welfare from then on. . . .
>
> **Bishop Alois Hudal** is the mystery man of the great conspiracy that aided as many as **50,000 Nazis**, if not more, to make the transition into a new life after the war. He is mentioned only in passing even in the best books about the aftermath. [*Masonic Jewish Labor Zionist*] **Michael Bar-Zohar** described him as a 'German Archbishop' (although he was neither a German nor an *arch*bishop)

and characterized him as 'a loyal friend to the Nazis.' According to [*Masonic Jewish Labor Zionist*] **Simon Wiesenthal**, he was a Slovenian by birth, close to [*Nazi/Ustashi mass-murderer*] **Archbishop Stepinac** of Croatia, the notorious Nazi prelate of Zagreb who himself was a refugee. Hudal was always mentioned only in passing and in tantalizingly brief references. Presented like a ghost hovering over this enormous enterprise, he was called variously 'an angel of mercy' and 'the Nazis' Scarlet Pimpernel.' No report on the aftermath can afford to ignore this controversial prelate. With industry and energy belying his sixty years, and with a zeal that never ceased to amaze the desperate men he helped, he masterminded the escape of thousands of war criminals and thus laid the foundations for a **Fourth Reich** [*now in 14th Amendment America*]. . . .

Franz Paul Stangl, former commandant of the Treblinka death camp who had the murder of 700,000 Jews on his conscience, had been safe in Brazil since 1951. He worked as a senior technician at the huge Volkswagen plant in Sao Paulo, where many fugitives like him had wrested jobs from **Friedrich Wilhelm Schultz-Wenk** . . . denazified by the British after the war . . . and a Knight of Malta although he was a Protestant." {7} [Emphasis added]

Aftermath

"As we know, his [**SS General Heinrich "Gestapo" Mueller**] official grave does not contain his remains. . . . Communication to the author from the Central Office of State Justice, Ludwigsburg, Bavaria, 31.1.2000 reads:

'Another version states that Mueller didn't die in Berlin in the last days of the war. Instead he fled to Switzerland. Here he went underground until he was discovered by the **US Secret Service**. He was taken to the States, given US citizenship and a new name. Here he specialized in anticommunism [*functioning (in conjunction with CIA* **Knight of Malta James Angleton**) *as a direct liaison to Stalin's KGB, Mueller having worked with the real NKVD head,* **Nicolai S. Vlasik (1896-1967)** *during World War II in betraying the Protestant portions of Germany into the hands of the Jesuit General's American-financed, savage, raping and pillaging Soviet Red Army*] under the auspices of the CIA. This group was directly controlled by the White House (1948-1951). [*In Jesuit Temporal Coadjutor* **Oliver Stone's** *most revealing movie, JFK Director's Cut, the elder character speaking English with a German accent while smoking a pipe during a private 1963 meeting with President Johnson and the Joint Chiefs of Staff, although unidentified by the scriptwriter, was none other than* **Heinrich "Gestapo" Mueller.**] Thereafter he was pensioned off with the rank of General. He married again and fathered two children, dying in 1973, unbothered by any further investigations.' " {8} [Emphasis added]

The Search For 'Gestapo' Mueller

"In 1952, Dwight D. Eisenhower said: '**We have been unable to unearth one bit of tangible evidence of Hitler's death. Many people believe that Hitler escaped from Berlin**.' When President Truman asked Joseph Stalin at the Potsdam conference in 1945 whether or not Hitler was dead, Stalin replied bluntly, '**No.**' Stalin's top army officer, Marshall Gregory Zhukov, whose troops were the ones to occupy Berlin, flatly stated after a long, thorough investigation in 1945: '**We have found no corpse that could be Hitler's.**' The chief of the U.S. trial counsel at Nuremberg, Thomas J. Dodd, said: '**No one can say he is dead**.' Major General Floyd Parks, who was commanding general of the U.S. sector in Berlin, stated for publication that he had been present when Marshall Zhukov described his entrance to Berlin, and Zhukov stated **he believed Hitler might have escaped**. Lt. General Bedell Smith [*whom General Patton hated and considered to be a traitor*], Chief of Staff to Gen. Eisenhower in the European invasion and later Director of the CIA, stated publicly on Oct. 12, 1945, '**No human being can say conclusively that Hitler is dead.**' Col. W. J. Heimlich, former Chief, United States Intelligence, at Berlin, stated for publication that he was in charge of determining what had happened to Hitler and after a thorough investigation his report was: '**There was no evidence beyond that of HEARSAY to support the THEORY of Hitler's suicide.**' He also stated, '**On the basis of present evidence, no insurance company in America would pay a claim on Adolph Hitler.**' Nuremberg judge Michael Mussmanno said in his book *Ten Days to Die*, '**Russia must accept much of the blame that Hitler did not die in May 1945** [*of course, since Stalin's NKVD and Hitler's SS/SD had worked together for the entire duration of the Pope's Crusade*]' . . . Former Secretary of State Jimmy Byrnes in his book *Frankly Speaking* [*stated*]: 'While in Potsdam at the Conference of the Big Four, Stalin left his chair, came over and clinked his liquor glass with mine in a very friendly manner. I said to him:

"Marshall Stalin, what is your theory about the death of Hitler?" Stalin replied: **"He is not dead. He escaped either to Spain or Argentina** [*for which reason both Roman Catholic nations led by papal dictators loyal to* **Pope Pius XII** *were kept neutral during the war*]." ' . . . The Jewish writer Michael Bar-Zohar in *The Avengers*, p. 99, said: 'In 1943 Admiral Doenitz had declared: **"The German U-boat fleet is proud to have made an earthly paradise, an impregnable fortress for the Fuehrer, somewhere in the world."** He did not say in what part of the world it existed, but fairly obviously it was in South America.' Secret Nazi UFO Bases Revealed!

"My conclusion is that the 'historical truth' about Hitler's death is based on an elaborate hoax concocted by some of Hitler's close associates and members of his Security Services [**SS/SD/Gestapo**] and by an inadvertent cover-up, and the ineptitude of the U.S. and British Security Services [**CIC/OSS/CIA/MI5/MI6**] and their unwillingness to believe Stalin [*who knew quite well of Hitler's escape through fellow Jesuit Coadjutors/NKVD liaisons, SS Generals* **Martin Bormann** *and* **Heinrich Mueller**, *Stalin's open and notorious insistence upon Hitler's escape*

calculated to fuel the Pope's Cold War]. What seems to be true is that both Hitler and Eva Braun (and probably [**SS General**] **Hermann Fegelein** [*i.e., Eva Braun's brotherin-law*]) escaped from Berlin and reached [*Barcelona*] Spain by plane.

While the previous evidence leaves a lot of questions and is full of contradictions, we now have [**SS General Heinrich "Gestapo"**] **Mueller's** statements [*quoted in* **Gregory Douglas'** *grand masterpiece, Gestapo Chief: The 1948 Interrogation of Heinrich Mueller (1995)*] that tend to fill in neatly many of the holes in this story and which provide us with convincing arguments that Hitler and his wife left Berlin on April 22, 1945. We know that the [*American CIC*] **Nordon Report,** the report of the Russian investigation commission (May 1946) and Mueller's interrogation report, all deny that two, partly-cremated bodies ever existed. It is therefore quite possible that this was evidence invented by the Russian Intelligence Service (**NKVD**) later, in order to cover up the fact that Hitler and Eva Braun escaped from under their noses [*as intended due to months of planning,* the **Black Pope**'s *International Intelligence Community working together protecting the Vatican's bloodiest Crusader in history*]. . . .

If we consider that the whole story of **Hitler's** and **Eva Braun's** suicide, with the subsequent partial burning, and burial of the bodies, was an elaborate fake supported by the Russian Secret Police in order to imply that Hitler died instead of escaping, then we also understand their reluctance to invite, in 1945, independent forensic experts, and to publish exact supporting forensic evidence, such as autopsy photos, X-rays and reports. The reason for not doing this is now clear: there simply were no bodies of Hitler and Braun, and hence there could not have been any exact forensic reports. . . . **Heinrich Mueller** . . . head of the German Secret Police, took charge . . . Mueller controlled all the strings in the bunker from the evening of April 22, 1945 [*after Hitler departed for Linz, Austria, and was replaced by his to-be-murdered double*] till the end." {10}[Emphasis added]

Hitler's Escape

"[**Knight of Malta**] **John J. McCloy** was the Wall Street attorney for Rockefeller's Standard Oil and represented the refineries of the Nobel family's giant Caucasus oil fields which had been taken by the Bolsheviks [*and then sold to the Rockefellers*]. He had been called on by no less than nine presidents for special assignments, though he was barely known to the public. He had spent the decade of the 1930s working out of Paris on a [*bogus*] law case stemming from German sabotage in World War I. His investigation [*as intended*] took him to Berlin, where he shared a box with Hitler at the 1935 Olympics. He had served as legal counsel to I. G. Farben [*directed by* **Knights of Malta Herman Abs** *and* **John Foster Dulles**], the giant Nazi-manufacturing cartel, and was in contact with **Rudolph Hess** before the Nazi leader made his mysterious flight

to England in 1941. While the Nazis occupied Europe, Standard Oil tankers continued to supply fuel to the Nazi war machine.

As assistant secretary in the War Department during the war, **McCloy** blocked the executions of Nazi war criminals, oversaw the internment of Japanese-Americans in California, and refused Jewish refugees entry to the U.S. He helped shield **Klaus Barbie**, the 'Butcher of Lyons,' from the French. Barbie's and Hitler's other mad dogs were hidden out with the [*American*] 970th Counter-Intelligence Corps in Oberammergau [*Bavaria*]. One of their keepers was **Private Henry Kissinger**, who would soon enter Harvard as McCloy's protégé. [**Henry Kissinger** *was also tutored by ex-Nazi* **Knight of Malta Fritz Kraemer** *who spent thirty years in thePentagon and mentored* **Knight of Malta Alexander Haig, Jr.**]

In 1949 **McCloy** returned to Germany as American High Commissioner. He commuted the death sentences of a number of Nazi war criminals and gave early releases to others [*including SS Brigadier General and Jesuit Temporal Coadjutor* **Edmund Veesenmayer**]. One was **Alfred Krupp**, convicted of using slave labor in his munitions factories. Another was Hitler's financial genius, **Dr. Hjalmar Schacht**, who subsequently went on the payroll of **Aristotle Onassis** [*who later married* **Jackie Kennedy**].

In 1952 **McCloy** left a Germany preparing to re-arm to become President of the Chase Manhattan Bank, a director of a dozen blue-chip corporations, and legal counsel to the 'Seven Sisters' of American Oil. Prior to the 1917 [*Bolshevik*] revolution, the Russian interests of one of his clients, the Nobel oil firm, had been managed by the father of CIA agent [**Papal Knight**] **George DeMohrenschildt—Lee** and **Marina Oswald's** 'best friend' in Dallas. As busy as he was, **McCloy** still found time to supervise construction of the new Pentagon Building [*to house the enforcers of the Pope's Temporal Power*], which was nicknamed '**McCloy's Folly**.' . . .

American willingness to deal with the ilk of [**Klaus**] **Barbie** and other SS agents had much to do with the crisis occurring in Korea about this time. The [**Cardinal Spellman**-*ruled*] U.S. [*openly, but falsely*] feared an imminent Soviet invasion of Western Europe [*promoted by* **Jesuit Edmund A. Walsh** *via his Jesuit-trained* **Senator Joseph McCarthy**], due in large part to [*deliberately*] erroneous estimates of Russian troop strength supplied by [**Knight of Malta Reinhard**] **Gehlen**. We wanted to be able to rely on West German military muscle and steel mills. The new German administration [*led by another Jesuit-trained Roman Catholic* **Knight of Malta, Chancellor Konrad Adenauer** *(1949-1963)*] demanded in return the freeing of convicted Nazi war criminals from Landsberg Prison near Munich [*how coincidental!*]—men who were responsible for the murders of an estimated two million people, profiteering from slave labor, massacring American POWs and thousands of other specific acts of terror.

U.S. High Commissioner for Germany [**Knight of Malta**] **John J. McCloy** (who would later serve on the **Warren Commission** 'investigating' **John Kennedy's**

death) reviewed their records. He ignored the evidence brought to light against them at their trials and effected the release of virtually **all** of the convicted concentration camp doctors; **all** of the top judges who had presided over the Nazis' 'special courts' [*these SS-controlled judges having murdered thousands of patriotic Germans who opposed the tyranny of Hitler, including 5,000 allegedly involved in the attempted assassination of Hitler in 1944*]; **all** of the convicted criminals in the Krupp corporation slave labor case, and almost all of the two groups of mobile execution squads (Einsatzgruppen). These clemency decisions led to the eventual release of hundreds of other convicted Nazi war criminals over the next five years [*evidencing that the Nuremberg Trials were merely showcase trials intended to deceive the American people into believing that justice was being served when in fact the real enemies of* **Hitler**, **Bormann**, **Himmler**, **Mueller** *and* **Wolff** *were eliminated*]. Upon his release from Landsberg a few days after **McCloy** had granted clemency, convicted I. G. Farben executive **Fritz Ter Meer** summed it up: 'Now that they have Korea in their hands, the Americans are a lot more friendly [*Freemasons* **Truman** *and* **Stalin** *having created the preceding Berlin Airlift (1948-1949) under the guise of Rome's "Cold War" enabling a secret evacuation of key Nazis out of the Soviet Union on US cargo planes returning to the emerging national security states of Germany and the United States while justifying the no-win Korean War in the eyes of the West*].' "One day as we strolled in the Parc Monceau, [*the exiled Russian philosopher, wealthy noble, and lay theologian* **Nikolai**] **Berdiaiev** said:

'There are two great organizations in this world which seek the Kingdom of God, the Christian [*Roman Catholic*] Church [*openly controlled by the Jesuits*] and the communist party [*secretly controlled by the Jesuits through Freemasonry*] . . . Communism always imitates [*what appears to be*] its bitterest opponents; it has become a church in turn [*as there is no economic or physical salvation outside the Communist Church*]. . . . Everything in the communist movement, its methodology [*Canon Law and Council of Trent*], its proselytizing [*forced conversions*], its totalitarianism [*Jesuit fascist absolutism*], its doctrinaire infallibility [*papal infallibility*] and intolerance [*Holy Office of the Inquisition*] has been taken from the Church [*which Jesuit-controlled Wahhabi Islam imitates perfectly*] . . . '

Hitler [**George W. Bush**] replied, . . . 'I am not so stupid as to believe in a communist [*Islamic terrorist*] threat myself. But without making propaganda about this danger [*as does the Pope's Opus Dei, Jesuit fascist, Fox News Network over CIA-led "Islamic terrorism"*], we will not get into power [*"four more years" of* **George W. Bush**] and without taking over supreme power in the state [*the passing of Patriot Acts I & II, the creation of the Pope's Office of Homeland (Romeland) Security, gun confiscation, etc.*] we will not be able to rearm [*to*

fight the Pope's Protestant Anglo-American-led, International Crusade against Islam]. There is no other remedy to overcome the [*American*] economic crisis [*thanks to NAFTA and GATT, the Inquisitional IRS, the destruction of hundreds of thousands of small businesses, the loss of over one million jobs to foreign workers, etc.*] than by spreading the fear of communism [*the fear of "Islamic terrorism" overseen by* the **Black Pope**'s *CIA*]. We can only get popular support for rearmament by pointing to a communist [*Islamic terrorist*] danger.'

In this statement by **Adolf Hitler** [**George W. Bush**], which motivated German big business—and certain foreign business interests—to come to his [*Hitler's*] side [*A. T. & T., Ford Motor Company, etc*], lies the heart and kernel of 'the big lie.' Hitler ordered all Prussian state papers destroyed in which appeared documentary proof that he himself did not believe in a communist menace [*even as Bush does not believe in a real Islamic terrorist menace*]. He threatened death to all witnesses because in the Reichstag fire trial his statement could have become very embarrassing to him. He had ordered the Reichstag building [*the World Trade Center and Pentagon*] set on fire [**Hitler**, *on orders from* **Pope Pius XI**; **Bush** *on orders from* **Pope John Paul II**] precisely to impress his countrymen [*I assure you, not all Americans are impressed!*] and the world at large with a clear and present communist [*Islamic*] danger [*in the words of the famous American author and Jesuit Temporal Coadjutor,* **Tom Clancy**]. This charge that the communists set the Reichstag on fire was proven false in court. But this did not keep [*Jesuit-trained*] **Goebbels** from taking up the [*continual, Jesuit-propaganda war*] cry. It was one of the propaganda minister's shock tactics to influence public opinion. 'The big lie' repeated over and over again was the most powerful of the Nazi [*Republican fascist*] weapons. It not only clearly conquered Europe for them; it still operates with mighty suggestive power as we may see by simply opening any morning or afternoon newspaper. 'The big lie' leads directly to the anticommunist hysteria [*championed by* **Francis Cardinal Spellman** *during the Pope's anti-communist Cold War*] under which all creation still 'groaneth as in pain together [***Romans 8:22***]." {12} [Emphasis added]

"The message is that the early Zionists were monsters and their descendants, the Oslo 'peacemakers,' are no less monstrous. According to **Rabbi Antelman**, Zionism began as an honest national liberation movement that was too quickly infiltrated and corrupted by the secret followers of the false messiahs **Shabtai Tzvi** and **Jacob Frank.** Anyone who looks at events from that starting point realizes that had there never existed **Labor Zionism**, there would have not been a **Holocaust. . . .**

Opposing the **Sabbataian Zionists** during the period of the Holocaust were, what were then known as, **the Revisionist Zionists** [*led by* **Vladimir Jabotinsky** *who surnamed Israel's first Prime Minister "***Stalin Ben-Gurion-Hitler***"*]. Today, the wounded and weakened descendants of this good Zionism, are known broadly as the Right. They tried and failed to save the Jews of Europe. **The Labor Zionists** had far too many powerful allies [*the Vatican's Jesuits*] among the bloodthirsty occultists who run this planet from behind the scenes.

The Sabbataian Zionists made a terrible pact with the Nazis, simplified after the best-known component, called The Transfer Agreement. They let the [*Nazi*] Germans have their way with Europe's Jews, and later continued the torture and medical experiments on the Sephardi children who immigrated to their new **Sabbataian state. . . .** Over the past 120 years the Sabbataians have infiltrated the Jewish leadership worldwide and oversaw the destruction of over 80% of the people by promoting wars, pogroms, assimilation and the Holocaust.

There is a little think tank in Manhattan called the **Council On Foreign Relations.** The 3800 members are as powerful in America as the **Bilderbergers** are in Europe. The Jews of Israel and the world still have no idea that their leaders have been totally corrupted by **the CFR** and **the Vatican. . . .** Perez, educated in his youth at a Jesuit school in Poland, is the highest ranking operative run by the Jesuits in Israel and his task is spreading chaos . . . especially **Jerusalem.** Its Jesuit King, [**Knight of Malta**] **Juan Carlos,** owns the title, 'Protector Of The Holy Places Of Jerusalem,' and he takes his responsibility seriously, as do his superiors in Rome.) . . .

How long must we hammer in the same message: [**Freemason Ariel**] **Sharon** is totally compromised by the CFR and does its bidding? . . .

'Although **Jacob Frank** (1726-1791) was born fifty years after the death of **Shabbatai Zvi** [*1626-1676*], he deserves to be regarded as Shabbatai's true successor [**Jacob Frank** *and his Jewish followers submitting to papal baptism in 1759 in the Jesuit-ruled city of Warsaw, Poland's* **King Augustus III** *acting as his godfather*]. . . . The Frankists also became involved in international political intrigue, and sent secret emissaries to the Russian government and the Eastern Orthodox Church offering to help in the overthrow of Poland and the Catholic Church [*as the Jesuits had been suppressed by the Pope and thus expelled from Poland,* **Catherine II "the Great"** *now the acting protector of the Order*].' . . .

Frankfurt at the time was the headquarters of the Jesuit, **Adam Weishaupt,** founder of the Illuminati, as well as **Rothschild Brothers'** financial empire. . . . Weishaupt provided the conspiratorial resources of the Jesuit Order, while the Rothschilds contributed the money. What was missing was a means to spread the agenda of the Illuminati and that the Frankists added with their network of agents throughout the Christian and Islamic worlds. **Jacob Frank** became instantly wealthy because he was given a nice handout by **Mayer Amshel Rothschild** of Frankfurt. . . . Thus, the Illuminati now had two centers of activity, **Germany** and **Britain.** It was from Germany to London that apostate Jews **Karl Marx** and **Frederick Engels** were sent to devise the rot of communism. . . . The turning point in the final aim against the Jews was the founding of Zionism by the Shabbataians. The final aim of the movement was to establish a Shabbataian state [*the Pope's revived* "Kingdom of Jerusalem"] in the historical land of the Jews, thus taking over Judaism for good.

To foment the idea, life had to be made so intolerable for Europe's Jews that escape to Palestine would appear to be the best option [*that very idea also appearing in Hitler's ghost-written Mein Kampf*]. The Cossack pogroms were the first shot in this campaign and for them, the Frankists turned to the Jesuits and their influence over the Catholic Church. The Jesuits had done more to spread communism, beginning with their feudal communes in South America, and now they wanted to punish the antipapists of Europe by imprisoning them behind communal bars [*Nazi concentration camps*]. The deal was simple: **The Jesuits** provided the Cossacks, the Frankists, the communists. And naturally, **the Rothschilds** would provide the moolah [*money*]." {14} [Emphasis added]

"I began to read and study. Initially I read about **the Bolsheviks**, and how they murdered sixty million people after coming to power. Then I learned about the millions of women who were raped in Eastern Europe after World War II, and how we financed the Soviet occupation forces that carried out that atrocity. Elsewhere, I read about the forty to eighty million Chinese who were butchered after our [**Francis Cardinal Spellman's** *CFRcontrolled*] State Department [*via the CIA*] brought **Chairman Mao** to power, and the fifteen to twenty thousand American soldiers who were abandoned by our government and allowed to perish in [*the Order's*] Siberian prison camps [*overseen by the Jesuit Inquisitor,* **Walter J. Ciszek**] following World War II. Then I read about Operation Keelhaul. It involved [**Eisenhower's** *betrayal and* **Stalin's** *murder of General* **Andrei Vlasov** *and his surrendered "liberal" anti-communist, "heretic" Russian Orthodox forces and*] forced repatriation of five to six million [*anticommunist*] Russians and Cossacks who were held in Western nations at the end of World War II. Many of them committed suicide rather than return to their homeland, and most of those sent back were either executed or sent to Siberia to die working in slave labor camps. . . .

[*Apostate Protestant*] **Henry Ford** built automotive factories for both the communists and the Nazis, received a medal from **Adolf Hitler**, and wrote [*the ghost-written*] *The International Jew*, which claimed that Jewish bankers [*in fact, White Gentile Bankers such as England's 33rd Degree Freemason* **Lord Alfred Milner**] financed Bolshevism. . . . The Ford Foundation has funded a number of communist front organizations, and was cited by a Senate investigation committee for financing the Institute of Pacific Relations, which brought communism to China [*!!!*]. Henry Ford was a spiritualist and a 33rd Degree Mason. Why was he given Masonry's highest degree when he was known to be an anti-Semite? . . .

President Truman carried a copy of [*Freemason*] **Lord Tennyson's** [*world government*] poem in his wallet throughout his life. He packed the United States Supreme Court with Masons, ceded China and Eastern Europe to the communists [*as did Archbishop Spellman's* **General Dwight Eisenhower**], created the United Nations, involved us in a no-win war in Korea [*as the Jesuit-trained Freemason* **President Lyndon Johnson** *did to us in Vietnam*], and fired [*Jesuit-trained 33rd Degree Freemason*] **General MacArthur** when he wanted to win that war: [*Dirty*] Harry Truman was a 33rd Degree Mason." {15} [Emphasis added]

"During **Stalin's** final illness the newly appointed Kremlin Medical Administration permitted itself a display of what modern psychologists call 'overcompensation:' a stream of medical information flowed from the Kremlin for about a week before the announcement that Stalin had died. . . . Stalin's death struggle was suspiciously well documented. . . . Although Stalin actually

died at Kuntsevo, the first announcements of his illness asserted that he had 'become ill in his apartment.' . . .

The simultaneous disappearance of his personal secretary, [*Jesuit Temporal Coadjutor and Lubyanka General*] **Alexander N. Poskrebyshev** [*1891-1965*], is the most ominous element in the mystery of his death. Poskrebyshev shared Stalin's Kremlin apartment, and is one of those self-effacing but truly powerful figures whose names rarely appear in history books [*including* **Alexander Solzhenitsyn's** *The Gulag Archipelago*]. He had helped make history on the grand scale, having joined the Bolsheviks in March, 1917, at the age of twenty-six. His work in the Communist Party's central secretariat goes back as far as 1923 [*shortly after* **Jesuit Edmund A. Walsh** *personally appointed Stalin Secretary General of the Communist Party in 1922*]. He never wavered in his support of Stalin but was his '**Man Friday**' in everything, whether trivial or enormous, from fetching a paper to framing a large-scale purge [*including 383 death lists during 1937-38*]. If anyone can be said to have been privy to Stalin's secrets, it was this inconspicuous man who had no life except at Stalin's side. Professor **Konstantine Shteppa**, formerly with the Department of History, Kiev University, regards [*the "vile" and "loathsome"*] **Poskrebyshev** as 'Stalin's right hand, or even his head.' [*Indeed!*] **Boris Nikolayevsky** concluded that he not only headed Stalin's personal secretariat [*including the Secret Section which collaborated with Hitler's Secretary, Jesuit Temporal Coadjutor* **Martin Bormann**], but was charged with 'carrying out all sorts of intrigues and settlings of accounts for the Soviet dictator.' He made an important speech at the Soviet Party Congress in October, 1952, and on February 22, 1953, was elected to the Moscow City Council [*after which Stalin ordered his arrest: eleven days later history's bloodiest tyrant was dead*]. That is the last word heard of the man who remained Stalin's *alter ego* even in death—although Moscow rumors now assert that he is alive, in obscurity, and working on his memoirs. . . . In other worlds, the Kremlin clique had the best of reasons for wanting to see their leader dead. . . . there was opportunity, and there was sufficient motive for hastening Stalin's death [*via the poison cup*]." {16} [Emphasis added]

Svetlana: The Story of Stalin's Daughter

"Days after the Nazi surrender in May 1945, a U.S. Army command center in southern Germany was approached by **Nazi Brigadier General Reinhard Gehlen**. Gehlen was the chief of the Nazi intelligence apparatus known as the FHO, **Foreign Armies East**. The FHO ran spy operations throughout East Europe and the Soviet Union during the war, and it remained intact during the late-war period when the rest of the Wehrmacht was crumbling. In fact, the **FHO** was the one part of the Nazi war machine that continued to recruit new members right through the end of the war. SS men at risk of war crimes charges in particular were told to join with Gehlen, go to ground, and await further orders.

Gehlen presented himself for surrender to the American forces with an arrogant, take-me-to-your-leader attitude and was for a few weeks shunted aside by GIs who were unimpressed by his demand for red-carpet treatment. But he had an interesting proposal to make and was soon brought before high-level officers of the Army's G-2 intelligence command. Gehlen's proposal was in brief: Now that Germany has been defeated, he told his captors, everyone knows that the pre-war [*pre-World War II*] antagonism between the **Soviet Union** and the **United States** will reappear. . . . Therefore, Gehlen proposes that the United States Army adopt the FHO in its entirety, including its central staff, as well as its underground intelligence units, several thousand men strong, throughout East Europe and the U.S.S.R. Thus, the FHO will continue doing what it was doing for Hitler that is, **fighting Bolshevism**—but will now do it for the United States [*the Jesuits saving their SS crusading Teutonic Knights under the guise of their Cold War Hoax, while furthering anti-nationalistic, Roman fascism under the protection of the American Commander-in-Chief's Military High Command now housed in its newly built Pentagon*].

The OSS was formally dismantled in the fall of 1945 at the very moment which General Gehlen and six of his top aides were settling into comfortable quarters at the army's **Fort Hunt in Virginia**, not far from the **Pentagon**. For the next several months, in highly secret conversations, Gehlen and the U.S. Army hammered out the terms of their agreement. By February 1946, Gehlen and his staff were back in Europe, installed in a new village-sized compound in [*Bavarian*] Pullach, from which they set about the business of reactivating their wartime intelligence network, estimated at between 6,000 and 20,000 men, all of them former Nazis and SS members, many of them wanted for war crimes but now (like the famous **Klaus Barbie**) protected through Gehlen's deal with the United States both from the **Nuremberg Tribunal** and the de-Nazification program [*the Nuremberg trials intended only to punish the true enemies of the Order's highest SS/SD coadjutors, imprisoning other coadjutors later released by* **McCloy**].

Thus it was that the superstructure of the United States' post-war intelligence system was laid on the foundation of **an international Nazi spy ring** that had come to be the last refuge of SS war criminals who had no other means of escaping judgment. **The Gehlen Org**, as it came to be called by the few Americans who knew about it . . . continued to serve the United States as its eyes and ears on Europe and the U.S.S.R. until 1955 [*providing a litany of false reports exaggerating Soviet military strength so as to perpetuate the Cold War Hoax while continuing to protect Nazi war criminals for life*]. At that time, fulfilling one of the terms of the **Secret Treaty of Fort Hunt** in 1945, the entire Gehlen Org was transferred to the new West German government [*led by a covert Nazi and* **Knight of Malta Konrad Adenauer**], which gave it the name of the Federal Intelligence Service, or **BND**, and which the descendants of General Gehlen serve to this day. . . . This is the base upon which the U.S. intelligence system was founded. **The National Security Act of 1947** reorganized the military and created the **CIA**, but the Gehlen Org was the base from which U.S.

intelligence developed throughout the decades of the Cold War." {17} [Emphasis added]

"General Gehlen was ready to cut a deal. . . . Now U.S. intelligence was going to deploy Gehlen and his network of spies against the Russians. The Cold War was on. . . . Directing operations from a fortress-like nerve center in Bavaria [*ruled by the* **Archbishop of Munich Michael Cardinal von Faulhaber**], Gehlen reactivated his network inside Russia [*the real purpose of the Nazi Gehlen Org and later the German BND being to facilitate the relocation of thousands of Nazis out of the USSR, aided by Truman's CIA and Stalin's MGB/KGB under the guise of deliberately created crises (such as the Berlin Airlift), while providing false intelligence and locating truly anti-communist Russians who were then shot by the KGB or consigned to Soviet gulags—thereby protecting* the **Black Pope**'s *Soviet tyranny*]. . . . In 1955, by pre-arrangement, the **Gehlen Organization** was transferred to the West German Government, becoming its first intelligence arm, the **BND**. The BND became a Siamese twin of the CIA, a global operation. . . . By the time the Gehlen Organization became part of the West German state, Gehlen already had his agent-in-place in the United States. He was **Otto Albrecht von Bolschwing**, who had been a captain in **Heinrich Himmler's** dreaded SS and **Adolph Eichmann's** superior in Europe and Palestine [*as well as an SS/SD informer with working ties to the Palestinian* **Hagannah**, *later becoming the Israeli* **Mossad**]. Von Bolschwing worked simultaneously for Dulles' OSS. When he entered the U.S. in February, 1954 . . . [*he*] was to take over Gehlen's network not only in this country, but in many corners of the globe. He became

closely associated with the late [**Knight of Malta**] **Elmer Bobst** of Warner-Lambert Pharmaceutical, a godfather of **Richard Nixon's** political career . . . [**Knight of Malta**] **Allen Dulles** dubbed it Operation Sunrise. . . . The principle negotiator on the German side was **SS Commander Karl Wolff,** head of the Gestapo in Italy. . . . When Wolff hammered out the secret surrender terms with Dulles, he had in the back of his mind a safe diaspora for his nazi compatriots. This is where the OSS, [**Knight of Malta**] **William Donovan** and the sovereign state of the Vatican came in. "Wild Bill" Donovan was top dog in the OSS. Shortly before the Germans overran Europe, [*Dominican*] **Father Felix Morlion,** a papal functionary, had set up a Vatican intelligence organization called **Pro Deo** in Lisbon.

When the U.S. entered the war Donovan moved **Morlion** lock, stock and barrel to New York [*to enjoy the guidance of Fordham University Jesuits*] and opened a sizable [**Rockefeller**] bank account for him to draw on. . . . When Rome was [*allegedly*] liberated in 1944 [*the Pope secretly working with Wolff's Nazi SS "purging" Rome of its Jews and partisan patriots*] **Morlion** and **Pro Deo** relocated there. In recognition of Donovan's good works on behalf of **Pro Deo, Pope Pius XII** knighted him with the Grand Cross of the Order of St. Sylvester [*Vatican Intelligence and American Intelligence now inseparably linked*]. And before he flew off to Washington to cut his deal with the CIA, **Reinhard Gehlen** received the Sovereign Military Order of Malta award from the Pontiff. So did **James Jesus Angleton,** a Donovan operative in Rome who became the CIA's chief of counterintelligence. For [**Knight of Malta**] **Dulles,** Operation Sunrise was a personal triumph, one that set in motion his rise to the tip of the intelligence heap. In 1963, by virtue of that position, he became the CIA's representative on the **Warren Commission**. . . . [**Knights of Malta**] **Hoover, Dulles** and **McCloy** did not belong to the Kennedy fan club. When the president was shot, **Hoover** controlled the field investigation, and **Dulles** and **McCloy** helped mold the final verdict of the Warren Commission [*written by Pentagon historian and ex-Nazi* **Otto Winnacker**].

As America stood on the threshold of World War II, **Hoover** continued a friendly relationship with the Nazis who dominated **Interpol,** the Berlinbased international secret police [the ***Black Pope*** *building his International Intelligence Community prior to the war*]. He had been obsessed with the [*Jesuit-inspired, anti-communist*] **'Red Menace'** since 1919 when he became head of the Bureau's **General Intelligence Division. Heinrich Himmler, Reinhard Heydrich, Arthur Nebe** and other fanatical Nazis were active in **Interpol**. . . . After the war **Interpol** ostensibly cleaned up its act, moved to Paris and installed the prestigious Hoover as vice president. Yet Interpol steadfastly refused to hunt for Nazi war criminals, contending it was independent of politics. The excuse appeared a bit lame when, in the 1970s, former SS officer **Paul Dickopf** became president. . . .

In *A Study of a Master Spy*, published in London in 1961, **Bob Edwards,** a member of Parliament, and **Kenneth Dunne,** presented documentary evidence that **Allen Dulles** of the CIA carried on secret conferences with representatives

of Hitler's SS Security Office in February and March, **1943.** They learned that 'Official Washington knew **Martin Bormann,** Deputy Fuehrer of Hitler's Germany, master-minded the international 'Die Spinne' (Spider) underground organization which is planning to revive Nazism as soon as West Germany is adequately rearmed by the United States. Official Washington seems disinterested.' With **John J. McCloy, Allen Dulles** and **J. Edgar Hoover** in control of the Kennedy assassination investigation, these Nazi connections were buried." {19} [Emphasis added]

"For two and a half years, I was a federal prosecutor in the Office of Special Investigations of the Criminal Division of the Justice Department, which is also known as the Nazi war crimes unit. Our job was to search for and prosecute Nazi war criminals living in the United States. I was coordinator of a highly classified inquiry called **the Belarus Project** . . . I hope this book puts the blame were it belongs, with the State Department [*controlled by* **New York Archbishop Francis Cardinal Spellman**]. . . .

[**Knight Templar** *and CFR member*] **Frank G. Wisner** did not look like a spymaster. . . . his official title, Director of the Office of Policy Coordination, was innocuous. He had chosen it himself for that reason. Wisner was a veteran practitioner of the black art of covert operations, and the newly organized **OPC** was in the front line of the secret war against the Soviet Union [*the Cold War Hoax serving as cover for rescuing select Nazis and their collaborators from Allied justice*]. . . . Wisner was hired by the State Department as head of the Office of Policy Coordination. . . . Before leaving West Germany, Wisner went to **Pullach** [*where Ratline handler, Austrian* **Jesuit Karl Rahner** *was based (1945-1948)*], a pretty little village eight miles from [**Cardinal von Faulhaber's**] Munich, . . . the headquarters of **Reinhard Gehlen**, Germany's most celebrated spy. . . . Wisner and Gehlen were well acquainted with each other. . . . Cementing an alliance with Gehlen, Wisner sought his help in organizing guerrilla units behind the Iron Curtain, to build a clandestine arsenal and to assist and, if necessary, to instigate armed rebellion against the Soviets [*intended to betray true anti-communist nationalists into the hands of Stalin, Gehlen and Wisner secretly working with* the **Black Pope**'s *Soviet secret police*]. . . . From his archives, Gehlen produced the names of Eastern Europeans who had served the Nazi puppet governments and would provide the nucleus for Wisner's private army. Among them were the **Byelorussians** of the **Belarus Brigade**, hiding out in the refugee camps of Germany from war crimes investigators who knew next to nothing about their history. . . .

The SS established a special test for its Byelorussian collaborators: Only those who assisted the *Einsatzgruppen* (task forces) would be permitted to become part of the civilian administration to be established in the wake of the advancing **Wehrmacht** and **Waffen-SS** troops [the **Black Pope**'s **Waffen SS** *having burned Protestant Rotterdam*]. . . . the SS planned for the Byelorussian collaborators to help with the much larger task of eliminating the huge Jewish population concentrated in the **Pale of Settlement** . . . the densest concentration of Jews in the world. . . . [*and*] the traditional dumping ground for Europe's unwanted Jews. . . . In the fall of 1941 the SS selected the heavily

Jewish city of **Borissow** as a pilot project for the impending slaughter. . . . Stalin's censorship had effectively prevented Soviet Jews from learning about Nazi oppression [*since Hitler 's SS/SD and Stalin's NKVD worked together under Jesuit command*]. . . .

The SS professed to be shocked by the **Borissow massacre**—not at the slaughter of the Jews but the carnival aspects of it. Over the next three years, as the Byelorussian holocaust increased in intensity and dimension, the *Einsatzgruppen* supervised the actual shooting themselves. . . . hundreds of collaborators guarded the roads, chased fugitives, and forced the living down into the graves. Children were thrown into wells and hand grenades dropped down upon them, and Byelorussian policemen swung infants by the heels and smashed their heads against rocks [*pursuant to the bloody Jesuit Oath*]. More Jews perished in Poland and Germany, but the holocaust in Byelorussia was unique. **In no other nation under German occupation did the inhabitants so willingly and enthusiastically visit such a degree of inhumanity upon their neighbors**. . . . These [*Orthodox*] priests . . . actively supported the Nazi cause. In every church the *Einsatzgruppen* were depicted as waging a holy war against atheistic-Judeo communism. . . . blaming the **Jew-Bolshevik conspiracy** for all the problems of the nation, from crop failure to labor shortages . . . It is no small measure of the value the Nazis placed upon their Byelorussian allies that they sacrificed an entire train to transport them at a time when some wounded German soldiers could not be sent home. The SS made a list of those to be evacuated—**and nearly every person on it ended up in the United States**. . . . Without these few hundred men there could have been no guides for the *Einsatzgruppen,* no volunteers to help with the destruction of the Jews. . . .

And so, while other government agencies were actively engaged in pursuing Nazi war criminals, the State Department was importing their leaders to the safety of the United States. . . . Between 1948 and 1950, while the CIA was still being organized, the State Department systematically imported the leaders of nearly all the puppet regimes established by the Third Reich from the Baltic to the Black Sea. . . . If they [*the Byelorussians*] were ever prosecuted for fraudulently obtaining their citizenship, they would be in a position to threaten to expose high government officials in the **FBI**, **CIA/OPC** and **INS** [*Immigration and Naturalization Service*] who had made their fraud possible. . . . **Radislaw Ostrowsky . . .** the highest-ranking Nazi war criminal to enter this country lived on undisturbed until his death in 1979." {21} [Emphasis added]

The Belarus Secret

"After I revealed on February 5, 1983, that **Klaus Barbie** was employed by the **Army Counter Intelligence Corps** (**CIC**) after World War II, I was inundated by inquiries from all over the world. One week later Barbie was returned to France and people in dozens of countries are now anxiously awaiting his new trial. They hope to learn exactly what Barbie did in France as a war criminal and why

the American Army used him, protected him, and then helped him and his family escape to Bolivia. . . .

On my recent visit to Germany I learned how some former German soldiers reacted to the Barbie revelations. One ex-soldier, who had lost his brother in Stalingrad and had barely made it home himself said, 'While we poor soldiers had to walk home from the Russian front—hungry, frightened, and abused on the road—you Americans were paying that damn **SS Barbie** thousands of dollars and putting him up in a warm house!' . . .

I was a member of the **U.S. Counter Intelligence Corps** (**CIC**) in 1948, stationed in Augsburg, Germany, where I first met **Klaus Barbie** and worked with him for nearly a year as the head of an information network that he had organized and offered to the American Intelligence community for a price. . . . Barbie was not a member of the Gestapo, but a member of the **SD** (*Sicherheitsdienst*—**Security Service or Counter Intelligence**) [*remembering that the Jesuits, personally or via "trusted third parties," ruled the pinnacle of power of every supreme counterintelligence service of every Allied and Axis nation thus producing a unity of action unintelligible to loyal and unsuspecting subordinates*]. His prime area of operation was between Lyons and Besancon. . . .

The memories that **Klaus Barbie** evokes are totally repugnant. He was a true Nazi sadist. He would fondle one woman on his knees as he ordered another alternately beaten and dunked in ice water. When he tired of his Swiss mistress, Heidi, he shot her. He was the prototype of the SS strong man, strutting about with his shirt sleeves rolled up, snapping his riding crop. He often carried a club, sometimes a simple two-by-four, with which to beat his prisoners. **He once snatched a Jewish baby from its mother's arms and tossed it on a train to Auschwitz. One of his most horrifying acts of reprisal was to lock 100 children in a schoolhouse, which he then burned and dynamited.** Barbie's record, a model of Hitler's savagery, earned him numerous decorations. As Germany's **SD intelligence Chief** in [*the Jesuit haven of*] Lyons from 1942 to 1944, he personally had a hand in 4,342 murders and saw to it that nearly 8,000 people were shipped to death camps. These are the numbers arrived at by the French courts that twice sentenced him to death—in 1952 and again in 1954 [*Barbie finally tried in 1987, sentenced to life, dying in 1991*]. . . .

[**Roman Catholic**] **Barbie** had, in fact, become a **CIC** agent and no one wanted to sever the relationship with him [*especially the CIC underlings of Army officer* **Jesuit Edmund A. Walsh** *having been present in Germany during the Nuremberg trials*]. . . . It was known that as an **SD**, Barbie was a fugitive. . . . As a member of the **SD**, Barbie had been directly responsible to Himmler's **Security Headquarters**, (**RSHA**), which in the last years of the war was the real center of Nazi power. He should have been arrested immediately after the war by the occupation forces, since all **SD** members were listed on the Automatic Arrest Category. . . . Barbie's organization, the **SD**, were the most brutal units of the SS. It was also, in many ways, the most important segment of the German government. During the last three years of the war the **SD** worked directly with

Hitler [*thus* **Bormann**] and **Himmler** to run the government. . . . To disregard this critical information about Barbie's past was certainly a direct cover up. Someone in my regional headquarters did not want it known that Barbie was wanted for war crimes because they wanted to use him [*"against the Soviets!!"*]. . . .

Barbie worked for **CIC** for four years [*1947-1951*], after which we helped him reach Bolivia. . . . In December, 1950, CIC headquarters decided to help **Barbie** and his family make their way to South America. In Austria, a sister organization known as the **430th CIC** volunteered to help the Barbie family escape. . . . Their system, which functioned like an underground railroad, was dubbed the **"Rat Line"** by Americans. **The Rat Line** took fugitives from Austria to Italy, where a Croatian priest, **Father Krunoslav Dragonovic**, handled the details providing visas for various South American countries. . . . Because of Dragonovic's very important role, by 1948 [*at the time of the CFR's Berlin Airlift*] this underground pipeline had already become known as the **Monastery Route**. . . .

Father Dragonovic was known to our **430th CIC** as a fascist and a war criminal. His connections with South American diplomats of similar backgrounds were generally met with [*open*] disapproval [*but in fact secret approval*] by **U.S. State Department** officials. CIC normally gave its 'travelers' Displaced Person status, and Father Dragonovic's link to the Catholic Church gave the **Rat Line** a respected front. It had even become known as the **Vatican Connection** after Father Dragonovic enlisted the services of the National Catholic Welfare Organization to help him secure the necessary travel permits for leaving Europe. **CIC** only had to bring the defectors to Genoa or Naples. Dragonovic took over from there." {22} [Emphasis added]

"**Le Cercle** is a secret transnational intelligence and direct action group, that, according to all accounts, is funded by the CIA. . . . Before the 1990s, it was called **Cercle Violet**, or initially, **Cercle Pinay**, in both cases after its (French) chairman. In later times, chairmanship of Le Cercle went on to the British. **The Pinay Circle** used to fight the spread of communism worldwide, at all costs, even in our own backyard. . . . [**The**] **Cercle** was created in the 1950s . . . by **Antoine Pinay**, **Jean Violet** and **Otto von Habsburg** . . . with the German chancellor **Konrad Adenauer** . . . building up a united Europe [*in fulfillment of the* Word of God], allied with the United States. Pinay and at least representatives of Adenauer were visiting **Bilderberg** and Jean Violet was already working for Habsburg on projects [*involving a Jesuit-fascist*] . . . Pan-European society. They also shared another very interesting commonality: they were all faithful Catholics. And not just that; **Pinay**, **Habsburg**, and **Adenauer** were members of the **Sovereign Military Order of Malta** (SMOM). Pinay, Habsburg and the less prominent Jean Violet have also been accused of

involvement with **Opus Dei.** This is all the more interesting because **Joseph Rettinger,** who recruited [**Knight of Malta** *and former SS officer* **Prince**] **Bernhard** and others to set up **Bilderberg** [*the super-secret Bilderbergers*], was another Vatican agent; a **Jesuit** and likely a **Knight of Malta** [*and* **33rd Degree Freemason** *according to former MI6 officer* **John Coleman**].

At the end of WWII, the **Knights of Malta** have been involved with smuggling Nazis out of Germany with the help of the OSS (later CIA), an organization they themselves helped to establish. In turn, the CIA funded the covert anti-communist war in Europe, including Radio Free Europe, the Economist, the European Council of Princes, the Gehlen Organization, the Stay-Behind networks, the Pinay Circle, and the overall [*pro-fascist, anticommunist*] European movement [*while the Order was secretly building Soviet Russia and Communist China, both never intended to have been used for the purported invasion of Europe*]. A lot of this money was funneled through the American Committee on United Europe (ACUE), which was established at the direction of **Duncan Sandys, Joseph Rettinger, Allen Dulles,** and **William Donovan.** Dulles and Donovan were top CIA chiefs and **Knights of Malta,** Rettinger a Vatican agent, and Duncan Sandys a son-in-law of [*33rd Degree Freemason and Druid* **Winston**] **Churchill.** Besides the CIA's clandestine efforts, the **Ford Foundation** and the **Rockefeller Institute** were the prime sponsors of the ACUE [*the great CFR financiers of* the Society of Jesus]. . . .

A couple of examples of people that have (or had) a close relationship with **the Circle** [**Le Cercle**] are **George Ball, Stephen Bechtel,** [*SMOM*] **William Buckley,** [*SMOM*] **George H. W. Bush,** [*SMOM*] **Frank Carlucci,** [*SMOM*] **William Casey,** [*SMOM*] **Alexander Haig,** [*SMOM and ex-SS Nazi*] **Fritz Kraemer, Victor Krulak,** [*CFR member and JFK assassin*] **General Lansdale,** [*SMOM*] **Vernon Walters,** and **John Hay Whitney.** These are right-wing oriented people involved with known Circle members, the Institute for the Study of Conflict, different intelligence agencies, and/or the Knights of Malta." {23} [Emphasis added]

"Fifty years of trade with the **Soviet Union** by the **United States** and its European allies have, through the transfer of free enterprise technology [*pioneered in historically White Anglo-Saxon Protestant nations*], created a formidable economic and military power. . . . The record of the last fifty years provides the evidence that the United States has received back its own technology on the battlefield from both national socialists (**Nazis**) and international socialists (**Soviets**). . . . A naval base is under construction at **Cienfuegos, Cuba,** to support Soviet naval operations in the Caribbean [*in preparation for America's coming Sino-Soviet-Moslem invasion*]. . . .

The blunt truth is that trade with the Soviet Union from 1917 to the present has built the Free World an enemy of the first order. Moreover, the technological

component of this continuing trade enables the Soviet Union to pursue its programs of world conquest and, more to the point at the present state of history, to supply the North Vietnamese invasion of the South. It costs the American taxpayer **$80 billion** a year to counter this Soviet threat. . . . And 100,000 Americans have been killed in Korea and Vietnam—by our own technology. The only response from Washington and the Nixon Administration [*backed by* **Knight of Malta Elmer Bobst**] is the effort to hush up the scandal. These are things not to be talked about. And the professional smokescreen about peaceful trade continues. The plain fact—of you want it—is that irresponsible [**Jesuitical**] policies have built us an enemy and maintain that enemy in the business of totalitarian rule [*Jesuit absolutism*] and world conquest. And the tragedy is that intelligent people have bought the political double talk about world peace, a new world order and mellowing Soviets." {24} [Emphasis added]

The Vatican Billions

The Great and Terrible **Second Thirty Years' War** *was now over*. Western and Eastern Europe, Russia, North Africa, China and Japan were "a universal wreck" thanks to the Company of Jesus. Millions of "heretics and liberals" had been "extirpated" pursuant to the **Jesuit Oath** and the **Council of Trent**. Unlike the Treaty of Westphalia ending the First Thirty Years' War, the agents of the Jesuits controlled the negotiations at Yalta and Potsdam ending the **Second Thirty Years' War**. The **Protestant British Empire**, having founded modern missions, including the **China Inland Mission**, was fragmented and would be destroyed after World War II.

It was time to apply the Jesuits' Hegelian Dialectic worldwide. It would be known as "**the Cold War**." The *thesis and antithesis* would be "the Free World" in the West *versus* "the Communist Block" in the East. The American Empire would head the West and the Russian Empire would lead the East. Both sides would be financed by the Jesuits' International Banking Cartel centered in London and New York, the **Federal Reserve Bank** and **Chase Manhattan Bank** in particular. The

synthesis would be the destruction of the American Empire through the so-called "ending of the Cold War." The illusion of ending the Cold War would legally enable Rome's Corporate Monopolies, federated together in New York City under the leadership of the **Council on Foreign Relations**, to give Russia and China high technology and financial backing, *the Jesuits having sought to unite both nations since they negotiated the* **Sino-Russian Treaty of Nerchinsk** *in* **1689***!!!* The giving of these necessities would perfect the War Machines of both economically communist and politically fascist giants for the purpose of invading North America, it containing the majority of the world's Protestants, Baptists and Jews. (Remember dear truthseeker, the Jesuit General has used his American Empire throughout "**the American Century**" to restore the Pope's **Temporal Power** and to exterminate "heretics" and "liberals" around the world. That task being completed, the ending of the Cold War signaled the beginning of the destruction of **Fourteenth Amendment America** in dead earnest!) *It is for these reasons* that the financial might of Hong Kong was given to Red China along with American ports in Long Beach and Los Angeles, California. (In 1998 the China Ocean Shipping Company (COSCO) signed a backroom deal to take over the strategic Long Beach Naval Station in Southern California.) *It is for these reasons* that the Panama Canal, built with American blood, sweat, tears and Yellow Fever, was given away to Panama to be operated by a Chinese corporation, imperiling the American Navy. *It is for these reasons* that the Jesuits in control of Washington have established nationwide gun registration for the purpose of nationwide *gun confiscation* just as they did in Hitler's Germany. *It is for these reasons* that the Jesuits, with their fascist, international, cartel-capitalist corporations managed by the **Knights of Malta**, have financed and continue to build both the Russian and Chinese War Machines, while influencing American Presidents to close down scores of military installations across the country. These facts spell invasion—**massive invasion**—by millions of foreign soldiers with no God and no mercy. And if the Jesuits can manage to blow up the **Dome of the Rock** in Jerusalem and blame their American Empire for it, the Moslem World will declare "a jihad"—a holy war—against the "infidels" of "**the Great Satan**." (For, if the Jesuits used the *Moslem Turks* to massacre nearly two million Orthodox Armenian "heretics" in from 1894 to 1923; and if the Company used the *Moslem Arabs* to mass-murder the Protestant and Catholic Spanish "liberals" in the late 1930s; and if the Sons of Loyola used the *Moslem Albanians* to destroy the Orthodox Serbian "heretics" in the late 1990s; then would not those Sons of Satan hire a huge, agitated, invading Moslem host (possibly including the Turks) to pillage and destroy the Protestant and Baptist American South —the last great fortress of Protestantism in the world excepting Northern Ireland and South Korea? *Indeed they would!)* The private wealth of Americans using International Business Corporations with bank accounts in the Bahamas will be seized just as they were in **Castro's** Cuba. (The Knights have moved all their wealth into European banks denominated in the Pope's gold-

backed Euros, thereby escaping the coming American social catastrophe and economic collapse.)

Meanwhile as the Jesuits, with their American dictator's internal police—the **Federal Emergency Management Agency** (FEMA), now having been incorporated into the Pope's **Office of Homeland (Romeland) Security**—and foreign invaders, are "extirpating the execrable race" of American "heretics" and "liberals," the European nations will be driven to lay down their historic differences and unify. This unification will restore the Holy Roman Empire for which reason the Jesuits are rapidly rebuilding Berlin. When the smoke clears, China will control the East, Russia will control the North and a unified Roman Catholic Europe will control the West. Further, the Jesuit General's **International Intelligence Community**, overseeing the United Nations while controlling Israel's Masonic Jewish Labor Zionists through the CIA/Mossad, will see to it that Jerusalem is declared to be an international UN city with **Solomon's** rebuilt **Temple** in her midst. This **Third Temple** will be built by the International Brotherhood of 33rd Degree Freemasons—the modern-day Knights Templars—many of which having feigned themselves to be the descendants of the House of David through King Solomon or James, the half-brother of the Messiah (Messiah's name being "***salvation***" according to ***Isaiah 62:11***), despite Rome's destruction of all legitimate genealogical records within **Herod's Temple** in 70 AD.

The Lord Jesus Christ will secretly *appear* for His true, Bible-believing Church:

> ***"In a moment, in the twinkling of an eye, at the last trump:***
> ***for the trumpet shall sound . . . we shall all be changed . . ."***
> *– I Corinthians 15:51, 52*

> ***"For the Lord himself shall descend from heaven with a shout,***
> ***with the voice of the archangel, and with the trump of God:***
> ***and the dead in Christ shall rise first:***
> ***Then we which are alive and remain shall be caught up together***
> ***with them in the clouds, to meet the Lord in the air;***
> ***and so shall we ever be with the Lord."***
> *– I Thessalonians 4:16, 17*

After this *specific departure* of His Church (which includes both Jews and Gentiles, saved by the grace of God and baptized by the Holy Spirit into the Body of Christ) from the earth fulfilling the Feast of Trumpets (***Leviticus 23:32-25***), then shall

> ***". . . that man of sin be revealed, the son of perdition;***
> ***Who opposeth and exalteth himself above all that is called God,***
> ***or that is worshipped; so that he as God sitteth in the temple of God,***
> ***shewing himself that he is God."***
> *– II Thessalonians 2:3, 4*

World government will ensue and the Jesuits' "blessed despotism" of the Dark Ages—**the New World Order**—will be in force. **The risen Pope** will rule his "Empire of the World" as revealed in *The Jesuit Conspiracy: The Secret Plan of the Order (1848),* being "the King of Israel," "Patriarch of the World," "King despot over all the earth," and "Pope of the Universe," so vividly described in *The Protocols of the Learned Elders of Zion (1905),* he being the "World Authority" of *The Documents of Vatican II (1965).* Meanwhile the Holy Spirit will restrain Satan's "***man of sin***"*— the Satan-possessed risen Pope*—from coming to power

". . . until he [the Holy Spirit] be taken out of the way.
. . . that he [the risen Pope] might be revealed in his time."
– II Thessalonians 2:7, 6

In order to achieve the international dictatorship of one man, the nations had to be rebuilt and aligned into "blocks" pitted against each other after World War II. This would be called "**the Cold War**." The rebuilding of Europe and Japan would be financed by the Jesuits' Wall Street bankers and their Federal Reserve Bank. The government of **Fourteenth Amendment America** would call this "foreign aid" justifying more taxation, further destroying the White Anglo-Saxon Protestant Middle Class. The historic Catholic and Protestant nations of Western Europe would be "united" into the "**North Atlantic Treaty Organization**" (NATO) against a common enemy. That enemy, deliberately created by the Jesuits at Potsdam, would be Josef Stalin's "**USSR**" and satellite nations called "**The Warsaw Pact**." With "**the Iron Curtain**" (the term first coined by the Jesuit-trained Nazi Minister of Propaganda, that *"demon of a dictatorship"* and *"the ultimate Machiavellian,"* **Joseph Goebbels**) and "**the Bamboo Curtain**" erected, these "blocks" would be in a ready state of war for forty-five years. Under the guise of preparing to go to war with the West—*the West that built their Military Industrial Complexes*—"the Cold War" was *in fact* conducted against "liberal" and "heretic" populations by fascist-communist, Jesuit-controlled dictators. By the end of 1989 the crimes of the Jesuits' **Holy Office of the Inquisition**, under the guise of "communism," would claim nearly one hundred million victims. We read from Europe's bestseller, *The Black Book of Communism*:

> "The following rough approximation, based on unofficial estimates, gives some sense of the scale and gravity of these crimes:
>
> USSR: 20 million deaths
> China: 65 million deaths
> Vietnam: 1 million deaths
> North Korea: 2 million deaths
> Cambodia: 2 million deaths
> Eastern Europe: 1 million deaths
> Latin America: 150,000 deaths
> Africa: 1.7 million deaths
> Afghanistan: 1.5 million deaths
> The total approaches 100 million people killed." {26}

Dear truth-seeker, all this had been planned *prior to* the beginning of World War II. This state of affairs called "**the Cold War**" was a *hoax*. For, how could the government of Soviet Russia be truly the enemy of the United States government and Western Europe if the **Knights of Malta**, controlling Wall Street in New York and the Government in Washington, financed the Bolshevik Revolution and the building of the Russian War Machine *before, during and after* "the Cold War"? The only sane conclusion is that the men who control the government in Washington *control the government in Moscow!* Both governments were kept in line by the Vatican's intelligence agencies, the **CIA** and the **KGB** (now the **SVR**), which prevented the phony "Cold War" from erupting into a shooting war. The Jesuits' government in Moscow, in control of the Russian Army, *is truly an enemy of the American people,* but not the enemy of the American government! Both governments are bosom buddies controlled by the **Knights of Malta** subordinate to the Jesuits in control of the Vatican, the Roman headquarters of Satan's Papal Caesar. With regard to post-war Germany, "the Cold War" would justify the merging of **Hitler's** intelligence group (**SD**)with **FDR's** intelligence group (**OSS**) known today as the American **CIA** and the German **BND**. This merger would create the **Vatican Ratlines** enabling at least *fifty thousand Nazis* to escape from Europe. **Stalin's** "stealing" of East Germany's industrial base and the "kidnapping" of her top physicists would further *the illusion* that "the Cold War" was indeed a reality while further building the **Black Pope**'s Red War Machine. Concerning the building of the Soviet military, in **Gary Allen's** *The Rockefeller File* (prefaced by the late Congressman **Larry McDonald** who, in the midst of calling for a Congressional investigation of the Jesuits' **Council on Foreign Relations**, was *murdered* (by New York **Archbishop John Cardinal O'Connor's Knights of Malta** directing the CIA via the CFR) while flying on the civilian jetliner, KAL-007,—*destroyed in flight by a pre-planted explosive charge* {27} —greatly benefiting the Jesuit Order while continuing its Cold War), we read:

> "It is not an exaggeration to say that the USSR was made in the USA. . . . The proofs—which are on the public record—that international banking elements, most notable **Morgan** and **Rockefeller** interests, financed the take-over by the Bolsheviks, are simply overwhelming. . . . By saddling Russia with an unproductive economic system dependent on the West for continuous infusions of capital and technology for survival, Russia could be both exploited and contained [*forcefully submitted to the Pope's Temporal Power*]. . . . Having created their colony in Russia, the Rockefellers and their allies have struggled mightily ever since to keep it alive. . . . In order to rescue the Bolsheviks, who were supposedly the arch enemy of profit-seeking businessmen, the **Chase Manhattan Bank** was instrumental in establishing the **American-Russian Chamber of Commerce** in 1922. . . .
>
> In 1964 **David Rockefeller** and **Nikita Khrushchev** were closeted in Moscow for two and a half hours [*reportedly in September*]. As a matter of fact, the meeting between Rockefeller and Khrushchev had been held two months

earlier, in July. . . . Within a month, Khrushchev was deposed. David Rockefeller was soon meeting on the Black Sea with his successor, and in October of 1966 **L.B.J. . . .** a man who had appointed a CFR member to virtually every strategic position in his administration . . . announced his new policy of 'building bridges' [*a pro-communist, foreign policy decreed by Rome's* **"Builder of Bridges"**] to Eastern Europe. This was at a time the Communists were escalating the Vietnam War, and virtually all of the war materiel to do so came from the munitions factories of Eastern Europe [*proving in fact that Masonic* **LBJ** *was pro-communist, backing not only the socialist-communist Civil Rights legislation, but the very Communist governments JFK was accused of supporting*]. . . .

As part of the massive effort to build the Communist economy by looting the United States, on *credit*, **Richard M. Nixon** appointed **William J. Casey** [*a* **Knight of Malta** *and Director of the CIA during the Reagan Administration*] as president of the Export-Import Bank. Casey, a member of the Rockefeller-controlled **CFR,** is the perfect man for the job that [*Masonic Jewish Labor Zionist* **Henry A.**] **Kissinger** and the **Rockefellers** have in mind. . . . The first of the giant projects we are inflating our currency to build on credit for our Bolshevik brothers is the **Kama River factory**, which is to be the largest producer of trucks in the world. . . .

The Kama River factory will produce 150,000 heavy trucks and 150,000 heavy engines per year. This output is greater than the *combined* production of such trucks by all factories in the United States. The complex is being built by a division of the Pullman Company at a cost of two billion dollars. The Soviets are going to put up ten percent of the cash for the project, while **David Rockefeller's Chase Manhattan Bank** [*headed by* **Knight of Malta Francis X. Stankard**] and the **Export-Import Bank** [*headed by* **Knight of Malta William J. Casey**] will each advance forty-five percent. . . .

This cannot be wholly the result of accident. For fifty years the **Federal Reserve-CFR-Rockefeller**-*Insider* crowd had advocated and carried out policies aimed at increasing the power of their satellite, **the Soviet Union.** Meanwhile, America spends **$90 billion** a year on defense to protect itself from the enemy the [*Jesuit-ruled, CFR*] *Insiders* are building up." {28} [Emphasis added]

Dear truth-seeker, *do you now understand* why the Jesuits would not allow Hitler's army in the East to capture Moscow, as a former **SS** man (who called himself "**Freddie**") told the author his army was only eighteen kilometers away and forbidden to fire a shot! *Do you now understand* why the Jesuits would not allow **Admiral Canaris** to prematurely surrender Germany to the Americans? *Do you now understand* why **General Patton**, who wanted to unite the surrendered German Army with his Third Army for the purpose of attacking the secret Jesuit Empire of Soviet Russia (just as the Jesuit **SS "Superior General" Heinrich Himmler** *supposedly sought to do* for which he was "stripped of his powers," ordered "to be shot" by Jesuit-controlled Hitler and later "poisoned" by the British SIS *thereby escaping the rage of Allied justice*), was murdered by the "Wild" Bill Donovan's

OSS which in turn was working with Dominican priest **Father Felix Morlion's** Vatican Intelligence **Pro Deo**? *Do you now understand* why **General Andrei Vlasov,** who sought to liberate Russia leading his hundreds of thousands of patriotic Russian soldiers, was first resisted by **Hitler** and then betrayed into the bloody hands of **Josef Stalin** by that *filthy pig and coward*, **General Dwight Eisenhower**? *Do you now understand* why every order **Hitler** gave from his bunker in Berlin served only to destroy the German people, whose grandfathers had expelled the Jesuits in 1872? *Do you now understand* why the American Empire throughout the entire Cold War has given food, technology and high finance to the "**USSR**?" **The Cold War** served tremendous purposes for the Jesuits overseeing and directing the Pope's Vatican Hierarchy, and it had to be maintained until those designs were completed by 1990. For forty-five years the Jesuit–ruled, Nazi-infested, White Anglo-Saxon Protestant Western nations and intelligence agencies would in fact **BUILD JESUIT COMMUNISM** under the guise of "**FIGHTING GODLESS JEWISH COMMUNISM**," while simultaneously destroying true nationalists of the very nations accused of "**GOING COMMUNIST**." The Jesuit General not only intended to build the massive Russian War Machine and its intelligence community, the **KGB** along with its opposite number, the **CIA**, but to use *staged opposition* between the two "superpowers" (via the Korean and Vietnam wars) in attempting to force nations into alignment with one or the other, creating a **United Nations** world police state in the hands of the **Black Pope**. We must not forget that by the end of the Cold War the Protestant British Empire—so hated by the Jesuit General's "*infallible*" White Pope—had been destroyed and sixty-five nations of the free world had been betrayed into the Jesuit-controlled Inquisitional dungeon of atheistic Communism. These merciless crimes created worldwide **anti-Americanism** —*another purpose of the Cold War*—as we were and continue to be hated for allowing Rome's **CFR-controlled**, **socialist-communist**, **Nazi-protecting** American government to spread and maintain the Jesuits' **Holy Office of the Inquisition** administered in accordance with the Order's evil Council of Trent.

What scare tactic could be used to force the peoples of the West into accepting *as fact* the great "**Communist Threat**" in the East thereby justifying "**the Cold War**"? It was the splitting of the atom creating a nuclear device that, when carefully detonated, unleashed mass-destruction. This device, this "weapon of mass destruction," *given to both sides*, would justify the establishment of that criminal organization called "**the United Nations**" in New York City. It would also coerce the peoples of the world (whose nationalists had been cleverly murdered during World War II) into sacrificing their national sovereignties into the hands of a World Authority—the Papal Caesar so declared in *The Documents of Vatican II*.

Near the end of World War II, in July of 1945, the Jesuits, with their Manhattan Project, *publicly and openly* detonated a nuclear device. Three weeks later, using the American Army Air Force as a patsy and clever distraction, they destroyed the

targets of **Nagasaki** and **Hiroshima**, Washington, D.C., having refused terms for a Japanese surrender. (It is most important to realize both cities were old Jesuit dominions. The future Jesuit General, **Pedro Arrupe**, was Rector and novice master of the thirty-five man Jesuit Novitiate at nearby Nagatsuka when Hiroshima was destroyed. Unscathed, *he must have known* the devastation was coming—*or must have participated in it*—being one of the first to enter Hiroshima and to observe the effects of the Company's newest terror weapon.) As we shall discover, the hoax of "*mutual airborne nuclear war*" had been successfully created, the Vatican possessing a full knowledge of the effect of a nuclear detonation *prior to 1943!!!* Of **Rolf Hochhuth's** "Sidelights on History" appended to his most brilliant and controversial 1963 play, *The Deputy*, depicting **Pope Pius XII** as a politically calculating, silent consenter to the Nazi SS/SD-led European and Soviet Jewish Holocaust, we read "The best informant of the Pope during the war is said to have been the Archbishop of New York, [*later*] **Cardinal Spellman**, who traveled all over the world as an American military chaplain and reportedly stopped off in Rome. In his book on the Vatican, **Herbert Tichy** wrote in 1949:

> 'Probably the Vatican [*and thus* the **Black Pope,** *he tirelessly serving as the White Pope's internationally informed intelligence mastermind*] was then— not only as a result of Spellman's efforts—amazingly well-informed about most of the secrets of the belligerent Powers. In February 1943, two and a half years before Hiroshima, the Pope made a reference to the atom bomb in an address to the Papal Academy. [*Wow! Now carefully read the following statement!*] "We know," he [**Pius XII**] said, "that a uranium atom disintegrates when it is bombarded with neutrons, releasing two or more neutrons, which in their turn can shatter more uranium atoms and so generate a wave of energy. A cubic meter of uranium oxide can raise a billion tons to a height of twenty-seven kilometers [*!!!*]. . . . It is important that the release of such inconceivable force be chemically controlled to prevent the destruction of our planet." ' " {29} [Emphasis added]

Dear truth-seeker, how did the Jesuits *know* this? It is herein maintained that the Sons of Loyola *must have* previously detonated a nuclear device **PRIOR TO 1943!!!** That successful and secret testing may have transpired deep in the obscure forests of Stalin's Siberia; or on an island within Hirohito's Far Eastern Imperial Empire; or on an Alaskan mountain within FDR's '**Holy Roman**" **Fourteenth Amendment American Empire**, *all three empires having been under the abject control of military dictators loyal to Rome*! **Dr. William R. Deagle, MD**, a noted scientist in several fields, had been made aware of pre-1945 atomic detonations while in residency at the Vancouver General Hospital, Vancouver, B.C., Canada, from 1977 through 1978. He declared in a personal email to the author:

> "**Mr. John Ragsdale** reported his father was a NASA launch verification electrical engineer for Mercury and Apollo projects. **Milton McArthur Ragsdale** was, prior to World War II, collaborating with [*Masonic Jewish Labor Zionist and CFR member*] **Edward Teller** on USA-sponsored, German-Nazi nuclear research.

He was personally present at some distance without proper protection from the detonation and suffered the rest of his life from serious radiation and isotopic exposure. They had purchased an aging Japanese cargo ship and blew up this crude nuke in **1939** at the Bikini Atoll in the South Pacific.

In 2005, a German scientist and author published proof that the Nazi German scientists exploded a Cobalt Nuclear air detonation at the Baltic Forrest [*the author seriously questioning the veracity of any reported incident detailing so-called airborne atomic detonations with the triggerdelicate weapon ungrounded and in motion*] and documented that V2 Missiles were quite capable of delivering this weapon to Britain from that date onward as well as any other target in Europe or Western Russia. The USA entered the war on the side of Britain and Canada plus allies after the manipulated massacre of American naval forces at Pearl Harbor, Hawaii. The fleet had been moved months before from San Diego to Hawaii and the decryption systems for both Japanese and German intelligence had been broken at least five weeks before by documented proofs.

Thus, the entire WWII and the breakdown with the realignment of the USA and Germany were total manipulations by the Jesuit-controlled Masonic Illuminati and all the arms of the octopus of geopolitical banking and the military-industrial control. The nuclear detonations at **Nagasaki** and **Hiroshima** were attacks against the Japanese common people and not the elite as their property was left untouched, just as Thyssen-Krupp munitions factories and Panzer Tank factories set up by Union Bank with **President George W. Bush's** grandfather [*Jesuit-trained* **Knight of Malta Prescott Bush, Sr.**] to arrange financing and General Motors to build these German factories. Munitions from Krupp factories were delivered by U-Boat escort with 'Do Not Shoot' orders to the British Navy, as these bullets were used to kill German forces. It is evident that on the global stage the nations and military forces are merely pawns in the dialectic of building a **Luciferian Globalist Matrix.**" {30}[Emphasis added]

Upon that successful secret testing, the Order then moved FDR to *give* all essential components in constructing a nuclear device to Stalin *in 1943!* Because neither the USSR nor Japan had declared war on each other (*How convenient!*), the Order could then safely move its atomic components from the USSR directly into Japan, with the full knowledge, aid and comfort of Tojo's Military High Command. (Did not the Japanese Army throw Protestant missionaries in concentration camps but give full freedom to the many Roman Catholic missionaries throughout the South Pacific?) While the atomic devices were being meticulously assembled in Hiroshima and Nagasaki, the Order would receive complete protection from Japanese military commanders, both cities being under abject martial law. Amazingly, *neither city would be bombed* by FDR's Army Air Force, while every major metropolis of Japan would be in flames due to relentless B-29 attacks. And no wonder, for the *triggers of atomic devices* are extremely sensitive and thus, if Hiroshima and Nagasaki had been shaken by conventional ground or airburst explosions due to mass-bombing caused by American B-29s on orders of **General**

Curtis LeMay, those precious nuclear devices, having been *covertly assembled on the ground* under the all-seeing, Argus eye of future Jesuit General **Pedro Arrupe**, *could never have detonated!*

On August 6, 1945 the foundation for the Pope's Cold War is ready to be laid. If all the anti-Communist enemies of the Pope's Communist, New York-financed USSR (which USSR had been patterned after the **Black Pope**'s socialist-communist Paraguayan Reductions) are to be *"extirpated from the face of the whole earth,"* which extirpation began with the wicked Yalta Agreement in 1945, the threat of *airborne nuclear war* must be deceptively created by the Devil's foremost Master of Deceit—the Company of Jesus. Nuclear devices have been successfully detonated—*secretly* before 1943 and *openly* by July 16, 1945. The USS Indianapolis is under way to Tinian Island with its secret cargo of Uranium-235, departing from San Francisco on *the very same day* of the successful atomic detonation north of Alamogordo—*as though it was known beforehand* that the *openly historic* atomic test would be a smashing success! Hiroshima and Nagasaki have been left untouched by Allied bombers though Hiroshima is a prominent military target, it being the headquarters for one of the four Imperial Armies *composing 90,000 Japanese soldiers!* The USSR is not threatening to attack Japan, including the Order's precious pre-Cold War atomic sites, as a **Pledge of Neutrality** exists between both powers, one Axis, the other Allied. The atomic devices have been successfully assembled with shielding in place so as to enable five Jesuits to take shelter underneath their monster pulse weapon upon its detonation. The Jesuits know they are to "flip the switch" upon hearing the airburst of a magnesium flash bomb—*laced with Uraniun-235*—to be dropped overhead. FDR had agreed to oversee the US Navy's ONI-backed Japanese attack at Pearl Harbor in order to create World War II for "heretic and liberal" America. Hirohito has now agreed to participate in the atomic detonations at Hiroshima and Nagasaki in order to create the inquisitional Cold War for America pitted against "infidel" Buddhist and 'heretic" Protestant Oriental peoples of the Far East—which Cold War would result in a huge commercial and naval buildup of Japan. The Jesuits are now in their places. The fireworks now begin as the 9000- pound bomb, "**Little Boy**," is dropped from the B-29, "**Enola Gay**," over Hiroshima. Arrupe, *cleverly out of range,* describes the airburst and ensuing atomic detonation:

> "A gigantic fire, like a magnesium flash, suddenly **leapt into the sky.** I was in my office with another Jesuit. The sight made me leap from my chair and run to the window. At that instance a sort of dull continuous roaring reached our ears. It sounded more like the roar of a waterfall than the sudden explosion of a bomb." {31} [Emphasis added]

The author, **Alain Woodrow**, quoting Aruppe above in his *The Jesuits: A Story of Power*, continues with his own narration:

> "The monster's hand had turned everything upside-down. And yet, in the house, the 35 Jesuits were unharmed. [*Of course not, they knew it was coming.*] At just a few miles from the epicenter no-one was even injured. Astounded to find no sign of a crater caused by the mysterious bomb, the priests climbed a nearby hill from where there was a good view of Hiroshima. But the town was no more. All that they could see was a burning plain. . . . A crowd of refugees, with burnt, disfigured and mutilated bodies, was already trying to make its way, sometimes on hands and knees, towards the Jesuits' home. Everyone told the same story: "I [*first*] saw a bright light, **then** [*secondly*] heard a terrible explosion . . .' . . .
>
> On that terrible day of 6 August, heavy rain, brought on by the bombing, started to fall on the smoldering town. Pedro Arrupe and a few companions decided to make their way to another Jesuit house **in the middle of Hiroshima.** The sights were beyond belief. Thousands of bodies cut to pieces, a child dying between white-hot beams, and from all around came the unbearable screams of the injured. Arrupe's little group took five hours to reach the five Jesuits who lived in the town. Amazingly, although they were all injured, not one was fatally so." [*The Order, with its typical hypocrisy, attributed this supposed "miracle" to the Virgin Mary! Dear truth-seeker, this is heartless, blindly obedient Jesuitism in all of its historic and savage glory in making the Pope the Universal Monarch of the World ruling from the Third Hebrew Temple in Jerusalem.*] {32} [Emphasis added]

Upon the destruction of Nagasaki and Hiroshima, *the new dogma* of airborne nuclear devastation was strongly promoted by **Archbishop Francis Cardinal Spellman's** media moguls, **Knight of Malta Henry R. Luce** and **Knight of Malta Frank Capra**. The mass-destruction "proved" the impending doom of an "airborne nuclear holocaust" justifying the creation of a new "peace-keeping" world authority—the treasonous **United Nations**—that will one day control Jerusalem**'s** Holy Mount while overseeing the rebuilding of a glorious new **Third Temple**—*for the Pope! But the facts regarding "airborne nuclear war" prove otherwise*. At the time the only nuclear devices ever detonated were stationary and on the ground! *None had ever been dropped by aircraft in testing!* We will grant that objects, represented to the world as being "atomic bombs," were dropped over Hiroshima and Nagasaki, and that atomic explosions followed, as attested to by one of the pilots of **Enola Gay** while sailing with the author's mother years later in the San Francisco Bay. But pilots and crews would have no way of knowing whether it was the objects dropped by them that exploded, or different objects already installed and in place at ground level. Further, according to the thesis of Australian engineer, author and pilot **Captain Bruce L. Cathie** in his suppressed *Harmonic 33*, a nuclear detonation can only occur at a specific time when *the trigger* is in a precise geometric position with *the sun*, his theory being in perfect agreement with *biblical gocentricity—**Psalm 19:4-6!*** After a long discussion he concludes:

> "Until I am informed officially otherwise, **I will maintain that the destruction of an atom depends on the** [*earthly*] **geometric position of the triggering device, and the geometric** [*seasonal*] **position of the** [*moving*] **Sun** [*called "a window of opportunity"*]. **Is it possible to fight an atomic war on this basis? The whole thing would be completely illogical** . . . the bomb has to be dropped on a pinpoint geometric position and during a certain instant of time, if it is to explode." [*Dear truth-seeker, were the "bombs" dropped on Japan merely "dirty" uranium and plutonium-laced magnesium flash devices coordinated with technical ground teams below, one of which was located at the Jesuit House in the middle of Hiroshima and from where the underground switch was thrown (after which all five Jesuits emerged having survived the blast), detonating the atomic device just as it was done at the proving grounds in the southwestern United States only a few weeks before? Dear truth-seeker, is* **Edwin Corley's** *fictional The Jesus Factor really true, that nuclear devices cannot detonate if they are in motion?*] {33} [Emphasis added]

Thus, in light of these assertions, an airborne thermonuclear war destroying mankind is a technological impossibility, and a pure fiction of Henry Luce's Cold War propaganda. It is also unbiblical, as the Devil, indwelling his "risen" Papal Caesar turned ***"antichrist,"*** could never rule the world from **Solomon's** rebuilt **Temple** and Jesus the Messiah could never fulfill the promises given to **Abraham**, **Isaac**, **Jacob** and **David**. The unconditional promises made to the fathers and confirmed by Christ are "***without repentance***" and therefore must come to pass (***Romans 11:29; 15:8***)!!!

Having perfected the fearful illusion of airborne thermonuclear war, the Jesuits had to create a false enemy for the unwitting slaves of the Pope's "**Holy Roman**" **Fourteenth Amendment, Corporate-Fascist, Socialist-Communist American Empire**. Americans, enjoying Protestant and Baptist liberties, must be enslaved to the fear of possible nuclear attacks, justifying more absolutist government. (This is why we American children during the 1960s were drilled to hide under our school desks due to simulated "Soviet nuclear attacks" when the dreaded, ear-shattering air-raid sirens would sound, instilling in our young hearts fear and terror for the "invincible" Soviet Union.) So the Jesuits, through their wicked **Council on Foreign Relations** in control of the American Military, *gave the nuclear device* to their crypto-Roman Catholic, Jesuit-trained, Grand Inquisitor—**Joseph Vissarionovich Stalin** whose real Georgian last name, **Djugashvili**, means *"Son of steel."* We read:

> **"Major George Racey Jordan,** an officer in the United States Army during the Second World War, was the officer in charge of the transfer of the **Lend Lease** supplies through the Great Falls, Montana, air base. It was here that the planes were loaded with the transferable goods prior to their being flown to Fairbanks, Alaska, where the planes were flown into Russia by Russian pilots.

> Major Jordan, curious by nature, opened various briefcases and cartons, and saw various words he was not familiar with on various papers: uranium, cyclotron, proton, neutron, cobalt, and plutonium. In addition, Jordan discovered various reports from **'Oak Ridge, Manhattan District'** (it was the 'Manhattan Project' in Oak Ridge, Tennessee, where the American scientists were developing the plans for the atomic bomb) containing phrases like 'energy produced by fission.' Jordan also discovered '. . . at least three consignments of uranium chemicals . . . nearly three quarters of a ton. Confirmed also was the shipment of one kilogram, or 2.2 pounds of uranium metal at a time when the total American stock was 4.5 pounds!' These findings meant little to Major Jordan until 1949, when Russia exploded their first atomic bomb. It was then that he realized that he had been witness to the transfer of the materials and plans for construction of Russia's atomic bomb. And this occurred in 1943. Major Jordan's charges were corroborated by a [*non-fictional*] novel written by **James Roosevelt**, the son of **Franklin Roosevelt**, in 1980. The dust cover of the book describes the contents of the novel, entitled *A Family Matter*. 'President Roosevelt . . . makes a bold secret decision—to share the results of the Manhattan Project with the Soviet Union. . . . The novel details how President Roosevelt gave Russia the plans for the atomic bomb in 1943 and 1944.' " [*Since the USSR was at peace with Japan, again, could it be that the Order brought these materials into Japan via its Soviet pilots and/or agents, assembled the bomb in Hiroshima's Jesuit House (Jesuit Priest* **Michael DeLisle Lyons** *having participated in the* **trigger development** *of the A-bomb at the Trinity site) and then waited for the American B-29s to drop their magnesium flash bombs loaded with uranium blocks, they having been delivered by the doomed USS Indianapolis?*] {34}

Further, of the Jesuit hand in not only transferring the nuclear device to Stalin, but concerning the development of the weapon's crucial **triggering device**, we read of **Jesuit Fathers Michael DeLisle Lyons** and **James Bernard Macelwane**:

> "In August of 1995, two significant events in world history celebrated an anniversary: the 50th anniversary of the dropping of the Bomb on Japan and 75th anniversary of WWJ (the first commercial radio station). While these events may appear to be unrelated, documents have recently surfaced which connect my great-uncle, [**Jesuit**] **Father Michael DeLisle Lyons,** to both events . . .
>
> In his final year at [the Company's] St. Louis University, Mike also studied Geology under **Father James Bernard Macelwane**, who established the Seismological Society of America. The Atomic Energy Program would later grant Father Macelwane **'Q-level'** security clearance in 1948. Q-level security clearance was developed by the government to limit the number of people with access to nuclear facilities. It is believed that Father Macelwane assisted in guiding the U.S. Government in locating strategic minerals, and quite possibly in choosing sites for below-ground weapons development [*creating America's secret underground bases*] and missile silos. **Mike had also acquired 'Q-level' security clearance. . . .**

> In 1941, Mike officially resigned from the **Society of Jesus**. . . . In March of 1942, church authorities reassigned Mike to **St. Xavier's Mission** of Robertsganj in Mirzapur, Upper Pradesh (just west of Patna.) From there Mike moved to Meerut, India, in 1943 and began increased contact with many American soldiers, who were stationed in India. It was through these acquaintances that Mike finally came into the service of the **Federal Economic Administration** (**FEA**) in 1944. . . . Meanwhile Mike was employed by the FEA to locate strategic minerals in India, especially beryllium, a key element required for the detonation of a nuclear bomb . . . Family members tell me that Father Mike was in the United States in 1945, to participate in the first A-bomb test at the Trinity site in Los Alamos, New Mexico. [*Wow!! Never have Americans been taught this history!*] Agents from the **Federal Bureau of Investigation** accompanied Mike on his visit to Detroit and New Mexico, and interviewed several neighbors in Detroit to ensure his security. However in 1947, Mike was officially brought back to the United States by our government. . . . Mike decided to return to life as a [**Jesuit**] priest when he returned to the United States in 1947. . . . [*and*] also planned to continue his work for India [*dismantling the apostate Protestant British Empire*] and his [*nuclear*] work with the U.S. government. . . .
>
> In 1946, **Bishop** [**Bernard J.**] **Sullivan** returned home to Denver, Colorado and [**Jesuit**] **St. Regis University**. Mike later followed to Arvada, Colorado, which was about 15 minutes from St. Regis University and Boulder. From a piece of property on a hill facing the mountains and Bounder to the west, Mike began . . . **The Beryl Ores Company**. . . . set up to supply the U.S. Government with beryllium for the triggering mechanisms of nuclear weapons. A few men worked grinding the beryl crystals into a powder, which was later heated and treated with chemicals to extract the beryllium. This beryllium was often delivered by walking it over to the **Rocky Flats Plant,** which made the triggers for the nuclear weapons. The Rocky Flats Plant is about 200 yards from the property and house where Mike lived and worked." {35} [Emphasis added]

The Jesuits, in building their Soviet military machine, used **FDR**, the pawn of **Archbishop Spellman** and Knight of Malta **Joe Kennedy**, to give **Stalin** the nuclear device. This created a false enemy for the American people justifying huge budgets for the building of the FBI, CIA and the Military Industrial Complex. It would further enable the Jesuits to use their 33rd Degree Freemason, "**Dirty Harry**" **Truman**, to suspend the **Constitution** putting the American Empire under a fascist, military dictatorship with the **Emergency War Powers Act of 1950**. (So dear reader, if you were worried about an attack by Russian missiles, you should know that the General Accounting Office reported that fifty-six percent of our Minuteman missiles were defective when they were installed in their silos. After decades of routine preventive maintenance it is possible that, in case of war, *none of them* would have left the ground, much less found their targets or exploded over them. If that is the American level of technique, how bad were the **Russian Strategic Rocket Forces**—that is *if the Russian missiles really existed.* The only evidence for many of these missiles was the fact that some holes were dug in

Siberia—a Russian province in which the Order may have detonated its first atomic device in 1908, the gigantic blast destroying the swamp forest of **Tunguska**—while our satellites allegedly kept watch.)

Meanwhile, the nation needed a scapegoat for the treason of giving nuclear secrets to Stalin. Blaming the Jews, the Jesuits repeated the **Dreyfus Affair** using their darling 33rd Degree and Shriner Freemason, **J. Edgar Hoover**. Hoover, the Jew-hater and friend of **Himmler** prior to the war via **INTERPOL**, fingered **the Rosenbergs** inciting anti-Jewish sentiment. This furthered the illusion of the worldwide "Jewish Anti-Christian Communist Conspiracy;" for, "it was the Jews that caused the Bolshevik Revolution and it was the Jews that gave Stalin the bomb." *To the disgrace of the American people*, none came to the aid of the innocents, as **the Rosenbergs** were tried by a Fordham University-trained Jewish judge, **Irving S. Kaufman**. Before the commencement of the trial, **Jesuit Coadjutor Kaufman** had already decided upon the guilt of the doomed couple, his *ex parte* meetings with the prosecution *before, during and after* the trial aiding and abetting the government thus bringing his murderous intentions to a final fruition. The Jewish scapegoats, maintaining their innocence to the end, were convicted and murdered by the American Judicial System controlled by the Society of Jesus through its criminal **Council on Foreign Relations**, its decrees brutally enforced by **Hoover's FBI**. With this war of attrition called "**the Cold War**," the Jesuits continued to murder millions of "heretics" and political "liberals" *without any declaration of war!* Their Roman Catholic, Jesuit-trained, Russian Grand Inquisitor, with his **KGB** and Russian Military Intelligence (**GRU**), continued the Company's secret arrests, torture and deportations to Siberia. *The Great Russian Patriot*, **Alexander Solzhenitsyn**, writes:

> "Like medieval torturers [*the Dominican Inquisitors of the Dark Ages*], our interrogators, prosecutors, and judges agreed to accept the confession of the accused as the chief proof of guilt . . . After all, for the first time in human Vatican history the calculated torture of millions was being undertaken . . . This whole operation was stretched out over many years because it was of primary importance that it be stealthy and unnoticed. It was essential to clean out, conscientiously, socialists of every other stripe from Moscow, Petrograd, the ports, the industrial centers, and later on, the outlying provinces as well. This was a grandiose silent game of solitaire, whose rules were totally incomprehensible to its contemporaries, and whose outlines we can appreciate only now. **Someone's far-seeing mind, someone's neat hands, planned it all, without letting one wasted minute go by . . . Patience, overwhelming patience, was the trait of the person playing out the solitaire.**" {36} [Emphasis added]

Dear truth-seeker, that person playing out the solitaire was none other than the General of the Jesuits, **Wladimir Ledochowski**, as two of his qualifications according to the Society's *Constitutions* were "*prudence*" and "*solicitude.*"

And who was **Stalin's** guiding light while he turned Orthodox Russia into a Dark Age, Inquisitional dungeon so vividly described by an American Jewish survivor, **Victor Herman**, in his *Coming Out of the Ice* and *The Gray People*? Who was his inspiration in addition to his private secretary in the Kremlin, the "vile and loathsome" **Alexander N. Poskrebyshev**, who even consented to the Stalin-ordered murder of his Jewish wife? It is a historical fact that **Stalin** was greatly influenced by a **Roman Catholic Cardinal**, they both having attended the same Jesuit-controlled Russian Orthodox seminary in Tiflis, Georgia. **Avro Manhattan** tells us:

> "**Msgr. Gregory Agagianian**, Patriarch of the Catholic Rite of the Armenian Church [*was elevated by the ex-Jesuit* **Pope Pius XI**] to the Patriarchate in 1937, a post which he held for 25 years thereafter . . . In 1946, anti-Communist Pope Pius XII made him a Cardinal . . . Cardinal Agagianian was expected to play a major role during the developing Cold War . . . The reason was that **Agagianian** was the top expert on the Soviet Union, Communism, and the Orthodox Church; . . . He was of Armenian origin, but a Georgian by birth. He had known Communism at first hand, having lived three difficult years as a young priest in Tiflis, Georgia, whilst the Bolshevist Revolution was raging. He spoke fluent Russian . . . **Agagianian** was also considered very special by **Stalin** himself [*as both* **Josef Stalin** *had been educated by, and* **Grigory Rasputin** *had been advised by the rector of the Order's "Orthodox" Tiflis Theological Seminary—Jesuit Spiritual Coadjutor and Orthodox Bishop* **Hermogen**], the Cardinal having had the dubious distinction of attending the same Jesuit seminary [*though "Russian Orthodox" in name*] in Georgia as Stalin had done. This was a small, but significant, fact, . . ." {37} [Emphasis added]

Indeed it was a significant fact! For in 1946 **Pope Pius XII** made **Gregory Agagianian** the **Cardinal** over the Russian Empire *the same year* he made **Francis Spellman** the **Cardinal** over the American Empire. What **Agagianian** was to **Stalin** with his **KGB**, **Spellman** was to **Truman** with his **CIA**. Both Cardinals were loyal to **Jesuit General Jean-Baptiste Janssens** as was **Pope Pius XII** who had appointed them on the advice of his Jesuit confessor and master of the Nazi SD, **Robert Leiber**. Leiber was later replaced by another Jesuit and master of Vatican II, that pro-Masonic Jewish Labor Zionist and pro-Nazi papal confessor, **Augustin Cardinal Bea**.

Stalin, who went on to restore the Russian patriarchate so desired by **Bishop Hermogen**, also established absolute military dictatorships within the satellite nations loyal to his Jesuit masters in **Moscow** (from which the Order would train its world communist revolutionaries, like **Yasser Arafat** and **Martin** (Lucifer) **King**). These dictators would suppress the free circulation of the Reformation Bible and popular liberty in accordance with the papal dogma of the Pope's Dark Ages. So the Jesuits' **Cold War Hoax** (as both the American government and Soviet government were never real enemies at the top) raged through the Fifties and

Sixties, overseen by **Agagianian** in the East and **Spellman** in the West, murdering millions of "heretics and liberals" pursuant to the **Jesuit Oath** and the evil **Council of Trent**.

It is the same story in China, as the Order had a score to settle for their expulsion in 1783. For over sixty years the Company would be utterly forbidden to set its cloven foot in that land until regretfully re-admitted in 1841. True to form, the Jesuits used the American Empire's Seventh Fleet to block **Chiang Kai-shek's** planned invasion of Mainland China thereby enthroning (*via* the ***Black Pope***'s *American CIA and British MI6*) "**Chairman Mao**," who then expelled eight thousand Protestant missionaries. This merciless dictator, whose favorite pastime according to his wife was raping young Chinese virgins, murdered at least *fifty million* "heretic" and "liberal" Buddhist Chinese, including those who read the Bible or advocated popular liberty. He, as the head of the Jesuit Inquisition in the Far East, would also be responsible for the murder of millions in Thibet, Korea, Vietnam, Thailand, Laos, and Cambodia *in conjunction with American B-52 bombers!* **Nixon** on one side and **Mao** on the other crushing the Buddhists of the Far East! It is for this reason the Chairman said to President Nixon during the latter's visit to Peking, *"You are as evil as I am."*

To ensure the success of this Jesuit Inquisition against the Buddhists, the Order used **Truman**, a creature of the Jesuits' evil **Tom Pendergast's** Democratic machine, to relieve **General Douglas MacArthur** of command during the Korean War. As a result, the American Empire would never seriously resist the Jesuits' mass-murder in the Far East ever again. The Empire's new policy would be *"no win wars"* during this age of *"violent peace,"* further indebting the American people to the Jesuits' **Federal Reserve Bank** while destroying all confidence in their so-called *"elected"* leaders. In creating and maintaining the false enemy of "Soviet and Chinese Communism" the Jesuits attained one of their ecumenical goals. It united Catholics and Protestants in the West, as it was perceived as a threat to them both. To give the appearance that Communism was a threat to Catholicism, the Roman Catholic nations of Poland and Hungary were put behind "the Iron Curtain." To give the appearance that Communism was a threat to Protestantism—*and it was and still is*—the Protestant nations of East Germany and the Baltic States were put under **Stalin's** boot, shipping thousands of Lutheran "heretics" to Siberia. This purposed deception did much to unite the Catholics and Protestants of **Fourteenth Amendment America**, polluted with Nazi ex-patriots within its developing intelligence community, and led by Rome's great Cold Warrior and Military Vicar, **Cardinal Spellman.** Hoodwinked, thousands of us young American men marched off to fight foreign wars for Rome, believing we were performing our patriotic duties in resisting "the Communist Threat." The author spent three years in a "nuclear weapons area" at Spangdahlem AFB, Germany, sincerely believing that without our American presence in NATO,

Western Europe would be overrun by "the Soviets." Little did we know that both the Russian and Chinese Communist Empires were being financed by the **Knights of Malta** in New York and London to be one day used against America, that a reuniting, Papal Europe was never in danger. **What a brazen deception having duped us all!**

In addition to **Cardinal Spellman**, the Jesuit General publicly fanned the anti-Communist fire in the West, cleverly deceiving American patriots never dreaming the Jesuit Superior General was the true power behind "**Communism**." We read:

> "In a UPI story dated December 27, 1965, **Father Pedro Arrupe,** head of the Jesuit Order of the Roman Catholic Church [*1965-1981*], made the following charges during his remarks to the Ecumenical Council: **'This . . . Godless society** operates in an extremely efficient manner at least in its higher levels of leadership. It makes use of every possible means at its disposal, be they scientific, technical, social or economic. **It follows a perfectly mapped out strategy: It holds almost complete sway in international organizations, in financial circles, in the field of mass communications; press, cinema, radio and television.**' " [*Dear truthseeker, is this not a perfect description of the in fact "godless" corporate-fascist, socialist-communist Jesuit Order itself?*] {38} [Emphasis added]

According to **Alberto Romero de Rivera, C.J.** (Company of Jesus—whose ex-Jesuit status has been validated by **Jonas Shepherd** of the Canadian Protestant League, and **Gerard Bouffard—Don Marie Bernard de Sienne, O.S.B.—**a former Roman Catholic Bishop of Guatemala (1976-1979) presently speaking nine languages and residing in Quebec (2007) and who personally showed the author his broken Bishop's ring, as is the custom when a Bishop resigns his office), this same Japanese murdering **Jesuit Superior General Pedro Arrupe** was a Freemason and a member of the communist party in **Franco's** Spain. We read:

> "The higher I went into the Jesuit Order, the more corruption I saw within the institution. I was invited to attend a secret black mass by high-ranking Jesuits in a monastery in the northern part of Spain. When I knelt to kiss the ring of a high official I saw a symbol on that ring that made my blood run cold. It was a Masonic symbol! A thing I hated and I had been told to fight against it. Everything was falling apart! I found out **the *Black Pope*** (the Jesuit General who actually runs the Vatican in Rome behind the scenes), was also **a Mason** and a member of the communist party in Spain. My head was spinning as I found out the Jesuit General was closely linked to the **Illuminati** in London. **Ignatius Loyola,** founder of the Society of Jesus (the Jesuits) was a member of the **'Alumbrados'** which means the enlightened or **'The Illuminati.'** " {39} [Emphasis added]

Since the Jesuits were the masters of **Soviet Communism** as well as the controllers of the **Federal Reserve Bank** *we now understand why* their bank in the West

financed the Jesuits' Inquisition in the East. Our fearless hero, Congressman **Louis T. McFadden**, once again alerted the American Congress in 1933:

> "The Soviet government has been given United States Treasury funds by the Federal Reserve Board and the Federal Reserve Banks acting through the [**Rockefeller**] Chase Bank and the [**Morgan**] Guaranty Trust Company [*both controlled by the* **Knights of Malta**] and other banks in New York City . . . Open up the books of Amtorg, the trading organization of the Soviet government in New York, and of Gostorg, the general office of the Soviet Trade Organization, and of the State Bank of the Union of Soviet Socialist Republics and you will be staggered to see how much American money has been taken from the United States' Treasury for the benefit of Russia. Find out what business has been transacted for the State Bank of Soviet Russia by its correspondent, the Chase Bank of New York . . . (Congressional Record, June 15, 1933)." {40} [Emphasis added]

Thus, the Jesuits, while raising a formal hue and cry against the communist "**USSR**" and satellite nations here in the apostate Protestant and Baptist West, *were secretly its masters* accomplishing their goals during their Cold War of attrition. Under their socialist-communist-feudal-fascist dictators there would be no room for the free circulation of the Protestant Bible or the rise of popular self-government. *This is why* the Hungarian Revolution instigated by **Knight of Malta Allen Dulles** and his CIA, was crushed in 1956, the Jesuits punishing freedom-loving Roman Catholics with their Russian Army. *This is why* the Jesuits used their CIA to first install **Jesuit Fidel Castro** and then betray freedom-loving Roman Catholic Cubans at the Bay of Pigs in 1961. The Dark Ages had been restored in the East as reflected in the doctrines of the Jesuits' **Council of Trent** and **Holy Alliance**. The Jesuits' fascist-socialistcommunist-military dictators around the world were enforcing these doctrines of condemning the circulation of the Protestant AV1611 Bible, and the free exercise of our beloved Protestant and Baptist, battlefield-won rights—freedom of speech, freedom of the press, freedom of conscience and *gun ownership*. At the same time the dictators secretly established the **Temporal Power** of Rome's Papal Caesar.

The Jesuits' Cold War of attrition, while suppressing the rise of popular governments worldwide, murdered millions of *"heretic"* Buddhists, Orthodox, Protestants, Baptists and Jews along with the freedom-loving, patriotic, *"liberal"* Roman Catholics. The murder of Roman Catholic priests of other Orders, as well as a few freedom-loving Catholic people, *was necessary to perpetuate the illusion* that **Stalin's** Soviet Communism was anti-Jesuit/Catholic (having "imprisoned" or rather *stationed a ruling American Inquisitor*, **Jesuit Walter Ciszek**, to manage **Siberia's Gulag Archipelago** for fifteen years overseen by **Cardinal Agagianian**, and later returned to the US via **John F. Kennedy**), while purging the priesthood of its anti-Vatican, *"liberal"* element. While totally deceived Protestants and Catholics in the West were being united against the "Jewish Anti-Christian

Communist Conspiracy" in the East, "**the Cold War**" justified the building of huge military industrial complexes and massive intelligence agencies on *"both sides!"* The military complexes would be subject to their intelligence communities and *"both sides"* would be financed by Vatican-controlled international banks, such as Chase Manhattan. (Is there not a Chase Manhattan Bank in New York and a Chase Manhattan Bank in Moscow as well as in Red China's Hong Kong?) Like the banks, the intelligence communities would be controlled by the Jesuits' **Knights of Malta** and high-level, occult Freemasonry working together. (Did not Knight of Malta **Lee Iacocca** and Freemasonic Knight of Malta **Gerald Ford** work together to "repair" the Statue of Liberty?) As always, the goal was to submit *every nation* to the **Temporal Power** of the Pope, as he would ultimately rule the world from **Solomon's** rebuilt **Temple in** Jerusalem.

But how could the **Temple of Solomon** be rebuilt in order for Satan's future and last Pope to place his throne there, after this final Jesuit Pontiff receives his mortal sword wound and is then restored to life thereby becoming Satan's Antichrist who in turn destroys the Vatican and becomes "***the abomination of desolation***" as spoken of by ***Daniel the Prophet*** and Jesus the Messiah? The **Dome of the Rock** has been built upon the **Temple** site and could never be removed as long as Jerusalem was in the hands of the children of Ishmael, so fanatically devoted to their false moon-god **Allah**, evidenced by the reigning poverty, filth and political oppression within Moslem nations. Who would take Jerusalem away from the Moslem, somehow destroy the **Dome of the Rock** and rebuild **Solomon's Temple**—the ancient dream of the Popes having launched the savage and disgraceful Crusades? There is only one Order that would attempt such an undertaking. It is the Society of Jesus commanded by its sovereign god—the ***Black Pope***—now in control of his Anglo-American Papal Crusade cunningly launched against the Moslem peoples and religious sites of Islam!

Therefore, the General and his staff plan their work and then work their plan. Realizing the Protestant British Empire was the most powerful military force in the world due to its invincible navy, he gained control of the monarchy in the person of **King George III** no later than 1800. Having absorbed the King, his Court and his Bank, the Order then harnessed the power of the world's most penetrating intelligence network—the **British Secret Intelligence Service**, otherwise known as MI6. By 1856, the Order completed its Crimean War having used Great Britain, France, Turkey (*Shriner Freemasons controlling Islam*) and Sardinia to defeat Russia and her Orthodox political power in the land of **Canaan**, called "Palestine" by Rome. By 1918, the Order, financed by its Federal Reserve Bank and Bank of England, will have completed the first phase of its Second Thirty Years' War—**World War I**, including the **Great Influenza Pandemic** of 1918 having globally killed from twenty to forty million people. During that time the Jesuit General will have used his British Intelligence Service and **Lawrence of Arabia** to unite the

Arabs of "Palestine" in driving out the Ottoman Turks. He will have also used Masonic **General Allenby** to cleverly remove the Turkish Moslems from Jerusalem—*a major accomplishment!*

And how would the Company maintain control of **Canaan** and Jerusalem won by its British sword? Enter the **House of Rothschild** with the Masonic Jewish Labor Zionists. In 1918, the Jesuits would cause their Masonic, Fabian Socialist, pro-Labor Zionists in England to issue the **Balfour Declaration** declaring "Palestine" as the new homeland for "The Wandering Jew." Could it be that after nineteen hundred years of Rome's crusades, inquisitions and pogroms the Jewish Race would now have a place to call its own? **Or was Labor Zionism, in league with Talmudic Judaism, a setup for the greatest betrayal and mass-murder the Jewish Race has ever known?**

Having secured "Palestine" for the Jews, how would the Jesuit General make them willing to return? Ah, he would raise up **Adolf Hitler** and, during the high point of his Second Thirty Years' War (1940-1945), would purge Europe of its *"perfidious Jews,"* so called by the Jesuits' *Secret Instructions of the Jesuits* as well as Rome's Baal-worshipping, Babylonian priests for centuries. In control of **Roosevelt's OSS**, **Churchill's SIS** and **Stalin's NKVD**, "the Father-General" would not allow the desperate, persecuted Israelites to enter the American, British or Russian Empires. The majority, like sheep without a shepherd, must be brutally murdered while a remnant must be driven back to **Canaan** into the arms of Satan's **Nazi SS Major,** the **Masonic Moslem Grand Mufti of** Jerusalem—**Haj Amin al-Husseini** (the late **Yasser Arafat's** uncle)—another Grand Inquisitor whose future successor would aid the Order in *destroying both Mosques of the city in the midst of a war against the US!*

World War II accomplished its purpose. Using the same Vatican Ratlines through which the Nazis were escaping from Allied authorities in Europe (illegally, many were brought into America through the complicity of Spellman's Irish Roman Catholic immigration czar, **Edward M. O'Connor**), the Jews began to flood into their ancient homeland. In 1945, the United Nations was formed in San Francisco— ruled by the Order for nearly a century. In 1948, Rome's Masonic Jewish Labor Zionists declared Israel to be a sovereign nation. This declaration was acknowledged by **President Harry Truman**, the Order's Shriner and 33rd Degree Freemason, *in eleven minutes!* And thanks to **Cardinal Spellman** rallying his South American dictators, Israel was admitted into the United Nations even though the Vatican would not formally recognize the nation of its creation until 1993! Of **Spellman's** tremendous power over CIA-controlled South American dictators we read:

> "Instead of taking a public stand, he [*Spellman*] would operate behind the scenes by 'personally calling on every South American country to cast their

votes for Israel' . . . There was little doubt that Spellman knew U.N. delegates . . . After a bitter struggle, Israel was admitted to the United Nations by a vote of thirty-seven to twelve. The Israelis had turned to a number of men of prominence, including [*pro-Armenian genocide*] **John Foster Dulles** [*whose son* **Avery Dulles** *is now a* **Knight of Malta** *and* **Jesuit Cardinal** *residing at Fordham University in New York City*], to promote their cause. But [*the Jewish*] **Charlie Silver** was convinced that Spellman had been the deciding factor, . . ." {41} [Emphasis added]

(Dear truth-seeker, why did the Vatican refuse to formally recognize the nation of Israel from 1948 to 1993 when one of its greatest Jesuit-trained tools, **Cardinal Spellman**, was responsible for its admittance into the United Nations? Our lesson is that **Rome**, *the two-headed Janus*, **always has two policies**. The first is her *open but false policy*, intended for public consumption. The second is her *secret but true policy*, intended to be pursued. In this light, what true policy was **Pope John Paul II** following—the man who worked for I. G. Farben near Auschwitz during World War II—that would cause him to formally recognize the Jewish State and ask its forgiveness for the **Crusades**, **Inquisitions** and **Third Reich**? The only answer is the Jesuit General's "*infallible*" White Pope will *say anything* and *do anything* to gain possession of Jerusalem! Ah, dear truth-seeker, "*the ends always justify the means*." This principle will surface again when dealing with the **Kennedy Assassination**.)

Now that Labor Zionist Israel was a member of Rome's United Nations, she needed a secret police to keep her politicians, like **Yitzak Rabin**, in line. So the Nazi who helped to set up the **CIA** was also used to train the **Mossad**. He was the Pope's **Knight of Malta**, **Reinhard Gehlen**. And if this Jesuit-Nazi-Labor Zionist relationship were ever to surface, the evidence would be "liquidated." Jewish Jesuit Temporal Coadjutor, attorney and JFK researcher **Mark Lane** truthfully tells us:

"**Malchiel Greenwald** was an impoverished European Jew who settled in Israel and spent his meager life's savings to publish self-penned articles of a decidedly dissenting political nature, using an antiquated mimeograph machine. In one article, now known forever in Israeli jurisprudence as '**Pamphlet No. 51,**' he stated that **Dr. Rudolf Kastner,** then one of Israel's most honored [*Labor Zionist*] leaders, was a traitor who had cooperated with the Nazi leaders of Germany, including [*apostate Protestant*] **Adolf Eichmann** [*who later declared,* **"***I will gladly jump into my grave in the knowledge that five million enemies of the Reich* [**Jews**] *have already died like animals."* {42}] to deport [*476,000*] Jews from Hungary. **Greenwald** was charged by the [*Pope's Labor Zionist*] state of Israel with the high crime of having published a criminal libel; in time he was indicted. Before official action could be taken against **Kastner,** who had embarrassed the state, the good doctor was shot to death in front of his home at 6 Emmanuel Street in Tel Aviv by **Zeev Eckstein,** who, until a few

months before the murder, had been a paid undercover agent of the **Mossad,** the Israeli intelligence service." {43}[Emphasis added]

Ah, dear truth-seeker, Labor Zionist Israel is a creation of the Jesuit Order!! (Did not **Golda Meir** publicly honor the ***Black Pope***'s **Pius XII** who had a Concordat with Hitler?) Its purpose is to secure Jerusalem for the Jesuits' "*infallible*" **Pope** that he may receive worldwide worship from **Solomon's** rebuilt **Temple**. If the Masonic, *racially* **Jewish**, Labor Zionists and the Masonic, *religiously* **Talmudic**, Orthodox Chief Rabbis betrayed their own Jewish Race into **Pius XII's** concentration camps overseen and manned by the Jesuit Order, would they not betray the nation of Israel by giving Jerusalem to the Pope in preparation for the rebuilding of **Solomon's Temple**? (Did not Israel's **Chief Rabbi Yonah Metzger** meet with **Pope John Paul II** in 2004?) *World War I* prepared the Land for the People. *World War II* prepared the People for the Land. Betrayed by the Labor Zionists and broken by foreign invaders due to worldwide anti-Jewish fury directed by Satan's ***Black Pope***, *Armageddon* will prepare the *racially* Chosen Hebrew/Jewish/Israelitic People for their Messiah. For in the words of the great racial and Messianic Jew, **David Baron**:

> "**Jesus of Nazareth** *is Israel's King*; and as sure and certain as there was once a cross raised for Him on Golgotha, so certain it is that '***the Lord God***' will yet '***give unto Him the throne of his father David,***' and that He will '***reign on Mount Zion and before His ancients gloriously.***' " {44}[Emphasis added]

Then shall come to pass the words of ***Isaiah the Prophet*** quoted by ***the Apostle Paul,***

> ***"And so all Israel shall be saved: as it is written,***
> ***There shall come out of Sion the Deliverer,***
> ***and shall turn away ungodliness from Jacob."***
>
> *– Romans 11:26*

One of the prime reasons for creating the Cold War was to justify the creation of a *huge* intelligence community in "the Free World," replacing Protestant liberties with Rome's insidious corporate fascism called "**National Security**." To do this, the preservation and transplanting of **Hitler's** Nazi intelligence apparatus (financed by the Jesuits' Federal Reserve Bank and overseen by the Roman Hierarchy) was essential. This Jesuit Inquisition would be merged into the American Empire's **CIA**. We read:

> "**General Reinhard Gehlen,** Hitler's chief intelligence officer against the Soviet Union, had struck a deal with the Americans (called OPERATION SUNRISE) . . . the principal negotiators were **Allen Dulles** and **William Casey** of the OSS, **Sir William Stephenson** for the British, and SS **General Karl Wolff** [*all four were devoted Knights of Malta*]. . . . Their negotiations enabled Gehlen to bring his entire apparatus 'unpurged and without interruption, into the service of the American superpower,' according to [**Heinz Höhne** *and* **Hermann Zolling**] the authors of '*The General Was A Spy*' . . ." {45}[Emphasis added]

Further,

> "**Allen Dulles** had been instrumental in arranging, with **Gehlen** [and with **SS General 'Gestapo' Heinrich Mueller** who, secretly working with the NKVD, met with Dulles in Switzerland; was ushered into the US and given citizenship; lived in Farmington, Virginia; worked for the CIA; retired with rank of "General" and died in 1973; undisturbed by any further governmental investigations] for this most unusual conversion of one of Hitler's most sinister generals into an officer in the U.S. Army, but the details of Gehlen's personal surrender and subsequent flight to the United States—in General Eisenhower's own VIP aircraft—were arranged by U.S. Army officers . . . It is important to note the active role of these U.S. Army officials in this unprecedented move of Hitler's own intelligence chief, Gehlen, directly into the U.S. Army as an officer by a special act of the Congress." {46} [Emphasis added]

To make the evacuation of Nazis possible, enabling their escape out of Europe, the Vatican established intricate escape routes—**the Vatican Ratlines**, also called "**the Monastery Route**." As the Jesuit priests helped **John H. Surratt** escape from the United States after the Lincoln assassination, so they helped hundreds of thousands of Nazis to escape from Europe after the ***Black Pope***'s fratricidal and merciless Second Thirty Years' War. This would only be possible through a unified, international intelligence community in control of the military machine of every "superpower." This all-pervading intelligence community, unparalleled in the history of man, was then and is today controlled by the Jesuits in Rome, as they have ruled "the Eternal City" since their restoration in 1814. Of the Ratlines we read:

> "*Unholy Trinity* is the story of the Vatican's underground Nazi-smuggling networks, code-named **'Operation Ratline'**. The first hints of the existence of the Vatican's Ratlines emerged in America. This was perhaps appropriate, as it was U.S. intelligence which gave this name to the Holy See's escape networks . . . The first half of the book traces the flight of Nazi war criminals to America after World War II. The evidence confirms that a small cabal of Vatican officials coordinated the mass-evacuation of Fascist fugitives to Argentina, Australia, Canada, and of course, the United States. Under the direction of **Pope Pius XII** [*whose bloody World War II reign would be whitewashed by Jesuits* **Pierre Blet**, **Angelo Martini**, **Burkhart Schneider** *and* **Robert Graham** *aided by Pius' former confessor, Bavarian Jesuit* **Robert Leiber**], Vatican officials such as [*Knight of Malta*] Monsignor Giovanni Montini (later Pope Paul VI) supervised one of the greatest obstructions of justice in modern history." {47} [Emphasis added]

(Dear truth-seeker, **Pope Paul VI**, the *secret* Cold Warrior but *open* Communist, would oversee **Cardinal Spellman's** assassination of **President Kennedy**.) And who were the key players in this, the most monstrous scandal of the century? Two of them were Knights of Malta, **William J. Casey** and **James Jesus Angleton**. A third, **Reinhard Gehlen**, received an award from the Knights of Malta. We read from the *National Catholic Reporter*:

> "Central Intelligence Agency Director **William Casey,** also a Knight of Malta . . . who declined to comment on his association with the order . . . In 1948, SMOM gave its highest award of honor, the Gran Croci [*Croce*] Al [*al*] Merito Conplacca [*con Placca*], to General **Reinhard Gehlen,** who ran Adolf Hitler's spy operation against the Soviet Union . . . SMOM gave another award, the Croci Al [*al*] Merito Seconda Classe, in 1946 to **James Jesus Angleton,** who ran counter-espionage operations in Rome for the Office of Strategic Services (OSS), the forerunner of the CIA. Angleton [*who advocated an American military Crusade against the Islamic Peoples of the Middle East during the 1970s*] later went on to head what has been described as the CIA's **'Vatican desk,'** but he declines to comment on this activity." {48} [Emphasis added]

The Pope's International Intelligence Community was in place and working. Jesuit-trained **William J. Casey,** (who later controlled **Oliver L. North** and **FEMA**, now part of the **O**ffice of **H**omeland **S**ecurity), **Angleton** and **Gehlen** (now working with the Agency's demon-possessed former head of the Gestapo, **Heinrich Mueller**) were key players in controlling western intelligence, *never dealing a true blow to Russian Communism*. In the East, the Jesuits also had a most notorious agent. He was **KGB** agent and **Josef Stalin's** superior, **Prince Anton Turkul**. This infamous **Prince Anton Turkul** was also **Reinhard Gehlen's** *old friend and subordinate!* Another Knight of Malta born of Russian nobility, **Turkul**, along with American **Myron C. Taylor** and German **Franz von Papen**, was loyal to the ***Black Pope*** overseeing the Papal Caesar in the Vatican: therefore Rome's **Prince Anton Turkul** *further entrenched* **Stalin** in power by eliminating "**Koba's**" enemies. We read:

> "Both the CIA and Gehlen belatedly agreed that Turkul was himself a Soviet agent . . . even [**Knight of Malta**] **Sir William Stephenson** agreed that Turkul 'was in fact a Soviet agent' . . . **No one reinvestigated Turkul's 'unimportant' years in Rome.** No one reexamined his role in the Ratline . . . No one remembered the mail intercepts showing that Turkul was coordinating the 'Yugoslav emigration' networks. **No one suspected a Soviet connection inside the Vatican.**" {49} [Emphasis added]

And why not? Because the Vatican's formal position was public denunciation of "Soviet Communism." But the facts of previous chapters are clear. The Bolshevik Revolution fulfilled Rome's ancient objectives against the Orthodox Church in Russia. The Company was re-admitted by **Lenin** in 1922 after having been formally expelled *forever* by **Alexander I** in 1820; the FBI and CIA gave the KGB high technology to maintain Stalin in power; the Jesuits' **Federal Reserve Bank** financed the Bolshevik Revolution and Wall Street built Russia's Military Industrial Complex; the Jesuits' Irish "Episcopalian," pro-Roman Catholic **Henry Ford** was used to build Gorki; **Stalin** was given tons of military hardware during Lend-Lease; **Stalin** was given the nuclear device (bomb) by the Jesuits' **CFR** wickedly ruling **FDR** and the American Military; and later, Knight of Malta **William J. Casey** was instrumental in using the **American Empire's Export-Import Bank** to finance the building of the **Kama River** truck factory thereby mechanizing the Soviet War

Machine. *Why then should we be surprised* to see **Prince Anton Turkul** fulfilling the desires of the Vatican while eliminating **Stalin's** enemies? (Turkul's ancestor—**Privy Councillor Turkul**—negotiated Russia's Concordat with **Pope Pius IX** in 1847!) Because **Jesuit Superior General Ledochowski** (1915-1942), **Vicar Generals Alcessio A. Magni** (1942-1944) and **Norbert de Boynes** (1944-1946), and **Superior General Janssens** (1946-1964), for whom Papal Knight **Turkul** worked, were the masters of both the **Vatican** (since the Order's restoration in 1814) and the **Kremlin** (since the Order's reentry in 1922)! **Loftus** gives us the facts; *the author gives the interpretation*:

> "**General Prince Anton Vasilevich Turkul** [*was*] the greatest communist agent of them all. In addition to penetrating the Holy See [*Turkul deceiving Jesuit Intelligence? How ridiculous!*], General Turkul was a communist double agent in German, Japanese, British, French and American intelligence. [*All the intelligence agencies worked together—including Russian Soviet intelligence.*] It was Turkul who splintered the Anti-Bolshevik 'emigre' groups after World War I [*He further entrenched the Jesuits' Bolsheviks (Lenin and Stalin) in power.*], sent Hitler false information that crushed the Nazis on the Eastern fronts [*Remember, Hitler did not permit the German Army to easily capture Moscow. The purpose of Operation Barbarossa was to pave the way for the four mobile gassing units "purging" western Russia of its "perfidious" Jews. This having been accomplished, the German Army was then to be betrayed by Hitler and crushed by Stalin with FDR's Lend-Lease provisions.*], helped turn the Vatican Ratlines into a vehicle for Soviet intelligence during the Cold War [*During World War II Vatican and Soviet intelligence worked together. Are we to believe that with the overnight decision to make Soviet Russia an international "bogey man" this key intelligence connection was absolutely severed, especially when we can see Turkul, Gehlen, 'Gestapo' Mueller, Bormann, Angleton, Menzies, Philby, Montini and others, periodically, having all worked together?*], and culminated his career by prematurely instigating the Hungarian revolution of 1956 [*The very patriots—Roman Catholic patriots—incited by Turkul to revolt, were betrayed into the hands of Cardinal Agagianian's KGB by Cardinal Spellman's CIA, directed by CFR kingpin and Knight of Malta Allen Dulles! Did this not fulfill the continuing policy of the Jesuits' Holy Alliance by crushing all movements towards popular liberty, national sovereignty and thus national prosperity while furthering* the Papal Caesar**'s** *universal* **Temporal Power** *in attempting to govern every nation on earth from* Jerusalem?]." {50}

An additional connection between Western and Eastern Intelligence Communities was another Knight, **Kim Philby**. Like **Turkul**, he was of noble blood. As an English royal, he was a British SIS agent, an American CIA agent and a Russian KGB agent *simultaneously!* When it became too evident in England, he "defected" to Russia in 1963 and then participated in the Kennedy Assassination via **Lee Harvey Oswald's** obvious link to Philby's KGB. Another connection to **Philby** was **Anthony Blunt** and his Cambridge spy-ring called "**The Magnificent Five**" of which Philby was also a member. Through sodomite Blunt, Russian Intelligence was linked to

the British Secret Service, the British Royal Family, the White House and American Intelligence. **Sir Anthony**, who died in 1988 was, like **Philby**, a British Knight, KGB kingpin and loyal to **Sir Stewart Menzies**, past head of the British SIS.

Both **Blunt** and **Philby** were obviously linked to Vatican Intelligence through **Prince Angelo de Mojana**—the Grand Master of the Sovereign Military Order of Malta. **Mojana**, holding the status of a Cardinal until his death in 1988, ". . . is also member of the Palazzo Giustiniani Freemasonic Lodge, which practices the Ancient and Accepted Scottish Rite of Great Britain. He was said to have been imposed as Grand Master by the British Secret Intelligence Services on behalf of Queen Elizabeth II . . ." {51}

These three men, **Blunt**, **Philby** and **Mojana** (not to mention **Guy Burgess**, **Donald Maclean**, and **John Cairncross**, the other three members of the Cambridge Spy Ring known as "the Magnificent Five"), were Papal Knights tied to the Knights of Malta and high-level, 33rd Degree Scottish-Rite Freemasonry. They were first and foremost loyal to **Jesuit Superior General Janssens** and his International Vatican Intelligence Network while *they all* participated in the **Kennedy Assassination**.

The Cold War of attrition against Protestant-won national sovereignties of the West was in full swing. This Inquisition controlled by the Jesuits in Rome, with their "blue-blood" Knights of Malta and their "commoner" Shriner Freemasons controlling the International Intelligence Community ruling over the Pope's Roman Catholic Sicilian Mafia's, International Crime Syndicate, returned the world to the Dark Ages. It destroyed "heretics" by the millions and crushed all movement towards popular liberty. On the ruins of many attempts at popular liberty it erected absolutist fascist military dictatorships loyal to the Papal Caesar in the Vatican. In establishing these dictatorships we read the words of **Colonel James "Bo" Gritz**:

> "The era of 'violent peace' actually got underway in earnest from the day John F. Kennedy was killed [*"the Age of Violent Peace" being in truth the destruction of national sovereignties worldwide*]. It has been waged against the electoral system in this country [*Votescam, Collier and Collier, (1992)*], and against the entire populations in Vietnam, Cambodia, Laos, the Congo, Greece, Chile, Guatemala, Angola, El Salvador, Nicaragua, Panama, the Dominican Republic, Grenada, Libya, the Persian Gulf, Korea, Lebanon and other emerging countries we helped overthrow in order to establish either military dictatorships or transparently-fascist 'democracies'. **John Stockwell**, one of the highest-ranking CIA case officers ever to go public in his denunciation of the Agency's covert operations, said recently that the Agency has conducted over 3,000 major campaigns since its official inception in 1947, and the death toll due directly to these operations has risen to over 10 million souls." {52}[Emphasis added]

In examining the purposes of the **Jesuits' Cold War** *which were many*, the most outstanding were:

1. To kill "*heretics and liberals*" worldwide pursuant to the **Jesuit Oath** and the **Council of Trent**;
2. To destroy their great enemy, the **Protestant British Empire** evidenced by the Order openly backing the "independence" of India from the Empire;
3. To destroy popular liberty and national sovereignties, erecting in their place fascist, anti-communist, military dictators openly loyal to Rome, pursuant to the policies of the Jesuits' **Holy Alliance** of 1814-1815;
4. To establish the **anti-Torah**, **Labor Zionist State of Israel** (killing-off **Vladimir Jabotinsky's** truly patriotic and nationalistic **Revisionist Zionists**) for the purpose of *using both racial and religious Jews* to secure Jerusalem for the future world-wide worship of the risen Pope, the ***"antichrist,"*** ordained and predestined to rule the world from **Solomon's** rebuilt **Temple;**
5. To build and perfect the Vatican's **International Intelligence Community** enabling the consummation of the murderous purposes of the ***Black Pope***'s **Holy Office of the Inquisition** so stated in Canon Law and Papal Bulls;
6. To weaken and divide the several peoples of the American Empire for their orchestrated self-destruction using the Roman Catholic Sicilian Mafia's **International Drug Trade** and "**Orthodox**" (allopathic) **Medicine**;
7. To destroy all nationalistic, anti-communist peoples in the name of "fighting communism," be they in the **West** or in the **East**, "by any means necessary;"
8. To build the **Russian** and **Chinese War Machines**, including their navies and merchant marines, for the purpose of commercial hegemony over and a subsequent invasion of the betrayed and defeated **American Empire** from the West and South, thereby destroying the last haven for the world's Protestants, Baptists, Jews and anti-communist, anti-fascist "liberal" citizens and refugees.
9. To build the commercial and military infrastructure of the **Moslem world**, building its oil refining infrastructure, thereby enabling the leading Masonic Moslem families, secretly ruled by the Papal Caesar of Rome, to amass a gargantuan capital fortune for the purpose of ultimately equipping a huge Moslem host to invade the historic and once White Anglo-Saxon Protestant North America, the Jesuits fulfilling their intended purpose of destroying the "accursed" and "liberal" Protestant Reformation of the risen Son of God.

In conclusion, the Jesuits, in creating the **Cold War** with their **Airborne Nuclear War Hoax**, enabled the entire Nazi SS/SD Intelligence apparatus, including "**the Sphinx**"—**SS General Heinrich "Gestapo" Mueller—**, to escape unpunished, while perfecting the inner workings of the Vatican's CIA/KGB/BND **International Intelligence Community**. The Order hastened the return of the "Blessed Despotism" of the Dark Ages when the Pope was the "King Despot of the World," ruling all nations from **Rome**—"*the Eternal City*"—in the **Vatican**. At the apex of the coming "**New Age**" or "**New World Order**" during the Great Tribulation, foretold by Jesus "that Prophet" and Messiah, the resurrected Jesuit Pontiff as "the man-beast" whose three-lettered name may well be "**PAN**" or "**SET**;" whose *mark* may indeed be "**IHS"** or a **Hexagram**; and whose *number* will absolutely be 666 (**one of the three to be displayed on every forehead or right hand of his universal worshippers**), shall rule all nations from Jerusalem, ***"the Holy City,"*** in **Solomon's** rebuilt **Temple**,

> ***"And his power shall be mighty, but not by his own power . . .***
> ***and shall destroy the mighty and the holy people . . .***
> ***he shall cause craft to prosper in his hand;***
> ***and he shall magnify himself in his heart,***
> ***and by peace shall destroy many:***
> ***he shall also stand up against the Prince of princes;***
> ***but he shall be broken without hand."***
>
> *– Daniel 8:24, 25*

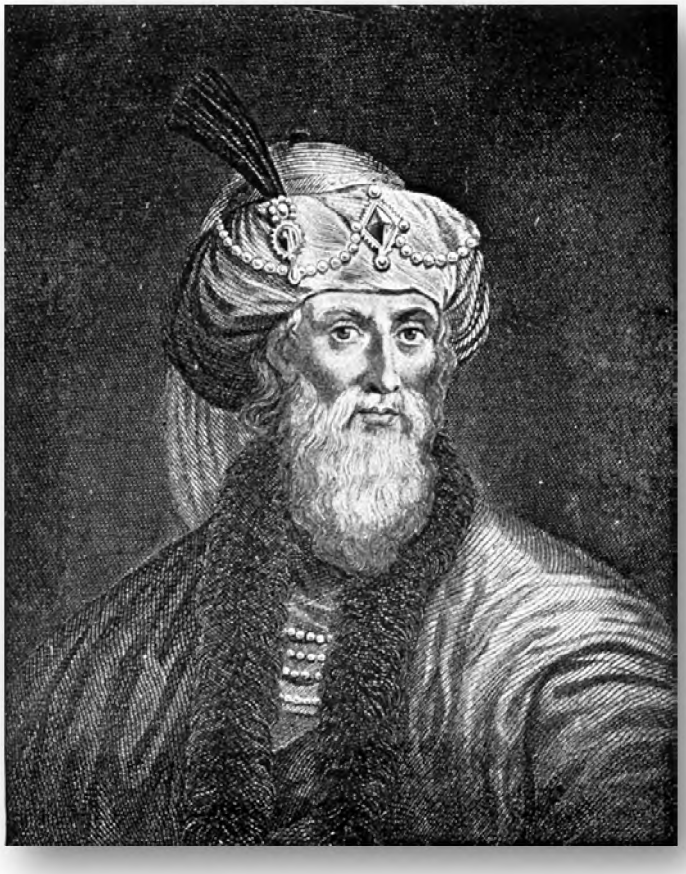
Dear truth-seeker, if you are not familiar with the ancient Jewish "***hope of Israel"*** concerning their Messiah coming to ***"destroy all the nations that come against*** Jerusalem ***. . . though all the people of the earth be gathered against it,"*** and rule this world from His spectacular Messianic Temple **in** Jerusalem described in detail by ***Ezekiel the Prophet***, He forever sitting on the ancient ***"throne of David"*** as the ***"Prince of Peace,"*** while the nations "***beat their swords into plowshares***" as foretold by ***Isaiah the Prophet***, it would be wise to read **George Peters'** rare, three-volume set, *The Theocratic Kingdom*, having been written in the mid-Nineteenth Century. **Alva J. McClain's** *The Greatness of the Kingdom*, written in the mid-Twentieth Century, is also superb, giving a transparent understanding of the synoptic gospels (***Matthew***, ***Mark*** and ***Luke***).

If you are not understanding the **Prophecy of the Seventy Weeks of Years** given to ***Daniel the prophet*** (***Daniel 9:24-27***), **Sir Robert Anderson's** *The Coming Prince*, also written in the late Nineteenth Century, is the greatest treatise on the subject being totally irrefutable. (As an aside, **Sir Robert Anderson** *was not a Freemason* but a true, Bible-believing man of God!) **Alva J. McClain**, founder of Grace Theological Seminary in Winona Lake, Indiana, has also written a concise summary of Anderson's work titled, *The Prophecy of the Seventy Weeks of Daniel*, providing a simple-to-understand timeline chart. **Clarence Larkin's** *Dispensational Truth; Or, God's Plan and Purpose in the Ages (1918)* is full of illustrated timelines and charts

rightly depicting the prophesied four Gentile world empires culminating in **the Great Tribulation**, the last forty-two months of Daniel's Seventieth Week.

For with the **Seventieth Week of Years** being yet future, ***"the prince that shall come,"*** called ***"the abomination of desolation"*** by Jesus the Messiah (***Matt. 24:15***), is also future, yet to appear in human history. He will kill at least *two-thirds* ***(Zechariah 13:8)*** of the Semitic Hebrew/Jewish/Israelitic Race, descended from Abraham through Isaac through Jacob through his twelve sons, in attempting their final *racial extinction* of "***the holy seed.***" ***"But he shall be broken without hand"*** by the One who is called ***"Faithful and True"—"the King of kings and Lord of lords:"***

The Mighty God & Ancient of Days—Adonai Yeshua Ha'Mashiach



Joseph Ben-Matthias, alias "Flavius Josephus" (37 – 101), 80s #473

If any portrait of a First Century Hebrew Israelite can be likened to the physical appearance of Yeshua Ha'Mashiach it is this one. Of noble blood, a Pharisee, and member of one of the twenty-four courses of Levitical priests, "Flavius Josephus" is the only historian of that epic era whose works have survived. Pardoned by Vespasian for leading martial resistance against Rome after having foretold of his coming reign as Emperor, Josephus wrote of Jesus: "Now there was about this time Jesus, a wise man, if it be lawful to call him a man; for he was a doer of wonderful works, a teacher of such men as receive the truth with pleasure. He drew over to him both many of the Jews and many of the Gentiles. He was (the) Christ. And when Pilate, at the suggestion of the principal men amongst us, had condemned him to the cross, those that loved him at the first did not forsake him, for he appeared to them alive again the third day; as the divine prophets had foretold these and ten thousand other wonderful things concerning him. And the tribe of Christians, so named from him, are not extinct at this day."

"Jesus Christ," Jesuit Novitiate, Wernersville, Pennsylvania, 1930s #474

Rome's worship of the idol "Jesus" is typical of ancient Babylonian and Egyptian mystery religion worshipping Nimrod and Horus. The racial characteristics of this "Jesus" are not Hebrew but of the "fair-skinned" Horus, while long hair on a man is strictly pagan as it "*is a shame unto him*" *(I Corinthians 11:14)*. This "Jesus" is in fact the full grown Egyptian child, Horus, born to his deified virgin mother Isis, the "Queen of Heaven." Horus, set forth by Satan to cunningly replace the LORD's coming "Seed" of a woman *(Genesis 3:15)* was also: called "Adonis," the Lord; the "Lord of the covenant," offering himself as a sacrifice, shedding his blood for the "purification of souls;" the "Victim-Man," and thus "the Savior of the world;" "God the Son" and "King of kings and Lord of lords;" "the Lamented One" upon his death, and upon his resurrection to be worshipped as "the Mediator." Unlike the true Mary of the gospels, the mother of "Jesus" is deified as "the Queen of Heaven," for which reason the Jesuits have put forth the evil pagan doctrines of the "immaculate conception" of Mary; the "perpetual virginity" of Mary; the "bodily ascension" of Mary into heaven making her an object of worship for all Romanists. Thus, the son of Rome's "Mary" (rather Isis), is not "Jesus" but Horus under whose authority the Pope rules the world not as the "Vicar of Christ," but as the "Vicar of Horus." Thus, if the Pope claims to be the embodiment of "Christ" on earth he is in fact the embodiment of Horus. The coming universal worship of the risen Pope is the triumph of Satan's Horus, the very Horus of the **Black Pope**'s "IHS:" Egypt's Isis–Horus–Seb!

Jean-Baptiste Janssens #475

Twenty-Seventh Superior General of the Society of Jesus, 1946 – 1964

This ***Black Pope***, during the Cold War waged against the world's "heretics and liberals" pursuant to the evil Council of Trent, controlled the CIA in the West, Britain's SIS, West Germany's BND, Italy's OVRA and the KGB in the East.

His Cold War factions fomented the Middle East's Masonic Jewish Labor Zionist/Masonic Moslem PLO agitation necessary for war and thus the ultimate Masonic rebuilding of Solomon's Temple. Therefore, he gave the order to execute President Kennedy for attempting to end the Papal Caesar's Cold War, including Francis Cardinal Spellman's war in Vietnam (the Cardinal having visited American soldiers during Romish Christmas of 1965), and for attempting to break the SD/CIA "into a thousand pieces" before the Papal Inquisition's International Intelligence Community had been fully financed, completed and perfected, including its many deep underground military bases (DUMBs). His Nazis in the CIA/FBI aided in the murder of JFK and subsequent cover-up.

Jesuit Priest Michael DeLisle Lyons (1901–1974), 1920s; 1940s

Born of noble blood, Lyons was the maternal grandson of Senator DeLisle of Delray, Michigan, and a direct descendant of Francois Bienvenu DeLisle, one of the first Frenchmen to develop Roman Catholic Detroit in the early 1700s. Lyons' father was Patrick Lyons whose ancestors were driven out of Ireland due to the Order's deliberately created famine of the 1840s, the Irish to be used to submit the Protestant United States of America to Jesuit political and financial rule. Brilliant and gifted, Lyons, one of the nation's radio pioneers, was the instructor at Detroit's Cass Technical College by the age of 16; was known as "the Ham Radio man" while editing *The Detroit Radio News* in 1919; ran the first commercial radio station in the world, WWJ, in 1920; invented the first two-way radios for police cars in 1921; BUT then entered St. Stanislaus Jesuit Seminary in Florissant, Missouri, in 1922; aided Detroit's "Father of Hate Radio," Charles Coughlin, in setting up the priest's radio station first heard in 1926, the same year he entered the Order's St. Louis University when, under Jesuit Father James Bernard Macelwane, he would study Geology. By 1948 these two Jesuits would have acquired the nation's highest security clearance (Q-level), choosing sites for below-ground nuclear weapons detonations and missile silos. Lyons departed for India in 1927 as a "missionary," when in fact his use was to back Mahatma Gandhi in fomenting a revolution, severing India from the "accursed" Protestant British Empire. To the embarrassment of the Order, Lyons fathered a daughter, Esther, to an Indian Nun whom he later married, fathering another daughter, Violet, after leaving the priesthood. But he abandoned his family in 1944; resumed his duties as a Jesuit; worked with Macelwane in building the llimportant beryllium trigger for the US atomic bomb detonation in 1945; and became the military's supplier of beryllium until his death in 1974, the Jesuit leaving nothing to his abandoned East Indian wife and disheartened daughters.

Knight of Malta John J. McCloy (1895 – 1989), 1964; 1980

Words cannot express the sinister wickedness of this totally depraved reprobate, this abject slave of the Jesuit Brotherhood. Born in the papal city of Philadelphia, Irish Catholic McCloy furthered the agenda of the Company with nearly every public act. Surnamed "Chairman of the US Establishment" by CFR member John Kenneth Galbraith in 1962, McCloy advised every president from FDR to brother Knight Reagan. Acting Chairman of the Board for Cardinal Spellman's Council on Foreign Relations (1953-1970), he: shared a box with Hitler in the 1936 Olympics; was legal counselor to Hitler's I. G. Farben directed by German SMOMs; as FDR's Assistant Secretary of War (1941-1945), forged a pact with the Nazis' Vichy regime (and later protected SS/SD Captain Klaus Barbie); cruelly removed Japanese Americans to mid-west Concentration Camps; did not permit Jewish refugees to enter the US; was fully informed of the building of the Order's atomic bomb; and refused to bomb the Auschwitz Death Camp, as more Jews and patriots needed to be purged from Europe. After the war McCloy: backed the creation of the United Nations; was president of the World Bank (1947-1949) extending loans to the new Roman Catholic Europe, Chile, Mexico and Brazil at the expense of Protestant and Catholic American land and labor; supervised the construction of the Pentagon nicknamed "McCloy's Folly;" was Truman's US High Commissioner for Germany (1949-1952) releasing many convicted Nazi war criminals including SMOMs Fritz Thyssen, Alfried Krupp, and Frederick Flick; became Chairman of Rockefeller's Chase Manhattan Bank (1953-1960) manned by brother SMOM Francis X. Stankard; negotiated the Cuban Missile Crisis for JFK giving the island to Jesuit Fidel Castro; attended Masonic Clint Murchison's secret meeting in Dallas the night before the JFK's murder; and was appointed to the cover-up Warren Commission. This pro-Nazi SS/SD/OSS/CIA traitor prepared the US for the risen Pope's New World Order!

SMOM Alfried Krupp von Bohlen und Halbach (1907 – 1967), 1960s #482

SMOM Hermann Josef Abs (1901 – 1994), 1960s #483

Gustav Krupp and son Alfried were the Vatican's Papal Knights who began to rebuild the German war machine immediately after the signing of the iniquitous Treaty of Versailles. Gustav, a collaborator of Jesuit Coadjutor General Erich Ludendorff, met with Hitler in 1930 and began to finance the Fuehrer in 1933, Alfried having joined the SS in 1931. Honored by Hitler in 1943 and using over 100,000 slave laborers at his Krupp steel armament works, Alfried was convicted as a war criminal, an active participant sending Jews to the Order's Auschwitz death camp, but released by Germany's post-war High Commissioner (American SMOM John J. McCloy) in 1951, serving a mere 30 months in prison. A friend of German Chancellor SMOM Konrad Adenauer, Alfried returned to rule the Krupp empire as sole proprietor, becoming the most powerful industrialist in Rome's Common Market. After Alfried's death in 1967 SMOM Hermann Abs became the chairman of the new Krupp corporation. Abs had been one of the chief financiers of the Third Reich and a member of I. G. Farben's supervisory board, yet was never tried at Nuremberg! Post-war, Adenauer appointed Abs to arrange the 3.5 billion DM payment to Israel (the Knights of Malta financing Rome's Kingdom of Jerusalem with German labor*) and Abs was Chairman of the Deutsche Bank (1957-1967) in the rebuilding West Germany—for the Pope! In the 1980s Pope JPII selected SMOM Abs to resolve the Vatican Bank Scandal.

Gregory Peter XV Cardinal Agagianian, 1958 #484

Patriarch of the Roman Catholic Armenian Church, USSR

In 1946 Papal Caesar Pius XII, on the advice of his Jesuit confessor of ten years, Augustin Cardinal Bea, appointed Jesuit-trained Spellman, he controlling the SD/OSS/CIA, as the Cardinal for the "Holy Roman" Fourteenth Amendment American Empire, and Jesuit-trained Agagianian, overseeing the NKVD/KGB, as the Cardinal for the Soviet Empire. Agagianian and Stalin were fellow Georgians and both attended the Jesuit-controlled Orthodox Tiflis Seminary.

Thus, the ***Black Pope***'s "Cardinal of the Kremlin" was "Koba's" favorite. This man, a personal friend of Cardinal Spellman, ran the Gulag Archipelago, which then and now comprises hundreds of concentration camps throughout the USSR.

GRU General Prince Anton Vasilevich Turkul, 1956 #485

Russian Prince, Knight of Malta and Secretary Poskrebyshev's most trusted GRU General, Jesuit Temporal Coadjutor Anton Turkul, whose distant relative was Privy Councillor Turkul having contributed to the signing of a concordat between Pope Pius IX and Tzar Nicholas I in 1847, was the **Black Pope**'s greatest defender of the Papal Caesar's Temporal Power in Communist Russia. As Stalin's foremost intelligence officer, advised by Jesuit priest George Romanov and using Jesuits like Pere Michel as couriers escorted by his GRU during World War II, he had broken up the anti-Bolshevik groups after World War I along with Jesuit Theodore Maly who later set up the Order's Cambridge Spy Ring; wrecked General Andrei Vlasov's anti-Stalinist army and secured Vlasov's torture and hanging in Moscow's Lubyanka; crushed the Nazis on the Eastern front aided by the Gehlen Org; used the Vatican Ratlines for Soviet intelligence during the Cold War; and, with the help of Allen Dulles' SD/CIA, incited and then murdered thousands of "liberals" during the Hungarian revolution of 1956 pursuant to the evil Council of Trent. This Maltese Knight of the Pope's Vatican Empire was one of Cardinal Agagianian's secret Inquisitors of the "USSR."

Gehlen Reviews Vlasov's Liberation Army, February, 1945 #488

Doomed from the beginning, General Vlasov's "Russian Liberation Army" was kept out of the field by Coadjutors Bormann and Himmler until the war was practically lost. Thus the Company's secret but true purpose for arming Vlasov's soldiers against Stalin was to annihilate them all after the war. In accordance with the Yalta agreement, these men were turned over to Stalin and murdered by the **Black Pope**'s NKGB. Jesuit Coadjutor Gehlen, via false intelligence, would now betray Vlasov's two divisions just as he had betrayed Hitler's Armies East. At the time of this review, Gehlen knew Russia's greatest patriots would all die! For his blind obedience the spymaster was saved from Allied justice by Bavarian Jesuits to continue the Order's SS/SD as "the Gehlen Org" and later, the BND.

Felfe, the right-hand man of Gehlen, joined the Gehlen Org in 1951. Becoming the head of the "Soviet Union counterintelligence desk," he was the BND's liaison to the KGB until 1961. Tried in 1963, Felfe was sentenced to 14 years hard labor but later "spy-exchanged" into East Berlin in 1969. Gehlen refused to take responsibility for Felfe's treason, but had shielded the murderer for years. "The Cold War" provided the pretext for uniting all of Rome's intelligence agencies.

Major Zeev "Wolfgang" Lotz, Mossad/BND, Cairo, 1960s #491

Like the Papacy, the BND's open policy was pro-Arab/Egyptian; but its secret policy was pro-Israel ruled by Rome's Masonic Jewish Labor Zionists. Actively engaged in sabotage and bombings against Egypt, Lotz was arrested in 1965, interrogated by the Egyptian secret service and confessed to BND involvement with his assignments. He was amazingly released, ultimately returning to Israel.

Nazi, CIA, and BND Knight of Malta Reinhard Gehlen, 1960s #492

For his obedience, Reinhard Gehlen, along with FDR's Ambassador to the Vatican, Myron C. Taylor, received the highest award that could be given by the openly anti-communist Knights of Malta, the Gran Croce al Merito con Placca. Thus the Knights maintained the open policy of fanatical anti-communism; but the prime movers of the "Bolshevik USSR," both commercially and politically, were British and American Knights. Gehlen: betrayed his own German armies in the east; while in Bavaria, protected by Munich Archbishop Michael Cardinal von Faulhaber, surrendered to the Order's OSS; was flown to the US and entered into the Secret Treaty of Fort Hunt bringing his entire Nazi Network under the aegis of Rome's CIA; and built Israel's Mossad and West Germany's BND secretly tied to the East German SSD and Moscow's KGB. Openly "fighting communism," the ex-Nazi SS/SD would build communism, covertly intended to justify Rome's final erection of an international fascist world order!

After aiding the Nazi SS in Vienna (1939-1944), Rahner was sent to Mariakirchen, Bavaria (1945). There, via the Order's Vatican Ratlines, he helped fleeing SS murderers escape capture.

Reassigned to Pullach under the guise of teaching theology (1945-48), Rahner oversaw Reinhard Gehlen's "Gehlen Org" later becoming the German BND.

Knight of Malta Adenauer had been a member of the Roman Catholic Center Party led by brother Knight, Franz von Papen, who brought Hitler to power. As West Germany's first post-WWII Chancellor and brother-in-law to pro-Nazi SMOM John J. McCloy (both marrying daughters of SMOM Fredrick Zinsser, a partner of JP Morgan) Adenauer was Gehlen's mentor who in turn utilized former SS/SD in his BND, secretly collaborating with their SS/SD counterparts within East Germany's "State Security Service," the SSD. Former Nazi Hans Globke was Gehlen's immediate superior who secretly worked with Herman Kastner, Deputy Prime Minister of East Germany, via Gehlen's BND. In 1961 with the erection of the Berlin Wall by the Soviets, no warning was ever given to the peoples of West Germany, the BND collaborating with the SSD, once again proving the Nazi fascists "fighting communism" were in fact its builders.

Jesuit Coadjutors Adolf Hitler and Martin Bormann, 1944 #496

In 1914 the Company ignited its Second Thirty Years' War (1914-1945) for a myriad of reasons. During its horrid "World War I" (1914-1918), Bismarck's Protestant Second German Reich was destroyed. With the betrayal of the German armies by General Erich Ludendorff (who later became a Nazi) and the signing of the wicked Treaty of Versailles by Matthias Erzberger (the deputy of the Order's right-wing Roman Catholic Center Party later to bring Hitler to power) the ***Black Pope*** effectively guaranteed war in twenty years against the "heretic" White Protestant German people. Nuncio Eugenio Pacelli orchestrated the rise of his Bavarian-led Roman Catholic Third Reich, his Munich palace being next to the future "Brown House"—the cradle of Nazism. Roman Catholic Adolf Hitler, the intimate friend of Vienna's "Brothers of Charity," and crypto-Catholic Martin Bormann—"the evil genius behind the Fuhrer's commands" and intimate friend of Pope Pius XII's confessor, Bavarian Jesuit Robert Leiber—decimated the Jews of Europe and justified the Allied mass-bombing and subsequent annihilation of the Protestant Lutheran culture and people of North and East Germany. With the Jesuits in control of both Allied and Axis intelligence, the deaths of Hitler and Bormann were faked by the Order's SS and both were secreted out of Berlin aided by the Order's Soviet NKVD. Escaping Allied justice, Satan's greatest Crusaders in the history of his Papacy spent the rest of their lives in the old Jesuit dominions of Roman Catholic South America. Meanwhile, the Order's CFR/RIIA agents at Nuremberg condemned Bormann's enemies; the double of Rudolf Hess,* Albert Speer and Herman Goering.

The Secretary Martin Bormann: The Man Who Manipulated Hitler, Jochen von Lang, (NY: Random House, 1979). ****The Murder of Rudolf Hess***, W. Hugh Thomas, (New York: Harper & Row, Publishers., 1979).

Martin Bormann's Son, Jesuit Priest Adolf Martin Bormann, 1950s #497

Martin Bormann, who began his career in politics as a convicted accomplice to a murder thus spending one year in prison, possessed undeniable ties to the Jesuit Order through Jesuit-trained Pope Pius XII and the pontiff's Jesuit confessor, Robert Leiber. While Archbishop Pacelli was Pius XI's Nuncio in Munich, Bormann developed close ties with both Pacelli and the pro-Nazi Archbishop of Munich, Michael Cardinal von Faulhaber. With the Archbishop's Cathedral not far from Nazi Party headquarters (called "the Brown House") and near the Jesuit Order's St. Michael's Church, Bormann further developed ties with the future Reichsfuehrer of the SS; for Himmler's cousin and SS officer, Dominican August Wilhelm Patin, was a Canon at the Cathedral and thus a servant of the Archbishop. Sponsored by another Roman Catholic Papal Knight, Reich Party Treasurer, the Order's SD financier and high-ranking SS officer Franz Xaver Schwartz, Hitler's "Brown Eminence" became the dictator's popish Secretary of State, second in command and "alter ego," advising him in every decisional matter, while personally guarding all access to the Fuehrer's popish presence. Bormann, code named "Werther," also served as the Jesuit General's "Brown Bolshevik," the link between the SS/SD and the Soviet GRU/NKVD. Hitler, through Bormann, communicated virtually every top secret decision of the Reich to the Order's "Red Orchestra" through Heinrich "Gestapo" Mueller within forty-eight hours, further proving that Hitler and Stalin worked together for the entire duration of the Pope's Crusade. After the fall of Berlin, the Order, via its SD/OSS/CIA, disguised Bormann as a black-robed Jesuit priest in his escape to South America from were he became a postwar financial kingpin in the rebuilding of Pius XII's Roman Catholic West Germany. Meanwhile, all of his children became Roman Catholics, and his eldest son, Adolf Martin Bormann, became a Jesuit priest! "Here, at his first divine service, he blessed his brothers and sisters. All of them achieved respected positions in postwar society." Wow!

Herr Sillip; Hitler's Murdered Double, Berlin, May 2, 1945 #498

Upon planning his escape in March with Bavarian Jesuit Gestapo Chief SS General Heinrich Mueller, Hitler: departed Berlin at 8:30 P.M., April 22; was flown to Linz, Austria, via a twin-rotor helicopter (Fa 233); celebrated with Austrian Jesuits until his departure via aircraft (JU 290 A-3 piloted by Colonel Baumbach) for Barcelona on the 26th; was greeted by brother Jesuit Coadjutor and mass-murderer, General Franco; further rejoiced with Spanish Jesuits until his departure by sea for Buenos Aires, to be protected by another brother Jesuit Coadjutor, Knight of Malta Juan Peron. Shortly after Hitler's departure from the bunker, his "Double," born to the Austrian Sillip family and related to Hitler, arrived from hotel Kaiserhof with a similar shepherd dog. Although two inches shorter and much less alert, articulate and intelligent, for eight days this "sick weakling hardly able to stand or walk, manipulated by Goebbels," miserably played the Fuehrer. On April 30, the drugged Sillip was injected with poison by Dr. Stumpfegger, shot in the forehead by SS Lt. Gen. Johann Rattenhuber using the Double's own Walther 7.65 cal. pistol, then buried in the bunker garden. Given Berlin to Stalin by Jesuit Coadjutors FDR and Churchill, the Order's NKVD (working with Britain's SIS, America's OSS/CIC and Hitler's SS/SD) furthered the hoax of Hitler's suicide by unearthing the Double and displaying the corpse (above) as the dead Fuehrer! The Hitler suicide myth surfaced five months later and thanks to English Jesuit Coadjutor (MI5/RIIA) Major Hugh Trevor-Roper (later, a Regis Professor of History at Oxford and made a peer of the realm), this lie is now the gospel truth in Jesuit-ruled America and Britain!

Hitler's Escape, Ron T. Hansig, (London: Athena Press, 2005).

Heinrich Hitzinger; Himmler's Double, Lüneberg, May 23, 1945 #499

Hitler was Pope Pius XII's German Emperor who preached the Crusade of the Bavarian-led Third Reich. But the real men of power behind Hitler were Martin Bormann and Heinrich Himmler. Heinrich Mueller, the agent of both, had collaborated with Himmler and William Stephenson in the killing of Heydrich. Himmler, the "Ignatius of Loyola" of the ***Black Pope***'s SS (backed by Germany's most powerful Knights of Malta within his "Circle of Friends") had transferred the wealth of Germany out of the country into a labyrinth of foreign banking houses aided by British and American Knights including the Dulles brothers. Thus we are not surprised that Walter Schellenberg would serve as the liaison to British Intelligence (SIS) in securing Himmler's post-war exit of out of Germany. That departure would include: the suicide of a Double, Heinrich Hitzinger; his immediate and secret burial by a lowly Colour Sergeant-Major, Edwin Austin (who became an instant celebrity); a cover story set forth by MI5/RIIA Hugh Trevor-Roper; and the use of billions of SS funds by the governments having aided in the cover-up. Europe's Protestant Reformation now gone, Himmler intended to rebuild post-war Roman Catholic West Germany with Bormann preparing for Europe's Fourth Reich—a 10-king, European confederacy led by the risen Pope, the beast! The Order, via its British SIS, enabled Himmler to disappear. In his place was sent the condemned Heinrich Hitzinger. MI5/NKGB agent Kim Philby, via "Operation Globetrotter," attempted to dispel any and all doubts about the Reichsfuehrer's death, while all records concerning the strange arrest and suicide of "Heinrich Himmler" were sealed for 100 years, until 2045!

Jesuit Temporal Coadjutors, **1943:**
Reichsfuehrer SS General Heinrich Himmler;
SS General and Himmler's Chief of Staff, Karl Wolff

According to several sources, Hitler openly called Himmler his "Ignatius of Loyola"—the Jesuit Superior General of the German Teutonic Order of the SS. For the purposes of deception, Himmler's open policy was utter condemnation of the Society of Jesus; but his secret and true policy was extreme veneration, as it was his master. With an extensive knowledge of the inner workings of Loyola's Militia, while aided by his priestly "uncle who stood godfather to him"—the Archbishop of Bamberg—and his priestly cousin, August Wilhelm Patin (a Dominican Canon to the Archbishop of Munich), Himmler patterned his SS in exact accordance with the Company. Further, he governed his Brotherhood pursuant to Masonic protocol, Himmler himself acting as "Grand Master."

German Heinz Höhne, although obscuring all obvious ties to the Society of Jesus and thus functioning as another postwar censor for the Brotherhood in writing his *The Order of the Death's Head (1969),* stated that Himmler, as did Jesuit General Wladimir Ledochowski, had "four Assistants." One of Himmler's key Assistants was another Bavarian Roman Catholic, SS General Karl Wolff. "Little Wolff" was to the Reichsfuehrer-SS what Bormann was to the Fuehrer. Serving as Chief of Staff, Jesuit Wolff was the key advisor to every policy and resultant crime of the Order's SS, including his own responsibility in the shipping of "at least" 300,000 Jews to Treblinka and the deportation of Rome's historic Jewish ghetto to Auschwitz. After Eugen Dollmann had brought about Wolff's audience with Pope Pius XII in April of 1944, Italian Knight of Malta Baron Luigi Parilli put the General in contact with the Pope's OSS (surnamed "America's College of Cardinals") in the person of Archbishop Spellman's CFRcontrolled Allen Dulles, thereby beginning negotiations for the surrender of the German army in Italy. Upon returning to Berlin in confiding to Himmler, as both were arranging their escape from Germany's calculated doom, SS General Ernst Kaltenbrunner accused Wolff of treason in the presence of Hitler. Aware of Wolff's negotiations with both Dulles and Cardinal Schuster of Milan, Hitler, also in the process of planning his escape, sent Wolff back to Italy thereby saving his life. For this, Kaltenbrunner would be executed at Nuremberg due to the secret influence of Jesuit Edmund A. Walsh. Wolff went on to negotiate OPERATION SUNRISE bringing General Reinhard Gehlen's intelligence organization into the CIA, saving the lives of thousands of Nazis under the guise of the Pope's Cold War Hoax.

Years later, in 1972, Wolff, in conspiring with Jesuit Paul Molinari, concocted the lie that in 1943 Hitler had planned to kidnap the very man who had brought him to power—Pius XII—and bring him to Germany. Supposedly, Wolff persuaded Hitler to abandon his plot thus saving the Pope—the Jesuits, through this ruse, justifying their attempted beatification of Pope Pacelli, while protecting their Temporal Coadjutor, SS General Wolff.

SS Generals (L-R): Franz Josef Huber; Arthur Nebe; Heinrich Himmler; Reinhard Heydrich; Heinrich Mueller; Gestapo HQ, Munich, 1939 #501

In 1939 these five Roman Catholics were a few of the most powerful men administering the **Black Pope**'s Third Reich. Bavarian Huber became head of the SD/Gestapo Vienna office, deporting 48,000 Jews to the East. In command of the largest Gestapo force of the Reich, he was protected by the American CIC and never prosecuted! Nebe was Head of the Criminal Police (Kripo) and went on to voluntarily command the brutal Einsatzgruppe (Action Group) B. Nebe's Group was covertly manned with Jesuit Coadjutors, murdering an estimated 43,000 Russian Jews in the wake of Pius XII's Fatima Nazi Crusade against the Orthodox peoples of the Soviet Union. Arrested by the Gestapo in 1944, Nebe was hung for his supposed complicity in the attempted assassination of Hitler. In 1945 Heinrich Himmler escaped Europe with the help of Sir Stewart Menzies' British SIS, which faked the death of the Order's Bavarian Inquisitor using a double, and then sealed Himmler's secret file for one hundred years! Reinhard Heydrich, Himmler's anti-Vatican, racial Jew in charge of the Main Office of Reich Security (RSHA), was ambushed by the British SIS and then medically murdered by Himmler's surgeon, as Heydrich was not an insider refusing to submit to "papal powers" with Bormann and Himmler. Bavarian "Gestapo" Mueller, was not only the monster in charge of the murderous, Jesuit-manned Gestapo, but was complicit in the assassination of Heydrich and a key NKVD agent acting as the liaison between Hitler and Stalin in communicating the Fuehrer's messages from NKVD agent Martin Bormann to the Jesuit Order's "Red Orchestra." Mueller's death was also faked; he escaped Europe via the Order's Vatican Ratlines along with 50,000 other Nazis and was then brought into the **Black Pope**'s CIA, consulting for "the Company" until his death in 1973.

Pius XII's Under Secretary of State Monsignor Montini (R), 1945 #502

Jesuit-trained Pope Pius XII, advised by Bavarian German Jesuit Robert Leiber, ruled the Order's Vatican Ratlines. He appointed his close personal friend, Austrian Bishop Luigi "Alois" Hudal (1885-1963), a former consultant for the Holy Office of the Inquisition and protégé of the "Heil Hitler Cardinal," Vienna Archbishop Theodor Cardinal Innitzer, to control the Vatican's escape routes over the Brenner Pass into Italy. Hudal, intimate with Knight of Malta Franz von Papen and Nazi officials, used Jesuits guiding SS Lt. Col. Walter Rauff to help other top Nazis out of Europe including Heinrich Meuller, Adolf Eichmann, Franz Stangl (commandant of Treblinka), Martin Bormann and Josef Mengele. Once out of Europe the Nazi Jesuit Coadjutors were then protected by Pius XII's Sovereign Military Order of Malta through employment within its international business consortiums—under the guise of the Cold War! Stangl and Eichmann were employed by SMOM Frederick Schultz-Wenk; Bormann was protected by SMOMs Juan Peron and nobleman Baron de Zichy; and Mueller and Mengele were protected by SMOMs J. Peter Grace, Jr., & OSS chief, William J. Donovan. Monsignor Montini was the master of Bishop Hudal, responsible for the Pope's international affairs. This included his direct supervision of the Ratline's Caritas Internationalis, which issued passports to fleeing Nazis. The director of Caritas in Vienna, and later in Rome, was one of the Pope's Monsignors—Jesuit Karl Bayer! The Company shuttled over 50,000 Nazis to foreign ports and then used Jesuit Robert Graham to downplay Hudal's abject obedience to the Pope. The Nazi Monsignor would later become Pope Paul VI—and JFK's master assassin!

Bishop of Aela, SMOM Luigi "Alois" Hudal (1885 – 1963), 1936 #503

The duplicitous infamy of this notorious war criminal is beyond imagination, it reflecting the diabolical international Jesuit war machine of the **Black Pope** in complete control of the Pope's Roman Hierarchy. Austrian-born, educated by Jesuits, father-confessor for Rome's German-speaking people while rector of the German College, a consultant for the Holy Office of the Inquisition as of 1930, a hater of Jews and lover of Nazis, Hudal published his pro-Nazi *The Foundations of National Socialism* in 1936 enthusiastically endorsing the Order's Third Reich.

Holding a Golden Nazi Party membership badge and an informer for the SD (as was Benedictine Prior Hermann Keller*), Hudal was the intimate servant of Hitler's secret mentor, the Archbishop of Munich (1917-1952), Michael Cardinal von Faulhaber, and the Archbishop of Vienna (1932-1955), Theodor Cardinal Innitzer—the "Heil Hitler Cardinal" who welcomed Hitler's "Pan-German" theft of Roman Catholic, Jesuit-ruled Austria (via "the Anschluss") in 1938. A notorious anti-communist knowing full well the Company ruled Stalin's USSR, Hudal, on orders of his master, Pope Pius XII, aided Nazi fugitives in their escape from Allied justice using ex-SS/SD German intelligence officer Walter Rauff, former adviser to Reinhard Heydrich. The most notable Nazis aided by Hudal in their successful escape were Heinrich Mueller, SS Chief of the Gestapo; Adolf Eichmann, a key figure in "the Final Solution;" Martin Bormann, Hitler's Secretary; Walter Rauff, originator of the gassing vans; and Franz Stangl, the commanding officer of death camps Sobibor and Treblinka. Hudal was also in charge of the huge SS treasure used to finance the Order's Vatican Ratlines.

Archbishop of Genoa, Italy, 1946 – 1987

With the ***Black Pope*** overseeing his "Monastery Routes" out of Europe, he would use Pope Pius XII's entire Roman Hierarchy in unison to save his beloved Nazi SS/SD Inquisitors. Bishop Hudal, the avid defender of Hitlerism, had already met with Nazi SS/SD Lieutenant Colonel and Jesuit Temporal Coadjutor Walter Rauff in 1943, organizing the Order's Vatican Ratlines, as Hitler's German High Command was directed to lose the war. Rauff, with select Jesuits, would escort fleeing Nazis across the Brenner Pass into Rome where they could be hidden until their papers were forged. Croat Priest Draganovic would organize the Ratline for the Ustashis also fleeing to the "Eternal City" until their papers were also "in order." When ready, both fugitive Nazis and Ustashis were escorted to the Genoa waterfront to board designated steamers bound for foreign ports, especially in the US and Canada. The King of Genoa was Archbishop Siri who oversaw all departures thus becoming a

On March 25, 1941, Yugoslavia entered into a pact with Nazi Germany: two days later Serbian General Bora Mirkovic caused an anti-Nazi coup d'etat, breaking the pact thus delighting Orthodox Serbs and English Protestants. Ten days later Roman Catholic Hitler invaded, creating the Roman Catholic Independent State of Croatia thus ending the "ecumenical" Kingdom of Yugoslavia. Hitler then appointed Roman Catholic "Poglavnik" Pavelic to be the Pope's fascist crusader of Croatia subject to Archbishop Stepinac. Led by Franciscans and Jesuits, Pavelic's Ustashi murdered over 700,000 Orthodox Serbs and over 30,000 Jews. After the war, Draganovic aided Paveilc's escape to South America as well as Andrija Artukovic (Pavelic's "Himmler of the Balkans") and his escape to the US aided by Cardinal Spellman. Artukovic lived peaceably for over 40 years in the US, protected by the State Department, FBI and CIA controlled by Cardinal Spellman and his successors, Cardinals Cooke and O'Connor via the CFR. Extradited in 1986, Franciscian-trained Knight of Columbus Artukovic was tried in Belgrade, condemned and executed. Pavelic escaped to Rome disguised as a monk, then to Argentina advising Knight of Malta Juan Peron, where he was later shot in 1957 by an assassin. Pavelic then received refuge in Generalissimo Francisco Franco's fascist Spain where he died of his wounds in 1959. Croat Draganovic had collaborated with Bishop Alois Hudal, who managed the escape of thousands of German and Austrian Nazis, and was fully supported by Pope Pius XII's Archbishop of Genoa, Giuseppe Cardinal Siri. Draganovic was used by the US during the Pope's Cold War, his name appearing in Pentagon payrolls until the early 1960s. Granted immunity in Yugoslavia, he died in 1983 at 79. ***Unholy Trinity: The Vatican, the Nazis, and Soviet Intelligence***, Mark Aarons and John Loftus, (New York: St. Martin's Press, 1991).

Waffen-SS Senior Colonel Dr. Oskar Dirlewanger, 1943 #509

Commanding 4000 men of the Dirlewanger Brigade, many of whom were convicted criminals and poachers serving time in SS prisons and concentration camps, this Roman Catholic Jesuit Temporal Coadjutor is responsible for some of the most shocking criminal atrocities of the war. Protected by his close friend, SS General Gottlob Berger, this convicted pedophile had fought for Jesuit-ruled Generalissimo Franco during the Spanish Civil War, was a Freikorps veteran, a violent Jew-hater, and a member of the NSDAP since 1923. In a word, the good doctor was the perfect inquisitor; heartless, ruthless and above the law. He maintained arbitrary discipline among his criminal band not hesitating to shoot any displeasing subordinate. In 1944 his vandals were unleashed upon the Jews of the Warsaw ghetto uprising for which he was awarded the "Ritterkruz," Nazi Germany's most coveted military decoration; yet his experiments upon Polish girls included sadism and necrophilia. Wounded in 1945 and arrested a few days after the war, Jesuit Dirlewanger bribed his way out of the Allied net, most likely aided by SMOM Bill Donovan's OSS, sent down SS Bishop Hudal's Vatican Ratlines and was living in Egypt up to 1963 building the ***Black Pope***'s Masonic Islamic International Terrorist Network. Many more ex-Nazis were used for this purpose including SS Jesuit Coadjutors Walter Rauff and Dr. Johann von Leers.

SS Dr. Josef Mengele, Auschwitz, 1943; Buenos Aires, 1959

This Bavarian Roman Catholic is the classic, sinister Jesuit Temporal Coadjutor. Mengele identified himself as a Catholic on all official forms and was addressed as "Father Mengele" while studying at the Frankfurt University Institute of Hereditary Biology and Racial Hygiene under his mentor, Otmar von Verschuer. Sent to Auschwitz Death Camp in Poland's Upper Silesia (a Jesuit stronghold since the days of its Protector, Masonic Frederick II "the Great") in 1943, the first shipload of "accursed" Jews and Protestants had arrived from Hitler's "Republic of Slovakia" in 1941 care of its dictator-priest, Monsignor Josef Tiso—the agent of Pius XII! Utilized by I. G. Farben's adjacent facility controlled by Knights of Malta, Auschwitz was the perfect laboratory in which the Company could utilize its "Genetic Physician" "for the greater glory of God." A lover of Wagner's symphonies, the poetry of Dante, and always donning a fresh uniform exuding the savor of cologne, Mengele would whistle while directing thousands of daily arrivals on the ramp into the camp or to the gas chambers. According to surviving inmates, "Mengele was the one who was present at all the transports. Usually he alone, himself, stood on the ramp and he made the selections. . . . [*he*] was far and away the chief provider for the gas chamber and the crematory ovens." The Jesuit delighted in fulfilling the Council of Trent and participating in his master's "Final Solution to the Jewish Question" so agitated by the Order's *La Civlita Cattolica* for the last half-century. As the Order's NKGBcontrolled Soviet Army was approaching, Mengele made his calculated escape down Bishop Hudal's Vatican Ratlines into South America where he and other Nazis participated in the **Black Pope**'s CIA/Mafia International. Bormann and Gestapo Mueller, backed by Schwarz, were the ***Black Pope***'s ties to the Order's Red Orchestra subject to Stalin's Jesuit Secretary, NKGB Alexander N. Poskrebyshev. Bormann was secreted out of Europe via the Jesuit Ratlines.

SS Lt. Cols. Adolf Eichmann & Kurt Becher; Zionist Rudolph Kastner Collaborators in the Deportation of Hungarian Jews, 1944 #515; #516; #517

Adolf Eichmann (1906-1962), has been unjustly blamed for the **Black Pope**'s Eurasian Jewish Holocaust. Could Eichmann have deported 6,000 French Jews in 1941 without the signature of SS Brigadier General and Knight of Malta Baron Ernst von Weizsaecker (1882-1951), the real master orchestrating Von Ribbentrop's German Foreign Office (1938-1943) and Hitler's Ambassador to the Vatican (1943-1945) who survived the Order's Nuremberg Trials later to write his *Memoirs*? In 1944 Eichmann made a deal with Kastner to save 20,000 young Jews for future Israel in exchange for securing the orderly deportation of 400,000 Jews to Auschwitz. Becher implemented the details for a price. In the end only 1718 Jews were sent to Switzerland at the cost of nearly $2,000 each.

Eichmann fled Europe via Bishop Hudal's Vatican Ratines and Becher escaped a Nuremberg death sentence with the aid of Kastner's testimony. In 1952 Israeli Michael Greenwald, via his "Pamphlet 51," exposed the past of Ben-Gurion's Minister of Trade and Industry. Charges of libel were brought against Greenwald in 1953 who in 1955 was found innocent by Judge Benjamin Halevi declaring Kastner had "sold his soul to the German Satan." On appeal, in 1958 the Supreme Court reversed Halevi's decision exonerating Kastner who had been shot to death on his doorstep in 1957 by a "former" Mossad agent. Ben-Gurion's government was now in serious trouble: he must be made to look the hero if his Jews were to continue to build the Pope's Kingdom of Jerusalem.

Eichmann was chosen to be sacrificed. And why? Because he was a "heretic," having attended an Austrian Protestant seminary before entering the SS in 1934. Rome's Argentine President Dr. Arturo Frondizi (1958-62) enabled the Mossad to capture Eichmann in 1960. Tried in Jerusalem, Eichmann was condemned and Pope John XXIII's Ben-Gurion-led, Labor Zionist government was saved!

Nazi SS/SD Lt. Nikolaus "Klaus" Barbie (1913 – 1991), 1930s; 1987

Another beloved son of the Pope, Roman Catholic Klaus Barbie was a fanatical Nazi and savage beast of a man, surnamed by the French "the Butcher of Lyons." Born out of wedlock, this half-breed French-German bastard would ply his torturous trade against France, the Order's greatest national adversary in Europe. Expelling the Order for the ninth time (1901), Henri Pétain re-admitted the Society in 1942, his Vichy Government in close alliance with occupying Nazis. Now it was the Company's turn to take vengeance; its vessel would be Barbie. Hating the French for his father's death in 1933 from a bullet wound received at Verdun, the Butcher's heart was now ready but his mind needed training. He joined the Hitler Youth and German Resistance against the French Army occupying the Catholic Rhineland, its Black troops having raped White German women for years.

Joining the Nazi party in 1937, fluent in French, German and Spanish, Barbie was enrolled at the SD's exclusive leadership school in Berlin. There he learned the black arts of interrogation and torture from Jesuit bosses under Extreme Oath ultimately subject to the ***Black Pope***, the invisible master of Nazi SS/SD Counter Intelligence. Barbie rooted out all the Jews in Amsterdam, sending them to Auschwitz along with thousands more from France. He worked with Jesuit traitor René Hardy within the French Resistance resulting in the capture and bludgeoning murder of Jean Moulin, the highest-ranking member of the Resistance and rival of that darling of the Order, Jesuit-trained Temporal Coadjutor Charles de Gaulle. After the war Barbie was recruited by the British and later the US Counter Intelligence Corps (CIC) under the guise of "fighting Communism." In 1951 the Butcher was sent down the Vatican Ratline to Genoa from where the Order spirited him to Bolivia until he was finally deported back to France in 1983 to be tried and condemned in 1987, dying in prison in 1991.

Nazi SS Captain Franz Paul Stangl (1908 – 1971), 1940s; 1970

Born a Roman Catholic in Roman Catholic Austria ruled by the Order from Vienna, Stangl joined the Austrian police in 1931 having been a member of the illegal Nazi party for two years. With the Anschluss in 1938, Hitler's SS/SD took over the Austrian police and Stangl was promoted after openly disassociating from the Roman Catholic Institution while secretly controlled by the Order. In 1940 via a direct order from Coadjutor Himmler, Stangl became the overseer of the Reich's T-4 Euthanasia Program murdering the helplessly handicapped. It was here that evil Stangl met Roman Catholic Christian Wirth, another Jesuit Temporal Coadjutor and future commandant of Belzec and Chelmo death camps within Jesuit-ruled Poland. Commandant of Sobibor from March-September, 1942, and Treblinka from September, 1942, to August, 1943, Inquisitor Stangl killed 900,000 people, mostly "perfidious" Jews. Usually dressed in white riding clothes, he earned the title of "Best Camp Commandant in Poland" after which he was promoted to captain. Our Inquisitor, pursuant to Canon Law, stole a treasure from the "accursed heretics and liberals," including 145 kilograms of gold from rings and 4,000 carats of diamonds, all deposited in SS bank accounts. At the end of the war Stangl was imprisoned in Linz, Austria, but then released by the American CIC in 1947. Via Bishop Hudal's Ratlines, he went to Syria for three years and then to Brazil where he worked for a huge Volkswagon plant in São Paulo, owned by Knight of Malta Frederick Wilhelm Schultz-Wenk. Stangl was pursued by one of the Order's controlled Nazi hunters, Simon Wiesenthal—whose 2006 obituary photo displayed a cross of the Knights of Malta around his neck! Finally arrested in 1967 (the only Nazi ever to be extradited by Brazil), Stangl was tried in Germany and imprisoned in 1970, the callous and cold Jesuit Coadjutor dying in 1971 "with a clear conscience" and without the least regret!

The Byelorussians were the most fanatical collaborators with Hitler's invading Nazis against all Jews, more so than any other nation. Radislaw Ostrowsky, the leader of the "Waffen Sturmbrigade Belarus," chose its symbol—"an ancient religious sign, a cross with two bars equal in length and parallel to each other" seen atop of this despicable SS monument above. Ostrowsky and his men were resettled in America via Cardinal Spellman's State Department and CIC/CIA.

The symbol of the horse and rider is nearly identical with that of Rome's CFR!

Army Captain John M. Birch; General Claire Lee Chennault, 1945 #523

Born in 1918 to Presbyterian parents, John Birch was taught the AV1611 Bible throughout his formative years. He was so brilliant that he skipped grades 5 and 6, and upon graduating *magna cum laude* from Mercer University, he was selected as a nominee for a Rhodes Scholarship. Falling under the preaching of Baptist Pastor J. Frank Norris, John was convicted to go to the mission field.

Upon graduating from Fundamentalist Baptist Bible Institute, Fort Worth, Texas, John departed for China in 1940 at the young age of 22. Within six weeks he could speak conversational mandarin. After Jimmy Doolittle's raid over Tokyo, it was this Baptist missionary who led the General and four of his men through Japanese lines to safety. Impressed, Doolittle recommended Birch to General Claire Lee Chennault, another Bible-reading Baptist and founder of the Flying Tigers. Performing intelligence work for the General while preaching the gospel and establishing missions, John took up the sword against the Japanese army; for it was murdering Protestant and Baptist ministers and burning their missions on orders from Jesuit bosses in Tokyo. Receiving the Legion of Merit (above), John's name was now famous throughout China and he, like all Bible-believing men of God, hated murderous Communism. Thus Birch had to go!

Shortly after the war in 1945, John was "on loan" to OSS director SMOM Bill Donovan. As the Pope's Irishman had arranged the death of General Patton, he would now murder the righteous John Birch. Sent to arrange terms for the surrendered Imperial Japanese High Command, John was brutally murdered in cold blood by Mao Zedong and his OSS-backed banditti. To add insult to blood, John's funeral was performed by a Jesuit priest! In 1958 the Order founded the John Birch Society through its pro-Rome, 32nd Degree Mason, Robert Welch!

The ***Black Pope***'s Assassins Of President John F. Kennedy, 1969: Knight of Malta Allen W. Dulles, Knight of Malta James J. Angleton, Masonic Jewish Labor Zionist David Ben-Gurion #524

Angleton stated: "Allen Dulles, Richard Helms, Carmel Offie and Frank Wisner were the grand masters [*of the CIA*]. If you were in a room with them you were in a room full of people that you had to believe would deservedly end up in hell. I guess I will see them there soon."*

The **Black Pope**'s Assassins Of President John F. Kennedy, 1969: Knight of Malta Allen W. Dulles, Knight of Malta James J. Angleton, Masonic Jewish Labor Zionist David Ben-Gurion

According to Loftus in his *The Secret War Against the Jews*, Reinhard Gehlen trained Israeli Intelligence—the Mossad. With James Jesus Angleton, CIA Chief of Counterintelligence manning both "the Israeli desk" and "the Vatican desk" within the CIA, the **Black Pope** was now in complete control of his post-war International Intelligence Community, which included the British SIS, the German BND, the Soviet KGB and the Chinese CSIS. According to Ben Hecht in his *Perfidy*, Ben-Gurion, through Rudolf Kastner—his Labor Zionist agent leading Hungary's "Jewish Rescue Committee"—had collaborated with the Nazis during the war by refusing to warn Europe's Jews of their impending doom. SS Lt. Col. Adolf Eichmann collaborated with Ben-Gurion, each through their agents, SS Colonel Kurt Becher and Rudolf Kastner.

Meanwhile, Angleton was not only working in conjunction with the Jesuits in control of Vatican Intelligence, but with two other American Knights of Malta, OSS Director "Wild" Bill Donovan and FDR's unofficial Ambassador to Pope Pius XII, CFR member Myron C. Taylor. In 1961, as a result of the Kastner Affair, which included the revelation that both Chaim Weizmann and Ben-Gurion betrayed their honest Jewish emissary, Joel Brand, into the hands of the British thus ensuring the Nazi murder of over 400,000 Hungarian Jews, the **Black Pope**—in order to bolster his Ben-Gurion-led, Masonic Labor Zionist government—sacrificed escapee Adolf Eichmann by handing him over to the Israeli people. It was at this time the Vatican sought to further secure its "Kingdom of Jerusalem" by giving nuclear weapons to its Labor Zionist Government ruling Israel.

With over 300,000,000 Moslems bent on throwing the Jews into the sea thereby endangering the Pope's millennial quest to rebuild Solomon's Temple, this precaution was decided upon. But President Kennedy would not consent to the transfer of our nuclear weapons technology to the Middle East. After the Order murdered JFK, President Johnson reversed Kennedy's policies and thus Israel was given nuclear weapons. Soon thereafter, the 1967 "Six Day War" took Jerusalem from Jordan laying the groundwork for the Order's Third World War to be orchestrated by the Pope's CIA overseeing both Israeli and Islamic intelligence services.

Hence, the master-servant relationship established between the Papacy's SD/CIA and the Mossad is in full force today serving the ends of the Jesuit Superior General—the taking of the Temple Mount from the Moslems; the deeding of the Temple Mount to the Papacy; the destruction of the Mosques on that Temple Mount; and the building of the Third Hebrew Temple. In that Temple will sit the risen Seventh Roman King/Caesar/Pope *(Rev. 17:10-11);* the final Pope *"whose deadly wound was healed" (Rev. 13:12); "the abomination of desolation" (Matt. 24:15),* during the final future Jewish Holocaust—the time of *"Jacob's trouble" (Jer. 30:7)* while under the "*covenant with death*" *(Isa. 28:15).*

Masonic False Messiah Shabtai Tzvi (1626 –1676), 1666 #525

Since the death, burial and resurrection of Yeshua the Messiah in 32 AD, Jewish leaders have had "*no king but Caesar*" *(John 19:15)*. With the throne of the Roman Caesar continuing as "the Chair of St. Peter," the Israelites have been ruled by the Papacy during their international Diaspora, called by Messiah "*the times of the Gentiles*" *(Luke 21:24)*. As the Gentile nations are now "*the head*" and "*very high,*" the Hebrew nation "*the tail*" and "*very low*" *(Deut.28:43-44)*; as Rome, "*that great city, which reigneth over the kings of the earth*" *(Rev.17:18)*, hosts "the Sovereign State of Vatican City" from which the Pope rules his Vatican Empire; and as the Papal Caesar styles himself "the Emperor of the World," nearly every Jewish leader exercising political or financial power has been directly or indirectly a mere "court Jew" for Rome. So it was for false messiah Shabtai Tzvi (leading his "Shabbataians") and his successor, Jacob Frank (leading his "Frankists"). Frank, a Polish Jew and darling of the Jesuits, submitted his cult to Romish baptism! The **Black Pope** then used these Masonic, papalized Jews to enforce his Canon Law, including the Islamic anti-Armenian genocide (Talaat Pasha), the Communist anti-Orthodox genocide (Lenin) and the Nazi anti-Jew genocide (Hitler). The Sabbatian Frankists are now the CFRruled, Masonic Jewish Labor Zionists ruling the Pope's Kingdom of Jerusalem.

The Pope's Jews, Sam Waagenaar, (La Salle, Illinois: Open Court Publishers, 1974).

Knight of Malta Canon Edward N. West, New York City, 1978 #526

Knowing that the Pope's "Sovereign Military and Hospitaller Order of St. John of Jerusalem" (Knights of Malta, both Catholic and Protestant branches) and the "Grand Council of the Princes of Jerusalem of the Mother Supreme Council of the Knights Commander of the House of the Temple of Solomon of the Thirty-third Degree of the Ancient and Accepted Order of the Scottish Rite of Freemasonry" ("Illuminized" Freemasonry established in Charleston, South Carolina, 1801), both work together, Canon West of the Episcopal Cathedral of St. John the Divine is a co-worker with the Order's Masonic Jews governing the Anti-Defamation League (ADL).

The Jesuits, ruling the British Empire via Freemasonry since the reign of King George III, established Jewish Freemasonry through which their Frankists would act on their behalf. Thus, Masonic B'nai B'rith was founded in America (1843) later creating the ADL (1913), which in turn is tied to the Order's CFR, Fabian Socialists, British Labor Party, Lenin's Bolsheviks and the neo-fascist Heritage Foundation formerly headed by SMOM Frank Shakespeare, with Opus Dei members now on the staff. Rome's ADL also works with the FBI and spies for the Pope's CIA/Mossad Intelligence services.

Russian Lt. General Andrei A. Vlasov (1900 – 1946), 1945 #527

"Vlasov!" His very name should cause every American and Brit to blush! For our treacherous leaders, FDR and Churchill, betrayed this heroic man of honor into the hands of the ***Black Pope***'s Soviet Grand Inquisitor—Josef Stalin, the premier mass-murderer in the history of the world! Prevented from finishing his studies at Novgorod Orthodox Seminary, he was drafted into the Red Army in 1919. Distinguishing himself, in 1940 he became a Major General. Fighting his way out of the German encirclement in 1941, he defended Moscow unaware that Hitler secretly never intended to conquer the city: Hitler and Stalin worked together! In 1942 Vlasov brilliantly fought his way 46 miles deep inside German lines, but received no supplies of food or ammunition—with specific orders not to retreat! Clearly, Stalin sought to destroy Vlasov's patriots! Encircled with no hope, Vlasov's Second Shock Army perished and he taken captive by the Nazis.

Hating Bolshevik Communism, Vlasov became the leader of 700,000 men, known as the "Russian Liberation Army," and sought to fight with the Germans against Stalin. But Hitler refused to use his Russians in battle until early 1945, when all was lost! Fleeing to Austria, he surrendered his army, and appealed to the Pope, only to be betrayed by FDR and Churchill, and sent back to Soviet Russia to be murdered in the gulag destroying Russian anti-communists. Vlasov was hung in the ***Black Pope***'s Lubyanka by its General, Jesuit Poskrebyshev! Yes, Hitler, Stalin, FDR ,Churchill—and Pope Pius XII worked together to murder Vlasov!

German Field Marshal Erwin J. E. Rommel (1891 – 1944), 1942 #528
Commander-in-Chief, Deutsches Afrika Korps, 1941 #529

Nicknamed "the Desert Fox" by the British, Rommel was Germany's greatest battlefield commander of WWII. A Lutheran Protestant (who stated, "This business with the Jews has got to stop."), Rommel was utterly fearless, always up front in the heat of battle and the military favorite of his German people. Like Patton and Vlasov, Rommel was hated by the ***Black Pope*** for his refusal to obey defeatist orders. With the Order in control of Axis and Allied High Commands, our hero was hated by Bavarian Roman Catholic Jesuit Coadjutors, Masonic Field Marshal Albert Kesselring (who played the game with General Mark Clark at Anzio) and Frederick Paulus (who sacrificed his predominantly-Protestant, 6th Army at Stalingrad), both surviving the war! Achieving fame in North Africa while treating his prisoners with chivalry, Rommel was deprived of necessary supplies and men, losing the second battle of Al Alamein (Oct., 1942). Further, Bormann had divulged his battle plan to brother Jesuits at Bletchley Park via "Ultra intercepts:" the Suez Canal must remain in British hands. Returning to Germany, Rommel was appointed Commander of Army Group B (Nov., 1943) for the defense of Normandy. Dismayed by what he found, Rommel hurriedly reinforced the Atlantic coast to repulse the Pope's impending Allied invasion. To ensure Allied success, Coadjutor Hitler ordered the re-enforcement of Calais; Rommel insisted on Normandy! Coadjutor Field Marshall Gerd von Rundstedt, the traitor who permitted British troops to escape annihilation at Dunkirk, again enforced Hitler's orders! Rommel had to go! Falsely accused of plotting Hitler's assassination, he was arrested and consented to "the poison cup" thereby saving his family. With Rommel gone, Protestant Prussia could now be destroyed!

Polish General Wladyslaw Sikorski (1881 – 1943), 1940
#530

Prime Minister, Polish Government in Exile, London, 1939 – 1943

Regarded by his own Roman Catholic people as a staunch patriot and national hero having played a decisive role in defeating the Soviets during the 1921 Battle of Warsaw (for which he was given the nation's highest military decoration), Sikorski refused to betray Poland; thus he and his daughter with 14 others were murdered by the Company's International Intelligence Community. An author of several books and a pioneer of Blitzkrieg ("lightening war"), upon the 1939 Nazi invasion he was refused a military command by a tool of the Order and escaped to France, he commanding 86,000 Poles against Hitler's invaders. Upon resisting Jesuit Coadjutor Marshall Pétain's capitulation, he escaped to England where he commanded the second largest Allied army after the UK. Under the influence of Papal Knight Anthony Eden, Sikorski agreed to unite with Coadjutor Stalin's "fight" against Coadjutor Hitler. But upon learning of the NKVD's Katyn Massacre, Sikorski insisted upon its investigation threatening the Allied alliance between Jesuit-ruled Britain and its creation, the USSR. Sikorski had to go!

Churchill, advised by King George VI, ordered the assassination, then executed by Menzies' counterintelligence officer, SIS/NKVD Kim Philby. Upon takeoff from British Gibraltar, Sikorski's B-24 Liberator crashed into the sea, all souls lost saving the SIS Czech-born pilot. All SIS Sikorski files were then sealed for 100 years! To finish off Polish nationalism, in 1944 the Poles and Nazis fought the Battle of Warsaw lasting 63 days costing 200,000 Polish lives. Operating nearby, the Red Army refused to help its "Allies." The Company's Communist "liberators" gang-raped the women (15 men to 1) and submitted their nationalist enemy to 45 years of martial law until Rome would end its Cold War in 1989!

American General George S. Patton, Jr., (1885 – 1945), 1945 #531

Clearly the greatest combat general of modern times, Patton commanded respect from both friends and enemies. Unaware of the Order's rule over his superiors (Generals Marshall, Eisenhower and Bradley) via the CFR, Patton sought to win the war as quickly as possible and unite with Germany against the Soviets. But after witnessing notable treasons committed by superiors who: refused to allow him to close the Falaise Pocket in France thus enabling the German army to escape; publicized "the slapping incident" for which he was cleverly relieved of command and thus prevented from interfering with the "botched" Anzio invasion; refused to allow him to accept the willful surrender of Protestant Berlin, witnessing the murder and gang-rape of tens of thousands of innocent civilians; ordered "Operation Keelhaul," forcing 700,000 patriotic, Russian anti-communist soldiers to be sent back to Russia to face certain death; and illegally ordered the starvation of German prisoners of war, Patton intended to tell his story to Congress while preparing to invade Soviet Russia. But the **Black Pope** would never permit this!

OSS chief SMOM Donovan gave the order for Patton's execution. Hospitalized after a planned auto accident, our hero was given a lethal injection while recovering, becoming another victim of "the poison cup." The Jesuit murder of Stonewall Jackson was repeated with General Patton!

Japanese Admiral Isoroku Yamamoto (1884 – 1943), 1943

Japan's greatest military strategist and loyal patriot was, in the end, betrayed by Coadjutor Hirohito and murdered by the **Black Pope**'s International Intelligence Network—which included the Emperor's Naval General Staff! A graduate of the US Naval War College and Harvard University (1919-1921), the Order was preparing its Naval "Shogun" to destroy the Protestant British Empire in the Far East with its "heretic" Protestant and Baptist-Calvinist missionary churches. Yamamoto, quite ignorant of his intended purpose, opposed: the invasion of Manchuria; the subsequent land war against China; and the Tripartite Pact with Nazi Germany and Fascist Italy thus becoming a target for assassination! He warned Prime Minister Fumimaro Konoe to avoid war with the US, but if necessary to wage an offensive war at the outset, beginning with a surprise first strike, and subsequently ending with a decisive naval battle. His first strike was the incomplete victory at Pearl Harbor, Jesuit Coadjutor Vice Admiral Chuichi Nagumo's refusal to send the Third attack wave (intended to destroy dry dock repair and fuel storage facilities thus conquering the base) being a tremendous disappointment to Yamamoto. The Battle of Midway was to be the Admiral's "Decisive Battle in the East" but was opposed until the Doolittle Raid. Ensuring his defeat at Midway, Hirohito's Naval Chief of Staff Admiral Osami Nagano sent Yamamoto's battle plan to American Admiral Nimitz via US cryptologists.

What would have been a smashing victory was turned into defeat, Yamamoto honorably accepting the blame. Yet the Admiral still labored to win the war for his Japanese people—therefore he had to go! The **Black Pope**'s International Military Intelligence Community would now demonstrate its invisible power as it had done at Pearl Harbor! Upon orders from his Jesuit masters, Masonic Hirohito dispatched his aide-de-camp, Vice Admiral Samejima Tomoshige to the command of our bold Fleet Commander. Now functioning as Yamamoto's local air commander, Coadjutor Samejima ordered Navy signalmen to broadcast five days in advance—in the common, low-security code known as "JN 25"—the Admiral's entire Pacific Rim itinerary for his inspection of the front lines in the Northern Solomon Islands on April 18, the anniversary of the Doolittle raid!

Rear Admiral Joshima Takaji flew into Rabaul to personally plead with his best friend to cancel the trip, declaring "This is madness. It is an open invitation to the enemy." But Shogun Yamamoto was well aware of the Emperor's sentence of death and would not budge. Though betrayed by his master, the Admiral would die the death of an obedient warrior. US monitors on Oahu and Dutch Harbor in the Aleutians "decoded" the message. The Order's American ONI insisted upon the assassination; Coadjutor FDR consented and Coadjutor Nimitz ordered the attack. Admiral Yamamoto was then ambushed and shot down by American P-38s—another victim of Japan's ancient enemy, the Society of Jesus!

French Admiral Jean Francois Darlan (1881 – 1942), 1940 #534
Admiral of the Fleet, 1939 – 1942

The ***Black Pope*** hated the "anti-clerical" Third Republic of France, which had expelled the Order in 1880 and again in 1901. Surviving WWI despite 6 in 10 men between the ages of 18 and 28 being killed or permanently maimed, the Third Republic ended in 1940 with Jesuit Coadjutor Marshall Pétain's surrender to Coadjutor Hitler. Betrayed from within, France was saddled with the Vichy dictatorship of Pétain who re-admitted the Jesuits in 1942! Thus, to resist Pétain met certain retaliation by the Company's International Intelligence Community then being perfected.

Having rebuilt the French navy, Darlan was promoted to Admiral of the Fleet (1939), a rank created only for him, and assumed command of the entire navy. Backing Pétain, he was named Minister of the Navy (1940) and ordered all sailors to remain loyal to the Vichy government. In January, 1942, Darlan became the *de facto* head of the government, promoting political alliance with Hitler. In April, he gave most of his powers back to Coadjutor Pierre Laval, remaining Commander of the French Armed Forces. On Nov. 8, Darlan was arrested in Algeria by the French Resistance and agreed to unite with US forces abiding France's High Commissioner for W. and N. Africa. On the 10th he ordered French commanders to cease fighting; on the 27th he scuttled the remaining fleet, leaving the French seacoast open for an Allied invasion. For this Coadjutor Pétain dismissed Darlan from the Order's Vichy government and southern France was invaded by the Nazis preventing a US/UK attack. On Dec. 24th Darlan was given the Company's "leaden bullet" via "Wild" Bill Donovan's OSS in conjunction with Coadjutor Charles de Gaulle's French Resistance. Darlan's replacement was General Henri Giraud who then backed Nazi Pétain!

Rome needed more time to sweep Europe of its "heretics, liberals and Jews!"

Funeral of Masonic Jesuit Coadjutor Josef Stalin, Moscow, 1953 #535

Thanks to the **Black Pope**'s control of the Western Press via his British RIIA and American CFR, Stalin has remained an enigma for over 50 years. But the truth of this Georgian, anti-Russian Inquisitor of Tiflis is the same for the Austrian, anti-German Inquisitor of Vienna—and they both worked together killing: "perfidious" Jews; "heretic" Orthodox and Protestant anti-papal Christians; and "liberal" anti-communist, nationalist patriots throughout Eurasia in accordance with the Council of Trent. During the war Stalin's NKVD/NKGB was united at the top with Hitler's SS/Gestapo; during the subsequent Cold War the KGB was united at the top with Gehlen's BND. All was going well for the Order, Stalin continuing its anti-Orthodox mass-murder quietly backed by the apostate Protestant West ruled by the Company. But in 1952 Stalin became disobedient: he sought to throw off his Jesuit masters and murder all Soviet Jews via "the Doctors' Plot." On December 15th he arrested his supreme bodyguard, KGB General Nicolai S. Vlasik; in February, 1953, personal secretary and Lubyanka General Alexander N. Poskrebyshev was arrested; on March 5, the order to deport every Jew to Siberia was in place . But the risen Son of God turned Stalin over to Satan for the destruction of his flesh: the Order poisoned its disobedient tyrant, saved its key KGB Generals, and preserved the lives of the hated Russian Jews intended to be used to build the Pope's Masonic Labor Zionist Israel.

Knight of Malta Field Marshall Sir Harold Alexander, 1945 #536

Upon the ending of the **Black Pope**'s Second Thirty Years' War in Europe, the Society of Jesus would continue its extirpation of all "liberals and heretics" via murderous policies of its victorious Allied Powers as decreed at Yalta. Churchill was advised by Coadjutor Anthony Eden; FDR was advised by Coadjutors Harry Hopkins and Averell Harriman; and Stalin was advised by Coadjutor Vyacheslav Molotov. Together they would determine the fate of patriotic, anticommunist survivors of Eastern Europe (most of which had persecuted the Jews) regardless of religious affiliation. Stalin's inquisitional machine, built by popish-RIIA Britain and popish-CFR America, would consume these targeted peoples for the next 45 years. Alexander had already proved himself a worthy slave of the Order, both he and SMOM American General Mark Clark capturing Rome in 1944 thereby enabling the bulk of General Kesselring's German forces to escape northward after the unnecessary battle of Anzio, enabling Himmler's roundup of Jews to persist until April, 1945. Alexander carried out the order of "repatriating" anti-Communist Cossacks and Russians into the arms of their Soviet executioners. In 1946 he was made a Knight of the Garter, the Order being the inner sanctum of the Queen's Most Venerable Order of St. John of Jerusalem, the Protestant arm of the Pope's Sovereign Military Order of Malta!

CFR/Freemason George C. Marshall; SMOM Frank Capra, 1945 #537

A Sicilian Roman Catholic immigrant and the foremost movie director during the conflagration of WWII, Archbishop Spellman's CFR-controlled, 33rd Degree Freemason General Marshall recruited Capra to "fight the war of Hollywood."

Working with communist Jews subject to SMOM Joe Kennedy, Capra directed 8 war propaganda films, *Why We Fight*, intended: to bring Protestant America out of isolation into WWII; to desegregate the military; and to ally with and build Soviet Russia having previously proclaimed its intent to destroy America. All efforts were a smashing success. Capra's Jesuit-directed propaganda led to: the US entering WWII in 1941 (after Masonic FDR's destruction of Pearl Harbor); the complete pro-Black integration of the US military after Masonic Harry Truman's executive order of 1948 (leading ultimately to daily Black-on-White, hatefully racist acts while intimidated officers remained silent); to desegregation of public schools (1954) and of the culture (1963-66)); and the military buildup of the Order's Soviet Union during and after the Pope's Second Thirty Years' War.

Above, General Marshall, a most notorious post-WWII pro-communist himself, is awarding pro-fascist Knight Capra with the Distinguished Service Medal!

Archbishop Spellman, Military Vicar, US Forces, Europe, 1940s #538

Cardinal Spellman, Seoul, South Korea, 1952 #539

The absolute Jesuit power of Spellman over US Forces during WWII extended to Military Intelligence and the OSS/CIA. His CFR ignited the Korean debacle, one of its purposes being to use our 7th Fleet to block Nationalist Chinese forces from invading newly-Communist China. Above, we see this hypocrite "comforting" a wounded American soldier during his "war on communism" never intended to be won, while financed by his Federal Reserve Bank ruled by CFR-Coadjutors.

Cardinal Spellman and President Truman, New York City, 1948 #540

Chatting at the Friendly Sons of St. Patrick Dinner on March 17, 1948, these two arch-conspirators against White Anglo-Saxon Protestant Americans had much to review. Spellman, the secret director of Washington's Supreme Council of the 33rd Degree, was the master of 33rd Degree Freemason "Dirty Harry" Truman who, during his "Grand Inspector General" initiation was dressed in black trousers and a hooded, long black robe with a black cabletow around his neck. Upon swearing allegiance to the Supreme Council of the 33rd Degree, Truman drank wine from an upside down human skull sealing his final oath. A key actor in: the Order's two atomic ground detonations in Japan; the creation of the United Nations in Jesuit-ruled San Francisco near the Order's Bohemian Grove; and the birth of our fascist CIA/National Security state; Truman would sign Executive Order 9981 integrating the military purposing to mongrelize and Africanize once White Protestant culture (the race-mixed Empires of Egypt and Rome having been finally conquered by White Japhetic Greeks and Visigoths), and recognized the Order's Masonic Labor Zionist nation of Israel—Pius XII's reborn Kingdom of Jerusalem! For years of obedience to Spellman's CFRdirected domestic and foreign policies while guarded by the Order's SSA James J. Rowley, Truman was awarded "The Sword of Ignatius Loyola" in 1966. ***The Cardinal Spellman Story***, Robert I. Gannon, S.J., (Garden City, New York: Doubleday & Co., Inc., 1962).

Cardinal Spellman and General Chiang Kai-shek, Formosa, 1952 #541

The Company had attempted the mastery of China since the entrance of Jesuit Matteo Ricci in 1583. Expelled in 1623 and 1783, the Order waged its Opium Wars through its Masonically-controlled British Empire (aided by American Skull and Bonesmen), weakening patriotic resistance of the Chinese people. Readmitted in 1841, the Jesuits both incited and led the Boxer Rebellion (1899-1901). Creating international outrage, the Order then used its Emperor Meiji, Tzar Nicholas II and Queen Victoria to militarily intervene. With the fall of the Manchu Dynasty (1911), the Fascist Republic of China was founded (1912) by Freemason Sun Yat-sen, finally secured in 1919. But in 1921 Jesuit Coadjutors founded the imperialistic, Marxist-Leninist Communist party. After Sun's death (1925) Freemason Chiang Kai-shek assumed dictatorial power from 1928-1975.

In 1949 Mainland China was betrayed into the hands of Mao Zedong by none other than Cardinal Spellman! His CFR-ruled State Department embargoed Chiang so that he could not buy weapons anywhere in the world. Meanwhile, Stalin aided Mao, giving munitions provided by FDR's Lend-Lease giveaway!

When Chiang finally received a US shipment of arms, too little too late, there were no bolts in the rifles! Mao assumed absolute power and with a clever ruse of war OPENLY EXPELLED the Jesuits in 1949-50, fueling the Company's anti-communist crusade in the West as its Grand Inquisitor "extirpated" all Chinese "heretics and liberals." Spellman knew however, that his secret Jesuit masters were the rulers of both the Soviets and Red Chinese—even as they are today!

Cardinal Spellman and General MacArthur, New York City, 1951 #542

Indeed, this picture is worth a thousand words! After being relived of command by Masonic brother Truman, we see "the American Pope" with his vassal—"the American Caesar" of the Far East—General Douglas MacArthur, on the steps of St. Patrick's Cathedral following a parade given in his honor. Having won the hearts of the conquered Japanese people by his benevolent policies after they were firebombed by General LeMay's B-29s, MacArthur claimed to be a Bible-believing Protestant opening his commissaries to American missionaries. But Spellman knew the real MacArthur, the Pope's slave who had: been trained by Jesuits in his youth; been prepared to wage the Papal Crusades of the Order's "Holy Roman" 14th Amendment American Empire; violently put down the bonus protest of WWI veterans, burning "Hooverville" to the ground, thus discrediting Hoover and guaranteeing Masonic FDR's first election (1932); abandoned 7,000 Americans in the Philippines (unarmed civilians and missionaries) who could have been evacuated, leaving them to the savage Japanese army to be tortured or murdered pursuant to the Council of Trent; been deceitfully hailed as "the Hero of the Pacific" by Knight of Malta Henry R. Luce; been the servant of American Jesuit/Knight of Malta Edmund A. Walsh during the Japanese war crimes trials (1946-48), refusing to prosecute his secret Freemasonic brother and foremost Japanese plotter of the Pacific war, Emperor Hirohito; postwar, disarmed Japan while the Company's CFR-ruled, secretly pro-Nazi, openly pro-communist, State Department was arming China for Chairman Mao's coming dictatorship (1949) and Korean War (1950). Bataan's "Dugout Doug" and was now back in the US to lead Rome's "war on communism" in collusion with Spellman's director of the FBI, 33º Masonic brother and future JFK assassin, pro-Nazi J. Edgar Hoover!

Dulles, Bohlen and Eisenhower, Geneva Conference, 1954 #543

CFR member and Protestant Knight of Malta John Foster Dulles was of royal blood whose grandfather, John W. Foster, and uncle, Robert Lansing, had both served as US Secretary of State. Speaking with CFR member and brother Knight of Malta Charles E. "Chip" Bohlen at the Geneva Summit Conference, Dulles: was a co-founder of the CFR; a kingpin behind Hitler's rise to power; a promoter of Protestant apostasy via Rome's National Council of Churches; helped to draft the preamble to the Pope's United Nations Charter, later serving as a UN delegate; was Eisenhower's penholder and speechwriter as Secretary of State while his brother, CFR-Knight of Malta Allen W. Dulles, headed the pro-Nazi CIA with an annual budget of $500 million. In 1955 Knight of Malta John J. McCloy was Director and Chairman of the Board of the CFR while associate Knight Bohlen was Ambassador to the USSR (1953-57). Also of royal blood, Bohlen was a cousin to German Knight of Malta Alfried Krupp von Bohlen und Halsbach (1904-1974), pardoned by McCloy for war crimes in 1951! "Chip," a diplomat from 1929 to 1969 and "Soviet expert," was a builder of the Order's USSR, having advised FDR at Tehran and Yalta, and Truman at Potsdam. Via his diplomacy, Eastern Europe would be further subjugated under the bloody Jesuit tyranny ruling Moscow financed and fed by Cardinal Spellman's foreign policies decreed by his CFR and implemented by his White Gentile "princes of the blood" serving as Sec. of State, CIA Director and Ambassador to Moscow.

Conversing at the annual Knight of Columbus Alfred E. Smith Dinner on Oct. 21st, our Bohemian Grover/CFR President Eisenhower and KOC Spellman must be laughing at the stupidity of the American people. Pursuing the **Black Pope**'s OPENLY anti-communist, pro-fascist, Cold War policy saving Nazi henchmen via Rome's Vatican Ratlines, both murderers SECRETLY continued to build Red China and Soviet Russia for America's coming Sino-Soviet-Moslem Invasion!

Pope Pius XII Greeting Cardinal Spellman at the Vatican, 1953 #548

Cardinal Spellman became Pope Pius XII's right-hand man in ruling Rome's American Empire. Both men were mere creatures of the Jesuit Order fulfilling its will during World War II and the Cold War Hoax. For being a key player in the murder of millions of Jews, Protestant Anglo-Saxons and Orthodox Slavs, as well as comptroller of the Vatican Ratlines into the US, Pius promoted Spellman with a Cardinal's hat in 1946. Adorning the rear of St. Patrick's Cathedral with a life-size, wax figure of Pope Pius XII later moved to Spellman's residence, the Archbishop ruled America's political machine, military industrial complex, Wall Street and all intelligence agencies via his Gentile and Jewish Masonic Knights Templars and Roman Catholic Knights of Malta controlling his trusted third party, the Council on Foreign Relations. Pius XII, advised by Bavarian Jesuits Robert Leiber and Augustin Bea within the Vatican, became the greatest mass murderer in the history of the **Black Pope**'s Counter-Reformation. Spellman's control of American Generals Marshall, Eisenhower and Bradley provided one of the arms of the Vatican's "unity of action" with Churchill, Hitler, Mussolini and Stalin in orchestrating the predetermined purposes of WWII and the Cold War. Both openly, fanatical anti-communists, the secret purpose hidden to the "non-adept" was to build Communism with the resources of the anti-communist West, at the last working both sides into a fascist, anti-Jew, New World Order.

Woe, Woe, Woe be to the man who would dare defy the Cardinal's POWER!

"Starting in 1957, a small band of criminals presumed to be operating within the confines of a small Mediterranean island grew into a multinational **heroin**

cartel operating around the planet. Today, they are the brokers for much of the world's **cocaine** as well. Indeed, **the Sicilian Mafia** is the only organized crime syndicate capable of moving both **heroin** and **cocaine** across oceans and continents in massive quantities.

No authority anywhere had an inkling of this until the early 1980s. By then, **Sicily's Men of Honor** held strategic outposts from Bangkok, London, Munich, and Marseilles to Montreal, Caracas, Sao Paulo, and some twenty-five key cities in the United States. There was scarcely a country in Europe, Asia, Africa, or the Western Hemisphere that they had not penetrated or corrupted in passing. . . .

(**The Sicilian Mafia** and a wing of the **Italian Masons** were on much more intimate terms than anyone realized at the time [1979]. As an authoritative Mafia defector disclosed later, **Stefano Bontate** was already in 'advanced negotiations' by 1977 to create a secret covered lodge specially for topflight Mafia bosses. . . . A covered lodge reveals nothing about its activities or members to any other lodge.)

No single country could contain the **Mafia**, nor could it be hacked away piece by piece. The head and limbs would all have to be chopped at once. This would take an act of iron will such as the international community has rarely displayed." {4}[Emphasis added]

" **'We're set here in the United States.** So, it's time to move on to greener pastures. Spreadin' the **Outfit's** power and makin' a fortune in deals overseas are two of the best reasons I can think of to leave the country.' . . . Just days later, Mooney [**Sam Giancana**] was in Mexico . . . With his interpreter [*CIA asset and sixth-floor TSBD shooter*] **Richard Cain** at his side, Mooney whisked from country to country in a whirlwind effort to develop the necessary political alliances. According to **Outfit** guys Chuck talked with, at the same time Mooney and Cain were setting up gambling junkets in Latin American coastal countries, they were pursuing highly lucrative narcotics and munitions smuggling and money-laundering schemes. As a by-product of Mooney's **'Black Hand'** deals, the **CIA 'White Hand'** gained a firmer economic foothold for its corporate [*fascist ex-Nazi*] sponsors. Oil empires, in particular, oozed into Latin America with ease, the heels of commerce greased by the **CIA.** The **CIA** profited as well, discovering through Mooney's bribe-friendly contacts new avenues for diverting their own **'dirty money,'** funds garnered from illicit **CIA** activities [the ***Black Pope***'s *Sicilian Mafia and CIA working together*]. To courier the millions of dollars that would soon pour across U.S.–Mexican borders, Mooney called on the **Roman Catholic Church.**

In 1958, [**Samuel**] **Cardinal Stritch** [*Chicago Archbishop, 1940-1958*] left Chicago to accept a position in the Vatican. Stritch's successor in Chicago [*after Spellman's Kennedy assassin* **Albert Cardinal Meyer**, *1958-1965*], **Cardinal** [**John P.**] **Cody** [*1965-1982*], proved in Mooney's estimation to be a stellar replacement. Mooney said Cody was a corrupt man who enjoyed the trappings of wealth and, therefore, welcomed a close relationship with him. **Father Cash, the Chicago priest Mooney utilized as a courier**, had traveled under Mooney's orders across the nation and to Europe for close to **two decades**. With Mooney's move into the southern hemisphere, Cash was told to add Latin America to his itinerary. During Mooney's tenure outside the United States, Chuck heard talk among **Outfit** men that millions of dollars flowed to **Continental Illinois** [*the Vatican's Chicago connection to the US stock market, Jesuit priest* **Raymond C. Baumhart** *being a member of the board* {5}], a bank then heavily invested in Finibank, a Swiss bank owned in part by the Vatican and controlled by financier [**P2 Freemason**] **Michele Sindona**, Mooney's Gambino connection. Some was couriered by Mooney's trusted lieutenants to Washington, D.C., where it was converted to bonds and then forwarded to Finibank or another Sindona-controlled European shell, generally in Rome, London, or Athens. But still more was carried out of Chicago to Mexico, under the safety of the priest's robes, to be placed in banks scattered throughout South and Central America, but most often in Panama [*Rome's banking haven of the Western Hemisphere*]. Often these funds were then diverted to Milan and on to the Vatican Bank in Rome, where they were easily transferred to Finibank in Switzerland—and straight into the hands of **Michele Sindona** and an up-and-coming Chicago priest residing in the Vatican, **Paul Marcinkus**. . . . Mooney . . . spent long hours in discussion with **Meyer Lansky** in Rio and Acapulco, [*and*] traveled to Rome for a private audience with [*JFK assassin*] **Pope Paul** [**VI**]." {6}[Emphasis added]

"The success of the joint policies of the **Vatican** and the **USA** [*both nations controlled by the Jesuit Order*], directed at the concealment and escape of thousands of war criminals, was due also to the fact that secretive gates had been created across the frontiers, with that specific purpose. Frontier officials had been briefed with the task of 'detecting and protecting' individuals holding 'specific' documents; that is false papers, visas and sundry documents, beginning with phony passports. . . . One of the major agencies connected with the operation was the **Mafia**. The **Mafia** had been revitalized by the **USA**, even before the invasion of Sicily. The **USA** in fact 'recruited' the **Mafia** altogether into the **US Army**. It became part and parcel of the USA command. Mafiosi became the principal strategists of the [*supposedly*] inexpert Americans. The Mafiosi exploited the Americans with the cunning of Sicilian foxes and the alertness of keen businessmen, ready for any opportunity to make money. They 'advised' American officers who knew nothing about local or Italian

> politics, making them commit blunders of the greatest magnitude. The 'Mafiosi' never let a golden opportunity to make money pass. Once they heard of the passport and visa factories, they entered into the field with a vengeance. Their expertise in the subtle art of falsification was second to none. They worked for the Vatican and even for the USA itself.
>
> Thanks to the protection of the USA and their historical cunning, the Mafia eventually prospered to such an extent [*via the drug trade*] that in the process it built itself into the mighty Mafia Empire of the future, which spanned the Atlantic for decades to come. . . .
>
> Indeed, the **Mafia,** on more than one occasion, acted as a fairy godmother for the **Vatican.** The most striking case was when it helped the **Vatican** transfer **tons of pure silver** from Naples to Rome to avoid the Germans melting it down, to pay for expenses of the German occupation. The present author . . . went to Naples in 1975 and visited the cathedral. There he was struck by an altar, seemingly made of what appeared to be pure solid silver. The **tons of silver . . .** had been saved from the Germans then occupying Naples, thanks to the **Mafia.** . . . the silver of the altar was transported in **Mafia** lorries to the very entrance of the **Vatican** where it was safely deposited. . . . the **Mafia,** true to its reputation, had worked for **all three employers,** the [*Nazi SS/SD*] Germans, the Vatican and the USA, simultaneously. A masterpiece of **'international cooperation.' "** {7} [Emphasis added]

After the Second Thirty Years' War in Europe ending in 1945, the Jesuits, with their mouthpiece **Pius XII**, began "**the Cold War**." The Vatican's official position during "the Cold War" was "anti-Communism." This further cemented the formal alliance of the Jesuits' American Empire and her Military Industrial Complex with the Vatican. Being both a Roman Catholic and a fanatical anti-Communist, **James V. Forrestal** became the Empire's first Secretary of Defense or more correctly, "Secretary of Offense." Housed in the **Pentagon**—that "Shrine of War" (designed after a *pentagram* employed in the symbol of "**Baphomet**" and in the worship of Satan, he being the Egyptian **SET**) whose construction was overseen by Archbishop Francis Spellman's **General Leslie Groves** (the controller of the Order's **Manhattan Project**), and which was subsequently dedicated to the restoration of the Pope's **Temporal Power**—the Secretary would oversee the Crusades of his masters in accordance with the Jesuit General's wicked and evil **Council of Trent**. In 1949 an Arch-Catholic and oath-bound **Knight of Columbus of the Fourth Degree**, became the Secretary of the American Navy. Of this sinister character we read:

> "**Mr. Francis Matthews** was nominated Secretary of the American Navy. On the morning he took the oath of office (in June, 1949), Mr. Matthews, his wife

> and all their six children contritely heard Mass and received Holy Communion in the chapel of the Naval station in Washington, D.C. The new Catholic Secretary of the U.S. Navy . . . soon afterwards began unusually active contacts with other prominent American Catholics. Among these, **Father Walsh,** Jesuit Vice-President of Georgetown University [*the Jesuit who led a "relief mission" into Bolshevik Russia in 1922*]; **Cardinal Spellman,** the head of the American Legion [*"the American Pope" ruling from "the Little Vatican" in New York*]; and the leaders of the Catholic War Veterans and with **Senator McCarthy,** the arch-criminal senator [*trained by Jesuits at Marquette University and the darling of their* **John Birch Society** *headed by Shriner* **Robert Welch** *(who, on his deathbed was baptized into the Roman Catholic Church), Senator McCarthy, unfairly claiming immunity for his inquisitional-style hearings directed against those who were indeed traitors and communists (secretly backed by the Archbishop's* **Council on Foreign Relations**), *was used to unite Protestants and Catholics against the Order's "Jewish Communist Conspiracy" purposely identified with the Order's Bolshevik Revolution in Russia. Apparently he went too far and was assassinated on order of the Jesuit General.*] . . . Arch-Catholic **Matthews** was not only a frequent ring-kisser of the members of the Catholic hierarchy in America; he was one of the most active promoters of Catholicism in action in the U.S. In addition to which, this Catholic Secretary of the American Navy was the chairman of the National Catholic Community Service and, more sinister still, the **Supreme Knight of the Knights of Columbus,** the shock troops of Catholic power in the US . . ." {8} [Emphasis added]

This powerful man—*the Supreme Knight of the Knights of Columbus*— pursuing "Jesuitical politics" in the words of one of our fearless, Bible-believing men of faith, ex-priest **Jeremiah Crowley**, worked with the Empire's most powerful 33rd Degree Freemason, **President Harry Solomon Truman**. He was aligned with Georgetown's most trusted agent and favorite of the Jesuit General, Jesuit priest of the Fourth Vow and Knight of Malta **Edmund Walsh**; and he was a bosom friend with the Jesuit-trained American Pope, **Francis Cardinal Spellman**.

And what did these three agents of the Pope—*a foreign king*—advocate? **An attack** on the non-communist Orthodox population of **Stalin's** "Communist Russia" with a "preventive atomic war." This was a formal call for an American-led Crusade,

> ". . . as the *London Times* somberly described 'what almost amounts to a crusade of Christendom' and what the *Manchester Guardian* bluntly called 'the Pope's blessing for a preventive war.' " {9}

Knowing that an aerial nuclear attack by the Empire's Air Force *was impossible*, knowing that the only winner of World War II was **Stalin's** Russia, why the call to war? Knowing that the Jesuits used **Hitler** to prevent the Prussian German Army on the Eastern Front from capturing Moscow (though aided by Catholic enlistments from Italy, France, Ireland, Belgium, Holland, Latin America, the

United States, Portugal and Spain's Blue Division during "Operation Barbarossa"), could Americans expect "**The Cold War of Liberation**" to succeed in eliminating Russian Communism while the Knights of Malta on Wall Street and the Federal Reserve Bank were financing it? Clearly, the Cold War, led by the American Empire's most powerful Roman Catholic Cold Warriors had another purpose in view.

That purpose for Vietnam was fulfilled. During the Crusade called "**the Vietnam War**," 3.4 million Vietnamese, mostly "heretic Buddhists," were murdered and the nation was destroyed. The American Air Force dropped more bombs than during World War II. On the country's ruins was erected a unified Vietnam led by a "former" OSS agent and Soviet-trained, fascist-communist dictator loyal to that Antichrist Pope of Rome—**Ho Chi Minh**. Saigon was renamed "Ho Chi Minh City."

Of **Ho Chi Minh's** alliance with the Papal Caesar, Avro Manhattan writes:

> "**Ho Chi Minh** began before World War II to maneuver for a communist Vietnam. He received help from the U.S. [*like* **Castro**, *like* **Mao**] against the Japanese but used that aid to consolidate his hold on the highlands of Tonkin. In August 1945 he marched into Hanoi and set up the provisional government of the Democratic Republic of Vietnam . . . he cooperated in the transplanting of nearly a million Catholic North Vietnamese into the South [*pursuant to the policy of* **Cardinal Spellman** *via his most powerful* **Knight of Columbus** *and Secretary of the Navy*, **Francis Matthews**] . . . After the election of **Pope John XXIII**, and the turn of the Vatican away from the Cold War toward cooperation with Marxism, **Ho Chi Minh**, [*having*] kept diverse Catholic advisors by his side, including a **Catholic Bishop** [*Bishop of Hanoi* **Trin Nhu Khue** *who later was made a Cardinal in 1976*], made a secret deal with **Pope John** which eventually led to full control of the country by the North." {10} [Emphasis added]

Like the American War Between the States, the Jesuits controlled Vietnam's dictators in both the North and the South. Using the American Navy under the command of a **Knight of Columbus**, and using **Ho Chi Minh** *advised by* a **Catholic Bishop** (unnamed by Avro Manhattan), the Jesuits moved thousands of Catholics in the North to resettle in the South. **Colonel L. Fletcher Prouty** writes:

> "[*The Saigon Military Mission did*] all they could to promote the movement of hundreds of thousands of "Catholic" Vietnamese from the north with promises of safety, food, land, and freedom in the south and with threats that they would be massacred by the Communists of North Vietnam and China if they stayed in the north. This movement of Catholics . . . from the northern provinces of Vietnam to the south, under the provisions of [*CFR John Foster Dulles'*] the Geneva Agreement, became the most important activity of the Saigon Military Mission [*1954-55, led by Air Force* **Col. Edward G. Lansdale**] and one of the root causes of the Vietnam War . . .

When one thinks about this enormous man-made problem for a while, he or she begins to realize that much of the Vietnamese "problem" had been ignited by our own people shortly after the [*1954*] Geneva Agreements were concluded. Nothing that occurred during these thirty years of warfare, 1945-75, was more pernicious than this movement of these 1,100,000 "Catholics" from the north to the south at a time when the government of the south scarcely existed . . . They were penniless, homeless, foodless, and unwanted. Inevitably they became bandits, insurgents, and fodder for the war that came later." {11} [Emphasis added]

(Ah, dear truth-seeker, the ***Black Pope*** with his General Staff of Assistants, and Provincials garrisoned worldwide, along with the Papal Caesar and his Hierarchy, *care nothing* for the Roman Catholic people of any nation! Strangers to the true gospel of the Lord Jesus Christ as revealed through the Word of God—The AV1611 English Bible of the Protestant Reformation—and kept in fear of losing their "free will salvation" if not obedient to their priests for the whole of their lives, devoted and sincere Catholics will blindly obey their Bishops, Archbishops, Cardinals and the Pope without question. Thus, they are *unknowingly used* to increase the **Temporal Power** of "the Vicar of Christ" around the globe giving impetus to Satan's "***mystery of iniquity.***" As in the case of these terrified and manipulated North Vietnamese Catholics, *they will obey*, even if it means their certain and calculated deaths! Indeed, we wonder how many American Catholics the Jesuit General will kill using his coming fascist American military dictator having entered into a Concordat with the Pope of Rome. Like Roman Catholic Hitler, the ***Black Pope***'s absolutist American dictator will kill millions of Catholics with **a two-front war** *that we will be unable to win* thanks to the Panama Canal giveaway to the Red Chinese and the present "downsizing" policies of **President George W. Bush**. That two-front war could possibly be in the Middle East against Soviet and/or Moslem forces, and possibly in the Pacific Far East against the Chinese, Japanese, Vietnamese and Koreans in attempting to defend South Korea, Taiwan, Australia or even Hawaii. We wonder how many American Catholics the ***Black Pope*** will kill when his CFR-controlled Military Intelligence betrays hundreds of thousands of American soldiers into the hands of the enemy—**just like Pearl Harbor!** We wonder how many Roman Catholic women and children the ***Black Pope*** will rape, sodomize and murder with our foreign and savage, atheistic and pagan, Soviet, Far-Eastern and Moslem invaders, hating the American "**NATO Nazi**" and "**Great Satan**" Empire, while they fanatically proclaim with **Masonic-Islamic** scimitars unsheathed, *dripping with our American blood*, "**GOD HAS NO SON!**" Oh yes, it would be according to **Abate Leone's** *The Jesuit Conspiracy: The Secret Plan of the Order* and to the delight of the Jesuit General, in fulfilling the evil **Council of Trent**, to annihilate nearly the entire North American population, including the "heretic and liberal" Roman Catholic *people and priests*—**just like those he killed in Europe during World War II!**)

Additionally, Vietnam's noble-born Roman Catholic President **Diem**—who invited the Jesuits to Vietnam in 1957 according to **Jesuit Father Vincent Dinh Trung Nghia**—ignited the war with his bloody persecutions of "infidel" Buddhists who in the past had been beheaded by the Jesuits. We read:

> "**President Ngo Dunh** [*Dinh*] **Diem** of South Vietnam was a practicing Catholic who ruled South Vietnam with an iron fist. He was a genuine believer in the evil of communism and the uniqueness of the Catholic Church. He had originally been 'planted' into the presidency by **Cardinal Spellman** and **Pope Pius XII.** He transformed the presidency into a virtual Catholic dictatorship, ruthlessly crushing his religious and political opponents. Buddhist monks committed suicide by fire, burning themselves alive in protest against his religious persecutions. His discriminatory persecution of non-Catholics, particularly Buddhists, caused the disruption of the government and mass desertions in the army. This eventually led to U.S. military intervention in South Vietnam.
>
> In this terrorization he [*President Ngo Dinh Diem*] was aided by his two Catholic Brothers, the **Chief of the Secret Police** [*Ngo Dinh Nhu*] and the **Archbishop of Hue** [*Ngo Dinh Thuc*]." {12} [Emphasis added]

Diem pursued three objectives. He sought the annihilation of a political enemy — *Communism;* he sought to destroy a religious enemy—*the Buddhists;* and he installed Jesuit absolutism in the country—*Roman Catholic Fascism*. And who was the chief promoter of the Vietnam War? It was the great Cold Warrior, **Francis Cardinal Spellman**, as he controlled the American press through Knight of Malta **Henry R. Luce** and later the American military through **President Lyndon Johnson**.

Of Spellman's allegiance to the Vatican and his participation in the war we read:

> "He was active in persuading the U.S. to select Diem and support him as president of South Vietnam. He was made Vicar General of the U.S. Armed Forces and called the GIs the **'Soldiers of Christ'** [*of the Pope*] in his frequent visits to the Vietnam war front." {13} [Emphasis added]

But **Kennedy**, the new American Commander-in-Chief, posed a problem. He followed the anti-Cold War policy of **Pope John XXIII** (who, along with **Pope Paul VI** and **Pope John Paul II,** was a high-level Freemason and Rosicrucian according to **William Schnoebelen**—a former 33º Freemason and author of *Lucifer Dethroned (1993)* and offered by Chick Publications—who, like **Alberto Rivera**, had been a Bishop of the Old Roman Catholic Church based in Utrecht, Holland) and not the secret policy of **Jesuit General Janssens** who promoted the Cold War. **Kennedy** *withdrew the CIA advisor from Saigon* and abandoned **Diem**. Fleeing to the Jesuits' Church of **St. Francis Xavier** (the infamous Jesuit "missionary" to the Far East) in Saigon for protection, **Diem** and his murderous brother **Nhu** were turned over to Buddhist Generals and promptly executed. Ah, dear truth-seeker, we must never

forget the law of the Church written by the Spanish Jesuit, **Luis de Molina**, in 1600:

> **"Priests may kill the laity to preserve their goods."** {14}

This must have infuriated **Spellman**! His Inquisitor was dead, the CIA was expelled and his Crusade was in serious trouble. This meant that **Spellman** looked bad and was in big trouble with his pro-Nazi Master in Rome! So, "the Lion" in New York City's "little Vatican" marshaled his forces and eliminated his opposition—**President Kennedy**—so fanatically despised by his secret master, the ***Black Pope***!

The Vatican would now receive an informal "ambassador" from "heretic and liberal" America and Spellman would be re-admitted into the secret councils of McCone's CIA and Hoover's FBI as he had been during the Roosevelt, Truman and Eisenhower Administrations. Vietnam went on to be called "**Spelly's War**." And what was the cost of that Crusade? For the American Empire—*shame* and *defeat*, including 58,000 dead and 120,000 post-war suicides, many of whom were Roman Catholics! Rome's continued dialectic so successfully used in World War II—Catholic (Jesuit) Fascism versus Atheistic (Jesuit) Communism—produced the desired 'Skull and Bones" results. Millions of Buddhist "heretics" were "extirpated" and the consolidated Vietnamese government was absorbed into **THE POWER** of the Jesuit General.

In a nutshell, the Vietnam War weakened the nations by murdering patriotic nationalists and strengthened the **Temporal Power** of the Pope as "**Master and Ruler of the World**," as "**King of kings and Lord of lords**." The Order had followed their plan in submitting the Buddhist peoples of the Far East before its next victim—the White Anglo-Saxon Protestant and Jewish peoples of the West.

Another goal the Company had accomplished was the explosion of its international drug trade. As the Order—in control of the **British Empire**—had conducted the Opium Wars against the Chinese during the Nineteenth Century, even so its General—now in control of the **American Empire**—would conduct its Heroin and Cocaine Wars against the North Americans during the Twentieth Century. Using the Knights of Malta ruling the CIA and the Masonic P2 Sicilian Mafia, the Jesuits would make trillions, further weakening the nations and increasing the Order's financial power so as to bring the world closer to the universal rule of the Pope—from Jerusalem. Of the Society's criminal drug trade and its beginnings, we read:

> "In 1715, the British East India Company opened up its first Far East office in the Chinese port city of Canton and began trading in opium. Between that time and the First Opium War against China in 1840 . . . the dope trade took over Britain. The vehicle was the 1783 near coup d'etat by **Lord Shelburne** (the British prime minister who concluded peace negotiations with the American

> colonies after Yorktown) . . . known as **"the Jesuit of Berkeley Square." Shelburne's** ruling combination centered on the East India Company, a group of Scottish merchants, and an alliance on the continent with the chivalric order of the Knights of St. John of Jerusalem and the Society of Jesus . . . Since the original Jesuit mission had established itself in Beijing in 1601, the Society of Jesus had held the key to the Far East Trade—including the dope trade." {15} [Emphasis added]

After centuries of progress, along with the ravaging deaths of millions, we see:

> **"Alfred McCoy** had written *The Politics of Heroin in Southeast Asia* (published in 1972) as part of his Ph.D. thesis requirement. It provided documentation, undisputed even by the CIA, of how drugs—**opium and heroin**—were allowed by officials in our government and several others, to do what Congress had officially forbidden—to expand the war into Laos and Cambodia [*at the urging of the Jesuit, "Father Hawk" Dan Lyons*] . . .
>
> The thesis that McCoy advanced, which has since become widely accepted as fact [*now read this carefully dear truth-seeker*], was that CIA operations against China in the early years of Mao's advance and against the communist movements in Indochina a decade later, were responsible for creating the largest single source of heroin for the growing U.S. market . . . Legend has it that the CIA's proprietary airline, Civil Air Transport (later Air America), moved so quickly into the secret Laotian airbase at Long Tien, that there was not a single break in the long-running schedule of flights carrying the opium out of the Golden Triangle . . . the U.S. government—through the Central Intelligence Agency and its wartime predecessor, the OSS—created a situation that made it possible for the Sicilian-American Mafia and the Corsican underworld to revive the international narcotics traffic [*the Pope's CIA and Sicilian-American Mafia working together as in the JFK assassination*]." {16} [Emphasis added]

(Dear truth-seeker, the Jesuits' anti-communist Crusade in **Fourteenth Amendment America** was *an intended public diversion*, while the Order created their monopolistic international drug trade—to be protected in the future by the Drug Enforcement Agency! This is why **J. Edgar Hoover**, the fanatical anti-communist, protected the Mafia for years, refusing to publicly acknowledge its existence! For the Mafia and the CIA had worked together since the late forties with their suppliers in the Far East building **Jesuit General Janssen's** drug trade. **President Kennedy**, if permitted to fulfill the policies he pursued, would have ended the General's sinful business, intended to secretly finance his *International Intelligence Community* with its secret underground *Military Industrial Complexes*—**the Holy Office of the Inquisition**.

How do we know this? **President Kennedy** began to prosecute powerful Mafia Dons; he sought to break the CIA "into a thousand pieces;" and he began to end **Cardinal Spellman's Crusade** in the Far East—**the Vietnam War**. Clearly the

"usurper" and "tyrant" **Kennedy**, although a son of the Catholic Church, had to go!)

And which banks were used to launder the billions from this terrible drug trade?

> "Among the big league financial houses cited in the commission's report for washing hot money were **Chemical Bank** [**J. Peter Grace, Jr.'s** *favorite*] . . . **Chase Manhattan Bank . . .**" {17} [Emphasis added]

Dear truth-seeker, these banks are owned and controlled by **Francis Cardinal Spellman's** American Branch of the **Sovereign Military Order of Malta**!

> "The SMOM's U.S. section has approximately 1,000 members – including 300 'dames' – who hail from society's upper crust. Divided into three associations (eastern, southern and western), its roster includes many of the corporate establishment's movers and shakers: **Francis X. Stankard** of [*David Rockefeller's*] **Chase Manhattan Bank** [*a CFR member who dispatched his banking associate and CFR member, Knight of Malta* **John J. McCloy**, *to be a member of the Warren Commission. Formally appointed by Jesuit-trained Lyndon Johnson, McCloy greatly contributed in shielding the true culprit and mastermind behind the Kennedy Assassination*—**Francis Cardinal Spellman**. *McCloy had obediently served his Jesuit masters in the past; for as FDR's Assistant Secretary of War (1941-1945) in carrying out the order of the President, he refused to bomb Auschwitz—Hitler's largest Death Camp in Roman Catholic Poland.*] and **William E. Simon** . . . currently a director of Citicorp [*and a former Secretary of the Treasury*].
>
> **Martin F. Shea,** an executive vice-president of **Morgan Bank,** is SMOM secretary in the U.S. At Morgan Bank's New York headquarters is a telex which links SMOM/U.S. to SMOM headquarters in Rome [*the Knights now ruling the merged* **JP Morgan Chase** *of New York City*]." {18} [Emphasis added]

Further, CFR member **J. Peter Grace, Jr.**, the past head of the American Branch of the Knights of Malta and Chairman of **W. R. Grace & Company**, conducted his multimillion-dollar business conglomerate through **Chemical Bank**.

And thus, the primarily Irish-American, Roman Catholic **Sovereign Military Order of Malta**, working in conjunction with their primarily Italian-American, Roman Catholic **Mafia Commission**, would conduct an **International Drug Trade** through their **CIA** war in **Vietnam**, the profits from which would finance the Order's clandestine operations around the world to be overseen by the formal "Military Vicar" of the American Armed Forces, **Knight of Columbus Francis Cardinal Spellman**. Some of those cloak-and-dagger operations include the building of deep underground military bases, one of them being the **Dulce Base** in New Mexico, housing a host of secret weapons based on highly developed yet suppressed technologies. According to **Oliver L. North's** public testimony, Knight

of Malta and CIA Director **William J. Casey** "dreamed of a worldwide intelligence agency not beholden to Congress for its funding." Well Ollie, we've got it. It is the ***Black Pope***'s **International Intelligence Community** (in full control of the ***Black Pope***'s **International Islamic Terrorist Network**) having been manned by men like your friend, the Papal Caesar's **Knight of Malta** and traitor to his country, the Jesuit-trained Irish Roman Catholic, and a former darling of the Jesuits at Fordham University, **William J. Casey**. Thus, the Order's control of the CIA and KGB/SVR with their domestic Mafias is absolute!

Dear truth-seeker, by this time we can see that the **Vatican's Jesuits** and **Cardinal Spellman**, in command of the **Knights of Malta** which, in turn, were in control of the Council on Foreign Relations, the CIA, the FBI and the Mafia, *all had a vested interest in the Vietnam War.* For in expanding the drug trade and flooding the American Empire, composed of *"heretics and liberals,"* with suffering and death pursuant to the **Jesuit Oath** and the evil **Council of Trent**, the Sons of Loyola made tremendous progress in finally destroying the greatest cultural blessing in the history of the family of Gentile Nations—t**he Great and Mighty** Protestant Reformation**!**

Woe, Woe, Woe, be to the man who would try to stop **the Pope's Cold War** or "**Spelly's War**" in Vietnam. It would be better for him that he had not been born!

Cardinal Spellman, Vietnamese President Ngo Dinh Diem, Knight of Malta and Press Lord Henry R. Luce, 1960 #549

President Diem, a descendant of Catholic royalty and backed by the controlled, CFR Press of Henry R. Luce, was Spellman's Crusader during the Vietnam War, while his brother, Ngo Dinh Nhu (whose wife was the murderous Madam Nhu who retired to Rome in 1964), was the Cardinal's Grand Inquisitor, the Chief of the Secret Police. Diem, trained at Maryknoll Seminary in Ossining, New York, was a popish fascist and greatly persecuted the "accursed" Buddhists for which he was ultimately murdered. Spellman sought to continue the Order's crusade in the Far East pursuant to Canon Law; Kennedy attempted to end it. Three weeks after Diem's death, President Kennedy was assassinated and the Vietnam War raged for over ten years. Spellman, calling American troops "the soldiers of Christ" (the Pope), killed over three million "infidels." Further, the Jesuits' Federal Reserve Bank extended $600 billion in credit (created out of "thin air") to the US war-Congress; the Papal Caesar's CIA/KGB Intelligence Community was perfected; and the Italian Roman Catholic Sicilian Mafia Dons were given their massive Drug Trade, further destroying our White Protestant civilization and government. In this picture alone we see the POWER of and the motive behind the Order's "Father General" in using Cardinal Spellman, a Jesuit-trained, Fourth Degree Knight of Columbus and Rome's most powerful American prelate, to kill his brother Knight of Columbus, President Kennedy.

General Creighton W. Abrams with Jesuit Dan Lyons #550
Commander of American Forces in Vietnam, 1968 – 1972

Here, "Father Hawk" Lyons, Professed of the Fourth Vow, is advising General Abrams regarding the military policy of the **Black Pope**'s Vietnam War, having previously advised the Roman Catholic and CFR member, General William C. Westmoreland. Lyons was (a) A Fourth Degree Knight of Columbus; (b) a Cold Warrior "freedom fighter" on staff of the inquisitional American Security Council; (c) a familiar face at the Pentagon; (d) a "brother" to Jesuits Raymond J. de Jaegher (advisor to Cardinal Spellman's President Diem) and occult Jesuit Fr. James Groppi—a leader of the **Black Pope**'s communist Negro Civil Rights agitation; (e) a close friend of three of Cardinal Cooke's foremost Knights of Malta—CIA officer William F. Buckley, Jr.; CIA officer and former New York Senator, James L. Buckley; and Lyons' multimillionaire business associate Patrick J. Frawley of the Schick and Eversharp corporations having employed Fred Schlafly, the husband of Dame of Malta, Phyllis Schlafly. Being "an expert on Asiatic affairs," Lyons advised David Rockefeller's CFR member President Richard M. Nixon (aided by Knight of Malta Peter M. Flanigan) to mine Haiphong harbor, bomb Hanoi and Cambodia, greatly furthering the Company's drug trade managed by its Roman Catholic Irish and Sicilian drug lords controlling the American Mafia under the aegis of Rome's CIA. This resulted in the killing of millions of Buddhists and tens of thousands of American "heretics and liberals" pursuant to the Papal Caesar's evil Council of Trent. In 1972 Lyons went behind "the Iron Curtain" with Jesuit Cletus Healy visiting the Order's communist block nations, properly called "Reductions," composing Jesuit General Pedro Arrupe's Soviet Empire managed and monitored, pursuant to the maxim "the Prince is the Law," by the Devil's Luciferian Society of Jesus.

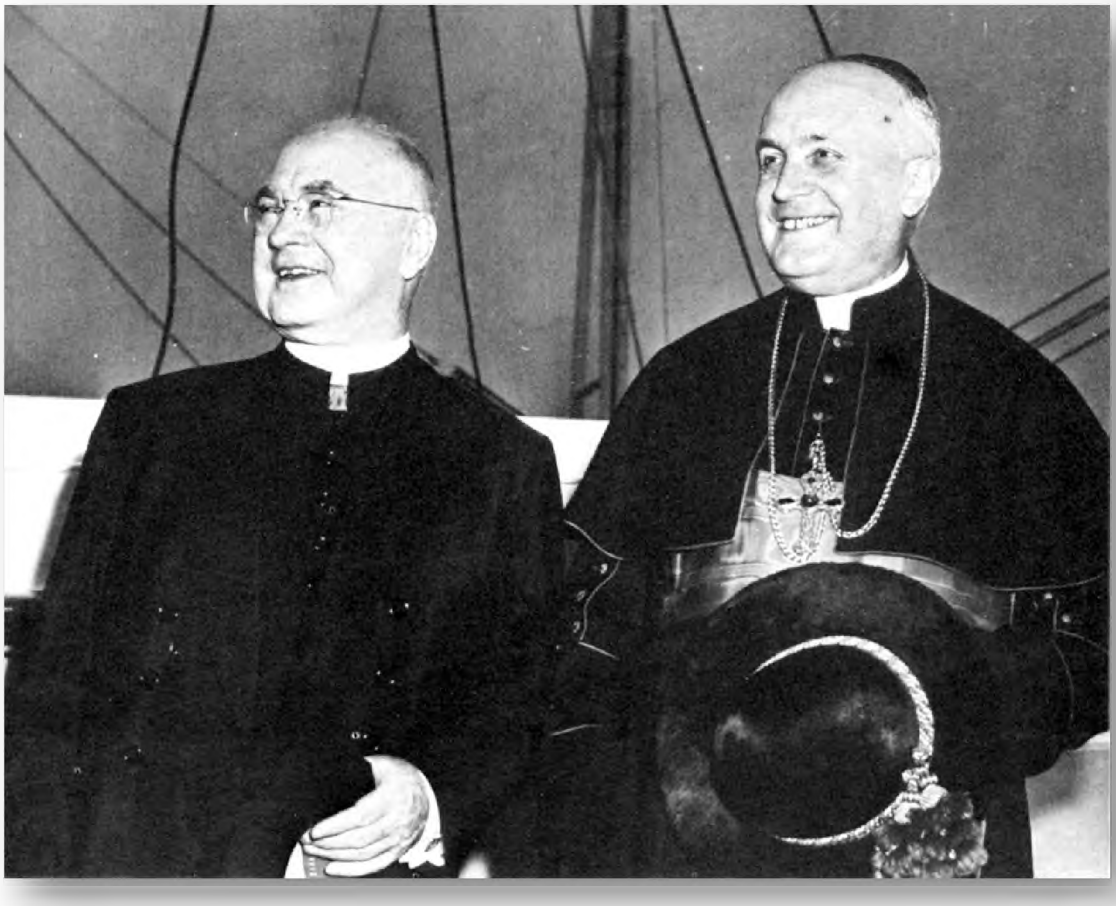
"Spelly's War" in Vietnam, 1965 #551

Francis Cardinal Spellman Visiting American Troops Around the World During Peacetime and Wartime, 1960s #552

Spellman, in obedience to his Jesuit masters at Fordham, continued to "beat" his anti-communist "drum" knowing all the while that "the Cold War" was a hoax. Rome's Papal Caesar ruled both sides while the ***Black Pope***, in control of both the CIA and the KGB, continued to mass-murder "heretics" and true nationalists. ***The American Pope***, John Cooney, (New York: Times Books, 1984).



Cardinal Spellman with Cardinal Ruffini, NYC, 1956 #553

Sicily's Archbishop of Palermo Ernesto Cardinal Ruffini was the master of the Vatican's covert rule over Organized Crime. According to "Sister Pascalina," Pius XII's Bavarian "housekeeper" for 40 years, Mafia bosses bowed to Ruffini who was known as "the king of the two Sicilies—the religious and the political." Spellman had had extensive dealings with America's Sicilian Mafia by this time. "Even the Mafia bent to kiss Spellman's ring. New York mobster Frank Costello, who along with Lucky Luciano dictated the US underworld's illicit drug and prostitution operations, was particularly taken by Spellman's Church authority and charm. Through Spellman's connection with Costello the magnificent bronze doors of New York's Saint Patrick's Cathedral were presented as a gift to the Church." Further, it was Spellman who had been the mediator between President Roosevelt and Luciano (then incarcerated at Great Meadows Prison) when a working relationship was established between the Mob and the US Navy's Office of Naval Intelligence ultimately securing East Coast docks from Axis sabotage and aiding in the successful landing of US troops at Gela Beach, Sicily, July 10, 1943. This ruse of war against American liberty fused the ONI and Mafia Commission via the Archbishop of New York, while providing a clever pretext for Luciano's release—a monstrous crime against us Americans. Spellman would perfect his perfidy with the assassination of JFK, Mafia Dons and the ONI once again working "for the greater glory of God." The tragedy of it all would be Spellman's great Jesuit Cover-up, redirecting honest investigators away from that ROMAN POWER behind Kennedy's killers and murdering hundreds of players, including Naval officers and Mafia Dons.

"After the destruction of the **Romish church** by the **ten European powers** [***Revelation 17:12-18***], an angel with great power comes down from heaven lighting the world with his glory, and crying with a mighty voice:

'Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.' [Revelation 18:2]

To meet the requirements of this prophecy, **Babylon must be lifted from its present condition of desolation. . . .** We must insist, however, that the city, and not the woman, is before us in the eighteenth [*chapter of* ***Revelation***]. **Moreover, the city, with which the woman is identified, is not Babylon, but Rome.** Rome has neither answered, nor could she do so, to the terms employed in this prophecy. . . . **'For Rome never has been, and from its very position never could be, a great commercial city. . . .'**

. . . It is, as all admit, a prophecy of the *future*, . . .

'. . . it shall be no more inhabited for ever; neither shall it be dwelt in from generation to generation. . . . so shall no man abide there, neither shall any son of man dwell therein' (Jeremiah 50:39-40). 'Babylon, the glory of kingdoms, the beauty of the Chaldees' excellency, shall be as when God overthrew Sodom and Gomorrah. It shall never be inhabited, neither shall it be dwelt in from generation to generation: neither shall the Arabian pitch tent there; neither shall the shepherds make their fold there.' (Isaiah 13:19-20).
. . .

In full view of these prophecies **Stanley** says: **'No such desolation in the literal sense followed on the Persian conquest.** For two centuries more Babylon remained to be a flourishing city, the third in the Empire; shorn, indeed, of its splendor, its walls reduced in height, its gates removed, but still the wonder of the world, when it was seen by Grecian travelers in the next century, or when, yet later, it was on the verge of reinstatement in its metropolitan grandeur by **Alexander** [**the Great**, *Grand Master of the ancient mysteries as championed by high-level Freemasonry of today*].

Then came the fatal blow struck by the erection of the Greek city Seleucia on the Tigris; and from that time the ancient capital withered away, till, in the first century of the Christian era, it was but partially inhabited, though still retaining within its precincts a remnant of the Jewish settlers. . . . It is true even Babylon has *never ceased* to be inhabited.' . . .

The stroke that annihilates the [*Pope's*] **apostate church**, . . . is one that involves the overthrow of literal **Rome.** She and the papal system are at the last, for the purpose of judgment, one. **Babylon**, the great metropolitan city resurrected for the doom that awaits her, will naturally be an asylum for the refugees from **Rome.** . . . The destruction of the city means also the destruction of the world's commerce, and the utter disorganization of the [**Antichrist's**] whole social system. . . . Nothing that has fully exhausted prophecy has yet overtaken **Babylon**, and it is perfect folly to attempt to convince people of the verbal accuracy of Scripture, and, at the same time, expect them to believe that the prophecies have been literally fulfilled. The return of the Jews to the holy land, and their establishment there in renewed expectation of the **Messiah**, and opposition to this centered in a literal **Babylon on the Euphrates**, is a conception alone worthy of the Scripture statement. . . . **There is another Babylon looming in the future . . .**" {1}[Emphasis added]

The Unfolding of the Ages

"In the Department of War of France, at Paris, there is to be seen the records of valuable surveys and maps made by order of **Napoleon I**, in Babylonia, and among them is a plan for a **New City of Babylon**, thus showing that the vast schemes of Napoleon [*the Order's Great Masonic Avenger and first Labor Zionist declaring Palestine was for the Jews*] comprehended the **Rebuilding of the Ancient City of Babylon**, and that making it his Capital, as his ambition was to conquer the whole of Europe and Asia, and he recognized to that end that strategic position of ancient Babylon as a governmental and commercial centre. . . .

What is needed in that part of the world is a **'Trans-European-Asiatic-Indian Air Line'** that will connect Europe with India, and China. Such a line has been the dream of **Emperor William of Germany** [*controlled by the Jesuits, re-admitting*

the expelled Order into Germany in 1917]. It was that desire that made him and [**Sultan**] **Abdul Hamid II,** of Turkey, the closest of political friends, and he secured from Abdul Hamid a concession to build a railway from the Asiatic side of the Bosphorus, by way of Aleppo, to the Tigris river, and from there to Baghdad, and from **Baghdad** via **Babylon** (via Babylon, mark that) to Kuwait [*then part of Iraq*] on the Persian Gulf, and most of the road has been built to Baghdad.

With these facts in mind it can readily be seen that it is the purpose of **European capitalists** [*ruled by Rome*] to revive the country of Babylonia and rebuild its cities, and when once the time comes the city of **Babylon** will be rebuilt almost in a night and on a scale of magnificence such as the world had never seen [*this being the foremost reason for the present war in Iraq waged by American and British Knights of Malta*]. . . . **Babylon the Great** will be an immense city, the greatest in every respect the world has ever seen. It will be a typical city, the London, the Paris, the Berlin, the Petrograd, the New York, the Chicago of its day. **It will be the greatest commercial city of the world.**" {2} [Emphasis added]

Dispensational Truth: Or, God's Plan and Purpose in the Ages

"If you desire to know the last and final form of iniquity, behold the two women of **Zechariah 5** bearing an ephah [the utensil used for measuring grain and similar articles since it is classed with balances and weights **(Lev. 19:36; Amos 8:5)** in the injunctions regarding just dealings and trade], covered with a talent of lead. The woman, called **Wickedness**, sits in the ephah [the woman being **Rome, "that great city, which reigneth over the kings of the earth" (Rev 17:18)**, including world commerce, Rome controlling all fiat currencies symbolized by a worthless metal—lead].

'Whither do these bear the ephah?' asks the prophet, and the angel answers: 'To build her a house in the land of Shinar: and when it is prepared, she shall be set there in her own place [the Jesuit "Knights of the Virgin Mary" to build their planned commercial headquarters in Babylon before the "ten kings" destroy Rome on orders of the last and final Pope, "the beast," who was slain, risen from the dead and indwelt by Satan].' Now Babylon is in that land of Shinar (Genesis 10:10). . . .

Notice in ***Revelation 18:3, 11, 15, 23, 'the merchants of the earth,'*** also ***'merchandise,'*** (Greek 'cargo'—showing these things will be carried by ships, as see verse 17). Rome has no market and the Tiber has no harbor, to speak of. . . . Now of course **Roman Catholic dignitaries** are seen thus decking themselves (at great cost to the poor and even to kings). But only the **'clergy'** and their retinues do this. The people suffer *poverty.*

Over three years before the **Babylon** described in ***Revelation 18***, the Beast and his ten kings have destroyed the harlot, the city on seven hills.

For over three years more, the **Beast** and the **Man of Sin** who denies all that is called God and is worshipped, will have full power on earth.

Rome's motto is 'semper idem [*"always the same"*].' She cannot deny the Father and Son [*Rome's unbiblical "Father and Son" being based in the Egyptian mysteries*], as **Antichrist** does, and *exist*.

Therefore, it appears necessary to believe that the **Babylon** of chapter 18 is not **Rome**, but the great commercial center, Satan's world capital, which has always been **Babylon on the Euphrates**." {3}[Emphasis added]

The Book of the Revelation

"It is that wicked head [*the risen Pope*] of **the Roman empire** in its last revived form of whom we read in different parts in prophecy [***Daniel 9:24-27***]. **The Roman power** had come upon the land and destroyed **Jerusalem** and burned the [*second*] temple. . . . **the Roman power** destroyed the city and from that power **a prince** is to emanate in the future. Up to now this prince has not yet appeared; when he comes he will be the leader of the confederacy of the nations [*led by ten (Knight of Malta) European kings of royal blood*], who inhabit the territory of **the Roman empire**, a mighty man who is under the control and inspiration of **Satan**. . . .

Now when this prince, **the head of the revived Roman empire**, appears, he will make a covenant with the Jews. His covenant will be for one week, that is for seven years. . . . it will be undoubtedly of a political nature and connected with the resettlement of the Jews in Palestine, **the rebuilding of the** [*third*] **temple** and the institution of their worship by sacrifices. [*Jesuitled, Fabian Socialist, British Labor-backed,* **Labor**] **Zionism**, the great restoration movement of the Jews in unbelief [*begun by* **Pope Pius X's Theodor Herzl** *and aided by the Masonic/Illuminati English* **House of Rothschild** *as a result of the Order's anti-Jew* **Dreyfus Affair** *in France*], sheds a flood of light on these coming events. If [**Labor**] **Zionists** were ready to herald the sultan [**Grand Orient Freemason Abdul Hamid II**] as their deliverer, should he allow them the practical carrying out of their programme [*for which apparent reason the Order's* **Sabbatian Frankist Masonic Jewish Labor Zionists** *later aided this Jesuit-controlled Sultan of the Ottoman Empire and his Masonic Islamic "Young Turks" in his brutal genocide of Turkey's anti-papal, Orthodox Christian Armenians*], how much more will they will be willing to accept an agreement with **that mighty prince**, who is to come." {4}[Emphasis added]

The Gospel of Matthew

"According to the prophecy of Christ, there will be a clear-cut event referred to as the **abomination of desolation** similar to the language of [***Daniel***] ***9:27***, which will occur in the period just preceding the second advent. Christ said, '***When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) then let them which be in Judea flee into the mountains: . . . For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be' (Matt. 24:15, 16, 21).*** The fulfillment of this prophecy necessarily involves the reactivation of the **Mosaic sacrificial system in a temple** in Judea. The present occupation of Jerusalem by Israel may be a preparatory step to the re-establishment of the Mosaic system of sacrifices. Obviously, **sacrifices** cannot be stopped and **a temple** cannot be desecrated unless both are in operation." {5} [Emphasis added]

Daniel: The Key to
Prophetic Revelation

"Yet to the Jews, this low hill in **Jerusalem**, this **Temple Mount**, is the most sacred place on earth. The **Temple of Solomon** predates Christianity by a thousand years and Islam by many more. And to the Christian, too, the place where Christ debated and taught, and drove out the moneychangers, is sacred ground. The Catholic church has suggested that Jerusalem become an international city [*as intended by* **Francis Cardinal Spellman**], a concept which may have merit, but which does not solve the problem. It is not the city itself but the few sacred acres of **Mount Moriah** that sit at the center of the controversy. Can the followers of three great [*works salvation*] religions, three great ways to worship God [*all three hating* the risen Son of God *of the Protestant New Testament*], find a way to come together in peace and brotherhood in this tiny space? This is the place where, more than anywhere else, the central religious attitude of **Freemasonry** could be applied with the most beneficial effect to the rest of the world, where men who avow their beliefs in a **Supreme Being** could meet in brotherhood and bear full respect for the other man's mode of worship [*the idea of religious toleration being a maxim of Islam, Orthodox Judaism or Roman Catholicism being absolutely out of the question as per the Koran, the Talmud and the Pope's Canon Law/Council of Trent*]. . . .

What I am suggesting is that about **5 million Freemasons** in the world, who do accept brotherhood with men of all faiths, in that spirit might take the lead in solving the problem of the **Temple Mount** by combining their religious attitudes with their veneration of the **Temple of Solomon**, to the benefit of the whole world. It would be a long and expensive journey from west to east [*moving the political and commercial capitals (New York City and London) from the conquered, post-Reformation West to the Oriental East (Babylon)*], but it

would give new meaning to each man shaping himself [*works salvation*] into **the perfect ashlar** [*every Freemason being an "ashlar," a living stone composing the spiritual temple of the Masonic brotherhood*] ready to take its place in the **Temple of God.**

It would be a wonderful way to complete the unfinished **Temple of Solomon** and to complete a full-circle circumambulation [*making a religious march returning back to where the Knights Templars began, destroying the Grand and Glorious Protestant* **Modern Era** *by reverting back to the Pope's* Dark Ages, *Papal Crusaders ruling* the **Black Pope**'s "Kingdom of Jerusalem"] back to the very first purpose of their predecessor **Knights of the Temple,** the safe passage of all pilgrims to that holy place [*in* Jerusalem *to worship* "***that man of sin . . . the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God, shewing himself that he is God." (II Thess. 2:3, 4)***]." {6}[Emphasis added]

Born In Blood:
The Lost Secrets of Freemasonry

Dear truth-seeker, with the utmost humility before Almighty God and His risen Son, the Lord Jesus Christ seated as His right hand, we have meticulously charted the course of the Devil's ***"mystery of iniquity"*** for the last five centuries. We have found at the apex of power, among **Satan's** human second causes effecting his Grand Design, the Jesuit Superior General. His purpose is to first thwart the preaching of the true **Gospel of the Grace of God**, while attempting to murder all those who would name the name of Christ and ***"depart from iniquity."*** Knowing the unconditional, unilateral, racial promises given to **Abraham**, **Isaac**, **Jacob** and their *physical* descendants, the Luciferian/Satanic Jesuit Order continually seeks to annihilate this Hebrew/Jewish/Israelite race "by any means necessary." We have observed how the Order used their twin pincers of **Hitler** and **Stalin**—the "Hammer" and "Sickle"—to cleverly coordinate their secret police agencies and military commanders to murder the Jews of Eurasia. The brutal reigns of **Tzars Alexander III** and **Nicholas II** (directed by Jesuit Coadjutors within the Russian Branch of the Knights of Malta) set the stage, confining nearly one half of the world's sons of Jacob to what is called "**The Pale of the Settlements**" (Ukraine, Belarus, Moldova, Lithuania and Poland).

Corralled in Western Russia, the pogroms succeeded in their long-term, calculated purpose by infusing an undying hatred for the Romanov Dynasty, protector of the Knights of Malta, and the historically anti-Papal Orthodox Church (dominated by the Jesuits since the days of their admittance into Russia by **Catherine II** "**the Great**").

This righteous indignation, born out of oppression, rape and murder, longing to be vented upon these most hated Russian institutions, the ***Black Pope*** now had his Jewish dupes to carry out Rome's centennial plan of removing the Romanov dynasty and absorbing the Russian Orthodox Church into the expectant arms of the Pope!

To accomplish their devious design, the Order called upon its Jewish cohorts in crime since the days of false Messiah **Shabtai Tzvi** and his successor, **Jacob Frank**, who, along with all of his Jewish Frankists, converted to Romanism and were publicly baptized, Poland's **King Augustus III** acting as Frank's "godfather." Thus, we understand these **Sabbatian Frankists** to be racial Jews with their first political loyalties to the **Pope of Rome**, the earthly master of all mammon and international commerce directed by his merchants, "***the great men of the earth***." Therefore, we are not surprised to behold Gentile Jesuit Temporal Coadjutor Adam Weishaupt's secret collusion with Frankists in orchestrating the work of the **Bavarian Iluminati** with the **House of Rothschild**: the French Revolution would be led by the Order's Jacobins and financed by the Rothschilds later to become, after the Order's formal revival, "the Keepers of the Vatican Treasury." (The Masonic rite of which every Romish "Court Jew" must partake tells the story of the Order's death and formal revival: **Hiram Abiff** is the Jesuit Order, killed by three ruffians, the kings of Portugal, France and Spain, each having expelled the Society from their Empires. The raising of Hiram from the dead is none other than the Grand Master of the Lodge himself—**the Pope** —extending his "**Lion's grip**;" for he is Satan's "**Lion of the Tribe of Judah**."

We are now ready to begin our **Fifth** and final **Block** of Jesuit history. Since 1814, the Militia of the Company of Jesus has been at war with all nations of the world—via high-level occult Freemasonry—to subjugate their national leaders and then the peoples they rule (through the arm of unlimited government) to first the **Spiritual** and then the **Temporal Power** of the Pope. Aiding the Order in its quest are these "Court Jews" who ***"have no king but Caesar"***—the Papal Caesar in Rome!

For this reason we discover influential Jews involved in Francis Cardinal Spellman's assassination of President Kennedy and subsequent Great Jesuit Cover-up. Jews, the likes of **Jack Ruby**, **Abraham Zapruder**, **Arlen Specter**, **Henry Kissinger**, **David Biegun**, **Mark Lane** and **Meyer Lansky**, in addition to a host of other Hebrews within the New York Archbishop's **Council on Foreign Relations**, were either overt or covert operatives. We discover the same pattern in the government ruling over the re-gathered Jews living in re-established Israel, ***"brought forth out of the nations" (Ezekiel 38:8)***. Every founder of Israel had been a loyal slave of Rome, including Freemasons **Chaim Weizmann** and **David Ben-Gurion**. And though appearing to represent a sovereign people, we know these **Sabbatian-Frankist**

Masonic Jewish Labor Zionists, mass-murderers of their own people for the last two hundred years, then and now have their "audiences" with Rome's "King of kings," groveling at his feet. The few Jews who refuse are either replaced or—relocated out of this world!

The Society of Jesus, being the overlord of the Devil's ***"mystery of iniquity,"*** and thus the immediate master of the Pope's secret world government, magnifies the *apparent* world rule of the Jews, calling it the "**International Jewish Conspiracy**." With the consent of their Jewish slaves, the Company uses its international press to excite targeted nations to attack, expel or murder the working, honest, common Jews who are ignorant of their betrayal. In exchange for this treachery, the Court Jews always receive a reward, furthering their service to the Pope. For example, when the Frankists aided the Turkish Sultan in committing the Armenian Genocide, Jerusalem was abandoned to the arriving British Army without firing a shot! For openly leading the Order's Bolshevik Revolution, Stalin recognized the Frankist government of Israel upon its Declaration of Independence. For being openly used by "the American Pope," **James Cardinal Gibbons**, in seducing President Wilson to declare war on Germany (thereby providing the necessary manpower to destroy the anti-Jesuit Protestant Second Reich), the Order issued the **Balfour Declaration**, setting aside a portion of Abraham's land promise for unsuspecting Jewish settlers to manage and defend Rome's revived "Kingdom of Jerusalem." For aiding in the Order's Eurasian Jewish Holocaust as well as the Orthodox and Lutheran Holocausts, Israel would be given a paramount intelligence apparatus and billions of dollars extorted from historic White-Anglo-Saxon Protestant nations, further eliminating the Reformed White peoples of the world. The same holds true for the Frankists backing Rome's "**War on Terror**." Rome's Kingdom of Jerusalem will benefit, overseen by her Labor Zionists, until Jesus Christ returns, when ***"the times of the Gentiles be fulfilled."***

Rome's Kingdom of Jerusalem **(Bottom Center), 1099** #554

Though the Pope never enjoyed ruling Jerusalem during the Dark Ages as he had hoped, the First Crusade took *"the holy city"* from the Moslems in 1099. Proclaimed the "Kingdom of Jerusalem" and governed by Duke Godfrey of Bouillon as "First Baron and Defender of the Holy Sepulcher," Jerusalem was governed not for the Pope, but for the benefit of the residents, be they Catholics, Christians, Jews and Moslems. Jerusalem was an international city protected by both the Knights Templars and Knights Hospitallers. Israel is today, in the eyes of Rome, the revived "Kingdom of Jerusalem" governed by the Knights of Malta through their Masonic Jewish Labor Zionists, the borders being nearly identical. ***Ridpath's Universal History***, John Clark Ridpath, (New York: Merrill & Baker, 1901) Vol. XII, p. 665.

Having now inaugurated the Crusade against Islam as earnestly desired by the Knights of Malta for centuries, it is apparent that the Jerusalem mosques will be destroyed. In their place with be erected a new Temple of Solomon for the Pope.

The Vatican and World Politics

The Order began its Cold War at Potsdam in July, 1945. **Truman's American Empire** and **Stalin's Soviet Empire**, once allies, were now, *"abracadabra,"* mortal enemies. The OSS and NKVD that had worked together were now, *"hocus pocus,"*

bent on each other's destruction. The Vatican Ratlines had redistributed key Nazi Intelligence men. Some went West into **Gehlen's** network within the CIA; others went East into **Turkul's** network within the KGB. The Nazis who went into Soviet Russia were known in the West as "Freedom Fighters," supposedly working for Western Intelligence. They, in fact, were "Communist agents" working for Stalin's KGB and GRU. Both Intelligence networks, one loyal to the American Empire, the other loyal to the Russian Empire, were tied together *at the top* by Vatican "Knights."

Some of these "Knights" were **Sir Stewart Menzies**, chief of the British Secret Service; **Kim Philby**, a subordinate of Menzies; **"Wild" Bill Donovan**, Chief of the American OSS whose brother **Vincent** was a Dominican priest; **James Angleton**, an OSS officer in Rome and later, chief of the CIA's Counterintelligence Division manning *both* the Vatican and Israeli desks; **William J. Casey**, an OSS officer in Rome and later Director of the CIA; **Allen W. Dulles,** another OSS officer in Rome having worked with **Cardinal Montini's** Vatican Ratlines, whose nephew, **Avery Dulles**, became a powerful Jesuit Cardinal; **Prince Anton Turkul** (whose distant relative, according to the Catholic priest James Zatko in his *Descent Into Darkness*, was **Privy Councillor Turkul**, the state secretary of Polish affairs during the reign of **Tzar Nicholas I** and a strong promoter of the **Concordat** between **Pope Pius IX** and Russia, signed in Rome in 1847 by the Russian **Cardinal Lambruschini**—a supposed ex-Jesuit!), Russia's greatest intelligence officer who spent time in Rome, *used Jesuits for couriers* and worked with **Himmler** and **Schellenberg** of the SS/SD; **Reinhard Gehlen**, head of Nazi Intelligence on the Eastern front, who, after the war, was made a General in the American Army by an act of Congress; **Walter Schellenberg**, Chief of SS Foreign Intelligence—*the feared* **SD**—who was given sanctuary in Britain after the war by British Intelligence Chief, **Sir Stewart Menzies**; **Heinrich Himmler**, head of the Gestapo and SS (a personal friend of **J. Edgar Hoover** before the war) whose death was brilliantly faked by Menzies' SIS thereby enabling the anti-Jew, **Windsor British Monarchy** to secretly protect him after the war; **J. Edgar Hoover**, Director of the FBI, who recruited his agents from American Jesuit Universities, hated Jews and helped with the immigration of **Nazi SS** war criminals into the United States overseen by **Cardinal Spellman**; and **Alexander M. Haig, Jr.**, Commander of NATO forces in Europe and White House Chief of Staff, whose younger brother, **Francis R. Haig**, is a Jesuit. (The General saved the Vatican's Labor Zionist State of Israel during the Yom Kippur War in 1973. Intending "only to bleed the Jews," the Vatican's **Knight of Malta Henry A. Kissinger** nearly destroyed the nation. After waiting for nearly one thousand years to take Jerusalem and possession of the **Temple Mount** for the rebuilding of **Solomon's Temple**, the Jesuits' "*infallible*" Papal Caesar was not about to lose it now! So he saved the nation with Knight of Malta, **General Alexander M. Haig, Jr.,** and high-tech American weapons.)

Dear truth-seeker, the ties between the intelligence communities are simple once you reject *the illusion* of the Cold War. These ties are not "ironies" as Jesuit Temporal Coadjutor **John Loftus** calls them, but rather they are *cold hard facts* leading to the Vatican's Jesuits as masters of this monstrous **Holy Office of the Inquisition**. British and Nazi intelligence *merge* with **Menzies**, **Philby** and **Schellenberg**. We read from **Loftus** and **Aarons**' *The Secret War Against the Jews*:

> "It was **Menzies** who ordered British troops to help the Vatican truck the Nazi treasure into hiding . . . It was Menzies who gave Nazi intelligence chief, **Walter Schellenberg** [*who died Turin, Italy, in 1952*] and the other Nazi negotiators sanctuary in Britain after the war. Menzies also authorized **Kim Philby** to recruit ex-Nazis as agents and smuggle them through the Vatican to South America . . ." {4}[Emphasis added]

American and Nazi intelligence merge with **Dulles** and **Gehlen**:

> "General Reinhard Gehlen, Hitler's chief intelligence officer against the Soviet Union, had struck a deal with the Americans (called **OPERATION SUNRISE**) . . . The principal negotiators were **Allen Dulles** and **William Casey** of the OSS, **Sir William Stephenson** for the British, and SS General **Karl Wolff** [*all four were devoted Knights of Malta*], head of the Gestapo in Italy and former chief of **Heinrich Himmler's** personal staff . . .Their negotiations enabled Gehlen to bring his entire apparatus 'unpurged and without interruption, into the service of the American superpower,' . . ." {5}[Emphasis added]

British and Russian intelligence merge with **Menzies**, **Philby** and **Turkul**:

> "One of the great ironies of twentieth-century espionage history is that the right-wing head of the British secret service, **Sir Stewart Menzies,** handed the Communists the key to Britain's secrets on a royal platter [*the British SIS having overseen the Soviet Secret Police since the Bolshevik Revolution in 1917*]." {6} [Emphasis added]

Philby not only worked for the **Menzies'** SIS but also with **Beria's** NKVD/NKGB, for which reason he protected **Turkul** of the GRU, Soviet Military Intelligence:
"While American and British intelligence were restructured after World War II, Soviet intelligence executed a plan of smooth integration to protect and promote all their agents in the West. For example, when MI6 discovered German documents proving that Turkul's friend Ellis was a Nazi agent, Philby ordered that the investigation be closed . . . If Ellis had been exposed in 1945, it would have jeopardized Turkul, who was far more valuable than Philby. Because of Philby's cover-up, [*Russian GRU*] Turkul and [*British MI6*] Ellis were safe for several more years." {7}

Years later in 1963, **Philby** "defected" to the Soviet Union to maintain the illusion of "the Cold War" among patriotic, lower-level, British and Soviet intelligence officers.

KGB officer and SMOM **Anatoli M. Golitsin** would also "defect" to the US, not for sanctuary, but to bring supremacy to the KGB over the CIA as he was aided by the high treason of CIA officers, SMOMs **James J. Angleton** and **John A. McCone**. American, Russian and Israeli intelligence merge with the pairs **Gehlen** and **Turkul**; and **Angleton** and **Philby**. We read:

> "**Dulles** had **Gehlen** set up in a secret compound in [*Bavarian*] **Pullach,** West Germany, with orders to revive the Max network. . . . Gehlen intended to make **Turkul's Max network** the centerpiece of his new West German intelligence agency. . . . Foisting the Max network on Allen Dulles and General Gehlen turned out to be the key to Soviet supremacy in the first half of the Cold War. . . . To this day, the CIA still refuses to declassify its files for **'Prince' Turkul's** network. It is just too embarrassing to admit that the Eastern European Fascist groups [*ex-Nazis*], whom Dulles had hired, turned out to be working for the other side." {8} [Emphasis added] ". . . there is no doubt **Angleton** fell under **Philby's** spell. . . . As with Philby, so with James Jesus: his record was riddled with ambiguity and inexplicable actions that resulted in the question asked by a high authority at the CIA: **'Was Angleton the American Philby**?' . . . It was Philby who taught Angleton the structure of the Secret Service." {9} [Emphasis added]

And **Philby** had been recruited into what became the KGB by a Jesuit who had been a member of the Bolsheviks' Inquisition called "**the Cheka**." We read:

> "One of the first Soviet agents to penetrate British intelligence was a Catholic Priest. Between 1932 and 1937 the top NKVD 'illegal' in England was **Father Theodore Maly** [*a Jesuit*] . . .
>
> Many of Father Maly's best recruits were young men from upper class backgrounds . . . The most famous KGB agent was **Harold Adrian Russell Philby** [*whose royal bloodline father,* **Sir John Philby**, *was SIS*]. As with all of Father Maly's agents, 'Kim' Philby's upper class British background was impeccable. . . . **Philby was no longer a peripheral observer, but a principal player with the Vatican.** In 1944 he was promoted to head the new anti-Soviet section of [*the British*] SIS.
>
> Behind his unassuming stutter and false Nazi sympathies [*Philby was, in fact, pro-Nazi, having aided in Menzies' SIS cover-up death of Rome's Nazi Grand Inquisitor,* **Heinrich Himmler**], Philby was working for the Soviets when he headed Britain's anti-Soviet programme." {10} [Emphasis added]

The **Dulles-Gehlen Network** *trained Israel's Mossad*, while the Vatican's CIA agent and head of the Israeli desk, **James Jesus Angleton** *(who openly advocated a Pentagon-directed, American military Crusade against Israel's surrounding Islamic nations, now in progress)*, helped the Pope's Israeli government. We observe:

> "One of our sources, the late **John McIntyre,** served with American intelligence inside the Gehlen organization [*at Pullach in Catholic Bavaria, Germany, overseen by* **Jesuit Karl Rahner**] from 1948 until 1951. To his amazement, **Gehlen's Nazis were training the Mossad** [*also controlled by fascist Jewish Jesuits*], Israel's infant foreign intelligence service. . . .
>
> Angleton's mission was to keep the CIA secure from penetration by foreign governments particularly the Soviet Union. . . . Angleton spied only for Israel, never the Soviet Union [*as he, in fact, spied for the Soviets, Catholic* **Loftus** *bearing his hand as a cover-up artist for the Jesuit Order*]. . . he was flatly accused of being a 'god_ _ _ _ Israeli mole' by a number of his fellow CIA officers. . . . Angleton alone handled the CIA's collection of intelligence from and against the Jewish state, almost from its inception as a nation . . . He was unofficially helping Israel [*the Vatican's secret but true policy towards its governing Masonic Jewish Labor Zionists*], which was strictly against the president's policy." {11} [Emphasis added]

Menzies, **Schellenberg**, **Donovan**, **Dulles**, **Gehlen**, **Wolff**, **Casey**, **Angleton**, **Philby** and **Turkul** all had strong connections with the Vatican's Jesuits. The British SIS and Soviet KGB/GRU were united in **Philby**. The CIA, Mossad and KGB were united in **Angleton**. This *gallery of traitors*, all of them being Papal Knights, unified the International Intelligence Community merging at **5, Borgo Santo Spirito,** the command post of **Jesuit General Janssens**, just outside Vatican walls in Rome. With this interlock of men loyal to the General of the Jesuits, the Cold War would be waged *but kept under control,* that is, from becoming a full-scale war between East and West. The deceived patriots on both sides would be kept in check or eliminated if attempting to truly "win" the Cold War or expose the truth about the intelligence men at the top. The obvious murder of the staunch Roman Catholic, Opus Dei member and CIA Director, **William Colby**, is a classic example of their policy. His doom was sealed after forcing **Angleton** into retirement—one of the Order's key Roman Catholic Knights of Malta at the CIA's apex of power! *The Society of Jesus will terminate its own disobedient tools as revealed in The Protocols!*

In 1959 **Fidel Castro**, a Roman Catholic Communist (who, in the words of Allen Dulles, was called "**the Abraham Lincoln of Cuba**") was put in power with the help of the ***Black Pope***'s pro-Nazi SS/CIA and would subsequently expel **eleven thousand Jews** from Cuba! Educated in youth and advised when becoming Cuba's

bloody dictator, we read of the Jesuits shaping his mind and controlling his actions:

> "Fidel and Raul were sent to **Santiago de Cuba** [*St. Ignatius of Cuba*] to study under the Jesuits at the **Colegio Lasalle**, and then to the **Colegio Dolores**, also Jesuit. . . . In 1942, Fidel was sent to Havana where he carried on with his secondary education at the **Jesuit College of Belen** (Bethlehem)." {12}

> "Fidel was significantly influenced by [*Jesuit*] Fathers **Amondo Llorente** and **Alberto de Castro**. . . . De Castro admired [*Roman Catholic fascist*] Franco . . . Fidel was very active in a Jesuit organization similar to the Boy Scouts, the 'Explorers.' . . . 'Fidel was trained by the Jesuits to become their representative,' says **Carlos Rafael Rodriguez**. 'The revolution does less propaganda [*promoting*] for Fidel than the propaganda by the Jesuits.'. . . Fidel spent eleven years in Catholic Boarding schools, seven of them in Jesuit institutions . . . '**Fidel is a Jesuit first**, a revolutionary second, and a Marxist third.' . . . He promoted the [*Jesuit-controlled*] Soviet system as a model . . . **In a way he was turning Cuba into a giant Jesuit school in which he was the principal. . . . It is still the Jesuit school in which he is the principal**. . . . Fidel has not forgotten that the military invariably holds the ultimate power. It is perhaps significant that Fidel's first [*absolutist*] title is '**commander-in-chief**.' " {13}[Emphasis added]

> "[*Wherever*] a totalitarian movement erupts, whether Communist or Nazi [*fascist*], a Jesuit can be found in the role of 'adviser' or leader; in Cuba [*it was*] Castro's **Father Armando** [*Amondo*] **Llorente** . . ." {14}[Emphasis added]

The Jesuits, in order to bring their illegitimate son of a Nazi and "grease ball" student dictator to power (as he was called by his classmates), used their American CFR-press, money, entertainment industry, CIA and Soviet Russia. We read:

> " 'After the Matthews articles which followed an exclusive interview by the *Times* [*belonging to Jesuit-ruled CFR interests*] editorial writer in Castro's mountain hideout and which likened him to **Abraham Lincoln**, he was able to get followers and funds in Cuba and in the United States. From that time on arms, money and soldiers of fortune abounded. Much of the American press began to picture Castro as a political Robin Hood. Also because Batista was the dictator who unlawfully seized power, American people assumed Castro must, on the other hand, represent liberty and democracy. The crusader role which the [*CFR*] press and radio bestowed on the bearded rebel blinded the people to the left-wing political philosophy with which even at that time he was already on record.' . . .

'Fidel's secret weapon was money—incredible millions of dollars, with which he bought "victories." He bought entire regiments from Batista's officers and, on one occasion purchased for $650,000 cash an entire armored train, with tanks, guns, ammunition, jeeps and 500 men.' . . . The basic reason for defeat of Batista's armies, he asserted, was that covert United States intervention [*CIA*] shattered their morale. . . . Many share the bloodguilt for the needless death of these people, who were the best [*patriotic, anti-tyranny*] element in Cuba. Among the guilty are American correspondents [*Cardinal Spellman's Knight of Malta* **Henry R. Luce** *and his Time magazine*] who . . . wrote falsehoods about the Castro movement so other people would fight and die for it. . . . [*In 1958 with*] the combined pressure of Soviet arms and gold and American propaganda, the Batista regime was beginning to crumble. . . . [*CFR*] **Edward R. Murrow** of CBS staged a laudatory TV network program on the Castro movement. The normally hardheaded [*Roman Catholic*] **Ed Sullivan** went into the Sierra Maestra for a television interview with his hairy, armed prophet. Sullivan's technique was to ask leading questions such as 'You are not a Communist, are you Fidel? You are a devout Catholic, aren't you?'—leaving Castro practically no time to answer. The effect was comic in terms of theater; tragic in terms of politics." {15} [Emphasis added]

Under the guidance of his Jesuit advisor, **Fidel Castro's** command post was Havana's Hilton Hotel. Knights of Malta **Conrad N. Hilton** and son, **William Barron Hilton**, owned the chain of hotels around the world. We read:

"The SMOM's U.S. Section has approximately 1,000 members . . . its roster includes many of the corporate [*fascist*] establishment's movers and shakers . . . **Barron Hilton** of the hotel chain; . . ." {16} [Emphasis added]

Freemason Castro (according to a Cuban Freemason who personally saw 33rd Degree Freemason Castro in a lodge in Havana) was further entrenched in power by the CIA. It was **Allen Dulles**, the high commander of the CIA (i.e., "**the Company**"), who organized the totally tactically insane Bay of Pigs invasion in 1961. The purposed "failure" of the attempt to overthrow Jesuit Castro resulted in the decimation of thousands of Cuban Roman Catholic patriots—a typical Cold War tactic of the CIA! During the invasion **Dulles** was conveniently out of town and away from his duty station, as if he knew it would go sour. Two Knights of Malta were involved in the set-up and failure of the invasion. One of them was **Roberto Alejos Arzu**. Alejos became the Honduran Knights co-chairman in 1985, of whom we read:

"Alejos – a sugar and coffee grower who let the CIA use his plantations as training grounds for the 1960 [*1961*] Bay of Pigs invasion of Cuba [*its secretly*

purposed failure having been intended by the CFR's Director of the CIA to further entrench the power of the Order's **Fidel Castro**]." {17}

Further,

> "During and after the period of the Bay of Pigs, Alejos Arzu reported that he worked with Irangate principal, [*CIA officer*] **Theodore Shackley**, then running **"Operation Mongoose"** to assassinate Fidel Castro from the JM/WAVE station in Miami, Florida [*which assassination plot was a ruse of war, never intended to be fulfilled*] . . ." {18}[Emphasis added]

The other CFR/Knight of Malta was **Gustavo Cisneros** of whom we read in 1987:

> "Vice-president of the Venezuelan Association of the SMOM. The **Cisneroses** are the overlords for the Ibero-American cocaine connection in Venezuela, whose special role emphasizes 'washing' part of the billions in annual narcotics proceeds that go through that country. . . . The **Cisneros** got their start in business in Venezuela through sponsorship of the **Royal Bank of Canada**, one of the world's largest offshore banks involved in multi billion-dollar drug money 'washing.' They are partners in a Florida Finance Corporation with documented ties to Moscow's Narodny Bank, which is central to KGB-backed terrorism and drug trafficking. Curiously, through the World Finance Corporation the Cisneros are linked to the Bay of Pigs invasion team, which quickly turned to drug trafficking to finance operations and get rich quick. But Oswaldo Cisneros' wife Ella Fontanals de Cisneros, is a Cuban whose brother, **Jose' Fontanals Perez**, currently sits on the board of directors of the **Banco Nacional de Cuba** in Havana, where he is an economic adviser to Fidel Castro." {19}[Emphasis added]

Dear truth-seeker, the failure of the Bay of Pigs invasion was *pure* betrayal! This is what **Napoleon** did to his Grand Army in Tzarist Russia, what **Hitler** did to his German Army in Soviet Russia, and what the CIA did to the Roman Catholic patriots of Hungary in 1956. The betrayal resulted in the elimination of all resistance to **Castro** within Cuba, securing the island as a staging base for future use by our invaders. This could never have happened had not the Jesuits controlled *both sides*.

Now, the Jesuits had to suppress the American and Cuban enemies of their mouthy, little puppet **Castro** who were *outside* of Cuba. So their CIA "confirmed" the existence of Soviet "nuclear missiles" in Cuba creating the paranoia of a possible "nuclear first strike attack." **Kennedy** demanded their removal and prepared for a joint American and Cuban-exile invasion from Florida. (We strongly believe from our arguments of previous chapters that *airborne nuclear war* has never been a real threat to the nations, the Jesuits controlling both

"superpowers." We know that the Jesuits' **CFR** in control of **FDR** gave **Stalin** the nuclear device in 1943. We also know that the Knights of Malta, in control of the Atomic Energy Commission (one of its former Directors having been Knight of Malta **John A. McCone**) as well as the American and Russian Intelligence Communities, own Chase Manhattan Bank in New York (now JP Morgan/Chase) with a branch at 1 Red Square in Moscow!) The Jesuits in control of **Khrushchev** (who declared that the **CIA** and the **KGB** ought to be combined *"because we use the same people")* dispatched a Russian fleet (built with American technology and financed by the Jesuits' Federal Reserve Bank) towards Cuba. This resulted in "**the Cuban Missile Crisis**" of 1962 creating more paranoia justifying more corporate fascism in America. **Kennedy** and **Khrushchev** struck a secret deal resulting in *no invasion*, the Russian fleet returning home. Like the Hungarian uprising in 1956, this stage-play and betrayal inflamed the fury of all involved. Low-level CIA agents not "in the know" with **Angleton** were enraged **against Kennedy**; they thought he had deliberately betrayed them. Lower-level Mafia soldiers not "in the know" with Cardinal Spellman's Mafia "Commission" were enraged **against Kennedy**, as they had lost their casinos in Havana. The patriotic Cubans were enraged **against Kennedy** perceiving him as *again* refusing to end Jesuit-trained **Fidel Castro's** merciless, absolutist, Jesuit-controlled dictatorship.

The Jesuits, *perfectly creating the agitation*, were now ready to eliminate their disobedient son and brother Knight, **President Kennedy**. *Betrayed* by Skull and Bones member **McGeorge Bundy** at the Bay of Pigs and *deceived* by his Secretary of State—the Cardinal's **Dean Rusk**—during the Cuban Missile Crisis, **Kennedy** *the victim* now had enough serious enemies among the infuriated CIA, FBI, Military Intelligence and Mafia foot soldiers to be boldly assassinated in broad daylight. The Intelligence Community began its "black operation" called "**Operation Mongoose**."

Its purpose was to further *exhaust* and *eliminate* **Castro's** foreign and domestic enemies, precisely as Knight of Malta **Oliver L. North** and Knight of Malta **William J. Casey**, with their "aid to the Contras," eliminated all resistance to the Communist government in Nicaragua, **John Cardinal O'Connor** having warmly embraced **Daniel Ortega**. The CIA secretly attacked Cuba with regular raids, crop burning and counterfeiting its currency justifying Castro's devaluation and creation of a new currency, further impoverishing the Cuban people—*as planned!* But "Operation Mongoose" was ultimately suppressed by President Kennedy, which resulted in two things. First, it sealed Kennedy's fate. The assassins within the Cardinal's Network were now eager to eliminate him. Secondly, Castro's Jesuit despotism was sealed and for the last forty-eight years he has been the perfect puppet of Rome. He has viciously suppressed the free circulation of the Bible as well as any popular movement towards "liberal" self-government—where the

people can be more than slaves—pursuant to the Jesuits' wicked and evil **Council of Trent** and their "**Holy Alliance**."

One final question: Why would the Jesuits go to such extremes to enthrone and maintain **Castro** in power, thereby closing Cuba to a free press and American tourism? What possible benefit would the island of Cuba—that poverty-stricken hellhole *which could be extremely prosperous*—give to the long-term plans of the imperialistic **Sons of Loyola**? Dear truth-seeker, the *only* answer can be that it has been commercially sacrificed and secured by a Jesuit military dictator—advised by the Pope's Knights of Malta—to be the *staging base for a future Sino/Moslem invasion* of **Fourteenth Amendment America**. Is not the American Navy holding Afghan "prisoners of war" from **Bin Laden's Al Qaeda Islamic Terrorist Network** in Cuba—*only ninety miles away from Miami*—at this very moment in 2007?

And if this be true, *what real* purpose has Guantanamo Naval Base been serving for the last fifty years, knowing full well that *the Navy always starts our wars?* If the Soviets were so powerful in 1962 why did they not demand that us Americans abandon the Base to **Castro**? Could it be that the Cardinal's **Council on Foreign Relations**, in control of the Navy's top Admirals, are using it as a secret supply line, amassing weapons and equipment *underground* for the future invasion of the American South, filled with Protestant and Baptist communities providing the majority of the world's gospel-preaching missionaries? As Protestant East Prussia was destroyed by the Jesuits' Soviet Grand Inquisitor and his Red Army, so will be the Protestant South—*filled with the Jesuit General's Illuminized Freemasonry*—unless we repent and return to serve the risen Son of God, the Lord Jesus Christ! And if this is true, when the Jesuit-trained, Roman Catholic Communist, Corporate-Fascist, bastard son of a Nazi and absolute military dictator, **Fidel Castro**, dies, *Cuba will never be free* unless we invade it with a Bible-reading Protestant and Baptist army free of Jesuit commanders and intrigue. Would it not be wonderful to give back Cuba to the Cuban people (as JFK sought to do) having suffered exile, imprisonment and death at the hands of **Castro** and his advisors—*those damnable Sons of Loyola!* Dear truth-seeker, a US invasion and temporary occupation of Cuba would enable exiled Cubans of Miami to return to their native land and aid in our defense in preventing a successful Sino-Soviet-Moslem invasion of the American Protestant South. The Pope's Chinese Armada embarking from Africa's West Coast and landing in Cuba—the shortest distance across the Atlantic Ocean—could be prevented by an armed Cuba! Now who betrayed those brave men, Cubans and CIA agents, attempting to overthrow tyranny in Cuba with the Bay of Pigs invasion?

According to **Col. Prouty** it was *not* **President Kennedy**: it was CFR member and **Fidel Castro's** old friend from previous years, **McGeorge Bundy**. We read:

> **"Why wasn't that crucial air strike flown, after the President had specifically directed it to be done**? . . . A most unusual article, '*The Brigade's My Fault*', appeared on the op-ed page of the *New York Times* on October 23, 1979. It contained an elaborate and confusing confession. Its author was [*CFR member and Skull and Bones*] **McGeorge Bundy**. . . . He recalled all those major programs the CIA had under full steam when the Kennedy administration came to Washington in 1961, then wrote: **'So I have to consider that there was a staff failure—which means mostly me.'** He leaves no question about it as he writes that after eighteen years of contemplation, **'The Brigade's My Fault.' "** {20} [Emphasis added]

This betrayal was a masterstroke of Jesuit genius! It enthroned **Castro** in power by eliminating his most dangerous enemies. Plus, it infuriated the lower levels of the CIA, the FBI, the Mafia and Military Intelligence, as they believed **Kennedy** to be the culprit behind the betrayal. Only the few at the top really knew what happened. And *why* did this happen? Because prior to "the sacrifice of the mass" at the Bay of Pigs, the Jesuits knew that **Kennedy** was not going to escalate their "Crusade" in Vietnam intended to ignite the present Mafia/CIA multi-billion dollar drug trade.

Enraging the rank and file of the American Empire's Intelligence Community and having angered every Mafia family, the Jesuits used the leaders of those communities, *commanding hundreds of foot soldiers*, to murder the President. So the Order's Cardinal of international intrigue within "the Powerhouse" of New York City, **Francis Spellman**, oversaw the assassination and cover-up. The leaders **Spellman** used were Knights of Malta and high Freemasons including Mafia Dons.

Dear truth-seeker, this is *why* the Vatican's Jesuits, with the blessing of their "*infallible*" Cold Warrior and Roman Caesar, **Pope Paul VI**, used their foot soldiers under the command of that Roman Senator, **Francis Cardinal Spellman**, to assassinate the Empire's only Roman Catholic President and "brother" Knight of Columbus, **John F. Kennedy**. For he was mortally wounded in the house of his friends—shot in the back *from behind* by Secret Service Agent **George Hickey** in the follow-up vehicle, and shot in the head *from the front* (within three feet of the twice shot, bleeding Texas Governor) by the left-handed Secret Service Agent driving the limousine, ex-Navy Seal **William Greer**. According to **Robert Groden's** most excellent video, *JFK: The Case For Conspiracy* released in 1993, the gunshot entered *above the right eye*. While traveling through the President's head, the bullet blew *out and away* the flap of flesh and bone *from the right temple area* and exited the lower right rear of the head. Thus, *the path of the trajectory leads directly to the driver*, the shot from "the Grassy Knoll" serving as a deliberate distraction for the crowd.

Fearing for her life and terrified, with her *flight survival instinct* in full control of her will, *this is why* **Jackie Kennedy** sought *to get out of* the limousine by moving away from the murderous driver. (Orders had been given not to harm Jackie, as she was intensely loved by the Company's Secret Service. She had also attended Georgetown University for a time and her sister Lee's husband was the Polish **Prince Stanislaus Radziwill**—*another powerful Knight of Malta!)* Crawling onto the trunk of the convertible she then retrieved a blown away portion of the President's brain and later handed it to one of the doctors at Parkland Hospital. (Remember, four American Presidents—**Lincoln**, **Garfield**, **McKinley** and **Kennedy—**having been murdered by Jesuit-controlled assassins, received their killing shots from a point-blank range!)

Both Secret Service agents, **Hickey** and **Greer**, were under orders from their boss, **James J. Rowley,** as he was the Director of the Secret Service in 1963, a former FBI agent and personal friend of Francis Cardinal Spellman's **J. Edgar Hoover**, a Papal Knight and a darling of the **Jesuit Daniel J. Power** at Georgetown University!

Director, Central Intelligence Agency, 1953 - 1961

A powerful OSS officer during the Papal Caesar's Second Thirty Years' War, Dulles was also an active member of Cardinal Spellman's Council on Foreign Relations based in New York, the ***Black Pope***'s "trusted third party," through which the Order controls the American Empire.

Following the example of Knight of Malta William Donovan, this apostate Protestant Presbyterian and Knight of Malta worked hand-in-hand with the KGB through another Knight of Malta, James Jesus Angleton. In 1956 Dulles, aided by the Archbishop of Budapest, Cardinal Mindszenty, betrayed the Hungarians into the hands of the Soviets, and in 1961 he sabotaged the Bay of Pigs Invasion, betraying the "liberal" Cubans into the hands of that Jesuit-trained, Roman Catholic Communist Freemason, Fidel Castro. Dulles went on to participate in the assassination of President Kennedy and Jesuit Cover-up when appointed by President Johnson to the Warren Commission. This prostitute Protestant Presbyterian, Allen W. Dulles, is one of President Kennedy's most notorious assassins along with every ensuing Director of the CIA and every subsequent Archbishop of New York; for "silence is consent." Crippled by a Jesuit-ruled Justice Department and "the Order of the FBI," we patriotic American people have no recourse whatsoever to redress "the crime of the Twentieth Century."

Captain Heinrich F. Lorenz and Castro, Havana Harbor, 1959 #558

Captain Lorenz's German Luxury Liner, M.S. Berlin, 1950s #559

After Castro's successful CFR-backed, CIA-financed revolution in January 1959, Vatican Ratline runner and Ex-Nazi/CIA operative Heinrich F. Lorenz (possibly related to Waffen-SS Lt. General Werner Lorenz) docked his liner in Havana Harbor in February for a lively celebration. Lorenz's wife, Alice, worked for the NSA and his son, Joe, would work for the UN. His daughter, Marita, had been promised in marriage to a German son of I. G. Farben but would become a lifelong asset of the CIA, intimately involved with Jesuit Coadjutor Fidel Castro. ***Marita: One Woman's Extraordinary Tale of Love and Espionage from Castro to Kennedy***, Marita Lorenz with Ted Schwarz, (New York: Thunder's Mouth Press, 1993).

Marita Lorenz with Jesuit Coadjutor Fidel Castro, Havana, 1960 #560

Castro had been educated by Jesuits to be the new Roman Catholic dictator of Roman Catholic, mongrelized Cuba. The **Black Pope**, controlling both Castro and Cuba's bloody dictator, Fulgencio Batista, coordinated the outcome of the revolution, enabling Batista to flee to Coadjutor Franco's Spain, while Castro moved his headquarters into Knight of Malta Barron Hilton's Havana Hilton Hotel!

President Eisenhower, the creature of Cardinal Spellman, had called Castro "the Abraham Lincoln of Cuba" while the Dulles Brothers, ruling the State Department and CIA, would further the Order's plan of securing Cuba for the Jesuit. This was accomplished with Dulles' failed Bay of Pigs Invasion (1961) and the Order's bogus Cuban Missile Crisis (1962) with Kennedy's subsequent agreement not to invade Cuba. Meanwhile, Lorenz was recruited into the CIA by Jesuit Coadjutor Italian-American Roman Catholic Frank Fiorini (Sturgis), a secret friend of Castro. OPENLY sent to murder her former lover and father of her child by Jesuit Coadjutor FBI/CIA agent Alexander I. Rorke (who attended Loyola Seminary in New Orleans to become a Jesuit priest!*), the Agency's SECRET plan was to NEVER murder its new dictator, but secure the island for America's future Sino-Soviet-Moslem invasion. Lorenz, raped at the age of 7 by an American soldier in occupied Germany, became a CIA assassin and victim of mind control. She knew many of the players in the JFK assassination including "FBI informant since 1959" Jack Ruby, "Ozzie" Oswald, Frank Sturgis (who disguised himself "so he could look like a priest"), and E. "Eduardo" Howard Hunt. She also knew that Castro had no part in the assassination, for he "liked Kennedy." CIA assassin Lorenz was an unconscious servant of the **Black Pope**!

The Condemned CF-105 Avro Arrow, Ontario, Canada, 1958 #564

The Arrow is a classic example of what a historic White Anglo-Saxon Protestant nation (excluding Quebec) hosting an intellectually superior Jewish population can accomplish exercising its freedom of conscience in engineering technology.

Ahead of its time by forty years, the Arrow's top speed was mach 2.5+; its ceiling altitude was 80,000 ft.+; and its static engine thrust was 26,000 lb.+ (30,000 lb.+ in afterburner)!

In addition to many other features, the CF-105 was the first: to fly on electronic signals from the stick and pedals; to run all operational systems via a computerized digital brain; high-wing jet fighter to make the entire upper surface a lifting body (as would be the F-15, F-22, MiG-25, MiG-29, etc.); to use titanium for significant portions of the aircraft structure and engine; to use a drooped leading edge and aerodynamic "twist" on the wing later to be utilized in stealth capability; and to use an engine with only 10 compressor sections in a two-shaft design (all others using 17)! Further, the employees held stock in the company and therefore had a vested interest in its commercial success. The finest engineers in the world were swarming into A.V. Roe (Avro) and Protestant Canada was poised to be the most advanced nation in the world!

Ready for production in 1958, the **Black Pope** could never allow this imbalance of power to arise between his "East and West." Enter Freemasonic PM John Diefenbaker!

Potentate of Tunis Temple, Ottawa, Canada

13th Prime Minister of Canada, 1957 – 1963

Destroyer of the CF-105 Avro Arrow Jet Fighter, 1959

This Masonic White Gentile would prove to be just the man to kill the Avro Arrow CF-105. Married to a Jewess and supporter of the ***Black Pope***'s Masonic Jewish Labor Zionists ruling Israel, "Dief the Chief" was in fact a hater of the Hebrew people, as his policies would show. A champion of the Jesuit hue and cry for "social justice," Dief was a "Progressive (socialist) Conservative," who in 1952 became ambassador to the Pope's United Nations. With the Arrow to be ready for final testing and production in 1958, the Order ruling Ottawa used its plenary power over Roman Catholic French Quebec's Union Nationale political machine to give this 33rd Degree Freemason the largest majority government in Canadian history. Elected Prime Minister in 1957 but hampered with a minority government, this brilliant political move by the Order in 1958 enabled Dief, aided by Minister of Defense and brother Freemason, Major General George R. Pearkes, to cancel the final development and manufacture of the Avro Arrow in February, 1959. In the name of National Security, every fighter was destroyed except one, and the majority of Avro's technicians left Canada for employment with the CFR-controlled American Military Industrial Complex (McDonnell-Douglas, Boeing, NASA and Lockheed). Influenced by President Eisenhower's DCI, Allen W. Dulles, Dief purchased the worthless Bomarc anti-aircraft missile system and 64 used "Voodoo" jet fighters barely capable of mach 1. "The Cold War" must continue to build the Pope's USSR for its future attack on the US.

Chapter 41

The Jesuits — **1962 – 1965**

Vatican II; Cover-up for Rome's Cold War Against "Heretics and Liberals"
Masonic Pope John XXIII Seeks to Prematurely End Rome's Cold War
Assassination of Pope John XXIII; Replaced by Cold Warrior Pope Paul VI
Masonic Master of Pope Pius XII's "Vatican Ratlines;" Assassin of JFK

> "If two opposed blocs [*the Jesuit General's socialist "Communist" East financed by his socialist "Cartel-Capitalistic" West*] should finally succeed in settling their differences . . . what would become of the Vatican? . . . Thus the Vatican threw off its mask and openly recommended the continuance of the Cold War—pending the hot one." {1}[Emphasis added]
>
> **Edmond Paris, 1964**
> French Lawyer and Historian
> *The Vatican Against Europe*

Vatican II began in October of 1962 and lasted until December of 1965. There were many surface changes to the Roman Catholic Institution. The Mass would no longer be performed in Latin, Protestants were no longer called *"heretics"* but rather *"separated brethren"* and the priests' formal *"prayers"* for *"the perfidious Jews"* ceased. After the **Black Pope**'s anti-Jew, anti-Protestant, anti-Orthodox **Second Thirty Years' War**, the Vatican's Jesuit/Masonic masters sought to deceive the world into believing the Pope was now pro-Jew, for peace and religious liberty. But *in doctrinal substance* nothing had changed. The Pope was to continue to uphold the Jesuits' bloody **Council of Trent**. We read from the *Documents of Vatican II*:

> "The salient point of this Council is not, therefore, a discussion of one article or another of the fundamental doctrine of the church which has repeatedly been taught by the Fathers and by ancient and modern theologians, and which is presumed to be well known and familiar to all.
>
> **For this a Council was not necessary.** But from renewed, serene, and tranquil adherence to all the teaching of the Church in its entirety and preciseness, as it still shines forth in the **Acts of the Council of Trent** and **First Vatican Council** [*i.e., we must still kill the "accursed heretics" and the Pope is still "infallible"*] . . . The substance of the ancient doctrine of the deposit of faith is one thing, and the way in which it is presented is another [*i.e., we must carry out the ancient goals of killing "heretics and liberals," accursed and condemned over one hundred times by the Order's "sacred Council," but in another deceptive way*]." {2}[Emphasis added]

In pursuing the Jesuit-ruled Papacy's quest to establish an international World Government under the Pope of Jesuit making, the Council advocated an end to the Cold War by calling for the end of all national sovereignties by means of universal disarmament, *including the abolition of private gun ownership*, and the end of war in general. This ruse of war against sovereign, White Protestant nations of the West is comprehendible in light of the past but preposterous on its face. Again, we read:

> **"THE TOTAL BANNING OF WAR, AND INTERNATIONAL ACTION FOR AVOIDING WAR:**
>
> It is our clear duty, then, to strain every muscle as we work for the time when all war can be completely outlawed by international consent. This goal undoubtedly requires the establishment of some **universal public authority** acknowledged by all, and endowed with effective power to safeguard, on the behalf of all, **security**, regard for justice, and respect for rights. . . . Hence everyone must labor to put an end at last to the arms race, and to make a true beginning of disarmament . . ." {3}[Emphasis added]

Pope John XXIII followed the Jesuit General's *open and future policy* laid down in the Council, which is identical to that of Rome's United Nations. We read:

> **"Pope John XXIII** (1958-63) reversed the anti-Communist policies of his predecessor, **Pope Pius XII.** He commenced dialogue with the communists of Europe and signaled Soviet Russia that the Vatican would be ready to cooperate with her. He fathered the Vatican II Council and ecumenism [*thus beginning Rome's OPEN alliance with our coming invaders*]." {4}

But while pursuing the policy of ending the Cold War, **Pope John XXIII** suddenly "died" of a rapidly progressing cancer (according to **Gordon Thomas**, an Irish journalist, as revealed in his masterpiece on Israel's Mossad, *Gideon's Spies*) in July of 1963. And who replaced him? It was the secret Cold Warrior and Vatican Ratline handler, **Cardinal Montini**, who became **Pope Paul VI**. Under **Pope Paul VI** the Cold War would continue but **President Kennedy** persisted in following the anti-Cold War leading of **Pope John XXIII**. Therefore, like the Pope, **President Kennedy** also "died" and was replaced with another Eisenhower-Nixon-style Cold Warrior, a Jesuit-advised Freemason and servant of **Cardinal Spellman**, **President Lyndon Johnson**. As the **Cardinal of Lorraine**, in league with the Jesuits, used the military of **Queen Catherine de Medici** of France to make war on the French Protestants in 1572, so would **Cardinal Spellman**, in league with the Jesuits, use the military and Commander-in-Chief of the "Holy Roman" American Empire to make war on the Vietnamese Buddhists in 1964. The lying **Gulf of Tonkin Affair** justified the bombing of Hanoi; **Spelly's War** was now on! *The ends* of Vatican politics never change, only *the means*. Thus "for the greater glory of God"—

Satan's *"infallible"* god-man who sits in St. Peter's Chair—"**the ends justify the means.**"

Obviously, the Society of Jesus had planned on ending the Pope's Cold War in favor of some "universal public authority acknowledged by all." So in 1989 the Cold War "officially ended"—at least in **Fourteenth Amendment America**. But *why* were both **Pope John XXIII** and **President Kennedy** removed from their offices for following the Jesuit policy of disarmament as outlined in the **Second Vatican Council**? Because both sought to end the Cold War *prematurely!* The International Intelligence Community, the Drug Trade and the Russian War Machine were not yet fully developed. The **Hoax of the Moon Landing** (**www.moonmovie.com**) led by occult Freemason **Neil Armstrong**, had not yet been perpetrated on the peoples of the world, as the true purpose of the Space Program was to put spy satellites into orbit enabling Rome's united Intelligence Communities to monitor the actions of all the inhabitants of the earth, while enforcing its evil **Council of Trent**. The Order's old enemy, the White, Celtic-Anglo-Saxon Calvinistic Protestant and Baptist Middle Class people of the North American Empire, had not yet been *amalgamated and communized* or broken in their will, morale, health and finances. Thirty years of *"relentless war, secretly or openly, against all heretics, Protestants and Liberals, . . . to extirpate and exterminate them from the face of the whole earth"* had not yet taken its deadly toll. For many other reasons it clearly was not time to end the **Pope's Cold War**.

Thus, the Vatican's *open but false policy* was to end the Cold War while its *secret but true policy* was to continue that most successful of Inquisitions in making "the risen Vicar of Christ" the **Theocratic Universal Monarch of the World**—enthroned in Jerusalem**'s** rebuilt **Temple** as ***"that man of sin!"*** **Francis Parkman**,one of America's greatest Nineteenth Century historians, sustains our conclusion:

> **"The Jesuits, then as now, were the most forcible exponents of ultramontane principles. The church to rule the world; the Pope to rule the church; the Jesuits to rule the Pope: such was and is the simple programme of the Order of Jesus, and to it they have held fast, except on a few rare occasions of misunderstanding with the Viceregent of Christ."** {5}[Emphasis added]

Indeed, the brave and virtuous **M. F. Cusack**, an ex-Nun of Ireland's Kenmare Convent (who had been seduced into Romanism by the Order's wicked Oxford Movement in England, but who later became a Bible-believing Protestant) and author of *The* ***Black Pope***, which is the rarest of histories in describing this most sinister *world religion* to be foisted upon us by the Jesuit Order, so ably concluded:

> "The Jesuits offer the world at large a system of theology by which **every law, Divine and human, may be broken with impunity,** and by which the very bulls

of popes may be defied. **It is a ghastly religion; it is a religion to be abhorred of all honest and honourable men.**" {6}[Emphasis added]

Therefore, in November of 1963, four months after the death of Pope John XXIII, President Kennedy also died—at the hands of Vatican Assassins.

Pope John XXIII Receiving Cardinal Spellman, Rome, 1958 #566

Paying homage to the new Pope at the Obeisance Ceremony in the Sistine Chapel on October 30, 1958, Spellman OPENLY submitted to his master but SECRETLY opposed him—as did the **Black Pope**. Despite the Pope's attempt to OPENLY converse with Soviet Russia (having expelled the Russian Branch of the Knights of Malta in 1917) and the Chinese (who expelled the Jesuits in 1949), the Order's Cold War was to continue. Thus, John XXIII would be the victim of "the poison cup," dying of an induced cancer, and Spellman would have his war in Vietnam! ***The Cardinal Spellman Story***, Robert I. North Vietnamese Roman Catholics Going South, 1955 #569

Rome's Crusade against the majority Buddhist population of Vietnam was set in motion by Cardinal Spellman's terroristic Saigon Military Mission (SMM).

Created in January 1954, it was headed by CIA "superagent" and minion of SMOM Allen W. Dulles, USAF Colonel Edward G. Lansdale. Returning from exile in a Benedictine monastery in Belgium, Diem was brought to absolute power via Lansdale and a CIA-managed election in October 1955. Engineering a Civil War, Spellman used Eisenhower's Sec. of the Navy Charles S. Thomas (who subsequently directed aircraft giant, Lockheed Corp.) to transport 660,000 Roman Catholics on Navy ships from the North to the South, from Haiphong to Saigon harbors. The priests' lies put forth to relocate these Northern Catholics were they "would be murdered by communists," and that "the Virgin Mary had gone south." According to Sec. of State John Foster Dulles, a total of 1,100,000 were moved south by the SMM. "The scheme had been conceived not in Vietnam but simultaneously at Washington and the Vatican. It was the brain child of Cardinal Spellman, of Pius XII, the two Dulles brothers, Diem and certain American military elements . . ."* With the Catholics now in the South, the bombing of the Buddhist North began when Vatican II terminated in 1965.

Having considered becoming a Romanist for several years as foretold by CFR–controlled columnist Drew Pearson, before his death Spellman's traitor was secretly baptized into the Pope's Roman Catholic Church: his daughter Luci had previously been an open convert to Romanism. ***In God's Name***, David A. The Order's 16th Century's conspiracy was to first conquer Japan and then China. Failing for over 200 years, the Order finally conquered Japan in 1868, Emperor Meiji to build an empire serving as "the Sword of the Church" during WWII. Using its American "Sword of the Church," Japan was submitted to the rule of the **Black Pope** in 1945, as was China in 1949. Though Chairman Mao OPENLY expelled the Order in 1949, the Jesuits SECRETLY were Communist China's masters, using their American Empire to both erect and support the Order's Inquisition in the Far East. "New York was blustery on Wednesday evening, **October 19, 1960.** Leaves swirled on Park Avenue and the wind whipped the flags outside the **Waldorf-Astoria** as hundreds of men and women in evening dress scurried in from the night chill. . . . Here were the rich, the powerful, and the famous, gathering for an extraordinary affair.

The occasion was the fifteenth **Alfred E. Smith** [*a Knight of Columbus and four-term Governor of New York*] Memorial Foundation Dinner. Always hosted by [*Jesuit-trained*] **Francis Cardinal Spellman,** the archbishop of New York, the annual dinner had become perhaps the most significant political banquet in the nation. . . . the affair functioned as a glittering showcase for the Cardinal's ties with businessmen, politicians and military leaders. . . . [*as*] **Spellman** [*was*] the most influential religious leader outside the Vatican. As usual, the dinner was attended by wealthy Republicans and Pentagon officers . . . Among them were the incredibly rich: the press lord [*SMOM*] **Henry** [**R.**] **Luce**, the industrialist **J. Peter Grace** [*head of the American branch of the Knights of Malta*], and the financier **Bernard Baruch** [*the most powerful Jew in the history of the American Jewish Establishment, one of Spellman's Masonic Jewish Labor Zionists and personal friend of the late Georgetown Jesuit,* **Edmund A. Walsh**] all sat at the head table, within touching distance of **Spellman.** The Cardinal had always had a high regard for military men [*as they were the teeth of the Order's Council of Trent enforced by the Cardinal's Council on Foreign Relations*], and generals and admirals in dress uniforms were scattered among twenty-five hundred guests. They had known **Spellman** on the battlefields of Europe and Asia or at the Pentagon, where the Cardinal was a familiar figure and even attended military intelligence briefings. They included . . . [*Roman Catholic, CFR member and first Commander of US forces in Vietnam advised by a Jesuit of international renown,* **Dan Lyons**] **Major General William C. Westmoreland;** . . .

The Cardinal was the friend of many influential conservatives, including [*Dame of Malta*] **Clare Boothe Luce,** [*33° Freemason*] **General Douglas MacArthur,** and Speaker of the House **John McCormack. . . . J. Edgar Hoover** [*awarded the Scottish Rite's highest recognition, the Grand Cross of Honor in 1965*] and [*SMOM*] **John Foster Dulles** [*whose son* **Avery Cardinal Dulles** *is a Jesuit and Knight of Malta*] were close to the Cardinal. . . . His network encompassed officials of the Central Intelligence Agency and the Federal Bureau of Investigation, as well as many presidents, congressmen, governors, and mayors. His contacts circled the globe and included [*33° Freemason*] **Winston Churchill,** [*Jesuit-trained*] **Charles de Gaulle,** and [*Masonic Jesuit Coadjutor*] **Francisco Franco.**

Spellman's role was . . . that [*of a "policymaker himself"*]—a pivotal figure in . . . clandestine political and military operations that helped shape the history of his nation and others. . . . He wholeheartedly supported the witch-hunts of **Joe McCarthy** [*the Jesuit-trained, American fascist US Senator who indeed attacked notorious communist traitors like* **Alger Hiss**, *the author of the Masonic United Nations Charter, with a Jesuitical, inquisitional type of procedure*], helped the C.I.A. attack leftist movements around the world, and assisted the F.B.I. at home. . . . To both his admirers and his detractors, **Spellman** was a man of such enormous influence that he was nicknamed **"the American Pope."** {4} [Emphasis added]

"The phenomenon of the prelate who is a fabulous success story in the ecclesiastical as well as in the financial fields tends to be the rule rather than the exception. One of the most celebrated cases was certainly **Cardinal Spellman,** the unofficial Primate of the U.S. Church under **Pope Pius XII, Pope John XXIII** and **Pope Paul VI.**

Spellman exerted a preponderant influence, not only in U.S. political and military circles, but also inside the [*Jesuit-controlled*] Vatican itself. . . . Besides acting as chief diplomatic adviser to the Vatican on endless diplomatic missions, he was equally valuable to Rome in the financial field. Thanks to his personal contacts with the top finance corporations and high government officials, **Cardinal Spellman** could give highly confidential tips to the Vatican and to the U.S. Church concerning impending financial, industrial and other similar operations in the offing, and since these came along before the general public knew anything about them, the Church in the U.S. and the Vatican benefited to the tune of countless millions of dollars. While it was true that this state of affairs was attributed mostly to the close personal friendship between

[*pro-Nazi fascist*] **Pius XII** and [*pro-Nazi fascist, American Vatican Ratline lord*] **Spellman** [*a close friend of the pro-Nazi Archbishop of Munich and Vatican Ratline lord,* **Michael Cardinal von Faulhaber**] it was nevertheless a significant pointer to the paramountcy which the American prelate had in Vatican eyes.

A telling episode, as related by an American friend of the author, already mentioned, **Nino Lo Bello**, European correspondent of the *New York Herald-Tribune* and a specialist in economic affairs, is enlightening. Referring to the little known fact that [the ***Black Pope***'s *Jesuit-manned*] Vatican Radio broadcasts daily messages *in code* to priests, nuncios and cardinals, he quoted the experience of an NBC correspondent [*NBC being controlled by the Cardinal's Council on Foreign Relations*] who, after visiting the Vatican Radio Station [*managed in 1959 by P2 Lodge-member,* **Monsignor Virgillio Levi**], and being told of this daily transmission to the United States, asked in jest: 'Is that when Cardinal Spellman gets his orders from the Vatican?' The staff member who was acting as his guide replied with a grin, 'No, Sir, it's just the other way round.' . . .

Up to 1964, Spellman had built 130 new Catholic schools, thirty-seven churches and five big hospitals [*in furthering the Order's quest of "Making America Catholic"*]. He spent **$90 million** a year on construction. In 1960, a survey of the financial magazine *Fortune* estimated that his Catholic charities were worth **$50 million** a year, and his schools another **$22 million** [*which schools Knight of Columbus* **John F. Kennedy** *refused to subsidize in accordance with the Cardinal's voucher plan, later approved by "Skull and Bones"* **George W. Bush**]. Spellman used to bring the Pope **$1 million** in Peter's Pence annually. This was collected, usually in all New York churches, in January of each year. Again according to the authoritative *Fortune,* in 1960 the revenues and collections of Spellman's archdiocese totaled to about **$150 million** a year. No wonder that in the Vatican itself, Spellman had been nicknamed **Cardinal Moneybag** [*then ruling his Masonic Rockefeller Empire including the Texas Oil Industry, one of its moguls being Masonic JFK assassin,* **Clint Murchison, Sr.**]." {5} [Emphasis added]

out of its rotted roots [*planted in Moscow by Jesuit* **Edmund A. Walsh** *in 1922-24 under the guise of a Papal Relief Mission*], for I believe that 'Rebellion to tyrants [*like "tyrant"* **JFK** *as defined by* **Jesuit Francisco Suarez**, *"tyrants" being those who refuse to uphold the*

Such was the message he repeated in many forms to many audiences in the years that followed—to mourners at Arlington National Cemetery on Decoration Day [*feigning American patriotism in spite of his Cardinal's Oath of Allegiance to the Pope*], to the FBI in Washington at their commencement [*with "Brother" homosexual 33° Freemason* **J. Edgar Hoover**], . . . and again in Milwaukee when he received the second **Bernard Baruch Distinguished Service Award** [*ADL Baruch being one of Spellman's Frankist "Court Jews" and Masonic Labor Zionists*] . . .

Among the developments that were being given close attention was an inspired article [*Most definitely! as our Jesuit author* **Robert I. Gannon** *fully understood who ruled the USSR*] in the communist organ *Rude Pravo* [*secretly written by Soviet Jesuits*] for August 3, [*1949*] which charged that the heads of an 'organization X' including [*Knight of Malta*] **Allen Dulles** and [*Knight of Malta*] **Francis Cardinal Spellman**, had decided to make a martyr out of [*Prague*] **Archbishop** [**Josef**] **Beran** [*who was "imprisoned" for sixteen years by "Communists," furthering the illusion that Jesuit Romanism was the enemy of Jesuit Communism*] because they were displeased over the relaxing of East-West tension. The Cardinal Spellman Story

"[**"Cardinal Moneybag"**] **Spellman** named as his financial adviser his longtime friend **John A. Coleman**, one of Wall Street's ablest and most influential brokers. From then on the Holy See in America was into big business in a big way. In their successful drive to turn the heavily debtridden New York

archdiocese into the richest in the world, the ambitious pair began by playing upon Spellman's 'amazing capacity for getting things done by the give-and-take of favors through powerful people.' Day after day they staged luncheons and dinners with bankers [*CFR/Illuminist* **John D. Rockefeller, Jr.**], industrialists [*33° Freemason* **Thomas J. Watson, Sr.**], Wall Street traders, corporate executives, labor leaders [*CFR/Jesuit Temporal Coadjutors* **Walter P.** *and* **Victor G. Reuther**], real estate brokers, financial editors—anyone of influence in any field.

Titles in the **Knights of Malta**, the Holy See's most prestigious organization of laymen, were offered as bait to the wealthy and powerful who sought personal gilding in exchange for funds and favors. The title of knight became so eagerly sought after by Catholic laymen that it was not uncommon for an aspiring applicant to give Spellman from $50,000 to $100,000 for the honor. Some Catholics were known to have paid the New York archbishop as much as **$200,000** to be named a knight. Spellman became so greatly indebted to Coleman and trusted him so implicitly that he eventually appointed the financier to the top post of the Knights of Malta. From then on **Coleman** was known as '**The Pope of Wall Street**.'

The archbishop took **Knights of Malta** funds and sums from another of the Church's secretive male organizations, the **Knights of Columbus**, to use as seed money for investments. The New York archdiocese also established its own bank, the Archdiocesan Reciprocal Loan Fund, to borrow and lend money. Soon the high-pressure team of **Spellman** and **Coleman** began making deal after deal—principally with the Catholic establishment's elite in big business, industry and commerce [*including the CFR-controlled director of the Pope's Federal Reserve Bank in New York*]. In one deal alone during Spellman's reign $30 million was invested through Coleman in the purchase of stock in National Steel, Lockheed, Boeing Aircraft, Curtiss-Wright, and Douglas Aircraft [*in building the Pope's CFR-ruled American Military Industrial Complex, it to be awarded billions in military contracts (for* the **Black Pope**'s *up-and-coming Crusade of WWII) by the Pope's CFR-ruled American Government, financed by the Pope's CFRruled Federal Reserve Bank, it exercising the exclusive right of being the American government's financier, creating credit out of thin air, the land of the nation and labor of its people serving as collateral*]. Large Church investments also were made in other leading U.S. corporations including Goodyear, Firestone, General Foods, Procter & Gamble, [*Rockefeller's*] Standard Oil, Westinghouse and Colgate Palmolive [*all of which are on the corporate roster of the Archbishop's Council on Foreign Relations*]. A considerable [*stock*] interest in the [**Warner**] **Lambert Pharmaceutical Company**, manufacturer of Listerine Antiseptic, was bequeathed to Spellman

by the firm's founder [**Knight of Malta Elmer H. Bobst** *(CEO 1945-1978), godfather to the Nixon presidency which administration included JFK assassins* **John Connally, George H. W. Bush** *and* **E. Howard Hunt**] and later sold by the archbishop for $25 million. . . . Even the Mafia bent a kiss to Spellman's ring. New York mobster **Frank Costello,** who along with **Lucky Luciano** dictated the U.S. underworld's illicit drug and prostitution operations, was particularly taken by Spellman's Church authority and charm. Through Spellman's connection with Costello the magnificent bronze doors of New York's Saint Patrick's Cathedral were presented as a gift to the Church. [*Unbelievable!!!*]

Though Spellman was by far the greatest business head the Church has ever had in America, he was not the first U.S. churchman to connect the Holy See with commercial ventures. Perhaps the biggest undertaking in earlier years was its important role in the establishment of the [*Jesuit Order's CFR-ruled*] **Bank of America.** Though this was long before Spellman's time, it remained for the coming of the Spellman era for the Holy See to reap the profits of its early investment, a mere $150,000 for which the Church received 51 percent of the bank's stock. During the Spellman years the bank built its assets to over **$25 billion**. . . . The additional advantage to the Church remained in its unique nonprofit designation, which enabled the Holy See to earn its fortunes without payment of taxes [*no IRS audits*]. . . .

During Spellman's extensive [*WWII*] military travels to nations around the world, the New York archbishop transported a variety of wealth—bank notes, stocks, bonds, gold, and silver—that was said to be in the many millions of dollars. Safely ensconced in his important clerical garb and withal the credentials necessary from **FDR,** the so-called **American Pope,** with his cherubic smile, hadn't the slightest concern of being searched. He never was. . . . The papacy showed its gratitude to Spellman, particularly for his covert smuggling operations, by awarding the New York archbishop its high blessing—a red hat. At Pius's first consistory, held in February 1946, Spellman was made a cardinal and automatically elevated to the Sacred College." {7} [Emphasis added]

"The Knights of Malta comprise what is perhaps the most exclusive club on earth. They are more than the Catholic aristocracy; they are the nobility, royalty. Of the more than six hundred million Roman Catholics in the world, only eight thousand are Knights of Malta, or, to use the full title, the Sovereign and Military Order of the Knights Hospitaller of St. John of

"The crusading nature of the Knights led them both to virtually launch both the Cold War, the McCarthy 'witch-hunt,' and the last great crusade known as the Vietnam War. . . . It was the SMOM-Georgetown axis which also launched [*Jesuit-trained*] **Joe McCarthy's** career.

McCarthy was directly briefed by men like [*Jesuit*] Father [**Edmund A.**] **Walsh** of Georgetown University who, with the help of the [**Hoover's**] FBI, fed McCarthy his stories of 'Communists' in the State Department [*when they were in fact CFR members controlled by Spellman*]. . . . Today [*SMOM*] **Cardinal Cooke** is filling Cardinal Spellman's role as 'Grand Protector and Spiritual Advisor' to the American wing of SMOM. The role of Cardinal Spellman in American politics cannot be skipped over. There is so much dirt on Spellman one does not quite know where to start. Suffice it to say if there was any one figure in America who played the key role in getting the United States into Vietnam it was Cardinal Spellman. Diem's death and the apparent possible complicity of President John F. Kennedy in the downfall of Diem to this day still upsets one member of the order, **Cyril Toumanoff**, a White Russian based in Rome who is the official historian of the Order. As Toumanoff explained to one of this author's sources, Kennedy felt very uncomfortable with his Catholic connections and was indeed a little ashamed by them. So Kennedy sometimes went out of his way to show his independence from his Catholic roots. Such an attitude by Kennedy (in Toumanoff's view) was 'a mistake.' "The Men Behind the
New Counter-Reformation"

"The **Order of Saint John** originated with a hospital dedicated to Saint John in Jerusalem and established around 1070, some thirty years before the **First Crusade**, by Italian merchants to minister to pilgrims. It seems to have constituted itself officially as an order around 1100, just after the **First Crusade** [Jerusalem *having been taken from the Moslems*], when it took its first Grand Master. . . . Like the Templars, they became extremely wealthy. Their Order

developed into a vast military, ecclesiastic and administrative edifice with hundreds of knights, a standing army, numerous ancillary services, a network of castles and fortresses and enormous holdings of land not only in Palestine, but across the Christian [*Roman Catholic*] world. . . .

In the mid sixteenth century, they were still one of the supreme military and naval powers of the Christian [*Roman Catholic*] world, with strength and financial resources comparable to most kingdoms. Already, however, the seeds of decline had been planted. In Germany, Switzerland, Holland, Scotland and England, the [*White*] **Protestant Reformation** had begun to fracture the unity of [*White*] Catholic Europe [**Praise God!**]; . . .

At last, in 1834, the Knights were able to establish a new base for themselves in Rome [*governed by the Jesuits, now ruling the Knights*]. Despite the loss of their island home, they adopted the title of **Order of Malta** to differentiate themselves form the Protestant Orders of Saint John then being formed in Britain and Germany. . . . **In the immediate aftermath of the Second World War, before the creation of the state of Israel, there was actually some talk of entrusting the Knights of Malta with sovereignty over Jerusalem** [*for which reason the Pope's Knights of Malta control the political parties and intelligence services of Israel via the American CFR and CIA*]. . . . **The Grand Master** [*now* **Fra Andrew Bertie**] is recognized as a head of state, with a secular rank equivalent to a prince and an ecclesiastical rank equivalent to a cardinal. . . .

The twentieth-century **Order of Malta** is, needless to say, ideally placed for intelligence work. Its network of membership is international and at the same time well organized. . . . Its membership extends from medical staff and ambulance drivers to important figures in politics, business and finance who have access to spheres that ordinary priests would not. In consequence, the **Knights of Malta** became closely associated with the Vatican's own intelligence department [**Pro Deo**, *administered by Jesuits*].

The Order seems not to have been hostile to such an association. On the contrary, it seems to have welcomed the opportunity to resume, on a clandestine level, the role it had first begun to perform during the twelfth century—that of spearheading a crusade [*like the Second Thirty Years' War (1914-1945); the East-West Cold War (1945-1989); and now the Americanled "Crusade" against Islam ignited by American Knights via 911*].

Today, the **Order of Malta** is believed to be one of the primary channels of communication between the **Vatican** and the **CIA.** There is ample evidence for such an assertion. . . . The Order's work in intelligence would naturally have

been facilitated by the number of highly placed American officials in its ranks [**Allen Dulles, William Casey, John McCone**, *etc.*].

As the **'Cold War'** gained momentum, the American contingent of the Order increased substantially. The most influential figure in this contingent was, again, **Cardinal Francis Spellman** of New York—who had worked for the CIA in Guatemala and whose network of personal associates led directly to **P2. Spellman** became 'Protector and Spiritual Adviser' of the American Knights. **He also became their effective head.** In this capacity, he raised immense sums of money, each of the many Knights created annually having to pay tens of thousands of dollars as an enrolment fee. It has been alleged that only a portion of this revenue ever found its way to the Order in Rome, the bulk of it being deployed for other purposes. **Spellman** was also in league with a cardinal who, during the 1950s, made an attempt to hijack the Order and use it for his own political ends.

It is not uncommon for CIA directors to be Knights of Malta. **John McCone**, for example, was a Knight. . . . The Order's membership at present includes **William Wilson** (United States Ambassador to the Vatican) . . . **George** [**Raymond**] **Rocca** (former deputy chief of CIA counter-intelligence [*and key assistant of SMOM* **James J. Angleton**]), and **Alexander Haig**. . . . there is a persuasive body of evidence attesting to its involvement in intelligence activity. . . . Thus, for example, a cardinal, say, and a high-ranking intelligence officer, both of whom happen to be Knights, may come together at one or another of the Order's social functions. Each may introduce the other to an influential banker, or a prominent politician. **In this way, a project may be implemented and coordinated at the highest level without official directives, written instructions or formal procedures that might ultimately demand accountability. There would be no tell-tale paperwork to be discovered afterwards—paperwork which can often be compromising and is notoriously difficult to dispose of without trace.** Like the Lodge in Freemasonry, the **Order of Malta**, by its very nature, conduces to such procedures. It functions, in effect, as an ideal conduit. And its freedom of manoeuvre is facilitated by its diplomatic prestige, its relatively low profile, its international network and the respect accorded its humanitarian endeavours." {10} [Emphasis added]

"In the relations between the State and the Church, my Government intends to maintain strictly the separation of the temporal and the spiritual; to honour the clergy, but to keep it within the limits of the sanctuary; to bring to religion and to liberty of conscience the most unlimited respect, but to preserve inflexibly intact the prerogatives of the civil power, and the rights of the national sovereignty." [*Although correct in his statement above, this weak Roman Catholic "liberal," and Masonic king, whose monarchy the Order abhorred due to its taking away of the Pope's Temporal Power in 1870 during the First Vatican Council, was evidently a tool of the Jesuits, he knowing full well that occult agents of* the **Black Pope** *had murdered both his grandfather (via the poison cup) and father (via the leaden bullet).*

He therefore appointed the Order's fascist, secretly Masonic, **Benito Mussolini** (a devoted student of Masonic **Vladimir Lenin** while in Geneva and financial backer of Munich's secretly Masonic **Adolf Hitler**) as Prime Minister and refused to suppress Il Duce's "March on Rome" in 1922—delighting the Company. He permitted the Jesuit General's dictator to restore the Pope's Temporal Power in 1929 via the Order's Lateran Treaty, robbing the kingdom of 1.75 billion lire in "reparations," while creating a new political sovereignty within Rome—the Sovereign State of Vatican City. After a series of military disasters killing tens of thousands of "liberal" Roman Catholic Italians (so "accursed" by the Council of Trent), the controlled King arrested Mussolini in 1943 for which reason Rome could then be "occupied" by her pretended enemy—the Nazis. The SS then deported Rome's Jews to Auschwitz creating the illusion that Pius XII was a powerless bystander to the mass-murder. King Victor and his son were ultimately driven into exile in 1946, the males of the House of Savoy legally forbidden to return, while the Jesuits had "purged" Rome of its "perfidious Jews" and now rule Italy's socialist democracy.] {12}

A Speech From the Throne
Priests and People In Ireland

"[**Freemason**] **Clint Murchison** [**Sr.**] had a meeting at his mansion on his 6.34-acre estate in North Dallas the evening of **November 21, 1963**. It was scheduled to start at 8:00 P.M., and ended after 10:00 P.M. **Wheaton M. Coward** reported that:

> **'It was called a victory party in celebration of the coming murder of President Kennedy**. Word of the party was first revealed by [**William**] **Penn Jones, Jr.**, author of the *Forgive My Grief* [*four-volume*] series. (Midlothian Mirror) This is from Penn Jones:
>
> "We have always felt that before the President was killed, a staff conference was held somewhere . . . For a time we thought the conference was held in Sikes, Louisiana. There were some planning meetings held in Sikes for some of the lower level operatives, but not the big meetings just before the 'hit.' . . . So a conference was necessary and a conference was held. Since **Richard M. Nixon** and **J Edgar Hoover** were in the Murchison home that night, we feel we should report that the conference was held there in the home."

And after the speech, he (**Nixon**) was driven to the home of the Murchison's for a party and another conference attended by, in addition to the host, **H. L. Hunt**, **Vice President Lyndon Johnson**, **J. Edgar Hoover**, **John J. McCloy** and officers of some war-equipment corporations.' . . .

In several private meetings with this author, **Madeleine Duncan Brown** [*LBJ's Roman Catholic mistress and author of Texas In The Morning*], plus the revelations of **Wheaton M. Coward**, the following was revealed:

> On the evening of November 21, 1963, there was supposed to be a social event honoring **J. Edgar Hoover,** but it really was a private meeting of the insiders. The insider attendees of this private gathering were:
>
> 1. **Clint Murchison, Sr.:** [banker, WWI veteran; multi-millionaire; oil and gas developer; financier; apostate Presbyterian Freemason; tied to **Sid Richardson, H. L. Hunt, Lyndon Johnson,** the CIA, the FBI, the Mafia (Genovese Crime family), and Mafia-controlled organized labor];
>
> 2. **Haroldson L. Hunt:** [oil producer; one of the wealthiest men in the world; financed the Dallas flier against JFK, "Wanted For Treason;" began plotting the assassination of JFK shortly after the Democratic convention in 1960 about the time JFK declared to the Houston Ministerial Association that his policies would not be dictated by the Papacy; the key backer of the American Council of Christian Churches, an anti-communist group of Presbyterian churches led by pro-Cardinal Spellman, pro- J. Edgar Hoover, Cold Warrior, high-level Freemason **Carl McIntyre;** taken to New York City at 12:30 P.M. on the day of the assassination by Division Five of the FBI controlled by FBI Assistant Director **Knight of Malta Cartha DeLoach,** Hunt most assuredly celebrating with his papal master and Archbishop of New York, **Francis Cardinal Spellman;** declared to M. D. Brown that **'Jack** [**Ruby**] is really

'in' with 'the great white fathers' of Dallas (Texas In The Morning, p. 168); son **Nelson Bunker Hunt** is a Knight of Malta backing evangelicals **Pat Robertson** and **Tim LaHaye**];

3. **Vice President Lyndon Baines Johnson:** [Freemason; Jesuit-trained at Georgetown University for one year; became a US Senator due to voter fraud called "the Box 13 Scandal;" owner of KTBC-TV in Austin, Texas; close to Knights of Malta **Cartha D. DeLoach** (FBI), **Allen W. Dulles** (ex-CIA Director/Warren Commission member) and Washington attorney/insider **Edward Bennett Williams;** spoke to his mistress of the Invisible Government ruling Washington]; **Madeleine Brown** writes in her book [erroneously cited by **Robert Gaylon Ross, Sr.**, presently quoted, though he interviewed M. D. Brown several times at his Texas ranch]:

4. 'Lyndon arrived in Dallas on Airforce II on Tuesday, November 19, 1963. He was supposed to have been in Houston the evening of November 21st, but midway during the evening, he opened the door leading to the party (at Clint Murchison's home), and said, '**Come on men, we need to have a meeting.**' He, and the main actors, went into the dining room, closed the door, and went over the details of the event that was to happen the next day.'

5. **George R. Brown**: [*co-owner with his brother,* **Herman**, *of the Brown & Root Company of Houston, which company was later given oil rights to drill off the coast of Vietnam thus stealing the oil from the wartorn Vietnamese people; received many lucrative government contracts through LBJ on a no-bid, cost-plus basis ensuring a profit and kick-back for LBJ; contributed millions of dollars to LBJ, mostly in cash*];

6. **John J. McCloy**: [*Knight of Malta who considered the Constitution to be a mere 'piece of paper;' Chairman of* **Francis Cardinal Spellman's** *Rockefeller-controlled Chase Manhattan Bank and Council on Foreign Relations; co-founder of Knight of Malta* **William J. Donovan** *and Knight Templar* **Frank Wisner, Sr.'s** *Central Intelligence Agency in 1947; High Commissioner for Germany after WWII who released scores of convicted Nazis resettled in the West; a player in saving* **Nazi General Reinhard Gehlen** *and his intelligence apparatus via The Secret Treaty of Fort Hunt; a player in* **Operation Paperclip** *bringing Nazi scientists into the US, the CIA program*

intended to build NASA's rocket program putting satellites in orbit perfecting the Order's **International Intelligence Community,** *all of which was backed by America's head* SMOM, **J. Peter Grace, Jr.**];

7. **Richard Milhaus Nixon:** [*backed by* **Knight of Malta Elmer H. Bobst,** *Chairman of pharmaceutical giant Warner Lambert; Eisenhower's Vice President and Cold Warrior; hated JFK for defeating him in the 1960 presidential election; driven to Murchison's mansion on Thursday evening by* **Peter O'Donald;** *departed Dallas for New York before Kennedy's assassination (as did* **H. L. Hunt,** *after the assassination) quite possibly to convene with his temporal master,* **Francis Cardinal Spellman**];

   J. Edgar Hoover: [apostate Protestant 33rd Degree Freemason; FBI Director (1924-1972); protected the **Black Pope**'s American Mafia denying its existence until 1957, regularly meeting with New York crime boss and Papal Knight **Frank Costello** who publicly donated the ornate entry doors to **Archbishop Spellman's** political "Powerhouse"—St. Patrick's Cathedral; involved in Operation Paperclip, hiring top Nazis into the FBI; hated JFK who sought to remove him after Kennedy's potentially successful 1964 presidential election; picked up at Love Field and brought to the secret meeting by Murchison aide **George W. Owens.**] . . . **Kai Bird** tells the following:

   '. . . after [FBI informer] Oswald was shot on November 24, **J. Edgar Hoover** phoned the White House and left a message for Johnson: **"The thing I am most concerned about . . . is having something issued so we can convince the public that Oswald is the real assassin."** Hoover ordered his men to concentrate exclusively on making the case against Oswald as the lone assassin [thus cameras were confiscated, bullet slugs pocketed, and witnesses intimidated]. Without wasting any time, on December 9 [only seventeen days after the murder], Hoover handed the commissioners the FBI's Summary Report on the assassination. It concluded that Oswald had acted alone in firing three shots at the presidential party, two of which hit **Kennedy** and one of which hit **Governor John Connally.**'

8. **Clyde A. Tolson:** [Hoover's second-in-command and homosexual partner for forty years; received Hoover's estate upon the death of his sodomite master in 1972];

9. **Robert. L. Thorton:** [banker, civic leader and former Mayor of Dallas; Chairman of the board of Mercantile Bank of Dallas; Freemason];

10. **Earle Cabell:** [brother of **General Charles Cabell,** deputy director of the CIA fired by JFK in 1961 after the failed Bay of Pigs invasion; Mayor of Dallas (1961-1964); changed the route of the presidential motorcade to include Dealey Plaza and thus Houston and Elm Streets; controlled the Dallas Police through Masonic **Chief Jesse Curry**];

11. **Amon G. Carter, Jr.:** [a millionaire and press lord controlling the Fort Worth Star Telegram];

12. **Buford R. Sheffield, Sr.:** [a prosperous military contractor building Air Bases; after Murchison bought his military construction business he became a residential construction contractor, his Austin office just across the hall from **John Connally's** office; a close friend of **Lyndon Johnson, Clint Murchison, Sr., Sid Richardson, John Connally,** and **H. L. Hunt;** hated JFK over proposed defense cuts closing down military bases];

13. **John W. Currington:** [attorney and **H. L. Hunt's** top advisor for twelve years; reportedly held the cancelled checks that H. L. Hunt used to pay off the killers of **Martin Luther King, Jr., JFK** and **RFK**];

14. **John B. Connally:** [Governor of Texas (1963-1969); Secretary of the Treasury during the Presidential Administration of co-conspirator **Richard Nixon;** managed five of LBJ's political campaigns including Johnson's presidential election of 1964; named a member of Nixon's foreign-intelligence advisory board in 1969; with the collapse of the oil industry in 1983, declared bankruptcy; Johnson fought with JFK to have Connally moved to another vehicle within the presidential motorcade, but JFK refused resulting in the near death of LBJ's co-conspirator];

15. **Joe C. Yarbrough:** [president of a home building company; later rewarded by LBJ after the assassination: named a council member of the Small Business Association and given a gold medallion bearing Johnson's picture along with an autographed picture of LBJ];

16. **W. O. Bankston:** [a jovial Oldsmobile dealer in Dallas who provided a new, fire-engine-red Oldsmobile every year to co-conspirator **Sheriff Bill Decker;** provided new vehicles to whomever LBJ directed including LBJ's Roman Catholic mistress, **Madeleine Duncan Brown**];

17. **Malcolm (Mac) E. Wallace:** [an accomplished marksman and "hit man" performing numerous murders for LBJ; convicted of first-degree murder of pro-golfer **John Douglas Kinser** who was committing adultery with LBJ's younger married sister, **Josefa,** and given a five-year SUSPENDED sentence; "suicided" in 1971 when his car ran off the road in Camp County, Texas, the CIA eliminating key witnesses to the JFK assassination and LBJ's CFR/CIA-directed cover-up];

18. **Clifton C. Carter:** [LBJ's man-in-control in Texas; planned at least a dozen murders; directed LBJ's "hit man" **Malcolm Wallace** in a number of murders including the killing of **Madeleine Duncan Brown's** Black housekeeper, **Dale Turner,** for witnessing Brown and LBJ embrace];

19. **Carlos Marcello:** [Mafia Don of New Orleans; hated JFK and RFK for his humiliating deportation to Guatemala in 1961; put out a contract for murder on JFK upon his immediate return to the US];

20. **Joseph Civello:** [Mafia Don of Dallas; subject to **Carlos Marcello;** superior of Jewish Mafioso **Jack Ruby** of the Dallas Mafia];

21. **Jacob Rubenstein:** [legally changed his name to **Jack Leon Ruby** in 1947; FBI informant; CIA operative associated with CIA agents **Frank Sturgis, David Ferrie,** and **Lee Oswald;** worked with both the Italian Roman Catholic Mafia and the Knight of Malta-led CIA in providing guns to Jesuit-trained and advised **Fidel Castro** before Castro became dictator of Roman Catholic Cuba; had previous ties to the Chicago Mafia when ruled by **Al Capone** and was Chicago Mafia Don **Sam Giancana's** representative in Dallas; owner of the Carousel Club; friends with nearly one half of the Dallas Police Department; a homosexual "bagman" for the Dallas mob with a history of pimping, illegal gambling, assault, weapons smuggling, narcotics and pornographic literature trafficking; ordered to murder Oswald by Giancana to prevent a trial that would have exposed CIA/FBI complicity in the assassination of JFK working in conjunction with **Cardinal Spellman's** national Organized Crime Syndicate; prevented from having a retrial via the ***Black Pope***'s **"poison cup"** (a CIA-induced viral injection), dying of artificially induced cancer in 1967];

22. **Larry Campbell:** [a Black business agent of the Detroit Teamsters; represented **Jimmy Hoffa** at the Murchison meeting; convicted of jury tampering for the benefit of Hoffa];

23. **James "Bill" Decker:** [Dallas County Sheriff and most powerful law enforcement officer in the county; tied to oilmen **H. L. Hunt** and **Clint Murchison** who kept him in office from 1948-1970; worked with Mafiosi killers **Carlos Marcello, Joseph Civello** and **Jack Ruby;** instructed his men to have nothing to do with the security of the presidential motorcade; attempted to silence his honest and vocal **Deputy Sheriff Roger D. Craig** who was later murdered by the CIA (quite possibly by **Roscoe White**)];

24. **Clint Peoples:** [previously a famous Texas Ranger; US Marshall of Dallas at the time of the meeting; later repented of his co-conspirator activity by obtaining a Grand Jury verdict in 1984 stating that **Lyndon Johnson** ordered **Malcolm Wallace** to murder **Henry Marshall** (shot five times in the chest), overturning the previous jury verdict of "suicide;" sought to prove that Wallace was one of the riflemen behind the Grassy Knoll in Dealey Plaza at the time of the assassination: of his brave attempt **Madeleine Duncan Brown** wrote in her Texas In The Morning:

    - "Many years later, I met with **U.S. Marshall Clint Peoples** to discuss **Malcolm Wallace** because I had witnessed Mac practicing at the Dallas Gun Club. Clint had investigated Wallace's death for years [conveniently murdered by a CIA assassin]. **He was planning to break the case open with proof that Wallace was one of the shooters behind the picket fence overlooking Dealey Plaza. Unfortunately, Clint's untimely death under mysterious circumstances prevented this announcement from ever being made** [another CIA murder of a government official]. It is a fact, however, that a Wallace Plumbing truck was at the scene of the assassination in Dealey Plaza.

    - Clint's car was run off the road shortly before he was to meet with me and some associates. His car was hit by a truck [as was **General George Patton's** vehicle in Germany after WWII due to an OSS murder contract issued by **Archbishop Spellman's** OSS Cold Warrior, **Knight of Malta "Wild" Bill Donovan**] and he was killed [on June 23, 1992]. It is said that his wrists showed marks from handcuffs." {13} [Emphasis added]];

25. **Don Smith:** [General Manager of the Del Mar racetrack for over 25 years in La Jolla, California, owned by **Clint Murchison, Sr. J. Edgar Hoover** and his sodomite companion, **Clyde Tolson,** spent time at the track on

Murchison's tab, Hoover having been advised by Mafia agents as to which horses were going to win, Hoover's "winnings" serving as indirect payoffs from his underworld partners in crime]; . . . Madeleine continued:

The purpose of the meeting was to make sure that all bases had been covered, that everyone knew their part in the cover-up, and that everyone was in accord with the killing of JFK, that was to take place the next day. **Cliff Carter** ran the meeting, and did most of the talking. [Freemasons] **Murchison, Hoover,** and **Hunt** added comments to Cliff Carter's instructions, but most of the other attendees had little to say. However, Hoover did say,

'Any information that gets out will have to come through me, and I have it 'wired,' from the Dallas Police Force to the CIA [indicating that Hoover was never a true enemy of the CIA, **Francis Cardinal Spellman** being the absolute master of both the CIA and the FBI]**, and everybody from the public ware to the President.' "By 1963, Kennedy was telling confidants what some of his actions would be following his re-election. **One of his memorable statements was that he planned to splinter the CIA into a thousand pieces and scatter it to the winds. Another was that he would end American military participation in the conflict in Indochina. . . .**

On November 22, 1963, less than a year before his probable re-election to four more years as President, **John F. Kennedy** was struck down. From all indications, he was killed by a team of gunmen hired as part of a detailed plot to terminate the Kennedy political initiatives—which had the appearance of establishing a political dynasty—and to direct the powers of the presidency back into Cold War activities and into the hands of more amenable 'leaders' [*like Masonic co-conspirator,* **LBJ**]. There can be no doubts: The Kennedy murder was the result of a coup d'état brought about by a professional team equally skilled in the field of 'cover story' and deception activities as it was in murder. We may recall that **Lyndon Johnson** said, in 1973, **'We had been operating a damned Murder Inc, in the Caribbean'** (or, as they call them in the CIA, 'Mechanics'). . . .

The final, fatal and shattering shot—as clearly and starkly revealed by the **Zapruder film**—came from ground level and from a position in the direction of the grassy knoll that gave the gunman a close-in, clear shot at Kennedy's head. The fact that brain matter was splattered backward, over the trunk of the car, onto the motorcycle policeman riding to the left and rear of the car, and even as far as onto the grass to the left and rear of the car [*where a bloody .45 caliber slug was found and then dispensed with by an FBI agent*], fortifies the conclusion that the shot came from the right, from in front of the car, and from ground level [*for which reason CIA contract agent and 32nd Degree Jewish Freemason* **Abraham Zapruder** *deliberately filmed the assassination so as to not include bystanders on the right side of the President's limousine in obedience to his CIA masters*]. . . .

THE ASSASSINATION of President **John F. Kennedy** was one of the truly cataclysmic events of this century. The murder of a President was traumatic enough; but the course of events that followed and that have affected the welfare of this country and the world since that time has, in many ways, been tragic. **That assassination has demonstrated that most of the major events of world significance are masterfully planned and orchestrated by an elite coterie of enormously powerful people who are not of one nation, one ethnic grouping, or one overriding important business group. They are a power unto themselves** [*the Jesuits ruling the Vatican city-state*] **for whom these others work. Neither is this power elite of recent origin. Its roots go deep into the past.**

Kennedy's assassination has been used as an example of their methodology. Most thinking people of this country, and of the world believe that he was not killed by a lone gunman. Despite that view, the cover story created and thrust upon us by the spokesmen of this **High Cabal** has existed for three decades. It has come from the lips of every subsequent President and from the top [*Vatican/CFR-controlled*] media representatives and their spokesmen. They are experienced, intelligent people who are aware of the facts. Consider the pressure it must take to require all of them, without exception, to quote the words of that contrived cover story over and over again for nearly three decades. . . . The game plan of the **High Cabal** never fails, because they are at the top. Even if it should fail, **no one would ever be able to prosecute them or their allies.**" {15} [Emphasis added]

"It is important to show how Rome will, in all probability, obtain dominion, and especially political dominion, in this country. It will also be necessary to show

that the chief and most relentless enemy of Great Britain is **Ultramontane** [*fascist right-wing*] **Rome,** as represented by the Vatican and the Jesuits, who now entirely control and direct Vatican policy. . . .

Thus, in a preface by an English Catholic to the Jesuit Catachism, in 1602 A.D., the Author says: **'To receive Jesuits into a kingdom is to receive a vermin which at length will eat out the heart of the State, both spiritual and temporal. They work, underhand, the ruin of the countries where they dwell, and the murder of whatsoever kings and princes it pleaseth them.' . . .**

Since the reconstitution of the Society at the beginning of last century, they have resumed their sinister activity, with the result that they and the Orders affiliated to them have again been banished form Continental countries on account of the constant sedition and rebellion they excited. . . . At the Council of Chieri, near Turin, in 1825, the assembled Jesuit Fathers laid down a *Secret Plan* by which they hoped to obtain **universal dominion. 'You will know,'** said the President of the Council [**General Fortis**], **'that what we aim at is the empire of the world.' "** {16}[Emphasis added]

Rome and the War: And
Coming Events In Britain

As we begin to approach understanding the Kennedy Assassination we shall conduct a brief review of what we have discovered in previous chapters as well as cast some additional light upon our subject. **The Jesuit General** has been the most powerful man in the world since **Pius VII** restored the Order or "Company" in 1814. Because of the Order's suppression by **Pope Clement XIV** in 1773, the Jesuits began the Bavarian Illuminati with one of their soldiers, **Adam Weishaupt**. (In 832 the 2nd Illuminati would appear in Yale's "322—Skull and Bones.") The Illuminati absorbed the Jewish **House of Rothschild** (aligned with the Pope-serving Sabbatian Frankists) creating a colossus of wealth around the world, subject to the Jesuit General. With this financial arm in place the Jesuits then made war on the Vatican including the Pope, the Roman Catholic Monarchs of Europe and the Order of the Dominicans. This Inquisition and Crusade was called "the French Revolution and Napoleonic Wars." For twenty-five years, the Jesuit General's Masonic agents, particularly in the person of **Napoleon Bonaparte I**, waged plotted war. Bonaparte also punished the Knights of Malta, driving them from their island home to the Tzar's Court in Russia.

Shortly before Napoleon's deliberate loss of the **Battle of Waterloo**, the Jesuit Order was revived and emerged supreme among secret societies. It controlled the Papacy, the Knights of Malta, Islamic Shriner Freemasonry, Opus Dei and later, in **Fourteenth Amendment America**, the Knights of Columbus and the Mafia. It is

this **Network** that controls every nation, more or less, restoring and maintaining the Pope's **Temporal Power** worldwide. In the **American Empire** it controls **Wall Street**, the major corporate monopolies, the **Federal Reserve Bank** and **IRS**, the **Council on Foreign Relations**—it commanding the President and every department subject to him—and thus, the country's **Military Industrial Complex**. The Network or "**Fraternity**," also called "**the Octopus**," controls all shipping ports and overland trucking with the Sicilian Mafia's Jewish-advised **Longshoremen and Teamsters**. In control of organized crime, including white slavery and the drug trade, it amasses billions annually, the **CIA** and **Mafia** *working together.* The Jesuits (being the great agitators of States) control the Press, the White Knights of the Ku Klux Klan, the anti-communist John Birch Society, and the Black Muslims composing the procommunist, fascist Nation of Islam—all through the **Egyptian Mystery Religion of Isis and Osiris** culminating in high-level, occult Freemasonry composed of ninety degrees according to a former 38th degree Freemason, **Michael J. McArthur.**

With **Francis Cardinal Spellman** in command of this economic, political and religious colossus, we no longer wonder why he was called "**the American Pope**." **Cardinal Spellman** became the most powerful churchman in the history of the nation, as *none had ever been his equal*. Through his travels during World War II as **President Roosevelt's** personal agent abroad, he established worldwide connections with those who ran the Pope's **International Intelligence Community**. What **Cardinal Richelieu** was to France during the *First Thirty Years' War*, **Cardinal Spellman** was to the American Empire during the *Second Thirty Years' War*.

As the **Military Vicar** and protector of all the Military Orders in **Fourteenth Amendment America**, his power reached through every Knight of Malta and Knight of Columbus under his Command. In 1963 some of those **Knights of Malta** were:

1. **J. Peter Grace, Jr.:** Head of the American branch, SMOM, with international business interlocks *everywhere* through W. R. Grace & Co.; employed ex-Nazi war criminal **Otto Ambros** for thirty years, I. G. Farben's top chemist who developed "Zyklon B" pellets for use in Hitler's gas chambers; helped to transplant the entire Nazi SS apparatus into the US in preparation for the Order's declaration of martial law and opening of US concentration camps;

   "**J. Peter Grace** however is right at the center of **SMOM/CIA.** A director of both [*Freemasonic/Mormon-owned*] **Kennicott Copper** [*with the largest copper mine in the world*] and one of the heads of Radio

Liberty/Radio Free Europe [*promoting* the **Black Pope**'s *Cold War*] and the AIFLD [*American Institute for Free Labor Development*], J. Peter Grace is at the heart of rightwing CIA input into both Poland and El Salvador. J. Peter Grace, according to top Nazi hunter **Charles Allen,** has used his firm to place ex-Nazi technocrats who were brought to the United States via '**Operation Paperclip**.'

In financial circles W. R. Grace maintains close ties with [**Knight of Malta David Rockefeller's**] Citibank and J. Peter Grace is one of Citicorp's directors. Three other Citicorp directors are also on the board of W. R. Grace, including [**SMOM**] **Roger Milliken,** from South Carolina. Milliken, a financial angel for [*33rd Degree Freemason and US Senator*] **Strom Thurmond,** is now on the board of **Larry McDonald's** Western Goals Foundation [*of the Jesuit-ruled, Masonic John Birch Society*], which is his own private intelligence organization.

Most sinister of all however, is W. R. Grace's close relationship with the notorious Flick steel group in Germany. The Flick connection dates back at least to the early 1950s. According to the August 20, 1981 *International Herald Tribune,* **the Flick Group** (which is still controlled by the family) has paid $365 million dollars for 31% in W. R. Grace. Flick was one of the leading cartels in Nazi Germany. The head of the firm got a short sentence during the Nuremberg trials and promptly went back into business with the family still in control of the firm! In the 50s **Freddy Flick** [*who recently died in October, 2006, at 79*] was sent to W. R. Grace in New York to 'study business.' Today the Flicks are back in business funding Nazis. . . . J. Peter also has a very big group concerned with intelligence. Heading this group is [**SMOM**] **Antonio Navarro**, a vice-president of Grace and a Cuban exile. Navarro (who went to the same Jesuit school as Castro and later worked with him against Batista) has a book describing his efforts called *Tocayo*. *Tocayo* is published by the [**SMOM William F.**] **Buckley** controlled Arlington House. Another Grace executive involved in intelligence dirty work is the group's representative in Washington, [*JFK assassin*, **SMOM**] **Francis D. Flanagan**. Flanagan was one of the members of the ITT-organized 'Ad Hoc Committee on Chile' during the **Allende** period [*Allende having been assassinated by the SMOM/CIA and replaced with pro-Nazi, Vatican Knight* **Augusto Pinochet**].

One of the most sinister roles that **W. R. Grace** has been involved with is the W. R. Grace Foundation's funding of the American Council for the International Promotion of Democracy Under God. This organization is

directly tied to [*Dominican*] **Father Felix Morlion's** Vatican-based **'Pro Deo'** movement [*aided by FDR's OSS General and SMOM "Wild" Bill Donovan (whose brother,* **Vincent Donovan**, *was also a Dominican priest), and backed by* **Cardinal Spellman**]. When one knowledgeable Italian journalist was asked about the **'Pro Deo'** movement, he replied 'If you want to know where the Vatican meets up with the mafia, that's it.' . . . Allegations of W. R. Grace ties to Vatican intelligence are almost as old as the firm itself. In an 1888 article by **Peter Hevner** (entitled '*A One-Sided History of William R. Grace, the Pirate of Peru*') author Hevner writes:

'I rather unterrorized the courts, and the government (of Peru) had a chance to breathe a little. They saw that the Jesuits had been routed.'

'Jesuits?'

'Oh, bless your soul, yes. Didn't you know that **Bill Grace** is a high bishop in the Jesuit Order? Why, you people in the U.S. don't know anything about **Bill Grace**. Why, he worked the Jesuit racket all over the whole country. . . . The old firm was Bryce Brothers; then it became Bryce Brothers and Company. Now it is Grace Brothers [*now W. R. Grace and Co.*] . . . (on the Jesuits) Mind you, I say nothing against the Order in itself, or against the Roman Catholic Church – my warmest friends are in that Church. I simply say that the devil sometimes assumes a perplexing guise.' Hevner's allegations are not documented. However, it is curious that **William Russell Grace** could return from his guano mine in Peru (on which the entire Grace fortune was based!) and run for Mayor of New York and win twice [*once in 1880 and again in 1884, as the city's first Roman Catholic mayor accepting the Statute of Liberty from France in 1885*]. Only with the go-ahead of the Catholic political machine [*centered in Tammany Hall*] could this happen. **W. R. Grace** in fact turned down a run for governor offered him because he felt the governor's office wasn't important enough. . . . The firm that Grace 'took over,' Bryce Brothers, has a long intelligence history. [**SMOM**] **Ivar Bryce, Ian Fleming's** closest friend, is directly from this family. Bryce . . . was the only British citizen to be an official member of the OSS [*via the formal approval of SMOM "Wild" Bill Donovan*]. . . . Bryce married an American heiress, got involved with Texas oil [*including JFK assassins* **H. L. Hunt** *and* **Clint Murchison**, *further linking SMOM to multi-millionaire Texas oilmen*] and took over NANA wire. . . . On the Grace ties abroad one must start by looking at the marriage of the Earl of Donoughmore's son to the daughter of **Michael Grace** in 1901. The current Earl of Donoughmore is the head of Irish freemasonry. . . . J. Peter's dad [*Wall Street Bolshevik Revolution financier* **Joseph P. Grace**] was also **SMOM.**" {17} [Emphasis added]

He was a member Yale's Skull and Bones Society and helped to finance **Pope Pius XII's** Nazi Third Reich. This explains the tie with Knight of Malta **Thomas P. Melady**. According to **Mark Lane** in his *Plausible Denial,* Prescott's brother, **George H. W. Bush,** was a CIA agent at the time of the Kennedy Assassination; and, according to ex-British agent **John Coleman,** George H. W. Bush is a member of the British Committee of 300; both brothers are members of the Knights of Malta who, in 1991, received and entertained the Sovereign Grand Master of the Order, **Andrew Bertie,** at the White House;

Bush,** [**Sr.,** *one of the founders of the Council on Foreign Relations and pro-Nazi banker*], Senator from Connecticut and George's father, provided him with important documents for his dissertation." {18};

19. Gustavo Cisneros: Of whom we read in *Project Democracy:*

"Vice-President of the Venezuelan Association of the SMOM . . . The Cisneros got their start in business in Venezuela through sponsorship of the Royal Bank of Canada, one of the world's largest offshore banks involved in multi billion-dollar drug money "washing." They are partners in a Florida finance corporation with documented ties to Moscow's Narodny Bank, which is central to KGB-backed terrorism and drug trafficking [*with its counterpart, the Russian Mafia*]. Curiously, through the World Finance Corporation the Cisneros are linked to the Bay of Pigs invasion team," {19};

(The ties between **J. Peter Grace, Jr.,** (an Irish American nobleman from the House of Stuart), **Gustavo Cisneros** (a Spanish nobleman), **Kim Philby** (an English nobleman) and **Queen Elizabeth II** are sufficient to prove the Sovereign Military Order of Malta to be the head of the British SIS/MI6, the American OSS/CIA and Russian KGB/FSB—**the Jesuit General's International Intelligence Community.**)

20. Roberto Alejos Arzu: Honduran Knights co-chairman; was a sugar and coffee grower who let the CIA use his plantations in San Sebastian, Retalhuleu, as a training ground for the 1961 Bay of Pigs invasion of Cuba—destined to fail for the purpose of eliminating Jesuit Coadjutor Castro's enemies;

24. Edward "Ted" M. Kennedy: a left-wing, clandestine Knight of Malta as a reward for his many years of obedience to Rome; lifetime U.S. Senator, trustee at the Jesuits' Boston College and brother to John and Robert Kennedy—both brothers as well as his nephew, **John Kennedy, Jr.**, having been murdered by the Pope's International Intelligence Community and International Crime Syndicate controlled by Jesuit Generals **Janssens**, **Arrupe** and **Kolvenbach;**

25. George DeMohrenschildt: a right-wing clandestine Knight of Malta whose brother, **Dimitri von Mohrenschildt**, was also a Knight of Malta; a Byelorussian of noble birth; openly "lost" his family oil fortune to the Order's Jewish-led, "anti-Knight of Malta" Bolshevik Revolution; "fled" to Germany and worked with the Nazis in WWII; brought into the CIA after the war; a personal friend of Knights **J. 45. George Hebert Walker Bush: with grandfather **George Herbert Walker** Jesuit-trained at **Stonyhurst College,** George is a member of Yale University's Skull and Bones; a high-level Freemason and Knight of Malta. "Poppy" Bush was a CIA officer in coordinating Allen Dulles' Bay of Pigs invasion in 1961; oversaw the JFK assassination in 1963 commanding the team of E. Howard Hunt; went on to be CIA Director in 1974 during the Nixon Administration; a personal friend of Knights of Malta **William J. Casey** and **Alexander M. Haig, Jr.;** true president during the administration of honorary Knight of Malta

Ronald Reagan; invited the Grand Master of the Sovereign Military Order of Malta, **Andrew Willoughby Ninian Bertie,** to the White House in 1991 to be entertained by both himself and his brother, Knight of Malta **Prescott Bush, Jr.;** ended the Cold War at the Island of Malta in the presence of the Knights of Malta in December, 1989; backed Masonic Jesuit Temporal Coadjutor **Bill Clinton's** policies all of which were controlled by the Jesuits of Georgetown University via the Council on Foreign Relations; oversaw the 911 demolition and now directs his son, Skull and Bones "war President" **George W. Bush** in waging the Pope's Crusade against Middle Eastern Moslems. "Poppy" Bush is one of the most powerful Knights of Malta in the world and is **THEE LYNCHPIN** between **Francis Cardinal Spellman's** assassination of JFK and **Edward Cardinal Egan's** demolition of the World Trade Center.

These are but a few of the many pro-Nazi, fascist, White "Papal Knights" honeycombed throughout the government of the **American Empire**. (**John Judge's** extensive, 24-page, 1983 article, "*Good Americans*," is full of substantiating details, Judge's address being P.O. Box 7147, Washington, D.C., 20044. **Mae Brussell's** excellent, 32-page, article, *"The Nazi Connection to the John F. Kennedy Assassination"* printed in *The Rebel* is another blockbuster!) *Remember, dear truthseeker, the American Empire belongs to the Jesuits!* They created it with the **Fourteenth Amendment**, they built it with their **Federal Reserve Bank** and they use it financially and militarily to restore the **Temporal Power** of the Pope. If you are a **Fourteenth Amendment citizen**—*White, Black, Oriental or Hispanic*—they created you in the law, they granted you the privilege to live in their empire and you will perform pursuant to their wishes as made known by their Congress and enforced by their Commander-in-Chief through their Federal and State War Courts. Everything you own was purchased with their worthless fiat money or their exclusive credit created out of thin air with no collateral backing. You live under a benevolent military dictatorship as created by the **Emergency War Powers Act of 1950**. The **Constitution** is a dead letter and has no standing in any State or Federal Court, as there are no Constitutional arguments entertained when it comes to common-law rights of **American freemen**, originally secured by the **Bill of Rights** and the **U.S. Constitution**. The law of the flag *trimmed in gold fringe* is the law of the land, it being the military flag of the Empire's Commander-in-Chief, the former **President William J. Clinton**, and now **President George W. Bush**.

As "**the American Pope**" operating out of "**the Little Vatican**" in New York —*the wealthiest Diocese in the world*—Cardinal Spellman's power extended to the Mafia's "**Commission**" first revealed by **Joe Valachi** in open testimony. Two of those Roman Catholic Commission members were **Frank Costello** (the friend of **Joe Kennedy** and **J. Edgar Hoover**) and **Charles "Lucky" Luciano**, the foremost crime boss on the East Coast. Of Spellman's negotiations with the mobster during

"**the Luciano Project**" involving the corrupt **Office of Naval Intelligence** (evidenced by its collusion with the Japanese in the attack on Pearl Harbor), **Martin Lee** writes:

> "In the early 1940's, Spellman served as an intermediary in secret negotiations between the Roosevelt White House and high-level organized crime figures in what came to be known as "**Operation Underworld.**"
>
> **FDR** promised to release mob chief **Lucky Luciano** from prison if the Mafia could guarantee the protection of American ships based on the eastern seaboard that were vulnerable to German attack. Spellman turned to his mob contacts in New York to arrange the deal after seeking permission from **Pope Pius XII** [*the Jesuits controlling the Mob, which in turn controlled the Longshoremen*]. He went on to serve as Pope Pius' right arm and was a staunch supporter of U.S. military involvement in Vietnam [*for the same reasons* **Edward Cardinal Egan** *supports the USled War on Islamic Terror secretly controlled by the CIA with its opposite number, the CIA/Saudi-financed Al Qaeda Terrorist Network*]." {20}

As an aside, it should be noted that a few conspiratorial authors would like to blame the Jews as being at the pinnacle of world power both lawful and criminal. Some would have us believe that in 1963 **Meyer Lansky** controlled the international crime syndicate. *Nothing could be further from the truth!* Biblically, it is "***the times of the Gentiles***" to be ended or "***fulfilled***" ONLY with the bodily return of the risen Lord Jesus Christ (***Luke 21:24-27***), when He shall rule Jerusalem from the **Throne of David** submitting his born-again, surviving world Gentiles having "***endured unto the end***" of the **Great Tribulation** to enjoy His universal earthly rule. ONLY then will He will establish the international supremacy of his born-again nation of Israel—the racial Hebrew/Jewish/Israelitic people (***Isaiah 60-66***). Historical fact confirms the truth of Scripture: racial Jew **Meyer Lansky** was the mere subordinate of a Gentile Roman Catholic Mafioso, **Charles "Lucky" Luciano** and subsequently another Gentile Roman Catholic Mafioso, **Vito Genovese**. In the words of **David E. Scheim**:

> "Yet in any region, a sharp distinction is always drawn between associates of the Mafia, however valuable, and the core group of members. For example, the late [*Jewish*] Syndicate financier **Meyer Lansky** could take no action without the approval of [*Gentile*] Mafia superiors, who, during one period, kept him under the constant escort of **Vincent Alo** ('Jimmy Blue Eyes'), a Genovese Family caporegime." {21} [Emphasis added]

The Cardinal's power also extended to the Empire's most influential Freemasons. They included Presidents **Roosevelt, Truman** and **Johnson.** It also included SMOM **Allen Dulles**, the Freemason and Director of the CIA who (like his brother,

Secretary of State SMOM **John Foster Dulles**) had a direct line to the KGB in the Kremlin, and was also a member of the Council on Foreign Relations. Dulles' nephew, SMOM **Avery Dulles**, became a powerful Jesuit at Fordham University and was recently, at the age of eighty-two, created a "Cardinal" by the late Auschwitz Pope, **John Paul II**. Others were **J. Edgar Hoover**, who made it a practice to recruit FBI agents from Jesuit (and Mormon) Universities, many of whom became Knights of Columbus. Others under the Cardinal's spell were 33º Freemasons **Gerald Ford** and Chief Justice **Earl Warren** of the Warren Commission, as Warren was responsible for the illegal imprisoning of thousands of Japanese Americans in mid-West concentration camps during World War II. Of the Masonic influence involved in **Cardinal Spellman's** oversight of the Kennedy Assassination we read:

> "Mason **Lyndon Johnson** appointed Mason **Earl Warren** [*and Mason* **Richard B. Russell**] to investigate the death of Catholic [*Knight of Columbus*] Kennedy. Mason and member of the 33rd Degree, [SMOM] **Gerald R. Ford,** was instrumental in suppressing what little evidence of a conspiratorial nature reached the commission. Responsible for supplying information to the Commission was Mason and member of the 33rd Degree, **J. Edgar Hoover**. Former CIA director and Mason, **Allen Dulles** [*whose mistress was the friend of* **Ruth Paine**, *the landlord of* **Marina Oswald**, *further connecting the former CIA director to the Order's sacrificial lamb*] was responsible for most of his agency's data to the panel." {22}[Emphasis added]

Lastly, the Cardinal had a few powerful and devoted *Jews* at his service. They were **Robert Moses**, the Freemason **Bernard M. Baruch** (bosom friend of SMOM Georgetown **Jesuit Edmund A. Walsh** and 33º Freemason **John D. Rockefeller Jr**.), **Abraham Beame** and **Charlie Silver** called "Spelly's Jew" by **John Cooney** in his historical masterpiece, *The American Pope*. Of Charlie Silver we read:

> "And then there was . . . 'Spelly's Jew', who raised funds and provided political and economic contacts in the Jewish community [*Jesuits and Masonic Talmudic Rabbis working together for the destruction of White Anglo-Saxon Protestant nations*] and also became a deputy mayor." {23}

After the assassination, during the Warren Commission's cover-up, **Spellman** would be served by another Jew who, for his good behavior, would be rewarded with a lifetime in the U.S. Senate. **Arlen Specter**, Pennsylvania's pseudo-conservative, gun-grabbing, Islamic Shriner and 33rd Degree Freemason was **"Spelly's evil Jew."** He has recently led the confirmation of Opus Dei **Samuel Alito** to the Supreme Court and will continue to back the Order's fascist agenda in destroying America.

This was "**the Network**" Cardinal Spellman oversaw, "**the Powerhouse**" which he commanded. Aided by the Jesuits, the Cardinal's Knights in high finance and intelligence kept him informed as to any movement afoot that would pose a threat to Rome's power in her "**Holy Roman**" **Fourteenth Amendment, Corporate-Fascist American Empire**, further enabling him to uphold his Oath as a Cardinal!

Dear truth-seeker, based on the foregoing conclusion, if there was a threat to the life of our Roman Catholic **Knight of Columbus**, **President John Kennedy**, who would have fulfilled the Vatican's bidding, whose father, **Joseph P. Kennedy**, was a prominent **Knight of Malta** having aided "Jesuitical Politics" by causing the Great Depression, by putting **FDR** in office and by endorsing the Jesuits' **Adolf Hitler** (whose War Machine was built by the Jew-hating, Irish "Episcopalian," pro-Roman Catholic, **Henry Ford**, and financed with gold from the Jesuits' **Federal Reserve Bank**), *would not the Cardinal have been ordered to use all his power to prevent it?* During the last forty-seven years of fascist tyranny in Cuba, has the Jesuit-trained, Roman Catholic Communist **Castro**, with ambassadors to the Pope's Sovereign State of Vatican City and to the headquarters of the Sovereign Military Order of Malta, *ever been overthrown by any faction including the CIA?* (An old schoolmate and friend of the author was told by **John Hickey**, a deceased CIA assassin, that, upon having **Castro** in his sniper rifle sights and ready to delightfully pull the trigger, he was given the order to abort!!!) The Jesuits, in command of Cuban and American intelligence, would never permit it! So would it have been with **Kennedy** had he, like **Castro**, obeyed his Jesuit masters. Clearly, it was no less than a **Cardinal Spellman** who could oversee the Kennedy assassination *while possessing the power to cover it up*. That power was wielded through his **Knights of Malta** for the benefit of his master, **Pope Paul VI**, whose confessor was the pro-Zionist **Jesuit Paolo Dezza** (who had "converted" Talmudic **Chief Rabbi of Rome**, **Israel (Eugenio) Zolli**, to Catholicism, taking his "Christian" name from **Pope Pius XII**!) and whose master in turn was the General of the Jesuits, **Jean-Baptiste Janssens**, whose master in truth was Satan.

And why did Satan, who "***was a murderer from the beginning***," use his vast array of brainwashed slaves to commit this crime of the century? Dear truth-seeker, Satan**'s** great dream is to "***be like the Most High***"—the Lord Jesus Christ. With an insatiable desire he craves to be worshipped by all nations in Jerusalem, as he sits on his throne inside **Solomon's** rebuilt **Temple**. Jealously ruling *his office* of the Papacy for the last seventeen hundred years, he intends to indwell a resurrected Pope "***whose mortal wound was healed,***" then to become the Eighth Roman King called "the beast." Using the Militia of the Jesuit General in control of the Pope and his Hierarchy, it is to this evil end that *he actively works every political event* under his immediate control, including the assassination of **President Kennedy**.

"**The Force**," fulfilling Satan's age-long dream, is the obedient, educated and unrelenting,

Society of Jesus.

Inauguration of President Kennedy, Washington, D.C., 1961 #573

Condemned before he had won the Democratic nomination, JFK is surrounded by his murderers: (L-R) Sec. of State Dean Rusk, SC Chief Justice Earl Warren, VP Lyndon Johnson, Richard Cardinal Cushing and ex-VP Richard Nixon.

Knight of Malta Thomas Kiely Gorman (1892 – 1980), 1950s #574
Bishop of Dallas-Fort Worth, Texas, 1954 – 1969

Directly accountable to Cardinal Spellman, the "Military Vicar" of the American Empire, Bishop Gorman was the secret POWER behind the assassination of President Kennedy in Dallas on November 22, 1963. In command of the local Knights of Malta and Shriners, he was in control of Mayor Earle Cabell, the brother of Charles Cabell who was the Assistant Director of the CIA having been fired by President Kennedy. The Bishop's control extended to Jesse Curry, the Dallas Police Chief, and to Vincentian Oscar Huber (whose Order was started by "ex-Jesuits" during their Suppression and is governed by a General exactly like the Company), the priest who saw Kennedy's wounds of entry during "last rites." There must have been a jubilant celebration at the death of disobedient JFK! Traitor Thomas Kiely Gorman passed away into a Christless eternity in 1980.

Souvenir of the Golden Jubilee of Holy Trinity Parish, Dallas, Texas, Nov. 3, 1957.

Roman Priest Oscar L. Huber, Parkland Hospital, Dallas, 1963 #575

Without a tear being shed and unscathed by the blatant murder of America's first Roman Catholic President, Huber knows his duty. He will give Kennedy "last rites" and get a good long look at the wounds. He would confirm the death of the "usurper" to his master, Bishop Gorman, who in turn would report to his NY master, Cardinal Spellman. Neither Huber nor Gorman would ever raise an objection to the Masonic Warren Commission Report as both were in on the hit.

Spellman, via his CFR, would be restored to power over the capital and his CIA.

Masonic Papal Knight Haroldson L. Hunt (1889 – 1974), 1960s #576

Jesuit Temporal Coadjutor H. L. Hunt, Dallas, Texas, 1960s #577

Posing on the grounds of his Mt. Vernon estate in Dallas, Hunt was a key player in the assassination of JFK according to LBJ. With ties to the Knights of Malta (CIA/Allen Dulles), 33rd Degree Freemasons (FBI/J. Edgar Hoover), Masonic Mafia Dons (Marcello and Genovese), and Rockefeller's Oil Syndicate, Hunt was a noted friend of New York's "American Pope," Francis Cardinal Spellman.

Texas Oil Tycoons: Freemasons Clint Murchison, Sr. (1895 – 1969); (Clint's Gun Bearer); Sid W. Richardson (1891 – 1959), 1950s #578

Living above the law and untouchable, Murchison, Sr., and Richardson were two of the "great white fathers" of Texas (according to LBJ's mistress, Mrs. Brown) together holding $3B in assets gained from real estate, construction, railroad, gas and oil investments. With the full knowledge of his son, Clint Jr., and reported by both Val Imm (society editor of the *Dallas Times Herald)* and Penn Jones (owner of *The Midlothian Mirror)*, Murchison hosted the Nov. 21, 1963 meeting at his mansion, which coordinated and finalized assassination details for the next day. Murchison was a pro-Nazi fascist, backing Jesuit-trained Senator Joseph McCarthy's anti-communist crusade inspired by Georgetown Jesuit and SMOM Edmund A. Walsh—long-time friend of Masonic General Douglas MacArthur.

Murchison also hated Jesus Christ's racially Hebrew/Jewish/Israelitic people by supporting the pro-Pope John Birch Society and the American Nazi Party with its leader, Lincoln Rockwell. Clint Sr.: was a close friend of his protector and oil investor, Masonic FBI Director J. Edgar Hoover; had close business ties with the Pope's Genovese and Marcello crime families; and was co-trustee and director of Valley Forge Freedoms Foundation along with Roman priests Theodore M. Hesburgh (CFR member and President of Notre Dame Univ.) and Msgr. John S. Middleton (Pastor, St. Peter's Church, New York City). JFK's intended removal of big oil's tax loopholes would have taxed the **Black Pope**'s global oil cartel!

LBJ's Roman Catholic Mistress, Madeleine Duncan Brown, 1998 #579

Consenting to one of her last interviews before she died in 2003, the widow Mrs. Brown was President Lyndon Johnson's mistress for 21 years giving birth to his son, Steven Mark, in 1950. Having previously published her story, *Texas In The Morning: The Love Story of Madeleine Brown and President Lyndon Baines Johnson (1997)*, Brown recalls the secret meeting at Clint Murchison's mansion in Dallas on November 21, 1963, the night before the assassination of JFK, which meeting was confirmed by former CIA agent Robert D. Morrow in his *First Hand Knowledge: How I Participated in the CIA Murder of President Kennedy (1994)*. In attendance were Spellman's Cold Warriors of extreme power, all of whom would act in concert to both commit and cover-up the murder. These conspirators in addition to Murchison were: FBI Director 33rd Degree Freemason J. Edgar Hoover with his sodomite partner, FBI Deputy Director Clyde Tolson; 33rd Degree Masonic oil billionaire Haroldson L. Hunt; Freemasonic Vice President Lyndon B. Johnson; Brown & Root oil magnates George and Herman Brown; Texas Governor John Connally; CFR kingpin, CIA henchman of Allen Dulles, Nazi protector and director of Chase Manhattan Bank John J. McCloy; future president and SMOM-backed Richard M. Nixon; Dallas County Sheriff William Decker; Dallas Mayor Earle Cabell (controlling Dallas Police Chief Jesse Curry and Dallas District Attorney Henry Wade), brother to CIA Deputy Director Charles P. Cabell who, along with CIA Director Allen Dulles, had been fired by JFK over the deliberate failure of the Bay of Pigs invasion; LBJ's assassin Malcolm E. Wallace; U.S. Marshall and Texas Ranger Clint Peoples; New Orleans Mafia Don Carlos Marcello; Dallas Mafia Don Joseph Civello with his Jewish Mafioso/FBI informant Jack Ruby accompanied by one of his whores, "Shirley." Overseen by a Knight of Malta—the Bishop of Dallas-Fort Worth—, the assassination was a success; Cardinal Spellman's Cold War would continue.

Masonic Jesuit Temporal Coadjutors Johnson and Hoover, 1964 #580

Commander-in-Chief Lyndon Baines Johnson, with his FBI Director J. Edgar Hoover, ruled the Order's 14th Amendment American Empire just as the Pope, with his Grand Inquisitor, rules the Order's Vatican Empire. Both murderous co-conspirators would have been removed from office had JFK been re-elected.

Masonic Jesuit Temporal Coadjutors: Gerald R. Ford; Earl Warren; Lyndon B. Johnson; Washington, D.C., 1964 #581

Presenting a copy of the CFR's cover-up Warren Report, Johnson would now continue with Rome's CFR/Jesuit-directed US domestic and foreign policies.

Apostate Protestant Earl Warren (1891 – 1974), 1960s #584
Attorney General of California, 1939 – 1943
Governor of California, 1943 – 1953
United States Supreme Court Chief Justice, 1953 – 1969

Author Jim Newton has rightly concluded, "Today's America is in many ways the America that Earl Warren made." This choice servant of Satan, Masonry's "Great Architect of the Universe," has a record of infamy which few can match. As Attorney General, he avidly promoted the removal and imprisonment of California's industrious Japanese-American population to mid-west internment camps during WWII, many of whom were robbed of their farms by Rome's anti-Jap agitators while its men fought heroically in the European theater. Serving the Company while governor of California, he was OPENLY an anti-communist, but was SECRETLY a socialist-communist of the deepest conviction. Appointed to the high court in 1953, Warren would force the socialist Masonic doctrine of the "universal equality" of all races upon America's apostate White Protestant culture in accordance with the race-mixing Egyptian myth of the Black Osiris marrying the White Isis. The Order, knowing that race-mixing had ended the advanced White Gentile Empires of Egypt and Rome, used Warren to not only integrate the public schools (1954), but to take away prayer (1962) and Biblereading (1963), the foremost reasons for which our Protestant-Calvinist Common Schools were first established. Further demoralizing our nation, this reprobate overthrew State laws prohibiting sexually obscene books (1966) as well as all State laws prohibiting interracial marriage between Whites and Blacks (1967) and interracial neighborhoods (1967). Warren's forced paganization and forced integration of America's once segregated White Protestant and Baptist-Calvinist, AV1611 King James Bible-based culture was further wrecked by his oversight of the Warren Commission—the Order's legitimized cover-up of JFK's murder!

Knight of Malta J. Peter Grace, Jr. (1913 – 1995), 1940s; 1970s

At the time of the Kennedy Assassination, Grace was the head of the American Branch of the Sovereign Military Order of Malta and President of W. R. Grace & Co. Of royal blood dating back to Scotland's House of Stuart, grandfather SMOM William R. Grace, as mayor of New York City, received the Statue of Liberty from France, and father SMOM Joseph P. Grace was one of several Wall Street's powerbrokers who financed the Order's Bolshevik Revolution. A faithful servant of the ***Black Pope***, Grace helped Cardinal Spellman relocate many hundreds of ex-Nazis into the US after WWII under the guise of "Project Paperclip." A mutual business partner in financing Hitler was Knight of Malta Frederick Flick, former leader of the Flick Group convicted at Nuremberg for "slave labor, plunder and spoliation." Son Frederick Karl Flick (SMOM German billionaire who just died in Austria, October 2006) came to the US to study business with J. Peter Grace, Jr., later purchasing 31% of the Company.

Meanwhile, the Order's Cold War was in full swing! With FDR's Lend-Lease program beginning Rome's massive military buildup of her Soviet Red Army, that policy was to be continued by American SMOMs preparing the Soviets for our coming Sino-Soviet-Moslem invasion. CIA/MI6 Knights would continue to build the KGB, while justifying more absolutist fascism in the US. But JFK got in the way by seeking to end the Cold War and invade Cuba thereby removing Jesuit Castro from power. Thus, J. Peter Grace, in command of his thousands of American Knights, orchestrated the murder of the President in obedience to the order of Francis Cardinal Spellman who in turn was advised by Georgetown and Fordham University Jesuits. Following the "extirpation" of JFK, that "tyrant and usurper," W. R. Grace & Co. exploded, entering international markets, diversifying and enjoying massive profits, all "for the greater glory of God!" **http://www.grace.com/about/history.html**

Knight of Malta Robert A. Maheu (1918 – Present), 1968 #590

Born in Maine, Roman Catholic Robert A. Maheu would spend his life as a most obedient Jesuit Temporal Coadjutor moving among cartel-capitalists, Mafia bosses, and the real men of power in Washington. Trained by Jesuits at their College of the Holy Cross in Worcester, Massachusetts, he was recruited into Hoover's FBI in 1940, the director always preferring anti-communist, Jesuit-trained Roman Catholics to man the Bureau. Establishing his own investigative company in 1947, the Jesuit became a contract agent for the CIA the same year Truman created the Agency. Maheu also became "the alter ego" of Howard Hughes who later fired him for "conspiring with the Mafia to rob him blind,"

Hughes Aircraft today being a part of Rome's American Military Industrial Complex. A close friend of SMOMs William J. Casey and Edward B. Williams, Spellman used Maheu to organize a conspiracy between the Archbishop's CIA and Mafia Dons Santo Trafficante (Miami) and Sam Giancana (Chicago)—both bosses on the FBI's ten-most-wanted list! The OPEN but FALSE reason for perfecting the criminal CIA/Mafia network in 1960—financed by American "taxpayers"—was to kill Jesuit Fidel Castro; the SECRET but TRUE reason was to kill the "tyrant and usurper," JFK, who refused to be ruled by the Pope of Rome! Tied to the top of the CIA via SMOM John McCone, the FBI via SMOM Cartha D. "Deke" DeLoach, and the new Defense Intelligence Agency (DIA) via Jesuit-trained SMOM General Joseph Carroll, Maheu would serve as one of the major players in the Kennedy assassination and subsequent cover-up. He would then live to see the CIA/FBI/Mob murder of Sam Giancana (1975) and his talkative Lieutenant, Johnny Roselli (1976). Jesuit Knight Maheu served the Pope, was a dirty tricks CIA contract agent and a foremost assassin of JFK.

Knight of Malta Edward Bennett Williams (1920 – 1988), 1960s #591

This man is truly one of the most powerful Papal Knights of the 20th Century. Educated by Jesuits at their College of the Holy Cross, Williams' debating team partner was Robert A. Maheu, the Jesuit Temporal Coadjutor who, with Juan Trippe, nearly absorbed Hughes Aircraft into Pan-American Airlines then in partnership with Grace Shipping, a subsidiary of W. R. Grace and Co.! Upon receiving his law degree at the Order's Georgetown University Law Center, his firm would represent many notorious clients including: Mafioso Frank Sinatra; financier and drug lord Robert Vesco; KGB spy Igor Y. Melekh; fascist Jesuit Coadjutor Senator Joseph McCarthy; socialist-communist Carl Foreman; former OSS agent Aldo Icardi who, though most likely guilty of murder and theft of $100 million in gold, was found innocent; Spellman's New York mob boss Frank Costello; Chicago Teamsters Union boss Jimmy Hoffa; Nixon's Secretary of the Treasury John Connally; Adam Clayton Powell, Jr.; Masonic Jewish Labor Zionist and builder of the Pope's Soviet Empire, CFR/Armand Hammer; CFR/Senator Thomas Dodd; Vice President Johnson's close aid, Bobby Baker; CFR/SMOM Gerald Ford; SMOM Lee Iacocca and CIA Director/JFK assassin Richard Helms. He backed the Order's plot to remove Nixon by encouraging CFR/Katharine Graham's *Washington Post* to expose the Watergate Scandal.

Williams owned the Baltimore Orioles and Washington Redskins (with brother SMOM Barron Hilton owning the San Diego Chargers), was asked to be the mayor of Washington by LBJ and was on the Foreign Intelligence Board under President Ford. Williams' greatest work was covering up the JFK assassination!

Thus, the Jesuits of Georgetown University named their new Law Library after their 1984 head of the American Knights of Malta—Edward Bennett Williams.

Cold Warriors Reagan and Nixon would use several Knights of Malta in their administrations. At Owl's Nest Camp, Bohemian Grove, north of the Order's University of San Francisco, CFR/Dr. Glenn T. Jewish 33rd Degree Freemason Arlen Specter (1930 – Present), 1964; 1980s Cover-up Assistant U.S. Attorney, Warren Commission, 1964

This most obedient Masonic Court Jew of Pope Paul VI and betrayer of his own race, the risen Son of God's beloved Hebrew/Jewish/Israelitic people, would be called upon to participate in the ***Black Pope***'s Masonically-dominated Warren Commission Cover-up. Philadelphia's Assistant District Attorney was appointed a junior counsel under Chief Counsel J. Lee Rankin and would mastermind the Commission's infamous and insulting "single-bullet theory." His conspiratorial, cover-up theory, sustained by his manipulative interviews (especially Jean Hill's at Parkland Hospital) was the foundation of sand for the Warren Report which concluded there was no conspiracy to kill JFK, that Oswald had acted alone. Among his lies were: JFK was standing when he was hit; a slug entered the back of JFK's neck; the alleged round hit nothing solid; Bethesda Naval Hospital's Xrays support his theory; there was no evidence of a conspiracy (later disproved by the House Select Committee on Assassinations); it was "new news" that Dr. Hume burned his notes, the "new news" being that Hume burned the first-draft of his autopsy report; and that a person cannot prove a negative—all of these claims being patently false. Overseen by the real powers directing the LBJappointed Cover-up Commission (Warren, Dulles and McCloy), Specter proved to be an invaluable asset for which obedience he was given five 6-year terms as one of Pennsylvania's US Senators (1980, 1986, 1992, 1998, 2004). Specter also aided in the confirmation of five Roman Catholics to the Supreme Court, four of whom are members of Opus Dei; Justices Scalia, Thomas, Alito and Roberts.

"**. . .** the defeat of Hitler **. . .** was not to put an end to the Vatican's insidious work in free America. Does it not still have 30 million who are blindly devoted to the Holy See? It is more than the Jesuits require to develop a large-scale operation [*as they used the minority Bavarian Roman Catholics of Germany to conquer all of Protestant Germany via the Bavarian Nazi Party and Bavarian Himmler's German and Austrian Roman Catholic-led SS and Gestapo*], of the kind needed to ensure **that occult domination over the State** [*via the CFR*] **which is the overriding purpose of their society. . . .** 'It is a fact that the policy of the State Department is under the influence of **Cardinal Spellman** [*the very State Department that brought Chairman Mao to power in Communist China*]. At least 50% of State Department personnel represent the point of view taught by the University of Georgetown, the Jesuit diplomatic school. This school is directed by the famous **Jesuit Father** [**Edmund A.**] **Walsh**, a geopolitician of **General** [**Karl**] **Haushoffer** [*Haushofer*], the former Hitlerist theorist [*released by Jesuit/Army officer Walsh after WWII*]. . . ' " {1} [Emphasis added]

"Catholic Action"
The Vatican Against Europe

"As the shock forces of the Counter-Reformation, Jesuits marshaled science and humanistic knowledge to combat Protestantism and secularism. Confident that they had discovered an exquisite synthesis of knowledge and virtue, these 'astutely trained men' came to dominate Catholic education. Their enemies, however, charged that the crafty sons of Ignatius originated nothing of value but only manipulated the findings of others [**Nikola Tesla, James Clerk Maxwell**, *etc.*] toward sinister parochial ends. In the words of [*Roman Catholic Jansenist*] **Blaise Pascal**, the seventeenth-century French philosopher and mathematician, 'The Jesuits have tried to combine God and the world, and have only earned the contempt of God and the world.' In his 1973 memoirs **Michael Harrington**, a former Catholic who was subjected to Jesuit schooling, marveled, like **Leon Trotsky** [*later murdered by the Order in Mexico City*], at the

closed and comprehensive system of thought dispensed by the 'priestly Machiavellians'—a system he compared to Marxism in its absolutism. . . . Their priests became confessors and counselors to popes as well as to powerful monarchs and nobles. Their political intrigue and influence caused both Catholics and non-Catholics to implicate the religious order in the murders of kings, queens, and popes.

Not surprisingly, the largest and most powerful religious order excited envy, suspicion, and distrust, especially from older religious orders such as the **Dominicans** and **Franciscans**. . . . By the mid-eighteenth century several European countries had banned the Society of Jesus. In 1773 **Pope Clement XIV** suppressed the order and put its general in the papal fortress of Castel Sant'Angelo, where he died a few years later. In the **papal bull** that suppressed the Jesuits, Clement charged that the society had **enslaved the papacy** and had gained inordinate privileges and monopolies [*as over the gold and petroleum markets of today*]. The papal ban was lifted in 1814, but the order was suppressed in several countries in the late nineteenth century, including Spain [*1868*], France [*1880*], Germany [*1872*], and Italy [*1847*]. **Gesu**, Jesuit headquarters in Rome, was vacant from 1870 [*1872*] to 1893, but the order recovered and regained prominence, if not complete trust in the Catholic world of the twentieth century [*after* the ***Black Pope***'s **Second Thirty Years' War**]. . . .

Without a doubt, however, LaFarge believed that the greatest evil of the twentieth century was **communism**. He branded it the greatest calamity since the Reformation. To LaFarge, this all-consuming dread seemed to be, more or less, a lurid extension of Protestantism, secularism and liberalism [*in accordance with* **Pope Pius IX's** *Jesuit-authored Syllabus of Errors (1864)*], stretched out to the most distant point on the spectrum of modern evil. At the height of the Cold War, LaFarge referred to communism as the 'new Calvinism [*the Order hating Calvinism since its inception*].' . . .

Noted clergymen such as **John** [**K.**] **Ryan, Francis J. Haas,** and most especially the radio priest [*and Jesuit Coadjutor*] **Charles E. Coughlin** (before he deserted Roosevelt in 1935) rendered conspicuous support for the New Deal; the powerful **Cardinal George Mundelein** of Chicago also became an important enthusiast for Roosevelt's [*CFR-determined*] economic policies. The Great Depression [*created by Knights of Malta on Wall Street*] and the [*socialist commu-fascist*] New Deal thus provided a shot in the arm for the social *magisterium*. . . . The Jesuit therefore heartily endorsed Roosevelt's National Recovery Act (NRA) in 1933 because of its pro-labor and [*pro-corporate-fascist*] minimum wage clauses. He explained that the NRA adhered faithfully to the

guidelines laid down by **Pope Pius XI's** [*Jesuit-authored encyclical*] *Quadragesimo Anno*. . . .

In 1939 the exclusive Century Club of New York City inducted the Jesuit into its organization of celebrities and power brokers [*many of whom were in the Archbishop's Council on Foreign Relations*]. . . . LaFarge strongly supported the activities of [*Masonic Black Civil Rights "Chief" and Social Democrat*] **A. Philip Randolph**. . . . LaFarge, however, had confidence in Randolph because he considered him the greatest anticommunist force among American blacks. . . . LaFarge managed to become a kind of race relations adviser and ghostwriter for Spellman. . . . LaFarge enhanced Spellman's reputation among blacks more than the cardinal realized:

Spellman was once rendered perplexed and speechless when he was loudly applauded at an NAACP meeting he chanced to attend. . . . During the decade [*1950s*] LaFarge garnered many prestigious honors and awards. . . . He won the Social Justice Award in 1957 from the Religion and Labor Foundation—an award he shared with [*CFR Jewish Labor Zionist*] Senator **Herbert H. Lehman** and **Martin Luther King, Jr.** In 1959 LaFarge received the American Liberties Medallion given by the [*Labor Zionist and pro-Jesuit*] American Jewish Committee. . . . He was selected to serve on the prestigious panel financed by the Rockefeller Brothers Fund to establish national goals, joining such luminaries as [*these CFR members also being* **Cardinal Spellman's** *co-conspirators in the JFK assassination*] . . . **Dean Rusk**, [*SMOM Jewish Labor Zionist*] **Henry Kissinger**, [*Knight of Malta*] **Henry Luce** . . ." {2} [Emphasis added]

"So it is apparently necessary for me to state once again, not what kind of church I believe in—for that should be important only to me—but what kind of America I believe in. **I believe in an America: where the separation of church and state is absolute; where no Catholic prelate would tell the President, should he be Catholic, how to act**; and no Protestant minister would tell his parishioners for whom to vote; **where no church or church school is granted any public funds or political preference**; and where no man is denied public office merely because his religion differs from the president who might appoint him, or the people who might elect him.

I believe in an America that is officially neither Catholic, Protestant nor Jewish; where no public official either requests or accepts instructions on public policy from **the Pope**, the National Council of Churches [*also controlled by Rome via*

high-level Freemasonry] or any other ecclesiastical source; where **no religious body** [*especially* the Society of Jesus *of which JFK possessed personal knowledge imparted from his father, as well as from private experiences with the Order at Georgetown University*] **seeks to impose its will, directly or indirectly** [*via the Council on Foreign Relations*], **upon the general populace or the public acts of its officials;** and where religious liberty is so indivisible that an act against one church is treated as an act against all [*this speech adjudged to be obstinate heresy of an "accursed liberal" Roman Catholic in accordance with the Council of Trent for which primary reason CIA agent* **Lee Harvey Oswald**, *under the guise of a defector, was dispatched to the USSR by CIA Director and Knight of Malta* **Allen Dulles** *preparing "the patsy" for* the **Black Pope**'s *impending assassination of JFK after his rigged election to the presidency.*]

For while this year it may be a Catholic, against whom the finger of suspicion is pointed, another year, as it has been and may someday be again, a Jew, or a Quaker [*i.e., his Republican opponent,* **Richard M. Nixon**], or a Unitarian, or a Baptist. It was Virginia's harassment of Baptist preachers, for example, that led to Jefferson's statute for religious freedom. Today I may be the victim, but tomorrow it may be you [*Southern Protestants and Baptists*], until the whole fabric of our harmonious society is ripped apart at a time of great national peril [*which ripping apart is now in motion under the guise of an international "War on Terror" by an apostate, neo-fascist, Protestant "Christian"—the servant of New York Archbishop* **Edward Cardinal Egan**, *the grandson of a Nazi-banker and the son of a JFK assassin,* **George W. Bush**]." {3}[Emphasis added]

"Our surveillance of King began in 1962, when Hoover sent a letter to Attorney General **Robert Kennedy** to inform him that one of King's closest advisors was [*New York City businessman, attorney-advisor, socialist-communist Jewish Freemason*] **Stanley D.** [**David**] **Levison** [*1912-1979—whose secret 1960 testimony before the Senate Subcommittee on Internal Security is still considered "Classified"*], an alleged member of the Communist party, USA [*having worked with* **Isidore G. Needleman**, *representative of the Soviet trading corporation* **AMTORG,*** *it being in secret alliance with the Order's* **Federal Reserve Bank**

according to **Congressman Louis T. McFadden**]. Reliable sources had confirmed that Levison had written a speech King had delivered to the AFL-CIO convention in Miami a month earlier. We also had evidence that Levison had advised King on such matters as organization, administrative procedures, political strategy, tax matters, and speeches. Levison had prepared press statements for King to give to the news media concerning such controversial issues as race riots and the Vietnam War. He even helped King raise money by arranging musical concerts for the benefit of the SCLC [*Southern Christian Leadership Conference founded by King*].

We learned about Levison's influence on King from very reliable informants—two brothers who were key figures in the National Committee of the Communist party. These brothers, **Morris** and **Jack Childs**, were ostensibly communists who had joined the American Communist party and moved up the ladder of its hierarchy, rung by rung, over a twenty-eight year period. In fact, the Childs brothers, both trained in Russia by the Soviets, were double agents working for the United States government [*CIA/KGB*]. In the eyes of the Soviets they were so trustworthy that they became the conduit for secret funds (more than a million dollars annually) funneled to the American branch of the party form its big brother in Moscow [*ruled by Jesuit Coadjutors in the Kremlin*]. Every year a Childs brother would travel abroad, pick up the cash, and smuggle it back into the United States. Needless to say, neither one was ever caught by U.S. customs, so their credibility with the Soviets increased as the years rolled by. We nevertheless used the information they passed along with great discretion. We knew about virtually every high-level initiative the communists launched, but we made certain that our words and actions never revealed the true measure of that knowledge, since, as a rule, it was more important to have reliable informants in the top echelons of the party than to take action on the specific intelligence we received.

The case of **Stanley Levison** was an exception to that rule. Jack Childs knew Levison as a member of the Communist party just prior to the time that King launched his civil rights campaign with the Montgomery bus boycott. We knew that Levison had become friendly with King and that he probably did so on direct orders form the party [*remembering that King had been groomed by White communists in Tennessee and was introduced toLevison by Black Communist* **Bayard Rustin** *in New York City, 1956**]. We were convinced that he wanted to exploit King and his organization in order to create civil disorder and political chaos [*as intended by the Jesuits in order to justify a White fascist, anti-Jew, political backlash similar to what had transpired in Bavaria (1919-20)*]. We were even concerned that the Communist party might ultimately capture the movement.

This concern was grounded in more than a paranoid delusion that there were communists behind every social upheaval. We knew better than that. But we also knew from the Childs brothers that Levison had hired one [*Irish Roman Catholic Jesuit Temporal Coadjutor*] **Jack O'Dell,** a man with a long record of Communist party ties, to work in the high-profile New York office of the **Southern Christian Leadership Conference** [*overseen by Cardinal Spellman from his political "Powerhouse"—St. Patrick's Cathedral—guided by Fordham University Jesuits*], **where he remained for two crucial years, playing a key role in the policy decisions and public statements of the organization.**

Anyone who wonders why the FBI tapped Martin Luther King's telephone need look no further than the presence of [*Jesuit Temporal Coadjutors*] **Stanley Levison** and **Jack O'Dell** among King's inner circle. We wanted to know if two men with communist ties were running the operation or if King himself was still in charge. Why, we asked ourselves, would King allow **Levison** to dictate strategy and write virtually all major policy statements? And why would he assign a man of **O'Dell's** shady character to a key position on his staff when he was in contact with black people of greater skill and stature who were eager to help?

The Justice Department repeatedly warned King that he was dealing with known communists, and on **June 22, 1963** [*just five months before JFK's assassination*], **President Kennedy personally took King into the Rose Garden and advised him to break off the relationships, but King stubbornly refused to do so** [*JFK outraging the Order having sought to remove its communist control of its Martin Luther King-led Civil Rights Movement secretly guided by* **Jesuit John LaFarge**, *Cardinal Spellman's advisor, King retaining Masonic Jew* **Stanley Levison** *as his communist advisor until the day of his assassination*]." {4} [Emphasis added]

". . . [**Knight of Columbus**] **John F. Kennedy** had a secret plan for [**Jesuit Fidel Castro's**] Cuba in the fall of 1963—nearing a critical juncture on November 22—that would play a key role in his death, and be a major reason so much would be covered up for so long. . . . **Thom Hartmann** and I [**Lamar Waldron**] . . . exposed for the first time **JFK's top-secret plan to overthrow Castro and invade Cuba on December 1, 1963.** 'The Plan for a Coup in Cuba' (as it was titled in a memo for the [*CFR-controlled*] Joint Chiefs of Staff) would include a 'palace coup' to eliminate Castro, . . . The coup would be supported by a '**full-scale invasion**' of Cuba by the US military, if necessary. . . . The 'Plan for a Coup in

Cuba' was fully authorized by JFK and personally run by **Robert Kennedy**. Only about a dozen people in the US government knew the full scope of the plan, **all of whom worked for the military or the CIA**, or reported directly to Robert. The Kennedys' plan was prepared primarily by the US military, with the CIA playing a major supporting role. . . .

The CIA's code name for their part of the coup plan has never surfaced in any book, article, or government report. Officially declassified in 1999, **AMWORLD** is the cryptonym the CIA used for the plan in their top-secret, internal documents. Like the rest of the Kennedy coup plan, **AMWORLD** was withheld from Congress—including at least five Congressional investigations—for decades. . . . The Kennedys coup plan/**AMWORLD** was undoubtedly one of the most secret covert operations in United States history. In its secrecy, however, lay tragedy. Even though the Kennedys' coup plan never came to fruition, three powerful Mafia dons—**Carlos Marcello**, **Santo Trafficante**, and **Johnny Rosselli** [**Roselli**]—learned of **AMWORLD** through their work for the CIA in other anti-Castro plots [*which CIA plots were meant to deceive low-level CIA agents, and to never truly remove the Order's obedient dictator*]. . . . Each of the three Mafia chiefs . . . **whom the CIA also admits were CIA assets** . . . later confessed their roles in JFK's death to close associates, as did several of their men . . .

Though it is widely believed that JFK agreed not to invade Cuba in order to end the Cuban Missile Crisis in the fall of 1962, [**Cardinal Spellman's** *confident and CFR member*] Secretary of State [**Dean**] **Rusk** told us that **the 'no-invasion' pledge was conditional upon Castro's agreement to onsite UN inspections for nuclear weapons of mass destruction** (a term that JFK first used). Historians in the National Security Archive confirmed that because Castro refused such inspections [*and still does today*], **JFK and his advisors didn't consider the pledge against invasion binding.** Consequently, in the spring of 1963, John and Robert Kennedy started laying the groundwork for a [*real*] coup against Fidel Castro [*unlike the Bay of Pigs*] that would eventually be set for **December 1, 1963.**

Robert Kennedy put the invasion under the control of the US military because of the CIA's handling of 1961's Bay of Pigs disaster. The **'Plan for a Coup in Cuba** [*renamed "***C-Day***" by the authors*],' as written by JFK's Secretary of the Army [*CFR member*] **Cyrus Vance** with the help of the State Department [*ruled by CFR member* **Dean Rusk**] and the CIA [*ruled by* **SMOM John McCone**], called for the coup leader to **'neutralize'** Cuban leader **'Fidel Castro and . . . [his brother] Raul'** in a **'palace coup.'** Then, the coup leader would **'declare martial law'** and **'proclaim a Provisional Government'** that would include previously **'selected**

Cuban exile leaders' who would enter from their bases in Latin America. Then, at the invitation of the new government, after **'publicly announcing US intent to support the Provisional Government, the US would initiate overt logistical and air support to the insurgents'** including destroying **'those air defenses which might endanger the air movement of US troops into the area.'** After the **'initial air attacks'** would come **'the rapid, incremental introduction of balanced forces, to include full-scale invasion'** if necessary. The first US military forces into Cuba would be a multiracial group of **'US military-trained free Cubans,'** all veterans of the Bay of Pigs. Upon presidential authorization, the US would **'recognize [the] Provisional Government . . . warn [the] Soviets not to intervene'** and **'assist the Provisional Government in preparing for . . . free elections.' . . .**

Secretary of the Army **Cyrus Vance** was one of the few military leaders who knew the full scope of **C-Day** while the plan was active. The others were generals the Kennedys especially trusted, such as Chairman of the Joint Chiefs of Staff [*CFR member*] **Maxwell Taylor** and [*Jesuit-trained*] **General Joseph Carroll,** head of the Defense Intelligence Agency (DIA). High CIA officials involved in **C-Day** included CIA Director **John McCone,** Deputy Director for Plans **Richard Helms** [*who later admitted under oath that Oswald-handler* **Clay Shaw** *had been a contract agent for the CIA*] . . . The **C-Day** coup plan approved by Joint Chiefs Chairman **General Maxwell Taylor** was understandably classified TOP SECRET when it was created in 1963. But twenty-six years later [*in 1989 at the end of the Pope's Cold War!*], the Joint Chiefs reviewed the coup plan documents and decided that they should still remain **TOP SECRET."** {5} [Emphasis added]

[*Dear truth-seeker, JFK's 1963-planned invasion of Cuba was to be the real thing! He fully intended to take back the island the CIA had given to Jesuit Castro in preparation for America's Sino-Soviet-Moslem invasion. Thus, JFK had to go!*]

"There were two or three **Mafia men** with me in the Miami airport that day early in 1960. With them were leaders in Miami's exiled Cuban community, **Alex Rorke** and other officials from the **CIA** and the **FBI,** and **Frank Fiorini,** a.k.a. **Sturgis,** a man who worked all sides. They were anxious, happy, congratulating themselves for the assassination I was about to accomplish [*the killing of Fidel Castro*]. . . .

I was only vaguely aware of the dark side of Cuba—the prostitution, the lottery and gambling, the gangsters and graft, the rich against the poor. I didn't know then about organized crime figure **Meyer Lansky** and his friends **Charles 'Lucky' Luciano** and **Benjamin 'Bugsy' Siegel**, who dominated the Havana casinos, of his brother **Jake**, who handled the day-to-day management, or about syndicate members such as **Carlos Marcello** of New Orleans or **Santo Trafficante, Jr.**, who let underlings, including a nightclub owner named **Jack Ruby**, run guns to whomever wanted them. I didn't know that [**Cardinal Spellman's SMOM**] **Joseph Kennedy** would be rumored to have helped finance **Castro** . . . I didn't know . . . that **Santo Trafficante**, **Jack Ruby**, and **Frank Fiorini/Sturgis** were among the gun runners providing Fidel with weapons during his fight against **Batista**, or that all these men and others, like **Sam Giancana** of Chicago, just wanted the Havana nightclub scene to be business as usual after the revolution. . . .

When I arrived in New York from Havana in 1959, I was anemic, suffering from septicemia, and in need of a D and C to stop my bleeding. . . . At the hospital, several **FBI** agents, supplemented by detectives from the **New York Police Department**, acted as guards and interrogators. **Alexander I. Rorke** put a large cross at the head of my bed. . . . There were two FBI agents named Frank—Frank O and Frank L, both kind and decent individuals. They were close associates of **Alexander Rorke**, a gentle, loving eloquent man who worked for the **FBI** and was involved with covert operations sponsored by the **CIA**. I became very fond of Alex. . . . Alex was a deeply religious Catholic. As a young man, he had gone to seminary at **Loyola University** to become a **Jesuit priest**. For him, the fight against Castro and any other Communist who threatened the moral and political fabric of our nation was a holy war. '**Communism**,' he repeatedly explained to me, '**is an ungodly evil**'. . . . Killing Fidel was right with God [*reflecting Jesuit regicide doctrine*]. 'Don't make God mad,' he said. . . .

The **CIA**, including the contract agents, has almost unlimited money from which to draw. Anything an operative wants for a job is available, including solo time to think things out. . . . There **the end justifies the means**, and the ends had whatever value we said they had. We were our own religion, our own gods. It was a world of no return. . . . I chose not to consider morals or ethics. The law didn't matter. We were good at being boat thieves. We were never caught. Yet I always knew that if we got into trouble, a telephone call to the right person in Washington would eventually result in our release from any state or local jail. I was '**Jane Bond**,' licensed to steal and do anything else I pleased. I was above the law, as were we all, and though we talked about **the greater good** we were doing for our country [*"for the greater glory of God" as per the Jesuit maxim*] **we were destroying the essence of the Constitution**. . . .

The **'Company'** could do whatever it desired in the '60s, as long as we didn't get caught by locals, if it came under national security. . . . I committed enough crimes for the CIA that, if I had been a civilian, they'd toss me in jail and let me rot. . . .

On **April 17, 1961**, the Miami Cubans and Brigade 2506 sent 1,400 men to Zapata Swamp, expecting full air cover, extra ammunition, and complete Navy support. The full story has been written elsewhere many times. What is relevant is that the United States allowed the Bay of Pigs fiasco to take place, falling to provide the military force needed for success. There were many villains in the story, but in South Florida intelligence and paramilitary circles, **John Kennedy** became the focal point of blame for the failure. . . . When the Bay of Pigs mission failed, they did not see their own foolishness. Instead, they blamed **Jack Kennedy** [*for canceling the air cover when it was Skull and Bonesman* **McGeorge Bundy** *who had in fact cancelled that protection double-crossing JFK*]. . . . In November, 1962, Kennedy made a stop in Miami in order to return the flag of the 2506th Brigade. He made an appearance in the stadium, commiserating with the Cubans because he had fully expected the flag to fly over a 'free Havana' when the Bay of Pigs succeeded. Just prior to his arrival date, **Sturgis**, **Bosch**, and their friends talked half seriously of shooting up the stadium in protest. They did not make the effort, though Kennedy was soundly booed by the Cubans in exile, a fact that was downplayed in the news. . . .

There was no mistaking him. He had been the lowlife I thought; it had earned him the right to manage night clubs in Dallas. As an assassin, his record as a hit man for organized crime dated back to 1939. He had been an FBI informant in Dallas since 1959. His name was **Jack Ruby**, the shooter who would soon kill the man I knew as **Ozzie—Lee Harvey Oswald**. . . . Ozzie was the scapegoat for everyone's sins." {6}[Emphasis added]

"JESUITISM THE ENEMY OF NATIONALITIES"

"IN order to [*gain*] clearness of thought in dealing with this subject, it is well to note the distinction between **Roman Catholicism** and **the Papacy**. The former has to do mainly with religion. It rests upon the theological doctrines which Protestants believe to be erroneous. **There are Roman Catholics who take their religion but not their politics from the Pope**. Had the Roman Catholic Church remained a purely religious organization like any other sect, the world

would have been spared centuries of evil. But in the course of its development the Romish Church, through its Popes, entered the civil sphere and aspired to **universal monarchy.**

In the fatal year 800, when **Charlemagne** was crowned Emperor of the Romans by **Leo III** [*Hitler having symbolically visited the tomb of this Frankish/German "Emperor of the Romans" in Aachen, Germany*], there was set upon Western Europe the Papacy, a colossal system whose object is the despotic rule of man and society in all spheres, sacred and secular. The Papacy claimed not only to possess the **Keys of Heaven** but also to rule the earth. The Pope came to be regarded as the sole representative of **Deity on earth,** and from him must the empire be held. To such an extent did the Papal pretensions go that **Boniface VIII** [*promulgator of the Papal Bull Unam Sanctam*] showed himself to a crowd of pilgrims at the Jubilee [*of*] 1300, seated on the throne of Constantine, arrayed with sword and crown and scepter, shouting aloud, **'I am Caesar—I am Emperor.'**

In its egotistical blindness, and intoxicated with the fumes of sacerdotal conceit, the Papacy set itself in opposition to the spirit of nationality, which in the **Middle Ages** was beginning to create order out of the disorders caused by the fall of the Roman Empire. Foiled in its endeavours to reign unchecked over rising nationalities, **the Papacy attempted to rule through monarchs devoted to the Church.** Thus it came about that the Papacy was confronted with two foes at the same time—the outraged religious feelings of the people and the outraged national feelings of their rulers. It seemed clear to the founders of the **Order of Jesuits** that it was necessary not only to combat the **Reformed religion** but also to oppose the rising **spirit of nationality**—a spirit which, if allowed to work unchecked, would bring to naught the **Imperial pretensions of the Papacy.** The ideal of the Papacy at the Reformation was, as it is now, **universal dominion,** which was seriously threatened by the rise of separate nationalities.

To restore the [*inter*] **national dominion of the Papacy by making war against the national spirit was the consistent and persistent policy of the Jesuits.** The ideal of the founder of the Order was, in the words of Goethe, to **'fuse all nations'** [*as is being done in North America at this moment*]. The Jesuits, we are told, were forbidden to talk of individual nations [*as the Jesuit General's world government is composed of ten regions governed by "Assistants," each in turn governing their "Provinces" which are ruled by "Provincials" regularly reporting to their designated "Assistant"*]. . . . A German writer, **Georg Mertz,** has studied the educational methods with scientific impartiality, and, according to the brilliant author of *The Foundations of the Nineteenth Century*, he who reads the works of Mertz can come to no other conclusion than **every nation which opens its churches to the Jesuits commits suicide. . . .**

The damaging blow given to Romanism on the religious side at the **Reformation** is known to every Protestant, but it is well to bear in mind the strenuous opposition given to the Papacy by Roman [*Catholic*] nations who were bent upon shaping their future independence of Papal interference. The struggle between **the Papacy and nationalities** began before the Reformation. France, Germany, and England had offered resistance to Papal pretensions. In the words of [**Leopold von**] **Ranke,** 'We thus see nation after nation [*i.e., a people with a common race, language and religion-based culture residing within distinct geographical boundaries*] acquiring the sense of its own unity and independence. The civil power could no longer endure the presence of any higher authority. The Popes no more found allies among the middle classes, while princes and legislative bodies were resolutely bent on withstanding their influence.

Naturally, the **Reformation** gave a great impetus to the spirit of nationality, and at this crisis in the history of the Papacy arose the Jesuits. To the demand of nations for independence and self-government the Jesuits declared in all its logical ruthlessness for the Papal demand for unlimited supremacy of the Church over the State [*so opposed by JFK*]. . . . The universal dislike of the Jesuits was shown in the fact that the **Bull of Clement XIV,** in 1773, suppressing the Order was officially published in [*the Roman Catholic nations of*] Portugal, France, Spain, Naples, and generally throughout Italy and Austria. . . . The disease cannot be eradicated so long as Rome places **Canon Law** above **Civil Law,** Papal decrees above national legislation [*opposed by JFK*]. So long as the Pope in the role of imperial dictator, **World Sovereign,** claims supremacy over the nations, so long are the Jesuits justified on Papal principles in waging war against the **spirit of Nationality.**" {7}[Emphasis added]

"To prove his independence from Rome, he [**President Kennedy**] declined to send an [*unofficial*] Ambassador to the Vatican [*unlike* **FDR, Truman** *and* **Eisenhower**] and didn't even celebrate the customary mass in the White House. **Cardinal Spellman** lost all the influence he had had during Eisenhower's presidency, when he had a listening ear in [**Knight of Malta**] **John Foster Dulles'** [*whose son today is also a* **Knight of Malta** *and powerful Fordham University Jesuit,* **Avery Cardinal Dulles**].

'Catholic Kennedy' even favored birth control, an act that was considered a crime even by most non-Catholic Christians. **The Jesuits'** leadership, always known for its conservative, even extreme rightist standpoints [*i.e., fascism*],

even feared Kennedy would install a Pope or 'brainwash' the ailing **Pope John XXIII**, trying to make him see things from his point of view, which was that of birth control and detente between East and West [*seeking to prematurely end* the **Black Pope**'s *Cold War Hoax*]. **Pope John XXIII** was in fact willing to revolutionize everything: he set out to strip the Church of its worldly power and wealth [*Temporal Power*]; he had already established a birth control commission [*thwarting the Order's quest of gaining Roman Catholic numerical superiority in historically White Protestant nations*]. Even though he died in his eighties and was in failing health, there have been consistent rumors that his death was 'hastened,' not by God but by human hands, afraid as some men, particularly [*Jesuit*] priests, were that he might be able to accomplish what he had started [*the Order murdering* **Pope John XXIII** *as it did* **JFK**]. . . .

At the end of World War II, [**Knights of Malta**] **Dulles** and **Angleton**, both with the OSS, had helped numerous Nazi war criminals escape from Europe via the famed Ratlines. The Nazis had always [*openly*] opposed the communists . . . **Dulles** and **Angleton** believed that the Soviet Union posed and would pose a much bigger threat to America than Germany and they felt they, knights in shining armor, had to protect and arm America from and against that 'evil' [*thereby modifying* the **Black Pope**'s *"Holy Roman" Fourteenth Amendment American Empire into another Reich, this being one of the chief purposes for* the Company's *Cold War Hoax, the CIA and KGB secretly working together ruled at the top by Knights of Malta*].

A large number of these war criminals came to America, where they were helped by extreme rightist organizations, among them some oil companies. Unknown to **Angleton** and **Dulles**, [**Knight of Malta**] **Prince Anton Vasilevich Turkul**, the 'director of the [*Vatican*] Ratlines,' the network by which these criminals emigrated from Europe, was a Soviet spy, a reality that might have dawned on them when he defected [*SMOMs Angleton and Dulles knowing full well that SMOM Turkul was an agent of Pius XII*]. . . .

Dulles and **Angleton**, hoping to destroy the Soviet Union by helping anti-Communist Nazis, whatever crimes these had done in World War II [*in fulfilling the Council of Trent*], into America where they could and would co-operate with the CIA, had not only brought Nazis to America but also, if not primarily, Soviet spies who had infiltrated the program with the help of the program's supervisor, **Turkul**, himself a Soviet spy [*as intended*].

[*Dear truth-seeker, this typical Cold War propaganda of saving the Nazis to destroy the Soviet Union concealed the facts that Rome's "Knights" were: building the Jesuit-ruled Soviet Union securing GRU/KGB hegemony over the CIA in preparation for America's Sino-Soviet-Moslem invasion; saving* the **Black Pope**'s

Nazi-SS apparatus via Pope Pius XII's "Vatican Ratlines" and CIA for the purpose of preventing truly nationalist governments from arising in the West; securing Cuba under the rule of Jesuit-trained Fidel Castro, the island intended to be the staging-base for America's future Sino-Soviet-Moslem invasion; and converting the Order's socialist-godless government of Fourteenth Amendment America into a Nazi-fascist Fourth Reich—Kennedy resisting all of these grand goals of the Vatican by seeking to: end the Cold War; break the CIA and its partner in crime, the Vatican's International Crime Syndicate, into a thousand pieces; invade Cuba on December 1, 1963, to remove Castro from power; prevent Israel, the Pope's Kingdom of Jerusalem*, from acquiring nuclear weapons, while Angleton called for a Crusade against Islam*]. . . .

> When **Dulles** was fired, a large amount of these files were destroyed. Should **Angleton** have to leave, **something that under Kennedy's presidency was certainly within the realm of reality,** the Nazi secret was due to come out soon, even though Dulles' ghost was still very much inside Langley's [*CIA*] corridors after he left. . . .
>
> It seems this 'cabal,' who brought the Nazis to America, united in the **'Sovereign and Military Order of Malta,'** though they aren't the true Order of Malta which has always denied any links to this American organization [*both Orders, one exclusively Roman Catholic and the other religiously ecumenical, being secretly united at the top and later formally united in 1963 after both orders, subject to* **Francis Cardinal Spellman**, *successfully executed the JFK assassination*]. This Order [*both Orders*] provided the Nazis with money and passports, much like the Vatican did. Their membership list includes men such as [*Nazis*] **Reinhard Gehlen, Joseph P. Kennedy, James J. Angleton** and **Allen Dulles.**" {8} [Emphasis added]

>
> I devoted several years of my life to the nation's clandestine intelligence operations, and even committed two major felonious acts because I believed them to be essential to the preservation of a free society here at home and elsewhere in the world. My view and my values have remained unchanged. Today, I cannot undo what I have done, nor can I continue to rationalize the reasons I was given so long ago as to why the President had to be killed. I

wanted to speak out when the Warren Commission was in session in 1964, but my connection at the CIA told me—using the following words which I will never forget—:

'You have signed a secrecy agreement with your government. It is your government that is responsible for what has transpired. [*Wow!*] **You are part of that government, and you have a solemn commitment to it and its national security. I agree, the act of murder can never be justified . . . unless it's done for the good of the country** [*illustrating Jesuit Francisco Suarez's immoral "theological" doctrine that it is lawful to assassinate a "tyrant," i.e., one who opposes the Pope's Temporal Power*]. **This was one of those instances.'**

Marshall Diggs, a prominent Washington attorney, told me this. It was the same rationale used by the people responsible for the murder of the President. Diggs may not have believed his own words, but I clearly understood his meaning to be for me to keep my mouth shut, or I could end up dead too. . . .

More than half the characters about to come to life on these pages have already been put to death, tortured, exiled or silenced in strange and terrible ways. They knew too much about the corruption, deception and Mafia connections that led to the assassination of **President John F. Kennedy.** I was one of the first people to obtain first hand evidence of Soviet missiles in Cuba (evidence that was presented to President Kennedy in 1961 and ignored for political reasons). I made the counterfeit money for the Cuban underground resistance which was trying to put an end to Castro's communist regime in Cuba. I bought the three Mannlicher rifles that would be used to shoot Kennedy. I supplied Kennedy's three hit squads with communications devices more sophisticated than any previously designed. I new that the Mob, the leaders of our nation, and our government's intelligence agencies [*CIA, FBI, DIA and Secret Service*] conspired to assassinate very important people, including the President.

I was there, and now you will be, too, as the deadly truth is uncovered here. You may initially not believe what you are reading, but by the end of this book the overwhelming facts leave no room for doubt. I realize how impossible and illogical it sounds to assert that the CIA would orchestrate the assassination of the president of the United States [*unless the CIA is a continuation of the Pope's SS/SD*]. After all, the CIA is supposed to protect our nation and its leaders from their enemies. To comprehend why the CIA found it necessary to commit the seemingly treasonous act of murdering the country's Commander-in-Chief, one must understand the political climate of that age. **The circumstances that led up to the assassination were set in motion prior to Kennedy's election.**" {9} [Emphasis added]

First Hand Knowledge: How I Participated In the CIA-Mafia Murder of President Kennedy

"Here, in essence, is the basis of the theory presented and documented—sometimes in excruciating detail—in the pages that follow.

- That during his presidency, **John F. Kennedy** alienated three major [*Vatican-controlled*] international power blocks: the American CIA, Organized Crime, and Israel [*the Pope's Masonic Jewish Labor Zionistled* "Kingdom of Jerusalem"] and its American lobby [*ruled by* **Francis Cardinal Spellman's** *Council on Foreign Relations*].
- That in each case, Kennedy's continued tenure in the White House was perceived by each of these power groups as a threat to its very existence.
- That each of these major international [*Vatican-controlled*] power blocs was closely intertwined with the others [*through the Sovereign Military Order of Malta and high-level Freemasonry*], often on several levels.
- That when Kennedy's presence in the White house became so intolerable that these forces came together in a wide-ranging conspiracy [*overseen by* **Cardinal Spellman**] that resulted in JFK's murder.
- That the power of these forces, together, over the [*CFR-controlled*] American media [*including CFR members and Knights of Malta* **Henry R. Luce** *and* **William F. Buckley, Jr.**] played a vital role in the assassination conspiracy cover-up. . . .

JFK's Secret War with Israel

The history books have told us of **John F. Kennedy's** epic struggles with [*Jesuit-educated minion*] **Fidel Castro** and the Soviets in the Bay of Pigs debacle and the Cuban Missile Crisis.

Yet, only in recent years have we begun to learn of Kennedy's secret war with Israel [*i.e., the Pope's Masonic Jewish Labor Zionists ruled by the Knights of Malta*]. Much of the conflict stemmed from Israel's determination to build a nuclear bomb [*to intimidate Arab Moslems from ever overrunning Israel*]. This is a hidden history that helps explain, in part, the dynamic forces at work resulting in Kennedy's assassination.

By mid-1963 Israeli Prime Minister **David Ben-Gurion** [who had been complicit in the Pope's SS-led Eurasian Jewish Holocaust] hated Kennedy with a passion [as did **Cardinal Spellman** whose power over South American dictators had brought Israel into the United Nations]. In fact, he considered JFK a threat to the very survival of the Jewish State. . . .

What's more, Israel's chief contact at the CIA in Washington, [*Knight of Malta*] **James Jesus Angleton** [*counterintelligence chief manning both the Israeli and Vatican CIA desks*], ultimately played a pivotal role in the JFK assassination conspiracy cover-up [*blaming Castro and the Soviets as did Knight of Malta*

Alexander M. Haig, Jr.]. . . . The Mossad [*and Vatican*] loyalist, **James J. Angleton**, was the central player in the intrigue between the **CIA** and the **Mossad** [*created by the CIA*] in the JFK assassination. . . . I believe that the Mossad's involvement was institutional in nature [*Indeed!*]. **Likewise, I would add, with the CIA.**" {10}[Emphasis added]

"Another problem is the reluctance of audiences to grasp the connection between super rich and revolutionaries. . . . When [*racially Black*] **Stokley Carmichael** was head of the militant revolutionary group known as SNCC [*Student Nonviolent Coordinating Committee*], he was invited to speak at the [*Rockefeller-financed*] University of Chicago. [*Also racially Black*] **Jerry Kirk**, then still a Black Panther, was among those who attended, and here is how he described Carmichael's appearance:

'**Mr. Carmichael** [*now living in Africa*] was obviously in the middle of something rather important, which made him more nervous and more tense than in the past. . . . He started speaking of things that he said he could not have said before because his research was not finished. . . . He spoke of the false consciousness of many blacks [*including the hatefully racist Black Nation of Islam*] who believed the Jews were the instruments of oppression of blacks, and . . . he made note of the fact that, even though many Jewish people, for example in New York, owned quite a bit of land, one must understand that the overwhelming percentages of mortgages in Harlem were owned, not by Jewish people, but by **Morgan Guarantee Trust** (the Morgan family) and **Chase Manhattan Bank** (the Rockefellers) [*both White Gentile institutions controlled by* **Cardinal Spellman's** *New York Knights of Malta via his Council on Foreign Relations*]. . . .

He kept hitting on the theme that a very large monopoly capitalist money group, bankers to be exact, was instrumental in fomenting this idea that Jews are the ones actually behind the oppression of blacks [*i.e., Jesuit-ruled cartel-capitalists inciting anti-Jewish fury among Blacks while Harlem was immersed in drugs and liquor via the Pope's Sicilian Mafia*]. What he was getting at was that . . . the Jews were simply one strata of society who are themselves being oppressed by people [*Pope-serving, White Gentiles*] who were much richer and much more powerful. In the agencies of this power, he cited banks, the chief among which were **Morgan Guarantee Trust** and **Chase Manhattan**. And the foundations [*Carnegie, Ford, Rockefeller, Luce, etc.*] connected with these monoliths [*via the Pope's CFR*].' It was not long after this that Stokley

Carmichael mysteriously was ousted from both SNCC and the Black Panthers [*indicating Jesuit control of both socialist-communist, anti-Bible, anti-White Anglo-Saxon Protestant, anti-Hebrew factions*]. Apparently he [*like* **Malcolm X**] had learned too much [*necessitating Carmichael's move to Africa*]." {11} [Emphasis added]

"LIKE MOST PEOPLE, I accepted the official story about how **Dr. Martin Luther King, Jr.**, was murdered. . . . In the following years, I heard about inconsistencies in the state's case and rumors of a conspiracy in which **James Earl Ray** was framed for Dr. King's murder. Then, in 1977-1978, at the **Rev. Ralph Abernathy's** request, I prepared for and then conducted a five-hour interview of **James Earl Ray**. Since that time, the mystery of Dr. King's assassination has dominated much of my life. In no small measure I suppose this is because of the responsibility I feel for having initially prompted him to oppose the Vietnam War ["*Spelly's War*"]—for that stand was a major factor contributing to his death. . . .

Those in charge of the United States intelligence, military, and law enforcement machinery understood King's true significance. They perceived his active opposition to the war and his organizing of the poor as grave disruptions to the stability of a society already rife with unrest, and took the position that he was under communist control. . . . By **July 1967**, the number of riots and other serious disruptions against public order had reached ninety-three in nineteen states. In **August** there were an additional thirty-three riots which occurred in thirty-two cities in twenty-two states. Dr. King was at the center of it all. . . . This story has taken twenty-seven years to unfold. This is largely the result of the creation and perpetration of a cover-up by government authorities at local, state, and national levels. . . .

I TURNED WITH NEW INTEREST TO THE ACTIVITY OF THE **HSCA** [*House Select Committee on Assassinations*]. . . . **Richard Sprague**, a tough, honest professional, had been summarily replaced [*in early 1977*] by . . . **G. Robert Blakey** . . . A PURPORTED EXPERT ON ORGANIZED CRIME who had taught at both **Notre Dame** and Cornell law schools. . . . Blakey, as an expert witness, contended that **Moe Dalitz** had no connection with organized crime. This was extraordinary because it was then a well-established fact that Dalitz was a long-time major syndicate operator. . . . I was also very uneasy with the new chief counsel's apparently cozy relationship with the **CIA** and the **FBI**, which moved him to give the intelligence agencies influence over his staff's requests

> for files, documents, and records. . . . I was thus led to conclude early on that the reconstituted committee leadership had no intention of conducting an independent investigation [**Jesuit Temporal Coadjutor Blakey** *protecting the same CIA/FBI/Mafia Network that killed JFK*]." {12} [Emphasis added]

All was going well for the Vatican's Jesuits. With their International Intelligence Community constructed during World War II, they created the Cold War, igniting their anti-Communist, fascist Crusade in the Far East. Their tools, CFR members **Truman** and **Eisenhower**, had begun the Vietnam War and it would prove to be a great harvest of "heretics" pursuant to the Jesuits' evil **Council of Trent**. The Cold War had been heated up with the sabotage of **Francis Gary Powers'** U-2 spy plane. Because of a lack of fuel it was forced down in Russia, which ended the planned meetings for "peace" between the United States and Russia. **Nixon**, openly backed by **Spellman** (who was secretly for Kennedy—to later put him to death), would have continued **Eisenhower's** foreign policy of "fighting communism." But "Surprise, Surprise!" **John Kennedy** won the 1960 election by a mere 114,000 votes.

As usual, the Society of Jesus with their powerful Knights of Malta had engineered the election. **Kennedy**, loyal to his masters, continued Eisenhower's Jesuit-inspired, *Communist Negro agitation* (called the **Civil Rights Movement**, begun by **Jesuit John LaFarge** and carried on by **Jesuit Richard McSorley**), forcibly integrating the Armed Services, further destroying the morale of our once invincible American Military. He also, according to **Dr. Peter Beter**, continued Eisenhower's policy first begun in 1957 of emptying Fort Knox of **Fourteenth Amendment America's** gold, moving it to the **Federal Reserve Bank** in New York. But after the deliberate failure of the Bay of Pigs invasion **President Kennedy** *changed*. Due to his betrayal by the Jesuits' **Council on Foreign Relations** in the person of **McGeorge Bundy**, he sought to "break the CIA into a thousand pieces." Why? Because the CIA, in fact being the continuation of the Order's **Nazi SS/SD**, was *the teeth* of the Council on Foreign Relations, the enforcer of the Empire's secret government. Of this relationship former CIA officer **Victor Marchetti** tells us:

> "It was in such an atmosphere of restiveness and doubt, on a January meeting in 1968, that a small group of former intelligence professionals and several other members of the [*religious*] cult of intelligence met to discuss the role of the CIA in U.S. foreign policy, not at CIA headquarters in Langley, Virginia but at the **Harold Pratt House on Park Avenue**—the home of the **Council on Foreign Relations.**" {13} [Emphasis added]

And no wonder, for **Allen Dulles**, the Director of the CIA in 1961 had been a **CFR** member for years *just like Bundy*, who was Dulles' tool to wreck the Cuban

invasion that **Kennedy** had approved. So, Kennedy *secretly* fired Dulles—*the darling* of the Vatican's Jesuits—while *openly* he accepted his "resignation." Kennedy then appointed **John A. McCone** to replace him. **McCone** was one of **Spellman's** Knights and would prove to be one of the President's assassins, resigning in 1965. Meanwhile, **President Kennedy** seriously resisted the power of the Vatican's **Jesuit General Janssens**. First, according to *The Washington Post*, he determined to destroy the CIA—that agency which **Truman** honestly described after the Kennedy Assassination as *"a symbol of sinister and mysterious foreign intrigue."* We read:

> "Kennedy did fail in his attempt to gain full control of the CIA and its major partners in the Defense Department. It was the most crucial failure of his abbreviated presidency. He recognized his adversary during his first term, and as he related confidentially to intimate acquaintances, 'When I am re-elected, I am going to break that agency into a thousand pieces.' He meant to do it too, but the struggle cost him his life." {14} [Emphasis added]

Secondly, in addition to his plan to invade Cuba on December 1, 1963, **President Kennedy** sought to end the Vietnam War. The way in which he sought to end it was described in a report, entitled, *Memorandum for the President, Subject: Report of* [CFR members] *McNamara-Taylor Mission to South Vietnam*.

> "With this report in hand, President Kennedy had what he wanted. It contained the essence of decisions he had to make. He had to get re-elected to finish programs set in motion during his first term; he had to get Americans out of Vietnam [*by the end of 1965*]." {15}

President Kennedy began to implement these policies along with limiting the power of the CIA. But those policies were reversed.

> "On November 22, 1963, the government of the United States was taken over by the superpower group [*the Order merely using its American Intelligence Community to remove one of its Presidential creations*] that wanted an escalation of the warfare in Indochina and a continuing military buildup for generations to come [*in preparation for the Pope's Anglo-American-led Crusade against Islam during the Twenty-first Century*]." {16}

And who was responsible for the reversal of President Kennedy's policies after his brutal and bloody assassination in broad daylight? It was the Jesuit Order's murderous **Nazi Gestapo** and **SS/SD** brought into North America via high-level Freemasons **J. Edgar Hoover** and **Allen Dulles**, now the **CIA** ("Catholic Intelligence Agency"), controlled by one of **Cardinal Spellman's** Knights of Malta, **John A. McCone**. We read from the book *First Hand Knowledge* written by CIA agent and confessed accomplice in the Kennedy assassination, **Robert D. Morrow**:

> "At 8:30 AM, on Saturday, the 24th of November, 1963, the limousine carrying CIA Director **John McCone** pulled into the White House grounds. McCone was there to brief the President [**LBJ**] and the slain President's former aide, **McGeorge Bundy** [*the Skull and Bonesman responsible for the failure of the Bay of Pigs invasion*] . . . He was also there to transact one piece of business prior to becoming involved in all the details entailed in a presidential transition—the signing of **National Security Memorandum 278** [*in fact* **273**], a classified document which immediately reversed John Kennedy's decision to de-escalate the war in Vietnam. The effect of Memorandum 278 would give the Central Intelligence Agency carte blanche to proceed with a full-scale war in the Far East, a war that would eventually involve over half a million Americans in a life and death struggle without the [*Constitutional*] necessity of Congressional approval.
>
> In effect, as of November 23, 1963, the Far East would replace Cuba as the thorn in America's side [*because the Jesuits had given Cuba to* **Fidel Castro!**]. It would also create a whole new source of narcotics for the Mafia's worldwide markets. (As mentioned earlier, **Victor Marchetti**, the former Deputy Director to **Richard Helms**, claimed in his book, *The CIA and the Cult of Intelligence*, that Air America, the CIA's proprietary airline, was used as a carrier for opium.)" {17} [Emphasis added]

Dear truth-seeker, *there you have it!* The Vatican's Jesuits with their tool, **Cardinal Spellman**, using one of his Knights of Malta, **John A. McCone**, escalated the Pope's War in Vietnam and gave the CIA unlimited power to carry out the Jesuit General's policy of mass-murder while developing the Mafia's drug trade. Every segment of Rome's "**Fraternity**" benefited. The Vatican's Federal Reserve Bank made trillions financing the Military Industrial Complexes of both the USSR and US; the International Intelligence Community grew to unbelievable proportions united at its apex in the Vatican; the pharmaceutical industry made billions; the Mafia and CIA made billions with their drug trade; Rome's oil companies and Arab nations made billions; **LBJ** and his Texas oil men made billions as the tankers of Rome's shipping tycoons unloaded their crude in both Saigon and Hanoi; and millions of "heretic" Buddhists were murdered throughout Southeast Asia. The blindly patriotic people of **Fourteenth Amendment America** were further reduced to economic and political slavery with its White Protestant Middle Class further destroyed along with *120,000 vets committing suicide*, many of whom having suffered untold tortures.

Thirdly, President Kennedy also resisted the Jesuits' **Federal Reserve Bank** and its *monopoly fiat money*, properly called "indulgences." **Colonel Gritz** writes:

> "When Kennedy . . . called for a return of America's currency to the gold standard, and the dismantling of the Federal Reserve System—he actually minted non-debt money that does not bear the mark of the Federal Reserve [*i.e., United States Notes*]; when he dared to actually exercise the leadership authority granted to him by the U.S. Constitution . . . Kennedy prepared his own death warrant. It was time for him to go." {18}[Emphasis added]

Indeed it was, time for him to go. Like **Lincoln** resisting the policies of the Radical Red Republicans leading to the adoption of the **Fourteenth Amendment**, so **Kennedy** resisted the policies of the Council on Foreign Relations leading to the war in **Vietnam**. Neither could be allowed to serve a second term. **John F. Kennedy**, unlike any President since **Lincoln**, truly resisted "the superpower group"—**Colonel L. Fletcher Prouty's** *The Secret Team* (so described by Papal Knight of Malta **Daniel Sheehan**, chief legal counsel to the Jesuits' **Christic Institute**, and also surnamed "**The Octopus**" by murdered freelance writer **Danny Casolaro**)—known in history as the Society of Jesus. May we Americans never forget the courage that **President John F. Kennedy** showed in *refusing to bow* to **Francis Cardinal Spellman**, knowing full well that his countrymen would never appreciate the pain and national tragedy he sought to prevent. Indeed, his several acts in resisting Jesuit tyranny were true *Profiles In Courage*, yet he was forever wounded in the house of his friends who continue their destruction of the last bastion of freedom in the world—an America founded on *Protestant and Baptist-Calvinist liberties!* Congress's continual example of *sinning by silence*, allowing our enemies to triumph over us, makes cowards of our men, whores of our women, undisciplined idiots of our children and slaves of us all.

Knight of Columbus John F. Kennedy; 33rd Degree Freemason Allen W. Dulles; Knight of Malta John A. McCone, 1962 #597

Because of Allen Dulles' deliberate sabotage of the Bay of Pigs Invasion in 1961, President Kennedy dismissed him and appointed John McCone in his place. But McCone was loyal to his popish master at "the Little Vatican" in New York City, Archbishop and Knight of Columbus Francis Cardinal Spellman. As a former head of the Atomic Energy Commission and deeply tied to Vatican corporations composing the Company's "Holy Roman" Fourteenth Amendment American Empire's Military Industrial Complex, he used certain CIA soldiers, such as Clay L. Shaw, George DeMohrenschildt, David Ferrie, E. Howard Hunt and the patsy, Lee Harvey Oswald, to murder the President. With the ***Black Pope*** pulling the strings through Spellman's continual advisor, Jesuit John LaFarge, Shriner Freemason and Knight of Malta Allen Dulles oversaw the entire assassination through his brother Knight of Malta, John A. McCone, and was then appointed to the cover-up Warren Commission by co-conspirator and CFR member, LBJ.

USAF Major General Edward G. Lansdale (1908 – 1987), 1963 #598

Upon the defeat of the French at Dien Bien Phu (1954), the Geneva Accords ensued. Overseen by Rome's Knights of Malta, Vietnam was divided setting the stage for civil war, Diem's CIA-led Roman Catholic fascists in the South warring against the Minh's KGB-led Buddhist communists of the North. As in the case of Nazi Germany, the fascist South would eventually lose—as planned in Rome!

Jesuit Temporal Coadjutor Lansdale was of paramount importance in: creating the terrorizing, CIA-led Saigon Military Mission (1954); bringing Vietnam's Jesuit-trained Roman Catholic President Ngo Dinh Diem to power (1955); Diem's assassination for refusing to be a puppet of Cardinal Spellman's CIA, the Archbishop breaking with Diem just prior to Diem's murder (Nov. 2, 1963); and the assassination of JFK (Nov. 22, 1963) for his refusal to give nuclear weapons to Rome's "Kingdom of Jerusalem." Further, JFK consented to the removal of Diem, but was shocked at Diem's CIA-directed assassination providing yet another reason to break the power of the **Black Pope**'s "Company." By 1963, CIA Lansdale worked for the Department of Defense at the Pentagon and was well acquainted with brother Jesuit Coadjutor USAF Lt. General Joseph Francis Carroll, a Jesuit-trained Roman Catholic and head of the Defense Intelligence Agency (DIA). During the 1960s Lansdale ran "Operation Mongoose," which OPEN but FALSE policy was to overthrow Castro while the SECRET but TRUE policy was to create sympathy for and further entrench Rome's Cuban dictator. Lansdale and his CIA-master, SMOM Allen W. Dulles, sought to abandon Cuba to Castro and to begin a full-scale war in Vietnam: President Kennedy opposed both policies planning to invade Cuba on Dec. 1, 1963 and fully remove all US troops from Southeast Asia by the end of 1965. Therefore, Coadjutor Lansdale was Spellman's master planner for the assassination of the "usurper," JFK!

Lt. General Joseph Francis Carroll (1910 – 1991), 1960s
#599

Knight of Malta; Roman Catholic Jesuit Temporal Coadjutor

Chief of Staff, United States Air Forces in Europe (USAFE), 1959 – 1960

Inspector General, U.S. Air Force, Pentagon, 1960 – 1961

Director, Defense Intelligence Agency (DIA), Pentagon, 1961 – 1969

Plotting the continued downgrade and ultimate elimination of the CIA, Kennedy created the DIA in August, 1961. Little did he know this new agency would aide in his assassination. Its new director, General Carroll, was an Irish Roman Catholic born in Jesuit-ruled Chicago and educated by priests at St. Mary of the Lake Seminary. He earned his J.D. at Chicago's Jesuit-ruled Loyola University after which he joined the FBI (1940); following WWII he became Hoover's close administrative assistant (1947). Organizing the Air Force's new Office of Special Investigations (OSS) along the lines of Rome's FBI (1947), Carroll became its first director (1948-1950) leaving the OSS as a Major General. After a few more key posts, Carroll was named Chief of Staff, USAFE, Germany (1959), where he worked with his close seminary friend who enjoyed direct access to the Pope, "Monsignor" and Air Force Chief of Chaplains, Major General Edwin R. Chess.

Appointed by CFR McNamara as the first DIA director, Jesuit Carroll was now in control of all intelligence within the Department of Defense! This means: the flight plan of Air Force One entering and leaving Dallas on November 22, 1963, was subject to his approval; USAF Major General Lansdale was his intelligence subordinate whose presence in Dallas was known to Carroll; he was in collusion with his old boss, FBI Director J. Edgar Hoover, in the subsequent assassination cover-up overseen by unknown soldiers of Francis Cardinal Spellman! One of those soldiers was this Jesuit Coadjutor, Lt. General Joseph Francis Carroll!

Lt. General Vernon A. Walters (1917 – 2002), 1970s #600

Knight of Malta; Roman Catholic Jesuit Temporal Coadjutor
Deputy Director, Central Intelligence Agency, 1972 – 1976
Aide to 7 Presidents; Reagan's Ambassador-at-Large, 1981 – 1985
President Reagan's Ambassador to the United Nations, 1985 – 1988
President George H. W. Bush's Ambassador to Germany, 1988 – 1991

Knowing where all the bodies were buried from Truman to Bush, a lifetime bachelor, and the American "James Bond" moving in the dark world of political secrets, Walters is a most conspicuous co-conspirator in the assassination of "the usurper," JFK. Born in Jesuit-ruled New York City, Walters moved to Europe at the age of six where he learned French, Spanish, Italian and German, later mastering Dutch, Portuguese, Chinese and Russian. Growing up in Paris, the Jesuit stronghold of France and haven for the Russian Branch of the Knights of Malta, Walters was educated at Stonyhurst College (the seat of England's Jesuit Provincial) by the most brilliant Jesuits in Britain. A longtime friend of SMOM Alexander M. Haig, Jr., and SMOM George J. Tenet, Walters became: a postwar aide to SMOM General Mark Clark in Austria; a member of CFR-ruled General George C. Marshall's staff; CFR/SMOM W. Averell Harriman's aide, Truman's ambassador to Moscow who aided in unifying the CIA and KGB; a witness (and advisor) to Truman's firing of the insubordinate General Douglas MacArthur who sought to win Cardinal Spellman's "no-win" Korean War; a White House advisor to Truman and Eisenhower; a pilot for CFR President Winston Lord and Nixon's National Security Advisor, CFR Henry Kissinger, during peace talks with the Vietnamese in Paris; and a member of the NATO Standing Group. SMOM Walters served his Jesuit masters well, especially in the murder of JFK!

JFK with Anti-Castro Cuban Brigade, Miami, December 29, 1962 #601

After CIA Director/CFR member Allen Dulles and Presidential advisor/CFR member McGeorge Bundy foiled the Bay of Pigs invasion in 1961, President Kennedy took punitive action. SMOM Allen Dulles was replaced with SMOM John McCone, an old friend of the Kennedy family whom JFK trusted. He later devised a plan for a second invasion of Cuba scheduled for December 1, 1963. The removal of Jesuit Castro would have secured another term of office for JFK during which he would have: ended the intelligence reign of the ***Black Pope***'s CIA; withdrawn from Vietnam; refused to give the Pope's Kingdom of Jerusalem nuclear weapons; brought billions of tax dollars into the Treasury by removing the oil depletion allowance enjoyed by the Vatican's oil monopolies; and ended tax loopholes enjoyed by the Pope's JP Morgan-owned US steel industry. Above, JFK is meeting in Miami with forgiving survivors of the Cuban Brigade five days after they had been released from the inquisitional prisons of Jesuit Castro in exchange for $63 million in food and medical supplies. Upon receiving the flag that had flown for a few hours in the Bay of Pigs, Kennedy promised: "I can assure you that this flag will be returned to this Brigade in a free Havana."*

After the "the Cuban Missile Crisis" in 1962, John and Robert Kennedy planned to invade Cuba once again, since Castro refused onsite inspections. Therefore, ten days before the scheduled invasion, JFK was assassinated and Cuba—to be a staging base for our future invasion—was lost to Rome's Vatican Assassins!

Israeli Monument to Knight of Malta/CIA James J. Angleton, 1998 #602

The Pope's Hitlerian/Stalinist Jewish Holocaust, aided by Weizmann and Ben-Gurion, was vital to the birth of Rome's Labor Zionist Israel. The Knights of Malta involved in creating and securing the ***Black Pope***'s "Kingdom of Jerusalem" included Louis M. Bloomfield and James J. Angleton, he rescuing Italy's "Black Prince," SMOM Valerio Borghese. CIA Angleton enabled the Mossad to secure nuclear weapons for Israel. He also advocated a war with Islam—to destroy the Dome of the Rock and to finally build the Third Hebrew Temple of *Rev.11:1-2!*

President Kennedy Seeking to End the Pope's Cold War, 1962 #603

The Vatican's purposes for the Cold War were many, thus its continuance was of paramount importance. The Soviet Union, its military having been built by the Jesuits and their Papal Knights ruling the US and Great Britain, was magnified (via the ***Black Pope***'s CFR/RIIA Press) into an invincible enemy when, in fact, the empire was in ruins thanks to Rome's anti-Orthodox Operation Barbarossa. On December 16, 1950 (9 days before "Baalmas") "Dirty Harry" Truman declared a state of National Emergency converting the federal courts into tribunals of the Commander-in-Chief evidenced by displayed US flags bordered with gold fringe. The Act gave teeth to Truman's 1947 National Security Act, which created the CIA/NSA "necessary to fight the Cold War." The truth was the USSR and its CIA/MI6/BND-backed KGB were being built to oppress the "heretic" Orthodox Russian people while the "liberal" Middle Class peoples of the US were being driven into ballooning cartel-corporate fascism through successive no-win wars dictated by Rome and led by her American Knights of Malta. JFK, who in fact hated communism (as he had planned to invade Cuba in 1963), offered to call off the moon race (1963), further hindering the building of Rome's International Intelligence Community—including NASA! Thus, without the Company's Cold War Hoax, Rome's Kingdom of Jerusalem could never have been built militarily!

U.S. Troops to be Out of Vietnam by End of 1965, Oct. 4, 1963 #604

General Taylor, Sec. of Defense McNamara, JFK, Oct. 2, 1963 #605

Although JFK intended to withdraw 1,000 military personnel by the end of 1963 and the bulk of US troops by the end of 1965, CFR members Maxwell Taylor and Robert McNamara remained loyal to their master in St. Patrick's Cathedral who would, with their collusion, murder Kennedy. Replaced by Johnson who began bombing Hanoi in 1965, Spellman's CIA/FBI and Sicilian Mafia built Rome's International Drug Trade. Its gargantuan profits were then laundered through Rome's International Banking System, which "black budget" blood monies were then used to finance the perfecting of Rome's International Intelligence Network.

Jesuit Priest John LaFarge (1880 – 1963), 1938 #606
Father of the Black American Socialist Civil Rights Movement

In accordance with Metternich's Holy Alliance and the **Black Pope**'s Council of Trent, the Society of Jesus has been committed to the destruction of our Protestant Republic and our *AV1611* Bible-reading, "heretic and liberal" American people—both White and Black. Therefore it began "the Negro/Black Agitation" in the early 1930s with Jesuit John LaFarge hypocritically accusing Protestants of instigating slavery and inventing racism when the Jesuits were the largest slaveholders in Maryland from 1650 to 1838. This calculated agitation, coordinated through obedient Masonic leaders within every racial and political faction, culminated in the violent "Civil Rights Movement" of the 1960s. Led by Jesuit-controlled socialist Martin Luther King, the Order's purpose expressed by Emanuel Josephson was to "use the Negro to destroy our Republic by inciting them to savagery to effect a complete breakdown of law and order that will serve as a perfect pretext for establishing a [*White neo-Nazi fascist*] dictatorship under themselves that will be welcomed by a terrified nation." Remembering Malcolm X had boldly declared "the Ku Klux Klan and the Nation of Islam have the same paymasters," Jesuit New Dealers Robert Hartnett and Georgetown University's Richard McSorley continued America's Second Reconstruction culminating in the 1965 Voting Rights Act and forced integration of our hated Public Schools leading to amalgamation, which always results in moral corruption and violence (*Genesis 6*), making America a weakened nation of color like Castro's Cuba.

Cardinal Spellman with Advisor, Jesuit John LaFarge, 1960 #607

The ***Black Pope***'s socialist-communist American Civil Rights Movement was a masterpiece of Jesuit duplicity as it secured full legal integration not only among Whites and Blacks, but also among Protestants and Roman Catholics. Now, no priest-ruled Roman Catholic can be refused any position in government or industry even though his first allegiance is to a foreign sovereign—the Pope—whose Temporal Power every Roman Catholic must uphold: Blacks were merely used to further Papal Supremacy! Apostate Methodist Masonic Randolph knew this was the Order's secret agenda, therefore he opposed all Black separatism—and by inference, Biblical Protestant separatism—which movement would never have spawned the integrationist and ecumenical Civil Rights Acts of the 1960s. Above we have (L-R): Henry Seeger, Sr.; Francis Cardinal Spellman; Lester Granger, director of the Archbishop's Urban League financed by the Order's Ford Foundation; and Jesuit John LaFarge. As the Cardinal's advisor, "Uncle John" LaFarge (whose brother Oliver was an executive at General Motors and a personal friend of GM's Knight of Malta John J. Raskob) received his seminary training in Innsbruck, Austria, through the influence of President Theodore Roosevelt. There, he became acquainted with Jesuit fascists who later brought Hitler to power and Nazism into Austria; he also supported fascists Franco and Mussolini. Calling communism "the new Calvinism," he worked with openly anti-communist Georgetown Jesuit Edmund Walsh and backed FDR's New Deal. After WWII, he aided Spellman's FBI director in bringing thousands of Nazis into America through the Pope's "Vatican Ratlines" via "Operation Paperclip." The guiding hand in Spellman's assassination of President Kennedy, LaFarge died two days later in a theatrical grief over the death of JFK, "the usurper."

Freemason A. Philip Randolph with Jesuit Priest John LaFarge, 1960 #608

Prince Hall Rite Black Freemason A. Philip Randolph was LaFarge's favorite Civil Rights leader. Since American Blacks had fought valiantly in the Pope's Second Thirty Years' War (1914-1945), this deliberately misguided "patriotism" was used as a justification to amalgamate the races via a series of legal events. With the backing of the Jesuit Order and Cardinal Spellman of New York City, Randolph was the secret guiding counsel of all Black and mulatto leaders in the CFR/limelight of the ***Black Pope***'s Rockefeller and Ford-financed, Black socialist-communist revolution from the twenties through the sixties. He opposed all movements towards Black separatism, from the historic positions of mulatto Booker T. Washington, to Jamaican Black Freemason Marcus Garvey, to the irrefutable separatist logic of the Masonic Black Nation of Islam's non-Masonic mulatto, Minister Malcolm X. Randolph openly "threatened" to march on Washington in 1941 at which time he and Masonic FDR, both overseen by the Jesuits, agreed to integrating the defense industries, Roosevelt issuing executive order 8802. He orchestrated the huge Civil Rights March on Washington, D.C., in August of 1963 (backed by the Order's pro-communist, Rockefeller-financed, apostate Protestant, anti-Reformation, anti-*AV1611 Bible*, pro-Masonic, National Council of Churches) at which Martin Luther King, Jr., gave his immortalized integrative speech, "I Have A Dream." Lafarge (seated second from right) is next to Randolph pictured with the Catholic Interracial Council of New York.

Randolph with President Kennedy At the White House, 1963 #609

Again we see Masonic Randolph acting as the chief Civil-Rights-leader-in-charge with Knight of Columbus President Kennedy at the White House. Next to JFK is the sinister Walter P. Reuther, President of the United Automobile Workers, Vice-President of the AFL-CIO, and a member of the ***Black Pope***'s United World Federalists along with CFR member, Civil Rights Commission-member and President of Notre Dame University, Priest Theodore Hesburgh. To Randolph's right is Rabbi Joachim Prinz, a personal acquaintance of SS/SD Adolf Eichmann while in Vienna and chairman of the American Jewish Congress which, under Reformed Rabbi Stephen S. Wise, betrayed European Jews by refusing to aid in their escape from Nazi-occupied Europe. On the extreme left is Martin Luther King, Jr., holding a plagiarized doctorate in systematic theology from Boston University's School of Theology heavily influenced by Jesuits at nearby Boston College. In 1964 the Order would use its powerful papists in Congress, including Speaker of the House John McCormick and Senate Minority Leader Everett Dirksen, to force passage of the interracial Civil Rights Act. In 1965 the Voting Rights Act would be passed after King's Selma-to-Montgomery marchers were given aid and comfort by Monsignor Paul J. Mullaney's City of St. Jude. Yet, both King and JFK would be executed by Cardinal Spellman's Army Intel and CIA/Mafia for opposing "Spelly's War" and its lucrative drug trade in Vietnam. Like the Bolshevik Revolution, notorious influence of Masonic Jews in the Civil Rights Movement would result in Jesuit-incited, anti-Jewish fury at a later date.

A. Philip Randolph Leading Black Civil Rights Leaders, 1964

Here sit the greatest traitors to American Black People who ever disgraced the sad, tragic history of this generally servile and downtrodden race. With no true Black men loyal to their race allowed to advocate a "Back to Africa" movement or the establishment of a new Black nation in North America—to the exclusion of all White people—, these Jesuit-ruled, Masonic "Uncle Toms" of the **Black Pope** championed an integrationist agitation that has only antagonized the relationship between American Whites and Blacks for the last sixty years—while further centralizing executive power in Washington! Massive unconstitutional socialism, such as President Johnson's "War on [*Black*] Poverty" igniting a sky-rocketing national debt, has given rise to huge, easily-agitated, welfare-dependent, savage, inner-city, Black populations whose bent to illegitimacy, vice and Black-on-White crime has been continually stoked by the Company's CIA/Mafia gunrunners, illicit drug trade, Jesuit/Knight of Malta-controlled Hollywood theater movies and now "gangster rap." From the Order's NAACP headquarters in New York City we see (L-R): Bayard Rustin, co-founder of the Rockefeller funded University of Chicago's Congress of Racial Equality (CORE); Jewish Jack Greenberg, NAACP New York lawyer; Masonic Whitney M. Young, Jr., National Urban League executive director; James Farmer, cofounder and national CORE director; Roy Wilkins, executive secretary of the NAACP later awarded St. Louis University's "Sword of Ignatius Loyola" in 1976; Martin Luther King, Jr. (groomed for the movement while a student at the all-Blackmale Morehouse College by its Masonic president, Benjamin Elijah Mays) president of the Southern Christian Leadership Conference; John Lewis, radical chairman of the Student Non-violent Coordinating Committee; Masonic A. Philip Randolph, "the Chief;" and Courtney Young of Lewis' student group.

Randolph With Pro-Nazi President Johnson, White House, 1966 #613

Viewing the above Civil Rights leaders and their betrayal of American Blacks who genuinely sought to be delivered from the hateful racism of White Roman Catholic-ruled cities of the North, as well as White, apostate Protestant and Baptist, Masonically-ruled cities of the South, the words of our socialist Masonic Jesuit Temporal Coadjutor, W. E. B. Du Bois (though said by him to be "an old and specious argument"), truly declare the intended plan of the Order: "Don't segregate yourselves! Let's all get together, whites and blacks—and let the wise whites lead you!" This indeed has been the outcome of the **Black Pope**'s Civil Rights Movement peaking with the Voting Rights Act of 1965. Without question, Masons Randolph and Johnson both knew that Jesuit-advised, New York City Archbishop Francis Cardinal Spellman, via his Council on Foreign Relations in command of the CIA, the Mafia, the FBI and Military Intelligence, executed President Kennedy in 1963 and Malcolm X in 1965. JFK opposed his masters in the CFR; Malcolm opposed his masters in the NOI. Both men did not promote "Spelly's War" in Vietnam: JFK intended to pull out all troops by the end of 1965 and Malcolm rightly called the Cardinal's Crusade a "White man's war." Randolph with Masonic NY Governor, Nelson A. Rockefeller, 1969 #614

Indeed, this picture speaks a thousand words! Celebrating Randolph's 80th birthday dinner at New York City's luxurious Waldorf Astoria Hotel, we see (LR): the illegitimate Bayard Rustin, a former pro-Bolshevik communist turned pro-papacy, anti-communist Democratic Socialist, a notorious sodomite and later "gay rights" activist, and organizer of Masonic Randolph's 250,000-man, 1963 Civil Rights March attended by the Archbishop of Washington, D.C., Patrick A. O'Boyle with Randolph's aged Jesuit LaFarge; Irish Roman Catholic George Meany, president of the ***Black Pope***'s socialist labor monopoly—the American Federation of Labor and Congress of Industrial Organizations (AFL-CIO)—with ties to the CIA and SMOM J. Peter Grace, Jr., Meany later advocating the Jesuit-led impeachment of President Nixon; Coretta King, the obedient, CFR Press-friendly, mulatto Negress who refused to expose the Jesuit-ruled Masonic murderers of her husband; Randolph, former vice president of the AFL-CIO, Democratic Socialist (conforming with the Order's anti-communist Crusade) and co-conspirator in the King assassination; and New York Governor Nelson A. Rockefeller, a supra-national, cartel-capitalist and co-financier of the Order's socialist Civil Rights Movement illustrating the collusion between the Company's monopoly on labor (Unions) and its monopoly on capital (New York Banks), the Order having leveled America into one race-mixed, socialist, Jesuit Reduction.

"Stand back, thou manifest conspirator,
Thou that contrivedst to murder our dead lord;
Thou that giv'st whores indulgences to sin:...
Under my feet I stamp thy cardinal's hat:
In spite of pope or dignities of church,
Here by the cheeks I'll drag thee up and down...
Now beat them hence; why do you let them stay?
Thee I'll chase hence, thou wolf in sheep's array.
Out, tawny coats! out, scarlet hypocrite!" {1}

"It is of faith that the Pope has the right of deposing heretical and rebel kings. Monarchs so deposed by the Pope are converted into notorious tyrants, and

may be killed by the first who can reach them. If the public cause cannot meet with its defense in the death of a tyrant, it is lawful for the first who arrives, to assassinate him." {3} [Emphasis added]

(to have our 'eyeballs pierced to the center with a sharp, three-edged blade') . . . in the name of Allah, and acknowledges this pagan god of vengeance as his own ("the God of our fathers"). The Deadly Deception

"The lawfulness of killing excommunicated, that is Protestant kings [*and disobedient Roman Catholic kings and presidents*], the Jesuit writers have been at great pains to maintain, and by a great variety of arguments to defend and enforce. . . .

We have only to look around, and on every hand the melancholy monuments of these doctrines meet our afflicted sight. To what country of Europe shall we turn where we are not able to track the Jesuit by his bloody foot-prints? What

page of modern history shall we open and not read fresh proofs that the Papal doctrine of killing excommunicated kings was not meant to slumber in forgotten tomes, but to be acted out in the living world? We see **Henry III** falling by their dagger. **Henry IV** perishes by the same consecrated weapon. The **King of Portugal** dies by their order. The great **Prince of Orange** is dispatched by their agent, shot down at the door of his own dining-room. How many assassins they sent to England to murder **Elizabeth**, history attests. That she escaped their machinations is one of the marvels of history.

Nor is it only the palaces of monarchs into which they have crept with their doctrines of murder and assassination; the very sanctuary of their own Popes they have defiled with blood. We behold **Clement XIV** signing the order for the banishment of the Jesuits, and soon thereafter he is overtaken by their vengeance, and dies by poison. In the **Gunpowder Plot** we see them deliberately planning to destroy at one blow the nobility and gentry of England [*which irrefutable historical fact is being denied by the Order's most recent Hollywood release, V for Vendetta*]. To them we owe those civil wars which for so many years drenched with blood the fair provinces of France. They laid the train of that crowning horror, the **St. Bartholomew Massacre. Philip II** and the Jesuits share between them the guilt of the **'Invincible Armada,'** which, instead of inflicting the measureless ruin and havoc which its authors intended, by a most merciful Providence became the means of exhausting the treasures and overthrowing the prestige of Spain [*even as* **Cardinal Spellman's** *Korean and Vietnam Wars further exhausted the blood, treasure and prestige of America*].

What a harvest of plots, tumults, seditions, revolutions, torturings, poisonings, assassinations, regicides, and massacres has Christendom reaped from the seed sown by the Jesuits! Nor can we be sure that we have yet seen the last and greatest of their crimes." {8} [Emphasis added]

"A conspiracy is rarely, if ever, proved by positive testimony. When a crime of high magnitude is about to be perpetrated by a combination of individuals, they do not act openly, but covertly and secretly. The purpose formed is known only to those who enter into it. Unless one of the original conspirators betray his companions and give evidence against them, their guilt can be proved only by circumstantial evidence . . . and circumstances can not lie." {9}

' Colby presented what he said was a theological and philosophically sound approach. The Catholic church, he said, had long since wrestled with this question and had, to Colby's mind, emerged with a sound concept. **'It is acceptable**,' he said, **'to assassinate a tyrant**.' "When [**Knight of Malta**] **Clay Shaw** was arrested by **Jim Garrison** the news was of particular interest to the Italian newspaper *Paesa Sera*. It followed up with a story that Shaw belonged to a cover organization in Rome named **Centro Mondiale Commerciale** (CMC). Its location was frequently moved, its presidents rotated; its *modus operandi* altered. CMC included Italian fascists, elements of the European paramilitary right, the **CIA**, and the U.S. Defense Department. There were major shareholders with banks located in Switzerland, Miami, Basel and other major cities. CMC had been formed in 1961, one year after Kennedy was elected. Its principals had worked with fascist networks established after World War II. The board of directors numbered [*Roman Catholic Papal Knight*] **Ferenc Nagy**, a former Hungarian premier who led that country's Anti-Communist Countrymen's Party in exile. **J. Edgar**

Hoover brought Nagy to the United States [*and into the FBI*], where there were numerous Gehlen-supported émigré organizations [*full of ex-Nazi fascists*]. . . .

CMC was actually a subsidiary of Swiss-based **Permindex,** whose president was [**Knight of Malta**] **Prince Gutierez de Spadafora,** Italian industrialist and large landowner. Spadafora's daughter-in-law was related to [**33rd Degree Freemason** *and Hitler's banker*] **Hjalmar Schacht. Clay Shaw,** who managed the New Orleans International Trade Mart, was a director. Another was **Giorgio Mantello,** aka **George Mandel,** who would later move to New Orleans. Once convicted of 'criminal activities' in Switzerland, Mantello worked closely with his fellow Hungarian, Nagy. One of the goals of the CMC was that **'Rome will recover once again her position as center of the civilized world** [*i.e., restoring the Pope's Dark Ages pursuant to quest of the Jesuit Order*].' [**Knight of Malta**] **Major L. M. Bloomfield,** a veteran of the OSS who resided in [*French Roman Catholic*] Montreal [*who, with his brother* **Bernard Bloomfield,** *were trusted financiers of* the Company's **St. Francis Xavier University** *in Nova Scotia*], was a suspect Garrison wanted to question. In Canada he reportedly controlled Credit Suisse, Heineken's Breweries, Israel Continental Company, Grimaldo Siosa Lines and other international firms. Shaw's name was found among eleven directors of a company in Montreal that actually was based in Rome. . . .

Paesa Sera reported on March 4, 1967 that **CMC** [intending to restore Rome's Dark Ages] was a creature of the **CIA** [enforcing the Pope's Temporal Power by assassinating political leaders opposing that power, including JFK] serving as a money conduit [as would **BCCI,** its original partner having been the Order's **Bank of America**], and that **Shaw** and **Bloomfield** conducted illegal political espionage under its cover. In New Orleans, Shaw was the respected citizen who had helped restore the French Quarter. In Rome he was a vital member of the boards of twin companies dealing with fascists accused of European assassinations. Shaw's address book contained the private number of [**Dame of Malta**] **Principessa Marcelle Borghese,** now Duchessa de Bomartao, who is related to [**Knight of Malta**] **Prince Valerio Borghese.** Called the 'Black Prince' and 'The New Duce,' Borghese was leader of the **Movimento Sociale Italiano,** a new-fascist syndicate [furthering the rise of fascism in Europe and the US according to Roman Catholic Martin A. Lee's The Beast Reawakens:

Fascism's Resurgence From Hitler's Spymasters to Today's Neo-Nazi Groups and Right-Wing Extremists (1999)]. **The Black Prince,** who was a decorated submarine captain in the First World War, was convicted of cooperating with the Nazis in WWII and given 12 years in prison. The Black Prince is the same Borghese rescued by the CIA's [**Knight of Malta**] **James J. Angleton.** No wonder Angleton was awarded the Sovereign Military Order of Malta by the

Pope after the war. It might explain what Angleton was hinting at when questioned about the murder of **JFK**: 'A mansion has many rooms; there were many things during the period; I'm not privy to who struck John [*this bold-faced liar openly admitting that President Kennedy was not murdered by the "lone nut" Oswald*].'

Clay Shaw's affiliation with **Permindex** would plug in later to Argentina, Spain, **Rome**, New Orleans and Dallas. The international range of hit teams, using CIA money diverted overseas to cover companies set up by the Gehlen Organization, started coming together after Shaw's arrest." {12} [Emphasis added]

"On April 25th, 1963, **Oswald** arrived in New Orleans . . . From the bus depot, Oswald telephoned **Lillian Murret**, an aunt whom he hadn't seen since he had joined the Marines. She was surprised to hear from her nephew—the last news she had had of him was when he had defected to the Soviet Union in 1959. She had liked him as a child, and without asking him any embarrassing questions about why he had gone to Russia, or returned, . . . For the next three weeks Oswald lived in the Murrets' home on French Street. His uncle, [*Mafioso*] **Charles 'Ditz' Murret**, who had been a fairly well-known prizefighter manager, offered to lend him $200 until he got settled, but he declined the offer. . . .

Oswald got on particularly well with his [*CIA*] cousin **Marilyn Dorothea Murret**, a tall attractive woman with long black hair. . . . In telling her how he was able to arrange for his wife to accompany him out of Russia [*something virtually impossible for the common man in those days*], he explained that her father was a 'Russian officer' [*in fact, a* **KGB** *officer, implicating the* **KGB** *cooperating with*

the **CIA** *in setting up "the patsy" for the Kennedy assassination*] who used his influence to assist them. . . .

In the last weekend in July Oswald gave a one-hour talk on his experiences in Russia to a group of Jesuit scholars at Spring Hill College in Mobile, Alabama. The positions he took on the Soviets' betrayal of Marxism closely paralleled those he had written out during his ocean crossing thirteen months earlier. The engagement had been arranged for him by his cousin, **Eugene Murret**, who was studying for the [*Jesuit*] priesthood there. Afterward, Oswald met informally with a number of the Jesuits." {14} [Emphasis added]

Stinnett** *in his Day of Deceit (2000)*] and that it was the Secret Service agent driving the limo [**William Greer**] that had shot Kennedy in the head, I went AWOL with no intention of ever returning [*to the Navy*]. . . . His assassination was ordered by the Policy Committee [*controlled by* the ***Black Pope*** *through the CFR*] and the order was carried out by agents in Dallas [*Dallas hosting at least ten resident Knights of Malta*]. President John F. Kennedy was murdered by the Secret Service agent who drove his car in the motorcade and the act is plainly visible in the Zapruder film. **WATCH THE DRIVER AND NOT KENNEDY WHEN YOU VIEW THE FILM.** All of the witnesses who were close enough to the car to see **William Greer** shoot Kennedy were themselves all murdered within two years of the event [*except two*]. The Warren Commission was a farce, and [**Cardinal Spellman's**] Council on Foreign Relations members made up the majority of its panel. "1231:07 P.M. — **William Greer** — The limousine driver, brakes the car, turns and sees he still has a live passenger, and then takes the already drawn .45 Cal. Colt pistol in his left hand and rests it on his right shoulder firing the single shot that causes Kennedy's fatal head wound. . . . What best makes the case for the limo driver shooting JFK is not the Zapruder film, but the witnesses. People saw what happened. In all, [**Fred**] **Newcomb** lists six eyewitnesses, some of which were actually in the Warren Commission report. **Mary Moorman**, the

school-teacher standing next to **Jean Hill** [*in a red raincoat*] saw Greer shooting but thought he was shooting back at the assassin. . . . Jean Hill saw what happened too. Every time she tried to bring up the subject of Greer firing a gun, **Senator Arlen Specter**, a 33rd degree mason, would change the subject or say, 'It's time for a cup of coffee.' It would appear that he had an established agenda.

When a handgun is fired at close range, powder burns are left on anything in the vicinity. As one can see from this diagram, when Greer fired, **Governor Connally's** suit coat was close to the muzzle blast. This would explain why one of the first orders of **President Johnson** was to have **Congressman Henry Gonzales** (now deceased) take Gov. Connally's clothing out of the hospital in a sack. Gonzales then took them back to Washington, D.C., where they hung in his closet for at least a week . . .

Austin P. Miller of the Texas Louisiana Freight Bureau, was standing on the railway overpass overlooking Elm Street and was asked by **Senator Arlen Specter** 'where the shots came from?' His reply: 'From right there in the car.' Specter just went on to the next question, never asking Miller any specifics." {16}[Emphasis added]

A tracheotomy was performed, and the President was given blood transfusions, oxygen and, after his heart failed, external massage. The President died at 1:00 pm Dallas time—about twenty minutes after arrival at Parkland Hospital. He was wounded in the back of the head [*the gaping exit wound from the frontal head shot*] and on the right side of the head [*received from the storm sewer shooter*]; there was a loss of blood and brain tissue. **A bullet struck him in front as he faced the assailant** [*the limousine driver,* **William Greer**]. "But here too [*in addition to interfering with Cuba*], **Jack Kennedy** was getting in the way. Before he was killed he had already initiated a sequence of events which were to reverse an increasing Vietnamese involvement and extract us from the Indochina combat scene relatively quickly. All this meant that **Jack Kennedy** would have to go. . . . But he was beginning to see the light about

what was really going on even stating in a broadcast that: **'Castro was a tool of an international conspiracy.'** . . . President John F. Kennedy thus became a marked man. Agents of the CIA . . . arranged a series of possible assassination setups in 1963. As it happened, the one which was actually carried out was the one in Dallas. . . .

That single bullet did not kill President Kennedy, nor did any other sniper's bullet. In fact, technical analysis of the famous Zapruder and associated films, done secretly for me, reveals that the President was murdered by means that were far more reliable than even the best sharpshooters. . . .

Fact: At the instant of the fatal shot, the Zapruder film shows what appears to be a rush of something, a blast of some sort, into Kennedy's face from downward and in front of him—from a position within the car. . . . Here now is my conclusion. . . . The conspirators left nothing to chance on the vagaries of marksmanship. President Kennedy was killed by a device mounted inside the limousine and fired at him from point blank range." {18} [Emphasis added]

"Kennedy . . . was murdered at Dallas on November 22, 1963. . . . The killing shot came from the driver of the President's Limousine, a CIA [*Secret Service*] agent who shot Kennedy in the head with a special weapon developed by the CIA. If you look at the original [*Zapruder*] film of the assassination in slow motion and watch the driver, then you can clearly see that he turns around with a gun in his hand, shoots, and the back of Kennedy's head bursts. The films shown in most Western countries [*JFK, Director's Cut*] have the driver cut out. . . . The bullet, too, was a CIA special that only exploded after entering the body, and thus annihilated Kennedy's brain [*as no Chief Executive has been killed with a rifle in over two hundred years, the maxim of all Jesuit-authored assassinations when using a firearm is the killing shot must be at a point-blank range as with Presidents Lincoln, Garfield and McKinley as well as Franz Ferdinand at Sarajevo*]. . . . All the witnesses of the conspiracy were either killed or died of fast-growing cancer [*viral cell mutations created by the Jesuit General's CIA*] that they had injected—the deadly marksman in the car three weeks after the deed, for example [*rather,* **William Greer** *died on February 23, 1985*]." {19}

Antonio Santarelli, 1626

"I . . . have always believed the fatal shot came from the storm sewer on Elm Street to the right front of the motorcade. This was not from speculation or photo angling. . . . I used to crawl down in the sewer with [William] Penn Jones [*owner of the daily "The Midlothian Mirror"*] in the 1960s and it is quite different today. For one thing, the bottom has been filled in . . . and the opening that used to come up to my armpits now only reaches my waist. [*Jesuit Temporal Coadjutor*] Oliver Stone repaved the street for his film and considerably reduced the size of the opening onto the street. It was more than ample and wide for the headshot. And Penn Jones, Jim Garrison and other critics placed the shot there from reports by witnesses and the physical evidence. It was [*Jewish Jesuit Temporal Coadjutor*] Mark Lane in the late 1960s who tried to move everyone up to the Grassy Knoll [*as* Oliver Stone's *JFK, Director's Cut, focuses all attention on the Grassy Knoll and cuts out the driver when reviewing the* Zapruder Film *as does Jesuit Temporal Coadjutor* Robert Groden].

1. Ear-witnesses heard a completely different sound from the last shot fired, one saying it echoed as if in a sewer.

2. [**Governor John**] **Connally** and others in the motorcade smelled gunpowder during the events. Smoke rose upwards from the fence area atop the Grassy Knoll [*indicating that shot was intended to be a distraction for the crowd while the real kill shots came from two other locations*], and would not have reached them. However, the passing of the first car in the motorcade would suck air and smoke out of the sewer hole and along the route of the motorcade.

3. A shot from the **Grassy Knoll** would have reached JFK's head at a downward angle, exiting from the [*left*] base of his skull [*as opposed to the right base of the skull according to the testimony of Parkland Hospital's attending physicians*], and driving him down into the seat as it sent him backwards. A close examination of his reaction in both **Zapruder** and **Nix** films shows that he rises up from the seat [*sewer shot*] as he is thrown back at over 100 mph [*driver's shot*]. The fatal shot blew out the upper portion of his skull. **Both are consistent with a shot from below.**

4. Brain matter and skull fragments explode upwards and travel back and to the left with great velocity at the moment of impact. **Jackie** [**Kennedy**] later revealed that she picked up a portion of skull on the left rear of the car behind her seat, before being pushed back in by [**SSA**] **Clint Hill.** A portion of skull [*with blood and brain matter*] was found near the curb [*in the grass*] on the south side of Elm, nearly thirty feet behind the position of the car at the point of the fatal shot and across the street [*along with a .45 slug according to the testimony of* **Deputy Sheriff Roger D. Craig** *who, after several attempts, was finally "suicided" with a rifle*].

5. Officer **Billy Hargis** was riding his motorcycle to the left rear of JFK's limousine and witnessed the headshot. He was quoted in the Warren Commission testimony saying that he was hit so hard with a skull fragment through his leather jacket that he thought he had been hit by a bullet. He looked down to see he was covered with blood, stopped and got off his motorcycle, and said, 'Am I hit?' He later parked the motorcycle over the opening of the sewer [*as ordered so to do by* **Dallas Police Chief Jesse Curry** *so as to protect the storm sewer shooter and divert attention to the Grassy Knoll*] and ran up the Grassy Knoll with other witnesses. Quoted in the *Dallas Morning News* on the 30th anniversary of the assassination, **Hargis** recalled the event and said the brain and blood matter **arced up** and **came down** on him. Again, all this is more consistent with a shot from below and to the front.

6. The storm sewer is a good hidden location, one that a military sniper would choose. **Penn Jones** crawled through the pipes and discovered that going west along Elm leads to the vertical pipe that opens behind the Grassy Knoll fence near the overpass, and going across Elm and to the east **leads to a grate in the basement of the Dallas jail** [*indicating the storm sewer shooter did not have to surface amidst the witnesses having gathered atop the Grassy Knoll behind the picket fence in order to escape the crime scene. He kept underground, headed east and surfaced in the basement of the Dallas jail protected by officers under orders from* **Chief Curry** *who was subject to* **Mayor Earle Cabell**, *who in turn had attended oil magnate* **Clint Murchison's** *secret "executive action" meeting the*

night before the assassination]. He yelled out when he got there, but no one responded.

7. The sewer shot was rarely mentioned by researchers or the public after [**Mark**] **Lane** focused on the Grassy Knoll, but a few of us kept seeking the evidence. Subsequent 'tell all' books by alleged participants usually repeat the standard locations, the TSBD [*Texas School Book Depository*] window or the Grassy Knoll, for verisimilitude [*having the mere appearance of truth, but not the real truth*]. A book published in the 1990s, long after it would have been fashionable to lie about the sewer location, titled *Treason: My Daily Bread*, by **Mikhail Ledbedev** [*a Russian*], reveals his role in a plot involving Nazi intelligence agent **Reinhard Gehlen** [*Intelligence Chief of West Germany's BND and possibly portrayed in* **Oliver Stone's** *JFK, Director's Cut (who is either Heinrich "Gestapo" Mueller or Gehlen) during a White House meeting with President Johnson and the Joint Chiefs of Staff*] to kill Kennedy in Dallas, and mentions that he was sent to shoot from the storm sewer. He may be covering for the real assassin in this, but by picking the sewer location he adds credibility to his account in my view. There are many other indications that Gehlen and his Cold War spy network that formed our CIA were part of the JFK assassination conspiracy. In the end, though, it does not matter exactly where the shots came from or who fired them, even. None of that leads us back to the plotters, but the patsy, Oswald, does. Focusing endlessly on Dealey Plaza will never solve the crime. The bullets came from the Pentagon, no matter what direction they took." [*This conclusion as to one of the headshots coming from the storm sewer has been affirmed by Canadian investigative researcher "***Lenny Bloom**,*" host of* **www.cloakanddagger.de**, *who was also personally escorted by* **William Penn Jones, Jr.,** *through the storm sewer and who also aired a copy of the Zapruder Film in Canada after personally obtaining the film from New Orleans* **District Attorney Jim Garrison**]. {22}[Emphasis added]

The impressive guest list included **John McCloy, Richard Nixon, George Brown, R. L. Thornton, H. L. Hunt**, and a host of others from the 8F group [*the super-rich, "Great White Fathers" of Dallas*]. The jovial party was just breaking up when **Lyndon** [**Johnson**] made an unscheduled visit. I was most surprised by his appearance, since Jesse had not mentioned anything about Lyndon's coming to Clint's. With Lyndon's hectic schedule, I never dreamed he could attend the big party. After all, he had arrived in Dallas on Tuesday to attend the Pepsi-Cola convention [*Pepsi- Cola's CEO being CFR member* **Donald M. Kendall**].

Tension filled the room upon his arrival. The group immediately went behind closed doors. A short time later Lyndon, anxious and red-faced, reappeared. I knew how secretly Lyndon operated. Therefore, I said nothing . . . not even that I was happy to see him. Squeezing my hand so hard it felt crushed from the pressure, he spoke with a grating whisper—a quiet growl into my ear not a love message, but one I'll always remember:

'After tomorrow those god_____ Kennedys will never embarrass me again—and that's no threat—that's a promise.' . . .

I woke up on **November 22, 1963**, excited about the big day crammed full of activities. . . . As I was packing my automobile, Lyndon surprised me again with a phone call from the lobby of the Texas Hotel. . . . I had barely eked out the words, 'About last night. . . ' when his rage virtually went ballistic. His snarling voice jolted me as never before—

'That . . . Irish mafia bastard, Kennedy, will never embarrass me again.' " {24} [Emphasis added]

"In fact as we shall see later, [*33rd Degree Freemason*] **Hoover** became a key member of the assassination cover-up immediately following the death of **John F. Kennedy**. [12] I had watched this maelstrom gather its dark clouds of conspiracy and death. It had touched the **CIA, FBI, Mafia** and the **Cuban underground**. It would now touch me. I would be called upon to do that which, at the time, I thought to be my duty. I would be called to commit treason.

12. It was from his good friend **Hoover** that **Richard Nixon** learned of the pending assassination. Interestingly, on the eve of the assassination, **Hoover**

and **Nixon** attended a meeting together at the Dallas home of [*Masonic*] oil-baron **Clint Murchison** [**Sr.**]. Among the subjects discussed at this meeting were the political futures of **Hoover** and **Nixon** in the event **President Kennedy** was assassinated." {25}[Emphasis added]

About the Bell, alright? We refer to the Bell as **the great Bell of St. Peter's in Rome.** Therefore, we are not dealing with a Jewish plot but a Catholic plot. . . . "He [**Lyndon Johnson**] was still painfully trying to accept being 'number two' as Vice President. However, Lyndon's real power of access was being head of the strong **Invisible Government**, unknown to most Americans. Lyndon told me, 'Congress didn't know how the Agency (the CIA) spent their $4,000,000,000 budget. The CIA, FBI, and military are intertwined.'

I asked, 'What do our representatives and senators think about this?

What is the Invisible Government?'
Lyndon said, **'The Agency** [*CIA*] **controls private companies, radio stations, a steamship company, and a publishing house. It is dangerous,**

and has overthrown some foreign powers. Some of the operations played a crucial role in the Kennedy-Nixon campaign. And the average person doesn't know a damn thing about it.' I was stunned, because my own advertising agency handled the account of one of the world's largest steamship companies.

Lyndon explained, '**Harry S. Truman** established the CIA after World War II and [*Knight of Malta*] **Allen Dulles, John Foster Dulles'** brother, was the Medusa head of the organization.' He then scornfully added, 'Haven't I told you repeatedly, *you don't hear, see, or repeat anything*?'

[Johnson was indeed a tool of the Order as he invited **Knight of Malta Edward Bennett Williams** (educated by the Jesuits at **College of the Holy Cross** and **Georgetown University**; a famous trial lawyer and Washington insider whose high profile clients ranged from mobsters James "Jimmy" R. Hoffa, Frank Costello and Frank Sinatra, to Jesuit-backed Senator Joseph McCarthy, Sun Myung Moon and John Connally; the president of the Washington Redskins football team and later the owner of the Baltimore Orioles baseball team; lifelong friend of Holy Cross debating partner and brother Knight, **Robert Maheu**) to be the mayor of Washington, D.C.] Turmoil on a world-wide scale was caused by the [**Kennedy**] assassination and the activities of the CIA. Former **President Harry Truman** made a formal statement on December 21, 1963, stating:

'For some time I have been disturbed by the way the CIA has been diverted from its original assignment. It has become an operational and at times a policy-making arm of government . . . I never had any thought that when I set up the CIA it would be injected into peacetime cloak-and-dagger operations. Some of the complications and embarrassment that I think we have experienced are in part attributable to the fact that this quiet intelligence arm of the President's has been so removed from its intended role that it is being interpreted as **a symbol of sinister and mysterious foreign intrigue**—and a subject for cold-war enemy propaganda.' "The full triumph of Jesuitism would leave nothing spiritual, nothing moral, nothing intellectual, nothing strictly and properly human existing upon the earth. Man would change into the animal, impelled by nothing but appetites and passions, and these more fierce and cruel than those of the tiger. "If somebody actually shot **John Kennedy** in the head from the sewer alongside the car, it was from where **Sam Pate** of KBOX in Dallas said it came. Pate saw what appeared to him to be gun smoke, and the shooter would have used a pistol because of the close range. The bullet [*a .45 caliber slug*] would be different from Oswald's alleged rifle. . . .

I asked **Doris Nelson** if she had seen a bullet entry wound in the back of the head or in the back. 'No, not at all,' she said. . . . 'The back of his head was blown away and his brains had fallen out on the stretcher. . . . It was right *there,* in **the right rear**. In **the *right rear!*** . . . The whole scalp in **the right rear** was blown out. . . . There was no wound in the front of his head. There was no wound in the front of his head at all. He was shot from the side [*the shot from the storm sewer shooter*] and it blew the back of his head off [*the shot from the driver,* **William Greer**].' . . .

Dr. Charles Crenshaw was a junior resident at the time, and so was not very experienced compared to the staff available and working to save the President. . . . He again repeated the evidence for a gunshot wound from in front in the head. **'I think the bullet came in from the front,** because what I observed was that the scalp was torn by the hole in his head, and the brain was scooped and the cerebellum was hanging there in the parietaloccipital. . . . **I think the bullet came in from the front and came out the parietal-occipital.**' . . .

Secret Service Agent Clint Hill is next on the stand before the Warren Commission. . . . 'I jumped from the car, realizing that something was wrong, ran to the Presidential limousine. Just about as I reached it, there was another sound, which was different than the first sound. I think I described it (a later shot) in my statement as though someone was shooting a revolver into a hard object—it seemed to have some type of echo.' . . . **It sounded like a revolver. There are those who always have believed that a man was standing inside the sewer alongside the car and shot Kennedy in the head at short range with a handgun**. . . .

'**Mrs. Kennedy** had jumped up from the seat and was, it appeared to me, reaching for something coming off **the right rear bumper** of the car, **the right rear tail** [*which statement evidences the trajectory originated from the handgun of the driver,* **William Greer**, *and not from the storm sewer shooter,* **Johnny Roselli**], when she noticed that I was trying to climb on the car. . . . I thought I saw something come off the back, too, but I cannot say that there was. I do

know that the next day we found the portion of the President's head. . . . **It was found in the street.**' . . . (This is the '**Harper' Fragment,** which a medical student named **Billy Harper** found on the street. He took it to his professors, who identified it as occipital bone.) . . .

'At the time of the shooting, when I got into the rear of the car, she [**Mrs. Kennedy**] said 'My God, they [**"THEY"**] have just shot his head off.' Between there and the hospital she just said, 'Jack, Jack, what have they [**"THEY"**] done to you, and sobbed [*indicating at that moment* **Jackie Kennedy** *blamed a plurality of shooters, not just one shooter, for JFK's murder*]. . . . The **right rear portion** of his head was missing. It was lying in the rear seat of the car. His brain was exposed. There was blood and bits of brain all over the entire rear portion of the car. Mrs. Kennedy was completely covered with blood. There was so much blood you could not tell if there had been any other wound or not, except for the one large gaping wound in **the right rear portion** of the head.'. . .

My first major interview with **Paul Kelly O'Connor** was on April 20, 1990, followed by an interview on May 9. The following comments are from those interviews. . . . 'I'll tell you what we had to do that night [*at Bethesda Naval Hospital*]. His head was so badly fractured all over. **Comminuted fractures.** Comminution means like you dropped an egg on the floor. You got comminuted fractures of the shell . . . We had to fill his head with plaster of Paris. Just to maintain the form of the skull. . . . **Looked like somebody planted a small bomb in his head and it blew off.** I looked at the whole head, I was at the head all the time. . . . **I thought he had his brains blown out.** If you had seen the size of the hole. **That's the reason I know he's been shot twice in the head.** It took me a long time to finally realize that, he, this guy's got hit by somebody else because **one bullet just can't do this.**" {30}[Emphasis added]

The Assassination of President

"On January 29, 1992, I succeeded in getting a letter to the editor published in the *San Luis Obispo Telegram-Tribune* with the headline *'Zapruder Film Shows the Ugly Truth About Dallas.'* The same letter was published in our local weekly paper, *The New Times*, under the headline, *'The Limo Driver Did It.'* I wrote these letters to the editor based upon my initial viewing of the research video, *Dallas Revisited*, done for some local researchers by **South Bay Video Productions**, right here in San Luis Obispo, CA, where I live. Shortly after these letters were published, a writer for the *Globe*, **Paul Bannister**, contacted me and

interviewed me. I showed him my copy of *Dallas Revisited* and some stills I made of frames **312** and **313** of the Zapruder film from a high quality broadcast video. Paul combined my information with work from fellow reporter **Bob Boyd** who accessed some Dallas Police Department files and the article was written. Before publication the *Globe* called me from Florida to make sure **William Greer** was dead. I checked with my local sources and was able to assure the *Globe* publishers that Greer had died of stomach cancer. After the *Globe* appeared on every newsstand in America, I got phone calls from all over the country from people that agreed with me! The most important call came from Maine from one **Tyler Newcomb**, a musician, who gave me the phone number of his father, **Fred Newcomb**, who, with fellow researcher **Perry Adams** of Santa Barbara, wrote the still unpublished book *Murder From Within*, which has a 1975 copyright. I interviewed Fred for over three hours on March 12, 1992, and taped the interview. This was simultaneous with the March 7, 1992, *Globe* article. Fred commented to me that publishers would not publish the book 'because they are scared.' I saw the actual self-published edition and it bristles with documentation. Fred had such a compelling book because he went to Dallas in 1968 when witness memories were still fresh. . . . **Mr. Newcomb** felt his book made the case for **the limousine driver shooting JFK** so well that he sent copies of the book to the 1975 Congress and Senate because he felt he would be guilty of 'obstruction of justice' if he did not do so. These are the witnesses whose statements to **Mr. Newcomb** and sometimes to the **Warren Commission** included the words **'in the car**.'

Mary Moorman: school teacher standing next to **Jean Hill;** She said she saw Greer shooting back but thought he was shooting back at the assassin. [*In a more recent interview . . . Moorman stated that the FBI led her to say Greer shot "back at the assassin."*] SOURCE: WC and Fred Newcomb;

Jean Hill: Jean Hill [*in a red raincoat*] saw what happened too, but when she tried to bring up the subject of a gun being fired in the car, **Senator Arlen Specter** ([*later*] a 33rd Degree [*Jewish*] Freemason and Pennsylvania Senator) would change the subject or say 'its time for a cup of coffee.'

Austin P. Miller: Texas-Louisiana Freight Bureau, who stood on the railway overpass overlooking Elm Street was asked by **Arlen Specter** where the shots came from: His reply was 'From right there in the car.' Senator Specter just went on to the next question, never asking Miller any specifics. SOURCE: **Warren Report,** *New York Times* edition, p. 82. . . .

Hugh Betzner: Had a picture published in [**SMOM Henry R. Luce's**] *Life* magazine and was standing right next to the driver's side of the motorcade. He saw a gun in the hand of one of the Secret Service agents and heard a sound

like 'firecrackers going off in the car.' Link to Betzner's official statement: **http://www.jfk-online.com/betzner.html** [*which declares . . . 'I was running trying to keep the President's car in my view and was winding my film as I ran. I was looking down at my camera to see the number of the film as I ran. I took another picture as the President's car was going down the hill on Elm Street. I started to wind my film again and I heard a loud noise. I thought that this noise was either a firecracker or a car had backfired. I looked up and it seemed like there was another loud noise in a matter of a few seconds. I looked down the street and I could see the President's car and another one and they looked like the cars were stopped. Then I saw a flash of pink like someone standing up and then sitting back down in the car* [**SSA George Hickey sitting on the rear left of the follow-up vehicle stood up and then sat down**]. *Then I ran around so I could look over the back of a monument and I either saw the following then or when I was sitting back down on the corner of Elm Street. I cannot remember exactly where I was when I saw the following: I heard at least two shots fired and I saw what looked like a firecracker going off in the President's car. My assumption for this was because I saw fragments going up in the air. I also saw a man in either the President's car or the car behind his and someone down in one of those cars pull out what looked like a rifle* [**SSA George Hickey with an AR-15 rifle in the "Queen Mary" (the follow-up vehicle)**]. *I also remember seeing what looked like a nickel revolver in someone's hand in the President's car* [**SSA William Greer holding his .45 handgun**] *or somewhere immediately around his car. Then the President's car sped on under the underpass. . . .*] It is reasonable to assume that if a gun was fired in the limousine, then there would be the smell of gun smoke. There was [*the smell of gun smoke*] and **Mr. Newcomb** located 6 nose witnesses: **Senator Ralph Yarborough; Patrolman Joe W. Smith; Congressman Ray Roberts; Thomas C. Clifford; Elizabeth Cabell,** wife of Dallas Mayor [**Earle Cabell**]; **Robert W. Jackson. . . .**

12:31:07—[*Occult CIA Agent*] **William Greer**—the limousine driver, brakes the car, turns and sees he still has a live passenger, and then takes the already drawn .45 Cal. Colt pistol in his left hand and rests it on his right shoulder firing the single shot that causes Kennedy's fatal head wound. At least six people see him as noted above, and five more people smell gun smoke in the car. **Fred Newcomb** maintains that the gun was etched with bleach into a highlight and aligned with the top of the head of the passenger, Secret Service Agent **Roy Kellerman,** to make you think that this was just a highlight on Kellerman's head." {31} [Emphasis added]

"When Kennedy proposed a general tax cut* (*. . . intended to give the largest reductions to the poorest third of the population and to small businesses) in 1963, he also focused on **'large oil and gas producers'** who were manipulating a 1954 law to avoid taxes and gain an advantage over smaller producers. He also proposed changes in foreign tax credits which allowed U.S.-based oil, gas, and mineral companies to avoid paying U.S. taxes [*proving that JFK was against cartel-corporate fascism*]. . . . **He was also willing to withdraw all provisions that discourages investment in the U.S., give special privileges to certain companies, or simply allowed big companies to escape tax payment. . . . Changes were intended to benefit the United States as a whole**, as well as small business, underdeveloped countries, and the poor. **The special rights and privileges of large corporations, investors, and others were to be curtailed. . . .**

At the time of Kennedy's election, [**Knight of Malta**] **Henry Luce's** media empire, then made up primarily of *Time, Life,* and *Fortune* magazines, was one of the nation's most influential opinion shapers. Henry Luce had started *Time* magazine in the early 1920s with help from the families of two partners in **J.P. Morgan & Co.**, a relative of a **Rockefeller** partner, and a number of individuals who had been, with Luce, members of Yale University's elitist **Skull and Bones** society. . . . Morgan was the leading institutional owner of stock in [the ***Black Pope***'s *Jesuit-created*] **Bank of America** and [**Rockefeller's SMOM**] **Citicorp**. . . . Luce's conservatism was more aristocratic. He admired royalty, at times showed open disdain for the Constitution and democracy, and expressed in the 1920s and 1930s an approval of **Mussolini's** [*Jesuit cartel-corporate*] **fascism** and at least an ambiguous attitude toward [*Nazi-fascist*] **Hitler**. Luce traveled in the highest social circles in both the United States and Europe. His friends and acquaintances included [**Knights of Malta**] **Prince Bernhard** of the Netherlands **. . . Winston Churchill . . . John Foster Dulles . . .**

A number of those who knew Kennedy and others who were involved with or have studied the Kennedy government believe that, shortly before his assassination, he had decided to pull out of Vietnam. *Life* magazine had noted and criticized Kennedy's decision to begin withdrawing U.S. troops from Vietnam. He had resisted pressures to escalate U.S. involvement, and at the time of his death about **16,000 U.S. troops** were in Vietnam; under Johnson it would become **543,000.**" {32} [Emphasis added]

Battling Wall Street:
The Kennedy Presidency

"The next morning [*Saturday, November 23*], **Rose** [**Kennedy**] went, as she did daily, to the seven o'clock Mass at [*the Order's*] **St. Francis Xavier's**, the small, white clapboard church in Hyannis Port. Later, as she and her husband ate breakfast together, he became more suspicious: his *New York Times* was not beside his plate. . . . **Teddy and Eunice** also attended Mass at **St Francis Xavier's** [*further evidencing Jesuit-rule over* **Senator Ted Kennedy**] and returned at about nine-thirty. By now their father had changed clothes and was in his room. Together they climbed the stairs and joined him. His room was furnished simply—three lounge chairs, a bureau, a chest of drawers, and a hospital-size, electrically operated bed. On the bureau were photographs of the family. Three large windows looked out on the lawn and the Sound . . .

After **Teddy** and **Eunice** came into the room, Kennedy motioned to his son to turn on the television set. Teddy hesitated, and said the set did not work. His father pointed to the unplugged power cord. Reluctantly Teddy inserted the plug, but as the set began to flicker on, he pulled the plug from the socket. It was then that he told his father that Jack was dead. . . . Just before ten o'clock, hours later than usual, the flag on the lawn before his house was raised to the top, then lowered to half mast.

Those who saw [*stroke-stricken* **Joseph**] **Kennedy** in the days that followed found him **bearing his grief with stoic calm. He understood what had happened; of that there was no question** [*most importantly knowing WHO was the power behind the assassination and WHY it was executed*]. 'Joe Kennedy always understands,' said a departing visitor. The newspapers were brought to him, and he did not break down, even when a Secret Service man sitting with him wept. Kennedy, according to his friend, **Richard Cardinal Cushing** [*one of Spellman's loyal assassins*], took the news with 'extraordinary resignation and confidence in God' [*the god sitting in St. Peter's Chair,* **Pope Paul VI**] . . . Later, he and an old friend, the **Reverend John Cavanaugh**, president emeritus of the University of Notre Dame, watched the funeral procession on television.

The muffled drums beat the grave, majestic pace of the march and the shrill bagpipes skirled dirges as the President's body was borne across the Potomac and laid to rest in Arlington. In the house at Hyannis Port, the television set was turned off and Father Cavanaugh went downstairs. Joe Kennedy sat alone in his silent room, gazing out the window." {33} [Emphasis added]

CFR-Serving American Journalist
The Founding Father: The Story of Joseph P. Kennedy

This chapter will examine the forest—*and a few trees*. The hundreds of works covering the Kennedy assassination can be reduced to a few simple facts. These facts viewed in the context of previous chapters lead us to the "**Lion**" in his "**Den of Iniquity**" having the power to execute the murder and successfully cover it up. That Lion was the Cardinal of New York and his Den of Iniquity was St. Patrick's Cathedral, "the little Vatican," and home base of the American Branch of the Knights of Malta. From the death of **Cardinal Spellman** in 1967 until now (2007), the succeeding "Lions," having kept the assassination covered up, were **Cardinal Cooke** (himself a Knight of Malta), **Cardinal O'Connor**, a Knight of Malta and former Chaplain during Spellman's Vietnam War, and later, a *Navy Admiral*. (**O'Connor** must have known **Admiral Edward C. Kenney**, the Surgeon General of the Navy, as well as every detail of the President's deliberately botched and covered-up autopsy overseen by JFK's physician, **Admiral George G. Burkley**, at the Bethesda Naval Hospital in Maryland—the Empire's Holy Office of Inquisitional torture, murder and intrigue!) **Edward Cardinal Egan** is presently the Archbishop of New York City and will continue the Great Jesuit Cover-up. Of **Cardinal Spellman's** power in 1963 controlling the American Empire's intelligence and military structure we read:

> "Spellman . . . the Military Vicar of the American armed forces . . . was also the unofficial link between the Pope and John Foster Dulles, the U.S. Secretary of State [*and Eisenhower's speechwriter*] and, therefore, the Secretary's brother Allen, head of the CIA . . . **The Catholic Church in the USA** [*controlled by the Jesuit Order*] **is a force in the Pentagon, a secret agent in the FBI and the . . . prime mover of . . . the Central Intelligence Agency.**" {34} [Emphasis added]

Knowing that **President Kennedy** was not going to enforce Rome's Temporal Power, the Intelligence Community began to prepare for his assassination. Raised a Lutheran, **Lee Oswald** was chosen to be a patsy. As a CIA agent, he had been sent to Soviet Russia by **Allen Dulles** in 1959, supposedly as a defector. Knowing that the **CIA** (OSS) and the **KGB** (NKVD) had worked together during World War II, **Oswald** apparently took a vacation for nearly two years. During that time he married a Russian woman, **Marina**, whose uncle was a KGB Colonel, **Vasili Khritinin**.

When he returned to the American Empire in 1962, *without being formally debriefed*, he associated with CIA agents **Howard Hunt**, **Frank Sturgis**, **David Ferrie** (a former Catholic Priest), **Guy Banister**, **Count George DeMohrenschildt** (a personal friend of Jackie Kennedy's father) and SMOM **Clay L. Shaw**. **Oswald** was a FBI/CIA operative and was related to a Jesuit. **Emanuel Josephson** tells us:

> "An interesting angle is presented by the **Lee Oswald** involvement. His cousin [**Eugene Murret**] is reported to be a Jesuit priest. And it is a matter of record that Lee Oswald was invited to address the Jesuit College in Springhill,

> Alabama, on the subject of his activities, two weeks before the Kennedy Assassination. **The Jesuit involvement closely parallels that in the Lincoln Assassination.**" {35}[Emphasis added]

Jim Garrison clearly proved the **CIA** was involved in the assassination through **Clay L. Shaw**, then a close friend of ex-Nazi **Hjalmar Schacht**. He writes:

> ". . . we discovered Shaw's extensive international role as an employee of the CIA. Shaw's secret life as an **Agency man in Rome** trying to bring Fascism back to Italy was exposed in articles in the Italian press . . . To me among the most significant revelations were . . . the confirmation by both **Victor Marchetti** and **Richard Helms** that **Clay Shaw** had been an agent of the **Central Intelligence Agency.**" {36}[Emphasis added]

And who was the Director of the CIA in 1963? It was **Knight of Malta John A. McCone**. Prior to that, McCone had been a defense contractor having also headed the Order's Atomic Energy Commission. In 1970, after rendering abject obedience in the JFK "extirpation," he was a board member of International Telephone & Telegraph Company (IT&T) while remaining a CIA consultant. **Marchetti** tells us:

> "(ITT board member who later admitted to a Senate investigative committee that he had played the key role in bringing together CIA and ITT officials was John McCone, director of the CIA during the Kennedy administration and in 1970, a CIA consultant.)" {37}

Cardinal Spellman's soldier and Director of the CIA, **John A. McCone**, participated in the Kennedy Assassination in obedience to the command of **Pope Paul VI**. **Jim Garrison** and others have proved that the **FBI** was also involved in the assassination evidenced by Oswald's submission to SA **James Hosty**. He writes:

> "I already had concluded that parts of the local Dallas law enforcement establishment [*controlled by Cardinal Spellman's Dallas Bishop* **Thomas K. Gorman**] were probably implicated in the assassination or its cover-up. But now I saw that the highly respected FBI was implicated as well." {38} **Cardinal Spellman** had two key agents in the FBI. The first was the 33rd Degree Freemason and brother Cold Warrior, **J. Edgar Hoover**. According to Jesuit-trained (Boston College), pro-Labor Zionist, Roman Catholic **John Loftus**, **Hoover** had cooperated with the Vatican Ratlines resettling Nazi war criminals in the predominantly Roman Catholic Northeast United States. Why should he not cooperate with **Spellman** now? Why would he refuse? More importantly, **Spellman's** key man in the FBI was Knight of Malta, **Cartha "Deke" DeLoach**. As an Assistant Director and third in command, **DeLoach** was in a position to supervise the assassination and suppress evidence. District Attorney **Jim Garrison** proved **DeLoach** did in fact suppress evidence.

After the assassination we see a telling relationship between **President Lyndon Johnson** and **Cartha DeLoach**. **DeLoach** was known as **Johnson's** man in the FBI and the President would call him any time of day. **Curt Gentry** writes:

> "Lyndon Johnson couldn't sleep. Late at night he had his aid Marvin Watson telephone the DeLoach bedroom. The president had suddenly become convinced that the murder of his predecessor had been a conspiracy and wanted more information from the FBI." [*What an act!*] {39}

This is the **Cartha DeLoach** who had signed a five-year contract with **Lee Iacocca's** Ford Mercury in connection with the television series, *"The FBI."* Both **DeLoach** and **Iacocca** were Knights of Malta subject to **Cardinal Spellman** during the Kennedy assassination. Later, **DeLoach** went on to be a director of **PepsiCo**, and according to **Colonel Prouty**, that company also participated in Kennedy's murder. We read with wonder, as it seems this web of assassins appears to be endless:

> "**Nixon** was in Dallas with a top executive of the Pepsi-Cola Company, **Mr. Harvey Russell,** the general counsel. Nixon was a legal counsel to that corporation. That top executive's son has told of Nixon's presence in Dallas at the time of the assassination, and Russell has confirmed the accuracy of his son's account. Later, sometime after [*before*] the shooting, Nixon was driven to the Dallas airport by a **Mr. DeLuca,** also an official of the Pepsi-Cola Company. In addition, the son of another Pepsi-Cola executive was in Dallas at that time and had dinner with [*FBI informer*] **Jack Ruby,** Oswald's killer, the night before JFK was murdered." {40}

(Is it any wonder why **President Nixon**, a CFR member and co-conspirator in the assassination, was paranoid over the release of the Watergate tapes full of references to "the Bay of Pigs thing," a code for the Kennedy Assassination?) **DeLoach**, **Iacocca** and the **Knights of Pepsi**, now PepsiCo, *all worked together*.
At the time of the assassination **Oscar Huber**, Catholic priest and pastor of Holy Trinity Catholic Church, escorted by fellow priest **James Thompson**, hurried to administer "last rites" for the President. Knowing that **Kennedy's** head wounds were *frontal and side wounds of entry*, Huber reported all to his superior, the Bishop of Dallas, then "**The Most Reverend Thomas Kiely Gorman**, DD." According to **Martin Lee's** article entitled "*Who Are the Knights of Malta?*" appearing on October 14, 1983 in the *National Catholic Reporter*, **Thomas K. Gorman** was a Knight of Malta! Being a brother Knight, he must have reported directly to **Cardinal Spellman** and kept him apprised of what was happening in Dallas after the "executive action."

At the time of the assassination in Dallas, roughly 12:30 pm (in the afternoon), all the telephones went dead in Washington, D.C. for about *one hour.* How could this have happened? Someone at IT&T had to be responsible as it serviced the

Washington area. In 1963 one of the VIP's of IT&T was **Francis D. Flanagan**. *You guessed it*. Again, according to **Martin Lee's** "*Who Are the Knights of Malta?*", **Flanagan** was a Knight. Later **McCone**, with his brother Knights, coordinated a deal between the CIA and IT&T to better work together, murderers that they were! The author knows there were several **Knights of Columbus** involved in the Kennedy assassination. They were working for the FBI in particular. But the only individual openly connected with the Knights of Columbus involved in the plot was Senator **Edward Kennedy**. *Through his obedient silence he has consented to his brother's murder*. Maybe this is what has driven the perpetual Senator from Massachusetts to his ruined, alcoholic life. Let us take a few moments to pray for the Senator that he might have a change of heart, that he would tell all and that we might protect him. For he, too, was subject to the occult, supernatural power of the Devil's **Pope Paul VI** via **Francis Cardinal Spellman**. He too was indeed "Spellmanized!"

Lastly, we know that the **Mafia** was involved in the Kennedy Assassination. The Mafia, SD/OSS/CIA, FBI and Office of Naval Intelligence had been working together throughout World War II. **Madeline Duncan Brown**, Lyndon Johnson's Roman Catholic mistress of twenty-one years, declared that **Jack Ruby** was an FBI informer and also a Mafioso. And **David E. Scheim** makes it perfectly clear in his *Contract on America* that the Mob had at least two motives; the Kennedy brothers' assault on Organized Crime and the loss of the Mob's gambling paradise in Cuba. *But those were not the real reasons*. Spellman's Mafia Dons, working with his CIA, must have been promised they would make more money than Havana could ever produce, through the explosion of the International Drug Trade facilitated by the Vietnam War. If they helped eliminate **Kennedy**, **Johnson** would escalate the war and thereby, the drug trade against the Protestant West full of "heretics" and Jews.

The CIA would bring the drugs in from the **Golden Triangle**, distribute them to the Mafia families (**Sam Giancana** and **Santo Trafficante, Jr.** families) and both would profit. Mob bosses not wanting to participate would be deposed or eliminated. More importantly, the **Mafia's Commission** *had a favor to repay*. **Cardinal Spellman**, through Masonic **FDR**, had arranged the release of **Charles "Lucky" Luciano** because of "**Operation Underworld**" mentioned in a previous chapter. Now the Cardinal required obedience *"for the greater glory of God."* If refused, **Spellman** could use the entire **International Intelligence Community**, which he had built via the CIA, to eliminate any Mob boss. (Later, this would indeed be the case with Chicago mob boss **Sam Giancana** according to his brother, **Chuck**.) If agreed to, new gambling centers would open up, Atlantic City being one of them. Clearly, if the President was removed, Rome's Organized Crime Syndicate would acquire more power and wealth, her Intelligence Community would become more

absolute and the Cardinal would be even more respected by his master in Rome. *The rest is history.*

Later, in 1964, for the first time in the nation's history as a Republic (1787-1868) or an Empire (1868-2007), the Pope of Rome set foot in **Fourteenth Amendment America**. **Cardinal Spellman** had performed well and was rewarded by a visit from his Master, fellow Freemason, Cold Warrior and Vatican Ratline handler, SMOM **Cardinal Montini**, who was now the Papal Caesar, **Pope Paul VI**.

There is yet another reason for the removal of **President Kennedy**. He refused to provide nuclear weapons to **Pope Paul VI's** Masonic Labor Zionists ruling Israel. **Michael Collins Piper**, though evidently a Jesuit Temporal Coadjutor since he continually blames "the Zionists" for the deeds of the Jesuit Order, rightly concludes:

> "If protection of its national security interests and its very survival can be considered a motive—and surely it can be—then Israel [the ***Black Pope***'s "Kingdom of Jerusalem" *ruled by Rome's* **MI6/CIA/Mossad/BND**] . . . obviously had a major interest—and motivation—in helping orchestrate the assassination of President Kennedy. Indeed, the very survival of Israel has been a cornerstone of its foreign policy from that nation's earliest beginnings. Thus, elimination of a perceived enemy to Israel's survival—that is, **John F. Kennedy**—would only be a logical course of action. . . . Interestingly enough, Israel's initial primary benefit from the death of JFK was, in fact, the removal from the White House of a president who vehemently opposed Israel's nuclear weapons development. According to historian **Stephen Green:**
>
> 'Perhaps the most significant development of 1963 for the Israeli nuclear weapons program, however, occurred on November 22 on a plane flying from Dallas to Washington, D.C.: **Lyndon Baines Johnson** was sworn in as the 36th President of the United States [*taking his oath of office on a Roman Catholic prayer book and not a Protestant Bible according to his mistress,* **Madeleine Duncan Brown**], following the assassination of **John F. Kennedy**. In the early years of the Johnson administration the Israeli nuclear weapons program was referred to in Washington as 'the delicate topic.' Lyndon Johnson's White House saw no Dimona, heard no Dimona, and spoke no Dimona when the reactor went critical in early 1964.'

Thus it was that the critical point of dispute between John F. Kennedy and the Mossad-dominated government of Israel was no longer an issue. The new American president—so long a partisan of Israel [*i.e.,* **Pope Paul VI's** *Masonic Labor Zionists ruling Israel as opposed to the* risen Son of God's *beloved Hebrew/Jewish/Israelitic people living in their land of promise without any true*

protection from their hireling rulers]—allowed the nuclear development to continue. . . . Green notes further that under Lyndon Johnson, United States military aid to Israel also saw a drastic increase:

> '. . . The $92 million in military assistance provided in FY [*Fiscal Year*] 1966 was greater than the total of all official military aid provided to Israel cumulatively, in all the years going back to the foundation of that nation in 1948. . . . Seventy percent of all U.S. official assistance to Israel has been military. America has given Israel over $17 billion in military aid since 1946 [*under cover of the Pope's Cold War Hoax*], virtually all of which—over 99 percent—has been provided since 1965.' It was clearly Lyndon B. Johnson who set the precedent for unlimited aid to Israel [*and the acquisition of nuclear weapons*]." {41} [Emphasis added]

And why did the Vatican's Jesuits want their Kingdom of Jerusalem to acquire nuclear weapons and an immense amount of conventional arms for their Israeli Defense Forces at this time? Why did our CFR-controlled President, **Lyndon Johnson**, *openly* turn his back on the nation he had reinforced with superior weapons systems while the Egyptian army moved up through the Sinai desert to prepare its assault on Israel in 1967? Because the attack upon Israel *had to be provoked* by deceiving the Arab Moslem people—*whose leaders were also Masonic agents of the Jesuit General*—into believing the annihilation of Israel was in their grasp! The Jesuits' International Intelligence Community (including ex-Nazi SS operatives within the Order's Moslem Intelligence agencies)—through deceiving the Egyptian people into perceiving the purported weakness of the Israeli army coupled with the *open* abandonment of Israel by the **American Empire**—provoked that attack. *Indeed, perceived weakness breeds contempt and invites attack from the Jesuit Papacy!*

The Six-Day war, engineered by the Knights of Malta, specifically **James Jesus Angleton**, and facilitated by the Freemasonic Knights Templars, specifically **Lyndon Baines Johnson**, *had one primary purpose*—the taking of Jerusalem from Islamic Jordan (secretly abetted by **Freemasonic King Hussein**) along with the **Temple Mount**. The apparent lack of military hardware on the part of Israel provoked the planned attack by Egypt. Therefore, Israel launched a preemptive strike and in six days the holy city was in the hands of Rome's CFR-controlled Masonic Labor Zionist government! And yet, to the outrage of Jerusalem's Jews, victorious **General Moshe Dayan** gave the **Temple Mount** over to Moslem control within *twenty-four hours!* (When the **Dome of the Rock** comes down, it must be under Moslem and not Israeli control)! With no provoked war there would have been no Israeli surprise attack. With no Israeli attack the Labor Zionist-led Army—controlled by the Order's **CIA/Mossad**—would never have taken Jerusalem. With Jerusalem inside the border of Jordan and thus in Arab hands, the high, CFR-ruled Masonic Jewish Labor Zionists advised by Jewish CFR/Illuminatus, Bilderberger,

Trilateralist, CIA/BND/Mossad/KGB operative and **Knight of Malta Henry A. Kissinger**, could never realize the ancient Templar dream of rebuilding **Solomon's Temple**.

Unbeknown to the risen Son of God's *beloved Hebrew/Jewish/Israelitic people living throughout the nation* a key Scriptural foundation was then laid for the Company's "*infallible*" Papal Caesar who, *when risen from the dead*, will be

> ***". . . a king of fierce countenance, and understanding dark sentences . . .***
> ***And he shall speak great words against the most High . . .***
> ***and he shall exalt himself, and magnify himself above every god,***
> ***and shall speak marvelous things against the God of gods,***
> ***and shall prosper till the indignation be accomplished: . . .***
> ***Neither shall he regard the God of his fathers, nor the desire of women,***
> ***nor regard any god: for he shall magnify himself above all."***
>
> *– Daniel 8:23; 7:25; 11:36, 37*

> ***"Who opposeth and exalteth himself above all that is called God,***

>
> *– Revelation 11:1, 2*

But the motive of the Pope's present-day crusading **Knights Templars**, commercially ***"the great men of the earth" (Rev.18:23)***, does not end merely with the assassination of JFK over the issue of Israeli nuclear weaponry. Israel must have the "**Samson Option**," but for what *real and secret reason* was she given these weapons?

It must be *perceived* that an attempt to "push the Jews into the sea" will result in aerial nuclear attacks throughout Middle Eastern Moslem nations and therefore will act as a deterrent—at least an *apparent* deterrent. But since *we know there is no such thing* as "**Airborne Nuclear War**" (i.e., the dropping of air-bursting nuclear bombs) of which the occult Jesuit masters within the CIA/Mossad are fully aware, then *why* construct nuclear devices in Dimona? What is the *secret but true policy* of Rome concerning the intended reason for their use, apart from a show of intimidation? As in the US, pre-placed nukes have been planted within Moslem

nations, but to what end? Could it be that a series of pre-positioned nukes in Iraq, Iran and Saudi Arabia are to be detonated on predetermined dates in accordance with a secret Jesuit agenda?

That answer lies in the Vatican's secret quest to rebuild the ancient city of **Babylon** on the **Euphrates River**. This was the true reason behind the Jesuits using their British and American Empires: to begin Nineteenth-Century archeological excavations in the Mesopotamian Valley; to dismember the Islamic Ottoman Empire via World War I; to erect Islamic Freemasons commissioned to rule Iraq, including **Saddam Hussein**; and to extend the ***Black Pope***'s "War on Terror" into Iraq and Iran.

The consummation of this American-led, new **Third Thirty Years' War** will be the destruction of hundreds of mosques, the genocide of millions of Moslems hating Israel—the restored "Kingdom of Jerusalem," the Devil's secret centerpiece of his Vatican Empire. In the construction of what will be the Twenty-first Century's *grand emporium*, the Pope's Masonic Jewish Labor Zionists will play no insignificant part.

David Baron, the brilliant and learned Hebrew believer on Yeshua the Messiah writes in his **1918** epic work, *The Visions and Prophecies of Zechariah*:

> "Without any spirit of dogmatism, and without entering at this place into the question of the identity and significance of the Babylon in the Revelation [***Revelation 18***]—whether mystical or actual—we would express our conviction that there are Scriptures which cannot, according to our judgment, be satisfactorily explained except on the supposition of a revival and yet future judgment of literal Babylon, which for a time will be the centre and embodiment of all the elements of our godless Western 'civilization,' and which especially will become the chief *entrepôt* [*a center where goods are received for distribution*] of commerce in the world . . .
>
> To this conviction we are led chiefly by the fact that there are prophecies in the Old Testament concerning the literal Babylon which have never in the past been exhaustively [*and literally*] fulfilled, and that Scripture usually connects the final overthrow of Babylon with the yet future restoration and blessing of Israel. . . . Whatever may be the outcome of the negotiations which have been carried on recently with the Turkish Government by the **Jewish Territorialists** 'for the establishment of a Jewish autonomous State' in this very region, in which many Zionists and other Jews were ready to join, there is so much truth in the words of another writer that when once a considerable number of such a commercial people as the Jews are re-established in Palestine, **'the Euphrates would be to them as necessary as the Thames to London or the Rhine to**

Germany. It would be Israel's great channel of communication with the Indian seas, not to speak of the commerce which would flow towards the Tigris and Euphrates from the central and northern districts of Asia! It would be strange, therefore, if no city should arise on its banks of which it might be said that her merchants were the great men of the earth.'

'Noteworthy in this connection,' observes another writer, 'is the watchful eye of the **German Imperial Government** upon the railway in course of construction from Konia (the biblical Iconium) to Baghdad. [*Apparently* **Kaiser Wilhelm II**, *the restorer of the Jesuits into Rome (1893) and later Germany (1917); the silent participant in the Order's Masonic "Young Turk," Moslem-led, Armenian Genocide (1915); and the destroyer of Bismarck's Protestant Second Reich (1919) was a tool of the Order in beginning its quest for the rebuilding of Babylon.*] Some six hundred miles of the Anatolian, or Euphratean, line have already been opened to traffic.'

In short, there is a general impression that this region, the highway between Asia and Europe, and contiguous to Africa, is about to become a great '**commercial centre of gravity**.' The new Turkish Government (in contrast to the old regime) is very keen on the development of the resources (as of 1910) of that ancient and naturally fertile region, and alive to the very important aid which Jewish capital and energy could render in that direction [*a reference to the* **Rothschilds**]. Very recently, therefore, they engaged the services of a distinguished English hydraulic engineer, **Sir William Willcocks**, D.C.M.G., to survey the district and report on the establishment and development of irrigation works. He returned full of enthusiasm, declaring that his 'future hopes, ambitions, and work are bound up with the re-creation of **Chaldea**.' " {42}[Emphasis added]

It is safe to say that the Jesuit General, using *"infallible"* **Pope Paul VI** with his most powerful Cardinal in the American Empire, assassinated **President John F. Kennedy** in 1963. For it was **Cardinal Spellman**, "the American Pope" so despised by Jack Kennedy, in command of his soldiers—**the Knights of Malta** and select, high-level **33rd Degree Freemasons**—who oversaw the assassination.
And it was certain Knights of Malta, domestic and foreign, working through the Order's **Central Intelligence Agency**, that coordinated the actual assassination of the President. Those Knights (including **J. Peter Grace, Jr.**, **William J. Casey**, **Louis M. Bloomfield**, **Edward Bennett Williams**, **Herman E. Kimsey**, **Reinhard Gehlen**, **Allen W. Dulles**, **Kim Philby, Licio Gelli** and others) were CIA Director, **John A. McCone**, and CIA officers, **William F. Buckley**, **Jr.,** and **Henry R. Luce**.

In 1963, both William F. Buckley, Jr., and Henry Luce were personal friends of CIA agent **E. Howard Hunt**. We read from Mark Lane's *Plausible Denial* on page 270

concerning *Time* and *Life* magazines of which Henry Luce was the owner; " 'I [**Howard Hunt**] had them [*fabricated official cables*], typed up on a typewriter and they were Xeroxed, and the Xeroxes were eventually shown to a person of **Mr.** [**Charles**] **Colson's** confidence, and in [*Knight of Malta* **Henry R. Luce's**] *Time* and *Life*.' . . . Hunt, after swearing that he had never been involved in a disinformation effort to embarrass Kennedy, had now testified that he had merely sought to doctor and create evidence to prove that Kennedy was a murderer." {43}

Again we read of **Hunt's** connection with the pompous Jesuit Temporal Coadjutor, Knight of Malta and CFR member, **William F. Buckley, Jr**., whose brother, **James Buckley**, was also a Knight of Malta and CIA officer as well as the personal friend of Cardinal Spellman's key Jesuit in Vietnam, "**Father Hawk**" **Dan Lyons**:

> "[*Fordham University graduate and Jesuit-trained Papal Knight* **G. Gordon**] **Liddy** completed his testimony perfectly, stating that while he no longer associated with Hunt, he did see him last, he recalled, when both men demonstrated their support for another former CIA officer, **William F. Buckley, Jr.**, as Buckley celebrated the anniversary of his television show at the New York Yacht Club." {44}[Emphasis added]

Dear truth-seeker, **Hunt** was close to both powerhouses, **Buckley** and **Luce**. **Hunt** was also working with two of his fellow criminals in the future Watergate scandal, **G. Gordon Liddy** (Jesuit-trained) and **Chuck Colson** (pro-Jesuit, New "Dark" Age Protestant). And in 1985, it was Jewish Jesuit Temporal Coadjutor **Mark Lane**, in creating a CIA "limited hangout," who proved in Miami's federal court that **Hunt** was in Dallas the day **President Kennedy** was murdered. Therefore, the conclusion was obvious: the CIA with its agent, **E. Howard Hunt**, had killed the President. In the words of the jury's forewoman, **Leslie Armstrong**, we read:

> " 'Mr. Lane was asking us to do something very difficult. He was asking us to believe that John Kennedy had been killed by our own government. When we examined the evidence (for 65 minutes) we were compelled to conclude that the CIA had indeed killed President Kennedy.' . . . Hunt had been part of it, and that evidence, so painstakingly presented, should now be examined by the relevant institutions of the United States Government so that those responsible for the assassination might be brought to justice [*which investigation will not be allowed to proceed as the Department of Justice and FBI is in the hands of the Order*]." {45}[Emphasis added]

". . . and it came to pass, . . . that Cain rose up against Abel his brother, and slew him. And the LORD said unto Cain . . . What hast thou done? the voice of thy brother's blood crieth unto me from the ground."

– Genesis 4:8-10

"Whoso sheddeth man's blood, by man shall his blood be shed: for in the image of God made he man."

– Genesis 9:6

Dear truth-seeker, if the government of the United States, presently overseen and managed by the **Black Pope**'s **Council on Foreign Relations** through the strong arm of its **Central Intelligence Agency**, its **Federal Bureau of Investigation** and now the Order's **Department of Homeland "Romeland" Security** (having absorbed scores of federal agencies, including the **Coast Guard**, and previously directed by the a Roman Catholic Knight of Columbus, **Tom Ridge**), continues its refusal to punish the murderers of **President John F. Kennedy**, these murderers having now *sacrificed* many thousands of people in the **Twin Towers** of New York's World Trade Center, (as both Towers were aerially attacked and then internally imploded by **New York Archbishop Edward Cardinal Egan's NSA/CIA/FBI/DIA**), we, like the Calvinists of old, must calmly and resolutely withdraw our allegiance. Indeed, we must formally and legally declare our independence to the world, and then "throw off such government." If we fail in our obedience to lawfully separate from Rome's Jesuit tyranny now ruling the CFR-controlled government of Fourteenth Amendment America, we will be consumed by the righteous judgment of the risen Son of God for disobeying His Holy Word—the Authorized King James Version of 1611. We would do well to remember the words of **John Knox**, Scotland's greatest preacher and reformer, in his patriotic opposition to Romish idolatry and tyranny enforced by the Jesuitess, **Mary, Queen of Scots**. Of Knox's devoted loyalty to the Word of God, hatred of Papal idolatry and immovable opposition to Popish political absolutism for which he was later tried for treason and acquitted, we read and marvel:

> "One Mass is more fearful to me than if ten thousand armed enemies were landed in any part of the Realm of purpose to suppress the whole [*Bible-based, Reformed*] Religion. In our God there is strength to resist and confound multitudes if we unfeignedly depend upon Him, whereof heretofore we have had experience. But when we join hands with [*Romish*] idolatry, both God's amicable presence and comfortable defence leaveth us, and what shall then become of us? . . .
>
> If their princes exceed their bounds, Madam, no doubt they may be resisted, even by power. For there is neither greater honour, nor greater obedience, to be given to kings or princes, than God hath commanded to be given unto father and mother. . . . Their blind zeal [*to murder*] is nothing but a very mad frenzy, and therefore, to take the sword from them, to bind their hands, and to cast them into prison . . . is no disobedience against princes, but just obedience, because it agreeth with the will of God. . . . Madam, I am not master of myself, but must obey Him who commands me to speak plain, and to flatter no flesh upon the face of the earth. . . . I was a watchman, both over the Realm and over the Kirk of God gathered within the same; by reason whereof I was bound in conscience to blow the trumpet publicly, so oft as ever I saw any appearing danger, either to the one or to the other." {46}[Emphasis added]

Peter Grace, Jr.'s *Radio Free Europe*]. These two organizations were CIA (backed) Domestic Operations in Dallas whose membership included: Abraham Zapruder, [*high Freemason*] Clint Murchison (owner of the Dallas Cowboys at that time), Mr. Byrd (owner of the Texas School Book Depository), Sarah T. Hughes, who swore in LBJ as the 36th President while Air Force One was still on the ground in Dallas, Baron George DeMohrenschildt (contract agent AND best friend of Lee Harvey Oswald), [*SMOM*] George H. This traitor obviously recorded the final and fatal headshots filming high so as to avoid photographing Chicago Mafioso Johnny Roselli, the lower storm sewer shooter, front-right of the limousine. He also refused to continue moving his camera to the right thereby protecting the identity of the obvious grassy knoll shooters. Unlike others, his film was never confiscated by the FBI, but rather sold to *Time-Life* then owned by Knight of Malta Henry R. Luce. After Zapruder's sale of the film, copies were altered by the CIA at CFR Luce's Rockefeller Center (across the street from Spellman's St. Patrick's Cathedral), so as to give the appearance that JFK was fatally shot from the rear when in fact the film records the opposite. This is another example of the Pope's Masonic Jewish Labor Zionists serving his Military Order of Malta.

JFK Throat and Back Shots Received in Limousine #619

As seen in the above frames 228-229 from the Zapruder Film, JFK first responds to a round in his throat entering from the front. He then lurches forward from two rounds in his back entering from the rear. These facts are indisputable.

Frame 313: Impact, Two Simultaneous Head Shots, Dallas, 1963 #623

The shot from the driver explodes on impact, leaving 40 bullet fragments, and blows out the right rear portion of the head. The .45 round from the storm sewer shooter impacts JFK's head at high right blowing skull and brain 30 feet, back and left, hitting motorcycle officer Billy Hargis, the slug finally resting in the grass beyond the curb amidst blood and tissue. JFK's head-wounds described by Parkland Hospital doctors are in agreement with this scenario. The conclusions given in William Cooper's *Behold A Pale Horse* and Penn Jones' *Forgive My Grief* explain both shots and their trajectory wounds: Groden and Livingstone's *High Treason* explain JFK's exploding head to be the result of two simultaneous shots.

Jack Ruby "Shooting" Lee Harvey Oswald, Dallas, 1963 #630

According to *Dallas Times* reporter Bob Jackson (the one who took this photo), after the shooting Oswald had no trace of blood on his clothing nor was any blood seen on the floor or on any of the officers. According to Dr. Charles Baxter's private conversation with Brian David Anderson (www.trivortex.com), Oswald arrived at the hospital with blood all over him and the wound was inflicted from below, the trajectory having traveled upward damaging vital organs. This can only mean Oswald worked with Ruby to simulate the murder, as Oswald yelled and fell to the floor immediately after the blank shot. This act eliminated any danger to nearby Dallas policemen involved in the plot! Upon loading "unconscious" Oswald into the ambulance, no blood was seen on his sweater according our eyewitness. Once on the way to the hospital, Oswald was shot inside the ambulance by the CIA's "Dallas policeman" thus inflicting the upward wound! To ensure massive internal bleeding of Spellman's CIA-patsy, Oswald must have been vigorously "pumped" by his murderer. Meanwhile back in the basement of the Dallas PD, this second crime scene was never cordoned off (nor was Elm Street)—preventing any future, credible, forensic investigation!

As per the statement of eyewitness reporter Bob Jackson, there was no blood visible on Oswald. Years later, police chief Jesse Curry stated: "We don't have any proof that Oswald fired the rifle, and never did. Nobody's yet been able to put him in that building with a gun in his hand."* Indeed, Oswald was a patsy!

David Ferrie; CIA/FBI Asset, Mafioso (1918 – 1967), 1962 #632

Portrayed in Oliver Stone's *JFK, Director's Cut,* ex-priest and sodomite David Ferrie is a lynchpin in connecting the CIA, FBI, Mafia and Military Intelligence to the assassination of JFK. Connected with New Orleans' Loyola University Jesuits Fr. Francis A. DiBenedetto, Fr. Mullaby and President/Fr. Bernard Knoth, Ferrie was the pilot for New Orleans Mafia Don Carlos Marcello; an investigator for former FBI agent Guy Bannister with ties to Jesuit-trained CIA/Mafia coordinator Knight of Malta Robert Maheu whose legal protector was brother Knight of Malta Edward Bennett Williams; a long-time friend of FBI informer and CIA operative Lee Harvey Oswald; and the right-hand man of New Orleans industrialist and sodomite, Knight of Malta Clay L. Shaw. Shaw, an OSS officer and resultant deep cover CIA contract agent, was flown by Ferrie to Montreal in early 1962 to close an arms deal with PERMINDEX founder and former OSS Major, Canadian Knight of Malta Louis M. Bloomfield,* the bosom friend of the **Black Pope**'s Masonic Jewish Labor Zionist David Ben-Gurion—another enemy of JFK! Nearly killed in the failed Bay of Pigs invasion, Ferrie hated JFK for the loss of the President's promised air support, secretly cancelled by CFR/Skull and Bonesman McGeorge Bundy for which betrayal JFK was openly blamed by Luce's CFR press. In full collusion with Dallas Mafioso and FBI informer Jack Ruby, ex-priest Ferrie aided in selecting Oswald to be the patsy and the planning of the assassination in Dallas. Undeniably tied to Oswald from past Civil Air Patrol and present CIA/FBI associations, Ferrie's arrest and questioning by New Orleans District Attorney Jim Garrison led to the CIA murder of Ferrie and trial of Shaw, the servant of CIA/Cardinal Spellman!

David Ferrie and Lee Harvey Oswald, Civil Air Patrol (CAP), 1955 #633

First published by anti-Jew/anti-Israel/anti-Labor Zionist Ned Touchstone in his May 1967 issue of *The Councilor,* undeniable proof linking Ferrie to Oswald was now in the public domain.* The photo, belonging to John Ciravolo standing to Oswald's right, was taken at a CAP cookout just as ex-CIA agent Jack Martin, associate of Guy Bannister, had told Garrison during the DA's inquiry. For some reason most disturbing to the author, Garrison never submitted the photo into evidence during the trial of deep cover CIA agent Clay L. Shaw who most assuredly would have been convicted. According to Garrison having questioned Oswald's mother, Marguerite, Ferrie was responsible for encouraging Oswald to join the Marine Corps due to their relationship in the CAP; helped Oswald get selected for "the covert operations division of the Office of Naval Intelligence" in secret league with Cardinal Spellman's Sicilian/American-led Roman Catholic American Mafia; and worked with Oswald during the late 1950s who, when in the USSR, "was an agent for the government working with the CIA." The Jesuit-CIA connection to Ferrie and to the Murrets links Oswald to the Company.

Mafioso Filippo Sacco, alias Johnny Roselli, 1960s; 1970s

Throughout WWII the Vatican-ruled Office of Strategic Services and Sicilian Mafia had covertly worked together. Colossal profits had been made by legal corporate monopolies and illegal organized crime each benefiting the other. The Pope's Cold War was to then serve as the catalyst in completing the Company's International Intelligence Community overseeing its unified International Crime Syndicate, both visibly ruled by the Order's trusted third party, the Sovereign Military Order of Malta supported by high-level Freemasonry. But JFK, via his Attorney General, RFK, sought to break the power of the Mob even deporting New Orleans Mafia Don Carlos Marcello to Guatemala. With the Mafia/CIA collaborating in the botched assassination of Jesuit-trained Fidel Castro and its rage over losing Cuba via Allen Dulles' purposely failed Bay of Pigs invasion for which JFK was falsely blamed, Chicago Mafia boss Sam Giancana dispatched his lieutenant-assassin, Johnny Roselli, to Dallas subject to the CIA. In position as the limousine approached the kill zone, Roselli rose from the storm sewer and fired the front-right fatal head shot (simultaneously with the driver, SSA William R. Greer), the mobster stating: "I saw his head snap back."* Roselli's .45 slug was found in the grass and Greer's CIA-designed, mercury round exploded upon impact amidst the confusion of the Grassy Knoll shooting. Admitting his part in the assassination to Mafia Don Bill Bonanno while both were in prison, Roselli was brutally murdered in 1976 after testifying before a secret Senate Intelligence Committee, his dismembered body found in an oil drum in Miami's Biscayne Bay. The **Black Pope**'s Mafia/CIA/FBI eliminated every incriminating witness!

View From the "Sniper's Nest," Sixth Floor, TSBD, Dallas, 1964 #638

Taken only a few months after the assassination, the Order's CFR-controlled Associated Press working in conjunction with American Heritage Magazine put forth this photo illustrating the position of the presidential limousine as seen from "Oswald the lone assassin" perched in his "sniper's nest" on the 6th floor of the Texas School Book Depository. Accepting the position of the arrowed auto at the time of the fatal headshots, it is in the middle lane, beyond the first sidewalk streetlight (lower right) but before the second sidewalk streetlight (above right).

Notice also that the car parked on the sidewalk just before the second streetlight is covering the manhole-opening in the sidewalk! It is from this position "the final, and shattering shot" could only have originated as it was (according to Col. Prouty)—"from the right, from in front of the car, and from ground level"—not from the Grassy Knoll. With the limousine driver braking to a near stop as he readied for his killing shot, the storm sewer shooter was given a perfect 20-25 ft. killing shot, his .45 slug landing in the grass on the south side of Elm Street, just beyond the curb on the left near eyewitnesses Charles Brehm and son!

House Select Committee on Assassinations Drawing, Dallas, 1979 #639

Ignore all details regarding 6th floor Texas School Book Depository trajectories as they were not the fatal headshots. The significance of Jesuit Coadjutor G. Robert Blakey's HSCA drawing is the relationship between CIA photographer Abraham Zapruder and the limousine, and its relationship to the storm sewer with the clearly illustrated manhole cover in the sidewalk. From this manhole above the storm sewer Mafia assassin Johnny Roselli arose on cue and shot the slow moving JFK at the distance of about 20-25 feet—an easy shot for a trained marksman. This shot fits the description of Col. L. Fletcher Prouty when he wrote: ". . . the shot came from the right, from in front of the car, and from ground level." Dallas police drew attention away from the manhole which underground tunnel led to a higher opening behind the picket fence and to an opening in the basement floor of the Dallas County Jail. Both Jim Garrison and Penn Jones, Jr., believed the fatal shot was fired from the this manhole.

Discovery of a Bloody .45 Slug, Dealey Plaza, Dallas, 1963 #640

"Deputy Sheriff Buddy Walthers [*L*] found a .45 caliber slug there [*in the grass*]. A man came up and identified himself as being from the FBI [*R*], and in the presence of Walthers and a policeman [*J. W. Foster*], as well as a photographer who took several pictures of the event, picked up the bullet and put it in his pocket. This bullet landed on the left side of the limousine, in the grass just off the curb."* The slug had been shot "from the right, from in front of the car, and from ground level" according to Col. Prouty.** The only position from which this round could have been fired was the storm sewer as reported by Penn Jones. ***Two Men In Dallas***, Video, Mark Lane, 1991.

Dallas Deputy Sheriff Roger D. Craig, 1974 #641

During a 1974 interview, this honest and decent Deputy Sheriff revealed several facts deliberately hidden by the Warren Commission. On the day of the murder Sheriff Bill Decker ordered his men to in no way take part in the security of the motorcade though there was a lack of participating Dallas police officers. When hearing "a report" (gunshot) he noticed two men in the window of the 6th floor TSBD, one White, one Black. Moving down Elm Street, he saw Oswald run down the embankment near the overpass and enter a green station wagon that belonged to CIA operative Ruth Paine. Immediately searching the 6th floor of the TSBD, a 7.65 Mauser rifle was found—not a 6.5 Mannlicher-Carcano—by Deputy Constable Seymour Weitzmann, later confirmed by the CIA. Craig also stated that both Oswald and Ruby were FBI informers, and a .45 caliber slug was found amidst blood and brain matter in the grass beyond the curb on the driver's side (pictured above) near Charles Brehm and son (see map above); witness Eddy Walthers was later shot to death. Upon answering questions of visitors, Craig was told by Sheriff Decker (having attended the secret Murchison meeting the night before) that he did not see or hear anything. After being fired, Craig did some investigating for New Orleans District Attorney Jim Garrison that resulted in an order for Craig's elimination. Betrayed by a friend, a bullet flew over his left ear upon stepping off a curb in Dallas; his car blew up when he turned on the ignition; he was run off the road breaking his back in two places resulting in four major back surgeries leaving him permanently disabled and unemployed; and was finally murdered on May 15, 1975, shot in the chest with his own rifle subsequently ruled a suicide—"for the greater glory of God."

Assassin William Greer Shooting Kennedy, Dallas, 1963 #642

Although the above illustration seats JFK overmuch to the right, the special CIA round fired from Greer's .45 semi-automatic handgun blew out the right rear portion of the president's head. Skull and brain matter was splattered on the right rear section of the trunk, a piece of skull falling onto the street known today as the "Harper fragment." This piece of evidence sustains the fact that JFK was shot from the front, by the driver; the storm sewer shooter would inflict the scalp wounds via a .45 cal. slug found in the grass to the rear and left of the limousine.

Driver Blotted Out; The Marie Muchmore Film, Dallas, 1963 #643

According to (Jesuit Temporal Coadjutor) and narrator Robert J. Groden, photographic specialist to the secret House Select Committee on Assassinations (1976-1979—controlled by Jesuit Coadjutors G. Robert Blakey and Connecticut Congressman Christopher Dodd whose father is rumored to be Joseph Stalin) and technical advisor to (pro-Castro Jesuit Temporal Coadjutor) Oliver Stone's *JFK, Director's Cut,* when United Press International (UPI) was in possession of the Muchmore film, it was cut at the very frame recording the final headshots.

Knowing that one of the killing shots was fired by the driver, William Greer (as proven by the late anti-Jesuit William Cooper who accused Groden of being "an active secret government agent whose job is to confuse the public and perpetuate the cover-up"*), we are not surprised that the space within the frame above has the driver completely cut out! Mary Moorman and Jean Hill standing in front of Muchmore said themselves they saw the driver shoot a handgun thinking he was returning fire, not knowing he was the real assassin at the moment. Obviously, every effort has been made to conceal the driver of the limousine and the storm sewer shooter firing the final, simultaneous headshots killing JFK. UPI is merely another arm of the Vatican in continuing the Company's Great Jesuit Cover-up!

Frontal Headshot Trajectory Through JFK, Dallas, 1963 #644

Jesuit Temporal Coadjutor Robert Groden's accurate reproduction of President Kennedy's head wounds reveals evidence of two bullet trajectories fired at the same time by two separate shooters from two distinct locations. According to Paul O'Connor who was present at JFK's head during the "autopsy" conducted at Bethesda Naval Hospital, JFK was shot twice in the head;* according to Jim Marrs, JFK was hit in the head by two shots "almost simultaneously."** The shot illustrated above leads to the driver, William Greer, who fired his explosive round blowing out the right flap along with brain and skull from the right rear area of the head—a virtual impossibility coming from the alleged Grassy Knoll or storm sewer. It is a fact admitted by all parties that Greer was facing JFK at the moment of the fatal headshot(s) and that the limousine was nearly stopped.

On the top of the head notice the missing portions of skull and scalp: this wound was the result of the shot coming from Johnny Roselli, the storm sewer shooter who fired at ground level from the right-front, blowing skull and tissue back and to the left into the grass, just beyond the curb on the south side of Elm street, to the left of the limousine. Clearly both fatal headshots were fired at close range.

SSA George Hickey; Rear Right, Follow-up Vehicle, Dallas, 1963 #646

Although ballistics expert Howard Donahue wrongly attributes JFK's mortal head wound to a shot from the rear based on the deceptive Warren Report, forged autopsy photos and x-rays, and HSCA conclusions, Donahue asserts that Hickey *accidentally* shot the president in the head, and that Oswald was blamed for the "*mortal error*." Recording that a Secret Service agent, while "very drunk" at a party (attended by the brother of one of Donohue's gun customers), "blandly asserted that Kennedy was shot by one of his bodyguards;"* that SSA Lawson declared at the outset of the shooting, "I heard the first loud report and in more rapid succession two more sounds like gunfire. . . . I noticed Agent Hickey standing up in the follow-up car with the automatic weapon and first thought he had fired at someone;"* and that SSA Powers claimed that Hickey stood up *before* the head shot,* the author concludes that Hickey did in fact shoot at JFK *before* the fatal shots. Bringing his discovery to Hickey's attention, the honest Donahue was rebuffed, Hickey refusing to discuss the matter while angrily promising to sue if the gunsmith and expert witness went to press.

Attempting to bring his theory and findings before Jesuit Temporal Coadjutor G. Robert Blakey ruling the House Select Committee on Assassinations, Donahue again was refused an objective hearing, rejected for reasons "so groundless as to be irresponsible."* Silenced by evil government agents serving the **Black Pope**, Donahue left his work for posterity concluding, "I have done all that I can."*

Racing off to Parkland Hospital, SSA George Hickey is clearly seen with an AR-15 in the follow-up, 1956 Cadillac sitting 13 inches higher than JFK's limousine giving Hickey an elevated position from which to shoot. After JFK was first hit in the throat from a frontal rifleman, a "flurry of shells came into the car" (according to SSA Kellerman*) which included shots from Hickey. For the rest of his life Hickey refused to talk about the events in Dallas to any reporter. He was most obedient to his master, Secret Service Director James J. Rowley (who denied that any of his agents had discharged a weapon), who in turn was subject to his master, the Archbishop of Washington, D.C., Patrick Cardinal O'Boyle (1947-1973), whose master in turn was pro-Nazi Francis Cardinal Spellman!

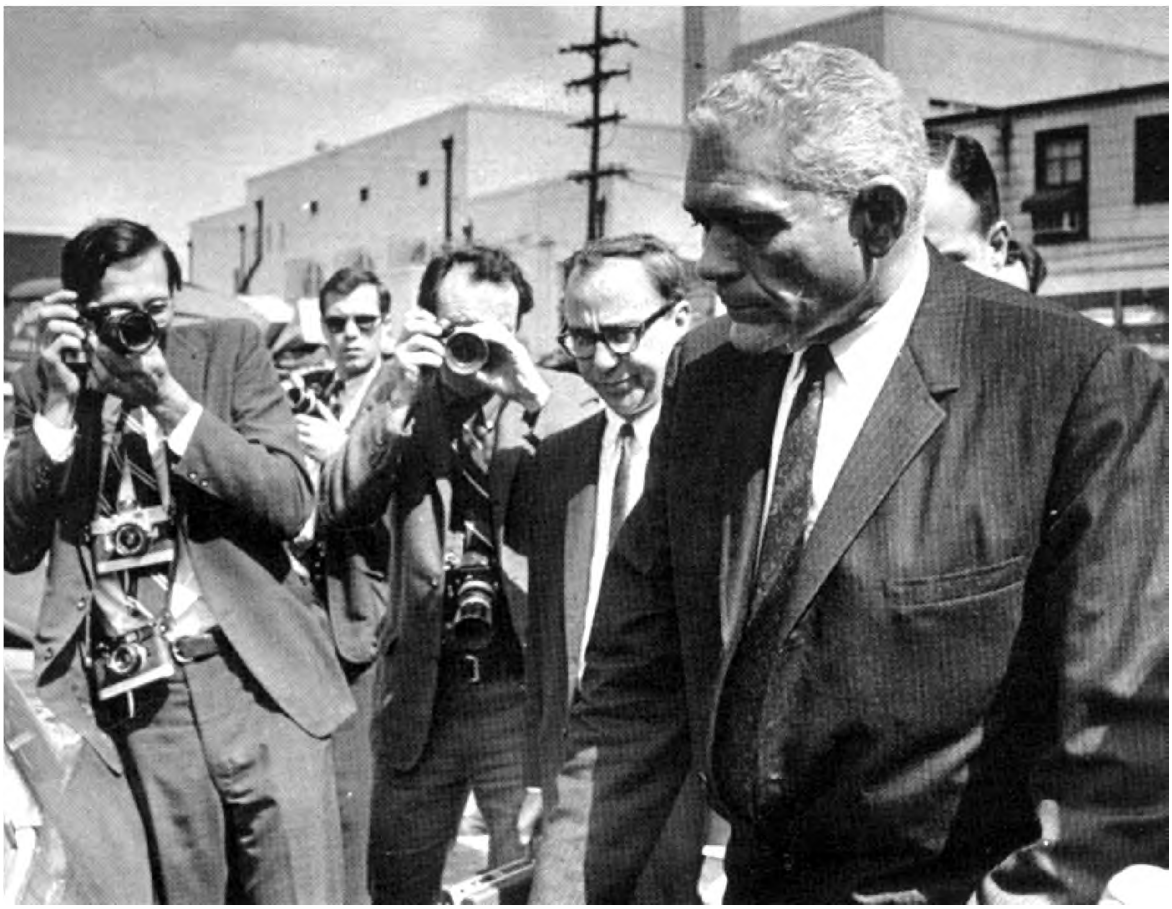
Knight of Malta Clay L. Shaw Arrested in New Orleans, 1967 #652

Clay Shaw, intimately associated with ex-Nazis including Hitler's financier, Hjalmar Schacht, and SS Major Otto Skorzeny, is booked in the Jesuit stronghold of New Orleans for conspiracy to kill President Kennedy.

Aided by the CIA's Italian Roman Catholic lawyer, Salvatore Panzeca, he was acquitted, although Jesuit Temporal Coadjutor Oliver Stone was told years later by presiding Judge Edward Haggerty,



an Irish Roman Catholic and Papal Knight, who in keeping the Order's trial on track refused to admit Shaw's alias into the record, that he "did not believe a word of Shaw's testimony." Years later Richard Helms, one of "Wild Bill" Donovan's OSS case officers who became President Richard M. Nixon's Director of the CIA, admitted that Shaw had been a contract agent for the CIA called "the Company"—just like the Jesuit Order! ***On the Trail of the Assassins***, Jim Garrison, (New York: Warner Books, 1988). ***Plausible Denial***, Mark Lane, (New York: Thunder's Mouth Press, 1991).

Taken at a sodomite party in the mansion of SMOM Clay Shaw, a deep cover CIA operative holding the Agency's highest clearance, we have irrefutable proof that Shaw knew Ferrie who in turn knew Oswald, all of whom were useful tools (and fools) of the Jesuit Order in full control of the ***Black Pope***'s SS/CIA. With this evidence a new trial should be commenced against the CIA to the end that it would be found guilty of murdering JFK leading to its long-awaited abolition.

DCI Richard Helms' assistant, Thomas Karamessines, told the CIA's Roman Catholic Victor Marchetti that Shaw was a CIA operative holding its top security clearance, the highest of six. Managing Director of the city's International Trade Mart and a multi-millionaire consorting with European royalty, Shaw escorted England's Duke and Duchess of Windsor upon their visit to New Orleans. Using the alias "Clem" (from "Pope Clement V" who suppressed the Knights Templars in 1312), Shaw lived only a block away from Knight of Malta Ross Buckley (brother of JFK assassin and CIA asset William F. Buckley, Jr.) and was tied not only to Hoover's FBI but to the Imperial Dragon of the KKK, Jack M. Helm. During his trial FBI/CIA asset and SMOM James R. Phelan (subject to DCI Helms) did all that he could to discredit Garrison, thwart the investigation and frustrate the proceedings aided by FBI/CIA operative, SMOM Robert Maheu and FBI Assistant Director, SMOM Cartha DeLoach! Knight of Malta Louis M. Bloomfield (1910 – 1984), 1950s; 1980s

According to William Torbitt's *Nomenclature of an Assassination Cabal (1970),* Hoover's FBI Division Five supervised the Bureau's evidence-suppressing role in the murder of JFK. Bloomfield, a director of PERMIDNEX ruled from Rome, was a top coordinator for "The Secret Team" planning the assassination. No doubt, Bloomfield was advised by the Jesuits ruling Montreal and/or those of St. Francis Xavier University in Nova Scotia where he was a trusted financier. Since Bloomfield was an avid supporter of the Pope's Kingdom of Jerusalem and, through PERMINDEX subsidiary Centro Mondiale Commerciale (CMC), sworn to the Order's quest that "Rome will recover once again her position as center of the civilized world,"* it was in the interest of the **Black Pope** and his new colony Israel that President Kennedy should be eliminated. With avowed Cold Warrior Lyndon Johnson at the helm, Israel was given nuclear weapons by 1964 serving as a deterrent to a potential Arab invasion following the Six-Day War (1967) which took Jerusalem from the Moslem Jordanians (Israel secretly aided by Masonic King Hussein) in preparation for building the Third Hebrew Temple.

Above is one of the most telling photos illustrating the **Black Pope**'s rule over the Pope's Masonic Jewish Labor Zionists ruling Israel, the Kingdom of Jerusalem!

As related in *The Messianic Legacy*,* after Rome's Second Thirty Years' War (1914-1945) and before the creation of Israel (1948) there was talk of entrusting the sovereignty of Jerusalem to the Knights of Malta. This has been covertly accomplished via the CIA, the heart and centerpiece of the Order's International Intelligence Community. Thus, the domestic and foreign policies of Rome's Labor Zionists governing Israel via the CIA-controlled Mossad are decreed by the Vatican and enforced by the Knights of Malta. Louis M. Bloomfield, a racial Jew, CIA operative, and on the board of directors for the assassination cabal known as PERMINDEX was a co-conspirator in the JFK assassination. Further, both he and his brother financed the Bloomfield Centre at the Jesuit Order's Saint Francis Xavier University in Nova Scotia, Canada. Bloomfield was a dear friend of the Chancellor and Board of Governors, Most Reverend W. E. Power (possibly related to Georgetown University Jesuit Fr. Daniel J. Power), and Reverend Malcolm McDonnell, S.J., President of the University. Knight Bernard was a governor of this Jesuit fortress having received an honorary degree in 1964 while also a governor of Hebrew University of Jerusalem! Knight Louis was the president of the International Law Association, a member of the Board of Governors of the Weizmann Institute of Science in Rehovoth, Israel, and also received an honorary degree from St. Francis Xavier University in 1969. http://www.jfkmontreal.com/bloomfield.htm

Knight of Malta George DeMohrenschildt (1911 – 1977), 1964 #660

Like Clay Shaw, DeMohrenschildt was a Papal Knight, a high-level CIA agent tied to the **Black Pope**'s International Intelligence Community, a jet-settter on a first-name basis with European royalty, fluent in several languages and a key player in Rome's supranational corporate business monopolies. His father, SMOM Baron Sergius Von Mohrenschildt, had been a courtier of the Tzar and Vice President of Nobel Oil Co., later purchased by John D. Rockefeller, Jr., the American Knights to control world oil supplies. Driven from Russia by Lenin in 1917 (when the Russian branch of the Knights of Malta was formally expelled), George spied for the "anti-communist" Nazis working for Admiral Canaris' Abwehr and Himmler's Jesuit-ruled SD, later joining SMOM Bill Donovan's OSS, and then the Order's CIA. A noted gentleman within the White Russian community of Dallas, he worked as an oil geologist with personal friendships including SMOMs William F. Buckley, Jr., Allen W. Dulles, Prescott Bush, Sr., George H. W. Bush, and Dimitri von Mohrenschildt as well as Pope Paul VI's Chicago Mob boss Sam Giancana. On a first name basis with high-Freemasons Clint Murchison and H. L. Hunt, George met with Vice President Johnson in May, 1963, while acting as the "babysitter/best friend" for ONI/CIA-KGB/FBI agent and "patsy," Lee Harvey Oswald. Responsible for landing Oswald's job at the Texas School Book Depository, George was in Haiti on the day of the assassination; played his part in the cover-up Warren Commission; and was about to be questioned by the House Select Committee on Assassinations when found dead from a shotgun blast in the mouth one hour after a visit from CIA agent and author Edward Jay Epstein of *Reader's Digest*. The Company plays for keeps and will sacrifice any of its Papal Knights—"for the greater glory of God!"

Boss of Bosses, Mafioso Sam Giancana; John Cardinal Cody, 1970s

The secret collusion between Cardinal Spellman's Sicilian-led American Mafia and his American Roman hierarchy is at first unbelievable but then, after factual examination, is outrageously true. Reigning supreme in the nation's underworld, Chicago Mafia Don Sam "Mooney" Giancana made over $1 billion annually.

Mooney's man in Las Vegas was Roman Catholic Johnny Roselli who, through FBI/CIA agent, Jesuit-trained Roman Catholic Robert Maheu, put together the plot to assassinate Roman Catholic Jesuit Coadjutor Fidel Castro after the Mob and CIA had put Castro in power. But, as purposed by the Order, the plot was to be used against Kennedy, OPENLY for his "double-crossing" the Mafia, but SECRETLY for refusing to uphold the Temporal Power of the Pope. With ties to USAF General and CIA operative Edward G. Lansdale, ex-FBI/CIA agent Roman Catholic Guy Bannister, CIA/FBI informer Lee Harvey Oswald, brutal Roman Catholic Mafioso/CIA contract agents (ex-priest David Ferrie and Frank "Sturgis" Fiorini), and Dallas mobster/FBI informant Jack Ruby, Mooney explained to his brother Chuck the "Outfit" and the CIA had worked together to assassinate Kennedy. After the death of Chicago Archbishop Albert Cardinal Meyer (1965), the infamous John Cardinal Cody (1965-1982) became Spellman's "Prince of Chicago," described by Mooney as "a corrupt man who enjoyed the trappings of wealth." To courier Syndicate millions across national boundaries, Mooney used Cody's most trusted priest, "Father Cash," for nearly 20 years.

Given an audience with Paul VI in 1968, Giancana, via the Pope's Roman Hierarchy, built Rome's international drug trade, intelligence community and terrorist network. In 1975 the CIA and FBI, using a Mafia killer, ended the life of their Mafia Don partner in JFK's murder via six "leaden bullets" to the head!

CFR/CIA Knight of Malta William F. Buckley, Jr., 1967

#663

In 1963 Buckley was a member of Yale's "Skull and Bones" Society, the Council on Foreign Relations, an officer in the Central Intelligence Agency (with his brother, former New York Senator James Buckley) and later, one of New York City Archbishop Francis Cardinal Spellman's Knights of Malta. Buckley was also a pro-Israeli CIA/Mossad oil business affiliate with Rome's PERMINDEX director, Canadian SMOM Louis M. Bloomfield. After President Kennedy's assassination, this traitor played a paramount role in the Great Jesuit Cover-up, constantly affirming that patsy Lee Harvey Oswald (a CIA operative and FBI agent) was the lone assassin thus protecting his friend E. Howard Hunt from being exposed. Later, Buckley would be named "godfather" of one of Hunt's children. A close friend of fellow "Bonesman" and Knight of Malta Henry R. Luce who controlled the national media from Rockefeller Center across the street from Cardinal Spellman's St. Patrick's Cathedral, Buckley reached fifteen states through his popular T.V. program, *Firing Line*, and his highly circulated, erudite periodical, *National Review,* had a worldwide readership. This Irish Roman Catholic was a close personal friend of the head of the American Branch of the Knights of Malta, J. Peter Grace, Jr., who in turn oversaw post-WWII American/Nazi/Vatican "Project Paperclip" (aided by Spellman's National Catholic Welfare Conference) and was later the ambitious director of President Ronald Reagan's Grace Commission. As of this date (2007) Jesuit Temporal Coadjutor William F. Buckley, Jr., still lives and continues to maintain the Great Jesuit Cover-up on behalf of the wicked Archbishop Edward Cardinal Egan of New York, the **Black Pope**'s Society of Jesus, and the Papal Caesar in Rome.

E. Howard Hunt, Jr. (1918 – 2006), 1972
CIA Officer, Consultant to the Nixon White House
Charles W. Colson (1931 – Present), 1972
Special Counsel to President Richard M. Nixon

Both of these men were close friends of the ***Black Pope***'s Knight of Malta, William F. Buckley, Jr., and were co-conspirators in the Kennedy Assassination. Both were also players in the Watergate Scandal (the break-in purposely botched by covert CIA agent James McCord) that ultimately forced Nixon to resign in disgrace (1975). Hunt had been a faithful Cold Warrior since his admission into the CIA in 1947. A former OSS agent, Hunt knew all the Pope's men of power including Papal Knights of Malta William J. Donovan, James J. Angleton and William J. Casey who would later rule the Order's continuation of Pope Pius XII's SS/SD—the Central Intelligence Agency. Moreover, Hunt knew the power of Cardinal Spellman over America's intelligence agencies thus believing he was ultimately untouchable. As the CIA station chief in Mexico City, he knew the top FBI WWII agent therein, SMOM Gerald Coughlin. Implicated in the JFK assassination through several key witnesses, the Agency decided to accept a "limited hangout" involving the sacrifice of Hunt after the Watergate scandal.

In 1978 Victor Marchetti, Jesuit Temporal Coadjutor and staff officer of the CIA's Office of the Director (1966-1969), accused Hunt of being involved in the assassination. The vehicle for this accusation was *The Spotlight,* a Washington-based, anti-Israel periodical owned by Knight of Malta Willis A. Carto, a dear friend of America's most powerful SMOM, J. Peter Grace, Jr. Hunt sued Liberty Lobby but ultimately lost due to the Order's Mark Lane who proved Hunt was in Dallas the day JFK was murdered. Thus, Hunt was sacrificed while the CIA's ruling Knights of Malta escaped prosecution. Today, Chuck Colson, outspokenly pro-Roman Papacy, now speaks for an apostate Protestant ministry owned by a White Roman Catholic controlled by the Papal Caesar in Rome.

"Grovers" Governor Ronald Reagan and Edwin W. Pauley, 1967 #667

Known as "Red Ronnie" while president of Hollywood's Screen Actors Guild, "Bohemian Grover" Reagan was the Governor of California from 1967 to 1975. Feigning to be a conservative, he proved to be a rank liberal-socialist governor promoting abortion and gun-confiscation while refusing to cooperate with Jim Garrison's prosecution of SMOM Clay L. Shaw. Receiving orders from one of his masters, Edwin W. Pauley (1903-1981) was a Knight of Malta controlled by Rome's "Archbishop of the Capital of the World," Francis Cardinal Spellman. Pauley, a multimillionaire and big oil mogul, was FDR's petroleum coordinator supplying fuel for Skull and Bones/SMOM Averell Harriman's military build-up of Stalin's Jesuit-ruled Soviet Union under the guise of "Lend-Lease." After the war, Pauley purchased Coconut Island in Hawaii for his own private retreat. A personal friend of brother SMOM Prescott Bush, Sr., Pauley was the owner of Pan-American Petroleum in contract with Bush's Zapata Oil and Pemargo in the 1960s. He founded Pauley Petroleum in 1958 with Howard Hughes whose key advisor was Jesuit-trained SMOM Robert Maheu. A backer of "Spelly's War" in Vietnam and thus Richard Nixon, Pauley was a contract agent for the CIA, enjoying close ties with SMOM Allen Dulles and a long-time personal friendship with the DCI at the time of the Kennedy murder, SMOM John McCone, as well as with FBI Director J. Edgar Hoover and Assistant Director SMOM Cartha D. DeLoach. Pauley and his friends opposing Kennedy's attack on the oil depletion allowance and the scheduled invasion of Cuba were the real assassins of JFK.

CIA Alexander M. Haig, Jr. and KGB Henry A. Kissinger, 1972 #668

This picture personifies the POWER of the **Black Pope** exercised through his agents over the Order's masonically controlled "Holy Roman" Fourteenth Amendment Corporate-Fascist American Empire. Former NATO Commander and Knight of Malta Alexander M. Haig, Jr. (who according to G. Gordon Liddy was "Deep Throat" during the Watergate Scandal and whose brother, Francis R. Haig, is a powerful Jesuit), speaking to Knight of Malta Labor Zionist and KGB operative Henry A. Kissinger, saved the Pope's Labor Zionist Israel from being overrun by the Egyptians during the Yom Kippur War in 1973. Being powerful members of the New York Archbishop's Council on Foreign Relations, both have a complete knowledge of the JFK Assassination and both were used to remove President Nixon from office. Knights of Malta Haig and Casey, working with KGB/Masonic Jewish Labor Zionists Kissinger and Hammer, brought the world even closer to worshipping the risen Papal Caesar ruling from Solomon's rebuilt Temple in Jerusalem as "the beast," exalted by his Jewish False Prophet.

The cowardly conspirator, Francis Cardinal Spellman, performs a Solemn High Requiem Mass in the Vatican before a symbolic coffin draped with an American Flag. The services, which coincided with those in Washington, were in fact celebrating the successful assassination of President John F. Kennedy, carried out by the **Black Pope**'s Inquisitional International Intelligence Community maintaining and enforcing the oppressive, worldwide, Satanic Temporal Power of the Papal Caesar in Rome. For President Kennedy refusing to uphold that power, the "Moral Theology" of the Company had deemed him a "usurper" and thus a "tyrant" pursuant to the *Opusculum Theologicum* of Jesuit Martin Becan.

Chapter 45
The Jesuits — **1963**

The FBI, the Secret Service and the Jesuit

> "Let proper methods be used to get knowledge of the animosities that arise among great men, that we may have a finger in reconciling their differences; for by this means we shall gradually become acquainted with their friends and secret affairs, and of necessity engage one of the parties in our interests." {1}
>
> **Ignatius Loyola, 1540**
> Founder, 1st Jesuit General, 1540-1556
> *Secret Instructions of the Jesuits*

> "Whoever wishes in this Society, which we desire should be distinguished by the name of Jesus [*formerly known as the Knights of the (Black) Virgin Mary*] to fight as a soldier of God under the banner of the Cross, and to serve only the Lord and His bride, the Church, under the **Roman Pope**, the earthly **Vicar of Christ**, after taking the solemn vow of eternal chastity, poverty, and obedience . . . must also render service in reconciling quarrels [*in all likelihood, that we have caused*]." {2} [Emphasis added]
>
> **Ignatius Loyola, 1540**
> Founder, 1st Jesuit General, 1540-1556
> *Formula Instituti*

The Society of Jesus, functioning as the Devil's army in reducing all nations to the will of the Pope, is the undisputed master of coordinated assassination around the globe for the last four hundred and sixty-three years (1534-2007). In command of its Masonic "Invisible Empire," none can escape its designs unless they are providentially protected by the Risen Son of God sitting at His Father's right hand. With the assassination of **President Kennedy**, as in all well laid plans of mice and men, there were a few "glitches" or difficulties that arose. One such difficulty was a hostility having arisen between the less informed agents of the FBI and Secret Service. Each blamed the other as being responsible for the President's death.

Hoover and **DeLoach** of the FBI, and **Rowley**, **Greer**, **Kellerman**, **Hill** and **Hickey** of the Secret Service *knew quite well* who killed the President. But the lower ranks not in the know were quarreling. To resolve this dilemma, as per the maxims of the Jesuit Order, Spellman would use best friends **Cartha D. DeLoach** and **James J. Rowley**, both of whom were Roman Catholics and powerful Knights of Malta.

Cardinal Spellman's agent and Knight of Malta, **Cartha DeLoach**, gives us a most fascinating narration of how the quarrel was resolved. Assistant Director and third in command of the FBI, **Knight of Malta "Deke" DeLoach** tells us in his "cover-up" work, *Hoover's FBI (1997)*, of the absolute power the Jesuit Order wields over the American Empire's most renowned police agencies. He writes:

> "It was a bad time to quarrel. The nation needed to believe that the president of the United States was safe while driving down the streets of America. As the quarrel worsened, **Father Daniel J. Power, S.J.** [*Society of Jesus*], head of development at [*Jesuit*] Georgetown University called me and said, '**Deke,** why don't you and **Jim Rowley** [*Roman Catholic Papal Knight whose brother was a powerful Jesuit priest*] have a quiet lunch with me at my office at the university?' Rowley, chief of the Secret Service, was a former FBI agent whom I knew and liked; we both accepted.
>
> It was the first of a number of such luncheons. Following each, I wrote a memorandum to **J. Edgar Hoover** with the increasing conviction that Rowley wished to cooperate rather than, as Hoover suspected, make the FBI a scapegoat for his own agency's shortcomings.
>
> Eventually we worked out a number of administrative procedures that strengthened the relationship between the **Secret Service** and the **FBI** and ensured greater protection for the president and his family. Today, it is far less likely that a [*CIA agent*] **Lee Harvey Oswald** could slip through our net [*when there was no protection in Dallas the day JFK was murdered*].
>
> This reconciliation was all the more essential because the new president, **Lyndon Johnson,** issued an executive order allowing the president to use the **FBI** for protection as well as the **Secret Service** [*furthering a national police state*]. Had Rowley and I not worked out our difficulties, such efforts would have been difficult at best." {3}[Emphasis added]

(Dear truth-seeker, this well-hidden incident deliberately shrouded in secrecy for decades is a prime example of the Jesuit "unseen hand" in Washington. To be able to calm the storm between the Empire's two most powerful police agencies reveals who truly maintains order—who rules—in **Fourteenth Amendment America**.)

The result of these meetings between Knight of Malta **Cartha DeLoach** and Knight of Malta **Jim Rowley** at the feet of their master **Daniel Power**—*the Jesuit*—was the further centralization of Presidential power in Washington. **Hoover's** "bureaucratic bastard"—**The Holy Office of the Inquisition in America**—moved another step closer to becoming the Empire's Nazi-Fascist Gestapo. **President Johnson**, the Freemason, gave **Cardinal Spellman** his "extirpation of heretics" in

Vietnam (over 3 million Buddhists), and CIA Director **John A. McCone**, the Knight of Malta, gave the **Jesuit General's Secret Team** its International Drug Trade. That massive Drug Trade would greatly accelerate the weakening and destruction of the White Celtic-Anglo-Saxon peoples (coupled with forced integration, amalgamation, miscegenation, unreported Black-on-White crime, the mass-marketing of corrupted, pro-Latin Vulgate "Bibles" and gun confiscation), *they having founded the great and mighty Protestant nations of Western Civilization*, while being the risen Son of God's most devoted Bible-believing preachers and missionaries in the history of the true, blood-bought, Church of the Lord Jesus Christ. Is this not in fact a righteous judgment of the Lord against the predominantly atheistic and immoral, Bible-rejecting White Race of both the British and American Empires for harboring, protecting and financing that calculating, cold-blooded viper—the Company of Jesus—as it pursues its hell-bent quest in destroying the Protestant Reformation? The unrestrained and unpunished Drug Trade, coupled with the loss of Hong Kong, will provide the economic base for building that military Goliath in the Far East—*our future invader and destroyer*—the relentless, mass-murdering **Red Chinese Army**. And the purposed destruction of the Moslem mosques in **Mecca**, **Medina** and Jerusalem, to be secretly carried out by the ***Black Pope***'s International Intelligence Community overseeing the Masonic leadership of all **Islamic Nations** and the Masonic leadership of **Labor Zionist Israel**, will fire the hearts of yet another one of our future invaders—**the Moslem World** having survived Rome's present US Crusade against Islam. The Papal Caesar will then make Jerusalem an international city under the protection of his revived, "**Holy Roman**" **Pan-European Empire**. The courageous ex-Jesuit **Alberto Rivera**, who gained a secret knowledge of Vatican Intelligence through the instruction of one of the ***Black Pope***'s most powerful Jesuits and confessor to Pope Pius XII, **Augustin Cardinal Bea**, correctly declared:

> "Jerusalem will fall into the hands of the pope and the Muslim nations [*via Shriner Freemasonry*] will assist him. The last pope will be **the "*Antichrist*"** who knows he must flee to Jerusalem to escape from the Vatican just before it is destroyed ***(Revelation 17:16)*.**" {4}[Emphasis added]

That **Secret Team**, in command of the coming Red Chinese invasion of the Empire's West Coast and a united Moslem invasion of the Empire's Southeast Coast, is "**the Borg"** of *Star Trek*, the Militia of the ***Black Pope*** directing **the Papal Caesar**, the Company of Ignatius Loyola. Respectively known as the Society of Jesus, or as the French Reformer **John Calvin** surnamed these brainwashed, mind-controlled, religious fanatics and forever warring mass-murderers of both the risen Son of God's *Bible-believing Church* and His *Semitic Hebrew/Jewish Nation of Israel* yet to repent and inherit her national blessing under Messiah's **Abrahamic Covenant**, they are:

The Jesuits.

Secret Service Agents Clint Hill, Roy Kellerman and William Greer; Cardinal Spellman's SSA Assassins of President Kennedy, 1964 #673

Rendered untouchable by Cardinal Spellman's: LBJ-appointed, secret Warren Commission directed by 33º Freemasons Allen W. Dulles, John J. McCloy, Earl Warren and Gerald R. Ford; national press ruled by CFR member, Skull and Bones/Knight of Malta Henry R. Luce; CIA directed by Knight of Malta John A. McCone; FBI directed by 33º Freemason J. Edgar Hoover and his assistant, Knight of Malta Cartha D. DeLoach; Secret Service directed by Knight of Malta James J. Rowley whose brother, Francis Rowley, was a Jesuit priest, Secret Service Agents Clint Hill, Roy Kellerman and William Greer spent the rest of their unrepentant, wicked lives in silence as to what really happened in Dallas on November 22, 1963. Greer was one of the oldest members of the Secret Service's White House detail (located in the West Wing), he having served as a limousine driver for past presidents Truman and Eisenhower. And since Knight Rowley had been Agent-in-Charge of the White House detail since 1946, he must have chosen his old friend Greer, the apostate Protestant and hater of JFK, to shoot the president with a special CIA-created, exploding round to the head. Rowley officially stated several times that no Secret Service Agent fired his weapon on the day of JFK's murder, which claim could have been verified had not he ordered his agents to immediately seize and send Governor Connally's clothes to the cleaners thus removing all traces of powder emitted from Greer's handgun.

Kellerman had coached Greer as to when to shoot; Hill, anticipating the final shots from the follow-up vehicle, mounted the presidential limousine and kept Jackie in check. All three never knew they had murdered for the **Black Pope**!

Knight of Malta James Joseph Rowley (1908 – 1992), 1950s
Agent; Federal Bureau of Investigation, 1936 – 1938
Agent; Secret Service, 1938 – 1961; Director, 1961 – 1973;
Roman Catholic Secret Service Director, James J. Rowley, 1964

Born in the Bronx, New York, to Irish Roman Catholic immigrants, James grew up on Fordham Road, near the Company's Fordham University. Educated by Dominicans at Our Savior School, James graduated from a public high school, working for the State Banking Department until he entered the FBI. His brother Francis went to work for the Federal Reserve Bank and later became a powerful Jesuit priest serving as a liaison between Rowley's Secret Service and the Jesuits at Fordham and Georgetown Universities. Entering the Secret Service in 1938, Rowley was assigned to the White House (1939), his office in "the West Wing."

Involved in the advance security work of FDR's every conference beginning with Casablanca, Rowley was given "charge of the White House detail" in 1946, the protection of the president now completely in the hands of the ***Black Pope***. Our Jesuit Coadjutor prospered during the Truman and Eisenhower eras (William Greer serving as Rowley's presidential limousine driver), overseeing all advance security details wherever the president would visit—working with local police and sheriff departments! On the day of JFK's murder, Rowley used Forrest Sorrels, SS chief in Dallas, to plot with local police; change the parade route onto Elm Street; shoot JFK via SSA Greer coached by SSA Kellerman; kidnap the president's body, refusing a Texas autopsy in violation of State law; and ensure the limousine was "sanitized," removing all evidence of multiple gunshots.

Jesuit Francis J. Rowley #681

Jesuit Priest Francis Rowley was the younger brother of James J. Rowley, the head of the **Black Pope**'s American Secret Service, which oversaw the security of President Kennedy. As in the case of many families foreign and domestic, there has been a Knight of Malta occupying a paramount office of power within the Federal Government whose brother was, by mere coincidence, a Jesuit priest!

One such current example is CFR member and Knight of Malta Alexander M. Haig, Jr., whose brother, Francis Haig, is a highly influential Jesuit priest. Though there be many more identical examples, these "dynamic duos" are carefully hidden from public view lest we awake to the peril of the Pope's ever-increasing political/temporal power over the affairs of all nations.

Jesuit Daniel J. Power #682

Jesuit Daniel J. Power was the head of development at Jesuit Georgetown University—the real capital in Washington overseeing the White House, the Congress and the Supreme Court via its Council on Foreign Relations. Keys to the Order's absolute power are the various alphabet federal police agencies and their mutual cooperation at the top. Fully secure in 1963, the assassination was used by the Order to extend the inquisitional power of its FBI to include presidential protection in conjunction with the Secret Service. No president would ever again be allowed to wield the constitutionally limited power of a genuine, US President. This was realized through a series of meetings between Hoover's FBI Assistant Director, Spellman's Roman Catholic Knight of Malta Cartha D. DeLoach, and the Director of the Secret Service, Spellman's Roman Catholic Knight of Malta James J. Rowley, whose brother was a Jesuit priest.

Hosting the meeting was Jesuit Daniel J. Power who was beholden to his master, Georgetown University President Jesuit Edward B. Bunn (1952-1964). Upon completion of the meetings, the new arrangements agreed to were imposed upon the American people without our knowledge or consent. Jesuit Temporal Coadjutor, Georgetown University-trained, Texas Freemason and co-conspirator in the Kennedy assassination, President Lyndon B. Johnson issued an executive order giving the FBI and Secret Service more absolute power in their quest of mutually protecting or eliminating every president of Jesuit/CFR making.

"Do you believe government experts who state that a man reputed to be a bad shot could take a bolt-action rifle that wholesaled for three dollars and twice hit a man in a moving car at more than **two hundred yards** with **three shots** in less than **six seconds**? Do you believe a commission handpicked by Kennedy's successor, which concluded that Kennedy was killed by a **lone assassin** firing

from a building behind him and who was, in turn, killed by yet another **lone assassin**? . . .

Mrs. Earle Cabell, wife of the Dallas mayor, was riding in an open convertible six cars back from the motorcade's lead car. At the opening shots, the car in which she was riding was passing the Depository building. She told the Warren Commission . . . 'I jerked my head up and I saw something in that window and I turned around to say to Earle, "Earle, it's a shot," and before I got the words out . . . the second two shots rang out. . . . I was acutely aware of the **odor of gunpowder.** I was aware that the motorcade stopped dead still. There was no question about that.' . . .

In a 1977 article, [**Thomas**] **Atkins** [*an official photographer for the Kennedy White House*] said the car he was in had just turned onto Houston Street and was facing the Texas School Book Depository, and . . . 'Although I did not look up at the building, I could hear everything quite clearly. . . . The shots came **from below** and **off to the right side** from where I was. . . . **I never thought the shots came from above. They did not sound like shots coming from anything higher than street level** [*thus agreeing with Col. L. Fletcher Prouty*].' . . . After the assassination, **Governor Connally's** clothing—also vital evidence—was taken from the office of **Congressman Henry Gonzalez** [*of HSCA fame*] by Secret Service agents sent by Johnson aid **Cliff Carter.** Connally's clothing was cleaned and pressed by the time it was handed over to the Warren Commission and, hence, was useless for study as evidence [**all gunpowder residue** *originating from Greer's fatal head shot to JFK having been removed*]. . . . Another overlooked aspect of Kennedy's attempt to reform American society involves money. Kennedy apparently reasoned that by returning to the **Constitution,** which states that only Congress shall coin and regulate money, the soaring national debt could be reduced by not paying interest [*via the Order's IRS/ABA scam of forcing wage-earners to pay income tax*] to the bankers of the **Federal Reserve System,** who print paper money then loan it to the government at interest. He moved in this area on **June 4, 1963,** by signing Executive Order 11,110 which called for the issuance of **$4,292,893,815** in **United States Notes** through the U.S. Treasury rather than the traditional Federal Reserve System. That same day, Kennedy signed a bill changing the backing of one- and two-dollar bills from silver to gold, adding strength to the weakened U.S. currency. . . .

One of the most sacred of provisions in the eyes of oilmen was the **oil depletion allowance,** which permitted oil producers to treat up to **27.5** percent of their income as tax exempt. In theory this was to compensate for the depletion of fixed oil reserves but, in effect, it gave the oil industry a lower tax

rate. Under this allowance, an oilman with a good deal of venture capital could become rich with virtually no risk. . . . It was estimated at the time that oilmen might lose nearly **$300 million** a year if the **depletion allowance** was diminished. . . . Included in Kennedy's tax package were provisions for closing a number of corporate tax loopholes, including the depletion allowance. . . .

There is now abundant evidence that Hoover's [**Holy Office of the**] **FBI** destroyed critical evidence in this case, suppressed other evidence, and intimidated witnesses. The FBI solely directed the verdict that Oswald acted alone. . . . Who done it?—A consensus of powerful men in the leadership of U.S. military, banking, government, intelligence, and organized-crime circles [*controlled directly by* **Francis Cardinal Spellman** *or indirectly via his* **Council on Foreign Relations**] ordered their faithful agents to manipulate Mafia-Cuban-Agency pawns to kill the chief. . . .

Because of his family's great wealth, **John F. Kennedy** was incorruptible by bribes. . . . Kennedy had a rich sense of history and a global outlook. He apparently had an idealistic vision of making the world more peaceful [*in seeking to prematurely end* the ***Black Pope***'s *Cold War*] and less corrupt [*by ending the reign of* **Allen Dulles' CIA** *and* **J. Edgar Hoover's FBI**]. In other words, he really believed he was president [*just as the murdered* **Pope John Paul I** *really believed he was Pope*] and he set out to shake up the status quo of Big Banking, Big Oil, Big Military-Industrial-Complex with its powerful Intelligence Community, and Big Organized Crime, which had gained inroads into American life since Prohibition. . . .

So the decision was made at the highest level of the American business-banking-politics-military-crime power structure [*the "Powerhouse" of New York—St. Patrick's Cathedral*]—should anything happen to Kennedy, it would be viewed as a blessing for the nation. . . . **Therefore the decision was made to eliminate John F. Kennedy by means of a public execution for the same reason criminals are publicly executed—to serve as a deterrent to anyone considering following in his footsteps.**" {6} [Emphasis added]

". . . I ran into **Johnny Roselli** in the yard at Terminal Island . . . He was associated with **Al Capone . . . Paul Ricca, Tony Accardo,** and **Sam Giancana** [*murdered via FBI complicity*] . . . He became closely associated with studio moguls, union chiefs, and stars . . . [**SMOM**] **Frank Sinatra** and **Dean Martin**

sponsored him for membership in exclusive clubs like Friar's Club. . . . Roselli [*his CIA handler being "Knight"* **David Atlee Phillips**, *a friend of "Dame"* **Clare Boothe Luce**] had long been rumored to have been involved in the plot against Kennedy. Being linked to Sam made that seem almost logical. And knowing his background—that he was an accomplished marksman, one of the suspected gunmen at the **St. Valentine's Day Massacre**—made the long-standing rumor that he was involved in Dealey Plaza also seem plausible. . . . Roselli's linking [**Jack**] **Ruby** to Sam shocked me . . . Roselli was also loose-lipped around the handful of Cubans who were doing time. Some of these people had been involved in the Bay of Pigs, were up to their eyeballs in exile politics, and had been engaged in illegal anti-Castro activities for years. They knew that Roselli, on hire to the CIA [*through the intermediacy of Jesuit-trained CIA agent* **Robert Maheu**], had been involved in several attempts on Castro's life. They also seemed to know that Roselli had been a triggerman in the assassination—and they regarded him as a hero because of that [*and because of these admissions, his dismembered body was later found in 1976, in an oil drum floating in Miami's Biscayne Bay*]. . . . There were all kinds of questions I obviously was curious about but did not ask him— about the parade route [*altered at the last minute by the Secret Service*], for example. Why were the windows in the Texas School Book Depository all opened at the time of the assassination? Why wasn't **that storm drain** on Elm Street sealed? He couldn't have taken up his position [*in the storm drain*] without knowing something about the involvement of the Secret Service, which was responsible for the routine securing of the area, such as the sealing of the windows and **storm drains.** I already had far too much knowledge, and I had no desire for more." {7} [Emphasis added]

"I don't doubt the involvement [*of the Mob*] but at a lower level. Could the Mob change the parade route . . . or eliminate the protection for the President? Could the Mob send Oswald to Russia and get him back? Could the Mob get the FBI, the CIA and the Dallas Police to make a mess of the investigation? Could the Mob get the Warren Commission appointed to cover it up? Could the Mob wreck the autopsy? Could the Mob influence the national media to go to sleep? And since when has the Mob used anything but thirty-eights for hits up close? [*This is an innuendo that Kennedy was shot up close with a handgun that was something other than a .38 caliber revolver. The scriptwriter knew, as evidenced by the Zapruder Film and the recovered .45 caliber slug, the President was shot by the storm sewer shooter with a .45 caliber semi-automatic handgun, the cause of death, according to Parkland Hospital's* **Dr. Robert N. McClelland**, *being a*

massive head wound of the right temple! Mobster **James E. " 'Lyndon, you know that a lot of people believe you had something to do with President Kennedy's assassination.'

He shot up out of the bed and began pacing and waving his arms screaming like a madman. I was scared.

'That's bullshit, **Madeleine Brown**!' he yelled. 'Don't tell me you believe that crap!'

'Of course not.' I answered meekly, trying to cool his temper.

'It was Texas oil and those f_____ renegade intelligence bastards in

Washington.'

'What are you talking about?' I asked, my eyes bulging.

'Hell, that son-of-a bitch Irish mafia Kennedy—**with advice from the Invisible Government** [it deliberately creating the necessary reasons to incite low-level FBI, CIA and Mafia footmen to carry out the Company's predetermined assassination of JFK who refused to enforce the Temporal Power of the Pope as made known to the Houston Ministerial Association in 1960 and who warned of a conspiracy overseen by secret societies then controlling the US government in 1961]—came out for suicidal cuts in the oil depletion allowance. More than two hundred eighty million dollars per year! He stopped half a dozen mergers under the anti-trust act [proving JFK was against corporate fascism]. In '62s sag, the market dropped one hundred and thirty-seven billion f_____ dollars. Steel fell fifty percent, and he had the impertinence to talk about 'rollback' of prices, or worse, a freeze [which is exactly what President Nixon did years later]. This was war, Madeleine, to some rich, fat cats in Texas you and I both know. He campaigned on an increased defense budget. Then he made plans to close fifty-two military bases in twenty-five states, plus twenty-five overseas bases [the American Empire now maintaining seven hundred and twenty-five military installations in one hundred and twenty countries while having closed scores of domestic bases converting them into concentration

camps], and he was getting ready to quit in Southeast Asia [thereby ending **Francis Cardinal Spellman's** Vietnam War and **Pope John XIII's** CIA/Mafia-run international drug trade, its illicit profits declared to have financed the Empire's war on "godless Jew communism" according to Jesuit-trained **SMOM William J. Casey**]. And for the first time in history, he had sent in one intelligence agency, the FBI, to dismember another agency, the CIA [ending the CIA's "Operation Mongoose," thus finally condemning JFK in the eyes of lower level CIA agents, as **SMOM Allen Dulles** knew the secret policy of the Order]. America simply could not have this!

'God____ it, Madeleine, in the last fifteen years we've lost eight hundred million people to the Communist conspiracy [**LBJ**, *in mouthing the words of Jesuit-trained* **Senator Joseph McCarthy** *(whose mentor was* **Jesuit Edmund A. Walsh***), evidently did not truly understanding that "communism" was created, financed and, in fact, protected by the Jesuit-ruled Protestant West, and therefore* the **Black Pope**'s *"Cold War" was a Hoax of incomprehensible magnitude*]—and priceless resources and markets—and not a single Russian soldier has been killed [*further weakening the Protestant West and building the Communist East for our coming Sino-Soviet-Moslem invasion*]. We're being nibbled to death in Vietnam [*thanks to* **Archbishop Spellman's** *Jesuit-decreed, CFR-dictated, no-win foreign policy against "communism"*], and now in our own hemisphere, our oil boys and the intelligence boys didn't like Kennedy's talk about 'disarmament' or the 'Peace Corps.' They believed that the only thing the god_____ Communists understand is power [*which indeed is true, but which CFR-controlled American military power will never be used decisively against "the Communists" evidenced by the thousands of traitorous acts of the SD/OSS/CIA, including the murder of* **General Patton** *who sought to attack Stalin's USSR using American and German troops*]!

'And, my God, they couldn't tolerate the Negroes. These boys thought Kennedy was going to lead the Negro revolution instead of fighting it [*which "Negro revolution" was created by* **Jesuit John LaFarge** *and led by his Black Freemason,* **A. Philip Randolph**, *openly backed by the CFR and Roman Catholic Hierarchy, with White Freemason* **President Lyndon Baines Johnson** *leading the way securing passage of the Civil Rights Act in 1964 and the Voting Rights Act of 1965*]. They got real uncomfortable when they saw 250,000 American Negroes and their supporters march in Washington in the Fall of '63 [*secretly intended to create Negro/Black cultural and legal supremacy over average, Middle Class Whites; forced amalgamation; the "Browning of America;" and the ultimate destruction of the North American White race—Protestant, Baptist and Catholic—thus creating a Jesuit-ruled, cartel-capitalist, minority-White noble*

ruling class, while reverting Bible-rejecting Blacks back to African tribalism and savagery as in the case of the Order's Zimbabwe and South Africa today].'

'Who were the Texas oil men, Lyndon? Who are we talking about?' I asked boldly.

He turned and stared me straight in the eyes and with a cold glare, saying, **'Behind every success there is a crime,'** and 'Do you remember what I told you years ago, Madeleine? You see nothing, you hear nothing, you say nothing.' As he stormed off to the bathroom, he added, 'I can see that I have already told you too much. I should have listened to my own advice.' . . . I have not meticulously studied the history of November 22, 1963, but I saw and heard and knew enough to unnerve my senses. My views, like a jigsaw puzzle, include pieces of circumstantial evidence and odd associations and persistent stories too sinister to dismiss as pure coincidence:

• **Jack Ruby** did have possession of the motorcade map and Ruby 'knew' the Dallas Police Department [*over half the force*].

• Lee Harvey Oswald and Ruby together at the Carousel Club [*as both Oswald and Ruby were FBI informants*].

• Ruby's friendship with **Jerome Ragsdale** [*LBJ's loyal attorney*].

• Rumors of high-level authorities changing the motorcade route and the lack of security and press in Dealey Plaza at the crucial moment [*as proven by New Orleans District Attorney* **Jim Garrison** *and Pentagon official* **Colonel L. Fletcher Prouty**].

• Witnesses who claimed the motorcade slowed down or virtually 'stopped' during the shooting [*indicating that Rowley's Secret Service was a party to the assassination*].

• Lyndon's close relationship with **Murchison** and **Hoover** [*all three of whom were at least 32nd Degree Freemasons*].

• The Texas 8F meeting at Murchison's home on Nov. 21, 1963 [*which meeting included CIA officer and Chairman of the Board of both the CFR and Ford Foundation,* **John J. McCloy**].

• **H. L. Hunt's** confidence in being the richest man in the world, that he would never get in trouble, and his complete disdain for JFK [*Hunt being another high-level Freemason and a mere manager for* the **Black Pope**'s *international oil monopoly*].

• Lyndon's intention of visiting **Pat Kirkwood's** nightclub after leaving Murchison's home. Nine of Kennedy's Secret Servicemen were later criticized for visiting Kirkwood's club 'till the early-morning hours in clear violation of curfew regulations. Years later Kirkwood admitted that some of Ruby's stripers had kept the security men entertained during the night.

• Lyndon's prophecy of never being embarrassed by the Kennedys again.

• The swirl of witnesses and evidence seriously supporting the theory of multiple shooters on questioning Oswald's guilt. The list goes on and on—I was frozen with shock. . . .

I have no doubt that Lyndon told me the truth about the assassination. I believe Lyndon and the 8F people [*the Masonic "Great White fathers" of Texas*] did what they felt they had to do to protect their own interests." {9} [Emphasis added]

"Before his death, former **President Lyndon B. Johnson** gave a three-hour filmed interview to a well-known television commentator. On May 2, 1970, when this interview was shown on a national television network, it included the message that certain material had been deleted by President Johnson's insistence.

It has been revealed that in the censored section, Johnson had expressed misgivings about the finding that **Lee Harvey Oswald** had acted alone, and that in fact, he suspected that a conspiracy had been involved in the assassination of **John F. Kennedy**. . . .

In the years after the murder of **President Kennedy** and **Lee Harvey Oswald**, eighteen material witnesses died . . . six by gunfire, three in motor accidents, two by suicide, one from a cut throat, one from a karate chop to the neck, three from heart attacks and two from natural causes.

An actuary, engaged by the *London Sunday Times* concluded that on November 22, 1963 odds against these witnesses being dead by February 1967 were one hundred thousand trillion to one." {10} [Emphasis added]

"In the case of President Kennedy's assassination, nobody but the persons directly responsible would be able to say today who the murderers were. But there is no one in the United States or anywhere else, with a normal thinking apparatus and normal curiosity and information, who believes that the explanation of this murder offered by the **Warren Commission**, with its accompanying procession of strangely disappearing witnesses, is the correct one. Thinking people are, on the contrary, convinced that this Commission had no other mission than to conceal the truth, and that it was relentlessly helped in this mission by many official agencies and by *some powerful organized Force of universal scope and character. . . .*

"A new development has recently been announced in New York. On January 31, 1966, one of the leading autograph dealers in the world, **Charles Hamilton** of New York, sold two letters allegedly written by **Jack Ruby.** The letters were said to have been smuggled from the Dallas jail. Sale was held at the Waldorf-Astoria Astor Gallery, and this editor bought one letter for $950.00. The first paragraph of the notice on page 25 of the catalogue reads:

'. . . Astounding confession of international importance, pinpointing **LYNDON B. JOHNSON** as the real murderer of **JOHN F. KENNEDY** and the tool of a **Fascist conspiracy to liquidate the Jews!** Neatly written by **Ruby** to a fellow prisoner on slips torn from a memo pad, this letter was smuggled out of the Dallas Jail and is unpublished in any form. The ramifications of the letters are so many, touching on such sensitive questions as the assassination of Kennedy and Oswald, the conduct of Dallas and government officials and the Warren Commission, that extensive space is given here to excerpts.' . . . [**Jack Ruby** *writes:*]

'To start my story off, **they** found some very clever means and ways to trick me and which will be used later as evidence to show the American people that I was part of the conspiracy in the assassination of (the) president, and I was used to silence Oswald. I walked into a trap the moment I walked down that [*Dallas Police Dept.*] ramp Sunday morning.

This was the spot where **they** could frame the Jew, and that way, all of his people will be blamed as being Communists; this is what **they** were waiting for. **They** alone had planned the killing; by **they** I mean Johnson and others [*at the* **Murchison** *meeting the night before the assassination*]. I guess that is why Oswald was able to escape the building as he did, because **they** wanted him to escape. That is why there has been so much contradiction and confusion as to the identity of the rifle used [*Mauser or Mannlicher-Carcano*], etc. . . . read the book TEXAS LOOKS AT LYNDON and you may learn quite a bit about Johnson and how he has fooled everyone . . . about the author **Walter Haley**, **they** no doubt have gotten rid of him . . . He wrote the way Johnson had beat the people on various deals. In all the history of the U. S., never has a president been elected that has the background of Johnson. Believe me, compared to him I am a Saint.'

After the assassination, rumors circulated thick and fast out of Dallas. An early rumor was that **Lieutenant George Butler** would be one of the investigators for the Warren Commission. This writer wrote to **Chief Justice Earl Warren**, begging him to see that Butler was not on the side of the investigation. Certainly, we felt the Warren Commission was going to conduct an impartial investigation at that time. . . . We wish to comment on the testimony concerning **Lieutenant George Butler**, a very interesting policeman. Butler is a speaker for the [*Neo-Nazi*] right-wing anticommunist fighters. He was formerly head of the Policeman's Union for Dallas, and it is common talk that he is in the good graces of **H. L. Hunt** which makes him immune to pressure from anyone.

During 1961, Butler made talks in Midlothian and on one such occasion he approached this writer in *The Mirror* offices and wanted to know if we would print a region-wide KKK newspaper. While in *The Mirror,* Butler made two statements. He claimed we did not have to bid on a competitive basis, but tell him how much we wanted for printing the job. His second statement was that half of the police force in Dallas were members of the KKK [*evidencing that the Mafia, the FBI, the CIA, the Secret Service, the ONI, the Dallas Police Department, the men of power at the Murchison meeting and the Knights of the Ku Klux Klan all worked together*]. . . .

The most unbelievable remark under the signature of **Director J. Edgar Hoover** is in the report to President Johnson on the assassination. Hoover was directed to make an investigation directly to the President. This special Presidential report is not a part of the Warren Report, but is now available to be read by the public in the National Archives in Washington, D.C. Mr. Hoover's Presidential report states in part:

'. . . Immediately after President Kennedy and Governor Connally were admitted to Parkland Memorial Hospital, a bullet was found on one of the stretchers. Medical examination of the President's body revealed that one of the bullets had entered just below his shoulder to the right of the spinal column at an angle of 45 to 60 degrees downward, **that there was no point of exit, and that the bullet was not in the body** [*which finding completely repudiates the wicked "Magic Single Bullet Theory" put forth by Masons* **Arlen Specter** *and* **Gerald Ford**].' Forgive My Grief, Vol. I of IV

" 'Overseas is where it's all headin', Chuck,' Mooney [**Sam Giancana**] continued. 'I've got [**Santo**] **Trafficante** on board for Asia. The Vietnam War is gonna make a lot of guys rich. I've got [**Carlos**] **Marcello** in line for the shit from Latin America. [**Carlo**] **Gambino** and I'll be working together on Europe and the Middle East. As far as Chicago is concerned, **Teets** [**Sam Battaglia**] and [**Tony**] **Accardo** and [**Paul**] **Ricca** can handle it just fine without me here.' . . . I'm talkin' CIA. They're different. Like night and day. We've been partners on more deals than I have time to tell you about. You should know that by now, for Christ's sake.'

'I guess I'll never understand, huh?' Chuck challenged, irritated by Mooney's cavalier know-it-all attitude. Glowering, Mooney stood up from his chair, cigar in hand, and marched across the room. When he reached Chuck, he lowered his voice and hissed, 'Maybe this will help.' He fixed Chuck in a steely, impenetrable gaze. '**We took care of Kennedy . . . together**.' He lifted his cigar to his lips and a cruel smile curled like an embrace around it. . . .

Chuck had already known **Jack Ruby** was not a stranger to Chicago. Ruby had been Chicago's, meaning Mooney's, 'man in Dallas' for years, running strip joints, gambling rackets, and narcotics for the **Outfit** and running guns—and, he heard, narcotics, as well—for the **CIA**. . . . Mooney told Chuck that he'd kept **Johnny Roselli** as his liaison to Marcello, Trafficante, and the **CIA**, while concurrently directing his lieutenants to put Ruby in charge of overseeing the **Outfit's** role in the assassination, collaborating in Dallas with the government agents. . . . Ruby went so far as to give **CIA** operative and **Outfit** pilot **David Ferrie** a job in his Carousel Club. . . . Utilizing his associations with the Dallas police force, Mooney explained that Ruby was able to gain entry to the police station—an astounding feat for a person the press later referred to as a 'half-witted strip club operator'—both immediately after Oswald's incarceration and, more critically, during Oswald's transfer. . . . Mooney said that the 'alleged

lone gunman, **Lee Harvey Oswald**, like Ruby, had ties to both the **CIA** and the **Outfit**. Oswald had been connected to the New Orleans Mob from the time he was born; his uncle [**Charles "Dutz" Murret**, *whose son,* **Eugene Murret**, *became a Jesuit priest and "highly regarded" law professor at the Order's Loyola University in New Orleans, and whose daughter,* **Marilyn Murret** *worked for the CIA*] was a Marcello lieutenant who had exerted a powerful influence over the fatherless boy. Early in life, Oswald had formed a powerful alliance with the U.S. intelligence community. First, as an impressionable young man during a stint in the Civil Air Patrol with homosexual **CIA** operative and **Outfit** smuggling pilot [*Jesuit Temporal Coadjutor and ex-priest*] **David Ferrie**—a bizarre, hairless eccentric whom Mooney said he and Marcello frequently used to fly drugs and guns out of Central America. And later, when serving in the marines during the late fifties, when Oswald attended a series of intensive intelligence training sessions run by the **Office of Naval Intelligence** in a top secret Japanese spy base [**Atsugi**]. The short of it, Mooney said, was that **Lee Harvey Oswald** was a CIA agent. . . .

When Oswald was sent to Dallas by his intelligence superiors, he met with Mooney's Dallas representative, **Jack Ruby**, at Ruby's Carousel Club and reestablished his relationship with **David Ferrie**. Oswald was also put in contact with another of Mooney's associates, a man Mooney dealt with through both of his Haitian and Dallas dealings, the Russian exile and CIA operative, geologist **George DeMohrenschildt**. 'That guy helped me make a lot of money in oil, man oh man, did he have the contacts with Texas oilmen back then. He introduced me to a lot of 'em, too.' Over the years, Chuck had heard the names of many oilmen mentioned by his brother as 'business associates,' among them **Syd Richardson**, **H. L. Hunt**, **Clint Murchison**, and **Mike Davis**—a man who was later rumored among Outfit guys to be connected romantically with **Phyllis McGuire**. Chuck had also heard the names of several Texas politicians, including **Lyndon Johnson** and **John Connally**, said by Mooney to have received substantial Outfit and oil-money backing. . . .

As he'd done with the Castro assassination attempt and other covert operations previously, Mooney told Chuck he relied on **Roselli** as his main conduit to the CIA—but only after he said he held an initial meeting with **Guy Bannister**, [*Jesuit-trained, Roman Catholic CIA agent*] **Bob Maheu**, and former CIA deputy director **Charles Cabell**, then employed in Maheu's detective firm [*Maheu's "Washington—Las Vegas agencies designed to cloak illegal CIA-Outfit activities" protected by the erudite law firm of his brother Jesuit Temporal Coadjutor (and fellow debating team member at* the Company's *Massachusetts-based College of the Holy Cross) and Washington insider,* **Knight of Malta Edward Bennett Williams**].

There was also a man Mooney described as a 'covert operations specialist' and some top brass in U. S. military intelligence from Asia in attendance [*possibly including CFR member and "CIA superagent"* **General Edward G. Lansdale** *mentioned by* **Colonel L. Fletcher Prouty** *in his JFK: The CIA, Vietnam and the Plot to Assassinate John F. Kennedy, p. 33; Lansdale had worked for" the supersecret Office of Policy Coordination" under CFR member and SD/OSS/CIA* **Knight Templar Frank Wisner, Sr**.]. . . . **Mooney said that the entire conspiracy went 'right up to the top of the CIA.'** He claimed that some of its former and present leaders were involved, as well as a 'half dozen fanatical right-wing Texans, **Vice President Lyndon Johnson**, and the Bay of Pigs Action Officer under Eisenhower, **Richard Nixon** [*both of whom were at the Murchison meeting in Dallas the night before the assassination*].'

The more Chuck understood about Mooney's plot and its multitude of players, the more apparent it became that there were few, if any, lines of demarcation between the **Outfit** and the **CIA.** There were no black hats and white hats; that was all a sham for, as Mooney put it, 'saps to cling to.' In many instances, the **Outfit** and the **CIA** were one and the same. . . .

For all its apparent simplicity, Mooney said the Dallas assassination had taken months to mastermind; dozens of men were involved and the hit had been planned for several different cities—[*Roman Catholic*] **Miami**, [*Roman Catholic*] **Chicago**, [*Roman Catholic*] **Los Angeles**, and [*Masonic Southern Baptist and Protestant*] **Dallas.** But ultimately, the President had been lured to Dallas, the city affording the best opportunity for a successful assassination. Mooney said both '[*CFR Republican*] **Richard Nixon** and [*CFR Democrat*] **Lyndon Johnson** knew about the whole damned thing,' having met with him several times in Dallas immediately prior to the assassination. . . . 'The politicians and the CIA made it real simple,' Mooney explained. 'We'd each provide men for the hit. . . . I'd oversee the **Outfit** side of things and throw in **Jack Ruby** and some extra backup and the **CIA** would put their own guys on to take care of the rest.'

According to Mooney, the nuts-and-bolts planning had involved some of the top people on the Dallas police force [**Chief Jesse Curry**]; most conveniently, the mayor, **Earle Cabell** [*who, with the Dallas Secret Service Agent-in-Charge* **Forrest Sorrels**, *authorized the final, ambush route of the motorcade*], was the brother of former CIA deputy director **Charles Cabell** [*fired by JFK over the Bay of Pigs failure*]. As the man responsible for citywide security, the mayor [*also in attendance at the Murchison meeting*] provided the police protection for the presidential motorcade. . . .

Chuck would later learn through the Outfit grapevine that Mooney solicited professional killers from several quarters. Killers, who the guys said, were

required to be 'top notch marksmen:' two of **Marcello's** men, **Charles Harrelson** and **Jack Lawrence,** as well as two of **Trafficante's** Cuban exile 'friends.' . . . From Chicago, Mooney brought in **Richard Cain, Chuckie Nicoletti,** and **Milwaukee Phil,** all having worked previously on 'the Bay of Pigs deal.' Mooney said that both **Cain** and **Nicoletti** were actual gunmen for the hit, being placed at opposite ends of the Dallas Book Depository. In fact, he asserted it was Cain, not Oswald, who'd actually fired from the infamous sixth-story window.

Mooney also alleged that the **CIA** had added several of their own 'soldiers' to the team, using **Roscoe White** [*affirmed by* **Colonel James "Bo" Gritz** *in his Called to Serve*] and **J. D. Tippit** as the actual gunmen—along with **Frank Fiorini** [*alias* **Frank Sturgis**] and **Lee Harvey Oswald,** the man Money said they intended to frame as the lone assassin. During the operation, Mooney said the CIA upper echelon sequestered themselves in a hotel, surrounded by electronic equipment. With the aid of walkie-talkies [*provided by CIA agent* **Robert D. Morrow**], the men were able to secure their firing positions and learn of Oswald's whereabouts immediately following the hit. Mooney's backup, **Milwaukee Phil,** stood armed and ready to handle any last-minute interference with the shooters. . . .

'And the rest is history,' Mooney said, grinning. 'For once, we didn't even have to worry about **J. Edgar Hoover**. . . . He hated the Kennedys as much as anybody and he wasn't about to help Bobby find his brother's killers. He buried his head in the sand, covered up anything and everything his 'Boy Scouts' found. But there was a line into the CIA [*including testimonies given to the Order's Warren Commission*]. If somebody knew too much, the CIA found out about it and took care of the problem [*amounting to nearly two hundred murdered witnesses during the last forty years*].' When Mooney used the phrase 'took care of the problem,' Chuck caught the tacit message being conveyed. From what Mooney said that day, the **CIA** had indeed stepped in with immense efficiency and removed all traces of conspiracy. As for any evidence that Chicago's Mob boss was a participant in the events of **November 22, 1963,** Mooney said he was well insulated, thanks to his practice of delegating the details to his trusted lieutenants. Mooney—like the higher ups in the **CIA**—cared very little about the minute details of the plot's inner workings; the results were all that mattered. He'd met one last time in Dallas, right before the hit, with the top guys in the CIA group, some politicians, and the Texan assassination backers [*possibly the* **Clint Murchison** *meeting though unnamed by* **Madeleine D. Brown**] and that was that. . . . He turned back to Chuck and went on. 'The hit in Dallas was just like any other operation we'd worked on in the past . . . we'd overthrown other governments in other countries plenty of

times before. This time, we just did it in our own backyard.' " {13} [Emphasis added]

"Despite FBI pressure and threats, **Ricky White** of Midland, Texas, came forward on August 6, 1990, following an intense six-months-long investigation by the Kennedy Assassination Information Center in Dallas, and announced that his father, **Roscoe White**, was the rifleman on the grassy knoll. Roscoe had shipped out of San Diego with fellow Marine **Lee Harvey Oswald** on the USS Bexal. They had served together at the CIA's U-2 control station at Atsugi AFB, Japan. Roscoe's wife, **Geneva White**, had worked for **Jack Ruby**.

According to statements by Ricky, he discovered documents which indicated that his father, Roscoe, became a contract killer for the CIA through U.S. Naval Intelligence. His code name was **MANDARIN**. Before JFK's execution, White had apparently carried out at least ten executive actions against foreign officials and was regarded as one of the best at his business. The Kennedy assassination was code-named **'ZR RIFLE**.' The House Select Committee on Governmental Operations confirmed in 1976 that the CIA had an 'Executive Assassination program code-named "ZR RIFLE." ' They outlawed such killing in 1976—about the time I recommended that we eliminate **Manuel Antonio Noriega**.

Ricky White discovered his father's diary, which contained detailed notes on the Kennedy killing, and turned it over to the FBI in 1982. The FBI will 'neither confirm nor deny' that they have the White diary. In June of 1990, after looking in the attic of his grandparents' house in Paris, Texas, Ricky uncovered a U.S. Navy watertight metal container. Inside the box was a green notepad, Roscoe White metal (ID) dog tags and several message cables. The message traffic was from 'Naval Intl' marked with White's serial number, 1666106, and addressed to **'Mandarin**.'

The first message read, 'Foreign Affairs assignments have been canceled. The next assignment is to eliminate a national security threat to world peace. Destination will be Houston, Austin or Dallas. Contacts are being arranged now.' . . . A second communication was dated September 1963:

'Dallas destination chosen. Your place is hidden within the department.' It instructed White (Mandarin) to hide himself within the Dallas Police Department, which he did for more than a month before the assassination. The third memo, dated December 1963, directed Mandarin (White) to **'Stay within**

the department. Witnesses have eyes, ears and mouths. The men will be in to cover up all misleading evidence soon. Stay as planned—wait for further orders.' Information in the green notepad included a list of **28 witnesses** to the JFK assassination who were apparently killed by White. The data in White's handwriting could well be a virtual map of the gruesome trail from President Kennedy's murder to the elimination of **28 witnesses.** White apparently also admitted killing police officer **J. D. Tippitt** to cause an 'All Points/Shoot on Sight' order against Oswald [*although* **Frank Sturgis**, *in his 22-page confession to Cardinal Cooke, fingered* **G. Gordon Liddy** *as the killer*]. White was wearing his **police uniform** the day Kennedy was killed. Observers reported seeing a policeman along the fence behind the grassy knoll at the time of the shooting. . . . Roscoe White was consumed in an industrial fire in 1971. . . .

To date, nearly 200 witnesses directly connected with Kennedy's assassination have met violent or 'mysterious deaths.' " {14} [Emphasis added]

Colonel James "Bo" Gritz, 1991
American Special Forces; CIA Asset
Called To Serve

"The release in the 1990s of thousands of documents, most from the **CIA** and **FBI**, has established the truth of [**Jim**] **Garrison's** lone cry in the wilderness. To the moment of his death in 1992, Garrison was persuaded that the CIA, the same team that had overthrown **President Arbenz** of Guatemala in 1954, among them **Lawrence Houston**, **Richard Helms** and **David Atlee Phillips**, had planned the assassination, and then, with the assistance of the FBI, attempted to cover its traces, not always successfully [*the unlawful suppression of evidence proving conspiratorial, federal criminal activity being a foremost purpose of* the Company's *FBI*]. . . .

Garrison's chief suspect, **Clay Shaw**, was a CIA operative, who, as a director of the Centro Mondiale Commerciale in Rome, joined fellow agents, like **Ferenc Nagy**, who since 1948 had worked for the CIA under the direction of Assistant Director of Central Intelligence, **Frank Wisner**.

Despite his denials, Shaw knew Oswald's mentor **David Ferrie** so well that he cosigned a loan for him a week before the assassination so that Ferrie could rent a plane and fly to Dallas. When Ferrie denied he had been in Dallas for eight to ten years, **the FBI turned a blind eye to his welldocumented acquaintance with Oswald. Ferrie was never called before the Warren Commission.** Oswald was not only set up as a scapegoat, but there were alternative scapegoats trained should he not fulfill the job, among them **Thomas Edward Beckham**, whom the CIA protected in Omaha. As for Oswald, not only was he an FBI informant and a CIA employee working for [**SMOM**

James Jesus Angleton *and* **SMOM George Raymond Rocca's**] Counter Intelligence, but he was also an operative for United States Customs, a dual role shared by customs officers in Miami. . . . Oswald's destination [*to Russia in 1959*] was a mystery, although his cousin **Marilyn Murret**, who worked for the CIA, knew it . . .

[*Marilyn's brother, later in the 1970s,* **Jesuit Priest] Eugene Murret**, was a 'highly regarded' former professor of law at [*New Orleans' Jesuit*] **Loyola** [**University**]. . . .

At the end of March [*1965*], **Jim Garrison** found himself in Washington, D.C., in the company of Louisiana congressman **Hale Boggs**, who had been a member of the Warren Commission. Garrison expressed his doubts.

Boggs then confided to Garrison that during a closed **January 22, 1964**, session of the Commission, Oswald's FBI number and FBI wages had been examined. . . . It was Hale Boggs who nurtured Jim Garrison's doubts about the Warren Report and encouraged his investigation. . . . To the day of his death, he protected Hale Boggs' role in inspiring his investigation into the murder of John F. Kennedy. . . .

Dressed in a light-colored suit, pipe in hand, Garrison perches on the edge of a desk and speaks directly to the viewing audience. He raises the question of whether Oswald acted alone, and whether there had been a conspiracy to murder **President Kennedy**. This country was not built on the idea that a **'handful of nobles'** [*Masonic and Maltese Papal Knights ruling the Empire's CFR-controlled intelligence agencies, academia, national bank and the press*] should determine what the people are allowed to know, he says. He lays the conspiracy to murder President Kennedy at the door of men 'once connected with the Central Intelligence Agency.'

Oswald himself was 'in the employ of U.S. intelligence agencies,' he says. He ridicules [*33rd Degree Jewish Freemason*] **Arlen Specter's** single bullet theory, without which Oswald could not have been condemned as having acted alone. One bullet somersaulting through **Kennedy** and **Connally** was like 'an elephant hanging from a cliff with his tail tied to a daisy; it may be mathematically possible but it is not likely.' . . .

The obstacles thrust into Jim Garrison's path as he attempted to expose the conspiracy to assassinate President Kennedy had been murderous, sinister and unrelenting. They ranged from the untimely death of **David Ferrie** and the illegal efforts of [*CIA asset*] **Walter Sheridan** to the lies published by the CIA's media assets who had attached themselves to the Shaw defense team. They included the ambush [*and murder*] of a key witness, **Clyde Johnson**, and the discrediting of another key witness, **Perry Russo**. . . .

Subsequent documents have revealed that it was CIA counter intelligence chief [**SMOM**] **James Angleton** who was in bed with the [*Pope's*] **Mafia,** not Jim Garrison. In his HSCA testimony, **John Whitten,** Angleton's colleague, reveals he had been appalled to discover Angleton protecting his own Mafia assets and their numbered bank accounts in Panama. . . . **The CIA's efforts in the cover-up continue.** At the millennium a committee of archivists and librarians was convened by the National Archives. Its purpose was to examine some sealed records relating to the Kennedy assassination and to recommend whether they should be opened to the public. Before the group could make any determinations, they were visited by a man identifying himself as a representative of the CIA. He warned them that under no circumstances must they ever reveal to anyone what they had viewed in those documents. His visit was perceived as a threat by them all. No one talked." {15} [Emphasis added]

A Farewell To Justice

"In 2000 . . . **Judyth Vary Baker** . . . sitting in front of them [**CFR/Dan Rather's** *"60 Minutes" investigating team in New Orleans*] stated that she and **Lee Harvey Oswald** stood side-by-side in an underground medical laboratory located in **David Ferrie's** apartment on Louisiana Avenue Parkway in New Orleans and that she was the laboratory technician that handled the cancer-causing monkey viruses which were being used to develop a biological weapon for the purpose of killing [*Jesuit Temporal Coadjutor*] **Fidel Castro** [*who, after being put in power by* the Company's *CFR/CIA/Mafia was to be OPENLY used as a false enemy ("a straw dog") by which the Vatican's secret alliance between* **Cardinal Spellman's** *Knights of Malta/33° Masonically-controlled CIA/FBI/Mafia bio-weapons development and assassination teams could be covertly perfected, both papal creations SECRETLY intended to be used against the "heretic and liberal" American peoples and their "disobedient" elected representatives, federal, state and county—including* **President John F. Kennedy**].

To put the icing on the cake, the entire project was secretly directed by the famous **Dr. Alton Ochsner** (former President of the American Cancer Society [*and 1978 recipient of* **Loyola University New Orleans'** *most prestigious award,* **Integritas Vitae**]) and supervised by a prestigious cancer researcher named **Dr. Mary Sherman** who worked for Dr. Ochsner at his hospital. Further, after successfully killing numerous monkeys with their new biological weapon, this group had tested it on a human subject in a mental hospital, killing the human. Lethal human experiments! Leaders of American medicine and the accused assassin of the American President involved together in developing a biological

weapon! . . . Here is a brief summary of the parts of Judyth's story that are relevant to our inquiry. . . .

1. Judyth went to New Orleans in 1963 at the invitation of **Dr. Alton Ochsner**.

2. Ochsner had known Judyth for several years and had previously arranged for her to be trained at the famous cancer research center discussed above [*Roswell Park Cancer Center in Buffalo, New York*].

3. Ochsner promised Judyth early-admission to Tulane Medical School in return for her services in **Dr. Mary Sherman's** cancer lab at Ochsner Clinic. Ochsner also provided her with cancer research papers on the stateof-the-art techniques such as cancer-causing viruses.

4. Judyth wound up working under Sherman's direction in the underground medical laboratory in **David Ferrie's apartment** instead of in her cancer lab it the Ochsner clinic.

5. Judyth met **Lee Oswald** at the Post Office in what she thought was a chance encounter. In hindsight, she realized that this had to be intentional, since Lee was already working with **David Ferrie, Dr. Mary Sherman** and **Dr. Alton Ochsner** on the bio-weapon at the time. Lee introduced her to 'Dr. David Ferrie' the following day and helped Judyth find an apartment.

6. When Judyth went to meet Dr. Ochsner in a room within the bowels of **Charity Hospital**, Lee Oswald accompanied her to the appointment and went in first to meet with Dr. Ochsner alone.

7. Lee was working with ex-FBI agent **Guy Bannister** as has been reported by many sources. Lee took Judyth to meet Banister in his office to satisfy her concerns that the bio-weapons project is really a secret government operation. Banister confirmed that Lee was working with them on a [*OPEN but FALSE*] get-Castro project.

8. When Judyth went to Dr. Sherman's apartment for a private dinner with her, **David Ferrie** was the only other guest. Sherman and Ferrie discussed the nature of their project with Judyth. They deemed the idea of using cancer-causing viruses to kill Castro as morally ethical since it might prevent World War III [*this excuse to murder Castro having been based on the dubious foundation of the Vatican's Cold War—the lie of airborne nuclear war*]. Lee phoned Judyth that same night at Sherman's apartment.

Dr. Mary Sherman was the operational director of 'the project.' Ferrie and Oswald were participants.

9. Lee escorted and transported Judyth all over town, including to **Dr. Sherman's** apartment where Judyth dropped off 'the product' and related reports for Sherman's review. Lee was 'the runner.'

10. Judyth and Lee were provided cover-up jobs at Reily Coffee Company where they were allowed to slip out several afternoons a week to work in the underground medical laboratory in David Ferrie's apartment.

11. Lee Oswald's connections to the Mafia in New Orleans [*as stated by* **Sam** *and* **Chuck Giancana** *in Double Cross (1991) pp. 460-461*] are much stronger than have ever been reported publicly. Judyth and Lee ate-for-free at restaurants owned by **Carlos Marcello** and went to his headquarters (500 Club and Town & Country Motel).

12. Lee's role in the kill-Castro portion of the project was to transport the bio-weapon into Cuba. The radio debates and film clips of Oswald's leafleting were arranged by Ochsner (at Oswald's request) to make Oswald appear to be an authentic defector so he could get into Cuba more easily.

13. Judyth heard the subject of assassinating JFK was discussed at various times by various people, including **Ferrie, Sherman** and **Oswald**. Part of the logic that was explained to Judyth was that they had to hurry up and kill Castro with their bio-weapon before Ochsner's friend [**SMOM Clay Shaw**?] ran out of patience and decided to kill Kennedy instead.

14. After testing their bio-weapon on dozens of monkeys, they arranged to test it on a human 'volunteer,' a convict brought from Angola State Penitentiary to the Jackson State Mental Hospital in rural Louisiana for that purpose. **The weapon was successful**. The man died in several days as a result.

15. Judyth wrote a letter to Dr. Ochsner protesting the use of an unwitting human in their bio-weapon test and delivered it to his secretary. Upon seeing the letter, Ochsner exploded in anger and threatened both Judyth and Lee. Everything fell apart for Judyth as a result. Ochsner reneged on his offer to place Judyth in Tulane Medical School. Lee was ordered to Dallas [*to die*]. Judyth went back to Florida with her husband.

16. For the next few months, Judyth and Lee stayed in contact by telephone, thanks to access to the Mafia's 'secret' Miami-to-Las Vegas sports betting lines courtesy of **David Ferrie**. While the phone company and the U.S. Government might not have been able to listen to their conversations, the Mafia would have been able to!

17. **On Wednesday, November 20, 1963, Lee told Judyth that there would be a real attempt to kill President Kennedy when he visits Dallas on Friday. It is the last time they talked. . . .**

Judyth's account means that a witness who participated in 'the project' (as they called it) has confessed that both she and **Lee Oswald** were operational members of the **Ferrie-Sherman** underground medical laboratory and that they knew that they were developing a biological weapon. **This is a major point.** Think about how difficult it would have been to investigate and prosecute Lee Oswald in a court of law for killing Kennedy without exposing that laboratory, its sponsors, the cancer-causing viruses that contaminated the polio vaccine, and all of the ethical and medical questions arising from their irradiation of a flotilla of dangerous monkey viruses. Can you imagine the publicity? The political fall-out?

With one side of Lee's life connected to [*pro-Nazi*] anti-Communists like **Ochsner, Reily,** and **Banister** (and perhaps [*most assuredly*] the **FBI** and **CIA** and the other side connected to **Carlos Marcello** and almost everyone around him, Oswald's trial would have exposed everything [*including* **Cardinal Spellman's** *CIA/FBI/Mafia papal brotherhood overseen by the Jesuits of Loyola University at New Orleans*]. . . .

Today, Judyth's goal is to exonerate Lee Oswald. She will never stop her crusade to clear his name. . . . both she and Lee were betrayed." {16} [Emphasis added]

President Kennedy was now gone, and with him the hope and optimism of a generation. The Baby-Boomers, possessed of the energy to take over the world in the cause of liberty and a threat to the Jesuits' world government under the Pope, were shattered. **Johnson** was now President; the **Vietnam War** began to escalate and the English rock group called "The Beatles" spread a senseless mania across the nation while the White **Elvis Presley** was singing like a Black man, furthering the Order's quest of amalgamating what was once a White Protestant nation. The **Civil Rights** agitation carried out by priest **Richard McSorley** and his brother Jesuits, created hatred and violence between Blacks and Whites: neither race wanted forced integration. Amalgamation was the order of the day—the decade of the sixties was the **Second Reconstruction**; the Bible-believing White-Celtic-Anglo-Saxon race, being the Jesuits' greatest enemy, must be destroyed "by any means necessary." The drug culture was born on the West Coast and a whole generation of us young Americans became addicted to rock and roll music, soul music, fictional movies, professional sports, drugs, sexual immorality and the atheistic religion of evolution.

In this environment, the Jesuits' International Intelligence Community became supreme. *Indeed, personal sin emboldens the enemy against us*. As we Americans lost our hope, we sought to fill our "God is dead" vacuum with pleasure. We lost our courage to resist tyranny in standing for a righteous cause with a righteous man. The Jesuit-controlled **Warren Supreme Court** banned the Bible and prayer, the two Protestant citadels that made America great, from our Protestant public school system so accursed by the Order. It legalized interracial marriage in 1967, overturning the laws of sixteen States to the contrary. Over the years, the Order continued to use the unsolved murder of the President as an agitation to destroy American patriotism and morale. We American people, having lost confidence in

the God of our Fathers and our leaders, found ourselves adrift on a stormy sea with no safe harbor in sight.

The beginning of this most deplorable state of affairs began with the crime greater than the assassination itself. That crime was, and is to this day, **the Great Jesuit Cover-up**. The true authors can never be known, for it would lead to the end of the political power of Rome over the American Empire. With the Jesuits and their Archbishop of New York City exposed, the freedom-loving Roman Catholics of **Fourteenth Amendment America** would leave the Church *en masse!* Rome would lose its grip over the International Intelligence Community along with the financial and military power of the Empire. Upon the Order's expulsion from American soil, other nations, *remembering their past*, would follow suit, to the end that **the Society of Jesus** would be without a home and imprisoned wherever found—Praise God!

Indeed, the great Achilles Heel of the Sons of Loyola is the Kennedy Assassination. Left unguarded, and if successfully attacked, the entire house of cards —*held together with fear*—collapses. This is why the Order, with its myriad of secret society hydra-heads, will go to every evil extreme to continue the Vatican's greatest American crime of the century—**the Great Jesuit Cover-up** of the murder of President Kennedy. In **Jesuit Temporal Coadjutor Oliver Stone's** masterpiece movie entitled *JFK, Director's Cut*, **Colonel Prouty**, in speaking with **Jim Garrison**, poses three questions in solving the Kennedy Assassination. They are:

1. Why?
2. Who Benefited?
3. Who has the power to cover it up?

In light of the past two hundred years of true history, we have answered the first two questions. We shall now address the third. We know **Jesuit General Janssens** (who ruled the Masonic Jewish Labor Zionists' World Jewish Congress through its President—**Nahum Goldmann**—and his assistant/advisor—**Joe Golan**), *in control of* **Pope Paul VI** (through the Pope's Jesuit confessor, **Paolo Dezza**, the pro-Masonic Labor Zionist, intimate friend and fellow cabbalist of the powerful Talmudic **Chief Rabbi of Rome, Israel (Eugenio) Zolli**), who in turn was *in control of* the Archbishop of New York, **Cardinal Spellman**, he controlling the Knights of Malta, American Freemasonry, Opus Dei, the Knights of Columbus, the Council on Foreign Relations, the Central Intelligence Agency, the Federal Bureau of Investigation, the Secret Service, the Office of Naval Intelligence and the American Mafia, *greatly benefited* by the Kennedy Assassination. This is *why* they did it.

Every group within this "Fraternity" increased in wealth and power; while the Jesuits progressed towards their ultimate Satanic goal of one-world government

under their "*infallible*" risen Pope, ruling from **Solomon's** rebuilt **Temple** in Jerusalem. Since the "**Fraternity**" *benefited,* it has the power to cover-up its crime. Each succeeding Jesuit General, "*infallible*" Pope and New York Archbishop has the same paramount power wielded by their predecessors—*and they use it!* Employing the maxim "**the ends justify the means**" they carry out their plots "**by any means necessary**," as the Jesuits would say, "**For the greater glory of God**"—the god who sits in "**St. Peter's Chair**," the "*infallible*" Pope of Rome and creature of Satan's Jesuit General, the ***Black Pope***.

Therefore, the last three Archbishops of New York, SMOM **Terence Cardinal Cooke**, SMOM **John Cardinal O'Connor**, and SMOM **Edward Cardinal Egan**, have continued to exercise the same all-encompassing power, *or more*, that SMOM **Francis Cardinal Spellman** used to carry out and cover-up the assassination of JFK. As we have previously covered, the Archbishop of New York is *a warrior*, a commanding General. This is why he is styled "the Military Vicar" of the American Empire. In 1921 the Council on Foreign Relations was founded by several Papal agents, one of which was the Jewish 33º Freemason **Colonel Edward House**. By 1963 the **CFR** (overseen by **SMOM David Rockefeller**) controlled the press, both political parties, banking, the major corporations, the government and its intelligence community. **Cardinal Spellman** controlled the **CFR** through two of his Knights of Malta. The first was shipping tycoon and international industrialist, **J. Peter Grace**, **Jr.**, head of the American Branch of the Knights of Malta and President of W. R. Grace & Co. of New York. The other was **Henry R. Luce**, the *seventh most powerful man in the United States* according to **Winston Churchill**, and the utter dictator over the Empire's press, called the "Lucepress." Between **Henry R. Luce** and the farreaching influence of the **Council on Foreign Relations** including AP, UPI, the *New York Times*, *Time*, *Life*, *Newsweek*, *Sports Illustrated*, ABC, CBS, and NBC, the cover-up of JFK's assassination would be fairly easy. The press, considered by Americans to be generally truthful, was controlled by the power of this one man in conjunction with the Council on Foreign Relations—subject to **Cardinal Spellman**.

For **Luce** was a *Knight of Malta*; an apostate Presbyterian and spokesman for the Jesuits' evil **World Council of Churches**; the betrayer of the Chinese people into the hands of Rome's Inquisitor, **Mao Zedong**; a "jet setter" and member of Yale's "Skull & Bones" fraternity; a proponent of fascism (the Order's favorite form of absolute government); a "Cold Warrior" having coined the phrase, "The American Century;" and *a close friend* of **Jesuit John Courtney Murray**, who resided at Woodstock College—the **Jesuit Theological Seminary** in Woodstock, Maryland.

> "A concept . . . Luce . . . often discussed with . . . Father Murray was the American national purpose [*restoring the Pope's* **Temporal Power**]." {18}

With all these influences **Luce** ran his office from New York City's Rockefeller Center, the headquarters of *Time/Life*. **Luce** made it clear in a memo to his staff:

> "The chief editorial policy maker for Time Inc. is Henry R. Luce . . ." {19}

Dear truth-seeker, it was **Henry R. Luce** of *Time/Life* who, two days after the assassination, bought the famous **Zapruder Film** and then tampered with specific frames. **Robert Groden**, the author of *High Treason*, tells us:

> "The original film was bought by Time Inc. It was the single most important piece of evidence in the case **and they put a junior employee to work on it, who, while enlarging the movie is said to have damaged all those frames.** Is it credible that after paying hundreds of thousands of dollars for the film, they would have treated it this way? **William Bader** of the Senate Intelligence Committee said, 'You don't have to manipulate *Time Magazine*, because there are Agency (CIA) people at the management level.' " {20}[Emphasis added]

Though altered, the American people never saw this film until subpoenaed by **Jim Garrison** for the trial of CIA agent **Clay L. Shaw** in 1969. *We now know why!* **Luce** was also responsible for putting the famous picture of **Oswald** holding a rifle on the cover of his *Life Magazine*. That photo, like the Ashbourne Portrait of Shakespeare, later proved to be a forgery. **Henry R. Luce**, the Knight of Malta, **CFR** member, Bonesman and **CIA** operative did all he could to cover-up the true details of the assassination—to the satisfaction of his master, **Cardinal Spellman**. **Spellman's** Freemason, **Allen Dulles**—whose nephew, **Avery Dulles**, at the time was a powerful Jesuit and now a Cardinal appointed by **Pope John Paul II**—was appointed to the Warren Commission by **Spellman's** Freemason, **President Johnson**.

Dulles was the major connection between the Commission, the Council on Foreign Relations, the Central Intelligence Agency and its "Vatican Desk" through **James Jesus Angleton** who in turn had secretly monitored the movements of CIA agent **Lee Oswald** through one of his CIA assets, **Jane Roman**, two months prior to the Kennedy Assassination. This arch-demon, who disgraced his Protestant Presbyterian Church and betrayed his countrymen, was one of the major players linking the Vatican's intelligence communities together. He had worked with **Cardinal Montini** evacuating Nazis through the Ratlines, and now on the Warren Commission, protected the interests of his old friend who was now **Pope Paul VI**. Additionally, future **President Gerald Ford**, the 33rd Degree Freemason, and Cardinal Spellman's Knight of Malta, **Cartha D. DeLoach**, worked together to subvert the Warren Commission. **Mark Lane** in his *Plausible Denial* tells us:

> "An internal FBI memo dated December 17, 1963, details the items Ford passed to Cartha D. DeLoach, then the assistant to the FBI director. Ford did not

disclose to the other six members of the Warren Commission his course of improper and illegal conduct.

DeLoach reported that Ford agreed to continue to betray his colleagues on the Commission. Ford said, DeLoach reported, 'I should call him any time his assistance was needed [*although before his death, the wicked Gerald Ford admitted to his misconduct while on the Warren Commission*].' " {21}

In 1968 when **Jim Garrison** sought to question **Allen Dulles** concerning SMOM and kingpin of PERMINDEX (Permanent Industrial Expositions), **Clay L. Shaw**, the Justice Department *refused to serve the subpoena*. The Empire's **Holy Office of the Inquisition** was simply being loyal to the Pope's Papal Knights, who are always above the law. The "reigning King of the American Empire," then Knight of Malta and New York City **Archbishop Terence Cardinal Cooke**, was continuing the cover-up by stifling the investigation in fulfilling his Oath as a Cardinal—after he was given a 22-page written confession from JFK assassin **Frank Sturgis-Fiorini**, whose first loyalty was to the "*infallible*" Pope of Rome. A portion of that oath reads:

"I, **Terence Cooke,** of the Holy Roman Church, Cardinal of New York, promise and swear . . . to be faithful and obedient to . . .our **Most Holy Lord Paul VI,** and his canonically elected successor . . . To try in every way to assert, uphold, preserve, increase and promote the rights, **even temporal,** especially those of the **civil principality,** the liberty, the honor, the privileges and authority of **the Holy Roman Church of our Lord the Pope,** and the aforesaid successors; When it shall come to my knowledge that some machination, prejudicial to those rights, which I can not prevent, is taking place, immediately to make it known to the Pope . . .**To combat with every effort heretics, schismatics, and those rebelling against our Lord the Pope and his successors** . . .So help me God and these holy gospels." {22}[Emphasis added]

William F. Buckley, Jr., another Bonesman, Knight of Malta, **CFR** member and **CIA** operative along with his brother **James Buckley**, continually maintained in his periodical, *National Review*, that **Oswald** was a lone assassin. He too, as the faithful servant of **Cardinal Spellman**, promoted the **Great Jesuit Cover-up**. 33rd Degree Freemason **J. Edgar Hoover**, with his **FBI**, also suppressed evidence misleading the Warren Commission chaired by another 33rd Degree Freemason, **Chief Justice Earl Warren**. Of Hoover's role in the assassination we read:

"In 30 years on the job, **J. Edgar Hoover** has developed an intelligence system which nothing—no racket and certainly no conspiracy—can escape. Through its extensive network of informers, the FBI knows everything worth knowing that goes on in the United States even in areas that lie outside its legal jurisdiction. The Dallas conspiracy was born and took root in places where the FBI was well represented. . . . By mid-October, Hoover had been informed of

> the existence of a plot and was familiar with many of the details. . . . **The week before the President's departure for Texas, Hoover knew exactly what was going to happen. Why did the FBI fail to intervene**?" {23}[Emphasis added]

Why? Because Hoover was working for his master and brother Cold Warrior, **Cardinal Spellman**, just like **Earl Warren** who later "investigated" the murder. In 1976 the **House Select Committee on Assassinations** was convened. Again, it was filled with fighting from within and resistance from without. Irish Catholic Papal Knight, **Thomas "Tip" O'Neill**, strongly resisted its proceedings pursuant to the wishes of his master in St. Patrick's Cathedral. We read:

> " 'The Committee was programmed to self-destruct,' claimed Gonzalez. He saw his unsuccessful entreaties to Tip O'Neill to help fire Sprague as a sign that **O'Neill**, who was very close to the Kennedy family . . . never really wanted an investigation." {24}[Emphasis added]
>
> Further, "Both the Chairman of the Committee, **Thomas Downing**, and the Speaker of the House retired, and Henry Gonzalez [*having aided President Johnson in the cover-up back in 1963*] took over as Chairman of the Assassinations Committee, with Tip O'Neill as Speaker. **O'Neill** [*a trustee of the Order's Boston College*] was hostile to the Committee and the investigation." {25}[Emphasis added]

Tip O'Neill, another trustee at the Jesuits' Boston College, was just another American traitor loyal to a foreign prince and sovereign—**the Pope of Rome**. Another key-player who resisted the Assassinations Committee was the wife of the late **Henry R. Luce**, the apostate Baptist who converted to Catholicism under the occult influence of Freemason **Bishop Fulton J. Sheen**, openly a friend of Cardinal Spellman. We read of the Dame of Malta, **Clare Boothe Luce**:

> "One of the wealthiest women in the world, widow of the founder of the Time, Inc. publishing empire, former member to the U. S. House of Representatives, former Ambassador to Italy, successful Broadway playwright, international socialite, and longtime civic activist, **Clare Boothe Luce** was the last person in the world Schweiker would have suspected of leading him on a wild goose chase. . . . Her impression, Luce told Schweiker . . .was that Oswald was hired by Castro to assassinate Kennedy in retaliation for the assassination attempts against him . . . An awful lot of time had been spent checking out Luce's story and, in the end, it led nowhere at all." {26}[Emphasis added]

Henry Luce, like **James Angleton**, blamed **Jesuit Fidel Castro** for the assassination, a foremost ruse of the Knights to this day. **Clare Boothe Luce**, with **O'Neill** aided by Jesuit-trained Connecticut Congressman **Christopher Dodd** (whose brother, **Thomas J. Dodd, Jr.**, taught at Jesuit Georgetown University's School of Foreign

Service), helped to successfully defeat the Assassinations Committee in obedience to her master in New York, **Knight of Malta Terence Cardinal Cooke**. The murder of nearly two hundred witnesses to the Kennedy Assassination makes it clear that Rome's **Fourteenth Amendment America** is under a Jesuit-controlled, fascist military dictatorship—*the favorite government of Rome*—since Truman's **Emergency War Powers Act of 1950**. Rome's International Intelligence Community committed these murders using their tools most fitting for the job. Their agents could be NSA, CIA, FBI, MID, ONI, KGB, GRU, British SIS, Mossad or the Company's International Sicilian Crime Syndicate. The Jesuits have many "strings to their bow" by which they can fulfill their **Bloody Oath** regularly. Of the general murder of witnesses we read:

> "**Jim Marrs**, author of *Crossfire: The Plot That Killed Kennedy*, wrote: 'In the three-year period which followed the murder of President Kennedy and Lee Harvey Oswald, 18 material witnesses died—six by gunfire, three in motor accidents, two by suicide, one from a cut throat, one from a karate chop to the neck, five from natural causes.' . . . A mathematician hired by the *London Sunday Times* in February of 1967 concluded that the odds of the number of witnesses involved in the assassination of John F. Kennedy dying between November 22, 1963 and that date, (18 in number) were one hundred thousand trillion to one. . . . In the time period ranging from November 22, 1963 to August, 1993, over 115 'witnesses' have died or fallen victim to death by strange circumstances, suicides or murder [*including Chicago Mob Boss* **Sam Giancana** *(1975) with his underlings* **Johnny Roselli** *(1976) and* **Charles Nicoletti** *(1977), the boss of one of the Grassy Knoll shooters, imprisoned mafia killer* **James E. Files**]." {27}

One of the more recent CIA actions was the murder of **Bud Fensterwald** in 1991. We again are reminded of the Jesuit General's brooding occult power:

> "**Gus Russo** felt the man [*a former Air Force Colonel*] was ready to talk about the assassination and, based on this assessment, the head of the JFK Assassination Archives in Washington, D.C., attorney **Bud Fensterwald**, was ready to head to Florida and interview him. When I heard of Bud's intention, I told Russo in no uncertain terms that Bud would never be allowed to approach the man and, if Bud attempted to go through with the interview, he would be killed . . . Just days before I was to meet Bud, I received a call from Bud's secretary that he had died the previous night. Before I could do anything, Bud's body was cremated and no autopsy was performed." {28}[Emphasis added]

The Intelligence Agencies, controlled by the "Knights" of Rome, continue to murder any honest man who would dare to tell the truth about Kennedy's assassins. And who is the present **Roman Senator**, "A *Prince* of the Church," and the "Military Vicar" of these Knights, whose loyalty would go to the extreme of

committing high treason against American national sovereignty in obedience to the Jesuits' "*infallible*" Papal Caesar? It is none other than **Edward Cardinal Egan**, the Archbishop of New York and one of the most ardent defenders and promoters of the **Temporal Power** of the Papal Priest-King in Rome. For it is this Cardinal Egan, along with his Knights of Malta, Knights of Columbus and Shriner Freemasons in control of the **American Intelligence Community**, who is responsible for the attack and demolition of the World Trade Center and partial destruction of the Pentagon which has resulted in the present Papal Caesar's Crusade against the Islamic peoples of the Middle East.

Finally the Jesuits, in control of Time-Warner (as well as Paramount Pictures having employed Knight of Malta **Joe Kennedy**), produced **Jesuit Oliver Stone's** masterpiece movie, *JFK, Director's Cut*. One of the key moments of the movie takes place in New Orleans when Garrison is meeting with his staff in a restaurant. After reviewing the evidence he concludes the meeting by rebuking his aides saying:

> "You all got to start thinking on a different level like the CIA does. We're looking through the looking glass here people. **White is black and black is white."** {29}[Emphasis added]

His last line is a Jesuit maxim laid down by the Order's founder, **Ignatius Loyola**, in his demonic *Spiritual Exercises*. The Jesuit, as well as every Jesuitized "good Catholic," *has no mind of his own*. At the word of his superior the truth is a lie and a lie is the truth; good is evil and evil is good—"for the greater glory of God." In the words of **Loyola**,

> **"Putting aside all private judgment [!!!] we should always be ready to accept this principle: I will believe that the white I see is black, if the hierarchical Church** [*Pope, Cardinals, Archbishops and Bishops controlled by the Jesuit General*] **so defines it."** {30}

Freemasonic Vice President Lyndon B. Johnson, 1963 #686

Having briefly attended Georgetown Law School early in his career, Johnson was planning to carry out the Order's Kennedy Assassination and escalate Cardinal Spellman's SD/OSS/CIA war in Vietnam and arm the Order's restored Kingdom of Jerusalem (Israel) with nuclear weapons, reversing JFK's policies.

Addressing the alumni banquet on October 12, 1963 at the Waldorf-Astoria in New York, Johnson would be the President of the United States within six weeks.

LBJ was in collusion with Cardinal Spellman's CIA/FBI-backed Vatican Ratline leading into the US. He was also in the good graces of the Pope's German and American Knights of Malta rebuilding West Germany after the **Black Pope**'s Second Thirty Years' War (1914-1945). During this time LBJ would become the best friend of nearby German priest and mentor, Father Wunibald Schneider, who during SMOM Adenauer's visit would say a special Mass at the ranch.

LBJ Sworn in as President of the United States, Dallas, 1963 #690

The brazen hard-heartedness of LBJ is written all over his face as he stands next to grief-stricken Jackie Kennedy, the wife of the man he had just murdered. According to LBJ's mistress, Mrs. Brown, Federal Judge Sarah T. Hughes administered the oath not with a Protestant Bible, but with a Roman Catholic Missal!* This was most fitting as LBJ would be the abject slave of Rome during his entire tenure in office. Upon the command, "Let's get this thing airborne" (after JFK's body had been taken from Parkland Hospital in violation of Texas law), LBJ and Knight Rowley's Secret Service aboard Air Force One provided the distraction for SSA Kellerman to remove the body then flown to Walter Reed Hospital; Naval surgeons then removed JFK's brain. This eliminated the most important piece of evidence that would have conclusively proved from which direction the fatal shots had been fired—all this "for the greater glory of God!"

Look at the faces of Robert and Jackie! They both KNOW their brother and husband was murdered by the CIA/FBI, and that LBJ was a party to that crime. Imagine the self-control required to endure a funeral with the killers at hand! A short time later RFK determined to run for the presidency in 1968 purposing to end the Vietnam War and bring his brother's predators to justice. But the same Jesuit power that killed JFK would kill RFK in Los Angeles, 1968. John, Jr., would also be murdered and the fearful Caroline would join the Order's CFR.

Walking past the murderer LBJ, Robert, Jackie and children approach the steps of St. Matthews Cathedral. Atop awaits Cardinal Spellman's co-conspirator and LBJ's protector, Archbishop of Boston Richard Cardinal Cushing. This must have been torturous as Cushing had performed Jackie's marriage and baptized her children. The Cardinal then said the Mass amidst Georgetown Univ. Jesuits. Later he would openly support Garrison's investigation stating, "I never believed the assassination was the work of one man."* Secretly, he effected its ruination!

Serial adulterer, cold-blooded murderer, warmonger, mammon worshipper and Mafia protector, LBJ, who descended from a line of Bible-believing, democratic Baptists, shakes hands with his secret advisor, Spiritual Jesuit Coadjutor, Priest Wunibald Schneider. Born in Pollenfeld near Munich, Bavaria, Schneider was a "brother" in an unnamed order and acquainted with Bavarian and Irish Dublin Jesuits. He was ordained in Rome (1951) arriving in Fredericksburg, Texas, in 1954. While leading St. Francis Xavier Church (1954-1967) in Stonewall, Texas, Schneider met LBJ. The priest became his dear friend who: entertained LBJ's Roman Catholic guests from Washington; was invited to the ranch every time LBJ came to town; was flown to "the LBJ Lake" via helicopter for steak dinners; was flown to Bonn, West Germany, in Air Force One with the evil, "Operation Northwoods," CFR/General Lemnitzer to accompany LBJ at Adenauer's funeral (1967), receiving special protection from the Secret Service; stayed in the White House upon returning from Bonn and was escorted to his room by LBJ who carried his bag; and was LBJ's White House guest in 1968 who, for one week, received the VIP tour of the city, later flying to New York for Cardinal Cooke's annual Knight of Columbus Al Smith Dinner at the Waldorf-Astoria Hotel attended by Richard Nixon, Vice President Hubert Humphrey and the City's most powerful bankers! There, in the midst of those many men of power, LBJ told SMOM Archbishop Cooke that "Father Schneider" was his "best friend!"*

Priest Schneider and Luci Johnson Nugent, Stonewall, Texas, 1976

#699

Freemason Lyndon Johnson surrounded himself with Roman Catholics and high-level Freemasons knowing the American Vatican Hierarchy wielded true political power over Fourteenth Amendment America. LBJ's mistress was a Roman Catholic; his closest aids Jake Jacobson and Jimmy Jones were Roman Catholics; his coordinator in the JFK assassination and Director of the Secret Service, SMOM James J. Rowley, was a Roman Catholic whose brother was a Jesuit priest; his liaison between Hoover's FBI and the White House was FBI Assistant Director SMOM Cartha DeLoach; his choice for mayor of the capital city was renowned attorney and SMOM Edward Bennett Williams; and finally his beloved younger daughter of historic Baptist lineage, Luci Johnson, became a Roman Catholic and was married (1966) to a Roman Catholic, Patrick Nugent, in Washington, D.C.'s National Shrine of the Immaculate Conception! Above, Priest Schneider stands with Luci and her baby, Claudia Taylor Nugent, who was baptized by Schneider at the LBJ ranch in May, 1976. Sadly, LBJ's only known son, Steven Mark, would be poisoned by the Pope's CIA, dying in 1990!*

In light of: LBJ's prolific association with Roman Catholics and the American Roman Hierarchy including Cardinals Spellman and Cooke; the fact that LBJ requested to receive "Holy Communion" from Fr. Schneider but was refused for not being a Roman Catholic; and of knowing the guilt LBJ carried over his brutal murder of JFK, the author believes the likely rumor that Lyndon's Roman priest and "best friend" secretly baptized him into the Roman Catholic Institution at the ranch sometime prior to Johnson's death. This conversion to Romanism would have been well received by America's supreme traitor to the Protestant Reformation, 33rd Degree Freemason and member of Washington's Supreme Council of the 33rd Degree, Southern Baptist Billy Graham. The friend of oil moguls Sid Richardson and H. L. Hunt, as well as John Connally and CBS's Walter Cronkite, anti-Jew Graham was the dear friend of Cardinals Spellman and Cooke backing their Crusade in Vietnam, and knows the truth about the murder of JFK. Above, both he and the priest spoke at LBJ's funeral.

House Majority Leader Thomas Hale Boggs, Sr., (1914 – 1972), 1964 #701

President Johnson's Cover-up Warren Commission, Aug. 14, 1964 #702

Sitting (L-R): House Representative Gerald R. Ford, Michigan Republican; House Representative Hale Boggs, Louisiana Democrat; Senator Richard R. Russell, Georgia Democrat; 33rd Degree Freemason Chief Justice Earl Warren, head of the panel; Senator John Sherman Cooper, Kentucky Republican; Knight of Malta John J. McCloy, former President of the World Bank; Knight of Malta Allen W. Dulles, former director of the CIA forced to resign by JFK; J. Lee Rankin, chief counsel. It was Hale Boggs who cast doubt on the Warren Report and encouraged Jim Garrison's investigation declaring, "Hoover lied his eyes out to the Commission—on Oswald, on Ruby, on their friends, the bullets, the gun, you name it." Before the House in 1971 Boggs charged Hoover with adopting "the tactics of the Soviet Union and Hitler's Gestapo."* Claiming to have "startling revelations" on Watergate and the JFK assassination, Hale Boggs disappeared on a 1972 plane flight, and no body or wreckage was ever found!

Meanwhile, all Warren Commission files had been locked away until 2039!

Vatican Assassins
The Jesuits — 1964 – 2007

Corinne "Lindy" Claiborne Boggs (1916 – Present), 1970s #703
Roman Catholic Louisiana Congresswoman, 1973 – 1991
Dame: Military and Hospitalier Order of St. Lazarus of Jerusalem
Dame: Sovereign Military Hospitaller Order of St. John of Jerusalem of Rhodes and of Malta

This Dame of Malta is truly one of Rome's most powerful American women of state in the history of the ***Black Pope***'s "Holy Roman" Fourteenth Amendment Corporate-Fascist American Empire. Upon the disappearance (and murder) of husband and Congressman Hale Boggs, this "princess of the blood" accepted her loss without demanding a full-fledged congressional investigation. At the time of the creation of the House Select Committee on Assassinations (1976), "Lindy" chaired the Democratic National Convention backing David Rockefeller's 33rd Degree Freemason and CFR/Trilateral Commission member, Jimmy Carter. In 1997 Jesuit Coadjutor President Bill Clinton appointed "the Grand Dame" as the Empire's ambassador to the Vatican furthering the White Pope's temporal power over the race-mixed and divided peoples of America. Boggs is a Jesuit Temporal Coadjutor, protected by strong ties to the Company ruling New Orleans (and its resident federal intelligence community) from Loyola University. Mrs. Boggs' long association with the Jesuit Militia has resulted in her reception of 33 honorary degrees, including the Integritas Vitae Award from Loyola University. Other institutions awarding Boggs honorariums are Georgetown Law Center (D.C.); CFR/Hesburgh's Notre Dame University (Indiana) and the mostly Black Xavier University (New Orleans). Dame Boggs has supported the Order's forced racial integration policies covertly intended to reduce America to a nation of color ultimately to be ruled by a new Dark Age White nobility enforcing Vatican decrees. Boggs remains a co-conspirator maintaining the Great Jesuit Cover-up!

Papal Knights Clay L. Shaw and Dr. E. W. Alton Ochsner, 1960s #704

The political masters of New Orleans were the Jesuits ruling this historically French Roman Catholic city from their military fortress of Loyola University. Building the New World Order through international commerce and free trade, manning the city's International Trade Mart was Knight of Malta and CIA asset lay Shaw. One of his best friends and mutual CIA assets was another brother Knight, Dr. Alton Ochsner (1896-1981) who, like DOM Lindy Boggs, was the 1978 recipient of Integritas Vitae Award, Loyola University's highest honor! A revered citizen of New Orleans and one of the best-trained surgeons in the US, Ochsner accepted the Chairman of Surgery post at Tulane University in 1927 at the age of 31. Founding the Ochsner Clinic in 1942 with four other surgeons, the physician would create the Ochsner Clinic Foundation becoming one of the largest group practices in the country. As a CIA operative, former president of the American Cancer Society and connected to Nazi scientists in South America, Ochsner worked with his employee/oncologist Dr. Mary Sherman in conjunction with CIA assets David Ferrie, Lee Oswald and his 19-year-old lover, Judy Vary Baker, developing a cancer-causing, bio-weapon from irradiated monkey viruses ostensibly to kill Jesuit Fidel Castro. After Ruby killed Oswald he begged Earl Warren to take him out of Dallas, knowing of Ochsner's bio-weapon. Aware of his doom, Ruby was later injected with cancer cells (as he stated to Dallas Police guard Al Maddox) by a Chicago doctor, dying of lung cancer in 1967. Garrison believed pro-Jesuit/CIA/Nazi Dr. Ochsner was the man behind Ruby's demise.

Father and Son; Roman Catholic Jesuit Temporal Coadjutors:
U.S. Senator Thomas J. Dodd (1907 – 1971), 1960s
U. S. Senator Christopher J. Dodd (1944 – Present), 2006

Above are two Roman Catholic arch-conspirators and unrepentant traitors to the American peoples as well as international justice. Both will live in infamy for their suppression of evidence leading to the true authors of the Third Reich and the JFK assassination. Thomas Dodd spent a year with Hoover's FBI (1933-34) along with many other Irish Roman Catholics. With the Order in control of the Justice Department, Dodd was: assistant to five US Attorney Generals (1938-45); executive trial counsel working with Nuremberg's US Chief Prosecutor, CFR member and Freemason Robert H. Jackson, in censoring all testimony leading to Vatican influence over Hitler's Nazi Third Reich; a Democratic US Senator from Connecticut (1959-71) who at the time of the Kennedy assassination aided in the subsequent Great Jesuit Cover-up. Son Christopher Dodd (reputed to be the son of Josef Stalin, both Coadjutors evidencing an uncanny likeness!) attended the prestigious Jesuit boys school in Bethesda, Maryland, not far from the infamous naval hospital utilized by the Order's cover-up autopsy of JFK. From 1975-81 Dodd was a Democratic US Congressman from Connecticut and served on the House Select Assassinations Committee with his brother Jesuit Coadjutors, Chief Counsel G. Robert Blakey and Committee Chairman (Black Freemason) Louis Stokes. For his good behavior, Dodd was "elected" to the US Senate in 1980, holding that office for five terms (1981-Present). Dodd's brother, Thomas J. Dodd, Jr., is a most devoted Jesuit Temporal Coadjutor serving as an emeritus professor of Georgetown University's School of Foreign Service and as an ambassador to both Uruguay and Costa Rica under Georgetown Jesuit-trained President Bill Clinton! Indeed, crime does pay when serving the **Black Pope**!

For leading the HSCA cover-up, Blakey's guilty conscience is most visible.

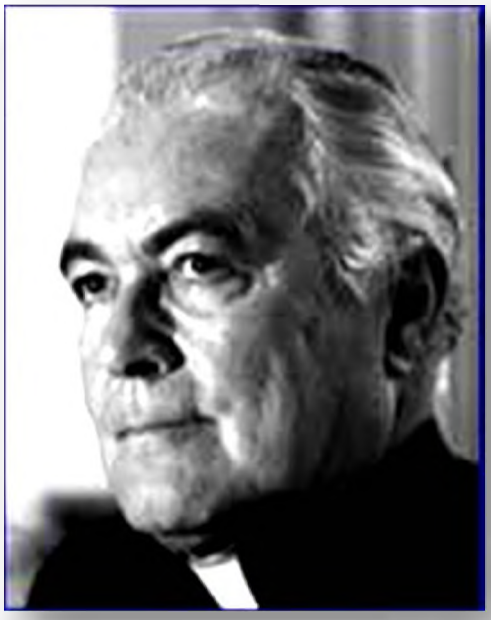
According to HSCA Investigator Gaeton Fonzi, Dodd contributed to Blakey's final conclusion that Oswald, aided by the Mafia, assassinated JFK. Knight of Malta and CFR/CIA Deputy Director Frank C. Carlucci also censored the HSCA, determining what questions could and could not be asked. After suppressing HSCA files for 50 years, Blakey was brought to Notre Dame Law School with the blessing of is president, CFR/CIA Priest Theodore Hesburgh!

The Last Investigation, Gaeton Fonzi, (New York: Thunder's Mouth Press, 1993).



Priest Theodore M. Hesburgh, C.S.C. (1917 – Present), 1980s #709

President Emeritus, Notre Dame University, South Bend, Indiana Hesburgh, one of the greatest traitors to the American people: was awarded the Congressional Gold Medal by Jesuit Coadjutor President Bill Clinton (2000); has been a long-time member of the **Black Pope**'s Council on Foreign Relations; has held 16 presidential appointments; holds the world's record of 150 honorary degrees (as of May 2004); was president of the board of overseers of Fabian Socialist, CFR/Harvard University (1994-95); was the permanent Vatican City representative to the International Atomic Energy Agency, Vienna (1956-1970); was the Chairman the of U.S. Commission on Civil Rights (created in 1957 with the aide of Cardinal Spellman's Jesuit John LaFarge) and the chairman of the Commission (1969-1972); was awarded the nation's highest civilian honor, the Medal of Freedom, by President Lyndon Johnson in 1964 (for aiding CFR President Henry Merritt Wriston in the assassination and cover-up of JFK); was a director of CFR David Rockefeller's Chase Manhattan Bank; was a trustee (later, chairman) of the CFR/Rockefeller Foundation which funds every project the Company undertakes; and was appointed by 33rd Degree Freemason President Jimmy Carter as the US ambassador to the 1979 United Nations Conference on Science and Technology (indicating Hesburgh's acquaintance with secret and suppressed technologies). This thug and criminal, this wolf in sheep's clothing: was indoctrinated by the Jesuits in their foremost mind-control institution of the world, Gregorian University in Rome, receiving a B.S. in philosophy (1939); was ordained a priest of the Congregation of Holy Cross in Sacred Heart (1943); was further indoctrinated with Jesuit Moral (Immoral) Theology in Washington at Catholic University of America and became the 15th president of Notre Dame (1952-1987). Hesburgh is both a co-conspirator in the assassination of JFK and the Great Jesuit Cover-up, including Blakey's HSCA suppression of evidence.

Jesuit Father Under Extreme Oath, Edward B. Bunn, 1964 #710

Performing a Solemn High Requiem Mass at the opening ceremonies of Georgetown University's 175th anniversary observance, University President and Jesuit of the Fourth Vow Edward B. Bunn was one of the masterminds behind the Kennedy Assassination. His influence over President Lyndon Johnson and Chief Justice Earl Warren would be sufficient to control the outcome of the Warren Commission. His Director of Development, Jesuit Daniel J. Power, would be used to further merge the power of J. Edgar Hoover's Federal Bureau of Investigation with Jim Rowley's Secret Service protecting the President since 1901. Bunn's contacts with the Jesuits of Fordham University enhanced his familiarity with Jesuit-trained Francis Cardinal Spellman and New York City's Council on Foreign Relations. As a result of the Vietnam War his Order would make billions through its Federal Reserve Bank, its Military Industrial Complex, and its International Drug Trade actively thriving since the Sixteenth Century. The Company's International Intelligence Community, aided by the bogus "Cold War" and "Space Race," would justify the completion of its worldwide system of spying. The Order's International Banks would launder its massive profits of the Drug Trade further building the ***Black Pope***'s International Crime Syndicate and Terrorist Network overseen by the CIA. These were a few of the calculated benefits of the Kennedy Assassination in finally destroying the Lord's Protestant Reformation; to that diabolical end Jesuit Edward B. Bunn ever remained true!

Brother Oliver Stone, S.J.; Brother Fidel Castro, S.J., 2002 #713

Indeed, a picture is worth a thousand words! Here we have Temporal Coadjutor and movie mogul Oliver Stone speaking with his Brother Temporal Coadjutor and mass-murdering absolutist Cuban dictator, Jesuit Fidel Castro. Both wealthy "lay brothers" have known each other since 1987 and evidence faithful service to the **Black Pope**. Stone, in his theatrical masterpiece, *JFK, Director's Cut*, quotes an excerpt from Ignatius Loyola's *Spiritual Exercises*, cuts out the driver as he shoots President Kennedy in the Zapruder Film, and utilizes the music of a most favorite Masonic composer of the Order, Wolfgang A. Mozart.

Castro, having been educated by the Jesuits for seven years, was advised during the revolution by a Jesuit priest, Amondo Llorente. Further, one of Castro's economic advisors who sat on the board of Havana's Banco Nacional de Cuba was the brother-in-law of Knight of Malta Oswaldo Cisneros. Presently, Jesuits Stone and Castro are working with the Order's Counter-Reformation Central Intelligence Agency as it plans for the foreign invasion of the "heretic and liberal" United States, to be led by Bin Laden's CIA-financed, CIA-trained (via "Operation Cyclone") and CIA-controlled Islamic/Masonic International Al Qaeda Terrorist Network, after the destruction of Jerusalem's mosques. Stone and Castro serve the same master, Jesuit General Peter-Hans Kolvenbach.

Jim Rothstein, Frank Sturgis and Marita Lorenz

Roman Catholics Rothstein, Sturgis and Lorenz all played intriguing roles with regard to the JFK assassination. In 1961 Jim Rothstein was a Boatswains Mate aboard the aircraft carrier USS Essex in the Bay of Pigs when Captain Searcy received a call from the White House at 3:30 A.M. canceling jet fighter air cover necessary for the invasion of Cuba. Two hours prior to that, four B-26 bombers in Nicaragua awaiting orders to bomb Castro's remaining three T-33 jet fighters, had also been cancelled, Kennedy having approved the plan the day before!

Presidential Advisor and CFR member McGeorge Bundy was the one behind those betrayals! McGeorge's brother, William, was Assistant Secretary of State and close collaborator of his master—CFR member, Secretary of State Dean Rusk. Rusk was Cardinal Spellman's liaison to the White House sent to create enemies within the military and intelligence community who could be used to "extirpate" Kennedy, the "tyrant and usurper" who, in 1960 at a Protestant ministers' meeting in Houston, openly refused to submit to the temporal power of Pope Paul VI! Thus, Cardinal Spellman, controlling the Bundy brothers, was the real culprit responsible for the fatal calls, overthrowing the invasion that was doomed from the start by CFR member and Director of the CIA, SMOM Allen Dulles. The incited Roman Catholic Cuban patriots and lower-level CIA agents were betrayed into the hands of now "Soviet-backed," Fidel Castro advised by Jesuit priest Amondo Llorente. The White House-calls to first Nicaragua and then the USS Essex secured a complete victory for Spellman: it kept Castro in power and created a host of enemies for JFK within the CIA—including assassin Frank Sturgis! This ruthless murderer put together "Operation 40," its OPEN but FALSE purpose being to assassinate Castro: one of its members was Marita Lorenz, Castro's former mistress. But the team's SECRET and TRUE purpose was to kill Kennedy. Sturgis and Howard Hunt participated in the assassination, but Marita departed from Dallas after being insulted by Jack Ruby before JFK was killed. In 1977 Marita testified before the House Select Committee on Assassinations as to her knowledge of the players involved in the murder of JFK.

One of those men was the vicious Frank Sturgis who in 1971 gave a 22-page written confession to New York Archbishop Terence Cardinal Cooke. Therein Sturgis confessed to shooting JFK from the Grassy Knoll, and that G. Gordon Liddy was the killer of Dallas Police Officer J. D. Tippet. Given orders to kill Marita in New York City, Detective Jim Rothstein received a call from an intelligence source that Sturgis was on his way to murder Lorenz. Waiting at her apartment with his partner, Rothstein arrested Sturgis. After the shuffle, Jim congratulated the assassin for killing Kennedy having assumed the responsibility for CFR/CIA/Dulles' Bay of Pigs betrayal. At this comment, Sturgis opened up and, realizing Rothstein had been on the USS Essex, confessed that he indeed had participated in the plot to murder "the traitor," JFK. The tragedy is both men had been "Spellmanized," believing that JFK had in fact betrayed their trust.

President Kennedy with Pro-Nazi Pope Paul VI, Rome, 1961 #718

Notice the stare of hate on the devious face of Rome's Nazi-Pope and former master of the Vatican Ratlines, Paul VI. Kennedy not only publicly refused to uphold the Temporal Power of the Papal Caesar in 1960 prior to his election, but attacked the American steel industry ruled by the Knights of Malta since the 1940s, SMOM John Farrell then acting president of U.S. Steel. Of these steel barons President Kennedy declared: "The American people will find it hard, as I do, to accept a situation in which a tiny handful of steel executives whose pursuit of private power and profit exceeds their sense of public responsibility and shows such utter contempt for the interests of 185 million Americans."* Planning to close all tax loopholes for Rome's American oil and steel cartel-capitalists, he knew the potentially dangerous consequences of his acts. Yet, he remained calm admitting "If they are going to get me, they will get me even in church."**

Knight of Malta Prescott Bush, Jr.; 33º George H. W. Bush, 1990s #719

Sons of Skull and Bonesman/Knight of Malta/Nazi-financier Prescott Bush, Sr., with strong familial ties to the Jesuits ruling England's Stonyhurst College, both men have been two of the ***Black Pope***'s most powerful nobles ruling over the Vatican's CFR-controlled 14th Amendment America since the 1960s. Enjoying intimate ties to the high Jesuits and Knights of Malta of Georgetown University, both frequenters of the Order's Northern California Bohemian Grove are closely associated with brother Knight and the Vatican's world press lord, Fox News' Rupert Murdoch, while overseeing Rome's unified International Intelligence Community including the NSA/CIA, the FSB/SVR, the BND, MI5/MI6 and the Israeli Mossad. George, a CIA asset in the 1960s, was involved in the Bay of Pigs betrayal, the JFK assassination and subsequent CFR/CIA-enforced Great Jesuit Cover-up. He was also a power behind the CIA's removal of President Nixon via SMOM's Alexander M. Haig, Jr.'s, Watergate Scandal, SMOM/DCI William J. Casey's Iran-Contra Affair, and the arming of Iran and Iraq* in preparation for the Company's 21st Century Crusade against Islam and the US. Indeed, the men who killed Kennedy murdered thousands on 911! Within the Bush family are members of every significant secret society ruled by Rome: Skull and Bones; Knights of Malta; Knights of Columbus; and high-level P2 Freemasonry.

Grand Master Fra Angelo de Mojana di Cologna, Malta, 1960s #720
77th Grand Master, Sovereign Military Order of Malta, 1962 – 1988

Holding the rank of a Cardinal and thus a "Prince of the Church," the Grand Master visits the tomb of 49th Grand Master Fra Jean de La Vallette-Parisot (1557-1568) on the Order's island of Malta. The fourth most powerful man on earth (the first three being the Jesuit Superior General, the Pope and the Pope's Cardinal Secretary of State), we must pause with awesome wonder in beholding the man whose faithful soldiers carried out the JFK assassination and continue the Great Jesuit Cover-up. In command of The Grand Council, the "tongues" or branches of the Order are composed of highly placed Knights in government, finance, religious institutions, academia and every major profession. Subject to the Bishops of their immediate diocese, when called upon to obey an order for the benefit of Rome absolute obedience is expected and rendered without "fear of offense." Abject silence is maintained upon pain of death, lest Rome should be implicated in the Order's public deed of blood. Advising Cardinals ruling their subordinate Archbishops and Bishops are the Jesuits, the brains and penholders of the Pope, directing every Vatican conspiracy "for the greater glory of God." For interfering with the Order's Cold War during which the **Black Pope**'s plot to build communist China, communist Russia and Near Eastern Moslem nations for the ultimate invasion of North America, JFK "the usurper" was "extirpated."

In Fourteenth Amendment America **Lee Iacocca** has become loved and admired as an exceptional auto designer and savior of Chrysler, the company having been founded by another high-level Freemason, **Walter P. Chrysler**. He is known for his tremendous leadership abilities and great personal drive. He is also respected for his courage demonstrated towards **Henry Ford II** in resisting his corporate tyranny and personal hypocrisy. **Lee Iacocca,** of Italian Roman Catholic descent, is what many American men would love to be and rightly so.

It is for these reasons the author proceeds with a great sorrow of heart in exposing the terrible deed of **Lee Iacocca**, as he participated in the assassination of **President John F. Kennedy**. Hopefully this chapter will serve as corrective

surgery rather than a dagger to the heart. Since Mr. Iacocca still lives the writer has prayed that he would repent and confess his sin to God the Father in Jesus' name, for:

> ***"He that covereth his sins shall not prosper:***
> ***but whoso confesseth and forsaketh them shall have mercy."***
> *– Proverbs 28:13*

Since a great host of us Americans are murderers, having polluted our land with the blood of aborted millions, we are no better than Mr. Iacocca. May we also confess and find forgiveness and mercy, even as our friend may.

Knowing the **Black Pope**'s **POWER** that would rage against **Lee Iacocca** if he would dare to tell all, the hundreds of assassins that would appear to expedite his demise via *"the poison cup, the strangulation cord, the steel of the poniard* (the blade of the knife) *or the leaden bullet,"* we realize the request to confess to the nation is monumental. But we are convinced his personal greatness is equal to the task even though he has backed the wicked **NAFTA** and **GATT** treaties now ruining the manufacturing base of America further destroying our Middle Class. And there are many of us fundamental, Bible-believing Baptists and Protestants who would **gladly** hazard our lives to protect him from every Jesuit assassin, be he Mafia, CIA or Mossad. For we are **Calvinist warriors** wielding both the **Sword of the Spirit** and the **Sword of Just Defense**, believing that to fight and die in defense of a righteous man for a righteous cause is to die well, that we ***"might obtain a better resurrection"*** (***Hebrews 11:35***) at the Judgment Seat of Christ (***II Corinthians 5:10***). On November 22, 1963, **President John F. Kennedy** was assassinated in Dallas, Texas. The evidence inside the limousine proved there was more than one shooter, as there were several obvious primary strikes. It was for this reason that Dallas reporters were not allowed to take close-up photographs inside the limousine, but were kept at a distance by agents under orders from co-conspirator SSA **Leroy Kellerman**. The Secret Service, controlled by **Jesuit Francis Rowley** through his brother, SS Director **James J. Rowley** (the old friend of White House detail member **William Greer**), took great pains in destroying this evidence. We read:

> "Three days after the assassination, **Carl Renas,** head of security for the Dearborn Division of the Ford Motor Company, drives the limousine, helicopters hovering overhead, from Washington to Cincinnati. In doing so, he noted several bullet holes, the most notable being the one in the windshield's chrome molding strip, which he said was clearly **'a primary strike'** and **'not a fragment.'**

> The Limousine was taken by **Renas** to Hess and Eisenhart of Cincinnati, where the chrome molding was replaced. **The Secret Service told Renas to 'Keep your mouth shut.'** " {3} [Emphasis added]

As we saw, the man who drove the limousine to Cincinnati was the head of security for the **Dearborn Division** of Ford Motor Company. And *who* was the head of the Dearborn Division in 1963 *who* dispatched Renas for the task of his life?
According to author **Robert Lacy** it was **Lee Iacocca**. We read:

> "**Henry Ford II** says today that the first time he can remember meeting **Lee Iacocca** was in November 1960, when he summoned the young salesman to his office to tell him he was giving him command of the Ford Division [*at Dearborn*]." {4} [Emphasis added]

Lee Iacocca remained the head of the **Dearborn Division** until 1970 when he became President of Ford Motor Company. Therefore, as the General Manager of the Dearborn Division in 1963, Iacocca participated in the Secret Service's suppression of evidence. By dispatching his security chief to drive the limousine from Washington to Cincinnati for the removal of all primary and secondary bullet strikes, Lee Iacocca became an accessory to the murder of President Kennedy.

As a prominent Roman Catholic, **Lee Iacocca** was well acquainted with the Jesuit Order and **Ignatius Loyola's** *Spiritual Exercises*. He writes of his life during the Depression caused by **Cardinal Hayes'** Knight of Malta, **Joseph P. Kennedy**:

> "It took me a number of years to fully understand why I had to make a good confession to a priest before I went to **Holy Communion,** but in my teens I began to appreciate the importance of this most misunderstood rite of the Catholic Church. I not only had to think out my transgressions against my friends; I had to speak them aloud. In later years, I found myself completely refreshed after confession. I even began to attend weekend retreats, **where the Jesuits, in face-to-face examinations of conscience, made me come to grips with how I was conducting my life.**" {5} [Emphasis added]

The most important tie to the conspiracy in assassinating **Kennedy** was Iacocca's subordination to **Cardinal Spellman** and the Knights of Malta. According to his autobiography he had eaten supper with **Cardinal Spellman** {6} and shortly after the assassination, Knight of Malta **Henry R. Luce**, who bought and suppressed the Zapruder Film, gave **Iacocca** a great write-up in his periodicals.

> "Unveiled at the New York World's Fair in the spring of 1964, the Mustang proved a sensation . . . Lee Iacocca well deserved the rare accolade of simultaneous cover stories in both *Time* and *Newsweek*." {7}

Could this have been the beginning of the rise of the **Lee Iacocca's** star, leading to his appointment in 1970 as President of Ford Motor Company [*founded by 33º Freemason* **Henry Ford**], then to his appointment in 1975 as the President of Chrysler [*founded by 33º Freemason* **Walter P. Chrysler**], and finally the U.S. Government loan to Chrysler in 1979 resulting in the making of an American hero? And who was the force in Congress that was ultimately responsible for the passing of the Act creating the **Loan Guarantee Board** that extended the loan to Chrysler? **Iacocca** declares that it was House Speaker, **Thomas "Tip" O'Neill**.

> "**Tip O'Neill** was our real point man in Congress. . . . As soon as he turned on his lights to help us, the tide started to turn. . . . By the time the vote came, we had a lot of backers in Congress. Still, Tip O'Neill's support was crucial. Just before the vote, he stepped down as Speaker and spoke as the representative from Massachusetts. In an impassioned plea for the loan guarantees . . . Tip used raw emotion to sell his guys in the House. He was one of our leaders in this whole episode. . . . When the vote came in, the House had agreed by a two-to-one margin (271-136) to help Chrysler get back on its feet." {8}[Emphasis added]

What is the significance of House Speaker **Tip O'Neill** helping **Lee Iacocca** secure the loan? **Tip O'Neill** strongly resisted the proceedings of the **House Select Committee on Assassinations** in 1976-1979, as covered in our previous chapter. Here we have two Papal Knights, **Iacocca** and **O'Neill**, involved in the assassination of **President Kennedy** through willful acts of suppressing evidence. *The first Knight* was **Lee Iacocca**, a highly placed official in one of Rome's corporate giants, it composing a part of the Jesuits' Military Industrial Complex. (Remember **Nicholas Brady**, the multimillionaire, **Papal Knight of Malta** and personal friend of the Jesuit General's **Francis Spellman**, was one of the original owners of Chrysler.)

Ford Motor Company had helped to build **Hitler** and **Stalin's** War Machines during the **Second Thirty Years' War** and therefore had a financial interest in continuing "Spelly's War" in Vietnam. (The guidance unit of the air-to-air missile known as "the Sidewinder" or "AIM–9" (also given to the Soviets!) was built by **Philco-Ford**. *The second Knight* was **Tip O'Neill**. Being the Speaker, he was the most powerful man in the House of Representatives for ten years. Handling the nation's business, it was the House that had been responsible for borrowing **600 billion dollars** *in credit* from the Jesuits' **Federal Reserve Bank** (managed by the Council on Foreign Relations) to finance the **Vietnam War**. The returns for this "investment" would be the fantastic profits generated from the **International Drug Trade**, while further destroying the **Fourteenth Amendment American Empire's** "heretic" and "liberal" population with *debt, drugs, disease, and demoralization*.
Thus, **Iacocca** and **O'Neill**, two kingpins in the Kennedy assassination and cover-up, worked together in obtaining the loan for Chrysler. That loan was credit extended to the American Congress, *created out of nothing*, by the Jesuits' Federal Reserve Bank. The result was the rebuilding of the automaker's entire

manufacturing base, exalting Chrysler to one of the Empire's most advanced corporate giants within the Jesuits' Military Industrial Complex. (The author wonders if Chrysler will provide hardware and technology to the army of our coming invaders, the Red Chinese and "the former" Soviet Union?) The victory of Chrysler's recovery was credited to **Lee Iacocca**. But he never would have succeeded had it not been for **Tip O'Neill**. Therefore, what or who could have united these men to accomplish such a feat? Both were devoted Roman Catholics; but more importantly, they were "Roman Knights" loyal to the Pope's American Military Vicar, the Cardinal of St. Patrick's Cathedral in New York. Of **Lee Iacocca's** membership in the Knights of Malta, again we read from the article entitled "*Who are the Knights of Malta?*" written in 1983:

> "The SMOM's [*Sovereign Military Order of Malta*] U.S. section has approximately 1,000 members—including 300 "dames" who hail from society's upper crust. Divided into three associations (eastern, southern and western) its roster includes many of the corporate establishment's movers and shakers: **Lee Iacocca** of Chrysler; . . . [**W.**] **Barron Hilton** of the hotel chain [*who allowed the bastard son of a Nazi, Fidel Castro, to use his Hilton Hotel in Havana for the Jesuit-trained dictator's headquarters and who was also a personal friend of SMOM and Mafioso,* **Frank Sinatra**.
>
> Hilton's friend, Sinatra, was in turn a bosom friend of Chicago and New York Mafia Dons, **Sam Giancana** and **Carlo Gambino** (they being two of Cardinal Spellman's Mafia Commission members), according to **Kitty Kelley's** His Way: The Unauthorized Autobiography of Frank Sinatra.
>
> Nearly twenty years later in 1980, SMOM Frank Sinatra performed at Freemasonic/SMOM U.S. President **Ronald Reagan's** inaugural ball, as they were both actors in Hollywood—the Jesuit Theater—having been openly founded by the Order's Masonic Jewish Labor Zionists such as **Louis B. Mayer** (Metro-Goldwyn-Mayer), **Jack Warner** (Warner Brothers) and **Darryl F. Zanuck** (Twentieth Century Fox). Reagan, after recovering from his attempted assassination, shot inside the presidential limousine while underneath Secret Service Agent **Jerry Parr** according to Colonel James "Bo" Gritz in his Called To Serve, went on to be the a faithful servant of Knight of Malta **John Cardinal O'Connor** and his New York-based SMOM by committing high treason against the American people via formally recognizing the Papal Caesar's nation-state—**The Sovereign State of** Vatican City—preparing the American Empire for its Concordat with the Pope of Rome] . . . [CFR member] Francis X. Stankard of Chase Manhattan Bank [with a branch bank in Moscow], William E. Simon, former treasury secretary and energy Tzar of the 1970's and currently a director of Citicorp [and also Secretary of the Treasury and supervisor of the Chrysler Corp. Loan Guarantee board]. . . Martin F. Shea, executive vice-

president of Morgan Bank . . . [at which is] a telex which links SMOM/US to SMOM headquarters in Rome. . . . and [CFR] J. Peter Grace [chairman of W.R. Grace & Co., and British Committee of 300 member], is president of the U.S. SMOM. . . . CIA Director William J. Casey . . . is a member in good standing of the Knights of Malta. [Notice that all of the big banks are not in the hands of the Masonic Jewish Labor Zionists but in the hands of Rome's White Gentile-led, Sovereign Military *Order of Malta*, ***'the great men of the earth'*** (***Revelation 18:23***)]." {9}

Dear truth-seeker, **Lee Iacocca**, the Knight of Malta, familiar with the Jesuit Order and a personal friend of **Cardinal Spellman**, participated in the Kennedy Assassination. His payback was Congress granting a 1.2 billion dollar loan with the help of Knight of Columbus **Tip O'Neill**, Speaker of the House, and Knight of Malta, **William E. Simon** (*another British Committee of 300 member*), Secretary of the Treasury. For this he will ever be known as the savior of Chrysler Corporation. May God the Holy Spirit help him to repent and seek the Lord Jesus Christ while He may be found. Then may he, as our example, tell the nation that we all may repent of our personal and national sins, while seeking the everlasting forgiveness of God the Father whose beloved Son we have provoked, and the deeply needed *forgiveness of the nations* that we have attacked and destroyed. For in our blind patriotism and ignorance, we Americans, *garrisoned in over one hundred and twenty countries manning seven hundred and twenty-five military bases around the world (like the Roman Legions of old)*, have been used to restore and maintain the usurping **Temporal Power** of the Jesuits' "*infallible*" Pope *worldwide*, while Washington, D.C., has been under the Satanic spell of Jesuit control *for the last one hundred and fifty years*. That spell included **Francis Cardinal Spellman's** assassination of **President Kennedy**. **Lee Iacocca**, in the words of "**Rebecca the Jewess**," {10}

"Speak . . . if thou art a man; if thou art a Christian, speak!

I conjure thee, by the habit which thou dost wear

—by the name thou dost inherit—
—by the knighthood thou dost vaunt—
—by the honour of thy mother—
—by the tomb and the bones of thy father—

I conjure thee to say,

are these things true?"

Lee Iacocca, again, we humbly request an answer to our question,

"Are these things true?"

Knight of Malta Lee A. Iacocca (1924 – Present), 1965
#721

General Manager, Dearborn Division, Ford Motor Company, 1960 - 1970

After the assassination, President Lyndon Johnson the Freemason arranged for all the evidence of multiple gunshots to be removed from Kennedy's limousine. LBJ's old friend, Henry Ford II, made the secret arrangements with a former employee, then Secretary of Defense and CFR member, 33rd Degree Freemason Robert Strange McNamara, who in turn contacted his former employee, Lee Iacocca, then General Manager of Ford's Dearborn Division. Iacocca dispatched his head of security, Carl Renas, to drive the bullet-ridden limousine to a dealership in Cincinnati that removed the evidence of more than one assassin ensuring the success of Cardinal Spellman's Warren Commission, Freemason Arlen Specter's "magic single bullet theory" to be its foundation. Lee Iacocca's reward for his obedience in the Kennedy assassination was: the success of his Mustang (made possible by Knight of Malta Henry R. Luce's good press); Pope Paul VI touring New York in a Lincoln (Ford) rather than in a Cadillac (GM); the Presidency of Ford Motor Company in 1970; the Presidency of Chrysler in 1979; and a 1.2 billion dollar loan, saving the late Knight of Malta Nicholas Brady's Chrysler Corporation. Iacocca then converted Chrysler into a major component of the **Black Pope**'s American Military Industrial Complex, further equipping the Empire to fight future Papal Crusades especially against Islam.

Iacocca: An Autobiography, Lee Iacocca with William Novak, (New York: Bantam Books, 1984).

Papal Knight Thomas "Tip" O'Neill behind JFK, 1959 #722

Educated by Jesuits at Boston College and later an influential trustee along with Senator Edward Kennedy; a personal friend of its Jesuit President, J. Donald Monan; a close friend of fellow Congressman Jesuit Robert F. Drinan (now at Georgetown University) who introduced the resolution for the impeachment of President Nixon; and a golfing partner of 33rd Degree Freemason and Knight of Malta Gerald Ford who suppressed evidence while on the Warren Commission; Irish Catholic Tip O'Neill betrayed his old friend, John F. Kennedy. During the bogus investigation of the House Select Committee on Assassinations (1976-1979), O'Neill did all he could to thwart its conclusion—there was indeed a conspiracy to kill the President. For a job well done, he was made Speaker of the House in 1977. From this exalted seat, nestled between two huge Roman fasces attached to the House-wall behind him, O'Neill controlled the nation's legislation for ten years during which time he aided his fellow conspirator, Lee Iacocca, in obtaining a Congressional loan to save the Order's Chrysler Corporation. It is most interesting to note that in his autobiography, he mentions that presidential aides Kenny O'Donnell and Dave Powers heard two shots from the picket fence on the Grassy Knoll, but never once speaks of the House Select Committee on Assassinations or his covert involvement with co-conspirator Texas Congressman Henry Gonzales or CIA-backed G. Robert Blakey who killed the investigation and went on to be employed by Theodore Hesburgh's Notre Dame University.

Irish American Ex-Priest
Romanism: A Menace to the Nation

"**The power of the Society of Jesus in the Catholic Church is beyond doubt enormous.** It is said, apparently with truth, that the Jesuit General, the "**Black Pope**" as he is called, can make and unmake bishops and even cardinals. He has various agents and representatives within the walls of the Vatican, and he can gain the ear of the Pope whenever he wishes. . . . Again and again the Society has been able to oppose successfully the plans and wishes of Popes. . . . the Society which is perennial at Rome is able to block the efforts of passing Popes [*like Pope John Paul I who sought to prematurely establish diplomatic relations with Israel prior to the end of the Company's Cold War*]. . . . The Order is to the Church what the Church is to the world. The Order is a kind of parasite sucking the vital power of the Church. . . . It holds the confidence and consciences of so many bishops, cardinals, and prelates; . . . in fine, [*it*] works in so many ways on the functionaries of the Church, that it has become as it were an inner circle in the Church. It has made the Pope more and more like its own autocratic General; and has reduced the bishops more and more to the status of Provincials in the Society who are officials nominated by and controlled by the General, without any inherent authority. An interesting proof of Jesuit prestige and power in this country is the existence, in the shadow of the Capitol, at Washington, of **the Jesuit School for Foreign Service** [*which trained the past CFR/CIA Director, Knight of Malta* **George J. Tenet** *having overseen the demolition of the World Trade Center in obedience to his master,* **Edward Cardinal Egan**], opened a few years ago through the instrumentality of an Irish-American, **Fr. Edmund Walsh, S.J.** At this school of diplomatic service, said to be the largest of its kind in America, young Americans [*to be later recruited into the Order's CFR*] are trained to guide the future fortunes of the Republic. . . . There is no small irony in the situation. **Jesuits by rule are detached from love**

of country . . . *Each and every Jesuit is bound under oath to obey the behests of his General at Rome, who at present happens to be a Pole* [**Wladimir Ledochowski**] *and who most probably will never be an American.* It is quite within the power of the General to dictate the principles and theories to be taught by the Jesuits at Washington . . . one cannot forget the words of the Pope, **Clement XIV,** who accused them of *'rising up against the very kings who admitted them into their countries.'* " {4} [Emphasis added]

"WASHINGTON — Glass cases along a wall on the top floor of [*Jesuit*] Georgetown University's Lauinger Library contain a surprisingly timely and provocative exhibit: 'Georgetown in the Sixties: from **Pat Buchanan** to the SDS [*Students for a Democratic Society*].' . . . Photos and clips show presidents **Lyndon Baines Johnson**, **Bill Clinton** [*and*] a two-time presidential candidate [*an Irish Roman Catholic, Jesuit-trained Knight of Malta, noted author of Right From the Beginning, A Republic, Not an Empire and The Death of the West; also a founding member of NBC's Jesuit-controlled "The McLaughlin Group" and CNN's "The Capital Gang" and "Crossfire"*] **Pat Buchanan . . .** Apart from the university president of that period, the late **Jesuit Fr. Edward Bunn**, only one priest is mentioned twice in the exhibit, **Jesuit Fr. Richard McSorley** [*accomplice in the Order's JFK assassination and confessor of* **Jackie Kennedy**], now 80 and head of the one-man Center for Peace Studies at Georgetown . . . [*Freemason and* **CFR** *member*] **Johnson** is mentioned for saying the only reason he left Georgetown Law School was because **Lady Bird** was in Texas . . .

[High-level Freemason and CFR member] **Bill Clinton** [one of his Georgetown classmates later becoming the world famous Roman Catholic actor and activist **Tommy Lee Jones** who played **Clay L. Shaw** in **Oliver Stone's** JFK, Director's Cut and played the part of a top secret intelligence officer—a modern super secret Jesuit above the law—using high-tech weapons against "aliens" (whose

existence is notoriously espoused by Jesuits of the Vatican Observatory) in Men In Black] was one of the students who helped clean up after the Washington [Civil Rights] riots [of 1968]—but the exhibit deals more with his class presidencies . . . In 1969, **McSorley** took a sabbatical to visit peace groups throughout the world. His first stop was England. Fellowship of Reconciliation members and Quakers directed him to a big antiwar demonstration at the U.S. Embassy. **Bill Clinton was there and recognized McSorley** . . . After the demonstration, **Clinton** asked the Jesuit whether he would lead the Catholic prayers the next day at an interfaith prayer meeting he'd helped organize in a nearby Anglican church. **McSorley** offered the prayer of [occultist] St. Francis; **Clinton** joined in and they marched back to the embassy and left white crosses to symbolize the deaths of Americans. **McSorley** then went to France and Scandinavia to meet peace people. Stepping off the train right behind him in Oslo, Norway, was **Bill Clinton** . . . That evening, before **McSorley** boarded his train for an overnight trip south, he and **Clinton** dined together. 'He was just like most of the students,' said **McSorley**. . . .

On July 6, [*1995*] **Clinton** was back at Georgetown. In a lengthy talk, he laid out his stance as a candidate for reelection and reaffirmed the [*Fabian Socialist*] values of activism in the '60s and '70s." {7} [Emphasis added]

"Today we have seen the absurd farce of the liberal **Jesuit Father Drinan** [*who introduced the House Resolution for the impeachment of* **President Richard Nixon**] being driven from Congress because the most overtly Pope of our time [**John Paul II**] feels Drinan's position in Congress is 'too political!' As sinister organizations like the Spanish and Latin Americabased **Opus Dei** gain in power [*now aiding and abetting the Order's Roman Catholic, Latin American, alien invasion of the US*], their rise abetted by rightwing elements in the Jesuit Order itself, it will be the moderates in the Church structure and not just the extreme [*communist*] 'theology of liberation' minority who will find themselves more and more on the out. To understand the rise of rightwing Catholic power worldwide it is necessary to clearly identify the heart of the beast. That is an organization called the **Sovereign Military Order of Malta** (SMOM), a Vatican order which has been in existence for almost a thousand years. . . .

Today the resurgence of SMOM is best symbolized by the fact that SMOM member **William Casey** is the current head of the CIA. Casey will be one of the figures who will give the 'Donovan Award' trophy of the OSS 'old boys' to [*JFK assassin*] **John McCone**, devout Catholic, SMOM member and former head of

the CIA. It was McCone, in his position as one of the heads of ITT, who played a leading role in coordinating the destabilization of the Allende government [*in Chile*]. Other leading members of American SMOM are **William** and **James Buckley**. With the replacement of rightwing Catholic [*SMOM*] **Richard Allen** by the equally rightwing Catholic [*SMOM*] **William** [**P.**] **Clark** as President Reagan's National Security Council Advisor, the influence of SMOM has increased. . . . With his new post Clark has brought along [*SMOM*] **William F. Buckley** as one of his political consultants. Another devout Catholic [*SMOM and JFK assassin*] **General Vernon Walters**, the brains behind the 1964 coup against the Goulart government in Brazil and one of the dirtiest figures in the American intelligence community, has become the key man for both **Alexander Haig** and **William Clark** in dealing with Central America.

Given the fact that Alexander Haig (whose brother [**Francis R. Haig**] is a Jesuit priest) himself has the closest ties to the rightwing Catholic-run [*Jesuit*] Georgetown Center for Strategic and International Studies (CSIS), it is safe to say that Reagan will be under total control of this group should they decide to go 'eyeball to eyeball' with the Soviet Union in some new 'Cuban missile crisis' situation [*or the ending of the Cold War*]." {11} [Emphasis added]

"We see Rome's satanic, **Nazi Fourth Reich** using United States troops to murder the leaders and peoples of nations so that the **Roman Antichrist** can place his own like-minded leaders in the place of those he ordered to be assassinated or murdered [*as in the assassination of Knight of Columbus* **John F. Kennedy** *and thus replacing him with high Freemason* **Lyndon B. Johnson**]. These actions are causing all the nations of the world to hate the people of the United States of America. We who were once the most loved nation are now the most hated. The **Antichrist in Rome** doesn't allow his world-controlled media to fully tell the truth about what the people of other nations think about us or why they think this way. They hate us because of what the **Antichrist**, through the high-ranking **Roman Nazi agents**, which have infiltrated our government, is doing to them [*Serbians, Moslems, etc.*].

When these nations respond to the Roman Nazi agents' unholy aggression which is coming from the U.S. through the orders of the **Antichrist in Rome**, the Pope's [*CFR-controlled*] media and his puppets lead us to believe we should go to war against them. Would you not hate someone who's bombing you, your family and your friends for no apparent reason? . . .

The BATF, FBI, DEA, the Federal Bureau Task Force, CIA, CFR, Knights of Malta, all these are branches of the Vatican. The Vatican doesn't care at all if you come against a president, a king, a queen, or one of these branches, because they're nothing but **smokescreens for the Pope**. . . .

President [George W.] Bush is the most Catholic president we've ever had. He is surrounded with cardinals. From the beginning of his presidency, George Bush has been promoting the Vatican-Nazi Jesuit agenda. Two months into his presidency, surrounded by cardinals of Rome, the President dedicated a cultural center in Washington, D.C., to the greatest enemy this Republic has ever had, the Pope of Rome. Bush declared that he is going to enforce the words and teachings of the Pope here in America.

[According to **Patricia Zapoa** of the Catholic News Service, March 24, 2001] President Bush said,

'The best way to honor Pope John Paul II, truly one of the greatest men, is to take his teachings seriously, to listen to his words and put his words and his teachings into action here in America [*which "teachings" include inquisitional torture by the FBI and the Department of Homeland Security following the Jesuit-authored US Patriot Acts*].' "The Bolsheviks were originally saved from collapse by **Herbert Hoover** (CFR) [*the Secretary of Commerce under high-level Freemason President* **Warren G. Harding**] who raised money to buy food which was appropriated by Lenin and his gangsters. . . . After the Bolshevik Revolution, **Standard** [**Oil**] **of New Jersey** bought 50 percent of the Nobel's huge Caucasus oil fields even though the property had theoretically been nationalized [*the Knights of Malta consolidating all oil production into the Morgan/Rockefeller banking cartels under their control*]. . . . In 1927, **Standard Oil of New York** built a refinery in Russia, thereby helping the Bolsheviks put their economy back on its feet. . . . In order to rescue the Bolsheviks, who were supposedly an archenemy [*the Jesuit Order's FBI conducting mass-roundups in 1919 under the guise of the "Red Scare," furthering American fascism*], the **Chase National Bank** was instrumental in establishing the [*SMOM-led*] **American-Russian Chamber of Commerce** in 1922. . . . The Rockefeller's Chase National Bank also was involved in selling Bolshevik bonds in the United States in 1928. . . .

Professor [**Antony**] **Sutton** proves conclusively in his three-volume history of Soviet technological development that the Soviet Union was almost literally manufactured by the U.S.A. Sutton quotes a report by [*CFR member, Lend-Lease Chairman, Skull and Bonesman, and Knight of Malta*] **Averell Harriman** to the State Department in June, 1944 as stating:

'**Stalin** paid tribute to the assistance rendered by the United States to Soviet industry before and during the war. **He said that about two-thirds of all the large industrial enterprise in the Soviet Union had been built with United States help or technical assistance.'** . . .

Sutton shows that there is hardly a segment of the Soviet economy which is not a result of the transference of Western, particularly American, technology. This cannot be wholly the result of accident. For fifty years the Federal Reserve-CFR-Rockefeller *Insider* crowd has advocated and carried out policies aimed at increasing the power of their satellite, the Soviet Union. Meanwhile, America spends **$75 billion** a year on defense to protect itself from the enemy *the Insiders* are building up. . . . Under the Nixon Administration which, contrary to campaign promises, had multiplied trade with the Reds tenfold, American concerns are building the world's largest truck factory [*the* **Kama River Truck Factory**] for the [*Soviet*] Communists." {13}[Emphasis added]

"Tragically, since the day in 1993 when [*CFR/Jesuit Temporal Coadjutors*] **Bill Clinton** and **Al Gore** were sworn in, hands on the Bible, as president and vice president, respectively, it has become far more likely that this scene will become a familiar one to Americans. The danger to all Americans, but especially to those in uniform, of facing an attack by a wellarmed **Chinese People's Liberation Army (PLA)** will be the haunting legacy of the **Clinton-Gore** administration well into this new century. . . .

We have detailed our assaults on our national security—nuclear espionage, failure to stop Chinese arms sales to [*Islamic*] terrorist nations, and technological assistance to China's military, especially its missile programs. All of these increase the dangers to the American homeland, our friends and allies abroad, and our men and women in uniform. . . . Consider just some of the many [*allegedly "post Cold War," i.e., "no more Communist Threat"*] Russian military transfers to Communist China during **Vice President Gore's** stewardship of the **U.S.-Russian** relationship:

- destroyers equipped with nuclear missiles
- SU-27 fighter aircraft and SU-30 attack aircraft
- kilo-class submarines and advanced nuclear submarine technology
- long-range cruise missile technology
- military helicopters and transports
- a wide range of air-to-air, ground-to-air, and anti-radar missiles
- space technology with direct military applications, including long-range ballistic missiles, multiple warheads, and anti-satellite technology All of these weapons can be used against the United States military, as well as our allies. . . . Crucially, *the United States never objected to Russian arms sales to Communist China.* This would have been Gore's job: to lead the diplomatic effort to stop these arms sales. He didn't do it. The result is a **Russian-Chinese** 'strategic partnership' (the two nations have even agreed to conduct joint combat training) aimed at the United States. . . . As America's military might was declining, **Bill Clinton** and **Al Gore** were helping to strengthen a hostile **PRC**." {14} [Emphasis added]

"**The great threat of the twenty-first century**—to the United States and the world—is the nuclear-armed communist dictatorship in the **People's Republic of China.** Its rulers oppress 1.3 billion people under 'socialism with Chinese characteristics.' . . . The result of [*the pro-Red Chinese* **Clinton-Gore Administration**] has been that the United States has actually helped create a new superpower threat to world peace and stability in the decades to come. . . . One confidential Chinese government report leaked to the Hong Kong press in 1997 predicted a future war between China and the United States over Taiwan:

'With the return of [*international banking havens*] **Hong Kong** and **Macao** to Chinese rule, the Taiwan issue will inevitably become China's major event around **2010.** If the United States uses force to meddle in China's sovereignty and internal affairs, China will certainly fight a war against aggression, thus leading to a limited **Sino-U.S.** war. . . .' . . .

How could China's presence in Panama pose a threat [*via* **Hutchinson Whampoa** *owned by billionaire,* **Li Ka-Shin**, *now in control of the locks*]? The [*U.S. Army*] report's final declassified passage was short and succinct:

'Hutchinson's containerized shipping facilities in the **Panama Canal,** as well as the **Bahamas,** could provide a conduit for illegal shipments of technology or prohibited items from the West to the PRC, or facilitate the movement of arms and other prohibited items into the Americas [*preparing for America's coming Sino-Soviet-Moslem-Latino military invasion*].' . . .

The Cox Committee report on the **Wen Ho Lee** case is considered the worst-case scenario. But it is also the most credible because it is relatively untainted by the spin from the White House. It said that China 'has stolen classified information on all of the United States' most advanced thermonuclear warheads.' . . .

The People's Republic of China is the most serious national security threat the United States faces at present and will remain so into the foreseeable future. This grave strategic threat includes the disruption of vital U.S. interests in the Pacific region and even the possibility of a nuclear war that could cost millions of American lives [*due to controlled detonations of preplaced nuclear devices in both countries by* the **Black Pope**'s *International Intelligence Community rather than by mutual airborne nuclear detonations which possibility the author denies*]." {15} [Emphasis added]

"**AS A FORMER COLONEL** in the GRU—the military counterpart of the **KGB** (now called the **SVR**)—I am the GRU's highest ranking Soviet defector to the United States. . . . And if I have one message for my adopted country, it is this: **the Cold War is not over;** the new cold war is between the Russian mafia [*controlled by the Vatican (via her Russian Priory of the* **Knights of Malta** *now resident in* **Moscow** *and* **St. Petersburg** *ruling Russian Intelligence—FSB/SVR/GRU) and, like the Bolshevik Revolution, OPENLY led by the Pope's Masonic Court Jews—***Ludwig Feinberg, Vadim Rabinovich,** *etc.*] and the United States; and in this new cold war, the Russian mafia has every tool, every

weapon, every intelligence asset at its disposal that the old Soviet Union had. **America is facing a nation led by gangsters—gangsters who have nuclear weapons. And some of those weapons are actually on American soil . . .**

Today, American business is the chief target of the **GRU**, the **SVR**, and the entire network of Russian spies. Their paymaster is the Russian mafia [*exactly as the SVR's counterpart, the CIA, is financed by the Sicilian-led American Mafia's international drug trade as admitted by* **Knight of Malta** *and* **DCI William J. Casey**]. . . . If this isn't bad enough, Russia and China have signed agreements to share economic and military intelligence. . . .

Mayors of the largest cities around the United States are welcoming Russian mobsters to their communities. They do not want to hear from the FBI that their new local moguls are criminals in disguise. [*Italian-American Roman Catholic, 911 co-conspirator and* **Knight of Malta**] **Mayor Rudolph Guilliani** of New York, for instance, enthusiastically welcomes Russian investment in his city, but his administration is apparently unconcerned about its source [*in obedience to the Archbishop of New York,* **Knight of Malta Edward Cardinal Egan**]. . . . Another problem for the United States is **Iran** [*armed by the CIA during the 1980s via the Reagan/Bush Iran-Contra Scandal*]. . . . Iran, it is believed, already has chemical and biological weapons. With Russia's help, Iran will have nuclear weapons as well [*so that when America experiences her coming NSA/CIA/DIA-triggered nuclear detonations, Iran can be blamed*]. . . .

Russia helped **North Korea** develop its Nodong missiles, which can attack the entire [*Bible-reading*] South Korean peninsula. Russia has also given North Korea the technology to develop its own nuclear weapons. . . .

Though most Americans don't realize it, America is already penetrated by Russian military intelligence to the extent that **arms caches** lie in wait for use by Russian special forces—or *Spetznatz*. As a GRU officer, my main mission was to prepare for war. I can tell you that for the Soviet Union and for the Russian Federation, America was and is the main expected wartime adversary. Other countries count only as a means to attack America. . . .

***Spetznatz* troops are currently training inside the United States.** They regularly enter the country as foreign tourists, using fake passports and their knowledge of foreign languages to pass as Germans or Eastern Europeans. They are the best-supplied troops in the Russian military. One of the GRU's major tasks is to find drop sites for their supplies of clothes, cash, and special equipment—including even small nuclear devices, the so-called 'suitcase bombs.' . . . In wartime, many GRU officers—all of whom are men—would go undercover to directly aid the *Spetznatz* forces. These wartime plans were fully in place during

the Caribbean Crisis—or the **Cuban Missile Crisis**, as Americans refer to it—and remain fully in place today. In 1962, *Spetznatz* forces were deployed all over the free world, ready to commit acts of sabotage [*financed by New York banks*]. . . .

Most of the Arab terrorist groups were also trained by *Spetznatz*. Even the terrorist group [*aided by the high command of* the **Black Pope**'s *FBI and CIA*] that sponsored the [*1993*] World Trade Center bombing had been trained by people who themselves had been trained by the GRU." {17} [Emphasis added]

Every President from **Johnson** to **Clinton**, and now **Bush**, has been the abject tool of the Order fulfilling "Jesuitical Politics"—treasonous, internationalist and plotting to make the Company's "*infallible*" Pope, "the Universal Monarch of the World." Satan's **Theocratic Kingdom**, offered to the Lord Jesus Christ, has been given to the Jesuit Superior General who rules the Pope's Vatican with its American Hierarchy directing the American Empire's socialist-communist, corporate-fascist "democratic processes"—in their entirety! This occult, diabolic and monopolistic political control was clearly described in 1933 by **Lady Queenborough** who wrote:

"The game of politics is the pursuit of power. In all democracies, there are two separate organizations playing the political game. The open and *visible* one, the members of which hold office as members of a government, and the *invisible* one composed of individuals who control this visible organization and in whom is vested the real power, the essence of which is *finance*, controlling the publicity which makes or unmakes its tools. This financial power may be used to promote truth or fallacies, good or evil, national prosperity or national ruin. . . . the strength of a democracy thus lies at the mercy of invisible leaders who, being nationally irresponsible, cannot be called to account for the consequences of the acts of the governments they control [*a perfect description of the Pope's CFR*].

> This at the same time constitutes the inherent weakness of any form of government, the apotheosis of which is the control of both parties in the state, right and left, radical and conservative, by the same forces. Then, only the puppets change while the rule of the individuals controlling the machine continues unhindered. Voters who wonder why their efforts have failed, wonder in vain. As the dupes of a controlled publicity their privilege of the vote is a farce [*see Votescam, Collier and Collier, (1992)*]. If all factions in a state can be controlled from one source [*the CFR*], why should International Control [*from Rome*] be impracticable?" {19}

From the reversal of **President Kennedy's** policy to end the Vietnam War (1963), to the war in Yugoslavia (1998), and now the Crusade in Central Asia against Islam (2001-Present), the Jesuits have maintained control over the Executive, Legislative and Judicial branches of the Empire's government. The murder of "heretics" continues abroad, from the "infidel" Buddhists in the Far East to the "heretic" Orthodox Serbians in the Balkans. The Jesuits, in control of both **George H. W. Bush** (along with the American military) and **Saddam Hussein**, *through 33º Freemasonry*, "extirpated" the "infidel" Shiite Moslems of Iraq while initiating the unification of Europe's military, *largely Roman Catholic*, during **Operation Desert Storm**. An anonymous source suggests why the Islamic people of Iraq have been mass-murdered by the Military Industrial Complex of the Order's "**Holy Roman**" **Fourteenth Amendment American Empire** for the last twenty-eight years:

> "At the request of **Pope Pius XI** in 1931, and as directed by **Jesuit General Ledochowski**, the Jesuits of the New England Province, headquartered in Boston, opened a new high school in 1932 by the name of **Baghdad College**, located in Baghdad, Iraq, and staffed by the Jesuit Fathers, Scholastics, and Brothers from four US Provinces. Over the years Baghdad College flourished on what became a beautiful date-palm-covered property, was attended by both Catholic and Islamic students, and developed a reputation as one of the finest schools in Iraq. The Jesuits in Iraq operated under a government restriction that they engage in no proselytizing of their Islamic students, although they were free to service Catholic communities in the country. Some years later, in 1956, the Jesuits opened **Al-Hikma University**, with curricula in business and engineering. Al-Hikma was also located in the Baghdad area, several miles from Baghdad College.

[*Remembering that the Universities of the Military Company of the Society of Jesus are in fact military fortresses through which the Jesuits carry out their military quest in subordinating all nations to the absolute Temporal Power of* the Papal Caesar *in Rome, we read further that:*]

> The political events in Iraq from 1932 to 1979 included:

1932 – Independence, League of Nations Mandate. **Faisal I** becomes King of independent Iraq.

Jesuits open **Baghdad College** (high school) in Iraq.

1933 – King Faisal I dies. **Faisal II** becomes King of Iraq.

1956 – Jesuits open **Al-Hikma University** in Baghdad.

1958 – **Hashemite** dynasty overthrown (as had been done by the Order's **Wahhabi al-Saud** tribe to the Arabian **Hashemite** dynasty in 1926),

King Faisal II and **Prime Minister Nuri Said** are killed;

Karim Kassem seizes power; Republic proclaimed.

1963 – President Karim Kassem overthrown and killed.

1966 – **President Muhammed Aref** killed in a helicopter crash.

1968 – November. **Al-Hikma Jesuits expelled from Iraq;** allowed five days to leave the country.

1969 – **All Jesuits expelled from Iraq** (including **Fr. Joseph MacDonnell**).

1979 – **Saddam Hussein** becomes President of Iraq; *payback time* for the Moslem People of Iraq [*1979-Present*] I wonder if the above **expulsion of the Jesuits** entitled Iraq [*ravaged by more than two decades of war, depravation and Jesuit tyranny administered by* the **Black Pope**'s *Masonic Hussein Dynasty*] to the mass-destruction and horrendous massacres connected with the various wars and bombings—the Iran-Iraq War; the Gulf war, etc. [*and now invaded during the Order's anti-American, Anglo-American-led, bogus "War on Islamic Terrorism"*]." {20}

Dear truth-seeker, could it be that **Saddam Hussein**, the resultant Moslem military dictator of Iraq for twenty-five years, who used chemical weapons not only on Iran *but on his own Iraqi people*, was put in power by the Jesuit Order? Is it not extremely telling that Saddam Hussein was never eliminated by an easily ordered "Special Operation" of the Jesuits' American Military Intelligence during the Gulf War, as he had been a brother Shriner Freemason and business partner with the Order's CFR member, Mafia associate and former CIA Director, **President George H. W. Bush**? (See **Pete Brewton's** *The Mafia, CIA and George Bush, (1992).)* Clearly, the **Black Pope**'s wars upon Iraq for the last twenty-eight years have been waged against the Moslem peoples of Iraq, *not the Jesuit-controlled government of Iraq (as Saddam was secretly removed and his "stand-in double" was openly hung)!*

Meanwhile, we American people have been brainwashed into embracing the addiction of games and amusements, while our intelligence communities are pursuing "fun and games" against false enemies, intrigues and assassinations, in restoring and maintaining the **Temporal Power** of the Pope around the world. The revived Greco-Roman Olympic games fulfill a major goal of the Jesuit Order—the bringing of the world's people together glorifying the physical abilities of Man! One day it will be an international union around one Satanic Man—**the "risen"** Papal Caesar having razed the Vatican and ruling the world under a new name, possibly "**SET**." The American people are not only addicted to the Olympic games but we are consumed with the vanities of professional sports, all of which should be abolished!. This is precisely what the Jesuits said they would do in their blueprint for world government, *The Protocols of the Learned Elders of Zion*. Protocol number 13 declares:

> "In order that the masses themselves may not guess what [*our fruitless agitations*] are about, we further distract them with **amusements, games, pastimes, passions, people's palaces . . .** Soon we shall begin through the press to propose competitions in art, in sport of all kinds: these interests will finally distract their minds . . ." {21}[Emphasis added]

Dear truth-seeker, it is a matter of fact these games and amusements are not controlled by a *Jewish conspiracy*, as the authors of *The Protocols of the Learned Elders of Zion* would have us believe, but by a *Gentile conspiracy*. How do we know this? Jesus the Messiah declared to his Old Testament, Hebrew/Jewish disciples:

"And when ye shall see Jerusalem compassed with armies,
then know that the desolation thereof is nigh . . .
And they shall fall by the edge of the sword,
and shall be led away captive into all nations:
and Jerusalem shall be trodden down of the Gentiles,
until the times of the Gentiles be fulfilled."

– Luke 21:20, 24

Thus, the biblical explanation of the present plight of the physical descendants of Abraham, Isaac and Jacob is clear. The destruction of Jerusalem**,** along with its **Second Temple** by the Roman legions of **General Titus** (the fifth "***king***" or Roman Caesar of ***Revelation 17:10***), occurred in 70 A.D. *Due to Israel's breaking of the conditional Mosaic Covenant, which includes the rejection of "**That Prophet**" (**Deuteronomy 18:18**)* Jesus the Messiah, **National Israel**, composed of the Hebrew/Jewish Race, has been ***"the tail"*** of all nations (***Deuteronomy 28:13***), scattered and persecuted *by ruling and rich Gentiles* throughout the world, as foretold by ***Moses the Prophet***. Somberly moved by the Holy Spirit of God Moses wrote:

"The LORD shall cause thee to be smitten before thine enemies:

thou shalt go out one way against them, . . .
and shalt be removed into all the kingdoms of the earth . . .
And thou shalt become an astonishment, a proverb, and a byword,
among all nations whither the LORD shall lead thee . . .
The stranger that is within thee shall get up above thee very high;
and thou shalt come down very low.
He shall lend to thee, and thou shalt not lend to him:
he shall be the head, thou shalt be the tail . . .
And the LORD shall scatter thee among all people,
from the one end of the earth even unto the other;
and there thou shalt serve other gods,
which neither thou nor thy fathers have known,
even wood and stone.
And among these nations shalt thou find no ease,
neither shall the sole of thy foot have rest:
but the LORD shall give thee there a trembling heart,
and failing of eyes, and sorrow of mind:
And thy life shall hang in doubt before thee;
and thou shalt fear day and night,
and shalt have none assurance of thy life:
In the morning thou shalt say,
Would God it were even!
and at even thou shalt say,
Would God it were morning!
for the fear of thine heart wherewith thou shalt fear,
and for the sight of thine eyes which thou shalt see.

– Deuteronomy 28:25, 37
– Deuteronomy 28:43, 44
– Deuteronomy 28:64-67

During this time of dispersion Jerusalem has been under *Gentile* dominion. And even though the Holy City is presently governed by Masonic Jewish Labor Zionists, they willingly rule—*by permission only*—on behalf of evil White Gentiles now governing New York, London and Rome—the **Black Pope** with his "*infallible*" **White Pope** backed by his blueblood, "Illuminati bloodlines" within the militaristic Knights of Malta and hundreds of "commoner" Masonic secret societies! Therefore, we are living under the preeminence of a **White Gentile Jesuit Conspiracy** centered in **Rome** with its tentacles directing **Britain** and **America** and thus all nations of the world, including **China**, **Russia** and all **Moslem Nations**. It employs notorious **Masonic Jews** (and Gentiles) as their agents. This furthers the deception of an "**International Jewish Conspiracy**" oppressing the nations. Using this lie, Satan, with his **White Gentile Jesuit General** in control of all major secret societies, is creating global, anti-Jewish fury once again! This fury will one day culminate in the last mad attempt of the world's *Gentile Nations* to invade Israel, "***the holy land***" (***Zechariah 2:12***), and attempt the destruction of the physical descendants of Jacob—"***the holy people***" (***Daniel 12:7***) or "***the holy seed***" (***Isaiah 6:13***)—in the plains of Megiddo, called "**Armageddon**" (***Revelation 14:14-20; 16:16; 19;11-21***).

A few examples of this **White Gentile Jesuit Conspiracy** will suffice, as the players are always members of the same secret societies. **Walt Disney,** the founder of "Disneyland" and "Disney World," was a 33rd Degree Freemason. The **Irish Leo J. O'Donovan**, Professed Jesuit of the Fourth Vow, past president of Georgetown University and a bosom friend of **President Clinton**, was on the seventeen-member board of directors of the Walt Disney Company from 1996 to 1998. The racial Jew and Roman Catholic Knight of Malta**, Bowie Kuhn**, was the Commissioner of Baseball. Knight of Malta **Frank Capra** was Hollywood's greatest director and censor of World War II, and the land upon which Yankee Stadium sits was, and still is, owned by the **Knights of Columbus**. Of the Knights of Columbus we read:

> "The Knights of Columbus is a fraternal organization of Catholic men with a membership of nearly 1.2 million [*over 1 million junior-Jesuit crusading executioners for the Pope!!!*] . . . the Knights bought for $6.5 million the land on which **Yankee Stadium** in New York stands . . . Thus when in October 1965, Pope Paul [**Paul VI**] went to New York City to visit the United Nations and later at a pontifical mass in Yankee Stadium, His Holiness in effect was on home ground." {22}[Emphasis added]

After the death of **Spellman's President Johnson**, **Richard Nixon** became Commander-in-Chief. **Nixon**, the old friend of **Spellman** and fellow "Cold Warrior," extended the War in Vietnam to the bombing of Cambodia *at the advice of a Jesuit*, **Dan Lyons**, who personally consulted **General Abrams**, the Commander of U.S. Forces in Vietnam! **Nixon** continued to promote the Jesuit agenda as outlined in *The Protocols of the Learned Elders of Zion*, as his speechwriter *was another Jesuit!*

> "One of Nixon's main speech writers during three whole years was a Jesuit father, the **Rev. John McLaughlin,** who wrote the Nixon speeches at a salary of $32,000 a year [*and presently heads the publicly aired "The McLaughlin Group," formerly televised by an atheist CFR member*, **Ted Turner**, *through his media monopoly, Cable News Network (CNN)*]." {23}[Emphasis added]

(Dear truth-seeker, do you see how the ***Black Pope***, in controlling his **Fourteenth Amendment American Empire** through the Cardinal's **Council on Foreign Relations** and implementing *The Protocols of the Learned Elders of Zion*, fulfills his evil **Council of Trent** through his Black-robed Militia, the Company of Jesus?) The progress of the Great Jesuit Conspiracy controlling American Presidents from **Lyndon Johnson** to **George W. Bush** is clearly described in two great works. The first is **Colonel James "Bo" Gritz's** *Called to Serve: Profiles in Conspiracy from John F. Kennedy to George Bush,* from which we read:

> "This is a definite account of a nation betrayed. A spider web of 'patriots for profit,' operating from the highest positions of special trust and confidence, have successfully circumvented our constitutional system in pursuit of a **New World Order**. They have infused America with drugs [*via the CFR's CIA/Mafia alliance*] in order to fund covert operations while sealing the fate of our servicemen left in Communist prisons . . . At the very least this book represents a factual, true-life adventure that will take you on a riveting journey from the White House, down a heroin highway, to Burma's Golden Triangle where you will meet **General Khun Sa**—undisputed drug overlord. You will infiltrate the jungles of Communist Asia to rescue U.S. POWs, and in turn be pursued. You'll be taken behind the veil of U.S. covert operations to view deceit and betrayal. At best, this will produce a crack in the facade of 20th century American government, through which concerned citizens can view the looming peril and act in time to reverse our course while God gives us time." {24} [Emphasis added]

(Dear truth-seeker, we must never forget that the Mormon, **James "Bo" Gritz**, Army Colonel and Commander of the Green Berets—though he appears to have remained a CIA operative and thus in the employ of the Company's American Intelligence Community—was the most decorated soldier of the Vatican's War in Vietnam.)

The second is **Mark Phillips'** and **Cathy O'Brien's** *Trance: Formation of America*, which declares:

> "This book is primarily the autobiography of **Cathy O'Brien**, who did not volunteer for service to her country, but was used her entire life against her innate, voluntary will for perpetrating criminal activity by many so-called leaders within the U.S. Government . . . Together, Cathy and I have dedicated our lives to the pursuit of justice and rehabilitation for her and **Kelly** [*Cathy's repeatedly raped, tortured and abused daughter*]. All avenues of justice and rehabilitative relief have been blocked **For Reasons of National Security**. . . . The question arises, whose security? Cathy O'Brien provides the logical answer." {25} [Emphasis added]

(**Cathy O'Brien**, forced into compulsory prostitution to "service" American Presidents **Ford**, **Reagan** and **Bush**, has bravely come forth and told her story, for which she should be honored by all Americans! **Mark Phillips**, who rescued her from White slavery and near death, ought to be given the same. For in recalling **Jeremiah Crowley's** great work written in the early Twentieth Century, *The Pope—Chief of White Slavers, High Priest of Intrigue*, our hero proved "the Vicar of Christ" controlled organized prostitution in the American Empire. Today **Pope Benedict XVI**, now advised by **Henry Kissinger**, controls it through his CIA/Mafia,

protected by his CFR-ruled, Attorney General *(Grand Inquisitor),* directing the Department of Justice *(Holy Office of the Inquisition)* serviced by *"the Order of the FBI."*

These works, including *"Jesuit Vatican Tyranny,"* a twenty-one page article (found at **http://members.foothills.net/ricefile/JesVat.htm**) updating the reader on the traitors presently empowered by the Company to despotically rule over its "Holy Roman" Fourteenth Amendment American Empire, serve as companions to Vatican Assassins: "Wounded In The House Of My Friends," and are most heartily recommended by the author in describing the Jesuit control of Washington through the **Council on Foreign Relations** for the last eighty years. Author **Joel Bainerman** in his 1992 masterpiece, *The Crimes of a President: New Revelations on Conspiracy & Cover-up in the Bush & Reagan Administrations*, further sums up the matter:

> "[*33rd Degree Freemason*] **George** [**H. W.**] **Bush** has corrupted the American system to such an extent that he can get away with any crime [*just like his son, President George W. Bush*]. . . . **George Bush. Skull and Bones. Drug trafficking by the CIA. The assassinations of JFK and RFK. The Council on Foreign Relations and the Trilateral Commission.** There is a global conspiracy founded on the Freemasonry notion of a **New World Order** and global domination, and President Bush [*and now his President son who is a party to the Jesuit-controlled CFR/CIA demolition of the WTC*] plays a major part in it." {26} [Emphasis added]

Let us read, diligently pray, and then acquit ourselves as men remembering the LORD's exhortation at the mouth of **Joab** found in ***I Chronicles 19:13***:

"Be of good courage, and let us behave ourselves valiantly for our people, and for the cities of our God:
and let the LORD do that which is good in his sight."

Jesuit Dr. John McLaughlin (1927 – Present), 1973 #723

This arrogant Jesuit was a speechwriter and special assistant (i.e., "confessor") to Presidents Nixon and Ford. He has written for SMOM William F. Buckley, Jr.'s, *National Review* and hosts "The McLaughlin Group." Popular in the Jesuit Theater (Babylonish "Hollywood"), he has appeared in several motion pictures.

US Congressman: Jesuit Priest Robert F. Drinan, 1973 #724

This Son of Loyola introduced the House Resolution for the impeachment of President Nixon for ending the Vietnam War prematurely. Instead of killing the Commander-in-Chief, as the Company had murdered President Kennedy, Nixon was removed with the CIA scandal known as "The Watergate Affair" backed by Papal Knights Kissinger and Haig. After Nixon's resignation Shriner Freemason and Warren Commission conspirator, President Ford, was ordered to pardon the broken Quaker. Drinan, America's "Rodin the Jesuit," is now a law professor at the nation's true capital, the **Black Pope**'s Jesuit Georgetown University.

A graduate and trustee of the Jesuit Order's Fordham University, an officer of SMOM Bill Donovan's OSS, a Director of the SEC and Export-Import Bank, Irish Roman Catholic William J. Casey, friend of William F. Buckley, Jr., was a most important person of the SMOM-dominated government of Papal Knight Ronald Reagan who chose Jesuit William J. Bennett to be his Secretary of Education, SMOM Admiral James D. Watkins to be Chief of Naval Operations and gave formal recognition to the Papal Caesar's Vatican City-State in 1984.

Above we have one of President Nixon's Jesuit-controlled masters being sworn in to the Office of Securities and Exchange Commissioner by Federal Judge John J. Sirica, the very Roman Catholic judge who sentenced Jesuit-trained G. Gordon Liddy to twenty years in prison for refusing to betray Nixon during the Order's Watergate scandal. Below, we have honorary Knight of Malta and "Irish American" crypto-Roman Catholic President Ronald Reagan (the abject tool of New York Archbishop John Cardinal O'Connor's Knights of Malta including J. Peter Grace, Jr., of the Grace Commission and Alexander M. Haig, Jr.) sitting with his advisor and mastermind behind the Iran-Contra Scandal, the Jesuit-trained Fordham University graduate and Knight of Malta, William J. Casey. Casey later "died suddenly" at the Order's Georgetown University Hospital shortly before his Congressional testimony concerning the Iran-Contra Scandal.

In meeting with his American NSA/CIA boss, KGB Officer Vitaly Yurchenko "defected" to America in 1985 but returned to the USSR three months later having no fear of being shot or imprisoned in the Order's Gulag Archipelago. During his CIA "debriefing" Yurchenko met with Knight of Malta William J. Casey for an "informative" business dinner one evening at CIA Headquarters in Langley, Virginia. Indeed, the ***Black Pope***'s CIA and KGB have worked together since the beginning of the Vatican's Cold War. As of April 1, 2003, General Yevgeni Primakov—the former KGB head—has been hired as a "consultant" by the Company's American Gestapo, the Department of Homeland Security, created by Jesuit Temporal Coadjutor and CIA officer, CFR member John C. Gannon.

Reagan with "October Surprise" Boss, William J. Casey, 1980 #731

Overthrowing Prime Minister Mossadegh who patriotically nationalized Iran's oil industry thus attacking the **Black Pope**'s British-owned, Anglo-Iranian Oil Company, the Shah returned to his throne via the CIA and MI6's "Operation Ajax." Shah Pahlavi, having recognized the Pope's Labor Zionist government of Israel, created his dreaded Secret Police (SAVAK) in 1957 and ruled Iran with "an iron fist in a velvet glove" until departing for the US in 1979. Aided by the CIA, that same year Ayatollah Khomeini assumed power in Iran as did Masonic Saddam Hussein in Iraq. Rome's American Knights of Malta, including DCI William J. Casey, would then arm Iran via secret deals (the "October Surprise") still shrouded in mystery, including the Iran-Contra Affair. In the name of the American people, the Pope's CFR-controlled US government illegally armed Iran ("Irangate"—1985) and Iraq ("Iraqgate"—1985-89) during the Iran-Iraq War. The purpose of the merciless and bloody war was to create mutual annihilation of Shiite Moslems, drive the Jews of both nations back to Israel and create anti-American fury throughout the Moslem World. The arms sold to Iran and Iraq would ultimately be used against invading American soldiers through their ordered, unprotected mass-detonations of chemical and biological weapons, weakening our armed forces during its Vatican-decreed Crusade against Islam. Upon the Jesuits using their American Military Industrial Complex to arm the Soviets and Moslem nations during the Pope's Cold War, as well as arming the Chinese and Russians during the post-Cold War, the weapons of our coming Sino-Soviet-Moslem-Latino invaders will have been "made in the USA."

With Italian Prime Minister Giulio Andreotti, Reagan illegally armed Masonic Saddam Hussein's Iraq (1985-1989) during its war with Iran (1980-1988). This was the secret policy of Rome, Reagan the mere tool of Knights of Malta: Vice President George H. W. Bush; CIA Director William J. Casey; National Security Advisor Richard V. Allen; Sec. of State Alexander M. Haig, Jr.; Ambassador-at-Large Vernon A. Walters; and J. Peter Grace, Jr. of the Grace Commission.

The ***Black Pope*** began and ended his Cold War on the Roman Catholic island of Malta. Before Jesuit Coadjutor Harry Hopkins arrived at Malta with SMOM Charles E. Bohlen and SMOM W. Averell Harriman, he first had an audience before Pius XII with SMOM Myron C. Taylor.* Receiving his instructions for the Yalta conference, details were finalized at Malta. Forty-five years later Bush and Gorbechev ended the Cold War on Malta graciously hosted by the Knights of Malta in control of the island since 1964. Thereafter, the Russian "Tongue" of SMOM was re-admitted into Russia, now based in Moscow and St. Petersburg.

Taken at the Waldorf-Astoria Hotel in New York at the annual (Knight of Columbus) Alfred E. This champion of the Temporal Power of the Pope of Rome, Edward Cardinal Egan was John Paul II's trusted agent who orchestrated the terrorist events of 911 using his Knights of Malta directing every detail of the NSA/CIA/FBI "black operation."

American Bush Royal Family at the Funeral of JPII, 2005 #738

This photo speaks volumes as to who is the real master of America's Bush Royal Family now ruling the Company's pro-Labor Zionist, "Holy Roman" Fourteenth Amendment, Corporate-Fascist, American Empire. Why would President George W. Bush and his father, former President George H. W. Bush, as well as former President William J. Clinton, all be kneeling in obeisance to the Pope of Rome when none of them are Roman Catholics? The answer is the Pope is the "ruler of the world," the "King of kings and Lord of lords," declaring "the nation that will not serve me shall perish." Thus, we see the most influential American Knight of Malta at the pinnacle of his power carefully ascended during the last fifty years. For George H. W. Bush, as an oil tycoon, participated in: the Bay of Pigs "sacrifice of the mass," further securing Jesuit Castro's Cuba for our future Sino-Soviet-Moslem invasion into Miami; the Kennedy Assassination and Great Jesuit Cover-up while a covert, CIA contract agent; the Watergate Scandal ousting a disobedient President Nixon from office; the Iran-Contra Scandal arming Iran for the Empire's coming war with the Moslem World, and financing the Nicaragua Contras who, like the Cuban patriots who sought to overthrow Castro, were betrayed by the fascist CIA; the Savings and Loan Scandal, one of the largest thefts in the history of the world; the Bank of Credit and Commerce International (BCCI), the largest bank fraud in financial history; and the 911 demolition of the World Trade Center providing the pretext for invading Iraq and Afghanistan, igniting the **Black Pope**'s 21st Century Crusade against Islam. Rome's expanding Temporal Power is promoted by the Bush Family dynasty.

Chapter 49
The Jesuits **— 1906 – 2007**

Jesuit Medica—*Biowarfare and Genocide:*
The Allopathic American Medical and Dental Associations
Continuing Hitler's Nazi SS Tortures and Medicalized Killing
The Food & Drug Administration: 100 Years of Murder

Rome's Holy Office of the Inquisition Under Another Name

"Ah! the blood of **sixty-eight millions of the human race**, which has flowed from the veins of the saints and martyrs of **Jesus**, and which cries to God for vengeance against the Babylonish harlot, leaves us no room to hesitate respecting the application of Daniel's prediction! The Church of Rome has literally *worn out* the saints of the Most High! Witness the heartless cruelties practiced upon the simple and pious **Waldenses**! See the torrents of blood, which have been poured out like streams of water among the martyred **Culdees**, and **Albigenses**, and **Bohemian** brethren [*the Protestant Bohemian Czechs being the first victims to be sent to Hitler's Death Camps during the Order's 20th Century Second Thirty Years' War*]!

Look in to the horror dens of the Inquisition, before whose ghostly tribunal the young men, the blooming maiden, the aged father and the fond mother were dragged under the pretext of the suspicion of heresy, but in reality to glut the avarice or lust, or malice of the diabolical inquisitors [*exactly as was done in Hitler's Nazi Germany and Stalin's Communist USSR—both secretly ruled by the Jesuits*]! The saints of the Most High were *worn out* by the tortures of the rack, and the fire. **Satan ruled supreme in this infernal office**! Its interior was in strict accordance with the deeds of darkness and of blood, which were daily enacted within its gloomy walls! It seemed as though the **seat of Satan** had been removed to the earth, and as if he had established a hell in miniature among men! There, by the flash of the gleaming torch, you see the servants of the Holy Inquisition; their countenances stern with cruelty, frowning with the scowl of malice upon the victims of ghostly tyranny. In vain does the affrighted prisoner shriek with terror, and call for help, when he views the instruments of death! The torturing dungeons are so deep; the massy doors are so close, that no groan however loud, no wail of men in their death agony, no shriek, however piercing, can reach the upper air! There, in hopeless, helpless misery, the unhappy victims of **Antichrist** submit to the horrid cruelties with which he wears out the saints of the Most High! One mode of torture, I will mention.

'When the Spanish Inquisition was thrown open by the troops of Napoleon and King Joseph, an image of the Virgin [known as "The Iron Maiden"] was found standing in a dark corner of a cell. On closer inspection it was discovered by the French officer to be an engine of torture; underneath the robes with which the image was covered, was a metal breastplate stuck full of needles, spikes and lancets. The familiar was ordered to manoeuvre it. He did so; it raised its arms as if to embrace; a knapsack was thrown into them; gradually the arms closed, pressing the object within them closer and closer to the breast of the image, crushing and piercing it with a hundred wounds.'

This is one of the implements of death with which papal Rome in the nineteenth century stood prepared to wear out the saints of the Most High [*even as* **Pope Pius IX** *called for the return of the guillotine to be used against "accursed heretics and liberals" according to Scottish Protestant historian* **James A. Wylie**]! Oh! who can number the tears, and count the sighs that have been wrung from the weeping, tortured prisoners of that accursed office! . . . Spain is strewed with the ashes of many an **Auto de Fe,** at which those who loved **God's Word**, and gloried in God's truth, were roasted alive by the hideous crew of Monkish Inquisitors, and Popish priests! England has quivered in every nerve, under the torturing grasp of **Antichrist;** and Ireland has been drenched with Protestant blood!

If the blood of 68 millions of the human race is not enough to make the Babylonish woman drunk, she surely must be proof against intoxication! This blood has dyed her with its scarlet hue, and fixed the gory mark upon her, which stamps her as the blood-stained **HARLOT**, drunk with the blood of the saints, and with the blood of the martyrs of Jesus!" {1}[Emphasis added]

"The time will arrive very soon, in which the **'Company of Jesus'** will become very solicitous in the **human sciences**, *but without a single application to virtue*, the ambition will be to dominate, the overbearing and pride penetrating its soul, to rule alone and no one can restrain them." {2}[Emphasis added]

Gerome Lanuza, 1650?
Bishop of Albarracin

"My work on *The Nazi Doctors* began and ended with [*a Bavarian-born Roman Catholic, SS Captain and Medical Doctor, Jesuit Temporal Coadjutor*] **Josef Mengele**. . . . Although I had originally considered focusing my study on Mengele, I soon realized that such a focus could further the cult of demonic personality already surrounding him and thereby neglect the more general Nazi phenomenon of medicalized killing. . . . It was only in 1958 that he began to reach a status of public infamy, . . . And as Mengele moved through various parts of South America [*thanks to* **Pope Pius XII's** *Vatican Ratlines overseen by the Jesuits*] to prevent capture or extradition, these testimonies of survivors continued unabated . . . While he is known to have spent considerable time in Argentina and Paraguay [*in which had been located the Order's communist Reductions (1609-1767)*], his long stay in Brazil [*founded by the Jesuits*] has been less recognized: . . .

What we know about the thirty-two year old man who arrived in Auschwitz on 30 May 1943 is not especially remarkable. He was the second son of a well-to-do Bavarian industrialist . . . The family is described as 'strict Catholic,' and Mengele identified himself as a Catholic on all his official forms . . . Matriculating at the universities not only in Munich, but also in Bonn, Vienna, and Frankfurt, Mengele came to concentrate on the physical anthropology and genetics of his time, eventually working under **Otmar von Verscheuer** at the Frankfurt University Institute of Hereditary Biology and Racial Hygiene: . . . Mengele [*was*] so kind that women at the institute referred to him as **'Father Mengele'**—a nickname that could of course have other connotations [*including a clandestine priesthood*]. . . .

His medical dissertation published in 1938 and entitled, 'Genealogical Studies in the Cases of Cleft-Lip-Jaw Palate' [*which deformity is usually a result of nutritional deficiencies, not genetic insufficiencies*] prefigured his Auschwitz work on genetic abnormalities . . . His third publication was entitled 'Hereditary Transmission of Fistulae Auris' [*and was published*] in a journal *Der Erbarzt*, **'The Genetic Physician.'** . . .

[*Dear truth-seeker, American allopathic physicians today attribute nearly all deformities and chronic diseases to genetic causes; never to vaccines, inherited infections, abusive lifestyles, toxic poisonous environments or adulterated foodstuffs. Thus, this false genetic theory of disease provides the non-empirical religious dogma necessary for all allopathic treatments, they being prescription drugs, radiation therapies and radical surgeries in addition to stem-cell research and genetic engineering. Put upon historic White Protestant nations,* the Society of Jesus *makes a fortune through its pharmaceutical industries while congruently destroying the health of those nations. The Allopathic Genetic Physician is in truth the Nazi Physician.*]

What did Mengele actually do in Auschwitz? . . . 'He had a reputation; it was a name that was heard the most. He was everywhere.' . . . He . . . committed real crimes, murderous crimes, direct murder. The Frankfurt Court, in indicting him for extradition [*knowing full well that he was in Brazil*], spoke of 'hideous crimes' committed alone or with others 'willfully and with bloodlust.' These crimes included selections, **lethal injections**, shootings, beatings, and other forms of deliberate killing. . . . 'He was brutal, but in a gentlemanly, depraved way. . . . he had no problems—not with his conscience, not with anybody, not with anything . . . he was absolutely convinced he was doing the right thing . . .while he continued to whistle his [**Richard**] **Wagner** . . . like an automaton, a gentleman carrying out indifferent functions . . . very cold, businesslike, matter-of-fact. . . . a very bad person, . . . and you saw it . . . in his eyes . . . brown and bloodshot,' . . . his eyes 'had a 'cruel expression' or were 'the eyes of a fish,' or 'dead eyes,' 'wild eyes,' or eyes that never looked at one's own [*eyes*]. . . . He was free to do whatever he pleased with us . . . [*He was*] the lord of life and death. . . . How we hated this charlatan! . . . How we despised his detached haughty air, his continual whistling, his absurd orders, his frigid cruelty! Dr. Mengele had the air of a man who took great satisfaction in his work and was pleased with his calling [*while many of the guards at Auschwitz wore belt buckles with Catholic crucifixes on them according to the late Hungarian survivor,* **Theodora Moscovitz**],' . . .

Mengele prepared a special dissection room, including a 'dissection table of polished marble,' a basin with 'nickel taps,' and 'three porcelain sinks,' . . . The overall arrangement, . . . was, 'the exact replica of any large city's institute of pathology. . . . Mengele, in the laboratory, 'became a different person entirely, . . . a [*demon-possessed*] fanatic . . . like a dual personality [*and*] if he didn't see blood on his white uniform [*in shedding the blood of the heretic in accordance with the Jesuit Oath*], he wasn't content.' "

[Dear truth-seeker, **Josef Mengele** was an SS Jesuit Temporal Coadjutor under Extreme Oath evidenced by his calm mannerisms while committing cold-blooded murder. Disguised as a "doctor," and imbibed with the false theory of the "Genetic Physician," he was the perfect "Manchurian Candidate," meticulously performing his professional duties for his master controlling **I. G. Farben** via German Knights of Malta. "Largely unbeknownst to the American people there is a war going on that has claimed victims in every family. This war is escalating and threatens every human life. It is a war being waged in the interests of the multibillion-dollar pharmaceutical industry [*ruled by the Pope's* Knights of Malta], which is not a health industry but rather an investment business built on the continuation and expansion of global diseases. Your health and the health of every person in America are threatened in several ways:

1. 'The business with disease' as the basis of the pharmaceutical industry. The pharmaceutical industry is a multibillion-dollar investment business that has orchestrated the largest fraud in human history. It promises health, but in fact **thrives on the continuation of diseases.** This fraud scheme is easily unmasked. Most pharmaceutical drugs are designed to merely cover disease symptoms, but are not intended to cure or eradicate diseases. As a direct result of this multibillion-dollar fraud business, no cure has ever been found for **cardiovascular disease, cancer, diabetes,** or any other chronic disease. On the contrary, these diseases continue in epidemic proportions, killing about 5,000 Americans every day. This compares to the annihilation of a city the size of San Francisco every year.

2. The epidemic of dangerous side effects caused by pharmaceutical drugs. The dangerous side effects of Vioxx, Celebrex, Lipitor and Prozac are not the exception; they are the rule. Due to their synthetic nature, most pharmaceutical drugs are toxic to our bodies, causing organ damage and other serious side effects. According to the **American Medical Association**, one million Americans suffered disabilities from taking pharmaceutical drugs and more than 100,000 of them die as a result of this every single year.

3. Legislation that protects the expansion of the deadly business with disease. For decades drug companies have used their giant profits to manipulate the public and influence legislation, including that from the U.S. Congress and the White House. Now that the deadly consequences of the pharmaceutical fraud business have been unmasked, the survival of this industry depends on the **protectionist laws.** The current push of the [**George W.**] **Bush** administration for so-called medical liability reform is not about protecting gynecologists and the medical doctors from medical liability lawsuits. The centerpiece of the proposed medical liability legislation is to prohibit punitive damage awards and liability lawsuits brought by injured patients against drug companies! This medical liability legislation is being used as a cover to grant amnesty to drug manufacturers, protecting them from having to compensate millions of patients for the harm their drugs have caused. It is payback for the pharmaceutical industry, which was the largest corporate sponsor of the Bush

election campaign. . . . As the direct consequence of this law, tens of millions of Americans will suffer disability and die from preventable diseases within the next decades [*further fulfilling the Order's wicked Council of Trent*].

4. Withholding life-saving information about the health benefits of vitamins and natural therapies. A precondition for this 'business with disease' based on patentable synthetic drugs is the suppression of effective and safe, but nonpatentable and therefore less profitable, natural therapies. For decades the pharmaceutical industry has strategically expanded its influence on medical education with devastating results. It has deliberately blocked any information about the essential role of vitamins and other micronutrients in maintaining health ([*that information which is*] contained in every textbook of biology, biochemistry, and natural science) from entering medical school teaching and practice. Through their strategic influence, the pharmaceutical industry has established a **global monopoly** on medicine. As a direct result, generations of medical doctors have not received adequate training in nutritional and other natural therapies. Doctors and patients alike have become victims of the pharmaceutical industry's efforts to monopolize human health. As a result, **tens of millions of Americans** have died unnecessarily over the past decades because this life-saving health information has not been available to them.

5. Suppressing effective natural therapies by law. Effective, safe, and nonpatentable natural therapies threaten the very basis of the pharmaceutical investment business. They target and correct the underlying cellular deficiencies of today's most common diseases, thereby preventing and even eradicating them. The elimination of any disease inevitably destroys a multibillion-dollar market for the pharmaceutical industry, thus the pharmaceutical industry has launched a **global campaign** to protect its patent-based 'business with disease' by outlawing natural nonpatentable therapies at the **national** and **international level**. This is the background for the Bush administration's attack on the Dietary Supplement Health and Education Act—the key legislation protecting the rights of the American people for free access to natural therapies and to freedom-of-health choice. If this fundamental human right to natural health is taken away, the health of **billions of people** will be compromised and tens of millions of them will pay the ultimate price for generations to come." {4} [Emphasis added]

"Yes, **Judyth Vary Baker** had the technical qualifications to be 'the technician' that did 'the bench work' in the **Ferrie-Sherman** medical laboratory. Hearing

Judyth admit that as a 19-year old she assisted **Lee Harvey Oswald, David Ferrie, Dr. Mary Sherman,** and [*New Orleans Jesuit Temporal Coadjutor*] **Dr. Alton Ochsner** in their efforts to develop a biological weapon is . . . a brain buster! . . . **Judyth** is adamant that **Mary Sherman** was definitely part of the cancer-virus research project that was going on at **David Ferrie's** apartment. In fact, part of Judyth's daily operational cycle was to bring 'the extracts' of her cancer-causing virus research from Ferrie's apartment to Mary Sherman's apartment. She also clearly states that **Dr. Alton Ochsner** was ultimately in charge of the Ferrie-Sherman lab. And that both she and **Lee Oswald** were part of the effort to use the cancer-causing monkey viruses to develop a biological weapon [*secretly intended to be used against us* Americans, thus furthering the Order's Counter-Reformation]. . . . The mice were delivered to his apartment several times per week for processing as part of the operation. To my mind, this has always been what I called 'the worse case scenario'—the confirmed existence of the secret cooperation between talented scientists, dangerous radioactive equipment, monkey viruses and political extremists in an underground laboratory. . . . Judyth's knowledge of and personal involvement with the subject of cancer research is remarkable to this day. Upon seeing a 2006 news article about a breakthrough in cancer research involving a mouse whose immune system was extremely good at resisting cancer, Judyth sent me an email which said:

'We could have cured cancer . . . decades ago. . . . and here you see that macrophages in mice do it—and yes, just as I have claimed they could. . . . This can be turned into an efficient and cheap way to combat cancer. Oh, if only I could have convinced somebody to just give me a chance to direct a lab! . . . And also because they are still just using murine (mouse) macrophages, a first step that I knew would work way back in 1961. Oh, I feel as if my whole life has been wasted! Have to admit I just sat down after reading this and wept tears of anger and frustration for the millions who have suffered and died from cancer, especially children, and I knew the key, but my mouth had been stopped up with clay. I cannot stop weeping. . . . This is awful, to feel such anger and helplessness. Yet happy that at last they should be able to see what to do.' " {5} [Emphasis added]

"As everyone knows, rumors surrounding the Kennedy assassination persevered, even after the Senate Select Committee on Intelligence and the House [*Select*] Committee on Assassinations had issued reports [*the HSCA*

having concluded JFK had been killed by a "conspiracy"]. The old **conspiracy theories** continued to circulate, and a new generation of theorists arose. . . . Many of these theories depended in part on the idea that the autopsy at Bethesda Naval Hospital was somehow flawed. In response to the heated public dialogue following the release of **Oliver Stone's** *JFK*, the [*CFR-controlled*] **American Medical Association** decided to review the autopsy findings and determine whether navy doctors had indeed participated in a grand cover-up [*proven by* **Harrison Edward Livingstone** *in High Treason 2*]. In May 1992, the *Journal of the American Medical Association (JAMA)* published the first of two articles exploring allegations that the autopsy findings were untrustworthy. The conclusions dealt a severe blow to **conspiracy theories**. *JAMA* stated unequivocally that the physicians who performed the autopsy on the night of November 22 had established beyond reasonable doubt that the president was struck by only **two bullets**, which hit him from above and behind his head. . . .

In the October 7, 1992, issue of *JAMA*, editor **George D. Lundberg, M.D.**, stated: 'A series of unbiased experts, forensic scientists, pathologists, and radiologists over the years have re-examined the Kennedy autopsy findings, using written materials, testimony of Humes [**James Joseph Humes, M.D.**], Boswell [**J. Thornton Boswell, M.D.**], and Finck [**Pierre Finck, M.D.**], the Zapruder film, photographs, X-rays, and microscopic slides.' Lundberg concluded that these experts have almost unanimously supported the published findings and interpretations of the autopsy team and the Warren Commission, the single dissenting voice being that of **Cyril H. Wecht, M.D.** [*who is now a regular guest on* the **Black Pope**'s *pro-Bush Fox News Network*]. Yet even he agreed in 1966 and wrote in 1973 that 'all shots were fired from the rear.' The calm expert testimony in the most distinguished medical publication in the United States countered the emotional outcries of the amateurs. It was, of course, no surprise to those of us who had continued to follow the case. The autopsy findings were confirmed by the Warren Commission in 1964; and in 1968, an impartial panel of four pathologists and radiologists examined all available evidence and made a sixteen-page report to [*protector of the CIA's SMOM* **Clay Shaw** *and* **David Ferrie**] **Attorney General Ramsey Clark.**" {6} [Emphasis added]

No better description of the Company has ever been so simply put than that of **Mr. Luigi Desanctis**, who later became a Reformed pastor. When his description is applied to the **American Medical Association** (AMA), the **American Dental Association** (ADA) and the **Food & Drug Administration** (FDA) we can easily see these three agencies as arms of **the Great Jesuit Conspiracy**, described by **Abate Leone** in his *The Jesuit Conspiracy: The Secret Plan of the Order* printed in 1848. The purpose of the AMA, ADA and FDA is to destroy the "heretic and liberal" American people in the name of helping them. By making the people chronically ill these agencies break any will to resist an American fascist tyranny (possibly to be overseen by **Fox News Network's** Jesuit-trained Knight of Malta, **Patrick J. Buchanan**) and the coming "New World Order" under the Jesuits' "*infallible*" Pope.

The AMA, as we know it today, began in the early 1900s. The Jesuits, through 33rd Degree and Shriner Freemasonry, the **Morgans** and the **Rockefellers** in particular, began to control the medical education of young physicians, teaching them to treat symptoms with their petroleum-based drugs. Later came surgery, and then radiation completing the medical "**unholy trinity**" of "**cut, burn and poison**."

Warning us of the drug-happy, allopathic doctor we read in 1912:

> ". . . for the doctor who imagines he can kill disease by his drug gatling-gun will quite as oft kill his patient [*as has been the case with tens of thousands of WWII veterans*]. Be suspicious of the doctor who comes into the sickroom with an air of omnipotence, takes out his stethoscope as though it was **Gabriel's Trumpet**, writes a lot of **Latin prescriptions** [*i.e., the language of Rome*] and asks never a question regarding the daily habits of the patient. . . . Beware, I say, of this class of physicians. They will sit with one hand on your pulse and the other on your pocketbook and not leave until one or the other gives out; but cure you—never! It isn't in them. They haven't the first conception of what a real, progressive, up-to-date physician really is able to do for his patients." {13} [Emphasis added]

Dear truth-seeker, *is this not the heart and soul of American medicine?*

The monstrous drug companies controlled by the Knights of Malta were some of the financiers behind the Jesuits' **Council on Foreign Relations**, which in turn created and now control the medical inquisitors—the **AMA, ADA** and **FDA**.

Purposing to sicken White Celtic-Anglo-Saxon Protestant American people, the AMA and FDA promoted mass vaccinations and immunizations. (**Senator Edward "Ted" Kennedy**, that darling of Georgetown University and Boston College Jesuits, knowing who really murdered his brothers, introduced new legislation that would attempt to vaccinate all children in the American Empire, while severely limiting exemptions parents could claim. He also seeks to set up a nationwide vaccine registry to track parents who resist the injections of monkey pus, mercury and formaldehyde into their childrens' bloodstreams.) These slow poisons in the name of medicine contain live viruses, which later erupt into "incurable diseases" such as "Cancer." **Dr. William Campbell Douglas** tells us in his *Second Opinion:*

> "I reported nearly 10 years ago, on the alarming finding that a **monkey virus**—**simian virus 40**—had contaminated both the **Salk** and **Sabin** polio vaccines [*the Jesuits always using Rome's "Court Jews" in the forefront*]. It was known at the time that this virus caused brain cancer in experimental animals but, it was covered; there was no worry as it caused no problems in humans. What the public was not told is that since **SV40** is a retro virus (like AIDS), it would take 20 to 40 years before we would know what damage had been done. I noted at

the time that brain tumors had increased in frequency since I was graduated from medical school. In 1950, they were rare, but by 1990 they were common—1950 plus 40 equals 1990 (the year I made my first report on **SV40** and brain tumors). The horrifying truth came out in the February 14, 1999, *London Telegraph*:

'The mass vaccination campaigns of the 50's and 60's may be causing hundreds of deaths a year because of a cancer-causing virus which contaminated the first polio vaccine, according to scientists. Known as **SV40**, the virus came from dead monkeys whose kidney cells were used to culture the first **Salk Vaccines**. Doctors estimate that the virus was injected into tens of millions during mass vaccination campaigns before being detected and screened out in 1963. Those born between **1941** and **1961** are thought to be most at risk of having been infected.' . . .

'Now a new study of the effects of **SV40** points to disturbing evidence that the monkey virus causes a number of **human cancers** . . . "such as non-Hodgkin's lymphoma and prostate cancer . . . and bone cancer." . . . the **monkey virus** may be passing from those given the contaminated vaccine to their children, spreading the cancer risk still further.' " {14} [Emphasis added]

Additionally, we read:

"**Polio Vaccine:** Developed in the late 1940's from **dead pig and monkey kidney pus infected with poliomyelitis**, and lactalbumin hydrolysate, chemical antibiotics, and calf serum. This live-virus vaccine recently tested to harbor **149** live viruses and bacteria living in the vaccine; including the **SV40** virus, also found in cancer cells. Can cause intestinal flu, autoimmune diseases, (juvenile) childhood diabetes, children's rheumatoid arthritis, and childhood lupus. The Center for Disease Control (CDC) reported that during 1973 to 1983, **87%** of **polio cases** were caused by the **polio vaccine injection** and from 1980 to 1989 the polio vaccine shots caused **100%** of all domestic polio incidences. **Dr. Jonas Salk** is quoted as admitting, 'When you inoculate children with a polio vaccine you don't sleep well for two or three weeks' (**E. McBean**, *The Poisoned Needle*, Health Research, Mokelumne Hill, Calif., p. 144). Dr. Salk's killed-virus vaccine proliferation resulted in polio incidence doubling nationwide, some states reporting 400-600% increases [*the Jesuits, using their Masonic Jews within* the ***Black Pope***'s *international medical inquisition, providing another reason to mass-murder American Jews!*]." {15} [Emphasis added]

The deliberate poisoning of the bloodstreams of White Protestant nations should not be a surprise in the light of the **Council of Trent;** the Jesuits declared they

would do this in *The Protocols of the Learned Elders of Zion*. We read from Protocol Number Ten:

> **". . . it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, [*class*] struggle, envy and even to the use of torture, by starvation, BY THE INOCULATION OF DISEASES."** {16}[Emphasis added]

Dear truth-seeker, have not our many inoculations, received in both civilian and military life, resulted in the *tortures* of the Order's many medical "treatments" as well as the *deaths* our countrymen have suffered due to being *eaten alive* by "**Cancer**"?

Later, the agents of the Jesuits would institute the draft creating a huge army. This **Army of the American Empire**, financed by the ***Black Pope***'s "fractional reserve" **Federal Reserve Bank** and built for the restoration of the **Temporal Power** of the Pope, would have to fight *globally*. Therefore, its soldiers would be mass-vaccinated. With harmful viruses and bacteria in the semen, their wives and babies would become infected producing more cancers in the women and birth defects in the children. (Composed of **Fourteenth Amendment** citizen/subjects raised on fiat and worthless **Federal Reserve Notes**, the **Army of the American Empire**—including the very lives and health of its fighting men—is the legal property of Rome.) The Gulf War Syndrome, ably defined and righteously attacked by Gulf War veteran **Joyce Reilly**, is a classic example of murder by military/medical injection.

The Vatican, with its **Sovereign Military Order of Malta**, has created or mutated many viruses that have been used for the systematic annihilation of the "heretic and liberal" American people. The Knights, with their former Nazis, CIA and drug companies, created the Human Immune Deficiency Virus (HIV) causing the present Acquired Immune Deficiency Syndrome (AIDS) epidemic. That virus is in every hepatitis B vaccine administered by the medical inquisitors—the AMA! We read from *Emerging Viruses: AIDS and Ebola* by the brilliant **Len Horowitz**:

> "Though polio vaccines are also suspected of transmitting HIV-1 and other viruses, the unique epidemiology, and concurrent outbreaks of AIDS in New York City and Central Africa, appears to coincide more closely with the administration of experimental hepatitis B vaccines than with either the Salk or Sabin vaccines." {17}[Emphasis added]

Since the 1930s, *during the tyranny of Masonic FDR*, the Jesuit Conspiracy against the health of Protestant America has greatly advanced. The true cures for viral diseases were heavily suppressed. Those cures were primarily oxygen-ozone, light with color, ultra-violet blood irradiation (so ably explained by **Dr. William**

Campbell Douglas in his *Into the Light* {18} and **Kenneth J. Dillon's** *Healing Photons: The Science and Art of Blood Irradiation Therapy* {19}) and direct current frequency generators using both photons and electrons. The use of medical grade ozone, **Royal Rife's** photon/frequency machine, **Emmett Knott's** blood irradiator and **Darius Dinshah's** light-color therapy ("Spectro-Chrome") were all violently suppressed. The use of medical grade colloidal silver was discontinued and all non-drug remedies were forced underground. And why? Because these treatments address *the true causes* of chronic disease. Of these causes, **Dr. William H. Philpott** tells us:

> "The oxidoreductase enzymes are necessary to produce biological life energy by oxidation phosphorylation producing ATP and oxidation remnant **negative poled magnetism.** The biological life energy consists of enzyme catalytic production of: (a) adenosine triphosphate (ATP), (b) oxidative remnant magnetism (**a negative magnetic field**). This oxidation/reduction enzymatic response is dependent upon **alkalinity** and **molecular oxygen** (alkaline-hyperoxia) . . .
>
> This oxidoreductase family of enzymes is alkaline-hyperoxic-negative (south-seeking) magnetic field activation dependent. When these 3 physiologically normal factors are not present, then cellular ATP is made by **fermentation.** The 3 factors necessary for fermentation to produce ATP are: 1) **acidity,** 2) **lack of oxygen,** 3) **a positive** (north-seeking) **static magnetic field** as an enzyme energy activator. Human cells have the capacity to make ATP be either phosphorylation or fermentation . . .
>
> ATP made by fermentation with its acid-hypoxic medium cannot maintain human biological life energy. ATP made by fermentation can maintain the life energy of microorganisms such as bacteria, fungi, viruses, parasites and cancer cells. The secret to reverse acute maladaptive symptom reactions, prevent and reverse microorganism infections, maintaining human biological health and providing for the reversal of degenerative diseases is to maintain a normal alkaline body pH, hyperoxia and an adequate negative (south-seeking) static magnetic field." {20} [Emphasis added]

In these great words of wisdom lay the cures for all cancers, heart disease, diabetes and chronic infections. Therefore: by refusing all infective vaccinations and immunizations as well as amalgam fillings and root canals; by using negatively charged photons and ions to kill all anaerobic bacteria, viruses, fungus and microscopic parasites (such as ultraviolet light and ozone/oxidative therapies coupled with internal use of grapefruit seed extract); by keeping the body in a highly alkaline state using enzymes and alkaline minerals (as found in raw, unprocessed foods, whole food supplementation and alkaline water); by keeping a highly oxygenated state through deep breathing, exercise and oxygen therapies

(such as hyperbaric oxygen and ozone steam cabinets); by keeping in negatively charged magnetic fields (such as magnetic beds, magnetic wraps, magnetic bricks and seat pads while drinking magnetized, alkaline water—*all north pole;* and by using laetrile and wild-crafted herbs), historic White Protestant/Baptist-Calvinist nations would cease to be the leaders in chronic degenerative diseases and the Jesuit Order's wicked **Counter-Reformation** would begin to be successfully resisted by those peoples once again!

But the licensed treatment of the AMA's created diseases must be by means of Rome's unholy trinity—*cut, burn and poison*. The **Church of Modern Medicine** tolerates no heresy and uses the sword of our CFR-controlled government to punish those "obstinate medical heretics" who would dare to truly cure us Americans of our diseases deliberately put upon us by "***the Mother of Harlots and Abominations of the Earth***." Indeed, Satan, using his Jesuit-ruled, "globalist" **Vatican Empire**, has "***weakened the nations***" in every way, especially in our health. And of course, the Knights of Malta control the great pharmaceutical industries such as **Merck, Sharp & Dohme**, as they are connected with the Order's Central Intelligence Agency. The late Knight of Malta **Elmer H. Bobst**, past chairman of **Warner-Lambert Company**, and Knight of Malta **Lewis E. Lehrman**—*the Romanist and racial Jew*—whose family owns the **Rite-Aid** chain of American drugstores, have been and are Papal soldiers.

Oh yes, the Holy Scriptures are true when describing **Rome**, one day to move her world commercial power to the rebuilt city of **Babylon** on the Euphrates River, as:

". . . that great city, Babylon, that mighty city . . .
for thy merchants were the great men of the earth;
for by thy sorceries [pharmacies] were all nations deceived."

[Thus the risen Son of God will one day cry out to His **Abrahamic Covenant**-bound, greatly beloved, **Semitic-Hebrew-Jewish-Israelitic** Racial Brethren:]

"Come out of her my people that ye be not partakers of her sins,
and that ye receive not of her plagues.
For her sins have reached unto heaven,
And God hath remembered her iniquities."

– Revelation 18:10, 23
– Revelation 18:4, 5

In place of proven cures, the AMA, ADA and FDA have pushed toxic, mercury-laced fillings and drugs down the throats of trusting Americans. This has resulted in the unnecessary suffering and death of *millions* while at this writing there are over *one hundred million* chronically ill people in the American Empire.

Two brilliant Jews, responsible for the exposure of the American Medical and Dental Inquisitions are **Dr. Robert S. Mendelsohn** and **Dr. Leonard Horowitz**. Dr.

Mendelsohn, in his classic, *Confessions of a Medical Heretic,* likens the medical establishment to the Roman Catholic Institution, calling it "the Church of Modern Medicine." The doctor is the **priest**, the birth certificate is the **baptismal certificate**, toxic silver nitrate applied to the eyes at birth is **baptism**, the nurses are **inquisitors**, etc. He boldly declares:

> "I do not believe in **Modern Medicine.** I am a medical heretic. I believe that Modern Medicine's treatments for disease . . . are more dangerous than the diseases they are designed to treat. I believe that more than ninety percent of Modern Medicine could disappear from the face of the earth— doctors, hospitals, drugs, and equipment—and the effect on our health would be immediate and beneficial. . . . For the hospital is the **Temple of the Church of Modern Medicine** and thus one of the most dangerous places on earth. . . . There's plenty to be afraid of. The **God** that resides in the Temple of Modern Medicine is **Death**. . . . The **doctor-priest** gets away with a lot because he can claim to be up against the very Forces of Evil . . . Never is he seen in his true light—as the *agent* of the Devil . . .
>
> **We have a Medical Inquisition.** The first sign of an inquisition is the selling of indulgences . . . Medical insurance is the doctor's version of indulgences . . . Like the communion wafer which Catholics receive on the tongue, drugs are the communion wafers of Modern Medicine. . . . Try getting from one end of life to the other without paying your dues to Modern Medicine: **immunizations**, fluoridated water, intravenous fluids and silver nitrate . . . When you get to the cathedrals and the little "Vaticans" of Modern Medicine, you are up against priests who have the weight of *infallibility* behind them. They can do no wrong, so they are most dangerous . . ." {21}[Emphasis added]

Dr. Mendelsohn knew what he was describing. He had been a devoted medical priest and had watched the Inquisitors for years. He was *well acquainted* with the Jesuits at **Loyola University** in Chicago while a professor in the School of Medicine at the University of Illinois. Over the years he observed the horrendous parallels between the **Church of Modern Medicine** and the **Roman Church**. He later became a most eloquent and undefeated champion in exposing the crimes of modern medicine. His opponents in debate would not even make an appearance.

The life and message of **Robert Mendelsohn** was hated by the Jesuits' medical inquisition controlled by the AMA, ADA and FDA through the Archbishop of New York's **Council on Foreign Relations**. Clearly this "perfidious Jew" was believable! Therefore, one day in good health at the age of sixty-three, payback time had arrived for this "obstinate heretic." He suddenly died, a victim of "the poison cup" at the hand of another Vatican Assassin—*"invisible until his stroke was felt!"*

Dr. Leonard Horowitz (before his SMOM knighthood) was of the same caliber as **Dr. Mendelsohn**. In his fantastic book, *Emerging Viruses: AIDS and Ebola*, he connects the Vatican's **Knights of Malta** to the Nazis, the pharmaceutical drug companies, and the AIDS/Cancer virus makers within the CIA. We read:

> "**The Gehlen Org,** the German intelligence agency run by **Reinhard Gehlen,** was even more powerful than the Merk net. The Org superseded even the Nazi SS because of its prewar connections with the **Abwehr** or German military intelligence. In fact, Gehlen's organization is largely credited for giving rise to the **CIA. . . .** to shield Gehlen and the entire German intelligence network from harm's way? **Gehlen was a ranking official in the Sovereign Military Order of Malta (SMOM),** which maintained inconceivable financial and political influence. . . . Somehow I wasn't surprised to learn that financial motives . . . were at the heart of **SMOM** and the **Nazi-American** alliance . . . 'Soon after the war, OSS found the extensive documentation of a meeting in Strasbourg on August 10, 1944 . . . between representatives of the **SS,** Party, and firms like **Krupp** [*owned by Knight of Malta* **Alfried Krupp**, *one of the founders of the Pope's European Union*], **I. G. Farben** [*its president and Knight of Malta,* **Hermann Schmitz**, *being a close personal friend of the Fuhrer's ambassador to the Vatican, Knight of Malta* **Franz von Papen**] . . .The world's masses knew nothing about the partnership, formed between **John D. Rockefeller's Standard Oil Company,** Germany's **I. G. Farben,** and **Hitler's Third Reich.** The 'pirates of Wall Street,' **Allen and John Foster Dulles,** of the [*CFR's*] law firm Sullivan & Cromwell, had secretly negotiated this alliance. It was not known to allied airmen, flying bombing missions over Germany, why the **I. G. Farben** plants, where Hitler's munitions were made, were exempted from attack. Likewise, when the **I. G. Farben-Rockefeller Consortium** used concentration camp victims as slaves to build and run their factories it never made the news [*controlled by Knight of Malta* **Henry R. Luce**]. Nor was it heralded that this same team patented and sold the gas that the Nazis used in the concentration camps to send millions to their graves. Recent headlines have asked to know where the Nazi gold went. Historians only recently recorded that the **Rockefeller's Chase Bank** [*manned by a high Knight of Malta,* **Joseph J. Larkin**] was among the largest recipients." {22} [Emphasis added]

Dear truth-seeker, according to the 1993 *Annual Report of the Council on Foreign Relations*, the Rockefeller Group, Sullivan & Cromwell and the Chase Manhattan Bank are all listed on the Corporate Member Roster of the Jesuits' **Council on Foreign Relations**. Along with these are the drug giants, Dow Chemical, Bristol-Myers Squibb, Johnson and Johnson, Pfizer, and Procter & Gamble. Another member is the Center for Disease Control North America.{23} And guess who is one of the guiding lights overseeing the heads of these giant monopolies of murder? It

is **CFR** member/presider and President of the Jesuit Order's **Fordham University**, a Professed Jesuit of the Fourth Vow, **Joseph A. O'Hare**. {24} Amidst this fraternity we find an erudite Roman Catholic tool of the Jesuits who developed the HIV virus and thus the AIDS epidemic—the world's leading retrovirologist, **Robert C. Gallo**! This fiend, awarded "**The Sword of Ignatius Loyola**" in 1988 by the Order's Saint Louis University, was pardoned by CFR-controlled, Jesuit Temporal Coadjutor, President **Bill Clinton,** for scientific misconduct! **Horowitz** correctly concludes:

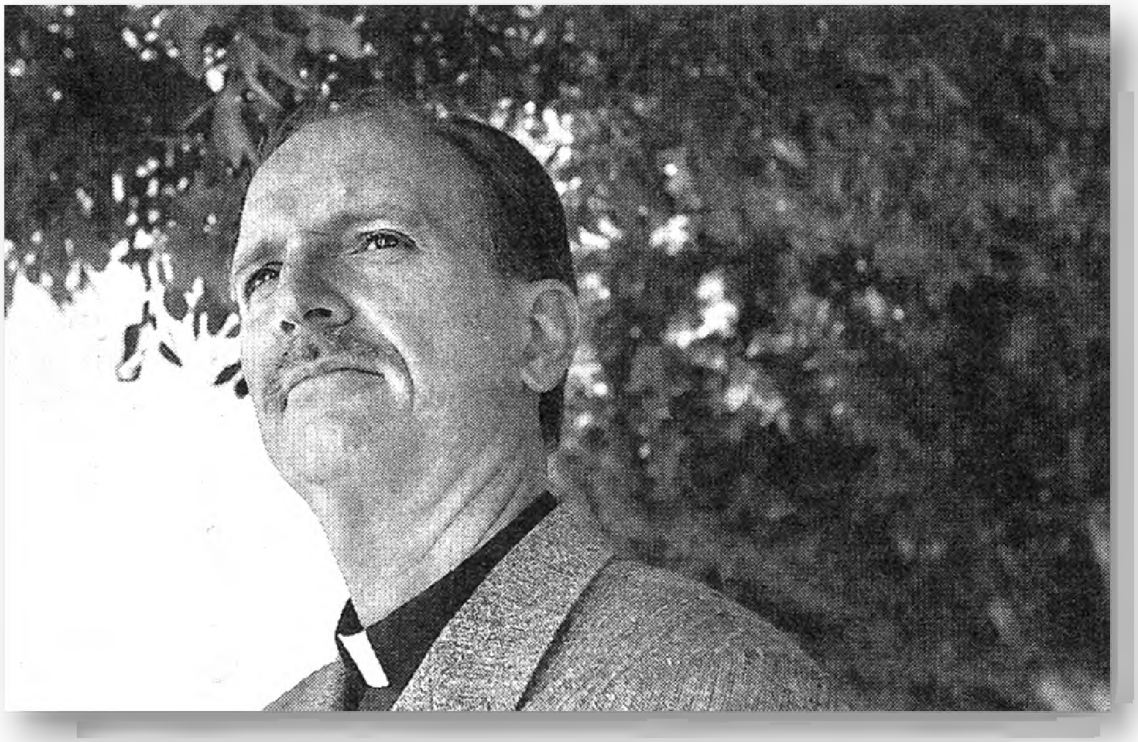
> "Thus, both of this century's worst genocides [*the Jewish Eurasian Holocaust and the AIDS epidemic*] appear to have been determined by the same masterminds whose covert operations and deadly deceptions have beaten humanity by default." {25}[Emphasis added]

Those masterminds, **Dr. Horowitz**, are the Jesuits, the monsters who, with their Knights of Malta, financed World War II, murdered millions of your **Semitic Hebrew/Jewish Race**, assassinated our **President Kennedy** and developed killer viruses. The Order, in control of the press, covered all this up and prevented the use of proven treatments that easily cure their created viral diseases. We became their victims as we were forced to go to Mexico for medical help, or herded into their "**Church of Modern Medicine**" to be tortured and mutilated by their medical Inquisitors. Like the docile slaves depicted by the Jesuits' Freemason and Fabian Socialist, **H. G. Wells**, in his *The Time Machine*, we have marched into the caves of **Rome's Medical Inquisition** and have been devoured by the cannibals who cut, burn and poison us. The result has been *"the Final Solution to the 'Heretic and Liberal' Question in North America,"* sentencing millions of Baptists, Protestants, Jews and "liberal" Roman Catholics to horrible, ghastly deaths initiated by the hellish, damnable, dreadful and deplorable slow poisons, deceptively called "**vaccinations and immunizations**," *made from the precious little bodies of aborted millions!* This mass-genocide of the "heretic and liberal" American people, carried out by the Order's **American Medical Association** in conjunction with its **Food and Drug Administration** and the **CDC**, has created a nation of "**the walking wounded**." In the words of **Abate Leone**, "this secret war," relentlessly waged against our "heretic and liberal nation" for the last one hundred years, having slowly but surely fattened, sickened, weakened, polluted, agitated, divided and disarmed us, has further enabled our unified, healthy and physically fit **Russian**, **Moslem**, **Chinese** and **Mexican** invaders to *extirpate and exterminate us from the face of the whole earth!*

The **Council of Trent** and the **Jesuit Oath** of the **Fourth Vow** continue to be fulfilled as we remember a portion of the bloody Fourth Vow of the Professed Jesuit:

> **"I do further promise and declare, that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics,**

Protestants and Liberals, . . . I will secretly use the poison cup . . . as I at any time may be directed so to do by any agent of the Pope or superior of the Brotherhood of the holy faith of the Society of Jesus." {26}[Emphasis added]



Jesuit Provincial Thomas H. Smolich, 2002 #739
California Province of the Society of Jesus

Jesuit Thomas H. Smolich, one of the ten Provincials overseeing the ***Black Pope***'s "Holy Roman" Fourteenth Amendment American Empire, is the Order's most powerful, eagle-eyed, West Coast Jesuit. As all Provincials are Professed of the Fourth Vow, Smolich was the immediate master of former California Governor Gray Davis, a Knight of Columbus of the Fourth Degree. Remembering that the official position of the Jesuit Conference is the total abolition of gun ownership, Californians have now been legally disarmed of their "assault rifles" further rendering them unable to repel our coming Sino-Soviet-Moslem-Catholic Latino invasion. Having practiced in the Straits of Formosa, our Asian invaders will be transported by a combined Chinese and Russian merchant marine of over 2000 ships. With Los Angeles to be the beachhead, this attack will be successful unlike the Order's attempted invasion of repentant, pro-Bible, Protestant England in 1588 using the Papal Caesar's Spanish Armada. The Protestant Reformation will be finished and we Americans will be raped, plundered and mass-murdered by foreign, marauding, pagan savages fulfilling the Order's Bloody Oath.

Of all those involved in the bio-weapons research lab in New Orleans, Judyth is the sole survivor who has lived to tell the story. CIA assets Lee Harvey Oswald and David Ferrie were murdered, Dr. Mary Sherman's brutal death in 1964 has been ruled "an unsolved murder" by New Orleans police, and CIA/Nazi-fascist, Jesuit Temporal Coadjutor Dr. Alton Ochsner died of natural causes in 1981.

Jesuit Temporal Coadjutor Dr. Robert C. Gallo, 1990s
#742

Dr. Alton Ochsner was a Papal Knight, CIA asset, an obedient co-conspirator in the JFK assassination and thus was a recipient of one of the Order's highest awards, "Integritas Vitae," given by Loyola University of New Orleans in 1978.

Even so Italian Roman Catholic Jesuit Temporal Coadjutor Dr. Robert Gallo is a Papal Knight, CIA asset, an obedient co-conspirator in the murder of millions of AIDS victims and thus a recipient of the Order's "Sword of Ignatius Loyola" awarded by Saint Louis University in 1988. Behind Gallo above is the infamous National Institutes of Health (NIH) in Bethesda, Maryland, where his power was supreme. Alleging that AIDS was caused by the HIV retrovirus apart from a depressed immune system, Gallo, in fact, was the creator of the AIDS virus in 1974 and hailed as its discoverer in 1984. After President Bill Clinton pardoned the Order's foremost molecular biologist for "scientific misconduct" in 1998, this Medical Grand Inquisitor continued his work "for the greater glory of God."

Behind the Dictators

"PROTESTANTS! FREEMAN! AWAKE!

ETERNAL VILIGANCE IS THE PRICE OF LIBERTY

The American people, struggling with an open foe to their liberties, must not forget the insidious enemy secretly undermining them. On the 8th of December, 1864, Pope Pius IX issued his encyclical [*Quanta Cura, with its Syllabus of Errors*]. **Popery is the most gigantic system for the exercise and consolidation of power which the world has ever seen** [*evidenced by the Pope's Fourteenth Amendment to the United States Constitution*]. It [*the Roman*

Catholic Institution] enforces its decrees, **both temporal and spiritual,** under the doom of damnation to those who disobey. In the encyclical every dogma of despotism is avowed by the apostolic see itself.

The right to inflict 'temporal penalties for the violation of sacred laws' is claimed. And what is that? History answers: **The Inquisition!** The *auto da fe!* Liberty of the press, liberty of conscience and of worship are called 'delirium,' and denounced as the 'liberty of perdition!' . . .

All there is of freedom in Germany, in Switzerland, in England, and in the United States is the fruit of the Reformation, and exists in spite of popery. **Protestantism and freedom stand or fall together.** Catholicism and despotism 'are one and inseparable [*evidenced by the dictatorships of such notorious Roman Catholics as Adolf Hitler, Benito Mussolini, Francisco Franco, Juan Peron, Henri Pétain, Antonio Salazar and Fidel Castro as well as crypto-Catholics Josef Stalin and George H. W. Bush*].'

This church cries out perpetually against secret societies, yet it does not hesitate to make itself a gigantic mass of secret organizations. **Their priests, bishops, and cardinals are an oath-bound secret society.** They carry on their secret work entirely on the maxim that the end justifies the means. **The Romish order of Jesuits is another secret organization, and their numbers in America no man outside of themselves knows. In the past they have been driven out of Italy, France, Portugal, Belgium, Germany, Austria, Venice, Brazil, and other countries, on account of their continually plotting against the government, and it must be remembered that these undesirable tools of Rome are in great numbers coming to this country** [*America*] **every year.** The [*bloody*] oath which they take has been given in a previous chapter." {9} [Emphasis added]

"This issue casts much needed light on the Domestic Axis of Evil, which is composed of the 'reverends' **AL SHARPTON, JESSE JACKSON** and **LOUIS FARRAKHAN** [*all of them being Black, high-level Freemasons*]. These apostles of hate are the spearhead of an insidious left-wing assault on America: . . . **LOUIS FARRAKHAN** is going around the country advocating a race war, . . . At the D.C. [*Black*] reparations hate-fest, the best selling T-shirts said, 'You Owe Us' and 'Kill Whitey.' Among the fanatically anti-American groups walking in [*Communist*] lock-step with FARRAKHAN's anti-American Jihad at that rally were the [*Masonic, Jesuit-controlled*] **Revolutionary Communist Party . . .**

FARRAKHAN's followers are angry, fanatical and growing. Thanks largely to massive illegal immigration from Arab countries and FARRAKHAN's aggressive recruitment of 'people of color' from prisons and ghettos, Islam is now the fastest growing religion in the United States [*mostly in the Catholic North and West, but not as much in the historic Protestant and Baptist South*]. . . .

AL SHARPTON's . . . presidential campaign has transformed him into a public force of respectability for [*hateful*] black racism. . . . SHARPTON has injected himself into racially-divisive controversies in cities all over the U.S., although he is best known for the **TANWANA BRAWLEY** rape hoax, in which he polarized the country over a nonexistent white rape gang. . . . SHARPTON's past racial transgressions were absolute taboo among the Democratic candidates for president when they held their many debates . . .

[**CFR**] **JESSE JACKSON** spearheads the left's program to pry millions of dollars in racial reparations from corporate America. . . . From [**CFR**] Merrill Lynch to [**CFR**] General Electric, JESSE JACKSON's 'Rainbow Coalition' [*supported by the Archbishop of New York*] reaps millions in corporate funding each year [*as the* ***Black Pope****'s CFR-controlled corporate elite willingly finance this heavily armed fifth column of anti-White, murder-inciting, hateful Black racists who are directing their attack against all "blond-haired, blue-eyed, White devils," primarily the "White Anglo Saxon Protestants"*]. . . . JACKSON's corporate support comes in spite of [*in fact, because of*] his cozy [*Masonic*] ties to terrorist enemies of the U.S. On a recent trip through the Middle East's Gaza Strip, for example, JACKSON met with the founder of **Hamas**, a militant Islamic group [*as Sharpton has met with Islamic Freemason* **Yasser Arafat**; *as Farrakhan has met with Islamic Freemason* **Saddam Hussein** *as well as Cuba's Jesuit-controlled Roman Catholic Freemason,* **Fidel Castro**]." {10} [Emphasis added]

"**The Group's** plan is to covertly foster and finance **a civil war on race lines** through their agents in **Black** and **Hispanic** ghettoes in major cities. Once they are successful in gun control legislation **the Group** will ARM the minority insurgents with attack weapons [*at this moment via gun shows selling arms to alien invaders and domestic, convicted felons*] to be used against essentially weapon-less minority and non-minority [**White**] individuals. The local police departments will be out-gunned. The military will be called in, but will be unable to control the situation due to an artificial 'breakdown in the chain of command.' In the midst of societal chaos, after the [*race*] war begins, **the Group** will conduct systematic assassinations of key American civilian and military leaders who have not supported **the Group's** policies or its key agents

[*i.e., the Bush Crime Family*]. That list is referred to by my main informant and by the woman I first interviewed in 1983-84 as 'all the king's men.' The civil [*race*] war fostered covertly by **the Group** will frighten 'middle America [*the White Middle Class composed of Roman Catholics, apostate Protestants and Baptists*]' into adoption of **the Group's** government [*New Republican Right-wing, Jesuit fascism*]. . . . the Civil [**White/Black/Hispanic race**] War will be used by **the Group** as the excuse for genocide against the Black and Hispanic races [*betrayed into the Empire's concentration camp system by their own Freemasonic leaders of the Black Nation of Islam and the Spanish Mexican-Latino MS-13 gangs secretly backed by Washington via the New York Archbishop's Council on Foreign Relations*]. . . .

Canada has opened her doors wide to New World Order forces, including **GERMAN, RUSSIAN AND CHINESE.** As **Grant Jeffery** admitted to me personally one month ago, 'we have MORE GERMAN MILITARY FORCES IN CANADA NOW THAN WE DO CANADIAN MILITARY FORCES!' . . . The traitorous NWO elements within our own government are fully aware of the motives of these GERMAN NWO FORCES both in Canada and America and welcome their presence into the Western Hemisphere as part of the solution to subduing patriotic Americans who simply refuse to surrender national sovereignty to a foreign power.

Russian and Chinese forces are also very active in Canada. They are 're-building and strengthening railroad tracks for the anticipated heavy use of railway transportation of incoming military personal from the West Coast' (both **Russian** and **Chinese** forces) as well as transporting military vehicles and armaments and food supplies. New tracks are also being laid between border states and [*Western, once White Protestant*] Canada. Those people who are arrested as resistors or dissidents will also be transported in specially prepared prisoner boxcars to the death camps already established near the border, such as the one near Cut Bank, Montana. . . .

Incredibly, we now have information that THE RUSSIANS HAVE FINALLY SUCCEEDED IN BRIDGING THE GAP BETWEEN SIBERIA AND ALASKA THROUGH A VAST UNDERGROUND TUNNEL! The Bering Sea between Alaska and Asia [*Russia*] is UNDER one hundred miles wide at its narrowest point, so this would not be an inconceivable undertaking. Although documented in more than one newspaper report in Western Canada, THE AMERICAN NEWS MEDIA HAS REMAINED SILENT ON THIS FEAT. RUSSIAN CIVILIANS (???) ARE KNOWN TO BE COMING THROUGH THIS TUNNEL, ONE HUNDRED PER MONTH, PLUS HEAVY MILITARY ARTILLERY. . . . The extent of the American Government's (the corporate-fascist military-industrial 'government' as opposed to the

Constitutional or electorate 'government') betrayal of her citizens can be further evidenced in the fact that these Chinese and Russian forces are RECEIVING PAYMENT FOR THEIR PRE-INVASION ACTIVITIES THROUGH THE INTERNTIAONAL MONETARY FUND . . . ISSUED ON AMERICAN GOVERNMENT CHECKS.

In anticipation of the coming invasion from **Russia** and **China** (and **German—U.N. forces**, etc.), Canada has even gone so far as to disband its Western Coast Guard Division, thus they are open to **amphibious invasion of America from the West.** This was openly evidenced recently through the presentation of a documentary report over the BBC television in London which detailed amphibious assault forces practicing war maneuvers and strategy in the Formosa Straits. When BBC newsmen were permitted to interview these soldiers in training, they repeatedly asked them the following question. 'What are you preparing to use this training for?' The shocking, consistent reply was **'FOR THE COMING INVASION OF AMERICA!'** When it became clear that a gaff in security was created by airing this broadcast over television in England, its scheduled re-broadcast for the next day in London was hastily cancelled. . . .

If we are to believe all of the above, then there is in fact a **Machiavellian national/globalist socialist conspiracy** being jointly carried out by Corporate American and Cultic European **'Commu-Nazis'**—for want of a more descriptive term [*the Jesuits, in ordering their Hegelian dialectic, having authored and controlled—via Freemasonry—both Communism and Nazi Fascism, as these "extremes meet" in Rome*]. If the **'Bavarian Empire'** cults are attempting to implement a totalitarian national-socialist and/or global-socialist takeover in America as they did in Germany through **Adolf Hitler** and in Russia through **Vladimir Lenin**, then they must be preparing everything in advance. Having learned the mistakes of the last fascist **'Holocaust'** and communist **'Purge,'** they would be determined NOT to allow the **FINAL HOLOCAUST OR PURGE** to fail. . . .

They have already declared 'war' on American Patriots in no uncertain terms, even to the point of carrying out a coup d'etat on the Executive Branch of government in 1963 with the murder of **President John F. Kennedy**—who in essence gave an executive decree to 'dismember' this illegal, secret, and unconstitutional national-socialist/global-socialist government (exemplified by JFK's order to 'dismember' the CIA), an order which has yet to be carried out in the U.S." {11} [Emphasis added]

A **Tehran-Moscow-Beijing axis** looked like it might be forming to protect Iran from US or Israeli preemptive military actions. . . .

Even if we characterize our war against Iran as a war of self-defense for ourselves and Israel, worldwide public opinion will most likely be against the United States [*creating more anti-American fury*]. A preemptive attack on Iran, especially following our war against the [*CIA-created and funded*] **Taliban** in Afghanistan and our preemptive attack against [*CIA-backed and armed*] **Saddam Hussein,** would bear heavy political consequences for the United States, not only in the [*Pope's*] **Islamic world,** but also among many traditional allies as well [*also*]. "The *Year of the Rat* is about bribery, corruption, and foreign penetration of the American government at the highest levels—to an extent totally unprecedented. . . . the problem is worse than we could have imagined back in 1998, the corruption far deeper. . . . **COSCO delivers weapons for Chinese arms smugglers, . . . Is COSCO a threat to national security if given full control over one of the best harbors in the country**? That question is pertinent because COSCO could very well gain full control of the **Long Beach, California** port—thanks in large part to intervention from the White House itself. [Dear truth-seeker, COSCO is now subtly controlling the North American West Coast ports of Vancouver, Seattle, Portland, Oakland, Long Beach and Los

Angeles. China's Naval encirclement policy of the US extends to its control of the Panama Canal; to its dominance of the huge shipping port in the Bahamas; to its intelligence presence in Castro's Cuba; to its Gulf Coast and East Coast ports; and to its commercial and strategic agreements with the Islamic nations of Mauritania and Senegal. China fully intends to use West African ports to transport millions of incited Moslems to Cuba for their final invasion of "the Great Satan" at the consummation of the Company's Crusade against Islam, conquering North America's historic White Protestant Reformation Western nations—Canada and the United States. Most revealing in this papal plot is that **Knight of Malta Alexander M. Haig, Jr.**, whose brother, **Francis**, is a Jesuit priest, is a Senior Honorary Advisor to COSCO!]

"The Soviet Union will also establish strong points in the Mediterranean, **in the Arab world**, and in the Indian Ocean. . . . They will expand their base on Cuba as a base for the ultimate war with the United States that may later come. . . . the Russian policy toward the United States will probably be one of delay [*during the so-called "end of the Cold War"*], while at the same time they consolidate their footholds. . . . Finally the Russians will make provision for the inclusion of **Red China** [*as a military ally*] in a Communist [*fascist*] world empire . . . [*and*] will then make their final dispositions for the ultimate clash with the United States of America." {15} [Emphasis added]

The Service: The Memoirs of General Reinhard Gehlen

The Fourteenth Amendment so altered the **Constitution** to the point that it created "the new republican constitution" spoken of in *The Protocols of the Learned Elders of Zion.* The Jesuit Order, behind the new constitution, created the American Empire. In 1868, on the ruins of **George Washington's** Calvinistic Republic, the Jesuits' new "Holy Roman Empire of the West" was set up with its massive central government in Washington. Its national purpose would be to restore the **Temporal Power** of the Jesuits' "*infallible*" Pope over every nation. Therefore, the Empire was made the financial and military colossus of the world using **J. P. Morgan**, their Federal Reserve Bank and the Great Depression. In subduing the nations, credit created out of nothing would be used to build tremendous war machines for the "extirpation of heretics and liberals." This same Jesuit credit, called "foreign aid," would be used to establish and finance the reign of dictators loyal to Rome over every nation, *including* the Labor Zionist, anti-Torah, pro-Talmudic government of Israel.

The economic policy of the Empire would be the destruction of small, independent, free enterprise businessmen and the consolidation of capital into the hands of Rome's corporate monopolies (corporate fascism), while the people would be submitted to the ten pillars of *The Communist Manifesto* in exchange for *The Ten Commandments*. A central bank, from which comes all credit, along with a fiat, bogus currency, would replace state banks having distributed federally minted gold and silver coins. A progressive *income tax* on wages would invade the privacy of the people while replacing the individual *apportioned tax*. The wicked Social Security numbering system would keep track of all "taxpayers." In fact, it would be the Vatican's world government number by which the Society of Jesus, through its **NSA/FBI**, would track every citizen of the Empire. These two pillars alone would be enough to destroy the prosperous White Celtic-Anglo-Saxon Protestant Middle Class, while creating the feudal system of the Dark Ages composed only of the noble, super-rich, pro-Catholic Whites and the common, super-poor of all races and religions. *The Protocols of the Learned Elders of Zion* ay it clearly in Protocol number twenty:

> "The concentration of industry in the hands of [*cartel*] capitalists out of the hands of small masters has drained away all the juices of the peoples and with them also the states [*i.e., national sovereignties*] . . ." {16}

Dear truth-seeker, do you see how the radical mass-emancipation of the Negro slaves after the War Between the States *was never intended* to benefit them but rather was calculated to destroy the private wealth of small, White "heretic" masters in the South? Historically speaking, Blacks *generally* only produce wealth when *trained* and/or *overseen* by Whites. Do you see how the **Fourteenth Amendment** enslaved both Whites and Blacks to the new master in Washington—the Society of Jesus? Is not the Archbishop of New York the real "massa" of **Bill Clinton**, **George W. Bush**, **Albert Gore** and **Jesse Jackson** (who is apparently to be replaced with another mulatto Black agitator, **Al Sharpton**), they being nothing more than his "altar boys"?

With the economic system of Communism in place, the political system of the Empire would be an absolutist military dictatorship of the president as "Commanderin-Chief," for the purpose of "national security." Protocol number ten spoke of this:

> "We shall invest the president with the right of declaring a state of war [*i.e., President Truman's* **Emergency War Powers Act** *of December, 1950*]. We shall justify this last right on the ground that the president as chief of the whole army of the country must have it at his disposal in case of need for the defense of the new republican constitution . . ." {17}

> That is **Pope Pius IX's fascism,** pure and simple. The absolute Commander-in-Chief *is one* with the Company's corporate monopolies run by the Knights of Malta. Remembering the words of the Jesuits as quoted by **Pierre van Paassen, "Fascism** is the regime that corresponds most closely to the concepts of the Church of Rome." {18} [Emphasis added]

It was **fascism** that terribly *persecuted the Protestants* of **Franco's** Spain and **Mussolini's** Italy. Additionally, it was **fascism** that deported Jews to Hitler's death camps in Poland. In fact both **Hitler** and **Stalin**, the Grand Inquisitors, were Roman Catholic **fascists.** Nazism and Communism were simply smokescreens describing *socialist* economic systems. Both dictators were loyal to Rome's Jesuits who put them in power, as they both murdered millions of Protestants, Orthodox and Jewish "heretics and liberals," including many "liberal" Catholic priests and people. Dear truth-seeker, this is the coming scenario for the Protestants and Jews of the American Empire including historically Protestant Canada and French Roman Catholic Quebec. (If German Nazis invaded and occupied Roman Catholic Poland, American Nazis may well occupy Roman Catholic Quebec!) The President, since the **Emergency War Powers Act of 1950**, has been a **fascist military dictator** loyal to his Jesuit masters at Georgetown University. And with the passage of **King George Bush II's** "Patriot Act," fascism will further increase. The Jesuits will continue to advance their international "**Negro/Muslim Agitation**" (hatefully directed against the historically White Protestant nations of America, Canada, Northern Europe and South Africa) and incite international **anti-Semitism**, or more correctly, **anti-Jewish fury**. Much was ignited in the American Empire with the Israeli attack on the American spy ship "USS Liberty" in 1967, along with the conviction of the **Black Pope**'s Israeli spy, **Jonathan Pollard**. The Order's united **International Intelligence Community**, including the **Mossad**, created both incidents. Anti-Jewish fury among both Whites and Blacks must be used to drive surviving American Jews back to Israel for the purpose of attempting to *kill them all there!* The means by which the Sons of Loyola will accomplish this plot is their **National Security Agency**—the **NSA**. We read:

> "Its nickname is the 'Jew Room'. Inside the National Security Agency is an intelligence center from which all American Jews are banned, regardless of their proven loyalty or devotion to country, just as the U.S. Navy banned Jews from electronic surveillance ships, such as the *USS Liberty* . . . it is, and has been, the heart of the secret war against the Jews [*orchestrated by Rome during its world wars of the 20th Century*]." {19} [Emphasis added]

Remembering the words of **Loyola** in his *Secret Instructions of the Jesuits*,

> ". . . our members will work themselves into the favor of persons in the highest part of government and consequently be admitted into their most secret councils [*the American National Security Council*]," {20}

...is it not obvious the Jesuit Order rules "**The Jew Room**"? For in the words of ex-Irish American Jesuit **E. Boyd Barrett**:

> "**In the Order hatred of the Jews is traditional . . .** it is forbidden to admit any one of Jewish descent into the Order [*from 1593 to the repeal of the statute in 1946*]. Japanese, Chinese, Indians and Negroes may be admitted into the Society of Jesus, but never, under any circumstances, a Jew [*except* **Albert** *and* **Auguste Valenstein,** *who were permitted to enter the Order in the early 1900s for the purpose of working with the Jesuit General's early Masonic Jewish Labor Zionists including* **Theodor Herzl** *and later,* **Jerzy Kluger,** *boyhood friend of Pope* **John Paul II**]!" {21}

For **Ignatius** set the example:

> "He [*Loyola, the heartless beast*] also obtained great honour from all classes for his zeal for the conversion of the Jews. His method was not original. He obtained a decree from the **Pope Paul III,** then reigning, that the Jews should not be allowed the services of a physician, no matter how serious might be their danger, unless they first accepted the ministrations of a priest . . ." {22} [Emphasis added]

Further, the Sons of Loyola, in seeking the destruction of the Sons of Israel during their international Diaspora, *always blame the Jews in general (instead of the Pope's high-level, Masonic, Sabbatian Frankist, Roman "Court Jews" in particular)* for the wicked deeds the Order inflicts upon the nations, while they simultaneously accuse the Hebrew race of employing the very same **Counter-Reformation** tactics the Company utilizes. **Ex-Jesuit E. Boyd Barrett** adds the necessary details in driving this truth home to the heart of the reader in his 1935 masterpiece, *Rome Stoops To Conquer*. In chapter XII titled, "*The Jesuits and the Jews*," we read:

> "Owing to an early experience of a painful kind, which was all but disastrous to the Order, and which was due to a group of **Spanish Jesuits of Jewish descent,** who threatened to dismember the Order, the Jesuits as a body have conceived and fostered an intense animosity against the Jews. Never since the days of "the great storm," as the Cardinal Toletus revolt was called, has anyone of Jewish blood or descent been admitted into the Order [*until openly, in 1946*]. **Never since that day has the Order ceased to pursue vindictively the Jews.** The spirit of the Order can be gleaned from the extraordinary prayer of the greatest of Jesuit saints, **Francis Xavier: "Put me some place where there are no Jews or Moslems,"** cried Francis. [Not only does the Order hate the Jews but it also hates the Moslem Arabs—the physical descendants of Ishmael. This fact throws further light on the Pope's present CFR-directed, American and British-led Crusade against the Moslems of the Middle East and Central Asia.]

The present writer, who spent twenty years in the Jesuit Order, can recall no single occasion on which a word of praise for Jewish achievement or a word of sympathy for Jewish suffering was uttered by a Jesuit. . . . The Jesuits, in the days when they controlled every Catholic court in Europe, and when as an Order they were swollen with pride, were challenged by a like pride and a like intellectual intolerance by the Jew. They could not break or bend the Jew. They could convert, or seemingly convert, every type of human from Japanese to profligate Parisian, but they could make no headway in leading Israel into the fold of Mother Church. [Notice that the Devil's Jesuit Order uses the terms "Jew" and "Israel" interchangeably as does the Word of God!] They ceased to look upon the Jew as "a lost sheep," and identified him with an incarnate devil [as did the Order's SS-led, Roman Catholic Nazi Third Reich], the sworn enemy of the Catholic. They hated the Jews because the Jews did not bow in homage before them.

This tradition of hate and ill-will has lasted through three centuries. In great part the Catholic ill-will against the Jew in Catholic European countries is due to Jesuit education. **Every movement against the Church, every development of Freemasonry, and Socialism** [*both movements having been secretly nurtured by occult agents of the Jesuit General*], every doctrine of heretical philosophy that has weaned intellectual Catholics from the true Faith **has been ascribed to Jewish machinations.** This tradition is still latent in Jesuit teaching, even in this country [the ***Black Pope***'s *"Holy Roman" Fourteenth Amendment, Corporate-Fascist America*]. . . . So long as Jesuitism flourishes in this country there will prevail among Catholics distrust and animosity against the Jews. And were it not that Jesuit influence among Catholics in America is more limited than it is among Catholics of European countries, the distrust and animosity would be infinitely more serious and disturbing. . . .

In substantiating these statements I will confine myself to two recent writings of two prominent Jesuits, **Father Francis Xavier Murphy** and **Father Laurence K. Patterson.** Both writings were censored and passed by Jesuit superiors, and being such, bear the watermark of the authority of the Order. . . . **Here then is the Jesuit teaching about the Jew**. . . .

Father Murphy . . . adds: 'What **the Jew** was in Holy Writ we may justly expect to find him down the ages' . . . namely, 'fierce and sensual beyond **the Aryan.**' [*Notice this is the same anti-Jew, pro-White pagan, Aryan agitation with which the Company had imbibed and brainwashed Europe, beginning in the 1880s, which agitation later served as the holy pretext for the mass-extermination of Eurasian Jewry by the Pope's Nazi SS.*] . . .

Many Jews, students of law and medicine, attend the Jesuit Colleges of this country, and enjoy friendly relations with individual Jesuits. These young Jews have no means of knowing of the existence of **the three-century-old Jesuit animosity against their race and religion.** They may find it hard to credit its existence. But it is there and will be there until the end. **The mind of the Jesuit Order never changes. The heart of the Jesuit Order will never open or soften into brotherly feeling for the Jew. . . .**

The Jesuits accuse the Jews of being 'meddlers' and 'troublemakers.' The Jesuits were suppressed by **Pope Clement XIV** because they had meddled in every conceivable business from trade to politics, and their suppression [*and extinction*] was necessary 'to restore tranquility to the Church.' Clement said: 'It was almost and indeed absolutely impossible for the Church to enjoy a true and solid peace while this Order existed,' and referred (in his brief [**Papal Bull**] **'Dominus ac Redemptor'**) to 'grave dissensions and quarrels rashly provoked by its members not without the risk of loss of souls and to the great scandal of the nations, against the bishops, the religious Orders, and about places consecrated to piety and also with communities of every kind in Europe, Asia and America.'

The Jesuits accuse the Jews of lowering the moral tone of nations [*as did the Pope's Nazis accuse the Jews*]. Clement XIV complained that Jesuits employed 'the use and interpretation of maxims which the Holy See deemed to be scandalous and evidently harmful to morality.'

The Jesuits accuse the Jews of 'an uncanny power of acquiring an undue amount of wealth [which accumulation is due to the LORD's omnipresent preservation of his elect racial Hebrew people, He being **'a little sanctuary'** (**Ezekiel 11:16**) to his covenant nation during the present time in which He said He would **'sift the House of Israel among the nations'** (**Amos 9:9**)]. Clement XIV condemned the Jesuits as 'everywhere reproached with too much avidity and eagerness for earthly goods,' which greed 'exasperated many rulers of nations against it.' The saintly Mexican bishop, the **Venerable Palafox** [who later fled Mexico for his life and found safety in Rome], had to complain to a previous Pope, **Innocent X**, about 'the extraordinary skill with which the Jesuits make use of and increase their **superabundant wealth.** They maintain public warehouses, cattlefairs, butcher-stalls and shops. **They lend out their money to usury and thus cause the greatest loss and injury to others** [as does the Order's Federal Reserve Bank having financed every war for the last one hundred years, shackling the American taxpayer with perpetual debt].'

The Jesuits attack the Jews for being clannish, aloof and for not amalgamating. Throughout their history the Jesuits have been notorious for their

exclusiveness and for high-hatting other Orders and 'mere secular' priests. In fine, as against the various accusations that Jesuits make in an attempt to defame the Jews, we find the Pope writing: *'There is scarcely any kind of grave accusation that has not been brought against the Society* [Society of Jesus]. . . . *Numberless complaints backed by the authority of Kings and Rulers have been urged against these religious* [**the Jesuits**] *at the tribunals of* [**Popes**] *Paul IV, Pius V, and Sixtus V.' . . .* On the whole it comes badly from the Jesuits to attempt to promulgate anti-Semitism on the basis of charges that have been not only officially made, but believed and acted upon by the Supreme and Infallible Pontiff of the Roman Catholic Church when made against themselves. People in glass houses are foolish to throw stones.

Even though the Jesuits foresee that the Jew will stand opposed to the excessive aggrandizement of the Church in this country [*like the Jews who were deliberately murdered on the Order's Deathship Titanic*] they should try to understand that the Jew may be proving himself a sober, wise and courageous American citizen in so doing." {23} [Emphasis added]

The Jesuits will also continue to foster international anti-Americanism depicting the Empire as "**the Great Satan**" to the Arab world and as the "**NATO Nazi mass-bombing bully**" to the rest of the world. The Pope's crusades into Iraq and Yugoslavia have increased the nations' hatred for Americans, they not knowing that the Jesuit-**CFR**-controlled American government is also the brazen enemy of the us American people. Meanwhile, the Jesuits have furthered their quest to reduce the world to the universal rule of their "*infallible*" Papal Caesar from Jerusalem.

In **Fourteenth Amendment America** the Jesuit Order rules supremely, having no serious or significant adversaries. Ten Jesuit Provincials oversee the Empire through its **King**, the Archbishop of New York—**Edward Cardinal Egan**, he ruling from his palatial **St. Patrick's Cathedral**, while overseen by the Jesuits of **Fordham University**. The Cardinal exercises the Pope's **Temporal Power** over the Empire through his Knights of Malta, Knights of Columbus, Shriner Freemasonry, Opus Dei, the Club of Rome and the Mafia Commission, along with a host of other subordinate secret societies, they controlling the Archbishop's **Council on Foreign Relations**.

The Empire has two political parties controlled by the **Council on Foreign Relations**. The first is the **Democratic Party**, which is in fact "*the Communist Party.*" The second is the **Republican Party**, which is in fact "*the Fascist Party.*" (Forget the words "liberal" and "conservative" as they mean nothing!) Neither party wishes to "conserve" *the intent* of the Constitution; that would result in a truly "liberal" government! Neither party will return to *hard money*, abolish the

national bank or erect a *real protective tariff*—the three essentials for national prosperity proven by **President Andrew Jackson**. As in Europe, the Fascist nations resisting "**godless Jew Communism**" all had Roman Catholic dictators subject to **Concordats** with the Pope. This is Rome's present course for the doomed American Empire!

For fifteen years the former Archbishop of New York City, **John Cardinal O'Connor**, in using the Jesuit-inspired abortion agitation, built "the New Right" with his Knights and Dames of Malta. Of this fascist, right-wing movement seeking full control of the Republican Party, the leaders have been **Paul Weyrich**, **Lewis E. Lehrman**, **Phyllis Schlafly**, **Jerry Falwell**, **Pat Robertson**, **Rush Limbaugh** (who was married in 1994 by the Black Roman Catholic Papal Knight and Supreme Court Justice, **Clarence Thomas**), **Newt Gingrich** and the Black Roman Catholic and former U.S. Ambassador to the U.N., **Allen Keyes**. Backed by Kennedy assassins, Knights **Cartha DeLoach**, **Frank Shakespeare** and **William F. Buckley, Jr.**, their ultimate candidate for the presidency is another brother Knight of Malta, the Jesuit-trained **Pat Buchanan**. As Knight **Franz von Papen** used the Center Party to bring **Hitler** to power and as Knight **Joseph P. Kennedy** used the Democratic Party to bring **FDR** to power, so will the Knights, including **Richard Mellon Scaife**, use the **New Right Republican Party** to bring a Jesuit-controlled, Jew-hating, fascist dictator to power *"for the greater glory of God"*—the god who sits in *"St. Peter's Chair"!*

When the time is right the ***Black Pope*** will give the order and the post Protestant Reformation American culture as we know it today *will be no more!* His **Masonic Shriners**, **Knights of Malta** and **Knights of Columbus** on Wall Street will cause an economic collapse resulting in the anarchy of an inner-city race war led by the Black **Nation of Islam**, the Black **Bloods** and **Crypts**. The **Constitution** will be suspended and fascist martial law will be declared by presidential executive order. America's Commander-in-Chief will truly be a fascist dictator backed by the economic might of the Knights of Malta. In fulfilling *The Protocols of the Learned Elders of Zion*, the **Jesuit Oath** and the **Council of Trent**, he, like previous fascist dictators, will make a treaty with Rome called a "**Concordat**." The guns will be confiscated and the persecution of "heretics" will begin *in dead earnest!* Alaska will be the **American Siberia** run by Jesuit Inquisitors. Located in the southwest corner, there is a one-million acre "restricted area" complex to be used for brainwashing as well as bizarre and torturous experiments as part of the Company's "relentless war" on all "heretics and liberals"—the Empire's Protestant, Baptists, Jews and anti-fascist, anti-socialist-communist, pro-Constitution, patriotic, truly "liberal" conservatives.

This will ultimately give way to a two-front war—intended to be lost due to treason and betrayal by our commanders—and a foreign invasion. The invaders

will be merciless Russian, Chinese, Moslem and Latin mercenaries, all controlled by the Jesuit General. The movie *Red Dawn* is an attempt to illustrate the planned invasion. America's paganized, demoralized, feminized and mongrelized White sons of noble sires with ear rings and tattoos all over their bodies—presently the largest consumers of pornography, illicit drugs and Black "rap music"—will be the internationally hated target. America's White Protestants and Baptists will be mass-murdered, raped and plundered, for we have departed from the Bible of the great English Reformation—The Authorized King James Version of 1611. We apostate and degenerate White American believers, refusing to abide in Christ have become "***good for nothing***" and will be gathered by evil men and cast into the fire of persecution "***to be burned***."

"If a man abide not in me, he is cast forth as a branch,
and is withered; and men gather them,
and cast them into the fire, and they are burned."

Jesus the Messiah
– John 15:6

Our hatred of **Calvinism**—which includes the righteous use of the "**Sword of Just Defense**"—has doomed us to Papal political rule. Our love for the Jesuits' unbiblical, free-will, false gospel, rightly described by the Order as the "**sovereign drug of Arminianism**," has resulted in no godly resistance to Rome's fascist tyranny: we will pay with brutal and torturous deaths. "Heretic" Jews and "liberal" Roman Catholics will meet the same fate as they did during the Order's Spanish Civil War in the 1930s.

Meanwhile, the "**Great Whore**" in Rome—the Vatican's Papal Caesar and **Senatorial Hierarchy** overseen by the **Black Pope** and his "**Fiery Jesuits**"—will experience orgasmic delight as she once again becomes "***drunken with the blood of the saints" (Revelation 17:6)*** pursuant to the inquisitional **Jesuit Oath** and heretical **Council of Trent**. Bible-believing truth-seeker and brother-in-Christ, is this what you want for your beloved country, church and family? All this is coming because we did not timely resolve the assassination of **President Kennedy**. The infant that killed him has now become a Frankenstein monster and we, the American people, are like the ***"children of Israel"*** in the days of **Isaiah the Prophet**:

"But this is a people robbed and spoiled;
they are all of them snared in holes, and they are hid in prison houses:
they are for a prey, and none delivereth; for a spoil and none saith,
Restore.
. . . for they would not walk in his ways,
neither were they obedient unto his law."

President Bush with Prince Bandar, Crawford, Texas, 2002 #746

Here we see the utter familiarity and comradery between two brother Masons serving the ***Black Pope***. Prince Bandar bin Sultan bin Abdul Aziz, the Order's Saudi ambassador to America, was intricately involved in the 911 mass-murder of Americans while serving as the liaison between the Bush White House and King Fahd. Saudi Arabia provided 15 of the 19 alleged "hijackers," the plot serving as a diversion away from the real masters behind the demolition of the World Trade Center. The Company's CIA asset and Saudi royal prince behind Al Qaeda was Osama bin Laden, whose family had been in business with the Bush Crime family for over 20 years. Thus we understand that the Jesuits, using Cardinal Egan's Knight of Malta DCI George J. Tenet, imploded the WTC and then, using S&B President Bush, blamed the "Moslem terrorists" for the CIA's remote controlled aircraft slamming into the WTC and Pentagon. As in the Pope's Second Thirty Years' War and Cold War, both "sides" are now being coordinated by Rome. After building Saudi Arabia and arming Egypt, Libya, Iran, Iraq, and Turkey during the last 70 years, the Islamic world is now poised to wage its "jihad" against the people of "the Great Satan." Russia and China, America's impotent Cold War enemies, were also armed by the CFR ruling Washington, and are now formal allies with Islamic countries. After invading the US, Russia will later attack Israel aided by those Moslem nations *(Ez. 38:8).* America has armed the very nations that will attack Israel in *"the last days."*

Knight of Malta John C. Gannon (1944 – Present), 2000 #747

This Irish-American Roman Catholic is one of the Empire's five most powerful intelligence masters. Receiving a B.A. in Psychology from the Order's College of the Holy Cross in 1966, Gannon joined the Jesuit Volunteer Corps to teach in Jamaica, finishing in 1967. Receiving a doctorate in History from Washington University (adjacent to the Order's St. Louis University) in 1976, he joined the CIA enjoying a 24-year career (1977-2001) subject to DCIs SMOM William J. Casey and SMOM George J. Tenet. Becoming Deputy Director for Intelligence (1995-97), this Temporal Coadjutor supervised all CIA analysts and oversaw preparation of the "President's Daily Brief." As Chairman for the National Intelligence Council, Gannon coordinated analysis of 11 intelligence agencies making him a prominent architect in the "911 Demolitions" and subsequent inauguration of Cardinal Egan's "War on Terror." Ominously, Gannon became one of the masterminds establishing the **Black Pope**'s American Gestapo, the 180,000-member Department of Homeland Security (2002) creating, in Gannon's words, "the architecture for domestic intelligence."* Absorbing 22 federal agencies, including FEMA, the Coast Guard and Secret Service, the DHS will be the Empire's Holy Office of the Inquisition. A CFR member having received the highest awards from the CIA, NSA, DIA, Secret Service, State Department and the President's National Security Medal as well as Holy Cross College's Ignatius Award (1996) and Sanctae Crucis Award (2002), he is a director at Jesuit Woodstock Theological Center, Georgetown University, serving also as an adjunct professor teaching in the National Security Studies Program. A dear friend of University President CFR/SMOM John DeGioia, Dr. Gannon is the exact parallel of Dr. Richard Korherr, Himmler's foremost SS/SD analyst. The Jesuit now works with huge corporations within the military industrial complex.

Peter–Hans Kolvenbach, 1995 #752

Twenty-Ninth Superior General of the Society of Jesus, 1983 – Present, with his Criminal, Seven-Member, Cosmopolitan General Council

"A consultative council is imposed on him by the general congregation [*which, composed of professed Jesuits of the Fourth Vow, elected the General*] of six persons [*and a token Black Jesuit now being the seventh*], whom he may neither select, nor remove,—namely, four [*now five, but according to "The Pope's Commandos" (The Saturday Evening Post, January 17, 1959) there were nine*] assistants, each representing a nation [*now, a group of nations called an "Assistancy"*], an admonisher or advisor (resembling the [*likes*] of a military commander) to warn him of any faults or mistakes, and his confessor [*to absolve him of his many sins*].

One of these must be in constant attendance on him . . . he may yet be suspended [*for heresy*] or deposed [*like* Pedro Arrupe *in 1981*] by its authority."

Dear truth-seeker, Satan's greatest and most powerful servants are always the most intellectual, Bible-rejecting members of the White Gentile Race. These are the men who have robbed, spoiled and made us Americans for a prey, presently betraying us into the hands of our future Sino-Soviet-Moslem-Latino invaders. Against these devils, dear seeker, will you be valiant for the truth in the earth?

The ***Black Pope***, Peter–Hans Kolvenbach, 2000 #753

Visiting the Jesuit Center in Wernersville, Pennsylvania, very few people could even dream of the vast and ubiquitous POWER this singular and unassuming man possesses. This Dutch Luciferian Satanist, the High Priest and Military Commanding General of the most powerful, wealthy, disciplined, educated and fanatical army in the history of man, rules the world with the aid of his five assistants, one advisor and one confessor. Once pronounced, there are no appeals from his decrees. His soldiers, including the Knights of Malta, Shriner and P2 Freemasonry, Opus Dei, the Club of Rome, the Illuminati, the Knights of Columbus and the Mafia, these groups commanding a host of lesser international subordinates, rule the American, European, Moslem, Russian and Chinese Empires. His great POWER, ruling over the leaders of the nations on both sides of his 21st Century Crusade, has been given to him on behalf of Rome's coming Eighth King, Jerusalem's future risen Papal Caesar, by "*the prince and power of the air,*" formerly called "*Lucifer*" who is "*the god of this world,*" known as "*the Devil*" or "*the Dragon*" and addressed as "*Satan*" by the risen Son of God,

Yeshua the Messiah, the Lord Jesus Christ.

"Father Rector, let not the damp of astonishment seize upon your ardent and zealous soul, in apprehending the sodaine and unexpected calling of a Parliament [*by England's Jesuit-controlled King Charles I*]. We have now many strings to our bow. **We have planted that sovereign drugge Arminianisme** [*the teaching that all unsaved men have an absolute free to believe on* Christ *rather than* God the Father *giving* ***"the faith"*** *to his elect* ***"to believe"*** *on* **Christ**] which we hope will purge the Protestants from their heresie. . . . I am at this time, transported with joy, to see how happily all instruments and means, as well as lessor, co-operate unto our purposes. But, to return unto the maine fabricke: — Our foundation is Arminianism. **The Arminians and projectors, as it appears in the premises, affect mutation.** This we second and enforce by probable arguments." {1} [Emphasis added]

"**Ignatius Loyola came forward and must have said in substance to the Pope: . . . 'but we, the Jesuits, will capture the colleges and universities. We will gain control of instruction in law, medicine, science, education, and so weed out from all books of instruction anything injurious to Roman Catholicism. We will mold the thoughts and ideas of youth. We will enroll ourselves as Protestant preachers and college professors in the different Protestant faiths. Sooner or later, we will undermine the authority of the Greek New Testament of Erasmus and also those Old Testament productions which have dared to raise their heads against the Old Testament of the Vulgate and against tradition. And thus will we undermine the Protestant Reformation** [*which has now been accomplished due to the abandonment of the* AV1611 Bible].' " {5} [Emphasis added]

Benjamin G. Wilkinson, 1930
American Protestant Theologian
Our Authorized Bible Vindicated

"In 1862, a Jesuit priest, the **Rev. F. X. Weninger,** made what he chose to designate 'an appeal to candid Americans,' on the subject of '*Protestantism and Infidelity*,' which is the offensive title to his book. He represented himself as

having been engaged for thirteen years 'as a Catholic missionary throughout the United States,' and, consequently, as having had extraordinary opportunities of observing the character and habits of our Protestant population, as well as having become familiar with the working of our institutions. These facts were stated, of course, to give weight and authority to his opinions; for while he professed to be addressing Protestants, but few of whom would see his book, he was, **with true Jesuit cunning**, really addressing the members of his own church, with the design of convincing them that Protestantism is already a failure, so as to stimulate them to renewed activity in their exertions to repress and exterminate it.

He scarcely enters upon his subject before announcing that *'Protestantism is ending in the desolation of heathenism;'* that is, that we, in this country, are fast becoming paganized, as the result of our total want of religion or of any religious convictions. Then, in contrast to this alarming condition into which we have been plunged by our infidelity, he points us to **Roman Catholicism** as furnishing the only means of making us acquainted, personally, with Christ [*as there is no salvation outside his Church*]. He says: 'The **real presence** of Jesus Christ [*the magical Latin words of the priest converting a cookie into the real body of Rome's Jesus Christ*] makes a heaven of every Catholic Church on the whole earth,' for there he can be conversed with 'face to face,' every day and every hour. He blasphemously insists that 'in holy communion *Jesus enters our interior*, really and substantially, *body and soul;'* and that **Protestantism**, having robbed us of all this consolation, has left us **'no better off than infidels and Jews.'** . . .

As if he were an oracle whose opinions were not to be questioned, he says, **'Protestantism leads to despair, because it denies free-will.'** That it is 'a religion of *immorality* [*when in fact Roman Catholic nations have always been more immoral than Protestant nations*].' That it is 'a religion of *disorder and despotism* [*when in fact Roman Catholic governments, when unaffected by Protestant maxims, always produce despots subservient to the Jesuits*].' That it is 'a religion of *blasphemy* [*when the doctrines of Rome, as compared with the doctrines of the Reformation Bible, are complete blasphemies, such as the "infallibility of the Pope"*].' That it 'came from *licentious, apostate priests and monks, and from despotic, licentious sovereigns* [*when in fact Rome's licentious priests and despotic sovereigns ruled by cruel Popes produced the world's political and spiritual midnight*]. That it 'is *dead* [*when in fact Romanism is dead to the extent that its priests extort money from governments for the support of their dead Church*].' That it cherishes *'a reckless disposition to calumniate* [*when in fact the Jesuit priests are the greatest false accusers and vindictive calumniators who ever drew a breath*].' That '*modern civilization does not spring*

from Protestantism [*which is, in fact, a bold-faced lie, the Modern Era having begun with Protestant martial victories ending Rome's First Thirty Years' War (1618-1648)*].' And that infidelity is the '*last logical consequence of Protestantism* [*which is tacitly absurd, as infidel Roman Catholic France, having massacred her Protestant Calvinist Huguenots, produced the French Revolution culminating in a military dictator* **(Napoleon I)** *and subsequent absolute monarch* **(King Louis XVIII)** *in contradistinction to the* AV1611 Bible-*reading, Protestant English Colonies producing the Calvinist American Revolution and a limited Constitutional government*].'

All the counts of this formidable indictment are so drawn as to display the skill and ingenuity of a criminal prosecutor; of one who has had experience in all the formalities of arraignment. . . . He made his real object, however, more apparent as he proceeded; and, in the midst of an enumeration of 'Protestant prejudices,' which he felt it his duty to overcome, he expressed his pent-up feelings in these words:

'One of the most glorious enterprises for the Catholic Church to engage in at this day is the conversion of the United States to the Catholic faith [Jesuit Arminianism leading to covert, Jesuit political rule].'

Now, if the consummation of this object were sought for in the field of fair discussion . . . But no such **liberal idea** as this finds any place in the mind of this author, **or of any other Jesuit**, or of any of those who submit to their dictation. From such men liberalism finds no quarter. They exhibit nothing higher or nobler than that supercilious air of imagined superiority, which roots out every generous faculty of the mind, and leaves its possessor an object of mingled pity and contempt. Thus impressed, and fearing that he would fail in rallying the militia of the Church to the support of the papacy if he did not speak plainly in defense of **the temporal sovereignty of the pope over the whole world**, this infatuated Jesuit thus declares:

'In the ceremonies for the installation of a new pope, he is addressed in these words: "Noveris te urbis et orbis constitutum esse rectorum. **Remember that thou art placed on the throne of Peter as the RULER *of Rome and the world.*" ' " {6}[Emphasis added]

"There is a conspiracy against Christendom. . . . But who are Satan's agents in this conspiracy? **The "agents" are the Jesuits**. Even though the Jesuits exude vast influence and control in the areas of theology, education, recorded history

and current media [*through the Order's CFR*], I am still perplexed that virtually no literature exists exposing the Jesuit's influence on mainline Protestantism. . . . In this work, the author uncovers forgotten history regarding the cooperative salvation theology of the Jesuits. . . . From **Cain** to **Charles** [**G.**] **Finney**, this book proves that modern Protestantism has abandoned the Doctrines of Grace and embraced the [*Satanic*] doctrines of cooperative salvation [*Arminianism, i.e., "Asking Jesus into your heart" upon "making a decision for Christ," thus being led to pray "the sinner's prayer" after which all participants are pronounced "saved," having the "forgiveness of sins,"—this ritual producing the same exact effect as if the preacher was a priest in a Roman confessional*]." {7}[Emphasis added]

Jesus the Messiah

– Luke 22:35, 36

With the dilemma that we Bible-believing Protestant and Baptist Americans find ourselves in, what shall we do? With the Society of Jesus having poisoned our bloodstreams with their "vaccinations and immunizations;" mutilated us with their unnecessary surgeries; drugged us with their "medications;" and now ready to "slit our throats from ear to ear" using a fascist dictator ultimately bringing upon us invading foreign armies, to whom shall we turn? The Word of God tells us:

> ***"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."***
>
> *– II Chronicles 7:14*
>
> ***"If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness."***
>
> *– I John 1:9*

Historically, the Lord's elect people, Israel, as well as true Bible-believing Churches, have indeed repented in the past. A classic example was the Presbyterian Church of Scotland. *The Solemn League and Covenant with an Acknowledgment of Sins, and Engagement to Duties by all Ranks* was agreed upon by Parliament in 1649. Remembering that one of our heroes, **Oliver Cromwell**, was about to behead the Jesuits' duplicitous and covenant-breaking **King Charles I** of England, and that the **Protestant Holocausts** in Germany and the Netherlands had formally ended only months before the setting forth of this astounding declaration, we read:

> "We Noblemen, Barons, Knights, Gentlemen, Citizens, Burgesses, Ministers of the Gospel, and Commons of all sorts, in the kingdoms of **Scotland, England** and **Ireland,** by the providence of **GOD,** living under one King, and being of one reformed religion, having before our eyes the glory of **GOD,** and the advancement of the kingdom of our Lord and Savior **JESUS CHRIST,** the honour and happiness of the King's Majesty and his posterity, and the true publick liberty, safety, and peace of the kingdoms, wherein every one's private condition is included: **And calling to mind the treacherous and bloody plots, conspiracies, attempts, and practices of the enemies of GOD, against the true religion and professors thereof in all places,** especially in these three kingdoms, ever since the reformation of religion; and how much their **rage, power, and presumption** are of late, and at this time, increased and exercised, whereof the deplorable state of the church and kingdom of **Ireland,** the distressed estate of the church and kingdom of **England,** and the dangerous estate of the church and kingdom of **Scotland,** are present and public testimonies; we have now at last, (after other means of supplication, remonstrance, protestation, and sufferings), **for the preservation of ourselves and our religion from utter ruin and destruction,** according to the

commendable practice of these kingdoms in former times, and the example of **GOD'S** people in other nations, after mature deliberation, resolved and determined to enter into a mutual and solemn **League and Covenant**, wherein we all subscribe, and each one of us for himself, with our hands lifted up to the **Most High GOD**, do swear, **I. That we shall sincerely, really, and constantly, through the grace of GOD, endeavor, in our several places and callings, the preservation of the reformed religion in the Church of Scotland, in doctrine, worship, discipline, and government, against our common enemies . . .** Albeit we be the Lord's people, engaged to him in a solemn way; yet to this day we have not made it our study, that judicatories and armies should consist of, and places of power and trust be filled with, **men of a blameless and Christian conversation, and of known integrity, and approven fidelity, affection and zeal, unto the cause of God;** but not only those who have been neutral and indifferent, but disaffected and malignant, and others who have been profane and scandalous, have been intrusted: by which it hath come to pass, **that judicatories have been the seats of injustice and iniquity; and many in our armies, by their miscarriages, have become our plague, unto the great prejudice of the cause of God, the great scandal of the gospel, and the great increase of the looseness and profanity throughout all the land. It were impossible to reckon up all the abominations that are in the land; but the blaspheming of the name of God, swearing by the creatures, profanation of the Lord's day, uncleanness, drunkenness, excess and rioting, vanity of apparel, lying and deceit, railing and cursing, arbitrary and uncontrolled oppression, and grinding of the faces of the poor by landlords, and others in place and power, are become ordinary and common sins; and besides all these things, there be many other transgressions, whereof the lands wherein we live are guilty.** All which we desire to acknowledge and to be humbled for, that the world may bear witness with us, **that righteousness belongeth unto God, and shame and confusion of face unto us, as appears this day . . .**

And, because these kingdoms are guilty of many sins and provocations against **GOD**, and his **SON, JESUS CHRIST**, as is too manifest by our present distresses and dangers, the fruits thereof; we profess and declare, before **GOD** and the world, our unfeigned desire to be humbled for our own sins, and for the sins of these kingdoms; especially, **that we have not as we ought valued the inestimate benefit of the gospel; that we have not laboured for the purity and power thereof; and that we have not endeavored to receive CHRIST in our hearts, nor to walk worthy of him in our lives; which are the causes of other sins, and transgressions so much abounding amongst us:** and our true and unfeigned purpose, desire, and endeavour for ourselves, and all others under our power and charge, both in publick and in private, in all duties we owe to

GOD and man, **to amend our lives, and each one to go before another in the example of a real reformation; that the Lord may turn away his wrath and heavy indignation, and establish these churches and kingdoms in truth and peace.** And this Covenant we make in the presence of **ALMIGHTY GOD**, the Searcher of all hearts with a true intention to perform the same, as we shall answer at that great day, when the secrets of all hearts shall be disclosed; most humbly beseeching the Lord to strengthen us by his **HOLY SPIRIT** for this end, and to bless our desires and proceedings with such success, **as may be deliverance and safety to his people, and encouragement to other Christian churches, groaning under, or in danger of, the yoke of antichristian tyranny** [*of that Roman Antichrist and man of sin*], to join in the same or like association and covenant, to the glory of **GOD**, the enlargement of the kingdom of **JESUS CHRIST, and the peace and tranquility of Christian kingdoms and commonwealths.**" {9} [Emphasis added]

Dear truth-seeker and elect brother in Christ, are not these words for us today?

We as God's people living within the Pope's **"Holy Roman" Fourteenth Amendment American Empire**, having received the Lord Jesus Christ as our personal Savior according to His blessed gospel set forth in His infallible Holy Scriptures—The Authorized King James Version of 1611, must repent of our personal and national sins. Then, we must forsake them. Some of those sins are:

1. **Permitting** the army of the ***Black Pope***, the Company of the Society of Jesus, to exist, mightily prosper and absolutely control the government of the United States, through its Council on Foreign Relations (CFR), within our borders;
2. **Believing** the Jesuit/CFR-controlled American Press, which has continually lied and deceived us on every topic throughout the 20th and 21st Centuries;
3. **Permitting** the Jesuits' Federal Reserve Banking System and United Nations to exist within our borders, as these two bodies have successfully destroyed popular liberty (Biblical "liberalism") and the national sovereignty of every nation in the world pursuant to the purposes of the Jesuits' "Holy Alliance;"
4. **Waiving** our Fourth and Fifth Amendment rights (secured by the "declaratory and restrictive clauses" of the Bill of Rights at the insistence of the Baptists of Virginia and *so dearly paid for with torrents of blood* by our Protestant forefathers) through "filing" our written "confessions" every April fifteenth, paying the heavy and progressive Communist income tax on our "**wages**"—agreed upon monies received in exchange for our sacred labor, our physical and intellectual property, as opposed to "**income**" as defined by the Supreme Court—thereby financing a multitude of sins;

5. **Permitting** the drafting, vaccinating and sending of our sons abroad to fight the Pope's foreign wars (such as the war in Vietnam and the recent wars in Serbia, Iraq and Afghanistan), resulting in the further destruction of American "liberals" and foreign "heretics and infidels" so condemned by the Jesuits' **Council of Trent**;
6. **Permitting** the Jesuits, in control of the government of the American Empire, to use our military and financial might to enthrone Communist and Fascist dictators around the world whose first allegiance is to Rome, thereby restoring the **Temporal Power** of the Jesuits' "*infallible*" Pope, returning the world to the Dark Ages;
7. **Consenting** to the Jesuits' Supreme Court decisions in removing the Protestant Bible and prayer from the foremost public bulwark of American liberty so hated by the Society of Jesus—the Common Public School System;
8. **Consenting** to the immigration of millions of Roman Catholics and pagan persons of color whose loyalty to the Pope or their own race, religion and nationality is greater than their loyalty to our **WASP Protestant Constitution** and republican form of government, thereby creating a multitude of agitations justifying more centralization of power in Washington, D.C., and through racial amalgamation, the Africanization of the American White Celtic-Anglo-Saxon Race (being historically *the greatest enemy of the Jesuit Order*), especially its Bible-believing Protestants and Baptists, as intended by the Company of Jesus pursuant to its **Jesuit Oath**;
9. **Consenting** to the unbiblical decisions of Order's Supreme Court forcing racial integration upon us, resulting in the destruction of both the White and Black races through amalgamation, as the exchange of viruses, bacteria and parasites, unique to each race, creates powerful combinations in the offspring producing a non-resistant, weak, intellectually failing and sterile population within five generations;
10. **Consenting** to the Order's Supreme Court decision of legalized abortion, resulting in the mass-murder of unborn babies, polluting the land with innocent blood, ultimately collapsing the Ponzi Scheme called "**the Social Security System**" justifying euthanasia—the mass-murder of the elderly—by the Order's coming fascist dictator, *"provoking the Lord against us, to consume us, until there be no remnant nor escaping in the land"* by means of a massive, **Sino-Soviet-Moslem**-led military invasion composed of a coalition of nations intent on the death of the population, thus cleansing the land with the blood of unrepentant and unforgiven American murderers, kidnappers, adulterers, sodomites, sorcerers, pornographers and thieves who, without restraint and in blatant defiance of God's law and public morality, persist in the same;
11. **Succumbing** to race hatred as a result of Jesuit-controlled, Masonic agitators such as the White Knights of the **Ku Klux Klan** and the Black

Nation of Islam, justifying the imposition of martial law when the inner-city race wars begin;

12. **Sheepishly giving up** our real wealth, gold and silver coins in exchange for "indulgences" (the Jesuits' worthless paper money called "Federal Reserve Notes") and thereby becoming a nation of overworked, unprincipled, money-hungry thieves;
13. **Consenting** to the cattle brand of the Jesuits' "**Social Security Number**" as a means of identification to be used by their **International Intelligence Community**, begun by Hitler's SS at Dachau, it being the forerunner of

". . . the mark, . . . of the beast, or the number of his name."

– Revelation 13:17

14. **Obeying** the evil 1968 Gun Law of Nazi origin and thereby, upon purchasing new firearms, blindly registering our guns—**our Swords of Just Defense**—enabling the coming, Jesuit-controlled, White, fascist, military dictator to ultimately take them from us, making our annihilation sure, pursuant to the **Council of Trent**;
15. **Committing** a multitude of personal sins, both public and private, ensuring that our annihilation will be a righteous act of retribution, for our militaristic desolation of the nations, in the eyes of both the risen Son of God and mortal man.

Realizing the *theology* of a people determines the *form of government* to which they submit (either by consent or by force) to their governors; that *substance* determines *form;* that *theory* decrees *practice;* that *heresy* begets *tyranny;* the list of our national sins is not yet complete. Since our righteous and *tolerant* Biblical foundations (in opposition to oppressive Canon Law) laid by **American Calvinists** of the Lord's Grand and Glorious Protestant Reformation have been destroyed, we must name the greatest sin of all. It is *the fear of man* having produced a *nation of cowards,* in both low and high places, as a result of *cowardice and compromise* in the pulpit—something **Luther**, **Calvin** and **Knox** never knew! Where is the fearless Bible preacher of today? These "*ministers*" are all, for the most part, wimpy, "incorporated church" businessmen dominated by their matriarchal and feminist wives, while aspiring to build a following of false, world-loving, easy-believers, *who know nothing of self sacrifice*, in exchange for their high calling of:

"Preach the word; be instant in season, out of season;
reprove, rebuke, exhort with all longsuffering and doctrine."

– II Timothy 4:2

"Watch ye, stand fast in the faith, quit you like men, be strong."

– I Corinthians 16:13

Joshua was commanded, which principle applies today:

> ***"Be strong and of a good courage . . . Only be thou strong and very courageous . . . to do according to all the law . . . that thou mayest prosper whithersoever thou goest . . . for then thou shalt make thy way prosperous, and then thou shalt have good success. Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed; for the LORD thy God is with thee whithersoever thou goest."***
>
> *– Joshua 1:6-9*

With strength from God, empowered by his Spirit *we are* to resist the Devil. The Devil manifests his works through many devices. One of them is political tyranny which always flows from religious tyranny. Human government was established by God when He instituted capital punishment for murderers.

> ***"Whoso sheddeth man's blood, by man shall his blood be shed . . ."***
>
> *– Genesis 9:6*

Its purpose was to punish evil and reward good,

> ***"For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil.***
>
> *– Romans 13:3, 4*

Government was necessary for the growth of any civilization as even today. But when a government becomes a bloodthirsty tyranny, evincing a design to reduce us under absolute despotism, it is our right, it is our Protestant and Baptist-Calvinist duty, to throw off such government and to provide new guards for our future security. And how do we do this? We first submit to the Word of God, which is the Sword of the Spirit, by *meditating* upon it and *learning* how to use it in *resisting* the Devil, *not loving* his world system, and *daily dying* to the urges of our own sinful, fleshly nature. Whenever Christ was tempted by Satan or taunted by the evil **Pharisees**, whose Judaism was originally based in Jehovah's Torah but corrupted by the traditions of men as recorded in the wicked **Babylonian Talmud**, he always resisted with the Sword of the Spirit coupled with his wit. He was not afraid. He was *courageous* and he *attacked*, not fearing what men could do to Him. With the strength of **Samson** and the zeal of **Nehemiah**, He cleansed the **Second Temple** intending it to be Jerusalem**'s** House of Prayer for all Gentile Nations. Our attitudes and actions must be the same. We wake up every morning with the joy of the Lord, and a spiritual song in our hearts. We put on the whole

armor of God, pray and, with courage given by the Holy Spirit, do battle with our enemies, **the World**, **the Flesh** and the Devil.

Those enemies manifest themselves through people, many of whom are the servants of Satan. I am referring to the Jesuits, Knights of Malta, 33rd Degree Freemasonry, the Illuminati, Opus Dei, the Club of Rome (founded in 1968 to be used for the Pope's unification of Europe, and guided by its current Masonic Islamic President, **Prince El Hassan bin Talal**, the uncle of the Arab king of Jordan), the Mafia and the Knights of Columbus. These groups control all banking, media, politics and organized religion within American Empire. Like the risen Son of God, *we do not hate* these men; we hate their doctrines and *we hate* their deeds.

> ***"But this thou hast, that thou hatest the deeds of the Nicolaitans, which I also hate. So hast thou also them that hold the doctrine of the Nicolaitans, which thing I hate."***
>
> *– Revelation 2:6, 15*

We pray for their conversion to Jesus the Christ of the Reformation Bible (if they may be in fact one of the LORD's elect), He, imparting saving faith, enabling them to believe the blessed gospel of Christ, and to resist their past worshipful master—Satan—whom they must abandon. But when these unconverted men become bolder to resist the preaching of the pure gospel, desiring to destroy us "heretics and liberals," we must, **through the arm of duly organized government**, take up "**the Sword of Just Defense**" as we Calvinists have called it. We must go to *physical war* as a matter of domestic policy against the armies controlled by Rome's Jesuits, even as our forefathers have so bravely done in the past. Indeed, there is:

> ***". . . a time of war . . ."***
>
> *– Ecclesiastes 3:8*

We fight valiantly for the truth in the earth; we win the day or retreat to attack again. **We never surrender**, as our foes have **no mercy** evidenced by the FBI massacre in Waco, Texas. Engaging the enemy, we die to the last man even as Holland's Wild Beggars of the sea. We fight and die well, as our Calvinist forefathers fought and died on a thousand fields of battle, outnumbered and outgunned, remembering we, by the grace of God, brought Europe out of the Pope's Dark Ages into **the Modern Era**. We alone gave birth to political liberty, so limiting the powers of rulers, our Father having answered our earnest petitions. Whether we live or die we serve the risen Son of God in resisting the sin of Anti-Christian tyranny presently being shoved down our throats by that **Roman Antichrist**—the Jesuits' "*infallible*" Papal Caesar! In one hand is **the Sword of the Spirit** and in the other is **the Sword of Just Defense** wielded under the authority of our newly-formed government. With these weapons coupled with personal purity,

honest prayers and loyal, self-sacrificing leadership, the man of God is invincible! *Gentlemen, the time is not ripe but rotten!*

When the Protestants and Baptist-Calvinists of the past resisted the armies of Jesuit-controlled tyrants, they obtained liberty and the following good report:

> "Whatever was the cause, the **Calvinists** were the only **fighting Protestants.** It was they whose faith gave them courage to stand up for the **Reformation.** In England, Scotland, France, Holland, they, and they only, did the work, and but for them the Reformation would have been crushed. This is why I admire them, and feel there was something in their creed that made them what they were . . . If it had not been for the Calvinists, Huguenots, Puritans, and whatever you like to call them, the Pope and Philip would have won, and we should either be **Papists** or **Socialists.**" {10} [Emphasis added]

These men exist today. In America we are called "**American Freemen**." In England they are called Calvinist "**Revolutionary Knights**." Of these Englishmen and their high ideals, we read from the pen of the dauntless Calvinist, **N. H. Merton**:

> **"A CALL TO ARMS, AN END TO SACRIFICE"**
>
> **"The strategy of the revolutionary knight** is not one of mass-struggle against the evil forces of **the Crown, the Vatican, the Hanseatic League, the Trilateral Commission** or **the City of London.** Having lost any sense of national, and thus also racial, identity in a stew of mongrelisation, the masses are incapable of rising from their knees. Instead of wasting his time attempting to enlist the weak in a spiritual fight, the revolutionary knight knows he must arm an elite force with the weapons of education and knowledge [*as does the Devil's Society of Jesus*].
>
> The exploiters encourage the ignorant masses to think that they live in a democratic country where everyone not only has a right to make decisions about how society is run, but actually does so [*universal suffrage*]. Thus, while the **Empire of the City** [*and Washington, D.C.*] plunges the nation into poverty, the ignorant masses are left believing that it is their own fault when they go hungry [*thanks to Popish/British Free Trade policies such as NAFTA and GATT*] or their children don't have shoes on their feet [*with the loss of our manufacturers thanks to Chinese slave-made goods*]. . . .
>
> The common man's mind has been poisoned by **democracy, pornography, nihilism and lies about equality.** As a result of this disorientating propaganda, the ordinary man imagines himself to be master of his own existence [*Jesuit-promoted, "free-will" Arminianism*]. In stark contrast, the revolutionary knight is urged by interior necessity to appeal to a standard beyond himself [the Word

of God, the King James English Reformation Bible of 1611], and freely accepts the guiding hand of God [*Calvinist predestination*]. The masses place no demands upon themselves and are delighted with their shallow incomprehension of the world. The common man is happy to swirl in a cesspool of filth.

It is the revolutionary knight who lives in a condition of servitude. **Life has no meaning to the revolutionary knight unless it is passed in service to God.** Therefore, he does not look upon the necessity of serving as an oppression. This is life lived in discipline—the noble life.

The revolutionary knight rejects the materialistic philosophies of both the 'left' and the 'right.' . . . **the revolutionary knight** must promote spiritual values as a defense against the calculated destruction being planned by the forces of Satanic nihilism. . . . **Only the revolutionary knight** is in a position to act effectively against the Satanic molestation of our young and the persecution of the elderly at the hands of the Papist and Norman.

The revolutionary knight recognizes that certain values are Eternal, and that refusal to adhere to Objective Truth and God's Law has resulted in chaos. **The revolutionary knight believes in ORDER**, and knows that to protect his flock against moral decline, firm hierarchical structures must be established within his regional community. The absurd ideological dogmas of communism, fascism and liberalism [*democracy*] must be rejected. Collectivist compromise has resulted in utter confusion and it is imperative that the doctrine of equality is replaced with a hierarchical paternalism that is completely free of the class and race hatreds that have polluted impressionable young minds. Unlike the **Bolshevik** or the **Nazi, the revolutionary knight is not a bigot** who wishes to annihilate his inferiors. Instead, he devotes himself, as a sacred duty, to guiding and protecting those of every class and creed who accept their place within God's Order.

There are [*Jesuit*] sophists who claim that Protestantism is destructive of hierarchy and that by revolting against Popery it led directly to nihilistic hedonism. This is plainly absurd because Protestantism is the bedrock of genuine [*national*] sovereignty and Order. There was nothing generically new or peculiar in the Reformation [*other than placing* the Word of God—the Bible of the Reformation—*in the hands of and in the languages of the peoples of Europe*]. It was a return to [*Biblical*] Truth and Reality, in opposition to [*Popish*] Falsehood and Semblance, just as all forms of Improvement and genuine Teaching are and always have been.

The revolutionary knight believes with his whole judgment, with all the illumination and discernment that is in him. Those who've fallen under the spell of Popery or the 'Church of England [*COE*],' need only to profess to believe in Christ, and this is how they've abandoned the rock of Faith, because private judgment is crucial to the Truth of the Gospels. . . . Only in a nation of sincere men who believe in the redeeming power of Christ with their hearts AND their minds [*Elizabethan England*] is hierarchy possible, and there, in the long run, it is as good as certain.

The revolutionary knight is under no illusions about the tasks ahead, as he sets before his eyes **the accomplished fact of national salvation** [*of birthing a new Reformation-Bible-based, White Anglo-Saxon Protestant and Baptist nation of Freemen within North America*]. He rejects the charade of ballot-box sloganeering. He belongs to a spiritual elite that refuses to dirty its hands with Westminster treachery [*Washington, D.C., treachery*] and [*Roman Catholic*] Norman debauchery [*Irish Roman Catholic American and Italian Roman Catholic American debauchery*].

The revolutionary knight will not 'bend' his principles to gain mass support; he knows that populism is a total betrayal of his elitist ideals. **One fine day, the mongrel hordes foisted upon England** [*and America*] **by the** [*Pope's Roman Catholic*] **Norman oligarchy** [*and the Archbishop of New York City's Council on Foreign Relations via forced White/Black amalgamation and illegal Roman Catholic Mexican/Latino invasion*] **will be shipped to other ports of the world in a phased, humane and financially assisted fashion** [*which same policy of repatriation back to Africa Presidents Thomas Jefferson, James Monroe and Abraham Lincoln sought to implement towards freed Negro slaves but were prevented by the invisible political power of the Jesuit Order working through the Radical Red/Black Republicans*]. **The anti-racial masses do not belong in this country; it is the home of the Saxon alone. We shall restore Winchester as the capital of England. The handful of Normans not facing criminal proceedings, followed by swift execution, will be repatriated to the Channel Islands.**

As an English nationalist [*and as an American nationalist*], **the revolutionary knight** fights for the nation against the **Empire of the City** [*the City of London, secretly controlled by the Pope's Sovereign State of Vatican City*]. He knows it is not an accident that the **Union Jack** contains a [*Popish Knights Templar*] double cross. The revolutionary knight accepts only the **Saint George flag** as his standard containing, as it does, the simple cross of Christ. **He wants a revolution in the true meaning of the word, a return to the natural system that God created for us and our families, a home-coming.**

> **The revolutionary knight** opposes the plutocracy and the present system of Masonic mind control based on human sacrifice. He will seize the reigns of power [*as power is never given, only taken*] and raise the English nation from its present state of decline to new heights of [*Protestant*] Christian glory. The hour approaches and we must ready ourselves for the fight. **No Popery!** No wooden shoes! Smash the Norman oligarchy [*including London's Chatham House and New York's Council on Foreign Relations*]!
>
> **'Upon this rock I will build my church and the gates of hell shall not prevail against it.' "** {11} [Emphasis added]

If the Protestant and Baptist pastors of the Pope's **Fourteenth Amendment** "**Holy Roman**" **American Empire** do not repent and begin to vehemently resist our Jesuit, Anti-Christian tyranny centered at **St. Patrick's Cathedral** in New York City, they will most assuredly experience shame, remorse and murder at the hands of Vatican Assassins. **Dietrich Bonhoeffer**, a Bible-rejecting Lutheran pastor, was hanged naked, suspended with piano wire in 1945 by the Jesuits' **SS**. Prior to this shameful and dishonorable death at the hands of the Devil's henchmen he confessed:

> **"I am guilty of cowardly silence at a time when I ought to have spoken. I am guilty of hypocrisy and untruthfulness in the face of force. I have been lacking in compassion and I have denied the poorest of my brethren . . .** We, the church, must confess that we have not proclaimed often or clearly enough our message of the one God who has revealed Himself for all times in Jesus Christ and who will tolerate no other gods beside Himself. She must confess her timidity, her evasiveness, her dangerous concessions. She has often been untrue to her office of guardianship and to her office of comfort. She was silent when she should have cried out because the blood of the innocent was crying aloud to heaven. She has failed to speak the right word in the right way at the right time. She has not resisted to the uttermost the apostasy of faith, and she has brought upon herself the guilt of the godlessness of the masses. . . .
>
> The church must confess that she has witnessed the lawless application of brutal force, the physical and spiritual suffering of countless innocent people, oppression, hatred, and murder, and that she has not raised her voice on behalf of the victims and has not found ways to hasten to their aid. She is guilty of the deaths of the weakest and most defenseless brothers of Jesus Christ . . . The church must confess that she has desired **security, peace** and **quiet, possessions** and **honor,** to which she has no right. . . . She has not borne witness to the truth of God. . . . **By her own silence she has rendered herself**

guilty because of her unwillingness to suffer for what she knows to be right." {12}[Emphasis added]

With the gathering of God's people led by loyal pastors we must petition the Congress to redress the grievance of the Jesuit assassination of **President Kennedy**. We must demand that the Society of Jesus be expelled from the American Empire, while earnestly praying for individual Jesuits that they would leave the Company and tell their story. Laws must be passed that no one may hold public office who has given an oath of allegiance to a foreign Monarch—*especially the Pope!* This would include the Knights of Malta and the Knights of Columbus. Laws must be passed that no member of a secret society can hold public office. This would include all Freemasons, as their doctrines are secret, their lodges have no windows (just like the Kingdom Halls of the Masonically-controlled Jehovah's Witnesses who deny the **deity of** Jesus Christ) and their highest leaders are loyal to the Jesuit General.

Dear truth-seeker, these things will never happen unless Americans, both nobles and commoners, experience a true **Great Awakening** as we did in the 1730s and the 1830s. To live for the mere pleasure of business success or personal accomplishment will never satisfy the desires of our self-serving, carnal hearts. May we all diligently seek God through His risen Son, the Lord Jesus Christ, while He may be found that we may live for Him, which is our reasonable service. Only in serving Him do we find meaning and purpose in the words "freedom" and "liberty."

In the meantime, we must do as **Jehoshaphat**, the King of Judah, when he faced the invasion of a great multitude from beyond the sea. In open and humble prayer on the Temple steps before all the people, he cried:

> ***"O our God, wilt thou not judge them? for we have no might against this great company that cometh against us; [the Pope's great military Company of Jesus] neither know we what to do: but our eyes are upon thee."***
>
> *– II Chronicles 20:12*

Responding to his prayer of faith the Lord replied,

> ***"Hearken ye, all Judah, and ye inhabitants of Jerusalem, and thou king Jehoshaphat, Thus saith the LORD unto you, Be not afraid nor dismayed by reason of this great multitude; for the battle is not yours, but God's."***
>
> *– II Chronicles 20:15*

Dear Bible-believing truth-seeker and brother in Christ, if the risen Son of God sank the Spanish Armada when Philip II sought to invade Protestant England in 1588; if the risen Son of God gave Gustavus Adolphus victory after victory during

the Thirty Years' War ending in 1648; if the risen Son of God gave Oliver Cromwell and his Baptist-Calvinist army the victory at Dunbar in the face of annihilation by the Presbyterian Scots (duped by the promises of King Charles I overseen by the Jesuits "who keep no faith with heretics") in 1650; if the risen Son of God melted the river of ice and drowned the French army of Louis XIV when he sought to invade the Protestant Dutch Republic in 1672; if the risen Son of God gave the righteous and daring General George Patton (America's greatest General who, while occupying Berlin, publicly rebuked his soldiers in formation and at attention, calling them *"pigs"* for fornicating with the conquered German women according to a personal friend of the author who was there, Sgt. Harry Boyer) the victory at the Battle of the Bulge in 1945; He can save us from our enemies in the year of our LORD 2007. May you receive the same encouraging reply from God your Father as you ask in Jesus' name to be led by His Holy Spirit while resisting the Devil's Jesuit tyranny in Washington, D.C., and the coming foreign invasion of our great land, remembering:

> ***"The effectual fervent prayer of a righteous man availeth much."***
> *– James 5:16*

The righteous man **Martin Luther**, so hated by **Ignatius Loyola**, declared:

> **"If you meddle with popedom** [*the temporal power of the earthly kingdom of the Pope*]**, you will have the whole world against you."** {13}[Emphasis added]

Therefore he prayed:

> **"I know You are our Father and our God; and therefore, I am sure You will bring to naught the persecutors of Your children. For if You fail to do this, Your own cause, being connected with ours, would be endangered. It is entirely Your own concern. We, by Your providence, have been compelled to take a part. You, therefore, will be our defense."** {14}[Emphasis added]

My elect brethren and serious seekers of the one true God, may we do the same. I bid you farewell until we meet in the air when we receive our glorified bodies, in the presence of the risen and righteous Holy Son of God in Whom alone is the love of God and to Whom alone has been given all **Spiritual Power** and **Temporal Power**—***all authority and jurisdiction***—in Heaven and in Earth,

Yeshua the Messiah, the Lord Jesus Christ.

Upon His return, He will chain and imprison the Devil, and cast the White, resurrected, Gentile Papal Caesar—**the beastly Antichrist**—alive into the **Lake of Fire**, along with **the Jewish False Prophet**. Having executed the risen Pope's murderous Gentile dictators, along with the leading Jewish Labor Zionist and

Talmudic Orthodox traitors having conspired with the **Antichrist** to mercilessly destroy His beloved Hebrew/Jewish People of Israel, Jesus the Messiah shall sit upon the royal "***throne of David***" and rule the **Fifth World Monarchy**, as spoken of by ***Daniel the Prophet***, on top of Mount Zion from the Fourth Temple in Jerusalem, for "***one thousand years***" ***(Revelation 20:4)*** during the ***"regeneration"*** of the earth ***(Matthew 19:28)***, and ***"for ever" (Luke 1:33)*** in ***"the new earth" (II Peter 3:13)***.

". . . for now shall he be great unto the ends of the earth."

– Micah 5:4

With His surviving *elect remnant, the repentant sheep of the House of Israel—His national and racial brethren, called "Hebrews" by God and "Jews" by men, all with circumcised hearts as foretold by* ***Ezekiel the Prophet***—gathered around Him,

". . . they shall look upon me whom they have pierced . . ."

and shall ask:

"What are these wounds in thine hands?"

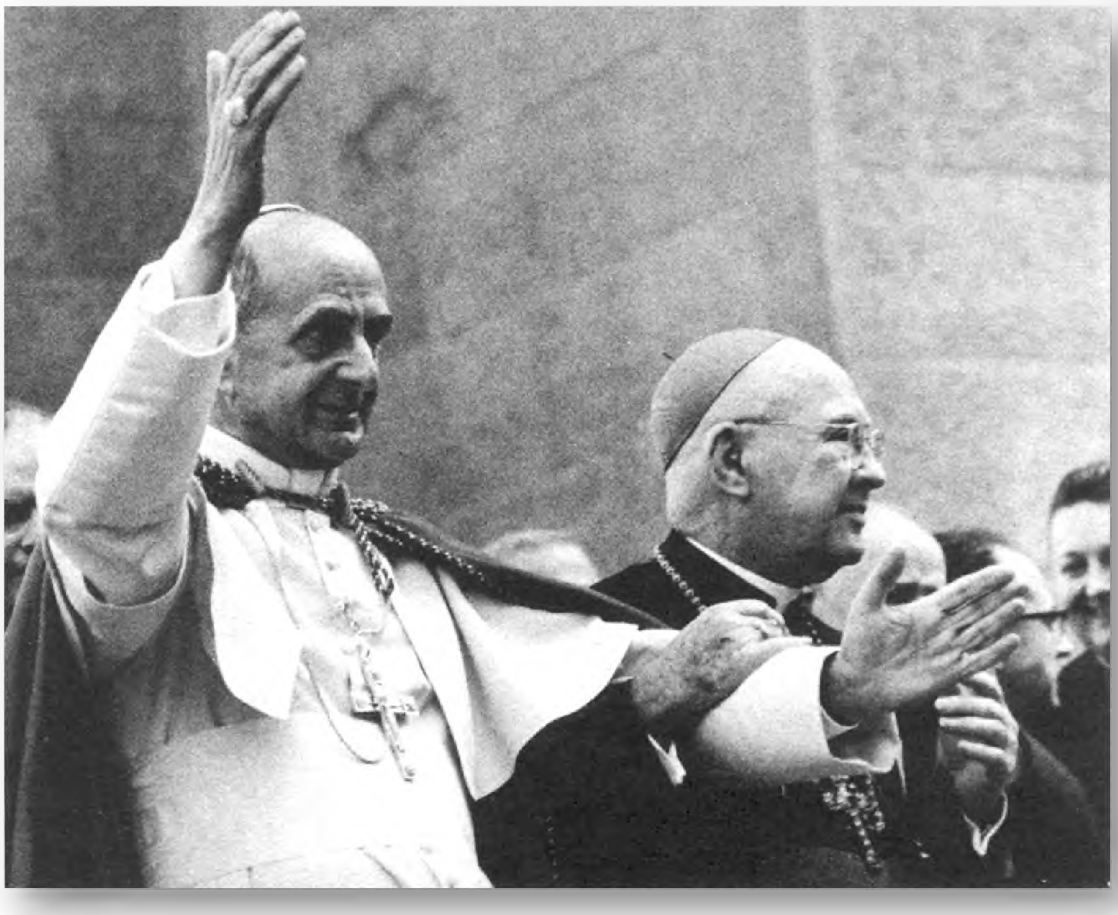
Their Savior and Messiah, the Lord of Hosts, shall reply in forgiving, eternal love,

"Those with which I was wounded in the house of my friends."

– Zechariah 12:10; 13:6

In conclusion, my elect brethren, may we Bible-believing Americans, upon the repentance and confession of any Vatican Assassin, forgive him. For our **President John F. Kennedy**, like Jesus the Anointed One, was also wounded in the house of his friends, many of whom, in blindly following orders, knew not what they did.

And finally, when our government, *in doing its duty of punishing evil*, will have expelled that foreign army of the Papal Roman Caesar presently ruling the world—that Militia of the **Black Pope** within America's borders controlling the **Masonic/Islamic International Terrorist Network** overseen by its **International Intelligence Community** with all of the world's **Military Industrial Complexes** dedicated to the restoration of the Papal Roman Caesar's Temporal Power around the world—that murderous, that treasonous, that diabolical serpent of Satan called The Society of Jesus *ready to strike us in the heart with a huge foreign invasion*, our Nation's gruesome, midnight **Tragedy** shall become our glorious, noonday **Triumph!**



Pope Paul VI and Francis Cardinal Spellman, 1965 #754

After the Jesuit General's Second Thirty Years' War that raged from 1914 through 1945 killing nearly 100,000,000 people, Cardinal Montini, both a highlevel Freemason and Knight of Malta later to be chosen as Pope Paul VI, oversaw the successful workings of Pope Pius XII's Vatican Ratlines. In saving the **Black Pope**'s SS while "the Order of the Death's Head" was escaping Allied justice in Europe, he was aided by his most obedient servant, another high-level Freemason and Knight of Malta, Francis Cardinal Spellman, the most powerful, Jesuit-trained, "Roman Senator" and "Prince of the Church" in American history. Here, after having coordinated the Kennedy Assassination for his god and master, Cardinal Spellman gleefully clutches the arm of his "King of kings and Lord of lords, Father of Princes and Kings, Governor of the World, Sovereign of the State of Vatican City," the living forerunner of the Devil's Antichrist. Since the Pope's assassination of President Kennedy in 1963 and his cultic visit to Rome's "Holy Roman" Fourteenth Amendment American Empire in 1965, America has continued in its moral, commercial and political decline.

Pope Paul VI; Francis Cardinal Spellman; Jacqueline Kennedy; 1965 #755

At the Pope's historic first speech to his pro-communist United Nations (intended to cause the rise of international fascism), it having been wickedly financed and erected on American soil thanks to the ***Black Pope***'s Masonic, CFR-controlled Roosevelt/Rockefeller Dynasty, the most important Kennedy assassins were in attendance. During the subsequent reception for the Pope, the first person the Pontiff greeted was none other than the broken Jackie Kennedy. Standing behind her is the jubilant "Cardinal War," his Eminence Francis Spellman, the power behind the CIA, FBI, NSA, Secret Service, Military Intelligence, Dallas Police Department and the murderous Sicilian/Italian Mafia. Imagine the brazen heartlessness of these men who, after killing the President as a matter of business, could then publicly converse with his widow, while having no apparent pangs of remorse! This is a chilling portrayal of the Pope's Canon Law, enforced by the Company through men having been brainwashed by the Sons of Loyola.

Masons Pope Paul VI and President Lyndon Baines Johnson, 1965
#756

Jesuit-trained, political altar boy Lyndon Johnson at New York City's Waldorf-Astoria Hotel is in the presence of his Master, Paul VI. Here sit both the architect and builder of "Spelly's War" in Vietnam. Upon the elimination of President Kennedy, the CIA flooded every American city with illegal drugs via its counterpart, the P2 Masonic Sicilian American Mafia. Wall Street's Vatican Bankers, including the Order's Federal Reserve Bank, made trillions in gold while the Pope's Papal Knights further destroyed Protestant America. Marrying a Greek foreign billionaire, Aristotle Onassis, Jackie Kennedy ultimately left the country; and the **Black Pope**'s assassins of John F. Kennedy still remain at large.

John Fitzgerald Kennedy, 1917 – 1963 #757

Thirty-Fifth President of the United States of America
1961 - 1963

"The American Century," the **Black Pope** has ruled,
Killing "usurpers" worldwide, those "liberals," those "fools."
For resisting Rome's Caesar, and his bold Temporal Power,
I was shot down in Dallas, at half-past the hour.
Decades have passed, while my blood cries aloud,
"Justice! Oh, Justice!" to earth's highest cloud.
Is there no champion, my cause to plead?
To punish my killers, is there no need?
The Temple's moneychangers, I did chastise,
The Cold War and "CIA," I likewise despised.
Just as the death of Messiah, who foreknew his ends,
My sole son has been "wounded, in the house of my friends."

John F. Kennedy, Jr., 1963 #758

***"Now the God of peace, that brought again from the dead
our Lord Jesus, that great shepherd of the sheep,
through the blood of the everlasting covenant,
Make you perfect in every good work to do his will, working in you
that which is well-pleasing in his sight,
through Jesus Christ;
to whom be glory for ever and ever. Amen."***

– Hebrews 13:20, 21

"A man does what he must—in spite of personal consequences, in spite of obstacles and dangers and pressures—and that is the basis of all human morality." {15}

John F. Kennedy

It is now January of 2007; over six years have elapsed since the release of the first edition of *Vatican Assassins: "Wounded In The House Of My Friends."* Five thousand copies have been put into circulation along with approximately twenty–five hundred copies of two editions of pre-book manuscripts first released in 1999. A total of seventy-five hundred copies of both the book and manuscripts are now in the public domain, having exposed the diabolical Society of Jesus in its bold assassination of **President John F. Kennedy**. The **Great Jesuit Cover-up** continues via the Secret Service, Federal Bureau of Investigation, Central Intelligence Agency, Office of Naval Intelligence, State and local Police Departments and its CFR-controlled national Press, including CBS's utterly deceitful CFR member and notorious accomplice in the Kennedy Assassination Cover-up, **Dan Rather**, as well as CNN's **Larry King** and Fox News' former leftist ACLU attorney, **Geraldo Rivera**.

Not surprisingly, there has been more of a foreign interest than a domestic one. A South Korean pastor has completed the translation of the first edition and there

have been separate offers to translate the work into Spanish by two brilliant women, one Mexican, the other Cuban. The Koreans, like us Americans, are generally ignorant of the history of the Company's *deeds of blood* against their nation bordered by the largest, most murderous, Jesuit-directed, Communist dictatorship in the history of the world—*Red China*. Jesuit-trained **Francis Cardinal Spellman** has committed the most despicable of high crimes against the Koreans, he being the true impetus behind the United Nations' Korean War (1950-1953). At the time, the Order controlled 33rd Degree Freemason **President Harry Truman** (1945-1953), **President Dwight Eisenhower** (1953-1961) (who, according to (CFR) **General James A Van Fleet**, Commander of the U.S. Eighth Army in Korea, refused to allow US forces to win the war in the Spring of 1953), and **Chairman Mao** (1949-1976). At this moment North Korea, with the blessing of Red China is preparing to attack South Korea, man for man, the most Protestant, Bible-reading country in the world. If the LORD does not intervene, all Bible-believing Protestants, Baptists and anti-Communists (like the East German Lutherans of post-World War II) will either be killed or deported to hundreds of Chinese slave labor camps by the Chinese minions of the Society of Jesus.

The Roman Catholic Mexicans and Cubans are not so ignorant. They know the Order has assassinated several prominent and popular Mexican statesmen, including **Presidents Benito Juarez** (1872), **Francisco Madero** (1913) and **Alvaro Obregon** (1928). By its murder of Obregon, it turned President **Plutarco Calles** into a fascist, later exiled (1934-1941) by President **Lazaro Cardenas**. During Cardenas' term of office (1934-1940) the politically Menshevik, racially Jewish **Leon Trotsky**, who had built the Red Army *unwittingly* for the Pope's Soviet Crusade into Eastern Europe, was murdered in Mexico City (1940) by Franco's Jesuit-sent, Spanish Catholic, KGB assassin **Ramon Mercader**. Leon Trotsky had been the greatest rival of Masonic **Josef Stalin** as to who would rule the ***Black Pope***'s anti-Jewish Empire of the USSR, Coadjutor Stalin having formally re-admitted the Order into Russia in 1922).

While under the Company's rule, Cuba has paid a terrible price via its Masonic, socialist-communist, absolutist dictator, **Fidel Castro**. Cleverly placed in power (1959) through the intrigue of the Company's murderous pro-Nazi American Central Intelligence Agency overseen by arch-traitor and covertly pro-Soviet-Communist **President Dwight Eisenhower**, he became Cuba's Grand Inquisitor for the Vatican. At the time, the CIA, dubbed *"the Company,"* was headed by **Pope John XXIII's** high-level Freemason, **Allen W. Dulles**, whose nephew is today one of America's most powerful Jesuits residing at Fordham University in New York City, **Avery Cardinal Dulles**. The "Russian Federation" and Red China are now united and preparing to attack our West and South coasts, using Hawaii and Cuba as staging bases, thanks to high-level treason in Washington for the last seventy years.

For at least the last thirty years, the Order's **Opus Dei** has advocated a war with Islam—a Crusade to be preached and fought by historically White Protestant nations whose governments have been *secretly commandeered* by the Jesuits. These nations are **The United Kingdom** and **The United States of America**, they standing as the backbone of "Western Civilization" born out of the LORD'S Grand and Glorious Protestant Reformation so vehemently "accursed" and condemned by the Jesuit Order through its antichrist Council of Trent. If the Reformation is to be obliterated by the military Company of Jesus, then Western Civilization itself must be completely destroyed, as was **Bismarck's White Protestant Second German Reich** (1871-1919) during the Pope's **Second Thirty Years' War** (1914-1945). What better way to accomplish this fiendish dream of the Vatican than to foment another no-win war, this time against a massive and multi-racial, Islamic coalition of nations composed of fanatical, savage, irrational, relentless, and bloodthirsty, Allah-worshipping hordes whose leaders are wealthy, high-level, Islamic Freemasons controlled by the Jesuit General? Financed by the ***Black Pope***'s premier Saudi Arabian petroleum cartel (OPEC), International Drug Trade and the United Nation's "Oil for Food" scandal, these Islamic dictators, directing Rome's Al Qaeda-led, **Masonic Islamic International Terrorist Network**, will be in *secret collusion* with Freemasons President (CFR) **George W. Bush** and British Prime Minister (RIIA) **Tony Blair** via the ***Black Pope***'s unified **International Intelligence Community**.

It was for this reason the ***Black Pope***—**Peter Hans Kolvenbach**—secretly in control of **Pope John Paul II** (he directing his *"Archbishop of the (political) capital of the world"*—New York's **Edward Cardinal Egan**—who in turn commanded the Central Intelligence Agency through his most powerful Knight of Malta, **Director George J. Tenet**) demolished the World Trade Center and part of the Pentagon on September 11, 2001. After consummating an intricate conspiracy spawned deep within Vatican walls involving the Jesuit General's **International Intelligence Community** (covertly in full command of the Order's **Masonic Islamic International Terrorist Network**, including CIA operatives **Saddam Hussein** and **Osama bin Laden**), the Order's **Skull and Bonesman**, President **George W. Bush** (who ran against the calculated loser and Jewish Democrat, left-wing CFR member **Senator John Kerry**, who was, in fact, another "brother" **Skull and Bonesman** who attended the Jesuit Order's **Boston College Law School**), declared a *"War on Terror."* With no formal Congressional declaration of war in violation of the U.S. Constitution; with no enemy nation upon which war has been legally declared; and with no foreseeable end in sight; we now have lost over three thousand American soldiers with no "Weapons of Mass Destruction" to be found anywhere in the region. This war, now honestly being called *"a war against Islam,"* is to be waged, in the words of the Pope's CFR member and Black National Security Adviser, **Condoleezza Rice**, *for a generation!* CFR member, fascist **Newt Gingrich** agrees. **Opus Dei**, in serving its master, the Society of Jesus, now has its World

War III—presently in its infancy—between the apostate, AV1611 King-James Bible-rejecting Protestant West and the Islamic Middle East, later to be aided by the Order's "Russian Federation" and Communist Red China. The ultimate unification of the Twenty-first Century's Commu-Nazi/Islamic "Triple Entente" will consummate in its invasion of the Pope's Fourteenth Amendment American Empire led by a coming American, pro-Roman Catholic, Fox News-backed, DHS-backed, *fascist military dictator.* The man who would perfectly fit the bill would be the Austrian Roman Catholic immigrant who became a Kennedy son-in-law, Mr. Olympia turned a Jesuit Theater "macho" movie star and now California State Governor, **Arnold Schwarzenegger**. If the destruction of the apostate, White Protestant, pro-Israeli Labor Zionist, socialist-communist, **"Holy Roman" Fourteenth Amendment American Empire** is *to sharply parallel* the destruction of the apostate White Protestant, pro-Jewish, anti-"**Red**" (Marxian socialist-communist), anti-"**Black**" (Jesuit ultramontane, socialist-fascist) **Second German Reich** that expelled the Order (via Prince Bismarck) from its borders in 1872, we can expect to see events *very similar* to the following:

1. **An American Reichstag Fire**. The Reichstag Fire of 1933 was later proven to be a conspiracy instigated by **Herman Goering**, at the time Hitler's creator and head of the Gestapo, in order to justify a war against a designated scapegoat—*the Communists*. So it has been in America. The destruction of the World Trade Center on 11 September 2001 was also a criminal conspiracy instigated by Knight of Malta **George J. Tenet**, President **George W. Bush's** CIA Director and National Security Council member, in order to justify a war against another selected scapegoat—*"the terrorists"* who are now *"the Moslems."* **Opus Dei**, operating from its new multimillion-dollar headquarters in Manhattan, finally has her war and the Order's **Fox News Network**, using Knight of Malta **Colonel Oliver North** and his *"War Stories,"* is pounding the Pope's anti-Islamic war drum with all of his might.
2. **Centralization of Power in the Hands of a Native-born or Foreignborn Fascist Military Dictator**. In Germany this was accomplished with the enactment of a decree, "for the Protection of the People and the State." This decree, in fact, suspended the Protestant-based **German Constitution** by eliminating all Constitutional protection of political, personal and property rights. Later, when Hitler became Chancellor in 1933, the German Constitution was suspended and a foreign-born, Austrian Roman Catholic became Germany's absolute dictator. Presently, the **American Constitution** is in *de facto* suspension with the passage of **Patriot Act I** (authored by Jesuit Temporal Coadjutors **Viet D. Dinh** and **Michael Chertoff**), along with the creation of the **Department of Homeland Security** (DHS, backed by Jesuit Temporal Coadjutor **John C. Gannon**)—in spite of vehement opposition from the murdered **Senator Paul Wellstone**—now manned by the **Jesuit Volunteer Corps** and OPENLY directed by a one of the Pope's

"Court Jews" closely affiliated with Rome's Masonic B'nai B'rith, **Michael Chertoff**. The DHS has now absorbed the **Federal Emergency Management Agency** (FEMA), the **Secret Service** (the President's praetorian guard), and the **Coast Guard**, along with a host of other federal agencies, which agencies may ultimately include the **Justice Department** and its **Federal Bureau of Investigation** (FBI). With the formal suspension of the Constitution yet to come with the next "terrorist attack" (according to former CFR-controlled **General Tommy Franks**), the arriving Fuehrer and fascist "Commanderin-Chief" will enact a single decree, or executive order, centralizing all political and commercial power in the White House. For this Nazi-absolutist, corporate fascism to be realized in America, we believe a series of *five to ten* preset nuclear devices will be detonated at key strategic positions within the United States killing millions of *"heretic and liberal"* Americans! The **Black Pope**'s **NSA/DIA/CIA** will be the secret culprit; the Order's CIA-created, CIA-backed and CIA-protected **Al Qaeda Terrorist Network** will willingly take the blame; and the Jesuits will use their fascist American military dictator, like their Austrian **Adolf Hitler**, to declare Jesuit-trained **Josef Goebbels**' "total war" against the Islamic nations of the Middle East and Central Asia. Meanwhile, as the Company used its **SS/Gestapo** in Nazi Germany commanded by Bavarian Roman Catholic **SS General Heinrich Mueller**, so will it use its **Department of "Romeland" Security** to eliminate "enemies of the State" via its Nazi *"Red and Blue lists."* Mass-incarceration behind the barbed wire of six hundred existing concentration camps throughout America and Alaska will ensue.

3. **The Launching and Preaching of a Religious Crusade Against an Enemy Condemned by the Pope's Canon Law and the Order's Council of Trent.** In Nazi Germany this was accomplished in the East with "**Operation Barbarossa**." Its religious impetus was the faked "**Lady of Fatima Vision**" of 1917, "the Virgin Mary" calling for the conversion of "Orthodox Russia" and submission to the Pope. Named after **Frederick Barbarossa** leading the **Pope's Third Crusade** against the *"infidel"* Moslem peoples in traversing through *"heretic"* Orthodox Constantinople, **Operation Barbarossa** was the largest military invasion in the history of warfare, involving *three million men* and over *thirty-three hundred tanks*. **OPENLY** sent to overthrow "Godless Jew Communism," the Crusade's **SECRET** and **TRUE** mission was to destroy the very lives and culture of the "heretic" Russian Orthodox peoples. Evidenced by the results, Hitler's anti-Soviet Crusade was not political, but religious!

   In accordance with the Nazi-Soviet Non-Aggression Pact of 1939, Stalin covertly supplied Hitler's Wehrmacht with two hundred thousand (200,000) tons of grain and one hundred thousand (100,000) tons of petroleum products *every month* prior to *the very day before* the Reich's

invasion of Russia in 1941. Barbarossa was the Nazi-Jesuit Crusade unleashed primarily against the anti-Communist, Orthodox civilization of **White Russia**, and again, it was justified under the pretext of fighting "Godless Jew Communism." This most horrendous of all the Pope's Crusades resulted in the destruction of *seventy thousand* Orthodox cities, the leveling of *six thousand* hospitals, the utter desolation of *six million* homes and the death of *twenty million* condemned Orthodox "heretics." So will it be with the Pope's present neofascist, Anglo-American Crusade directed against the "infidel" Moslem peoples, they too having been condemned by the **Pope's Canon Law** and Ignatius Loyola's wicked and bloody **Council of Trent**. With American nationalist rage at its peak due to heinous nuclear detonations at home, millions of Moslems will be murdered and every mosque encountered will be destroyed—*with the secret help of Bin Laden and his CIA-led, Al Qaeda Terrorist Network! The Temple of Solomon must be rebuilt!*

4. The Initiating of an Ultimately Fatal, Two-Front War. Hitler engaged Nazi Germany in a two-front war that at first proved to be victorious. This was due to *complicity* on the part of his so-called enemies who were *secretly* aiding the Jesuit Order as it led **Pope Pius XII's** Nazi war machine to kill the Orthodox, anti-Communist peoples of the Soviet Union and to mass-murder European and Russian Jews. (Yes, **Stalin** aided **Hitler** in the *"extirpation"* of the *"heretic"* Orthodox and Jewish Peoples of Poland and Russia; **Hitler** aided **Stalin** in the *"extermination"* of the *"heretic"* Lutherans and *"liberal"* anti-Communists of Prussia, East Germany and Poland!) The killing of the *"Communist"* Jews (who as a whole were in fact anti-Communist), being the Order's **"Final Solution"** to the Pope's **"Jewish Question"** agitation raging since 1880, was deemed necessary if Roman Catholic Europe was: to be returned to the dreadful and damnable Dark Ages; to be reunited as a Roman Catholic fascist block under the Pope at a future date; and if the Papacy's "Jewish State," its **Dark Age** "Kingdom of Jerusalem" in "Palestine," was to ever be realized. So, when FDR aided Japan's bombing of Pearl Harbor and the American Congress declared war on Japan **ONLY**, Hitler, in sealing the fate of the "accursed," apostate Lutheran Protestants of Germany, *unnecessarily declared war on the isolationist and Protestant United States!* (Japan never declared war against the Order's haven of Inquisitional NKVD tyranny, **the Soviet Union** (which could have been easily defeated via a two-front war spearheaded by Nazi Japanese and Nazi Germans), while engaged in its conflict with America until *four days* before the end of the war in the Pacific!) This brilliant Nazi-Jesuit diplomacy, remaining incomprehensible to the secular historian having ignored the bloody history of the Society of Jesus, rendered Hitler's two-front war *a most assured defeat!* But that calculated defeat would only arrive after his armies had fulfilled the **SECRETLY** intended, **Counter-**

Reformation functions of "heretic and liberal" destruction. The same will be true for America. Her two-front war will accomplish an *"extirpation"* of Arab and Chinese Moslems numbering in the tens of millions. These peoples will be brutalized by the incited and fascist Anglo-American Crusaders, even as Roman Catholic **Hitler's Wehrmacht** and Roman Catholic **Himmler's Waffen-SS**, also incited by the horrid atrocities of the Bolsheviks, brutalized the Russian Orthodox peoples, while destroying their churches as ordered by Hitler's **SS/NKVD** Secretary, **Jesuit Coadjutor Martin Bormann**. This Jesuit/CIA-led American torture and murder of the Moslem peoples (betrayed by their own Masonic leaders loyal to Rome) while destroying their mosques, will further feed the rage of the Empire's future Sino-Soviet-Moslem-Latino invaders.

5. The Great Betrayal by the Joint Chiefs of Staff and the Crushing Defeat of the American Military. Hitler, via his General Staff, refused to allow his army to attack and conquer Moscow prior to the onset of winter, knowing that his Protestant Prussian soldiers were not supplied with winter clothing. His victorious **Wehrmacht**—*eighteen kilometers from Moscow*—was commanded to turn south, "snatching defeat from the jaws of victory." Hitler later cut off arms and supplies, and forbade **Field Marshall Paulus** to retreat, ensuring the Soviet encirclement and unbelievable defeat of his Sixth Army at Stalingrad. Coupled with deliberately misleading intelligence from **Nazi General Reinhard Gehlen** (later inducted into American Military Intelligence for a job well done), Hitler's traitorous policy resulted in the crumbling of the Eastern Front and a desperate retreat back to Germany. The same will be true for our American Armed Forces in the Far East, Middle East and Central Asia. After our military accomplishes its purposed destruction of a large part of Islamic "infidels" and mosques, our coming CFR-controlled American military dictator, with his CFR-controlled Joint Chiefs of Staff, will betray and thus sacrifice our fighting men (as did the Joint Chiefs in both **Korea** and **Vietnam**), leaving their broken lives to the sure mercies of the beheading, Masonic scimitars of Islam and the bayonets of the Red Chinese. Thanks to the treason of President Clinton and Vice President Gore in giving the Red Chinese America's nuclear secrets, our navy in the Pacific will be sunk. There will be no well-ordered retreat back to American soil.

6. A Two-Front Attack, Military Defeat, Foreign Partition and Occupation of North America. In consummating World War III after the destruction of the American navy—*thanks to American high technology and wartime infrastructure given to our attackers over the last sixty years by every presidential administration*—, the end of the Pope's **"Holy Roman" Fourteenth Amendment American Empire** will be assured. Just as the White, apostate Protestant people of Germany were destroyed, we White, apostate Protestant and Baptist people of North America are to be

destroyed in like manner. We, like the German Protestants, *have rejected* the final authority of the risen Son of God Who gave us this land. *Having attributed* the many blessings of the LORD's Reformation to our own "free-will" ingenuity, wicked leaders have been set up to be our betrayers. Therefore, as has been covertly plotted for the last century, we will be attacked on our **West Coast** by the Red Chinese Navy and in the **Gulf Coast** and **Southeast** from the prearranged staging bases of Communist Cuba and the Bahamas. A combination of Soviet, Chinese and Arab Moslems with Mexican and Central American Latinos will systematically annihilate the apostate Protestant South full of Masonic Southern Baptist Churches that, because of the fear the Pope's Masonic Papal Knights running Washington, D.C., remained silent in the face of bureaucratic, IRS, BATF, FBI, Papal tyranny. The recantation and shameful execution of Protestant **Dietrich Bonhoeffer** will be the same fate of millions of Protestant and Baptist pastors and people. With our military defeated on foreign soil, confiscation of privately owned firearms, victorious foreign invasion, mass-execution and gang-rape of millions of American women and children, our invaders will partition the continent. The Jesuit/Roman Catholic enclaves of **Quebec** and **New England** may well be occupied by a Papal European force under the guise of "protecting" those areas from the continuing "Sino-Soviet-Moslem-Latin threat." Washington, like Berlin, will be partitioned and tens of millions of *"heretics and liberals"* will have been *"liquidated"* or *"extirpated"* from the face of the nation. Those spared of death will be enslaved to the Chinese, the Soviets and the Moslems. Between the Pope's Jesuit-controlled **DHS** and his Sino-Soviet-Moslem invaders, at least *five million* of the LORD's beloved Hebrew/Jewish/Israelitic covenant people will have been exterminated while only a remnant will have escaped to Israel—*for a time!* We Americans are between "a rock and a hard spot." We face the hammer of **domestic fascism** on one hand and the sickle **foreign commu-fascism** on the other. Like the Russian Orthodox and German Lutherans, we stand to be utterly crushed.

In light of the history of the Society of Jesus as outlined in previous chapters, we White Anglo-Saxon Protestant and Baptist Calvinist Puritans believe the foregoing basic scenario to be a surety within the next twenty to thirty years. There will be, as the Great Scottish Reformer, **John Knox**, declared, *"no escaping in the land."* Our doom has been meticulously planned and cautiously sealed as described by **M. F. Cusack** in her 1896 masterpiece, *The* ***Black Pope***. Every avenue of resistance has been usurped by direct and indirect agents of the military Company of Jesus, leaving us White Protestant and Baptist Calvinist American patriots *without recourse*—including *the supposed* elective franchise—in righting the wrongs perpetrated by the Pope's CFR-controlled American government *(legislative, executive and judicial)* over the last eighty years. We have been deprived of our

Calvinist federation of Sovereign Republican Nations established by our spiritual brother and Father of *"These United States of America,"* Baptist-Calvinist **George Washington**. *To our great shame and disgrace,* since the Presidency of Masonic **Theodore "Rex" Roosevelt**, we have been used to both *finance and fight* the Pope's foreign wars against nations having resisted or expelled the Jesuit Order from their dominions. We have been deprived of *our gold and silver coin* and thereby forced to use worthless fiat money issued by **the Pope's Federal Reserve Bank;** our once creative, inventive and moral, high White Protestant culture, typified by the well-known *"Protestant work ethic,"* has been shattered, evidenced by our once prosperous major cities.

Further, we shall say on. Continual socialist-communist policies, embraced by excessively criminal, Roman Catholic immigrants and their Papal Knights controlling the **Jesuit Theater** in Hollywood and the corrupt political machines of both CFR-controlled **Republican** and **Democratic** parties, have robbed us of our land and of the fruit of our labor. Our Biblical-based Constitution and State Common Law has been nullified by Jesuit-directed, pro-Roman Civil Law decisions of the **Black Pope**'s, CFR-controlled, socialist-communist and Masonic American Supreme Court. We have been deliberately targeted by the Supreme Court; and thus unwillingly, at the point of federal bayonets, we have been amalgamated with a host of pagan religions — *especially Romanism, but also including Islam, Hinduism, Masonic Protestantism, Talmudic Judaism (to the exclusion of Biblical Judaism based solely upon the Torah) Humanism, and Communist atheism, all of them subordinated to* the **Black Pope**.

Further, we shall say on. We have been cruelly coerced into forced race-mixing, in both our schools and communities, with alien peoples of color, including a savage horde of federally financed, welfare dependent, social security insurance-ollecting, generally violent, hatefully racist, anti-White Protestant, pro-communist, revolutionary **Majority Blacks** and **Majority Latinos** who, in the name of avenging supposed injustices of past White English-speaking land holders and/or slave owners, annually commit at least *one million assaults, robberies, rapes and murders against Whites, many times brandishing advanced firearms ironically created by White men—without regard to either the national or religious affiliation of their miserable English-speaking, White-faced victims.* Further, the Order is using the socialist-communist, world revolutionary, **Majority Savage Blacks** of South Africa and Zimbabwe, murdering White *"heretics and liberals,"* in the exact same manner. (To the contrary, the **Minority Civil Blacks** in America, most of whom are Bible-believers and therefore do not hate Whites in obedience to the Word of God, work for a living and therefore seek to also avoid the same type of vicious crimes perpetrated against them by the decadent, **Majority Savage Blacks**. These respectable **Minority Civil Blacks** move into White communities and are thankful they have escaped the violent, crime-ridden, Black, **socialist-**

communist ghettos usually patrolled by *frustrated, victimized and vindictive,* White Roman Catholic local police officers.)

All this heartbreak and ultimate annihilation of White *"heretic and liberal"* America is met with the gleeful delight of those infamous agitators of States and peoples, the Company of Jesus. The Order fully intends to destroy our White Middle Class race and to undermine our God-given, Biblical Reformed faith bequeathed to us by our patient, suffering and godly White forefathers who escaped the Jesuit Order's Inquisition having raged throughout Europe for nearly two hundred and fifty years. Our White predecessors were so used by the risen Lord Jesus Christ to bring the world out of the Pope's inquisitional, dungeon-laden **Dark Ages** in translating His Reformation Bible into the language of the Common White Man—**English**!

Further, we shall say more. Our AV1611 Bible-based, Puritan-founded, Common Public Schools, so accursed by the Jesuits, have been forever ruined, destroying our glorious White Protestant history (including the history of the Papacy's nightmarish **Inquisition**, it serving as the backdrop for the **Reformation**) and morally corrupting our beloved children—*if we dare send them to those humanistic, Bible-denying dens of iniquity*—via supposed "sex education" and unending, race-mixing, purposely Black-Supremacist, gladiatorial, Greco Roman games. A socialist-communist "property tax," used to finance these pagan dens of iniquity, is extorted from us under the pain of being deprived of our hard-earned houses and lands so that at the end of life, *we own absolutely nothing*. Many of us have fallen for the bait of easy credit, converting the LORD's elect into the slaves of Jesuit-controlled usurers, forever binding us to cunningly calculated, exorbitant credit card debt.

Further, we shall say more. Our White Protestant, Constitutionally protected right to own and bear arms—*especially hand guns and so-called "assault rifles"*—is constantly under attack by both federal and state legislatures, the Order fully intending to deprive us of weapons that would give us parity in resisting organized street gangs, a centralized, commu-fascist domestic tyranny or the repelling of that monstrous future attack of our incited Sino-Soviet-Moslem-Latino invaders. Both domestic and international commerce has been destroyed through the **Pope's Sicilian Mafia**-controlled, centralized and pro-communist, thieving "*Labor Unions,"* as well as Rome's *"British free trade"* treaties such as **GATT** and **NAFTA**. Thus, we have been deprived of the blessing of our highly productive domestic corporations; millions of American jobs have been given to foreign workers. The **Pope's Federal Reserve Bank**, to which every bank is tied within the United States via the currency circulated by those institutions, has driven *eighty percent of all US dollars* to foreign banking havens, further depleting our capital base so critically and absolutely necessary for economic development in accommodating an expanding population.

In short, **The Great Remonstrance**, authored by England's Calvinist Puritans, therewith setting the stage for **Oliver Cromwell's Puritan Revolution**, is the foremost example for us White Calvinist, North American, Puritan Bible-believers in resisting the Pope's Temporal Power! Cromwell's Baptist-Calvinist Independents were righteously pitted against the Jesuit Order's licentious, **Magna Charta**-trashing tyranny of **King Charles I**. We, the risen Son of God's New Testament Church in North America, must depart from infidelity and apostasy as we in faith sally forth to resist Rome's Temporal Power—now enforced through President Bush who has called the **United States Constitution** "a god_____ piece of paper." Make no mistake, this fascist tyranny will continue to worsen and we will be driven to make the same statement as did **John Witherspoon**, *"The time is not ripe, but rotten."*

Our dilemma leaves us with but **Four Choices** for the White Anglo-Saxon Protestant and Baptist-Calvinist Puritan in answer to our coming Jesuit-contrived, domestic and foreign, inquisitional annihilation. **The First Choice** we can apply is Messiah's "Sermon on the Mount" in *turning the other cheek (**Matthew 5-7**).* This commanded non-resistance to Romish tyranny was intended only for the Hebrew nation of Israel in anticipation of **Jesus the Messiah's** soon re-establishment of the earthly Kingdom of David. Ordained by an unbreakable, unilateral covenant with **King David *(I Chronicles 17:11-14)***, God's **promise** of an eternal, earthly Kingdom to be ruled by a specific **seed of David**, *Who would never sin and Who would never die while governing the nations in fulfillment of the Abrahamic Covenant*, was to only the LORD's beloved, *racial and repentant* nation of Israel. This non-resistance to governmental tyranny, Popish-Arminian Protestants and Baptists have willingly adopted. In being disarmed and imprisoned, Calvinists by the millions have also done the same, while committing our souls to a faithful Creator, the just suffering at the hands of the unjust Papists and their *free-will surrogates,* whoever they may be.

The Second Choice is *expatriation;* for us to move to another country, renounce our citizenship and, over a period of time, be admitted to the political community of our new nation. Meanwhile, we watch the unfolding drama of the death of our people and the ruination of the beloved country of our birth. We Calvinists have been forced to this extreme many, many times. **William I of Orange** fled for his life, leaving Holland to take up residence in Protestant Germany until his countrymen had had enough of mass-murder inflicted by the Sons of Loyola at the hand of the **Duke of Alva's "Blood Council**." As Dutch Reformed Calvinists, many of us forsook Holland and settled in the wilds of North America and South Africa. We founded new communities, such as **New Amsterdam**, later becoming New York City, and **Johannesburg**, the largest city of our Reformed **Boer Republic**. Being England's Calvinist Reformed and Baptist preachers, we were driven into

exile under pain of death by "**Bloody Mary**;" we returned after her demise and accession of our beloved **Queen Elizabeth I**. Under the absolute tyranny of the Jesuit Order's **King Charles I**, thousands of us departed for Holland and America seeking religious and thus political freedom. Even our beloved **Oliver Cromwell** had planned to board one of eight ships lying in the Thames preparing to set sail for America. But the Remonstrance was passed by a mere eleven votes; Cromwell remained, and England's Reformation and Magna Charta were saved. As **Huguenots**, after suffering a terrible butchery, we were driven from our native France by the *hundreds of thousands,* taking refuge in the Protestant nations of Switzerland, the Netherlands, Great Britain and America. Our relentless persecution arose after **Jesuit Pere La Chaise** moved **King Louis XIV**, *against his will,* to abolish our freedom of worship in 1685 by revoking our beloved **King Henry IV's** most glorious **Edict of Nantes**. These stories are legion and could be enumerated for hours. The point is we must take action based upon choices laid before us by the written Word of God—**the Reformation Bible!**

What is most telling about our past flight from papal tyranny and resultant expatriation is that we settled in **Two Distinct Havens** of temporary rest. **The First Haven** consisted of established Protestant nations. They all had fought fratricidal civil wars in securing the Protestant liberty of freedom of conscience to worship the one true God according to their private interpretation of the Holy Scriptures—*freely printed in their native languages!!!* **The Second Haven** was composed of wild, uncivilized lands, uncorrupted by the persecuting presence of the Jesuits and the Pope's resident hierarchy. Such were North America, South Africa and Australia.

The great dilemma today, however, is that there are no White Protestant nations in which to find relative safety or a temporary rest. *Every* historically White Protestant government has been usurped by the Jesuits, via the Order's *"trusted third parties,"* and every Protestant nation has been disarmed of their *"Swords of Just Defense"*—except America. Additionally, there are no more uncivilized lands, which we can purchase from the natives as we had done in the Colonies of North America. (Every acre of land within my sovereign nation-state of Pennsylvania was purchased from the once **Shemitic American Natives**.) Every continent and nation today is under the government of the Papacy through the intrigue of the Society of Jesus controlling the ***Black Pope***'s "Invisible Empire" of International, 33rd Degree Scottish Rite Freemasonry. **The Two Distinct Havens** to which we have fled in the past, in securing a temporary respite from the *"long arm of the Church,"* are now gone!

The Third Choice is Biblical flight, to retreat deep within the mountainous regions of the nation, carrying arms for personal protection and provisions for a long and difficult survival in the wild ***(Luke 22:35-36)***. At this, the Church during the **Dark**

Ages became a master, avoiding contact with Papal armies that would immediately *"catch and kill the little foxes,"* so stated by **Pope Innocent III**. The **Albigenses**, while seeking to escape the Pope's Temporal Power, were hunted down and completely annihilated by the Vatican's Roman Catholic army of France.

The Fourth Choice, for which we Calvinists are so renowned as being resolute men, strong in the faith of the Lord Christ Jesus ***(I Corinthians 16:13)***, is to submit to God and then formally withdraw our allegiance from any Popish, tyrannical, Jesuit-controlled government and take up the *"Sword of Just Defense."* Meanwhile, we abide in submission to a local, anti-Pope, Bible-believing Church (preaching in English ***The Authorized King James Version of 1611***), and *giving allegiance* to a duly constituted, supreme governmental body defending our ancient rights as English freemen ***(I Peter 2:13-14).*** We then strive against the sin of Jesuit tyranny, ***"resisting unto blood (Hebrews 12:4)."*** We White Calvinists in America secured our sacred right to *"the Sword of Just Defense"* with the **Second Amendment**. For the **Bill of Rights** was written by a Baptist Calvinist, **James Madison**, at the behest of **Pastor John Leland**, Virginia's renowned Baptist-Calvinist preacher. We fought under our beloved Baptist-Calvinist **General George Washington**—*the greatest man of his age*—in resisting the Jesuit-incited English tyranny of **King George III**. For that absolute tyranny had incurred the unjust loss of life, liberty and property so indispensable to the preaching of the true gospel of the Lord Jesus Christ, including the living of a peaceable life in all godliness and true holiness.

Further, we drew the sword against the Order's **King Philip II** of Spain in fighting under our beloved **William I of Orange** for the liberty of the Reformed Protestant Dutch Republic; we won that war after a bloody struggle of eighty years. We fought under the brilliant and brave **Queen Elizabeth I** against the **Pope's Spanish Armada** in 1588, the risen Son of God finishing the fight on our behalf after we ran out of food and ammunition. We fought as **Huguenots** against the armies of France after the Jesuits sought to annihilate us all during **Saint Bartholomew's Massacre**. Again, as Huguenots, we fought under the French **King Henry IV** for our right to freedom of worship secured by the marvelous **Edict of Nantes**. We fought as Calvinist Lutherans under the faithful and humble Swedish "Snow King of the North," **Gustavus Adolphus the Great**, in saving Protestant Germany from the Order's **Emperor Ferdinand II** and his complete, Bavarian-led, Romish butchery of German Protestantism known as **The Thirty Years' War**. In England, we penned **The Great Remonstrance** and then fought under the banners of our beloved and courageous Protector, **Oliver Cromwell**, as he made war against the Order's **King Charles I** under the colors of the Puritan-dominated English Parliament. Aye, we fought as **Covenanters** for Scottish liberty against the tyrannical English **King Charles II** who made "Scotland to howl" for twenty-eight years for our secession—*which included our refusal to pay his taxes and fight his wars!* We fought in

England's bloodless **Glorious Revolution of 1688**, driving the **Jesuit King James II** from the United Kingdom into the arms of his Jesuit Papal masters in France.

It was under the leadership of "bulletproof" **General George Washington**, that we drew our tested *"Swords of Just Defense"* against the savage, scalping, Native American Shemites who, under the influence of the Jesuits, sought to annihilate all White Protestant settlers during the **French-Indian War**. Oh yes, we fought under **Andrew Jackson** in the **Battle of New Orleans** as the Jesuits once again sought to reduce our Calvinist Republic to the sure mercies of **King George III** during the **War of 1812**. While subjects of Mexico in responding to the Popish attack upon our right to worship God according to the dictates of our consciences tempered by the anti-Pope, Protestant-wrought King James AV1611 Bible, we fought under our fearless **General Sam Houston**. Surnamed **"Black Raven"** by the Cherokee People who adopted him into their tribe, the courageous Houston burned the bridge at **San Jacinto**, eliminating any possibility of retreat when he led us to victory. We then succeeded in defeating the Jesuit tyranny of Mexico's Roman Catholic **General Santa Anna**, going on to win the liberty of the **Protestant Republic of Texas** in 1836. We fought fearlessly and desperately under our beloved **General Robert E. Lee**, unaware that he was a traitor. We fought under the good and godly Presbyterian, **General Thomas "Stonewall" Jackson**, after our State of Virginia, in sovereign Convention, withdrew our allegiance from the Order's Socialist-Communist, Radical Red, pro-Black/anti-White, Federalist/Republican-usurped government of the United States. We wrote a White Protestant Calvinist Confederate Constitution and, to the man, set out to repel the socialist, Federal Yankee/Commu-Nazi Armies of Northern Aggression. For the first two years our armies were blessed with providential victories, many times outnumbered three to one. But we were betrayed at Gettysburg by that Jesuit Coadjutor, **General James Longstreet**, who, later blaming General Lee for the defeat, became a Radical Republican. From then on the Jesuits in Washington, using their Roman Catholic **General Philip Sheridan** and pro-Jesuit **General Sherman**, whose son, **Thomas**, became a Jesuit, physically destroyed our White Protestant Southern Culture, and, with the coerced passage of **Jesuit Coadjutor James G. Blaine's** Fourteenth Amendment, our Calvinist nation vanished.

Whether we won or lost, we fought first prayerfully and then valiantly, on a thousand fields of battle as godly warriors with manly firmness: *we were disciplined and fearless White Calvinist Freemen!* Without a twinge of conscience, our minds were fully persuaded to engage in righteous wars of resistance to unlawful Jesuit tyranny, fought in submission to the infallible, written Protestant Bible, the Word of God. Our hearts knew no fear as we galloped at full speed with our swords raised to heaven, unsheathed only in defense of our God-given faith and wielded in the face of savage Popish armies led by the priests of the damnable Society of Jesus. Our God and Father, our risen Savior—the Lord Jesus Christ, our

dear families and local church brethren inspired us to spiritual warfare leading into the physical realm of first the Parliaments and Congresses, the courts, and finally the battlefields. There, we drew our *"Swords of Just Defense."* We won the victories so essential in acquiring and maintaining our inalienable God-given rights, including blood-bought lands we had tilled with the sweat of our brows, the fruit of which to be used in dedication to honest, obedient mission work furthering the Gospel of the risen Lord Jesus Christ.

But now, after the Devil's unparalleled Twentieth Century, during which he thoroughly restored the **White Pope's Temporal Power** over every nation on earth using the ***Black Pope***'s hammer of the **"Holy Roman" Fourteenth Amendment American Empire**, we are faced with a terrible dilemma. Anti-Pope Protestantism as described above is a dead horse, an empty shell, a suppressed history, a forgotten dream of faithful men beating down the **Spiritual** and **Political** tyranny of the Pope of Rome. These feats of faith were realized while we trusted the one true invisible God to keep His Word if we would but obey Him. All of the above has now changed. We no longer, *in simple faith against all odds,* collectively set out to *sincerely pray* before the LORD that He may do the impossible on our behalf. We never really put Him to the test of His Word, and so He remains silent, unmoved and *will not deliver us from our enemies*. We do not really believe the words He has inspired and exerted the effort to preserve. We don't believe He even has an infallible Book called The Bible any longer. Therefore, we have, in fact, become *spiritual cowards* refusing to contend with evil men in every arena of life on behalf of the truth of our great God, ***"the God of heaven, which hath made the sea and dry land."*** We have become the degenerate sons of noble sires, ignorant of our fabulous history, while enslaved to the debt of mortgages and loans created out of thin air. We have a form of fundamental, historic, Bible-based godliness, but we deny the power thereof. We abhor powerful, fearless preaching, lest we fall on our faces, confess our sins of faithless unbelief and amend our ways that once again the risen Son of God, the Lord Jesus Christ may work His awesome exploits through us! Our assemblies are full of Popish perversions of the true Word of God. Thus, we don't even read His Word anymore, but have more time for the "programming" of **the Pope's Hollywood Jesuit Theater**, than showing ourselves approved of God, rightly dividing the Word of Truth. At this moment, the Church of North America is the Church of rank unbelief, cowering at the feet of oathbound, evil men who call themselves "the government." The LORD's American Church, His blessed Body, is suffering under a host of Supreme Court-induced injustices and is totally unprepared for the bloody scenario about to be commenced in our lifetimes. Beset by our personal sins and no longer unspotted from the world, we are hoping for a pre-tribulational "rapture," or rather *"appearing,"* of our risen Savior for His Church. We have *twisted* our **Blessed Hope *(Titus 2:13-14)*** into an excuse for allowing bold, bad men in the service of **Antichrist in Rome** to triumph over us. *And indeed they have!*

Dear Elect Brethren, it is now time for us to *acquit ourselves as men*. Away with indecision and the ungodly fear of our present Jesuit-fascist tyranny, *as time will allow it no longer.* In light of the unfolding sequence of events in the Middle East, *especially in Iraq,* we must boldly declare our complete outrage and revulsion over this **American-led, Papal Crusade** against the Moslems, remembering that Iraq expelled the usurping Society of Jesus from its borders in **1969**!! In proceeding, we White Anglo-Saxon Bible-believing Protestants and Baptist Calvinist Puritans must repent, confessing our sins privately to our Heavenly Father and then confessing our faults corporately within our local assemblies. We then must return to the reading of His Word, The Authorized King James Version of 1611. We must individually enter into solemn Leagues and Covenants with each other as blood-bound members of our local churches. And then we must enter into solemn Leagues and Federations with other assemblies of like precious faith, to which our Scotch Presbyterian brethren pledged themselves over three centuries ago.

Finally, in Faith and in Solemn League and Covenant with each other, **WE MUST FORMALLY WITHDRAW OUR ALLEGIANCE FROM THIS BLOODY, JESUIT-RIDDEN, CENTRALIZED ANTI-WHITE, POPISH GOVERNMENT OF THE VATICAN'S "HOLY ROMAN" FOURTEENTH AMENDMENT AMERICAN EMPIRE**, wickedly and deceitfully created under our noses in 1868. We then must pray and act, moving our individual State governments to *secede* from Rome's American Empire. When the first American State or Canadian Province secedes, we Puritan Calvinists will move into its jurisdiction, give our allegiance *without mental reservation* and then prepare for a long and protracted war with the United Nations, as we most assuredly will be attacked. Our oppressors intend to give us no quarter, and we intend not to receive it in the face of certain death, as our Great God will once again fight for us. But, if the LORD is not pleased to deliver us, be it known we shall not bow the knee or kiss the ring of that **Roman Antichrist**. For:

> We, who are, Christ's elect; the powers of **the Pope**, reject!
> At the end of this age, with naught to lose; **Loyola's Pontiff**, we refuse!
> **Masonic** leaders, insist we bow, to "**Mary's CFR-matrix**," here and now.
> Bare **Skull and Bonesmen** in Yale's dark crypt,
> "The slippered toe of **the Pope**," they reverently kiss.
> Two of these Knights play "Presidential ploys,"
> **George Bush** and **John Kerry**, Cardinal Egan's altar boys.
> "Left" **Soros** and "Right" **Murdoch**, abide wedded at the hip,
> Evidenced by, their notorious, CFR membership.
> Along with **Maltese Knights** flanked by **Opus Dei**,
> In the shadows they command **the Pope's CIA**.
> Locking the **KGB** with the **FBI**, was **Opus Dei Han*SS*en**, our greatest spy.
> Like these cowards, at the ***Black Pope***'s feet, shall we our Savior, thus we meet?
> *With Papal armies, we shall ever contend!*—Our Finest Hour, afore life's end!
> That **Man of Sin** we did not own, though racked, raped and flayed to the bone.

One day in the air, we shall arise, to receive from God's Son, our lawful prize!
That future reward is dear unto us, more so than our fear, *of Jesuit blood lust.*
"Quit you like men" and ***"be strong,"*** we're told,
It's Christ working in us; Yes, it's **He**, **Who** makes us, **BOLD!**

We are now prepared, as tyranny-resisting White Calvinists, to serve our God and Father of the risen Lord Jesus Christ. In obeying ***I John 1:9***, our Father has cleansed our hearts and minds of all sin and disobedience. We have committed ourselves in separating from the Pope's American Empire by establishing our new White Protestant and Puritan Baptist-Calvinist nation within North America. The risen Son of God, the blessed Lord Jesus Christ, Israel's Yeshua the Messiah, will willingly come to our aid and defense, as He has done so many times in the past. The moment has arrived. We have no other choice but to establish a new White nation conceived in Biblical liberty. Our motive is pure, our formation is Biblical, our plan is historical and our outcome is in the hands of our Almighty Heavenly Father. May the LORD be with you, my elect brethren, as we do our patriotic duty until we, ***"in the twinkling of an eye,"*** are gathered together at the feet of the Son of Man!

Brother Eric Jon Phelps, March, 2007

> "The unity of government, which constitutes you one [*White Protestant*] people, is also now dear to you. It is justly so; for it is a main pillar in the edifice of your real independence; the support of your tranquility at home; your peace abroad; of your safety; of your prosperity; of that very liberty which you so highly prize. . . . Hence, likewise, they [**the States**] will avoid the necessity of those **overgrown military establishments**, which under any form of government are inauspicious to liberty, and which are to be regarded as **particularly hostile to republican liberty**. . . .
>
> However combinations or associations of the above description [*"a small, but artful and enterprising minority of the community"*] may now and then answer popular ends, they are likely, in the course of time and things, to become **potent engines** by which **cunning, ambitious, and unprincipled men will be enabled to subvert the power of the people, and to usurp for themselves the reigns of government; destroying afterwards the very engines which have lifted them to unjust dominion**. . . . One method of assault may be to effect in the forms of the constitution **alterations** which will impair the energy of the system, **and thus to undermine what cannot be directly overthrown** [*via the "ratified" 14th, 15th, 16th and 17th Amendments using Republican Administrations*]. . . .

The disorders and miseries which result [*from "the continual mischiefs of the spirit of party"*], gradually incline the minds of men to seek security and repose in the **absolute power of an individual**, and, sooner or later, **the chief** of some prevailing faction, more and more fortunate than his competitors, **turns this disposition to the purposes of his own elevation on the ruins of the public liberty. . . .**

But let there be **no change by usurpation**; for through this, in one instance, may be the instrument of good, **it is the customary weapon by which free governments are destroyed. . . .** Against the **insidious wiles of foreign influence** (I conjure you to believe me, fellow-citizens) the jealousy of a free people ought to be constantly awake, since history and experience prove that **foreign influence** is one of the most **baneful foes of republican government. . . .** Real patriots, who may resist the intrigues of the favorite, are liable to become suspected and odious; wile its tools and dupes usurp the applause and confidence of the people to surrender their interests. . . . I hold the maxim no less applicable to public than to private affairs, that **honesty is always the best policy.**" {16}[Emphasis added]

End of Sources

A quote was recently pointed out to the author that was deemed important enough to place in the work a few days before going to press. The narration provides the solution for the removal of America's CFR/Jesuit Senate now ruling the Company's **"Holy Roman" Fourteenth Amendment American Empire**.

"A SENATE OF JESUITS"

"When Sigismond, king of Sweden, was elected king of Poland, he made a treaty with the states of Sweden, by which he obliged himself to pass every fifth year in that kingdom. By his wars with the Ottoman court, with Muscovy, and Tartary, compelled to remain in Poland to encounter these powerful enemies, during fifteen years he failed in accomplishing his promise. To remedy this in some shape, **by the advice of the Jesuits, who had gained an ascendancy over him, he created a senate to reside at Stockholm, composed of forty chosen Jesuits. He presented them with letters-patent, and invested them with the royal authority**. While this **senate of Jesuits** was at Dantizic, waiting for a fair wind to set sail for Stockholm, he published an edict, that the Swedes should receive them as his own royal person [*as are the Jesuits in the US today*]. A public council was immediately held. Charles, the uncle of Sigismond, the prelates, and the lords, resolved to prepare for them a splendid and magnificent entry. But in a private council, they came to very contrary resolutions: for the prince said, he could not bear that a **senate of priests** should command, in preference to all the princes and lords, natives of the country. All the others agreed with him in rejecting this holy senate. The archbishop rose, and said, '**Since Sigismond has disdained to be our king, we also must not acknowledge him as such; and from this moment we should no longer consider ourselves as his subjects. His authority is *in suspenso,* because he has bestowed it on the Jesuits who form this senate. The people have not yet acknowledged them. In this interval of resignation on the one side, and assumption on the other, I absolve you all of the fidelity the king may claim from you as his Swedish subjects**.'

[*This, dear truth-seeker, is the Calvinist response to Jesuit tyranny!*] The prince of Bithynia addressing himself to Prince Charles, uncle of the king, said, '**I owe no other king than you; and I believe you are now obliged to receive us as your affectionate subjects, and to assist us to hunt these vermin from the state.**' All the others joined him, and acknowledged Charles as their lawful monarch. Having resolved to keep their declaration for some time secret [*ah, a most important tactic, dear truth-seeker!*], they deliberated in what manner they were to receive and to precede this senate in their entry into the harbour, who were now on board a great galleon, which had anchored two leagues from Stockholm, that they might enter more magnificently in the night, when the fire-works they had prepared would appear to the greatest advantage. About the time of their reception, Prince Charles, accompanied by twenty-five or thirty vessels, appeared before this senate. Wheeling about and forming a caracol [*semicircle*] of ships,

they discharged a volley, and emptied all their cannon on the galleon bearing this senate, which had its sides pierced through with the balls. **The galleon immediately filled with water and sunk, without one of the unfortunate Jesuits being assisted: on the contrary, their assailants cried to them that this was the time to perform some miracle, such as they were accustomed to do in India and Japan; and if they chose, they could walk on the waters!**

[*Don't you just love this history, dear truth-seeker!*]

The report of the cannon, and the smoke which the powder occasioned, prevented either the cries or the submersion of the holy fathers from being observed: and as if they were conducting the senate to the town, Charles entered triumphantly; went into the church, were they sung *Te Deum;* and to conclude the night, he partook of the entertainment which had been prepared for this ill-fated senate.

The Jesuits of the city of Stockholm having come, about midnight, to pay their respects to the Fathers, perceived their loss. They directly posted up *placards* of excommunication against Charles and his adherents, who had caused the senate of Jesuits to perish. They urged the people to rebel; **but they were soon expelled** [*from*] **the city**, and Charles made a public profession of [*anti-Jesuit*] Lutheranism.

Sigismond, King of Poland, began a war with Charles in 1604, which lasted two years. Disturbed by the invasions of the Tartars, the Muscovites, and the Cossacks, a truce was concluded; but Sigismond lost both his crowns, by his bigoted attachment to Roman Catholicism [the risen Son of God *intervening for Charles*]."

The deeds of the Jesuits in subjugating Protestant nations is based on the "works salvation" doctrines of historic Romanism perfected by the Jesuit Order. The following quote recites once again the purpose of Jesuitism here in historic White Celtic-Anglo-Saxon Protestant and Baptist-Calvinist North America.

> **"Let it be remembered that the great boast of Romanism is that her church never changes; that its action in the future will be the same that it has been in the past; that Protestants have no right in the eye of the church. . . .** According to the following oath, Protestants have no rights that Catholic Irish are bound to respect [*evidenced by the murderous deeds of the Irish Republican Army (IRA) having worked with the SS during WWII and the KGB during the Cold War, and which IRA, according to ex-Jesuit* Alberto Rivera, *is led by Jesuits under Extreme Oath*]:

'I swear by **Almighty God,** by all in heaven and earth, by the **holy prayerbook** of my holy church [with which prayer-book **Lyndon Johnson** was sworn in as the President of the United States on "Air Force One" after he participated in the murder of Roman Catholic President Kennedy], by the blessed **Virgin Mary, mother of God,** by her sorrow and grief at the foot of the cross, by her tears and wailings, by the holy apostles **Saint Peter** and **Saint Paul,** by the glorious apostle of Ireland—**St. Patrick**—[who was not a Romanist] by the **blessed and adorable host,** by the blessed and holy church in all ages, by our holy and national martyrs, to fight upon Irish soil for the independence of Ireland—**to fight until I die, wading to the knee in the red gore of the Sassenach (Protestant) for the glorious cause of nationality;** to fight until not a single vestige, track, or footstep is left to tell that the holy soil of Ireland was ever trodden by the **Sassenach tyrants and murderers;** and, moreover, when the **Protestant robbers and brutes in Ireland shall be murdered and driven into the sea,** like the swine our Lord Jesus Christ caused to be drowned, **then we shall embark for and take England** [as attempted by the Jesuits in 1588 via their Spanish Armada], and root out every vestige of the accursed blood of **the heretic adulterer, Henry VIII,** and possess ourselves of the treasures of **the beast** who has so long kept our island of saints—old Ireland—in the chains of bondage, and driven us from her shores, exiles, into foreign lands [these oath-bound, hypocritical "Black Irish" immigrating to Protestant America to enjoy Protestant liberty secured by the Baptist-Calvinist **Bill of Rights**].

I WILL WADE IN THE BLOOD

of **Orangemen** and **heretics** (Protestants) who do not join us and become of ourselves. Scotland, too, having given aid and succor to the beast, we shall leave her in her gore. **We shall not give up until we have restored our holy faith all over the British Isles.** To all of this I sincerely and conscientiously swear, with my eyes blindfolded [*as though this initiate is in a Masonic Lodge*], not knowing who to me administers this oath.'

The *Catholic Review* says, **'Protestantism of every form has not and never can have any right where Catholicity is triumphant [*just like Islam*]; that therefore we lose the breath we expend in declaiming against bigotry and intolerance, and in favor of religious liberty or the right of any man to be of any religion as best pleases him.'**

In 1864 the pope issued his encyclical condemning all the liberties and the progress of the nineteenth century, and adding that civil rulers ought to enforce the decrees of the church. The Archbishop of Cincinnati spoke of it thus: 'We receive it implicitly. We bow to it reverently. We embrace it cordially. We hail it

gratefully. **To us it is the voice of God in Sinai**.' And this is the tolerant Romanism of America?"

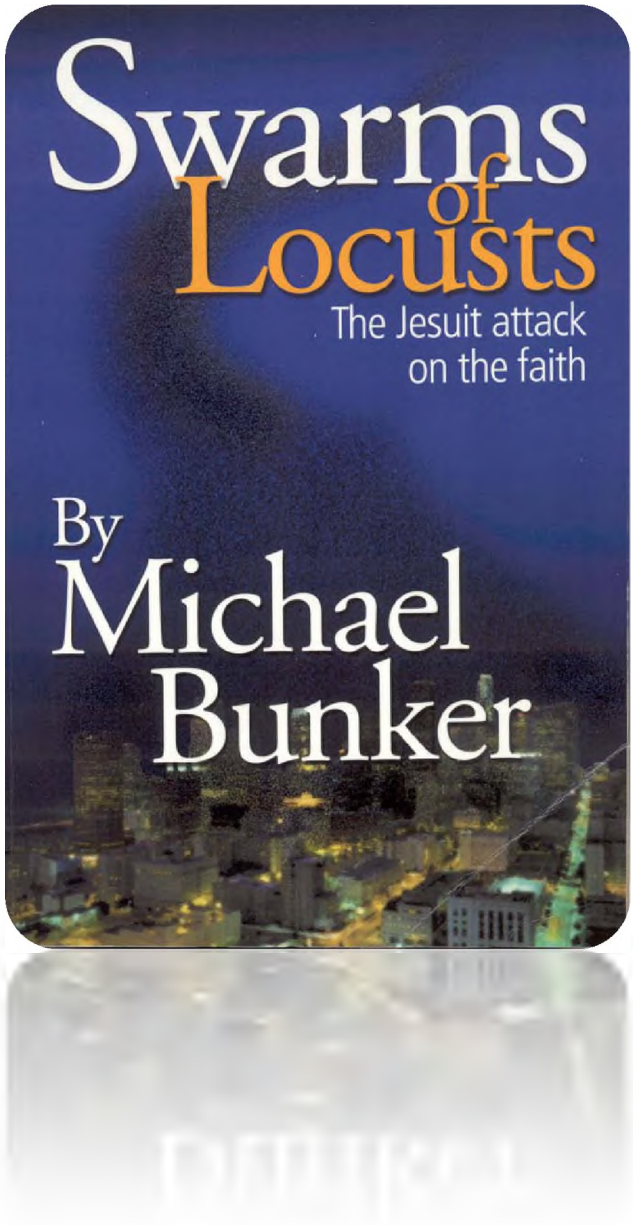
The author of *Vatican Assassins: "Wounded In The House Of My Friends"* highly recommends Calvinist Michael Bunker's timely, historical and scriptural work published in 2002:



Swarms of Locusts: The Jesuit Attack on the Faith

"Even though the Jesuits exude vast influence and control in the areas of theology, education, recorded history and current media, it is still perplexing that virtually no literature exists exposing the Jesuit's influence on mainline Protestantism. This is what makes *Swarms of Locusts* such a necessary book. In this work, the author uncovers forgotten history regarding the cooperative salvation theology of the Jesuits. The author then builds upon these historical truths and clearly exposes how the Jesuits (and their cooperative redemption theology) have permeated all denominations of the Protestant Church. From Cain to Charles [*G.*] Finney, this book historically connects-the-dots and undeniably proves that modern Protestantism has abandoned the Doctrines of Grace and embraced the doctrines of cooperative salvation."

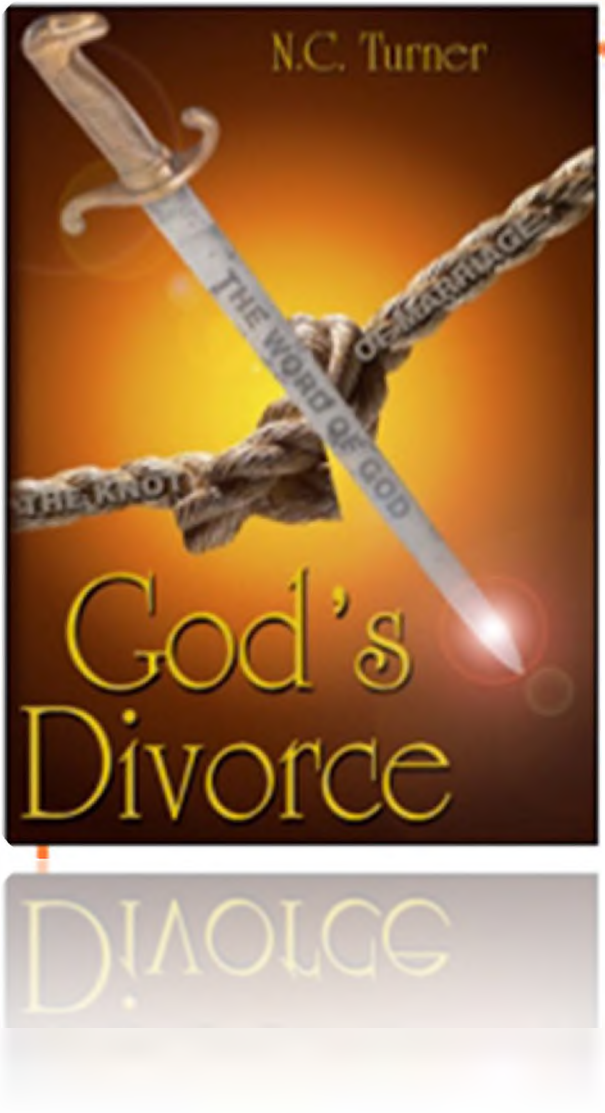
The author also highly recommends his pastor's most timely work, *God's Divorce*. If a man cannot divorce his wife for Scriptural reasons, neither can he divorce his government. Both rights have been maxims of White Anglo-Saxon Protestant and Baptist-Calvinist Western Civilization during its Modern Era.



God's Divorce

– Does the Bible teach that divorce is sin?

– Did Jesus ever recognize the legitimacy of divorce when he was on the earth?

– Does God command a spouse to remain in a marriage where he or she is subjected to physical or mental abuse?

– Is it true that if I am divorced and remarried, I am living in adultery?

– What did the Christians of previous generations teach and practice concerning divorce?

These and many similar questions are answered from the Bible in *God's Divorce*. The author demonstrates the true Christian teaching of divorce from the Bible in a manner that can be understood by anyone willing to believe the Scriptures, and provides historical documentation of what the Baptists, Puritans, Protestants, and Catholics have taught and practiced concerning divorce. The truths of Scripture are placed in the context of history and individual experience, magnifying the holiness and righteousness of God by proclaiming the justice of his law of divorce.

THE JESUITS.

CHAPTER I.

IGNATIUS LOYOLA.

Rome's New Army—Ignatius Loyola—His Birth—His Wars—He is Wounded—Betakes him to the Legends of the Saints—His Fanaticism Kindled—The Knight-Errant of Mary—The Cave at Manressa—His Mortifications—Comparison between Luther and Ignatius Loyola—An Awakening of the Conscience in both—Luther turns to the Bible, Loyola to Visions—His Revelations.

PROTESTANTISM had marshalled its spiritual forces a second time, and placing itself at the heart of Christendom—at a point where three great empires met—it was labouring with redoubled vigour to propagate itself on all sides. It was expelling from the air of the world that ancient superstition, born of Paganism and Judaism, which, like an opaque veil, had darkened the human mind: a new light was breaking on the eyes and a new life stirring in the souls of men: schools of learning, pure Churches, and free nations were springing up in different parts of Europe; while hundreds of thousands of disciples were ready, by their holy lives or heroic deaths, to serve that great cause which, having broken their ancient fetters, had made them the heirs of a new liberty and the citizens of a new world. It was clear that if let alone, for only a few years, Protestantism would achieve a victory so complete that it would be vain for any opposing power to think of renewing the contest. If that power which was seated in Geneva was to be withstood, and the tide of victory which was bearing it to dominion rolled back, there must be no longer delay in the measures necessary for achieving such a result.

It was further clear that armies would never effect the overthrow of Protestantism. The serried strength of Popish Europe had been put forth to crush it, but all in vain: Protestantism had risen only the stronger from the blows which, it was hoped, would overwhelm it. It was plain that other weapons must be forged, and other armies mustered, than those which Charles and Francis had been accustomed to lead into the field. It was now that the Jesuit corps was embodied. And it must be confessed that these new soldiers did more than all the armies of France and Spain to stem the tide of Protestant success, and bind victory once more to the banners of Rome.

We have seen Protestantism renew its energies: Rome, too, will show what she is capable of doing. As the tribes of Israel were approaching the frontier of the Promised Land, a Wizard-prophet was summoned from the East to bar their entrance by his divinations and enchantments. And now, when the armies of Protestantism seem to be nearing their final victory, there starts up the Jesuit host, with a subtler casuistry and a darker divination, to dispute possession of Christendom. We shall consider that host in its rise, its equipments, its discipline, its diffusion, and its successes.

Don Inigo Lopez de Recalde, the Ignatius Loyola of history, was the founder of the Order of Jesus, or the Jesuits. His birth was nearly contemporaneous with that of Luther. He was the youngest son of one of the highest Spanish grandees, and was born in his father's Castle of Loyola, in the province of Guipuzcoa, in 1491. His youth was passed at the splendid and luxurious court of Ferdinand the Catholic. Spain at that time was fighting to expel the Moors, whose presence on her soil she accounted at once an insult to her independence and an affront to her faith. She was ending the conflict in Spain, but continuing it in Africa. The naturally ardent soul of Ignatius was set on fire by the religious fervour around him. He grew weary of the gaieties and frivolities of the court; nor could even the dalliances and adventures of knight-errantry satisfy him. He thirsted to earn renown on the field of arms. Embarking in the war which at that time engaged the religious enthusiasm and military chivalry of his countrymen, he soon distinguished himself by his feats of daring. Ignatius was bidding fair to take a high place among warriors, and transmit to posterity a name encompassed with the halo of military glory—but with that halo only. At this stage of his career an incident occurred which cut short his exploits on the battle-field, and transferred his enthusiasm and chivalry to another sphere.

It was the year 1521. Luther was uttering his famous "No!" before the emperor and his princes,

and summoning, as with trumpet-peal, Christendom to arms. It is at this moment the young Ignatius, the intrepid soldier of Spain, and about to become the yet more intrepid soldier of Rome, appears before us. He is shut up in the town of Pampeluna, which the French are besieging. The

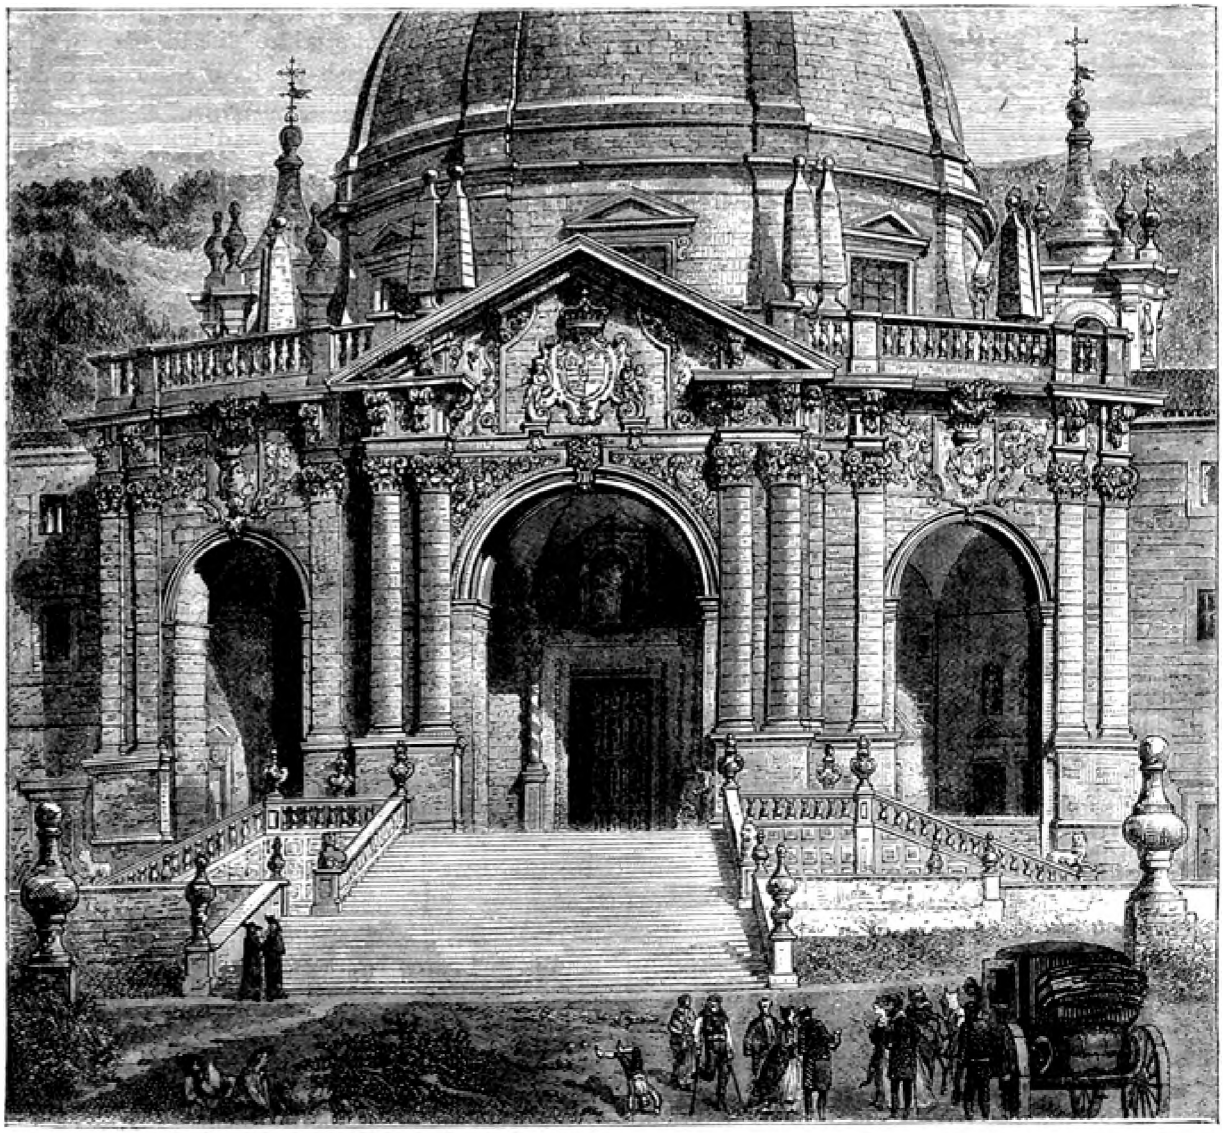
garrison are hard pressed: and after some whispered consultations they openly propose to surrender. Ignatius deems the very thought of such a thing dishonour; he denounces the proposed act of his comrades as cowardice, and re-entering the citadel with a few companions as courageous as himself, swears to defend it to the last drop of his blood. By-and-by famine leaves him no alternative save to die within the walls, or to cut his way sword in hand through the host of the besiegers. He goes forth and joins battle with the French. As he is fighting desperately he is struck by a musket-ball, wounded dangerously in both legs, and laid senseless on the field. Ignatius had ended the last campaign he was ever to fight with the sword: his valour he was yet to display on other fields, but he would mingle no more on those which resound with the clash of swords and the roar of artillery.

The bravery of the fallen warrior had won the respect of the foe. Raising him from the ground, where he was fast bleeding to death, they carried him to the hospital of Pampeluna, and tended him with care, till he was able to be conveyed in a

litter to his father's castle. Thrice had he to undergo the agony of having his wounds opened. Clenching his teeth and closing his fists he bade defiance to pain. Not a groan escaped him while under the torture of the surgeon's knife. But the tardy passage of the weeks and months during which he waited the slow healing of his wounds, inflicted on his ardent spirit a keener pain than had the probing-knife on his quivering limbs. Fettered to his couch he chafed at the inactivity to which he was doomed. Romances of chivalry and tales of war were brought him to beguile the hours. These exhausted, other books were produced, but of a somewhat different character. This time it was the legends of the saints that were brought the bed-rid knight. The tragedy of the early Christian martyrs passed before him as he read. Next came the monks and hermits of the Thebaic deserts and the Sinaitic mountains. With an imagination on fire he perused the story of the hunger and cold they had braved; of the self-conquests they had achieved; of the battles they had waged with evil spirits; of the glorious visions that had been vouchsafed them; and the brilliant rewards they had gained in the lasting reverence of earth and the felicities and dignities of heaven. He panted to rival these heroes, whose glory was of a kind so bright and pure, that compared with it the renown of the battle-field was dim and sordid. His enthusiasm and ambition were as boundless as ever, but now they were directed into a new channel. Henceforward the current of his life was changed.



VIEW OF THE FRONT ENTRANCE OF THE SANCTUARY OF LOYOLA, GUIPUZCOA.

He had him down "a knight of the burning sword" —to use the words of his biographer, Vieyra—he rose up from it "a saint of the burning torch."

The change was a sudden and violent one, and drew after it vast consequences not to Ignatius only, and the men of his own age, but to millions of the human race in all countries of the world, and in all the ages that have elapsed since. He who lay down on his bed the fiery soldier of the emperor, rose from it the yet more fiery soldier of the Pope. The weakness occasioned by loss of blood, the morbidity produced by long seclusion, the irritation of acute and protracted suffering, joined to a temperament highly excitable, and a mind that had fed on miracles and visions till its enthusiasm had grown into fanaticism, accounts in part for the transformation which Ignatius had undergone. Though the balance of his intellect was now sadly disturbed, his shrewdness, his tenacity, and his daring remained. Set free from the fetters of calm reason, these qualities had freer scope than ever. The wing of his earthly ambition was broken, but he could take his flight heavenward. If earth was forbidden him, the celestial domains stood open, and there worthier exploits and more brilliant rewards awaited his prowess.

The heart of a soldier plucked out, and that of a monk given him, Ignatius vowed, before leaving his sick-chamber, to be the slave, the champion, the knight-errant of Mary. She was the lady of his soul, and after the manner of dutiful knights he immediately repaired to her shrine at Montserrat, hung up his arms before her image, and spent the night in watching them. But reflecting that he was a soldier of Christ, that great Monarch who had gone forth to subjugate all the earth, he resolved to eat no other food, wear no other raiment than his King had done, and endure the same hardships and vigils. Laying aside his plume, his coat of mail, his shield and sword, he donned the cloak of the mendicant. "Wrapped in sordid rags," says Duller, "an iron chain and prickly girdle pressing on his naked body, covered with filth, with uncombed hair and untrimmed nails," he retired to a dark mountain in the vicinity of Manresa, where was a gloomy cave, in which he made his abode for some time. There he subjected himself to all the penances and mortifications of the early anchorites whose holiness he emulated. He wrestled with the evil spirit, talked to voices audible to no ear but his own, fasted for days on end, till his weakness was such that he fell into a swoon, and one day was found at the entrance of his cave, lying on the ground, half dead.

The cave at Manresa recalls vividly to our memory the cell at Erfurt. The same austerities, vigils, mortifications, and mental efforts and agonies which were undergone by Ignatius Loyola, had but a very few years before this been passed through by Martin Luther. So far the career of the founder of the Jesuits and that of the champion of Protestantism were the same. Both had set before them a high standard of holiness, and both had all but sacrificed life to reach it. But at the point to which we have come the courses of the two men widely diverge. Both hitherto in their pursuit of truth and holiness had travelled by the same road; but now we see Luther turning to the Bible, "the light that shineth in a dark place," "the sure Word of Prophecy." Ignatius Loyola, on the other hand, surrenders himself to visions and revelations. As Luther went onward the light grew only the brighter around him. He had turned his face to the sun. Ignatius had turned his gaze inward upon his own beclouded mind, and verified the saying of the wise man, "He who wandereth out of the way of understanding shall remain in the congregation of the dead."

Finding him half exanimate at the mouth of his cave, sympathising friends carried Ignatius to the town of Manresa. Continuing there the same course of penances and self-mortifications which he had pursued in solitude, his bodily weakness greatly increased, but he was more than recompensed by the greater frequency of those heavenly visions with which he now began to be favoured. In Manresa he occupied a cell in the Dominican convent, and as he was then projecting a pilgrimage to Jerusalem, he began to qualify himself for this holy journey by a course of the severest penances. "He scourged himself thrice a day," says Ranke, "he rose up to prayer at midnight, and passed seven hours of each day on his knees."[1]

It will hardly do to say that this marvellous case is merely an instance of an unstrung bodily condition, and of vicious mental stimulants abundantly supplied, where the thirst for adventure and distinction was still unquenched. A closer study of the case will show that there was in it an awakening of the conscience. There was a sense of sin—its awful demerit, and its fearful award. Loyola, too, would seem to have felt the "terrors of death, and the pains of hell." He had spent three days in Montserrat in confessing the sins of all his past life.[2] But on a more searching review of his life, finding that he had omitted many sins, he re-

[1] Ranke, *Hist. of the Popes*, bk. ii., sec. 4, p. 138; Lond., 1874.

[2] *Ibid.*, pp. 138, 139.

newed and amplified his confession at Manresa. If he found peace it was only for a short while; again his sense of sin would return, and to such a pitch did his anguish rise, that thoughts of self-destruction came into his mind. Approaching the window of his cell, he was about to throw himself from it, when it suddenly flashed upon him that the act was abhorrent to the Almighty, and he withdrew, crying out, "Lord, I will not do aught that may offend thee."[1]

One day he awakened as from a dream. Now I know, said he to himself, that all these torments are from the assaults of Satan. I am tossed between the promptings of the good Spirit, who would have me be at peace, and the dark suggestions of the evil one, who seeks continually to terrify me. I will have done with this warfare. I will forget my past life; I will open these wounds not again. Luther in the midst of tempests as terrible had come to a similar resolution. Awaking as from a frightful dream, he lifted up his eyes and saw One who had borne his sins upon His cross: and like the mariner who clings amid the surging billows to the rock, Luther was at peace because he had anchored his soul on an Almighty foundation. But says Ranke, speaking of Loyola and the course he had now resolved to pursue, "this was not so much the restoration of his peace as a resolution, it was an engagement entered into by the will rather than a conviction to which the submission of the will is inevitable. It required no aid from Scripture, it was based on the belief he entertained of an immediate connection between himself and the world of spirits. This would never have satisfied Luther. No inspirations—no visions would Luther admit; all were in his opinion alike injurious. He would have the simple, written, indubitable Word of God alone."[2]

From the hour that Ignatius resolved to think no more of his sins his spiritual horizon began, as he believed, to clear up. All his gloomy terrors receded with the past which he had consigned to oblivion. His bitter tears were dried up, and his heavy sighs no longer resounded through the convent halls. He was taken, he felt, into more intimate communion with God. The heavens were opened that he might have a clearer insight into Divine mysteries. True, the Spirit had revealed these things in the morning of the world, through chosen and accredited channels, and inscribed them on the page of inspiration that all might learn them from that infallible source. But Ignatius did not search for these mysteries in the Bible; favoured above the sons of men, he received them, as he thought, in revelations made specially to himself. Alas! his hour had come and passed, and the gate that would have ushered him in amid celestial realities and joys was shut, and henceforward he must dwell amid phantasies and dreams.

It was intimated to him one day that he should yet see the Saviour in person. He had not long to wait for the promised revelation. At mass his eyes were opened, and he saw the incarnate God in the Host. What farther proof did he need of transubstantiation, seeing the whole process had been shown to him? A short while thereafter the Virgin revealed herself with equal plainness to his bodily eyes. Not fewer than thirty such visits did Loyola receive. One day as he sat on the steps of the Church of St. Dominic at Manresa, singing a hymn to Mary, he suddenly fell into a reverie, and had the symbol of the ineffable mystery of the Trinity shown to him, under the figure of "three keys of a musical instrument." He sobbed for very joy, and entering the church, began publishing the miracle. On another occasion, as he walked along the banks of the Llobregat, that waters Manresa, he sat down, and fixing his eyes intently on the stream, many Divine mysteries became apparent to him, such "as other men," says his biographer Maffei, "can with great difficulty understand, after much reading, long vigils, and study."

This narration places us beside the respective springs of Protestantism and Ultramontanism. The source from which the one is seen to issue is the Word of God. To it Luther swore fealty, and before it he hung up his sword, like a true knight, when he received ordination. The other is seen to be the product of a clouded yet proud and ambitious imagination, and a wayward will. And therewith have corresponded the fruits, as the past three centuries bear witness. The one principle has gathered round it a noble host clad in the panoply of purity and truth. In the wake of the other has come the dark army of the Jesuits.

CHAPTER II.

LOYOLA'S FIRST DISCIPLES.

Vision of Two Camps—Ignatius Visits Jerusalem—Forbidden to Proselytise—Returns to Spain—Resolves to make Christendom his Field—Puts himself to School—Repairs to Paris—His Two Companions—Peter Fabre—Francis Xavier—Loyola subjects them to a Severe Regimen—They become his Disciples—Loyola's First Nine Followers—Their Vow in the Church of Montmartre—The Book of *Spiritual Exercises*—Its Course of Discipline—Four Weeks of Meditation—Topic of each Week—The *Spiritual Exercises* and the Holy Spirit—Visits Venice—Repairs to Rome—Draft of Rules—Bull Constituting the Society.

Among the wonderful things shown to Ignatius Loyola by special revelation was a vision of two great camps. The centre of the one was placed at Babylon; and over it there floated the gloomy ensign of the prince of darkness. The Heavenly King had erected his standard on Mount Zion, and made Jerusalem his head-quarters. In the war of which these two camps were the symbols, and the issues of which were to be grand beyond all former precedent, Loyola was chosen, he believed, to be one of the chief captains. He longed to place himself at the centre of action. The way thither was long. Wide oceans and gloomy deserts had to be traversed, and hostile tribes passed through. But he had an iron will, a boundless enthusiasm, and what was more, a Divine call—for such it seemed to him in his delusion. He set out penniless (1523), and begging his bread by the way, he arrived at Barcelona. There he embarked in a ship which landed him on the shore of Italy. Thence, travelling on foot, after long months, and innumerable hardships, he entered in safety the gates of Jerusalem. But the reception that awaited him in the "Holy City" was not such as he had fondly anticipated. His rags, his uncombed locks, which almost hid his emaciated features, but ill accorded with the magnificence of the errand which had brought him to that shore. Loyola thought of doing in his single person what the armies of the Crusaders had failed to do by their combined strength. The head of the Romanists in Jerusalem saw in him rather the mendicant than the warrior, and fearing doubtless that should he offer battle to the Crescent, he was more likely to provoke a tempest of Turkish fanaticism than drive back the hordes of the infidel, he commanded him to desist under the threat of excommunication. Thus withstood Loyola returned to Barcelona, which he reached in 1524.

Derision and insults awaited his arrival in his native Spain. His countrymen failed to see the grand aims cherished beneath his rags; nor could they divine the splendid career, and the immortality of fame, which were to emerge from this present squalor and debasement. But not for one moment did Loyola's own faith falter in his great destiny. He had the art, known only to those fated to act a great part, of converting impediments into helps, and extracting new experience and fresh courage from disappointment. His repulsion from the "holy fields" had taught him that Christendom, and not Asia, was the predestined scene of his warfare, and that he was to do battle, not with the infidels of the East, but with the ever-growing hosts of heretics in Europe. But to meet the Protestant on his own ground, and to fight him with his own weapons, was a still more difficult task than to convert the Saracen. He felt that meanwhile he was destitute of the necessary qualifications, but it was not too late to acquire them.

Though a man of thirty-five, he put himself to school at Barcelona, and there, seated amid the youth of the city, he prosecuted the study of Latin. Having acquired some mastery of this tongue, he removed (1526) to the University of Alcala to commence theology. In a little space he began to preach. Discovering a vast zeal in the propagation of his tenets, and no little success in making disciples, male and female, the Inquisition, deeming both the man and his aims somewhat mysterious, arrested him. The order of the Jesuits was on the point of being nipped in the bud. But finding in Loyola no heretical bias, the Fathers dismissed him on his promise of holding his peace. He repaired to Salamanca, but there too he encountered similar obstacles. It was not agreeable thus to champ the curb of privilege and canonical authority; but it ministered to him a wholesome discipline. It sharpened his circumspection and shrewdness, without in the least abating his ardour. Holding fast by his grand purpose, he quitted his native land, and repairing in 1528 to Paris, entered himself as a student in the College of St. Barbara.

In the world of Paris he became more practical; but the flame of his enthusiasm still burned on.

Through penance, through study, through ecstatic visions, and occasional checks, he pursued with unshaken faith and unquenched resolution his celestial calling as the leader of a mighty spiritual army, of which he was to be the creator, and which was to wage victorious battle with the hosts of Protestantism. Loyola's residence in Paris, which was from 1528 to 1535,[1] coincides with the period of greatest religious excitement in the French capital. Discussions were at that time of hourly occurrence in the streets, in the halls of the Sorbonne, and at the royal table. Loyola must have witnessed all the stirring and tragic scenes we have already described; he may have stood by the stake of Berquin; he had seen with indignation, doubtless, the saloons of the Louvre opened for the Protestant sermon; he had felt the great shock which France received from the Placards, and taken part, it may be, in the bloody rites of her great day of expiation. It is easy to see how, amid excitements like these, Loyola's zeal would burn stronger every hour; but his ardour did not hurry him into action till all was ready. The blow he meditated was great, and time, patience, and skill were necessary to prepare the instruments by whom he was to inflict it.

It chanced that two young students shared with Loyola his rooms in the College of St. Barbara. The one was Peter Fabre, from Savoy. His youth had been passed amid his father's flocks; the majesty of the silent mountains had sublimed his natural piety into enthusiasm; and one night, on bended knee, under the star-bestudded vault, he devoted himself to God in a life of study. The other companion of Loyola was Francis Xavier, of Pampeluna, in Navarre. For 500 years his ancestors had been renowned as warriors, and his ambition was, by becoming a scholar, to enhance the fame of his house by adding to its glory in arms the yet purer glory of learning. These two, the humble Savoyard and the high-born Navarrese, Loyola had resolved should be his first disciples.

As the artist selects his block, and with skilful eye and plastic hand bestows touch after touch of the chisel, till at last the superfluous parts are cleared away, and the statue stands forth so complete and perfect in its symmetry that the dead stone seems to breathe, so did the future general of the Jesuit army proceed to mould and fashion his two companions, Fabre and Xavier. The former was soft and pliable, and easily took the shape which the master-hand sought to communicate. The other was obdurate, like the rocks of his native mountains, but the patience and genius of Loyola finally triumphed over his pride of family and haughtiness of spirit. He first of all won their affection by certain disinterested services; he next excited their admiration by the loftiness of his own asceticism; he then imparted to them his grand project, and fired them with the ambition of sharing with him in the accomplishment of it. Having brought them thus far he entered them on a course of discipline, the design of which was to give them those hardy qualities of body and soul, which would enable them to fulfil their lofty vocation as leaders in an army, every soldier in which was to be tried and hardened in the fire as he himself had been. He exacted of them frequent confession; he was equally rigid as regarded their participation in the Eucharist; the one exercise trained them in submission, the other fed the flame of their zeal, and thus the two cardinal qualities which Loyola demanded in all his followers were developed side by side. Severe bodily mortifications were also enjoined upon them. "Three days and three nights did he compel them to fast. During the severest winters, when carriages might be seen to traverse the frozen Seine, he would not permit Fabre the slightest relaxation of discipline." Thus it was that he mortified their pride, taught them to despise wealth, schooled them to brave danger and contemn luxury, and inured them to cold, hunger, and toil; in short, he made them dead to every passion save that of the "Holy War," in which they were to bear arms.

A beginning had been made; the first recruits had been enrolled in that army which was speedily to swell into a mighty host, and unfurl its gloomy ensigns and win its dismal triumphs in every land. We can imagine Loyola's joy as he contemplated these two men, fashioned so perfectly in his own likeness. The same master-artificer who had moulded these two could form others—in short, any number. The list was soon enlarged by the addition of four other disciples. Their names—obscure then, but in after-years to shine with a fiery splendour—were Jacob Lainez, Alfonso Salmeron, Nicholas Bobadilla, and Simon Rodriguez. The first three were Spaniards, the fourth was a Portuguese. They were seven in all; but the accession of two others increased them to nine: and now they resolved on taking their first step.

On the 15th of August, 1534, Loyola, followed by his nine companions, entered the subterranean chapel of the Church of Montmartre, at Paris, and mass being said by Fabre, who had received priest's orders, the company, after the usual vow of chastity and poverty, took a solemn oath to dedicate their lives to the conversion of the Saracens, or, should

circumstances make that attempt impossible, to lay themselves and their services unreservedly at the feet of the Pope. They sealed their oath by now receiving the Host. The day was chosen because it was the anniversary of the Assumption of the Virgin, and the place because it was consecrated to Mary, the queen of saints and angels, from whom, as Loyola firmly believed, he had received his mission. The army thus enrolled was little, and it was great. It was little when counted, it was great when weighed. In sublimity of aim, and strength of faith—using the term in its mundane sense—it wielded a power before which nothing on earth—one principle excepted—should be able to stand.[1]

LOYOLA AND HIS DISCIPLES BEFORE POPE PAUL III.

To foster the growth of this infant Hercules, Loyola had prepared beforehand his book entitled *Spiritual Exercises*. This is a body of rules for teaching men how to conduct the work of their "conversion." It consists of four grand meditations, and the penitent, retiring into solitude, is to occupy absorbingly his mind on each in succession, during the space of the rising and setting of seven suns. It may be fitly styled a journey from the gates of destruction to the gates of Paradise, mapped out in stages so that it might be gone in the short period of four weeks. There are few more remarkable books in the world. It combines the self-denial and mortification of the Brahmin with the asceticism of the anchorite, and the ecstasies of the schoolmen. It professes, like the Koran, to be a revelation. "The Book of Exercises," says a Jesuit, "was truly written by the finger of God, and delivered to Ignatius by the Holy Mother of God."[2]

The *Spiritual Exercises*, we have said, was a body of rules by following which one could effect upon himself that great change which in Biblical and theological language is termed "conversion." The book displayed on the part of its author great knowledge of the human heart. The method prescribed was an adroit imitation of that process of conviction, of alarm, of enlightenment, and of peace, through which the Holy Spirit leads the soul

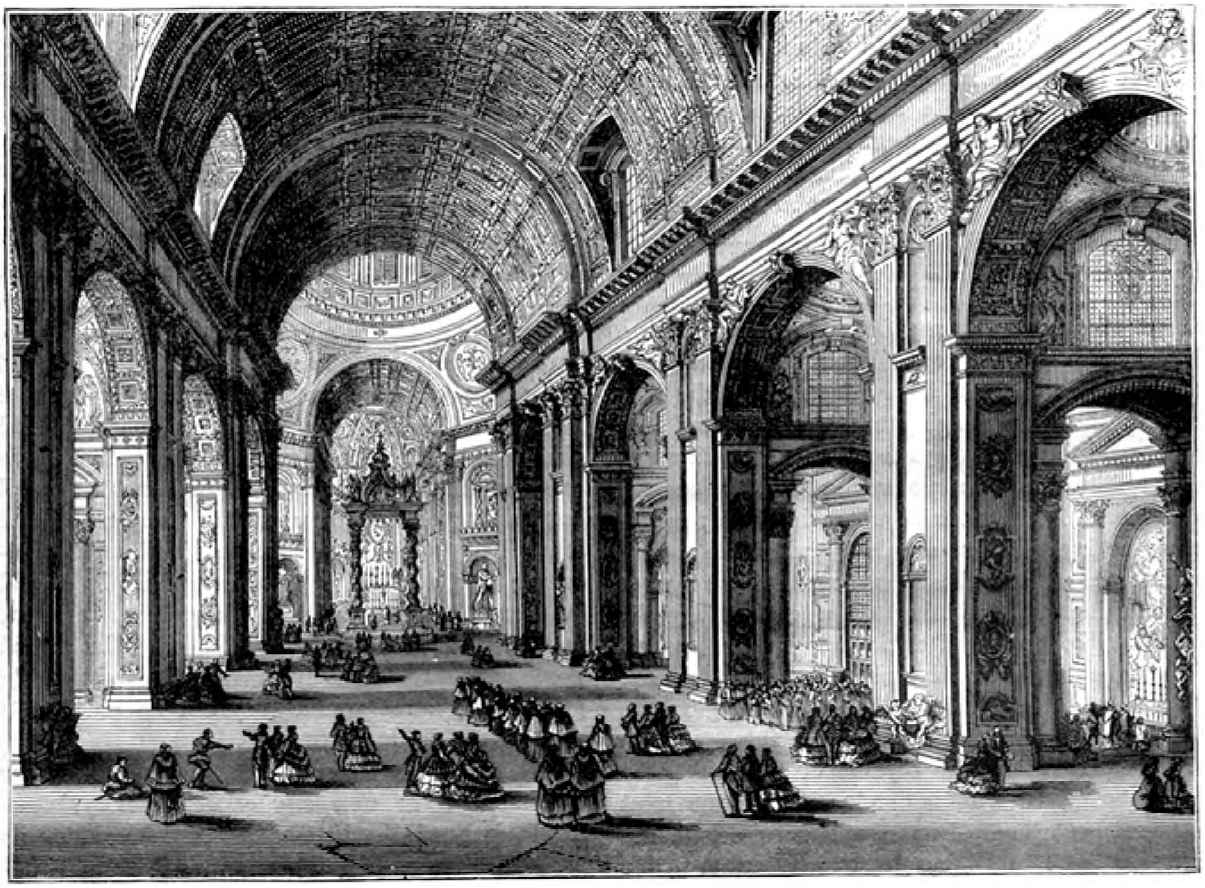
that undergoes that change in very deed. This Divine transformation was at that hour taking place in thousands of instances in the Protestant world. Loyola, like the magicians of old who strove to rival Moses, wrought with his enchantments to produce the same miracle. Let us observe how he proceeded.

The person was, first of all, to go aside from the world, by entirely isolating himself from all the affairs of life. In the solemn stillness of his chamber he was to engage in four meditations each day, the first at daybreak, the last at midnight. To assist the action of the imagination on the soul, the room was to be artificially darkened, and on its walls were to be suspended pictures of hell and other horrors. Sin, death, and judgment were exclusively to occupy the thoughts of the penitent during the first week of his seclusion. He was to ponder upon them till in a sense "he beheld the vast conflagration of hell; its wailings, shrieks, and blasphemies; felt the worm of conscience; in fine, touched those fires by whose contact the souls of the reprobate are scorched."

The second week he was to withdraw his eye from these dreadful spectacles and fix it upon the Incarnation. It is no longer the wailings of the lost that fill the ear as he sits in his darkened chamber, it is the song of the angel announcing the birth of the Child, and "Mary acquiescing in the work of redemption." At the feet of the Trinity he is directed to pour out the expression of the gratitude and praise with which continued meditation on these themes causes his soul to overflow.



VIEW OF THE INTERIOR OF ST. PETER'S, ROME.

The third week is to witness the solemn act of the soul's enrolment in the army of that Great Captain, who "bowed the heavens and came down" in his Incarnation. Two cities are before the devotee—Jerusalem and Babylon—in which will he choose to dwell? Two standards are displayed in his sight—under which will he fight? Here a broad and brave pennon floats freely on the wind. Its golden folds bear the motto, "Pride, Honour, Riches." Here is another, but how unlike the motto inscribed upon it, "Poverty, Shame, Humility." On all sides resounds the cry "To arms!" He must make his choice, and he

must make it now, for the seventh sun of his third week is hastening to the setting. It is under the banner of Poverty that he elects to win the incorruptible crown.

Now comes his fourth and last week, and with it there comes a great change in the subjects of his meditation. He is to dismiss all gloomy ideas, all images of terror; the gates of Hades are to be closed, and those of a new life opened. It is morning with him, it is a spring-time that has come to him, and he is to surround himself with light, and flowers, and odours. It is the Sunday of a spiritual creation; he is to rest, and to taste in that rest the prelude of the everlasting joys. This mood of mind he is to cultivate while seven suns rise and set upon him. He is now perfected and fit to fight in the army of the Great Captain.

A not unsimilar course of mental discipline, as our history has already shown, did Wicliffe, Luther, and Calvin pass through before they became captains in the army of Christ. They began in a horror of great darkness; through that cloud there broke upon them the revelation of the "Crucified;" throwing the arms of their faith around the Tree of Expiation, and clinging to it, they entered into peace, and tasted the joys to come. How like, yet how unlike, are these two courses! In the one the penitent finds a Saviour on whom he leans; in the other he lays hold on a rule by which he works, and works as methodically and regularly as a piece of machinery. Beginning on a certain day, he finishes, like stroke of clock, duly as the seventh sun of the fourth week is sinking below the horizon. We trace in the one the action of the imagination, fostering one over-mastering passion into strength, till the person becomes capable of attempting the most daring enterprises, and enduring the most dreadful sufferings. In the other we behold the intervention of a Divine Agent, who plants in the soul a new principle, and thence educes a new life.

The war in which Loyola and his nine companions enrolled themselves when on the 15th of August, 1534, they made their vow in the Church of Montmartre, was to be waged against the Saracens of the East. They acted so far on their original design as to proceed to Venice, where they learned that their project was meanwhile impracticable. The war which had just broken out between the Republic and the Porte had closed the gates of Asia. They took this as an intimation that the field of their operations was to be in the Western world. Returning on their path they now directed their steps towards Rome. In every town through which they passed on their way to the Eternal City, they left behind them an immense reputation for sanctity by their labours in the hospitals, and their earnest addresses to the populace on the streets. As they drew nigh to Rome, and the hearts of some of his companions were beginning to despond, Loyola was cheered by a vision, in which Christ appeared and said to him, "In Rome will I be gracious unto thee."[1] The hopes this vision inspired were not to be disappointed. Entering the gates of the capital of Christendom, and throwing themselves at the feet of Paul III., they met a most gracious reception. The Pope hailed their offer of assistance as most opportune. Mighty dangers at that hour threatened the Papacy, and with the half of Europe in revolt, and the old monkish orders become incapable, this new and unexpected aid seemed sent by Heaven. The rules and constitution of the new order were drafted, and ultimately approved, by the Pope. Two peculiarities in the constitution of the proposed order specially recommended it in the eyes of Paul III. The first was its vow of unconditional obedience. The society swore to obey the Pope as an army obeys its general. It was not *canonical* but *military* obedience which its members offered him. They would go to whatsoever place, at whatsoever time, and on whatsoever errand he should be pleased to order them. They were, in short, to be not so much monks as soldiers. The second peculiarity was that their services were to be wholly gratuitous; never would they ask so much as a penny from the Papal See.

It was resolved that the new order should bear the name of *The Company of Jesus*. Loyola modestly declined the honour of being accounted its founder. Christ himself, he affirmed, had dictated to him its constitution in his cave at Manresa. He was its real Founder: whose name then could it so appropriately bear as His? The bull constituting it was issued on the 27th of September, 1540, and was entitled *Regimini Militantis Ecclesiæ*,[2] and bore that the persons it enrolled into an army were to bear "the standard of the Cross, to wield the arms of God, to serve the only Lord, and the Roman Pontiff, His Vicar on earth.

THE long-delayed wishes of Loyola had been realised, and his efforts, abortive in the past, had now at length been crowned with success. The Papal bull had given formal existence to the order, what Christ had done in heaven his Vicar had ratified on the earth. But Loyola was too wise to think that all had been accomplished; he knew that he was only at the beginning of his labours. In the little band around him he saw but the nucleus of an army that would multiply and expand till one day it should be as the stars in multitude, and bear the standard of victory to every land on earth. The gates of the East were meanwhile closed against him; but the Western world would not always set limits to the triumphs of his spiritual arms. He would yet subjugate both hemispheres, and extend the dominion of Rome from the rising to the setting sun. Such were the schemes that Loyola, who hid under his mendicant's cloak an ambition vast as Alexander's, was at that moment revolving. Assembling his comrades one day about this time, he addressed them, his biographer Bouhours tells us, in a long speech, saying, "Ought we not to conclude that we are called to win to God, not only a single nation, a single country, *but all nations, all the kingdoms of the world?*"[1]

An army to conquer the world, Loyola was forming. But he knew that nothing is stronger than its weakest part, and therefore the soundness of every link, the thorough discipline and tried fidelity of every soldier in this mighty host was with him an essential point. That could be secured only by making each individual, before enrolling himself, pass through an ordeal that should sift, and try, and harden him to the utmost.

But first the Company of Jesus had to elect a head. The dignity was offered to Loyola. He modestly declined the post, as Julius Cæsar did the diadem. After four days spent in prayer and penance, his disciples returned and humbly supplicated him to be their chief. Ignatius, viewing this as an intimation of the will of God, consented. He was the first General of the order. Few royal sceptres bring with them such an amount of real power as this election bestowed on Loyola. The day would come when the tiara itself would bow before that yet mightier authority which was represented by the cap of the General of the Jesuits.

The second step was to frame the "Constitutions" of the society. In this labour Loyola accepted the aid of Lainez, the ablest of his converts. Seeing it was at God's command that Ignatius had planted the tree of Jesuitism in the spiritual vineyard, it was to be expected that the Constitutions of the Company would proceed from the same high source. The Constitutions were declared to be a revelation from God, the inspiration of the Holy Spirit.[2] This gave them absolute authority over the members, and paved the way for the substitution of the Constitution and canons of the Society of Jesus in the room of Christianity itself. These canons and Instructions were not published: they were not communicated to all the members of the society even; they were made known to a few only—in all their extent to a very few. They took care to print them in their own college at Rome, or in their college at Prague; and if it happened that they had been printed elsewhere, they secured the whole edition. "I cannot discover," says M. de la Chalotais, "that the Constitutions of the Jesuits have ever been seen or examined by any tribunal whatsoever, secular or ecclesiastic; by any sovereign—not even by the Court of Chancery of Prague, when permission was asked to print them . . . . They have taken all sorts of precautions to keep them a secret."[3] For a century they were con-

cealed from the knowledge of the world; and it was an accident which at last dragged them into the light from the darkness in which they had so long been buried.

It is not easy, perhaps it is not possible, to say what number of volumes the Constitutions of the Jesuits form. M. Louis René de la Chalotais, Procurator-General of King Louis XV., in his *Report on the Constitutions of the Jesuits*, given in to the Parliament of Bretagne, speaks of fifty volumes folio. That was in the year 1761, or 221 years after the founding of the order. This code, then enormous, must be greatly more so now, seeing every bull and brief of the Pope addressed to the society, every edict of its General, is so much more added to a legislation that is continually augmenting. We doubt whether any member of the order is found bold enough to undertake a complete study of them, or ingenious enough to reconcile all their contradictions and inconsistencies. Prudently abstaining from venturing into a labyrinth from which he may never emerge, he simply asks, not what do the Constitutions say, but what does the General command? Practically the *will* of his chief is the *code* of the Jesuit.

We shall first consider the powers of the General. The original bull of Paul III. constituting the Company gave to "Ignatius de Loyola, with nine priests, his companions," the power to make Constitutions and particular rules, and also to alter them. The legislative power thus rested in the hands of the General and his company—that is, in a "Congregation" representing them. But when Loyola died, and Lainez succeeded him as General, one of his first acts was to assemble a Congregation, and cause it to be decided that the General only had the right to make rules.[1] This crowned the autocracy of the General, for while he has the power of legislating for all others, no one may legislate for him. He acts without control, without responsibility, without law. It is true that in certain cases the society may depose the General. But it cannot exercise its powers unless it be assembled, and the General alone can assemble the Congregation. The whole order, with all its authority, is, in fact, comprised in him.

In virtue of his prerogative the General can command and regulate everything in the society. He may make special Constitutions for the advantage of the society, and he may alter them, abrogate them, and make new ones, dating them at any time he pleases. These new rules must be regarded as confirmed by apostolic authority, not merely from the time they were made, but the time they are dated.

The General assigns to all provincials, superiors, and members of the society, of whatever grade, the powers they are to exercise, the places where they are to labour, the missions they are to discharge, and he may annul or confirm their acts at his pleasure. He has the right to nominate provincials and rectors, to admit or exclude members, to say what proffered dignity they are or are not to accept, to change the destination of legacies, and, though to give money to his relatives exposes him to deposition, "he may yet give alms to any amount that he may deem conducive to the glory of God." He is invested moreover with the entire government and regulation of the colleges of the society. He may institute missions in all parts of the world. When commanding in the name of Jesus Christ, and in virtue of obedience, he commands under the penalty of mortal and venial sin. From his orders there is no appeal to the Pope. He can release from vows; he can examine into the consciences of the members; but it is useless to particularise—the General is the society.[2]

The General alone, we have said, has power to make laws, ordinances, and declarations. This power is *theoretically* bounded, though *practically* absolute. It has been declared that everything *essential* ("Substantia Institutionis") to the society is immutable, and therefore removed beyond the power of the General. But it has never yet been determined what things belong to the *essence* of the institute. Many attempts have been made to solve this question, but no solution that is comprehensible has ever been arrived at; and so long as this question remains without an answer, the powers of the General will remain without a limit.

Let us next attend to the organisation of the society. The Jesuit monarchy covers the globe. At its head, as we have said, is a sovereign, who rules over all, but is himself ruled over by no one. First come six grand divisions termed *Assistanzen*, satrapies or princedoms. These comprehend the space stretching from the Indus to the Mediterranean; more particularly India, Spain and Portugal, Germany and France, Italy and Sicily, Poland and Lithuania.[3] Outside this area the Jesuits have established missions. The heads of these six divi-

sions act as coadjutors to their General; they are his staff or cabinet.

These six great divisions are subdivided into thirty-seven Provinces.[1] Over each province is placed a chief, termed a Provincial. The provinces are again subdivided into a variety of houses or establishments. First come the houses of the *Professed*, presided over by their Provost. Next come the colleges, or houses of the novices and scholars, presided over by their Rector or Superior. Where these cannot be established, "residences" are erected, for the accommodation of the priests who perambulate the district, preaching and hearing confessions. And lastly may be mentioned "mission-houses," in which Jesuits live unnoticed as secular clergy, but seeking, by all possible means, to promote the interests of the society.[2]

From his chamber in Rome the eye of the General surveys the world of Jesuitism to its farthest bounds; there is nothing done in it which he does not see; there is nothing spoken in it which he does not hear. It becomes us to note the means by which this almost superhuman intelligence is acquired. Every year a list of the houses and members of the society, with the name, talents, virtues, and failings of each, is laid before the General. In addition to the annual report, every one of the thirty-seven provincials must send him a report monthly of the state of his province. He must inform him minutely of its political and ecclesiastical condition. Every superior of a college must report once every three months. The heads of houses of residence, and houses of novitiates, must do the same. In short, from every quarter of his vast dominions come a monthly and a tri-monthly report. If the matter reported on has reference to persons outside the society, the Constitutions direct that the provincials and superiors shall write to the General in cipher. "Such precautions are taken against enemies," says M. de Chalotais. "Is the system of the Jesuits inimical to all governments?"

Thus to the General of the Jesuits the world lies "naked and open." He sees by a thousand eyes, he hears by a thousand ears; and when he has a behest to execute, he can select the fittest agent from an innumerable host, all of whom are ready to do his bidding. The past history, the good and evil qualities of every member of the society, his talents, his dispositions, his inclinations, his tastes, his secret thoughts, have all been strictly examined, minutely chronicled, and laid before the eye of the General. It is the same as if he were present in person, and had seen and conversed with each.

All ranks, from the nobleman to the day-labourer; all trades, from the opulent banker to the shoemaker and porter; all professions, from the stoled dignitary and the learned professor to the cowled mendicant; all grades of literary men, from the philosopher, the mathematician, and the historian, to the schoolmaster and the reporter on the provincial newspaper, are enrolled in the society. Marshalled, and in continual attendance, before their chief, stand this host, so large in numbers, and so various in gifts. At his word they go, and at his word they come, speeding over seas and mountains, across frozen steppes, or burning plains, on his errand. Pestilence, or battle, or death may lie on his path, the Jesuit's obedience is not less prompt. Selecting one, the General sends him to the royal cabinet. Making choice of another, he opens to him the door of Parliament. A third he enrols in a political club; a fourth he places in the pulpit of a church, whose creed he professes that he may betray it; a fifth he commands to mingle in the saloons of the *literati*; a sixth he sends to act his part in the Evangelical Conference; a seventh he seats beside the domestic hearth; and an eighth he sends afar off to barbarous tribes, where, speaking a strange tongue, and wearing a rough garment, he executes, amidst hardships and perils, the will of his superior. There is no disguise which the Jesuit will not wear, no art he will not employ, no motive he will not feign, no creed he will not profess, provided only he can acquit himself as a true soldier in the Jesuit army, and accomplish the work on which he has been sent forth. "We have men," exclaimed a General exultingly, as he glanced over the long roll of philosophers, orators, statesmen, and scholars who stood before him, ready to serve him in the State or in the Church, in the camp or in the school, at home or abroad—"We have men for martyrdom if they be required."

No one can be enrolled in the Society of Jesus till he has undergone a severe and long-continued course of training. Let us glance at the several grades of that great army, and the preparatory discipline in the case of each. There are four classes of Jesuits. We begin with the lowest. The *Novitiates* are the first in order of admission, the last in dignity. When one presents himself for admission into the order, a strict scrutiny takes place into his talents, his disposition, his family, his former life; and if it is seen that he is not likely to be of service to the society, he is at once dismissed. If his fitness appears probable, he is received into

[1] Such was their number in 1761, when Chalotais gave in his *Report* to the Parliament of Bretagne.

[2] Chalotais' *Report*. Duller, p. 54.

the House of Primary Probation.[1] Here he is forbidden all intercourse with the servants within and his relations outside the house. A *Compend* of the Institutions is submitted for his consideration; the full body of laws and regulations being withheld from him as yet. If he possesses property he is told that he must give it to the poor—that is, to the society. His tact and address, his sound judgment and business talent, his health and bodily vigour, are all closely watched and noted; above all, his *obedience* is subjected to severe experiment. If he acquits himself on the trial to the satisfaction of his examiners, he receives the Sacrament, and is advanced to the House of Second Probation.[2]

Here the discipline is of a yet severer kind. The novitiate first devotes a certain period to confession of sins and meditation. He next fulfils a course of service in the hospitals, learning humility by helping the poor and ministering at the beds of the sick. To further his advance in this grace, he next spends a certain term in begging his bread from door to door. Thus he learns to live on the coarsest fare and to sleep on the hardest couch. To perfect himself in the virtue of self-abnegation, he next discharges for awhile the most humiliating and repulsive offices in the house in which he lives. And now, this course of service ended, he is invited to show his powers of operating on others, by communicating instruction to boys in Christian doctrine, by hearing confessions, and by preaching in public. This course is to last two years, unless the superior should see fit to shorten it on the ground of greater zeal, or superior talent.

The period of probation at an end, the candidate for admission into the Order of Jesus is to present himself before the superior, furnished with certificates from those under whose eye he has fulfilled his six *experimenta*, or trials, as to the manner in which he has acquitted himself. If the testimonials should prove satisfactory to the superior, the novitiate is enrolled, not as yet in the Company of the Jesuits, but among the *Indifferents*. He is presumed to have no choice as regards the place he is to occupy in the august corps he aspires to enter; he leaves that entirely to the decision of the superior; he is equally ready to stand at the head or at the foot of the body; to discharge the most menial or the most dignified service; to play his part in the saloons of the great, encompassed by luxury and splendour, or to discharge his mission in the hovels of the poor, in the midst of misery and filth; to remain at home, or to go to the ends of the earth. To have a preference, though unexpressed, is to fall into deadly sin. Obedience is not only the letter of his vow, it is the lesson that his training has written on his heart.[3]

This further trial gone through, the approved novitiate may now take the three simple vows—poverty, chastity, and obedience—which, with certain modifications, he must ever after renew twice every year. The novitiate is now admitted into the class of *Scholars*. The Jesuits have colleges of their own, amply endowed by wealthy devotees, and to one of these the novitiate is sent, to receive instruction in the higher mysteries of the society. His intellectual powers are here more severely tested and trained, and according to the genius and subtlety he may display, and his progress in his studies, so is the post assigned him in due time in the order. "The qualities to be desired and commended in the scholars," say the Constitutions, "are acuteness of talent, brilliancy of example, and soundness of body."[4] They are to be chosen men, picked from the flower of the troop, and the General has absolute power in admitting or dismissing them according to his expectations of their utility in promoting the designs of the Institute.[5] Having finished his course, first as a simple scholar, and secondly as an approved scholar, he renews his three vows, and passes into the third class, or *Coadjutors*.

The coadjutors are divided into temporal and spiritual. The temporal coadjutor is never admitted into holy orders.[6] Such are retained to minister in the lowest offices. They become college cooks, porters, or purveyors. For these and similar purposes it is held expedient that they should be "lovers of virtue and perfection," and "content to serve the society in the careful office of a Martha."[7] The spiritual coadjutor must be a priest of adequate learning, that he may assist the society in hearing confessions, and giving instructions in Christian doctrine. It is from among the spiritual coadjutors that the rectors of colleges are usually selected by the General. It is a further privilege of theirs that they may be assembled in congregation to deliberate with the *Professed* members in matters of importance,[8] but no vote is granted them in the election of a General. Having passed with approbation the many stringent tests to which he is here

subjected, in order to perfect his humility and obedience, and having duly deposited in the exchequer of the society whatever property he may happen to possess, the spiritual coadjutor, if a candidate for the highest grade, is admitted to the oblation of his vows, which are similar in form and substance to those he has already taken, with this exception, that they assign to the General the place of God. "I promise," so runs the oath, "to the Omnipotent God, in presence of his virgin mother, and of all the heavenly hierarchy, and to thee, Father General of the Society of Jesus, *holding the place of God*,"[1] &c. With this oath sworn on its threshold, he enters the inner circle of the society, and is enrolled among the *Professed*.

The *Professed Members* constitute the society *par excellence*. They alone know its deepest secrets, and they alone wield its highest powers. But perfection in Jesuitism cannot be reached otherwise than by the loss of manhood. Will, judgment, conscience, liberty, all the Jesuit lays down at the feet of his General. It is a tremendous sacrifice, but to him the General is God. He now takes his fourth, or peculiar vow, in which he binds himself to go, without question, delay, or repugnance, to whatever region of the earth, and on whatever errand, the Pope may be pleased to send him. This he promises to the Omnipotent God, and to his General, *holding the place of God*. The wisdom, justice, righteousness of the command he is not to question; he is not even to permit his mind to dwell upon it for a moment; it is the command of his General, and the command of his General is the precept of the Almighty. His superiors are "over him in the place of the Divine Majesty."[2] "In not fewer than 500 places in the Constitutions," says M. de la Chalotais, "are expressions used similar to the following:—'We must always see Jesus Christ in the General; be obedient to him in all his behests, as if they came directly from God himself.'"[3] When the command of the superior goes forth, the person to whom it is directed "is not to stay till he has finished the letter his pen is tracing," say the Constitutions; "he must give instant compliance, so that holy obedience may be perfect in us in every point—in execution, in will, in intellect."[4] Obedience is styled "the tomb of the will," "a blessed blindness, which causes the soul to see the road to salvation," and the members of the society are taught to "immolate their will as a sheep is sacrificed." The Jesuit is to be in the hands of his superior, "as the axe is in the hands of the wood-cutter," or "as a staff is in the hands of an old man, which serves him wherever and in whatever thing he is pleased to use it." In fine, the Constitutions enjoin that "they who live under obedience shall permit themselves to be moved and directed under Divine Providence by their superiors just *as if they were a corpse*, which allows itself to be moved and handled in any way."[5] The annals of mankind do not furnish another example of a despotism so finished. We know of no other instance in which the members of the body are so numerous, or the ramifications so wide, and yet the centralisation and cohesion so perfect.

We have traced at some length the long and severe discipline which every member must undergo before being admitted into the select class that by way of eminence constitute the society. Before arriving on the threshold of the inner circle of Jesuitism, three times has the candidate passed through that terrible ordeal—first as a novice, secondly as a scholar, thirdly as a coadjutor. Is his training held to be complete when he is admitted among the Professed? No: a fourth time must he undergo the same dreadful process. He is thrown back again into the crucible, and kept amid its fires, till pride, and obstinacy, and self-will, and love of ease—till judgment, soul, and conscience have all been purged out of him, and then he comes forth, fully refined, completely attempered and hardened, "a vessel fully fitted" for the use of his General; prepared to execute with a conscience that never remonstrates his most terrible command, and to undertake with a will that never rebels the most difficult and dangerous enterprises he may assign him. In the words of an eloquent writer—"Talk of drilling and discipline! why, the drilling and the discipline which gave to Alexander the men that marched in triumph from Macedon to the Indus; to Cæsar, the men that marched in triumph from Rome to the wilds of Caledonia; to Hannibal, the men that marched in triumph from Carthage to Rome; to Napoleon, the men whose achievements surpassed in brilliance the united glories of the soldiers of Macedon, of Carthage, and of Rome; and to Wellington, the men who smote into the dust the very flower of Napoleon's chivalry—why, the drilling and the discipline of all these combined cannot, in point of stern, rigid, and protracted severity, for a moment be compared to the drilling and discipline which fitted and moulded men for

becoming full members of the militant institute of the Jesuits."[1]

Such Loyola saw was the corps that was needed to confront the armies of Protestantism and turn back the advancing tide of light and liberty. Touched with a Divine fire, the disciples of the Gospel attained at once to a complete renunciation of self, and a magnanimity of soul which enabled them to brave all dangers and endure all sufferings, and to bear the standard of a recovered Gospel over deserts and oceans, in the midst of hunger and pestilence, of dungeons and racks and fiery stakes. It was vain to think of overcoming warriors like these unless by combatants of an equal temper and spirit, and Loyola set himself to fashion such. He could not clothe them with the panoply of light, he could not inspire them with that holy and invincible courage which springs from faith, nor could he so enkindle their souls with the love of the Saviour, and the joys of the life eternal, as that they should despise the sufferings of time; but he could give them their counterfeits: he could enkindle them with fanaticism, inspire them with a Luciferian ambition, and so pervert and indurate their souls by evil maxims, and long and rigorous training, that they should be insensible to shame and pain, and would welcome suffering and death. Such were the weapons of the men he sent forth to the battle.

CHAPTER IV.

MORAL CODE OF THE JESUITS—PROBABILISM, ETC.

The Jesuit cut off from Country—from Family—from Property—from the Pope even—The End Sanctifies the Means—The First Great Commandment and Jesuit Morality—When may a Man Love God?—Second Great Commandment—Doctrine of Probabilism—The Jesuit Casuists—Pascal—The Direction of the Intention—Illustrative C[illegible] furnished by Jesuit Doctors—Marvellous Virtue of the Doctrine—A Pious Assassination!

We have not yet surveyed the full and perfect equipment of those troops which Loyola sent forth to prosecute the war against Protestantism. Nothing was left unthought of and unprovided for which might assist them in covering their opponents with defeat, and crowning themselves with victory. They were set free from every obligation, whether imposed by the natural or the Divine law. Every stratagem, artifice, and disguise were lawful to men in whose favour all distinction between right and wrong had been abolished. They might assume as many shapes as Proteus, and exhibit as many colours as the chameleon. They stood apart and alone among the human race. First of all, they were cut off from country. Their vow bound them to go to whatever land their General might send them, and to remain there as long as he might appoint. Their country was the society. They were cut off from family and friends. Their vow taught them to forget their father's house, and to esteem themselves holy only when every affection and desire which nature had planted in their breasts had been plucked up by the roots. They were cut off from property and wealth. For although the society was immensely rich, its individual members possessed nothing. Nor could they cherish the hope of ever becoming personally wealthy, seeing they had taken a vow of perpetual poverty. If it chanced that a rich relative died, and left them his heirs, the General relieved them of their vow, and sent them back into the world, for so long a time as might enable them to take possession of the wealth of which they had been named the heirs; but this done, they returned laden with their booty, and, resuming their vow as Jesuits, laid every penny of their newly-acquired riches at the feet of the General.

They were cut off, moreover, from the State. They were discharged from all civil and national relationships and duties. They were under a higher code than the national one—the *Institutions* namely, which Loyola had edited, and the Spirit of God had inspired; and they were the subjects of a higher monarch than the sovereign of the nation—their own General. Nay, more, the Jesuits were cut off even from the Pope. For if their General "held the place of the Omnipotent God," much more did he hold the place of "his Vicar." And so was it in fact; for soon the members of the Society of Jesus came to recognise no laws but their own, and though at their first formation they professed to have no

end but the defence and glory of the Papal See, it came to pass when they grew to be strong that, instead of serving the tiara, they compelled the tiara to serve the society, and made their own wealth, power, and dominion the one grand object of their existence. They were a Papacy within the Papacy—a Papacy whose organisation was more perfect, whose instincts were more cruel, whose workings were more mysterious, and whose dominion was more destructive than that of the old Papacy.

So stood the Society of Jesus. A deep and wide gulf separated it from all other communities and interests. Set free from the love of family, from the ties of kindred, from the claims of country, and from the rule of law, careless of the happiness they might destroy, and the misery and pain and woe they might inflict, the members were at liberty, without control or challenge, to pursue their terrible end, which was the dethronement of every other power, the extinction of every other interest but their own, and the reduction of mankind into abject slavery, that on the ruins of the liberty, the virtue, and the happiness of the world they might raise themselves to supreme, unlimited dominion. But we have not yet detailed all the appliances with which the Jesuits were careful to furnish themselves for the execution of their unspeakably audacious and diabolical design. In the midst of these abysses there opens to our eye a yet profounder abyss. To enjoy exemption from all human authority and from every earthly law was to them a small matter; nothing would satisfy their lust for licence save the entire abrogation of the moral law, and nothing would appease their pride save to trample under foot the majesty of heaven. We now come to speak of the moral code of the Jesuits.

The key-note of their ethical code is the famous maxim that *the end sanctifies the means*. Before that maxim the eternal distinction of right and wrong vanishes. Not only do the stringency and sanctions of human law dissolve and disappear, but the authority and majesty of the Decalogue are overthrown. There are no conceivable crime, villany, and atrocity which this maxim will not justify. Nay, such become dutiful and holy, provided they be done for "the greater glory of God," by which the Jesuit means the honour, interest, and advancement of his society. In short, the Jesuit may do whatever he has a mind to do, all human and Divine laws notwithstanding. This is a very grave charge, but the evidence of its truth is, unhappily, too abundant, and the difficulty lies in making a selection.

What the Popes have attempted to do by the plenitude of their power, namely, to make sin to be no sin, the Jesuit doctors have done by their casuistry. "The first and great commandment in the law," said the same Divine Person who proclaimed it from Sinai, "is to love the Lord thy God." The Jesuit casuists have set men free from the obligation to love God. Escobar[1] collects the different sentiments of the famous divines of the Society of Jesus upon the question, *When is a man obliged to have actually an affection for God?* The following are some of these:—Suarez says, "It is sufficient a man love him before he dies, not assigning any particular time. Vasquez, that it is sufficient even at the point of death. Others, when a man receives his baptism: others, when he is obliged to be contrite: others, upon holidays. But our Father Castro-Palao[2] disputes all these opinions, and that justly. Hurtado de Mendoza pretends that a man is obliged to do it once every year. Our Father Coninck believes a man to be obliged once in three or four years. Henriquez, once in five years. But Filiutius affirms it to be probable that in rigour a man is not obliged every five years. When then? He leaves the point to the wise." "We are not," says Father Sirmond, "so much commanded to love him as not to hate him."[3] Thus do the Jesuit theologians make void "the first and great commandment in the law."

The second commandment in the law is, "Thou shalt love thy neighbour as thyself." This second great commandment meets with no more respect at the hands of the Jesuits than the first. Their morality dashes both tables of the law in pieces; charity to man it makes void equally with the love of God. The methods by which this may be done are innumerable.[4]

The first of these is termed *probabilism*. This is

[1] Father Antoine Escobar, of Mendoza. He is said by his friends to have been a good man, and a laborious student. He compiled a work in six volumes, entitled *Exposition of Uncontroverted Opinions in Moral Theology*. It afforded a rich field for the satire of Pascal. Its characteristic absurdity is that its questions uniformly exhibit two faces—an affirmative and a negative—so that *escobarderie* became a synonym in France for *duplicity*.

[2] Ferdinand de Castro-Palao was a Jesuit of Spain, and author of a work on *Virtues and Vices*, published in 1631.

[3] Escobar, tr. 1, ex. 2, n. 21; and tr. 5, ex. 4, n. 8. Sirmond, *Def. Virt.*, tr. 2, sec. 1.

[4] It is of no avail to object that these are the sentiments of individual Jesuits, and that it is not fair to impute them to the society. It was a particular rule in the Company of Jesus, "that nothing should be published by any of its members without the approbation of their superiors." An express order was made obliging them to this in France by Henry III., 1583, confirmed by Henry IV., 1603, and by Louis XIII., 1612. So that the whole fraternity became responsible for all the doctrines taught in the books of its individual members, unless they were expressly condemned.

is doing as to occupy itself the while with some holy theme, or fix its meditation upon some benefit or advantage likely to arise from the deed, which it knows, or at least suspects, the body is at that moment engaged in doing, the soul contracts

break with him at once—such conduct is diabolical. This holds true, without exception, of age, sex, or rank. But when the person is not of such a wretched disposition as this, we try to put in practice our method of *directing the intention*, which

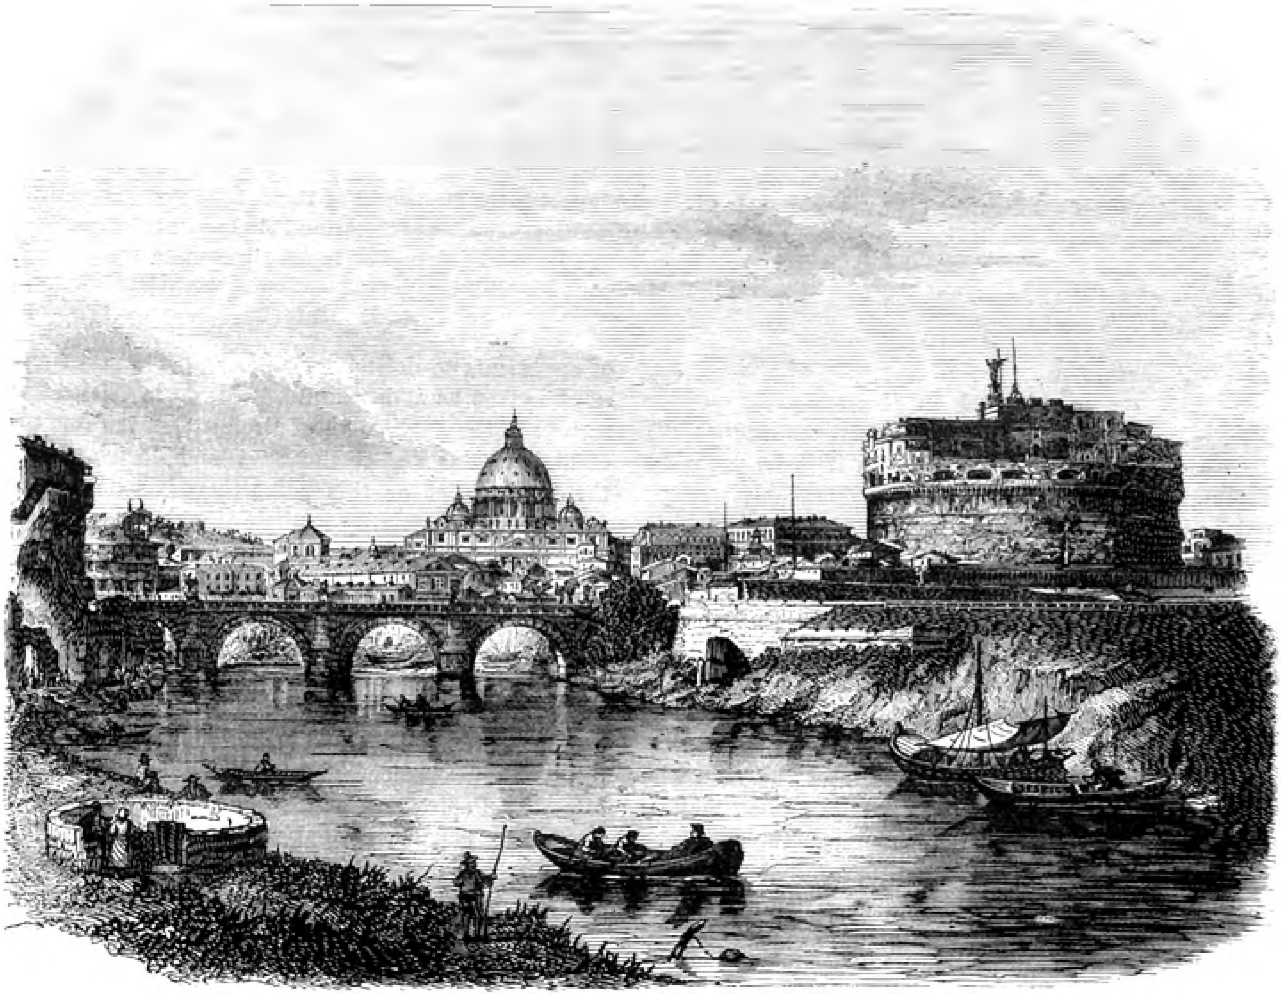
neither guilt nor stain, and the man runs no risk of ever being called to account for the murder, or theft, or calumny, by God, or of incurring his displeasure on that ground. We are not satirising; we are simply stating the morality of the Jesuits. "We never," says the Father Jesuit in Pascal's *Letters*, "suffer such a thing as the formal intention to sin with the sole design of sinning; and if any person whatever should persist in having no other end but evil in the evil that he does, we

simply consists in his proposing to himself, as the end of his actions, some allowable object. Not that we do not endeavour, as far as we can, to dissuade men from doing things forbidden; but when we cannot prevent the action, we at least purify the motive, and thus correct the viciousness of the means by the goodness of the end. Such is the way in which our Fathers [of the society] have contrived to permit those acts of violence to which men usually resort in vindication of their honour.

They have no more to do than to turn off the intention from the desire of vengeance, which is criminal, and to direct it to a desire to defend their honour, which, according to us, is quite warrantable. And in this way our doctors discharge all their duty towards God and towards man. By permitting the action they gratify the world; and by purifying the intention they give satisfaction to the Gospel. This is a secret, sir, which was entirely unknown to the ancients; the world is indebted for the discovery entirely to our doctors. You understand it now, I hope."[1]



VIEW OF ROME, SHOWING THE CASTLE OF ST. ANGELO, AND ST. PETER'S IN THE DISTANCE.

Let us take a few illustrative cases, but only such as Jesuit casuists themselves have furnished. "A military man," says Reginald,[2] "may demand satisfaction on the spot from the person who has injured him, not indeed with the intention of rendering evil for evil, but with that of preserving his honour." Lessius[3] observes that if a man has received a blow on the face, he must on no account have an intention to avenge himself; but he may lawfully have an intention to avert infamy, and may, with that view, repel the insult immediately, even at the point of the sword. "If your enemy is disposed to injure you," says Escobar, "you have no right to wish his death by a movement of hatred, though you may to save yourself from harm." And says Hurtado de Mendoza,[4] "We may pray God to visit with speedy death those who are bent on persecuting us, if there is no other way of escaping from it." "An incumbent," says Gaspar de Hurtado,[5] "may without any mortal sin desire the decease of a life-renter on his benefice, and a son

that of a father, and rejoice when it happens, provided always it is for the sake of the profit that is to accrue from the event, and not from personal aversion." Sanchez teaches that it is lawful to kill our adversary in a duel, or even privately, when he intends to deprive us of our honour or property unjustly in a law-suit, or by chicanery, and when there is no other way of preserving them.[1] It is equally right to kill in a private way a false accuser, and his witness, and even the judge who has been bribed to favour them. "A most pious assassination!" exclaims Pascal.

CHAPTER V.

THE JESUIT TEACHING ON REGICIDE, MURDER, LYING, THEFT, ETC.

The Maxims of the Jesuits on Regicide—M. de la Chalotais' Report to the Parliament of Bretagne—Effects of Jesuit Doctrine as shown in History—Doctrine of Mental Equivocation—The Art of Swearing Falsely without Sin—The Seventh Commandment—Jesuit Doctrine on Blasphemy—Murder—Lying—Theft—An Illustrative Case from Pascal—Every Precept of the Decalogue made Void—Jesuit Morality the Consummation of the Wickedness of the Fall.

THE three great rules of the code of the Jesuits, which we have stated in the foregoing chapter—namely, (1) that the end justifies the means; (2) that it is safe to do any action if it be probably right, although it may be more probably wrong; and (3) that if one know to direct the intention aright, there is no deed, be its moral character what it may, which one may not do—may seem to give a licence of acting so immense that to add thereto were an altogether superfluous, and indeed an impossible task. But if the liberty with which these three maxims endow the Jesuit cannot be made larger, its particular applications may nevertheless be made more pointed, and the man who holds back from using it in all its extent may be emboldened, despite his remaining scruples, or the dullness of his intellectual perceptions, to avail himself to the utmost of the advantages it offers, "for the greater glory of God." He is to be taught, not merely by general rules, but by specific examples, how he may sin and yet not become sinful; how he may break the law and yet not suffer the penalty. But, further, these sons of Loyola are the kings of the world, and the sole heirs of all its wealth, honours, and pleasures; and whatever law, custom, sacred and venerable office, august and kingly authority, may stand between them and their rightful lordship over mankind, they are at liberty to throw down and tread into the dust as a vile and accursed thing. The moral maxims of the Jesuits are to be put in force against kings as well as against peasants.

The lawfulness of killing excommunicated, that is Protestant, kings, the Jesuit writers have been at great pains to maintain, and by a great variety of arguments to defend and enforce. The proof is as abundant as it is painful. M. de la Chalotais reports to the Parliament of Bretagne, as the result of his examination of the laws and doctrines of the Jesuits, that on this point there is a complete and startling unanimity in their teaching. By the same logical track do the whole host of Jesuit writers arrive at the same terrible conclusion, the slaughter, namely, of the sovereign on whom the Pope has pronounced sentence of deposition. If he shall take meekly his extrusion from power, and seek neither to resist nor revenge his being hurled from his throne, his life may be spared; but should "he persist in disobedience," says M. de la Chalotais, himself a Papist, and addressing a Popish Parliament, "he may be treated as a tyrant, in which case anybody may kill him.[2] Such is the course of reasoning established by all authors of the society, who have written *ex professo* on these subjects—Bellarmine, Suarez, Molina, Mariana, Santarel—all the Ultramontanes without exception, since the establishment of the society."[3]

But have not the writers of this school expressed in no measured terms their abhorrence of murder? Have they not loudly exclaimed against the sacrilege of touching him on whom the Church's anointing oil has been poured as king? In short, do they not

[1] Sanchez, *Mor. Theol.*, livr. ii., c. 39, n. 7.

[2] "A quocumque privato protest interfici."—Suarez (i., 6, ch. 4)—Chalotais, *Report Constit. Jesuits*, p. 84.

[3] "There are," adds M. de la Chalotais, in a foot-note, "nearly 20,000 Jesuits in the world [1761], all imbued with Ultramontane doctrines, and the doctrine of murder." That is more than a century ago. Their numbers have prodigiously increased since.

forbid and condemn the crime of regicide? Yes: this is true; but they protest with a warmth that is fitted to awaken suspicion. Rome can take back her anointing, and when she has stripped the monarch of his office he becomes the lawful victim of her consecrated dagger. On what grounds, the Jesuits demand, can the killing of one who is no longer a king be called regicide? Suarez tells us that when a king is deposed he is no longer to be regarded as a king, but as a tyrant; "he therefore loses his authority, and from that moment may be lawfully killed." Nor is the opinion of the Jesuit Mariana less decided. Speaking of a prince, he says: "If he should overthrow the religion of the country, and introduce a public enemy within the State, *I shall never consider that man to have done wrong, who, favouring the public wishes, would attempt to kill him.* . . . . It is useful that princes should be made to know, that if they oppress the State and become intolerable by their vices and their pollution, they hold their lives upon this tenure, that *to put them to death is not only laudable, but a glorious action.* . . . . . It is a glorious thing to exterminate this pestilent and mischievous race from the community of men."[1]

Wherever the Jesuits have planted missions, opened seminaries, and established colleges, they have been careful to inculcate these principles in the minds of the youth; thus sowing the seeds of future tumults, revolutions, regicides, and wars. These evil fruits have appeared sometimes sooner, sometimes later, but they have never failed to show themselves, to the grief of nations and the dismay of kings. John Chatel, who attempted the life of Henry IV., had studied in the College of Clermont, in which the Jesuit Guignard was Professor of Divinity. In the chamber of the would-be regicide, a manuscript of Guignard was found, in which, besides other dangerous articles, that Father approved not only of the assassination of Henry III. by Clement, but also maintained that the same thing ought to be attempted against *le Bearnois*, as he called Henry IV., which occasioned the first banishment of the order out of France, as a society *detestable and diabolical*. The sentence of the Parliament, passed in 1594, ordained "that all the priests and scholars of the College of Clermont, and others calling themselves the Society of Jesus, as being corrupters of youth, disturbers of the public peace, and enemies of the king and State, should depart in three days from their house and college, and in fifteen days out of the whole kingdom."

[1] Mariana, *De Rege et Regis Institutione*, lib. i., cap. 6, p. 61, and lib. i., cap. 7, p. 64; ed. 1640.

But why should we dwell on these written proofs of the disloyal and murderous principles of the Jesuits, when their *acted deeds* bear still more emphatic testimony to the true nature and effects of their principles? We have only to look around, and on every hand the melancholy monuments of these doctrines meet our afflicted sight. To what country of Europe shall we turn where we are not able to track the Jesuit by his bloody foot-prints? What page of modern history shall we open and not read fresh proofs that the Papal doctrine of killing excommunicated kings was not meant to slumber in forgotten tomes, but to be acted out in the living world? We see Henry III. falling by their dagger. Henry IV. perishes by the same consecrated weapon. The King of Portugal dies by their order. The great Prince of Orange is dispatched by their agent, shot down at the door of his own dining-room. How many assassins they sent to England to murder Elizabeth, history attests. That she escaped their machinations is one of the marvels of history. Nor is it only the palaces of monarchs into which they have crept with their doctrines of murder and assassination; the very sanctuary of their own Popes they have defiled with blood. We behold Clement XIV. signing the order for the banishment of the Jesuits, and soon thereafter he is overtaken by their vengeance, and dies by poison. In the Gunpowder Plot we see them deliberately planning to destroy at one blow the nobility and gentry of England. To them we owe those civil wars which for so many years drenched with blood the fair provinces of France. They laid the train of that crowning horror, the St. Bartholomew massacre. Philip II. and the Jesuits share between them the guilt of the "Invincible Armada," which, instead of inflicting the measureless ruin and havoc which its authors intended, by a most merciful Providence became the means of exhausting the treasures and overthrowing the prestige of Spain. What a harvest of plots, tumults, seditions, revolutions, torturings, poisonings, assassinations, regicides, and massacres has Christendom reaped from the seed sown by the Jesuits! Nor can we be sure that we have yet seen the last and greatest of their crimes.

We can bestow only the most cursory glance at the teaching of the Jesuits under the other heads of moral duty. Let us take their doctrine of mental reservation. Nothing can be imagined more heinous and, at the same time, more dangerous. "The doctrine of equivocation," says Blackwell, "is for the consolation of afflicted Roman Catholics and the instruction of all the godly." It has been of special use to them when residing among infidels

and heretics. In heathen countries, as China and Malabar, they have professed conformity to the rites and the worship of paganism, while remaining Roman Catholics at heart, and they have taught their converts to venerate their former deities in appearance, on the strength of directing aright the intention, and the pious fraud of concealing a crucifix under their clothes.

Equivocation they have carried into civil life as well as into religion. "A man may swear," says Sanchez, "that he hath not done a thing though he really have, by understanding within himself that he did it not *on such and such a day*, or *before he was born*; or by reflecting on some other circumstance of the like nature; and yet the words he shall make use of shall not have a sense implying any such thing; and this is a thing of great convenience on many occasions, and is always justifiable when it is necessary or advantageous in anything that concerns a man's health, honour, or estate."[1] Filiutius, in his *Moral Questions*, asks, "Is it wrong to use equivocation in swearing? I answer, first, that it is not in itself a sin to use equivocation in swearing. . . . . This is the common doctrine after Suarez." "Is it perjury or sin to equivocate in a just cause?" he further asks. "It is not perjury," he answers. "As, for example, in the case of a man who has outwardly made a promise without the intention of promising; if he is asked whether he has promised, he may deny it, *meaning that he has not promised with a binding promise;* and thus he may *swear*."

Filiutius asks yet again, "With what precaution is equivocation to be used? When we begin, for instance, to say, *I swear*, we must insert in a subdued tone the mental restriction, *that to-day*, and then continue aloud, *I have not eaten such a thing;* or, *I swear*—then insert, *I say*—then conclude in the same loud voice, *that I have not done this or that thing;* for thus the whole speech is most true."[2] What an admirable lesson in the art of speaking the truth to one's self, and lying and swearing falsely to everybody else![3]

We shall offer no comment on the teaching of the Jesuits under the head of the seventh commandment. The doctrines of the society which relate to chastity are screened from exposure by the very enormity of their turpitude. We pass them as we would the open grave, whose putrid breath kills all who inhale it. Let all who value the sweetness of a pure imagination, and the joy of a conscience undefiled, shun the confessional as they would the chamber in which the plague is shut up, or the path in which lurks the deadly scorpion. The teaching of the Jesuits—everywhere deadly—is here a poison that consumes flesh, and bones, and soul.

Which precept of the Decalogue is it that the theology of the Jesuits does not set aside? We are commanded "to fear the great and dreadful name of the Lord our God." The Jesuit Bauny teaches us to blaspheme it. "If one has been hurried by passion into *cursing and doing despite to his Maker*, it may be determined that he has only sinned *venially*."[4] This is much, but Casnedi goes a little farther. "Do what your conscience tells you to be good, and commanded," says this Jesuit; "if through invincible error you believe lying or blasphemy to be commanded by God, *blaspheme*."[5] The licence given by the Jesuits to regicide we have already seen; not less ample is the provision their theology makes for the perpetration of ordinary homicides and murders. Reginald says it is lawful to kill a false witness, seeing otherwise one should be killed by him.[6] Parents who seek to turn their children from the faith, says Fagundez, "*may justly be killed by them*."[7] The Jesuit Amicus teaches that it is lawful for an ecclesiastic, or one in a religious order, *to kill a calumniator* when other means of defence are wanting.[8] And Airult extends the same privilege to laymen. If one brings an impeachment before a prince or judge against another, and if that other cannot by any means avert the injury to his character, *he may kill him secretly*. He fortifies his opinion by the authority of Bannez, who gives the same latitude to the right of defence, with this slight qualification, that the calumniator should first be warned that he desist from his slander, *and if he will not, he should be killed, not openly, on account of the scandal, but secretly*.[9]

[3] It is easy to see how these precepts may be put in practice in swearing the oath of allegiance, or promising to obey the law, or engaging not to attack the institutions of the State, or to obey the rules and further the ends of any society, lay or clerical, into which the Jesuit may enter. The swearer has only to repeat aloud the prescribed words, and insert silently such other words, at the fitting places, as shall make void the oath, clause by clause—nay, bind the swearer to the very opposite of that which the administrator of the oath intends to pledge him to.

Of a like ample kind is the liberty which the Jesuits permit to be taken with the property of one's neighbour. Dishonesty in all its forms they sanction. They encourage cheats, frauds, purloinings, robberies, by furnishing men with a ready justification of these misdeeds, and especially by persuading their votaries that if they will only take the trouble of doing them in the way of directing the *intention* according to their instructions, they need not fear being called to a reckoning for them hereafter. The Jesuit Emmanuel Sa teaches "that it is not a mortal sin to *take secretly* from him who would give if he were asked;" that "it is *not theft* to take a *small thing* from a husband or a father;" that if one has taken what he *doubts* to have been his own, that *doubt* makes it *probable* that it is *safe to keep it;* that if one, from an urgent necessity, or without causing much loss, *takes wood* from another man's pile, *he is not obliged to restore it.* One who has stolen small things at different times, is not obliged to make restitution till such time as they amount together to a considerable sum. But should the purloiner feel restitution burdensome, it may comfort him to know that some Fathers *deny it with probability.*[1]

The case of merchants, whose gains may not be increasing so fast as they could wish, has been kindly considered by the Fathers. Francis Tolet says that if a man cannot sell his wine at a fair price—that is, at a fair profit—he may mix a little water with his wine, or diminish his measure, and sell it for pure wine of full measure. Of course, if it be lawful to mix wine, it is lawful to adulterate all other articles of merchandise, or to diminish the weight, and go on vending as if the balance were just and the article genuine. Only the trafficker in spurious goods, with false balances, must be careful not to tell a lie; or if he should be compelled to equivocate, he must do it in accordance with the rules laid down by the Fathers for enabling one to say what is not true without committing falsehood.[2]

Domestic servants also have been taken by the Fathers under the shield of their casuistry. Should a servant deem his wages not enough, or the food, clothing, and other necessaries provided for him not equal to that which is provided for servants of similar rank in other houses, he may recompense himself by abstracting from his master's property as much as shall make his wages commensurate with his services. So has Valerius Reginald decided.[3]

It is fair, however, that the pupil be cautioned that this lesson cannot safely be put in practice against his teacher. The story of John d'Alba, related by Pascal, shows that the Fathers do not relish these doctrines *in praxi* nearly so well as *in thesi*, when they themselves are the sufferers by them. D'Alba was a servant to the Fathers in the College of Clermont, in the Rue St. Jacques, and thinking that his wages were not equal to his merits, he stole somewhat from his masters to make up the discrepancy, never dreaming that they would make a criminal of him for following their approved rules. However, they threw him into prison on a charge of larceny. He was brought to trial on the 16th April, 1647. He confessed before the court to having taken some pewter plates, but maintained that the act was not to be regarded as a theft, on the strength of this same doctrine of Father Bauny, which he produced before the judges, with attestation from another of the Fathers, under whom he had studied these cases of conscience. Whereupon the judge, M. de Montrouge, gave sentence as follows:—"That the prisoner should not be acquitted upon the writings of these Fathers, containing a doctrine so unlawful, pernicious, and contrary to all laws, natural, Divine, and human, such as might confound all families, and authorise all domestic frauds and infidelities;" but that the over-faithful disciple "should be whipt before the College gate of Clermont by the common executioner, who at the same time should burn all the writings of those Fathers treating of theft; and that they should be prohibited to teach any such doctrine again *under pain of death.*"[4]

But we should swell beyond all reasonable limits our enumeration, were we to quote even a tithe of the "moral maxims" of the Jesuits. There is not one in the long catalogue of sins and crimes which their casuistry does not sanction. Pride, ambition, avarice, luxury, bribery, and a host of vices which we cannot specify, and some of which are too horrible to be mentioned, find in these Fathers their patrons and defenders. The alchemists of the Middle Ages boasted that their art enabled them to operate on the essence of things, and to change what was vile into what was noble. But the still darker art of the Jesuits acts in the reverse order; it changes all that is noble into all that is vile. Theirs is an accursed alchemy by which they

transmute good into evil, and virtue into vice. There is no destructive agency with which the world is liable to be visited, that penetrates so deep, or inflicts so remediless a ruin, as the morality of the Jesuits. The tornado sweeps along over the surface of the globe, leaving the earth naked and effaced and forgotten in the greater splendour and the more solid strength of the restored structures. Revolution may overturn thrones, abolish laws, and break in pieces the framework of society; but when the fury of faction has spent its rage, order emerges from the chaos, law resumes its supremacy, and the

institutions which had been destroyed in the hour of madness, are restored in the hour of calm wisdom that succeeds. But the havoc the Jesuit inflicts is irremediable. It has nothing in it counteractive or restorative; it is only evil. It is not upon the works of man or the institutions of man merely that it puts forth its fearfully destructive power; it is upon man himself. It is not the body of man that it strikes, like the pestilence; it is the soul.

It is not a part, but the whole of man that it consigns to corruption and ruin. Conscience it destroys, knowledge it extinguishes, the very power of discerning between right and wrong it takes away, and shuts up the man in a prison whence no created agency or influence can set him free. man. The full triumph of Jesuitism would leave nothing spiritual, nothing moral, nothing intellectual, nothing strictly and properly human existing upon the earth. Man it would change into the animal, impelled by nothing but appetites and passions, and these more fierce and cruel than those of the tiger.

A GROUP OF JESUITS.

The Fall defaced the image of God in which man was made; we say, defaced; it did not totally obliterate or extinguish it. Jesuitism, more terrible than the Fall, totally effaces from the soul of man the image of God. Of the "knowledge, righteousness, and true holiness" in which man was made it leaves not a trace. It plucks up by its very roots the moral constitution which God gave Society would become simply a herd of wolves, lawless, ravenous, greedy of each other's blood, and perpetually in quest of prey. Even Jesuitism itself would perish, devoured by its own progeny. Our earth at last would be simply a vast sepulchre, moving round the sun in its annual circuit, its bosom as joyless, dreary, and waste as are those silent spaces through which it rolls.

CHAPTER VI.

THE "SECRET INSTRUCTIONS" OF THE JESUITS.

The Jesuit Soldier in Armour complete—*Secret Instructions*—How to Plant their First Establishments—Taught to Court the Parochial Clergy—to Visit the Hospitals—to Find out the Wealth of their several Districts—to make Purchases in another Name—to Draw the Youth round them—to Supplant the Older Orders—How to get the Friendship of Great Men—How to Manage Princes—How to Direct their Policy—Conduct their Embassies—Appoint their Servants, &c.—Taught to Affect a Great Show of Lowliness.

So far we have traced the enrolment and training of that mighty army which Loyola had called into existence for the conquest of Protestantism. Their leader, who was quite as much the shrewd calculator as the fiery fanatic, took care before sending his soldiers into the field to provide them with armour, every way fitted for the combatants they were to meet, and the campaign they were to wage. The war in which they were to be occupied was one against right and truth, against knowledge and liberty, and where could weapons be found for the successful prosecution of a conflict like this, save in the old-established arsenal of sophisms?

The schoolmen, those Vulcans of the Middle Ages, had forged these weapons with the hammers of their speculation on the anvil of their subtlety, and having made them sharp of edge, and given them an incomparable flexibility, they stored them up, and kept them in reserve against the great coming day of battle. To this armoury Loyola, and the chiefs that succeeded him in command, had recourse. But not content with these weapons as the schoolmen had left them, the Jesuit doctors put them back again into the fire; they kept them in a furnace heated seven times, till every particle of the dross of right and truth that cleaved to them had been purged out, and they had acquired a flexibility absolutely and altogether perfect, and a keenness of edge unattained before, and were now deemed every way fit for the hands that were to wield them, and every way worthy of the cause in which they were to be drawn. They would cut through shield and helmet, through body and soul of the foe.

Let us survey the soldier of Loyola, as he stands in the complete and perfect panoply his General has provided him with. How admirably harnessed for the battle he is to fight! He has his "loins girt about with" mental and verbal equivocation; he has "on the breast-plate of" probabilism; his "feet are shod with the preparation of the" *Secret Instructions*. "Above all, taking the shield of" intention, and rightly directing it, he is "able to quench all the fiery darts of" human remorse and Divine threatenings. He takes "for an helmet the hope of" Paradise, which has been most surely promised him as the reward of his services; and in his hand he grasps the two-edged sword of a fiery fanaticism, wherewith he is able to cut his way, with prodigious bravery, through truth and righteousness.[1] Verily, the man who has to sustain the onset of soldiers like these, and parry the thrusts of their weapons, had need to be mindful of the ancient admonition, "Take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand."

Shrewd, practical, and precise are the instructions of the Jesuits. First of all they are told to select the best points in that great field, all of which they are in due time to subjugate and possess. That field is Christendom. They are to begin by establishing convents, or colleges, in the chief cities. The great centres of population and wealth secured, the smaller places will be easily occupied.

Should any one ask on what errand the good Fathers have come, they are instructed to make answer that their "sole object is the salvation of souls." What a pious errand! Who would not strive to be the first to welcome to their houses, and to seat at their tables, men whose aims are so unselfish and heavenly? They are to be careful to maintain a humble and submissive deportment; they are to pay frequent visits to the hospitals, the sick-chamber, and the prisons. They are to make great show of charity, and as they have nothing of their own to give to the poor, they are "to go far and near" to receive even the "smallest atoms." These good deeds will not lose their reward if only they take care not to do them in secret. Men will begin to speak of them and say, What a humble, pious, charitable order of men these Fathers of the Society of Jesus are! How unlike the Franciscans and Dominicans, who once a day cared for the sick

[1] See Ephesians vi. 14—17.

and the poor, but have now forgotten the virtues of a former time, and are grown proud, indolent, luxurious, and rich! Thus the "new-comers," the *Instructions* hint, will supplant the other and older orders, and will receive "the respect and reverence of the best and most eminent in the neighbourhood."[1]

Further, they are enjoined to conduct themselves very deferentially towards the parochial clergy, and not to perform any sacred function till first they have piously and submissively asked the bishop's leave. This will secure their good graces, and dispose the secular clergy to protect them; but by-and-by, when they have ingratiated themselves with the people, they may abate somewhat of this subserviency to the clergy.

The individual Jesuit takes a vow of poverty, but the society takes no such vow, and is qualified to hold property to any amount. Therefore, while seeking the salvation of souls, the members are carefully to note the rich men in the community. They must find out who own the estates in the neighbourhood, and what are their yearly values. They are to secure these estates by gift, if possible; if not, by purchase. When it happens that they "get anything that is considerable, let the purchase be made under a strange name, by some of our friends, that our poverty may still seem the greater."[2] And let our provincial "assign such revenues to some other colleges, more remote, that neither prince nor people may discover anything of our profits"[3]—a device that combines many advantages. Every day their acres will increase, nevertheless their apparent poverty will be as great as ever, and the flow of benefactions and legacies to supply it will remain undiminished, although the sea into which all these rivers run will never be full.

Among the multifarious duties laid upon the Jesuits, special prominence was given to the *instruction of youth*. It was by this arm that they achieved their most brilliant success. "Whisper it sweetly in their [the people's] ears, that they are come to catechise the children *gratis*."[4] Wherever the Jesuits came they opened schools, and gathered the youth around them; but despite their zeal in the work of education, knowledge somehow did not increase. The intellect refused to expand and the genius to open under their tutelage. Kingdoms like Poland, where they became the privileged and only instructors of youth, instead of taking a higher place in the commonwealth of letters, fell back into mental decrepitude, and lost their rank in the community of nations. The Jesuits communicated to their pupils little besides a knowledge of Latin. History, philosophy, and science were sealed books. They initiated their disciples into the mysteries of probabilism, and the art of directing the intention, and the youth trained in these paths, when old did not depart from them. They dwarfed the intellect and narrowed the understanding, but they gained their end. They stamped anew the Roman impress upon many of the countries of Europe.

The second chapter of the *Instructions* is entitled "What must be done to get the ear and intimacy of great men?" To stand well with monarchs and princes is, of course, a matter of such importance that no stone is to be left unturned to attain it. The *Instructions* here, as we should expect them to be, are full and precise. The members of the Society of Jesus are first of all to imbue princes and great men with the belief that they cannot dispense with their aid if they would maintain the pomp of their State, and the government of their realms. Should princes be filled with a conceit of their own wisdom, the Fathers must find some way of dispelling this egregious delusion. They are to surround them with confessors chosen from their society; but by no means are they to bear hard on the consciences of their royal penitents. They must treat them "sweetly and pleasantly," oftener administering opiates than irritants. They are to study their humours, and if, in the matter of marriage, they should be inclined—as often happens with princes—to contract alliance with their own kindred, they are to smooth their way, by hinting at a dispensation from the Pope, or finding some palliative for the sin from the pharmacopœia of their theology. They may tell them that such marriages, though forbidden to the commonalty, are sometimes allowed to princes, "for the greater glory of God."[5] If a monarch is bent on some enterprise—a war, for example—the issue of which is doubtful, they are to be at pains so to shape their counsel in the matter, that if the affair succeeds they shall have all the praise, and if it misgives the blame shall rest with the king alone. And, lastly, when a vacancy occurs near the throne, they are to take care that the empty post shall be filled by one of the tried friends of the society, of whom they are enjoined to have, at all times, a list in their posses-

sion. It may be well, in order still more to advance their interests at courts, to undertake embassies at times. This will enable them to draw the affairs of Europe into their own hands, and to make princes feel that they are indispensable to them, by showing them what an influence they wield at the courts of other sovereigns, and especially how great their power is at that of Rome. Small services and trifling presents they are by no means to overlook. Such things go a great way in opening the hearts of princes. Be sure, say the *Instructions*, to paint the men whom the prince dislikes in the same colours in which his jealousy and hatred teach him to view them. Moreover, if the prince is unmarried, it will be a rare stroke of policy to choose a wife for him from among the beautiful and noble ladies known to their society. "This is seen," say the *Instructions*, "by experience in the House of Austria, and in the Kingdoms of Poland and France, and in many other principalities."[1]

"We must endeavour," say the *Instructions*, with remarkable plainness, but in the belief, doubtless, that the words would meet the faithful eyes of the members of the Society of Jesus only—"We must endeavour to breed dissension among great men, and raise seditions, or anything a prince would have us to do to please him. If one who is chief Minister of State to a monarch who is our friend oppose us, and that prince cast his whole favours upon him, so as to add titles to his honour, we must present ourselves before him, and court him in the highest degree, as well by visits as all humble respect."[2]

Having specified the arts by which princes may be managed, the *Instructions* next prescribe certain methods for turning to account others "of great authority in the commonwealth, that by their credit we obtain profit and preferment." "If," say the *Instructions*,[3] "these lords be seculars, we ought to have recourse to their aid and friendship against our adversaries, and to their favour in our own suits, and those of our friends, and to their authority and power in the purchase of houses, manors, and gardens, and of stones to build with, especially in those places that will not endure to hear of our settling in them, because the authority of these lords serveth very much for the appeasing of the populace, and making our ill-willers quiet."

Nor are they less sedulously to make court to the bishops. Their authority—great everywhere—is especially so in some kingdoms, "as in Germany, Poland, and France;" and, the bishops conciliated, they may expect to obtain a gift of "new-erected churches, altars, monasteries, foundations, and in some cases the benefices of the secular priests and canons, with the preferable right of preaching in all the great towns." And when bishops so befriend them, they are to be taught that there is no less profit than merit in the deed; inasmuch as, done to the Order of Jesus, they are sure to be repaid with most substantial services; whereas, done to the other orders, they will have nothing in return for their pains "but a song."[4]

To love their neighbour, and speak well of him, while they held themselves in lowly estimation, was not one of the failings of the Jesuits. Their own virtues they were to proclaim as loudly as they did the faults of their brother monks. Their *Instructions* commanded them to "imprint upon the spirits of those princes who love us, that our order is more perfect than all other orders." They are to supplant their rivals, by telling monarchs that no wisdom is competent to counsel in the affairs of State but "ours," and that if they wish to make their realms resplendent with knowledge, they must surrender the schools to Jesuit teachers. They are especially to exhort princes that they owe it as a duty to God to consult them in the distribution of honours and emoluments, and in all appointments to places of importance. Further, they are ever to have a list in their possession of the names of all persons in authority and power throughout Christendom, in order that they may change or continue them in their several posts, as may be expedient. But so covertly must this delicate business be gone about, that their hand must not be seen in it, nor must it once be suspected that the change comes from them.[5]

While slowly and steadily climbing up to the control of kings, and the government of kingdoms, they are to study great modesty of demeanour and simplicity of life. The pride must be worn in the heart, not on the brow; and the foot must be set down softly that is to be planted at last on the neck of monarchs. "Let ours that are in the service of princes," say the *Instructions*, "keep but a very little money, and a few movables, contenting themselves with a little chamber, modestly keeping company with persons in humble station; and so being in good esteem, they ought prudently to persuade princes to do nothing without their counsel, whether it be in spiritual or temporal affairs."[6]

CHAPTER VII.

JESUIT MANAGEMENT OF RICH WIDOWS AND THE HEIRS OF GREAT FAMILIES.

How Rich Widows are to be Drawn to the Chapels and Confessionals of the Jesuits—Kept from Thoughts of a Second Marriage—Induced to Enter an Order, and Bequeath their Estates to the Society—Sons and Daughters of Widows—How to Discover the Revenues and Heirs of Noble Houses—Illustration from Spain—Borrowing on Bond—The *Instructions* to be kept Secret—If Discovered, to be Denied—How the *Instructions* came to Light.

The sixth chapter of the *Instructions* treats "Of the Means to acquire the Friendship of Rich Widows." On opening this new chapter, the reflection that forces itself on one is—how wide the range of objects to which the Society of Jesus is able to devote its attention! The greatest matters are not beyond its strength, and the smallest are not beneath its notice! From counselling monarchs, and guiding ministers of State, it turns with equal adaptability and dexterity to caring for widows. The *Instructions* on this head are minute and elaborate to a degree, which shows the importance the society attaches to the due discharge of what it owes to this class of its clients.

True, some have professed to doubt whether the action of the society in this matter be wholly and purely disinterested, from the restriction it puts upon the class of persons taken under its protection. The *Instructions* do not say "widows," but "rich widows." But all the more on that account do widows need defence against the arts of chicanery and the wiles of avarice, and how can the Fathers better accord them such than by taking measures to convey their bodies and their goods alike within the safe walls of a convent? There the cormorants and vultures of a wicked world cannot make them their prey. But let us mark how they are to proceed. First, a Father of suitable gifts is to be selected to begin operations. He must not, in point of years, exceed middle age; he must have a fresh complexion, and a gracious discourse. He is to visit the widow, to touch feelingly on her position, and the snares and injuries to which it exposes her, and to hint at the fraternal care that the society of which he is a member delights to exercise over all in her condition who choose to place themselves under its guardianship. After a few visits of this sort, the widow will probably appear at one of the chapels of the society. Should it so happen, the next step is to appoint a confessor of their body for the widow. Should these delicate steps be well got over, the matter will begin to be hopeful. It will be the confessor's duty to see that the wicked idea of marrying again does not enter her mind, and for this end he is to picture to her the delightful and fascinating freedom she enjoys in her widowhood, and over against it he is to place the cares, vexations, and tyrannies which a second matrimony would probably draw upon her. To second these representations, the confessor is empowered to promise exemption from purgatory, should the holy estate of widowhood be persevered in. To maintain this pious frame of mind on the part of the object of these solicitudes, the *Instructions* direct that it may be advisable to have an oratory erected in her house, with an altar, and frequent mass and confession celebrated thereat. The adorning of the altar, and the accompanying rites, will occupy the time of the widow, and prevent the thoughts of a husband entering her mind. The matter having been conducted to this stage, it will be prudent now to change the persons of trust about her, and to replace them with persons devoted to the society. The number of religious services must also be increased, especially confession, "so that," say the *Instructions*, "knowing their former accusations, manners, and inclinations, the whole may serve as a guide to make them obey our wills."[1]

These steps will have brought the widow very near the door of a convent. A continuance a little longer in the same cautious and skilful tactics is all that will be necessary to land her safely within its walls. The confessor must now enlarge on the quietude and eminent sanctity of the cloister—how surely it conducts to Paradise; but should she be unwilling to assume the veil in regular form, she may be induced to enter some religious order, such as that of Paulina, "so that being caught in the vow of chastity, all danger of her marrying again may be over."[2] The great duty of Alms, that queen of the graces, "without which, it is to be represented to her, she cannot inherit the king-

[1] *Secreta Monita*, cap. 6, sec. 6.
[2] *Ibid.*, cap. 6, sec. 8.

dom of heaven," is now to be pressed upon her; "which alms, notwithstanding, she ought not to dispose to every one, if it be not by the advice and with the consent of her spiritual father."[1] Under this *Direction* it is easy to see in what exchequer the lands, manors, and revenues of widows will ultimately be garnered.

But the Fathers deemed it inexpedient to leave to be persuaded to select a patron, or tutelary saint, say St. Francis or St. Xavier. Provision is to be made that all they do may be known, by placing about them only persons recommended by the society. We must be excused for not giving in the words of the Fathers the fourteenth section of this chapter. That section gives their *protégées* great licence, indeed all licence, "provided they be

such an issue the least uncertain, and accordingly the seventh chapter enters largely into the "Means of keeping in our hands the Disposition of the Estates of Widows." To shut out worldly thoughts, and especially matrimonial ones, the time of such widows must be occupied with their devotions; they are to be exhorted to curtail their expenditure and abound yet more in alms "to the Church of Jesus Christ." A dexterous confessor is to be appointed them. They are to be frequently visited, and entertained with pleasant discourse. They are liberal and well-affected to our society, and that all things be carried cunningly and without scandal." But the one great point to be aimed at is to get them to make an entire surrender of their estates to the society. This is to reach perfection now, and it may be to attain in future the yet higher reward of canonisation. But should it so happen, from love of kindred, or other motives, that they have not endowed the "poor companions of Jesus" with all their worldly goods, when they come to die, the preferable claims of "the Church of Jesus Christ" to those of kindred are to be urged upon them, and they are to be exhorted "to contribute to the

[1] *Secreta Monita*, cap. vi., sec. 10.

finishing of our colleges, which are yet imperfect, for the greater glory of God, giving us lamps and pixes, and for the building of other foundations and houses, which we, the poor servants of the Society of Jesus, do still want, that all things may be perfected."[1] "Let the same be done with princes," the *Instructions* go on to say, "and our other benefactors, who build us any sumptuous pile, or erect any foundation, representing to them, in the first place, that the benefits they thus do us are consecrated to eternity; that they shall become thereby perfect models of piety; that we will have thereof a very particular memory, and that in the next world they shall have their reward. But if it be objected that Jesus Christ was born in a stable, and had not where to lay his head, and that we, who are his *companions*, ought not to enjoy perishing goods, we ought to imprint strongly on their spirits that in truth, at first, the Church was also in the same state, but now that by the providence of God she is raised to a *monarchy*, and that in those times the Church was nothing but a *broken rock*, which is now become a *great mountain*."[2]

In the chapter that follows—the eighth, namely—the net is spread still wider. It is around the feet of "the sons and daughters of devout widows" that its meshes are now drawn. The scheme of machination and seduction unfolded in this chapter differs only in its minor points from that which we have already had disclosed to us. We pass it therefore, and go on to the ninth chapter, where we find the scheme still widening, and wholesale rapacity and extortion, sanctified of course by the end in view, still more openly avowed and enjoined. The chapter is entitled "Of the Means to Augment the Revenues of our Colleges," and these means, in short, are the astute and persistent deception, circumvention, and robbery of every class. The net is thrown,

almost without disguise, over the whole community, in order that the goods, heritages, and possessions of all ranks—prince, peasant, widow, and orphan—may be dragged into the convents of the Jesuits. The world is but a large preserve for the mighty hunters of the Society of Jesus. "Above and before all other things," says this Instruction, "we ought to endeavour our own greatness, by the direction of our superiors, who are the only judges in this case, and who should labour that the Church of God may be in the highest degree of splendour, for the greater glory of God."[1]

In prosecution of this worthy end, the *Secret Instructions* enjoin the Fathers to visit frequently at rich and noble houses, and to "inform themselves, prudently and dexterously, whether they will not leave something to our Churches, in order to the obtaining remission of their sins, and of the sins of their kindred."[2] Confessors—and only able and eloquent men are to be appointed as confessors to princes and statesmen—are to ascertain the name and surname of their penitents, the names of their kindred and friends, whether they have hopes of succeeding to anything, and how they mean to dispose of what they already have, or may yet have; whether they have brothers, sisters, or heirs, and of what age, inclination, and education they are. And they "should persuade them that all these questions do tend much to the clearing of the state of their conscience."[3]

There is a refreshing plainness about the following Instructions. They are given with the air of men who had so often repeated their plea "for the greater glory of God," that they themselves had come at last to believe it:—

"Our provincial ought to send expert men into all those places where there is any considerable number of rich and wealthy persons, to the end they may give their superiors a true and faithful account."

"Let the stewards of our college get an exact knowledge of the houses, gardens, quarries of stone, vineyards, manors, and other riches of every one who lives near the place where they reside, and if it be possible, what degree of affection they have for us."

"In the next place we should discover every man's office, and the revenue of it, their possessions, and the articles of their contracts, which they may surely do by confessions, by meetings, and by entertainments, or by our trusty friends. And generally when any confessor lights upon a wealthy person, from whom he hath good hopes of profit, he is obliged forthwith to give notice of it, and discover it at his return."

"They should also inform themselves exactly whether there be any hope of obtaining bargains, goods, possessions,[4] pious gifts, and the like, in exchange for the admission of their sons into our society."[5]

"If a wealthy family have daughters only, they are to be drawn by caresses to become nuns, in which case a small portion of their estate may be assigned for their use, and the rest will be ours."

"The last heir of a family is by all means to be induced to enter the society. And the better to relieve his mind from all fear of his parents, he is to be taught that it is more pleasing to God that he take this step without their knowledge or consent.[6] "Such a one," the *Instructions* add, "ought to be sent to a distance to pass his novitiate."

These directions were but too faithfully carried out in Spain, and to this among other causes is owing the depopulation of that once-powerful country. A writer who resided many years in the Peninsula, and had the best opportunities of observing its condition, says: "If a gentleman has two or three sons and as many daughters, the confessor of the family adviseth the father to keep the eldest son at home, and send the rest, both sons and daughters, into a convent or monastery; praising the monastic life, and saying that to be retired from the world is the safest way to heaven. . . . . The fathers of these families, glad of lessening the expenses of the house, and of seeing their children provided for, do send them into the desert place of a convent, which is really the middle of the world. Now observe that it is twenty to one that their heir dieth before he marrieth and have children, so the estate and everything else falls to the second, who is a professed friar, or nun, and as they cannot use the expression of *meum* or *tuum*, all goes that way to the society. And this is the reason why many families are extinguished, and their names quite out of memory, the convent so crowded, the kingdom so thin of people, and the friars, nuns, and monasteries so rich."[7]

Further, the Fathers are counselled to raise large

sums of money on bond. The advantage of this method is, that when the bond-holder comes to die, it will be easy to induce him to part with the bond in exchange for the salvation of his soul. At all events, he is more likely to make a gift of the deed than to bequeath the same amount in gold. Another advantage of borrowing in this fashion, is that their pretence of poverty may still be kept up. Owners of a fourth or of a half of the property of a county, they will still be "the poor companions of Jesus."[1]

We make but one other quotation from the *Secret Instructions*. It closes this series of pious advices and is, in one respect, the most characteristic of them all. "Let the superior keep these secret advices with great care, and let them not be communicated but to a very few discreet persons, and that only by parts; and let them instruct others with them, when they have profitably served the society. And then let them not communicate them as rules they have received, but as the effects of their own prudence. But if they should happen to fall into the hands of strangers, who should give them an ill sense or construction, let them be assured the society owns them not in that sense, which shall be confirmed by instancing those of our order who assuredly know them not."[2]

It was some time before the contingency of exposure here provided against actually happened. But in the beginning of the seventeenth century the accidents of war dragged these *Secret Instructions* from the darkness in which their authors had hoped to conceal them from the knowledge of the world. The Duke of Brunswick, having plundered the Jesuits' college at Paderborn in Westphalia, made a present of their library to the Capuchins of the same town. Among the books which had thus come into their possession was found a copy of the *Secret Instructions*. Another copy is said to have been discovered in the Jesuits' college at Prague. Soon thereafter reprints and translations appeared in Germany, Holland, France, and England. The authenticity of the work was denied, as was to be expected; for any society that was astute enough to compile such a book would be astute enough to deny it. To only the fourth or highest order of Jesuits were these *Instructions* to be communicated; the others, who were ignorant of them in their written form, were brought forward to deny on oath that such a book existed, but their protestations weighed very little against the overwhelming evidence on the other side. The perfect uniformity of the methods followed by the Jesuits in all countries favoured a presumption that they acted upon a prescribed rule; and the exact correspondence between their methods and the *secret advices* showed that this was the rule. Gretza, a well-known member of the society, affirmed that the *Secreta Monita* was a forgery by a Jesuit who had been dismissed with ignominy from the society in Poland, and that he published it in 1616. But the falsehood of the story was proved by the discovery in the British Museum of a work printed in 1596, twenty years before the alleged forgery, in which the *Secreta Monita* is copied.[3]

Since the first discovery in Paderborn, copies of the *Secreta Monita* have been found in other libraries, as in Prague, noted above. Numerous editions have since been published, and in so many languages, that the idea of collusion is out of the question. These editions all agree with the exception of a few unimportant variations in the reading.[4] "These private directions," says M. l'Estrange, "are quite contrary to the rules, constitutions, and instructions which this society professeth publicly in those books it hath printed on this subject. So that without difficulty we may believe that the greatest part of their governors (if a very few be excepted especially) have a double rule as well as a double habit—one for their private and particular use, and another to flaunt with before the world."[5]

Sir Roger L'Estrange's translation; Lond., 1679; it was made from a French copy, printed at Cologne, 1678. Another edition, containing the Latin text with an English translation, dedicated to Sir Robert Walpole, Premier of England: Lond., 1723. This edition says, in the Preface, that Mr. John Schipper, bookseller at Amsterdam, bought a copy of the *Secreta Monita*, among other books, at Antwerp, and reprinted it. The Jesuits bought up the whole edition, a few copies excepted. From one of these it was afterwards reprinted. Of late years there have been several English reprints. One of the copies which we have used in this compend of the book was printed at Rome, in the printing-press of the Propaganda, and contains the Latin text page for page with a translation in Italian.

CHAPTER VIII.

DIFFUSION OF THE JESUITS THROUGHOUT CHRISTENDOM.

The Conflict Great—the Arms Sufficient—The Victory Sure—Set Free from Episcopal Jurisdiction—Acceptance in Italy—Venice—Spain—Portugal—Francis Xavier—France—Germany—Their First Planting in Austria—In Cologne and Ingolstadt—Thence Spread over all Germany—Their Schools—Wearing of Crosses—Revival of the Popish Faith.

The soldiers of Loyola are about to go forth. Before beginning the campaign we see their chief assembling them and pointing out the field on which their prowess is to be displayed. The nations of Christendom are in revolt: it will be theirs to subjugate them, and lay them once more, bound in chains, at the feet of the Papal See. They must not faint; the arms he has provided them with are amply sufficient for the arduous warfare on which he sends them. Clad in that armour, and wielding it as he has been at pains to instruct them, they will expel knowledge as night chases away the day; liberty will die wherever their foot treads; and in the ancient darkness they will be able to rear again the fallen throne of the great Hierarch of Rome. But if the service is hard, the wages will be ample. As the saviours of that throne they will be greater than it. And though meanwhile their work is to be done in great show of humility and poverty, the silver and the gold of Christendom will in the end be theirs; they will be the lords of its lands and palaces, the masters of the bodies and the souls of its inhabitants, and nothing of all that the heart can desire will be withholden from them if only they will obey him.

The Jesuits rapidly multiplied, and we are now to follow them in their peregrinations over Europe. Going forth in little bands, animated with an entire devotion to their General, schooled in all the arts which could help to further their mission, they planted themselves in a few years in all the countries of Christendom, and made their presence felt in the turning of the tide of Protestantism, which till then had been on the flow.

There was no disguise they could not assume, and therefore there was no place into which they could not penetrate. They could enter unheard the closet of the monarch, or the cabinet of the statesman. They could sit unseen in Convocation or General Assembly, and mingle unsuspected in the deliberations and debates. There was no tongue they could not speak, and no creed they could not profess, and thus there was no people among whom they might not sojourn, and no Church whose membership they might not enter, and whose functions they might not discharge. They could execrate the Pope with the Lutheran, and swear the Solemn League with the Covenanter. They had their men of learning and eloquence for the halls of nobles and the courts of kings; their men of science and letters for the education of youth; their unpolished but ready orators to harangue the crowd; and their plain, unlettered monks, to visit the cottages of the peasantry and the workshops of the artisan. "I know these men," said Joseph II. of Austria, writing to Choiseul, the Prime Minister of Louis XV.—"I know these men as well as any one can do: all the schemes they have carried on, and the pains they have taken to spread darkness over the earth, as well as their efforts to rule and embroil Europe from Cape Finisterre to Spitzbergen! In China they were mandarins; in France, academicians, courtiers, and confessors; in Spain and Portugal, grandees; and in Paraguay, kings. Had not my grand-uncle, Joseph I., become emperor, we had in all probability seen in Germany, too, a Malagrida or an Alvieros."

In order that they might be at liberty to visit what city and diocese they pleased, they were exempted from episcopal jurisdiction. They could come and go at their pleasure, and perform all their functions without having to render account to any one save to their superior. This arrangement was resisted at first by certain prelates; but it was universally conceded at last, and it greatly facilitated the wide and rapid diffusion of the Jesuit corps.

Extraordinary success attended their first efforts throughout all Italy. Designed for the common people, the order found equal acceptance from princes and nobles. In Parma the highest families submitted themselves to the "Spiritual Exercises." In Venice, Lainez expounded the Gospel of St. John to a congregation of nobles; and in 1542 a Jesuits' college was founded in that city. The citizens of Montepulciano accompanied Francisco Strada through the streets begging. Their chief knocked at the doors, and his followers received

the alms. In Faenza, they succeeded in arresting the Protestant movement, which had been commenced by the eloquent Bernardino Ochino, and by the machinery of schools and societies for the relief of the poor, they brought back the population to the Papacy. These are but a few instances out of many.[1]

In the countries of Spain and Portugal their success was even greater than in Italy. A son of the soil, its founder had breathed a spirit into the order which spread among the Spaniards like an infection. Some of the highest grandees enrolled themselves in its ranks. In the province of Valencia, the multitudes that flocked to hear the Jesuit preacher, Araoz, were such that no cathedral could contain them, and a pulpit was erected for him in the open air. From the city of Salamanca, where in 1548 they had opened their establishment in a small, wretched house, the Jesuits spread themselves over all Spain. Two members of the society were sent to the King of Portugal, at his own request: the one he retained as his confessor, the other he dispatched to the East Indies. This was that Francis Xavier who there gained for himself, says Ranke, "the name of an apostle, and the glory of a saint." At the courts of Madrid and Lisbon they soon acquired immense influence. They were the confessors of the nobles and the counsellors of the monarch.

The Jesuits found it more difficult to force their way into France. Much they wished to found a college in that city where their first vow had been recorded, but every attempt was met by the determined opposition of the Parliament and the clergy, who were jealous of their enormous privileges. The wars between the Guises and the Huguenots at length opened a door for them. Lainez, who by this time had become their General, saw his opportunity, and in 1561 succeeded in effecting his object, although on condition of renouncing the peculiar privileges of the order, and submitting to episcopal jurisdiction. "The promise was made, but with a mental reservation, which removed the necessity of keeping it."[2] They immediately founded a college in Paris, opened schools—which were taught by clever teachers—and planted Jesuit seminaries at Avignon, Rhodes, Lyons, and other places. Their intrigues kept the nation divided, and much inflamed the fury of the civil wars. Henry III. was massacred by an agent of theirs: they next attempted the life of Henry IV. This crime led to their first banishment from France, in 1594; but soon they crept back into the kingdom in the guise of traders and operatives. They were at last openly admitted by the monarch—a service which they repaid by slaughtering him in the streets of his capital. Under their rule France continued to bleed and agonise, to plunge from woe into crime, and from crime into woe, till the crowning wickedness of the revocation of the Edict of Nantes laid the country prostrate; and it lay quiet for more than half a century, till, recovering somewhat from its exhaustion, it lifted itself up, only to encounter the terrible blow of its great Revolution.

We turn to Germany. Here it was that the Church of Rome had suffered her first great losses, and here, under the arms of the Jesuits, was she destined to make a beginning of those victories which recovered not a little of the ground she had lost. A generation had passed away since the rise of Protestantism. It is the year 1550: the sons of the men who had gathered round Luther occupy the stage when the van of this great invading host makes its appearance. They come in silence; they are plain in their attire, humble and submissive in their deportment; but behind them are the stakes and scaffolds of the persecutor, and the armies of France and Spain. Their quiet words find their terrible reverberations in those awful tempests of war which for thirty years desolated Germany.

Ferdinand I. of Austria, reflecting on the decay into which Roman Catholic feeling had fallen in Germany, sent to Ignatius Loyola for a few zealous teachers to instruct the youth of his dominions. In 1551, thirteen Jesuits, including Le Jay, arrived at Vienna. They were provided with pensions, placed in the university chairs, and crept upwards till they seized the entire direction of that seminary. From that hour date the crimes and misfortunes of the House of Austria.[3]

A little colony of the disciples of Loyola had, before this, planted itself at Cologne. It was not till some years that they took root in that city; but the initial difficulties surmounted, they began to effect a change in public sentiment, which went on till Cologne became, as it is sometimes called, the "Rome of the North." About the same time, the Jesuits became flourishing in Ingolstadt. They had been driven away on their first entrance into that university seat, the professors dreading them as rivals; but in 1556 they were recalled, and soon rose to influence, as was to be expected in a city where the memory of Dr. Eck was still fresh.

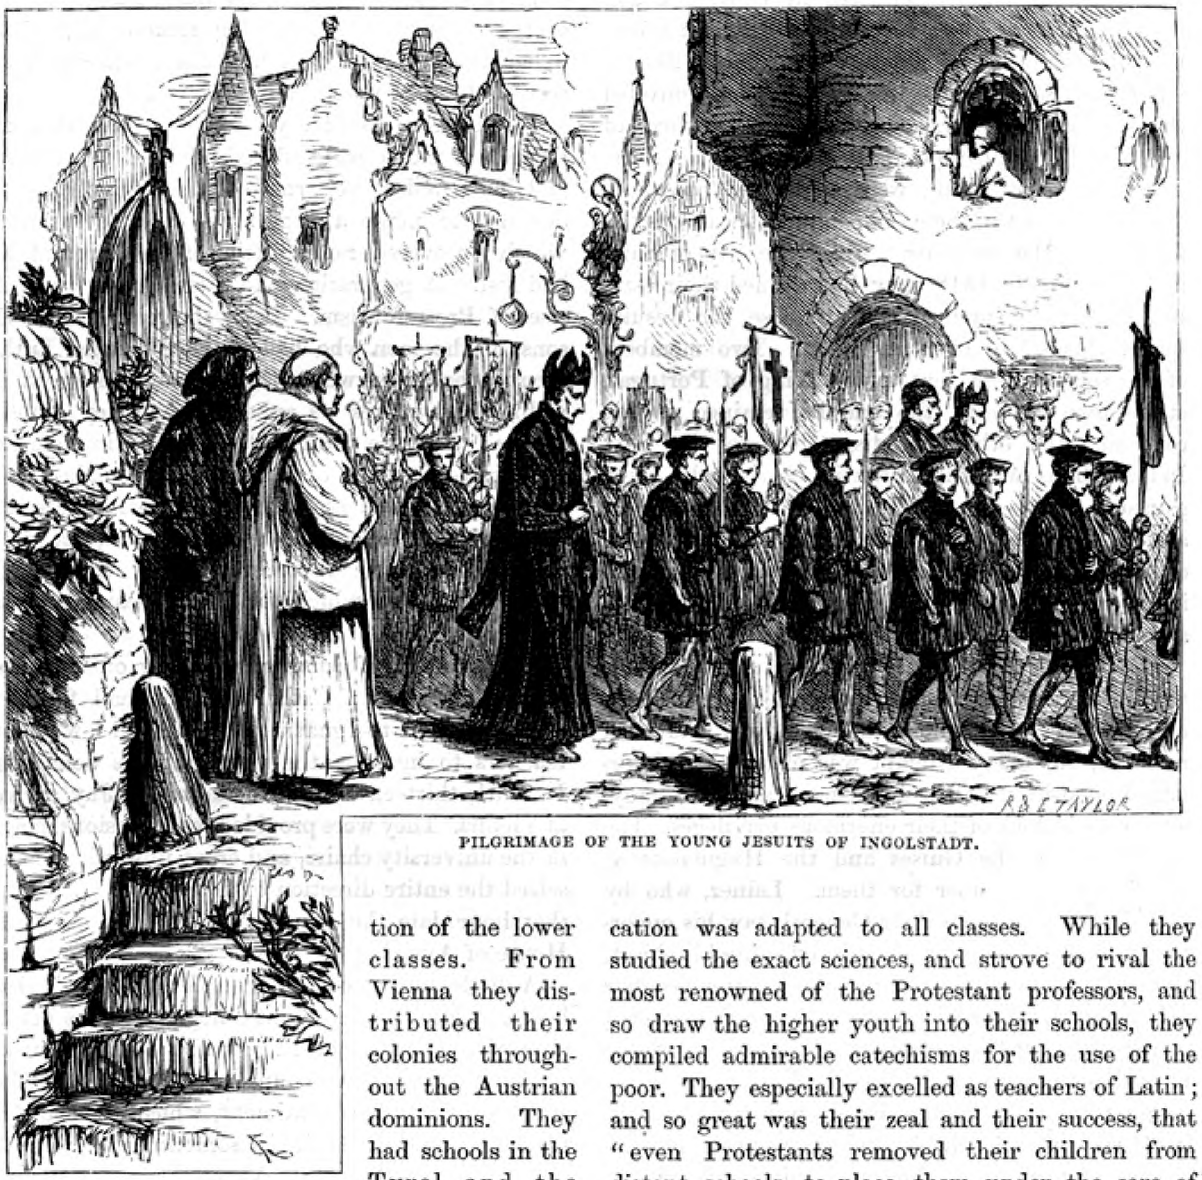
Their battles, less noisy than his, were fated to accomplish much more for the Papacy.

From these three centres—Vienna, Cologne, and Ingolstadt—the Jesuits extended themselves over all Germany. They established colleges in the chief cities for the sons of princes and nobles, and they opened schools in town and village for the instruction of the lower classes. From Vienna they distributed their colonies throughout the Austrian dominions. They had schools in the Tyrol and the cities at the foot of its mountains. From Prague they ramified over Bohemia, and penetrated into Hungary. Their colleges at Ingolstadt and Munich gave them the possession of Bavaria, Franconia, and Swabia. From Cologne they extended their convents and schools over Rhenish Prussia, and, planting a college at Spires, they counteracted the influence of Heidelberg University, then the resort of the most learned men of the German nation.

Wherever the Jesuits came, there was quickly seen a manifest revival of the Popish faith. In the short space of ten years, their establishments had become flourishing in all the countries in which they were planted. Their system of education was adapted to all classes. While they studied the exact sciences, and strove to rival the most renowned of the Protestant professors, and so draw the higher youth into their schools, they compiled admirable catechisms for the use of the poor. They especially excelled as teachers of Latin; and so great was their zeal and their success, that "even Protestants removed their children from distant schools, to place them under the care of the Jesuits." [1]



PILGRIMAGE OF THE YOUNG JESUITS OF INGOLSTADT.

The teachers seldom failed to inspire the youth in their schools with their own devotion to the Popish faith. The sons of Protestant fathers were drawn to confession, and by-and-by into general conformity to Popish practices. Food which the Church had forbidden they would not touch on the interdicted

[1] Ranke, bk. v., sec. 3.

days, although it was being freely used by the other members of the family. They began, too, to distinguish themselves by the use of Popish symbols. The wearing of crosses and rosaries is recorded by Ranke as one of the first signs of the setting of the tide toward Rome. Forgotten rites began to be revived; relics which had been thrown aside and buried in darkness, were sought out and exhibited to the public gaze. The old virtue returned into rotten bones, and the holiness of faded garments flourished anew. The saints of the Church came out in bold relief, while those of the Bible receded into the distance. The light of candles replaced the Word of Life in the temples; the newest fashions of worship were imported from Italy, and music and architecture in the style of the Restoration were called in to reinforce the movement. Customs which had not been witnessed since the days of their grandfathers, began to receive the reverent observance of the new generation. "In the year 1560, the youth of Ingolstadt belonging to the Jesuit school walked, two and two, on a pilgrimage to Eichstadt, in order to be strengthened for their confirmation by the dew that dropped from the tomb of St. Walpurgis."[1] The modes of thought and feeling thus implanted in the schools were, by means of preaching and confession, propagated through the whole population.

While the Jesuits were busy in the seminaries, the Pope operated powerfully in the political sphere. He had recourse to various arts to gain over the princes. Duke Albert V. of Bavaria had a grant made him of one-tenth of the property of the clergy. This riveted his decision on the side of Rome, and he now set himself with earnest zeal and marked success to restore, in its ancient purity and vigour, the Popery of his territories. The Jesuits lauded the piety of the duke, who was a second Josias, a new Theodosius.[2]

COMPULSORY CONVERSION OF INDIANS BY JESUIT MISSIONARIES.

The Popes saw clearly that they could never

[1] Ranke, bk. v., sec. 3. [2] *Ibid.*

hope to restore the ancient discipline and rule of their Church without the help of the temporal sovereigns. Besides Duke Albert, who so powerfully contributed to re-establish the sway of Rome over all Bavaria, the ecclesiastical princes, who governed so large a part of Germany, threw themselves heartily into the work of restoration. The Jesuit Canisius, a man of blameless life, of consummate address, and whose great zeal was regulated by an equal prudence, was sent to counsel and guide them. Under his management they accepted provisionally the edicts of the Council of Trent. They required of all professors in colleges subscription to a confession of the Popish faith. They exacted the same pledge from ordinary schoolmasters and medical practitioners. In many parts of Germany no one could follow a profession till first he had given public proof of his orthodoxy. Bishops were required to exercise a more vigilant superintendence of their clergy than they had done these twenty years past. The Protestant preachers were banished; and in some parts the entire Protestant population was driven out. The Protestant nobles were forbidden to appear at court. Many withdrew into retirement, but others purchased their way back by a renunciation of their faith. By these and similar arts Protestantism was conquered on what may be regarded as its native soil. If not wholly rooted up it maintained henceforward but a languishing existence; its leaf faded and its fruit died in the mephitic air around it, while Romanism shot up in fresh strength and robustness. A whole century of calamity followed the entrance of the Jesuits into Germany. The troubles they excited culminated at last in the Thirty Years' War. For the space of a generation the thunder of battle continued to roll over the Fatherland. But the God of their fathers had not forsaken the Germans; it pleased him to summon from the distant Sweden, Gustavus Adolphus, and by his arm to save the remnants of Protestant liberty in that country. Thus the Jesuits failed in their design of subjugating the whole of Germany, and had to content themselves with dominating over those portions, unhappily large, of which the ecclesiastical princes had given them possession at the first.

CHAPTER IX.

COMMERCIAL ENTERPRISES AND BANISHMENTS.

England—Poland—Cardinal Hosius—Sigismund III.—Ruin of Poland—Jesuit Missions in the East Indies—Numbers of their Converts—Their Missions in Abyssinia—Their Kingdom of Paraguay—Their Trading Establishments in the West Indies—Episode of Father la Valette—Bankruptcy—Trial—Their Constitutions brought to Light—Banished from all Popish Kingdoms—Suppressed by Clement XIV.—The Pope Dies Suddenly—The Order Restored by Pius VII.—The Jesuits the Masters of the Pope.

Of the entrance of the Jesuits into England, the arts they employed, the disguises they wore, the seditions they sowed, the snares they laid for the life of the sovereign, and the plots they concocted for the overthrow of the Protestant Church, we shall have an opportunity of speaking when we come to narrate the history of Protestantism in Great Britain. Meanwhile, we consider their career in Poland.

Cardinal Hosius opened the gates of this country to the Jesuits. Till then Poland was a flourishing country, united at home and powerful abroad. Its literature and science during the half-century preceding had risen to an eminence that placed Poland on a par with the most enlightened countries of Christendom. It enjoyed a measure of toleration which was then unknown to most of the nations of Europe. Foreign Protestants fled to it as a refuge from the persecution to which they were exposed in their native land, bringing to their adopted country their skill, their wealth, and their energy. Its trade increased, and its towns grew in population and riches. Italian, German, French, and Scottish Protestant congregations existed at Cracow, Vilna, and Posnania.[1] Such was Poland before the foot of Jesuit had touched its soil.

But from the hour that the disciples of Loyola entered the country Poland began to decline. The Jesuits became supreme at court; the monarch,

[1] Krasinski, *Rise, Progress, and Decline of the Reformation in Poland*, vol. ii., p. 196; Lond., 1840.

Sigismund III., gave himself entirely up to their guidance; no one could hope to rise in the State who did not pay court to them; the education of youth was wholly in their hands, and the effects became speedily visible in the decay of literature,[1] and the growing decrepitude of the national mind. At home the popular liberties were attacked in the persons of the Protestants, and abroad the nation was humiliated by a foreign policy inspired by the Jesuits, which drew upon the country the contempt and hostility of neighbouring powers. These evil courses of intrigue and faction within the country, and impotent and arrogant policy outside of it, were persisted in till the natural issue was reached in the partition of Poland. It is at the door of the Jesuits that the fall of that once-enlightened, prosperous, and powerful nation is to be laid.

It concerns us less to follow the Jesuits into those countries which lie beyond the boundaries of Christendom, unless in so far as their doings in these regions may help to throw light on their principles and tactics. In following their steps among heathen nations and savage races, it is alike impossible to withhold our admiration of their burning zeal and intrepid courage, or our wonder at their prodigiously rapid success. No sooner had the Jesuit missionary set foot on a new shore, or preached, by an interpreter it might be, his first sermon in a heathen city, than his converts were to be counted in tens of thousands. Speaking of their missions in India, Sacchinus, their historian, says that "ten thousand men were baptised in the space of one year."[2] When the Jesuit mission to the East Indies was set on foot in 1559, Torrez procured royal letters to the Portuguese viceroys and governors, empowering them to lend their assistance to the missionaries for the conversion of the Indians. This shortened the process wonderfully. All that had to be done was to ascertain the place where the natives were assembled for some religious festival, and surround them with a troop of soldiers, who, with levelled muskets, offered them the alternative of baptism. The rite followed immediately upon the acceptance of the alternative; and next day the baptised were taught the sign of the cross. In this excellent and summary way was the evangelisation of the island of Goa effected![3]

By similar methods did they attempt to plant the Popish faith and establish their own dominion in Abyssinia, and also at Mozambique (1560) on the opposite coast of Africa. One of the pioneers, Oviedo, who had entered Ethiopia, wrote thus to the Pope:—"He must be permitted to inform his Holiness that, with the assistance of 500 or 600 Portuguese soldiers, he could at any time reduce the Empire of Abyssinia to the obedience of the Pontificate; and when he considered that it was a country surrounded with territories abounding with the finest gold, and promising a rich harvest of souls to the Church, he trusted his Holiness would give the matter further consideration."[4] The Emperor of Ethiopia was gained by flatteries and miracles; a terrible persecution was raised against the native Christians; thousands were massacred; but at last, the king having detected the authors of these barbarities plotting against his own life and throne, they were ignominiously expelled the country.

Having secured the territory of Paraguay, a Portuguese possession in South America, the Jesuits founded a kingdom there, and became its sovereigns. They treated the natives at first with kindness, and taught them several useful arts, but by-and-by they changed their policy, and, reducing them to slavery, compelled them to labour for their benefit. Dealing out to the Paraguayan peasant from the produce of his own toil as much as would suffice to feed and clothe him, the Fathers laid up the rest in large storehouses, which they had erected for the purpose. They kept carefully concealed from the knowledge of Europe this seemingly exhaustless source of wealth, that no one else might share its sweets. They continued all the while to draw from it those vast sums wherewith they carried on their machinations in the Old World. With the gold wrung from the Paraguayan peasants' toil they hired spies, bribed courtiers, opened new missions, and maintained that pomp and splendour of their establishments by which the populace were dazzled.[5]

Their establishments in Brazil formed the basis of a great and enriching trade, of which Santa Fé and Buenos Ayres were the chief depôts. But the most noted episode of this kind in their history is that of Father Lavalette (1756). He was Visitor-General and Apostolic Prefect of their Missions in the West Indies. "He organised offices in St. Domingo, Granada, St. Lucia, St. Vincent, and other islands, and drew bills of exchange on Paris, London, Bordeaux, Nantes, Lyons, Cadiz, Leghorn, and Amsterdam." His vessels, loaded with riches, comprising, besides colonial produce, negro slaves, "crossed the sea continually."[6] Trading on credit,

they professed to give the property of the society as security. Their methods of business were abnormal. Treaties obeyed by other merchants they disregarded. Neutrality laws were nothing to them. They hired ships which were used as traders or privateers, as suited them, and sailed under whatever flag was convenient. At last, however, came trouble to these Fathers, who were making, as the phrase is, "the best of both worlds." The Brothers Lioncy and Gouffre, of Marseilles, had accepted their bills for a million and a half of livres, to cover which two vessels had been dispatched for Martinique with merchandise to the value of two millions. Unfortunately for the Fathers, the ships were captured at sea by the English.

The house of Lioncy and Gouffre asked the superior of the Jesuits in Marseilles for four thousand livres, as part payment of their debt, to save them from bankruptcy. The Father replied that the society was not answerable, but he offered the Brothers Lioncy and Gouffre the aid of their prayers, fortified by the masses which they were about to say for them. The masses would not fill the coffers which the Jesuits had emptied, and accordingly the merchants appealed to Parliament craving a decree for payment of the debt. The appeal was allowed, and the Jesuits were condemned to honour the bills drawn by their agent. At this critical moment the General of the society died: delay was inevitable: the new General sent all the funds he could raise; but before these supplies could reach Marseilles, Lioncy and Gouffre had become bankrupt, involving in their misfortune their connections in all parts of France.

Now that the ruin had come and publicity was inevitable, the Jesuits refused to pay the debt, pleading that they were protected from the claims of their creditors by their Constitutions. The cause now came to a public hearing. After several pleas had been advanced and abandoned, the Jesuits took their final stand on the argument which, in an evil hour for themselves, they had put forth at first in their defence. Their rules, they said, forbade them to trade; and the fault of individual members could not be punished upon the order: they were shielded by their Constitutions. The Parliament ordered these documents to be produced. They had been kept secret till now. They were laid before Parliament on the 16th of April, 1761. The result was disastrous for the Jesuits. They lost their cause, and became much more odious than before. The disclosure revealed Jesuitism to men as an organisation based on the most iniquitous maxims, and armed with the most terrible weapons for the accomplishment of their object, which was to plant their own supremacy on the ruin of society. The Constitutions were one of the principal grounds of the decree for the extinction of the order in France, in 1762.[1]

That political kingdoms and civil communities should feel the order a burden too heavy to be borne, is not to be wondered at when we reflect that even the Popes, of whose throne it was the pillar, have repeatedly decreed its extinction. Strange as it may seem, the first bolt in later times that fell on the Jesuits was launched by the hand of Rome. Benedict IV., by a bull issued in 1741, prohibited them from engaging in trade and making slaves of the Indians. In 1759, Portugal, finding itself on the brink of ruin by their intrigues, shook them off. This example was soon followed in France, as we have already narrated. Even in Spain, with all its devotion to the Papal See, all the Jesuit establishments were surrounded, one night in 1767, with troops, and the whole fraternity, amounting to 7,000, were caught and shipped off to Italy. Immediately thereafter a similar expulsion befell them in South America. Naples, Malta, and Parma were the next to drive them from their soil. The severest blow was yet to come. Clement XIII., hitherto their firm friend, yielding at last to the unanimous demands of all the Roman Catholic courts, summoned a secret conclave for the suppression of the order: "a step necessary," said the brief of his successor, "in order to prevent Christians rising one against another, and massacring one another in the very bosom of our common mother the Holy Church." Clement died suddenly the very evening before the day appointed for the conclave. Lorenzo Ganganelli was elevated to the vacant chair under the title of Clement XIV. Ganganelli was studious, learned, of pure morals, and of genuine piety. From the schoolmen he turned to the Fathers, forsaking the Fathers he gave himself to the study of the Holy Scriptures, where he learned on what Rock to fix the anchor of his faith. Clement XIV. strove for several years, with honest but mistaken zeal, to reform the order. His efforts were fruitless. On the 21st of July, 1773, he issued the famous bull, "Dominus ac Redemptor noster," by which he "dissolved and for ever annihilated the order as a corporate body," at a moment when it counted 22,000 members.[2]

The bull justifies itself by a long and formidable list of charges against the Jesuits. Had this accusation proceeded from a Protestant pen it might

have been regarded as not free from exaggeration, but coming from the Papal chair it must be accepted as the sober truth. The bull of Clement charged them with raising various insurrections and rebellions, with plotting against bishops, undermining the regular monastic orders, and invading pious foundations and corporations of every sort, not only in Europe, but in Asia and America, to the danger of souls and the astonishment of all nations. It charged them with engaging in trade, and that, instead of seeking to convert the heathen, they had shown themselves intent only on gathering gold and silver and precious jewels. They had interpolated pagan rites and manners with Christian beliefs and worship: they had set aside the ordinances of the Church, and substituted opinions which the apostolic chair had pronounced *fundamentally erroneous and evidently subversive of good morals*. Tumults, disturbances, violences, had followed them in all countries. In fine, they had broken the peace of the Church, and so incurably that the Pontificates of his predecessors, Urban VIII., Clements IX., X., XI., and XII., Alexanders VII. and VIII., Innocents X., XI., XII., and XIII., and Benedict XIV., had been passed in abortive attempts to re-establish the harmony and concord which they had destroyed. It was now seen that the peace of the Church would never be restored while the order existed, and hence the necessity of the bull which dispossessed the Jesuits of "every office, service, and administration:" took away from them "their houses, schools, hospitals, estates;" withdrew "all their statutes, usuages, decrees, customs, and ordinances:" and pronounced "all the power of the General, Provincial, Visitors, and every other head of the same order, whether spiritual or secular, to be for ever annulled and suppressed." "The present ordinance," said the bull, in conclusion, "shall remain in full force and operation from henceforth and for ever."

Nothing but the most tremendous necessity could have made Clement XIV. issue this bull. He knew well how unforgiving was the pride and how deadly the vengeance of the society, and he did not conceal from himself the penalty he should have to pay for decreeing its suppression. On laying down his pen, after having put his name to the bull, he said to those around him that he had subscribed his death-warrant.[1] The Pope was at that time in robust health, and his vigorous constitution and temperate habits promised a long life. But now dark rumours began to be whispered in Italy that the Pontiff would die soon. In April of the following year he began to decline without any apparent cause: his illness increased: no medicine was of any avail: and after lingering in torture for months, he died, September 22nd, 1774. "Several days before his death," says Caraccioli, "his bones were exfoliated and withered like a tree which, attacked at its roots, withers away and throws off its bark. The scientific men who were called in to embalm his body found the features livid, the lips black, the abdomen inflated, the limbs emaciated, and covered with violet spots. The size of the heart was diminished, and all the muscles were shrunk up, and the spine was decomposed. They filled the body with perfumed and aromatic substances, but nothing could dispel the mephitic effluvia."[2]

The suppression with which Clement XIV. smote the Society of Jesus was eternal; but the "for ever" of the bull lasted only in actual deed during the brief interval that elapsed between 1773 and 1814. That short period was filled up with the awful tempest of the French Revolution—to the fallen thrones and desecrated altars of which the Jesuits pointed as the monuments of the Divine anger at the suppression of their order. Despite the bull of Clement, the Jesuits had neither ceased to exist nor ceased to act. Amid the storms that shook the world they were energetically active. In revolutionary conventions and clubs, in war-councils and committees, on battle-fields they were present, guiding with unseen but powerful touch the course of affairs. Their maxim is, if despotisms will not serve them, to demoralise society and render government impossible, and from chaos to remodel the world anew. Thus the Society of Jesus, which had gone out of existence before the Revolution, as men believed, started up in full force the moment after, prepared to enter on the work of moulding and ruling the nations which had been chastised but not enlightened. Scarcely had Pius VII. returned to the Vatican, when, by a bull dated August 7th, 1814, he restored the Order of Jesus. Thaddeus Borzodzowsky was placed at their head. Once more the brotherhood stalked abroad in their black birettas. In no long time their colleges, seminaries, and novitiates began to flourish in all the countries of Europe, Ireland and England not excepted. Their numbers, swelled by the sodalities of "St. Vincent de Paul," "Brothers of the Christian Doctrine," and other societies affiliated with

the order, became greater, perhaps, than they ever were at any former period. And their importance was vastly enhanced by the fact that the contest between the "Order" and the "Papal Chair" ended—temporarily, at any rate—in the enslavement of the Popedom, of which they inspired the policy, indited the decrees, and wielded the power.

CHAPTER X.

RESTORATION OF THE INQUISITION.

Failure of Ratisbon Conference—What Next to be Done?—Restore the Inquisition—Paul III.—Caraffa—His History—Spread of Protestantism in Italy—Juan di Valdez—His Re-unions at Chiaja—Peter Martyr Vermigli—Bernardino Ochino—Galeazzo Caraccioli—Vittoria Colonna, &c.—Pietro Carnesecchi, &c.—Shall Naples or Geneva Lead in the Reform Movement?

THERE is one arm of the Jesuits to which we have not yet adverted. The weapon that we refer to was not indeed unknown to former times, but it had fallen out of order, and had to be refurbished, and made fit for modern exigencies. No small part of the success that attended the operations of the Jesuits was owing to their use of it. That weapon was the Inquisition.

We have narrated in a former chapter the earnest attempt made at the Conference of Ratisbon to find

a basis of conciliation between the Protestant and the Popish Churches. The way had been paved at Rome for this attempted reconcilement of the two creeds by an infusion of new blood into the College of Cardinals. Gaspar Contarini, a senator of Venice, who was known to hold opinions on the doctrine of justification differing very little, if at all, from those of Luther,[1] was invested with the purple of the cardinalate. The chair of the Doge almost within his reach, Contarini was induced to come to Rome and devote the influence of his high character and great talents to the doubtful experiment of reforming the Papacy. By his advice, several ecclesiastics whose sentiments approximated to his own were added to the Sacred College, among others Sadoleto, Gioberto Caraffa, and Reginald Pole.

In the end, these new elections but laid a basis for a more determined and bloody resistance to Protestantism. This was in the future as yet; meanwhile the reforming measures, for which this change in the cardinalate was to pave the way, were taken. Deputies were sent to the Ratisbon Conference, with instructions to make such concessions to the Reformers as might not endanger the fundamental principles of the Papacy, or strip the tiara of its supremacy. The issue was what we have announced in a previous part of our history. When the deputies returned from the Diet, and told Paul III. that all their efforts to frame a basis of agreement between the two faiths had proved abortive, and that there was not a country in Christendom where Protestantism was not spreading, the Pope asked in alarm, "What then is to be done?" Cardinal Caraffa, and John Alvarez de Toledo, Bishop of Burgos, to whom the question was addressed, immediately made answer, Re-establish the Inquisition.

The proposal accorded well with the gloomy genius, unbending opinions, and stern bigotry of the men from whom it came. Caraffa and Toledo were old Dominicans, the same order to whom Innocent III. had committed the working of the "Holy Tribunal," when it was first set up. Men of pure but austere life, they were prepared to endure in their own persons, or to inflict on the persons of others, any amount of suffering and pain, rather than permit the Roman Church to be overthrown. Re-establish the Inquisition, said Caraffa; let the supreme tribunal be set up in Rome, with subordinate branches ramifying over all Europe. "Here in Rome must the successors of Peter destroy all the heresies of the whole world."[2] The Jesuit historians take care to tell us that Caraffa's proposal was seconded by a special memorial from the founder of their order, Ignatius Loyola. The bull re-establishing the Inquisition was published July 21st, 1542.

The "Holy Office" revived with terrors unknown to it in former ages. It had now a plenitude of power. Its jurisdiction extended over all countries, and not a man in all Christendom, however exalted in rank or dignity, but was liable to be made answerable at its bar. The throne was no protection; the altar was no shield; withered age and blooming youth, matron and maiden, might any hour be seized by its familiars, and undergo the question in the dark underground chamber, where, behind a table, with its crucifix and taper, sat the inquisitor, his stern pitiless features surmounted by his black cowl, and all around the instruments of torture. Till the most secret thought had been wrung out of the breast, no mercy was to be shown. For the inquisitor to feel the least pity for his writhing victim was to debase himself. Such were the instructions drafted by Caraffa.

The history of the man who restored the Inquisition is one of great interest, and more than ordinary instruction, but it is touchingly sad. Caraffa had been a member of the Oratory of *Divine Love*, which was a little circle of moderate Reformers, that held its sittings in the Trastevere at Rome, and occupied, as regarded the Reform of the Roman Church, a position midway between the champions of things as they were, and the company of decided adherents of the Gospel, which held its re-unions at Chiaja, in Naples, and of which we shall speak below. Caraffa had "tasted the good word of God, and the powers of the world to come," but the gracious stirrings of the Spirit, and the struggles of his own conscience, he had quelled, and from the very threshold of Rest which he was seeking in the Gospel, he had cast himself again into the arms of an infallible Church. With such a history it was not possible that Caraffa could act a middle part. He threw himself with sterner zeal into the dreadful work of reviving the Inquisition than did even Paul III., under whom he served, and whom he was destined to succeed. "Caraffa," says the historian Ranke, "lost not a moment in carrying this edict into execution; he would have thought it waste of time to wait for the usual issue of means from the apostolic treasury, and, though by no means rich, he

hired a house for immediate proceedings at his own expense; this he fitted up with rooms for the officers, and prisons for the accused, supplying the latter with strong bolts and locks, with dungeons, chains, blocks, and every other fearful appurtenance of his office. He appointed commissioners-general for the different countries."[1]

The resolution to restore the Inquisition was taken at a critical moment for Italy, and all the countries south of the Alps. The dawn of the Protestant day was breaking around the very throne of the Pope. From the city of Ferrara in the north, where the daughter of Louis XII., the correspondent of Calvin, sheltered in her palace the disciples of the Gospel, to the ancient Parthenope, which looks down from its fig and aloe covered heights upon the calm waters of its bay, the light was breaking in a clearness and fulness that gave promise that in proportion to the depth of the previous darkness, so would be the splendours of the coming day. Distinguished as the land of the Renaissance, Italy seemed about to become yet more distinguished as the land of Protestantism. At the foot of Fiesole, and in that Florence on which Cosmo and the brilliant group of scholars around him had so often looked down, while they talked of Plato, there were men who had learned a better knowledge than that which the Greek sage had taught. In Padua, in Bologna, in Lucca, in Modena, in Rome,[2] and in other cities of classic fame, some of the first families had embraced the Gospel. Men of rank in the State, and of eminence in the Church, persons of mark in the republic of letters, orators, poets, and some noble ladies, as eminent for their talents as for their birth, were not ashamed to enrol themselves among the disciples of that faith which the Lutheran princes had confessed at Augsburg, and which Calvin was propagating from the little town on the shores of the Leman, then beginning to attract the notice of the world. But of all the Protestant groups now forming in Italy, none equalled in respect of brilliance of rank, lustre of talent, and devotion of faith, that which had gathered round Juan di Valdez on the lovely shore of Naples.

This distinguished Spaniard had been forced to leave the court of Charles V. and his native land for the sake of the Gospel. On the western arm of the Bay of Naples, hard by the tomb of Virgil, looking forth on the calm sea, and the picturesque island of Capri, with the opposite shore, on which Vesuvius, with its pennon of white vapour a-top, kept watch over the cities which 1,400 years before it had wrapped in a winding-sheet of ashes, and enclosed in a tomb of lava, was placed the villa of Valdez. There his friends often assembled to discuss the articles of the Protestant creed, and confirm one another in their adherence to the Gospel. Among these was Peter Martyr Vermigli, Prior of St. Peter's *ad aram*. In the wilderness of Romanism the prior had become parched with thirst, for no water could he find that could refresh his soul. Valdez led him to a fountain, whereat Martyr drank, and thirsted no more. In his turn he zealously led others to the same living stream. Another member of that Protestant band was Caserta, a Neapolitan nobleman. He had a young relative, then wholly absorbed in the gaieties and splendours of Naples; him Caserta introduced to Valdez. This was Galeazzo Caraccioli, only son of the Marquis of Vico, who embraced the Gospel with his whole heart, and when the tempest dispersed the brilliant company to which he had joined himself, leaving his noble palace, his rich patrimony, his virtuous wife, his dear children, and all his flourishing honours, he cleaved to the cross, and repairing to Geneva was there, in the words of Calvin, "content with our littleness, and lives frugally according to the habits of the commonalty—neither more nor less than any one of us."[3]

In 1536 this select society received another member. Bernardino Ochino, the great orator of Italy, came at that time to Naples to preach the Lent Sermons. A native of Sienna, he assumed the cowl of St. Francis, which he afterwards exchanged for the frock of the more rigid order of the Capuchins. He was so eloquent that Charles V. said of him, "That man is enough to make the stones weep." His discourses were impregnated with the great principles of the Protestant faith, and his eloquence drew overwhelming crowds to the Church of St. Giovanni Maggiore, where he was now preaching. His accession to the society around Valdez gave it great additional strength, for the preacher was daily scattering the seeds of Divine truth among the common people. And not among these only, for persons of all ranks crowded to hear the eloquent Capuchin. Among his audience might be seen Giulia de Gonzaga, widow of the Duke of Trajetto, reputed the most beautiful woman in Italy, and, what was higher praise, one of the most humble and sincere of its Christians. And there was Vittoria Colonna, Marchioness of Pescaro, also renowned for the loveliness of her person, and not less renowned for her talents and virtues. And there was Pietro Carne-

secchi, a patrician of Florence, and a former secretary of Clement VII., now a disciple, and afterwards to be a martyr, of the Gospel. Such were the illustrious men and the high-born women that formed this Protestant propaganda in Naples. It comprehended elements of power which promised brilliant results in the future. It formed a galaxy of rank, talent, oratory, genius, and tact, adapted to all classes of the nation, and constituted, one would have thought, such an organisation or "Bureau" as was sure to originate, and in due time accomplish, the Reformation of Italy. The ravages the Gothic nations had inflicted, and the yet greater ravages of the Papacy, were on the point of being repaired, and the physical loveliness which Italy had known in her first days, and a moral beauty greater than she had ever known, were about to be restored to her. It was during those same years that Calvin was beginning his labours at Geneva, and fighting with the Pantheistic Libertines for a secure foothold on which to place his Reformation, that this little phalanx of devoted Protestant champions was formed on the shore of Naples.

Of the two movements, the southern one appeared at that hour by much the more hopeful. Contemplated from a human point of view, it had all the elements of success. Here the flower of an ancient nation was gathering on its own soil to essay the noble task of evoking into a second development those mighty energies which had long slumbered, but were not dead, in the bosom of a race that had given arts and letters and civilisation to the West. Every needful power and gift was present in the little company here confederate for the glorious enterprise. Though small in numbers this little host was great in names, comprehending as it did men of ancient lineage, of noble birth, of great wealth, of accomplished scholarship, of poetical genius, and of popular eloquence. They could appeal, moreover, to a past of renown, the traditions of which had not yet perished, and the memory of which might be helpful in the struggle to shake off the yoke of the present. These were surpassing advantages compared with the conditions of the movement at Geneva—a little town which had borrowed glory from neither letters nor arms; with a population rude, lawless, and insolent; a diminutive territory, overshadowed on all sides by powerful and hostile monarchs, who stood with arm uplifted to strike down Protestantism should it here raise its head; and, most discouraging of all, the movement was guided by but one man of note, and he a stranger, an exile, without the prestige of birth, or rank, or wealth. The movement at Geneva cannot succeed; that at Naples cannot fail: so would we have said. But the battle of Protestantism was not to the strong. The world needs to have the lesson often repeated, that it is the truth of principles and not the grandeur of names that gives assurance of victory. The young vine planted beneath the towers of the ancient Parthenope, and which was shooting forth so hopefully in the golden air of that classic region, was to wither and die, while that which had taken root beneath the shadow of the Alps was to expand amid the rude blasts of the Swiss mountains, and stretch its boughs over Christendom.

CHAPTER XI.

THE TORTURES OF THE INQUISITION.

A Stunning Blow—Three Classes in Italy—Flight of Peter Martyr Vermigli—of Ochino—Caraffa made Pope—The Martyrs, Mollio and Tisserano—Italian Protestantism Crushed—A Notable Epoch—Three Movements—The Inquisition at Nuremberg—The Torture-Chamber—Its Furnishings—Max Tower—The Chamber of Question—The various Instruments of Torture—The Subterranean Dungeons—The Iron Virgin—Her Office—The Burial of the Dead.

THE re-establishment of the Inquisition settled the question of the Reformation of Italy. The country, struck with this blow as it was lifting itself up, instantly fell back into the old gulf. It had become suddenly apparent that religious reform must be won with a great fight of suffering, and Italy had not strength to press on through chains, and dungeons, and scaffolds to the goal she wished to reach. The prize was glorious, she saw, but the price was great. Pallavicino has confessed that it was the Inquisition that saved Italy from lapsing into Protestantism.[1]

[1] *Istoria Conc. Trent*, lib. xiv., cap. 9.

The religious question had divided the Italians of that day into three classes. The bulk of the nation had not thought on the question at all, and harboured no purpose of leaving the Church of Rome. To them the restoration of the Inquisition had no terrors. There was another and large class who had abandoned Rome, but who had not clearness to advance to the open profession of Protestantism. They were most to be pitied of all should they fall into the hands of the inquisitors, seeing they were too undecided either to decline or to face the horrors of the Holy Office. The third class were in no doubt as to the course they must pursue. They could not return to a Church which they held to be superstitious, and they had no alternative before them but provide for their safety by flight, or await death amid the fires of the Inquisition. The consternation was great; for the Protestants had not dreamed of their enemies having recourse to such violent measures. Numbers fled, and these fugitives were to be found in every city of Switzerland and Germany.[1] Among these was Bernardino Ochino, on whose eloquent orations all ranks of his countrymen had been hanging but a few months before, and in whose audience the emperor himself might be seen when he visited Italy. Not, however, till he had been served with a citation from the Holy Office at Rome did Ochino make his escape. Flight was almost as bitter as death to the orator. He was leaving behind him the scene of those brilliant triumphs which he could not hope to renew on a foreign soil. Pausing on the summit of the Great St. Bernard, he devoted a few moments to those feelings of regret which were so natural on abandoning so much that he could not hope ever again to enjoy. He then went forward to Geneva. But, alas! the best days of the eloquent monk were past. At Geneva, Ochino's views became tainted and obscured with the new philosophy, which was beginning to air itself at that young school of pantheism.

Peter Martyr Vermigli soon followed. He was presiding over the convent of his order in Lucca, when the storm came with such sudden violence. He set his house in order and fled; but it was discovered after he was gone that the heresy remained although the heretic had escaped, his opinions having been embraced by many of the Lucoese monks. The same was found to be the case with the order to which Ochino belonged, the Capuchins namely, and the Pope at first meditated, as the only cure, the suppression of both orders. Peter Martyr went ultimately to Strasburg, and a place was found for him in its university, where his lamp continued to burn clearly to the close. Juan di Valdez died before the tempest burst, which drove beyond the Alps so many of the distinguished group that had formed itself around him at Pausilippo, and saw not the evil days which came on his adopted country. But the majority of those who had embraced the Protestant faith were unable to escape. They were immured in the prisons of the various Holy Offices throughout Italy; some were kept in dark cells for years, in the hope that they would recant, others were quickly relieved by martyrdom. The restorer of the Inquisition, the once reforming Caraffa, mounted the Papal chair, under the name of Paul IV. The rigours of the Holy Office were not likely to be relaxed under the new Pope; but twenty years were needed to enable the torture and the stake to annihilate the Protestants of Italy.[2]

Of those who suffered martyrdom we shall mention only two—Mollio, a Bolognese professor, renowned throughout Italy for his learning and his pure life; and Tisserano, a native of Perugia. On the 15th of September, 1553, an assembly of the Inquisition, consisting of six cardinals with their episcopal assessors, was held with great pomp at Rome. A train of prisoners, with burning tapers in their hands, was led in before the tribunal. All of them recanted save Mollio and Tisserano. On leave being given them to speak, Mollio broke out, says M'Crie, "in a strain of bold and fervid invective, which chained them to their seats, at the same time that it cut them to the quick." He rebuked his judges for their lewdness, their avarice, and their blood-thirsty cruelty, and concluded as follows:—"'Wherefore I appeal from your sentence, and summon you, cruel tyrants and murderers, to answer before the judgment-seat of Christ at the last day, where your pompous titles and gorgeous trappings will not dazzle, nor your guards and torturing apparatus terrify us. And in testimony of this, take back that which you have given me.' In saying this, he threw the flaming torch which he held in his hand on the ground, and extinguished it. Galled, and gnashing upon him with their teeth, like the persecutors of the first Christian martyrs, the cardinals ordered Mollio, together with his companion, who approved of the testimony he had borne, to instant execution. They were conveyed, accordingly, to the Campo del Fior, where they died with the most pious fortitude."[3]

The eight years that elapsed between 1534 and 1542 are notable ones in the annals of Protestant Christianity. That epoch witnessed the birth of

three movements, which were destined to stamp a character upon the future of Europe, and powerfully to modify the conflict then in progress in Christendom. In 1534 the Jesuits recorded their first vow in the Church of Montmartre, in Paris. In 1540 their society was regularly launched by

earth, and that never does an agency start up to destroy the world, but there is set over against it a yet more powerful agency to convert the evil it would inflict into good.

It is one of these great epochs at which we have arrived. Jesuitism, the consummation of error—the

the Papal edict. In 1542, Paul III. issued the bull for the re-establishment of the Inquisition; and in 1541, Calvin returned to Geneva, to prepare that spiritual army that was to wage battle with Jesuitism backed by the Inquisition. The meeting of these dates—the contemporaneous rise of these three instrumentalities, is sufficiently striking, and is one of the many proofs which we meet in history that there is an Eye watching all that is done on

Inquisition, the maximum of force, stand up and array themselves against a now fully developed Protestantism. In following the steps of the combatants, we shall be led in succession to the mountains of the Waldenses, to the cities of France, to the swamps of Holland, to the plains of Germany, to Italy, to Spain, to England and Scotland. Round the whole of Christendom will roll the tide of this great battle, casting down one nation into the darkness of

slavery, and lifting up another into the glory of freedom, and causing the gigantic crimes of the persecutor and the despot to be forgotten in the excelling splendour of the patriot and the martyr. This is the struggle with the record of which we shall presently be occupied. Meanwhile we proceed to describe one of those few Inquisitions that remain to this day in almost the identical state in which they existed when the Holy Office was being

vigorously worked. This will enable us to realise more vividly the terror of that weapon which Paul III. prepared for the hands of the Jesuits, and the Divine power of that faith which enabled the confessors of the Gospel to withstand and triumph over it.

Turn we now to the town of Nuremberg, in Bavaria. The zeal with which Duke Albert, the sovereign of Bavaria, entered into the restoration of Roman Catholicism, we have already narrated. To further the movement, he provided every one of the chief towns of his dominions with a Holy Office, and the Inquisition of Nuremberg still remains—an anomalous and horrible monument in the midst of a city where the memorials of an exquisite art, and the creations of an unrivalled genius, meet one at every step. We shall first describe the *Chamber of Torture*.[1]

The house so called immediately adjoins the Imperial Castle, which from its lofty site looks down on the city, whose Gothic towers, sculptured fronts, and curiously ornamented gables are seen covering both banks of the Pegnitz, which rolls below. The house may have been the guard-room of the castle. It derives its name, the *Torture-chamber*, not from the fact that the torture was here inflicted, but because into this one chamber has been collected a complete set of the instruments of torture gleaned from the various Inquisitions that formerly existed in Bavaria. A glance suffices to show the whole dreadful apparatus by which the adherents of Rome sought to maintain her dogmas. Placed next to the door, and greeting the sight as one enters, is a collection of hideous masks. These represent creatures monstrous of shape, and malignant and

[1] The Author was conducted over the Inquisition at Nuremberg in September, 1871, and wrote the description given of it in the text immediately thereafter on the spot. Others must have seen it, but he knows of no one who has described it.

fiendish of nature. It is in beholding them that we begin to perceive how subtle was the genius that devised this system of coercion, and that it took the mind as well as the body of the victim into account. In gazing on them, one feels as if he had suddenly come into polluting and debasing society, and had sunk to the same moral level with the creatures here figured before him. He suffers a conscious abatement of dignity and fortitude. The persecutor had calculated, doubtless, that the effect produced upon the mind of his victim by these dreadful apparitions, would be that he would become morally relaxed, and less able to sustain his cause. Unless of strong mind, indeed, the unfortunate prisoner, on entering such a place, and seeing himself encompassed with such unearthly and hideous shapes, must have felt as if he were the vile heretic which the persecutor styled him, and as if already the infernal den had opened its portals, and sent forth its venomous swarms to bid him welcome. Yourself accursed, with accursed beings are you henceforth to dwell—such was the silent language of these abhorred images.

We pass on into the chamber, where more dreadful sights meet our gaze. It is hung round and round with instruments of torture, so numerous that it would take a long while even to name them, and so diverse that it would take a much longer time to describe them. We must take them in groups, for it were hopeless to think of going over them one by one, and particularising the mode in which each operated, and the ingenuity and art with which all of them have been adapted to their horrible end. There were instruments for compressing the fingers till the bones should be squeezed to splinters. There were instruments for probing below the finger-nails till an exquisite pain, like a burning fire, would run along the nerves. There were instruments for tearing out the tongue, for scooping out the eyes, for grubbing-up the ears. There were bunches of iron cords, with a spiked circle at the end of every whip, for tearing the flesh from the back till bone and sinew were laid bare. There were iron cases for the legs, which were tightened upon the limb placed in them by means of a screw, till flesh and bone were reduced to a jelly. There were cradles set full of sharp spikes, in which victims were laid and rolled from side to side, the wretched occupant being pierced at each movement of the machine with innumerable sharp points. There were iron ladles with long handles, for holding molten lead or boiling pitch, to be poured down the throat of the victim, and convert his body into a burning cauldron. There were frames with holes to admit the hands and feet, so contrived that the person put into them had his body bent into unnatural and painful positions, and the agony grew greater and greater by moments, and yet the man did not die. There were chestfuls of small but most ingeniously constructed instruments for pinching, probing, or tearing the more sensitive parts of the body, and continuing the pain up to the very verge where reason or life gives way. On the floor and walls of the apartment were other and larger instruments for the same fearful end—lacerating, mangling, and agonising living men; but these we shall meet in other dungeons we are yet to visit.

The first impression on entering the chamber was one of bewildering horror; a confused procession of mangled, mutilated, agonising men, speechless in their great woe, the flesh peeled from off their livid sinews, the sockets where eyes had been, hollow and empty, seemed to pass before one. The most dreadful scenes which the great genius of Dante has imagined, appeared tame in comparison with the spectral groups which this chamber summoned up. The first impulse was to escape, lest images of pain, memories of tormented men, who were made to die a hundred deaths in one, should take hold of one's mind, never again to be effaced from it.

The things we have been surveying are not the mere models of the instruments made use of in the Holy Office; they are the veritable instruments themselves. We see before us the actual implements by which hundreds and thousands of men and women, many of them saints and confessors of the Lord Jesus, were torn, and mangled, and slain. These terrible realities the men of the sixteenth century had to face and endure, or renounce the hope of the life eternal. Painful they were to flesh and blood—nay, not even endurable by flesh and blood unless sustained by the Spirit of the mighty God.

We leave the Torture-chamber to visit the Inquisition proper. We go eastward, about half a mile, keeping close to the northern wall of the city, till we come to an old tower, styled in the common *parlance* of Nuremberg the Max Tower. We pull the bell, the iron handle and chain of which are seen suspended beside the door-post. The cicerone appears, carrying a bunch of keys, a lantern, and some half-dozen candles. The lantern is to show us our way, and the candles are for the purpose of being lighted and stuck up at the turnings in the dark underground passages which we are about to traverse. Should mischance befall our lantern, these tapers, like beacon-lights in a narrow creek, will pilot us safely back into the day. The cicerone,

selecting the largest from the bunch of keys, inserts it in the lock of the massy portal before which we stand, bolt after bolt is turned, and the door, with hoarse heavy groan as it turns on its hinge, opens slowly to us. We begin to descend. We go down one flight of steps; we go down a second flight; we descend yet a third. And now we pause a moment. The darkness is intense, for here never came the faintest glimmer of day; but a gleam thrown forward from the lantern showed us that we were arrived at the entrance of a horizontal, narrow passage. We could see, by the flickering of the light upon its sides and roof, that the corridor we were traversing was hewn out of the rock. We had gone only a few paces when we were brought up before a massy door. As far as the dim light served us, we could see the door, old, powdery with dust, and partly worm-eaten. Passing in, the corridor continued, and we went forward other three paces or so, when we found ourselves before a second door. We opened and shut it behind us as we did the first. Again we began to thread our way: a third door stopped us. We opened and closed it in like manner. Every step was carrying us deeper into the heart of the rock, and multiplying the barriers between us and the upper world. We were shut in with the thick darkness and the awful silence. We began to realise what must have been the feelings of some unhappy disciple of the Gospel, surprised by the familiars of the Holy Office, led through the midnight streets of Nuremberg, conducted to Max Tower, led down flight after flight of stairs, and along this horizontal shaft in the rock, and at every few paces a massy door, with its locks and bolts, closing behind him! He must have felt how utterly he was beyond the reach of human pity and human aid. No cry, however piercing, could reach the ear of man through these roofs of rock. He was entirely in the power of those who had brought him thither.

At last we came to a side-door in the narrow passage. We halted, applied the key, and the door, with its ancient mould, creaking harshly as if moving on a hinge long disused, opened to let us in. We found ourselves in a rather roomy chamber, it might be about twelve feet square. This was the *Chamber of Question*. Along one side of the apartment ran a low platform. There sat of old the inquisitors, three in number—the first a divine, the second a casuist, and the third a civilian. The only occupant of that platform was the crucifix, or image of the Saviour on the cross, which still remained. The six candles that usually burned before the "holy Fathers" were, of course, extinguished, but our lantern supplied their place, and showed us the grim furnishings of the apartment. In the middle was the horizontal rack or bed of torture, on which the victim was stretched till bone started from bone, and his dislocated frame became the seat of agony, which was suspended only when it had reached a pitch that threatened death.

Leaning against the wall of the chamber was the upright rack, which is simpler, but as an instrument of torture not less effectual, than the horizontal one. There was the iron chain which wound over a pulley, and hauled up the victim to the vaulted roof; and there were the two great stone weights which, tied to his feet, and the iron cord let go, brought him down with a jerk that dislocated his limbs, while the spiky rollers, which he grazed in his descent, cut into and excoriated his back, leaving his body a bloody, dislocated mass.[1]

Here, too, was the cradle of which we have made mention above, amply garnished within with cruel knobs, on which the sufferer, tied hand and foot, was thrown at every movement of the machine, to be bruised all over, and brought forth discoloured, swollen, bleeding, but still living.

All round, ready to hand, were hung the minor instruments of torture. There were screws and thumbkins for the fingers, spiked collars for the neck, iron boots for the legs, gags for the mouth, cloths to cover the face, and permit the slow percolation of water, drop by drop, down the throat of the person undergoing this form of torture. There were rollers set round with spikes, for bruising the arms and back; there were iron scourges, pincers, and tongs for tearing out the tongue, slitting the nose and ears, and otherwise disfiguring and mangling the body till it was horrible and horrifying to look upon it. There were other things of which an expert only could tell the name and the use. Had these instruments a tongue, and could the history of this chamber be written, how awful the tale!

We shall suppose that all this has been gone through; that the confessor has been stretched on the bed of torture; has been gashed, broken, mangled, and yet, by power given him from above, has not denied his Saviour: he has been "tortured not accepting deliverance:" what further punishment has the Holy Office in reserve for those from whom its torments have failed to extort a recantation? These dreadful dungeons furnish us with the means of answering this question.

We return to the narrow passage, and go forward a little way. Every few paces there comes a door,

[1] The Author has described with greater minuteness the horizontal and upright racks in his account of the dungeons underneath the Town-house of Nuremberg. (See *ante*, bk. ix., chap. 5, p. 501.)

originally strong and massy, and garnished with great iron knobs but now old and mouldy, and creaking when opened with a noise painfully loud in the deep stillness. The windings are numerous, but at every turning of the passage a lighted candle is placed, lest peradventure the way should be missed, and the road back to the living world be lost for ever. A few steps are taken downwards, very cautiously, for a lantern can barely show the ground. Here there is a vaulted chamber, entirely dug out of the living rock, except the roof, which is formed of hewn stone. It contains an iron image of the Virgin; and on the opposite wall, suspended by an iron hook, is a lamp, which when lighted shows the goodly proportions of "Our Lady." On the instant of touching a spring the image flings open its arms, which resemble the doors of a cupboard, and which are seen to be stuck full on the inside with poignards, each about a foot in length. Some of these knives are so placed as to enter the eyes of those whom the image enfolded in its embrace, others are set so as to penetrate the ears and brain, others to pierce the breast, and others again to gore the abdomen.

The person who had passed through the terrible ordeal of the Question-chamber, but had made no recantation, would be led along the tortuous passage by which we had come, and ushered into this vault, where the first object that would greet his eye, the pale light of the lamp falling on it, would be the iron Virgin. He would be bidden to stand right in front of the image. The spring would be touched by the executioner—the Virgin would fling open her arms, and the wretched victim would straightway be forced within them. Another spring was then touched—the Virgin closed upon her victim; a strong wooden beam, fastened at one end to the wall by a movable joint, the other placed against the doors of the iron image, was worked by a screw, and as the beam was pushed out, the spiky arms of the Virgin slowly but irresistibly closed upon the man and did their work.

When the dreadful business was ended, it needed not that the executioner should put himself to the trouble of making the Virgin unclasp the mangled carcase of her victim; provision had been made for its quick and secret disposal. At the touching of a third spring, the floor of the image would slide aside, and the body of the victim drop down the mouth of a perpendicular shaft in the rock. Down this pit, at a great depth, could be discerned the shimmer of water. A canal had been made to flow underneath the vault where stood the iron Virgin, and when she had done her work upon those who were delivered over to her tender mercies, she let them fall, with quick descent and sullen plunge, into the canal underneath, where they were floated to the Pegnitz, and from the Pegnitz to the Rhine, and by the Rhine to the ocean, there to sleep beside the dust of Huss and Jerome.

Barry Chamish, 2000 #759
Author, Revisionist Zionist Jew, Israeli Patriot

The author regards Barry Chamish as the foremost Jewish authority when it comes to the real truth behind all political intrigue within Israel. As the founder of the groundbreaking periodical *Inside Israel* and author of several extremely critical books, including *Israel Betrayed (2000), Who Murdered Yitzhak Rabin?*

(2000) and *Save Israel! (2002),* his newest CD release is most important of all. *Zion First: The Vatican's New Crusade for Jerusalem* details Rome's quest to make Jerusalem an international city, as advocated by JFK assassin, Francis Cardinal Spellman. His exposure of Jesuit-trained Knight of Malta, King Juan Carlos of Spain advising Shimon Peres, and Knight of Malta Henry Kissinger advising Ariel Sharon are key points in proving Rome's secret rule over both Labor and Likud political parties. It was Barry who informed the author that Shimon Peres and Yossi Beilin deeded the Temple Mount to the Vatican in 1993; a few months later Rome recognized the nation of Israel—to the chagrin of the Arab world! For the Black Pope considers Israel, created and ruled by Jesuit Temporal Coadjutors since 1948, to be the restored "Kingdom of Jerusalem" of the Pope's Dark Ages, when the crusading and bloody Knights Templars also sought to rebuild the Temple of Solomon. Barry exposes the fact that Rome rules Israel via New York's Council on Foreign Relations now directed by the "Archbishop of the Capital of the World," Edward Cardinal Egan. Because of his imperial works, he now lives in Vancouver, B.C., due to several attempts on his life. May this brave and persistent Judas Maccabeus of the 21st Century continue to sound the warning: "Israel is ruled by Sabbatian Frankist, Masonic Jewish Labor Zionist, CFR-directed, popish traitors loyal to that Antichrist in the Vatican." Leo Lyon Zagami, 2006 #760

Italian Noble, Moslem, Ex-Illuminatus, Ex-P2 33rd Degree Freemason

Although Zagami has an obvious, evil-looking "Count Dracula" countenance due to his rearing and many years within the highest levels of the Black Pope's occult Illuminati and Freemasonry, the author is convinced of his sincerity and selfless intent to expose the plans of America's destroyers. Raised a Roman Catholic and a member of P2 Monte Carlo Lodge's "Masonic Executive Committee," Leo "the prince" had been groomed to replace aged Illuminati "king, " P2 Grand Master and Knight of Malta, Licio Gelli. Fleeing for his life, Leo left Italy and now resides in Norway from where he conducts his work of exposing the spiritual and temporal powers of the Illuminati controlled by the most powerful sorcerers and black magicians in the world—the Jesuits! Leo's work has sustained most of the conclusions put forth in *VAIII* such as: the Black Pope controls the White Pope; the Vatican Empire and its American Empire are mere tools of the Jesuits; the Knights of Malta control the Pope's unified international intelligence community as well as Rome's international banking fraternity; the Sicilian Mafia directs the Pope's international drug trade, prostitution racket and pornography industry; the Knights of Malta ruling the CIA are responsible for 911; the war in Iraq is, in fact, a 21st Century Crusade against Islam while serving as a distraction for the planned destruction of the American Empire; and the Black Pope rules the Masonic Chief Rabbis of Rome and Jerusalem, and thus is the secret master of international Masonic Jewish Labor Zionism. Zagami also admits that notable Jews are mere Masonic pawns in the Black Pope's grand conspiracy for a world government to be centered in a Third Hebrew Temple in Jerusalem. May this brave Roman of noble blood continue to expose the power and plan of the Vatican's Jesuit/Illuminati and come to know the true Lord Jesus Christ of the AV1611 Bible. Papal Infallibility, Deification of the Pope (Bull: *Unam Sanctam*);

Anti Society of Jesus, i.e., the Company of Jesus, presently ruling the world through the Papacy, including the Pope of its making, the Roman Hierarchy, its several Orders, both Military and Religious of the Roman Catholic Institution; Occult Freemasonry; the Illuminati, the Sabbatian-Frankist Masonic Jewish Labor Zionists, Masonic Moslems (Sunni, Shiite and Wahhabi), along with a host of subordinate Egyptian, Gnostic, Hermetic Secret Societies having penetrated all Church-State religions, encompassing one grand, international, Satanic conspiracy to culminate in a world government to be ruled by Satan through a final and last Pope, murdered, risen from the dead and indwelt by Satan, ruling the world from the future international city of Jerusalem within a new Temple of Solomon—the Third Hebrew Temple. This Beast, the Antichrist, will also rule the world's politics and commerce from the treasure city of ancient Babylon, yet to be built after the Pope's present Crusade against the Islamic peoples, as well as against the historic White British and American Protestant peoples once having composed the Jesuit Society's greatest enemy—White Anglo-Saxon Protestant Western Civilization—in accordance with the Company's Counter-Reformation *Council of Trent*; its bloody Fourth Vow known in history as *the Jesuit Oath*; its *Monita Secreta* (*Secret Instructions of the Jesuits*); its *Syllabus of Errors* (Eighty Errors of Modern Civilization "reprobated, forbidden and condemned") incorporated into the Jesuit-led, Ultramontane, openly fascist and anticommunist First Vatican Council of 1870; and its *The Protocols of the Learned Elders of Zion*, authored by the Order's "Fathers of the Faith," composing the **Community of Sion** in Valais, Switzerland, prior to the Jesuit-inspired Dreyfus Affair. An attempt was made by the Order, however, to prove *The Protocols* "a forgery" of the Russian Tzarist Secret

Police (the Okhrana—then in the hands of **Spanish Jesuit General Louis Martin** through his creature, the Jew-hating absolutist, **Knight of Malta Tzar Nicholas II**). That attempt, in covering-up the Order's authorship of *The Protocols*, became the life's work of **Belgian Jesuit Pierre Charles** according to a French Socialist-Communist and occult Jesuit Temporal Coadjutor, **Jean Lacouture**, as revealed in his *Jesuits: A Multibiography*.

Dispensationalist; Distinguishing Between:
The Body of Christ (the true New Testament Bible-believing Church)
The Nation of Israel (the Race of Hebrew/Israelitic/Jewish People)
The Gentile Nations: Composed of the Descendants of Japheth (the Whites), and their geographic nations Shem (the Orientals) and their geographic nations Ham (the Blacks) and ther geographic nations

Biblical, Non-Hateful, Racial and Ethnic Separatist of the Nations:

Advocating the Separation of the Nations; each nation being composed of a distinct **race, language** and **culture** of a people dwelling within a specific **geographic area** on any given continent; each people being a self-governing, autonomous entity, enjoying the fruit of their own labors utilizing their own natural resources while protecting their domestic manufacturers; and armed with a nationalistic military composed of its own citizens set for the defense of their own distinct nation and civilization.

Biblical, Non-Hateful, Racial and Ethnic Separatist from the Jews:

Advocating the Racial Separation of Gentile Nations from **the LORD's** beloved Hebrew/Jewish/Israelitic people, who, racially, are yet to inherit the promises given to the fathers, **Abraham, Isaac** and **Jacob** in addition to the promise given to Israel's Prophet and King, **David,** all of whom will be resurrected to enjoy the fulfillment of their specific promises via the power of the Lord Jesus Christ, He ruling the world from Jerusalem, ***"the holy city,"*** after He has smashed the Antichrist's racially Jew-hating nations at His Second Coming foretold by the Old Testament as explained by the New Testament, ***The King James AV1611 Bible*** for English-speaking peoples. We refuse to persecute or amalgamate with this special racial people—***"the holy people,"*** lest we pollute their seed, while they await the fulfillment of their earthly promises and we await the fulfillment of our heavenly promises.

Advocating the benevolent treatment of Jews within Gentile nations that the blessing of the Abrahamic promise may be extended to those nations by the risen Son of God now seated at the right hand of His Father, **the Lord Jesus Christ**

expecting "***his enemies to be made his footstool***" once "***the fullness of the Gentiles***" (i.e., the Jew/Gentile elect's salvation in Christ) is complete.
Advocating the right of the Hebrew/Jewish/Israelitic people, "***the holy seed***," to the land of ancient Israel, which land promise given to **Abram** (***Genesis 12:1-3***), and his physical posterity through **Isaac** and **Jacob**, was in fact unilateral and thus unconditional, solely dependent upon God vindicating His Holy Name for its ultimate fulfillment. These specific promises to the fathers, Jesus Christ came to confirm (***Romans 15:8***). The right of a remnant of the Hebrew people to occupy their land is not premised upon national repentance, evidenced by their presence in the land while suffering under a foretold condition of unbelief. The Jewish people's presence in the land is a necessity for the prophetic Scriptures to be fulfilled (***Daniel 9:27; Ezekiel 38:8; Zechariah 12:8-10; 14:1-4; Matthew 24:15***). The Nation of Israel is no longer under the conditional **Law of Moses**, or the **Mosaic Covenant**, but only under the **Abrahamic Covenant** with the promise of being brought under the **Messiah's New Covenant** as declared by the prophets ***Jeremiah (31:32-34)*** and ***Ezekiel (36:25-27)***. It is for this reason the Arab Moslems within Israel have no right whatsoever to the land or a nation within the land promised to Abraham, and therefore should be peaceably removed, given necessary funds by the super-rich Islamic cartel-capitalists ruling the Arab Moslem world—on behalf or the Papacy, and repatriated to neighboring Arab states, again given monies, houses and lands to begin anew. This in turn would eliminate the Jesuit Order's generational agitation between Jews and Arabs, the Society's high-level Freemasons, both Jewish and Islamic, controlling both factions—as directed by Rome, thus ending the continued diplomacy benefiting the Vatican.

The author's study of the Jesuit Order was prompted by three great injustices:
1. The Assassination of **President John F. Kennedy**;
2. The Assassination of **President Abraham Lincoln**;
3. The Concerted Attack upon the Bible of the English Reformation, ***The King James Authorized Version of 1611*** translated from the Hebrew Masoretic Text and the Greek Received Text, all of which Reformation Bibles in every "vulgar" tongue are condemned by the Order's Counter-Reformation, "heretic and liberal"-condemning, Dark Age **Council of Trent** (1545-1563).

I have devoted over twenty-five years, off and on, to this study; authored *Vatican Assassins: "Wounded In The House Of My Friends*;" and have finished the Third edition, doubled in length from the First edition, its intent being to awaken individuals to the occult dictatorship of the Society of Jesus within their own nations via "trusted third parties," and the assassination and murder of their duly elected officials—including **John F. Kennedy**—when "the ends justify the means." This spiritual and political **Great Awakening**, prayerfully to be brought about by the preaching of the true **New Testament Gospel of the Grace of God in Christ**, in conjunction with the exposure of the Devil's unfruitful works of darkness, will

hopefully lead **the LORD's** obedient elect people (as well as all honest and patriotic men within all nations), to issue the clarion call for the expulsion of the **Society of Jesus** from their national borders. These expulsions will hopefully lead to the subsequent **Suppression and Extinction** of the **Company of Jesus** through a formal **Papal Bull** issued by the Pope, confiscating all its wealth and property (including the Society's stupendous gold horde—stored in the central banks of the world—as well as controlling stocks in the world's military industrial complexes and international oil monopoly), this marvelous, forthcoming **Second Bull of Suppression and Extinction** to be issued in the near future—by the grace of the living, Sovereign God! As was done in 1773 by the virtuous **Pope Clement XIV**, so may it be accomplished again by a repentant and humbled **Pope Benedict XVI**, whose unfortunate ties to the Bavarian Illuminati Jesuits—Hitler's SS henchmen of World War II—may be broken, his life preserved and his **Bull of Suppression and Extinction** promulgated throughout the earth for the benefit and blessing of all mankind.
